Fair/Mule Days Celebration Successful

around Muleshoe

Dick Moore, eighth grade math teacher at Watson Junior High has been selected as this week's Educator of the Week.

Principals awards went to Michael Woodward, sixth; Crystal Castorena, seventh grade; and Violetta Garcia, eighth grade.

The Muleshoe Independent School District will meet in regular session on Sept. 23 at 8 p.m. in the Administration Building.

The following subjects will be discussed:

1. Call to order
2. Invocation
3. Recognition of visitors and school officials present at meeting
4. Approval of minutes regular meeting held on September 9, 1991
5. Open Forum/Audience Participation
6. Business Items
 - 6.1 Receive the report from Map Resources, Inc. on the review of Muleshoe Independent School District voting districts and take appropriate action.
 - 6.2 Approve the Interlocal Agreement with County Education District #5
 - 6.3 Approve the contract with Bailey County Appraisal District.
 - 6.4 Approve the Textbook Committee for 1991-92.
7. Financial Report
 - 7.1 Tax Collection Report
 - 7.2 Bank Balances
 - 7.3 Fund Balances
 - 7.4 Consider approval of payment of current bills
8. Informational Reports
 - 8.1 Board President
 - 8.2 Superintendent
 - 8.3 Assistant Superintendent for Operations
 - 8.4 Assistant Superintendent for Instruction
 - 8.5 Business Manager
9. Personnel Considerations
 - 9.1 Executive Session
11. Take Appropriate Action Following Executive Session
12. Announcements
13. Adjournment.

A benefit auction was held recently at the First United Methodist Church in Caldwell, Kansas. Among the items auctioned was a copy of the Muleshoe Journal donated by J.R. Carter, a former Muleshoe resident, now living in Caldwell. The copy of the Muleshoe Journal brought \$23.00.

Sgt. Charlie Simmons of Plainview stated "In Bailey County, our troopers investigated no fatal accidents, one personal injury accident and no property damage accidents in the month of August. No one

Mule Days, Fair Combined First Time

"The Mule Days Celebration and the Bailey County West Plains Fair proved to be a successful event through the cooperative efforts of the Bailey County Extension Service, the Muleshoe Activities Committee, and the Muleshoe Chamber of Commerce and Agriculture," said Carolyn Johnson, manager of the CofC.

Early morning activities sponsored by the Chamber included a 5K run, the Rebekah's early morning sidewalk breakfast, and the Mule Days parade. Immediately following the parade, competitive events got underway at the Civic Center in conjunction with the fair.

Winners of the competitive events include:

- TRACTOR PULL BOYS**
- 4-5-6 Years of Age: Chase Winkler 28'10";
 - 7-8 Year Olds David Morris, Full Pull
 - 9-10 Years Old Buck Angeley, Full Pull
- GIRLS**
- 4-5-6 Year Olds, Gracie Adrian, Full Pull
 - 7-8 Years Old Rendz Hodge, Full Pull
 - 9-10 Years Old Bobbin Benham, Full Pull
- PARADE MULE DIVISION**
- Enda and Carol Pearson
- ANIMAL DIVISION**
- Bob Holder and Winnie Wurst
- UNIQUE CAR**
- Jay Messenger-Poynor's Home Auto
- ANTIQUE CARS**
- Howard Watson
- COMMERCIAL FLOAT**
- Five Area Telephone
- FLOATS**
- Jennyslippers, first place
 - Veterans Monument, second
 - Boy Scouts, third
- MULE DAY RUN**
- WOMENS DIVISION**
- Susan Cosillas, first place
- UNDER 15 DIVISION**
- Mike Guilez, first;
 - Scott Frohnhof, second
 - Joey Martin, third
- 16-20 DIVISION**
- Joe Gutierrez, first place
 - Lee Kackley, second
 - Almondo Nixon, third.
- 30 YEAR OLD DIVISION**
- Padraiz Lynch, first place;
 - David Favor, second;
 - Riley Powell, third place
- 40 AND OVER DIVISION**

Arnold Martinez, first place
Lonnie Adrian, second place
Philip Martinez, third place
MULESHOE PITCHING
Aaron Faver, first place
Justin Lee, second
JALAPENO EATING YOUTH DIVISION
David Ramirez 7 3/4 Jalapenos, first
Chris Page, second, 5 Jalapenos

Rashad Kirven, third, one Jalapeno
ADULT DIVISION
Michael Hardwick, first 15 1/2 Jalapenos
Buck Johnson and Scott Turner, second, eight Jalapenos
Michael Richardson, third, 7 Jalapenos

WATERMELON SEED SPITTING
Chris Page, 28'8"
Irving St.Clair, 27'11", and A.R. Kirven, 27'2"

TURTLE RACE
SMALL TURTLE
Cody Turner first place
David Morris, second place
Lindsey Field, third place
Large Turtle
Blake Mount, first place
Trae Frantrapp, second
Brandon Mount, third

GED ABE

Classes Set

At Junior High
Night classes for GED and ABE will begin October 1 at Watson Jr. High School, Room 22. Classes are scheduled each Tuesday and Thursday from 7-9:30 p.m.

There is no charge for these classes. All materials except pencil and paper are provided. Classes in conversational English, budgeting, bookkeeping and such subjects as algebra are offered.

Courses are self-paced so students can start on any Tuesday or Thursday evening. For more information you may call 272-3325.

Mustangs Romp Over Mules 34-6

What appeared to be a cold and chilly night for the fans of Muleshoe and Denver City, was certainly not true for the Denver City Mustangs as they trounced over the Muleshoe Mules by a score of 34-6.

The Mules looking for their first win of the season were unsuccessful in their endeavor.

Taking the opening kick-off, the Denver City Mustangs with Fabian Flores at the helm managed to rack up about 43 yards and three first downs. Mustang Bobby Azam proved to be the Mustangs' powerhouse and unstoppable by the the Mule defense.

The Mustangs had possession of the ball until they fumbled it at 8:38 in the first quarter. The Mules were able to recover the ball and took over the reins then.

After a few pass attempts by Mule Quarterback Galin Latham the Mules were forced to punt the ball away at 7:45 left in the quarter.

Once again the Mustangs taking control of the ball were able to move the ball downfield before they fumbled the ball and able to recover it.

With 4:25 left in the first quarter, the first TD of the game was recorded by Denver City Mustang Jeffery Rogers. The PAT was kicked by #32 Manual Tovar making the score 7-0, Denver City' favor.

At 4:20 in the quarter, the Mules took possession of the ball with Mule Jonathan Villa moving the ball upfield for 24 yards. The Mules were forced to punt the ball away with 2:27 left in the quarter giving the Mustangs control of the ball until the end of the quarter.

The first quarter ended with the Denver City Mustangs leading the Mules by a score of 7-0.

The second quarter started

with the Mustangs' still in control of the ball. With 11:19 showing on the clock the Mules took their second timeout of the game.

At 11:19 in the second quarter, the Mustangs tried for a 35 yard field goal attempt but were unsuccessful.

With 11:14 showing on the clock the Mules took possession of the ball and after a few plays punted the ball back to the Mustangs at 9:24 left in the quarter.

At 9:13, Denver City took their first timeout of the game. When play resumed they were faced with a face mask penalty and for clipping with the last being declined.

At 8:36, the Mustangs' fumbled the ball and was recovered by Mule No. 33 Michael Hardwick giving the Mules control of the ball.

Unable to move the ball, the Mules were intercepted by the Mustang Manuel Tovar who ran the ball into the endzone for 80 yards and the Mustangs second TD of the night with 6:40 left in the quarter. The extra point was good giving the Mustangs a 14-0 lead over the Mules.

With the ball in the Mules hands, Denver City saw two penalties fall against with both of them being for offsidess.

The Mules again unable to move the ball punted the ball back to Denver City at 4:45 in the quarter.

After a pass attempt by the Mustangs they were intercepted by Mule No. 12 Gage Angeley at 4:28 in the quarter.

The Mules again not able to move the ball anywhere were forced to punt the ball at 3:47 giving the Mustangs control of the ball once again. Denver City not able to do anything with the ball punted it back to the Mules at 2:22 in the quarter.

At 1:31 left in the second quarter the Mules fumbled the ball giving the Mustangs control of it.

The Mustangs capitalized on the fumble and took the ball into the endzone with 1:07 left in the quarter for the third TD. The touchdown was made on a pass from QB Fabian Flores to Bobby Azam good for 18 yards. The Pat was good giving the Mustangs an even larger lead over the Mules with a score of 21-0.

With the Mules again in

control of the ball failed to move it upfield fumbled the ball giving Denver City another chance at the ball.

Once again the Mustangs capitalized on the Mules mistakes scored with :01 second left in the quarter on a 27 yard pass to Jeffery Rogers. Instead of trying for the extra point the Mustangs tried for two points being unsuccessful.

The first half ended with a 45 yard run by Mule Marvin Lewis and the Mustangs leading the Mules by a score of 27-0.

The second half opened with the Mules having control of the ball, but were unsuccessful in moving it upfield. At 10:13 the Mules punted the ball to the Mustangs once again.

Cont. Page 6, Col. 5

Lazbuddie Wildcat

The Wilson Ferguson Farm No. 1, a Lazbuddie area Wildcat is located in the Kelly Block H., Subdivision in Section 73, approximately 400 yards North of of the Demp Foster home. The well is presently drilling below 6,000 feet and is preparing to run intermediate casing. The Wildcat which is expected to drill to 9500 or 10,000 feet is being drilled by Wes-Tex Drilling Co. of Abilene, Tex.

Lazbuddie ISD Receives TVRO Grant

Lazbuddie I.S.D. has received a TVRO Grant from the Texas Education Agency. The grant will provide the cost of equipment and installation for a Satellite C-Span Dish through TEA and will not cost the district any funds.

The access to several educational satellites and the new T-Star network should give Lazbuddie students, teachers and staff even more opportunities than are now offered for curriculum and staff development. Lazbuddie I.S.D. is excited about the possibilities this grant offers for the school district.

Lazbuddie will be working with the TEA engineers to complete installation by early October! After installation, Lazbuddie I.S.D. plans on providing an open house, so patrons, parents and grandparents can view this exciting new addition to the Lazbuddie School District.

ABOVE AND BEYOND CALL OF DUTY--During the regular Chamber of Commerce meeting at noon Thursday, Robert Montgomery, president, presented Eufemia Torres a plaque in appreciation for all the things she does for the chamber. In making the presentation Montgomery said, "She is a special individual and has gone above and beyond her call of duty. In the last few months she has been a real help in her normal course of duties and has filled a void in the absence of a manager, in a capable manner. She was instrumental in organizing Mule Days activities, generally doing things out of scope of secretarial duties." (Journal Photo)

ROTARY PROGRAM---Jay Messenger, left, presented the Rotary Program at noon Tuesday. Messenger works with the Industrial Foundation and he spoke on their efforts to get a prison located here. Kid Castleberry introduced Messenger. (Journal Photo)

Thank You
 The family of Eual H. "Toots" Hall would like to express their deepest thanks to all during our time of sorrow. Maybe you sent flowers, cards or food or maybe just a kind word was spoken to ease our hearts. The nurses and doctors at the hospital and the nursing home staff were all so nice and a big "Thanks" goes out to each of them.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 5, 1991

PROPOSITION NO. 1 ON THE BALLOT
 House Joint Resolution 114 proposes a constitutional amendment that would authorize home rule cities having a population of 5,000 or fewer inhabitants to amend their city charters by a majority vote of a city's qualified voters at an election held for that purpose. The amendment makes clear that home rule cities that have declined in population below the population required to initially adopt a charter may nevertheless continue to amend their charters.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment allowing home-rule cities with a population of 5,000 or less to amend their charters by popular vote."

PROPOSITION NO. 2 ON THE BALLOT
 House Joint Resolution 10 proposes a constitutional amendment that would allow the legislature to authorize the Texas Department of Transportation to expend money, from any source available, for the costs of the turnpikes, toll roads, or toll bridges of the Texas Turnpike Authority, provided that any monies expended from the state highway fund shall be repaid to the fund from tolls or other turnpike revenue.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment mandating the repayment to the Department of Transportation of monies expended to assist the Texas Turnpike Authority in the construction, maintenance, and operation of turnpikes, toll roads and toll bridges."

PROPOSITION NO. 3 ON THE BALLOT
 Senate Joint Resolution 26 proposes a constitutional amendment that would authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Land Fund which are not immediately committed to the payment of principal and interest on bonds issued by the Veterans' Land Board, the purchase of lands, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment would also authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Housing Assistance Fund which are not immediately committed to the payment of principal and interest on general obligation bonds issued by the Veterans' Land Board for the benefit of the Veterans' Housing Assistance Fund, the making of home mortgage loans, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment gives the legislature power to implement the amendment and to delegate such duties and authority to the Veterans' Land Board as it deems necessary.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to authorize the legislature to further implement and enhance the administration of the veterans' housing assistance and land programs and to expand the investment authority of the Veterans' Land Board."

PROPOSITION NO. 4 ON THE BALLOT
 Senate Joint Resolution 4 proposes a constitutional amendment that would allow the legislature to authorize the issuance of a maximum of \$1.1 billion in general obligation bonds. The proceeds of the bonds are to be used to acquire, construct, or equip new prisons and substance abuse felony punishment facilities, mental health and mental retardation institutions, and youth corrections institutions, to repair and renovate existing facilities of those institutions and to acquire, repair, or renovate other facilities for use as state prisons or substance abuse felony punishment facilities. The \$1.1 billion is in addition to the \$900 million currently authorized by the constitution to be expended on bond issues for facilities of correctional and mental health and mental retardation institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the state treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the issuance of up to \$1.1 billion in general obligation bonds for acquiring, constructing, or equipping new prisons or other punishment facilities to confine criminals, mental health and mental retardation institutions, and youth corrections institutions, for major repair or renovation of existing facilities of those institutions, and for the acquisition of, major repair to, or renovation of other facilities for use as state prisons or other punishment facilities."

PROPOSITION NO. 5 ON THE BALLOT
 Senate Joint Resolution 39 proposes a constitutional amendment that would allow a county, junior college district, or municipality to exempt tangible personal property from ad valorem taxation if: (1) the property is acquired or brought into the state in an enterprise zone to be forwarded outside the state, (2) the property is assembled, stored, repaired, maintained, manufactured, processed, or fabricated in the enterprise zone, (3) the property is transported outside the state not later than 175 days after being acquired or brought into an enterprise zone, and (4) the person who acquired or brought the property into an enterprise zone is a qualified business. A county, junior college district, or municipality may exempt such property by entering into a written agreement with a qualified business that states the duration of the exemption and the terms on which the exemption is granted. Any action to exempt property must be taken before April 1 of the first year in which the property would otherwise be taxed. The term "enterprise zone" means an area that (1) has been designated as such by a state agency responsible for economic development, and (2) has pervasive poverty, unemployment, and economic distress. The term "qualified business" means a business that meets the qualification established by general law, and requires that the qualified business is actively engaged in a new business in the enterprise zone or is expanding a business that is already active in the enterprise zone. An enterprise zone is created to foster economic development in an area of pervasive poverty and unemployment.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the exemption for ad valorem taxes of certain property in an enterprise zone."

PROPOSITION NO. 6 ON THE BALLOT
 Senate Joint Resolution 8 proposes a constitutional amendment that would establish a Texas Ethics Commission with the powers and duties provided by law. The commission would consist of eight appointed members selected as follows: two members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the house of representatives from each major political party; two

members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the senate from each major political party; two members of different political parties appointed by the speaker of the house of representatives from a list of at least ten names submitted by the members of each major political party; and two members of different political parties appointed by the lieutenant governor from a list of at least ten names submitted by the members of the senate from each major political party. A major political party is a political party required by law to hold a primary. With the exception of the initial appointees, commission members would serve for four-year terms. A member who has served for one term and any part of a second term would not be eligible for reappointment. The commission would be authorized to recommend the salary of the members of the legislature and may recommend that the salary of the speaker of the house of representatives and the lieutenant governor be set at an amount higher than that of other members. If the commission recommends a change in salary, the voters would be authorized to accept or reject the salary change at the next general election for state and county officers. If the voters approve the recommended salary, that salary would take effect January 1 of the next odd-numbered year; if the voters reject the recommended salary, no change in salary would occur. The commission would set the per diem of the members of the legislature and of the lieutenant governor. The per diem could be raised or lowered biennially as necessary to pay members' costs, but could not exceed the amount allowed as of January 1 that year as a federal income tax deduction for living expenses incurred in a legislative day in connection with a member's business as a legislator, disregarding any federal income tax exception for legislators residing near the Capitol. The commission would have other powers and duties provided by the commission's enabling act (Senate Bill 1, 72nd Legislature, Regular Session). The amendment would also provide that an increase in the emoluments of the office of Lieutenant Governor would not make a legislator ineligible to serve in the office of Lieutenant Governor.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment creating the Texas Ethics Commission and authorizing the commission to recommend the salary for members of the legislature and the lieutenant governor, subject to voter approval, and to set the per diem for those officials, subject to a limit."

PROPOSITION NO. 7 ON THE BALLOT
 Senate Joint Resolution 6 proposes a constitutional amendment that would allow the board of trustees of each statewide public retirement system to invest the funds of the system in such manner as the board considers prudent. The board would no longer be limited to investing the funds of the system in securities.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to allow the board of trustees of a statewide public retirement system to invest the funds of the system in a manner that the board considers prudent."

PROPOSITION NO. 8 ON THE BALLOT
 Senate Joint Resolution 21 proposes a constitutional amendment that would permit the legislature to create debt by or on behalf of the state if the legislature submitted the debt question to the voters of the state in the form of a proposition and a majority of those voting approved the proposition. The legislature may call the election, by joint resolution approved by at least two-thirds of the members of each house, during any regular session or during any special session if the subject of the proposition is included in the Governor's proclamation for that special session. A proposition must clearly describe the amount and purpose for which debt is to be created and must describe the source of payment for the debt. The amount of debt stated in the proposition may

not be exceeded and may not be renewed unless the right to exceed or renew is stated in the proposition. The legislature may enact laws necessary to implement the authority granted by a proposition. A law enacted in anticipation of the election on a proposition is valid if, by its terms, it is enacted subject to approval of the related proposition. State debt that is created following voter approval of a proposition and that is approved by the Attorney General is incontestable for any reason.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the voters of this state to consider state debt questions in the form of ballot propositions that must clearly describe the amounts, purposes, and sources of payment of the debt only after approval of the propositions by a two-thirds vote of each house of the legislature."

PROPOSITION NO. 9 ON THE BALLOT
 Senate Joint Resolution 11 proposes a constitutional amendment that would authorize the commissioner of the General Land Office to issue patents for certain public free school fund land for which there is not a valid transfer of title from either the State or the Republic of Texas to a private party. A patent is a document of title issued by the state. On application to the School Land Board, a person is entitled to receive a patent if: (1) the land is surveyed public free school fund land, (2) the land was not patentable under the law before the adoption of this proposed amendment, (3) the person acquired the land without knowledge of the title defect of the State of Texas or the Republic of Texas and held the land under color of title, the chain of which dates from at least January 1, 1941, (4) the person has a recorded deed on file in the county courthouse and, in conjunction with his predecessor in interest, has claimed the land for at least fifty years as of January 1, 1991, and (5) the person, in conjunction with his predecessor in interest, for at least 50 years has paid taxes on the land together with all interest and penalties associated with any delinquency. If the applicant is denied a patent, the applicant may file suit against the School Land Board in a district court in the county where the land is located within 60 days from the date of denial. The proposed amendment does not apply to beach land, submerged land, or islands, and may not be used to resolve a boundary dispute. The proposed amendment also does not apply to land found by a court to be state-owned or to land on which the state has given a mineral lease that is in effect when a patent is sought. A patent under this proposed amendment for land within five miles of mineral production shall reserve minerals to the state in the manner provided by law for reservations of minerals in sales to claimants of unsurveyed school land within five miles of production. An application for a patent under this proposed amendment must be filed with the School Land Board before January 1, 1993.

This proposed constitutional amendment is similar to the version of article VII, section 4A, that was in effect between 1981 and 1990. The main difference is that under the earlier version the applicant for a patent had to have a chain of title that dated back to at least as early as January 1, 1932.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years."

PROPOSITION NO. 10 ON THE BALLOT
 Senate Joint Resolution 15 proposes a constitutional amendment that would allow the legislature to pass general laws to exempt property owned by a nonprofit corporation organized to supply water or provide wastewater service from ad valorem taxation. A nonprofit corporation would be eligible for the exemption if its bylaws provide that

on dissolution, the assets remaining after the discharge of the corporation's indebtedness will be transferred to an entity providing water supply or wastewater service, or both, which is exempt from ad valorem taxation. The transferred assets must be property that is reasonably necessary for and used for water supply and wastewater services.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the legislature to exempt from ad valorem taxes certain property of a nonprofit corporation that supplies water or provides wastewater service."

PROPOSITION NO. 11 ON THE BALLOT
 House Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to pass laws to authorize the State of Texas to operate lotteries and to enter into a contract with one or more legal entities that will operate lotteries on behalf of the State of Texas.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing a state lottery."

PROPOSITION NO. 12 ON THE BALLOT
 Senate Joint Resolution 34 proposes a constitutional amendment that would increase the total amount of bonds that may be issued by the Texas Water Development Board to provide wholesale and retail water and wastewater facilities to economically distressed areas of the state. The proposed amendment increases the maximum principal amount of the bonds from 20 percent to 50 percent of the \$500 million amount authorized by article III, section 49-d-7, of the Texas Constitution. The proposed amendment would increase the maximum aggregate dollar amount of bonds that the Texas Water Development Board could issue from \$100 million to \$250 million.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to increase from 20 percent to 50 percent the percentage of Texas water development bonds previously authorized by Texas voters that may be issued for economically distressed areas."

PROPOSITION NO. 13 ON THE BALLOT
 Senate Joint Resolution 2 proposes a constitutional amendment that would allow the legislature to pass general laws authorizing Texas Higher Education Coordinating Board or its successor to issue and sell up to \$300 million of general obligation bonds to finance education loans to students. The maximum net effective interest rate to be borne by the bonds would be set by law. The amendment would also authorize the legislature to provide for the investment of bond proceeds and to establish an interest and sinking fund to pay the bonds and provide for the investment of such fund. Bonds authorized under this amendment would be paid from the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in an interest and sinking fund established at the end of the preceding year that is pledged to the payment of the bonds or interests.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment providing for the issuance of general obligation bonds not to exceed \$300,000,000 to continue existing programs to provide educational loans to students, with repayments of student loans applied toward retirement of the bonds."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 5 de noviembre de 1991. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

Perry Applauds Efforts to Restore Pavilion

Agriculture Commissioner Rick Perry praised efforts of the Dallas-Fort Worth business community and a volunteer committee for making the renovation of the Food and Fiber Pavilion at Fair Park possible, adding the nearly completed project is "testimony to the hard work, dedication and commitment of Texans and a fitting home for Texas agriculture during our State Fair of Texas."

Perry said the private sector has given about \$200,000 to renovate the 55-year-old building. This includes a significant kickoff donation by Lufkin-based Temple-Inland Forest Products.

"I stood here just a few weeks ago and kicked off this fund-raising effort aimed at raising private contributions to restore this landmark," Perry said. "The fine folks at Temple-Inland responded to that call for help and others like the Associated General Contractors, Lone Star Gas Co. and the Dallas-Fort Worth Lumberyard Association followed suit."

"To date, dedicated members of the TDA Food and Fiber Pavilion Restoration Advisory Committee, chaired by Dallas businesswoman Marilyn Augur, have been responsible for collecting cash donations and overseeing in-kind services that have allowed us to re-wire the entire building, clean and paint the pavilion, install a new concrete slab, expand the international conference area, update landscaping near the building and begin work on a new commercial kitchen."

"This clearly underscores the public's concern and interest in this great festival," Perry said. "The Food and Fiber Pavilion will resume its place as a major educational attraction for Texans who come to the fair," Perry said.

"We aren't stopping here, though. We intend-with the committee's continued help-to expand our renovation efforts. We are committed to helping the State Fair, and will work to continually update this pavilion."

"Our goal was \$250,000. We expect to raise the remaining funds at a special gala here at the pavilion, dubbed "Amazing Graze," on September 26--the evening before the Fair's official opening," he said.

The opening gala, chaired by Linda Waterman and Paula Lambert of Dallas, will feature 33 Dallas chefs who will prepare a "Totally Texas" menu using Texas agricultural products and beverages. Tickets are on sale for \$50 per person; reservations may be made by calling 214-526-2600.

Perry pointed out the gala will introduce participants to many agricultural products and underscore the vital role Texas agriculture plays in our economy and at the Texas State Fair.

Perry emphasized the close working relationships that were cemented in the development of this project.

"The interested people who have participated in this fund-raising effort recognize that agriculture is a mainstay for our economy and in our state's history. They also realize the Food and Fiber Pavilion may be the only opportunity some Texans have to learn about the many contributions agriculture makes to Texas," he said.

Because of efforts by companies such as H-E-B, Tom Thumb, Minyard's, Fina Bank One, Food Lion, Mountain Valley Water, the Texas Forestry Association, Pioneer Concrete, Pier 1 Imports, Adams Extract Co. and Ag Workers

Hobby Club Meets

Muleshoe's Hobby Club met Thursday, September 19 at 2 p.m. in the Senior Citizens Complex with seven members present. Those attending were Mabel Caldwell, Loma Baker, Jane Williams, Hazel Reeder, Glenda Morris, Oneita Cornelison and Frances Bruns.

The hostess gift was won by Loma Baker. The next meeting will be October 3 at the Senior Citizens complex. Hazel Reeder will be hostess.

Mutual Insurance, the expected 3 million visitors to this year's Food and Fiber Pavilion will enjoy an inviting atmosphere, Perry said.

Perry also recognized the hard-working members of the Advisory Committee who are raising funds and planning the opening gala. They are: Marilyn Augur, chairman, Jim Augur, Charles Elk, Jeanne Johnson, Milla Jones, Paula Lambert, Kevin Rogers, Walter Todd and Linda Waterman, all of Dallas, and Marcus Hill of Fort Worth.

Lazbuddie Church to Dedicate Building

All interested persons are invited to come and hear Bishop Louis Schowengerd, Bishop of the North West Texas Annual Conference of the United Methodist Church, hold a special Worship and Dedication Service. The service will be held at Lazbuddie Methodist Church, September 29 at 7 p.m.

The dedication service will be the highlight of a building program at the church. The new educational facility has just been completed, giving the church 5 additional classrooms and a large storage area.

During the service, special music will be presented by the Children's choir and other members of the church. A ribbon cutting and open house will follow the dedication service. Refreshments will be served during the open house.

All friends of Lazbuddie Methodist Church are urged to come visit and enjoy an evening of fun and fellowship.

Creative Living

by: Sheryl Borden

Information on festive cooking and parenting guidelines will be the featured topics on "Creative Living" on Tuesday, September 24 at 12 noon and Saturday, September 28 at 2 p.m. (All times are Mountain.) "Creative Living" airs on public broadcasting station, KENW-TV, from Eastern New Mexico University.

Connie Moyers, Marketing Home Economist with Southwestern Public Service Co., is making her tenth appearance on the show to demonstrate the Festive Foods collection. Ms. Moyers will prepare several recipes that are heart-healthy versions, some of which use the microwave oven, and one which uses the micro-convection combination. As she prepares some of her favorite recipes from the Festive Foods cookbook, she will demonstrate the induction cooktop, the food processor, and a wonderful new breadmaking machine. Ms. Moyers lives in Clovis, N.M.

Nancy Brown, Marketing Supervisor for the Procter and Gamble Company in Cincinnati, OH, will tell about a very good source of up-to-date parenting information that is free of cost.

On Tuesday, September 24 at 9:30 p.m. and on Thursday, September 26 at 12 noon, "Creative Living" will present information on ways to make housecleaning faster and easier and on preparing an elegant dessert using white chocolate.

Lynn Hack-Gerhart, representative of ORB Industries, Niles, MI, will share some secrets for making cleaning tasks easier and faster. She will also demonstrate how to organize a

"work basket," discuss the advantages of consolidating cleaning supplies and equipment, and talk about the importance of cleaning in a particular direction.

Kathy Farrell, with Nestle Foods in Purchase, NY, will present some elegant and unusual desserts through the use of "chocolate artistry." Ms. Farrell will demonstrate making white chocolate clay and a delicious chocolate marbled terrine.

"Creative Living" is produced and hosted by Sheryl Borden. The show is carried on more than 100 PBS stations in the United States, Canada, Guam, and Puerto Rico and is distributed by Pacific Mountain Network, Denver, Co. Viewers can request copies of materials offered on the show by sending one 29 cent stamp for each handout requested. Send the stamps, along with your name, address and booklets to: "Creative Living" Requests, KENW-TV Station No. 52, Eastern New Mexico University, Portales, N.M. 88130.

CONFETTI MUSHROOM RICE
1 pkg. (4.3 oz.) long grain and wild rice mix
1 can (4 oz.) mushroom pieces
2 cans (16 oz. ea.) mixed vegetables

Prepare rice as directed on package. Drain mixed vegetables and mushrooms well. Add to rice. Heat 5 minutes or until heated through. Microwave rice as package directs. Add vegetables and mushrooms to rice in a 3-quart microwave-safe dish. Microwave on high 6 to 8 minutes or until hot. Makes 6 to 8 servings.

Not many workers overlook the approach of a holiday.

The trouble with many filing systems is the stuff they file.

We're Good at What We Do. 24 Hours a Day!

When you need money, whatever the time of day or night, we can get it to you. Our round-the-clock 24-Hour Teller can do almost anything we can do, with a little help from you.

By pressing just a few buttons, you can access your account balance, make deposits and withdrawals, transfer funds between accounts, even make loan payments. Our automatic teller is right at your fingertips, 24 hours a day... every day.

Come to think of it, our service is like clockwork!

Heart Association Board Meets

The Bailey County Board of the American Heart Association met Friday, September 6 at Sage's Restaurant for a noon-time meeting. The board president Laura Seales reminded the group of the purpose of the Association which is to educate people to the symptoms and prevention of heart disease and to fund medical research. Reports from several committees were heard by the Board. Ann Sowder reported on the plans for Food Festival Week, September 22-28. The Muleshoe Schools will serve a heart-healthy meal to students and faculty

on September 27. The Three Way Schools will also serve a meal during the week to emphasize foods for a healthy heart.

Muleshoe Area Medical Center will serve heart-healthy meals to patients, staff and Meals-on-Wheels recipients while the Muleshoe Nursing Home will have the same type meal served for staff during the week. The Development Committee reported the date for the Radio Day in February and the preliminary plans for that event.

Virginia Bowers gave highlights of her summer trip to the

Annual Meeting of the Texas Division of the AHA. At that meeting, delegates heard reports on research being done in Texas and how the Texas affiliate uses funds for education of the general public about heart disease. Plans were revealed to have materials available at the Bailey County Fair and other ways of distributing information to the citizens of Bailey County.

Those attending the meeting were Laura and Don Seales, Leonard and Betty Griswold, Nancy Barrier, Clara Lou Jones, Dorothy Turner, Annie Floyd, Ann Sowder, Virginia Bowers, and Carolyn Kennedy, director from Lubbock.

The board meets on the first Friday of the month at Sage's. If you would be interested in more information about the work of the board, call one of the members or attend a meeting.

Masonic Lodge Sets Open House

Muleshoe's Masonic Lodge will hold its second open house of 1991 Sunday afternoon, September 22. The Lodge's door will be open from 2 p.m. to 4 p.m. The announcement is made by Hugh Young, worshipful master of the Muleshoe Lodge. The Lodge is located at 222 W. Ave. C.

The public is cordially invited to attend and view the lodge room and its unusual furniture and equipment. Much of it looks the same as when Masonry first came to Texas in the early 1830's.

Muleshoe's Masonic Lodge No. 1237 was founded in 1926. The Lodge has a membership of 105 brother masons. Many local and area leaders have been members of Muleshoe Masonic Lodge over the years. Some of the best known include George Washington, Earl Ladd, Sr., Frank Hinkson, Demp Foster, Irvin St. Clair, R. L. (Bob) Jones, Jim Cox, Vance Wagnon, Cecil Davis and Roy Whitt.

Although it is impossible to determine exactly when the first masons came to Texas, we do know that Ben Milam came to the Texas Country about 1818, and General Zebulon Pike led an expedition into the area a few years later. Both were Masons.

At the open house, Texas' 180,000 Masons join in demonstrating what Masonry is all about. Freemasonry builds character, assists members in their daily lives, in practicing their faith in God and in their patriotism. Masons provide over \$750 million every year for charitable causes.

While Masons do not solicit members, men of good character may ask to become a member.

The Open House is a chance to pop questions about masonry you've wanted to ask but were reluctant to ask before.

Come see for yourself a lodge room set up for self-guided or conducted tour with cards describing what you see, much like a museum.

Like other fraternities, the 3.5 million Masons in the U.S. have "secrets", words and symbols that bind them in the world's oldest and largest fraternal order. However, Masonry is not secret society.

Freemasons take an obligation to live up to the highest moral standards, to practice brotherly love and patriotism in the best sense. Why would they keep these secret?

Story Hour Times Announced

Anne Camp announces that Story Hours will start Wednesday, October 2nd at 10:15 at the library for all pre-school children 3 years of age or older. Stories, old and new, songs, games and other activities such as honoring the children on their birthdays will be on the programs. Children are encouraged to use the library and have books read to them, and hopefully they will develop a love for books and learning. Parents or caretakers need to come with them to register on the first day. After that, most children can be on their own.

New at the library: new fall books are being processed daily. The artist of the month is Jackie Hinderliter from Clovis, New Mexico. You are invited to come by and see some of her work.

We thank Pat Langfitt for showing her collection of bells in the display case this month, just right for Constitution Week, September 17-23. We have our "Mules" on display for Mule Days in Muleshoe.

We have been clearing out our magazine files, and have placed a box at the front door with lots of "give-aways" just help yourself.

This week the library will have cable T.V. courtesy of Mission Cable. This will enable us to tape good children's programs, such as Reading Rainbow, to show at storyhours, and after-school Kids Stuff. We appreciate this generous gift. Kid-Stuff is for kids to have activities after school while waiting for parents. They may watch videos in the activity room from 4-5 p.m. on weekdays.

There's a difference between working and working for a living.

Selfishness will break up a partnership.

CHOSEN FOR GOOD BEHAVIOR--These students were honored recently at DeShazo Elementary. They are allowed to eat with Principal Barbara Finney at the Mule Rock Cafe, a special section of the school's cafeteria. Clockwise, they are: Vicky Martinez, Principal Finney, Matt James, Blake Gartin, Jason Crawford, Dusty Elliott, Noemi Cruz and Farah Romo. (Journal Photo)

Fellowship of Christian Athletes Elects Officers

The Fellowship of Christian Athletes met Wednesday, September 18 and elected officers. The officers are: president, Shea Wilbanks; vice-president, Mike Friend; secretary, Tiffany Angeley; reporter, Jeanne Cox;

student council representative, Gage Angeley.

We had a very nice breakfast given by the Trinity Baptist Church on Friday, September 20.

Progress isn't achieved by following the crowd.

BE CAREFUL OUT THERE FARM SAFETY

Farm Safety Week September 16-22

Be Alert

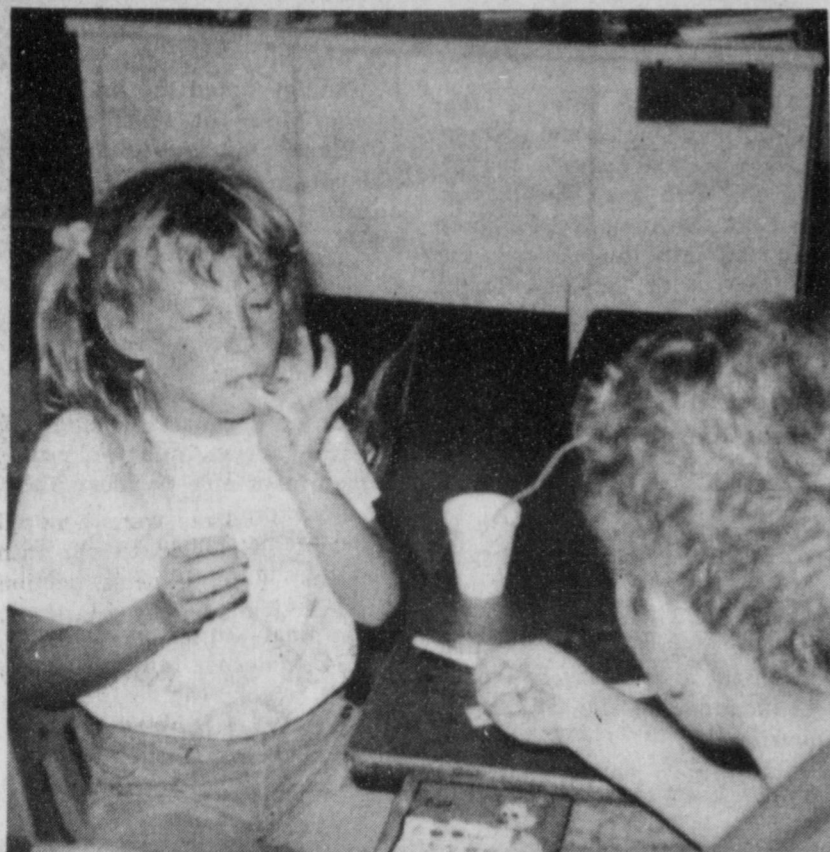

Carelessness costs... safety pays. Farm safety is an investment that yields high dividends in an accident free, safely run environment. Just a few minutes each day to check for hazards, along with seeing that your family and workers are "educated" to the dangers of the farm, will net immediate results. Each day, every day, make farm safety your first order of business.

SCIENCE CAN BE FUN--according to teacher Verena McAdams at Lazbuddie Elementary. Here Savannah Black and Colt Richardson discover science by blowing bubbles for their "Biggest Bubble" contest. The second grade students put scientific principles into practice by making observations, measuring and recording information in their science journals. (Guest Photo)

Country Club Report

by Analita Haley

Another month has gone, time for ladies luncheon. The weather was a shade cool. It made it a perfect day for the Mexican food lunch which we all enjoyed.

Ladies attending were Arglee Millen, Helen Templeton, Ruby Hart, Claudine Elliott, Cookie Bamert, Analita Haley, Dorothy St. Clair, Mary Frances Holt, Jeannine Gunstream, Marlene St. Clair, Sheri Shipman, Neats Foster, Linda Elder, Janetta Precure, Melzine Elliott and Martha Young.

President Jeanetta called meeting to order. Sheri read minutes from August meeting and had roll call with only sixteen ladies attending.

Linda Elder reported on High Plains had five ladies to play at Farwell. We earned three points. Linda Elder and Jo Timberlake won low net in their flight; Arglee Millen won low gross in her flight. Our High Plains Tournament is in Tulia October ninth.

Playday chairman, Helen Templeton presented golf balls to Jeanetta, Lavern and Helen.

The nominating committee made their report on the selection of offices for the coming year. President Carlean Hamilton, vice-president Ruby Hart, secretary Lavern Winn, treasurer Darlene Henry, playday chairman Dorothy St. Clair, High Plains Linda Elder, reporter Martha Young, tournament chairman Jeanetta Precure, ways and means Linda Elder and Jeannine Gunstream. I think we have great officers for this next year.

Birthday ladies for September are Analita, Jeanetta, Lavern and Jeannine. Happy Birthday.

The weather quoted no golf today, so we had twelve ladies playing cards. Until October.

Little Theatre Presents "Big River"

The Amarillo Little Theatre begins its 64th season with the Tony Award Winning Musical "Big River." "Big River" "The Adventures of Huckleberry Finn" written by Roger Miller and William Hauptman, received 7 Tony Awards in 1985 including "Best Musical of the Year," "Best Musical Book," and "Best Musical Score."

"Big River," one of Broadway's most recent releases, brings Mark Twain's classic characters, key themes and essence to the stage in a highly entertaining tuneful package. Still, "Big River" is not merely a tale of Huck's adolescent adventures. This story of the spirit of the American wilderness captures its audience in bringing Twain's novel to life through the evolving respect, admiration and love between Huck and his companion in flight, the runaway slave Jim.

This show will delight the entire family and is scheduled for performances September 26, 27, and 28 at 8 p.m. and September 29 at 2:30 p.m. Also October 3, 4 and 5 at 8 p.m. and October 6 at 2:30 p.m.

Couch to Conduct Workshop

Nationally known artist-instructor Tony Couch of Stone Mountain, Georgia, has been invited to conduct a watercolor painting workshop in Amarillo, October 21-25.

The workshop will be held in the Odyssey Classroom of the First Christian Church, 3001 Wolflin. Tuition for the event is \$200 with reservations on a first come basis. For additional information write or call Jane Juett, 2400 West 26th, Amarillo, Texas 79109, telephone 806-359-9469 or 355-5594.

The workshop sessions begin daily at 9 a.m. Each morning Couch does a demonstration painting, with a full explanation of what he is doing and why, as he designs and paints. Students paint in the afternoon with a critique of the day's work from about 3:30 to 5:00 p.m. An optional slide show-lecture on the principles of design, including color and composition, will be presented in the afternoon of the first day.

Couch received a bachelor degree in art from the University of Tampa, did further work at Pratt Institute in New York while an artist for Associated Press, and for years was a freelance illustrator while he studied watercolor painting with Edgar A. Whitney.

His watercolor instruction book, "Watercolor: You Can Do It!" was published by North Light Publishing in March, 1987. Now in its third printing, it has become North Light's all time best selling fine arts book. A follow up "Technique" book was published by the same publisher in 1991, and Couch is now writing a new book on design scheduled for release in 1992.

His watercolor instruction articles have appeared in "Palette Talk," "American Artist" and "Northlight" magazines, and he has produced ten "How To" video tapes. He conducts work-

Doll Show Set in Plainview

The Plainview Doll Club is sponsoring their tenth annual doll show and sale, Saturday, September 28 from 10 a.m. to 5 p.m. at the Ollie Liner Building (formerly the Hale County Agriculture Center) on South Columbia, Business Route 87. Jean Aaron of Lubbock will appraise two dolls free of charge. There will be a drawing for dolls and related toy items each hour. Admission is \$1 for adults and \$.50 for children. New and old dolls, reproductions, porcelain, bisque, composition, crocheted and china and other doll related items will be on sale. Please plan to attend. All donations will be used to make a Merry Christmas for the less fortunate.

shops throughout the U.S. and abroad.

Couch is an elected member of the Academic Artists Assn., Allied Artists of America, the Hudson Valley Art. Assn., Knickerbocker Artists, Salmagundi Club, Society of Marine Painters, Watercolor West, Whiskey Painters of America, and the Pittsburgh, Georgia, Southern and Midwest Watercolor Societies. He regularly enters national exhibitions and has won over 60 awards. His work has been included in three annual exhibitions of the National Academy of Design. Anyone 18 or older is eligible to enroll; there are no prerequisites and the group will be made up of beginners, students, hobbyists and professional artists.

was killed and three persons were injured.

Marine Pfc. Eduardo Salinas, a resident of Sudan recently completed the Motor Vehicle Operator Course.

During the five-week course at Schools Battalion, Marine Corps Base, Camp Pendleton, CA, Salinas received classroom and behind-the-wheel instruction on the operation and capabilities of Marine Corps vehicles, defensive driving techniques, "rules of the road" and user-level preventive maintenance.

The 1988 graduate of Sudan High School joined the Marine Corps in January 1991.

All parents of Muleshoe High School students might be interested in knowing MHS now has new Telephone numbers and include: Office, 272-7571; Athletics Department, 272-7571; Voc Ag, 272-7571; Band, 272-7571; Band, 272-7571; Auto Tech 272-7571; and Counselor, 272-3020.

Helmut Kohl, German Chancellor:

"Now is the time to give Mikhail Gorbachev all the support we can."

Mules...

Cont. from Page 1

The Mustangs after a few pass attempts and some rushing plays were once again in the endzone with 6:43 showing on the clock. Mustang Brad Gilbert slammed into the endzone for 15 yards with the PAT being made by Manual Tovar.

With the Mules back behind the wheel, Mule Ramiro Alarcon returned the ball good for 45 yards. The Mules unable to move it upfield fumbled the ball at 5:52 in the quarter.

The Mustangs once again in control of the ball fumbled it at 5:17 giving the Mules another chance. The Mules were once again unable to move the ball downfield punted the ball back to the Mustangs at 3:47 in the quarter.

Denver City having control of the ball until :31 seconds left in the quarter saw the Mules score their only touchdown of the night. Mule No. 40 Pedro Nunez scored on a fumble by the Mustangs and ran it into the endzone for 50 yards. The extra point try was unsuccessful and the score stood at Muleshoe 6, Denver City 34.

The Mustangs in control of the ball with the fourth quarter beginning punted the ball back to the Mules at 10:53 in the quarter. On that play the Mustangs saw another penalty against them this time for a face mask.

The Mules were once again unable to move the ball were forced to punt the ball back to the Mustangs at 8:05 left in the quarter.

The fourth quarter being a see-saw action quarter saw neither team able to move the ball anywhere.

The game ended with the Mustangs in control of the ball until the end.

The final score was Denver City 34, Muleshoe Mules 6.

Next week the Muleshoe Mules travel to Lubbock to take on the Lubbock Cooper Pirates with game time set for 8:00 p.m.

New State Law Requires Battery Recycling

The Texas Department of Health (TDH) soon will publish new rules governing the disposal of automobile batteries. Under a law (SB 1340) which became effective September 1, lead-acid automobile batteries are no longer permitted in municipal landfills and must instead be recycled.

The Texas Board of Health at its August 24 meeting, adopted emergency rules for public compliance with the law. Those rules are now published in the Texas Register. Final rules will be adopted after a September 25 public hearing and a review of public comments ending October 11.

Under the new law, anyone who wishes to dispose of a car battery must take it to a wholesale or retail battery dealer, a secondary lead smelter or a recycling center authorized to accept it.

The law further requires that all battery retailers must accept used batteries offered for recycling. Similarly, battery wholesalers are required to accept, and pick up within 90 days, used batteries collected by their retail customers.

Retailers also must post signs advising the public about the new requirements. The law specifies the wording for the signs, and the signs themselves will be produced and distributed by TDH.

TDH inspectors have the authority to enforce compliance with the recycling law. According to T.A. Outlaw, chief of the TDH Bureau of Solid Waste Management, "The inspectors may issue warnings or citations to any battery retailer who fails to post the new signs. The penalty for failing to post the sign within three days of receiving a warning can be as much as \$100 a day."

Outlaw added, "Besides posting the required signs, businesses must collect a fee on the wholesale or retail sale of any lead-acid battery." For each

battery with a capacity of at least six volts but less than 12 volts, the fee is \$2. For batteries of 12 volts or more, the fee is \$3.

All such fees from battery sales must be reported to the Texas Comptroller of Public Accounts on or before the 20th day of the month, following the month in which they were

Quarter Horse Center Hosts Smithsonian Exhibit

The American Quarter Horse Heritage Center and Museum will host a special exhibit in collaboration with the Smithsonian Institution's National Museum of Natural History beginning May 16. The exhibit, entitled "Seeds of Change: The Horse Returns," explores the 500 years of encounter and exchange which have occurred since Christopher Columbus' first expedition to the Americas in 1492.

According to Jim Pfluger, Director of the American Quarter Horse Heritage Center and Museum, the exhibit will open on Saturday, May 16 and run through June 6, 1993. Pfluger said, "Hosting this exhibit in collaboration with the Smithsonian brings numerous opportunities to our community. 'Seeds of Change: The Horse Returns' will have tremendous educational value, especially for our young people."

Pfluger added, "This historical exhibit will open May 16, the same weekend as Amarillo's popular All-Ranch rodeo. The western heritage celebrated by the rodeo's participants and fans relates well with the 'Seeds of Change' exhibit."

The Smithsonian will open its "Seeds of Change" exhibition October 26 through April, 1993. The exhibition illustrates that Columbus' voyages to the Americas were some of the most

collected. Reporting forms and information about fees are available from the Comptroller's office at 1-800-252-5555. The Comptroller's office will deposit battery sale fees into the Hazardous and Solid Waste Remediation Fee Fund, administered by the Texas Water Commission.

Outlaw said that, in a related action, the lawmakers authorized the TDH Bureau of Solid Waste Management's merger with the Texas Water Commission, effective March 1, 1992, as part of the creation of a single state environmental agency.

catalytic events in world history. His explorations brought together two worlds which had been isolated from each other for more than 10,000 years and set into motion a process of changes and exchanges.

The Smithsonian's Natural History Museum's exhibition focuses on five key agents involved in cultural and environmental change. These five seeds are: disease, corn, sugar, the potato and the horse.

The American Quarter Horse Heritage Center and Museum is one of a handful of facilities scattered across the U.S. which will host a collaborative "Seeds of Change" exhibit.

Pfluger said, "Naturally, our exhibit will focus on the horse, but the other seeds also will be covered, providing an excellent opportunity to focus on the Panhandle's leadership in agriculture and medicine."

The American Quarter Horse Heritage Center and Museum is a new facility devoted to the history and modern activities of the American Quarter Horse breed. The Heritage Center is located along Interstate 40 East at the Quarter Horse Drive exit in Amarillo, Texas.

Mikhail Gorbachev, Soviet President:

"I would have killed myself before I agreed with the coup leaders on the course of action to follow."

Commission Approves Assistance Grant Awards

The Texas Commission on the Arts has approved the FY1992 Financial Assistance Grant Awards during the meeting of the TCA Executive Committee on August 29 in Austin.

Following the meeting, Chair, Margaret Mills, announced the recipients of 641 arts grants totaling \$2,876,818 to 470 non-profit organizations in 118 cities. This year's grant requests from the arts community totaled \$17,115,571. These awards were made from the Commission's 1992-93 General Appropriations bill which was approved by the House of Representatives and the Senate during the 2nd Special Session and signed by the Governor last week. House Bill 1 provides for a TCA biennium budget of \$7,684,795, which is a reduction of \$342,189 from the current service budget.

Texas Commission on the Arts financial assistance grants are made through a competitive process annually to qualifying arts and community organizations in three categories:

Organizational Assistance—twelve-month operational support for growth, expansion, support of activities and services.

Project Assistance—programmatic or administrative support for specific events, activities, programs and staff positions; includes Artist-In-Education and support for individual artists through an umbrella organization.

Touring Assistance—available to presenters and producers of performing and visual arts

touring events.

All TCA Grants have a 1:1 match requirement that can be met in a combination of cash and in-kind donations. In response to panel recommendations, legislative mandates and the ever-widening diversity of audiences requesting cultural and artistic services, grant awards were made to organizations that give special considerations to furthering arts education, cultural diversity, and support for rural and underserved communities of Texas.

A detailed listing of grant awards by cities is available upon request by mail at P.O. Box 13406 Capitol Station, Austin, Texas 78711. For more information, call the TCA at 512-463-5535 or 1-800-252-9411.

Watson Junior High Scoops

Eighth Grade Teacher Spotlight by Suzy Hodges

Eighth grade teacher spotlight is on Mrs. Chitwood.

Mrs. Sandra Chitwood went to high school in Norman, Oklahoma. Her interests in high school included boys, cheerleading, track, and student council. After she graduated from high school, she went to Oklahoma University. Next she went to Texas Tech. Finally she went on to Eastern New Mexico University in 1982. During college, her interests included Alpha Phi Social Sorority, intramurals, art, and geology.

Mrs. Chitwood has two children, Doug and Kristin. Mrs. Chitwood is married to Dick Chitwood. Dick is a vegetable seed consultant and a salesman for Abbot and Cobb, Inc.

Mrs. Chitwood is a teacher with nine years experience. She says, "I love teaching our youth of today. I try to encourage students to ask how, why, and what if. Science is part of our daily life, and in order to function in society, students must have a basic knowledge of the planet, Earth and its place in space!"

Eighth grade students benefit from a science teacher as wonderful as Mrs. Chitwood.

W.J.H.S. Offers Competition in Chess Club

Watson Jr. High school now offers the opportunity to join an exciting chess club. Mr. Boutell,

the sponsor, teaches chess to eager W.J.H.S. students. The chess club plays on Monday in room 12 after school. The club has six to eight players.

Mr. Boutell learned to play chess in the seventh grade, and he enjoys teaching the game. Learning the basic moves takes forty-five minutes. Learning takes an abundance of willingness to learn to play the game of chess. First players must memorize the equipment, the basic moves, and game strategy.

Chess is a very complicated game to learn. Thanks, Mr. Boutell, how to play this challenging game.

seventh grade teacher spot light by Brandi Harrison

Our seventh grade teacher spotlight presents Roy Sterling Donaldson. He is the Watson Jr. High Athletic Chairman.

Coach Donaldson's early interest in sports sparked a desire to enter the coaching field. He coaches physical education, football, track and basketball. Coach Donaldson has mostly worked with the boys' athletic department, however, this year he is also working with the girls' athletic department. Coach Donaldson has been coaching for many years.

Coach Donaldson grew up in West Texas. His home was in Farwell, Texas. He graduated from Farwell High school and graduated from Wayland Baptist University. Coach Donaldson is planning to finish his administration certification. He hopes to finish this in the next two years. Coach Donaldson's fondness for this area has kept him close to home.

Coach Donaldson is a very devoted family man. Charlotte, a second grade teacher at Dillman Elementary, is Coach Donaldson's wife. He has three children: Twila, Becky, and Holly. He also has three grandchildren. These grand children have become pretty important to this grandpa. Coach Donaldson places a strong emphasis on the impor-

ance of family ties. Muleshoe I.S.D. is very fortunate to have a wonderful coach like Coach Donaldson!

eight grade football by Josh Slayden

"The eighth grade mighty football team has matured since last year," says Coach Donaldson, "and we are excited about the upcoming year."

W.J.H.S. is pleased to have a new addition and a few returning in the coaching staff. Coach Ron Welch graduated from Stanton, Texas. We are thrilled to have Coach Steven Hatfield working with the program again this year in the morning. Coach Roy Donaldson graduated from Farwell High School and went to college at Wayland Baptist University. Coach Kyle Cranford went to Paducah High School and Wayland Baptist University. We have an excellent coaching staff this year.

The coaches and athletes hope the community will help build school pride. Coach Donaldson said that he would like to see school spirit whether we win or lose. He would like to see all

athletes learn the school song. All athletes should have school pride on the field as well as off.

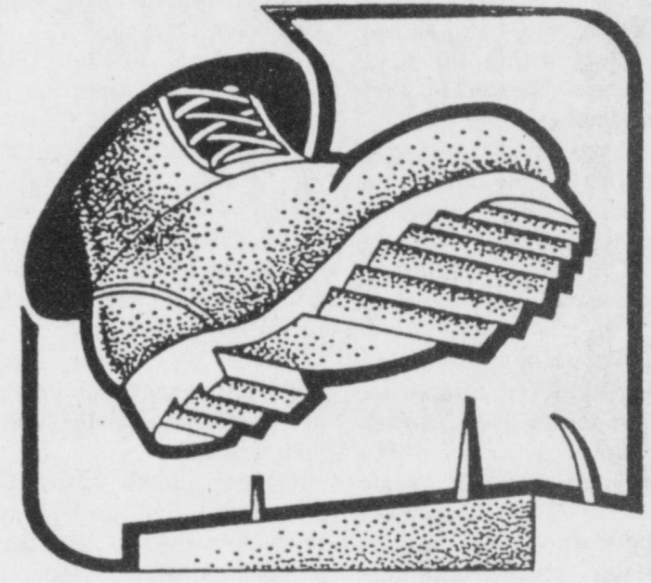

The first game will be September 19 at 5 p.m. We are looking forward to having everybody helping support the Muleshoe Mules.

Cosmetology Exams Given At SPC

Pre-entrance exams for the winter cosmetology quarter at South Plains College will be given October 9 and Nov. 5. The next round of classes in the 12-month program begin December 1. The exams will be given from 9-11 a.m. in the Student Assistance Center on the third floor of the library building. Test fee is \$10.

SPC's cosmetology program, under instruction of Carolyn Newkirk, features a technologically-advanced computerized imaging system that allows clients to preview hairstyle changes before the work is done.

For more information, contact the SPC guidance and counseling office or cosmetology program at 894-9611.

Athletic

Boosters

Update

The Muleshoe Athletic Booster Club had Mule Pattie Bingo last Saturday afternoon at the Bailey County Fair. The winner of \$100.00 was Alton Carpenter. Carpenter donated the money back to the club. The club would like to thank Alton and all the people who participated and helped with this event, especially Donald Harrison for providing the mules.

The Boosters met Tuesday night at 7:30 p.m. at the High School cafeteria for a short business meeting. After the meeting, they made buttons of all the varsity football players and cheerleaders. Those buttons will be available to purchase for \$3.00 before the game Friday night or call Marsha Watkins or Judy Wilbanks. They will be making Jr. varsity buttons at the next meeting.

The booster club meets every Tuesday at 7:30 p.m. at the Muleshoe High School Cafeteria. All parents are encouraged to attend these meetings. Even if you are not a parent, you are welcome to attend.

Grand Master Visits Friona Lodge

To complete a vow he made 3 years ago, in the Grand Lodge Session at Abilene, Brother Rufus A. "Hank" Henry is close to completing the vow to visit every Odd Fellow Lodge in the State of Texas during his progression through the Grand Lodge Offices to become the Grand Master.

He made an official visit to Hereford Lodge No. 476 on Monday night September 9, and completed his tour of District 3 lodges on Thursday night, September 12 at Friona I.O.O.F. Lodge No. 203. There was a good crowd of Odd Fellows and Rebekahs at these meetings.

On Thursday night, after the Friona Rebekahs served a delicious meal Bro. Hank requested that Gene Zachary, Noble Grand of the Friona Lodge, to declare it open house for all Rebekahs and Odd Fellows and invite the ladies in to hear his speech, and to ask any questions they might have about the Grand Lodge and its goals for this year. He made a very inspiring speech on the Rebekahs and Odd Fellows as anyone who has heard him speak will attest.

Bro. Hank started out by recognizing all past and present state officers of the Rebekah Assembly and the Grand Lodge of Texas.

Sister Edna Schuster of Amarillo was recognized as a past president of the Rebekahs and her husband Tim Schuster, Sr. was recognized as a past grand master of the Grand Lodge of Texas. Sister Wilma Wise was recognized as the present district Deputy to the Rebekah Assembly. Sister Wilma Wise is from the Friona Rebekah Lodge. Bro. Ben Conklin of Hereford was recognized as a past patriot militant of the Grand Encampment of Texas. Bro. Arnold Gross of Muleshoe was recognized as the present district deputy grand master for District 3, and Leslie Lambert was recognized as the grand herald of the Grand Lodge and as a special deputy grand of the I.O.O.F. of Texas. These terms are to continue until the next Grand Lodge Session in Plano next March.

Bro. Hank also told of plans in progress of a Soccer Complex to be built on Lodge property in

Panhandle South Plains Fair Slated To Run Sept. 21-28

Sheep dog trials will be presented for the first time at the Panhandle South Plains Fair this year, according to Steve Lewis, general manager, who noted that spectators will be admitted to the trials free.

"We're excited about this event," he said. "This is the first time we've ever offered anything like this and we hope people will take advantage of it. It is truly amazing to watch these animals in action."

The 54th annual fair is slated to run from Sept. 21 to 28.

In the trial, an individual dog must herd a group of sheep through several obstacles guided only by voice and hand signals from his trainer, who is stationed at a distance.

The sheep dog trials are being presented by the West Texas Sheep Dog Association and will take place on Monday and Tuesday, Sept. 23 and 24, at 6 p.m. in the Livestock Pavilion.

Sponsors for the event include the Panhandle South Plains Fair Association, Rick's Feed Barn, Purina and Holiday Inn.

Classes will be held in open, open ranch, and novice divisions with \$1,000 in added money and a portion of the entry fees to be awarded to the top winners. Entry fees are \$20 for open and open ranch, \$15 for ranch and \$10 for novice.

Trophies will be awarded for first, second and third places in the open, open ranch and novice divisions. The first place novice competitor will also receive a trophy.

Ivan Weir of Ozona will judge and Randy Bradshaw will be the course director, Connie Vance will serve as trial secretary.

For more information contact Greg and Connie Vance at 885-2392 after 5 p.m.

Corsicana, Texas. This is to be an approximately million dollar effort and is to be called The Odd Fellow and Rebekah Soccer complex. It will consist of 17 soccer fields and it is expected that not only will Corsicana school children utilize this property, but it is also planned to have soccer tournaments that will be composed of boy and girl soccer teams from all over the world.

It is also expected that the old Children's Home will be converted into a special police academy and offices. It is hoped that the presence of police cars and policemen and women visible on the property 24 hours a day will discourage some of the vandalism that has been experienced

on the Grand Lodge property.

It might also be noted that Muleshoe I.O.O.F. No. 58 was the first to make a small donation towards the purchase of video cameras for the D.P.S. and other police cars and we expect to make a much larger donation before this drive, for the cameras is completed.

Dick Thompson, newsman: "Dick Kessler (new Food and Drug Administration chief) is almost certainly the most capable person ever put in charge of the Food and Drug Administration."

Mikhail Gorbachev, Soviet President: "The Soviet Union is on the point of collapsing. If it does it would be a catastrophe."

A NEW BIBLE...

for ME!

She really is delighted because her church is presenting her with a new Bible. She understands and appreciates this gift, because in earning it she has committed many verses to memory, and thus learned to value God's word. The churches desire that all would study and learn to love God. Plan to attend church and share in this knowledge and joy.

20. Public Notice

ORDINANCE NO. 315A
AN ORDINANCE APPROVING THE ADOPTING OF A BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 1991 AND ENDING SEPTEMBER 30, 1992.

WHEREAS, the City Manager of the City of Muleshoe has prepared and submitted to the City Council a budget estimate of the expenditures and revenues for the City of Muleshoe of the fiscal year beginning October 1, 1991 and ending September 30, 1992, which has been approved and adopted.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MULESHOE, TEXAS

Section 1. That the budget estimate of the revenues of the City of Muleshoe and the expenses of conducting the affairs thereof for the ensuing fiscal year, beginning October 1, 1991 and ending September 30, 1992, as submitted to the City Council by the City Manager of said City, and as changed or amended by the City Council, be and the same is, in all things, adopted and approved as the budget estimate of all the current expenses as well as the fixed charges against said City for the fiscal year beginning the 1st day of October, 1991, and ending the 30th day of September, 1992.

Section 2. That the sum of \$1,380,281 is hereby appropriated out of the General Fund for payment of operating expenses and capital outlay of the City Government, as set forth in detail in the budget.

Section 3. That the sum of \$-0- is hereby appropriated out of the General Debt Service Fund for the purpose of paying the accruing interest and redeeming the serial bonds and warrants as they mature, on the general debt service bonds and warrants as listed in detailing the budget.

Section 4. That the sum of \$ 638,128 is hereby appropriated out of the Water & Sewer Revenue Fund for the paying of operating expenses, capital outlay, and debt service for the Water & Sewer Revenue Fund, as set forth in detail in the budget.

20. Public Notice

20. Public Notice

Section 5. That the sum of \$ 287,500 is hereby appropriated out of the Capital Projects Fund for payment of the operating expenses and capital outlay as set forth in detail in the budget.

Section 6. That the sum of \$ 111,580 is hereby appropriated out of the Waterworks and Sewer System General Obligation 1986 Interest and Sinking Fund for the purpose of paying the accruing interest and redeeming the serial bonds and warrants as they mature, on the City of Muleshoe, Texas Tax and Waterworks and Sewer System Subordinate Lien Certificates of Obligation, Series 1986.

Section 7. That the sum of \$ -0- is hereby appropriated out of the Sanderosa Well Field Fund for payment of the operating expenses and capital outlay of the Sanderosa Well Field, as set forth in detail in the budget.

Section 8. That the sum of \$ 18,200 is hereby appropriated out of the Hotel/Motel Tax Fund for payment of operating expenses as set forth in detail in the budget.

Section 9. That the sum of \$ 11,900 is hereby appropriated out of the Airport Fund for payment of operating expenses and capital outlay of the Municipal Airport, as set forth in detail in the budget.

Money Talk

By Charles B. Carlson

For those who worry about the "For Sale" signs over all U.S. assets, relax--foreign investment plunged in 1990.

Foreign purchases of U.S. stocks, bonds, companies and real estate fell \$121 billion in 1990 to about \$49 billion.

Turn-offs included the slowdown in economic activity, falling U.S. interest rates, and better growth opportunities in other foreign lands.

One result was that U.S. interest rates actually were higher than they would have otherwise been.

With stocks heating up this year, foreigners could be drawn back to the U.S. market, which might help prices.

U.S. buyers increased their appetites for foreign securities, buying nearly \$31 billion worth in 1990, up from \$19.1 billion, in 1989.
