Sheppard On Trial Again **Upon Sanity**

Youth Condemued To Die For Death Of Of-

ANSON, Sept. 9 (A)The young Fisher county killer. Joyce Shep pard, went on trial again today for his sanity with only the decision of the jury standing between him and eternity. If he is found sane in to day's proceedings before Judge W. R. Chapman in 104th District Court there will be no appeal. He will go forthwith to the death chair to pay the penalty for the murder he has been convicted, that of a Fisher county deputy sheriff.

A crowded courtroom heard string of witnesses, doctors and atpital, picture Sheppard's fourteen months stay in that institution as that of a normal person, conversing intelligently expressing a desire to return to the penitentiary, hopeful of getting a new trial.

Moments of wild violence, such

as he exhibited in court this morn ing, were unknown to him while he was in their custody, they testi-fied. Dr. William Thomas superintendent at Rusk, upon whose af fidavit Sheppard was returned for trial today, observing the defendant in one of his authrenks, told W. J. WHAT DOES YOUR MIRROR SAY?

MANY WOMEN the mounting birthdays bring a little less beauty, a few more wrinkles, a complexion that has lost its youth and charm. Yet for others, Time seems to stand

The difference is often a matter of diet. So many foods lack sufficient roughage or bulk. Without it, constipation is inevitable. Its poisons spread over the whole system, causing ill health and loss of youth.

Today, you can prevent it easily by eating Kellogg's ALL-Bran. Two tablespoonfuls daily are guaranteed to prevent and relieve both temporary and re-curring constipation. In stubborn caves, eat ALL-BRAN with each meal. This is so much bet-ter than taking pills and drugs

Advanced processes have improved Kellogg's ALL-BRAN both in texture and in the delicious, nut-like taste. Delightful with milk or

cream, fruits or honey added. Use it for making fluffy bran. muffins, breads, etc. Kellogg's ALL-BRAN also brings iron, which paints cheeks and lips with the natural tint of health. At all grocers.

Texas Loop Play-off Begins Wednesday

"Uneasy lies the head that wears a crown," so chirpeth Willie Shakespeare at one time, when he was leading the other chirpers. Ferhaps, had he a way of knowing, he would turn over in his grave, as old, decrepid and useless es he is, if he knew that Boyce Cubs vs. Brooklyn, Giants House, the power behind the pen when it comes to Ranger football has lifted the phrase and applied it to the Breckenridge Buckles. Vet, did Mr. House deal in variations? The unswer is, he didn't. He might have changed it a bit, to-wit: "Uneasy lies the head that wears a crown, but not so much the National league pennant were so with Mr. Silent Shotwell wielding the scepter." In other words, it lakes a prefty fair optimist to discount the physical aspects of the Buckaroos down in Buckarooville. Shotwell's products galloped around the Lone Star state in 1929 like Bill Olsen at a beef barbecuc it is not to be forgotten that the 1930 Bucaroo' edition craves more railop. It is true, however, that after feams over District Two have tengthened. But what they had is build to in the first pace cannet start to compare with what ishotwell has, "Uneasy lies the head is build has, "Uneasy lies the head is perhaps, but not as uneasy as the first place.

The Cubs are leading the field by two and one half games, with the Cardinals in runner-up position, holding a full game advantage (ver the Robins and a game and a laif over the Giants.

Over-production, Mr. Whitney as-serted, was the basic cause of the depression and the breaking point was reached last summer when the consumption could no longer kee. pace with the enormous output of goods. The most dramatic result of the unsettled equilbrium was the stock market panic.
