

# Wednesday Election Set

## the **Toreador**

Vol. XXIX Texas Technological College, Lubbock, Thursday, April 8, 1954 No. 24

### Polls Will Be Open 8 A.M. to 5 P.M.; Student Union to Post Count Results

Polls will open at 8 a.m. Wednesday for the spring general elections for Student Association officers, Student Council representatives, and cheerleaders. The polls, which will be located in the Administration, Agriculture, Home Economics and East Engineering Buildings, will close at 5 p.m.

Results of the voting will be posted on a board in the Student Union Building as they are counted. Tabulations will continue until the counting is completed.

#### Candidates

Candidates for president of the Student Association are Kate Brown, Carl Kennedy and Glenn Rainer. Miss Brown is a junior home economics student from Lubbock; she is a member of Junior Council and the Home Economics Club and has served on the personnel committee of the Student Union and as treasurer of Kappa Kappa Gamma. Kennedy is president of the junior class, was named outstanding Air Force ROTC cadet, and is a member of Kemas. He is a junior business administration student from Pampa. Rainer, a Lubbock junior business administration student, is a member of Phi Delta Theta and Delta Sigma Pi. He served as chairman of the Ruidoso leadership retreat, BA representative to the Student Council, chairman of the Varsity Show publicity committee and on the Student Union Council.

#### ELECTION RALLY

The annual election rally will be held at 7:30 p.m. Tuesday in the Rec. Hall. Candidates for Student Council executive offices will be allowed five minutes each for speeches. Other council candidates will be introduced. Cheerleaders will demonstrate their ability by leading a yell.

Candidates for vice president are Gayle Erickson, Bill Hudson, Charlie Pipes and Ladon Sheats. Erickson, a junior engineering student from Midland, is a member of Scabbard and Blade, the Engineering Society, has served as president of Sneed Hall, and was a member of the cast of the 1954 Varsity Show. Hudson, an engineering junior from Fort Arthur, has served on the Inter-Dorm Senate, as president of Doak Hall and is affiliated with Kappa Sigma. Pipes, Pampa BA junior, is a member of Alpha Phi Omega, Saddle Tramps and Tech Chamber of Commerce. He served as president of Gordon Hall and vice president of the junior class. Sheats is a member of Delta Sigma Pi, Tech Management Association, the Union Program Council, and Iota Epsilon. A Lubbock BA junior, he worked with Varsity Show publicity and Delta Sig's Campus Town Hall.

#### Secretary

Candidates for secretary are Danna Stamper, Dallas BA junior, and Gwen Williams, Lubbock A&S junior. Miss Stamper has served as vice president of her sorority, Zeta Tau Alpha. Miss Williams has represented Pi Beta Phi on Panhellenic, served as Student Council representative, secretary of AWS, secretary of the Union Program Council, and

### Easter Holidays Will Begin Thursday and End Tuesday

Classes will be dismissed for the Easter holidays at 10 p.m. Thursday, April 15. They will be resumed at 8 o'clock Tuesday morning, April 20.

The Toreador will not be issued April 15, since most students will be gone by the time the papers are distributed.

The Museum will be closed April 17-19. The Library will also be closed during the Easter holidays except on Friday, April 16, when it will be open from 8 a.m. to 5 p.m.

### Freshman Council, Toreador, La Ventana, Teacher Evaluation, Get Council Action

The Student Council decided at its Monday night meeting to investigate the organization of a freshman council to serve as a stimulus for more participation in activities among the freshman class.

Gwen Williams moved that a committee be selected to look into the situation after Buddy Hill, freshman president, asked the council for \$115 to pay off the debt incurred by the freshman dance last month. Hill said that the dance was a failure mainly because of the lack of cooperation and interest of the freshman class.

J. C. Chambers, student council president, assigned Gwen Williams, Moody Alexander, Max von Roeder, Barbara Lu Currie, Buddy Hill, and Carl Kennedy to serve on a committee to investigate the possibilities of such a council.

#### Publications Fee Rejected

During the regular business meeting Monday night, the council turned down by an almost unanimous vote, a motion made earlier that La Ventana and the Toreador be financed jointly by a publications fee.

Bill Burton, a student member of the publications committee, told the council that on an estimate of 3,000 publications sold at \$8.50 each, the committee could sponsor the paper and the annual jointly. The \$8.50 would include

the cost of the annual, the annual picture, and the paper. However, it was the general opinion of the council that combining the two would hurt the sales of the yearbook more than it would help the paper, which was the original aim.

#### Teacher Evaluation Approved

Other business included a report from Barbara Lu Currie on the Student Council banquet which will be held May 3 at the Caprock Hotel.

On a motion by Paul Griffith, the council approved a program under which students might evaluate their teachers, use of the system to be optional with faculty members.

Terry Young moved that the council take money from the surplus fund to pay for the registration and car fare of those attending the Texas Intercollegiate Student Association convention at Southern Methodist University this weekend. The motion was carried.

To complete the agenda, the council granted Alpha Phi Omega permission to solicit \$50 worth of prizes from merchants in town to award to the winner of their annual Ugly Man contest.

Allen Conley, representative from APO, said that the money from the contest will be used to purchase chimes and a loud speaker system for the west tower of the administration building.

### Officers Chosen For Publications

Next year's publications officers are David Clark, Toreador editor; J. M. Price, Toreador business manager; and Earl Dietering, La Ventana business manager. They were selected last Thursday at a Publications Committee meeting.

Applications for editorship of La Ventana will be accepted until April 21.

### TISA Convention To Meet at SMU

Texas Tech will be represented by 15 delegates at the sixth annual Texas Intercollegiate Students Association convention at Southern Methodist University tomorrow and Saturday.

Those planning to attend are: Harriet Henderson, Gwen Williams, Cathy Beard, Pat Harkleroad, Carl Kennedy, Joe Jack Reynolds, Ed Weyman, Don Harris, Max Preston, Glenn Rainer, Terry Young, Bill Burton, E. J. Tarbox, Moody Alexander, and J. C. Chambers.

### Deardorff Heads Union Council; Officers, Council Members Chosen

Melvin Deardorff, Lubbock sophomore, was elected president of the Student Union Council at a dinner meeting Monday night.

Other officers elected were: Gwen Williams, Lubbock, vice-president; Mary Alice Braselton, Plainview, secretary; and Ann Lee Turner, McKinney, treasurer.

New council members who will serve as heads of next year's committees are: Joan Roberts, Kay Lynn Watson, Glenn Rainer, Ladon Sheats, Pat Harkleroad, Virginia Carr, Sylvia Dietering, and Jerry House.

# A&S Election to Fill Five Council Offices

Five Student Council posts allotted to the division of Arts and Sciences are being sought by 17 candidates. The nominees and their platforms are:

**RONNIE AVERY**, Andrews sophomore: "No one person can or will constitute a voting majority of the Student Council and therefore it is useless for anyone to make promises since they can give no guarantee of carrying them out. I am making no promises for that reason. However, I definitely believe in and will work for, if elected:

"1. The election of all cheerleaders  
"2. The continuation of the faculty evaluation program  
"3. I will also support any and all activities which I think will be for the betterment of Texas Tech in any way.

"I am an Independent and running as such, but I have to ask to grind with anyone. I am running for the Student Council only because I am interested in our student government and to satisfy any personal needs or ambitions."

**PAT HARKLEROAD**, Lubbock junior: "I am elected, I would like to strengthen this position. I will put my concentrated effort on any worthwhile project that will better our campus, and I will especially strive to support the interests of the Arts and Sciences division. Each person that comes before the council with a problem should have just and fair consideration and I would like to see that this is done. It is with these thoughts in mind that I would like very much to represent you in Arts and Sciences on next year's Student Council."

**HUDA HASSEN**, Stamford sophomore: "I do not wish to make any promises which I would not be able to fulfill; but if elected, I will earnestly endeavor to support the Code of Student Affairs, to promote the honor system, and, above all, to be a true representative of my division by actually seeking the student's opinions and desires and working with the council to fulfill them."

**JERRY JOHNSON**, Hale Center junior: "If I am fortunate enough to get to serve on the Student Council next year, I will do my best to give the students the 'straight scoop' on what is being accomplished by the council. I want to encourage a friendlier campus and a better understanding among the students. I will also strive to get more student participation in school government, such as elections and class meetings."

**MARGARET LEE**, Houston junior: "It is my opinion that a student government such as ours at Tech cannot properly serve the Student Body unless the students are aware of what actions are being taken. If it is my duty to see that publicity be given to the proposed actions of the Council and those which are carried out. An enlightened Student Association cannot be obtained without the support of an enlightened body of voters."

**SHIRLEY MASSEY**, Odessa junior: "I would like to serve as a representative from the division of Arts and Sciences on the Student Council for 1954-1955. I pledge my time, my capabilities, and my enthusiasm to the furtherance of a strong and just student government at Texas Tech. I will appreciate your support, and, if elected, will do my utmost to fulfill my responsibilities."

**TOMMY NEATHERLIN**, Sweetwater junior: "If elected to the Student Council as a representative for the A&S Division, I will investigate the following problems which I consider are a major concern to every student at Texas Tech:  
"1. Evaluation of parking problem. (I do not believe that the parking problem has been improved by the new parking rules.)  
"2. To use the Artists Course to bring such personalities as name bands, singers and other type stars that will meet with a greater majority of approval from the Tech student body.  
"3. Sincere efforts toward a greater Texas Tech and a greater Tech Spirit.  
"4. Call for a school wide vote to change the name of the Tech athletic teams from RED RAIDERS back to THE MATADORS.  
"5. A complete and detailed report on the financial standing of the STUDENT UNION BUILDING and how much of the five dollar SUE fee is actually needed for its upkeep and operation.  
"6. These are just a few of the subjects I believe that should be acted upon. I will serve every student in the A&S Division to the very best of my ability and will strive to prove worthy of your support."  
"THANK YOU."

**ANN LEE TURNER**, McKinney junior: "The Student Council is a representative group of individuals entrusted with the responsibility of maintaining and improving student government. I would like for it to be considered an efficient organization composed of enthusiastic, conscientious, and intelligent representatives from the Texas Tech student body. These representatives must always be responsive to student wishes."

**KAY LYNN WATSON**, Lubbock sophomore: "In my opinion, one great aim of the Student Council next year should be to sponsor more activities that include the entire student body. If I am chosen to serve on the Council I will work for a closer unification between all the organizations—honorary, service, professional, and social—for only in this way will the student feel a loyalty to Texas Tech as a whole."

Other candidates from A&S are: Mary Jane Miller, Midland freshman; Dorothy Gage, Dallas junior; Jim Parker, Dallas freshman; Pattie Price, Lubbock sophomore; Donald Dean, Lubbock sophomore; Barbara Holdridge, Lubbock sophomore; Don Anderson, Brownfield senior; and Harriet Henderson, Lubbock senior.

# Officers Installed By Phi Beta Phi

Margaret Lee, Houston, was installed as president of Phi Beta Phi socially at a meeting March 31.

Other officers are: Mary Jane Smith, Fort Worth, vice-president; Ann Lee Turner, McKinney, corresponding secretary; Marilyn Stonecipher, Houston, recording secretary; Shirley Massey, Odessa, treasurer; Nancy Roberts, Midland, assistant treasurer; Pat Harkleroad, Lubbock, pledge advisor; Becca Price, Lubbock, rush captain; Betty Pitzer, Midland, assistant rush captain; Sylvia Dietz, Lubbock, historian; Jody Roberts, Lubbock, assistant historian; Joanne Holmes, Lubbock, censor; Marybeth Toles, Lubbock, censor; Gladys Bain, Lubbock, A&S representative; and Panhellene delegates, Margaret Lee and Mary Jane Smith.

Committee chairmen are: Virginia Carr, Lubbock, scholarship; Anne Witty, Hamilton, social; Linnie Boyers, Coleman, settlement school; Carole Crowlous, Houston, activities; Norma Chapman, Austin, magazine; Pat Haws, Ropesville, program; Gloria Snell, Lubbock, music; Jane Jipp, Fort Worth, public relations; Bette McGehee, Canyon, patroness; Gwen Williams, Lubbock, social standards; Patsy Donn, Dumas, athletic director; and Patsy Mathis, Longview, social exchange.

# Theme of Tri-Delta Spring Formal Dance Saturday To Be 'April Showers'

"April Showers" will be the theme of Delta Delta Delta sorority's spring formal at 9 p.m. Saturday in the Lubbock Hotel. Burl Hubbard will furnish the music.

Members and dates will be: Jenny Lou Ballard, Howard Hurt; Mary Alice Braselton, Ted Harrison; Jane Brown, Harold Davis; Joan Cantrell, Dick Seawright; Kay Collins, Ken Kummer; Dixie

Cowan, Mike Burkholder; Janice Cox, Elen Wilson; Carolyn Denton, Harold Criswell; La Faun Edwards, Tim Russell; Doris Ellis, Robin Etter;

Phyllis Emory, Don McDermott; Le Nell Enechs, Bob Waddie; Dot Gage, Lowell Richardson; Sue Hefley, Dub Parks; Barbara Holdridge, Jim Leonard; Ann Hulspeeth, Don Holt; Mary Hunsucker; Neil Tibbets; Jane Jackson, Ted Hannah; Mary Jane Johnson, Robert Simons; Janet Hon, Jack Hon; Carolyn Keeling, Jim Farmer; Lianne Lewis, Cooper Blount; Kay Lotley, Richard Connally; Joan McGee, Oscar Power; Janette McKinley, Jack Parker;

Luanne McNeil, Bob Lemmons; Mary Ann McWilliams, Joe McWilliams; Joyce Morton, Ed Jackson; Donnell Phillips, Skeeter Lewis; Pat Qualia, Don Dilley; Mary Randall, Fritz Stanley; Elaine Russey, Bill Bradley; Nina Spearman, Tommy Jameson; Joyce Tharp, George Lemmons; Gayle Webb, Bob Williams; Mary Frances Wiese, Melvin McGrew; Pat Williams, James Powell; Charlene Williamson, Bud Weaver; Patsy Whitshire, Bill Forbus; Sylvia Young, Barry Robitaille; and Peggy Floyd, Bill Bales.

Pledges and dates will be: Pat Garrett, Spencer Norwood; Pat Knox, Ralph Gene Martin; Mari-cille Wilson, George Puckett; Darlyne Wood, Jerry Van Pelt; Sandra Cooper, Jerry Johnson; Ann Standifer, Gene Maize; and Jerry Denton, Calvin Mitts.

# New Union Coffee Bar Clock Given by Alpha Phi Omega

The Student Union's morning coffee addicts can no longer blame class tardiness on the lack of a clock at the coffee bar. Alpha Phi Omega, men's service fraternity, installed a new, modernistic clock Friday for coffee-drinking Techsians.

APOs gift, recommended by Miss Martye Pindexter of Design Today Shop, cost approximately \$50. The clock was selected after consultation with the architect who designed the Union; William Scott, Student Union director; and the Student Union Board.

Members of the committee buying the clock include Jackie Beckner, Bobby Hughill, Jerry Bowling, and Rex Black.

APOs next major project will be its annual Ugly Man contest. Proceeds from the contest will go toward purchase of new chimes for the Administration Building.

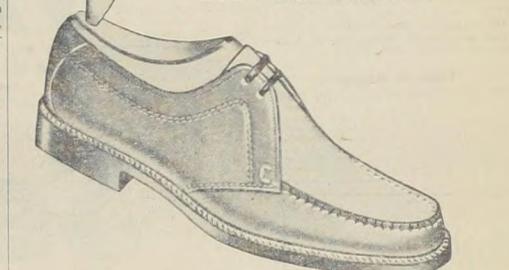

# Pi Omega Pi Initiates Six New Members Into Business Society

Six new members were initiated into Pi Omega Pi, honorary organization for women business education majors, last Thursday night at a banquet in the Caprock Hotel.

Initiated were Jane Hampton, Lou Ann Owen, Charlotte Love, Helen Hodges, Della Scudday, and Pat Robertson.

Sue Shawyer is president of the club. Prerequisite for membership is a 2-point grade average in business and education courses, with a 1.5 over-all grade average.

HANNAH

MEYERS

YOUNG

McGEE

### Seven Candidates in Engineering Division Race

The Division of Engineering will have four representatives on next year's Student Council. Seven students are candidates for the office. The students and their platforms are:

**DAVE CLARK**, Lubbock junior: "According to my way of thinking, the student paying his activity fee this year paid more money for less than the same student did last year. This is entirely unsatisfactory. I intend to TRY to change that."

**TED HANNAH**, Plainview junior: "I feel that campaign promises are very similar to New Year's resolutions—often made, seldom fulfilled. Therefore, my only promise is to endeavor to make decisions in the manner which will most benefit the average Techsian. I have no club affiliations which might result in a biased viewpoint in these decisions, and I will represent the desires of the entire student body rather than any select group."

**JOHNNY MEYERS**, Ft. Worth junior: "1. I believe that a student government is only as effective as the students it reaches, therefore I would like to develop a closer contact with the Division of Engineering, its problems and activities. This might be accomplished by suggestion boxes placed throughout the buildings. "2. I plan to continue work on a clearer definition of Dead Week and a workable student-faculty evaluation system. "3. I would like to see the introduction of a student identification card which would allow students to vote at any ballot box on the campus. With a system such as this I believe the students would take more interest in such important matters as elections."

**PHIL MCGEE**, Ft. Worth senior: "As a part of a well organized democratic system of student government, the Student Council should function to represent the student body as a whole. For this purpose, it is necessary that the Student Council representatives keep in constant contact with the students they represent. It is my desire to establish in the Engineering department a system by which the students can make suggestions to the Student Council and faculty. I will endeavor to advance the system of student faculty evaluation so that both the students and the faculty may profit from the evaluation. I will endeavor to continue and to advance the emphasis on the funds allocated to the Engineering show which has brought

so much favorable recognition to the Texas Tech campus. It is not my intention to make unreasonable promises that cannot be fulfilled, but I will, if elected to the position of Engineering Representative to the Student Council, endeavor to the best of my ability to represent the desires of the student body as a whole."

**TERRY YOUNG**, Lubbock junior: "As a candidate for re-election as an Engineering Representative to the Tech Student Council I, Terry Young, wish to make the following statement: "During the past year that I have served on the student council, I have become acutely aware of the 'growing pains' through which Tech is going. Three of the many problems that have faced us have been those of excess traffic, of shortage of funds because of the non-compulsory activity fee, and the lack of adequate announcement facilities. Some of the problems are in the stage of beginning to arrive at

a satisfactory solution, while others are necessarily perennial problems. It is because of the unsolved problems that I seek re-election.

"If I am re-elected, I pledge that I shall continue to represent the Engineering Division to the best of my ability, carefully considering every question brought up. I have served you as a member of the traffic committee, as a member of the student organizations committee, and as auditor of the Engineers Show. I hope to continue serving you during the coming school year."

Other candidates are: Hal Barron, Lamasa sophomore, and Don Mason, Lometa senior.

Kappa Kappa Psi, band fraternity, held a "big, brotherly-little brother" breakfast at 8:45 Sunday in the Skyline Dining Room.

### Dean, Debate Team Receive Top Honors

Two Tech debate teams were rated "superior" and one student was elected to office last week at the 24th annual Southern Speech Association Tournament and Congress in Dallas.

The two debate teams composed of Donnie Dean and Jack Gibson, senior men's team, and Jackie Bateman and Barbara Smith, junior women's team, received "superior" ratings when each team won five of six debates. Dean and Miss Bateman were awarded "superior" certificates for individual debating. Top rating in extemporaneous speaking were received by Dean, Gibson and Miss Bateman. The students were competing with contestants from 13 Southern states.

For the second time in four years, a Tech student has been elected president of the Senate, the upper house of the Student Congress, patterned after the national congress. He is Donnie Dean, Lubbock sophomore and member of the debate team. A member of the class of 1951, Jim Choate, was named president of the 1951 congress.

Dr. P. Merville Larson, head of the Tech speech department, served as director of this year's congress.

### One Injured as Techsians Compete at A&M Rodeo

Kelly Hargis, Tech sophomore from Van Horn, received a triple fracture of his left arm when he was kicked by a bareback bronc after being thrown in the Texas A&M Rodeo last weekend.

Other Tech cowboys entered in the annual affair were: David Powell, El Dorado sophomore; Bob Vernon, Arlington junior; Eugene Meyers, Booker freshman; Tom Parks, Clifton freshman; and "Tooter" Shanklin, Rock Springs sophomore.

Powell was the only Techsian to tie down points, taking second place in the ribbon roping.

Oklahoma A&M took top honors in the rodeo, with Sul Ross, Hardin-Simmons, Sam Houston State, Colorado A&M, and Texas A&M ranking respectively.

### AFROTC SWEETHEARTS

The Air Force ROTC sweethearts were presented before the annual Ball Saturday night, and were given a gift of pearls from the corps. Those presented were: Joyce Thorp, Cadet Col. Brad Wilde; Pat Tinney, Lt. Col. James Wilder; Jody Miller, Cadet Lt. Col. George Forstner; Charlene Williamson, Cadet Maj. Bill Wright; Kathy Kerbow, Cadet Maj. Donald Hill; Pat Boyd, Cadet Maj. Kenneth Owen; Shirley Thompson, Cadet Maj. Fred Willis; Donnell Phillips, Cadet 1st. Lt. Richard Baird.

### Girls! . . . after Graduation

# Train

As a skilled Army Dietitian, Physical Therapist or Occupational Therapist

# Serve

### Agriculture

#### Three Nominees Announce Policies

Five candidates are running for the office of Agriculture. The candidates are: DON BROTHERS, Paducah senior; BOB WADDELL, Colton junior; and CHAVEZ NELSON, Brownfield junior.

#### All-Western Day To Feature Rodeo

Approximately 25 colleges expected to enter teams in Tech's fifth annual Intercollegiate Rodeo to be held April 10-12, 1954, at the May 1, according to Dale Block and Bridle president.

The rodeo and All-Western celebration will be Tech's day cowboy fiesta. The event began with a huge rodeo starting at 4 p.m. Thursday, April 8, at the 29. Campus organization clubs are urged to enter the parade. Organizations to enter should write McNeill, parade marshal, F. Yates, rodeo manager.

#### KTTC To Have New Transmitter

A group of electrical engineering students under the direction of Harold Spuhler, associate professor of electrical engineering, is planning the construction of a transmitter. KTTC, campus radio station, will be built by W. G. E. ridge, Billy Hood, Paul Joe Crank, George Baker, Stethen, and Richard Meier.

The campus radio station has been operating on the 500 kHz radio dial, but will be on a new frequency—660 kHz. The new transmitter will be strong enough to reach the buildings on the campus. The station will serve the students who will repair studio equipment in the building and will have it working condition at the installation of the transmitter.

A maintenance staff transmitter has not been chosen in the near future.

## Agriculture Division to Have Three Councilmen

### Three Nominees Announce Policies

AGGIE candidates are: Don Brothers, Graves Nelson and Bob Waddle. Not pictured are Jim Howard and Johnny Jones.

Five candidates are running for three Council posts allotted to the Division of Agriculture. The candidates and their platforms are:

**DON BROTHERS**, Paducah freshman: "I've studied I will try to obtain and support the following objectives:

"1. I will keep constantly alert to the problems of the Aggie Division.  
"2. I will support the fair and equal distribution of the activity fee, looking especially to the student of the Aggie Division.  
"3. More strict protection of the several dormitory parking lots so that vandals will neither bother our automobiles nor steal accessories off them.  
"4. Better maintenance of the 'outlaw' parking lot for those students who do not possess parking tags.  
"5. Better maintenance of practice and playing fields for intramural sports.  
"6. Also I would like to add that, if elected, I will support to the best of my ability, all legislation and decisions which are for the betterment of the Aggie Division and Texas Tech.

**GRAVES NELSON**, Brownfield junior: "To the best of my ability I will promote advancement and progress for the agriculture division and Texas Tech as a whole. I am in favor of a continued and possibly a higher per cent of budget allocations to Aggie judging teams."

**BOB WADDLE**, Cedar Hill junior: "Continued budget allocations to aggie judging teams represent the aggie from a divisional rather than departmental viewpoint; reflect the attitude of the majority of agriculture students in my vote on the Council; devote all my available time to work on any project that will help and develop Texas Tech."

Other candidates are: Jim Howard, Panhandle junior, and Johnny Jones, Mercury sophomore.

## Interviews Set For 1954 Grads

The following companies are offering job interviews to 1954 graduates through Wednesday, according to Mrs. Jean Jenkins, Placement Service director.

Today, Shell Oil Co. is interviewing civil and electrical engineers interested in geophysical work for assignments in West Texas.

Tomorrow, Southwestern Investment Co. will interview majors

in accounting, economics, finance, government, and management.

Tuesday, Dallas Power & Light Co. will interview electrical and mechanical engineers for openings in the Dallas area.

Wednesday, the Corpus Christi Public Schools will interview persons interested in teaching positions. There will be about 85 new positions in addition to replacements.

Additional information is on file in the Placement Service office Ad 150.

City Club's invitation to good going...

## Win a Chevrolet Corvette

1st PRIZE—'54 Chevrolet Corvette  
2nd PRIZE—\$1,000.00 in cash  
PLUS 500 PRIZES—a pair of CITY CLUB Amigos

WINNER OF FIRST GRAND PRIZE, if entry is on Official Entry Blank obtained from a City Club Dealer, will receive additional \$250 cash prize for operating costs.

in the big, easy

## City Club shoe contest!

NOTHING TO BUY—ENTER NOW. SIMPLE RULES OF THE CONTEST:

1. In 25 words or less tell why "I like City Club Shoes . . ."
2. Send in as many entries as you wish, but each must be on a separate piece of paper. Print your name and address clearly.
3. It is not necessary to use an Official entry blank but handy entry blanks may be procured at your City Club Dealer (they carry an extra advantage—see note above).
4. Mail all entries to Peters Shoe Company, Dept. C4, Box 5995, Chicago 77, Illinois.
5. Contest starts March 15—ends May 15, 1954. All entries postmarked before midnight May 15 and received by May 22 eligible.
6. Entries will be judged on originality, aptness and sincerity by the Reuben H. Donnelley Corp. Judges' decision final. Duplicate prizes in case of ties. No entries returned. Entries and ideas therein become property of Peters Shoe Company to be used as it sees fit. Winners will be notified by mail.
7. Contest open to all residents of continental United States and Canada. Contest not open to employees of Peters Shoe Co., of City Club Dealers, of their Advertising Agency, nor their families.

SEE your City Club dealer. Or for name of your nearest dealer, write: Peters Shoe Company, St. Louis 3, Missouri

## All-Western Days To Feature Rodeo

Approximately 25 colleges are expected to enter teams in Texas Tech's fifth annual Intercollegiate Rodeo to be held April 29 to May 1, according to Dale Hoover, Block and Bridle president.

The rodeo and All-Western Days celebration will be Tech's three-day cowboy fiesta. The event will begin with a huge rodeo parade starting at 4 p.m. Thursday, April 29. Campus organizations and clubs are urged to enter floats in the parade. Organizations wishing to enter should write to Jimmy McNeill, parade marshal, or B. F. Yates, rodeo manager, at the animal husbandry department.

Present parade entries include the Texas Tech Army and Air Force ROTC units, the Tech and Lubbock High School bands, and various sheriffs posses and riding clubs from the South Plains area.

In addition to the parade, Western Days celebration includes the annual rodeo breakfast Friday morning, an all-college barbecue Saturday evening, and a Western dance after the final rodeo performance.

Block and Bridle and the Tech Rodeo Association, sponsors of the rodeo, will offer seven championship buckles, one team trophy and a saddle for the best all-around cowboy as prizes in the cowboy competition. Two events, wild cow milking for girls and goat-sacking for boys, will open the rodeo for participation by campus organizations. A trophy will be given for the winner in each event.

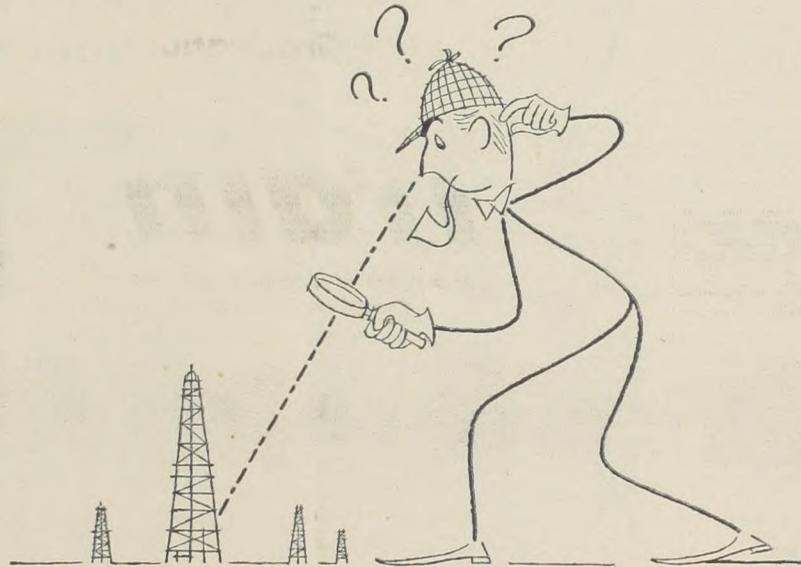

The rodeo will be produced by "Goat" Mayo, of Petrolia, Tex.

## KTTC To Have New Transmitter

A group of electrical engineering students under the direction of Harold Spuhler, associate professor of electrical engineering at Tech, is planning the design for construction of a transmitter for KTTC, campus radio station. The transmitter, to be installed in the speech building in about a month, will be built by W. G. Breckenridge, Billy Hood, Paul Griffith, Joe Crank, George Baker, James Sneathen and Richard Merington. The campus radio station has been operating on the same frequency as KVSP, 1460 on the radio dial, but will be operating on a new frequency—600 kilocycles. The new transmitter will be strong enough to reach all the buildings on the campus, and the station will serve the campus only.

The students will repair the studio equipment in the speech building and will have it in good working condition at the time of installation of the transmitter.

A maintenance staff for the transmitter has not been selected, but a permanent committee will be chosen in the near future.

## Case of the dry "oil" well

Not at all unusual, you say? But this well was purposely drilled that way! In fact, precautions were taken to see that the well wouldn't contact oil-bearing sands. It was to be a vital part of an elaborate waste-disposal system built into one of Du Pont's new plants near Victoria, Texas. It is an example of the unusual engineering problems which Du Pont technical men encounter.

The "well" itself is almost a mile deep—4900 feet, to be exact. Waste fluids from the plant are forced down this well, to be absorbed by non-oil-bearing sands—far below the level of any surface water. Piping near ground level is in the form of concentric shells, and fresh water is delivered to the annular opening around the waste pipe. Furthermore, the water pressure is higher than that of the fluids in the

waste section. In this way, any leakage in the pipe system causes fresh water to enter the surrounding sands (or the inside waste system) and prevents objectionable materials from reaching the sands at surface levels.

Other interesting procedures are used throughout Du Pont's many plants to guard against river pollution. For example, scientists were asked to make a complete marine-life census on one river before a plant was built nearby. The company wanted to be certain that no waste would be discharged which would challenge the natural pattern of marine life.

Throughout the Du Pont Company, wherever there is a need for the services of technical men, there are varied and interesting problems that present a challenge to engineering skill and imagination.

**Now available** for student ASME chapters and other college groups, a 16-mm. sound color movie—"Mechanical Engineering at Du Pont." For further information, send post card to E. I. du Pont de Nemours & Co. (Inc.), 2521 Nemours Bldg., Wilmington 98, Delaware.

BETTER THINGS FOR BETTER LIVING THROUGH CHEMISTRY

Watch "Cavalcade of America" on Television

ELECTIONS—

(Continued from page 1)

was named favorite of the junior class.

Unopposed for business manager of the Council is Melvin Dear-dorf, Lubbock BA sophomore. He is a member of Phi Delta Theta and has served as vice president of the sophomore class and as treasurer of the Union Program Council.

Brown states her platform as follows: "In seeking the position as your president of the Student Association, I realize the predominant responsibility of expressing the prevailing viewpoints of the student body to the administration. It will be my endeavor to open a Channel of Communication that will draw the student association and the student closer together. I am strongly interested in promoting Texas Tech as the leading college in West Texas and the state."

Kennedy's statement is: "I will serve the students of Texas Tech impartially and with respect, sincerity at all times.

"Strive to maintain close relationship between the student body and the administration. Earnestly attempt to get more students of the campus to take an active part in the promotion and development of our college."

Work to promote a better understanding of Tech on the campuses of other colleges and universities.

"Always act in accord with the best interest of Texas Tech."

Rainer states his platform as: "It is, of course, impossible in a paragraph to set forth a comprehensive platform for the important office of President of the Student Association. However, there are three things I would place foremost in the year to come. The first is improved communications between students and the administration and between organizations on the campus. The lack of adequate communication is the source of more student dissatisfaction than any other single factor. Second, I think that along the student activity fee is now voluntary, we must adjust our thinking to the fact. In other words, the fee has to be uniform and become an item to be sold. By seeing the fee from that standpoint, I think it can be reworked to the satisfaction of the entire campus. Third, I believe that it is the duty of the President to work at all times for a balanced extra-curricular program. This means that he ought not to hinder those things which are flourishing, but he should devote special attention to those areas which are limping along behind."

Hudson states: "It is my belief that student government is completely effective only if it is BY and FOR the students. Therefore, if given the chance to serve, I will be YOUR Vice President, eager to promote any principle or idea that would benefit the students and TEXAS TECH. I sincerely hope that I may be elected to further Tech and the student body in the following ways:

- 1. To increase and encourage continuation of this year's school spirit and support of the Red Raiders.
- 2. Graduating Seniors should not be required to take final exams.
- 3. To promote more interest in all campus activities.
- 4. To improve the parking situation for the benefit of the student body.
- 5. To create more interest in school elections.

If elected, I will serve YOU to the best of my ability, knowing that with your support we can accomplish much towards a bigger and better TEXAS TECH. Flies states: "I definitely believe those students desiring to represent the students of Tech should have the opportunity to do so, one which was not conceived overnight—written by someone else. A platform of something besides trite statements, a platform in which the candidate is sincerely interested and one which gives the students something to be for."

Here is my platform! Don't you believe the following items deserve consideration and investigation? I believe they deserve action!

- 1. Evaluation of the Code of Student Affairs: Are all of the items necessary? Aren't some of them a bit juvenile for Tech students?
- 2. Define Dead Week once and for all! Is it to be a time of review or a time for an hour quiz in every course?
- 3. Something besides talk about our lack of school spirit! If such a situation exists, how is it being taken care of on other campuses?
- 4. Something besides talk about our lack of interest in student elections! Do the students know anything about Student Council. Don't the students deserve to be better informed? Are the ballot boxes convenient for the students. Do the students have a motivation to vote?
- 5. Students should be given the opportunity to evaluate instructors and courses.
- 6. Seniors should not be required to take final exams! Aren't they busy enough with graduation?
- 7. What is the real scoop on Tech's gym problem? If students are asked to purchase Activity Books seating space should be provided.
- 8. Open discussion forums in the SUB concerning campus problems! I believe many of the students have constructive ideas which can aid the student and his college.

Sheals' platform is: "The student council of Texas Tech maintains a powerful voice in the affairs of our campus. If I

were elected, I would utilize this influence to further the interest of the students in each division. The efficiency and effectiveness of any governing body depends upon the consideration of the interests of the individuals under its leadership. With this in mind, I would assume the responsibility of evaluating all of the principal governing bodies of our institution to determine their adequacy in serving student needs.

"If I were chosen to fill the office of vice president, I would assume the responsibility of interest and participation in student government by informing the student body of the functions and actions of the student council.

"The respect and study of your opinions and ideas will be uppermost in my mind and I would assume the responsibility of formulating some plan or policy of carrying out student desires."

"The vice president's job of acting as chairman of the publications committee would be industriously performed, due to the keen interest that I have in this function."

"I will sincerely appreciate your support and influence and I pledge to do my best."

Secretary Miss Stamper's platform is: "If elected secretary of the Student Association, I will do my best to:

- 1. Abide by the policies and regulations of the Student Council.
- 2. Act as a guide and a source of information for the student body on matters of importance, realizing that every student has rights equal to every other student.
- 3. Maintain complete and accurate records on the work of the student council during school year in order that these records will work to increase the efficiency of the group functioning.
- 4. Carry out the duties of the office through democratic procedures, honesty, integrity, and respect for the rights of others, realizing that every student has rights equal to every other student.
- 5. Work toward the preservation of the spirit of harmony within the group.
- 6. Realize that the will of the majority must be carried out and the rights of the minority must be preserved."

Miss Williams states: "The progress and development of Texas Tech depends, to a large extent, on the interest and promotion of its students. It is my desire, therefore, to see attained the largest possible student participation in their student government which should yield the best results for the school year ahead, and thereby a better Texas Tech. If elected to the position of Secretary of the Student Council which carries with it automatically the chairmanship of the Elections Committee, I shall work for greater interest and participation in student elections and an improved system of dissemination of information to the student body."

Deardorf states: "As candidate for Business Manager of the Student Association, I take this opportunity to express my views on certain areas of this office.

- 1. First, I will encourage an increased sale of activity tickets, and since the business manager is responsible in a large sense of the students as a whole and since the money is apportioned fairly as is usually the case.
- 2. As a member of the executive committee I will earnestly work to think in terms of faculty-student relations for a more understanding and cooperative spirit on the part of each.
- 3. I will at all times remain open and thoughtful to criticism, comments, and suggestions."

HOME EC CLUB TO MEET

"Professional Opportunities for Home Economics-Trained Girls" will be discussed at a meeting of the Home Economics Club at 7:15 p.m. Tuesday in HE105.

Speakers on the program and their subjects will be: Mrs. Charlotte Camp, professor of child development, nursery school direction; Miss Mary Rye, home economist for Pioneer Natural Gas Co., home economics in business; Miss Zora Gifford, Lubbock Park and Recreation Department, recreation; and Dr. Esther E. Snell, director, Lubbock Cerebral Palsy Treatment Center, occupational therapy.

Dona Jameson and Virginia Still are in charge of the program. Miss Lola Drew, professor of home management, is faculty advisor.

CAMPUS PROM QUEEN ANNOUNCES ENGAGEMENT!

Immediately after the recent prom, Irma Doll, elected Prom Queen, announced: "Yes, it's true!

I'm engaged—in telling folks about the greatest taste ever put beneath a bottle cap. Of course, I mean America's favorite Wake Up Your Taste drink, frosty cold Dr. Pepper. It's a truly refreshing drink and you can prove it yourself with Dr. Pepper's famous 8-day test. Simply drink Dr. Pepper three times a day for 8 days. See if you won't want to keep on waking up your taste with frosty cold Dr. Pepper."

Dr. Thomas Stresses Importance of Religious Training in Tech Lecture

Dr. George F. Thomas delivered the first of a series of four Willson lectures at 10 a.m. Monday in the Texas Tech Gym. His subject was "The Role of Religion in Our Lives."

Dr. Thomas pointed out the great need of religious training in a well-rounded college education. He said that college years were the most essential years in the lives of young people concerning their growth in religion.

"It is a period of growing up from our childhood thoughts of

religion to a mature religion," stated Dr. Thomas.

Importance of Religion

Education is useless, in the last analysis, if it leaves a person with a great deal of knowledge, the power to get what he wants, but an immature outlook on life and no real purpose beyond use of knowledge for his personal satisfaction and desire, the speaker emphasized.

Dr. Thomas is professor of religious thought and chairman of the department of religion at Princeton University. He is a widely known philosopher and educator.

Dr. Jones Introduces Speaker

Dr. E. N. Jones, Tech president, introduced the speaker and Mrs. J. M. Willson, Floydada. The Willson family set up the fund to bring a prominent religious speaker annually to Tech and twelve other colleges.

Dean James G. Allen opened the convocation and the Rev. Wayne Selsor, campus minister of Christian Churches of West Texas, gave the invocation. The Rev. Paul Hebbeger, curate of St. Paul's Episcopal Church, gave the benediction.

Special music was provided by the Harmodears. Members of the quartet are: Marjorie Hendrick, Marjore Scates, Joyce Miller and Jan Doggett.

The second lecture was delivered Tuesday evening at 7:30 in the Student Union Building Ballroom. Dr. Thomas dealt principally with the apparent conflict between science and religion.

TO GO TO CHICAGO

W. Conner Cole, manager of the Texas Tech Bookstore, will attend the convention of the National Association of College Stores to be held in Chicago April 20-23.

Mr. Cole is a member of the convention nominating committee. He will be the general chairman in 1955, when the national convention meets in Dallas.

Tech Netters Play H-SU Here Today

Tech's tennis team, coached by George F. Hubbrick, will play host to the Hardin-Simmons University squad in matches beginning at 1:30 p.m. today.

Hardin-Simmons is favored to break the Red Raiders' three-game streak. The Techsans beat West Texas State here Saturday before leaving on a road trip to Texas Western and New Mexico A&M. They won both road matches 4-3.

In the singles matches at Las Cruces, the results were: Dave Clark, over Jody Williams, 6-4, 2-6, 6-2; Western's Ed Lockhart, defeated Tech's Van Hall, 6-4, 6-0; Cody Williams, Texas Western, over Harold Williams, 8-6, 6-8, 6-0; Tech's Charles Riddle over Dave Holt, 6-1, 6-1; and Cliff Hand, Tech, defeated Mike Ma-loof, 6-1, 6-1.

In the doubles matches, Texas Western's Williams and Williams defeated Clark and Williams, 6-1, 6-3, while Tech's Hall and Riddle beat Holt and Lockhart, 6-3, 7-5.

At the Texas Western matches, Tech's David Clark, Van Hall, Charles Riddle, and Cliff Hand all took wins. Harold Williams fell beneath the opposition.

The doubles matches were even with one win apiece. The Raiders' Hall and Riddle defeated TW's Kelsey and Garcia, while Mater-son and Pye defeated Clark and Williams for the Western win.

ARTISTS COURSE

Alfred and Herbert Teltsehik, duo-pianists, will present a program at 8 p.m. Monday in Lubbock High School Auditorium. The Tech Artists Course is sponsoring their appearance.

Tickets for the performance are \$1 for students and \$1.50 for adults. Activity books will admit Tech students.

SICK LIST

The following students were admitted to the infirmary for treatment during the past week: Jana Hieber, Kelly Hargis, Robert T. Watkins, Harry Wilson, Shirley Griffin, James Roy White, Bayard Smith, Mary Ethelene Smith and Thomas Chapman.

The Finest Shirt Value We've Ever Offered!

# BA Nominees Release Platforms

## Policies for Office Announced by Six

The Division of Business Administration will be allowed four representatives on next year's Student Council. Candidates and their platforms are:

**GLEN CARY**, Brownfield sophomore: "If elected, I will:

"1. Promote the equitable allocation of the activity fee.

"2. Promote the furtherance of Faculty-Student relations.

"3. Work to keep the channels of communication clear.

"4. Keep my ears attuned and eyes open for the student's ideas and problems.

"5. Help to foster a feeling of central harmony across the campus.

"6. Represent the Business Administration Division to the best of my ability."

**RONNIE CLARK**, Yuma, Ariz., sophomore: "To promise space stations to put mean double-Ts on, to propose that I can build gymnasiums and fraternity houses, or to repeat a volume of the same tired old phrases would be fruitless—even more senseless. If I am elected as the business administration representative to the Student Council, I can't promise any of these things, but I promise to represent, serve and work for the students of Texas Tech with all of the energy, resource, and dedication that I can muster."

**FRED CURRIE**, Greenville Junior: "If elected to the Student Council, I will try to obtain a clearer definition of Dead Week. By this I mean to define it as to whether it is legal for instructors to give hour tests during Dead Week.

"Something that there has been a lot of talk about but nothing done as having teachers' names put on class schedules. I believe if this is approached in the right manner, it can be accomplished very easily to benefit both students and instructors.

"Last but not least, I am tired of hearing people talk about the lack of school spirit. If elected, I am going to work with the Saddle Tramps and cheerleaders to see that Tech's school spirit of 'old is returned.'"

**JACK GIBSON**, Lubbock freshman: "1. That a workable and practical plan be adopted (and urged very seriously) that the students use the wherby students can go to his or her cousin's with problems that they truly feel has not had the proper consideration from the usual channels of authority.

"2. A closer examination of the parking problems here on the campus, that properly located spaces be reserved for disabled students.

"3. That a plan of polling the students or important issues be adopted, in order to determine more accurately what the students want.

"4. That more publicity be given the affairs of the Council so the students can get a clearer picture of what's going on around here."

"5. To vote on all issues with but one goal in mind: the student's interest—not just a few, but all of them."

**JERRY HOUSE**, Lubbock junior: "As your Business Administration representative I will work to bring the student viewpoint to the administration as well as to carry the points of the administration to the students."

**CAROLYN POPE**, Lubbock sophomore: "1. To represent to the best of my ability the interests of the Business Administration Division.

"2. To further inter-college business activities in the Business Administration Division.

"3. To help promote better business relations."

Other candidates are: Juanita Peterson, Frisview sophomore; Doris Ellis, Sweetwater junior; Jana Heber, Anita freshman; Bette Hickerson, Amarillo junior; Norma Chapman, Austin sophomore; Jerry House, Lubbock, Lubbock junior; Martin Smith, Lubbock junior; Jeannine Brown, Waco sophomore; Neil Vaughn, Lubbock junior; Eddie Hughett, Lubbock freshman; and Keith White, Lubbock freshman.

BUSINESS ADMINISTRATION candidates are: left to right—first row—Glen Cary, Ronnie Clark, Fred Currie; second row—Doris Ellis, Jack Gibson, Carolyn Pope. Not pictured are: Juanita Peterson, Jana Heber, Bette Hickerson, Norma Chapman, Jerry House, Marlin Smith, Jeannine Brown, Neil Vaughn, Eddie Hughett, and Keith White.

## ROTC Cadets 'Get Shot'; Prepare for Summer Camp

Tender arms and pale faces were the order of the day as Army ROTC cadets took their second round of inoculations last week.

The inoculations, which will be finished April 22, are part of pre-summer camp preparations the cadets face before attending camp sometime in June.

All ROTC cadets must attend a summer camp between their junior and senior academic years to be eligible for a commission upon completion of their college training.

Texas Tech's units will send approximately 65 cadets to four different military installations in Georgia, Alabama and Missouri this summer.

The signal corps will send 20 cadets to Camp Gordon, Ga. Approximately 24 infantry cadets will go to Ft. Benning, Ga. Seventeen engineer cadets will train at Ft. Leonard Wood, Mo., and the chemical corps training base at Ft. McCellan, Ala., will receive the remaining four cadets on the Tech summer camp roster.

## DORM LEGISLATORS MEET

Approximately 50 former and present women dorm legislators assembled at the big party house at Mackenzie Park Saturday for a retreat. Both Knapp and Horn residents participated in the all-day conference.

The agenda for the day included: Sing-Song, discussion groups, which were divided into election, publicity, big-little sister program, and social calendar; summary and discussion of group discussions; AWS and dorm correlation. Lunch was served at noon.

Dean of Women Marjorie Neely reviewed the dormitory program for 1954-55.

## DO YOU WANT MONEY?

Requests from organizations wishing to receive money for next year from the activity fee should be sent to the Student Council office by Friday.

An estimate of the expected expenditures of the organization, and an explanation of the organization's functions should be included in the request.

Max Preston, business manager, states that allotments will be made so as to benefit the greatest number of students.

## TO SING IN PLAINS

The Tech Madrigal Singers, directed by technical instructor Robert Elson, will appear in concert with the Plains High School Band at 8:15 p.m. tomorrow in Plains.

Madrigal members include: Marjorie Hendricks, Lubbock and Joyce Miller, Friona, sopranos; Marjorie Seales, Lubbock, and Alice Ann Yates, Plainview, altos; Bill Cormack, Amarillo, and Clarence Whiteside Jr., Lubbock, tenors; and John Taylor, Dallas, and Tim Magness, Friona, basses.

Neel Hardin, Lubbock music major, will accompany the group.

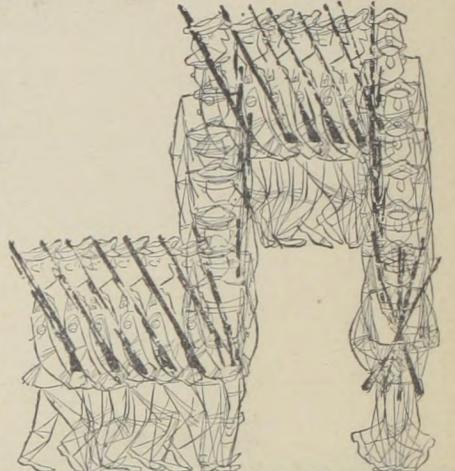

## 'BEST PLEDGE' NAMED

Charles Cunningham, Garden City junior, was selected as "best pledge of the year" by Block and Bridle members at their steak fry Saturday, according to Dale Hoover, club president.

Sirloin steaks were served to approximately 120 Block and Bridle members, dates and guests at the annual spring event.

Jake Miller's Western band played for dancing in the Agriculture Engineering shed after the steak fry.

"Alexander's Ragtime Band" starring Tyrone Power will be shown in the Student Union Building at 7:30 Monday night.

When you pause... make it count... have a Coke

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY LUBBOCK COCA-COLA BOTTLING COMPANY

## COLUMNIST TO SPEAK

Mrs. Walter Ferguson, Scripps-Howard columnist, will be the speaker at Theta Sigma Phi's annual Matrix Table banquet at 7 p.m. today in the Student Union Building. Theta Sigma Phi is the national honorary fraternity for women in professional journalism.

The outstanding senior woman journalism major will be recognized, and newspaper awards will be made in the fraternity's regional newspaper contests. Competition by several area papers included news stories, feature stories, editorials and columns.

The banquet is open to all members of the journalism department. Tickets are \$1.50.

Special guests will be Mrs. James G. Allen, club sponsor, and Mrs. Shirley Shelton, alumna advisor.

## TALL CLUB ORGANIZED

The newly formed club for tall people in Lubbock, the Antenna Club, will have its first social event Monday.

Height is the principal requirement for membership. Women must be 5 feet 11 inches in stocking feet, and 18 years old. Men must be 6 feet 2 inches in stocking feet and 20 years old.

Miss Lois Harsevar, chairman of the club, says its purpose is to bring together tall students with common interests and to provide a social organization for the purpose of cultivating friends.

Further information about the club may be obtained by calling 2-7524.

Thurs, April 8  
C Company  
In ROTC Co

C Company won first place in the first annual field day Thursday. The winning company points, 15 points more than place F Company, won third place with 10 total.

Second place, won first in platoon. Second squad of the team, C Company, outstanding squad in of arms competition, classification and first ranking, are: Donald Pundt, Robert David Pennington, Mike Burkholder, James and Benny Day, Jr., Bert Bell, Thomas Nash, Holmes, Senior: James Charles Minton, and Whitfield.

A. E. Cronk was selected standing guide-bear Hargrove was second.

Roy C. Bryant won the throwing championship. R. R. Shanahan, grenade with the accuracy.

W. A. Kilpatrick was disassembled and assembled M-1 rifle. James Donnell second in the event. Hargrove was third.

Scabbard and Blade administrative staff sponsored red ribbons to the Green and units.

WINS FELLOWS

Kenneth W. Davis, a January graduate Tech, has been named 144 winners of a 1954-55 Woodrow Wilson Fellowship award. He will receive a year of graduate work at the University of Tennessee.

The grants are made to students showing "marked" for the teaching profession, possessing the highest intellect, character and ability," according to Dr. Goben of Princeton, of the program. Dr. Goben nearly 1,200 students nominated by American educators for the award.

While at Tech, Davis the office of Dr. T. Camp, head of the Engineering. He was president Tau Delta, national honor society for students in English courses, and a Phi Eta Sigma and a Phi Kappa Phi, Spanish honor. Davis is now teaching high school in Louisiana.

STUDENTS TO JUDGE

Three Tech students go to Dickens tomorrow to judge a district inter-league contest. The students will choose winners in fiction and extemporaneous speaking are: Dwayne Calkins, and Joyce.

A group of speech students act as judges at the interscholastic league contest at Lubbock High. Students judging declaration will be: Sara Dick, Mansell, Dean Morgan, Smith, Lavoy Berry, Dyer, Joyce Davis, Glen E. J. Tarbox Jr., Bart Smith, Jackie Bateman, Gibson, Bob Ford, Jo Ann Donnie Dean, Rita E. Nancy McKissack.

TO ASSIST AT PLAYS

Three Texas Tech students and their coach assist in the production Plainview's Panhandle Dairy Show Sunday afternoon.

The team, which includes my Nickell of Claude, Norwood of Burleson, Ham of Goodlett, will butterfat content of dairy cattle entered in Dr. W. H. Cloninger professor of animal husbandry will be an official of the show.

### C Company First In ROTC Contest

C Company won first honors in the first annual Army ROTC field day Thursday.

The winning company tallied 70 points, 15 points more than second place F Company. B Company won third place with a 45-point total.

Second platoon, C Company, won first in platoon competition. Second squad of the second platoon, C Company, was named outstanding squad in the regiment.

Top-ranking cadets in manual of arms competition, according to classification and first, second and third ranking, are: Freshman: Donald Pundt, Robert Utley, and David Pennington. Sophomore: Mike Burkholder, James McKenzie, and Benny Day. Junior: Robert Bell, Thomas Nash, and Justin Holmes. Senior: James Minton, Charles Minton, and Charles Whitfield.

A. E. Cronk was selected as outstanding guidon-bearer. Royal Hagerty was second.

Roy C. Bryant won the grenade-throwing championship for distance. R. R. Shanafelt threw the grenade with the greatest accuracy.

W. A. Kilpatrick was first in disassembly and assembly of the M-1 rifle. James Momenly placed second in the event and Nelson Hargrove was third.

Scabbard and Blade and the regimental staff sponsored the field day. Col. Hampton Green presented ribbons to the winning cadets and units.

### WINS FELLOWSHIP

Kenneth W. Davis, Wolfforth, a January graduate of Texas Tech, has been named one of the 144 winners of a 1954-55 national Woodrow Wilson Fellowship. The award will pay his expenses for a year of graduate work at Vanderbilt University, Nashville, Tenn.

The grants are made to students showing "marked promise for the teaching profession and possessing the highest qualities of intellect, character and personality," according to Dr. Robert F. Goheen of Princeton, director of the program. Dr. Goheen said that nearly 1,200 students were nominated by American and Canadian educators for the awards this year.

While at Tech, Davis worked in the office of Dr. Truman W. Camp, head of the English department. He was president of Sigma Tau Delta, national honorary fraternity for students in advanced English courses, and a member of Phi Eta Sigma and Alpha Chi, scholastic honoraries, and Sigma Delta Pi, Spanish honorary.

Davis is now teaching in a junior high school in Clovis, N. M.

### STUDENTS TO JUDGE

Three Tech speech students will go to Dickens tomorrow night to judge a district interscholastic league contest. The students who will choose winners in declamation and extemporaneous speaking are: Dwayne Carter, Nancy McKissack, and Joyce Davis.

A group of speech students will act as judges at the district AA interscholastic league contest Saturday at Lubbock High School. Students judging declamation, extemporaneous speaking and debate will be: Sara Dickinson, Pat Mansell, Dean Morgan, Jeannine Smith, Lavoy Berry, Dwayne Carter, Joyce Davis, Glenn Rainer, E. J. Tarbox Jr., Barbara Lee Smith, Jackie Bateman, Jack Gibson, Bob Ford, Jo Ann Miller, Donnie Dean, Rita Elliott and Nancy McKissack.

### TO ASSIST AT PLAINVIEW

Three Texas Tech dairy cattle judges and their coach will assist in the production contest of Plainview's Panhandle Plains Dairy Show Sunday and Monday.

The team, which includes Jimmy Nickell of Claude, Spencer Norwood of Burleson, and Don Ham of Goodlett, will determine butterfat content of milk from dairy cattle entered in the event.

Dr. W. H. Cloninger, associate professor of animal husbandry, will be an official of the show.

### Students, Faculty Members Attend Fiesta at Levelland

Several Tech students and faculty members participated in the sixth annual Spanish Fiesta at Levelland Saturday. Approximately fifteen hundred students from West Texas and New Mexico attended the day's celebration.

Dr. John C. Dowling, head of the foreign language department, was master of ceremonies for the afternoon activities. Dr. C. B. Qualla, foreign language professor, crowned the Fiesta queen.

A short play presented by a cast of Tech students and directed by Mrs. Scotti Mae Tucker, assistant professor of foreign languages, was part of the afternoon entertainment.

Mrs. Elizabeth Skidmore Sasser, assistant professor of architecture, was in charge of the arts and crafts division. On the planning committee for the Fiesta were three Tech foreign language instructors, Dr. T. Earle Hamilton, Prof. A. B. Strehli, and Dr. Dowling.

Delta Sigma Pi, honorary Spanish fraternity, sponsored a theme contests for high school students. They were required to write on Cervantes.

Dr. Gene Hemmle, music department head, and Raymond Elliott, associate professor of music, will act as judges in Hobbs Saturday at a regional choral festival.

### Air Force Cadets To Visit Convair

Maj. H. E. Walker, assistant professor of air science and tactics, and 15 Air Force ROTC students will tour the Convair aircraft plant in Fort Worth tomorrow. They will be flown to the plant by military aircraft.

They will tour the giant B-36 plant and will see a film on the combat capabilities of the heavy bomber.

Members attending will be Ver-

### GERMAN STUDENTS TO MEET

Tinker Wadsworth Longfellow, Bruce Simmacher, and Trixie Austin will be the only members of the "Schauboot" cast who won't make it to the annual meeting of the Texas Association of German Students this weekend.

Tinker Wadsworth Longfellow is a daschshund belonging to T. W. Bridges, English instructor. He played "Das Hundchen" in the recent play sponsored by Der Liederkranz, Tech German Club.

Going to the TAGS meeting on the Southern Methodist University campus in Dallas will be Teddy Trippie, Lubbock; Bruce Matson, Fort Worth; Bob Martin, Wichita Falls; Rosemary Sprague, Lubbock; Ray Cook, Floydada; Don Elliott, Lubbock; Jim Green, Muleshoe; Joan Montgomery, Muleshoe; Christine Macina, Shamrock; Alvin Gregg, Plainview; Karl Dockray, Lubbock; and Theodor Alexander, club sponsor.

non Hart, engineering senior; Scott Woodlin, arts and science freshman; Lester Williams, engineering freshman; George Mullino, agriculture junior; and Jerry Cole, arts and science senior.

Others are: Barney Terrell, engineering freshman; Bobby Jetton, agriculture junior; James McGowan, agriculture junior; Keith Pate, business administration junior; Richard Zecek, engineering senior; and Edward Hogan, engineering freshman.

Also: Ben McGlamery, engineering senior; Kenneth Lane, engineering sophomore; Burton Dupree, engineering junior; and Bob Hamilton, engineering freshman.

### ROTC CADETS PROMOTED

Six Army ROTC senior cadets received promotions last week. They are: Cadet Capt. Harold E. Fox, promoted to cadet major and assigned duties as Regimental S-4; Cadet Lt. Mack B. Mohon, promoted to cadet captain and assigned duties as commander of Co. C; Cadet Lt. Bernard M. Beck, promoted to cadet captain and assigned duties as commander of Co. D; Cadet 2nd Lt. Jacob G. Watson, promoted to cadet first lieutenant; Cadet 2nd Lt. William B. Whaley, promoted to cadet first lieutenant; and Cadet 1st Lt. Charles E. Maple, promoted to cadet captain and assigned duties as regimental public information officer.

### Faculty Christian Fellowship

Organized on the Tech Campus

Plans have been completed for the organization of a local chapter of Faculty Christian Fellowship, a fellowship of Christian members and faculty members organized to explore the religious perspective of teaching. Twenty-five faculty members met in the Student Union Building Tuesday evening and selected a steering committee.

Dr. George F. Thomas of Princeton University spoke briefly on the origin of the movement and its recent development. He led the group in a discussion of the significance of the movement as it exists on many college and university campuses. Dr. Thomas is a member and former chairman of the National Executive Committee of the F.C.F.

Another local meeting will be held early in May. Arrangements will be made by a steering committee consisting of: Dr. C. C. Schmidt, head of the physics department, chairman; Dr. J. C. Cross, head of the biology department; and Prof. Thomas F. Wiesen, head of the economics department.

A business meeting scheduled by the Press Club for tonight has been postponed because of conflict with the Theta Sigma Phi Matrix Table Dinner in the Student Union Building.

# IT'S ALL A MATTER OF TASTE

Late for your date? She hates to wait? Need something nice to soothe her? Give her a round, firm Lucky Strike—They're cleaner, fresher, smoother!

W. T. Donoghue University of Virginia

**COLLEGE SMOKERS PREFER LUCKIES**  
A comprehensive survey—based on 31,000 student interviews and supervised by college professors—shows that smokers in colleges from coast to coast prefer Luckies to all other brands! The No. 1 reason: Luckies' better taste!

My roommate was a grouchy soul—No person could be meaner; But Luckies made him change his tune—They're smoother, fresher, cleaner!

Chad Fornshell Indiana University

When you light a Lucky Strike, You're sure to recognize That cleaner, fresher, smoother taste Collegians idolize!

Jean N. Singleton San Jose State College

# LUCKIES TASTE BETTER CLEANER, FRESHER, SMOOTHER!

## Plans Announced For Open House

"There's a World of Difference" will be the theme of the 16th annual Home Economics Open House April 23 and 24.

Style shows will be the main project of the clothing and textiles department. The shows scheduled for Friday will be at 2:30 and 4 o'clock in the afternoon and 8 and 9 in the evening. Saturday there will be a style show at 10:30 a.m. and one at 2:30 p.m. Student-constructed garments will be on display in the clothing labs.

**Comparison of Laundering**  
"There's a World of Difference in Laundering," according to the department of home management. Washday, yesterday and today, will be the main exhibit of this department, featuring number-three tubs, yellow soap, scrub boards and a wash pot, versus a modern electric washer and dryer. Other features of this department will include demonstration of how to wash blankets, a detergent exhibit, the evolution of the iron, a display of equipment, and both gas and electric kitchens.

"There Is Shape to Your Rolls" will be a continuous demonstration of the department of foods and nutrition in HE 167. Punch will be served to all visitors by the freshmen foods classes in HE 163. Albino rats used in nutrition demonstrations will be on display showing effects of balanced food intake and an unbalanced snack diet. Other exhibits will be on caloric contents of foods, critical evaluation of advertising in foods and nutrition facts, and table settings for various occasions.

**Nursery School Open**  
The department of child development and family relations will exhibit material and information on child development, selecting a mate, family relations, and vocations in child development in HE201. The nursery school will be open for inspection.

The applied arts department will display for visitors "the world of difference" in arrangements, selection of furniture, and color schemes. Freshmen design classes will be in charge of an exhibit featuring the difference between good and poor design and examples of different ways to create a good design. Demonstrations will be given in turning on the wood lathe, finishing wood to give it a long lasting beautiful finish, soldering metals, enameling on copper, basketry, bead loom and textile printing.

### Sterling to Speak at Press Club Banquet; Officers to be Elected

Featured at Tech's annual Press Club banquet will be a talk by Curtis Sterling, publisher of the Brownfield News. The banquet will be at Underwood's, 711 34th Street, at 7:30 p.m. Thursday, April 22. Officers for 1954-55 will be elected at the event.

The banquet is open to the entire journalism department and their guests.

The Press Club was one of the first organizations on the Tech campus, according to Charles Maple, who has acted as program chairman this year. Club programs for 1953-54 have consisted of a series of talks by professional men on the opportunities in various fields of journalism.

Present officers are Claudia Martin, president, and Linda Hudson, secretary-treasurer.

### JUNIOR COUNCIL SELECTS

Junior Council, honorary service organization for junior women, initiated 20 sophomores to serve on next year's council and entertained them at a dinner Monday night. Identity of the new members will be revealed at the A.W.S. spring luncheon in May.

### JUDGING CONTESTS HERE

Approximately 1,200 vocational agriculture students and teachers from Areas I, II, III and IV are expected to be on campus April 24 when Tech holds its 27th annual FFA judging contests.

Judging competition will take place in nine events: livestock, crops, cotton classing, dairy products, poultry, dairy cattle, meats, grass, and wool judging.

The contests will be concluded with a barbecue for the contestants and teachers furnished by Plains Cooperative Oilmill of Lubbock.

### ORIENTAL PHOTOS

A touch of Oriental atmosphere has been added to the Museum. There are 26 photographs of murals depicting Buddhas and Buddha statues hanging in the Rotunda Gallery.

The photographs were given to the college by Takashi Hashimoto, president of Japanese University in Tokyo. President E. N. Jones gave the photographs to the Museum.

The murals depict Buddha lands in conformity with the principles of Mahayana, Japanese religious belief. They are painted on the walls in the Kondo Horyuji Monastery in Japan. The murals were painted below the Arbat murals, paintings of the chief Buddha.

### Writes About 'Carmen'

Dr. George A. Whetstone, associate professor of civil engineering, is author of an article appearing in the latest issue of Opera News entitled "Carmen's Librettists On The Loose." Articles in the current issue are devoted to the opera "Carmen."

### On Planning Committee

Dr. John S. Carroll, head of the education department, and Dr. Per G. Stensland, head of the adult education program, are on the workshop planning committee for the 26th annual conference of the 14th District, Texas Congress of Parents and Teachers, to be held in Plainview April 20-21.

### Faculty Banquet Tomorrow

Fifteen retired staff members of Texas Tech will be honored at a faculty banquet tomorrow in the ballroom of the Student Union Building.

The honored guests will be: Dr. Clifford B. Jones, Dr. D. M. Wiggins, Dr. William M. Whyburn, W. T. Gaston, G. W. McCleary, Miss Eleanor M. Chitwood, Dean Arthur Henry Leidigh, Dr. Albert B. Cunningham, Prof. James Newton Michie, Dr. Leroy Thompson Patton, Prof. Cecil Horne, Prof. Rufus Arthur Mills, Prof. Earl L. Thompson, Dean Margaret Watson Weeks and Miss Martye Poindexter.

The banquet will be sponsored by Texas Tech and the Campus

### PLEDGES HONORED

New Pledges of Phi Delta Theta fraternity were honored at a big brother-little brother breakfast Sunday morning at the Caprock Hotel. The group attended the First Baptist Church following the breakfast.

Four Silver Key alumni were initiated into the fraternity Sunday afternoon at the Phi Delta lodge. Those initiated were: Ronny Fee, A. B. Enloe, Bill Black, and James Porter.

Club Haskell G. Taylor, professor of accounting and finance, is president of the club.

Special guests will be the board of directors.

# Today's CHESTERFIELD is the Best Cigarette Ever Made!

"Chesterfields for Me!"

*Robert Henninger* Purdue Univ. '56

The cigarette tested and approved by 30 years of scientific tobacco research.

"Chesterfields for Me!"

*Deborah Kerr* Star of the Broadway Hit "Tea and Sympathy"

The cigarette with a proven good record with smokers. Here is the record. Bi-monthly examinations of a group of smokers show no adverse effects to nose, throat and sinuses from smoking Chesterfield.

"Chesterfields for Me!"

*Jon Withrow* University of Oklahoma '54

The cigarette that gives you proof of highest quality—low nicotine. For the taste and mildness you want—smoke America's most popular 2-way cigarette.
