## Mountain Echoes

By  
Barbara  
Kingsbery

J. M. Binion of Abilene, a former Santa Anna resident, is a candidate for the State Board of Education. Mr. Binion was the vocational agriculture teacher at SAHS during the 30s.

One of the rural school buses slid off the road when the roads were recently covered with snow and ice. Students exited from the back door of the bus before the vehicle was moved back on the roadway.

Upon reaching school, one tiny first grade girl excitedly told her teacher, "We had to get out the URGENCY door!"

Work is progressing well on the new vocational agriculture building on the high school campus. The concrete floor has been completed and soon the frame work will be in place. Students and passersby keep an interested eye on the construction, and we all look forward to having the convenient new facility on the school campus.

Although the building may be completed before the school term ends, no plans have been made for moving into the new structure before the fall term.

Although the groundhog saw his shadow on February 2, indicating six more weeks of winter weather, the community had spring-like days this week. However, by the time the NEWS gets to press it will probably be freezing or snowing.

Light rain last Friday coated the country with a thin coat of ice, but the cold spell was a brief one.

Prospective candidates for the city and school district election have less than two weeks to file for a place on the ballot. Deadline for both is on Wednesday, March 1.

We saw Fred and Dalton Hicks down the street on Monday. They moved several months ago to their Lake Brownwood home and have since been missed by many of us in the community.

## JHS Girls Team Wins Tourney Last Weekend

Coach J. A. Harris and his junior high girls basketball team brought home the championship trophy from the Early JHS tournament last weekend. The local girls won the championship trophy at the same tournament last year.

The Santa Anna girls won over Early in their first game on Thursday night, then defeated the Bangs girls in the championship game.

The local boys were defeated by the Bangs boys in the consolation bracket after losing their first game to the host team.

The weekend tournament was the last completion of the season for the junior high teams.

## H. S. Building Paid In Full After 42 Years

A. D. Pettit, vice-president of the Santa Anna School Board, presided at the Thursday, Feb. 10, meeting in the absence of the president, Jesse Williams. The opening prayer was led by Barbara Kingsbery.

Minutes of the previous meeting were read and approved and the status of the budget was studied.

Bills for the past month were studied and approved for payment, totaling \$4,339.

The board approved Grady McIver, L. M. Guthrie, William Brown and Max Eubank as members of the school district tax board of equalization. They are the four that served last year.

Supt. Perry urged the group to take an interest in the coming election of the State Board of Education. The State body has power over all the Texas schools.

A report was given on the progress of the vocational agriculture building construction.

Plans for needed school improvements were discussed. Most needed improvements are a new gymnasium and a new heating system for the high school building.

Other routine business was discussed and the meeting adjourned. Others present were M. L. Guthrie, Jr. and Buddy Neff. Absent were Vernon Parnell, Richard Horner and Williams.

The board voted to pay in full the remaining bonded indebtedness on the Santa Anna High School building with money on hand in the special interest and sinking fund. The final payment on the 42-year-old building was \$29,566.54.

After the substantial payment, \$8,914.33 remains in the fund which is more than enough to cover the bond payment due on the elementary school building next year.

The high school building was completed in 1928 and had to be refinanced during the depression years.

State School inspectors have stated the well-kept building is of much greater value now than when it was built.

## S-Anna Entries Among Winners In Steer Show

David Horner and Randy Long were among the winning exhibitors in the steer show at the San Antonio livestock show last week.

David, the son of Mr. and Mrs. Richard Horner, won fifth place in the Hereford show with a steer from the C. E. Kingsbery herd. A Charolais crossbred was judged eighth and another 17th in the crossbred division. The eighth place steer will be sold in the Friday auction sale.

Randy exhibited the ninth place Hereford steer in the junior show. He is the son of Mr. and Mrs. Rex Mahan of the Shields community.

Both of the Santa Anna FFA exhibitors will have steers at the Houston show later this month.

## BACK AT HOME

H. A. Burden is convalescing at his home after being a patient in the Ranger Park Hospital for three weeks. He is permitted to be up part of the time and was in town on Monday attending to business.

**FFA LEADERS . . .** Officers of the Santa Anna High Future Farmers of America chapter are shown as they prepare for FFA Week in Texas. Seated, from left are Tommy Lewis, secretary, Ricky Beal, president; Randall Lovelady, vice-president, and standing, Rocky Dean, Sentinel; Jimmy Benton, reporter; Neil Fitzpatrick, treasurer; and Billy Riley, chapter advisor.

## SANTA ANNA FUTURE FARMERS OBSERVE FFA WEEK FEB. 19-26

February 19-26 has been proclaimed FFA Week in Texas. The official proclamation was signed by Governor Preston Smith.

The Future Farmers of America is a national organization of, by, and for students studying agriculture in the public schools. The FFA is an educational, non-profit, non-political youth organization of voluntary membership. The organization is designed to develop agricultural leadership, character, thrift, scholarship, cooperation, citizenship and patriotism.

Texas is the largest of the 50 chartered state associations with over 10 per cent of the national membership. Texas has 940 chapters with a membership of over 50,000.

The Santa Anna FFA chapter has a membership of approximately 65. Ricky Beal is president of the chapter this year. Billy Riley, vocational agriculture teacher, is sponsor and advisor.

The local chapter takes an active part in district and area events. Cline Smith is currently serving as vice-president of the Coleman District organization.

Three members of the Santa Anna FFA chapter received highest district honors last year by being chosen as Lone Star Farmer, Chapter Farmer and Star Greenhand in the district. The three were Mark Wise, Cline Smith and Lane Guthrie, respectively.

Pati Perkins is the chapter sweetheart this year.

I will take any problems, criticisms or suggestions to the director of volunteers.

I will endeavor to make my work of the highest quality.

I will uphold the traditions and standards of this hospital and will interpret them to the community at large.

A need for additional meetings were felt, and it was voted that the auxiliary will meet again Thursday at 4:30 Feb. 24.

Charter members will be accepted through February. At least 15 more members are needed.

Susie Bunt of Coleman is a member of the singing group. Everyone is invited to attend the service and hear this group sing.

**Student Sextet From Abilene To Perform at FBC**

A vocal sextet composed of students from the Hendricks Hospital School of Nursing in Abilene will be at the First Baptist Church next Sunday morning, Feb. 20, to present special music during the morning worship service. The young ladies will present several selections during the service.

Incumbents File Thursday For 1972 Trustee Election

Jesse Williams and A. R. (Buddy) Neff have filed for places on the ballot in the April 1 School Board election. The two incumbents made their application for the ballot last Thursday. Williams is current president of the board and is seeking his third term in office. Mr. Neff has served only one term on the board. Candidates have until Wednesday, March 1, to file for the election. Absentee voting will begin about mid-March and continue until the week of the election. Forms for application are available at the high school business office or at the office of the county judge in Coleman.

## Spacemobile Display and Lecture At Local High School Thursday

The National Aeronautics and Space Administration will have a space science lecture-demonstration at Santa Anna High School Thursday (today). The presentation will be given by Thomas J. Hill at 10:00 a. m. in the high school auditorium. The presentation will provide up-to-date information in space science research and exploration. Mr. Hill will also visit the different classrooms in the school during the day.

## NO CANDIDATES HAVE FILED FOR APRIL CITY ELECTION

Terms of three Santa Anna City Council members expire this year and the election has been called for Saturday, April 1.

Those whose terms expire are Glen Copeland, Glen Pope and H. A. (Sye) Burden. So far there are no candidates for the three positions.

Deadline for filing for a place on the ballot is Wednesday, March 1. Prospective candidates may complete the application forms at the City Hall.

Copeland, who has served two terms on the council, is mayor pro-tem for the city.

## Lee R. Huggins New Owner Of Enco Station

Richard Horner, owner and operator of the Horner Enco Service Station, has announced the sale of the station to Lee Ray Huggins. Mr. Huggins took over the operation of the business on Tuesday, Feb. 15.

Horner has operated the service station for the past two years and had owned the business at another time several years ago. He also has farming and ranching interests and recently leased Lake Shore Lodge at Lake Brownwood.

Mr. Huggins has been employed with Chapparral Chevrolet in Coleman for the past four years as manager of the parts department. He and his family have lived in Santa Anna many years and are very active in all community activities.

According to Mr. Huggins, there will be no change in personnel at the station.

The Horners are now doing remodeling work at the 20-unit motel, boat docks and bait house at Lake Brownwood.

## Holy Weeks Services Slated For Santa Anna Community

Santa Anna ministers have made plans for the second annual Holy Week program for the community. The series of services will begin on Monday night, March 27, and end with the sunrise Easter service on Sunday, April 2.

The schedule for the week of services will be as follows: Monday night: United Presbyterian Church, Rev. Bill Weeks, speaker. Tuesday night: United Methodist Church, Rev. Louis Shambeck, speaker. Wednesday night: United Presbyterian Church, Rev. James Ford, speaker.

Thursday night: First Baptist Church, Rev. Bill Brewer, speaker. Friday night, Northside Baptist Church, Rev. Vernon Parnell, speaker.

The sunrise service on Easter morning will be held at the Ranger Park if the weather permits.

Mrs. Gale Allen will direct the interdenominational choir

Mr. Pope has served one term on the council. Mr. Burden was elected last year to fill the unexpired term of Mrs. Ethel Judd who moved from Santa Anna. Councilmen with one year remaining are Gale Collier Allen and Julian Kelley. Also having another year in office is Mayor Thomas Wristen.

## Five Students To Participate In UIL Practice

SAHS Principal Floyd Marshall will take five students to Abilene Saturday for competition in a practice University Interscholastic League meet. The all-day event will be held at the Abilene Christian College science building.

Local students entered include Lucinda Smith and Janice Armstrong, typing; Swanee Smith and Judy Brunsenhan, shorthand; and Carol Kingsbery, science.

The day's activities will begin with registration from 9:00 to 9:30 and contests begin at 10:00 a. m.

Students at the practice meet will be taken on a tour of the ACC campus and have lunch in the cafeteria.

The program will end with the presentation of awards to winners in the contest.

The contest, which is planned as an annual event, is sponsored by Abilene Christian College, Hardin-Simmons University, McMurry College, Abilene High School and the Cooper High School.

UIL tests will be used for the contests and students will be judged by UIL rules. The sponsoring group plans to add more contests to the schedule next year to include the speaking events. The only contests available Saturday are the three named and also slide rule, number sense and spelling.

Anyone wishing to have the extinguisher may get one free in exchange for an empty coffee can with lid. Besides filling the can with baking soda, instructions for use and telephone numbers of the fire department, ambulance service, deputy sheriff, and doctor are included.

The free extinguisher project is one of the many ways that the local volunteer fire department is serving the community.

## New Chairs For Rockwood Center Purchased With Donations, Gifts

The Rockwood Community Center is the proud possessor of 52 new metal chairs, according to Mrs. Bill Bryan, secretary - treasurer of the H. D. Club.

The chairs were made possible through friends as Mr. and Mrs. Frank Crum, The Coleman Bank, Elton Cheatham, Mrs. John Womack and several who made cash donations in memory of the Wise brothers, and with many other friends helping out.

The center is used almost every day and is really the center of the community. The center had been the lunch room of the Rockwood School, which closed the last day of school, Tuesday, May 17, 1955. The Santa Anna school board gave the lunch room to the community and it was moved to the location on Dallas St. January 1957, on lots donated by Mr. and Mrs. Bob Steward.

The chairs came with the building and already were in bad repair, hence the need for the wonderful new ones!

**In Our Opinion**

By W. T. HAYS

A SO-CALLED GROUP OF AMERICANS called on other countries to help them in demonstrations against the United States Sunday.

In Versailles, France, the group, who called themselves the American Delegation to the World Assembly for Peace and Independence of Indochinese Peoples, and who numbered 139 people, asked the group to back a series of demonstrations they plan between March 25 and May 15.

Leader of the anti-American group was the so-called Rev. Paul Mayer of New York. He said the demonstrations will be directed against the Vietnam war and what he called the government's failure to provide for "hungry persons in the black, Latin and poor white communities" in the United States, because the money was being spent on the war.

To let the reader understand just what the group really is, let us tell some of the things they will demonstrate against.

First, they plan to demonstrate at the trial of the group charged with conspiracy to kidnap presidential advisor Henry Kissinger and blow up heating systems in Washington government buildings. We suppose they think they should be given medals instead of being tried for a crime.

Second, they want to demonstrate in connection with the trial of Angela Davis, the black militant who is accused of being responsible for the death of a judge in California in an attempted escape attempt.

Third they will demonstrate against the payment of income taxes on April 15. We wonder why, as they don't pay any. Part of their group is the National Welfare Rights Association which is on the receiving end rather than on the paying end.

Fourth, on April 22 they plan mass demonstrations against the war in Vietnam for withdrawal of troops and aircraft from that country.

And last on May 15 they plan to demonstrate against American corporations manufacturing arms, specifically those connected with the war.

This group, who are obviously Communist oriented, are putting out a lot of effort to destroy the only country that would not put the whole bunch before a firing squad on a moment's notice. The Red countries that they support would put a stop to their antics so quick they wouldn't know what was happening. Yet they use the freedoms of this country for their own ends.

Maybe we should not be as free as we are, sometimes.

TEXAS POLITICS is warming up with one of the largest slates of candidates in recent years.

And as things get warmer, we see them betting a little dirtier and dirtier, as seems to be the practice in this area.

Whatever they have done, good or bad, will be blown up all out of proportion, and every candidate will become either a devil or an angel in the eyes of the voter, depending on his point of view.

It would be nice if people could just get the facts and then make up their own mind who is best qualified to fill a particular office, rather than to have to sift through all the mud and hope he gets his facts right.

One thing for sure — we will find out when the winners get into office. We always have.

STATE **Capital NEWS**  
By BILL BOYKIN

AUSTIN—The complex question of financing May and June primary elections is heading for a final legal test. Comptroller Robert S. Calvert asked Atty. Gen. Crawford C. Martin for an official opinion on Secretary of State Bob Bullock's plan to pay for the party primaries with state funds.

Bullock forced the issue to a head last week by handing Comptroller Calvert \$73 worth of initial pre-primary bills and asking him to pay them.

Calvert balked and took the matter to Martin for advice.

"I will not pay anything out of the treasury for this unless I have a written opinion from the attorney general or an order of the court," said Calvert. He added he does not think Martin will advise him to pay the bills submitted by Bullock.

"If the vouchers are, for some reason, not approved, I intend to place this question before the Texas Supreme Court at the earliest possible moment so that the entire matter of primary financing can be adequately, equitably and finally resolved," Bullock stated.

He moved with court authority to formulate rules for the primaries after a three-judge federal court January 20 struck down the filing fee law relied on to finance the spring elections. Gov. Preston Smith proposes to transfer to him more than \$1 million for paying primary bills if the plan is finally cleared by legal authorities.

Rep. Rayford Price of Palestine accused Smith and Bullock of pre-empting prerogatives of the legislature, and said the governor should call an immediate special session to give lawmakers another whack at resolving the problem. Reps. Price Daniel Jr. of Liberty and Jim Nugent of Kerrville defended Smith and Bullock and charged Price was trying to further his House speakership campaign. Daniel and Nugent are also seeking the speakership.

**PRIMARIES CROWDED** — A total of 55 candidates for statewide office entered the Democratic primary before the February 7 filing deadline. There are contests for every office on the statewide ballot except four judicial places.

Republicans fielded only 10 statewide candidates — and seven of them are running for governor.

There are 10 Democratic candidates for governor, five for U. S. Senator, nine for lieutenant governor, three for attorney general, nine for comptroller, seven for treasurer, two for land commissioner, two for agriculture commissioner and four for railroad commissioner.

Republicans have only one candidate each for U. S. Senator (incumbent Sen. John Tower), treasurer and railroad commissioner.

Former Sen. Ralph W. Yarborough and Barefoot Sanders of Dallas are the leading Democratic candidates for senator. Governor Smith, Lt. Gov. Ben Barnes, Dolph Briscoe of Uvalde and State Rep. Frances Farenthold of Corpus Christi

will stir most of the action in the governor's race. Three state senators and a newspaper executive are battling for a runoff spot for lieutenant governor.

**HOSPITAL FUNDS APPROVED** — Loan guarantees with interest subsidies totalling more than \$23.8 million have been approved by the Texas Board of Health for 14 Hill-Burton hospital construction projects. Another \$450,000 was set aside for the Ranger General Hospital pending completion of a feasibility study of its new building program.

Subsidies were approved for Texas Medical Center Laundry Co-op Association, Houston; Scott and White Memorial Hospital at Temple; Henderson Memorial Hospital; Eastland Memorial Hospital; Freestone County Hospital at Fairfield; Heart of Texas Memorial Hospital at Brady; Decatur Hospital Authority;

Marshall Memorial Hospital; Bailey County Hospital District at Muleshoe; Red River County Hospital at Clarksville; Nocona Hospital Authority; King's Daughters Hospital at Temple; Richards Memorial Hospital at Rockdale and St. Anthony Hospital at Amarillo.

Twenty-six other applications will be considered at a March meeting.

**COURTS SPEAK** — Texas Supreme Court ordered a district court trial of an Andrews property owner's suit to force hsi local school board to tax bank stocks.

The High Court also held a 57-year-old woman who received a broken leg after being butted by a "petting zoo" goat cannot collect damages from Six Flags Over Texas.

The State Court of Criminal Appeals reversed convictions of three El Paso men for possessing obscene material (girlie magazines) for purpose of sale.

For the second time, the Court of Criminal Appeals reversed lower courts and ordered a new trial for a man arrested with a truck load (567 cases) of cigarettes which had no state tax stamps.

The Third Court of Civil Appeals ruled out a suit by parents of a blind boy who drowned at a school for the blind swimming pool against the institution.

**APPOINTMENTS** — Robert B. Gilmore of Dallas was re-appointed to a new six-year term on the Texas Water Development Board.

Governor Smith made these appointments to the Criminal Justice Council: Harmon Schepps of Dallas, Kent Hance of Lubbock, Mayor Ken Ritter of Beaumont, Mrs. Ray W. Willoughby of San Angelo, 148th District Judge Noah Kennedy of Corpus Christi, W. E. Haynes Jr. of Laredo, Dr. I. T. Hunter of Tyler, Mrs. Carroll Koch of Quanah and Police Chief William Harold McGee of Texarkana.

Fred Toler of Austin was

named executive director of the Texas Commission on Law Enforcement Officer Standards and Education.

Theodore Ziller of Austin is new head of the Texas Highway Department Construction Division.

**DRAFT LOTTERY CUT-OFF IS 200** — A temporary draft lottery cut-off number of 200 has been set for the 1972 first priority group.

Col. Melvin N. Glantz, state director of Selective Service, said the number is subject to downward revision as manpower needs change. Local boards were authorized to re-classify all draft registrants of the first priority group for 1972 with lottery numbers 201-365 in Class 1-H.

**AG OPINIONS** — District clerks are required to report to vote registrars felony convictions where probated sentences are assessed as well as other convictions, the attorney general has held.

In other recent opinions, the attorney general concluded:

• Texas laws do not limit the number or amount of bail bonds a corporate surety may make.

• State employees must work a minimum 40 hour week, but can be assigned to 10 hours a day, four days a week.

• Law regulating sport of falconry applies to imported as well as native falcons.

**PWC HEAD REPLACED** — Governor Smith, in a surprise move, relieved Pearce Johnson of Austin of the Parks and Wildlife Commission chairmanship and appointed Jack Stones, Wells banker, to replace him.

At the same time, the governor designated Parks and Wildlife Department Executive Director James U. Cross to succeed Johnson as state-federal liaison in parks matters.

The action came soon after a federal circuit court of appeals threw out a lawsuit filed by Johnson to block purchase of Mustang Island property for a state park. However, Smith's office said the shuffle followed a policy of rotating chairmanships and had nothing to do with the prolonged Mustang Island wrangle.

**SHORT SNORTS**

Bids on a proposed new \$20 million highway department headquarters near the state capitol and governor's mansion will be taken in May.

The U. S. Supreme Court refused to delay single-member districts elections in Bexar and

# 35 Years Ago In The News

The following stories are from the Feb. 12, 1937 issue of the NEWS:

The Santa Anna Band of 34 pieces, under the direction of Tom Wallace, will be presented in a concert this morning at the Daniel Baker College Chapel.

The band, organized about three months, has made remarkable progress under the leadership of Mr. Wallace, senior at Daniel Baker College.

Members of the band include Leon Bartlett, Maurice Curry, John W. Taylor, Tom Robin, Thomas M. Hays, Doris Turner, John Gregg, Larry Smith, Sam Forehand, Bill Mitchell, Jr., Jake Barnes, Ara Belle Ragsdale, Edwin

Hunter, Page Mays, Mary Field Mathews, Arnold Williams, Archie Dean Hunter, Bobbie Joe Cheaney, Betty Sue Turner, Jackie Simpson, C. A. Curry, Mary Louise Curry, LaRue Curry, Ford Holt, Will Mills, John F. Turner, Wallace Woodruff, Eugene Willie, Ruth Morris, Betty Ruth Blue, Robert Curry, Talmage Turner, Alice Jone Lovelady and Rebecca Jane Harris.

Santa Anna Ward School PTA will meet on Feb. 16. Mrs. O. L. Cheaney will be program leader. Mrs. Aubrey Childers, Mrs. Jess Howard, Mrs. Charles Zenor and Mrs. Rex Golston will be on the program.

The Santa Anna chapter of Future Farmers of America won first place in the district chapter conducting contest held Tuesday in Coleman. The ancient rivals, the Coleman Bluecats, won second place and Novice third. Other chapters entered in the contest were Taipa, Valera, and Lohn. This is the first time a Santa Anna team has ever won the district championship.

A report on new improvements on the lighted football field in the form of laying of water pipes for the field was given by Supt. J. C. Scarborough at the weekly Lions Club luncheon Tuesday.

Need for water for the field has long been seen, in order to keep the field in grass. The senior class of the high school, as their gift to the school, has decided to bear the expense of the pipes and the high school boys have volunteered their services in digging the ditches.

Dr. L. O. Garrett has purchased a new analgesia machine for his dental office which gives greater comfort to the patient in filling and drilling teeth. The machine is one of the newest on the market.

Within the apparatus are two tubes containing oxygen and nitrous oxide. A mixture of these two gases is breathed by the patient. The patient controls the amount taken by a small bulb placed in his hand.

School is progressing nicely. PTA met Friday evening.

## NEWS FROM

### RANGER PARK INN . . .

Valentine arrangements and a Valentine box were in the living room, all ready for the Valentine party. The nurses, guests and visitors are enjoying these holiday items. Thanks to Charlotte Moseley and Doris Harvey for these preparations.

Martha Schiliska and Vicki Orrell from Corpus Christi visited recently with Esther Davis and Stella Sanford.

Recent weekend visitors with Mrs. Ruby Dean were her sisters and brother, Mr. and Mrs. M. M. Sheffield, Rising Star, Mr. and Mrs. Wade Casey of Perrin, Mrs. Harley Manor, Brownwood, Thelma Casey of Coleman, Mrs. Jean Bryan of Abilene, Mrs. O. L. Stacy of Abilene, Mrs. Clifford Stephenson. The grandchildren visiting her have been Lorri Lynne and Leslie Haynes of Coleman. Another visitor of Mrs. Dean is Helen Haynes each day.

Mr. and Mrs. Oran Clamore of Abilene, cousins of Mrs. Dean, visited Sunday afternoon. Bert Howington also visited.

Saturday afternoon visitors of the Bunk Wagners were his sister, Mrs. Clark Miller, a sister-in-law, Mrs. Myrtle Wagner, and Mrs. Cliff Herndon. Other visitors during the week were Mrs. Fay Mobley and Mrs. Lennie Bartlett. Visiting friends last week was George Stewardson.

Mrs. Alfred Williams of Coleman visited her sister, Cassie Stiles, and other guests at the Inn.

Mrs. J. B. Weathers visited at the Inn.

## Accent on Health

Drug dependent persons in Texas, now have a place to turn.

In 10 Texas cities, methadone treatment centers are in operations to provide addicts with a synthetic narcotic drug substitute for heroin. The maintenance clinics are licensed and regulated by the Texas State Department of Health.

Guidelines for the methadone program were drawn up last fall by the Advisory Committee on Synthetic Drugs. Rules, regulations, and standards were drawn under authority of House Bill 139 of the 62nd Legislature.

At present there are 13 clinics operating in 10 cities — Austin, San Antonio, Houston, Dallas, Fort Worth, Lubbock, El Paso, Corpus Christi, Harlingen, and McAllen. These 13 are now operating under permits from the State Health Department. All methadone maintenance clinics must undergo inspection and be licensed by the State Health Department to operate.

In addition to the licensed clinics, private physicians may use methadone with a private patient without permit for withdrawal purposes only. The withdrawal period cannot be longer than six weeks and such withdrawal programs using methadone cannot be administered to the same patient more often than every three months. The primary problem with the withdrawal program is the low success rate in keeping a patient off of heroin.

The synthetic narcotics maintenance programs are another story, however, and programs with longer maintenance of drug-dependent persons must have permits and conform to guidelines of the advisory committee.

Why has the maintenance program become a useful tool in the treatment of drug addiction? Persons on a maintenance program haven't really kicked the need for narcotics, but they are able to perform their normal jobs, care for their children, and attend school by using the narcotic drug substitute. But even after using methadone, they cannot release themselves from their drug dependence without going through total withdrawal.

for methadone is an addicting narcotic just like heroin.

Research is underway now to find a substance to take the addict off of methadone. Some researchers believe they may be on the track of a type of "immunizing agent" that would block the effects of heroin over long periods of time, and not produce an addiction to the new substance.

## VISIT DURING WEEKEND

Mr. and Mrs. Allyn Gill of San Marcos visited in Santa Anna during the weekend with friends. They were also visiting in Brownwood with his parents, Mr. and Mrs. E. W. Gill. Mrs. Allyn Gill's father, Johnny Gamble, accompanied them here for the weekend.

## Our incredible journey

5 1/2 miles beneath the surface of the earth.

We're going deep, deep, deep into the earth. 28,000 feet beneath the surface.

We're drilling a 5 1/2-mile-deep well at the Anadarko Basin in Oklahoma. We are pioneers in drilling for gas at this great depth.

This well is just part of our continuing search for natural gas. We're continuing our

search even though we already have an adequate supply to meet our customers' needs. We know we have a responsibility to look after the needs of the next generation.

What does this mean to you?

It means you'll have adequate gas energy for all your needs. It means we'll be able to operate at peak efficiency and keep your gas service reasonable. And we'll be able to support the growth of our

service area. This will mean more jobs and more money. And a better life for all of us.

You might say we're going to great depths to stretch your dollar.

## Travel Program At Self Culture Last Wednesday

A program on travel was given when the Self Culture Club met last Wednesday in the community center of the Mountain City apartments. Mrs. Opal Stockard and Mrs. H. D. Speck were hostesses for the meeting.

The tea table was laid with a white cloth and centered with an arrangement of red and white flowers. Refreshments of cherry tarts, nuts, cocoa and coffee were served as the members arrived. Appointments and decorations carried out the Valentine theme.

Mrs. Norman Walters was program leader. She described Washington, D. C., where she lived for 20 years. She described the arrangement of its avenues, great public buildings, museums, parks and told of the many cultural attractions available there.

Mrs. John Womack displayed a travel map of Oregon, her former home, and had a collection of pictures, polished stones and other mementos of the state.

She described the Oregon forests and industries, its climate, scenery and history.

Mrs. Hardy Blue spoke of a short excursion made by four members of the club last October to Houston and points north. The group visited Huntsville, seeing the two homes of Sam Houston, the museum and park. They also saw the Big Thicket, the Alabama - Coushatta Indian reservation, and toured the historic towns of Nacogdoches and Jefferson.

During a short business session, led by the president, Mrs. C. D. Bruce, the group discussed activities to benefit the Community Civic Center.

Plans were announced for the March meeting to be held in the home of Mrs. Womack. Others present were Mmes. Gus Morgan, Preston Bailey, Charles Evans, Melvin Lamb, J. W. Haynes, J. C. Mathews and Bert Turney.

## Mission Study Held On Monday By R'Wood Group

The Baptist Women met at the Rockwood Baptist Church Monday in their final session of Mission study. Mrs. Bill Bryan gave the Call to Prayer, Mrs. Lon Gray, president, directed the business.

Participating were Mmes. R. J. Deal, Bill Bryan, Walter Yancy, Junior Brusenhan, Lon Gray and Toni Yancy.

## Meeting Slated By Eastern Star

The Santa Anna Eastern Star chapter will meet next Monday night, Feb. 21, for the regular session. The meeting will be held at the Masonic Hall at 7:30 p. m.

Mr. and Mrs. Cliff Herndon will be host couple for the social hour. Mr. and Mrs. H. A. Burden, worthy patron and worthy matron, will conduct the business meeting.

All members of the group are urged to be present.

## World Missions Program Topic For WSCS Group

The Womens Society of Christian Service of the United Methodist Church met on Monday for a program on world missions. Topics included Rhodesia, Japan, Taiwan and Brazil.

Mrs. Hardy Blue was program leader assisted by Miss E. Lee Harper, Mrs. Mary Morrow, Mrs. Annie Mae Wall and Mrs. O. A. Etheridge.

Mrs. Dale Smith conducted the business session.

Announcement was made of the district officers training meeting which will be held at the Brownwood Central Methodist Church on Thursday, Feb. 24. A letter was read in which four names for the WSCS were suggested.

Following the meeting Mrs. O. L. Cheaney and Mrs. Mary Morrow served refreshments to those present. A salad plate included heart-shaped cookies and other items in the Valentine theme.

Present were the ones mentioned and also Mmes. Joe Baker, Mae McDonald, Sally Snook, Arch Hull, W. B. Griffin, Cennie Ladd, and Miss Ruby Harper. One guest was present, Mrs. Martha Dilliver of San Angelo, a niece of Mrs. Etheridge.

## HOME FROM AUSTIN

Mrs. P. B. Snook and Mrs. Norval Wylie were in Austin during the weekend. They visited with Mrs. Snook's grandson, Nick Nichols and family, and got acquainted with a new great-grandson, who is now three weeks old.

## SUNDAY VISITORS

Mr. and Mrs. Morris McFaddin and Mark, and a friend, Kenneth McIntire, all of San Angelo, and Mrs. Jennine Sawyer and Billy of Brownwood were Sunday visitors in the home of their mother, Mrs. Opal Stockard.

## SAHS Beta Club Meeting Held On Monday Night

Carol Kingsbery was hostess for the Monday night meeting of the SAHS Beta Club. A buffet style spaghetti supper was served as the members arrived.

Lyndon Wells, who served 14 months in Viet Nam, was the guest speaker and showed pictures and other mementos of his tour of duty. A question and answer period followed.

Jimmy Benton, president of the group, led the business meeting. Plans were made for the Valentine Ball to be held Friday night.

Those attending the meeting included Judy Cupps, Deborah and Duane Aldridge, Lisa Herring, Sharon McCreary, Linda Dean, David Horner, Danny Walker, Serena Bryan, LeAnn Bryan, Betty Lou Chaney, Janice Martin, Sherrie McIver, Pati Perkins, Sandra Hasch, Glenda Strickland, Jimmy Benton and the hostess.

## Mrs. Ella Hart Gives Program For XYZ Club

Mrs. Ella Hart presented the program at the Tuesday meeting of the XYZ Club last week. She told of her recent trip to the Panama Canal and Columbia, South America.

The meeting was held in the community center of the Mountain City Apartments. Mrs. John Womack read the minutes of the last meeting.

Games of dominoes, 42 and Mexican dominoes were played during the afternoon.

Refreshments of punch and cookies were served by Mrs. P. B. Snook, Bill Griffin, Bertie Hull and Mary Morrow.

Others present for the meeting were Mmes. Mae McDonald, H. D. Speck, Opal Stockard, May Sharp, Audie Conner, Annie Mae Wall, Jesse Evans, Nora Goen, J. J. Horner and Rosa Henderson. Also present were O. C. Barker and U. S. Brannon.

The next meeting of the group will be on Tuesday, Feb. 22.

Q: The new black velvet looks great but it makes me look a jillion. Help!  
A: You'll need a real rosy tone on cheekbones - brighter than normal - and a more positive lipcolor too. Try one of the new true reds, but be careful not to get one that turns blue on you. For eye makeup, add pearly highlights all around the eye area, and especially at outside corners. If you still don't like the look of black next to your face, put a splash of white in between - a white satin as cattie would be delicious, or a splash of creamy pearls.

Q: Anything new in hoots?  
A: Variety is the thing. Don't have 6 pairs of knee-length boots, for instance. They're great for minis and hotpants, but for long pants you'll need at least one pair of short boots which just cover the ankle bone. With long skirts, try a slightly longer lace-up boot for a pretty costume look.

Q: Evening gowns are a problem because my arms are so flabby, and I think sleeves or stoles are awful. What can I do?  
A: Even the best-held stole slips once in a while, and this season even long-sleeved gowns are filmy... so your best bet is to exercise, as I explain in my book "Kneel facing a chair, place hands on chair seat, fingertips to fingertips. ## Local Woman Observes Her 93rd Birthday

Mrs. Esther Davis, a resident of Ranger Park Inn, celebrated her 93rd birthday on Tuesday, Feb. 15. Three of her daughters were on hand for the day and to help with the quiet celebration at the nursing home.

Born at Bonham, Fannin County, Feb. 15, 1879, she has lived in Coleman County for the past 65 years. She was married to the late C. W. Davis who farmed and ranched near Santa Anna for many years. Mrs. Davis has resided at the nursing home for the past year.

Daughters present for the celebration were Mrs. C. P. Wenzel and Mrs. Stella Sanford, both of Santa Anna, and Mrs. Ila Sanderson of Coleman. The other two daughters, Mrs. Dave King and Mrs. Elva Jacobs, both of San Antonio, visited with their mother last weekend.

# CHALK DUST

by Carol Kingsbery and Sandra Hosch

The Beta Club met Monday night at the Kingsbery home. The meeting started off with a spaghetti supper then Lyndon Wells presented the program which was an interesting talk on Viet Nam. He showed pictures and passed around two booklets and a yearbook of Viet Nam.

The regular business session was then held and committee reports were given. About 18 members were present.

The Beta Club has proclaimed this week as Valentines Week at SAHS. Monday was "Sing-o-Gram Day," Tuesday was "Tacky Day," Wednesday was "Teacher Appreciation Day," Thursday was "Heart Fund Day," and Friday will be the Valentine Ball at the cafeteria. A Valentine Belle and Beau will be crowned at the ball.

A group of girls have been dragging around school this week, acting as if they needed a dose of "Geritol." They are the girls track team who are suffering from the first week of workouts.

A drug abuse information team from Fort Hood was at high school last Friday. They

presented a program on drugs similar to that given to army recruits.

Also shown was a film about the 7th cavalry at Fort Hood Army Base.

Lately more SAHS girls have worn long dresses to school. Looks like all lengths are "in" now!

## Girl Scout News

The Junior and Cadette Girl Scout troops met on February 10 at the Methodist Church to make plans and decorate cookies for the Ranger Park Inn. Refresh-

ments were served by Debbie Shield.

The girls sang "Happy Birthday" to Debbie and Beth Burton.

The Girl Scouts met on Monday, Feb. 14, at the Methodist Church with the Cadettes making decorations for the party.

At 6:30 p. m. the girls were taken to Ranger Park Inn by Mrs. J. F. Weathers, Becky Rendon, Louise Morris and Mrs. Jerome Shield. The girls passed out Valentines to the nursing home residents and sang songs for the group.

Refreshments were served by Beth Burton, Suzie Cozart, Dolly DeLeon, and Tracy Benge.

The girls enjoyed the party so much they are already planning another for next year.

The Junior troop is happy to welcome Sue Weathers and Tracy Benge is new members.

The Cadette troop extends a welcome to Susan Culpeper.

Q) What effect will the new tax law have on the amount of tax withheld from my paycheck in 1972?

A) As a result of changes in the withholding system for 1972, single employees earning up to \$25,000 a year and married employees, whose spouses are not employed, with earnings up to \$31,000 a year can generally expect to have their full tax withheld. Wage earners should determine if it is necessary to file a new withholding exemption certificate (Form W-4) to avoid overwithholding and unnecessary reductions in take-home pay. Specifically, employees should (1) claim all the withholding exemptions to which they are entitled, (2) claim the new "special withholding allowance" if single and earning \$25,000 or less or if married and earning \$31,000 or less (allowance may not be claimed if employee has more than one job), and (3) claim the "additional withholding allowances" shown on the back of Form W-4 if their itemized deductions are substantially larger than the standard deduction.

Q) I was out on strike last spring. Do I have to pay tax on the strike benefits I received then?

A) Yes, strike benefits are taxable, unless the facts clearly show they were intended as a gift. See IRS Publication 525, Taxable Income and Nontaxable Income, for complete information. It is available free by dropping a postcard to your IRS district office.

Q) What transportation expenses are deductible that are not business related?

A) You may deduct as a charitable contribution "unreimbursed out-of-pocket transportation expenses directly attributable to services you render to a charitable organization. If you use your own car, instead of actual expenses you may use the rate of six cents per mile to determine your deductions.

Transportation expenses necessary to get medical care are also deductible in the same way. However, these expenses are subject to the three percent rule for medical expenses.

Transportation expenses in connection with education and moving may also be deductible. Details can be found in two booklets: IRS Publication 508, Tax Information on Educational Expenses, and Publication 521, Tax Information on Moving Expenses. They're both available free by dropping a postcard to your IRS district office.

Q) Have there been any changes in the Social Security Tax rate for 1972?

A) No. The rate remains at 5.2 percent for both employers and employees. However, the maximum amount of wages subject to social security tax has been increased to \$9,000 for wages paid in 1972.

Q) How much is the percentage standard deduction this year?

A) On your 1971 return the standard deduction is 13 percent of your adjusted gross income up to a maximum deduction of \$1,500. Thus, if your adjusted gross income is \$11,000 and you take the standard deduction, that deduction would be 13 percent of \$11,000 or \$1,430. If the adjusted gross income is \$16,000, the standard deduction would be the maximum of \$1,500 since 13 percent of \$16,000 is \$2,080.

**ASC News . . .**

By Joe K. Taylor  
 The County Committee has received a letter from the State Committee advising that Tordon will be approved for cost-share provided it is released by the Washington office.

We should know in time to set up the practice of arial spraying of mesquite by the use of this chemical.

Producers who participate in the feed grain, wheat and cotton programs and plant the designated commodities are reminded that the crop must be planted and cared for in a workmanlike manner. This includes preparation of a good seedbed and planting and caring for the crop in a manner through good cultural methods, with full expectations of producing a crop.

There is an additional option for corn-grain sorghum farms. As an alternate to options already available under the Feed Grain Program, producers may have a guaranteed additional set-aside of up to 10 per cent of the combined corn-grain sor-

ghum base at rates of 80 cents a bushel for corn and 76 cents a bushel for grain sorghum, and may also offer another 5 per cent of the corn-grain sorghum base at these rates to be accepted at the election of the secretary provided:

A. The producer foregoes the additional set-aside options already available for corn-grain sorghum and foregoes any additional set-aside for barley.

B. The 1971 corn and grain sorghum acreage is reduced for 1972 by twice the additional acreage set aside. The permitted acreage of corn and grain sorghum may be planted in any combination but payment for additional set-aside will be credited to the extent possible to the underplanted crop with the higher per acre rate, not to exceed one-half of the underplanted acreage of that crop, and the remaining payment for additional set-aside will be credited to the other crop.

Final sign-up date March 10.

**Conservation Conversation**

by Bob Pearson

A great amount of publicity and interest is being given today to the protection and conserving of our environment and natural resources. Livestock producers who have adopted planned grazing systems, perhaps unknowingly, are aiding in this effort to conserve our natural resources. The increased amount of forage per acre produced as a result of a planned grazing system helps to hold the soil in place, thus greatly reducing the erosion of the soil and the siltation and pollution of our waterways, streams and water supplies. Therefore, keeping and improving good native grass cover by the use of planned grazing systems is an important conservation practice and keeps livestock well fed.

Systems of grazing which combine proper grazing use with scheduled rest periods for each pasture are being successfully used by more and more livestock producers each year.

A planned grazing system is a system in which two or more grazing units are rested from grazing in a planned sequence throughout the year or during the growing season of the key plants. There are several regulations necessary to assure a good planned grazing system:

1. Base the herd size on the carrying capacity of the entire area. Carefully determine how many animals can be properly fed on the forage produced without overusing the key plants.

**Safety Group Says New Law Not Being Met**

Austin — An informal roadside survey made recently by the Texas Safety Association shows that some Texas gravel truck operators and other loose material haulers may be unknowingly violating a new law.

The statewide safety group in a release from their Austin headquarters today said the law is one passed by the last session of the legislature governing the loading and hauling of loose materials including gravel, sand and dirt. The law does not apply to agricultural products.

The law requires that the trucks be loaded no higher than six inches below the top of the sideboards when left uncovered. Higher loads must be covered by canvas to prevent spillage. If materials fall from a truck because of improper loading, both the hauler and the loader are liable under the law. Fines for the first offenses can be from \$25 to \$200, subsequent offenses carry fines of not less than \$200.

2. Be sure to set up an adequate length of time for the rest period (4 to 8 months of rest is adequate for pastures.)

3. Provide a year-round water supply.

4. Provide a built in protection so that all areas and all of the plants will receive deferment at all seasons of the year over a period of years.

5. Provide for flexibility in the system. Be prepared to cull and sell livestock in order to protect vegetation, but by the same token, be ready to purchase more livestock if surplus forage is available.

6. Any planned grazing system has to be balanced with the climatic conditions which exist, the kinds of plants present, the pastures, fencing, water, and the kind of animals.

In the past, Texas grasslands have been grazed year-long by livestock as well as by wildlife. Continuous grazing destroys many of the most desirable forage plants essential to wildlife and livestock production. Forage plants are more vigorous and productive and they reproduce in greater abundance when given periodic rest from grazing. Other benefits realized from a planned grazing system include greater efficiency in grazing because a larger number of livestock in a smaller area are forced to graze more evenly; producers can schedule brush control in such a way as to be sure deferment following brush control will coincide with rotation deferment; and finally the producer has to cover less territory when he is feeding.

**Boy Scout News**

The Santa Anna Cub Scouts, Pack 30, is having a Blue and Gold banquet on Friday, February 25, at 6:30 p. m. at the Lions Club building. They will celebrate the birthday of cub scouting.

Cubs in both dens are planning special surprises for the entertainment that evening. All Cub Scouts and their families are invited to attend.

The following statements are from members of the local Cub Scout organization telling why they like scouting: **WHAT WE DO AND WHY I LIKE IT** by Eddie Dawson

**What We Do:**  
 We cut paper, we visit the rest home. We do some coloring and pasting. We go camping, too. We learn to cook. We learn to paint. We learn to fix things.

**Why I Like It:**  
 I like it because it keeps kids off the streets. I like it cause it teaches me something. It helps me grow in mind and self. It teaches me to work and play at the same time. We learn to talk in front of a group of people. It helps me to get along with others. It teaches me to be nice to older people. We learn to listen. We are learning to make movies.

**WHAT I LIKE ABOUT CUB SCOUTS**

By Jody Naron

What I like about Cub Scouts is the fun you have in it. For example—hikes, cook-outs, games, banquets, skits, films, and many more. I like Cub Scouts very much.

**ATTENDING PRESBYTERY**

Rev. Bill Weeks, pastor of United Presbyterian Church, and R. W. Balke will be in Lubbock Friday and Saturday for the meeting of the Polo Duro Presbytery. Rev. Weeks is a member of the presbytery council. The local Presbyterian congregation was changed from the Central Union Presbytery at the beginning of this year.

The National flower of the United States is the golden-rod.

Cecil Elder of Midland and two friends came and hunted some on Rankin McIver's place and had dinner with them Sunday. They visited us later in the evening and also had lunch with us before they left for home. We were gone when they came the first time.

Visitors with the Grady McIvers during the weekend were Terry and Orabeth McIver and Reece of Brady, and Mr. and Mrs. Dwight Hudson of Santa Anna visited them all Saturday.

Betty Miller and girls of Austin visited over the weekend with her parents, the Buck Mitchells. They took J. Miller home. He has been with them several weeks because he had the chicken pox while here.

Mr. and Mrs. Oil Martin have been moved to the Bangs rest home. They have both had the flu lately but are doing better.

The Quilting Club meets again this Tuesday afternoon at the Community Center. There were 14 present last week and a quilt was finished for Nell Fellers. I have one up and Tavy Ford will put in one today.

We are having some pretty weather, a little cold this morning a new norther blew in last night.

### ATTEND FUNERAL

Mr. and Mrs. Luther Clinch and son Dick attended the funeral of Mrs. Clinch's niece in Hamilton. The niece was victim of a car accident near Cleburne. Her husband was seriously injured.

## How come this kid has more money saved than you do?

Because over the years his parents have invested in U.S. Savings Bonds—in his name, for his future—by participating in the Payroll Savings Plan at work.  
 He probably doesn't even know. And right now, he couldn't care less. But when he's older, that money can be used for a lot of things—a car, a college education, or even a new home.  
 The Payroll Savings Plan is an easy way to save money for you and every member of your family. When you join, an amount you designate will be automatically laid aside from

your paycheck and invested in U.S. Savings Bonds. It's a painless way to save.  
 And now there's a bonus interest rate on all U.S. Savings Bonds—for E Bonds, 5 1/2% when held to maturity of 5 years, 10 months (4% the first year). That extra 1/2%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970... with a comparable improvement for all older Bonds.  
 Join the Payroll Savings Plan where you work and make your son the richest kid on the block.

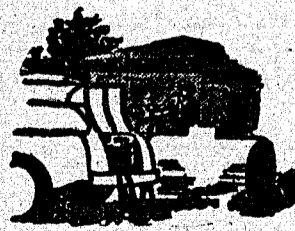

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. Tax may be deferred until redemption. And always remember, bonds are a good way to save.

## FFA Week

FEBRUARY 19-26

Learning To Do...  
 Doing To Learn...  
 Earning To Live...  
 Living To Serve...

Not only does FFA prepare youth to take over from their elders when the time comes, but it gives them a fellowship that they find in the fine training for the better things of life.

## FOURTEEN FROM SANTA ANNA TO EXHIBIT SWINE IN SHOW

Fourteen members of the Santa Anna FFA chapter will show swine entries in the Junior Division of the Houston Livestock Show and Rodeo. Members participating in the competition include Roy Keeney, Ricky Beal, and Kenneth Singleton all showing one Hampshire barrow each; Richard Cupps, Billy Diaz, and Raymond Holland showing one Yorkshire barrow each; Ronnie Daniel showing two Hampshire barrows; Tammy McIntire showing two Yorkshire barrows; Mark Shambek and Mark Wagner showing one Crossbred barrow each; Cline Smith showing one Hampshire and one Chester White barrow; and David Cupps showing one Hampshire and one Crossbred barrow. All of these entries are in the Junior Barrow Show. Other Santa Anna entries will be in the sheep

and steer divisions. A record number of entries and premium money makes this year's Houston show the largest livestock show in the world. Classes are provided for 10 beef breeds, 4 dairy breeds, 6 swine breeds, 11 sheep breeds, 5 rabbit breeds, 22 poultry breeds and Angora goats. Among other programs benefiting youth on a state-wide basis are the Scholarship and Research Programs. The Houston Livestock Show and Rodeo annually presents scholarships to outstanding FFA and 4-H Club members in the amount of \$4,000 each. The Houston show begins on Feb. 23 and will end on March 5.

### Kenneth Haynes In HPC Group

Kenneth Haynes, son of Mr. and Mrs. Clyde Haynes of Brooksmith and formerly of Santa Anna, was recently initiated into the Gamma Beta Phi society at Howard Payne College. The organization is a service-leadership group for students in American colleges and universities. Its purpose is "the advancement of educational ideals, the encouragement of scholastic effort, and the awarding of academic merit."

Mr. Haynes is a candidate for a BA degree in sociology and psychology in May and at that time will enter law school. He and his wife, Jodi Ann, reside in Brownwood.

### P. O. TO CLOSE FOR HOLIDAY NEXT MONDAY

Postmaster John Gregg has announced that the Santa Anna post office will be closed next Monday, Feb. 21, in observance of Washington's birthday. Although all newspapers and first class mail will be put in the local boxes, there will be no window service or rural route service that day.

The Santa Anna National Bank will also be closed next Monday according to O. L. Cheaney.

### Fishing Guide Now Available

Austin — Up to date information on the laws affecting the Texas fisherman are now available from license deputies across the state, according to Texas Parks and Wildlife Department officials.

The Texas Sport Fishing Guide for 1971-72 contains license requirements, fresh water regulations, county listings, lake laws, laws concerning minnows, saltwater regulations, laws concerning tropical fish and laws concerning other protected species.

Regulations for commercial fishing, shrimping, netting and other commercial activities related to fish are included in another publication, the "Texas Commercial Fishing Guide," now being prepared.

### Jim Gill Chosen State President Of Organization

Jim Gill of Coleman was elected president of the Texas Polled Hereford Breeders Association when the organization held the state-wide meeting in Fort Worth recently. This is the second time for the well-known Hereford breeder to head the Texas group. He has also served twice as the president of the national association. Mrs. Gill was chosen secretary of the Texas Polled-ettes, the ladies auxiliary of the organization.

### Former S-Annan Buried Monday

Charlie G. Shields, a former Santa Anna resident, died on Friday, Feb. 11, in the Veterans Administration Hospital in Shreveport, La. Funeral services were held in Coleman on Monday with burial in the Whon cemetery.

Born in Lampasas County on January 10, 1897, he had lived in Coleman County most of his life. He was a Baptist and a member of the American Legion. He was a veteran of World War I.

Survivors are three daughters, Mrs. Loretta Cochran of Henderson, Mrs. Dorothy Hernandez of Davenport, Fla., and Mrs. Rita Webber of Tucson, Ariz.; one son, Ray Shields of Odessa; one sister, Mrs. Minnie French of Texas City; three brothers, Fred and Calvin Shields, both of Santa Anna, and Dave of Cross Plains; 14 grandchildren and seven great-grandchildren.

### Thomas Wristen Gives Program For Lions Club

Thomas Wristen, manager of the Coleman County Telephone Cooperative, presented the program at the Santa Anna Lions Club Tuesday at noon. He told the history of the local telephone cooperative and outlined plans for extended service to the members.

Mr. Wristen introduced his guest, Frank Gillespie, who was one of the founders of the cooperative and presently a member of the board of directors.

During the business session the Santa Anna Boy Scout advisory committee was named. Those serving on the committee are Ford Barnes, Norman Walters, Bob Burton, Floyd Marshall, and Rev. Bill Weeks. Bill Griffin is institutional representative and a member of the District Scouting board of directors.

Another guest at the Tuesday meeting was Victor Nickel of Austin, a guest of Cullen Perry.

### FBC Directory Photos Taken This Weekend

Members of the First Baptist Church and their families will be having pictures made this weekend to be included in the FBC directory. The photographer will be on hand Saturday and Sunday afternoons, beginning at 1:00 p. m.

Transportation is to be provided those who need it, and ladies of the congregation will be serving as receptionist for the photographer.

The pictorial directory is the first ever planned by the church. Included in the directory will be pictures of the choir and the church staff.

Any church member who has not been contacted may make arrangements by phoning the church office this week.
