

This Week in Our Town

THE LOCAL POST OFFICE IS A Santa Anna Institution that can...

ARLIE WELCH, FIRE CHIEF OF Santa Anna, called our attention to the nifty red "Fire Dept." sign on cars of the members of the department.

HOME CREEK CHIGGERS ARE remorseless marauders, we had to learn the hard way this past week.

THAT REMINDS US TO THANK Doc Brand for a seven pound string of (4) bass he passed our way Monday.

LEON MORGAN BROUGHT US a sack of extra good "eating peaches" Wednesday morning.

HOMER HUDGINS, THE PEANUT KING, has moved back to his Santa Anna home, the Ragsdale place, and will operate his truck line from here.

IF ANY LOITERERS OUTSIDE of the Phillips Drug Store were interested enough in the cigarette packages in the display window after the plate glass was removed to make way with one one or two, they must have felt small on discovering the packages were advertising dummies.

MRS. T. H. UPTON WAS THE lucky person at Appreciation Day observation Wednesday the 9th, being awarded something over fourteen dollars.

THE LOCAL LEGION POST IS again sponsoring a small carnival company here. It will arrive in time to show all next week. The Legion's funds for veteran aid and other expenses come almost entirely from the shows it sponsors, and the Legionnaires are grateful to the mayor and commissioners for the cooperation extended them.

HAYES HEFFNER AND PATRICK Hosh, assisted by Norman and advised by Papa Hosh, turned out a creditable job of pick-up truck sideboards Wednesday for the Dodge truck.

THE NYA GIRLS PROJECT AT the Rangers Memorial Park was opened Wednesday. The local Lions Club has arranged to dine there every Tuesday for a month.

Basic training for 160 flying cadets of Class 41-G at Goodfellow Field San Angelo were conducted Friday. From San Angelo the class will be transferred to advanced flying fields. Refill orders for the transfers have not yet been received.

Secretary of Agriculture, C. R. Wickard says that if war is continued for a long time the issue may finally be "Who can feed the world?"

Patronize Santa Anna merchants.

He Profits Most Who Serves Best

VOLUME LVI.

SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, JUL. 11, 1941

NUMBER 28

Texas Girl Is Tex. Ranger Historian

The following is an excerpt from a letter to Colonel M. L. Crimmins who gave a splendid lecture in review of Mrs. Dora Neill Raymonds book, "Capt. Lee Hall of Texas," the noted Indian fighter.

In pursuit of such hombres, Capt. Hall probably saw service around Santa Anna mountain. It's a well known story to old timers that nests of outlaws and desperadoes infested the breaks of the Colorado River for many years.

"Dora Neill Raymond was born near El Paso, educated in San Antonio, the University of Texas, and later at Columbia University. She is a daughter of former Judge Henry Hart Neill, of the San Antonio Civil Courts of Appeals.

Madison Inn, Charlottesville, Va.

Dear Colonel Crimmins:

I think Lee Hall's greatest service was in making possible the security of homes in Texas. The family seems to me the basic unit of democracy. Had the era of the "bad men" not been terminated by the Rangers, settlers of the right kind could not have remained, and would have ceased to come from other states.

These men fought and fought effectively for the gaining and maintenance of democracy. If we of today can't carry on the struggle as bravely, the European editions of Sam Bass and John Wesley Hardin will get the better of us.

Tell them at home that I am trying to carry on the work of the Rangers by learning all that I can at this citadel of Jeffersonian democracy -- the University of Virginia.

Sincerely and gratefully, DORA NEILL RAYMOND, P. S. My love to these splendid Ex-Rangers.

MISS WILLIAMS' RESIGNATION ACCEPTED

In regular meeting Monday morning the Coleman County School Board accepted the resignation of Miss Audrey Williams as assistant County Superintendent. The Board unanimously expressed their appreciation of Miss Williams' fine work in behalf of the schools of Coleman County and regret losing her services in connection with the office of County Superintendent.

The Board immediately approved the appointment of Miss Reba Jo Loveless as Assistant Superintendent. Miss Loveless has been doing part time work in the office since June 1. She was valedictorian of Coleman High School in the 1940 class and for the past year has been a student in Hardin-Simmons University, Abilene. The Board felt that they were fortunate in securing her services as assistant County Superintendent.

COLEMAN COUNTY 4-H BOYS, OFFICIALS ARE ON ENCAMPMENT

Twenty-seven Coleman County 4-H Club boys and officials left Monday for Lake Brownwood to attend a club encampment.

The delegation was headed by County Agent D. D. Steele and was accompanied by Neal Nicholson, Novice.

Boys making the trip included Wesley Neal Nicholson, Novice; Jack DeRusha, Coleman-Burkett route; Maurice Kingsbery, Santa Anna; Billie B. Laws and Duana Mittel, Glen Cove; J. B. Smith, Coleman, route three; Leroy Walker, Burkett; Robert Glen Henderson, Coleman-Burkett route.

Raymond Odom, Santa Anna; Eugene Lobstein, Coleman route one; Jack Dibrell, Coleman, route one; Dan DeRusha, Coleman-Burkett route; Mr. Steele, Robert Steele, Coleman; Thomas Campbell, Talpa; Howard Lovelady, Rockwood; Grady Eugene Boyd, Coleman route three; Robert Ray Dean, Santa Anna-Trickham route.

PHILLIPS DRUG BUILDING NOW BEING REMODELED

Work began Tuesday on tearing out the front of the Phillips Drug Store building preparatory to remodeling in a more modern and attractive style. The building was erected many years ago and the present change will be the first major remodeling done since its erection.

Miss Ruby Harper, manager of the store, says the front will be of cement and glass brick, with large double door entrance where the west door is now, and a large single door opening into the present jewelry section.

This work, following closely the remodeling of the Magnolia Station, adds another and more important touch of progressive civic spiritiveness to the town.

COUSIN OF LOCAL HUNTER BROS. LEAVES FOR BOMBAY

W. O. Babb, a former resident of Abilene and son of Mr. and Mrs. James W. Babb of that city and cousin of the local Hunter Brothers, left recently for Bombay, India. His parents went to Los Angeles, Calif., to see him off.

Babb is manager of the National City Bank of New York branch in Bombay. He has held that post for 10 years. Mr. Babb making his fifth trip around the world, will stop off for a week at Honolulu on the return voyage. He has been in the United States several months and visited in Santa Anna for a short while.

SCHOOL CHILDREN MUST BE TRANSFERRED IN JULY

Transfer of school children must be made during the month of July. To date very few have made application for transfer. For every child that is expected to attend school in a school other than their own home district, there must be a parent or guardian signed transfer application made with the County Superintendent of Schools. Many parents get the mistaken idea that a child is automatically transferred by law if the child's grade is not taught at the home school, but this is not true. High school pupils attending school outside of their home district must be transferred.

BAPTIST REVIVAL SERVICES

Revival services begin Sunday morning, July 13 at the local First Baptist Church. Rev. Douglas Carver, pastor of the University Baptist Church, Abilene, will do the preaching and Charles McLaughlin, his assistant will direct the singing. There will be two services daily, at 10 a. m. and 8:30 p. m. The daily prayer service will be at 8 p. m. We want our friends to enjoy these services with us. The public is cordially invited. S. R. Smith, Pastor.

Heart o' Texas News Briefs

Hundreds of 4-H boys and a good many of their dads from 21 Central and West Texas counties encamped Monday at the Lake Brownwood State Park for three days of frolic and training. About 400 boys and many of their fathers, together with county agents and state boys' agents, participated in the three day camp. The boys were divided into three groups for rifle practice and games, Rifles and ammunition were furnished free by an arms manufacturing firm. Boxing, baseball and other games were played. The national defense motif was stressed in speeches and training.

West Texas will be well represented when herds from at least 13 states compete for \$3,500 cash premiums and several trophies at the National Polled Hereford Show in Memphis, Tenn., October 11-13, during the Mid-South Fair. Already planning to enter cattle are Halbert and Hoggett of Sonora and Bertson and the Gill Ranch of Whon, in Coleman County. The big Johnson herd at Jacksboro and other Texas Polled herds will be represented as well. Already 300 head of cattle have been entered in the Memphis show. This will be the first Polled Hereford show in which steers will be shown. Already 8 breeders have entered for this section of the competition that indicates more interest than was expected by the management.

Final approval and allocation of funds for paving the road to take Brownwood State Park have been announced by state WPA headquarters.

The project calls for improvement of State Highway 279 and State Park Road No. 15 from 14 miles northwest of Brownwood into the state park. The WPA has allotted \$26,792 in state funds and 132 workers to the project, with the State Highway Department to supply \$17,500, a total cost of \$44,292.

The Lohn Valley Grange chapter, the first for McCulloch county, was organized at Lohn last week Tuesday under the direction of Harold W. Gaulrapp, Dallas, master of the Texas State Grange. There were 26 charter members of the organization.

Brownwood's two national banks, responding to a call by the Comptroller of the Currency for statements of condition as of June 30, showed deposits totalling \$5,240,614.05 and combined resources of \$5,871,259.71.

Fines and costs assessed in Brown County court during the month of June were somewhere near an all-time record high. They amounted to \$2,892.40, including 27 cases. Liquor cases provided most of the amount.

Only 85 persons registered as a result of the President's proclamation for all persons who have become 21 since October, in McCulloch county.

Runnels County NYA boys have made the furniture for the offices in the new courthouse. They made desks, book-racks, tables and other pieces.

RECREATION NEWS

On Tuesday, July 8th, a very interesting washer pitching contest was held at Weaver Park. Friday, July 11 will be "game day" and a tether tennis tournament begins with matched games between the Wading Pool team and Weaver Park team and prizes will be given at the end of the game series.

New croquet courts were opened at Wading Pool park this week for both children and adults.

Next week the recreation building will only open mornings from 9 to 11 and all interested in handicraft and music should come at that time.

The regular singing will be held next Tuesday evening at the Cumberland Presbyterian Church. All are invited.

WOMAN BURNED FATALLY AFTER AUTO COLLISION

Mary Beth Le Seuer of Valera, was burned to death and Edgar Beck, also of Valera, injured Saturday night in an auto collision 15 miles south of here on the Brady highway.

Scott Wallace, of Santa Anna suffered burns about the hands. Wallace was in one automobile; Miss Le Seuer and Beck in the other, which overturned and caught fire. Beck was taken to a Brady hospital. His condition was not considered serious.

Survivors include the parents, Mr. and Mrs. J. W. Le Seuer, four brothers, J. P. and Ernest, both of Coleman, Lee, Louisiana and Mat of Waco.

Funeral services were held Sunday at 6 p. m. from the Valera Baptist Church with Rev. Lloyd H. Hart officiating by Rev. Glen Bowman, Methodist pastor.

Mead Furniture and Undertaking Co., had charge of arrangements.

Scott Wallace was charged with murder without malice Tuesday, July 8, in connection with the death of Miss LeSeuer and was released after making bond of \$2500.

SANTA ANNA NATIONAL BANK HAS GOOD REPORT

The Santa Anna National has shown a steady growth for the past year and a half, and a comparison of figures from the Dec. 30, 1939, with that of June 30 this year shows the extent of the growth during that period.

On Dec. 30, 1939, the bank reported resources of \$433,157.50; this June 30 \$548,726.20, a gain of over \$115,500 in the 18 months period.

For Dec. 30, 1939, and June 30, 1941, respectively, the figures on other items were:

Loans and Discounts \$191,647,267.156.80. Overdrafts \$1,202.09, \$2,906.96. Cash and Exchange \$188,539.52, \$208,579.40. Surplus \$12,500, \$25,000. Undivided Profits \$20,759.07, \$19,144.15. Dividend \$2,500, none. Deposits 3847,398.43, \$454,285.03. The Santa Anna National has stood solidly behind the basic industries that go to make this section of West Texas and is quite proud, rightly, of the part it has played in the progress of the town and community.

COUNTY HAS 17 MORE ACCREDITED SCHOOLS

County Superintendent Terrell Graves has received from State Superintendent, L. A. Woods, certificates approving seventeen rural elementary schools as fully Accredited Elementary Schools. This is in addition to the seven rural high school systems of the county.

This year the Standardized schools of the state that met the higher standards as set up by the State Department of Education were given the higher ranking of Accredited Elementary Schools. Schools must have been Standardized or Accredited for three consecutive years to become a permanent Accredited school.

Those listed as permanent accredited schools are: Cleveland, Cross Roads, Goldsboro, Indian Creek, Junction, Liberty Shields and Silver Valley. Those on the list for the second year and gaining a new certificate of approval as temporary Accredited Elementary Schools are: Anderson, Leady, Leedy, Muke-water, Plainview, Loss Creek, Trickham and Whon. Echo gained approval for the first time this year.

This gives the above schools the new rating with the State Department of Education as any other elementary school of an accredited system. Beginning next teachers employed in these schools for the first time must hold a B. A. degree.

County Superintendent Graves expressed his appreciation for the fine work of the children, board members and teachers of the schools gaining this certificate.

American forests occupy one third of the national area, exceeding the home lands of 230,000,000 people in Europe.

H. Kingsbery Reports on AAA Meet

Except for additional grazing practices and more local adaptation of practices designed to eradicate undesirable plants, recommendations drafted by delegates to the national AAA range conference and tour indicate no major changes in the 1942 Range Conservation Program of the AAA.

That's the word Howard T. Kingsbery, state AAA committeeman and ranchman from Santa Anna, brought back from the conference which was held in Idaho, June 23-27. The conference last year was held in West Texas.

Recommendations of the conference included proposals for many detailed changes a number of which are aimed at giving assistance to small ranchmen and farmers, Kingsbery said. Two important changes recommended were the revision of the present deferred grazing practice to include limited and rotational grazing on the basis of range management plans approved by the county AAA committee and the broadening of eradication practices for undesirable plants to make possible more local adaptation of such measures.

In interest of national welfare, the conference pledged itself "to marshal the range agricultural resources of the country to best meet the needs of national defense," the Texas ranchman reported. The conference also went on record as advising ranchmen against speculative expansion during the present period of more favorable prices and urged that a balance be kept between livestock prices and industry prices to keep the livestock industry in a sound condition.

The group advocated that measures be taken to avoid inflation and that the defense program be supported by higher taxes on excess profits, incomes and luxury items, along with increased production of defense bond and stamp sales. Greater emphasis on better nutrition also was recommended.

R. R. LOVELADY JR. SELECTED FOR FLIGHT TRAINING AT TARLETON

Roy R. Lovelady of Santa Anna has been selected by John Tarleton Agricultural College and the Civil Aeronautics Administration to receive flight training as sponsored by the national government at the Stephenville institution. His selection was announced by E. A. Blanchard, Tarleton professor in charge of the course, Tuesday.

Mr. Lovelady will receive a complete course in meteorology navigation, civil air commerce, air craft operation, parachute instruction and in addition, he will obtain forty hours of flight instruction. Upon completing the course, he will receive a private pilot's license and will be eligible to enter the army air corps.

Roy is the son of Dr. and Mrs. R. R. Lovelady of Santa Anna.

PRODUCTION CREDIT ASSN DIRECTORS TO CONFERENCE

Directors of the Coleman Production Credit Association and W. E. Melton, Secretary-Treasurer, plan to attend a conference July 14 and 15 at San Angelo, according to Mr. M. B. Wardlaw of Ballinger, farmer-stockman, who is president of the association. Other directors are: Hiram Price, Eden; W. O. Kemper, Abilene; W. W. Bourn, Winchell S. P. Horne, Coleman.

Mr. M. B. Wardlaw said that "Credit" would be the subject of the conference and that the discussions would be led by J. H. Seale, Jr., Vice President of the Production Credit Corporation of Houston and his assistant, Sam S. Hardy.

Directors and secretar-treasurers of the Marfa, Midland, San Saba and Texas Production Credit Associations will also attend this conference.

Read the advertisements.

Coleman Co. News Briefs

Dr. and Mrs. A. M. Fischer of Coleman plan to leave about July 20 for New Orleans, where they will attend the Lions International convention. Dr. Fischer was awarded the trip at the close of an attendance contest staged by the Coleman club. The Coleman Lions will pay his expenses.

O'Daniel captured 15 of Coleman County's 26 boxes in election of state senator.

Purchase of a power street street sweeper by the city of Coleman for \$1,600 is announced. The purchase was made from the McWhorter Machinery company of Abilene.

Last rites for John Taft Pendley 82, retired farmer and ranchman of the Talpa community, were held Thursday last week at the Talpa Baptist church. Burial was in the Crews cemetery.

A total of \$11,812.50 in U. S. defense bonds have been sold by the Coleman post office since the bonds and stamps went on sale.

C. R. Boyett of Brownwood has succeeded A. K. Evans as Sinclair agent at Coleman. Mr. Evans will be engaged for a while at least in El Paso, but permanent business engagement has not been announced yet.

Funeral services were held last Thursday afternoon for Wm. A. Moore, 49, Valera farmer, resident of Coleman county since 1924, who died in Overall Hospital, Coleman Wednesday. Burial was at Brown ranch.

Total of 1,916 mattresses and 1,161 comforts have been made at the centers in Coleman County this year, according to Miss Jean Day, home demonstration agent.

Normal annual precipitation of rain in Coleman County is 27.56 inches. For the first six months of 1941 the rainfall in Coleman county was 24.74 inches. Thus it lacked only 2.82 inches of raining as much in the first half of the year as it normally rains here during an entire year.

Miss Billie Marie Miller, daughter of the range representing the Miller ranch at Coleman, won the sponsors contest at the twelfth annual Texas Cowboy Reunion at Stamford Saturday night. Her cousin, Miss Patsy Morris, who has her own Walking Three ranch at Coleman, won second prize in the contest. Miss Thena Mae Farr of Seymour won third and Mrs. Addison Jones of Post was fourth.

A Coleman cat, owned by R. G. Riley, salesman at Handtman's has adopted four little skunks which Mr. Riley found about two weeks ago while threshing. The mother cat takes as good care of the black kittens with the white stripe down its back as of her own. Mr. Riley says she licks the little skunks like she does her own offspring. He plans to remove the muck bags from the skunks and keep them for pets.

Billy Baxter Transferred To New York University

Billy Baxter, and three other young men of Northwestern State College of Alva, Okla., have been selected for special training under the direction of the U. S. government in a course in meteorology in a New York University. They are expected to finish the course about the last of February and will then go into service for the government, either in the army branch or the civil service department.

The special course is being sponsored by weather bureau of the federal government and the boys consider being selected to take this course, as a real opportunity. Billy spent a week here visiting his parents, Mr. and Mrs. Staff Baxter and then left for New York to begin his studies.

Clean, fresh water in sanitary containers should be kept before young turkeys. Water should be shaded in hot weather because poultts will drink more if it is cool.

A total of 1,493 head were exhibited by 500 breeders at 22 spring dairy shows in Texas this year.

Yearly average production of shoes for civilian use in the United States is estimated at more than 400,000,000 pairs.

Editorial

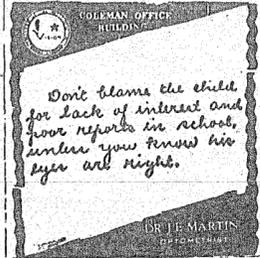

A READER recently wrote an Oregon newspaper a letter in which he said: "Would you please give us a scorching editorial on what you would think or say about Hitler if you received word that he had commanded the German army to go out with bayonets and guns and force working men, against their legal organized superiors, to make airplanes and guns for a foreign nation?" The newspaper replied: "Comment of that nature would be very belated. On May 2, 1933, all offices of all unions in Germany were seized by storm troopers, their leaders and officers were arrested, maltreated or sent to concentration camps; their property was confiscated. The autonomous organizations of German labor were destroyed in a day. In 1935 a German act established a work car system which requires every German laborer to carry with him a complete record of his previous employment, enables the government to shift workers in accordance with government plans. A black mark in the work book amounts to a death sentence." No man was "forced" to work when the government used troops to open the airplane factory in California. What the troops did was to protect American citizens (union or non-union) in their right to work if they wished. An overwhelming majority of the workers voluntarily returned to their jobs at once. But a small group of radical leaders, who put union domination of wages and laborers above the security of the nation, are using every effort to secure their ends and would betray the nation into Hitler's hands to gain those ends. Then Hitler would end those gains. Ma Perkins and her labor board in cahoots with the Communists Industrial Organization, are using every means to force laborers to join the CIO, using all means to intimidate, even by death, those who want to have the right to work when, where and for what they desire. Government agencies aiding to deprive American citizens of their rights and freedom. Ma Perkins, Harry Bridge and a few traitors in government should be deported to Germany to enjoy the German labor-life.

THIS WEEK IN DEFENSE

Information Released by the Government and Reviewed by the National Defense Advisory Committee of the National Editorial Association.

President Roosevelt told his press conference he still hopes the U. S. can stay out of the world conflict. Navy Secretary Knox says that reports that Navy vessels were engaged in convoy duty, had lost lives, material and equipment or had been in any encounter with belligerent craft, were "most decidedly" not true. OMP Director Knudsen said, "nothing could be further from the truth" than that Russia's entry into the war

had averted danger to this country. "we are in somewhat better shape than we were last summer but we need the spark of enthusiasm, yes, of patriotism, to carry the program forward faster." U. S. and North African French officials have arranged a plan calling for continuous movement of two ships carrying tea, sugar and other food to

Father's Day The emu is one species of birds in which the male hatches the eggs.

This One Smells. Skunks, in several Southern cities, have almost moved in with the populace. In Lexington, Kentucky, we are told, police were summoned to route a kitty from the cellar of a taxpayer's home. They used tear-gas. The skunk came out alright—with tears in his eyes.

Floating Live Insects To float live crickets, grasshoppers, or any bug, slit a perfume bottle cork half through and slip it on the shank of your hook. "Dry bug" fishing in its best form! I like it—you can see when they hit!

Conservation Treaty Ten nations in North and South America have already signed a treaty for wildlife preservation in the western hemisphere. The signatories are Bolivia, Cuba, Ecuador, Mexico, Salvador, Nicaragua, Peru, Dominican Republic, United States and Venezuela.

Colorful Jewfish are capable of changing color so as to blend with their immediate background.

WATERMELON YIELD LARGE Eating watermelon once daily several times a week is a pleasant fulfillment of fruit diet needs.

According to J. F. Rosborough, horticulturist of A. and M. College Extension Service, water-

ermelon is classified as a fruit in the diet, and it will serve admirably as a fruit serving for a least one meal a day during July and August.

About 1,000 carloads of watermelons are shipped to other states from Texas yearly. At present the outlook is good for large yields of high quality melons although maturity will be later than usual.

Bov Scouts

July 4 was a big day for the members of scout troop 86 of Santa Anna. Assistant scoutmaster Rev. H. C. Bowman and Mr. R. A. Jeffreys took the troop on an overnight hike to Home Creek.

The scouts attending were: Pat Gilmore, Newman Parish, Robert Jeffreys, and Webb Gollston.

They said they had a good time even though they did get full of "Chiggers".

Mr. and Mrs. Gilmore arrived Friday with two freezers of ice cream which did not last long.

The scouts did a good deal of fishing and swimming during their stay at the creek

Defense Bond Quiz

Q. What is a U. S. Defense Savings bond?

A. This Bond is proof that you have loaned money to the United States Government for national defense. Your Bond bears interest at the rate of 2.9 percent a year, if held to maturity (ten years).

Q. Why should I buy Defense Bonds?

A. Because money talks. To dictators it speaks defiance. To friends of freedom it says, "Here's my hand!"

NOTE—To purchase Defense Bonds and Stamps, go to the nearest post office or bank, or write for information to the Treasurer of the United States, Washington, D. C.

Scratching

Relieve Itch Fast! For quick relief from itching of eczema, pimples, athlete's foot, scabies, rashes and other externally caused skin troubles, use world-famous, cooling, antiseptic, liquid D. D. D. Refreshments consisting of sandwiches and cold drinks were served to a large attendance.

WHON H. D. C. NEWS

The Whon Home Demonstration Club met Tuesday, July 8 with Mrs. Jim Gill as hostess.

Roll call was answered by "One Daily Courtesy Practice." The program subject was, "Consideration of Others," with Mrs. Chas. Bengel giving, "Making a Guest Feel Welcome," Mrs. Warren Gill gave, "Contributions a Guest Might Make to a Family's Enjoyment," and Mrs. Sanford Tune spoke on, "The Gracious Guest at a Club Meeting."

There were nine members present.

The next meeting will be held at the home of Mrs. Sanford Tune on July 22. There will be a demonstration on sweet breads.

Trickham H. D. C. News

In making a chocolate surprise cake, use a plain cookie that is not very sweet, if you are not able to get the lady fingers as the recipe calls for, Miss Oma Lee Martin told the Trickham Home Demonstration Club Thursday afternoon, June 26 at the home of her mother, Mrs. O. Martin.

Miss Martin also said that in making the peppermint cream to use mints instead of stick candy as the mints dissolve quicker. Mrs. Martin served chocolate mint ice cream and apricot sherbet to those present.

Mrs. John Pentecost, president, appointed Mrs. Oscar Boenicke for alternate reporter. The club members also voted in favor of a canning demonstration to be given by Miss Day at her convenience.

There were twelve club members present and one new member, Mrs. Glynn McClatchy and the following visitors, Mrs. Howard Mc Murry of California, Mrs. Joe Stacy and two children, Zonell and Martin and Kenneth McClatchy.

The next meeting will be on Thursday afternoon, July 17 at 2:30 o'clock when a program on "Consideration of Others" will be given at the home of Mrs. Marvin Whitley.

Watts Creek

This is a very busy week for the farmers in this community, most of them are thrashing.

STORY OF POWELL FAMILY IN RECENT SHORTHORN MAGAZINE

Oak Lake Farm, owned by Mr. and Mrs. W. A. Powell of Coleman County, is described as one of the most beautiful and interesting places in Texas by Clem Larson, fieldman for the American Shorthorn Breeders' Association, Chicago. An article by Mr. Larson appears in a recent issue of the Shorthorn breed magazine, The Shorthorn World.

"Five years ago," says the article. "Mr. Powell bought a roan 'Durham cow' and put her on his farm. Numerous cows of other breeds were already on the place—used for both milking and beef purposes, but the milk produced by this cow and the outstanding beef traits of her offspring were so far superior to all other breeds that she made a lasting impression.

"So it was that in September, 1939, Mr. Powell purchased 20 head of registered Shorthorn cows and calves from the E. W. Williams herd near Coleman. A few months later the young bull, Golden Oak Crown, was bought from the herd of C. M. Caraway & Sons, DeLeon, Tex., to be used as herd sire.

"After remodeling the farm home last summer, Mr. and Mrs. Powell moved there to begin raising Shorthorns in earnest. However, Mr. Powell is still retaining his implement place in Coleman.

"Ten of the original 20 head having been sold, 14 yearling heifers were obtained from J. Doss Miller, DeLeon, Tex. These young heifers are among the best for type and quality in the country."

"A second herd sire, Missie's Lad, was secured from Craig M. Logan of Valley Mills, Tex., and at present there are 35 head in the purebred herd."

"Mr. Powell has been a close observer of the cattle business all his life. He has spent 35 years as a practical farmer and 25 as an implement dealer in Coleman. With this experience he chooses Shorthorns to top the list as the best all-around breed, not only for the small stock farmer but also for the man who measures his land by sections."

"The ranch is located in a very fine fertile section of the state. As soon as you are within eyesight of the place, you can realize why the farm was named Oak Lake. To get to the buildings you drive around a beautiful small lake which is stocked with fish. The people connected with Oak Lake Farm are some of the most enthusiastic boosters of their chosen breed to be found anywhere."

"Mr. and Mrs. Powell, together with their daughter, Winona Stovall, and her husband, Mr. Stovall, are certainly making a cooperative quartet. Winona is the herdsman and she would put a lot of men to shame. Winona is the herdsman and she

put a lot of men to shame. She is a keen judge of Shorthorn cattle as well as an accomplished artist with a paint brush. Several of her pictures have won prizes."

NEW! "BACTERIOSTATIC" FEMININE HYGIENE now finding great favor among women...

Many doctors recommend regular use of douches as a precautionary measure for women who want to be clean, dainty—for women troubled by offending odor or discharge.

Some products may be harmful to delicate tissues. But not Lydia E. Pinkham's Sanative Wash! Pinkham's Sanative Wash is gaining great favor because it's NOT a harmful germicide. Instead—it's a mighty effective "bacteriostatic" (the modern trend). It not only discourages bacterial growth and infection but thoroughly cleanses, deodorizes. Very soothing—relieves minor irritations and discharge and has a tonic effect on delicate membranes. Inexpensive! All druggists.

Weddings

Williams-Riggs

Saturday night, July 5, Miss Sarah Williams became the bride of Joe Riggs in a double ring ceremony in the Central Avenue Baptist parsonage at Gainsville, Texas.

The bride wore a dress of green and gold printed silk with gold and brown accessories.

The bride is a daughter of Mr. and Mrs. W. Carl Williams of Shields community and a graduate of Santa Anna High School and Texas State College for Women in Denton. She is now employed as Homemaker teacher in the De Leon public schools.

Mr. Riggs is the son of Mr. and Mrs. A. D. Riggs Sr. of Denton. He is a graduate of Denton High School and attended North Texas State Teachers College, Denton.

The couple are at home in Abilene.

Deaths

Mrs. E. M. Lowe

Kashiah Frances Ezell was born June 26, 1857 in Barbour County, Ala. She grew to womanhood in that state and in the year 1874 she was married to Robert M. Lowe. To this union ten children were born, nine of whom still survive as follows: Miss Mollie A. Lowe, Santa Anna; Clinton and John

B. Lowe, Santa Anna; Mrs. G. B. Bartholomew, Brownwood; Mrs. B. C. Cox, Indian Creek; L. E. Lowe, El Paso; R. C. Lowe, Haskell; H. L. Lowe, Lubbock and Sam Lowe, Brooksmith.

Her husband preceded her in death in the year 1903. Also a son, Preston, died in May, 1930. 22 grandchildren and 16 great grandchildren also survive.

She became a Christian and united with the Methodist church and lived a consistent Christian life until the time of her departure from this life, on July 2, 1931.

Funeral services were held at the Eureka Church, Thursday, July 3, at 3 p. m. with Rev. J. M. Cooper officiating, assisted by Rev. M. L. Womack.

Pall bearers were Clifford Lowe, Elgene Bartholomew, Connie Lowe, Ross Lowe, Howard Lowe, Brady Lowe, Odell Lowe, Leroy Lowe and Albert Lowe, all grandsons.

Flower ladies included Mesdames O. G. Curry, W. L. Swann G. A. Brinson, A. N. Loveless, R. W. Aschenbeck, Druce Vinson, Geo. Green and O. J. Curry.

John Bennett Chambers

Word was received here Tuesday of the death in Temple of John Bennett Chambers, brother of Miss Louella Chambers. Mr. Chambers was buried in Brady Wednesday.

Obituary next week.

DUST ROSES FOR MILDEW

Mildew on roses may be controlled by spraying with Bordeaux mixture or by dusting the bushes with a good coat of finely ground sulphur.

Sadie Hatfield, extension specialist in landscape gardening, says that because some home gardeners object to marring their plants with yellow dust, it now is possible to obtain in some places sulphur which has been dyed green.

The symptoms of mildew, is the grayish-white appearance of the leaves. They look as if

they had been dusted with flour or ashes and curl up and eventually die. Buds often fail to open and if they do open the blossoms are malformed. Some varieties of roses have strong resistance to mildew while others, like the Dorothy Perkins for instance, are very susceptible to it.

Shade and the sprinkling of water on the leaves encourage attacks in years of normal rainfall.

Christian Church Revival

The revival at the Christian Church is creating considerable interest.

Brother Ramage is preaching some fine sermons.

Most of the pastors of the town dismissed their services Sunday night and worshipped with us. Our congregation is very grateful for all cooperation.

The meeting continues thru Sunday and all our members are urged to attend every service and visitors are always welcome.

There is a meeting for young people and children at seven o'clock each evening.
