VOLUME LV.

SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, AUG. 9, 1940.

NUMBER 32.

## This Week in Our Town

Arch Hunter took a vacation from the store last week so he could do some needed work at home—painting the house. He did this more to show that this brother, who painted Red and White store front wasn't the only painter in the Hunter family, is the opinion we hold.

Late—but better late than not at all—Jack Woodward had an addition built on his home and a few gallons of new paint put on recently. Jack wanted a far cooler bedroom than before—and apparently he got what he wanted.

Herman Spencer didn't like something about the place he has been living in, or maybe the missus didn't like the wallpaper, or sumpin'—anyhow they have moved to the Mrs. Comer Blue house, recently occupied by the Ed Purdy family.

The Lions Club had several visitors Tuesday—a representative of the independent oil operators, the president of the Coleman Lions Club and a Boy Scout leader, as well as a frequent visitor, Alex Clark of the Coleman Gas & Oil Company.

Mrs. J. R. Wade of Edcouch, in the Lower Rio Grande Valley, passed through here a few nights ago and told a filling station attendant to say "howdy" to the Jeffreys for her. She and Mrs. Jeffreys were co-workers in county and tenth district TA circles.

Refinishing of the Service Cafe is about complete, with a little over 178 1/4 percent improvement. Light, airy, clean, cozy etc.

Speaking of parades, better get ready for the rodeo parade the afternoons of the 20th, 21st and 22nd. Let's have a parade we can be proud of.

Claud Reid fits in the cham-like the job was made for him—or he for the job. With a live-wire on the job we look for good results at an early date.

"D. O. Lane is in the lead in the fishing contest so far," said our Junior last week end. Seems Kelley & Co. are offering prizes for the three largest fish caught by those registering at the store. Junior opines that some of the boys will have to get some home-made plugs if they catch up with the leaders.

Spencer is putting on a toilet soap sale at his drug store, so local folks can clean up their physiognomies and corporosities, and Piggly-Wiggly is offering laundry soap for 'em to use in making their raiment equally spotless. This may be a Spotless Town yet.

Reg. Owens has opened up a cafe under the title of Truckers Cafe, two doors east of The News office. This is NOT a new management of the old cafe that formerly inhabited the spot, but a new venture with a different program. They serve good eats.

## Coleman Delegates To Convention Uninstructed

Coleman county's delegation to State Democratic Convention in Mineral Wells, Sept. 3, will be uninstructed and is not bound by the unit rule.

Delegates include Frank Alexander, Talpa; A. R. Brown and S. H. Duggins, Santa Anna; Will Burns, Burkett; Ed Hammonds, Jr., Glen Cove; Will Matthews, Goldsboro; Jozach Miller, Leaday; George Pauley, Valera; Joe Spruiell, Gouldbusk; Bob Steward, Rockwood; and A. K. Baker, H. H. Jackson, W. O. Leach, A. L. Lockhart, Joe Pouns, and F. B. Simmons, all of Coleman.

## Brother-in-Law Dies In El Paso

Mrs. J. J. Gregg was advised by wire Monday of the death of a brother-in-law, Earl Card, of Van Horn, Texas. Mr. Card died in a hospital in El Paso, following an operation for ulcer of the stomach.

## S. A. LEGION POST ELECTS OFFICERS FOR YEAR 1940-41

Meeting last Friday night at the Armory for a get-together supper, and a general pow-wow, legionnaires of the local Jack Laughlin Post of the American Legion of Santa Anna made up a new roster of officers for the coming year.

Officers for the year just ending are Sam Collier, C. O., Glen Williamson, V. C., R. A. Jeffreys, Adj., Sid Blanton, Sgt. at Arms, Rev. Womack, Hon. Chap., G. Laughlin, F. McCorack and J. Harris, Exec. Com., Roy Stockard, S. O. The office of Finance Officer, formerly held by Dewey Pieratt, who moved to Beville some months ago, has been temporarily attached to the Adjutant's office.

Election of 1940-41 officers was quickly carried out, nominations without opposition, making the next fiscal year's roster Starnes, V. C., Jeffreys, Adj., Stockard, F. O., Morris, Sgt. at Arms, Womack, Hon. Chap., Blanton, Sid O. Collier, automatically goes into the Executive Committee, replacing McCorack, whose three year term is just expiring. Rev. Womack has been the Post's Chaplain for many years, there being no ordained minister in the organization nor apparently a member with the qualifications and ambition to fill the office, which does not demand an ordained minister of the gospel.

## Rural Schools Of Coleman County On Business Basis

For the first time teachers of the rural schools of Coleman County were paid every salary check on time and 100% of every salary was paid. The 12 months payment was used this year and will be used again during the 1940-41 term. Under this plan the teachers yearly salary is divided into 12 equal payments and paid on Sept. 15, Oct. 1, and on every first day thereafter until August 1. In this way teachers have an income during the summer and are better able to plan their personal budget when they know they are certain of salary payment on time. 12 months plan enable the schools of the county to show a very nice saving in the amount of interest paid on teacher salary loan. In addition to paying 100% teachers' salaries, school boards of the county are to be compensated for not buying one item of school equipment or teaching supplies that was not paid out of this year's budget. Not only did the schools of the county pay all salaries and current operating expenses, but in addition paid between \$5000 and \$6000 on old school debts.

The county operated 37 school buses during the past year and transported more than 2300 boys and girls to school. Every bus driver's salary was paid and all operating expenses in the form of fuel, parts and repairs were paid for during the year. Every school met all bus notes for the 1939-40 term. There were four new school buses bought during the past year and this summer and three of the new buses were paid for during the 1939-40 school term.

Coleman County has 25 rural school systems. Out of these six are fully accredited high schools, 16 fully standardized elementary schools and only three schools that are not standardized. More than 96% of the rural boys and girls in Coleman County can now attend a standardized or accredited school system. On an average the rural schools of Coleman County operated 173 days in the past year. All high schools operated for at least 8 months and three weeks' and four rural schools had a nine months term. The aim of most of the schools next year will be to offer a nine months term to all the boys and girls.

The man who gets along best in this world is the one who can look happy when he isn't.

## CEMETERY WORKING

The president of the cemetery association, Mrs. Clinton Lowe, joined by the executive committee, has designated next Monday, August 12th, for another general working at the Santa Anna cemetery.

All who are interested are requested to come and bring such tools and equipment as you have at hand to work with. Spend the day working at a needy and worthy cause. Committee.

## SIXTEEN FFA CHAPTERS AT 3-DAY MEETING

The annual District FFA encampment at Lake Brownwood State Park closed Saturday with final results of the series of contests held during the three day camp announced.

Sixteen chapters were represented by 135 boys and 16 advisors at the encampment. The number of chapters was the largest yet to attend the Lake Brownwood encampment but the number of boys was less than last year because many were busy harvesting grain and could not attend.

For the third year, Coleman FFA chapter won the "little keg," emblematic of encampment contest championship, scoring 93 points. Lohn was second with 84 points, Rochelle third with 80 points, Tuscola fourth with 73 points, Bangs and Burkett tied for fifth with 43 points.

Chapters represented who were not included in a list previously published were Hico, Santa Anna, Springtown and Blanket. The Springtown boys came the greatest distance (150 miles) to attend the encampment.

Tuscola won the fishing contest. A three-pound, two ounce catfish was the largest caught, while the largest bass weighed 11-4 pounds. No crappie was caught.

Rochelle took first in the softball tournament, with Novice second, Tuscola third and Brady fourth.

In horseshoe pitching, Bangs was first, Rochelle second, Coleman third and Burkett fourth.

In washer pitching, Burkett won first and Lohn second.

Tuscola won the bar chinning contest, with Coleman second, Burkett third, Bangs fourth, Lohn fifth.

Lohn took first in the stand-broad jump, with Brownwood second, Rochelle and Brady tied for third.

The colorful pole fight event, witnessed by a large crowd, was won by Tuscola, with Coleman second, Rochelle third and Brownwood fourth.

Coleman scored heaviest in the six classes of boxing, on combine score, with Lohn second, Rochelle third, Brady and Buffalo tied for fourth.

In series of swimming contests Coleman won first, Lohn second, Rochelle third, Brady fourth, Burkett fifth and Tuscola sixth.

M. B. Tyler of Brownwood administered first aid and served as life guard for the encampment. Weakley-Watson company furnished contest materials.

J. M. Binion was in charge of the encampment as advisor.

## Coleman Co. News Briefs

William H. McDowell, post office clerk of Coleman, has received a certificate from the American Radio Relay League, Inc. The certificate is for "excellent performance, and an excellent Mr. McDowell to use the letters "WAS" indicating he has had two-way communication with each of the 48 states.

The Coleman post of the American Legion has elected new officers as follows: Cecil Gray, post commander; A. R. Scott, adjutant; L. E. Collins, Jr., George Hanke and J. N. Thompson, first, second and third vice-commanders; Roy W. Howell, finance officer; A. K. Baker, service officer; L. H. West, sergeant-at-arms.

Wayne Newton, 12, son of Mr. and Mrs. Wiley Newton of Burkett, 4-H Club member, displayed a sack containing 32 onions at Coleman last week. The 32 onions had a total weight of 52 pounds. He planted 200 onion slips several months ago and has harvested about 200 pounds of onions. The onions are known as the "Spanish Valencia" and are large, white and almost as round as a ball.

Funeral services for Samuel E. Tubb of Dallas, 64, were held at the Methodist Church in Valera Tuesday afternoon. Mr. Tubb, who died in Coleman Monday is survived by his wife, Mrs. Tubb, two sons, and one daughter. Mead Undertakers were in charge of funeral arrangements.

## COUNTY H. D. AGENT REPORTS MATTRESS WORK

### COTTON MATTRESS PROGRAM NEWS

August 1 report of the county Home Demonstration Agent shows:

1140 applications made for cotton mattress materials, 995 of these applications approved by county AAA committee. 96 bales of cotton and 1750 pounds and 9,950 yards of ticking ordered from FSSC by county AAA committee.

A mattress centers have been opened during the past two months by the county Home Demonstration agent and they have worked as follows:

Santa Anna — 99 mattresses made and 97 to be made.

Coleman — 91 mattresses made and about 80 more to be made.

Silver Valley — 76 mattresses made and about 60 more to be made.

Mozelle — 54 mattresses made which completes the work of that center.

Valera — 20 mattresses made which completes the number for that community.

## LIBRARY NOTICE

Through WPA aid the Santa Anna public library will be kept open thirty hours weekly. A five hour daily schedule has been arranged, the circulating hours being from 9 a. m. to 11 a. m. and from 2 p. m. to 5 p. m.

Several new books of fiction have been donated recently. A new copy of "The Philosophy of War," by Dr. and Mrs. F. Homer Curtis has also been added.

The Santa Anna public library is a free circulating library for the pleasure and convenience of the public. Courtesy and aid in selecting the type of reading suitable for each patron is offered by the custodian during the hours mentioned above.

## SOIL DISTRICT FIRST TO GET TECHNICAL AID

The first organized state soil conservation district in Texas to receive technical assistance from the Soil Conservation Service in the preparation of an erosion control and soil and water conservation program and work plan is the Central Colorado District with headquarters at Coleman, Louis P. Merrill, Regional conservator for the Service, announced at Fort Worth.

Mr. Merrill said that the supervisors of the district, which was voted in by landowners on March 9, had requested the Service to assist them in developing a work program and that assistance was granted. The new district covers 1,168,000 acres in Coleman, Runnels, Taylor and Callahan Counties.

The regional conservator announced that Marvin Hyes, formerly on duty in the area of office at Abilene, had been transferred to Coleman of work with the district supervisors and that two members of a mobile survey group shortly would begin making the necessary conservation surveys in the district area.

Mr. Merrill pointed out that under recently established policies of the Service technicians can assist organized soil conservation districts prior to the beginning of actual operations and help in the drafting of the program and the work plan, which are the documents upon which operations are based, when such assistance is formally requested by district supervisors. He said that the Service may also assist districts by making necessary field surveys, such as the conservation surveys, and by planning for conservation practices certain farms located in strategic problem areas of the district which could serve as demonstrators for other farmers who would install similar practices on their lands after the regular work program got underway.

Additional technical assistance to the district will depend upon the development and submission of an adequate program and work plan which is used as a basis for signing a memorandum of understanding between the district supervisors and the Department of Agriculture. Under the terms of this memorandum the Department of Agriculture may assign technicians, if available, to assist in carrying out district operations.

Supervisors of the Central Colorado District who have requested assistance from the Soil Conservation Service are B. B. Fowler of Rockwood and A. E. Young of Baird, appointed by the State Soil Conservation Board, and Andy Broyles of Talpa, Sam D. DeBusk of Burkett and M. A. Patterson of Lawn, elected by the district landowners.

Two Brownwood youths accused of car theft who eluded fellowships during the evening posse's bullets and bloodhounds in wild Leon River country near Gatesville were captured Tuesday by Mrs. Jack Hallmark, wife of the Brown county sheriff, who saw the youths entering a thicket between Adamsville and Lampasas 25 miles from where the car had been abandoned. She summoned her husband, who borrowed a horse and ran them down.

## Wheat Insurance Applications Being Signed By Farmers

"The sign-up for the 1941 crop insurance has gotten under way in Coleman County and a number of applications for insurance have already been approved," according to G. E. Abbey of the Coleman County Agricultural Conservation Association committee.

Mr. Abbey pointed out the importance of making early application for crop insurance as the closing date for 1941 is August 31. Since this is considered in advance of the time for seeding wheat, there is nothing to be gained by waiting until the final date.

No cash need be advanced to obtain crop insurance as premiums can be paid by making an assignment to the Secretary of Agriculture, and the premiums will then be collected out of a 141 parity or conservation payment.

The premium is finally computed on the basis of the actual number of acres seeded to wheat. Hence, if a farmer does not take out insurance and then does not seed any wheat he pays no premium. Similarly, if a farmer seeds less wheat than his insurance application calls for his premium is reduced.

## Methodist Men Entertain Baptists With Victory Supper

Men of the Methodist Sunday School entertained the Baptist Brotherhood class, winners in an attendance contest that ran through the month of July, with a barbecue supper at Richardson Crossing on Home Creek Tuesday evening of this week.

A total of 113 men were present to enjoy the supper and the entertainment that followed. Rev. S. R. Smith made the principal talk of the evening and Walter Newman and his string band played several numbers. Roy Richardson, pre-board, and Andy Broyles of Talpa, Sam D. DeBusk of Burkett and M. A. Patterson of Lawn, elected by the district landowners.

The men enjoyed a congenial fellowship during the evening and feel that lasting good has been accomplished through the friendly rivalry between the two groups.

Magnesium, vital to our national defense needs because of its use in the manufacture of airplanes, now costs 30 cents a pound as a result of industrial research. In 1915, magnesium cost five dollars a pound.

## Heart o' Texas News Briefs

Farm leaders of Brown and Mills Counties have decided to join the counties as a unit for the administration of the soil conservation program. The district is to be known as the Brown-Mills Soil Conservation district.

Two high school bands will be formed this week says C. J. Zitelman, bandmaster of Brady high school, who now has 95 members signed up.

Shipments of stone from Llano reached their peak for the year during the month of July when 81 cars moved by rail. Shipments from there in June amounted to 3 cars. The shipments during the past month included rough and finished granite, jetty stone, bayrites, feldspar, and crushed granite and stone.

The loss of about \$150 in dental gold \$3 in pennies, seven silver dollars and about \$8 in dimes from Dr. H. W. Lindley's office at Brady, was the second dental burglary in that city within the last few months.

A 44 percent increase in the number of marriage licenses issued in July in Brown county, continued an upsurge of marriages for that county which began in June, when there was a 10 percent increase in licenses as compared with 39 issued during June, 1939.

Rainfall in Brownwood during July totaled only 73 inches, 1.05 inches under the normal July fall of 1.78 inches. The July rainfall was .07 inches more than that of July, 1939, when only .66 inches fell. Two years ago more than 10 inches of rain fell during the month. The rainfall last month brings to 21.34 the total moisture received there so far in 1940.

Sergeant William J. Hess, U. S. Army recruiting officer in charge of the Brownwood recruiting office, Memorial hall, announced that during July he enlisted 35 men. This brought to a total of 61 the number who have joined the regular army there since recruiting office was opened on June 12, and is in addition to 13 who enlisted there in U. S. Marine Corps recently.

The July just past was the driest in the 55-year records of the Abilene weather bureau. Only 12 inches of rain fell, as compared with a normal precipitation of 2.12 inches, to leave the year's deficiency from normal at 38 inches. All of last month's measured rainfall came on the 12th, with a trace being recorded on July 1.

Ten burglaries in and near Brownwood were solved by admissions obtained from two boys who were taken to Gatesville to serve reformatory sentences; he boys were both under 16.

An extensive building program has been going on in Brady for the past two years. Week after week activity in building, etc., has been going on with permits in July issued from the city office for about \$5,000.

Ninety-one applications from tenants for FSA tenant purchase loans were received prior to the July 20 deadline. R. K. French, FSA rural supervisor for Brown county announced. Marion E. Fry of Zephyr has been appointed as a member of the Brown county tenant purchase committee, to succeed T. N. Simmons whose term has expired.

Since opening of the Brady Reentering Station a total of 42 enlistments in the Army have been approved. Sgt. Mockbee this week announced 11 new enlistments from that area.

Fatal automobile accidents in McCulloch county have been reduced exactly 50 percent during the first six months of 1940, according to a report issued.

AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.

It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining information on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Teachers, librarians, parents and leaders of boys clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY, the sort of reading matter boys like best.

THE AMERICAN BOY sells on most newsstands at 20c a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years.

Foreign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan.

600 Cans of Vegetables For Trickham School

Mrs. Letta Price and Mrs. Lena Talley, cooks for the Trickham School Cafeteria, this summer canned 600 cans of vegetables and corn and 60 cans of peaches for the Trickham school.

Aside from vegetables donated to the school by Mrs. Jess York and Mrs. Gertrude Martin, the vegetables were raised in the school garden. The corn was donated by John Featherston, Walter Stacy, E. S. Fivash, Silas Wagner and C. D. Findley.

Mr. and Mrs. Oscar Boeneke contributed the peaches.

Other donations of vegetables, fruit, or dry corn for hominy will be appreciated. Anyone having foods to contribute may get in touch with Mr. Findley or Mrs. Carrie Stacy, school sponsor.

Mrs. Price and Mrs. Talley have given half of their time to the Whon school, having canned 75 cans of food there.

People of the Trickham community would like to hear what is being accomplished in other school projects of the county.

THREE TEXAS NATIONAL GUARDSMEN KILLED IN TRUCK CRASH

Three national guardsmen from Texas were killed and eight others were hurt in a highway accident attending maneuvers in the Louisiana "mock war" area.

The accident occurred Tuesday night between Cravens and Leesville. The dead were Billy Goodman and Kenneth Sims, members of a medical detachment of Electra; and Johnny Arnett of Ranger.

They and fourteen others were riding in a truck, which was wrecked because of heavy dust and traffic. Eight were hurt, but none seriously.

The army command ordered traffic to proceed at not faster than 15 miles an hour Tuesday.

Part of every Texas oil dollar finds its way into your pocket. EVERY merchant in our State—every business and professional man—every worker, shares in Texas oil's huge expenditures. Many Texas cities with all their varied businesses and employment exist and prosper today because of oil. Last year petroleum created a direct buying power in our state of 550 million dollars. Of this, Texas retail merchants received 324 million dollars, landlords 44 million, utilities 38 million and professional men 22 million, while 83 million more went for insurance and savings. This huge sum is distributed and redistributed in an endless chain of income for our State and its people. Texas oil payrolls are over 60 per cent of all the wages paid to all Texas workers. Directly or indirectly, you get a part of your income from oil. If you're a Texan, you're in the oil business.
