GARBAGE PICK UP AND DISPOSAL

Within the near future this city should know whether they will have a city-wide pick-up of garbage and other rubbish or not. The petition that was circulated has been turned over to the City Commission for their action and it should not be long before they are able to act on it.

We all know that the water situation here has held up a lot of improvements that were very badly needed. The city is still doing a lot of work on the water situation, as it is not up to par yet and is most likely worse than most of us think.

It appears to this writer that a city wide disposal of garbage would help to prevent an outbreak of any contagious disease that might break out. Of course we don't have an outbreak of any disease at the present time, but winter is coming on and during the cold weather is usually the time when diseases are at their height.

Under the plan worked out by the Chamber of Commerce, the control of flies and mosquitoes will also be handled under the garbage pick-up and disposal plan.

This petition was circulated during the summer months and there were over 130 signers asking the city to call an election on this matter. It takes a petition with at least 10 per cent of the qualified voters of a city to have the city call an election. There are about 450 to 500 qualified voters in the city limits of Santa Anna, which makes 130 signers about 25 per cent of the voters.

We believe when the election is called, it will be passed without much opposition.

COMMUNITY LIVESTOCK SHOW AND FAIR

Dates have been set for the Annual Livestock Show that is held early in the beginning of each year for the 4-H Club and FFA boys. This has been an annual affair for several years. It gives the boys a chance to show the people of this community what they are raising each year.

Each year the merchants of Santa Anna are called on for donations to support this show. It is a good show and most of the merchants are ready and willing to donate to a cause of this kind, but why can't we make it a Community Livestock Show and a Fair to go with it? It has been expressed to this writer that if we could or would put on a fair of some kind, or just set a time and call it Exhibition Day or something of the sort, to let the business men put in booths and show their wares, that it would attract more patrons for the Livestock Show and would at the same time give the merchants who sponsor the show a chance to show what they have for sale.

This was not presented to me from a selfish point of view. It was presented with the thought in mind that it would attract more people to our town. In fact, one person who brought it to my attention said that he would give ten times as much to a show of this kind as he had been giving to the Annual Stock Show.

Why can't we do it? If there are enough people interested we can do it. Do you have merchandise that no one seems to know you have? This would be a good place to display it and it would be well worth your time and money. Let's have some suggestions from anyone who might be interested. This writer would be glad to listen to suggestions and Mr. Ford Barnes, secretary of the Chamber of Commerce would also be glad to listen to suggestions. We might

Mountaineers To Ballinger This Week

The Santa Anna Mountaineers will travel to Ballinger to tackle the Ballinger Bearcats in the second conference game for both teams Friday night, October 24.

The Mountaineers have had a week of rest and the coach has been getting them in tip-top condition for this game. According to the coach the team will be in the best condition they have been in this year and they are expected to give those Bearcats a good tussle in the game Friday night.

The Ballinger boys have played six games this season and have not been defeated. Santa Anna has played four games and won only one. The ball games to be played in this district this week and the number of games each team in this district has played are listed below.

Evelyn Matthews Injured Friday In Collision

Evelyn "Sissy" Matthews was seriously injured Friday morning when the car she was riding in with her father, Mr. R. W. Matthews, was in a wreck with another car in front of their home in the east part of town.

Mr. Matthews was returning home from town and failed to judge the speed of an oncoming car and as he turned across the highway, his car was hit on the right side. Both cars were badly damaged.

Five year old Sissy was carried to the hospital where she had about 60 stitches taken in her face from severe lacerations. Mr. Matthews was treated and released from the hospital.

Mrs. Clara Fitzgerald of San Angelo, driver of the other car, was treated and released from the hospital after she had called for her folks to come for her.

Mrs. Blanche Grantham went to Waco Monday where she will remain through Friday as a delegate from the Brownwood District of Methodist Churches to a nursery school. She teaches the nursery class in the local Methodist church.

even have a meeting of all the business men in town and plan some kind of a program for the day. It could be worked out to where we would have an annual event that would attract attention from all parts of the country and still have the stock prizes for the boys.

Farm Bureau Starts Membership Drive October 24

County Membership Chairman, Ben Wilson was in charge of the meeting at a barbecue supper October 16 at the American Legion Hall in Coleman when plans were made by the team captains to reach their 1,000 member goal. Mr. Wilson explained plans of the drive for the county wide membership campaign that will get under way tonight at 8:00 when the team captains and the workers will meet in homes and community centers to form teams to kick the drive off Friday, October 24.

Joe K. Taylor, P. M. A. administration officer, showed the group the county farm map in districts for the benefit of team captains and workers in each district.

Team captains were given their lists of farmers and ranchers which had been previously prepared by officers and directors of the county federation.

Raymond McElrath stated that 150 counties in the state were making a similar campaign and he urged all team captains to report to Chairman Ben Wilson at the end of the first day's drive, Friday.

A 1,000 pound fat steer will be given by Wilson county farm bureau to the county securing the most membership in this drive. Wilson county leads the state with 1,260 members. McElrath urged team captains to exceed the county goal of 1,000.

Those present for the barbecue were L. C. Flippin, F. E. McDonald, R. S. Adian, Luther Holder, R. L. De Rusha, Oscar Boenicke, M. C. Switzer, Claude Beville, Welton Holt, Garland Abbey, A. M. Norris, I. S. Pate, Ben Strickland, S. C. Edmundson, Frank Dyer, Emzy Brown, J. J. Lewellen, Lee Scarborough, Garland Powell, Herman Jenkins, Dan Flippin, Solon Wilson, Clyde Thate, Ozro Eubank, Vernon Billard, Ben Wilson, Frank Gillespie, N. T. Underwood, Leonard Jameson, Joe K. Taylor and Raymond McElrath.

MR. V. L. GRADY HAS EYE OPERATION

Mr. V. L. Grady went to Dallas Sunday and had an eye operation there Monday morning at 8 o'clock, at St. Pauls Hospital. He is reported to be getting along satisfactorily. He is in room 307 where letters or cards will reach him.

4th SUNDAY SINGING AT CHRISTIAN CHURCH

The regular Fourth Sunday Singing will be held at the Christian church Sunday afternoon, October 26 at 2:30. A good attendance of singers and those who like to hear good singing is desired. The presence of singers from other communities is always appreciated.

County Agent Suggests Winter Feed For Livestock

Due to the extreme dry summer and fall we have had this year, stockmen are going to have to feed heavier than usual, says Herman E. Jenkins, county agent.

The high prices of feed are causing stockmen to look around for the cheapest and most efficient way to carry their stock through the winter in a good healthy condition. Most stockmen stand the average winter with enough cured grass in their pastures and enough small grain to provide sufficient roughage to maintain their stock through the winter. They usually feed cottonseed cake as a protein supplement. This year, they are having to buy roughage as well as protein supplement.

Rations in this county will probably be made up as follows:

(1) 5 to 8 pounds of legume hay (alfalfa and peanut) along with 10 to 15 pounds of non-legume hay (Johnson grass, prairie hay, sorghum stalks and corn stover).

(2) ½ to 1 pound of cottonseed cake and 16 to 20 pounds of non-legume hay.

Legume hays contain lots of protein and it is not necessary to feed cake when it is fed.

To winter beef cows, they should be fed the following: 13-18 pounds of dry matter, 0.56-0.65 pounds of digestible protein, 6.9-9.7 pounds of digestible nutrients.

To winter ewes up to one month before lambing, they should be fed the following: 2.5-2.8 pounds of dry matter, 0.16-0.18 pounds of digestible protein, 1.5-1.8 pounds of total dry nutrients.

Different feeds contain different amounts of protein and other nutrients. A few are listed below in order to make it easier to figure out a maintenance ration.

(1) 43 per cent cottonseed meal contains 93.5 per cent dry matter, 35 per cent digestible protein, 75.5 per cent total digestible nutrients.

(2) Alfalfa hay contains 90.4 per cent dry matter, 10.3 per cent digestible protein, 50.3 per cent total digestible nutrients.

(3) Peanut hay contains 91.4 per cent dry matter, 6.3 per cent digestible protein and 57.3 per cent total digestible nutrients.

(4) Johnson grass hay contains 90.1 per cent dry matter, 2.9 per cent digestible protein and 50.3 total digestible nutrients.

(5) Sorghum fodder contains 89.2 per cent dry matter, 3.6 per cent digestible protein and 52.7 per cent total digestible nutrients.

Jenkins said the important thing to remember is "do not let those animal get so thin that they become weak." It might be a good idea to separate the

Date Set For 4-H Club And FFA Boys Livestock Show; January 16

The Santa Anna Livestock Show Committee announced this week that they have set the dates for the Santa Anna 4-H Clubs and FFA Boys Livestock Show for January 16, 1948. This show will be held only a few days before the Coleman County Livestock Show.

The committees that are to work on this show have not been appointed as yet. At a later date all the committees, classes to be judged, judges and date entries must be in will be an-

It has not been definitely decided, but most likely adult breeders will be allowed to show their stock at this show, but will not be awarded prizes. All the prizes will go to the club boys.

The date for this has been announced early enough for all to have their stock in first class condition and it is expected this show will exceed the past shows for quality livestock. More entries are expected this year than ever before.

Dates Set For County Livestock Show, In Coleman, January 19-20

The Coleman County Livestock Show Association met last Wednesday night, October 15 in the Coleman Chamber of Commerce office and completed plans for the 1948 show. Judging from reports turned in by the vocational agriculture teachers and county agent the 1948 show will be the largest ever held in the county.

It was decided at the meeting that unless additional barn space could be obtained, it would be impossible to invite breeders outside of the county to enter animals in the adult show next year. Plans are being worked out to include in the next year's show a display of exhibits prepared by the Breeder-Feeder Auxiliary, the Home Demonstration Clubs, Girls 4-H Clubs and the Future Homemakers Chapters of the county. The date for the show has been set for January 19 and 20 and it was decided that all entries for the show must be turned in by December 19 in order to give the arrangement committee sufficient time to work up the catalog and prize list.

The general and special rules governing the 1947 show will be followed for the 1948 show with the following changes:

1. The adult show will be for Coleman county breeders only.

2. All entries must be in 30 days prior to the opening date of the show.

3. Each exhibitor must have his premises properly cleaned by 9:30 each morning.

4. A sifting committee shall be appointed to pass on livestock to be left in the show.

Each animal or pen of animals must have a sign on display giving name of exhibitor and name of breeder of animals.

It was also decided that a pen of fifteen (15) fat lambs shown by an FFA chapter or county 4-H clubs shall replace the pen of 5 fat lambs as shown in the 1947 show.

The following officers and committee chairmen have been appointed:

General chairman, J. W. Vance.
Vice chairman, Clyde Thate.

Secretary-treasurer, Weldon Davis.

Arrangement committee: Frank Gillespie, Chairman, Ben Cox, Leonard Flippin, Ray Martin.

Finance committee: C. R. Jeannes, chairman, Ben Yarbrough, George Beck, Theo Griffin, 4-H and FFA show: Clyde Thate, supt.; beef calves, Roy Dean Young; fat swine, Rex Garrett; dairy cattle, T. J. Dalton; breeding beef cattle, Mark Griffin; breeding swine, Rex Garrett.

Adult show: W. T. Stewardson, supt.; registered beef cattle, Carroll Kingsbery; grade beef cattle, Ray Jameson; dairy cattle, Elmer Blackwell; sheep and goats, Theo Griffin; swine, Rex Garrett. Women's and Girls' Exhibits: Mrs. W. D. Terry, chairman, Mrs. W. T. Stewardson, Mrs. Monte Stone, Miss Mary Jo Garland. Judges: beef cattle, James Grote; sheep, dairy cattle and swine, Tommie Stewart.

Lions Hear Talk On Army Food Development

Lion Rex Golston, Jr. gave a very interesting talk on the development of foods for army use at the regular meeting of the Lions Club Tuesday of this week. Lion Golston has been attending an Army Food School in Chicago for the past six months. He discussed methods the Army has used to get better foods produced and stated that in the future the Army would be served better food than they have in the past.

Mr. John Harrison of Coleman, Boy Scout Executive of this district, was a guest of Lion Henry Price. Lion Niel J. Weybrew of Wamego, Kansas was a guest of Lion Bruce Snodgrass and invited members from this club to attend their club, if ever in that part of the country. Lion Fred Martin of Lometa was a guest of the club.

A report was given on the repair of the bleachers at the football field. About \$500 has been spent so far and it was voted to continue the repair. The club voted to purchase equipment offered to the club by Lion T. B. Gilmore for carnival purposes.

Lion Henry Price was appointed as program committee chairman for next week.

Fire Department Awards Prizes For Posters

The local Volunteer Fire Department last week awarded four prizes to local ward school students for their work in the Fire Prevention Program. The winning posters are on display in the show windows of the Ladies Shop.

Fifty four ward school students turned in posters to be judged. Three of the winning prizes went to students in the fifth grade. Prizes were as follows: First prize, Bobbie Nell Hipp, \$7.50, fifth grade; second prize, Carl Langford, \$5.00, fifth grade; third prize, Mary Jane Turner, \$3.00, sixth grade; fourth prize, Clint Day, \$1.00 fifth grade. The judges were Fire Chief L. A. Welch, Firemen Vernon Parker and C. W. Stephenson.

All the 54 posters are on display at various stores in town. It would be well for all to take a good look at these posters. They show what the Santa Anna Fire Department is trying to teach in our schools.

Each year the Fire Department sponsors this sort of a program for the ward school pupils. It teaches them fire prevention while they are young and then as they grow older they are more able to put it into practice.

Remember: "Fire Prevention pays great dividends."

When Will You Be 90 Years Old?

Will you be 90 years old on November 7, or thereabouts?

A substantial birthday surprise awaits any Texan or Texans, now residing within the state and whose birth date was November 7, 1857 the date from which stems the coming 90th anniversary of the establishment of Sanger Brothers in Texas.

In the event none is found whose birth date coincides with that of this fine retail Texas institution, then the November date nearest November 7 will be honored.

Because birth certificates seldom are available for such a distant date, reasonable proof should be available from a family Bible, insurance policy or some public record.

Information should be sent immediately to Eli Sanger, Sanger Bros., Dallas 2, Texas, and must arrive not later than Saturday, November 1.

New York El Gets Psychoanalyzed

by FRED HALPERT

NEW YORK, N. Y. Manhattan's sick 3rd Avenue Elevated might as well get measured for a coffin—it's living on borrowed time.

How come? Its psychology is all wrong.

That's the novel reason we heard advanced the other day for the Elevated's losing business to the subways all these years.

Here's the low-down, according to our amateur psychologist. You have to walk upstairs to get on the El. The subway makes more sense to New Yorkers. You can postpone walking upstairs till you get off.

Are New Yorkers lazier than other people? Not at all. It's just human nature to put things off.

It's the same way with saving money. (You know—that green stuff that eats holes in pockets?) Folks with the best intentions of saving put it off just like climbing stairs.

That's why the automatic plans for buying U. S. Savings Bonds make so much sense... which brings us to the purpose of this story.

There are two of these plans. The Payroll Savings Plan—where you work. And the Bond-A-Month Plan where you bank.

On either plan, you gloatingly collect 3 1/2% interest after 10 years. You safeguard your nice, shiny future. And you are put-it-off proofed.

How about getting on one of these plans before you—er—put it off? Like the man says:

"Take Pen in Hand"

This column has been running for so long that its readers, in towns like ours all over the country, are beginning to "take pen in hand" and write us what they think.

Some of them take me over the coals for what I say—like the column I ran on planting alfalfa. Others write, "I liked your column yesterday, but..." All of them have different points of view.

From where I sit, that's the way it should be. Everybody's entitled to an opinion—and it's those very differences, and friendly criticism,

that make for tolerance and better understanding—whether it's ideas on planting alfalfa or choosing between beer and cider.

The more folks air their differences right out in public, with a neighborly respect for the other person's liberties and point of view, the closer we are to the American principle of individual freedom—whether it's in a choice of crops or beverages.

Trickham News

(By Mrs. Beula Kingston)

Don't forget the Halloween Carnival at the Mukewater (Crossroads) school house Friday night, October 24. Mrs. Harry Wilson, teacher.

A group of Coleman H. D. Club women will leave for a tour of H. D. achievement homes in the southern part of Coleman county. They will stop at the homes of Mrs. Chleo James and at Mrs. Oscar Egenicke's for a covered dish lunch and too, the club ladies here will have exhibits of their club work this year.

Mr. and Mrs. Albert Dean and Ruth spent last Thursday with Mrs. Dean's parents, Mr. and Mrs. Kit Casey and Thelma north of Santa Anna.

Dinner guests with Mr. and Mrs. Marvin Whitley Sunday were his brother, Mr. and Mrs. Morton Whitley and girls of Clyde, their daughter and son in law, Mr. and Mrs. Pete Sherman

and Genie from Abilene and Mr. and Mrs. Julian Whitley of Santa Anna.

Mr. and Mrs. Albert Dean and Rodney and Ruth were attending to business in Abilene last Tuesday and visited Mr. and Mrs. M. M. Sheffield, sister of Mrs. Dean. They also visited in the afternoon with Mrs. Dean's niece, Mrs. Danny Bryan and family in their new home.

Mrs. May Rutherford returned home last week after being ill and staying with her daughter, Mr. and Mrs. Marvin Whitley for several months. She was happy to have most of her children home Sunday, J. Y. and Ruth from Eden, Joe, Opal and Genie from Gratham, T. C. and Dorothy from Arkansas Lois from Brownwood, Marvin and Faye of Trickham and Julian and Joyce from Santa Anna.

People are moving about here now. Robert Stearns has bought the Cozart home place and they are remodeling it and will soon move in. Harlie Stearns and family have moved in the Reed house so they can run the telephone switchboard as soon as the new manager, who bought Mr. A. J. Martin out can get the board moved over to the other house. This gives us one more pupil in our school and three to ride the bus to the Santa Anna schools.

Mrs. Zona Stacy spent Sunday afternoon with Mrs. A. J. Martin.

We were favored Sunday by having with us Judge Gid Matthews, brother of Mrs. Will Haynes, to give our Bible class a discussion on our Sunday School subject, "Faith in God" followed with "Juvenile Delinquency," which he said was not juvenile delinquency but parental delinquency. I am sorry so many in our class could not hear all Gid had to say. From his experience he has tried thousands of boys and knew whereof he spoke. Parents, let's wake up to our responsibility to our children, especially parents who claim to be Christians.

We were glad to have Rev. George A. Lyles from Springville, Alabama bring us a good gospel message Sunday morning. He and Rev. Lyles were dinner guests of Mr. and Mrs. A. J. Martin, calling to see Mrs. Featherstone and John and Lou

in the afternoon.

Verna Mae Stearns spent Sunday with Lea Mitchell.

Mr. and Mrs. John Simmons and Mrs. Louise Hall and daughter of Brownwood spent Sunday with Mr. and Mrs. C. A. Thompson and Mrs. Purl.

Mr. and Mrs. Walter Stacy spent Sunday with Mr. and Mrs. Lewis Burney and Willie Evans.

Bro. Gillis, pastor of the Methodist church here, announces that District Supt. Gafford will preach here next Sunday night and conference will follow the night message.

Buck Mitchell is up on the plains at Dimmitt with his truck working in the maize harvest.

Gene James and family were hosts to a relatives get together Sunday. A sister, Mr. and Mrs. Charlie Bowden and family were there from Brownwood, their son, Ervin Bowden and family, another son, Frank Bowden and family, all from California, a daughter, Mr. and Mrs. Alvie Ennis and family of Colorado City, the other daughter, Ruby Mae and baby from Oklahoma, Mr. and Mrs. Darrell Holland and son Joyce of Ft. Worth and the following friends, Mr. and Mrs. Emmett Ragsdale of Odessa, the Harlie Stearns family and the

Waymon Matthews family.

Mr. and Mrs. Glenn Haynes, Nancy Jo and Roberta James were dinner guests of his parents.

Afternoon visitors in the R. S. Stearns home Sunday were their sons, Robert and family, Ed and family, G. R. and family and Glenn Haynes and family.

Nancy Jo Haynes spent Friday night with Peggy and Judy Ford.

More than the usual number of people came out to the cemetery working last Tuesday and quite a lot of work was done. Some came before Tuesday and worked their graves. Do you ever give it a thought that we scarcely ever meet for our working day but what there is a new grave and new people come to help work the graves. We do appreciate those who came and to those who could not come, I just wonder if you would like to send in a donation to help defray expenses of keeping up the fence, building gates, buying ce-

dar posts, etc. If so, send money to Mrs. Joe Stacy, Brooksmith, secretary.

Visitors at Sunday School and church Sunday morning and night were Rev. George A. Lyles of Springville, Alabama, Judge G. L. (Gid) Matthews of Brownsville, Mr. and Mrs. Linton Oakes and family, Miss Janie Brown of Rockwood, Mrs. Ed McClatchy, Mr. and Mrs. Avery Stewart and his mother, Mrs. Millie Reagon of Bangs and Gene Rice of Santa Anna.

Visitors in the Alzie Jones home over the week-end were her mother, Mrs. J. A. Churchill, a sister, Mrs. M. R. Stuard, Billie and Jimmie Newsome of San Angelo.

Mr. and Mrs. James Gray Laughlin and family of Brownwood spent the week-end with his parents, Mr. and Mrs. Bud Laughlin.

Mrs. Eph (Ella) Sheffield of Bangs, who has been ill in one of the hospitals in Brownwood for several week, was able to be carried home last Saturday and is doing nicely.

Mrs. Nan Roberts returned last week from Houston bringing her daughter, Mrs. Izzie Proler and son, Robert with her. They came by airplane and enjoyed the trip fine. I understand Mr. Proler came up Saturday.

We learned Sunday that Mrs. S. F. Tucker has been ill and un-

It's a cooking bill and a cleaning bill a heating bill and a cooling bill and a hot-water bill, as well. It covers food preservation and entertainment washing and ironing telling and sewing and a lot of other things besides. It's the biggest bargain in your family budget. HINT TO THE WISE

Dear Girls:

In reply to your letter to us we have listed a few things that we do not like about you.

Why must you be so loud? After all, if we were deaf we would wear hearing aids.

You may be a direct descendant of Pocahontas, but please be yourself. Go easy on that war paint. If you must wear it, remember we don't want to wear it, too. If you use perfume use the more expensive kinds and not so much. The cheap kinds stink, and we do not mean good.

Be more careful about your appearance! We do mean keep clean. It won't hurt you to look at those Lifebuoy ads. Instead of listening to jazz on Tuesday nights, tune in to Bob Hope's show. You might learn something new, and we don't mean jokes! Don't wear extremely short or long skirts, find a nice medium and if you have a nice figure, do not cover it up by wearing ill-fitting clothes.

If we go to the trouble of asking you out, do not choose the most expensive places you can. After all, we don't have money trees in our back yards, either. Stand on your own two feet. We don't like a clinging vine. If we have our suits cleaned just for you, please consider that we don't like powder, hair or any of the other things that seem to collect on our shoulders. If we want to stroke your curls, we don't want them to be sticky! Do something about that.

Don't call us and hint for a date. If we have the money and want you we will call you. And above all be on time!! We don't like to visit with your folks all night. If we did, we'd make a date with them instead of you. Do you want that to happen?

Sincerely,
The Boys.

WHAT IS ANATOMY?

What is anatomy? If you ask a teacher that question, he or she will say, "Look it up."

And if you ask Mr. Webster, he will say — a descriptive account of the parts or an organic body. That doesn't tell much, does it? Well, I'll tell you what it is. Let's start with the feet. There are two of them. On the ends of both of them are little digits called toes. On the opposite end is a stick that goes up to a trunk which has no lid and can be opened only with a knife. This is called an autopsy if you are dead and an operation if you are still alive. The shape of the sticks determine whether you will be whistled at or not.

The trunk contains among other things, the stomach that tells you when you are hungry. The back of the trunk, which is behind the front, is where the spinal column is. This is where posture comes in. If you sit crooked, the thing grows crooked. So you better sit straight because you can't lean over backward to straighten the thing.

The adam's apple is in the throat (it is not good to eat). Men are the only people that have these things. It runs up and down when you talk. If you talk fast or laugh it looks like it is running in the Kentucky derby.

On top of the neck and throat is a round thing called the head. If there are two of them you are twins which have two mouths and cost twice as much to feed and with these high prices that is not good.

The face is on the front of the head. It has a lot of bumps and knots called such names as the eyes, ears, nose and mouth. The eyes see things, the ears hear and get dirty for you, the nose smells and the mouth is where you put the food in that goes to your stomach. The brain (if any) is inside the head. It thinks up such nonsense as the radio, telephone, schools, books, and all the other mistakes we make. But it does think up useful things

such as chewing gum and bells to tell you when class is over which is a good thing because if we didn't have bells to tell us when the class was over we'd get awful tired, wouldn't we?

On top of the head is the hair. It comes in lots of colors. It can be parted, curly, straight, brushed or bleached. It can also be bald. This is especially bad when the sun shines, as the light gets in other people's eyes.

Now aren't you glad I told you what anatomy is? I'm sure you understand it much better. — Margaret McCaughan.

WHAT A PRESS CLUB SHOULD MEAN TO OUR SCHOOL

The Press Club has the responsibility of turning out a paper for our school. This should be appreciated because it has been said that a school paper is "a representative of an institute of learning." The Press Club should be given all the cooperation and support possible. We are fortunate to have a paper as some schools larger than ours do not have one. Each person should do his best for the paper so that we may turn out one that we may be proud of.

THE RACE IS ON

The race is on, the Queen's Race, that is. Every class has two candidates. If you don't know who they are, here is a list: Seniors, Johnny Ethel Steward and Carlyn Ray; Juniors, Kelly Wise and Donetta Robinett; the sophomores, Martha Priddy and Rene Steward and freshmen, Linda Stewardson and Faye Dunn.

Get behind the girl you want to win and give her your utmost support. In about a week four of these girls will be eliminated and the other four will carry the race on right up until about 15 minutes before the coronation.

Those who were nominated out of junior high as princesses were Evangeline Mulroy and Sandra Shield.

KNOW YOUR GOVERNMENT

Do you know how the governor gets there? Do you know how the congress operates? Most people know very little about the operation of our government.

It is the patriotic duty of every citizen of the United States to know and understand how the officers of the government are elected and how bills are passed. A person cannot vote efficiently or interpret the codes and laws laid down to us if he does not know how the governmental organization operates. The study of the government is taught in the Texas public schools today so that the leaders of tomorrow will be more capable to lead us to a better world but in the meantime the general public should prepare the government so the task of tomorrow's empire builders will not be so hard if it has been in the years past. Because of wars and selfishness, dangerous differences between nations have arisen and if these are not ironed out the future of mankind is in grave peril. — Elgean Shield.

SENIOR NEWS

The meeting was called to order by the president for a discussion of the Annual. Mr. Pettit gave a talk about the printing and photography of the Annual.

A suggestion was made that after the Lake View game, the high school (freshmen, sophomores, juniors and seniors) have a get together and have fun. A motion was made that we sponsor a dance for the high school and invite Lake View. It was carried unanimously. We have the permission, music, students — everything but a place to have it. A committee was appointed to find a place to have it.

The meeting was adjourned by the ringing of the bell.

GOSSIP

Been a snooping again this week and you'll never guess what all I've seen and heard at ole S. A. H. S. About the newest thing on the campus are those little red and white beanie's with the names on them. The freshman glamour girl, June Parker, is doing nicely these days with that cute junior, Dewey Dunn. Juniors beware!!

Seems as though Donnie Estes has woke up to the fact that girls exist. Wonder how long it will take Gene Rice and Albrus Little???

Say, who did we see Sunday night?? Coyita and Derald, Virginia and Joe. Some fun!! Eh, what!!!

Yvonne McClintock was in a blue convertible about a week ago. What a man! What a car!

Helen Day seemed to be having fun with someone besides Britt, the night of the Band Mothers Banquet.

The eighth grade girls seem to be taking over high school boys, if you don't believe me look at Del Ray Stacy and Billy Lynn Westbrook.

The couple attracting a lot of attention around school are Kenneth Vance and Jeanette Lovelady, and why not, they make a very couple.

Say, Geneva, do you still get those long mushy letters from May?

Stanley and Barbara, Olin and Elaine were seen together again, they say an old flame never dies.

Hazel Cupps was seen with handsome James Phillips a very steady twosome lately.

Speaking of steadies as we usually do, Jonie had better watch Joe Sellers closely, because Joe and Julia were seen together Sunday. Also, there are two other people that have been going steady, Bryan Hodges and Rene Steward from what we see.

Dick Humphries and Linda Stewardson seem to be getting along fine. Why don't you go steady like Ruby and Freddie.

Could it be that Elgean Shield and Nancy Holt are seeing eye to eye these fine days.

Not only are the freshmen tak-

ing Dewey from the junior class but D. H. and Duane Calloway as well. Isn't that right Reba and Faye?

We hear Johnnie Ethel and Arthur Dean had a wonderful time Friday night. We wondered why Johnnie was so starry-eyed all this week.

Douglas Lykins and Reba Haynes are one more couple to add to our list of cute couples.

Vada, who was the nice looking boy you were seen with Friday and Saturday nights?

What about Leroy Stockard and Sedonia? I wonder if Leroy knows about Don.

Sedonia must have had fun on the band trip to Abilene. Gene Bagley and her? But didn't we all???

In closing, I would like to quote, "Woman is the soul of creation but she has made a heel of many a man."

Religion in Practice

Lesson for October 26, 1947

SUNDAY'S lesson takes us to one of the practical Christian preachers of the New Testament. Please open your Bible to the Epistle of James, and read especially the first two chapters.

Dr. Newton

When you shall have read these passages, you will then be ready for the consideration of religion in everyday life.

A Cup of Cold Water

WHAT someone will be asking, can I do to show my desire to be of actual service in the name of Jesus? Jesus tells us. He says that whosoever shall give a cup of cold water in His name is doing the will of God.

We live in a world that poignantly waits for a cup of cold water. I have just returned from another trip through Europe. I was there in 1946, and I felt then that life in Europe had reached the last possible expression of need. But this past summer I was startled to witness a still greater need.

The question that immediately came to mind as I observed conditions in Germany and England and other countries this past summer was this, What can we do to meet such need? And the answer was ready at hand—give them what you have, in the name of Jesus.

Doers of the Word

JAMES makes much of practical religion in everyday life. He tells us that we are to be doers of the word and not mere sayers of the word, or hearers of the word. And here he means the Word of God—the will of God.

Is there a misunderstood boy in your block? Is there a girl in your class at school who suffers from some bitter criticism? This lesson would suggest to every Christian boy and girl to go in sympathetic understanding to such neighbors and help them to overcome these handicaps. Thus we become doers of the will of God.

Living Our Religion

WHAT we are determines what people think of our religion, not what we say about our religious life. James tells us in Sunday's lesson that faith without works is dead. It is that very truth that our generation so much needs to get hold upon.

We have many perplexing situations in our world. Racial differences, differences regarding capital and labor, and so forth and so on.

How are these problems to be solved? By resolutions? We know that many very pious resolutions have been adopted concerning these problems, but still the problems remain.

One Christian in any given community who applies the teaching of James to everyday life will start a train of events that will add up to the solution of any problem, social, economic or what not. We must translate our beliefs into action.

The More Excellent Way

JAMES goes on to assure us that when we undertake faithfully to live our religion, we may confidently claim the promise of God that if any man lack wisdom, let him ask of God who giveth liberally unto all men, and upbraideth not. The conclusion of the whole matter, therefore, is to face life as we find it, taking into account the actual facts, and boldly and confidently tackling the job in the assurance that the grace of the Lord Jesus Christ is always sufficient for any and every situation.

The more excellent way of the Golden Rule is the answer to the whole matter. But the Golden

Rule is impotent until it is translated into action.

And the best of it all is that it actually works. When someone asked Morrison what Christianity was doing for China, he replied: "Christianity is changing China into a community of God." That is precisely what this lesson will do for your community, if you apply its teachings to life as you find it.

The State of Texas
County of Coleman
SHERIFF'S SALE

WHEREAS, on the 4th day of September, 1947, in Cause No. 8954-B, in the District Court of Coleman County, Texas, wherein the City of Santa Anna, a municipal corporation, and Santa Anna Independent School District, a municipal corporation, and State of Texas and County Coleman, Texas, were plaintiff, and Intervenor recovered judgment against E. E. Cavender, J. H. Cavender, J. E. Cavender, C. C. Cavender, J. M. Cavender, R. V. Cavender, W. R. McCormick, R. L. Emerson, Mabel Em-

erson, N. R. Ward and Effie Ward, Edwin Whitten, John Stockman, Opal Stockman, I. D. Hendrix, Mattie Hendrix, Roby T. Windsor, Bell Windsor, Norman Payne, Annie Payne, W. W. McCormick and Betty See, Defendants, for taxes, penalty, interest, and cost against the hereinafter described property;

WHEREAS, on the 25th day of September, 1947, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county, to seize, levy upon, and sell in

the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 26th day of September, 1947, seize and levy upon as the property of the above defendants the following described property situated in Coleman County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

FIRST TRACT:
Lots One and Two in Block

No. 22 GC & SF Addition to the Town of Santa Anna, of the County of Coleman, Texas, as shown by plat in the Deed Records of Coleman County, Texas.

And I will on the first Tuesday in the month of November, 1947, the same being the 4th day of said month, proceed to sell all the right, title and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Coleman, between the hours of 2:00 p.m. and 4:00 p.m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

DATED at Coleman, Texas, this the 26th day of September, 1947.

H. F. FENTON, Jr., Sheriff,
Coleman County, Texas. 40-3c

in the open air.

Mrs. Jess York and her mother, Mrs. S. E. Reed of Broken-smith were up one night last week. Mrs. Reed stopped with Mrs. J. S. Laughlin and Minnie. Mrs. York visited with Mr. and Mrs. Jesse Earl York and little son.

Mrs. Sammie La Douceur and Mrs. Tom Bagley of Brownwood drove out for a short visit with their mother, Mrs. Zona Stacy Sunday afternoon.

Visitors in the Albert Dean home Saturday night were Mr. and Mrs. Walter Ferguson, Mr. and Mrs. Thomas Bowden and Mr. and Mrs. John Haynes.

Friends here were grieved to hear that Mrs. Zack Bible of Whon suffered a paralytic stroke last Wednesday while visiting her mother in Brownwood. At the last reports from her, she was very ill. We hope for her a speedy recovery.

We also have heard that Mr. Onton Boenicke of Mt. View was taken to the hospital in Brownwood last Friday very ill. He is a brother to Oscar Boenicke. He was better yesterday and went out to his sister's, Miss Pauline Boenicke in Brownwood Sunday.

Mrs. Zona Stacy and Mrs. Beula Kingston visited Mrs. Ben McIver Monday afternoon.

Let's not forget the announcement made by Rev. J. H. Martin that Rev. J. R. Hickerson, district missionary of the Baptist church will preach here next First Sunday, November 2.

week-end with Mrs. Gordon's parents, Mr. and Mrs. Ben Smith and brother, Elder. Others to visit in the home Sunday were children of Mr. and Mrs. Smith, Mr. and Mrs. Dee Smith, Mr. and Mrs. Bud Smith and girls, Mr. and Mrs. J. S. Martin of Coleman and Mr. and Mrs. Henry Smith and son.

Mrs. Zack Bible became seriously ill in Brownwood last Wednesday. She was very sick for several days, but we are glad she is improving. She is in the home of her mother, Mrs. People in Brownwood. We trust she will soon be well again.

Mr. and Mrs. Everett Baker and Sonny visited an uncle of Mrs. Baker in Comanche Sunday.

Mr. Grady Hudson and sister, Nora of Benjimum and Mr. and Mrs. Tommie Holmes visited until bedtime Tuesday night with Mr. and Mrs. George Rutherford.

Mr. and Mrs. Buster Wallace and children and Louise Averett attended the Dallas Fair Friday and Saturday.

Joe Alvin Wynn visited C. E. Renfroe Friday and Saturday nights.

Mr. and Mrs. Bill Rutherford and baby from California visited Bill's parents, Mr. and Mrs. Geo. Rutherford during the past week. They returned for their furniture and are moving to California where they have purchased a home. They left for home early Sunday morning.

Mr. and Mrs. Gabriel Hext and children spent Sunday with Mr. and Mrs. Renfroe and children.

Those to enjoy ice cream in the home of Mr. and Mrs. George Rutherford Saturday night were Mr. and Mrs. Jim Carter, Mr. and Mrs. Tom Rutherford and children, Mr. and Mrs. Bill Rutherford and baby and Mrs. Jack Haney.

Our sympathy is extended to the bereaved of Mr. Frank Hodge of Rockwood who passed away very suddenly Monday morning.

Don't forget our Halloween Carnival, Thursday night, October 30. Come out and enjoy the fun and frolic.

Mrs. Jim Carter visited Mrs. Jack Haney in Santa Anna last Wednesday.

Richard Meek, who has been visiting his grandparents, Mr. and Mrs. Bert Turney this summer, returned to Dallas the past week. Mrs. Bert Turney visited her brother during the week. Mr. and Mrs. Edgar Shields and girls in Santa Anna.

Alice Anna Guthrie had a house party of Tarleton students over the week-end. Guests were Miss Winona Dutton of Junction, Miss Betty Mahler of Belton and Miss Evelyn Bruce of Santa Anna. They attended the Tarleton-Schreiner game Saturday night.

Mrs. Banister, Mrs. Gay and Mrs. Bruce attended a three county club meeting at Lometa Thursday. Mrs. Bruce was the guest speaker. Mrs. W. E. Cantrell of Lometa, who is the sixth district president, was master of ceremonies.

Mrs. J. T. Baird, who has been quite sick lately, is spending this week with her son, Bill Henry and family in Coleman and taking treatments there.

Hector Holman and his sister, Mrs. D. A. Cook and children of Kempit visited their mother, Mrs. A. Holman, Saturday and together they visited relatives at Burkett.

of Harmful Body Waste

Your kidneys are constantly filtering
waste matter from the blood stream. But
kidneys sometimes lag in their work—do
not act as Nature intended—fail to re-
move impurities that, if retained, may
poison the system and upset the whole
body machinery.

Symptoms may be nagging headache,
persistent headache, attacks of dizziness,
getting up nights, swelling, puffiness

Miss Corine Bengé Honored At Gift Tea

On Thursday afternoon, October 16, from the hours of 4 to 6, Mrs. Roy England and Miss Doris Jane Henderson entertained with an announcement and gift tea in the home of Mrs. George England honoring Miss Corine Bengé, bride-elect of James R. Eubank.

In the receiving line were Mrs. George England, the honoree, her mother, Mrs. Charles Bengé, the groom-to-be's mother, Mrs. Ozro Eubank, and Doris Jane Henderson.

Sylvia Fiveash ushered the guests into the dining room. The table was laid with a lovely lace cloth and had a central arrangement of a doll dressed as a bride, and surrounded by giant mums. Mrs. Jim Daniel served white cake squares, topped with pink candy rose buds, assisted by Mrs. Chester Galloway. Plate favors were white scrolls with "Corine and James, Nov. 8" and tied with pink ribbon.

Mrs. Payne Henderson ladled punch from a crystal bowl.

Many lovely gifts were displayed by Miss Pauline Eubank and Mrs. E. W. Gill, Jr.

Mrs. Elmo Eubank, Jr. presided over the register, which was signed by many local guests and those from out of town.

Mrs. Roy England said adieu to the departing guests.

Santa Anna 4-H Club News

The 4-H Club has organized in Santa Anna. There have been two meetings and one called meeting. The following officers were elected: president, La Juana Burgett; vice president, Mary Jane Turner; secretary, Evelyn Oakes; reporter, Sylvia McAden; and recreation leader, Carolyn Burden.

A good number went to the State Fair at Dallas, October 4. They left Santa Anna at 4 a. m. There were things to ride and all kinds of exhibits at the Fair. It was interesting to all.

In the last meeting the recreation leader led us in several songs.

We have made draw string aprons. The club work is very interesting. — Sylvia McAden, reporter.

Legion Auxiliary Met Tuesday Night

Members of the American Legion Auxiliary met on Tuesday night, October 14 in the Legion building.

Mrs. Montie L. Guthrie, Jr. has been chosen president of the local American Legion Auxiliary Unit. Mrs. Scott T. Whitaker was given a vote of appreciation for her efficient work as president.

A membership drive and other plans were discussed for the new year. Mrs. Guthrie will announce the appointments for chairman of Poppy Sales, membership and various other committees, which will enable the Auxiliary to carry on their worth while work during the next year.

Teachers Banquet

All of the faculty of the high school and ward school in Santa Anna, except Mrs. J. L. Harris, who was ill, attended the county-wide Teachers Meeting and Banquet which was held in the high school lunch room in Coleman Monday night. The meeting was largely attended and enjoyable.

State Superintendent, Dr. L. A. Woods of Austin was the principal speaker and gave a fine and inspirational address.

In the election of officers to serve the organization in the coming year, Mr. E. W. Scott of Coleman was elected president, and Mr. Weldon Chambers, principal of Santa Anna high school, was elected second vice president.

Westminster Fellowship To Meet Here Oct. 26

The fall meeting of the Westminster Fellowship of the Presbyterian church will meet here at the First Presbyterian church Sunday, October 26 from 3 p. m. to 8:30 p. m.

"Echoes From Grinnell" will be the subject of the main talk of the afternoon.

Visitors are to bring sandwiches and the host church will furnish dessert and drinks at the supper hour. Everyone is cordially invited to attend.

Whon School News

The Whon grade school ended its first six weeks of school Friday, October 17, starting off with a successful year.

The first six weeks' honor roll includes those who had an average of at least 90 and no failing grades. They are as follows:

First grade, Eddie Alberts (straight A's), Charles Pitts and Ruth Radle.

Second grade, Everett Baker, Jr.

Third grade, Lanita Bengé.

Fifth grade, Dwan Cozart.

Sixth grade, Mary Jo Shields (straight A's).

Eighth grade, Joe Alvin Wynn.

The teachers in Whon school this year are O. H. Davis, principal and Mrs. Bryson Averett, assistant. Mr. Davis is a native of Erath county and taught there one year at La Pryer high school, near Uvalde for three years and at Morse grade school in the Texas panhandle last year. He is a graduate of John Tarleton College and is working on his degree from the North Texas State College at Denton.

Mrs. Averett has taught six years in Coleman county and is a native of this county. Her home is now in the Featherston community. She has her college work from Howard Payne College and Daniel Baker College of Brownwood.

The Whon school lunch room is having some very excellent meals this year through the efforts of Mrs. Gene Alberts, the cook.

Our bus driver is Leon Carter, who also drives the bus into Santa Anna to deliver the high school pupils.

The P. T. A. is sponsoring a Halloween Carnival to be given here at the school house on Thursday night, October 30. Everyone is invited to attend.

We are sorry Mary Jo Shields has been absent from our school due to her illness.

A community musical and singing has been started and at present is meeting on Tuesday nights. Everyone who sings or plays a musical instrument or who is interested is urged to attend.

Mr. Davis attended the county teachers meeting and luncheon Monday night in Coleman.
