NUMBER 25

City To Be Fogged With DDT Wed., June 23rd

Looking 'round

BY THE EDITOR

CITY CLEAN-UP

Poliomyelitis is a very dreaded disease that has, for several months, been spreading throughout the southern part of Texas. It seems that the disease may be getting closer to us each week. There is no known cause for this disease, but cleanliness and sanitation are the most important factors in trying to control the disease.

So far we have not had a case here in the past two years. In that matter your editor feels that we have been considerably lucky. I hope we continue to be that fortunate, but I also feel that we should take the known factors in controlling the disease and do the best we can with them. Cleanliness and sanitation are not only factors that help control polio, they help control all other known contagious diseases. Some seem to have the idea that polio will not effect anyone but young people and children, but it has been known to strike people well past middle age. Even if it would not strike older people, we, as citizens of Santa Anna, owe it to the younger generation to see that we do everything humanly possible to combat these diseases.

For the past eighteen months your editor has been advocating a city garbage pick up and disposal. We are in the process, now, of giving the entire city one of the best cleanings it has had since I have been here. This is usually done once or twice a year, but has never been as effective as we hope the one in progress now will be. Sometime within the next few days, work should begin on the repairs of the sewer lines running through the south part of town. Most of you have been notified that the equipment for this purpose is supposed to arrive here this week. Wednesday, June 23, the entire city is going to be fogged with DDT and plans are being made for two other foggings, one in July and one in August.

The things mentioned above are good for any town, but just doing this once or twice a year will not keep our town clean. Your editor is of the opinion that if we had a city garbage pick up and disposal we could keep our town clean. It is almost impossible for every home owner to get out and give his place a genuine good cleaning at a set time, but if we had a truck to make a trip to each home two or three times a week to pick up garbage and other small rubbish that might collect around a home, I believe the town in general could and would be kept a lot cleaner, and when contagious diseases do come, it would be a lot easier to control them.

In reality, each of us are paying for the cleaning and fogging of the town. There is no direct cost to the individual, but the city is paying for it, and we are paying taxes to the city. Your editor is mighty proud that the city has taken this step forward, and right now I wish to compliment them very highly for doing so. There is a large number of families in the city limits who are, each month, paying more money to get small amounts of trash hauled away from their homes than it would take if we have a city employed truck and crew to make two or three rounds of the city each week and pick up garbage. I have had a large number of

Coyita Griffin Selected Duchess To Brady Jubilee

In a poll vote by the members of the Santa Anna Chamber of Commerce, Miss Coyita Fae Griffin, daughter of Mr. and Mrs. Bill Griffin, was selected to represent the town as "The Duchess" at the Brady July Jubilee.

Miss Griffin will attend the Queen's Coronation and Race Meet. She will be a guest of the Royal Court and a delightful program of entertainment is in store for duchesses selected from all neighboring towns of Brady.

Miss Griffin is to select her own escort. The Brady Jubilee will have accommodations for each "Duchess," her escort and her parents.

Of the 43 votes cast by the C of C members, Miss Griffin received 19.

citizens of this town to tell me they would be more than glad to help pay a good salary for a crew of this kind, provided they would do a good job of collecting the garbage.

In the years past we used to have what was known as the City Pound. Here they kept stray dogs, cows, horses and other animals running loose in the city. Owners of lost animals could go there and claim their animals and pay a small fee for them being put in the pound. We have a city ordinance requiring all dogs to have a city license, but it is not very well enforced. In the opinion of this writer, another pound could be built and the crew that would be in charge of the pick up and disposal of garbage could also be in charge of the pound. And from the number of stray or unlicensed dogs and other animals running loose in the city, they could make a good salary just from them alone. We do not have an ordinance requiring dogs to have a rabies inoculation, but that is another item that should be required and could be administered and charged for at the pound.

Animals kept in the city limits are a menace to the health of the town. They create breeding places for carriers of diseases. These places should also be cleaned up and sprayed with DDT every day.

Let's all give our wholehearted support to the clean up drive now in progress. Full cooperation from every individual is needed to make the spraying really effective. The city officials, the city health officer and the Chamber of Commerce wants our town cleaned up. With your cooperation it can be done and we can get rid of the insects that are carriers of diseases.

A GOOD GAME

Two of our well known men school teachers have been playing table tennis. Tuesday, Supt. Green informed your editor that he had just beaten our Coach McBride in a very good game. Wednesday I was informed that they had played a rubber match on Tuesday afternoon with the coach winning the match 3-1. Your editor is not a table tennis player, but these two fellows may be interested in taking on other players.

Mr. W. J. Cole of Beaumont visited over the week-end with his wife and sister and family. Mrs. John C. Gregg, Mrs. Cole is going to remain with Mrs. Gregg until she is able to be up from a recent operation.

City Again Asks Consumers To Conserve Water

The city commission again this week asks that water consumers conserve more water. The water situation is very critical and at the present time more water is being used than the wells are producing.

According to reports from the city engineer, consumers are using about 25,000 gallons a day more than is being produced. This has just been being done since the hot weather set in about two weeks ago. There is a very small reserve in the city lakes and that is where the extra amount is coming from at the present time. However this supply will soon be exhausted, if the present use continues.

Elsewhere in this issue of the News the city commission asks you to be more conservative with water. Try not to use more than the 2000 gallon minimum charged for each month.

The city is in the process of drilling more wells now, but the use of the water will have to be delayed until pipe can be purchased to connect the wells. Orders have already been sent for the pipe, but when it will be possible to obtain it is impossible to say.

According to a recent ordinance passed by the city commission, if you use water for any use other than domestic consumption, your water may be cut off. A close check on the reading of the meters tell them who is using the largest amounts of water. If the excessive amounts of water are continued to be used, some water meters are going to have to be disconnected.

National Guard, Lions Club Tied For Top Place

The National Guard and the Lions Club are tied for the top honors in the Santa Anna Softball League.

In the games Tuesday and Thursday nights the G. I. School beat the Chamber of Commerce by a score of 8 to 3 and the Lions Club beat the National Guard by a score of 15 to 14.

It was decided by the officials of the league that a charge of 10c would be made for admission of adults and children would continue to be admitted free to the ball games. This action was taken because the free will contributions were not enough to take care of the expenses of operating the lights and furnishing playing equipment for the players. Charges for games played outside the league will be set by the teams playing and cannot be announced that they will be a certain amount.

Games are being played almost every night during the week at the High School field. Regular scheduled games are played each Tuesday and Thursday nights and matched games are played on other nights.

The league standings to date are as follows:

Team	W	L	Pct.
Natl. Guard	3	2	.600
Lions Club	3	2	.600
G. I. School	2	2	.500
C. of C.	1	3	.250

TRIP FRIDAY FOR I. R. GLENN

Funeral services will be held for I. R. Glenn Friday afternoon, June 18th at the First Baptist Church in Shield.

Mr. Glenn died in the local hospital Wednesday afternoon at 4:55.

Street Markers Arrive; To Be Installed Soon

The beautiful new street markers for the streets in Santa Anna arrived the first part of the week. The markers are large with clear easy to read lettering on them. They have a black border and black lettering on a white background.

According to the city engineer, Mr. Ray Morgan, the markers will be put on the streets as soon as possible. At the present time most of the city employees are busy working with the critical water situation and on the city clean-up drive that is now in progress, but as soon as they catch up they will get the street markers put up.

Fifty-two markers were all that was ordered. These markers have been ordered by property owners on the blocks where they will be put up. The project is being sponsored by the Lions Club and it is expected that after the markers are put up that others will want to put in an order for them.

A minimum of 25 markers must be ordered at one time. After the markers are put up and you on the blocks that have not ordered one, if you want one on your block, may leave your order with the secretary of the Chamber of Commerce or the president of the Lions Club and when they get the minimum amount of orders they will order more markers.

The secretary of the Chamber of Commerce, Mr. W. F. Barnes, has just returned from a trip to the Atlantic coast and up into the New-England states. He states that he failed to see any street markers in any city (including New York City and several other large cities) that were any more beautiful than the ones that are soon to be installed in Santa Anna.

Brownwood District Methodist Youth Fellowship Meet

The Brownwood District of the Methodist Youth Fellowship met at the local Methodist Church Tuesday night, June 15, 157 members were present from the four county district.

The Brownwood district is composed of Coleman, Runnels, Brown and Comanche counties. The district is divided into sub-districts with Santa Anna being in the western sub-district. Rev. Urban Schulze was appointed as the new District Director and Rev. Henry Price was appointed as assistant director in the western sub-district.

The sub-district meets on the third Tuesday in each month, with the district meeting each third month. The next meeting for this sub-district will be in Ballinger, Tuesday, July 20.

Officers elected at the Tuesday night meeting are as follows: President, Sue Hampton, Ballinger; Vice-president, James Thompson, Talpa; Secretary, Betty Price, Santa Anna; Treasurer, Marianne Clark, Coleman.

Mrs. Sam Collier was in Brownwood recently to attend the graduation exercises at Daniel Baker College in Brownwood, where her son-in-law, Jack Allen, received his B. A. Degree. He is now employed at Batcher Claim Service, an insurance adjusting company in Brownwood.

Mr. and Mrs. Dell Cates, who have been visiting relatives here returned to their home in Wauka, Okla. Wednesday. Her mother, Mrs. Belle Seale accompanied them home for an indefinite visit.

Father, King For A Day

By Mrs. A. L. Oder

The time has rolled around once more, when after a series of special days and events, when having crowned Mother as "queen of our hearts" in May, we remember that Father also is due some homage, and so, on the third Sunday in June, he is crowned "King for a Day" at least. Although there is not so much fanfare over Father's Day, more recognition is made of it every year, and fathers are being accorded their rightful honors, along with mothers in the home.

Father's Day was originated by a loving daughter in 1909, by Mrs. John Bruce Dodd of Spokane, Wash. She postponed the day as a tribute to fathers everywhere. Her own father, William Smart, a Civil War Veteran, raised his six children after the death of their mother.

The first celebration of the day was in 1910, when the Spokane Ministers Association sponsored a city wide observance. The day rapidly became a national holiday, and President Wilson officially opened one celebration.

The Bible contains more references or more SHINING examples of a father's love than that of mother. Nothing is more touching than Jacob's love for the lad Joseph, and his grief when he believed the boy dead.

The part the loving father played in welcoming home his ragged and hungry prodigal son, is of the most beautiful stories ever told or written.

King David's sorrow at the death of his infant, and the outpouring of grief upon the death of his rebellious son, Absalom, reveals the loving father's heart of Israel's King.

The first known tribute to father is by Elmesu, a Babylonian. It was written on a clay tablet about 2000 B. C. and implored the Gods to grant his father good health and "enduring days."

We do not need to travel to distant lands, nor to rely exclusively on ancient or Biblical records to obtain abundant proof that normal fathers do love their children devotedly. I have heard of a father not so many miles from Santa Anna, who upon hearing of the death of a dearly loved son, in the late war, was overcome with grief, which he seemed unable to overthrow. He would sit for hours looking at the boy's trinkets and his picture.

Finally growing weary of life without his son, the tired heart ceased beating and the loving father left to join his son, "in that land beyond the blue."

In honoring fathers, who after all are probably just fulfilling their obligations as God intended, let's not forget to consider some fine step-fathers all of us must surely know, who are loving and kind to their step-children. A prominent young Santa Anna mother, whose step-father lives in an adjoining state, says she wouldn't exchange her step-father for anyone else's father. So let's go ahead and make next Sunday the greatest Father's Day we have had. And there is no law against sending a greeting to the father-in-law, step-father and grandfather, for their hearts will glow with gladness because of your remembrance.

Mrs. Virgil Londemay of San Angelo came last Thursday and took her grandmother, Mrs. W. F. Smith home with her for a visit with her and other relatives.

Clean-Up Drive Now In Progress

Through the cooperation of the Chamber of Commerce and the officials of the city of Santa Anna, our little city will be fogged with DDT Wednesday, June 23. These two organizations are calling for the utmost in cooperation from every citizen in Santa Anna. The clean-up drive got under way Wednesday of this week and will continue until the DDT fogging is complete.

The spraying machine will come here through the cooperation of the City of Brownwood. The machine will be in Coleman the first two days of the week and then will try to complete Santa Anna in one day.

According to the operators of the fogging machine, there is no need for anyone to become alarmed when they see the machine coming. There is no possible danger to humans or animals. All residents are urgently requested to open your doors and windows so the fog can move through each house. The DDT is supposed to kill all roaches, flies and other insects that may be disease carriers.

This type of spraying has been being used pretty well over the southern part of Texas in an effort to combat poliomyelitis (Polio). Very little is known about this dreaded disease, but it has definitely been established that cleanliness and sanitation are the most important factors in its control.

It is the plans of the Chamber of Commerce to get all the trash hauled out of the city before the fogging takes place. They want YOUR cooperation. They want you to get all the trash around your place piled up so that trucks can get to it and the men can pick it up. There will be no cost to any person, either for the hauling of the trash or the fogging of the town. All they ask you to do is give them your wholehearted support and clean up your premises. pile the trash where it can be picked up and then when the fogging machine comes by open your doors and windows so the DDT can circulate through all the house.

Trucks started picking up trash Wednesday morning and will continue as long as there is trash or rubbish to be picked up. If, by 12:00 o'clock noon Monday, June 21, your trash has not been picked up, you are requested to call the city hall and leave your name. If at all possible, they want all the trash and rubbish picked up by night fall Tuesday.

Plans are in the making for the town to be fogged once each month for the next three months. You are requested to get your premises cleaned up and to keep them that way. To make the DDT doubly effective, each home is requested to spray DDT freely during these three months. You can go to your stores and purchase the same type DDT as will be used in the spraying of the town. If every citizen will spray his premises three or four times each week with DDT, the spraying furnished by the city will have a much better chance to do the job effectively.

Rev. and Mrs. J. W. Burgett, Elaine and La Juana are leaving Thursday of this week for Nashville, Tenn., to attend the General Assembly of the Cumberland Presbyterian Church. They will be gone a week or more.

Grady Bannister of Killeen was here Tuesday visiting with his mother, Mrs. J. R. Banister and his sister, Mrs. C. D. Bruce. Nick England came with him and visited with his father, Mr. G. P. England.

Coleman County Labor Market

Published in cooperation with the U. S. Employment Council, Coleman County, Texas.

The Past Week

Employed 13

Unemployed 8

Current Labor Market

Applications for jobs 247

Jobs Vacant 11

Manpower Available

The county population files reveal that the unemployed workers are seeking work as bookkeepers, general office clerks, receptionists, sales clerk, stock clerk, telephone operator, mail deliverers, dishwashers, cook, maid, watchman, farm hands, electrician, combination welder, automobile mechanic, maintenance mechanic, carpenter, printer, paper-hanger, sewing machine operator, tractor operator, construction equipment operators, truckdrivers, roughnecks, roustabouts, and laborers.

Current Labor Demands

Local employers have placed job orders for the following: Maid, practical nurse, dry cleaner (experienced or trainee), stenographer-bookkeeper, machine presser, and general office clerk.

Elsewhere in Texas there is a demand for experienced and skilled aircraft workers, shipyard workers, and many other workers of numerous occupational classifications. Full information is available at this office.

Mr. and Mrs. Al Davis and Sandra of Graham have been visiting here with her parents, Mr. and Mrs. Sam Rutherford. They will leave this week for a month's stay in California, sightseeing and visiting with his brother, Buck Davis and family.

Mrs. J. B. Jones and children, Mildred and Buddy, of Bishop, are here visiting her parents, Mr. and Mrs. J. J. Gregg.

Miss Florence Niell, who has been teaching at Baytown, came last week for an indefinite stay with her mother, Mrs. Ola Niell.

Prices Remain the Same for Stamford Cowboy Reunion

Although numerous improvements have been added to the annual cowboy reunion, prices remain the same. The ticket committee reports that general admission tickets will be \$1.25, general grandstand \$1.50, reserved grandstand \$1.75 and box seats \$2.25.

Since the first rodeo performance June 23, 1930, in a leased natural amphitheater near Stamford, enthusiastic spectators have spread Texas Cowboy Reunion's fame far and wide. Early this year, inquiries concerning the annual rodeo began reaching the Stamford Chamber of Commerce office from New York, Wisconsin, Tennessee, Georgia and numerous other states.

The Texas Cowboy Reunion attracts the largest number of rodeo contestants in the world. Professionals are barred, and the regular ranch hands who participate in the contests are usually known to the audience and old timers who attend the performance. They are accompanied to the show by their own ranch chuck wagons, and they bring along their own cow ponies and cutting horses. There are few non-professional rodeos left in this era of organized performers and the Stamford show is the largest of its kind in the world.

Mr. and Mrs. Lee Miller and son, Don, Mr. and Mrs. C. M. Williams and Elwanda, from Rising Star came Tuesday and went fishing on Home Creek and visited with their families. Mr. and Mrs. Amos Taylor and Mr. and Mrs. Alton Taylor.

Stockard-Taylor

In a candlelight ceremony Thursday, June 10th, in the St. Johns Methodist Church in Lubbock, Miss Orla Mae Stockard, daughter of Mr. and Mrs. Leroy V. Stockard of Santa Anna, became the bride of Donald Truitt Taylor of Lubbock, son of Mr. and Mrs. Elmer Taylor of Fredrick, Okla.

Mr. James D. Taylor, brother of the bridegroom, performed the double-ring ceremony before an altar decorated with baskets of lemon leaf and peonies. Forty tapers framed the altar.

Given in marriage by her father, the bride wore a white satin gown, with a chapel length train, full pointed sleeves and a marquise yoke embroidered with seed pearls. Her hip length veil fell from a headdress of orange blossoms with a matching design of seed pearls.

She carried a white Bible topped with an orchid and streamers of satin surrounded by baby's breath.

Miss Margaret Bruce of Santa Anna was maid of honor, wearing a pale green organdy frock with matching mitts. Her picture hat was made of the same organdy as her gown and she carried a colonial bouquet of sweet peas.

Bridesmaids were Beverly Stockard, sister of the bride, and Wendolyn Campbell, who wore gowns similar to that of the maid of honor and carried colonial bouquets.

Candlelighters were Patricia Lovely of Pampa and Elizabeth Howard of Lubbock. Tom Taylor, neice of the groom, was flower-girl.

Alton R. Taylor, brother of the groom, was best man. Groomsman were James Robertson III, Manson Hawkins, Jr., Lamar Jackson and Arnold Meeker, all of Lubbock. Bob Stoggin, organist, gave the pre-nuptial music and accompanied Mrs. Duncan Elliott

Mrs. Donald Truitt Taylor

who sang, "Because." The bride's club song, "Roses of Picardy" was played during the ceremony, as is the custom when a member of Sans Souci is married.

The reception followed immediately at the church. In the receiving line were the parents of the couple, Miss Cora Stockard, Leroy Stockard III, Miss Beverly Stockard, Alton Taylor, Misses Wendolyn Campbell, Elizabeth Howard, Margaret Bruce and Patricia Lively.

The bride's table was decorated with peonies and baby's breath and centered with the three tiered wedding cake.

For the wedding trip to Santa Fe, N. M., the bride wore a

Jerry B. Snodgrass Honored On Birthday

On Saturday afternoon, June 12, Mrs. Bruce Snodgrass entertained in her home with a party honoring the eighth birthday of her son, Jerry Bruce.

Games furnished the entertainment. The pink birthday cake, decorated with eight pink candles, was served with fruit punch, to Dixie and Jimmy Crews, Margie Martin, Diane Williams, Janice and Larry Donham, Daniel Gilbreath, and Jerome and Eric Shield.

Mrs. L. C. Peeples returned to her home in Brownwood Saturday after a visit of several days with her daughter, Mrs. B. M. McCain. Her daughter, Mrs. C. H. Black, and her granddaughters, Mrs. J. W. Harrison and Dixie Black and child had brought her here on Tuesday.

When you need plumbing work call us. Blue Hardware Co.

It's amazing how the goal of some college boys vanishes at the end of the football season.

Someone asked Pappy Miller last week how he stayed so spry at ninety. Pappy told him:

"Well, sir—when I work, I work hard. When I set, I set loose. When I think, I go to sleep."

According to Doc Hollister, that formula isn't far amiss. "Hard work," says Doc, "never wore out anyone before his time, providing he knew how and when to relax."

Doc himself works overtime, with his daytime patients at the office, and his evening calls. And

when he gets home he takes it easy with a mellow glass of beer and chats with the missus until it's time to go to bed.

From where I sit, relaxing is a fine art—especially in these tense, fast-moving times. And there's nothing like a temperate glass of beer—enjoyed with pleasant company—to restore that easy frame of mind that one needs after a hard day's work.

Is there a "sure" thing?

In sports, there's always likely to be an "upset" to surprise the experts.

It's the same way with everything in life. The future looks like a "sure" thing and then . . . things go wrong.

Accidents happen. Unforeseen expenses postpone . . . or cancel . . . the many things you've planned.

But there is a way to prepare yourself for surprise reverses.

It's the way thousands of Americans are insuring their future security . . . with United States Savings Bonds. It's the easy, automatic investment that pays you back four dollars for every three you invest . . . and in just ten years.

So when "upsets" come along, as they will, your nest egg of Savings Bonds will prevent them from doing serious damage to the future of you and your family.

Sign up on your company's Payroll Savings Plan. Or, if not on a payroll, enroll in the Bond-A-Month Plan at your bank.

This is an official U. S. Treasury advertisement—prepared under auspices of Treasury Department and Advertising Council.

A few weeks ago your columnist went to Little Rock to speak to a state hardware dealers' convention. I hardly knew I was outside of Texas because the newspapers there featured the visit of scientists to the McDonald observatory, out in the Davis Mountains, to study the green spots on Mars; the trial of a man accused of having murdered his bride, whom he had married in Abilene, and the Texan, an ex-marine, who stabbed

a burglar to death in Chicago. And a touch that reminded one further of Texas was an ad which read, "World's biggest hot dogs."

Of course, Texas has the biggest in just about every line; that Arkansas advertiser must have been newly arrived from Texas and hadn't yet got over his Texas habits.

From the business district of Little Rock, when you look toward the capitol, because of a hill in between, you see just the dome, apparently hanging in space.

You walk across a bridge over the Arkansas River. As a boy, I seem to remember the big stream as having two or three steamboats puffing up and down with others moored at the wharf. But, the other day, there were just two barges and a houseboat in sight.

And I've never eaten any finer

fried chicken than that at a Little Rock cafeteria — Mrs. Atkinson's. It melts in your mouth like ice cream — only ice cream doesn't have as good a flavor as that fried chicken.

It is time that some fairness was introduced into congressional hearings.

This business of browbeating sovereign American citizens by some man who is a member of congress and therefore is supposed to be our servant ought to be changed at least to the extent that the citizen shall have the right to hit back.

A congressman can bully a business man, for example, and then refuse him the right to introduce witnesses to support his position and uphold his good name. He isn't even allowed to cross examine some irresponsible individual who may have it in for him and gets before the committee and makes untrue, unsupported accusations. The idea that Howard Hughes

had to write out the questions he wanted to ask and submit these questions to the committee chairman for his approval or rejection is repugnant to the American spirit of fair play.

That's one reason why this country rocked with applause for the tall Texan who refused to be browbeaten but stood his ground and slugged in true Texan style until that durn yankee senator tucked his tail and ran.

Mrs. H. B. Thompson has returned to her home in Dallas after a two weeks visit with her mother, Mrs. E. Baxter.

State Dept. of Health Letter

AUSTIN, Texas, June 17.—

There is little doubt that summer is here. If you don't think so, take a quick look at your thermometer or feel your shirt or blouse—chances are that it will be wet and salty with sweat.

Excessive sweating means loss of body salt, and Dr. George W. Cox, State Health Officer, advises the use of salt in drinking water as a means of avoiding heat cramps.

"Salt is a prominent constituent of sweat," says Dr. Cox. "On days when the thermometer goes to 90 degrees or above, as it has recently, the body may lose as much as fifty grams of salt. Laborers, farmers, and even white-collar workers should be especially watchful of heat cramps."

Heat cramps are characterized by pains in the stomach, headaches, and sometimes nausea and vomiting. The danger comes because the loss of salt may occur without the knowledge of the individual until the deficiency causes cramps or heat fag.

Salt tablets may be purchased commercially. If they are not available, a pinch of table salt will serve the same purpose.

"Drinking milk is an excellent method of replacing body salt lost through perspiration," Dr. Cox says, "but alcoholic drinks should be avoided."

Dr. L. O. Garrett left Sunday for Winnsboro to be with his mother, Mrs. J. D. Garrett, having received word she was not doing so well. Mrs. Garrett, who is 87 years old, has been a bed patient for several years.

Mrs. J. A. Clark and Judith Ann visited over the week-end with her sister, Bess Shield, at Bastrop, and with Mrs. Nye Reid in Austin.

TODAY'S BIGGEST BARGAIN! logo with cartoon character

You can't buy it at a store— You can't carry it in a bag— It's your biggest bargain— It's YOUR ELECTRIC SERVICE!

You don't buy it at a store—you can't carry it home in your shopping bag—yet it's one of the biggest values in your family budget. It's your electric service, of course!

Yes, although it costs the West Texas Utilities, your electric service company, more to supply it to you—and such costs are still rising—you're nevertheless now getting electric service at rates 17 per cent less than you did ten years ago—if yours is the average family.

Why is your electric service so big a value? One reason is that more people are using more and more electricity. Another reason is the constant effort which the experienced personnel of your service company makes to keep your electric service a bargain.

West Texas Utilities Company logo

Veterans' News

Eligible veterans who want to take courses under the GI Bill that cost more than \$500 for the normal school year may do so by trading training time for the extra cost, the Veterans Administration reports.

The additional charge in training time will be at the rate of one day for each \$2.10 of \$500 maximum allowed by law. Veterans desiring to enroll in excess cost courses must authorize VA to pay the full charges by filling in forms provided for that purpose.

To prevent overpayments of subsistence allowances, the Veterans Administration urges ex-GI students and their schools to notify VA as soon as a veteran breaks off or completes his program.

A veteran student in training under the GI Bill is not entitled to subsistence allowances after the date he interrupts or completes his training. In some cases, veterans stop their training and receive additional payments before VA is notified of their change in status. All such overpayments must be refunded to the government.

Advance notice is preferable whenever a decision is made to discontinue training. However, prompt notice immediately after such a break in training will prevent most overpayments.

About 40,000 schools and colleges have been approved to train World War II veterans under the GI Bill and Public Law 16. Over 700,000 training establishments have been approved to give job-training under the same laws.

STUART DE ROEST VISITS SANTA ANNA

Stuart de Roest, whose home is in the Friesland Province of the Netherlands, has been a Santa Anna visitor for several days. He came with his uncle, Rev. Henry Jongema, and family from Kansas, to attend the Goodglon-Jongema wedding. The past year he attended the Dutch Reformed Seminary at New Brunswick, N. J., as a theological student, from which he recently graduated. He had previously graduated from a Dutch Seminary and University in Holland. He came to America as an exchange student. The plan of exchanging students was worked out by United Nations, enabling students to get part of their education in lands other than their native countries. It was Mr. Roest's privilege to come to America as a theological student.

Mr. Roest appears to be an earnest and capable young man, and will be returning to the Netherlands where he will be a minister in the Dutch Reformed Church.

APPRECIATION

We wish to express our sincere appreciation to our friends and neighbors who have expressed so deeply their hopes for a quick recovery of our wife and mother. We also want to express our appreciation to those of you who sent her flowers. May God bless each of you.

The John Gregg family.

Mr. and Mrs. C. M. Williams and Elwanda of Rising Star visited Tuesday and Wednesday with Mr. and Mrs. Amos Taylor and Voncille Davis.

Mr. and Mrs. Kenneth Brusenhan were week-end visitors with her parents, Mr. and Mrs. Frank Burns at Robert Lee.

Mr. and Mrs. Shorty Bishop were week-end visitors with relatives in San Angelo.

Merit System Council Announces Exams

AUSTIN, Texas — Competitive examination for positions in public health laboratories of the Texas State Department of Health and affiliated local unit has just been announced by the Merit System for the Texas State Department of Health. Examinations are for public health laboratory positions in the laboratory division of the State Department of Health and branch laboratories, and will consist of an evaluation of training and experience and an oral examination. Veterans preference will be allowed applicants who have been honorably discharged from the United States armed forces, and who make a passing score on the examination.

Applications will be received continuously until further notice. Positions for which examinations will be conducted are: Junior, Assistant, Associate, Full-grade, Senior, and Principal Bacteriologists, Chemists, Entomologists, Immunologists, Parasitologists, and Serologists. Qualifications required include graduation from an accredited college or university with major emphasis in appropriate sciences and experience in public health laboratory specialties. Preference will be given those candidates who have college training in advanced sciences and public health laboratory experience. Entrance salaries range from \$1800 to \$4200 according to classification.

Application blanks may be obtained from Russell E. Shrader, Merit System Supervisor, Littlefield Building, Austin, Texas.

James P. Hart Candidate For Texas Supreme Court

AUSTIN, June 17 — For a "weekend campaigner," Associate Justice James P. Hart, of the Texas Supreme Court has been covering a lot of ground these last three months.

Running for his first State office and his first elective term on the Supreme Court, Judge Hart has campaigned in more than 85 counties and made speeches in some 25 Texas cities.

Meanwhile he has attended every formal session of the Supreme Court, when arguments are heard and decisions handed down, since his appointment to the bench last October.

Judge Hart has made addresses, mostly non-political in nature, in a number of the 85 counties.

Mr. and Mrs. John Franklin Turner and their children, Kenneth and Mary Elizabeth of Oak Ridge, Tenn., came last Friday for a visit with his parents, Mr. and Mrs. J. Frank Turner. Also coming to visit the Turners at the week end were their son-in-law and daughter, Mr. and Mrs. Shag Garrett and their three children of O'Donnel. Shag has returned home, but Mrs. Garrett and children remain for a longer visit.

Mr. and Mrs. Tommie Starnes and children moved to Odessa last week, where he has employment.

PHONE NO. 4

Name of "Texas" May Soon Be Added to G. C. & S. F.

"We face no greater responsibility today than the perpetuation of the freedom of action, without which the courageous Galveston men of 75 years ago could not have functioned," Fred G. Gurley, president of the Santa Fe Railway system told an audience in Galveston at the Diamond Jubilee dinner June 5, celebrating the granting of the Gulf, Colorado and Santa Fe's charter in 1873. "There is danger that as the complexity of our economy intensifies that even a free people may place too many restrictions upon themselves," Gurley added.

In an earlier address Colonel Ernest O. Thompson, Chairman of the Texas State Railroad Commission suggested to President Gurley that the name "Texas" be included somewhere in the railroad's corporate name. Galveston, Dallas or Amarillo are each more important to the Santa Fe than either Atchison, Kansas or Santa Fe, New Mexico," Thompson said "and Texas is more important to the Santa Fe than Colorado, but Colorado is part of your corporate name."

Mr. and Mrs. C. D. Bruce and Evelyn and Barbara attended a reunion of the Bruce family Sunday and Monday at Barksdale and Camp Wood.

Byron McClanahan returned to his studies at Texas A&M College last week after spending the time between semesters here with his parents, Mr. and Mrs. A. B. McClanahan.

H. L. Biggs Is Stationed at Austin

Pfc. H. L. Biggs, son of Mrs. Linnie Biggs, Santa Anna, has been assigned to the Maintenance and Supply Group, a component of the 313th Troop Carrier Wing, Bergstrom Air Force Base, Austin, Texas.

The 313th Maintenance and Supply Group, a "right arm" of the 313th Troop Carrier Wing, is responsible for all major aircraft repair and heavy maintenance on all types of aircraft work from propeller to rudder. Their responsibilities also include the supervision of all "front office" supply functions.

Mr. and Mrs. R. E. Hewlett and their four children of Ingle and their four children of Ingle, Turner, Evelyn Oakes, and Syl-side came Monday night for a visit with her parents, Mr. and Mrs. J. W. Jordan and other members of the family.

CONGRATULATIONS

Pat Jim is the name of a son, weighing 8 pounds, that was born in the Sealy Hospital on June 2nd, to Mr. and Mrs. Pat Baker, Sr. They are now at home at Mrs. J. R. Banister's apartment.

Mr. T. G. Harris of Brownwood visited recently with his sister-in-law, Mrs. Pearl Harris and son, Charlie Joe. Mr. Harris, who was in a railroad accident last September, necessitating the amputation of a limb, is able to get about now, and this was his first visit here since the accident.

Mr. and Mrs. Somers Turner took their daughter, Mary Jane and their four children of Ingle, Turner, Evelyn Oakes, and Syl-side came Monday night for a visit with her parents, Mr. and Mrs. J. W. Jordan and other members of the family.

The Hope For The Messiah

THE hope for the Messiah first revealed to Adam in Genesis 3:15, and repeated to Abraham, Moses, David and Isaiah, was now proclaimed through Ezekiel, Daniel and Zechariah.

Here we have the hope of preservation, the hope of peace, the hope of security, the hope of usefulness, the hope of deliverance, the hope of dominion, the hope of service, the hope of sovereignty, the hope of redemption and the hope of purification.

A PROMISE FROM GOD

THIS is no fancied scheme of man. It is God's clear promise. Therefore will I save my flock, and I will set up one Shepherd over them, and he shall feed them, and I the Lord have spoken it.

LOOKING FOR A BETTER WAY

LONG had the people looked for a better way. Now God would provide that better way. It would be reached safe unto them through the Good Shepherd. He knows the way, he holds the key.

DANIEL'S DREAM OF THE DELIVERER

THE passage in Daniel is resonant with hope. "I saw in the night vision and behold, one like the Son of man came with the clouds of heaven." This dream of Daniel was a vision of the Messiah, bringing dominion, glory and a kingdom—a kingdom for all people, nations and languages.

SAVIOR AND KING FOREVER

ALL THE promises are embodied in these passages—Jesus the Saviour, Jesus the King, Jesus the Sanctifier. Here was hope for the Jews, and for all mankind. It was proclaimed through Jewish prophets, and Jesus was born of a Jewish mother. Favored, indeed, was that race. And although there be many who have rejected the Messiah, he fulfills the deepest meaning of every man's hope.

With Charles Wesley we sing: Hail, thou long-expected Jesus, Born to set thy people free; From our sins and fears release us, Let us find our rest in thee.

Christian Generosity

On occasions a collection is taken in a tavern designed to relieve some man's distress. For any such generosity let us be thankful. But let us also remember that that sort of thing is done only occasionally in a liquor joint and it is the regular habit in a church.—Roy L. Smith.

Following a congressional investigation the State Department has announced the "Voice of America" program will be revamped in the future. The shameful abuse of those broadcasts was shocking when revealed. That program has been prepared by a broadcasting com-

No Grim Struggle

To become a musician you don't grit your teeth for a grim struggle. The basic fact for successful living is that life is eager to serve you. Approach it, then, in faith. "Fear not, little flock, it is your Father's good pleasure to give you the kingdom!"—Virgil Kraft.

pany after it became apparent that the State Department itself was doing such a miserable job. Unless a better showing is made in the future of beaming the spirit of America to the world, it is my prediction the venture will be abandoned. It can serve a useful purpose, but only if properly conducted.

"Average" Congressman

Since the Republic was established it has been a good old American custom to poke fun at Congress now and then. Will Rogers took good-natured delight in doing so, yet in his serious moments he referred to the Congress as the real "bulwark of our freedoms." The other day, in the absence of something to do, I suppose, a writer for the New York Times, set out to make an appraisal of what an average Congressman is like. He found that the average Congressman is 52 years of age, 5 feet 9 inches tall, weighing 184 pounds, married 24.4 years, having 2.1 children, living in a modest home, owning 7.5 suits and 1.2 cars, eating simple lunches and smoking 22 cigarettes a day, having 3-4 of a college diploma and reading 18 books a year—these, added together, make the average Representative.

And the average Senator conforms to the same pattern more than might be expected. He has been to school more. Eleven Senators—or 11.4 percent—hold Phi Beta Kappa keys for scholastic achievement, while only 17—or 3.9 percent—of the House have been so honored.

Both groups, the Times writer finds, are "family men." The average Senator has been married 30 years, the average Representative 21.5 years. No Senator of the present Congress has been divorced; only 6 Representatives out of 435 are known to have been through divorce courts. Only 20 percent of the Senators and 40 percent of the Representatives find it feasible to save any money out of their salaries. Six Senators are considered millionaires; no Representatives rate that title.

Two-thirds of the House and one-half of the Senate habitually use tobacco. One out of 5 members plays a musical instrument. The average Congressman sits in an eleven-hour working day.

This is the last week of the session before the recess begins. There will be one additional News Letter and we will try to

summarize the work of the past six months. When the session ends I plan to open an office in the Federal Building at San Angelo, as is my custom each year, and, as I do each year, will visit over the district and report on the Congressional session.

"Don'ts" Listed On Child Labor

Some of the important "don'ts" for employers of this state on the employment of minors during the summer vacation period were listed today by William J. Rogers, regional director of the Wage and Hour and Public Contracts Divisions, U. S. Department of Labor Standard Act (Federal wage and hour law):

Don't permit children 14 and 15 years old to work more than 40 hours a week when school is not in session, or more than three hours a day and 18 hours a week when school is in session.

Don't permit children 14 and 15 years old to work between 7 p. m. and 7 a. m.

Don't permit children 14 and 15 years old to work in manufacturing, mining or processing occupations, including occupations requiring the performance of any duties in workrooms or work places where goods are manufactured, mined or otherwise processed.

Don't permit children 16 and 17 years old to work in occupations held to be hazardous in plants manufacturing explosives; as motor vehicle drivers or helpers; in coal mines; in logging or sawmill occupations; around power-driven wood-working machinery; operating power-driven hoisting apparatus, including elevators, and in jobs where they are exposed to radioactive substances.

Don't forget to get employment and age certificate and keep them on file.

Don't forget to pay minor employees at least the minimum wage set by law, and time and a half for overtime after 40 hours in any work-week.

If the firm is working on a contract under the Walsh-Healey Act, he further advised.

Don't hire boys under 16 years or girls under 18 years to work

on such contracts, or pay them less than the minimum wage and overtime.

No Gas Rationing This Summer Says Ernest O. Thompson

It now appears certain that there will be no government rationing of gasoline this summer. Secretary of Interior Krug is reported to have made recommendations to the White House to the effect that while there may be "spot" shortages of gasoline and heating oil in the coming twelve months, they will not be serious enough to warrant the imposition of government controls.

The report contains oil supply demand estimates including imports and exports for the fiscal year beginning with July 1, 1948, as follows: Supply, 6,523,000 barrels daily including domestic production of 515,000 barrels daily; Demands, total 6,453,000 barrels daily including domestic, 6,065,000 barrels daily, and exports, 388,000 barrels daily.

The report further states, "It is not anticipated, however, that these local difficulties will be of sufficient magnitude to warrant the imposition of government controls over the supply and distribution of petroleum. In fact, with supply and demand in such close balance, and with the industry already engaged in extraordinary efforts to supply the small increase necessary to prevent local shortages, the impositions of government controls might have a disruptive effect that would make matters worse instead of better."

This is a most gratifying statement, and I know everyone will be happy to know that we are not going to have gasoline rationing.

There may not be much to see in a small town, but what you hear makes up for it.

BABY CHICK INSURANCE!

Poultry experts endorse Acid-Dextrose treatments for Coccidiosis and Diarrhea in young chicks and turkeys, so why risk losses when DURHAM'S COCCI-DINE in feed and water gives you real insurance. COCCI-DINE combines a fine acid-dextrose treatment—a powerful gericide and astringent all in one solution. A 3-week treatment which costs you 50% less than acid-treatments alone. And DURHAM'S COCCI-DINE is guaranteed to protect your chicks and turkeys from Coccidiosis and Diarrhea.

Les Guthrie Feted On Birthday Saturday

On Saturday afternoon, June 12, between the hours of 2:30 and 4:00 P. M., Mrs. M. L. Guthrie, Jr. entertained with a party honoring her son, Les, who was one year old the following day.

The hostess served angel food cake with ice cream. Plate favors were little plastic knives, forks and spoons. The honoree received many nice gifts.

Those present were Billy Wristen, Helen Jean Fuller, Charles Eubank, Jeanette Eubank, Gary James, Janice Barton, Dianne Copeland, Linda Carol Horner, Nancy Louise Williamson, Billie Jo Achor of Brownwood, Stephen Perrie and James Perrie, of Coleman. Other out-of-town guests were Avis Barnett and Mrs. A. F. Barnett aunt and grandmother of the honoree, from Coleman.

Les was also honored last Thursday evening at the Howell Theatre in Coleman, when he was presented the first prize for the most attractive, most perfect and cutest baby in the infants to one year old group. He was awarded a 11" x 14" oil painted portrait by Dunlap's Studio, also in Coleman.

Mr. and Mrs. Gus Morgan of Tacoma, Maryland, came last week for a visit with her parents, Mr. and Mrs. C. A. Curry. Also visiting with the Currys are their son-in-law and daughter, Mr. and Mrs. Jack Ogle and Janice of Lubbock.

Will Your Child Be One Of These?

During the summer months of June, July and August, between 10 and 15 children will be crushed to death beneath the wheels of family cars as parents and neighbors back out of or enter their driveways. That was the forecast of the Texas Department of Public Safety today.

Director Homer Garrison stated that children will spend a lot of time playing out doors during these months and it is difficult for the driver to see them while looking through the rear glass of an automobile. Vision also will be somewhat obscured from the front of the vehicle as the motorist enters the usual driveway. By using extra caution upon entering or backing out of driveways, the lives of 45 children can be saved during this period.

The Texas Safety Association reminds motorists that Death rides with the drunken driver.

Experts say that most accidents happen in the kitchen, but wise husbands eat them anyway.

Little Maxie Lee Price, son of Mr. and Mrs. Collin Price, spent the past week in Coleman visiting his grandparents, Mr. and Mrs. J. W. Price. Also visiting in the Price home is their daughter, Mrs. Cora B. Geary, who visited in Santa Anna a short while Sunday. Mr. and Mrs. Collin Price went to San Antonio for her.

Dashing across the street in the middle of the block is the way to the morgue, says the Texas Safety Association. Cross only on the crosswalk.

The Texas Safety Association asks motorists to remember the stop sign at railway crossings. It doesn't take as long to stop as to pick up the pieces!

Sign in front of a church in Richmond, Va., "Need Exercise? Try Kneeling."

They now call her the jean age girl.

NAGGING BACKACHE

May Warn of Disordered Kidney Action. Don't Neglect It!

Modern life with its ceaseless hurry and worry, irregular habits, improper eating and drinking, exposure, contagion, whatnot, keeps doctors busy, hospitals crowded. The after-effects are disturbing to the kidneys and oftentimes people suffer without knowing that disordered kidney action may cause the trouble. After colds, fever, and similar ills there is an increase of body impurities the kidneys must filter from the blood. If the kidneys are overtaxed and fail to remove excess acid and other harmful waste, there is poisoning of the whole system.

Symptoms of disturbed kidney function may be nagging backache, persistent headache, dizziness, getting up nights, swelling, puffiness under the eyes, a feeling of nervous anxiety and loss of strength and energy. Other signs of kidney or bladder disturbance sometimes are burning, scanty or too frequent urination.

In such cases it is better to rely on a medicine that has won world-wide approval than on something less favorably known. Use Doan's Pills. They have been winning new friends for more than forty years. Be sure to get Doan's. Sold at all drug stores.

THE REASON DOAN'S ARE FAMOUS
All over the country grateful people tell others: "Doan's has helped me; I recommend them to you." That is why we cry: "Ask your neighbor!"

DOAN'S PILLS

NOTICE

The City Commission requests that you show your appreciation of the fact that you still have water at a reasonable rate by being more conservative in the use of water.

Our consumption has steadily risen since the first two weeks of rationing and it has now reached a point over our daily production.

Your voluntary rationing will prevent further curtailment of the use of water.

Grammer's

Taylor-Roesch

Miss Lonella Taylor and Edward J. Roesch exchanged marriage vows Saturday, June 12, at 3 P. M. in the First Methodist Church in Santa Anna, with Rev. Henry Price officiating. The bride, the daughter of Mr. and Mrs. J. W. Taylor, was given in marriage by her father.

Miss Elsie Lee Harper, wearing a light pink corsage, played the traditional wedding marches and accompanied John Walker, who sang "O Promise Me and I Love You Truly". The church altar was simply decorated with greenery and baskets of white flowers, and was candle lighted.

The bride, dressed in a white tulle suit, carried a white Bible, topped with a bouquet of white iris and stephanols and white streamers. For something borrowed she carried a lace edged linen handkerchief, belonging to an aunt, which had been used in many family weddings. For something old she wore a bracelet belonging to her mother. She wore a halo of flowers in her hair.

The bride's attendants, Mrs. Stanley Price, a cousin of Balmber, matron of honor, and Miss Virginia Sheffield of Fox, Okla., maid of honor, were dressed in aqua blue suits and blue accessories. They wore flower halos in their hair.

Mr. Max Roesch of McKinney was his uncle's best man. Groomsmen were Messrs. Add T. Walker and Maurice Curry. Charles Walker, cousin of the bride, dressed in white, was ring bearer.

Ushers were Mace Blanton, Jr. and Ted Walker.

A reception was held at the home of the bride's parents immediately following the wedding. The tiered wedding cake, topped with a miniature bride and groom, graced the lace-covered table. Crystal appointments were used and the room was lighted by white tapers. Miss Peggy Belser of Denton, cousin of the bride, presided at the punch bowl.

After a short wedding trip, the couple will be at home in Dallas.

Out of town guests for the wedding were Mr. Max Roesch of McKinney; Mrs. W. A. McCown, Honey Grove; Mrs. M. J. Belser and Virginia Sheffield of Fox, Okla.; Peggy Belser, Denton; Harry Stanford, Cleburne; Mrs. Sam Morgan, Pecan Gap; Mr. and Mrs. Gus Morgan, Washington, D. C.; Mr. and Mrs. Jack Okle and Janice, Lubbock; Mrs. Edith Brannon and Mrs. Cody Smith, Brownwood; Mrs. Pat Bennett, Bangs; and Mrs. Kate Spencer of Santa Clara, Calif.

Gift Tea Honors Bride

Honoring the former Miss Lonella Taylor, Mrs. C. A. Curry and Mrs. H. O. Norris of Santa Anna and Mrs. G. A. Morgan, Jr. of Washington, D. C., entertained with a gift tea from 4:40 to 6:30 P. M. at the C. A. Curry home.

Mrs. Morgan met the guests at the door. In the receiving line were Mrs. H. O. Norris, Mrs. C. A. Curry, Mrs. Edward Roesch, the honoree, and her mother, Mrs. John W. Taylor.

Miss Virginia Sheffield presided at the register. Cup flowers and pot plants decorated the rooms. An arrangement of day-lilies formed an attractive decoration for the dining table.

Mrs. Maggie Culver and Mrs. Bernice Scott alternated in pouring punch and serving cookies and mints.

Mrs. M. J. Belser displayed gifts. Approximately 60 guests called or sent gifts.

Major and Mrs. H. A. Mooney and their three children of Ft. Worth visited over the weekend with her mother and sister, Mrs. B. M. McCain and Louie.

Rowe-Watkins

Miss Hazel Jean Rowe, daughter of Mr. and Mrs. Seybold Rowe, became the bride of Jackie Dale Watkins, son of Mrs. Hester Watkins of Corpus Christi, and grandson of Mr. and Mrs. I. E. Watkins of Santa Anna, on Saturday, June 12th at 2:30 P. M. at the home of the bride's parents.

Rev. S. R. Smith of Brownwood officiated at the double-ring ceremony, before an improvised altar decorated with white gladioli and fern. There were also lovely arrangements of white gladioli on side tables and in the dining room.

The bride wore a blue crepe dress with white accessories and a corsage of white gladioli. She carried a white Bible.

Miss Ruby Humphries was maid of honor and wore a rose crepe dress with white accessories.

Freddie Henderson was best man.

Miss Coyita Griffin played the pre-nuptial music, including the wedding marches, and accompanied Gene Smith, who sang "All My Love."

A reception followed immediately after the ceremony. The two-tiered wedding cake, topped with a miniature bride and groom, centered the lace covered table, which was decorated with white gladioli.

Misses Wanda Price, Coyita Griffin, Doretha Faye Casey and June Humphries served the cake and the fruit punch, for which a crystal service was used.

Many friends and relatives, including a large number of 1948 Santa Anna graduates were in attendance.

After the reception, the couple left on a wedding trip to Corpus Christi, after which they will be at home in Mission, Texas, where the groom is employed at the Southwestern Bell Telephone Co.

The bride is a graduate of Santa Anna High School, where she was a member of the Senior Sextette.

The groom also attended both Santa Anna schools.

Tea Honors Bride

On Friday, June 11, Mrs. Jackie Dale Watkins, nee Hazel Jean Rowe, was honored with a gift tea from 4 to 6 in the afternoon by Mrs. Arthur Casey and Mrs. Bill Griffin in the home of the former.

The guests were greeted at the door by Doretha Faye Casey. In the receiving line was the honoree, her mother, Mrs. Seybold Rowe, and Miss Coyita Griffin.

Miss Ruby Humphries presided over the bride's book, which was the handwork of Mrs. Neal Oakes. It was made of white satin and ribbon with a hand painted bride on the cover. Hand paintings were throughout the book.

The gifts were displayed by Miss Sarah Frances Moseley, Mrs. Otis Bivins and Mrs. Paul Cannon.

The dining table was laid with a lace cloth centered with a floral arrangement of dainty pink flowers. Arrangements of pink and white gladioli were used throughout the house. Miss Virginia Lewellen poured punch from a crystal punch service, and Miss Wanda Price served white cake squares decorated in white and pink.

Mrs. Griffin and Mrs. Casey said goodbyes to the 90 guests who called.

Mr. Jim Dickenson of Memphis, Tenn., came Saturday for a visit of several weeks with his cousin, Mrs. Ben Yarborough, and Mr. Yarborough. The visitor is a recent graduate of a Memphis High School.

Patronize our advertisers.

Goodgion-Jangema

Miss Reba Goodgion, daughter of Mr. and Mrs. Homer Goodgion, and Robert Lynn Jangema, son of Rev. and Mrs. Henry Jangema of Ness City, Kansas, were married Saturday evening, June 12 at 9 P. M. at the First Methodist Church with the groom's father, Rev. Jangema, officiating.

The bride, given in marriage by her father, wore a white satin gown, fashioned with an off-shoulder neckline, a fitted bodice and a floor length train. She carried a bouquet of white gladioli.

Miss Ruby Goodgion, twin sister of the bride, was maid of honor. She wore an aqua frock and carried a colonial bouquet.

Miss Jeanette Eubanks, bridesmaid, wore a pink gown and a bouquet similar to that of the maid of honor. Both attendants are from Abilene.

Attending the groom as best man was Stuart de Roest of New Jersey and Floyd Goodgion of Clovis, N. M. was groomsmen.

Garry Goodgion, nephew of the bride, was ring bearer, and Linda Beth Moore was flower girl. Little Miss Moore wore a yellow frock.

For her going away costume the bride wore a white frock with black accessories.

Mrs. Jangema is a graduate of Santa Anna High School and has been residing with her parents since her graduation.

The groom is a graduate of Nacatur Rural High School and the University of Kansas with a major in medicine. He has served three and one-half years in the Medic Army, of which two and one-half years was spent in ETO.

The couple was in Brownwood a short while. They left Wednesday, June 16, for Kansas, where they will make their home.

Feted With Tea

A gift tea was held Tuesday evening, between the hours of 4 and 6 o'clock in the home of Mrs. Jim Daniels, with Misses Wanda Henderson and Lois Faye Harris and Mrs. Bob Henderson as co-hostesses, honoring Mrs. Jangema.

In the receiving line were Mrs. Henderson, cousin of the groom, the honoree, her mother, Mrs. Homer Goodgion, and the groom's mother, Mrs. Henry Jangema.

Miss Margaret McCaughan presided at the register.

Misses Lois Faye Harris and Pauline Eubank presided over the refreshment table, which was centered with a floral arrangement of gladioli.

Mrs. T. J. McCaughan, aunt of the groom, directed guests to the gift room, where the gifts were displayed by Misses Novelle McClellan and Elizabeth Eeds.

Goodbyes were said by Miss Wanda Henderson to approximately 50 guests who called during the tea hours.

Bakers Celebrate Golden Wedding Anniversary June 12

Mr. and Mrs. T. J. Baker held open house at their home in the south part of town on Saturday afternoon, June 12th, in observance of their Golden Wedding anniversary.

Their granddaughter, Mrs. Elmer Simmons and a niece, Mrs. A. J. Morris, assisted in entertaining. Ice cream was served to the guests, which included friends and relatives. The couple received some nice gifts and cards which they appreciated.

Their daughter, Mrs. Ralph Lawson of Brownwood attended. Two other children, Mrs. Robert Young and Mrs. Clarence Morris, both of Odessa were prevented from attending by the distance and other obstacles.

Mr. and Mrs. Baker, who before their marriage was Miss Belle West, were married at the home of her parents in Hamilton County, where they were reared, on Sunday morning, June 12th, 1893.

The ceremony took place at 9 o'clock and they immediately started on "a short wedding journey" of seven miles to attend church. They were riding horseback, and then they came to Cowhouse River, it was swollen from rains and their horses had to swim across. They made the landing safely, which seems to have set the pattern of overcoming obstacles together, which has continued through the years.

Mrs. Baker says it takes a 50-50 pull for a couple to live together in peace for 50 years. The Bakers moved to Coleman County in 1913, where they have continued to live except for one recent year, when they resided in Odessa.

Good Stock of 22 Rifles. Blue Hardware Co.

Henderson Reunion Held Sunday, June 13

The Henderson family met for a traditional reunion Sunday, June 13 at the City Park in Coleman.

A bountiful luncheon was served to Mr. and Mrs. Walt Hagler of Holland, Mrs. Lewis Godwin of Crowell, Mr. and Mrs. Joe Brookes, Mr. and Mrs. J. B. Brookes and family, Mr. and Mrs. Clyde Henderson and Patsy, Mr. and Mrs. Claude Henderson and Doris Jane, all of Coleman, Mr. and Mrs. Charles Henderson of Rankin, Mr. and Mrs. Hilburn Henderson and family of Trickham, and Mr. and Mrs. Bob Henderson of Brownwood. Those attending from Santa Anna were Mr. and Mrs. J. D. Henderson, Mr. and Mrs. Payne Henderson, Sr., Mr. and Mrs. Payne Henderson Jr., Mr. and Mrs. Bobbie Henderson, Mrs. Lois H. Neill, Mrs. Raymond Teague and girls, Mr. and Mrs. Buren Elkins and girls, Mrs. Rosa Henderson, Mr. and Mrs. Wayne Whitley and Sheron, Mr. and Mrs. Joe C. Brookes and family, Miss Wanda Henderson, and Clay and Ray and Wayne Henderson.

Following breakfast a short business session was held. Mrs. Ben Vinson, former vice president of the class, was elected to fill the vacancy in the president's office left when Mrs. Otis Bivins left to teach in the Junior department for the summer months. Mrs. Alva Bartlett was elected to fill the vice presidency, and Mrs. Clyde Haynes was elected as ministries vice president.

Christian Revival Is Having Good Attendance

The revival meeting at the Christian Church now in progress has had a good attendance from the beginning. On Monday night, there was a large attendance of members of the First Christian Church of Coleman, headed by their new pastor. The meeting will close Sunday night. There will be no services Saturday night, but all the services will be at the usual hour.

TWINS BORN

Twin boys, named Curtis Edward and John Moody, were born on Sunday, June 6th, to Mr. and Mrs. James S. Jones in Memphis, Tenn. Curtis Edward passed away Friday night, the 11th. These are the first twins in the Jones history.
