PATRIOTIC SCARECROW — This Scarecrow, which is sitting near the driveway of the home of Ken and Mary Marshall, south of Matador, seems to say Happy Halloween with a patriotic flair, holding his flag and reminding everyone to vote on Tuesday, November 3rd.

Annual Fall Carnival Will Be Held Saturday Night

Plans are well underway for the Annual Fall Carnival, which will hold a variety of surprises. The event will take place on Saturday, October 31, 1992 from 7 p.m. to 10:00 p.m. in the old school gym.

The Queen's Contest will begin the Carnival. All contestants and escorts need to be at the gym no later than 6:30 p.m.

The girls and their escorts need to dress in Sunday clothes. Voting cans are located at the school and at the Library downtown. Coin votes only, will be accepted. Please try to vote between Monday, October 26 until Friday, October 30. If

this is not possible the cans will be available at the gym on Saturday from 6:00 until 6:45 p.m. After the annual Spook Parade the Jr. Queen and Queen will be announced. Get out and support your queen candidates!

The Spook Parade will follow the introduction of the Queens. Ages, pre-school - 3rd grade participate in the Parade. Attention all Spooks - come dressed in your cutest, scariest or funniest and see who wins the prize. The Carnival booths will gear-up for an evening of fun and laughs.

Some of the booths that will make up

the carnival include the Cake Walk, Sucker Pull, Sponge Throw, Car Bash, Toilet Tissue Throw, Treasure Hunt, Coke Ring Toss, Raffles, Kiss the Pig, Cow Patty Bingo, Face Painting, try your hand at golf and many more exciting booths.

If you get a little hungry from all the activity in the gym come eat with the Study Club. We will be having Hot Dogs, Chili Dogs, Frito Pie, Chili and for dessert, Halloween Cupcakes. To quench your thirst we have tea and softdrinks. All for bargain amount! Come and enjoy your Halloween evening on Saturday night. Remember to get out with the family and have a good time!

Matadors Out Run The Greyhounds For 39-14 Win

The Motley County Matadors defeated the Knox City Greyhounds, 39-14 in last Friday night's game at Knox City.

Motley County had 16 first downs, 334 yards rushing, 50 yards passing, with a total of 384 yards.

This was a great offensive night. Leading ball carrier was Shane Taylor. His total yardage for the night was 201. Brandon Blanch finished the night with 101 yards. Shawn Elliott, Dustin Davis, Andy Renfro, and Mark Brannon did excellent jobs of blocking.

Big play of the game was when Frankie Ortiz hit Robert Osborn on a 50 yard T.D. pass.

Leading tackler was Robert Osborn. Erik Alvarado had an excellent defensive game, as did Bradley Jameson.

Scoring Summary is as follows: Frankie Ortiz scored in the 2nd quarter on a two yard quarterback sneak. Noel Guerrero kicked the extra point. In the third quarter, Shane Taylor scored on a 30 yard run; Ortiz passed to Robert Osborn for a 50 yard touchdown; Frankie Ortiz scored on a 23 yard run. Noel Guerrero kicked the extra point. In the fourth quarter, Shane Taylor scored from one yard

and Brandon Blanch scored on a 33 yard run up the middle.

The Matadors will face the Spur Bulldogs, Friday, here, at 7:30 p.m.

The Motley County JV won again moving their record to 5-1. Black Magic was in the air Thursday night when the Matadors J.V. beat Petersburg, 20-16. With this victory our J.V. still remains unbeaten in District play.

The workhorse on the night was Jarrod Brooks. Jarrod carried the pigskin 17 times for 246 yards. The reason behind Jarrod's success came from the outstanding blocking from the offensive line. Up front Jody Scott, Lee Jones, Brad Thacker, Joe Martin, and Kevin Keltz opened the holes for our backs all night.

Motley County's first score came in the first quarter when Jarrod Brooks ran around the end for a 3 yard touchdown. Motley County scored again on a 50 yard run by Brooks during the second quarter. Extra point play was good when Chad Graves passed to Kevin Keltz for the 2 points.

Motley scored again during the third quarter when Brooks crossed the goal line from three yards out.

Other offensive standouts were quarterback Chad Graves, and fullback Chad Lawrence.

Josh Palmer lead the Matadors JV Defense along with Joe Martin, Mike Miner and Joe Gallispie. The J.V. will finish their season this week against Spur.

Coach Graves stated, "It really feels good when we have our J.V. and Varsity winning the same week. I'm really proud of them. They are working their hearts out."

The Motley County Mavericks played hard last Thursday night here in Matador, but came up on the short side. Knox City Greyhounds beat the Mavericks, 32-8. Quinton Brandon scored for the Mavericks from 5 yards out and Dayton Grundy scored the extra point. Keane Cruse also did a good job at QB. Leading Defense was Kyle Brandon and Josh Lee. Good job Mavericks.

Coach Prather stated, "I am proud of the improvement these kids have shown. They really work hard."

The Mavericks will play Spur, there, Thursday, October 28, beginning at 5:00 p.m.

DPS Urges Caution For Halloween

"Trick or Treat" are familiar words that will soon usher in another Halloween season. Halloween is a time when children will be distracted by the excitement of the season, a time when parents should take steps to ensure their children's safety by instructing them in the do's and don'ts of Halloween.

Major Vernon Cawthon, Regional Commander of the Texas Department of Public Safety, says, "it's a good idea to insure costumes fit well, not too tight or too loose, causing a child to trip and fall. Painting the child's face with makeup is

preferable to wearing a mask, which obstructs vision. Make sure all costumes are made of non-flammable material, especially wigs and masks. Young children should always be accompanied by an adult. If you do not accompany your child, instruct him to go out with a group and not to stop at homes which are dark.

Costumes should be reflective or a piece of reflective tape placed on the costume and bags. Everyone should carry a flashlight."

Major Cawthon went on to say that all candy should be taken home and checked

prior to anything being eaten and if a suspicious treat is found contact the police. For those who plan to participate in handing out treats, turn on your porch light to let children know they are welcome and remove obstacles from the front yard that could cause a child to trip and fall. Keep lighted jack-o-lanterns or candle away from steps or the front door where a child's costume could be ignited by a flame.

Major Cawthon advises motorists traveling into residential areas, to drive with extreme caution and be watchful of children darting into the street.

Farmers Home Administration Community Programs Assisting Rural Texas

Temple-- "The Community Programs Division of the Texas Farmers Home Administration's (FmHA) State Office is proud to announce the success of fiscal year 1992," according to Neal Sox Johnson, State Director for FmHA. 85 loans and grants have been obligated to Texas communities with amounts totaling over 41.8 million dollars. These funds were used to assist rural water and sanitary sewer systems servicing more than 47 thousand residential connections with a collective rural population of 138 thousand persons.

Community Facility Insured Loans were obligated to assist a variety of essential facilities such as volunteer fire departments, drug awareness facility, city streets, hospital repairs and a natural gas system. These loans totaling almost 1.9 million dollars, served approximately 45 thousand families in the rural areas of Texas. Additionally, FmHA obligated three Industrial Development grants totaling 668 thousand dollars. One grant provided FmHA with a unique opportunity to assist in the financing of a demonstration facility to construct a fresh water shrimp farm in Burleson County.

FmHA has increased its emphasis on guaranteed loan programs. The guarantee program helps borrowers establish a relationship with commercial lenders and assists their transition to private sector credit. Guaranteed loans totaling nearly 445 thousand dollars were obligated for water and waste disposal and community facilities.

million dollars in the direct water and waste programs for loans and grants, and 4.1 million dollars in direct essential community facilities funding to assist rural Texans in fiscal year 1993. Approximately 3.9 million dollars for guaranteed community facility program funds

will be available to serve eligible rural applicants in Texas in fiscal year 1993," Johnson said.

Farmers Home Administration is an Equal Employment Lender. Complaints of discrimination should be sent to: Secretary of Agriculture, Washington, D.C. 20250.

Barbara's Bylines

Eenie-meenie-minee-mo, this seems to be what some people are saying about what they are going to do when they go to vote for our President in this election. How sad this is for us to not really be able to see a candidate with a real difference. Everyone has an opinion on certain issues of each candidate but then what?

I have read this candidate comparison list that was compiled by the Christian Coalition and it has some interesting issues that we haven't seen much about in the debates or on the commercials.

Billy Donaldson Named Lion Of The Year

LION OF THE YEAR — Billy Donaldson, center, was named Lion of the Year for 1992 at the annual Lions Ladies Night Out held last week. Also pictured here are Tony Rose, left, Boss Lion; Keri Shorter, Queen; Billy W. Denison, 2T-2 Zone Chairman, and Jeff Thacker of Roaring Springs Lions Club and 2T-2 Regional Chairman.

The Matador Lions Club held their annual Ladies Night Out and Teacher Appreciation Banquet, Tuesday, October 20 at the School Cafeteria. The 3M Company entertained the crowd of Lions, Lions' wives, teachers, school employees and spouses. The delicious meal was prepared by the Home Ec. department.

Lion Billy Donaldson was awarded the Lion of the Year Award for 1991-92 for his outstanding dedication and service to the Lions Club.

Boss Lion, Tony Rose, welcomed everyone and Lion and Motley County Principal Dick Van Hoose introduced the teachers. Lion Tail Twister Kirby Campbell entertained with his usual fines

and fun, as he collected them from unsuspecting Lions.

Lion Secretary Alan Bingham presented perfect attendance awards to John V. Stevens, Forest Campbell, and Glenn Woodruff for 45 years; L.B. Campbell, 30 years; Larry Hoyle, 20 years; Roy Hobbs, 10 years.

The 3M Company did an outstanding job of singing and performing serious, as well as funny songs of days gone by. "Elvis" (Billy Donaldson) was alive and well as he excited the audience by singing Blue Suede Shoes. Crooner and comedian Dick Van Hoose was featured singing "Lost in the 50" Tonight. Lion Dr. Pat Williams, saxophone player, and Lion

Gerald Pipkin, piano player, were featured on their instruments. Other songs were "Under the Boardwalk", "Splish, Splash", "Chapel of Love", "Til I Kissed You", "South of the Border", and "Faded Love".

Rep. Sarpalius' Mobile Office To Be In Matador

U.S. Rep. Bill Sarpalius' mobile office will be in Matador November 10 from 1:00 - 2:00 p.m. at the courthouse.

The mobile office allows the Congressman to bring his services directly to the citizens of the 13th Congressional District. A representative from the Congressman's office will be available to assist with questions, comments or federal problems that you might have.

"I have always believed that to be an effective public servant you have to go to the people and hear their concerns and ideas," Sarpalius said. "I was elected not just to represent my district, but to serve. That's why I have this mobile office."

The mobile office will be traveling to towns in the district on a monthly basis. For more information, contact Community Representative, Dusty Hansard at (806) 371-8844.

THE FACTS ABOUT WEIGHT LOSS

Being obese can have serious health consequences. These include an increased risk of heart disease, stroke, high blood pressure, diabetes, gallstones, and some forms of cancer. Losing weight can help reduce these risks but choosing the right weight reduction plan can be tricky.

Here are some pointers to keep in mind as you search for the right program for you:

— Claims that you can lose weight effortlessly are false. The only proven way to lose weight is either to reduce the number of calories you eat or to increase the number you burn off through exercise. Experts recommend a combination of both.

— Very low calorie diets do have risks and should be pursued only under medical supervision. Unsupervised very low-calorie diets can deprive you of important nutrients and are potentially dangerous.

— Fad diets rarely have any permanent effect. Sudden and radical changes in your eating patterns are difficult to sustain over time. In addition, radical dieting often sends dieters into a cycle of quick weight loss, followed by a rebound weight gain once normal eating resumes. Subsequently, reducing becomes even more difficult when the next diet is attempted.

— To lose weight safely and keep it off requires long-term changes in daily eating and exercise habits. Many experts recommend a goal of losing about one pound per week. A modest reduction of 500 calories per day will achieve this goal, since a total reduction of 3,500 calories is required to lose one pound of fat. An important way to lower your calorie intake is to learn and practice healthy

Managing Food Refusal In Children

Children sometimes refuse to eat a certain food or group of foods important to good nutrition. Usually it is vegetables that are refused but some children also dislike meat, fish or milk.

Trying different preparations may help children accept foods that they have refused. Try serving raw instead of cooked vegetables. If a child still refuses the food, substitute a nutritionally equivalent food the child likes. For example, try apricots in place of carrots or low-fat yogurt and low-fat cheese instead of milk.

Fast, Healthful Cooking

All you need for healthful stir-frying is a good cast-iron or non-stick skillet and, a light touch when it comes to oil. Many wonderful stir-fry dishes can be made with less than a tablespoon of added oil. Heat the pan before you add the oil; it goes farther that way. To shortcut the slicing and dicing required for stir-frying,

buy your vegetables precut from the salad bar or frozen food section. When you are really rushed, you can purchase cleaned shrimp or precut cubes of chicken or beef.

Educational programs conducted by the Texas Agricultural Extension Service are for people of all ages regardless of socio-economic level, race, color, sex, religion, handicap, or national origin.

THOUGHT FOR THE DAY: You can't get much done by starting tomorrow.

Caprock Girl Scouts Introduce GATHERINGS, A WEST TEXAS COLLECTION OF RECIPES

What do Hazel Donovan, Senator John Montford, Waylon Jennings, Sheriff "Sonny" Keesee, Coach Spike Dykes, Jane Prince Jones, Former First Lady Nancy Reagan and First Lady Barbara Bush all have in common? Besides having a taste for fine cuisine, they have favorite recipes featured in a new cookbook *GATHERINGS*, published by Caprock Girl Scout Council.

The cookbook, commemorating the 80th Birthday of Girl Scouting, was developed as a gift for the 18 counties served by Caprock Girl Scout Council. The cookbook contains over 450 family recipes from contributors throughout the 18 counties. The culture and heritage of West Texas comes alive through the imagery of Rob Shive's poetry and the beautiful sketches of Myra Burris. A gorgeous field of West Texas wild thistles, photographed by Joe Don Buckner, provides a breathtaking cover for the book.

Shive and Buckner are local to the West Texas area and Burris is a flourishing transplant. Mr. Shive is a fourth generation Texan who was reared in Coahoma, Texas, a town founded and named by his great grandfather. Shive

has been writing poetry for twenty years and writes frequently about his favorite subject, the people and state of Texas. He currently resides in Lubbock and is employed as Director of Admissions and Student Affairs for the School of Allied Health at Texas Tech University Health Sciences Center.

Myra Burris was born in Walterboro, S.C. and moved to Lubbock five years ago. She comes from a family of accomplished artists and enjoys painting with oil, watercolor, and pen and ink. She is the Executive Director of Caprock Girl Scout Council.

Photographer Joe Don Buckner, was born in Lockney, Texas and moved to Lubbock when he was five years old. He became interested in photography at an early age and started working professionally at age sixteen. He has received several awards from the Associated Press for feature and color photography. He is currently the photo manager of the Lubbock Avalanche Journal.

"Early reactions to the cookbook have been great," says Susan McDonald, volunteer marketing chairman for the Caprock Girl Scout Council. "In fact, the response has been so good that we have

already ordered a second reprint," states McDonald.

Even Texas Tech Football Coach Spike Dykes has had a comment about the cookbook. Dykes recently commented, "I noticed my wife has a recipe for Black-Bottom Pie. Would you please call and ask her to cook it. Your cookbook is great!"

GATHERINGS will be available from Girl Scouts in all 18 counties from November 2-16. The book will go on sale in the retail stores beginning December 1.

Proceeds from the book will be used for repairs needed on swimming pool and dressing area at Girl Scout Camp Rio Blanco which is located south of Crosbyton.

GATHERINGS will be formally introduced at a reception and book signing party from 2:00-4:00 p.m. November 1st at the Lubbock Women's Club, 2020 Broadway. Celebrities will be on hand to sign cookbooks. If you would like to purchase a cookbook, you may contact Susan Thomas, in Matador at 347-2335.

REAL BEAUTIES — Tasha and Carissa Zarate recently competed in a Baby and Beauty Contest in Abilene. Tasha was 4th runner-up in the 4-6 year division and Carissa was 1st runner-up in the Under One Division. The girls are eligible to compete in the State Contest in Dallas in May, 1993. Sunburst Enterprises sponsored the event. They are the daughters of Joe and Dena Zarate of Haskell, and the granddaughters of Mr. and Mrs. Charles Renfro of Matador and Mary Zarate of Sweetwater.

Arts & Crafts Club Will Meet For Program On Making Tote Bags

Mrs. Geraldine Key will teach Motley County Arts and Crafts Club members how to make a new type of "Tote Bag" at their regular meeting Monday, November 2, at the Matador Senior Citizens Center. She will be assisted by Lorene Lancaster. The meeting will begin at 10:00 a.m.

Mrs. Betty Simpson, club president, will conduct business at 1:00 p.m. Final plans will be made for the annual Christmas Bazaar, to be held November 14 at the Matador Auto Company.

Don't forget - three fourths yard of material for the 'tote bag', the same for the lining. And don't forget to 'tote-in' a covered dish for the luncheon at 12:00 noon.

Mental Health

by Ron Trusler, M.Ed., L.P.C.
Assistant Executive Director Central Plains Center for Mental Health, Mental Retardation and Substance Abuse.

WHEN GUILT BECOMES TOO MUCH

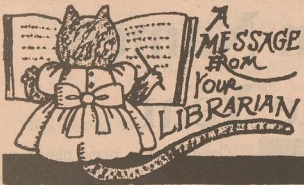

Some researchers have estimated that guilt plays a major role in about 80% of people attempting suicide. Intense feelings of guilt can make life unbearable. This is also true of teenagers and younger children. Forty youngsters, ages 3-14, who had tried to take their own lives, were intensely interviewed. It was concluded that 1 in 4 were seeking to be punished either for masturbation or because they had wished someone else dead and couldn't live with the terrible thoughts.

Guilt can mask itself in accident-proneness. It has been traced to a powerful emotional need to suffer for real or fancied misdeeds.

Knowing how to handle excessive and

inappropriate guilt can help us avoid mental suffering. Learn the difference between the rightful and the unreasonable expectations you have of yourself. Ask yourself two questions: "Why do I feel guilty?" and "Should I feel guilty?" At this point, review all the rules and principles that you have set down for you during your lifetime. Are they precepts that you believe in or are they unwarranted and even foolish. Are those principles realistic and valid for you at your stage of life: Are they relevant in the society in which you live and work?

Next week's article will be on "Guidelines for helping tell the difference between reasonable and unreasonable demands you might be making on yourself."

FFA Members Win

Members of the Motley County FFA Chapter had a winning day recently on the Campus of Clarendon College. Clarendon College hosted the Leadership Contests for Greenbelt, Amarillo, and Top-O-Texas FFA Districts on Saturday, October 24th.

In the always competitive Greenbelt District, Motley County's Greenhand Chapter Conducting Team defeated all challenges to win first to travel back to Clarendon on October 31st. and compete in the Area I Leadership Contests. They will compete with 11 other winning teams from the Panhandle region to determine who advances to the State Leadership Contests. Chapter Conducting is a difficult contest that requires contestants to have a vast knowledge of parliamentary law along with public speaking skills. Members of the team are Brad Thacker, President; Lee Jones, Vice-President; Cara Franks, Secretary; Bobby Barton, Sentinel; Kevin Keltz, Reporter; Jarrod Brooks, Treasurer; and Denise Duarte, Advisor.

The Farm Radio Broadcasting team of Brandon Blanch, Chad Graves, and Josh Palmer placed third in their contest against seven other very competitive teams. The Farm Radio Broadcasting contest simulates a live radio broadcast given by the three team members. In this contest, script preparation and voice quality are the keys to being successful. Timing is also very important because the broadcast has to be between six and eight minutes long. The sophomore trio, in their first year of leadership competition, overcame their inexperience with hard work and desire.

Denise Duarte placed fifth in the Creed Speaking Contest. In this contest each contestant must recite the five paragraphs of the FFA Creed in front of the contest judges. It can be a very nerve wracking experience, and the competition is always keen. The FFA Creed was written by E.M. Tiffany, and adopted at the 3rd National Convention of the FFA. It was revised at the 38th Convention and again at the 63rd Convention.

Jobs To Benefit Rural Texas

Temple -- Neal Sox Johnson, State Director of the Farmers Home Administration (FmHA), said today, "I am pleased to announce that the Business and Industry Division has assisted rural Texas businesses in creating 187 new jobs and maintaining 56 existing jobs in fiscal year 1992."

In Texas, loan guarantees for business and industry customers totals almost 4 million dollars last fiscal year. One loan was obligated to a lumber manufacturing plant located in Liberty County creating 65 new positions and preserving 49 others. Another loan was completed in Wise County, which enabled the opening of a medical center, employing 27 people. Falls County was the beneficiary of a

loan for a newly constructed restaurant which created 8 jobs. A loan guarantee was issued for a retail and wholesale fuel distributor in Crosby County which created 2 positions and maintained 7 others. Starr County will have a supermarket under construction later this year with an FmHA approximately 85 employees.

Currently, preapplications for Business and Industry guarantees in Erath, Harrison, and Swisher Counties are being reviewed for loans totaling over 7.1 million dollars. Applications in Collins, Dawson, Hall, Harrison, and Matagora Counties are under review for loans totaling over 7.7 million dollars. These new loans would create approximately 235 new jobs and preserve 160 existing jobs.

President Bush's budget, as recently passed by Congress, has allocated 100 million dollars nationally for loan guarantees to assist local lenders in meeting their local community's credit needs for the creation and preservation of jobs in rural America. "Texas Business and Industry Division looks forward to an initial

allocation for fiscal year 1993 of approximately 4 million dollars to assist rural Texans preserve and create jobs," Johnson said.

Farmers Home Administration is an Equal Employment Lender. Complaints of discrimination should be sent to: Secretary of Agriculture, Washington, D.C. 20250.

Texas Farmers and Ranchers Benefit From USDA Program

Temple -- Neal Sox Johnson, State Director of the United States Department of Agriculture (USDA) Texas Farmers Home Administration (FmHA), said today, "I am pleased to announce another successful year for the Farmer Programs Division of the Texas FmHA."

Texas FmHA made 1,877 direct operating loans totaling more than 91.7 million dollars to farmers and ranchers in Texas to finance operating and living expenses. In addition, the agency also guaranteed 1,021 farmer program operating loans made by private lenders totaling over 125 million dollars. In excess of 4.2 million dollars in direct farm ownership and more than 13.3 million dollars in guaranteed loans were granted. Funds from these loans were used to purchase and improve farm and ranch land in Texas.

As result of Texas FmHA programs in fiscal year 1992, 3,015 farm and ranch families continued to work in the ranching business or to become owner/operators of family farms. President Bush's budget for fiscal year 1993, as recently approved by Congress, has authorized 3.3 billion dollars nationally to continue to meet the needs of our nation's farmers and ranchers. "Texas FmHA looks forward to an allocation of approximately

250 million dollars to assist eligible Texas farmers and ranchers in fiscal year 1993," Johnson said.

The Farmers Home Administration assists rural America by guaranteeing private sector loans and by providing temporary, supervised direct loans to farm and housing borrowers who have a reasonable chance for success, and whose current needs cannot be met as reasonable rates and terms by commercial sources. The Agency is committed to excellence in providing its services.

Letter to the Editor

To the editor,

God's miracles.

We are sorry the OVERHEARD, 10-15-92, was taken completely out of context to the subject it was referring. The point was federal economic realism. It was not the miracles of God that was questioned! We, too have experienced

However, we do not believe the Government Administration can perform miracles when reducing the federal deficit or solve other legislative problems without us making sacrifices!

HALLOWEEN: From a Christian Perspective

NOTE: This article is a reprint from a previous edition of *The Motley County Tribune*. It was originally taken from the *Warnke Ministries* newspaper.

Samhain or Halloween held a great religious significance for the Celts. They believed that on the night of Samhain the barrier between the physical world and the spirit world was at its weakest. Spirits, as well as souls of the dead, were free to roam the earth. The religious ceremonies of the Druids were designed to protect the crops, herds, and the flocks from demonic influences. Animal and human sacrifices provided a means of divination as well as being for appeasement of the gods or spirits. People tried to disguise themselves as evil spirits who may have been sent to plague them. This quickly degenerated into children's games.

A candle lit pumpkin placed outside a home, usually carved with an evil face, was used to show sympathy and submission to evil spirits in hope that those who lived there would receive treatments of mercy by the evil spirits. World Book Encyclopedia lists the Jack-o-Latern as an ancient symbol of a damned soul. Knowing this, as Christians, why would we place such a symbol in front of our own home?

For many people today, Halloween is a time for Trick-or-Treat, dressing up as ghosts, witches and vampires. Even though these costumes are modernized, they are still a direct decent from pagan religious practices observed even before the time of Christ. Present day satanists and witches still consider halloween to be the best time of year to cast spells and to communicate with spirits. Then as a Christian what should our response be to Halloween?

By examining some scriptures we can get a clearer view of what a Christian's

attitude should be. Deuteronomy 18: 9-14 gives God's position on divination, sorcery, or attempts to communicate with spirits of the dead; "For all that do these things are an abomination unto the Lord." I believe God's statement is clear that we could abstain from any type of the occult.

Although we might feel as if trick-or-treating, carving Jack-o-Laterns and dressing up as "evil spirits" is all very harmless to us, we must also realize that all of this is serious business to those who are involved in the Occult. A fourth grade teacher asked her students to write an essay on what they would most like to do to celebrate Halloween. Eighty percent of the nine year old children expressed the wish to kill somebody. With this it is easy to see how Halloween can promote the desire for violence.

Also we must consider our brothers and sisters in Christ who at one time could have been involved in the Occult. We must be very careful when planning our Halloween activities not to present a stumbling block for a fellow Christian.

Christians should not be quick to ignore Halloween's pagan origins, but we should be ready to present a reasonable alternative.

Some alternatives are:
* Instead of having a "Haunted House", have a "Heavenly House" and have each room depict a Bible story.

* Instead of a Halloween party have a Hallelujah party and dress up as Bible characters. Carve pumpkins with the words, Jesus, Hallelujah, Lord and let the candle shine these words instead of a scary face of a Jack-o-Latern. These are just a few ideas. I'm sure you can be creative and come up with many more of your own. Just remember, our efforts to present alternatives that are Christ centered can minister to believers as well as unbelievers.

Windbreak Tree Seedlings Available For Sale Through The Upper Pease Soil And Water Conservation District

by Edward J. Logan
Range Conservationist

Tree and shrub seedlings for windbreak and conservation plantings are currently available for sale by the Upper Pease SWCD. If you are interested in ordering windbreak trees please call or come by the Soil and Water Conservation District in Matador. Our phone number is 347-2263. Personnel will be available to assist you and take your orders on Tuesdays and Thursdays from 8:00 a.m. through 4:30 p.m. Although the deadline for ordering trees is February 1, 1993, several species of trees are beginning to sell out and persons interested are encouraged to place orders soon. Trees will be available for pickup on February 18, 1993 at the Soil Conservation Service office in Matador.

Several advantages exist for planting windbreak tree seedling around homes, cropland fields, and for wildlife. Wind breaks help reduce damage caused to homes and fields caused by wind erosion. Windbreak trees also provide shade and

reduce noise, heating and cooling costs, and improve the esthetic value of property. Livestock and wildlife are benefited by windbreaks and trees provide shade, shelter, and food.

There are a large number of both hardwood and evergreen tree species available for sale again this year. Some of the hardwoods for sale include Catalpa, Cottonwood, Honeylocust, Nanking Cherry, Red Oak, Russian Olive and Shunkbush Sumac. Austrian Pine, Ponderosa Pine, and Redcedars are some of the evergreen trees currently available. Wildlife packets are again available this year. These packets consist of 100 seedlings of 4 species which provide food and shelter for specific wildlife. Wildlife packets available are for Quail and Pheasant, Deer, Turkey, and Squirrel.

If you are interested in the Windbreak tree seedling program and would like to place an order, call or come by the Upper Pease SWCD in Matador or call 347-2263. Remember several species of trees have limited availability so place your orders as soon as possible.

Floydada's Punkin' Days annual celebration can provide entertainment that's fun for the whole family. Halloween Day is set for this year's harvest party of packed activities, with the day being highlighted that night with a costume contest and downtown trick or treating.

To herald Floydada's claim as Pumpkin Capital U.S.A., the October 31st celebration will kick off Saturday morning at 9 a.m. with arts and crafts booths flooding the square. The booths will feature handmade items from all over the United States, and local downtown merchants will also be exhibiting great buys! This will provide the perfect opportunity to do a little early Christmas shopping.

Judging will begin under the pavilion at 10 a.m., on entries of the smallest pumpkin, the largest pumpkin, ugliest gourd, prettiest corn, best painted pumpkin, best carved pumpkin and best pumpkin pie. Entries from all over Texas will be accepted.

Races for the serious and not-so-serious start at 11 a.m. with the 5K race, followed by the Fun Run and Stroller Race, and bringing up the rear will be the Fat Man's Race, which includes anybody with a sense of humor.

Smaller children will enjoy the special games created for them, including a

pumpkin drawing contest, pumpkin rolling race, the great pumpkin toss and pumpkin bowling. Those a little older can partake in a timed carving contest, seed spitting contest, wheelbarrow race and a pumpkin pie relay race.

The costume contest will begin at 6 p.m., followed by downtown trick or treating from 6:30 to 8:30 p.m. During this time the square will be blocked off to traffic. The people of Floydada are encouraged to donate money or store bought packaged candy to the Chamber of Commerce which will distribute it to booths set up around the square.

The person who guesses the weight of the pumpkins piled in a trailer will win \$25, and prizes of \$200, \$300, and \$500 will be awarded to the winners of Cow Patty Bingo.

While enjoying Punkin' Days in Floydada visit the famous historical Lamplighter Bed and Breakfast. This would be ideal for those who want to get an early start on the arts and crafts or the morning races, or for those who need to recuperate after the days' events.

Punkin' Days in Floydada is an all day event offering contests, races, relaxation, food, and entertainment that's fun for all ages. Come and enjoy the hospitality!

GENERAL ELECTION (ELECCION GENERAL)

(Condado de) MOTLEY COUNTY, TEXAS

NOVEMBER 3, 1992 (3 de noviembre de 1992)

OFFICIAL BALLOT (BOLETA OFICIAL)

INSTRUCTION NOTE: Vote for the candidate of your choice in each race by placing an "X" in the square beside the candidate's name. You may cast a straight-party vote (that is, cast a vote for all the nominees of one party) by placing an "X" in the square beside the name of the party of your choice. If you cast a straight-party vote for all the nominees of one party and also cast a vote for an opponent of one of that party's nominees, your vote for the opponent will be counted as well as your vote for all the other nominees of the party for which the straight-party vote was cast.

(NOTA DE INSTRUCCION): Vote por el candidato de su preferencia para cada candidatura marcando una "X" en el espacio cuadrado a la izquierda del nombre del candidato. Usted podrá votar por todos los candidatos de un solo partido político ("straight ticket") marcando una "X" en el espacio cuadrado a la izquierda del nombre de ese partido político. Si usted vota por una de los partidos políticos y también vota por el contrincante de uno de los candidatos de dicho partido político, se contará su voto por el contrincante tanto como su voto por todos los demás candidatos del partido político de su preferencia.

Dear Friends:

I firmly believe that public office is a sacred trust...a contract between the office holder and the people that requires the elected official to honestly and effectively represent the people's interest.

In 1988, the people of District 30 placed their trust in me and I have honored that trust by working hard to represent our district to the best of my ability.

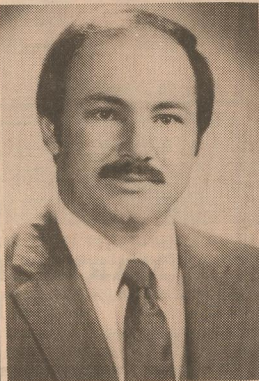

In just four short years we have accomplished a lot by working together. Together, we have improved access to health care. Together, we have brought new prisons to the 30th District and have become leaders in the fight against crime. Together, we've helped create jobs and economic opportunities and worked to improve the quality of life for our senior citizens and our children. Together, we have made a good start toward a better tomorrow. But the job is not finished. We must continue to make our best case in Austin on the issues most vital to us.

As state senator, I'll continue to listen to the needs and concerns of our district and I'll keep on fighting to claim our fair share.

I want to keep working as your Senator. I ask for your vote, your support, and your prayers in this effort. Together, we can build a brighter future for all Texans.

Sincerely,

Steven A. Carriker
State Senator

...I'll Keep Fighting
To Claim Our Share.

LEGAL NOTICE

NOTICE OF RATE CHANGE REQUEST AND STATEMENT OF INTENT

Notice is hereby given that DICKENS ELECTRIC COOPERATIVE INC., (the "Utility") intends to change the rate applicable to large power loads of 40,000 KW or more for customers qualifying for service under the existing load retention rate. The existing load retention rate was approved by the Public Utility Commission of Texas and is applicable to certain qualifying loads over 2,000 KW. At the time this rate was approved the Utility was not contractually committed to supply power in excess of 40,000 KW and it was not anticipated that any single load would exceed 40,000 KW. Recently, however, the Utility has been requested to provide service to a larger load. The proposed rate change would not affect customers with loads of less than 40,000 KW but would reduce the rate applicable to large power loads of 40,000 KW or more. The changes are proposed to be effective November 9, 1992. The proposed rate changes do not affect historic test year revenues. The changes are applicable to all customers with large power loads of 40,000 KW or more qualifying for service under the load retention rate in all areas served by the Utility.

Implementation of the proposed load retention rate and other changes is subject to approval by the Public Utility Commission of Texas. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change is available at the general office of the Utility located at Spur, Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Texas Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for he deaf.
