BY THE EDITOR

During the past few days we have received a number of nice comments on this new column. We appreciate them very much, and things like that make us just want to do more and better each attempt we make.

Also during recent days we have been informed that some of our local citizens are of the opinion that homesteads cannot be sold by taxing agencies for unpaid taxes. We are sorry that you might misunderstand that, because any taxing agency or any combination of taxing agencies can combine and offer your property for sale to the highest bidder if you do not keep your taxes paid.

Apparently some seem to think that the homestead exemption releases them from the burden of paying property taxes, and that their homestead is safe even when the taxes are not paid. This no doubt comes about because the state allows a \$3,000 homestead exemption. But this does not exempt any property owner from paying city, school, county and other taxes on the property. The Homestead exemption is only on the State Taxes and nothing else.

During recent years the City of Santa Anna has been attempting to get all the back taxes paid on property in the City Limits, and they are doing a good job of it. We think this is as it should be. We do not feel it is fair for one person to pay taxes and another person not to pay them. Actually it is much cheaper to keep the taxes paid, than to have to pay up back taxes, as there is a penalty added each six months to unpaid taxes. And they just keep piling up, year after year, until they are either paid or your property is sold for the taxes against it. And there is no way of getting around being assessed taxes for your property.

And tax paying time is here. Beginning in October most county and state taxes can be paid at a discount. If you wait until January to pay them, there is no discount. The discount does not apply to city taxes, at least locally. And while paying property taxes, it is a good time to consider paying your poll tax if you are 60 years of age or under on January 1, 1959.

And poll taxes reminds us the State Legislature pulled another boner while in session the past summer and passed a law changing the times for the Primary election held each two years. We were not in favor of the change, and there are several other things the Legislature did that we were not in favor of. But that is neither here nor there now, because there is nothing we can do about it until election day.

The new voting times set by the Legislature are as follows: Filing Deadline, Monday, February 1, 1960; First Primary and Precinct Conventions, Saturday, May 7; County Conventions, Saturday, May 14; Second Primary, Saturday, June 4; State Presidential Convention, Tuesday, June 14; State Governor Convention, Tuesday, September 20.

Thus the election days have been moved up 12 weeks. Generally we usually start printing our Political Calendar with the first issue in the election year, and this move by the Legislature will force us and many other weekly newspapers to move their Political Calendars up several weeks. We have not decided just when we will begin our Political Calendar as yet, but it will likely be about December 4th.

4-H Club Has First Meeting Of School Year

The Santa Anna 4-H Club met in the Community Room of the Santa Anna National Bank, Thursday evening, Sept. 24, for the purpose of electing new officers and getting better informed on 4-H Club work. There were 32 members and 18 parents present.

Meeting with the group were County Agent Jim Williams, Assistant County Agent Travis Herring, and Assistant County Home Demonstration Agent Dora Ann Jones.

Elected as officers for the year were: President, Terry McIver; Vice President, Linda Horner; Secretary and Treasurer, Linda Pittard; Reporter, Wade Rehm, Council Delegate, Donnie Henderson; Recreation Committee, Bill Horne and Lawanda Horner.

The program for the ensuing year was discussed and time for the monthly meeting was set for 7:30 p. m. each First Thursday in the Community Room of the Bank.

All members, their parents and others who are interested in 4-H work are invited to attend each meeting.

In order to be a member of the 4-H Club it is necessary for the student to carry a project. There is a long list of projects for the boys and girls to choose from. Many of the projects can be carried by boys and girls living in town, and more of them are invited to join their rural neighbors in the 4-H work. It is not just for livestock projects, but many others also. If you are interested in 4-H work, attend the meeting or discuss it with either Miss Dora Ann Jones or Travis Herring.

Band News

The Junior and Senior Bands will close their Magazine Sale this Thursday. At the date this news is being compiled the Band had sold \$368.00 worth of subscriptions. Their goal is \$600.00. Each student who sells over \$30.00 worth of subscriptions is eligible for a prize of their choice. The magazines are sold at nationally advertised prices. Anyone desiring a subscription after Thursday may phone the band hall office at No. Red 300. All profits go to the "New Uniform Fund."

James Mallow, director, speaking for the Band, "We appreciate the nice audiences we have had at the ball games recently. Knowing that your efforts are appreciated leads to just a little better performance next time."

This week the Band is continuing to work on their precision drills. Lack of adequate marching facilities makes this type of drill very difficult.

Joint Circle Meeting Begins New Study

The Woman's Society of Christian Service and the Nita Daniell Circle of the First Methodist Church met Monday, Sept. 28 at 7:00 a. m. in a joint meeting in the parlor of the church. The group began a study of "Contemporary Man and the United Nations." Mrs. Ray Elliott is teacher for the course.

The devotion was given by Mrs. Cliff Herndon, reading from Luke, Matthew and Isaiah on the theme of peace. She quoted from the Methodist Discipline on war and peace, and also from the Preamble to the charter of the United Nations.

Mrs. Elliott reported on the church's influence upon the formation of the United Nations, and gave the political background. Mrs. Roy Horne presented problems being discussed in the present session of the United Nations. Other topics discussed were: Disarmament, by Mrs. Irving Dean; The Power of Veto, by Mrs. Leland Thompson; Cases Where the U. N. Stopped Aggression, by Mrs. Tom Mills; and Conflicts When the U. N. Did Not Take Action, by Mrs. Dale Smith.

Mrs. Dan Blake dismissed the group with a prayer.

Others present for the meeting were: Mmes. Thomas M. Hays, Arch Hunter, Bill Griffin, Nap Watson, Arch Hull, Jesse Upchurch, L. D. Ladd, Chester Galloway, Walter Scarborough, Oscar Cheaney, J. R. Haynes, and Misses Ruby Harper, Pauline Eubank and Elsie Lee Harper.

Mrs. Lester Freeman is at her home after spending several weeks in a Fort Worth hospital.

PTA To Hold Open House At School Thurs.

The Santa Anna Parent-Teacher Association will sponsor open house at the Elementary School Thursday night, October 8.

Teachers and other school personnel will be at the school to greet the parents, and PTA members will act as hostesses. A short program in the Elementary Auditorium is planned, with the Stage Band, the Skyliners, to play for the guests.

Refreshments will also be served in the auditorium during the reception hours which will be from 7:00 to 9:00 o'clock.

Parents of the school children and other school patrons are invited to attend. This is an annual affair, and usually attended by many local people.

Legion To Meet Thursday Night

Earl Irick, Commander of the local American Legion Post, announces the Legion will meet in the Club Room of the Tex-Anna Hotel, Thursday evening, October 1, at 7:00 p. m. All veterans are invited to attend, regardless of whether they are members of the Legion.

The purpose of the meeting will be for the election of officers for the coming year. Refreshments will be served.

SEVENTH GRADE ELECTS OFFICERS

The Seventh Grades met Thursday, Sept. 24, for the purpose of electing officers for the school year. Elected were: President, Les Guthrie; Vice President, Thomas Hays; Secretary, Karen McCluskey; Treasurer, Lawanda Horner; Reporter, Linda Horner. Sponsors are Mrs. Clyde Davenport and Mrs. W. B. Sparkman.

17th Farm Census Coming This Fall

College Station — One of the biggest farmer-government cooperative undertakings of this decade will get underway in October and continue through November. It is the 17th nationwide census in which the farmers and the United States government have participated during the past 120 years.

Information gained from this agricultural census will have a vital influence on future planning, says A. P. Wooten, extension economist. More than 30,000 census takers will visit farm families throughout the nation to get information in three general fields... farm resources, farm products sold in 1959 and selected farming activities for this year.

Two weeks before the census begins, questionnaires will be mailed to farmers by the Census Bureau. Farm operators should complete these forms and have them ready for the census taker when he calls. Wooten points out that all information given by a farmer is confidential and figures for individual farms will not be revealed.

The big job gets underway on October 7 in far South Texas and a week later work will begin in 34 additional counties. On November 13 work will begin in all other counties of the State.

Farm records will be very important and Wooten suggests that farm families have their records available and as complete as possible when the census taker calls. By providing complete and accurate records, the time of the taker will be conserved and the Census Bureau will be able to process and publish their findings without delay, says Wooten.

Mrs. W. J. Stevens Dies In Coleman

Funeral services for Mrs. W. J. Stevens, 85, of Coleman, were held in the First Methodist Church in Coleman Sunday, Sept. 27, at 3:00 p. m. Mrs. Stevens died in the Overall Memorial Hospital at 5:30 p. m., Saturday. She had been a resident of Coleman for 59 years. Officiating minister was Rev. U. A. Schultz, pastor of the Coleman First Methodist Church.

A housewife, Mrs. Stevens was born August 7, 1874 in Rome, Ga. She was a graduate of Throp Springs Christian College. She was married to J. W. Stevens at Dublin, Texas, February 10, 1897, and was a member of the Methodist Church.

Survivors include the husband, of Coleman; two sons, James Stevens of Temple and Joe C. Stevens of Coleman; four daughters, Mrs. F. M.

Juniors Take First Defeat Tuesday Night

The Junior Mountaineers suffered their first defeat of the season Tuesday night at the hand of the Juniors from Mason. The final score was Mason 8, Santa Anna 0. The smaller boys also lost their game by a 14-0 to the younger Mason lads.

This was the first defeat for the local juniors since the final game of the season in 1957.

Coach A. D. Donham said his boys played a good defensive game, but all season he has lacked for a good offense. The boys just haven't got the knack yet to get their drives underway and keep them going.

Through most of the games the two teams played fairly even. The Mason TD came in the third period when the young Punchers took a punt on about the 50-yard line and went all the way. The try for extra point was good and the score was 8-0.

In the smaller boy's game, the local lads were hampered by not knowing what to do, or when to do it. Over one-half of these boys have never been in a game before. However, this is good experience for both teams, and it was not a conference game.

It should serve well to let the juniors know they can be outscored. Next week the local lads travel to Blanket for another conference game. Blanket had a 1-1-1 record before the Tuesday night game, but we do not have a report on the outcome of their game this week.

All who can are urged to go to Blanket next week with the Juniors.

Sorority To Present Puppet Show Saturday

The local chapter of Epsilon Sigma Alpha will present the Puppet Theatre of Doris Goodrich Jones in the Cafeteria of the Santa Anna Ward School at two performances on Saturday, October 3. The first performance will be at 3:00 p. m., with the second being presented at 7:30 p. m.

Proceeds from the show will go to the District VII project, which is the Peaceful Valley Home for Crippled Children, near Bangs. This home has been a project of the sorority for two years and last year a check in the amount of \$500.00 was presented the Home. It is hoped the Sorority can raise this amount or more for the same cause this year.

The Home has been inspected by various groups from the local and district and it is highly recommended as a deserving home for a project of this nature. You are invited to visit the Home and see for yourself the good work being done there for crippled children.

The show is billed a humorous and entertaining one. The public is cordially invited to attend each performance. Prices of admission are 50 cents for adults and 25 cents for children and students.

DAUGHTER BORN TO WAYNE BRAYS SAT.

Mr. and Mrs. Wayne Bray of Waldrip announce the birth of a daughter. The baby weighed 8 pounds and 3 ounces. She was born in the Brady Hospital, Saturday, Sept. 26 at 11:44 a. m. The new girl, who hasn't been named, has two sisters.

Grandparents are Mr. and Mrs. Iru Bray, Mr. and Mrs. Frank Bryan and the great grandmother is Mrs. J. W. Wise all of Rockwood.

Mr. and Mrs. S. K. Moredock were visitors in Austin on Tuesday.

Stringer, Mrs. Frances Dibrell and Mrs. Jim Gardner of Coleman, and Mrs. Curtis McHorse of Jackson, Miss., two brothers, Roy Miller of Crawford and Creed Miller of South Carolina; six sisters, Mrs. George Harris of Lubbock, Mrs. Henry Pilgrim of Dublin, Mrs. Jesse Mayfield of Wichita Falls, Mrs. David Hicks of Waco, Mrs. Vernon Brooks of Pharr, and Mrs. Lucille Crittenden of Pharr. Five grandchildren and three great-grandchildren also survive.

Pallbearers were Bob Brown, Charles Taylor, Charles Hickman, Oplin Saunders, J. B. McCord, Tommy Clark, Tommy Saunders and Hayden Hargett. Burial was in the Coleman Cemetery under the direction of Stevens Funeral Home.

Community Chest Drive Mon. & Tues.

The annual Precinct No. 2 Community Chest drive will get underway on Monday, October 5. It is hoped the entire drive can be completed by Tuesday evening. Workers have been assigned to each area in Santa Anna and all rural areas have chairmen assigned for the drive.

Everyone is urged to have contributions ready when the workers call at your home or place of business. In order to get the drive completed in two days, the workers will not have much time to linger at each stop.

Roy Horne is chairman of the drive in Santa Anna, assisted by W. B. Griffin. The goal set for Santa Anna is \$2,010.00, the same as last year.

Area chairmen and their workers for Santa Anna are:

Zone 1 — Mrs. John Bray chairman, Mrs. Roy Horne, Mrs. L. A. Welch, Mrs. Norman Hosch, Mrs. Chester Galloway and Miss Pauline Eubank.

Zone 2 — Mrs. Luther McCrary chairman, Mrs. Leland Thompson, Mrs. B. Wagner and Mrs. Dorothy Jeffcoat.

Zone 3 — Mrs. A. D. Donham Jr. chairman, Mrs. Virgil Priddy, Mrs. H. L. Zachary, Mrs. J. L. Boggus, Mrs. Ed Jones, Mrs. Lee Boardman, M. L. Guthrie Sr. and Charles Wristen.

Zone 4 — Ray Elliott chairman, Mrs. Louis M. Guthrie, Mrs. Pat Hosch and Jim Daniell.

Zone 5 — Mrs. Kathryn Horner chairman, Mrs. Mace Blanton, Mrs. Floyd Smith, Mrs. Robert Robinett, Mrs. Kenneth Bowker, Kenneth Bowker, Mrs. Nap Watson and Montie Guthrie.

Mountaineers To Host Cross Plains Friday Night

For the first time this season the Mountaineers will be fairly evenly matched in the weight department when they play hosts to the Cross Plains Buffaloes on the local field Friday night. Taking the boys right down the line, there is very little weight difference on either team.

Coach R. C. Smith said he would likely try a few new ideas in the game this week. With a pass completion record of 10 out of 17 attempts last week, it would seem there may be more passing in the game this week. And some of the new ideas may be tied in with the passing attack. The game promises to be an interesting one.

The Mountaineers have the best chance thus far this season of winning a game. The Buffaloes have lost four straight games, same as the Mountaineers. However, Cross Plains has lost to Class B, Baird by a 24-20 score, then to Class AA DeLeon 28-0, then to Goldthwaite by a 26-14 score, then last week they lost to Class AA, Eastland by a 14-8 score. According to the program from Cross Plains-Eastland game, the two teams were evenly matched and Cross Plains lost only by a small margin. In fact, the Buffaloes got inside the 10-yard line twice but failed to score.

The Mountaineers have lost to Comanche, Albany, Menard and Bronte, all heavy teams and with lots of experience. The Buffaloes are the only team the Mountaineers have to play that is in the same category with them. Most of the other teams have a perfect record or at least have won the larger part of their games.

The Cross Plains game will be one of the best of the season. Everyone is urged to be present and help cheer the Mountaineers on to victory.

Good Rain

During the past week several showers of rain have been received in this area, but according to reports received here, they are not very general. Some areas received heavy rains, while others did not receive any. On Wednesday morning heavy rains fell throughout a wide area.

The rains were badly needed on pasture lands. Cotton in the area has been damaged some.

Mr. and Mrs. Curtis Kile spent the weekend in Sabinal with friends.

Zone 6 — Venino Vasquez chairman and Billie Vasquez.

Zone 7 — Mrs. Pearl Wilson chairman, Mrs. Wallace Collins Jr., and Mrs. Minnie Young.

Coleman County Telephone Co-op — Alyn Gill and Fern Hoke.

Hospital — Fred Murray chairman and Dr. C. M. Henner.

School System — Cullen N. Perry chairman, A. D. Pettit, J. A. Harris and Roy Matthews.

Business District and Service Stations — W. R. Mulroy chairman, Robert L. Markland, George Johnson, W. H. (Bill) Thate, Alyn Gill, Norman Hosch and Thomas Wristen.

Rural area chairmen are: Plainview, Ozro Eubank; Rockwood, Jake McCreary and Lon Gray; Shields, R. A. Miligan; Whon, Roy England; Trickham, Oscar Boenicke; Cleveland, E. R. Cupps; Liberty, W. H. Pittard; Buffalo, Garland Powell; Mayo, Lester Newman; Leedy, Dick Baugh; and Red Bank, Mrs. H. C. McClure.

All rural area chairmen and chairmen of each zone in Santa Anna are to meet in the Community Room of the Santa Anna National Bank at 2:30 p. m. Saturday, October 3, for the purpose of completing plans for the drive.

The budget for 1959 was set at \$3,000 by the Budget Committee recently. This is the same amount as was budgeted last year.

Last year the drive went over the top with a total of \$3,199.47 being raised. The total for Santa Anna was \$2,222.16 and the rural area total was \$977.31. Every year the Community Chest drive has been held, the quota has always been exceeded.

Revival To Begin At Methodist Church Sunday

Rev. Ray Elliott, pastor of the First Methodist Church, announces a revival meeting will get underway at the church Sunday morning and continue through the following Sunday. The church extends a cordial invitation to everyone to attend each service.

Services will be held on the regular schedule on Sunday. Weekday services will be held each evening at 7:00 p. m.

Evangelist for the meeting will be Don Hazlewood, Conference Evangelist of the Methodist Church. Rev. Hazlewood has been a full-time evangelist since February, 1956. Previous to that time he had served as a chaplain in the U. S. Army, has served a number of churches in the Central Texas Conference as pastor and served in the Army during World War II. He was born in Fort Worth and graduated from Arlington State College. He is also a graduate of Oklahoma State University and a graduate of Perkins School of Theology, Southern Methodist University.

Choice of Methods For Treating Myopia

We would like to dwell a little longer on the problems of myopia.

Number one problem is that no one yet knows and there is no test to determine for sure, what causes myopia. Several theories and schools of thought have been around for a long time and each has its followers among the professional eye practitioners. They decide to believe thus and so theory because of personal opinion and preference. The most widely accepted theories as to the causes are: (1) it is inherited, it does seem many times to run in families; (2) it is a result of excessive near work, we certainly do see it in many of the highly educated people who spend much time in school and, at desk work; (3) it is a result of an imbalance of the endocrine gland system, many times there are evidences of this particularly in thyroid disturbances; (4) it is a result of dietary and nutritional deficiencies and in many cases it may be connected with or aggravated by a general illness or state of poor health. These theories are greatly generalized and considered here because most are based on the fact that they are popular with the profession as known by general laymen with little or no training.

What are the reasons to the optometrist, combined by a parent with a myopic child, and I repeat that myopia usually starts in children ages 6 to 16, is that the optometrist has a choice of theories on which he can base his prescription, and recommendations to the parents. Therefore a parent may be told one thing by one professional man and something different by another and he soon may be thoroughly confused while wondering if anyone really knows what he is talking about.

However, in knowing that

there may be several intermingled causes, and there is no way to say if one or all are present in the beginning myope, modern optometry usually tries to see that the most likely possibilities are investigated and cared for. This means that (1) distance vision, the most noticeably affected, should have the ideal lens prescription for clear, effortless vision. (2) the near vision should have the most ideal correction and this is usually not the same as the distance correction. Now I can hear someone say "What's he talking about? Two pairs of glasses". No, it's easier than that, we simply use a double vision lens, to be discussed in later columns. Suffice it to say now that this form of treatment has been recommended by many of the best research authorities in our universities. Actually the very latest treatment for arresting the progress of myopia is to fit contact lenses, at the first sign. Researchers have found that the myopia almost invariably stops at once. More about this in later column. (3) The genuine myope is, sometimes referred to the family physician for physical examination if any glandular or nutritional problems are suspected by the optometrist. Careful attention is also given to the condition of teeth and tonsils. (4) It is not a bad idea to avoid or decrease all strenuous reading and outdoor activities, tennis, and other sports, particularly the winter sports, swimming and fishing. But we do advise all myopia, unnecessary reading and indoor activities with more concentration on outdoor activities and distance seeing.

If the above recommendations are complied with they will usually provide the average myopic child with proper care. One factor, however, that makes myopia control difficult is heredity. Until it becomes possible for one to choose one's own parents I'm afraid this will remain a problem.

Mr. and Mrs. Troy Fitzhugh of Odessa visited Sunday with the Noble Carpenter family.

Mr. and Mrs. Dan Wheatley attended a singing at Mercury on Sunday.

Bro. Colton Parker of Abilene, pastor of the Baptist Church for the past three years, has resigned. Sunday services concluded his work here. Bro. and Mrs. Parker and Mrs. E. S. Jones were guests of Mr. and Mrs. Geo. Stewardson, Sunday.

Mr. and Mrs. James Hafner and Jimmy of Gouldbusk visited with Mr. and Mrs. Glenn Scarborough, Saturday.

Miss Ann Stewardson was home from ACC in Abilene for the weekend with her parents, Mr. and Mrs. Tom Stewardson.

Tuesday afternoon Mrs. O. C. Yancy was honored with a surprise birthday party. Friends met at the home of Mrs. Bill Price and went in a group to Mrs. Yancy's, where a surprised Mrs. Yancy greeted the guests. Everyone enjoyed the social hour. Gifts were displayed, coffee and cookies were served. Attending were Meses. Bill Price, D. S. Milligan, Edgar Shelton, W. B. Watson, A. B. Carroll, Frank Crum, Geo. Stewardson, C. A. Scarborough, R. A. Milligan, Odis Bivins, H. W. Gilbreath, Leonard Williams, Roy Bledsoe, Odis Powers, Bill Campbell, Tom Wheatley, E. S. Jones, Walter Yancy, the honoree and her mother, Mrs. Densman.

Mr. and Mrs. Winifred Watson of Waco visited Sunday with his parents, Mr. and Mrs. W. B. Watson.

Mrs. Bert Fowler received word that her brother, G. C. McDonald Jr., has arrived in Camp Grande, Brazil, South America. He is employed with an oil company.

Mrs. Tom Wheatley of Arkansas visited during the week with Mrs. Ura Dillingham. Richard Dillingham of San Antonio, spent the weekend with home-folks.

Trickham News

By Mrs. Beula Kingston

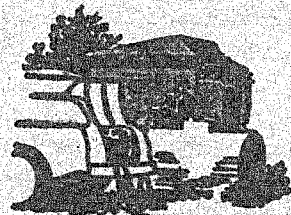

News recently reached here of the wedding of Kenneth Haynes and Miss Maudie Williams of Bangs, at the First Baptist Church in Bangs. Kenneth attended the Santa Anna schools and is well-known there. He is the son of Mr. and Mrs. Clyde Haynes.

Owing to the fact that our Presbyterian pastor could not come to fill his monthly appointment here Sunday, he sent a Baptist minister, Rev. Elson Mayers to fill his place. Our pastor, Bill Graham, is a cousin of the noted Billy Graham, and he went to Chicago to hear Billy Graham preach in a revival

campaign there.

Outside of friends here, those who visited me recently were Mrs. Sid Knox, Mrs. Kate Deer and her sister, Mrs. Tina Daniel from Lubbock. Kate was to leave the next day to go back to Houston for further treatment.

Sunday afternoon Mrs. Myrtle Wagner and Mrs. Overby, both of Santa Anna, visited here. Mrs. Wagner said Mrs. Alma Wagner Rice continues to lose strength.

Mr. and Mrs. Wiley McClatchey, Mr. and Mrs. Grady McIver, Gala and Terry, Mr. and Mrs. Fred Haynes and Billy Don, Mr. and Mrs. Bernice McIver, all attended Quarterly Conference at the Indian Creek Church, Sunday.

Mr. and Mrs. Robert Stearns visited Mrs. Willie (May) Mullis and Mrs. Annie Smith in the Memorial Hospital, Sunday. Mrs. Mullis has recently had surgery there. She was doing nicely.

Rev. and Mrs. Chester A. Wilkerson of Winters were Sunday night visitors with the Wiley McClatcheys. As most of you know, Bro. Chester had to retire from preaching on account of a throat trouble.

Mrs. Joe Haynes of Fort Worth and her daughter, Mrs. Bill "Hotpoint" Jones and little daughter of Abilene, were brief visitors today, Monday, with her sister, Mr. and Mrs. Robert Stearns.

Mr. and Mrs. Walter Stacy spent the weekend in Fort Worth visiting their daughter and her family. Mr. and Mrs. Bill Heidbrier.

EIGHTH GRADE ELECTS OFFICERS

The Eighth Grade of the Ward School met last week and elected the following officers for the year: President, Glenn Gilbreath; Vice President, Terry McIver; Secretary and Treasurer, Wade Rehm; and Reporter, Freddie Cullins.

TAX-MAN SAM SEZ:

Several thousand taxpayers visit the Internal Revenue Service office every year on a tax audit that concerns their contributions. A large part of these find themselves in the uncomfortable position of having no records of their contributions. Making contributions to the church and charitable organizations by check is a very good practice and will furnish you with a record if your tax return is audited. Under our present

tax laws it pays most taxpayers to keep good records.

Mr. and Mrs. Pete Rutherford and boys and his parents, Mr. and Mrs. O. V. Rutherford, visited her parents, Mr. and Mrs. S. F. Tucker and Davis, of Coleman Route 1, Sunday afternoon. Also visiting the Tuckers were Mr. and Mrs. Curtis Price of Brownwood.

COMPACT CORVAIR and CHEVROLET

A strong family resemblance between the all-new Corvair and Chevrolet's conventional line of passenger cars for 1960 is evident in this unusual profile view. At 150 inches, however, the Corvair is more than two and one-half feet shorter, while its 108-inch wheelbase compares with 119 on the Impala Sport Sedan with which it appears.

Elegance and chassis refinements characterize the larger Chevrolets in an offering of 16 passenger models. The Corvair introduces an array of compact mechanical innovations designed to provide the riding and driving qualities demanded by the American buyer. The Corvair and conventional model will be in dealer showrooms Oct. 2.

MRS. J. R. GIPSON HONORED WITH PARTY

Mrs. J. R. Gipson was taken by surprise Monday evening when the members of the Sunday School Class that she teaches in the First Christian Church, assembled in her home in honor of her birthday. The class has been known as the Mollie Gipson Class for a number of years.

Mrs. Gipson came to this country in 1913, and whether living on the ranch or in town, she has always been a faithful member and in regular attendance at the First Christian Church.

The hostess soon had the guests feeling at home and all enjoyed the evening. She received many nice gifts.

Mrs. Oscar Boenicke made the white cake, which was served with fruit punch. There was a good attendance of the class members.

Mr. and Mrs. Bryan Blevins of San Angelo and Mr. and Mrs. W. S. Cole and children, Gary and Pat, of Coleman, were visitors in the John Gregg home over the weekend.

WMA ORGANIZATION ELECTS OFFICERS

The W. M. A. of the North Side Baptist Church elected officers recently for the coming year. Elected were: President, Mrs. Buster Woodard; Secretary and Treasurer, Mrs. Edgar Cole; and teacher, Rev. J. S. Sheppard.

Williams - Haynes Vows Exchanged

Miss Maudie Gertrude Williams, daughter of Mr. and Mrs. Charles D. Williams of Bangs, became the bride of Kenneth Haynes, son of Mr. and Mrs. Clyde Haynes, in a double-ring ceremony in the First Baptist Church in Bangs at 5:00 p. m. Saturday, Sept. 26. The pastor, Rev. T. F. Collier, read the cere-

mony. The informal ceremony was attended by the immediate members of the families. The bridal gown was made by the bride. It was fashioned of white brocaded satin over taffeta with a high neck and sleeveless bodice, with a deep satin midriff. The back featured a large bow, which extended to the hem line of a very bouffant skirt. She also wore a small

matching hat, shoes and short mitts. Her only jewelry was a pair of pearl ear clips. The mothers were attired in blue. Mr. Haynes attended the Santa Anna schools, and is now employed in Brownwood, where the couple will make their home. Mrs. Haynes was an honor student in the Bangs schools and is now attending a beauty school in Brownwood. A gift tea honoring the couple will be held in the Homemaking Cottage in Bangs Thursday, Oct. 8, from 7 to 9 p. m. All friends are invited to attend.

AN Electric RANGE WITH A

FRIGIDAIRE ADVANCED ELECTRIC RANGE

No. More Oven-Scrubbin' Drudgery!

Here's the easiest cleaning ever offered in a range, and a Frigidaire "exclusive." Oven cleaning so easy for you, it's like wiping off the range top. You'll actually cut cleaning time in half! Now the whole oven actually pulls out — out on the door for easiest wipe-off cleaning. Imagine — you can stand up and wipe clean the entire oven interior.

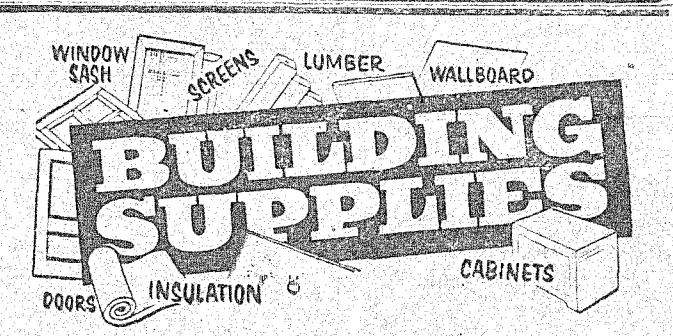

No more scraping off baked-on spatters while down on your knees. No more awkward squatting and stooping with the oven door in your way. Now it's really easy to reach into back corners — to reach all surfaces. Really a breeze to keep all of the oven grime-free and bright. And that one-piece porcelain enamel interior is so smooth — you can wipe it clean with a nylon stocking!

Mountaineers Lose 4th Game To Bronte Friday

The Mountaineers lost their fourth game of the season to the Bronte Longhorns by a 26-12 score Friday night. The local lads played a good game, but were much outweighed by more than 15 pounds per man, plus playing the more experienced team.

Bronte has a good line (and a good backfield) that the Mountaineers could never find a way to penetrate. The only way they could gain any ground was through the air ways, and they did rather well in that department. The Bronte coach told your editor he had one boy injured and three or four others who had been loafing during the week, and that he was not going to play them. It was not long after the game got underway that his perfect season record was in grave danger, and he put in the injured man, along with the others who had been loafing. We are also of the opinion that the officials were not up to par for this game. In our opinion they called the delay of the game against Bronte that was not proper. Then they also called a bad play against the Mountaineers that really hurt, and possibly affected the outcome of the game.

The infraction against the Mountaineers was called by the referee, after the other two officials had designated the play as being proper. The play concerned an attempted pass from Hartman to Drake right past the line of scrimmage. Drake failed to get control of the ball and in doing so knocked the ball up in the air. Stewardson then caught the ball and gained another 10 yards. The referee said Drake had control of the ball and lateraled forward (which is an infraction) to Stewardson. The other two officials did not agree, but the referee is the head man. Continuing to make matters worse it was a fourth-down try, and had Drake completed the pass it would have been a first down, but instead the official took the ball back to the original line of scrimmage and penalized the Mountaineers from that point. We are not in the habit of criticizing the officials, because we are sure they do the best job possible, but in a case of this kind criticism is due some criticism.

THE GAME

The Mountaineers kicked to the Bronte 30-yard line, with Bronte returning to their 36-yard line. They made a first down, then failed to gain enough for the next and punted to the Santa Anna 22-yard line. Failing to gain on two ground attempts, the Mountaineers passed for 7 yards, then punted to the Bronte 46-yard line. Bronte gained 8 yards, lost 2, then received a 5-yard penalty, lost 2 more yards and punted to the Mountaineer 36-yard line. The Mountaineers lost 2 yards and gained it back, then punted to the Bronte 33-yard line. Bronte returned the ball to the Mountaineer 43-yard line. The Longhorns lost 4 yards, then gained 5 yards, tried a pass, then punted to the Mountaineer 21-yard line. The first ground try gained one yard, then Hartman tossed a nice pass to Brown, and Brown went all the way, making the play cover 78 yards for the first TD. Try for extra point failed and the Mountaineers led 6-0.

The Mountaineers kicked to the Bronte 18-yard line and Bronte returned to their 32-yard line. Four plays had gained only 2 yards, and the Longhorns punted to the Mountaineers 22-yard line as the quarter ended.

The Mountaineers couldn't gain and punted to their 49-yard line. From here it took the Longhorns only four plays to cross the goal for their first TD. The try for the extra point failed and the score was tied

6-6. Bronte kicked to the Mountaineer 17-yard line with the Mountaineers returning to their 26-yard line. Pass and ground plays gained two first downs and put the Mountaineers on the Longhorn 49-yard line. Again Hartman dropped a nice pass into the arms of Lynn Dockery. Dockery got loose from one tackler then went all the way for the second TD. The try for extra point failed and the Mountaineers took a 12-6 lead.

The Mountaineers kicked to the Bronte 21, with a return to the Bronte 40-yard line. The Longhorns gained 3 yards, then lost 5 and fumbled with the Mountaineers recovering. The Mountaineers lost 7 yards, gained 2, attempted a pass (this is the point where Bronte got the bad call) and Bronte received a 5-yard penalty. On the next play, the Mountaineers attempted a pass and got their bad call, then received a 15-yard penalty back to the Bronte 45-yard line. The Mountaineers punted to the Bronte 20-yard line with no return. In a desperate attempt to score, the Longhorns completed two long passes, to the Mountaineers 28-yard line, then two incomplete as the half ended.

Bronte kicked into the end zone and the Mountaineers took the ball on their 20-yard line. After gaining 8 yards, the Mountaineers fumbled with the Longhorns recovering on the Mountaineer 28-yard line. One ground play good for 6 yards, then an attempted pass was intercepted by Rutherford and brought out to the Mountaineer 19-yard line. Failing to gain the Mountaineers attempted to punt, but it was blocked with Bronte getting the ball on the Mountaineer 21-yard line. It took the Longhorns only one play to get the ball over the goal for their second TD. The try for the extra point was good and the Longhorns led 14-12.

The Longhorns kicked to the Mountaineer 10-yard line, with a return to the 25-yard line. Failing to gain the necessary yardage, the Mountaineers got off a short punt into the high wind, with the ball going to the Mountaineer 41-yard line. In 8 plays the Longhorns scored again with the try for the extra point failing. The Longhorns led 20-12.

The Longhorns kicked to the Mountaineer 2-yard line and a return to the 26-yard line. After making a first down, the Longhorns received a penalty for pass interference which gave the Mountaineers a first down on the Mountaineer 31-yard line and they gained to the 34-yard line as the quarter ended.

The Mountaineers worked their way up to their 44-yard line and punted to the Bronte 16-yard line. A clipping penalty put the Longhorns back on their 9-yard line. Failing to gain a first down, the Longhorns punted to the Mountaineers 28-yard line. The Mountaineers failed to gain and also got two 5-yard penalties, then punted to the Bronte 35-yard line with a return to the 44-yard line. It took the Longhorns 14 plays to cover the distance to the goal line. The try for extra point failed, making the score 26-14. The Mountaineers took the kick off on their 26-yard line and returned to their 32-yard line. Two quick pass completions put the ball on the Bronte 28-yard line as the game ended.

FOOTBALL ROUNDUP

The Cross Plains Buffaloes missed two scoring opportunities in the first half Friday night, and lost to the Eastland Mavericks by a 14-8 decision. In the first period the Buffaloes fumbled on the Eastland 9-yard line, and in the second period were only inches from the goal line when the gun ended the first half. The Mavericks

led at half-time 14-0. Cross Plains scored in the final period and made the extra points. This loss keeps the Buffaloes tied with the Mountaineers at four each.

The Bangs Dragons continued in the undefeated ranks as they slipped past the favored May Tigers at May, Friday, night, 8-6. Both scores came in the first quarter. Bangs scored on a pass and run play, then Charles Finley ran for the extra points, the only difference in

the score. Mason continued in the undefeated ranks also by rolling to an easy 41-8 win over the Abilene Junior Varsity at Mason. Mason led 27-8 at the half-time.

Goldthwaite used the ground and air ways to swamp Evant, Friday night to the tune of 44-8. The Eagles have a 2-2 record at the present time.

The Llano Yellowjackets now sport a 1-3 record after taking

a thrashing Friday night at the hand of the Fredericksburg Hillbillies, 36-26. Other teams Llano has lost to are San Saba and Menard. They won over Junction.

Still another foe of the Mountaineers on the undefeated list is the Burnet Bulldogs. Last week they just managed to ease by the San Antonio MacArthur High School eleven by a 8-6 score. But it was just enough to keep them undefeated thus far this season.

HUMBLE Presents ... THE NEW TIRE of this generation!

ATLAS BUCRON TIRES

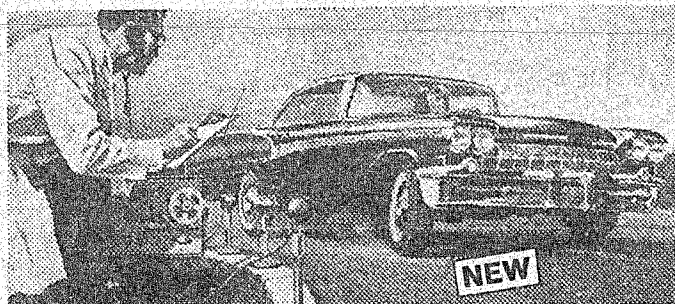

Ride easier than any other tires

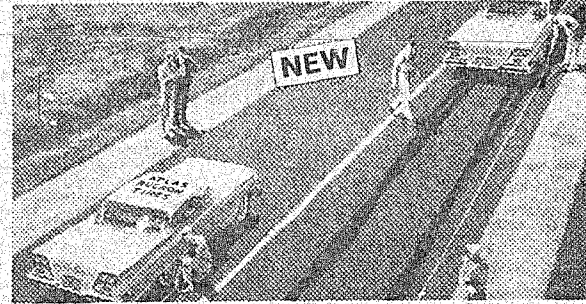

Ordinary tires "bounce" multiply bumps and jars.

Atlas Bucron Tires smother "bounce," give shock-absorbing ride.

SOAKS UP BUMPS AND JARS! You notice bumps with ordinary tires because the rubber "bounces." The miracle new rubber in Atlas Bucron Tires smothers "bounce." Your car rides like the day you bought it, steers easier, handles better.

POSITIVELY NO SQUEAL! The new Atlas Bucron Tire grips the road so well you can't make it squeal. The secret is in the miracle new rubber of the tread.

SAFER! Stops 30% quicker than ordinary tires. Tested against other tires, the Atlas Bucron Tires stopped 30% quicker—often the difference between a safe stop and an accident. Atlas Bucron Tires will stop quicker on wet pavement than ordinary tires on dry.

HUMBLE OIL & REFINING COMPANY

Trade Now for a set of these amazing new tires. Ask for a demonstration ride—you'll be amazed! Then talk trade with your neighbor under the Humble sign. The price is less than you would think, and terms are available. Equip your car with Atlas Bucron Tires on all four wheels.

GUARANTEED BY HUMBLE

Humble guarantees the Atlas Bucron Tire against all road hazards for 18 months. Adjustment is based on months of service. Guarantee is honored by 38,000 Atlas dealers on service station driveways throughout the United States and Canada. (Note: All Atlas dealers do not carry Atlas Bucron Tires, but all will make adjustment under the guarantee.)

**Mrs. Scott Honored
By Eastern Star**

Mrs. Charlotte Scott was the honor guest Wednesday evening, Sept. 23, when members of the Eastern Star and their families met in the Fellowship Hall of the Masonic Building for a covered dish dinner. Mrs. Scott is a member of the organization, and moved with her family to Abilene over the weekend.

Red Lycoris, greenery and white doves were used in decorations throughout the hall. Arrangements were by Mrs. Carmen Donham, chairman of the decorating committee.

The menu consisted of fried chicken, tossed salads, potato salads, pickles, cookies and tea.

Members enjoying the occasion were: Mr. and Mrs. Add Walker and Boots, Mrs. Blanche Grantham, Mr. and Mrs. Jack Mobley and Margaret Ann, Mr. and Mrs. Cliff Herndon, Miss Joyce Smith, Mr. and Mrs. Montie Guthrie, Les and Lane, Mr. and Mrs. Roy West, Mrs. Lora Rollins, Mr. and Mrs. J. M. House and Bob, Mr. and Mrs. Jack Bostick, Mr. and Mrs. H. W. Gray, Mrs. Frances Everett, Mrs. Bertha Allen, Mr. and Mrs. Dick Bass, Mr. and Mrs. A. D. Donham, Mr. and Mrs. D. H. Moore, Mrs. Edith Golston and Mrs. Charlotte Scott.

Mrs. Scott was presented a gift from the group, and received very best wishes for happiness in their new home in Abilene.

Mr. and Mrs. J. L. Scott and family moved to Abilene, Friday, where Mr. Scott has employment.

Mrs. Clara Gilbreath and Mrs. Bryon Gilbreath and daughter, Sharon, visited with friends in Brownwood Monday afternoon.

Mrs. H. L. Markland returned home Tuesday from Philadelphia, Pa., where she has been visiting friends.

Mr. and Mrs. Allen McClintock of Corpus Christi spent Saturday and Sunday night with Mr. and Mrs. Roy West and were dinner guests of Mr. and Mrs. E. E. McClintock on Sunday.

Miss Gave Turner returned to her home here recently, after visiting in Waco with a sister, Mrs. Carl Horn.

Mr. and Mrs. Neal Oakes of Winters visited Sunday with her parents, Mr. and Mrs. T. H. Upton and Mr. and Mrs. O. L. Cheaney.

If you make a right turn from a left lane you are probably just careless, and not what the driver behind called you.
