## Elementary Age Girls Participate In Mini-Cheer Clinic

A number of elementary school girls participate in the SAHS Varsity Cheerleaders Mini-Cheer Clinic held at the school last week. Pictured above are cheerleader Andrea Siller, participants Stephanie Diaz, Becca Fellers and Audra Hubbard and cheerleader Davia Rankin working on learning the steps to a cheer.

## City Council Settles On Flat Fee For Cemetery Water Usage

Discusses Condemnations; New Computer Program

The Santa Anna City Council met Tuesday for their regular monthly meeting. Present were Mayor Karen Morris and council persons David Powell, Jim Spillman and Kay Yancy.

Others present were David Huggins, Billie Guthrie, Director of Public Works Doug Watson, City Secretary Alys Pelton and Chief of Police Carlos Torres.

Santa Anna Volunteer Fire Chief and Fire Marshall David Huggins discussed some of the concerns of the fire department. The 1975 Chevrolet pumper truck is needing exhaust work and a new tank. The big truck has an air leak and will not pressure up. Huggins asked if money could be set aside, if available. There is a general vehicle and equipment fund for police and street department vehicles or vehicle maintenance. This fund does not include fire vehicles. The council agreed to look at the work needed on the 1975 truck and decide if the city crews can fix it and if not whether to hire it done.

Huggins also discussed possible condemnation proceedings. The City has talked with City Attorney Sam Allen about some properties in the city limits which are in poor condition. Director of Public Works Doug Watson is preparing paperwork and taking pictures to be sent to Allen. Letters will go out to property owners and if no response is made the owners will be taken to court for possible condemnation proceedings.

Billie Guthrie and John Pearce appeared before the council representing the Santa Anna Cemetery Association. Turning the water on and off at the cemetery has received numerous complaints. The water has been turned back on due to the complaints and damage to the pipes. The cemetery association has discussed a mandatory donation to help pay the cost of water but feel this would not work as the regular donations vary. Another problem at the cemetery is the fence on the southeast side. At the present cemetery association will pay \$70.00 per month until a yearly av-

erage.

Russell Pruett, facility manager for Browning-Ferris Industries (BFI) was unable to attend the meeting but had talked with Director of Public Works Watson. There have been complaints of missed trash, speeding, dumpsters in need of repair or replacement and failing to check with City Hall before leaving town. Pruett assured Watson the matters are being addressed and will be corrected. Mayor Morris requested that a letter be written to BFI outlining the problems with dates and times. The council considers this a breach of contract and feels that if the problems are not corrected options for alternatives and getting out of the contract should be reviewed.

During the police report Chief of Police Carlos Torres reported that two burglaries have been cleared since the monthly report for June was prepared.

The court report was not presented since the judge was not pre-

## Sports Physical Clinic To Be Held Aug. 3; Two-A-Days Begin Aug. 5

Peggy Hensley of Hensley Family Health Clinic will give free physicals at a Sports Physical Clinic on Monday, August 3 from 3 to 6 p.m.

All incoming freshman along with seventh grade boys and girls who plan to participate in any athletic sports must have a physical before they can take part in sports. Also due to the small numbers of

boys in the seventh and eighth grades, sixth grade boys will be eligible for football and must have a physical.

A UIL Physical form must be used for all school physicals and may be picked up from the school administration office of Coach David Robinett's office in the gym. Students need to bring the forms to the Sports Physical Clinic with

personal medical history already filled out by parents.

Two-a-days for football and volleyball will begin on Wednesday, August 5. Time for football practice will be announced in next weeks issue of the NEWS.

According to SAHS Mountaineer Volleyball coach Christi Eisenhower, volleyball practice for high school girls will begin Wednesday, August 5 at 8 a.m.

## School Dress Code To Be Strictly Enforced

The following is an excerpt from the 1998-1999 Santa Anna Schools Student Code of Conduct regarding the dress code.

The Board of Trustees encourages students and parents not to abuse the dress code as it could possibly result in the removal of certain types of clothing from the campuses.

Dress Code--All Grades  
STUDENTS ARE TO:  
Dress in safe, neat and respectable manner.

Wear shirts and blouses that are long enough to cover the midriff area of the body (reach below the waist).

Button primary shirts and blouses from the first button below the collar downward.

Wear pants/jeans at or above the hipbone.

Wear proper undergarments which are not visible.

Keep hair neatly groomed. Mustaches must be neatly groomed. No other facial hair is allowed.

Cover tattoos with clothing or a bandage if inappropriate wording, picture, symbol or theme.

Wear appropriate footwear.

Wear clothing which is properly hemmed (no raw edges).

SPECIFICALLY PROHIBITED:  
Any garments without sleeves unless it has hemmed and fitted armholes.

Any blouse or shirt which reveals cleavage, muscle shirt, tube tops and strapless tops.

Wearing of caps, hats, sweatbands and sunshades in the building.

The use of personal grooming items (hair picks, combs, brushes, make-up, etc), in buildings except

in appropriate places, i.e. bathroom.

Jeans with holes in the knees or other areas to excess.

Shirts or blouses that are equal in length or longer than shorts, skirt or split skirt being worn.

Adornment in pierced areas of the body other than ears.

Shower things and the like.

Shoes with cleats (baseball, football, soccer, etc).

Articles of clothing that are sheer, or "see through" as a primary garment.

Articles of clothing that advertise alcoholic beverages, drugs, tobacco, etc. (such as Red Dog or Camel).

Articles of clothing with inappropriate slogans, symbols, or pictures of persons dressed in a manner not consistent with good taste as outlined in this policy.

Skirts or dresses that do not reach a length within six inches above the knee (six inches from the floor to the edge of the garment with the student in the kneeling position and with skirts placed at the natural waistline).

Shorts and split skirts shorter than six inches from the crotch seam to the edge of the garment hem.

Fleece, bicycle and wind shorts. Cut-off jeans that are not hemmed or rolled at the bottom.

Any item of clothing that is judged to be inappropriate in regard to fit, and/or create any distraction from, or disturbance of, the learning environment.

In grade PK-3, the criteria for shorts is relaxed, with discretionary judgment left up to the principal or assistant principal. Anything too

tight or too short will be questioned.

These guidelines do not meet all unforeseeable situations that might arise regarding student dress and grooming. Therefore, when a question arises regarding the appropriateness of a student dress or grooming feature, the principal or assistant principal will be responsible for determining whether or not the questioned dress or grooming feature is appropriate. Students found in violation of the dress or grooming code will be asked to correct the violation immediately.

Those not complying will be subject to disciplinary action. Student cooperation with the dress and grooming code will be expected and appreciated.

Violation of the dress code will result in the following consequences:

1. First offense--Alternative garments will be provided and parents will be notified.

2. Second offense--Alternative garments will be provided and parents will be notified.

3. Third offense--The student will not be allowed to wear the clothing that was inappropriate again for the remainder of the school year. Example if the short length was too short for three times, the students will not be allowed to wear shorts again.

Please note that sponsors with responsibility for extra-curricular activities may set standards in excess of those found in this code.

It is the hope of the school that these guidelines will help in providing a learning environment where every student is comfortable and learning can occur without undue distractions.

## Turner Says Coleman County To Receive \$171,000 From Tobacco Settlement

State Representative Bob Turner, D-Voss, has announced that counties and hospital districts within House District 73 will receive millions of dollars from a tobacco agreement reached last weekend.

Legislative leaders have been working with counties and hospitals for several months to find a fair and equitable way to distribute part of Texas' multi-billion settlement to those entities. Under the agreement, the entity receiving the payment may be the county, hospital district and/or other political subdivision depending on which entity has the legal responsibility for providing indigent health care.

Preliminary estimates indicate that in January 1999 an estimated \$186,536 will be distributed within Bandera County; \$607,029 within Brown County; \$171,489 within Coleman County; \$53,760 within Concho County; \$82,159 within

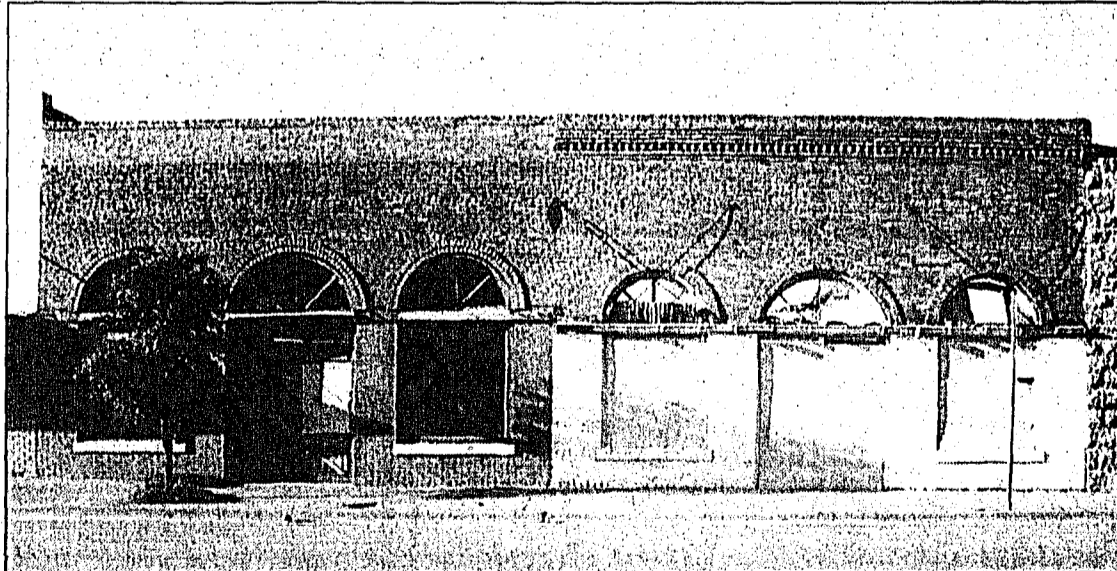

Crane County; \$72,022 within Crockett County; \$2.1 million within Ector County; \$40,020 within Edwards County; \$72,799 within Kimble County; \$205,416 within Llano County; \$60,454 within Mason County; \$39,773 within Menard County; \$42,599 within Real County; \$52,807 within Schleicher County; \$73,029 within Sutton County; \$78,539 within Upton County; and \$231,625 within Ward County. This money will come from an initial lump sum payment of \$300 million that will be distributed on a per capita basis by the Comptroller of Public Accounts.

In addition to the initial lump sum payment, a Permanent Trust Account will be established and funded over a four-year period in the amount of approximately \$1.8 billion. The income from this permanent fund will be distributed to the

counties and hospital districts on a pro rata basis in proportion to their amount of unreimbursed health care expenditures for indigent health care.

"Since all the counties in District 73 are constantly faced with a budget crisis and being fully aware of the strain that the requirement of providing funding for indigent health care places on the counties, this news comes a 'mana from heaven' Representative Turner was quoted as saying.

Legislative leaders met Saturday, July 18 with the counsel for the counties and hospital districts that intervened in the tobacco settlement and Judge Jim Meyers, a court-appointed mediator. As a result of that meeting, an agreement was reached. It includes the stipulation that the motion for sanctions against the governor and several legislators must be withdrawn before this agreement is finalized.

## Expansion Work Drawing Lots of Curiosity

Expansion at Simmons Feed & Seed on Wallis Ave. has been drawing lots of curious onlookers of late. The two buildings owned by Simmons between the present feed store and Santa Anna News are being gutted, and partially re-roofed in preparation for storage of a new rig Simmons is expecting to be arriving in a couple or three weeks. The building next door to the NEWS office will be converted into a drive-thru and the other will be used for the rig storage and fertilizer storage. The new large fertilizer applicator rig will do multiple applications of fertilizer at the same time, will spray chemicals and will mix seed and fertilizer in a single application. Simmons is also getting a site ready east of the Santa Anna Co-op gin where another storage facility is to be located.

Have you noticed the colorful pictures on the sidewalk before the library? Boys and girls of the Summer Reading Club made these pictures. They were the Texas flag, stars and cacti-plus some "Texas Kid Stuff".

We have new permanent name tags. These should last for years and they help with the drawings.

The younger and boys and girls heard two stories *The Legend of the Bluebonnet* and *Hiawatha's Childhood* the famous poem by Henry Wadsworth Longfellow. They discussed the Indians who lived around here. Each boy and girl made an Indian headdress.

Middlers heard two stories from *Twenty Texans*, the story of Charles Goodnight and of Cynthia Ann Parker. Members made three games—a crazy top, a whirler and a Picaria. The last game was taken to Spain by people of Africa. The

Spanish brought it to the Southwest. The American Indians changed it some and it became theirs. It is similar to Tic Tac Toe but more challenging. There are more copies of the instructions at the library.

Our oldest members had a chapter from *The Story of Texas* Peter Ellis Bean who drew the wrong bean was imprisoned for ten years in Mexico. He developed a friendship with a white lizard.

The craft that this group made is truly a collector item. When Mrs. Gladys Barnes re-decorated her bath-

room, she asked Mr. Nathan Starr to remove the old tile. He and Patsy found that these were made by the Santa Anna Tile Company.

By spending hours in the hot sun, they cleaned the tiles and now have shared them with our members. These are a real bit of history so cherish them. You'll find no more.

The surprise in the book bag was the Indian figure that matches the cowboy they received earlier.

We thought it appropriate that the plastic jars of pop that kids received on leaving were called *Hugs!*

Our appreciation to Oma Dean Horner, Geneva Garrett, Carrie Absher, Betty Key, Patsy Starr and Nathan Starr.

Reading Club just couldn't happen without those adults and helpers like Shante' Shepard, Jon Smiley, Robert Pearce, Sherrie Singleton and Jon Turney.

Jeffrey, Amber and Jessica Gilder are proud to announce the arrival of their baby sister, Chaney Deanne. She was born at 4:21 a.m. on July 5, 1998 in Memorial Hospital at Colorado Springs, Colorado. She weighed 7 lbs. 5 ozs. and was 20-1/8 inches long.

Proud parents are Doug and Lana Gilder.

Grandparents are Charles and Frances Pyburn of Santa Anna and Larry and Patsy Gilder of Coleman.

Great-grandparents are Mrs. Eugene Gilder of Coleman and Mr. and Mrs. R. E. Pyburn of Voss.

read extra books. The school has certainly been encouraging children to read. We hope that those who read through the summer will show it this fall.

This summer there have been several TV movies that have been made from books. *Black Beauty* was on this week. This is a classic. *Madeline* will be at the movie and *Mulan* is there now. The library has children's books of all. It would be fun to share in the family.

The library also has *Scarlett*. If you want to get the read story. Remember they selected an author to write this sequel to  *Gone With The Wind*. Maybe—probably—I am predicting but I don't think you can beat the written word.

We don't have *Napoleon* but it sounds good, the story of a puppy who runs away and its rated G.

### District Court Handles Arraignments, Dispositions

District Attorney Ross Jones recently presented to the following cases for disposition and arraignments before District Judge John Weeks:

Dennis Joe Allen pled guilty to Passing a Forged Instrument and was sentenced to two (2) years confinement in a state jail facility, probation for a term of five (5) years, payment of a \$1,000.00 fine, court costs, court-appointed attorney fees, community supervision fees of \$30.00 per month and restitution totaling \$2,629.45. Pursuant to an agreement reached with the District Attorney's office in Motley County, Texas, restitution was ordered paid as part of this plea agreement from a case pending there. He will also be required, as a condition of Community Supervision, to serve not less than 120 hours of community service under the supervision of the Adult Community Supervision Office of Coleman County. The sentence imposed will run concurrently with the sentence imposed in another case against Allen in this court. A third case was dismissed as a part of this plea agreement.

Dennis Joe Allen pled guilty to Passing a Forged Instrument and was sentenced to two (2) years confinement in a state jail facility, probation for a term of five (5) years, payment of court costs, payment of court-appointed attorney fees and to serve not less than 120 hours of community service under the supervision of the Adult Community Supervision Office of Coleman County, Texas. He was represented by court-appointed defense counsel Bob McCool.

A hearing was held in a Revocation of Community Supervision, Indecency with a Child on a motion for new trial filed by Danny Moore's defense counsel. After testimony was heard and evidence presented, the motion for new trial was denied. He was represented by court-appointed attorney Fred Franklin.

The following cases were presented for arraignment: Charles Baker, Sexual Assault. Bob McCool was retained as defense counsel and a waiver of arraignment was entered.

Stephen Paul Garza, Aggravated Robbery, Arraignment was rescheduled for July 23.

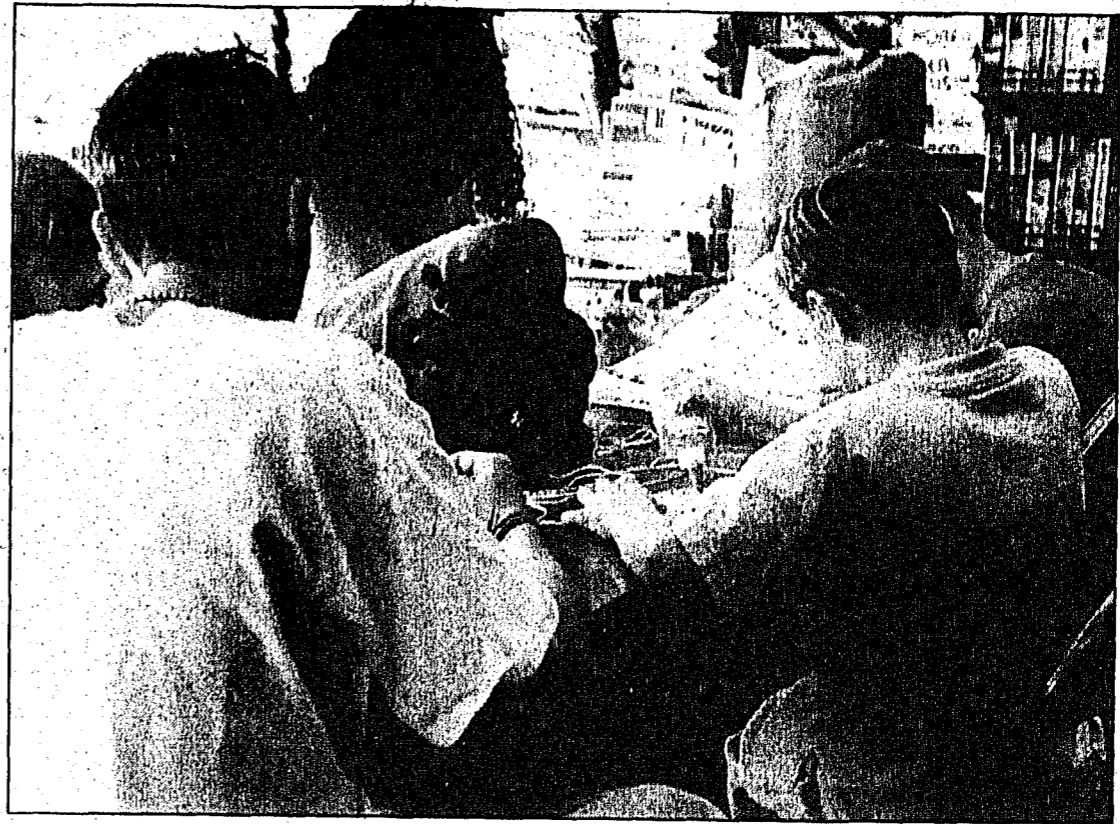

Raquel Flores, Aggravated Robbery. Arraignment was rescheduled for April 23.

Christopher Don Warrick, Unlawful Possession of a Firearm by Felon. He was taken into custody on a Motion to Revoke Community Supervision filed in a separate cause. Arraignment was rescheduled for a later date.

### Summer Reading Club Kids Enjoy Crafts

The children who attend the Summer Reading Club each Thursday at the Santa Anna Library enjoy doing different crafts each week and learning new things. This past Thursday the middle group of youngsters made three games. One of the games was a form of the modern day tic-tac-toe. The game they made originally came from Africa to Spain. The American Indians claim the game. Pictured above working on their games are Shante Shepard, Kendra Coleman, Micah Pritchard, John Smiley, Jordan Smiley, and Matthew Oettinger.

### Defending Your Home Against Wildfire

ABILENE--Homeowners need to take time to begin defending their homes against wildfire, advises the Texas Forest Service.

"The ongoing disaster in Florida should prod Texans suffering the driest conditions in a century, to build a fire-safe zone called 'defensible space' around their homes," according to Information Officer Lou Sloat with the Texas Forest Service Fire Prevention Team in Abilene.

"Folks living in what we call the 'urban interface', or what is commonly referred to as 'out in the country', are at great risk. A few hours of work now could pay off by saving your home from wildfire."

Sloat advises homeowners to clear flammable vegetation to a distance of at least 30 feet from homes, and to prune lower limbs, thin tree stands or clear them completely from the safety zone.

"Yard trees and shrubs should be at least 15 feet apart, and limbs should be cut off up to 15 feet from the ground," according to Sloat.

He also advises removal of limbs that hang over roofs and chimneys, cleaning leaves from gutters and roofs, and storing firewood at least 30 feet away from homes preferably not on a slope.

The dry conditions also dictate some other common-sense precautions, according to Sloat. Those include dumping cooking charcoal and spent fireworks into metal buckets then soaking them with water, keeping garden hoses hooked

up and shovel, rake and a ladder at hand.

"Homeowners should think strategically," Sloat said, advising them to examine their access roads to ensure they're wide enough to fire engines and bridges are strong enough to support trucks."

Strong afternoon thunderstorms continue to produce heavy lightning strikes and strong winds that are causing problems for firefighters statewide. These lightning strikes have produced the majority of wild-

fires in Texas, and the accompanying strong wind gusts cause many of the fires to spread rapidly.

Since May 1, more than 6,230 wildfires have burned more than 283,856 acres in Texas. The major causes of these wildfires have been lightning, escaped controlled burns, improper disposal of smoking material and improper use of power tools and welding equipment in grassy areas.

### June County Court Report

Coleman County Judge Sherrill Ragsdale was reported the following actions in his court during the month of June:

Shanon Litton pled guilty to Possession of Marijuana and was assessed a fine, court costs and placed in county jail.

Joey Logue pled no contest to Criminal Mischief and was assessed a fine, court costs, restitution and placed on probation.

James Robinson pled guilty to Assault and was assessed a fine, court costs and placed on probation.

Scott Hull pled not guilty to Criminal Mischief and was released on bond.

Brenda Joyce Woods and Earl Lamont Rashad Freeman both pled guilty to Possession of Marijuana and were assessed fines, court costs and placed on probation. Freeman was placed back in jail for an outstanding Travis County warrant.

Jason Alan Bennett pled guilty to Driving While License Suspended and was assessed a fine, court costs and placed on probation.

Richard Gonzales pled not guilty to Criminal Mischief and was released on bond.

Willie Lee Thomas, III pled no contest to Assault and on a Motion to Revoke Probation on a Driving While Intoxicated charge. He was assessed a fine, court costs and placed in county jail.

Ronald Joe Clem pled guilty to Assault and was assessed a fine, court costs and placed on probation.

Judge Ragsdale reminds everyone that a burn ban is in effect in the county and the fire potential is very high. Also county road signs should be going up to mark every intersection in the county. All permanent 9-1-1 mailing addresses should be mailed within the next 30 days.

U. S. Representative, 17th District

Just when you feel like settling into a "things-sure-aren't-like-they-used-to-be" complaint session, along comes an event that erases the words right out of your mouth. It happened again recently with the passing of one of my personal favorite heroes, Roy Rogers.

Personally, I allowed myself some moments of good old nostalgia just like many other Americans this week. In fact, I've always felt a special bond to Roy Rogers because he made his starring role debut on the silver screen the same year I made by big entrance into the world. In other words, Roy Rogers was always a part of my life, just as real as the family and friends who joined me at the Saturday matinee when we imagined ourselves fighting the bad guys right next to Roy and Dale and especially Trigger.

When Roy told us children to obey our parents and to be fair with our friends, we knew that was what we had to do. Not only did he show us how to be kind to those less fortunate, but even when he was fighting the guys in black hats, he was controlled and just, shooting the gun from the bad guy's hand, not the gun-slinger himself.

I read recently that a 1940s survey conducted by *Life* magazine among children found that when asked whom they most wanted to emulate, Roy Rogers matched Franklin D. Roosevelt and Abraham Lincoln. *Life* didn't make it to Stamford, but I sure know where my vote would have been.

But amidst all of the nostalgic reminiscing, did you think about what this National reaction to Roy's death and life said about our Country today? Did it occur to you that what was being written and remembered tells as much about our Country's present and future as our past?

The recent feature stories and editorials appearing in virtually every paper in the Nation were written with admiration. Roy Rogers, an elderly man left with a wobbly singing voice and largely confined to a wheelchair, was described with great respect.

By today's standards, his style was far out of date. The narrative of his movies' plots and their technical simplicity could have been ridiculed by a society grown sophisticated and jaded. But they weren't. Why? Because Americans still believe in right and wrong, still want heroes who are humble, simple men and women who live their lives with

integrity, still trust in God-fearing folks who promote honesty and decency and kindness.

It's easy to moan that those virtues aren't displayed in today's heroes (or if we're honest, even in ourselves) as much as we'd like or as much as we remember from the past. But if Americans didn't still believe deeply in those values—values of truth and humility and kindness and justice—then an old-fashioned Hollywood cowboy like Roy Rogers would have been snickered about or buried in obscurity.

Fortunately for him, and even more fortunately for us, he wasn't. As always, Roy left us all with a tear in the eye and a smile on our faces, feeling our hope restored that this Nation has many Happy Trails to come.

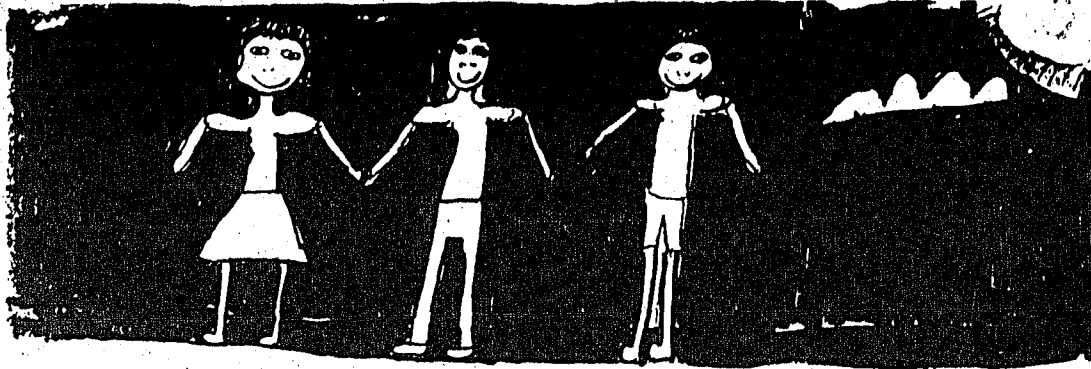

**Helpful Tips From Santa Anna Elementary**

**Simple Home Activities Help Children Learn to Listen Well**

Children can't follow instructions and do well in school if they can't listen well.

- **Learning to listen takes practice.** And parents can give children practice with activities like these:
  - **Clap for a word.** Read a story aloud to your child and ask her to clap every time she hears a particular word. She can also clap when words rhyme with the word. Or clap when she hears a noun or a verb.
  - **Fill in the missing word.** Read or tell a story. Pause at a word, and let your child supply it. For example, "One day, Sally's mom had to go the grocery (pause for

**Community Calendars Now Available**

The Delta Omicron Sorority Community Calendars are now available. They may be purchased from Bernidine Watson at the Coleman County Telephone Cooperative office or Peggy Hensley at Hensley Family Health Clinic. The cost is \$3.00 per calendar. Once again the sorority had school children draw pictures to be judged. Third place winner for the above picture drawn by Priscilla Guerrero. Her artwork appears on this year's calendar.

By Anna York

The reunion of all former school students and those that use to live in this area was held at the community center Saturday with a large

crowd attending. A lot of talking, picture taking and went on and each one present seemed to enjoy the day.

Lea and Loyd Mock of Post, Bettie Miller of Austin and Jeannie Stitt and children Ryan and Lindsey of Vandenburg Air Force, California spent the weekend with their children and grandmother Mary Lea Mitchell.

Tona Holland and children Jonathan and Charity spent several days last week visiting at Lago Vista with her grandmother Mrs. Lena Mae Willett and enjoying swimming and fishing at Lake Travis.

Frank and Lois Wallace of Santa Anna were Thursday evening supper guests of Reba and Elvis Cozart.

Earlene Dockery visited Monday with Annie Lou Vaughn and Chase and Vance McShan of Brownwood visited with her Wednesday.

The descendants of the late Markham and Rosie Henderson had their family reunion over the weekend at the Embassy Suites in Abilene with sixty-three relatives and four visitors being present, all report a nice time of visiting and being together.

Novella Stearns spent the weekend at McGregor visited with her son Sherman and his wife, Dortha and grandson Clint and his family.

Royce and Wanda McIver were at Buffalo Gap Friday where they visited their son Britt McIver and family.

Bettie Martin visited in Brownwood Thursday with her mother Mary Crawford. Paul Martin and son Colt of Santa Anna visited Sunday afternoon with his parents Felton and Bettie Martin.

Those that visited with Mrs. Florence Stearns during the week

were Pat and Edna Stearns of Fort Worth and Brooksmith, Doris Stearns of Brownwood, Marjorie Sullivan of Bandera, Alice Wells of Coleman, Novella Stearns, Verna Bolton and myself. We are proud to report that Mrs. Stearns is back in her home after being at the home of her son for several weeks where she was recuperating from a long sick spell, she seems to be doing pretty well and we hope she will be much better soon.

Wanda James of Abilene and Roberta McShan of Brownwood visited Friday afternoon with Mrs. Gertrude Martin.

Steve and Catherine McClatchy and sons Phillips and Chuck of Garland were Tuesday visitors with Talmadge and Laverne McClatchy.

There were sixteen present Thursday night at the community center for the eighty-four club meeting.

Cheryl and Andy Campbell of Brownwood brought lunch Sunday and had it with her grandmother Mrs. Edna Laughlin in while visiting.

**Farm Bureau Plans Annual Ice Cream Supper Thursday Evening**

The annual Coleman County Farm Bureau ice cream supper will be Thursday, July 23 at 7:30 p.m. in the City Park.

All Farm Bureau members and their families are encouraged to attend.

So come on out and let the Farm Bureau Board of Directors serve homemade ice cream and goodies to you with a large helping of fellowship.

See you there!

**'Round & About**

- **Play echo.** Have your child repeat whatever you say.
- **Tune in to feelings.** Watch a movie together and ask your child to listen for emotions and moods. How did the different characters show their feelings with their faces and voices?

Lane Thompson of Lake Brownwood visited and spent Wednesday night with Carol Herring, Casey Wade, Summer and Jade. He then accompanied the girls to the summer reading program at the library before his mother, Pam Herring picked him up Thursday afternoon.

City Council - Continued from page 1

sent and the court clerk was at court clerk school in Austin. City Secretary Alys Pelton told the council about a computer program received in the mail. The program has accounting, billing, payroll and meeting notes. The accounting system being used is obsolete and the company is no longer in business. The payroll is done by hand. The utility program is not year 2000 ready and it and the accounting program currently run in DOS format. Total cost is \$799.

There are no maintenance fees for the program, although they do charge \$100 per year for updates. The City is currently paying \$295 maintenance per year for the utility billing program alone. The council recommended the purchase as the money becomes available. There were nine major leaks reported in the city maintenance report. Watson reported that the City has 180 days to comply with the Texas Natural Resource Conservation Commission to repair the water storage tank.

School Board OKs Dress Code Discusses Distance Learning Center

The Santa Anna ISD Board of Trustees met in their regular monthly meeting on Tuesday, July 14.

Board members attending were Roddy Dean, J. R. Salazar, Paul Martin, Gay Abernathy, Mike Pritchard and Sharon Guthrie. Also present were Superintendent of School Dean Bass, Business Manager Judy Hartman and District Principal Lee Coffman.

Visitors present were Janet Neff, David Robinett, Sandra Guthrie, Sha'ron Cheaney and Montie Guthrie.

The Board agreed to hire Burl Lowry, CPA to conduct the end of year audit for the 1997-1998 school year.

Food service bids for the 1998-1999 were awarded to Ben E. Keith Company, Mrs. Baird's Bakery, Bell Dairy (Gandy's Dairy, Inc.) and Decoy Coffee Company.

The student dress code was accepted as presented. (The dress code is printed elsewhere in this issue of the paper.)

Policy Manual Update 85 was passed unanimously on second reading.

Montie Guthrie gave a presentation on Distance Learning. It is possible this may be implemented as early as January 1999.
