Vol. XXVII Lubbock, Texas Technological College, Wednesday, March 4, 1953 No. 32

Head Cheerleaders, Council Officers To Be Chosen In General Election

General elections for all offices of the Student Council and for head boy and girl cheerleaders will be conducted from 1:30 p.m. April 8.

Petitions for candidates may be taken out today and must be returned to the Student Council office by Wednesday, March 25.

Officers of the Student Council must have one-point grade averages, be resident students and have maintained one-points for the preceding semester. They also must have 200 signatures on their petitions. Representatives must have a one-point average and 100 signatures on their petitions.

Selection by Enrollment
The sixteen representatives will be selected according to the enrollment in each division. The Engineering Division has 4; Agriculture, 3; Arts and Sciences, 5; Business Administration, 3; and Home Economics, 1.
An election will be conducted in the Business Administration

Division for representative to the Student Council to replace Pete Morris. All candidate petitions for representative must be turned into the Student Council office by 5 p.m. Tuesday, March 17. The voting will take place on Thursday, March 19, in the Administration Building.

Semi-Weekly Toredor

The Student Council voted Monday to allocate \$1,000 of its reserve funds to The Toredor. J. Russell Heitman, sponsor of the student paper, announces that this allotment will permit The Toredor to publish a four-page paper on Tuesday and an eight-page issue on Friday, beginning the week of March 23.

Alpha Phi Omega, men's service organization, announced to the council that Tech's Ugly Man Contest has been set for the week of April 7 to 14. All funds raised in the contest will be donated to the Cancer Fund.

Student Association President Harold Brannan will investigate recent reports that the student body will not be allowed to sit in section "O" in Jones Stadium at next year's football games.
Letters of application for 1953-1954 editorship of La Ventana and The Toredor must be in the council office by Wednesday, March 25.

Marriage Topic Of Evans Lecture

"Everybody must get along in the home" warned Dr. Louis H. Evans as he spoke to approximately 1,000 students Monday at the first Wilson lecture.

Speaking to about 1,400 Techsians Tuesday in the Gymnasium, he stated, "Every home is held together by a spiritual solar system."

Dr. Evans warned that young people must, when they marry, "unite on something bigger than each other"; that in the base of each home or the spiritual triangle, "God must be placed."
One out of every 70 Christian homes is broken by divorce today as compared with one out of three that are not, the speaker said.

He asked each person to answer a question before thinking of marriage: "What are we living for?"

"A church marriage has seven times as much chance as lasting as the marriage that is performed by a civil official," Dr. Evans declared.
"God is a great adhesive in the home; it is more logical for couples to get on their knees and pray than to quarrel and divorce like spoiled brats," the Wilson lecturer said.

"No matter if the civil authorities can grant a divorce, the marriage has not been severed by God. All marriage records are kept on two books. One of these is God's book and the other is the record by the government," Dr. Evans stated.

Again and again he warned: "What God hath joined together let no man put asunder."

Bull sessions and personal conferences are held each day by Dr. Evans. Time for the bull sessions will be announced in the dormitories and personal conferences can be arranged.

Moss Hart Play Opens Monday

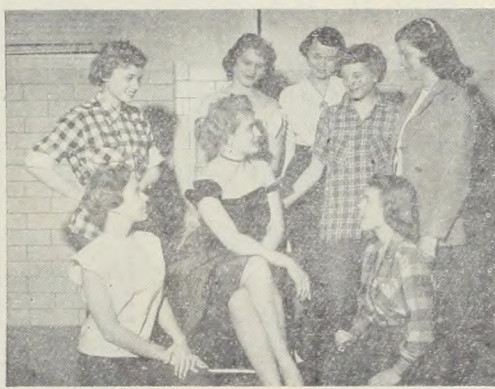

By RUTH DRAKE
Toredor Staff Writer

Superlatives are seldom used in describing a speech department play. Know why? Because they grow progressively better and better. So "Light Up The Sky" by Moss Hart, being presented Monday through Saturday this week, will simply be termed "another good one."

It is the behind-the-scenes story of a Broadway hit on its opening night. Moss Hart reportedly wrote the play using caricatures of actual Broadway names such as Billy Rose, his wife, Eleanor, Gertrude Lawrence, and Guthrie McClintock. The Tech group handled their parts with care as they took five curtain calls in their last production of the year.

Among the many stars, Roberta McGinnis, appearing for the first time in a Tech production, gave the most polished performance. She has worked with the Lubbock Little Theater group and is evidently no novice to stagework.

The play, directed by Ronald Schultz, speech instructor is being presented each evening at 8:15 in the speech auditorium. Tickets cost \$1 and students are being admitted free with their student activity tickets. Lavoy Berry, assistant director, says that seats may be reserved by calling the speech office.

WAITING FOR OPENING NIGHT—A few of the ladies of the Varsity Show cast are, left to right in front: Reta Olsen, Connie Hopping, and Myra Ratliff. Behind them are: Suzanne Matteson, Joyce Lowe, Harriet Henderson, Wanda Norman, and Nancy Chastain.

1953 Varsity Show Ready For Monday Night Opening

"Summer Festival", 1953 Varsity Show, will open at 8 p.m. Monday night in Lubbock High School Auditorium for a three-night run, announces Odie Echols, general director.

Tickets are priced at \$1 and may be purchased at a booth in the Student Union Building, from members of the cast, or at the door.

The show, written by Dick Shockley with additional dialogue by Roy Smith, has as its setting a summer resort hotel for college students. Time is the Fourth of July weekend. Stage sets will include a swimming pool onstage and a backdrop representing the hotel.

The Varsity Show Chorus, known on other occasions as the

Tech Choir, will sing "Moonglow" and "Dream". Tech's La Ventana beauties will be presented with the second number. Production numbers will include a Charleston routine led by Reta Olsen and Jim Winstead. A comic duet will match Connie Hopping with James Sides.

Adagio steps will be performed in an "Indian Rain Dance" by Virginia Carr and Dean Kelly. "Why Do I Love You" will be sung as a duet by Jean Ann Gillum and Joe Bob Garner.

A highlight of the show will be what Echols describes as a "drum battle" between John Curry and Jack Thornbrough.

Members of the cast and staff have been touring area high schools this week giving previews of the show.

Newcomers Club To Be Tea Host

Tech Newcomers Club, composed of wives of faculty members who have been at the college less than two years, will honor the Faculty Women's Club with a tea and style show at 2:30 p.m. Wednesday in Drane Hall.

Hostesses will be Mesdames William A. Blackwell, R. N. Flournoy, Raymond Mack, Ronald Schultz, Carl Rister, Jules Renard, Norman Lamont and Ira Williams.

Models for the style show will be Mesdames E. N. Jones, DeWitt Weaver, Fred Norwood, Wade Walker. Narrator will be Mrs. Walter Kerbel. Bernie Howell will provide music.

Reservations may be made by calling Mrs. Blackwell at 3-9610.

Sixteen Clubs Vie For Stunt Trophy

Sixteen campus organizations will participate in Junior Stunt Night at 7 tonight, says J. C. Chambers, junior class president. The winner, to be selected by applause, will be presented a trophy. Hardy Clemons is director of the show.

Proceeds will benefit the Junior-Senior Prom, which is tentatively set for May 9. Tickets may be obtained from any member of the junior class or at the door.

Clubs participating are: Baptist Student Union, Bledsoe Hall, College Club, Delta Delta, Double "T" Association, freshman class, Home Economics Club, Kemas, Ko Shari, Los Camaradas, Silver Key, Sneed Hall, Socii, Sociology Club, Tau Beta Sigma, and Wranglers.

Seventh Annual Ceremony to Honor Tech's Scholars, Leaders, Athletes

Tech's seventh annual All-College Recognition Service will honor 368 students next Wednesday in the Gymnasium, says James G. Allen, dean of student life.

Students will be honored for athletics, scholarship and leadership. Organizations will also be honored for scholarship.

All students whose grades were in the upper 10 percent of their division during either the fall or spring semester of 1952, and whose grade-point average for either semester is 2.25 or better, will be recognized for scholarship.

Students being honored for the first time will receive individual recognition; those for the second time, class recognition; for the third time, divisional recognition; and for the fourth time, college recognition.

Dr. Jones will present a gold key to those students who are recognized for the fourth time. Eight students have received the gold key since the recognition services began six years ago.

Students honored for leadership have been selected on the basis of their versatility in student activities, the number of students potentially influenced by their offices, and their attitude toward responsibilities of office. Each must have maintained a 1.0 or better average during the spring and fall semesters. These students were selected by a committee appointed by the Student Council.

Students being recognized in scholarship include: All-College, James H. Dent and Craig W. Wilkerson; Divisional, Milton Rhodes, Ross Stiles Baker, Betty J. Mills, Frank H. Easton, Bill J. Fraley, Nancy M. Davis, Elmer G. Stevens, William Holmes, Billy L. Mosby, Harry William Parker, Molly E. Jordan, and Juanita Davis.

Chas. Charles V. Cunningham, Joe Ray Goodin, Charles Walter Douglas Dege, Joe B. Garner, John C. Anderson, Larry N. Tackett, Shirley Massey, Shirley Perkins, Sarah V. Smith, Rosemary Syracuse, Laura Jo Starnes, J. Wesley Alexander, Dale E. Busye, Margaret Garlin, Kathryn Phillips, Freddy L. Whitworth, Theo Lofton, Glenn Rainer, Sue M. Shawver, Joyce A. Belmont, Joyce R. Carthel, Joe H. Garrett, James D. McClaw, and Mildred Shelton.

Individual, Martin W. Ferguson, Walter R. McDonald, Bobby E. McGehee, Garth Daniel Scott, Dibrel Stowell, Allen Strother, Monte J. Wise, John J. Arisailon, Thomas E. Mason, Charles Ratliff, Bobby G. Waddle, Charles Wates, Charles B. Browning, John S. Chapin, Gene B. Farrell, Carl S. Merzies, Rollie W. Taylor, Rex Wishard, Adrian Anderson, Virginia Carr, Annette Cochran, Malcolm Dandel, Dan William Green, Alvin L. Grege, Huda Hassen, Millie J. Hay, Irma J. Hopp, Carolyn Larson, Joyce Ann Miller, Betty J. Nelson, Jo Anne Pierce, Anita M. Powers, Marilyn Sneath, Jack S. Badgett, Charles Gary, Connie Cunningham, Donald Portenberry, Patsy L. Griffin, Don O. Naylor, Charles Rich, Betty Jo Bush, Martha L. Hubbard, Roberta Morris, E. Reed, Richard Spence, Freddy L. Whitworth, Vada M. Whiting, Gloria A. Young, Carmelita Brown, Maya R. Fortson, Marcie Clinton, Mildred Flowers, Nancy Hudson, Frances Little, Eugenia McColough, Patsy N. McLaughlin, Carolyn Pope, Jack C. Pruitt, Kay Lynn Watson, Virgil L. Snell, E. Earl Crum, A. D. Scott, Joyce Belmont, Evelyn Sue Burke, Patricia Edwards, Dean E. Ing, Dolores Howell Nolan, Faye E. Rector, Donald G. Stookey, Patricia Townsend, and Opal F. White.

"Twelve organizations will be recognized for scholarship. In order to be recognized, two-thirds of the membership of the organization must have a 2.00 or better scholastic average for both the spring and fall semesters. The clubs are: Alpha Chi,

See RECOGNITION, p. 8

SENIORS MEET FRIDAY

Committee chairman for the Senior Carnival will meet at 5 p.m. Friday, says Bill Bales, senior president. E. Reed, Chairman, and committees are: Larry Bedford, gift; Dick Witte, publicity; Roy Grimes, arrangement; Marvel Gibner, invitation; Don Hancock, ticket; Sue Moorhouse, raffle; Mary Jo Craig, group 1; Clyde Whitaker, group 2; Shirley Jackson, group 3; and Anne Grary, group 4.

No Refunds After Saturday

Refunds on 1953 La Ventana will not be made after Saturday, March 14, says Roy T. Grimes, business manager.

Peggy Wilson Fiesta Nominee

Peggy Ann Wilson, senior foreign language major from Coleman, will represent Tech at the annual area Spanish fiesta to be held Saturday, March 21, at Stephen F. Austin High School in Amarillo. She is also entered in the fiesta queen contest.

Each year a Tech representative is selected by the executive committee of Capa y Espada, Spanish club, and Sigma Delta Pi, honorary Spanish fraternity. Last year's representative, Juanita Casas, won the queen contest.

Alpha Pi Mu Society Holds First Initiation And Banquet

Alpha Pi Mu, industrial engineering honorary society, held its first initiation, followed by a banquet, Saturday night in the Caprock Hotel.

Donald J. Winkler, senior from Lubbock, was initiated as an active member, and three instructors of industrial engineering became members.

Prof. O. A. St. Clair, Dr. John M. Penick, and Prof. W. Lloyd Jenkins received honorary membership.

Alpha Pi Mu has 12 members, and is one of the newest organizations on the campus. The charter was granted Jan. 17. Seniors in the upper one-fifth of the class and juniors in the upper one-third are eligible for membership.

Doak Hall Prexy

Officers were elected and a social program was planned at a recent Doak Hall dorm meeting.

Denton Lambert was elected president; Tom Brown, vice president; and Bonnie Avery, secretary-treasurer.

New governors are Doug Fiskin, Don Douglas, George Mullino, Granville Chron, Gordon Yoder, and Jack Blackstock as social chairman.

Social events for the spring semester include a sock hop, to be held sometime this month, a party in April, and a steak fry in May.

Marketing Class Hears Talk by Executive of Women's Store

Marketing 4315 class heard a talk Monday by Mrs. Elmer Godwin of Annette's, Inc., according to Prof. Roy Shaw.

Mrs. Godwin showed the class types of dresses and fabrics. She also explained her techniques of buying and pricing goods at market.

Will Speak at Meeting

Prof. F. A. Kleinschmidt will talk on "Magic Formula vs. Creativeness" at Fourth District of the State Teachers Association Friday afternoon. Approximately 60 members are expected to attend.

CAMPUS AIDS DRIVE

About one-third of the campus departments and offices have responded to the annual March Red Cross Fund drive, Prof. J. Russell Heitman, campus chairman of the drive, says. He is hoping that the remainder will send in reports this week.

FROSH REPORTS NEXT

Progress reports of all new freshmen will be released Saturday, announces Miss Evelyn Clewell, assistant registrar. Copies will be mailed to the student's parents, and dean of the student's division.

New KTC Representative

Sara Dickenson has been named the new representative to KTC from Horn Hall. She was chosen by the executive board of the dormitory in a meeting last week.

It's the size of the FIGHT in the man!

That's right! In the U. S. Air Force, it's not the size of the man in the fight—it's the size of the FIGHT IN THE MAN! And Aviation Cadets must have plenty of it. For Cadet training is rugged. If you're good enough . . . tough enough . . . smart enough . . . if you can take it while you're learning to dish it out, you can have one of the most fascinating careers in the world. You'll be equipped to fly the latest, hottest planes. You'll be prepared to take your position as an executive, both in military and commercial aviation as well as in industry. And while you're helping yourself you'll be helping your country.

WIN YOUR WINGS! It takes little over a year to win your wings as a Pilot or Aircraft Observer (Navigator, Bombardier, Radar Operator or Aircraft Performance Engineer). But at the end of your training you graduate as a 2nd Lieutenant in the Air Force, with pay of \$5,300.00 a year.

ARE YOU ELIGIBLE? To qualify as an Aviation Cadet, you must have completed at least two years of college. This is a minimum requirement—it's best if you stay in school and graduate. In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

New Aviation Cadet Training Classes Begin Every Few Weeks!

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will give you a physical examination.
3. Next, you take a written and manual aptitude test.

4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet training class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

WHERE TO GET MORE DETAILS:

Visit your nearest Air Force Base, Air Force Recruiting Officer, or your nearest Air Force ROTC unit. Or write to: Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.

Madrigal Singers Are Guest Artists

The Madrigal Singers, under the direction of Ira Schantz, were guest artists for Music in the Round last night at 8 p.m. in the Museum.

The group sang four madrigals: "What Sayeth My Dainty Darling" by Thomas Morley; "Come Again! Sweet Love Doth Now Invite" by John Dowland; "Weary, My Heart With Thee Doth Plead" by Orlando di Lasso; and "Love Not Me For Comely Grace" by John Wilbye.

Making their first Lubbock appearance in their new specially made Elizabethan costumes, they also sang a cantata for strings, piano and chorus, Dietrick Buxtehude's "Befiehl dem Engel doss er Komm.

This is the second consecutive year that the group was chosen to appear with Julius Heryi on the series of chamber music programs.

H. E. CLUB BANQUET

The annual banquet of the Home Economics Club will be held at 7 p.m. Tuesday, March 24, in the Caprock Hotel, announces Mary Lou Crump, chairman. Tickets at \$1.75 may be purchased by any member of the club from Jan Edwards in Knapp Hall.

Students See Union; Formal Opening Set for April 12

Tech's \$540,000 Student Union Building was opened to students at 10 o'clock yesterday morning.

Because all furniture and equipment have not arrived, the formal opening will not be held until Sunday, April 12.

The building is about one-third complete. Two more sections will be built in approximately 12 years, depending on the rate of income, James C. Allen, dean of student life, reports.

Every architect that worked on the building was a Tech graduate, Dean Allen says.

The idea of using receipts from the sale of bottled-drink concessions and the college bookstore profits to help build the structure was conceived by Dr. D. M. Wiggins, Tech's fifth president.

Direct contributions include \$7,000 from students and \$25,000 from ex-students.

Furnishings and color plans came principally from a committee made up of Dean Allen, chairman; Miss Martye Poindexter, head of applied arts; W. B. Rushing and Culvert Hill, representing the alumni; and Bob Schmidt and Harold Brannan, 1951-52 and 1952-53 Student Council presidents, representing the student body. The Student Council studied and evaluated the student needs.

The new building offers recreational facilities for ping pong, billiards, chess, and bridge. There are offices for the director and assistant director, an information

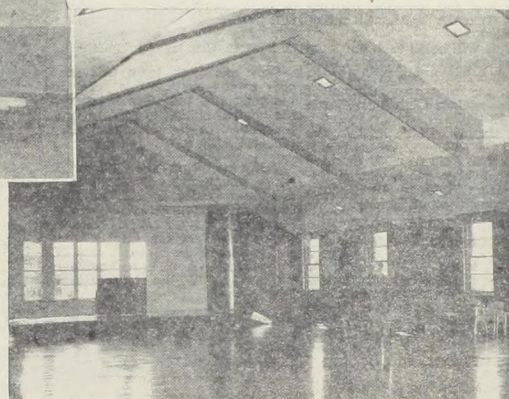

booth and a checkroom. Also in the building are seven student organization meeting places, student lounges, a projection room, and a mimeograph room. Two television sets will be installed later. The lost and found department will be moved to the Union Building from the Registrar's Office.

The Union hours will be from 8:30 a.m. to 10 p.m., giving students an hour and a half more than they had at the Recreation Hall.

The Rec Hall is being used temporarily for women's physical education and fencing team activities.

Psychologist Is Museum Speaker

Dr. Stephen Wiersz, psychologist at the Beverly Hills Sanitarium in Dallas, gave the Lubbock County Mental Health Society some suggestions on understanding children at a talk Monday night in the Museum Auditorium.

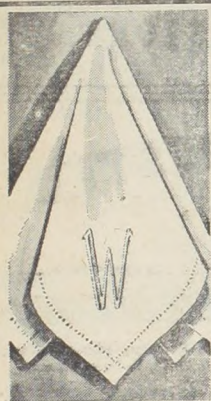

TO NAME CANDIDATE

A candidate for state sweetheart of Future Teachers of America will be chosen by Tech's FTA group at a meeting at 7 p.m. tomorrow in L11. Mrs. Jean Jenkins, director of the Placement Service, will speak, announces Helen Slagle, FTA reporter.

A DREAM COME TRUE

With the opening of the Student Union Building comes the fulfillment of a dream of 25 years. Now a reality—a thing of beauty—of thought—of love—all for your enjoyment and recreation. The College Bookstore is extremely happy to have been the impetus to start this worthwhile Campus Project. The sum of \$400,000.00 has come from Bookstore funds to initiate the building of the Union Building—but it would not have been possible but for your support. The Bookstore will continue thru the years to financially support this very worthwhile project—to ultimately finish the project

Five Companies Will Hold Interviews Thursday, Friday for Spring Graduates

Five companies will hold interviews this week for men and women who will graduate this spring. Creole Petroleum Company will interview spring graduates tomorrow. This firm has openings for majors in management, marketing, finance, economics, accounting, petroleum geology, and chemical, civil, electrical, mechanical, and petroleum engineering.

R. L. Beale, district manager of the Texas Electric Service Company, will interview graduates tomorrow. Openings are available for majors in accounting, and civil, electrical and mechanical engineering.

Stanolind Oil and Gas Com-

pany has openings for majors in chemical, civil, electrical, mechanical, and petroleum engineering. Interviews will be held tomorrow and Friday.

Men with majors in chemistry or chemical engineering will be interviewed Friday by R. H. Price, administrative director for Pan American Refining Corporation.

Men and women interested in the officer candidate program for regular commission in the navy will be interviewed tomorrow and Friday. All applicants must be graduates but there is no requirement of major.

Information on all interviews and placements is available in Ad-150.

Dance School Set For Tech Squares

A square dance school sponsored by the Major-Minor Club will be held March 18-20, in Tech Gymnasium. The Manning Smith, square and folk dancing instructors at Texas A. & M., will direct the school.

Tickets will be \$2 each and may be purchased at the women's physical education office in the gymnasium or from any member of the Major-Minor Club from March 11 to 18.

The classes will be held in the gym at the following times: beginners at 7 to 8:30 p.m., Wednesday through Friday, and advanced students from 8:45 to 10:15 p.m., Wednesday through Friday.

Geology Club To See Movies

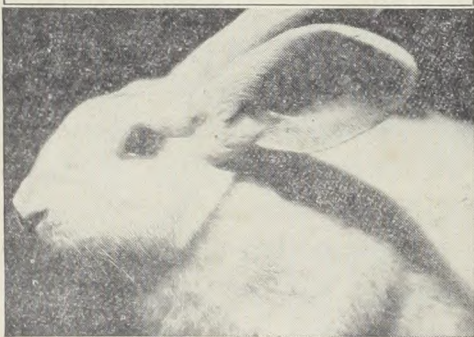

Three sound movies will be shown at the Geology Club meeting at 7:30 p.m. Monday in C101. Titles of the movies are: "Birth of an Oil Field," "Prospecting for Oil," and "Ten-Thousand Feet Deep."

To Direct Mississippi Chorus

Dr. Gene Hemmle, music department head, will direct the Mississippi Chorus Festival of 1,000 high school boys and girls in Vicksburg tomorrow and Friday.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

Here's a sad cotton tale: poor Paul was in a stew about his hair until his paw wrote: "I car you got a bun on because your girl left you. Now, letuce look at the bre's facts. To get in on the bunny huggin', smart rabbits foot it down to any toilet goods counter for Wildroot Cream-Oil, America's biggest-selling hare tonic. So fuzz thing tomorrow, invest 29¢ in a bottle or handy tube. Connains soothing Lanolin. Non-alcoholic. Grooms, the hare, Relieves annoying dyiness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test." Sheedy tried Wildroot Cream-Oil and now he's a jump ahead of every Tom, Dick and Harvey. So what're you waiting for? Get Wildroot Cream-Oil today, and ask for Wildroot at your barber's. You're bound to like it!

*of 131 So. Harris Hill Rd., Williamsville, N.Y.

High Schools of Neighboring State To Compete Here

High school judging teams from nine Eastern New Mexico towns will meet at Tech for a district judging contest Saturday. Contests will be held in judging crops, dairy cattle, wool, and poultry, with faculty members directing each contest. Livestock and dairy cattle judging will be held at 9 a.m. and crops and poultry judging at 1 p.m.

Crops judging will be directed by Cecil I. Ayers, associate professor of agronomy, who coached Tech's winning teams at Kansas City and Chicago last year.

Director of the dairy cattle division will be Koy L. Neeley, associate professor of animal husbandry, who coached the winners in dairy cattle judging at the Fort Worth Fat Stock Show in February. Nathan J. Allen Jr., instructor of animal husbandry, will be in charge of wool judging, and Kirk B. Turner, assistant professor of animal husbandry, will direct poultry judging.

Advanced students will assist the staff in conducting the contests.

Arrangements for the show were made by Clarence T. Gravle, vocational agriculture teacher at Lovington, N. M., a 1930 Tech graduate.

Annual 'Secret Love' Party Planned by Student Center

A "Secret Love" party will be held at the Methodist Student Center Friday night at 7:30.

Names will be drawn and for six weeks students will secretly "do nice things" for those persons. At the end of the period another party will be held and the secrets will be revealed.

TO TEACH AT AUSTIN

Dr. John P. Brand, associate professor of geology, has been invited to teach a graduate field course in Trans-Pecos Texas at the University of Texas during the second summer term.

Demonstration Agents Taught

A short course in Techniques of Home Furnishings was given to eight home demonstration agents from this area recently by Miss Mabel Erwin, head of Tech's clothing and textiles department.

Sheep Production Class Takes Trip

A field trip to study lamb raising was made by an animal husbandry sheep production class Tuesday. Class members visited the sheep ranch of J. B. Kidel, east of Plainview, and the farm and ranch of Dorsey Baker of Lubbock.

Mr. Kidel was feeding 2,500 lambs and was shearing them prior to shipping. Students had a chance to observe the feeding and shearing operations and were told of sheep feeding experiences by Mr. Kidel.

Mr. Baker has three spreads of about 3,000 acres each, near Lubbock. On one of the ranches students taking part in the field trip were shown through a recently constructed sheep barn in which Mr. Baker handles both ewes and feeder lambs.

Annual Complete Goodyear States

La Ventana 1953 is complete!

According to an announcement by Bert Goodyear, editor, the editorial staff will leave Saturday, March 28, for Iowa City, Iowa, to proofread the annual. Those planning to go include Ted Harris, associate editor; Jimmy Clark, editorial assistant; Roy T. Grimes, business manager; and Goodyear.

In a Career in Petroleum

Plan to see representatives of Stanolind Oil and Gas Company who will be on the Texas Tech campus Thursday and Friday, March 12 and 13, to interview candidates for engineering jobs with their company.

D. W. Farnham, division gas superintendent, T. M. Curtis, assistant division engineer, and E. H. Blackaller, district engineer, will interview students receiving advanced and undergraduate engineering degrees.

Farnham will interview chemical and mechanical engineering majors for plant engineering jobs with Stanolind.

Curtis and Blackaller will interview petroleum, mechanical chemical and electrical engineering majors for jobs with Stanolind's producing department.

All three representatives will interview juniors majoring in the above listed fields of engineering for summer employment as roustabouts at one of the company's plants or field production areas.

Stanolind is one of the five leading producers of crude oil, natural gas and natural gas liquids in the United States. The company operates over 12,000 wells, 13 natural gasoline and cycling plants in Texas, Kansas, Louisiana, and Wyoming, one refinery, and one chemical plant. Stanolind also has an interest in 3,200 additional wells and ten plants operated by other companies.

Appointments to see these representatives may be made through Mrs. Jean A. Jenkins, Director of College Placement.

Woman Engineer To Speak to Tech Students, Faculty

Dr. Lillian Gilbreth, about whom the best-seller "Cheaper by the Dozen" and "Bells on Their Toes" were written, will speak at 4 p.m. March 25 in Tech Gym.

Two of Mrs. Gilbreth's twelve children wrote the books which later became movies, portraying their family.

She is president of Gilbreth Inc., industrial consultant firm in Montclair, N. J. She is a noted author and lecturer.

"She is probably the first, and by far the foremost woman industrial engineer," says Dr. D. E. Holcomb, dean of engineering.

Since retiring from the Purdue University faculty, Dr. Gilbreth has been active in industrial relations and psychology.

Her topic for the Tech faculty and students will concern industrial human relations.

Dr. Gilbreth will speak at the Business and Professional Women's Club dinner at the Caprock Hotel, March 25. The dinner will be open to the public and tickets may be obtained from Lucille Caltharp at the Lubbock Auto Company.

Soucis Installed As Theta Pledges

Sans Souci members became pledges of Kappa Alpha Theta in a service held at Women's Club Monday at 5 p.m. They will be initiated late in April.

Twenty one girls became members of Sans Souci Sunday at 2 p.m. in the home of Sheila Jondahl, 4606 W. 18th St.

The girls initiated were: Virginia Bell, Pat Boles, Ann Bondurant, Jeannie Brown, Shirley Chapman, DeeDee Clairmont, Carol Collins, Carolyn De Spain, Elna Dunagan, Ann Healty, Kitty Hincey, Pat Mansell, Zoe Merriman, Virginia Mitchell, Lola Petiolos, Wanda Roberts, Sue Russell, Shirley Shields, Sandra Shook, Sharleen Wall Kay Lynn Watson, Tommie Wharton, Joanne Wheatley, Barbara Wilkes, Betty Witt, and Linda Yancy.

Fifteen Are Initiated Into Phi Upsilon Omicron Group

Fifteen women were initiated into Phi Upsilon Omicron, honorary home economics fraternity, Sunday morning. A breakfast was given, honoring the new members, following the initiation.

Mrs. Billy Keith, Phi U alumna living in Lubbock, spoke on "Phi U in Homemaking" at the breakfast. Miss Margaret W. Weeks, dean of Home Economics, gave the history of the Tech chapter.

New members are: Mary Lou Crump, Lubbock senior; Novella Crump, Lubbock senior; Patsy Wiltshire, Hereford sophomore; Sue Guthrie, Nolan junior; Ruth Smalley, Lubbock junior; and Mary Lou Miller, Friona sophomore.

Sue Duggan, Seymour junior; Alberta Curry, Las Cruces, N. M., graduate; Lanell Irwin, Crosbyton sophomore; Carolyn Callaway, Ralls sophomore; Mary Ann Gibney, Plainview sophomore; Caryetta Grissom, Farwell sophomore; Ann Thomas, Ralls sophomore; Sarah Mickey, Plainview sophomore; and Mary Dale Stinson, Lubbock junior.

FACULTY MEETING TUESDAY

A general meeting of the faculty has been called by President E. N. Jones for 4 p.m. Tuesday in Aggie Auditorium. The meeting will hear a report by the faculty self-evaluation committee. Open discussion will follow the report.

TRAMPS TO ELECT

Saddle Tramp officers will be elected at a meeting of the organization at 5 p.m. tomorrow in C101, says Bill Bates, club president.

In painting class the rule is this:
You'll never find a flaw
If like a Lucky Strike you're free
And easy on the draw!

*Richard H. Brenneman
University of Pittsburgh*

Like a boy who's lots of fun—
On this you can rely:
There's something else I also like—
A Lucky smoking guy!

*Carolyn Weckel
Oklahoma University*

Nothing-no, nothing-beats better taste

and LUCKIES TASTE BETTER!

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?
You know, yourself, you smoke for enjoyment.
And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother!
Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco.
L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette...
for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy—GO LUCKY!

Freshman Doakes is campus king—
An honor key he's wearing;
He won it proving Luckies best
By tearing and comparing!

*Arthur Distasio
Northwestern University*

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

D.A.T. Co. PRODUCT OF *The American Tobacco Company* AMERICA'S LEADING MANUFACTURER OF CIGARETTES

Dr. Jones to Address First Session Of Annual Teachers Meet Friday

President E. N. Jones will address the opening session of the 18th annual convention of the District IV Texas State Teachers Association Friday in Lubbock Senior High School.

Dr. D. M. Wiggins, former Tech president, will also address the third session of the event.

General theme of the convention is "Education in Texas moves forward through increased services to the pupil, the community and the profession."

Tech faculty members serving on standing committees of the association are: Dr. John S. Carroll, head of the education department, chairman of the committee on improving educational services; Miss Katherine Evans, associate professor of education, chairman of the committee on teacher welfare; and Dr. Doyle D. Jackson, professor of education, member of the nominations committee.

Section meetings to be headed by faculty members are: Art, F. A. Kleinschmidt, head of architecture

and allied arts; Audio-Visual, Dr. Horace Hartsell and Dr. R. L. Davidson, assistant professors of education; Business Education, Dr. Donald Tate, head of business education and secretarial administration; Coaches, DeWitt Weaver, head coach; Homemaking, Dr. Geraldine Clewell, assistant professor of home economics education; Intermediate Education, Miss Evans; Library, T. W. Bridges, instructor of English; Mathematics, E. Richard Heinman, professor of mathematics; Natural Science, Dr. Mina W. Lamb, associate professor of foods, nutrition and institutional management; Secondary Principals and Supervisors, Dr. Per G. Stensland, professor of education and head of adult education program, and Ray Jameway, librarian; Speech, Dr. P. M. Larson, head of speech department; Vocal Music, Dr. Gene Hemmle, head of music department; and Vocational Agriculture, Ray L. Chappelle, head of the department of agriculture education.

St. Patrick's Day To Be Observed By the Engineers

One of Tech's oldest traditions will be observed Tuesday when the mechanical engineers honor St. Patrick, patron saint of engineering, by replacing a tile in the sidewalk of the west Engineering Building with a plaque.

The first plaque was placed there in 1936, and each year since a square inscribed "ASME" and the date has been laid with an appropriate ceremony.

The Tech band will play traditional Irish music Tuesday at 8:45 a.m. and Alfred Lawrence, senior engineer from Loving, N. M., will give a short talk on the history and tradition of the plaque laying.

The freshmen, playing a vital part in the program, will shine the old plaques to match the "shine" of the new one.

All engineers and visitors are reminded to wear green on this occasion.

Pledges of Tech's APO, Scout Group, Name Officers and Five New Sponsors

Spring pledges of Alpha Phi Omega have elected Bill Parks their pledge president. Other officers chosen are: Bill Bowers, vice-president; Don Alexander, secretary-treasurer; and Tommy Craft, Ronald Parker, Jim Davis, and Charles Miller, group chairmen.

The fraternity is in charge of seating arrangement and ushering for the Willson Lectures this week. Plans are also being made for the annual APO "Ugly Man Contest."

Newly elected faculty advisors are Dr. A. W. Young, George Long, and R. D. Mack, and Scout advisors are Bob Schley and Bob Renner. Three other advisors are Lewis N. Jones, Dr. Clarence Schmidt and Robert Frederick.

Forty-five men have begun their pledge period in APO. These men are William Smith, Dibrell Sto-

well, Fred Williams, James Mullins, Bud Weaver, Truman Powers, Larry Lynn, Ralph Yarbrough, Charlie Pipes, Don Alexander, Jim Davis, Ronald Hillier, Don Huey, Charles Miller, Thomas Caldwell, Don Freeman, Bill Hicks, Bill Parks, Reuel Casey, Red Kelly, Gerald Clarke, Bruce Johnson, Larry Griffith, Gerald Abell, George Newton, George Lairder, Morris Webb, Royce Cawthon, William Shield, J. B. Garibaldi, Tommy Craft, Bobby Bardy, Terry Driver, Gene Clarke, Doyle Jackson, Max Price Dan Smith, Terry Llewellyn, G. W. Yeargain, Bill Bowers, Ronald Parker, Charles Garrett, Jerry Stevens and Charles Moore.

MURAL TOURNEY TO START

The All-College playoff in intramural basketball will begin as soon as regular season games are finished tomorrow night. A definite date has not been set, although the tourney will take two nights. Two league champs will vie one night with the third receiving a bye, and playing the winner of the All-College Championship the following night.

Intramural softball will be following the basketball tourney. About 25 teams in three leagues are expected to compete.

GEOLOGY CLUB MEETS

The Spraberry Sands were discussed by Roy P. Carmack, teaching fellow of geology, at the Geology Club Monday night of last week. Eugene Folsom, a Tech graduate employed by Stanolind Oil Company, will tell what is expected of geology graduates at a call of Geology Club meeting at 7:30 p.m. Monday of this week in Sc153.

ATTENDING SHOWS

W. L. Stangel, dean of the Division of Agriculture, left Monday to take part in a series of livestock shows in several West Texas towns, Monday and Tuesday he attended Abilene livestock show, today he is at Odessa, and Friday and Saturday he will be in Snyder for a show.

Ten Basketball Lettermen Announced; Johnson, Martin, And Nolen Earn Third

Basketball Coach Polk Robison has announced 10 lettermen for the 1952-53 season.

Center Paul Nolen of Alvarado, Forward Lew Martin of Dimmit, and Guard Virgil Johnson of Lubbock, earned their third letter.

Bob Boulton, graduating senior from Sudan, received his second letter. Other two-year lettermen are Guard Rex Hitt, Forrester junior, and Forward Jimmie Sexton, Lubbock junior.

Lettering for the first time are Forwards Jim Reed of Pine Bluff, Ark., and Du-Wayne Blackshear of Mountain N. M., freshmen; Guard Carl Ince, Lubbock sophomore; and Center Durward Bolden, Mansfield junior.

having 346. Nolen's total gave him a 16.3 average compared to Johnson's 14.4. Reed scored 294 tallies for a 12.3 average while Ince hooped 140 points for a 12.7 rating.

The Raiders hoopsters averaged 72.5 for the season while opponents had a 69.5 mark. In loop competition Tech had a much higher 78.1 against competitors 70.7.

The high team score was the Raider 100-80 triumph over Arizona on the home courts. Johnson had the high in individual tallies, scoring 32 against Hardin-Simmons in the season finale.

Swordsmen Post Decisive Victory

Tech's fencing team posted another victory to their ledger last Saturday afternoon, as they handed Tarleton College a decisive defeat.

In team competition the Raiders won all three events, taking the foils, 5-3; the epee, 5-3; and the sabre, 5-1. The Tech team was composed of Jack Carnell, Roddy Hobson, Cecil Bradshaw, and Ed Sims.

Tech also took two firsts in the individual competition. Carnell finished first in open foil and Bradshaw took first in junior epee. Carnell placed third in junior epee.

The Saturday triumph makes Tech school champion of the North Texas Division of the Amateur Fencers League of America in all three weapons. The Techs are rated as one of the top 10 teams in the nation.

Coaching Clinic To Be Held On Campus This Weekend

High School and Junior College Coaches will congregate at Tech this Friday and Saturday, March 13 and 14, for Tech's annual coaching clinic.

Classes will begin at 1:45 Friday and will terminate with a game scrimmage in Jones Stadium at 3:15 Saturday.

C. R. (Pat) Pattison, who has piloted the Lubbock Westerners to the state championship for the last two seasons, and J. O. (Buddy) Brothers, former coach for Tulsa University Golden Hurricanes, will be guest lecturers.

Raider Football Slate Completed

The 1953 Texas Tech football schedule has been completed with the addition of a contest with Mississippi State at Jackson, Miss., October 31.

The Raiders will have six home contests again this fall, with three of them against Border Conference competition.

The Techs will face five conference foes, besides three Missouri Valley eleven, Oklahoma A&M, Tulsa, and Houston.

New teams on the Raider slate are Oklahoma A&M, New Mexico A&M, Texas A&M, and Mississippi State.

This year's homecoming contest has been scheduled against the University of Arizona, November 7.

Here is the complete schedule:
 *Sept. 19—West Texas State—Lubbock
 *Sept. 26—Texas Western—El Paso
 Oct. 3—Oklahoma A&M—Stillwater
 Oct. 10—Texas A&M—Lubbock
 Oct. 17—College of Pacific—Lubbock
 *Oct. 24—New Mexico A&M—Lubbock
 Oct. 31—Mississippi State—Jackson, M.
 *Nov. 7—Arizona U.—Homecoming
 Nov. 14—Tulsa—Tulsa
 Nov. 21—Houston—Houston
 *Nov. 28—Hardin-Simmons—Lubbock

Intramural Basketball Ends Tomorrow; Playoffs To Decide College Champions

Sneed East Leads

Sneed East took over temporary leadership in the Dorm League's intramural basketball race by handling the Gordon Tigers a 22-16 defeat last Wednesday. The defeat knocked the Tigers out of a first-place tie. Clarke led the Sneed five to the crucial triumph, scoring 10 points.

Sneed Trotters kept their championship hopes alive with a 34-20 triumph over Gordon Hall. Swindle topped the Sneed scorers with 10 tallies.

Sneed East has finished its schedule with a 5-1 record, and must sit back and wait for the Trotters to play their remaining contest. The Trotters have a 4-1 record, and they must beat the Doak Owls tonight to share the league title.

This important contest is slated for 9 p.m. in Tech Gym tonight. Tomorrow night at 7 p.m. Doak

Hornets tangle with Doak Owls to finish out the schedule.

Dukes, DSF Win

Dukes and DSF took triumphs in the Independent Loop last Friday night. The Dukes downed Lubys, 49-38, with Burks scoring 15 points for the winners. Lindsey tallied 14 for Lubys. DSF took a wild 35-28 win over the Wesley Wildcats in the night's other tilt. Pinson tallied 18 points for DSF, and Beavers was tops for Wesley, scoring 13 points.

Two games are carded for tonight. At 7, DSF meets the Rangers, while Wesley Wildcats test Wesley Whirlwind at 8.

The league leading BSU quintet risks their unbeaten record in a contest against the Boomerangs tomorrow at 5 p.m.

The league champ will enter the All-College Tourney against the winners of the MICC and Dorm Loops.

MICC Decided

Wranglers finished the MICC session undefeated, and will represent the league in the All-College Playoffs.

Los Cams smashed Adelphi, 32-18, in the lone tilt played after the Tech-H-SU game last Tuesday.

College Club moved into a tie for second with Kemas, taking a thrilling 37-32 triumph from them in the feature tilt last Sunday. Richardson tallied 11 points for the College Club, as Lunn and Leasure scored 10 each for Kemas.

Tech Scores 14 Points To Finish Fourth In Fort Worth Track Meet

Tech's Red Raiders rolled up 14 points to finish fourth in the university division of the Southwestern Recreation Track and Field Meet in Fort Worth last Saturday.

Oklahoma A&M piled up 63 points to grab first place, more than doubling the second-place team, defending champion Southern Methodist. Loyola of New Orleans finished third.

Jim Farrell of Tech took second places in both the 120-yard high hurdles and the 220-yard low hurdles. Jerry Fairley finished fourth in the 100-yard dash and third in the 220.

Tech's 440-yard relay team snatched third place, and the Raider mile relay team was fourth.

Ten records were scattered and two more were tied in the hot competition. The Aggies, who won 10 events and tied for two others

in the 14 events run off, accounted for 3 of the records.

North Texas State coasted to an easy victory in the college division class. Southern Methodist was first in the college freshman class, Victoria took the junior college crown, and Sunset of Dallas grabbed the high school title.

All-Border Team Has Two Raiders

Guard Virgil Johnson and Center Paul Nolen Raiders placed on the All-Border Conference Basketball Team announced last week.

Others landing on the first team were Troy Burrus of West Texas State at forward, Roy Coppinger of Arizona State of Tempe at forward, and Doyle Drunson of Hardin-Simmons at guard.

No Raiders were listed on the second team although Freshman Jim Reed was one of the three receiving honorable mention.

Nolen was listed in this week's Look Magazine All-American Squad in District Six.

The entire country is divided into eight districts, with the Southwest known as no. 6. Three All-American teams were listed, and then these 15 players were included in their district quintet.

Nolen was the only player named to the district team outside of Southwest Conference schools. Others landing on the District Six five were: Gene Schwinger of Rice, George Scaling of Texas University, Gene Lamm of Arkansas, and John Starkey of Baylor.

Nolen led the Raiders in scoring this season and finished second behind Troy Burrus of West Texas in the conference scoring race. This is his last season with the Raiders.

Committee Chairmen Announced for March Home Economics Open House

Committee chairmen and faculty advisors for the Home Economics Open House, March 24 and 25, have been announced by Patti Pipkin, chairman.

Special invitations to the event will be sent to high schools in this area and colleges over the state. A general invitation is extended to all Tech students, faculty and Lubbock residents.

This is the sixteenth Open House for the division and is held at the same time as the Engineering Show.

Student committee chairmen and faculty advisors are: Marvel Gibner and Dr. Geraldine Clewell, hostess committee; Henri Vaughn and Mrs. Winnifred Gifford, registration; Sarah Mickey and Mrs. Edna Euster, guides; Lena Schmidt and Mrs. Ethel Bettler, program; Mona Ray Powell and Mrs. Troy Lockard, posters; Carol Jean Sandlin and Dr. Mina W. Lamb, publicity; and Mollie Jordan and Mrs. Vivian Adams, invitations.

Departmental chairmen and faculty advisors are: Pat Dosser and Miss Martye Poindexter, applied arts; Jan Edwards and Miss Sannie Callan, child development and family relations; LeNell Enoch and Mrs. Jomnie Michie, foods and nutrition; Juanita Davis and Mrs.

Vivian Adams, home economics education; Shirley Waterstreet and Miss Marie Drew, home management; and Alberta Curry and Miss Mabel Erwin, clothing and textiles.

Tech Senior Wins Cash For Design

Clinton McCombs, senior architectural student from Lubbock, received \$100 for his design of a kitchen in the recent Crane Corporation national contest.

Professional and collegiate architects were eligible to submit designs of a bathroom, utility room or kitchen using Crane fixtures.

McCombs' design was a kitchen for a small home, and was rated high in creativeness by the Corporation.

Thirty-two designs were bought by the firm from those entered by architects throughout the nation.

Placement Office

Monday and Tuesday:
Los Angeles County Civil Service Commission; civil engineers; M. H. Curtis, representative.

Texas Co. of Port Arthur; chemistry, chemical, civil, and mechanical engineers (bachelor or master degree); C. E. Lauer, E. G. Heckendorf, representatives.

Tuesday:
Aero Inc. of Tullahoma, Tenn.; mechanical, industrial, and electrical engineers, physics, mathematics majors (latter, master degree only); Mr. Dietz, representative; will have general meeting at 5 Monday in Engineering Auditorium.

Oklahoma Natural Gas Co. of Tulsa, Okla.; petroleum, mechanical, civil, electrical, chemical engineers; J. E. Johnston, representative.

Tuesday and Wednesday:
Boeing Co. of Wichita, Kan.; civil, mechanical, electrical, industrial engineers, architects, mathematics, physics, accounting majors; for Wichita plant; mathematics, physics majors for Seattle, Wash. plant; Dave Vaughn, Fred Wallace, representatives.

Wednesday:
Bell Aircraft Corporation, helicopter division, Fort Worth; mechanical, electrical, chemical, industrial engineers, journalism, physics, mathematics majors; Guy C. Hay, representative; will have general meeting at 7 p.m. Tuesday in Engineering Auditorium.

Dr. Underwood Chess Champion

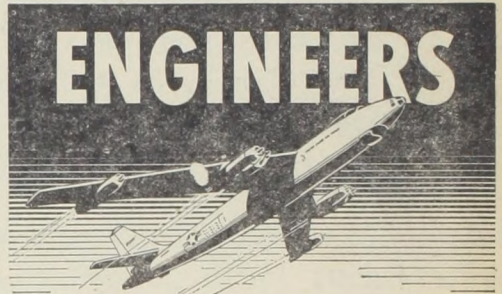

Dr. R. S. Underwood, professor of mathematics, won the championship trophy in the Sneed Hall chess tournament recently with seven victories. Glenn Rainer was awarded the campus championship and Gerald White won the all-dorm title.

Lewis N. Jones, assistant dean of student life, presented the trophies in behalf of Sneed Hall, where the tournament was held.
