## Mountain Echoes

By  
Barbara  
Kingsbery

Although Monday was a Bank holiday, it was not a HOLIDAY at that location!

The downtown business was a regular beehive of activity as workmen and employees worked with the remodeling that is in progress and got the bank in order to open for business Tuesday.

The work-space is being enlarged and the lobby made smaller by the new project. However we are happy to note the beautiful marble is being re-used along with the grillwork and brass light fixtures.

bk

Speaking of activity, Santa Anna will be a busy place this weekend with the annual homecoming. Local ex-students are urged to attend and welcome the many out-of-town people who will be in the community.

**LINWOOD BISHOP**  
New Minister Here

## New Minister To Serve In Local Church

Linwood E. Bishop has been named minister of Northside Church of Christ and will begin his ministry here Sunday, October 23.

Mr. Bishop replaces Bob Wille who resigned the local church position last summer after a one-year ministry here.

Bishop is a native of Brown County and attended schools at Golden, Lone Pine, Rising Star and received his degree from Abilene Christian University with the class of 1935. He began preaching in 1931 while a student at ACU, and has devoted his life to evangelism and the ministry.

Mr. Bishop has preached and lectured from coast to coast, and served as instructor at The College of World Evangelism in San Francisco, California, a college-level preacher-teacher training school conducted by the Downtown Church of Christ.

Mr. Bishop and his wife, the former Lillie M. Price of Cross Plains, are parents of two sons, Kenneth Bishop of California and Linwood Jr. of Houston, and a daughter, Mrs. Jimmie Hobbs of Chicago. They also have six grandchildren.

The Bishops will move to Santa Anna next Monday, October 17, from Knox City where he has been minister of the Church of Christ.

Doretha Casey Gilmore, a graduate of the SAHS Class of 1947, will be presented Friday night as Ex-Student 'Coming Home Queen' for 1977. The presentation will be at halftime of the football game, and she will also be introduced at the Saturday morning meeting.

Following her graduation from SAHS, Doretha attended Tarleton State College two years before transferring to North Texas State University where she received her BS degree in home economics in 1951. She has also done graduate work at Texas A&I at Kingsville.

Mrs. Gilmore worked five years with the Texas

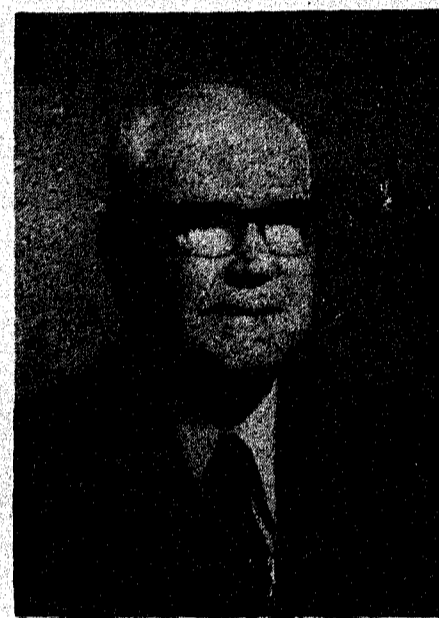

Extension Service and is presently a teacher of home economics at Azalea Middle School in Mobile, Alabama. She is secretary of her Delta Kappa Gamma chapter and president of the Greater Mobile Home Economics Association. She and her family are active members of Spring Hill Avenue Methodist Church in Mobile. She enjoys hobbies of tennis, bridge and

Elmer M. Pritchard will be honored Saturday, October 15, as Santa Anna 'Ex-Student of the Year.' He will be presented at the 10:30 a.m. business meeting and be recognized as one of the members of the Class of 1926.

Mr. Pritchard was the second son and fourth child of Marion A. and Elizabeth C. Pritchard, born November 18, 1908 at the farm home three miles west of Santa Anna. In later years seven other children (all girls) were born to the family, making a total of nine girls and two boys. Elmer and eight of his sisters now survive.

Elmer Pritchard received his public school education at Santa Anna, Liberty, Plainview and Buffalo, graduating from Santa Anna High School in 1927. He entered John Tarleton Agricultural College (now Tarleton State University) in the fall of 1928 to prepare for a career in civil engineering. He was encouraged to pursue a college education by his high school agriculture teacher, but he admits he was motivated by his dislike for hoeing cotton and Johnson grass and picking cotton!

He completed the two years of civil engineering offered at Tarleton in May 1930, and due to the scarcity of jobs at the time he migrated to Climax, Colorado and began work with the Climax Molybdenum Company as a laborer in July 1930. He remained with the company engaged in hard rock mining as a laborer, skilled laborer and gang boss until April

1934.

In the meantime Pritchard had married his Tarleton College sweetheart, Mary Elizabeth Warren of Brownwood.

Elmer and Mary moved from Colorado to Bryan in the spring of 1934, and Elmer resumed his studies at Texas A&M. He graduated from A&M in May 1936 with a B. S. degree in civil engineering, and moved to Brownwood where he began work with the Texas Highway Department.

He began his career with THD as an office assistant and worked his way to the position of District Engineer in 1960. He retired in 1974 from the post. He spent the years in the Central Texas area, working for THD except two years with the U. S. Army Corps of Engineers at Camp Bowie during World War II.

During Pritchard's 37 years with the THD, he saw his nine-county District Highway System grow from a few hundred miles of paved roads to 2491 miles, 1073 miles of U. S. and State numbered highways, and 1418 miles of Farm-to-Market roads.

Mr. and Mrs. Pritchard have two children -- one son, Allan N. Pritchard, Resident Engineer for THD at Huntsville, and one daughter, Mrs. R. P. (Marilyn) Wells of Anchorage, Alaska. They also have two grandsons and two granddaughters.

## Mounties Win 17-B Game

The Santa Anna Mountaineers started their district play in the right direction by defeating the Richland Springs Coyotes 64-16 at Richland Springs last Friday night.

The Mounties scored nine touchdowns, four extra points and two field goals while earning over 500 yards total offense that included 185 yards passing.

The victory evened Santa Anna's season record to 3 - 3 while Richland Springs dropped to 0 - 6.

Coach Anthony Strother pulled

his varsity team off the field when they scored several touchdowns in the first five minutes of the game. The junior varsity players continued to score on the hapless Coyotes, and Santa Anna attempted and succeeded in making field goals on first downs.

Tommy Harris threw for two TDs, one each to Bobby Permenter and Terry Day. Others scoring for Santa Anna were Dwayne Warnock with three, Mike Warnock with two plus being the leading rusher with 115 yards; Jody Brusenhan, and Leon Baker with one TD each. Baker with with one TD each.

Freddy Fellers kicked a 28-yard field goal and four PAT points. Jerry Don Culpepper had a 39-yard field goal for three points.

Others playing a good game were Joe Joe Morris, Mike Pape, E. J. Bible, Mike Pritchard, Bruce Pape, Joe Dean Early, Mike Ballard, Robbie Young, Dick

Smith, Rusty Buzzard and Tony and Joe Malaer.

Others on the junior varsity group who had a good showing were Ricky Perry, Curtis Fellers and Jerry Malaer.

Santa Anna will host the Bronte team Friday night and are expecting a good game as Bronte is 3 - 2 - 1 for the season, having lost to Robert Lee in the first outing and Forsan. They played to a tie with Sterling City and have won over Rochester, Roby and Irion County.

Bronte lost to the Mounties last year 20 - 6.

The Mountaineers are seeking the West Zone title and will be working hard to defeat the Bronte team Friday night. Coach Anthony Strother expressed pleasure over the improvement last week, especially in the area of turnovers that has plagued the local team in their early games.

Game time Friday night is 7:30 p.m. in the Homecoming match.

## F-Bureau Slates Fire Prevention Week

The Coleman County Farm Bureau, in conjunction with all fire departments in the county are working together to emphasize fire prevention and protection throughout the county.

### Heritage Singers Concert Oct. 14

Tickets are now on sale for the Heritage Singers Homecoming Concert, scheduled at 8 p.m. Friday, Oct. 14, in Mims Auditorium on the Howard Payne University Campus.

C. David Keith, director, said general admission tickets are on sale at \$1.50 a person through the HPU business office or by calling 646-2502, ext. 335. Tickets will also be on sale at the door.

The concert is the second annual event for the group, who has invited all past members of Heritage Singers to participate. Part of the program will be devoted to music by old and new members.

"We have already had several responses from past members of Heritage," said Keith. "Keith Allen of Brownwood, Carlton Dillard, who is minister of music at Huntsville Baptist Church, Larry and Jan Newberry from First Baptist Church in Stephenville are all coming and we are expecting many more."

The concert will be the only major concert in Brownwood this fall, according to Keith. Already this semester, the Heritage Singers have performed before a capacity crowd of more than 7000 in a concert with singer Pat Boone in Corpus Christi. They were also featured at the recent recreation center dinner by Coggin Ave. Baptist Church in the Coliseum.

Their upcoming tour schedule includes two performances of the Christian musical "To A Broken World", which they premiered at the Canadian Baptist Youth Conference at the University of Alberta in Banff, Canada. In November they will present the musical at a conference at Hardin-Simmons University in Abilene and in February for the Golden Gate Seminary in Strawberry Point, Mill Valley, Calif.

## Whatever You Need Any Time...

## ...Want Ads Ring the Bell!

60 YEARS AGO... This photo was made during the 1906-07 school year and apparently included the entire student body of the four-square-mile Santa Anna School District who were present on that winter day. The original print is of excellent quality and individual students can be readily identified with a magnifying glass. Mrs. Beulah (Parker) Sparkman, a member of the graduating class that year, is shown standing at the apex of the building corner near the center. It is likely many others could be identified by

themselves or their friends or relatives still in the area. Who is the young scamp, first row, lower left, who thumbed his nose at the photographer?

The building shown was remodeled and expanded to continue in use as the elementary school until the late 1940s. The hip-roofed house, right background, is still in use. Branches of a live oak tree on right edge of photo are on a tree still thriving at the present site of the Community Civic Center.

### '2nd Friday' Starts Here Tomorrow

The Santa Anna Second Friday flea market and trades display will open at the west edge of Santa Anna Friday, October 14, and continue through Sunday. The new promotional activity is being started this month by Mrs. Jessie Dority of Bangs on a 16-acre site purchased from the Hays Estate at the intersection of the Coleman highway and the Ballinger overpass.

Space has been marked for several hundred booths and displays, and space is available for anyone wishing to display or sell merchandise of any description.

There is no admission to the grounds that will open from 7 a.m. to 10 p.m.

A special attraction this weekend will be a display of antique cars. Several antique dealers have also reserved space, and other varied booths ranging from books to arts and crafts will be located there during the weekend. A concession and food booth will also be open each day during the three-day event.

Mrs. Dority and her husband are at the site each day to make reservations for rental space.
