The new year started on a better note than 1979 as far as weather is concerned. Our area had a good rain -- up to one inch -- the last week of the month instead of the ice storm of last year. An additional inch was recorded in the community just before Christmas, making the most moisture since August.

Farmers are watching their grain sprout and grow, and pastures are already showing improvement from the moisture.

Thanks for all the interest and reassuring words about my skiing trip last week. It was a great vacation, and of the nine of us in the group, the most severe injury was treated with a small band-aid.

HOLIDAY VISITORS

Those visiting in the C. D. Bruce home recently were Mr. and Mrs. Tom Robin, Mr. and Mrs. David Johnson of Houston, Mr. and Mrs. Jack Kingsbery and Bruce of Crystal City, Mr. and Mrs. Bob Kingsbery of Arlington, Mr. and Mrs. John Porter of Austin, Mrs. Winton B. Porter of Lake Charles, La. and Mr. and Mrs. Tom Kingsbery.

HE TEACHES US

The anointing which ye have received of him abideth in you, and ye need not that any man teach you: but as the same anointing teacheth you of all things, and is truth, and is no lie, and even as it hath taught you, ye shall abide in him. 1 John 2:27.

It is the Spirit itself that teaches and enlightens. The most powerful preaching of the Word, the reading of the Scriptures, will not be able to transform the character and save souls unless the Spirit works with and through the human agents. The planning and devising must not be of a character to draw attention to self. The Word is a power, a sword, in the hands of the human agent, but the Holy Spirit in its vital power is the efficiency to impress the mind. "They shall be all taught of God." It is God that causes the light to shine into hearts. ...The reason why God can do so little for us is that we forget that living virtue in the Holy Spirit is to combine with the human agent.

With the great truth we have been privileged to receive, we should, and under the Holy Spirit's power we could, become living channels of light. We could then approach the mercy-seat; and seeing the bow of promise, kneel with contrite hearts, and seek the kingdom of heaven with a spiritual violence that would bring its own reward. We would take it by force, as did Jacob. Then our message would be the power of God unto salvation. Our supplications would be full of earnestness, full of a sense of our great need; and we would not be denied. The truth would be expressed by life and character, and by lips touched with the living coal from off God's altar. When this experience is ours, we shall be lifted out of our poor, cheap selves, that we have cherished so tenderly. We shall empty our hearts of the corroding power of selfishness, and shall be filled with praise and gratitude to God. We shall magnify the Lord, the God of all grace, who has magnified Christ. And He will reveal His power through us, making us as sharp sickles in the harvest-field.

Trickham News

By Mrs. Oscar Boenicke

CHRISTMAS NEWS

Rev. James Gilbert, the Presbyterian minister of Denton, preached here Sunday morning, Dec. 23. The good rain knocked some of us out of going, but he had a pretty good turn-out for church. An inch or more of rain was reported around Trickham. It started about 3 a.m. that morning.

All the Trickham people hate to see the Trickham Post Office done away with the last of December after being here more than 100 years. We've been on a route ever since we lived here in 1941 when we built our home in the community, but I bought stamps and mailed packages at the post office. I was born and raised here, so I grew up with this Post Office. We lived 16 years in Brown County when we first married in 1925.

We will be on Trickham Route, Box 106 after the change is made, and all that got mail at Trickham will get mail on this route.

Last Thursday Marvin and Ruth Smith took Annie Lou Vaughn, Russie James and Oma Lee Dockery to San Angelo Christmas shopping and spent the day.
