## Mountain Echoes

By

Often we take for granted some things that bring recognition in distant places to our town and community. Namely the notice that comes from books by local authors, as related by one local man recently.

On a recent trip to Europe, John Hensley was often asked his home town, and on three occasions in Italy he was asked if he knew Leona Bruce or Gladys Hunter, both of whom have published books on area history.

One couple from New York were book store proprietors, but the third person to ask about Mrs. Bruce was an Italian who is a researcher with the film industry and conversed in broken English with Mr. Hensley.

## He Is Ever Before Us. We Shall Not Be Moved

I have set the Lord always before me: because he is at my right hand, I shall not be moved. Ps. 16:8.

Amid the perplexities that will press upon the soul, there is only One who can help us out of all our difficulties, and relieve all our disquietude. We are to cast all our care upon Jesus, and bear in mind that He is present, and is directing us to commune with Him. We are to keep our minds stayed upon God; and in our weakness, He will be our strength; in our ignorance, He will be our wisdom; in our frailty, He will be our enduring might.

We may be assured that we need not go into the heavens to bring Jesus down to us, neither into the deep to bring Him up; for He is at our right hand, and His eye is ever upon us. We should ever seek to realize that the Lord is very near us, to be our counselor and guide. This is the only way in which we may have confidence toward God.

We need to educate and train the mind so that we shall have an intelligent faith, and have an understanding friendship with Jesus. Unless we continually cherish friendship between God and our souls, we shall separate from Him, and walk apart from Him. We shall make friends of those around us, and place our trust in humanity, and our affections will be diverted from the true object of worship. We must not allow coldness to chill our love for our Redeemer. If we have fellowship with Him, we must ever set the Lord before us, and treat Him as an honored Friend, giving Him the first place in our affections. We should speak of His matchless charms, and constantly cultivate the desire to have a better knowledge of Jesus Christ. Then His Spirit will have a controlling power upon life and character....If ever there was a time when men needed the presence of Christ at their right hand, it is now...We need the Captain of our salvation continually be our side.
