## Mountain Echoes

By  
Barbara  
Kingsbery

Being a rural resident, I seldom find it necessary to stop at the local post office at the morning "rush hour". However I spent two extra days at the NEWS office last week and stopped at the post office about 8:45 both mornings.

A visit to the local facility on the downtown street is somewhat like playing Russian Roulette. Many vehicles, few parking places and fast-moving traffic made me feel like a Japanese kamakazi pilot heading for self destruction.

Is that the way our townspeople get their "thrill" of the day? Count me out—I want to stay alive a little longer!

If it was necessary to make such a stop every day, I might be on the front row of folks promoting a new post office at a more convenient location.

★★★ bk ★★★

The bell rope at First Christian Church is being replaced, says minister Dennis Fewell. The large bell atop the church spire will be rung each Sunday 15 minutes preceding the services.

The Presbyterians have rung their church bell every Sunday for many years, and townsfolk will now enjoy hearing two.

★★★ bk ★★★

One attractive Santa Anna matron had her share of misfortune last week and we will not mention her name as she has had trouble enough.

Accompanying the local Presbyterians to Cross Plains to a supper and program, she tripped on descending steps and landing upright, but shaken, at the church fellowship hall. The mishap pulled the heels off both shoes, so there she sat, in her stocking feet, while R. C. Smith turned cobbler and put the heels back in place.

In the meantime, as our local lady pulled her chair to the table, her finger somehow got caught in the chair and almost severed the end of a finger. She said she didn't even flinch with the finger injury—she was trying to regain her composure from the exciting entrance!

Some days it is better to stay at home!

## THANKSGIVING HOLIDAY HERE

Most Santa Anna merchants will observe a holiday Thursday on Thanksgiving Day. The holiday is one of six observed by local merchants, and very little activity is expected in the community.

Santa Anna school students were dismissed Wednesday for the long weekend and will return to school on Monday morning.

## Yummy Pancakes On Menu For The SA Lions Fiesta

The Santa Anna Lions Club will be preparing and serving "Yum Yum" pancakes on Friday, December 6, for their annual pancake fiesta. Tickets are on sale or may be purchased at the door for \$1.25 per person.

The delicious, high protein pancakes will be served with a slice of ham, coffee or milk. Hearty eaters may get additional servings if desired.

The pancake sale is the club's biggest project each year, and the organization is preparing for several hundred people. Serving will be from 10 a.m. until 8:00 p.m. Everyone in the area is urged to go by for the delicious meal on December 6.

# Annual Holiday Opening Planned on December 6

The 1974 Holiday Opening in Santa Anna has been planned, and the event is slated to be bigger and better than in many years. Individuals and merchants are showing interest in the community activity, and many are helping with the promotion.

A feature of the day will be the Lions Club pancake sale which will be held all day at the Lions Club building.

A parade is planned for 3 p.m. that afternoon. Several floats, bands and other entries are expected in the parade, and musical entertainment will be held downtown during the afternoon.

An art and craft show and sale is being planned, and windows of all the downtown buildings are to be decorated for the Christmas season.

A committee from the Chamber of Commerce has made plans for the merchant's holiday promotion, with drawings to be held on Saturday December 14 and 21 and again on Tuesday, December 24.

All local merchants are being urged to take part in the drawings which will include merchandise and gift certificates. Customers will start soon signing tickets for the drawings. A drawing for children only is also planned on Christmas Eve.

Earl Simmons is general chairman of the holiday activities which are planned by the Chamber of Commerce. More plans will be announced next week for the December 6 opening and the other holiday promotion. Chamber of Commerce members were to meet Tuesday to make final plans.

## FBC YOUTH-LED REVIVAL SCHEDULED THIS WEEKEND

A youth-led revival will be held at the First Baptist Church November 29 through December 1. The Crosby Brothers, a team of music evangelists from Gatesville, will be leading the services each evening. The weekend revival will be the last appearance of the well-known group as the older brother is completing Baylor University and entering the full-time ministry. The young men conducted a meeting last spring and were well received by those attending.

A number of activities are planned during the weekend for members of the church and young people of all denominations. The schedule each evening will include Youth Choir practice at 5 p.m. and pre-service prayer meetings, to be held 15 minutes before each service. The services will start at 7:30 p.m. Friday and Saturday, and at the regular hours on Sunday.

Other Sunday activities will include a prayer breakfast at the church annex at 8:30 a.m. and a pot luck dinner at the annex following the 11 a.m. service. Praise fellowships will be held following the evening services. All area people are urged to attend any or all of the services.

## Work Progressing On VFD Addition

The new addition to the Santa Anna City Hall is almost completed. The new addition will house Fire Department vehicles.

The City of Santa Anna approved \$300 to purchase brick to be added to the front of the building. The brick will match the existing building as nearly as possible.

The Santa Anna VFD is looking forward to the completion of the new addition in order to have all the vehicles at the one convenient location and out of the weather and safe from vandalism.

Funds for the new addition have also been made available through the annual membership drives of the department and from other donations from community residents.

The Santa Anna City Council met for a called session at City Hall on Monday, November 25. Purpose of the meeting was to open bids on over ten acres of property at Ranger Park that is being sold for residential lots.

The bid of Dr. Fil Cabansag for \$300 per acre was accepted. It was \$189 above the other bid submitted. Dr. Cabansag's bid was accompanied by detailed plans for development of the new residential subdivision.

Council members agreed to change their meeting time to 6 p.m., instead of 10 a.m. Their next regular meeting will be on Thursday, December 5.

## Whon News

By Mrs. Tom Rutherford

We are having beautiful weather. A norther blew in Saturday night and old Jack Frost made his appearance Sunday night -- he was rather white around our place. But we are enjoying the sunshine.

Mr. and Mrs. Wimpy Watson were in Brownwood Monday afternoon.

Hilary Rutherford and son Rocky of Coleman and Mr. Mr. and Mrs. Loyd Rutherford and children, Tonna and Todd, were with their parents Saturday helping haul baled hay and with other farm work.

Mr. and Mrs. Tim Snowden of Brady visited their daughter, Mr. and Mrs. Graham Fitzpatrick, Sunday afternoon. Mr. and Mrs. Snowden had visited with Mr. and Mrs. Oliver Moore of the Stacy Community before coming to their daughter's here.

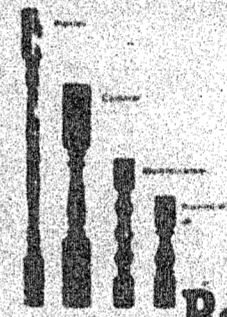

Mr. and Mrs. Chester McDonald of the Shields Community visited Friday afternoon with Mr. and Mrs. Wimpy Watson.

Mrs. Pearl Avants of Santa Anna and son, James Avants of Coleman, were on the Avants farm here Saturday.

Mr. and Mrs. Danny Valdez and baby of Santa Anna have visited her grandparents, Mr. and Mrs. Tom Vinson, during the past week.

Steve Sherrod of A & M College, his brother, Mitch Sherrod of Austin and Miss Karon Perkins of San Marcos were weekend guests of the boys' grandparents, Mr. and Mrs. Wimpy Watson. Karon and Mitch went to Austin Sunday afternoon. Steve left for College Station Monday morning. Jim Russell of Abilene, a former college friend of Steve, spent Sunday with the group in the Watson home.

Seems such a short period of time since we were wishing you a happy Thanksgiving, so again this week, we wish each and everyone a nice and Happy Thanksgiving for 1974.

# CONSERVE AND SAVE

### DISHWASHER SAVER-TIPS

A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on. Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware. Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.

### WATER HEATER SAVER-TIPS

It's amazing how much water a leaky faucet will drip in a month's time and if the leaking faucet is a hot water faucet, it will waste both energy and water needlessly. As an example, a faucet dripping 90 drops per minute will waste 300 gallons per month. To assure long life and efficiency, the water heater tank should have a small amount of water drained periodically. Once a month should be adequate. The purpose of draining water from the tank is to prevent sediment build-up in the tank bottom. The thermostat controlling the water temperature is usually pre-set at the factory to deliver hot water at 150° F. This setting has proven satisfactory from the standpoint of operating cost and household needs. A water heater that's old, or too small for your family's needs, can be wasteful, because it's working too hard and using too much energy to keep up with your hot water demands.

## Monday Mishap Injures Steer; Damages Truck

About \$300 damage was done to a Dodge pickup driven by Elmer Cupps in a collision Monday morning with a crossbred steer. The mishap occurred on Bowie Avenue about 8 a.m.

The steer, an FFA project of R. B. Dillard, had to be destroyed following the accident because of serious injuries.

The accident was investigated by City Marshall Ed Hesskew.

The only other activity for the local law enforcement officers during the past several days included help with the investigation of a burglary at Lake Brownwood in which the home of Tim and Dalton (Hicks) Sikes was burglarized. A DeLeon couple, fishing on Pecan Bayou near Byrd Store discovered some jewelry hidden along the bank of the Bayou. They notified Mr. Hesskew who turned the cache over to Brown County authorities who found the jewelry to be part of the items taken from the Sikes home.

## Friends Gather In Turner Home

By way of saying "Welcome Back to Santa Anna", Miss Gaye Turner opened her home Thursday and Friday nights, November 21 and 22, to friends who have returned to Santa Anna to enjoy their retirement years in the old home town. Co-hostesses for the open house were Miss Ann Stiles, Mrs. Erin Day and Mrs. Norman Walters.

Those present enjoyed visiting, getting re-acquainted and recalling school-day escapades. Among those present were members of the graduating classes of 1917, 1925, 1926, 1927, 1928, 1932, 1933, 1937 and 1938.

The living room was decorated with baskets of pyracantha berries. The dining table was centered with a large pumpkin surrounded by chrysanthemums, and the buffet was decorated with mums in fall colors flanking green candles.

Those present included Messrs and Mmes. R. W. Balke, Byron Brock, John Gordon, J. W.

McClellan, Dick Longbrake, Gus Morgan, and Mmes. Chet Holcomb, Helen Goodloe, Mildred Strother, Gay Vance, and Messrs. Robert Turner, Robert Stewardson, Euclan Niell, Julian Kelley, Norman Walters and the hostesses.
