MULES ON VICTORY TRAIL—Despite the best efforts of the Olton Mustangs, as shown here by Roy Sanchez, No. 88 and Tommy Brown, No. 22, the Mules dominated the 1987 season opener. In the background, Mule Estevan Sandoval, No. 15 and Ritchie Tillema, No. 60, watch the Olton Mustangs trying to bury a fellow Mule. Olton defense failed to 'mesh' as the Mules won, 35-12. Virtually all the Mules show action in the first game for this year.

Mules Open Season With 35-12

Win Over Olton Mustangs

BY GARY WATKINS
JOURNAL SPORTS

In a resounding season opener, the Muleshoe Mules defeated the Olton Mustangs at Olton on Friday night, by a whopping 35-12.

At the coin toss, the Mules won and elected to kick off. The Mustangs' Michael Hernandez returned the ball but a fumble in the next play gave the Mules an early advantage. This advantage made an early touchdown possible with 9:24 left to play in the first quarter.

Michael Dunham ran the ball through the middle and into the end zone for an early Mule lead of 6-0. Ronnie Perez, who proved his worth as a kicker, made good the extra point, leaving the Mustangs to trail by 7.

Despite the fact Olton now had possession of the ball, they could not retain control and fumbled allowing Ramon Garcia to recover for Muleshoe. This possession of the ball lead to still yet another Mule touchdown in the first quarter. After another successful extra point kick by Perez, the score was 14-0.

In the last play of the first quarter, Olton's Junior Garza easily connected with Craig LaDuke in the end zone for a 27 yard touchdown pass. The extra point attempt failed leaving the score at the end of the first quarter 14-6.

With 10:06 left in the second half, Mule Daniel Olivas took the ball around the right of the field 42 yards for another Muleshoe touchdown. The PAT was good leaving Olton trailing by 15 points.

The rest of the second quarter was scoreless and marked only by several possessions of the ball by Muleshoe and also repeated penalties that plagued the Mules throughout the game.

The third quarter marked a renewed effort by the Mustangs to dominate the Mules. This effort went largely for naught, though as the Mules continued to show an excellent offensive front. With only 7:54 left in the third period, quarterback Jeff Hicks connected with 20 Sergio Gonzalez in a 15 yard pass for another Mule score. Ronnie Perez kept true to his style and made the extra point attempt successful again. Ending out the

quarter with a number of small yardage gains in the air and on the ground, Muleshoe locked up a 28-6 lead.

Muleshoe once again dominated the fourth quarter and effectively kept the ball to themselves throughout much of the night. Quarterback Hicks made several extraordinary attempts at passing in the 4th period but the Olton defense was strong against him. But not strong enough as the Mules scored yet another TD with Michael Dunham taking the ball over the line with 3:26 left to play. Another extra point kick

Farm Bureau Annual Meet September 12

Gary Hooten, county president, said the Bailey County Farm Bureau will have its annual meeting on Saturday, September 12, in the Muleshoe High School Cafeteria.

A free meal of barbecue, beans, home-grown vegetables, and fruit cobbles, will be served.

Hooten said the main purpose of this annual meeting is to adopt policies for the coming year. Also, new directors will be elected.

Directors whose terms are expiring are Morris McKillip, Ronald Scott, Gary Hooten, and Curby Brantley Jr. The nominating committee will present nominees and nominations can also be made from the floor.

All Farm Bureau members, agri-business people are invited, added Hooten, but only agricultural producers may vote or be elected to an office, according to the county by-laws.

Major issues to be considered include farm programs, taxation, labor, government regulations, transportation and education, said Policy Development Chairman, Alex Schuster.

Adopted resolutions concerning local matters will become county policies. Other accepted proposals will advance to the state convention as recommendations for policies on the state and national levels.

Enrollment For Schools Has Increase

Figures from the office of MISD Superintendent, H. John Fuller, show that Muleshoe ISD opened school this year with an increase in enrollment. Both Muleshoe High School and Dillman Elementary opened the doors with a decrease in students, but increases were found in enrollment in both Mary DeShazo Elementary and Watson Junior High School.

Enrollment on the first day of school was 1,555 compared to an enrollment of 1,543 last year on the first day.

School enrollment was 1,585 for the 1985-86 school year.

In Muleshoe High School, there are 78 seniors, compared to 72 for last year, and 99 on the previous year. In the junior class, there are 74 students, with 86 shown for last year and 98 for the previous year. Sophomores totaled 108, compared to 93 last year and 98 for the previous year; while there were 104 freshmen, and 114 last year, with 97 for the 1985-86 school year.

This is a total of 364 students in Muleshoe High School, one less than last year's figure of 365, and below the previous year total of 381.

Nearly four and a half years ago, following publication of articles indicating that Sante Fe Railway planned to remove, or demolish, most Sante Fe Depot buildings, a group of people met at the Muleshoe City Hall.

Headed up by then-manager of the Muleshoe Chamber of Commerce and Agriculture, John Gully, the group was interested in saving the depot.

As a result of the meeting, a committee was formed to check into the possibility of obtaining the old depot, what to do with the depot, and where to locate it in this city. It was also the official birth of the SCAC, a group of dedicated high school students, under the leadership of Jean Allison and John Gully, who still work with the Muleshoe Heritage Foundation, as well as other civic activities.

Working diligently, the original committee formed the Muleshoe Heritage Foundation, and plans started being made to move the depot to its present location, east of the Bailey County Civic Center and Coliseum. A lot of meetings were held, and donations started coming in.

Finally, the depot was moved, and tentative work began, in an effort to preserve as much as the original building as possible. This was accomplished by re-roofing, after finding similar materials to the original roofing;

scraping and saving most of the original woodwork inside the building, and lots of elbow grease, as the renovation continued.

Memorials were made by many people, and memorial plaques were set up, as the work continued. Members of the Heritage Foundation said that all materials possible were purchased in Muleshoe, and donations of many of the furnishings started coming in, such as the two cook stoves and refrigerator donated by Poy-nor's.

Now, it is time to dedicate the renovated Santa Fe Depot. This was accomplished by re-roofing, after finding similar materials to

Lazbuddie Takes

47-2 Victory

Over WT Christian

Omar Sanchez ran for three touchdowns and quarterback Tim Lust passed to Scott Mitchell for two more as Lazbuddie rolled over West Texas Christian, 47-2.

The Longhorns built a 27-0 lead in the first quarter, with Sanchez scoring on runs of 47 and 3 yards and Lust connecting with Mitchell for 29 and 45 yard scores.

Sanchez added a 23 yard scoring burst in the second quarter.

After the team exchanged safeties, Michael Williams of the Longhorns scored on a 5 yard run, and Eddie Zamora returned an interception 75 yards for a TD.

The game ended at halftime because of the 45 point margin rule.

Cattleman Jim Kassahn Files For Bankruptcy

Problems continue to mount for area cattleman, Jim Kassahn, and now he has filed for bankruptcy, according to the Thursday, September 3, edition of the Amarillo Daily News:

By Radonna Long Farm and Ranch Writer Jim Kassahn, the Lubbock cattleman who is accused of defrauding First National Bank of Amarillo to obtain a \$13 million loan, filed for bankruptcy Tuesday on behalf of his cattle company, J.P.'s Family Inc.

The filing for Chapter 11 bankruptcy was transferred to federal Judge Harold Abramson's Dallas district court after Lubbock bankruptcy Judge John C. Akard excused himself from the case for personal reasons a court clerk said.

Assets of J.P.'s Family Inc., along with other assets owned by Jim and Paula Kassahn, were under a receivership requested by First National when the bankruptcy was filed. Judge Jairl P. Dowell of the 108th state District Court in Amarillo appointed Jim Clements receiver on Aug. 21 and gave him authority to administer, oversee and liquidate Kassahn's assets.

Dowell called a hearing in Amarillo Wednesday afternoon of all parties involved in the First National vs. Kassahn case to inform them that Abramson had entered a temporary order retaining Clements as receiver of J.P.'s Family Inc.'s assets under the bankruptcy proceedings.

Clements will continue to operate as instructed in the

receivership so that no damage will occur to cattle owned by the

MISD Superintendent

Finalist For Award

Last week, the Texas Association of School Boards (TASB) released the names of the five

finalists in the 1987 Superintendent of the Year Award program. One of the finalists this year, as previously announced by The Journals, is Muleshoe's superintendent, H. John Fuller.

He was nominated by the local trustees last spring. After winning the area competition, his nomination was submitted to the Texas Association of School Boards, along with other area winners. The field of nominees has now been narrowed to five superintendents statewide.

H. John Fuller has seventeen years of experience as an educator with nine years experience as a superintendent of schools. His career includes experiences in a class AAAAA school district, Richardson ISD, Richardson, and experience in two class A schools, Palmer ISD

Halfway Field Day Scheduled September 8

Agriculture producers, gardeners, and home owners can study the progress of scientific research efforts in solving the production problems of the Texas High Plains. These studies will be on display here Sept. 8 at the 78th annual field day of the Texas Agricultural Experiment Station at Lubbock Halfway.

The Texas Agricultural Experiment Station-High Plains Research Foundation facility, 14 miles west of Plainview on U.S. Hwy. 70, will be the site of this year's program, said Dr. John Abernathy, resident director of the research center. The annual tour alternates between the facilities here and at Lubbock.

Field tours of research projects will begin at 1 p.m. and will feature five major stops, said Doud Nesmith, research associate in soil fertility and field day chairman.

The stops will highlight types of cotton developed for new farming systems; the effects of climate and soil temperature on grapes; farming systems research and weed control; the adaption of chemigation to center pivots and its use by the farmer, and studies on the amounts and methods of fertilizer applications for maximum benefits.

The Texas Forest Service will present red oak trees to 250 landowners who take the field tours.

Other features of the field day

6:00 p.m. in Kim's home. All girls of the community in grades 4th through 6th are invited and urged to attend this meeting.

Mr. and Mrs. Willie McAlpin hosted an Open House Sunday afternoon when some 50 persons toured the new home. Mary Torres assisted in serving lemonade to the guests.

The McAlpins wish to thank all who came by and invite all

others in the community to come by and visit and see the new 2440 square foot building.

Daisy Ford at 95 years of age, Edith and LaWana Williams attended the Lamb county Reunion on Tuesday. Mrs. Ford was recognized as the oldest woman present. She was presented a booklet by Benny Goss of his sketches of historical houses, windmills and sites in Lamb County.

Patty Miller, Stephanie and Misty and Loretta Reid, Jill and Suzanne vacationed in Ruidoso, N.M. Accompanying them were Charlie Fisher, Krista and Brent Kirkland of Spearman.

Letter To The Editor Policy

The Muleshoe Journal and Bailey County Journal welcomes letters to the editor on issues of concern to readers. Such letters must meet certain qualifications in order to be considered for publication.

Letters must bear the writers signature, address and phone number in order that the authorship may be confirmed. Under some circumstances we will delete the name of the writer, if, in our judgement, the request to do so is justified.

Letters should not exceed 250 words and must meet standards of good taste as well as legal guidelines. Letters attacking another person, a church or specific religion will not be published. Comments on issues are encouraged in order to maintain a forum for discussion of public views.

Creative Living

by Sheryl Borden

On Tuesday, September 8 at 12 noon and also Saturday, September 12 at 2:00 p.m. (all times are Mountain) Jan Fitzgerald with Prescriptives Cosmetics in Lubbock, TX will be a guest on "Creative Living" and tell about this new line of cosmetics made by Estee Lauder Cosmetic Co. She will explain what makes this line of cosmetics different from other make-up companies, and she'll demonstrate her point on two models. The main things that differentiate Prescriptives from other cosmetics is a service they provide called Colorprinting and a product called Line Preventor. Jan will explain both of these products and services.

Two interesting topics will be featured on the show on Tuesday, September 8 at 9:30 p.m. Dr. Betty Campbell, instructor in the Home Economics Department at Eastern New Mexico University, Portales, N.M. will discuss how to make adaptations on pants—either ready-made or home-made—to accommodate a person in a wheelchair.

Also, Suzi Holder, who is with the New Mexico Cooperative Extension Service's State 4-H Office, will demonstrate how to lay out patterns and cut garments from leather pelts. She will also demonstrate special sewing techniques for leather garments. Suzi is from Las Cruces, N.M.

Three additional topics will be presented on "Creative Living" on Thursday, September 12 at 12 noon. Over the past two decades, the size of families in the United States has decreased. Several factors are responsible for this and these will be discussed. Because of these changes in the size of the family, cooking habits have changed also. Cathy Voit, Home Economist with Reynolds Metals Co. from Dallas, TX will show some ways to cook for one or two persons, show how to adjust

quantities of food, and share some good recipes.

Another guest is the author of the book "Reuses", and she serves as a paper recycling consultant to the American Paper Institute. Carolyn Jabs, New York, will share some exciting rainy day projects for children. They're all fun and easy to make, and children will enjoy the creativity.

There's a revolution going on in the tastebuds these days. Cecile Lamalle of the American Spice Trade Assn. will demonstrate making stacked meat and cheese enchiladas—or chili stacks.

"Creative Living" is produced and hosted by Sheryl Borden. The show airs on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, CO. Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines between 8 a.m. and 5 p.m., Monday through Friday. In New Mexico, the number is 1-800-432-2361, out-of-state: 1-800-545-2359 and Portales and Roosevelt County: 562-2112.

COOKING FOR 1 OR 2

1 Tbsp. flour, 1 green onion, sliced, 2 Tbsp. finely chopped green pepper, 1 Tbsp. olive oil, 1 Tbsp. butter or margarine, 1 can (8 oz.) stewed tomatoes, 1 can (3 oz.) sliced mushrooms, drained, 2 Tbsp. dry white wine, 1 Tbsp. parsley flakes, 1/2 tsp. garlic powder, 1/4 tsp. thyme leaves, 1/2 tsp. chili powder, 1/2 lb. cleaned, cooked

shrimp, 1 bay leaf, Hot cooked rice

Preheat oven to 350 degrees F. Shake flour in regular size (10"x16") Reynolds Oven Cooking Bag; place in 12x8x2-inch baking dish. Saute onion and green pepper in oil and butter; turn bag gently to mix. Close bag with nylon tie; make 6 half-inch slits in top of bag. Bake 20 to 25 minutes or until hot and bubbly. Remove bay leaf; spoon over rice. Makes: 2 servings.

CREAMY RICE PUDDING

1/2 cup milk, 1 cup unsalted, cooked rice, chilled, 2 egg yolks
Put all ingredients into blender container. Cover and process at LIQUEFY until smooth. Pour into a small buttered casserole. Bake 35 minutes at 350 degrees F. Cool.

Studies serve for delight, for ornament and for ability.

You said it was cold... He thought you called him old.

To someone with a hearing loss, a casual remark can often lead to misunderstandings and hurt feelings. Feelings you may never be able to set right. Because even though a friend or relative may hear what you say, he or she may have trouble understanding certain words. And one misunderstood word is all it takes.

Why take the chance? Be a good friend. Show someone how much you care. Call Beltone and make an appointment for a loved one now. Many hearing problems can be helped.

STORY HOUR BEGINS---Last Wednesday morning pre-school children registered for Story Hour at the Muleshoe Public Library. These Story Hours will continue throughout the fall and winter.

Library News

by Anne Camp

A good crowd was on hand Wednesday morning for the first Storyhour of the fall season. The children were registered, and given a name tag and a poster to work on each time they came to Story-hour.

After going to the basement all the children sang the Good Morning Song, and said the pledge of allegiance to the flag. They were shown the new "Birthday Tree" and told how their birthdays would be celebrated. Two films were shown, "The Five Senses" and "The Three Little Pigs" and they sang "Old MacDonald had a farm" with hand puppets of the animals. The children were given a treat as they left the library. The next storyhour will be on the third Wednesday at 10 A.M.

The Library is trying to get a collection of all the past Muleshoe School Annuals. If anyone has some they would like to donate to the library, please call 272-4707, to get a listing of the ones we have and the ones we need.

The Library will be closed Monday, September 7th of Labor Day.

AHA's Food Festival Set Sept. 13-19

The American Heart Association wants you to think twice as you walk down the aisle....the grocery store aisle, that is.

From September 13 through 19 more than 8,000 supermarkets nationwide will participate in American Heart's Food Festival. Developed by the American Heart Association, the Food Festival is a national event that focuses the attention of the American public on the selection of foods that meet AHA dietary guidelines.

The AHA's guidelines for wise eating patterns emphasize weight control; a limited intake of cholesterol, saturated fats, refined sugar and sodium; and the assurance that the diet includes a variety of foods.

"An obvious place to begin to integrate these guidelines into a person's lifestyle is at the grocery store...the place where Americans make the majority of their decisions on food selection.

The event will provide consumers with information on how to improve their diets, yet enjoy a full assortment of delicious foods."

"The week-long event is aimed at increasing nutrition awareness," said Annie Floyd, Food Festival Chairman. "While a consumer will probably not make any major dietary pattern changes in just one week, we hope that through this event people will become aware of the role diet plays in their overall health."

American Heart's Food Festival is the first national health awareness project held cooperatively by a national voluntary health agency and supermarkets across the United States.

Additional information about Food Festival or the American Heart Association may be obtained by calling Annie Floyd or any member of the Heart Association.

MULE MANIA ON THE LOOSE--Muleshoe High School Cheerleaders are showing off the new flag and black and white wind sock, which may be purchased by calling Helen Adrian, Pam Gamble or the Chamber of Commerce Office. All businesses are encouraged to purchase a flag and fly it on Thursday and Fridays supporting the Muleshoe Mules.

High School Cheerleaders

Show Enthusiasm

The term "MULE MANIA IS BUSTIN LOOSE" is becoming more common every day. "With the finished mural of the mule busting loose on the wall across from the Mule Lot, the Muleshoe High School Cheerleaders are quickly making their enthusiasm known and felt throughout the town," said Toni Eagle.

The Cheerleaders are selling flags with the Mule busting loose on them for ten dollars. The flags are available to all merchants to fly on Thursdays and Fridays but especially for those businesses on Main Street.

Black and white wind socks, with mule shoes on them, are being offered to all the businesses, clubs, organizations and interested individuals. The wind socks will also cost ten dollars and will be hung along the American Blvd.

Only a limited number will be offered for sale or you need to call now and reserve your flag and sock. Show your Mule spirit by purchasing a flag and wind sock to display proudly and for all to see.

Call Helen Adrian, Pam Gamble or the Chamber office to purchase a flag or wind sock to show your enthusiasm and support for the Muleshoe Mules.

Church Sets Ambitious Goal

A strong statement expressing outrage at the encroachment of pornographic materials in society, an ambitious goal to establish 5,000 new U. S. churches in the 1990's, and the return to office of the top executives were highlights of the 42nd General Council of the Assemblies of God which met in Oklahoma City August 6-11, according to the Rev. David C. McCune who attended.

Some 11,000 people registered for the biennial church meeting which attracted crowds in excess of 12,000 to rallies each evening.

The Rev. G. Raymond Carlson, General Superintendent for the Fellowship which has some 10,886 U.S. churches with a constituency in excess of 2.1 million and an additional 14.2 million constituents worldwide, was not up for election this year. Other top officials were returned to office including Assistant General Superintendent, Everett Stenhouse, General Secretary, Joseph Flower, and General Treasurer, Raymond Hudson.

Delegates approved a state-

ment on pornography previously adopted by the executive leadership of the church which states in part: "We (the A/G) are distressed and outraged by the encroachment of pornographic materials and establishments in America...We assert our commitment to resist those deviant influences...Christians are mandated to renounce any threat to the physical, moral, and social well-being of individuals....We...demand that government at all levels support community standards of decency and prosperity."

Pastor David C. McCune and his congregation at First Assembly of God Church, Muleshoe, Texas supports this statement. The church plans to be more vocal in the future in its denunciation of pornography and mobilize its members to promote moral decency in Muleshoe.

In a far-reaching report, a Total Church Evangelism Strategy Committee called for intensive evangelistic efforts throughout the Fellowship with a goal of establishing 5,000 new churches in the 1990s. The Assemblies of God has been recognized by church-world authorities as being among the fastest growing churches in the world during the past decade. It will certainly top the list if this goal is attained in the next decade.

Pastor McCune attended the

meetings with his wife, Beverly and daughters, Christine, Candace and Camille. Among other highlights of the meetings, he pointed to the overall sense of repentance and humility on the part of the delegates. "One came away from the Council with a feeling of spiritual refreshing."

The next General Council of the Assemblies of God will convene in Indianapolis, Ind., in August, 1989, in celebration of the 75th anniversary of the church's founding.

Tina McKillip Awarded Scholarship

Gina Faye McKillip, a student at West Texas University, from Sudan has received the Don and Sybil Harrington Honor Scholarship based on her membership in the National Honor Society.

A freshman, she has been awarded the scholarship for 1987-88 academic year, which began August 27.

Scholarship recipients have received awards beginning at \$200, with higher amounts determined by their academic achievement level. Awards will be automatically renewed for subsequent semesters for those students who maintain a 3.0 grade point average.

The Don and Sybil Harrington Honor Scholarship was established in 1979, with an endowment from the Don and Sybil Harrington Foundation. "The interest from the endowment currently provides approximately \$175,000 annually to make the scholarship possible" Director of Admissions Lila Vars said.

The Don and Sybil Harrington Foundation, which is based in Amarillo, began as a trust in 1951, and was incorporated in 1971.

From 1927, until his death in 1974, Harrington worked a successful oil and gas partnership. Mrs. Harrington still serves as chairman of the foundation's board.

gave the Mules a 35-6 lead and secured the game for them. Olton made one last rally against Muleshoe with Garza landing off the ball to Mustang Duane Wilborn who went around the left side of an open field to score the final touchdown of the game.

The extra point failed leaving the final score 35-12.

STATS
Armando Del Toro 131 yards in 16 carries.

Jeff Hicks carried 8 times for 16 yards. Muleshoe recoved three Olton fumbles for 369 yard total offense.

Blocking for Mules was described as 'awesome'. Muleshoe's offense started off dominating the game.

company and no profits or funds will be lost because of holding the cattle too long, Dowell said.

Abramson was operating under a section of the bankruptcy code which allows the judge to use his own discretion in appointing a receiver or trustee for a bankruptcy when proceedings involving a custodial account are going on in another court, Dowell said.

Bankruptcy proceedings will be going on simultaneously with the First National case, and the two do not necessarily involve identical issues, he said. First National, in documents originally filed in 47th state District Court in Amarillo, contends Kassahn obtained the multimillion dollar loan by misrepresenting the size of his cattle empire.

The bank declared Kassahn in default and is calling for the \$12.75 million balance of the note.

First National also is suing Barrett-Crofoot Feedlot, Inc., owners of two Deaf Smith County feedlots where many of Kassahn's cattle were being fed.

For Watson Junior High School, total enrollment is 390 students, compared to 388 last year, and 389 the previous year. This break down to 134 eighth grade, compared to 121 for both the previous years; 131 in the seventh grade, and 142 last year, and 127 the previous year.

DeShazo Elementary School has 109 students, of the total 385 students. This compares with 131 of 354 students last year and 134 of the 402 students for the previous year, in the fifth grade. For the fourth grade, there are 120 students, as compared with 107 last year and 144 the previous year.

There are 156 third graders, compared to 116 last year and 124 the previous year. At Dillman Elementary School, the total enrollment is 416 students, down by 20 from the 436 students starting school there a year ago; and just three more than the 413 students of two years ago. This breaks down to 136 second graders, and 147 a year ago, with 121 two years ago; there are 136 first graders, with 142 last year and 146 the previous year; 127 students in kindergarten, compared to 120 the previous year, and 124 two years ago; there are 12 pre-kindergarten students, and 19 last year, with 20 two years ago. Early childhood students number five, down from the eight a year ago, and two students two years ago.

The policy development committee is currently accepting suggestions for resolutions. Producer-members are encouraged to contribute their thoughts to the committee at this time.

During the meeting, Hooten will give his annual report. Also, Sudduth Field, Inc., will give the organization's financial report and there will be a report on the insurance services for the year.

Students who attended the Texas Farm Bureau Citizenship Seminar in San Angelo in June will speak. They are Selina Gonzalez, Johnny Garcia, Deborah Lackey, Jennifer Green, and Brandon Wilson.

Hooten said the county anticipates a membership of 927 at the close of the fiscal year, October 31. This will qualify 10 delegates to the State Convention being held November 29-December 2, in Lubbock.

the original roofing; scraping and saving most of the original woodwork inside the building, and lots of elbow grease, as the renovation continued.

Memorials were made by many people, and memorial plaques were set up, as the work continued. Members of the Heritage Foundation said that all materials possible were purchased in Muleshoe, and donations of many of the furnishings started coming in, such as the two cook stoves and refrigerator donated by Poy-nor's.

Now, it is time to dedicate the renovated Santa Fe Depot. This has been set for Saturday, September 13, beginning at 9:13 a.m., when a taco breakfast will be served outside the Depot.

Participants are asked to park at the Bailey County Coliseum and walk over to the Depot. Tickets are available now for the breakfast at a cost of \$3.

You will have your choice of three tacos with eggs and chorizo, eggs and potatoes or refried beans. The tacos will be

served with milk, orange juice or coffee. Several garnishes for the tacos will also be available. The breakfast will be prepared and served by Viola's Restaurant.

It is suggested that you purchase your ticket in advance, although tickets will be available the morning of the dedication, it will help planning on how many to prepare to serve, explained members of the Heritage Foundation.

Tickets will be available from R.A. Bradley at Fry & Cox, Inc.; Phil Kent at First Bank; Richard Edwards at the First United Methodist Church; Jen-ne McVicker at 272-4741; Roland McCormick at McCormick Seed Co.; Joan Lewis at Dr. Charles Lewis' office; Judy Watson at the West Texas Ranger; Billie Downing at the Farm Bureau office; Clela

Williams at The Journal; or you may call Magann Rennels at 272-3990 and she will deliver your tickets.

Breakfast entertainment will be by Jeremy Bruns, son of Mr. and Mrs. Jerry Bruns, Dayna Hamilton, daughter of Mr. and Mrs. Charles Hamilton; Corley Hutton, son of Mr. and Mrs. Terry Hutton; and the Muleshoe High School Mighty 'M' Band, under direction of Mark Heidel.

The ribbon cutting will involve a lot of people and begins at 10:13 a.m., followed by the open house, when you will have the opportunity to check out the beautiful Gwyn Room.

You will have another opportunity to tour the building from 3-5 p.m. Punch and coffee will be served by Mr. and Mrs. Joe Walker in the Gwyn Room. This room has been renovated and furnished in honor of Mrs. Velma Gwyn, and in memory of the late Byron Gwyn.

Charles Harvey was recently named to the President's Honor Roll for the Summer Quarter at Texas State Technical Institute, Amarillo.

Harvey is the son of Charles K. Harvey and Darlene Walker, both of Muleshoe. He is a 1976 graduate of Muleshoe High School and a Computer Electronics Technology student at TSTI.

Julie Teel has successfully completed Allsup's assistant manager training course held at the company's home office in Clovis.

The three day course includes instruction in customer relations, company policies, operational procedures, and management skills. She has returned to her store at 312 West Amer. Blvd. in Muleshoe.

Tri-State Fair

Will Feature Carousel Ride

The Bill Hames Shows, Inc. has added a classic Chance Dentzel-style, Grand Carousel to their lineup of amusement rides appearing at the Amarillo Tri State Fair, September 21-26th.

The 50-foot replica of a turn-of-the-century carousel seats sixty-eight passengers on sixty elaborately detailed horses and in two ornate chariots, all dating back to the great era of carousel carvers. Custom made especially for Bill Hames Shows, this spectacular carousel is the first and only portable carousel manufactured and sold that features the famous Bradley and Kaye carousel figures. The predominant colors of the carousel are red and white, and all horses are white to lend a dream-like quality to the carousel. The spiral brass poles and figures are polished daily and more than 4,000 light bulbs illuminate the carousel ride.

FmHA Speaker To Head Meeting At Littlefield

Lavern Ausman, acting under secretary of agriculture, Washington, D.C., will be the keynote speaker at the West Texas Rural Interprise Field Day in Littlefield on Tuesday, September 15.

The event starts at 9:30 a.m. at the Lamb County Agriculture Center.

After a short program and lunch, a tour will be conducted of the Littlefield Denim Mill. The Mill was built with a loan guaranteed by the Farmers Home Administration in 1974, and the loan has been repaid. The plant, which employs 512 people, is now owned by the Plains Cotton Crop Association of Lubbock.

The Field Day is being sponsored by the Rural Development Committee of the USDA Food and Agricultural Council of Texas. FAC is an informal coalition of USDA agencies and related groups.

The public is being invited to the lunch, which will cost \$5. For a reservation, contact any local USDA office or County Extension Agency, no later than September 10.

Atomic Reaction?
"What caused the explosion at your house?"
"Powder on my coat sleeve."

Can You?
The department store proprietor approached the personnel manager and asked: "What's the idea of

hiring a cross-eyed man for a store detective?"
"Well, just look at him," the manager calmly replied. "Can you tell whom he's watching?"

Boys Ranch Labor Day Rodeo Set

It will soon be rodeo time at Cal Farley's Boys Ranch where some 200 cowboys will be performing over the Labor Day weekend, September 6 and 7.

This nationally famous rodeo is an event for all of the boys who compete on broncs, bulls, calves and stick-horses. Some contenders prefer the wild steer race, chute-dogging or displaying their abilities as daring rodeo clowns. As stake in the competition are the trophy buckles, the titles of Junior and Senior All-Around Cowboys and the appreciative applause of up to 5,000 rodeo fans each afternoon. The Sunday and Monday performances will begin at 2:30 each afternoon with barbecue lunches available at noon both days.

All of the Ranch's boys will have some part in the rodeo. While most will be riding in the spacious arena, others will perform in specialty events, playing in the Boys Ranch Band and assisting with refreshments or helping visitors. Along with area riding clubs which will appear in the Grand Entries, special guests will include the girls and staff of Girlstown, U.S.A. who will share in the exciting festivities.

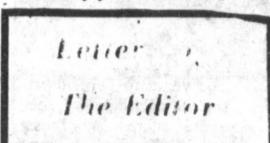

Plenty of tickets are still available for both performances. Reservations and information are available in Amarillo at the Boys Ranch Office at 600 West 11th by calling 806/372-2341. General admission tickets for \$2.50 may be purchased at the rodeo arena or at the Ranch office.

Worry is the most over-worked part of some people's make-up.

Sincere, sensitive idealists would do well to stay out of politics.

President H.E. Reeder called the meeting to order. Bill Kindard called roll, and read the minutes of the last meeting and were approved. On Wednesday August 12, 1987 the department toured all of the schools on a fire inspection for the up coming school year, all of the schools were found in good shape. This inspection is done every year by the City Fire

Dear Cleta:

I really enjoyed visiting with you while I was in Muleshoe recently. I appreciate you taking the time to talk with me and your insight into the community was most helpful. I did have a chance to talk with Larry after seeing you, and I mentioned your comments about Larry's grandmother. He enjoyed hearing what you had to say.

I hope you will always feel free to call on this office if you ever need anything. I look forward to visiting with you in the near future.

With best wishes.

Sincerely,
Trudi Lewis

Press Secretary

Cleta, I've enclosed some information about the upcoming "labor bills" we discussed.

Marshall and appointed Fireman to insure that the schools are as safe as possible. In other business the department voted to sound the siren at each regular meeting which is two times a month, this is something that the department has done in the past when the siren was on the old water tower. The people that attended Texas A&M fire school gave a report on the classes that they were involved in, these Fireman were Training Officer J.O. Parker, Charles Lorange, Alton Parker, and Fire Marshall Jimmy Mills, Marvin Turner from the Texas Forest Service was in Muleshoe to have a school on ground cover, this was a four hour school. Canyon Fire School will be held in the month of Sept. we will have several Fireman attending this. Three Fireman attended the Floydada Agro-Rescue Fire Protection School August 15, 1987, they were Fire Chief Jack Dunham, Training Officer J.O. Parker, and Charles Lorange. These schools take a lot of personal time to attend, so I would say that these Fireman need to be commended.

FIREMAN OF MONTH

Alton Parker is the Fireman for the Month of August, 1987. Alton, Elaine and Damon live at 917 S. 1st. here in Muleshoe, and is employed by Texas Highway Department. He joined Muleshoe Fire Department in March 1973, since that time he has held several different classifications within the Department. Alton has attended Texas A&M Fire School at Brvan Texas many times during the time he has been with the Muleshoe F.D., also to the Lubbock area and Canyon Fire Training Schools. In 1980 Alton became a Emergency Care Attendant by attending the required amount of training from the Texas Department of Health, he has been to the Jaws of Life Schools. Alton is very active when it comes to training within his own Department either as a Instructor or a student. This is the kind of leadership that help make this Fire Department one of the best anywhere.

THANKS Alton, Elaine for being apart of Muleshoe Fire Department family.

"LABOR IS LIFE"

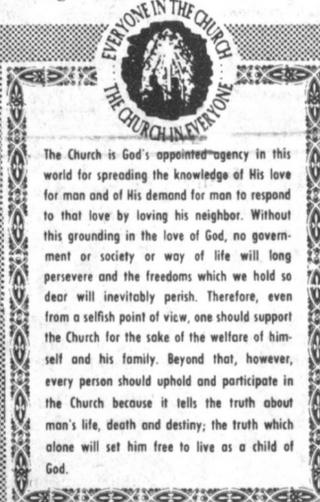

Carlyle

Let's talk about labor — work, if you please, for that is what labor is. Labor has come a long, long way since ancient times when work was closely related to slavery. Aristotle described a slave as "a tool with life in it." In the Middle Ages, labor gained dignity and respect as slavery declined and Christianity spread. Then, later in the 1700's and 1800's the industrial revolution created conditions that led to the modern labor movements. Today labor has gained respect, wages and working conditions hitherto unknown before.

Labor is life. Work is satisfying. Through his work a man accomplishes, and creates, and provides for himself and his family. When deprived of the opportunity or ability to work, man often becomes depressed, even ill.

I Corinthians 3:9 tells us that "We are laborers together with God." We are His hands, feet, voice, and compassionate heart here on earth to spread the gospel, lift up the poor, eradicate ignorance and destroy disease.

Honor God and Labor this week by attending church.

Memo to: Landowners of the South Plains

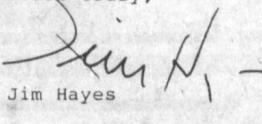

From : Jim Hayes

James F. Hayes & Co. is known throughout the Panhandle and South Plains as the agricultural real estate firm that gets the job done. Our agents live and work in the rural communities they serve.

Vic Coker, our representative in your area, has done such an outstanding job selling farmland that we are beginning to run short of listings.

If you have been considering selling your land, I hope you will give Vic a call. He is a true professional and I know you will enjoy doing business with him. You can contact him by either calling him at 965-2468 or calling our Clarendon office.

We look forward to hearing from you and working with you.

Yours truly,

Jim Hayes
