SMOKE FROM THE MOUNTAIN

Hallowe'en is just around the corner and folks had better look out or they will find pranks and jokes there, too. It is hoped, however, that all can have a good 'wholesome time without carrying the idea of "jokes" too far. Anything which destroys property or injures someone or causes anyone real discomfort is going beyond the humorous idea.

Local Future Farmer President Tells Of Interesting Event of Recent Convention

The Future Farmers are in town.

Kansas City awakened to the cheers of 4000 Future Farmers who had come from every state in the United States to participate in the Eleventh National Convention of the Future Farmers of America. When we arrived at the Union Station, the Texas State Band played a few numbers to let the people know that Texas boys were really in Kansas City. The people gave us a hearty welcome. It also may be stated that this union station is the fifth largest station in the world.

There was really a lot of activity going on the first day, everyone trying to get located and trying not to get lost. Next morning all the boys went to the Municipal Auditorium to hear the opening ceremonies of the convention. This building

Miss Chambers Recalls First "News" Building

This past week I had a great compliment passed on my writing. Several ladies who read the fine piece by my friend, Mrs. C. D. B. said they thought until they read the signature that it was mine. This inspired me to review in my mind the early history 45 years ago when the home of the "Santa Anna News" was built.

Some one built a nice 2 story building. The lower floor had a tin shop owned by the late B. F. Rothermel. The upper story was occupied by the Santa Anna News.

Frank Bowron was printer's devil. Here he learned newspaper work and the last I heard of him, he was on a Graham, Texas paper which I believe was the "Leader."

This building was moved or burned and the Old Brooks Hotel in the Gap was moved there and a man by the name of Fielder had charge of it. Then the owner, Mr. George Harrison occupied it for a long time and it then passed to Mr. W. T. Laughlin. Finally Will Herndon purchased and erected a one story rock building which was occupied by Mr. Willie Hunter several years as a grocery store.

Later Mr. L. L. Shield Sr. purchased and added a second

A Well Deserved Tribute

This week the Lions Club officially acknowledged a vote of appreciation to Mrs. R. C. Gay of this city for her untiring work in securing the Ranger Museum building for this city. We wish to add our word of tribute to Mrs. Gay, who against much opposition and discouragement never for a moment let her enthusiasm and work lapse until the fund for the museum honoring Texas Ex-Rangers was definitely raised.

Many clubs, organizations from churches, individuals and the county commissioners court aided with donations of money, and her interest spurred them on until the goal was reached. That and the fact that the Ex-Rangers themselves wished the home to be here among Santa Anna people and its mountains, even though other cities were eager to give them a museum and meeting place, put over the campaign to honor these Texas heroes.

We appreciate the fact that Mrs. Gay was willing to give of her time to this cause which will also benefit the City, since the building will have an auditorium to be used as a community center. A city, if it is to thrive, needs more citizens who are eager to get out and work for what they believe the town needs.

The month of October is the month of mysteries. This month is always looked forward to, especially the last day, because then the witches, bats, owls, ghosts and goblins come out for their night of fun.

At times Hallowe'en is celebrated just a little too much. Some people on this particular night seem to carry their fun too far. Students of S. A. H. S. let us see if we can enjoy ourselves on Hallowe'en night, but do not carry your fun over the border line.

Resolutions of Lions Club

Commending Mrs. R. C. Gay Whereas, the Ex-Rangers' Association saw fit to designate Santa Anna as its permanent home, and the State Park Commission established a State park adjacent to our East mountain and was kind enough to name it the Texas Ranger Memorial Park, and

Whereas, all of these signal honors to Santa Anna and her people were accomplished in no small way by the indomitable will and persistent efforts of our fellow-townslady, Mrs. R. C. Gay, and

Whereas, the securing of a WPA project whereby a Memorial Building to the Ex-Rangers seems assured for our park, and

Whereas, this project has been prosecuted and consummated almost altogether as a result of her untiring and relentless efforts, and

Whereas, in our opinion we might never have had any of these honors and their resultant benefits had it not been for Mrs. Gay and her associates in the endeavor, THEREFORE, BE IT RESOLVED,

That we commend Mrs. Gay and her associates for their patriotic devotion and unwavering loyalty to the Ex-Rangers and their Association,

That we hereby convey to them our profound appreciation of their fealty to this rapidly vanishing group of Texas Pioneers, and their civic pride, both of which have been made so manifest by their leaving no stone unturned until all to be desired was accomplished.

That the building when completed will be not only a monument to the Pioneer Group which it immortalizes, but also a testimonial to the splendid, patriotic work wrought by Mrs. Gay and others.

That these resolutions be made a matter of record in the minutes of our Club, and that copies of same be furnished Mrs. Gay, the Santa Anna News, and the Ex-Rangers' Association.

Respectfully submitted, RESOLUTIONS COMMITTEE
J. C. Scarborough
R. H. Spencer
W. R. Mulroy

Submitted and passed unanimously by the Santa Anna Lions Club in its den on Oct. 25, 1938.

La Rue Curry Weds G. A. Morgan Jr.

Miss La Rue Curry, daughter of Mr. and Mrs. C. A. Curry of the Liberty community, became the bride of G. A. Morgan Jr., son of Rev. and Mrs. G. A. Morgan of Winnsboro, La. Wednesday night at 9:45 o'clock in a single ring ceremony at the Methodist Church, Rev. Morgan, father of the groom, officiated, assisted by Rev. M. L. Womack of the Presbyterian Church.

The ceremony took place after friends had left the church following a pre-nuptial shower given by members of the Methodist congregation, and came as a surprise to many, since friends had expected the wedding to be Thursday.

Both Mr. and Mrs. Morgan completed their high school education here. Mrs. Morgan has taken part in the work of practically every department of the Methodist Sunday School and Church ever since childhood and for the past few years has been one of the main directors of the Young People's League work. The groom has

attended Daniel Baker College and Louisiana Tech in Ruston. After a visit with the bride's parents, the couple accompanied Rev. Morgan back to Winnsboro, La. where they will visit for some time and then plan to go to Charleston, S. C. to make their home.

Methodist Church Honors Couple With Prenuptial Shower

Members of the Methodist Church honored Miss La Rue Curry and Gus Morgan, who were married late Wednesday night with a pre-nuptial shower Wednesday evening at the Church Sunday School rooms, and also greeted their former pastor, Rev. G. A. Morgan, who now resides in Winnsboro, La.

After guests had seen the gifts and the couple had expressed their appreciation, refreshments of hot chocolate and cookies were served. Rev. M. L. Womack spoke a few words to the couple and then dismissed the group.
