Presbyterian Revival Growing In Interest

The revival at the Presbyterian church is opening in a fine way. There is a good spirit. The sermons are full of the true gospel, and everyone should hear them.

Mr. Lowell West, son of the pastor, is conducting the singing. Mr. West is an excellent singer, and you are missing a great treat if you do not go and hear him. This is a great opportunity to have a feast in songs. Santa Anna should fill the house at each service.

All the churches should lend a hand in this revival. As pastor of one of Santa Anna's churches I want to urge all people to attend these services. They will help your church, your home, and your soul. You will find a kindly welcome, you will hear music that inspires you and the preacher's message will help you live in the spirit of Christ.

Let us go.

M. L. Womack.

Mr. and Mrs. Tom Bowers and daughter, of Seagraves, came in Tuesday for several weeks visit with relatives and friends.

CROP CONDITION GOOD IN COLEMAN COUNTY

Recent rains ranging from one to five inches have placed Coleman county in splendid condition. Cotton, in most parts of the county, is up to a good stand, and with the warm weather that has followed the rains, it will grow rapidly. Sheep men are disposing of their wool at fairly good prices and their ranges are in good condition. Near Rockwood fields are clean and there is plenty of moisture and at Talpa, where rain has been delayed, a big rain fell Saturday night. All creeks have run and water holes are full.

School of Nursing Graduates Received Diplomas Tuesday

Large Crowds Attend Both Baccalaureate Services and Commencement Exercises Held Here Sunday and Tuesday

The school of nursing of the Sealy Hospital held its baccalaureate service at the First Baptist church Sunday night with Dr. F. T. Stanford, pastor of the Central Methodist church of Brownwood, delivering the sermon. A large crowd was in attendance.

The commencement exercises for the school were held in the auditorium of the Santa Anna high school building on Tuesday evening when the Honorable E. P. Wodruff of Brownwood delivered the commencement address. The school of nursing presented R. N. degrees to three graduates this year.

The baccalaureate service was in charge of Dr. T. Richard Sealy, owner and operator of the hospital. Following procession, which was played by Miss Elsie Lee Harper, invocation was offered by Rev. M. L. Womack, pastor of the First Presbyterian church, followed by scripture reading by Rev. Jos. I. Patterson, pastor of the local Methodist church. Mr. L. S. West sang a solo and Rev. A. L. Oder pronounced the benediction.

Those to receive degrees Tuesday evening were Mrs. Clifford Dyer, Miss Bertha Crye and Miss Ida Maye Lankford.

Joe Shield To Go To Trial June 23 In Brown County

Is Charged By Indictment With Murder of His Wife and Her Father and Mother at Brooksmith, Texas on May 16, This Year

The trial of Joe Shield, charged by indictment with murder in three cases in connection with the killing of his wife, Opal May Shield, and her parents, Mr. and Mrs. J. B. Shields, at Brooksmith in Brown county, May 16, has been set for Monday, June 23, and special venire of 72 men has been summoned from which to select a jury.

Shield appeared before the court in Brownwood last week and stated that he had no money with which to obtain attorneys for his defense and Judge E. J. Miller appointed Lee McCartney and Conner Scott to represent him in the trial.

Shield drove into Brooksmith the afternoon of May 16, shot the three out of which the murder indictments grew and came to Coleman to surrender to local officers. He was later taken to the Brown county jail and was moved from there as a precautionary measure against mob violence.

OIL RALLY IN SAN ANGELO ON NEXT FRIDAY, JUNE 27

An educational campaign in behalf of the independent oil producers of this area will be held in San Angelo on Friday, June 27.

It is hoped to have all interested in the independent business life of West Texas present, according to Claude Wild, who conferred in regard to the meeting. Bob Cary and Dwight Hunter have local arrangements in hand.

Mr. Wild, who is executive vice-president of the Independent Petroleum Association of Texas was in San Angelo Saturday. "We want better oil conditions to prevail, we hope to get them through the elimination of certain abuses existing in the present setup. We hope to perpetuate the independents, the best friends of West Texas and responsible more than any other to the wealth and the development of this section," he said.

The purpose of the meeting is to acquaint West Texans with the present trends of the oil industry, errors in operations, and effect on the development of the section. It is part of a general education campaign.

The original date for the meeting had been previously announced as June 20.

OLD-TIME REUNION TO BE HELD AT STAMFORD SOON

One of the features of the Texas Cowboy Reunion to be staged in Stamford on June 26, 27 and 28 will be a roundup and get-together of the pioneer cattlemen of the state.

A permanent organization of the old-timers will be formed to hold annual meetings in Stamford. Only those who saw actual service in the saddle and on the ranges of the region prior to 1895 will be eligible for membership in the organization.

It is the plan of Col. R. L. Penick, chairman of the arrangements for the entertainment and reception of the early day cowboys, and his committee, composed of R. E. McDonald, John Selman, W. P. McDonald and D. T. Perkins to keep alive the history, traditions and association that were formed during the early days of civilization in this area through having annual meetings of the pioneer cattlemen.

COLEMAN LIONS ELECT OFFICERS FOR NEW YEAR

The Coleman Lions club at its regular weekly luncheon on last Friday, elected the following officers for the ensuing year: R. D. Kinney, Jr., president; A. W. Luckett, second vice president; Theo. Dellaney, secretary-treasurer; H. J. Starkey, lion tamer; Joe Heddlston, tall twister. Directors elected to take places are R. D. Bower and S. H. Gray are Rev. Fred Ross and C. J. Archer.

Leland Parker, of Chicago, is visiting with his father, H. J. Parker, and other relatives in Santa Anna this week.

Miss Ruby Harper and little nephew, Archie Dean Hunter, are visiting with relatives in Eldorado this week.

Highway Route To Be Retained Without Change

Great Plains Highway From Canada to Mexican Border Will Not Change. To Pass Through Coleman, Santa Anna, Brady and San Antonio

The route of the Great Plains Highway from Regina, Saskatchewan, Canada, to Laredo, Texas, will not change, according to reports from a meeting of the Great Plains Highway Association held at Liberal, Kansas. It will pass through Coleman, Santa Anna, Brady, Mason, Fredericksburg and San Antonio.

Some efforts were being made to have the route changed, but the matter was definitely settled at the Liberal meeting.

Senator Arthur Bowling, of Merriman, Nebraska, was one of the principal speakers favoring the route as designated when the organization of the highway association was perfected some six years ago.

CONFEDERATE VETERANS TO GET CHECKS JULY 1ST

The 11,000 Texas Confederate pensioners will get their first monthly pay checks July 1, and will then begin receiving the highest amount of pension in the state's history.

The new pension law going into effect June 19 changes the requirements under which each person will paid his or her check. Each pensioner must file every month an affidavit, and these are due in Comp. George H. Sheppard's office by the 15th of every month. When they are received later than the 20th, it will delay the pension check of the individual until sometime after the first of the month, it was announced.

There will be 1,000 veterans who will get \$50 a month, beginning July 1. The other 10,000 will receive \$25 per month. The checks will be the same every month, and there will be no more instances, such as last year, when Confederate widows were deprived of all pension payments.

Those entitled to the \$50 a month are Confederate soldiers who have living wives to whom they were married before July 31, 1906. All other old soldiers and the widows qualifying for pension will get \$25 per month.

Widows who qualify are those over 56 years of age, whose marriage to Confederate veterans took place before 1912.

Soldiers and widows in the state homes will receive one-half what they are entitled to otherwise.

FORMER SANTA ANNA GIRL MARRIED IN CROSS PLAINS

Mr. George Robertson, son of Dr. and Mrs. R. Robertson, and Miss Alice Stewart, daughter of Mr. and Mrs. P. A. Stewart, both of Cross Plains, were united in marriage at Coleman Tuesday, June 3rd. Both are popular young people and have received many congratulations from their friends since returning here to make their future home. The groom is a 1929 graduate of the C. P. H. S., and is employed in the Robertson Drug Store. The bride, before her marriage, was employed with the Lotief Dry Goods Company.

Big July 4th Program Scheduled By Fair Ass'n At Abilene

Program Is Sponsored Annually By The West Texas Fair Association; Bathing Review Is Also To Be Staged

The mile-a-minute thrills of speeding race cars and zooming motorcycles, and the glamorous spectacle of a bathing girl pageant, will have prominent parts on the annual Independence Day program in Abilene.

On the five-eighths-mile Fair Park speedway will be 100 laps of automobile racing and five and ten-mile cycle dashes. The racing program is sponsored annually by the West Texas Fair association as a Fourth of July celebration. Purses for this year's card total \$3,200, the speed cars drawing \$2,500 of the sum.

The bathing revue will be staged at Lytle Beach beginning at 7 o'clock Friday night, July 4. Entrants from throughout West Texas are invited to compete. At the close of the pageant the skies will be streaked with varied colored fireworks—an elaborate display.

The track events will begin at 1:30 o'clock Friday afternoon. The speedway has been treated with a layer of calcium chloride. The program has been sanctioned by the American Automobile association and by the American Motorcycle association.

SERVICES AT CLEVELAND NEXT SUNDAY, 3:30 P. M.

Lions Held Regular Meeting Tuesday

With their new president, Ford Barnes, presiding, the Lions Club met in their regular weekly meeting on Tuesday noon.

An interesting talk was given by President Barnes of his attendance to the group meeting, which was held at Mason on Wednesday, June 11th. He was accompanied by W. E. Baxter, J. T. Garrett and Prof. J. C. Scarborough. Others from Santa Anna to attend a banquet and dance given that night were Mrs. W. E. Baxter, Mrs. Ford Barnes, Mr. and Mrs. P. F. Bond, Mrs. Tillie Gilbert, Mr. and Mrs. Andrew Schreiber, Miss Ruby Harper, Miss Marie Blewett and Mr. and Mrs. W. H. Thate.

Considerable excitement was created when Lion Leman Brown was seated to find two squash, resembling animals of the "Lost World" for plate favors, but finally the whole thing was squashed.

It is plans of the new president to appoint new committees for the different branches of the club at their meeting on next Tuesday.

CENSUS STATISTICS SHOW 420 UNEMPLOYED IN CO.

Compiling of the unemployment census in Coleman county has been completed and report made by W. L. Turner, supervisor of the Fourteenth census district. The report places the number of unemployment in Coleman county at 420, with 55 of the total number within the limits of the city of Santa Anna.

The report explains that the figures represent "the number of persons usually working at a gainful occupation, who were reported on the unemployment schedule as without a job, able to work and looking for a job."

The report further states that these figures are preliminary and subject to correction and will be supplemented later by data for other classes of persons not at work at the time of the census such as those who had a job but were temporarily sick or laid off.

a word about FEED

If there is any one thing which the farmers of this state can do to assure a clear cash surplus from their money crop, it is to provide an ample supply of feed.

Not only is this bank vitally interested in seeing more feed on more acres this year for our particular section, but nearly every banker in the state, who has at heart the success and prosperity of his customers, is urging increased feed production this year.

You know what your needs are, and have no doubt made your plans accordingly, but we do want to say that more feed this year for our farm customers will mean thousands of dollars saved to this community.

You will find that this bank is behind you on any plan that will increase your success and prosperity.

The State National Bank

Your Harvest Depends on What You Sow

Every agency in this state and throughout the South which is interested in farm prosperity is expending every energy in an earnest effort to reduce cotton acreage this year.

TEXAS MUST DO ITS PART OUR COMMUNITY MUST HELP

In line with this important movement, smaller and better crops of cotton are being urged as a remedy for overproduction, foreign competition, inferior quality and low prices.

In a matter so vital to the economic safety and to the very life of our own section, this bank is heartily in accord with other interests in this state and the South for the planning of a sane acreage for 1930, and in making wise diversification of crops the main thought and aim during the few weeks that lie between us and planting time. Again we say FEWER ACRES, MORE INTENSIVE CULTIVATION, BETTER SEED.

THE ANNUAL CONVENTION OF TEXAS EDITORS IS NOW HISTORY

We intended to give a lengthy writeup of our trip to South Texas in this issue of the paper, but due to circumstances over which we have no control, it becomes necessary to cut our report short and only touch the high places.

The Texas Press Association met in Corpus Christi Thursday morning of last week for a three days session, which was of much interest to the several hundred editors from over the state in attendance. The Missouri Pacific railroad company furnished a special train out of Dallas by way of San Antonio, with a number of stops for special entertainment. The first stop was at Waco, where the Chamber of Commerce entertained with a banquet and ride over the city. The writer was not in that treat, therefore, we have to take others for it, but it was said to be fine. The writer is under obligations to Editor H. H. Jackson, of the Coleman Democrat Voice for a ride in his car to San Antonio, where we joined the special train, and enjoyed our first feed, the guest of the city of San Antonio. Mr. Jackson also carried with him his son, Ben, and daughter, Miss Peggy, who were a jolly fine pair of youngsters and greatly enjoyed the trip. After feasting for about 45 minutes at a Mexican restaurant the editors and their families were invited to seats in the Majestic Theatre for further entertainment.

The special train left for Corpus Christi shortly after midnight, and landed in Corpus Christi about 7 o'clock Thursday morning. Soon we were assigned to hotel reservations, cleaned up and ready for the convention work. Plenty of entertainment was furnished and Corpus Christi proved herself to be a splendid host. Side trips were made to several places where courtesies were extended. Robstown furnished automobiles Friday evening and carried the newspaper men and their families out to Robstown for a chicken barbecue. This proved to be one of the best entertainments and most enjoyed feature of the trip.

Saturday at noon, following our farewell feed, the compliments of the Corpus Christi Press, a trainload of the editors and their families left on a special train for McAllen, then across the border for a banquet, dance and such other versions of entertainment as folks saw fit to put on, and believe, me, some of that bunch put it on.

Sunday morning automobiles were provided and the visitors were carried through the valley for a sight seeing trip. It was a great surprise to most of us editors to see the changes and developments made in the valley the past few years. Crops were fine and most ready for harvest. A barbecue lunch and watermelon feast was served by the Hood-McLeod Development Co., at Hondo at noon, which was a very pleasant stop. The drive was extended to Brownsville Sunday afternoon and another, or farewell banquet served at Matamoros Sunday night, with all the trimmings. At nine o'clock the special train was headed back to San Antonio, where the visitors bid adios to each other Monday morning for the time being and headed for their homes

over the state. R. H. Nichols of Vernon was elected president, R. L. Scott of DeLeon was elected vice president, Sam P. Harbin of Richardson was re-elected secretary and San Angelo was selected for the next convention. This account of the convention is all too short, but will have to suffice for the time being. Our notebook contains a long list of names of those who extended favors and it would be impossible to mention them in this article (this late in the week). All the pleasures of the trip were mingled with a little sadness upon our return home, when we received a message relating the death of a relative and good friend, who died at Carbon Monday night, and was buried Tuesday. The writer and several members of the family attended the funeral.

THIS AND THAT

The fight between Max Schmeling and Jack Sharkey last week, which resulted in a decision for Schmeling in the fourth round after being fouled by Sharkey, by no means has settled the heavyweight question. Sharkey was "poured in" his opponent when he hit too low and knocked Schmeling out. The whole thing was such a disappointment to Santa Anna folks, that you could hardly get an argument on the streets the next day.

Every time we see a car parked on the streets during the day with the lights on, we can hardly

resist the temptation to turn them off for the owner, but there's the chance of being accused of trying to steal it—and the battery man needs the money anyway.

We haven't been back in Texas as long enough to know very much about its politics, but if they are as bad as Oklahoma's, according to size, we pity Texas.

We have not been in Santa Anna very long, but we do wish to compliment folks here on their friendly attitude towards strangers. There is nothing that will advertise a city in the right way and quicker than having a smile or courteous reply to the tourist or prospector. But Santa Anna has a friendship Club, anyway.

And we are still receiving good rains in Santa Anna and Coleman county. A fine season is now in the ground and prospects very good.

If half the candidates for state offices from Houston are elected perhaps we had better

move the capitol to that city. It would be cheaper than paying their railroad fare back and forth to Austin.

Thousands will be killed by autos the balance of 1930, but this does not mean Santa Anna folks will have to furnish any of this quota.

China and Chicago are still going on with their revolution.

Colored citizens celebrated here yesterday with plenty of fun for all present. Quite a few from out of town were present. "June-teenth" has been quite a popular day for Santa Anna colored folks for many years.

To the first farmer bringing us a home-grown watermelon this season—we wish "heap much good luck."

We've heard of all kinds of races, but it was left for Junction, Texas to climax them all on last Tuesday and Wednesday, when they turned twenty-five armadillos loose on the starting line for a 200-foot race.

Mr. and Mrs. G. A. Shockley visiting with relatives and friends and Miss Viola Williams were in Hamilton, Texas this week.

CONVENIENCE COUNTS

Were there no other reasons for transacting one's business among one's friends and acquaintances, the fact of CONVENIENCE should alone be sufficient.

Buying from a Santa Anna MERIT MERCHANT means that you get what you want when you want it, whether it be something to eat, wear or use.

There are no letters to write—no guessing about quality—no costly delays—no money in advance—delivery costs nor substitutions—no misfits or off-colors. There is no need to buy excessive quantities to get a good price, nor need there be any misgivings about the lasting quality of goods.

Shouldn't these reasons suffice to convince even the most thoughtless buyer that his own marketplace is the safest and surest place to trade?

YOU NEED YOUR STORES! BY SERVING YOU CHEERFULLY AND WILLINGLY THEY MERIT YOUR TRADE. USE THEIR SERVICE AND THEIR GOODS.

These MERIT MERCHANTS provide convenience and economy for all

SEALY HOSPITAL NEWS

The student nurses of Sealy Hospital gave to their seniors, Misses Crye, Lankford and Mrs. Dyer, "graduates to be," a picnic out on the spill-way of the new lake Thursday night. Many interesting games were played and enjoyed, especially the one called "coffee-pot." Music was furnished by a Victor portable.

A toast was given to the seniors then a picnic lunch consisting of sandwiches, olives, pickles, potato chips and soda pop was served to the following: Mrs. T. R. Sealy and daughter, Miss Velma, Miss Mable Belvin, R. N., and Miss Linda Turner, R. N. Messrs. Hubert Turner, Pat and Norman Hesch, J. E. McDonald, Alvin Burden, Arthur Hill, Connie Lowe, Jack Traylor, Roy Belvin, W. A. Hamilton, Clyde Kelley of Coleman and all student nurses.

Fred Sims (colored) acted as chauffeur of old "Pluto," our Ford truck, that Dr. Sealy presented to the student council last week.

The baccalaureate sermon for the senior nurses of the Sealy Hospital was held in the Baptist church Sunday night, June 15, where a very interesting sermon was rendered by Dr. Stamford of Brownwood. A large crowd was present which was appreciated by members of our institution.

Santa Anna citizens welcome D. John Tottenham, Jr., of Brownwood here for the summer where he has taken position to work with Dr. Sealy.

Misses Jones and Stewart are leaving for their summer vacation Wednesday, June 13th, to visit Miss Jones' parents, Mr. and Mrs. C. R. Jones at Brownwood.

Miss Ida Maye Lankford, student nurse has been visiting her parents, Mr. and Mrs. R. L. Stewart of Rockwood for several days, returning Saturday for duty.

Miss Vivian Belvin visited home folks at zephyr last Thursday afternoon.

Miss Bettis Lee Peel, senior nurse in operating room, is leaving Wednesday, June 18th, for her summer vacation with home folks and friends near Pear Valley. Miss Peel will be relieved by Miss Barker.

A surprise joy ride on old "Pluto," our truck, was enjoyed Monday, accompanied by Sam Floyd, Chief of Police, given to our senior nurses by student nurses.

Miss Tiska Bengo, who has recovered from injuries of a car wreck some time ago, returned

Monday to her friends of whom she was visiting at the time of the accident.

Mrs. Roscoe Hesch, of Santa Anna, is recovering from a major operation of last Thursday night.

Mrs. P. P. Seals, of Coleman, was admitted to the hospital Sunday for treatment.

Mrs. R. S. Penny, of Santa Anna, was admitted to the hospital for treatment Monday.

Mrs. Ernest Leseur, of Valera, has been a patient for several days receiving treatment here.

Mrs. Mattie Pyburn, of Comanche, has been admitted to the hospital for treatment.

A. Valals, of Cross Plains, has been under treatment for several days here.

W. H. Thate of Santa Anna had a tonsillectomy operation Monday.

Master Ford Chambers returned home Thursday, following an operation for appendicitis one day last week.

Baby F. E. Donnelly, Jr., of Coleman, nephew of Dr. E. D. McDonald, M. D., has been seriously ill for the past few days. It has improved some today (Tuesday).

W. A. Brandon, of Santa Anna, was admitted Monday for treatment.

W. A. Hamilton, of Kenmp, who has been a patient here since December 4, 1929, was transferred to his company hospital in Wichita Fall for further treatment. Dr. and Mrs. R. R. Lovelady accompanied him to Coleman, where he was met by his boss, who carried him by airplane. Whether this is a permanent transfer, we do not know.

GOES TO WORK FEELING FINE

Ranger Farmer Had Been In Badly Run-Down Condition For Three Months—Relieved By Argotane.

"I just got better and better with every bottle of Argotane I take," declared J. T. Walton, an industrious and reliable farmer residing on rural route No. 1, eight miles southeast of Ranger, Texas, "and I think so much of it I am recommending the medicine to my friends.

"I was in a general run-down condition for the past three months," Mr. Walton continued, "my food didn't digest right and my whole system seemed to be out of order. My stomach felt like there was a lump of lead in it regularly after every meal and I would belch up sour, sickening gas. I would get dizzy like I was going to keel over and would see spots floating before my eyes. I was very nervous and lost right smart of sleep, and some nights didn't sleep a wink all night long. In the morning I felt all tired out and fairly dreaded to get up and go out to the field and work.

"I read so much here in the papers about Argotane. I got some and I'm now on my second bottle and can truthfully say I get better with every dose and feel good all over, I haven't had a dizzy spell for over a month and my stomach is getting all O. K. I am getting rid of all clogged-up feeling and constipation didn't bother me like it did. My nerves are quite and I have restful sleep every night and get up in the morning refreshed and can go out to the field and go to my work feeling fine. Argotane is the best medicine I ever saw and I cannot help but say a good word for it." Genuine Argotane may be bought in Santa Anna in the Phillips Drug Store.

Newlyweds who have been on their honeymoon and returned to Santa Anna this past week for a short visit before going to their future homes were Mr. and Mrs. Coe Cross, who have been in New Mexico, Arizona and Colorado. Their future home will be Brownwood. Mr. and Mrs. Claude Boone and Mr. and Mrs. Glover McMillon, who were in San Antonio and other Texas points will make their home in Coleman. Mrs. Cross is the daughter of Mr. and Mrs. W. E. Marshall and Mrs. Boone and Mrs. McMillon are the daughters of Mr. and Mrs. W. A. Hal.

You will find a pretty assortment of new summer felt hats in the pastel shades at Mrs. Shockley's.

"Nanette" Dancer Scourns Stage To Pirouette In Pix

Doris McMahon, pretty dancer in "No. No. Nanette," at the Queen Theatre Sunday, Monday and Tuesday, passed up a chance to play in a big Broadway stage show in order to stay in Hollywood and work in talking pictures. Under contract to a famous producer, she asked for and obtained her release so that she might complete her part in the elaborate First National screen show which is winning such favor from theatre-goers.

Miss McMahon prefers the "talkies" to the stage. Her success in "Nanette" has brought many other screen offers, and she will probably cast her fate with the cinema from now on. The actress got her start playing in stage shows in Hollywood before going to Broadway, so she is right at home in the film capital.

Clarence Badger directed "No. No. Nanette" with Larry Ceballos staging the dances. Bernice Claire and Alexander Gray play the romantic leading roles.

BRADY NEWSPAPER FORCE JAILED ON LAST WEEK

In Brady last week the business men and women of that city stormed The Brady Standard after its editor, Harry F. Schwenker, had left for the Texas Press Association, locked up the force in the county jail and turned out a newspaper themselves. Mr. Schwenker, who is president of the Texas association, has always been too modest to say anything about himself in his own newspaper, so citizens of Brady took charge and gave Mr. Schwenker a boost that he so much deserved.

Too Much Politics

Business in Texas is suffering from an epidemic of politics and the press is helping to spread the disease by giving the politicians too much free publicity.

Still Talking Texas

An editor who publishes this feature every week and who thereby proves that he thinks it worth while has asked "why don't you devote some of your space to politics?"

Texas Oil Wells

Oil development in Texas is steadily going on. By May 22 wells were brought in as production, an increase of 94 over April.

Trinity River Improvement

Owners of Trinity river valley lands, and cities along the river are getting much interested in the canalization of the river from its mouth to Fort Worth.

Texas Population

Texas will show a population of approximately 5,700,000 in the census returns. This growth has come about without any great exploitation.

Summer School Growth

The Southwest Texas State Teachers College has a summer school enrollment of approximately 2,000, a number that nearly equals half the population of San Marcos.

The State should interest itself in the project to improve the Brazos river valley. This for selfish reasons, if for no other.

same. The total investment in State prison farms is only slightly in excess of \$25,000,000, the entire farm value being wiped out in two years by the overflow.

Roads and Streets

The Rockdale Reporter is proud as a peacock of the 15 miles of concrete highway just finished in that county and of the improved Rockdale streets, which it proclaims as "the most miles of fine streets in any Texas town" of like population.

SILK UNDERWEAR TOO MUCH FOR RANCH DAD

Some folks are vouching for the truth of this story, which no doubt represents many a man's feelings whether it be true or not.

The boy, fresh from Half-Circle Hot Snake Ranch, came to Tech and spent a whole term before going back home.

When the kid got off the train the first thing his dad noticed was that he didn't wear a hat.

"Where's your hat, son?" he asked.

"Oh," replied the youngster, "we college boys don't wear hats."

The old fellow didn't say anything as they walked up the street toward the wagon yard where they planned to spend the night.

"Wait a minute, boy," he roared, hitching up his trousers. "Wait a minute! Don't take off them trousers! College boy or no college boy, if you've got lace on your drawers I'm gonna kill you!"

RESOLUTION OF RESPECT

Mason, Texas.

Mrs. E. E. Chambers and family, Santa Anna, Texas.

The following resolution was adopted by a rising vote with bowed heads by Group 22 of District 2, Lions International, in its last quarterly session held at Mason, Texas, June 11th, 1930.

Whereas, The Supreme Architect of the Universe, in His infinite wisdom and omniscience, has called from the walks of men, our beloved brother, E. E. Chambers, Santa Anna Club, and

Whereas, The Lions' Club of our deceased members' as well as Lionism in general have lost one of their most valued members, and

Whereas, We not only sorely deplore his untimely going but also feel very keenly the irreparable loss to our bereaved clubs; therefore be it

Resolved, That the members of the clubs of Group No. 22 of District 2, Lions International, tender their heartfelt sympathy to the bereaved relatives of our fellow members, and

Resolved, That the secretary send copies of these resolutions to the family, to the press of his home town, and spread copy of same on the minutes of our organization.

Respectfully submitted,

J. J. Timmins, Brownwood, Chairman. Carl Runge, Mason. J. C. Scarborough, Santa Anna.

KNOW TEXAS

Texas has 8,000,000 wild pecan trees with an annual crop of 40,000,000 pounds or 75 per cent of the total produced in the entire United States.

Of the 1929 cotton crop totaling 14,821,499 bales, Texas produced 3,940,000—more than 2,000,000 bales ahead of the next state, Mississippi, with 1,915,000 bales.

From July 16, 1929—date of the new gasoline tax law going into effect—to May 1, 1930, the state of Texas collected \$20,819,388.23 in gasoline tax. One fourth of it went into the available school fund and the remainder into the highway fund.

The fur crop of Texas last year was valued at \$3,000,000. About \$2,000,000 of it contributed over \$50,000 in taxes to the state, only pelts of certain of the fur-bearing animals being subject to the tax.

After the First Twenty-five Thousand Miles

THE VALUE of sound design, good materials and careful craftsmanship is especially apparent in the new Ford after the first twenty-five thousand miles. Long, continuous service emphasizes its mechanical reliability and economy of operation and up-keep.

As you drive the Ford through many months and years you will develop an increasing pride in its appearance and a growing respect for the substantial worth that has been built into it. From every standpoint—in everything that goes to make a good automobile—you will know that you have made a far-seeing, satisfactory purchase.

Wherever you go, you hear enthusiastic praise of the car and this significant, oft-repeated phrase—"I'm glad I bought a Ford."

A FORD owner in New York tells of a 13,000-mile trip across the United States and back in sixty days and says "the car was extremely economical to operate, comfortable and speedy."

To test tires, a large company drove a new Ford day and night, for an average of 500 miles every twenty-four hours. It was still giving satisfactory service after 105,000 miles.

A Ford car that had fallen into Fernan Lake was submerged for twelve days before being raised. After a new battery and carburetor bowl were installed, it was driven back to Spokane under its own power.

Many police departments have written of the special advantages of the Ford in crowded traffic because of its alert speed, acceleration, and ease of control.

In addition to important triumphs in Germany, France and Italy, the Ford won six out of seven leading places in a contest in Finland, first and second in the Rascals races in Argentina, first and second in the

run from Copenhagen-to-Paris-to-Copenhagen, three gold medals in England, first ranking in the durability test over the tortuous Amancaes road in Peru, and first place in the 1930 reliability run conducted by the Royal Automobile Club of Sweden.

This contest was an exceptionally severe test of endurance and sturdy construction because it was held in the dead of winter and covered 600 miles of steady running over snow-covered country roads and mountainous hills.

MARTIN-STACY

The spacious country home of Mr. and Mrs. O. L. Martin near Trickham was the scene of a very pretty home wedding in the late afternoon of June 12th, when their daughter, Miss Ora Martin, became the bride of Mr. Joe M. Stacy. The guest were greeted at the entrance by Mr. and Mrs. Martin. Miss Mamie, sister of the bride, then showed the way into the reception room. Here touches of wild rose, pink and white, with vases of fragrant roses lent beauty to the scene.

When all were assembled, Rev. West took his place. Just at 5 o'clock the groom and his bride preceded, by Miss Mary McIver and Mr. Roy Miller, appeared. The bride was lovely in flesh georgette with rose lace straw hat, with an arm full of blossoms from deepest rose to white, against lacy ferns. The words were spoken, using the Presbyterian ring ceremony. Nearly twenty-three years ago the brides mother, who was Miss Dolly McClatchy, stood in the self same spot and became the bride of O. J. Martin, and one guest present was also a guest at the mother's wedding. We think this rare enough to deserve mention.

After congratulations Mr. Lowell Shell West sang, then all had to see and admire the handsome array of gifts. A deluge of rain caused the guests from a distance to speak of an early departure, so all were invited into the dining room. Here Mesdames W. P. and T. C. McClatchy, C. L. Martin and Miss Ethel Shield served the ever popular American dish, ice cream, with delicious angel food cake.

Those present for this happy occasion were Rev. and Mrs. West, Mr. Lowell West, Miss Cula West, and Mrs. W. C. Watson, all of Santa Anna. Mr. and Mrs. O. J. Martin, Mr. J. S. Martin, Mr. Herman Martin, Misses Mamie and Orna Lee Martin, Mr. and Mrs. C. L. Martin, C. L. Martin, Jr., Mrs. W. P. McClatchy and son, J. P., Mr. and Mrs. T. C. McClatchy and family, Mr. and Mrs. Tom Stacy, Miss Sammie and Mr. Noah Stacy, Mr. and Mrs. Walter Stacy and children, Mr. and Mrs. Marion Ford and son, James Sherwood, Mr. and Mrs. Tom Bagley and Tommy Lou of Brownwood, Mr. Roy Miller, Mr. Joe Stacy, Miss Ethel Shield, Miss Mary McIver, Miss Ora Martin. Mr. and Mrs. Stacy will be at home in Trickham after June 16th. They are starting a home here where both were born and reared, among their friends who know and love them.

The bride spent two years in Texas Tech, Lubbock and two in Santa Anna high school, being a graduate of the class of '27. She taught the last school year in Trickham. Both are popular in the social life and active in church work here. Their tastes are mutual, their efforts sincere. May they continue thru the years.

THE LITTLE BUNGALOW ON THE HILL

Beneath the western skies of blue;
Where many hearts have thrilled;
At a humble little bungalow,
Just upon the hill.
A sweet abode for two we love;
Whose beauty excels the rose;
All my time and stay with them,
Was one calm and sweet repose.

I can't recall one single act,
That was not with kind love filled;
That stands upon the hill.
In that little bungalow;
This little home knows no strife.
It is in my memory still;
To think of the image of that above;
The bungalow, on the hill.

The above was written by Ollie Smith, brother of Mrs. H. H. Brown, who lives near Bangs. Mr. Smith lives in California and was here on a visit a short time ago.

Multiply Your Man-Power By Seven

McCormick-Deering Corn Binders are built in two types, horizontal and vertical. Both are light-draft long-lived machines that do hard work quickly and easily.

When you go into the corn with a McCormick-Deering Vertical or Horizontal Corn Binder you are equipped to do the work of from 5 to 7 men with corn knives. And you sit in comfort while you are doing it. Instead of turning standing corn into loose, unwieldy stalks that are hard to load or shock, the McCormick-Deering bundles and ties the corn for fast handling without loss of labor or corn. This saves time at harvest and afterward.

If you feed silage you especially need the fast, sure work of the McCormick-Deering Binder. With the binder in the field and a McCormick-Deering Ensilage Cutter at the silo, every stalk can be turned into the highest grade of silage, at minimum cost, because the fast-working equipment handles the corn when it is at its best. We have this new McCormick-Deering for you to see and try. Come to our store and we will point out the many fine features that this binder offers.

THE RISEN LORD AND THE GREAT COMMISSION

GOLDEN TEXT—Go ye therefore and teach all nations.

LESSON TEXT—Matthew 28:1-10.
PRIMARY TOPIC—Carrying on Jesus' Work.

JUNIOR TOPIC—Our Marching Orders.
INTERMEDIATE AND SENIOR TOPIC—Our Marching Orders.

YOUNG PEOPLE AND ADULT TOPIC—The Great Commission.

I. The Empty Sepulchre (vv. 1-7).
1. The earthquake (vv. 1-4). This occurred when the glorious angel descended from heaven to roll the stone away from the tomb. This work of the angel was not to allow Jesus to escape, but to show that the tomb was empty. Christ needed not even the help of the angel, for He came forth from the grave by His own power as the seal of His atoning work on the cross (Rom. 1:4). The open tomb and the angel sitting upon the stone with calm dignity, is a graphic picture of Christ's triumph over the devil, and the terror of the keepers is a sample of what all of Christ's enemies shall one day experience when He comes in glory to reign as King.

2. The angel's message to the women (vv. 5-7).
(1) Fear not (v. 5). While the enemies had occasion to fear, these women who loved the Lord received good news from the empty tomb. The empty tomb puts an end forever to all doubts and fears. Let every teacher endeavor to show the greatness of the fact that the tomb was empty, for it shows that we have a living Christ. The resurrection of Christ should be the major theme of those who give out the Christian message (2) "Come, see" (v. 6). The angel told the women that the Lord had risen and invited them to see the place where He lay. The Lord made special effort to convince the disciples of the reality of His resurrection. He remained with them for forty days, giving them many "infallible proofs." (3) "Go quickly" (v. 7). Having seen for themselves, their responsibility was to go and tell the message. Experience is necessary before testimony. They were to go quickly to the disciples with the message, assured that the Lord would go before and meet them.

II. The Risen Lord Meets the Women (vv. 8-10).
The women quickly obeyed the command of the angel, and were running to bring word to the disciples. Jesus met them on the way. Those who have an experimental knowledge of Christ should go speedily to tell others of it. When they saw Jesus—that He was really the Lord—they worshiped Him.

III. Paying Money to Circulate a Lie (vv. 11-15).
That Jesus arose from the dead could not be denied even by the Sanhedrin. They saw only one way out of the difficulty; that was to bribe the keepers to tell a lie. They had paid money for His betrayal—now they paid more money to circulate a lie about His resurrection. This shows the wonderful power that money has over the lives and consciences of men. It not only induces people to lie, but it even muzzles the mouths of some teachers and preachers.

IV. The King's Great Commission (vv. 16-20).
1. The royal authority (v. 18). By virtue of His divine authority, He issued this command to the disciples. In order to prepare them for the reception of this command, He declared unto them that all power in heaven and earth had been given unto Him.

2. The commission itself (vv. 19, 20).
It consists of three parts. (1) Go teach all nations. This is the first and primary business of the disciple. This command has been issued to all disciples by the risen and mighty Lord. (2) Baptize them in the name of the true God. Those who have become disciples of the Lord should receive the rite which signifies that relationship to Him. (3) Teach them to observe all of Christ's commandments (v. 20). Those who have become Christ's disciples should be taught conformity to His will.

3. The available power (v. 21).
Those who obey Christ in carrying out this commission shall enjoy His abiding presence.

The farmer's may not be as wise in many ways as are their fellow patriots who live in the cities, but they don't have to pay sixty cents for a little silver of chicken between two slices of stale bread and call it a sandwich.
