NUMBER 25

Garden Club To Send Cigarettes To Service Men

Through the cooperation of one of the major cigarette companies of America, the Mountain City Garden Club is making preparations to purchase tax free cigarettes to be given to servicemen in Korea and in Government hospitals. The distribution of the cigarettes will be through supervised branches of the Special Service Division of the Army.

The Garden Club plans to place a number of jars in the stores of Santa Anna, to give everyone who wants to, an opportunity to donate money for this cause. They also plan other means of raising money, and hope, in the near future to be able to make their first purchase of at least 500 packages of the cigarettes. These cigarettes will have a special label affixed on them, showing that they were donated by the Mountain City Garden Club, of Santa Anna, Texas.

The cost of 500 packages of tax-free cigarettes will be \$35.50. They plan to make other purchases as the money becomes available.

So, when you see these jars in the stores, be sure to drop your change in them for cigarettes for the servicemen.

Gene Sherrod Returns To U.S. From Far East

Marvin G. Sherrod, aviation machinist's mate, second class, USN, husband of Mrs. Cholee Sherrod of Whon Route, Santa Anna, Texas, recently returned to the U. S. from the Far East aboard the aircraft carrier USS Philippine Sea.

Since her arrival in the Far East last August the Philippine Sea has steamed more than 121,500 nautical miles, approximately five times the distance around the world. Her air groups have flown more than 10,000 combat sorties and are credited with the first MIG-15 shot down by a Navy pilot.

While operating against the enemy a record total of 7,872 tons of high explosives was dropped in one operating period in support of UN ground forces.

Five Santa Anna Students At Hardin-Simmons U.

Abilene — Five people from Santa Anna are among the 1,005 students enrolled at Hardin-Simmons university for the first term of the summer semester. Classes began May 31 and will end July 7.

The students from Santa Anna are: Mrs. Mabel Elizabeth Burrage, John Richard Dillingham, Ruby Pearl Goodgion, Joseph C. Grantham, Jr., and Dow W. McBride.

Dr. Robert A. Collins, director of the university summer school, announced that approximately 300 of the registrants are working on their master degrees. A total of 328 veterans — more than in either the fall or spring semesters — are enrolled.

The second summer term will begin July 10, he said. The summer school schedule calls for 2 long terms of six weeks and one short term of three weeks. Courses are being offered in 21 different fields of study, and special schools for band and choir will be held.

Mrs. Burrage, Dillingham, and McBride are doing graduate work at the university.

Grantham, a senior, is the son of Mrs. Blanche Grantham. He is a member of the Cowboy band.

Miss Goodgion, a freshman, is a member of the Twin club. She is the daughter of Mr. and Mrs. T. H. Goodgion.

There is a new book just out entitled "Man, The Ruler of His Home". Chances are, you never read that one because I never read fiction.

Charles Hogue Killed In Oklahoma Auto Accident

CHARLES H. HOGUE

Funeral Services were held at the First Baptist Church Sunday, June 17, at 2:30 p. m. for Charles Robert Hogue, with the pastor, Rev. Harry C. Wigger, officiating.

Mr. Hogue was killed in a car accident near Chickasha, Okla., at 11:30 Wednesday night, June 13, 1951.

He was on his way home from Ft. Sill, Okla., where he had been stationed with Co. B, 46 th Engineers. He had received his discharge earlier the same day, and by telephone had told his wife, the former Charlotte Howington, that he was on his way home.

The cause of the accident has not been definitely determined. His car apparently left the road and he was killed immediately.

He had served in the Army from April, 1941 to October, 1945, and had overseas duty 17 months in the European Campaign. He had re-enlisted on November 13, 1950, and had been stationed at Ft. Sill since.

Charles Hogue was born May 29, 1922, at Scottsville, Ky. He was 29 years and 29 days old at the time of death.

He was married to Miss Howington, daughter of Mr. and Mrs. J. B. Howington of Santa Anna, at Camp Bowie, Texas, on April 9, 1944.

For several years they made their home at Boerne, Texas. The last few months Mrs. Hogue and her two sons have made their home here, living with her parents.

The body of Mr. Hogue arrived here by train early Saturday morning and lay in state at the Hosh Funeral Home until the hour of the service Sunday.

Members of the American Legion and National Guard served as pall bearers and had charge of Military Services at the grave side in the Santa Anna Cemetery.

Pallbearers were Ernest Bland, L. A. Welch, Leland Thompson, Martin L. Autrey, Linton Oakes, and Add T. Walker.

Mr. Hogue was a member of the Masonic Lodge and the Baptist Church.

His survivors are: the widow; two sons, Charles Edward, 5; and Stephen Wayne, 3; of Santa Anna; his parents, Mr. and Mrs. G. H. Hogue of Scottsville, Ky.; two brothers, Fred Hogue and Hershel Hogue; one sister, Mrs. Excell Petty, all of Indianapolis, Indiana.

The parents, his two brothers and sister came for the services.

Other relatives and friends who came from a distance to attend the funeral were: Mr. and Mrs. Dewitt Hogue, Mr. and Mrs. P. A. Logan and Karen of Boerne; Mr. and Mrs. Edward Everett of Eastland; J. R. Howington of Dallas; Mr. and Mrs. E. G. Fortune, Mr. and Mrs. Elmer Watson, San Antonio; Mr. and Mrs. Ernest Powell, Mr. and Mrs. Beverly Edge and Mr. and Mrs. Randell Edge, of Boerne.

Martha and Don Ray spent the week end in the home of their aunt, Mrs. Fanny Williams and family, in Brownwood.

Smith - Doxey Applications Must Be Filed By Aug. 1

Farmers who belonged to the Smith-Doxey cotton improvement groups last year, as well as newly organized groups wanting the service this year, must file applications before August 1, 1951.

This was emphasized today by H. J. Matejowsky, who is in charge of the Abilene cotton classing office, U. S. Department of Agriculture's Production and Marketing Administration.

"One application covers every farmer in the group", Matejowsky said.

Applications can be secured at the county agent's office and they should be filed immediately with the Abilene cotton classing office.

Most Clothing Now Under OPS

Fort Worth. — Practically all types of clothing for men, women, children and infants is brought under ceiling price regulation by the Office of Price Stabilization, the Fort Worth District Office announces.

Purpose of the new regulation, which manufacturers must comply with by August 15, is rollback to any cost margins that may have been widened since pre-Korean days, to restore normal cost-price relationships and to grant makers any needed relief from the general freeze order.

In addition to most kinds of garments and underwear, the regulation controls prices on bathing suits, handbags, neckwear, scarves, earmuffs, garter supporters, hat bodies and other items important on the family budget. The apparel manufacturers' ceiling price regulation 45 is a further step in the planned program of providing "tailored" or special OPS regulations to cover the needs of each industry and to further hold the value of the buying power of our dollars, the OPS district office said.

PRICE REGULATION FOR VEAL STUDIED

The Office of Price Stabilization is now engaged in a study of dollar-and-cent price ceilings at wholesale for veal, the Fort Worth District Office announces. Provisions for a retail veal price regulation have already been studied. The proposed wholesale and retail ceiling price regulation of veal will be issued together and will be patterned after the beef regulations now in effect.

The district OPS office explained that before the regulations are issued that OPS discusses the problems involved with members of the industry. Both large and smaller packers and wholesalers make up the 13-man industry advisory committee on veal. OPS procedure on a new regulation is to cooperate with industry representatives as well as with its own experts of long experience in the particular industry the district OPS Office explained.

BEEF PRICE LISTS

Official charts of retail beef cut ceiling prices will be posted in meat shops throughout the country on June 25, says the District OPS Office at Fort Worth. This date for posting ceiling prices is a week later than previously announced and was finally selected as the date to allow for last-minute price revisions and distribution.

Housewives can refer to the price charts which may be posted by butchers in a readily visible place, to be sure they pay no more than the ceiling price for beef set in this area. The district OPS office explained that the ceiling prices for beef cuts have been determined by geographic zones of the country. The listed prices are for the cuts that are legally required by OPS. In addition to the posted price charts retailers are required to have separate trays with each

June 30 Last Day To File Dependency Statements to S. S.

June 30 is the last day for many parents of deceased World War II veterans to file dependency statements with the Social Security office. This reminder was issued today by Ralph T. Fisher, manager of the Abilene office of the Social Security Administration.

The 1950 amendments permit military service during World War II to be counted along with civilian work under social security. Thus, many men who died in service or after discharge are now "insured" under social security, even though they may have had little or no civilian employment.

If the deceased veteran was survived by a widow or child, the parent is not normally eligible under social security laws. In the case of single veterans, however, the parent can receive payments at age 65 if the deceased son or daughter was furnishing at least half of the parent's support at the time of death. Proof of support must normally be filed with in two years after date of death. In the case of men who died during World War II, or more than two years ago this proof is acceptable if filed on or before June 30, 1951.

Are you the parent of a World War II veteran who died in service or after discharge? Was the veteran single at the time of his death? Was he furnishing at least half of your support at the time of his death? If the answer to all these questions is "yes", you should check with the Social Security Administration at once, unless you have done this since the new law went into effect last September.

The Abilene office of the Social Security Administration is located at 308 Post Office Bldg. Office hours are 9:00 to 5:00, Monday through Friday. Those persons who cannot call at the office should inquire at their local Post Office to find out whether there is a part-time office near them, or should make inquiry by mail.

tray tagged with its correct price. New price charts showing lower prices will be effective August 1 and still lower prices will go into effect October 1. After the last reduction beef will be selling at retail from 8 to 10 cents less while cattle prices will be about 25 percent higher than parity.

LICHON COLEY AT HOME

Lichon Coley is home from Korea, visiting with his parents, Walter Coley and wife. He has been with the 24th Division and has been overseas 33 months. Since the beginning of the Korean conflict, he has been in combat there a good part of the time. He will report to Ft. Sam Houston July 6, for further orders.

Mr. and Mrs. T. H. Upton, who have for sometime been living a part of the time in Abilene, and maintaining their home on the farm near here, are again full-time residents of this vicinity. They have been doing considerable improvements at their home northeast of town.

M/Sgt. and Mrs. Barry A. Sullivan and sons, Barry, Patrick, and Michael were in Dallas and Corsicana last week end. They were in Corsicana for a banquet and ball Saturday night, and the annual Homecoming Barbecue at the State Home on Sunday. Sgt. and Mrs. Sullivan, the former Zelda Ruth Moseley, are now residing in Austin, while he is on duty with Texas Military District.

Research reveals that men become smarter after marriage. But then it is too late.

You'll find that most heels have no souls.

City Asks Cooperation In Cleaning Up Vacant Lots In City; Licensing Dogs

Off On Our Vacation

By the time you get this paper from your post office, your editor and family will be headed for Nederland, Texas to visit relatives for a couple of days. We appreciate the manner of cooperation shown us in helping us to get the paper out early in order for us to take a short vacation.

We will be back Saturday and hope to be back on the job Monday, doing our best to bring you a better paper than ever.

—The editor

Mrs. C. B. Rendleman and her niece, Mrs. Wilkes, of Little Rock, Ark., were here the first of the week, visiting with friends and attending to business.

Miss Florence Harper and a friend, Miss Margaret Ayland, of Denver, Colo., are here visiting in the Harper home. Miss Ayland will leave Thursday, and Miss Florence will remain for a longer visit.

Mrs. Will Schulte and children, Jackie and Willene, returned to their home at Watonga, Okla., Sunday, after a two weeks visit here with her parents; Mr. and Mrs. J. J. Gregg. Mr. Schulte came on Saturday night and took them home.

Mr. and Mrs. William Anderson and Kay of Killeen; Preaver and Roy Anderson, of Palmyra, Ark.; Mr. and Mrs. Wayne Myers and children of Wink; Ray Myers of Midland; and Jean, Judy and Jerry Phillips of Pecos, all had Father's Day dinner in the M. F. Blanton home Sunday.

Mr. and Mrs. Warren P. Aldridge, Jr. and sons, Ray and Don of San Angelo, visited over the week-end with his parents, Mr. and Mrs. Wannen Aldridge. Ray and Don remained for a longer visit.

Mr. and Mrs. R. E. Hewlett and children of Ingleside visited several days at the week-end with her parents, Mr. and Mrs. J. W. Jordan.

Mr. and Mrs. Jess Griffith visited Sunday in the home of John Griffith, at Bangs. They brought his mother, Mrs. Joe Griffith, back to her home here, after she had visited for sometime in John's home.

Mrs. W. J. Stephenson of La Porte, formerly Beatrice Powell, of Santa Anna, is visiting with Mrs. B. M. McCain and Louie.

Mr. and Mrs. Wyndell Rowe and children, Denny and Cindy, from Kansas City, Mo., are spending a part of his vacation with his parents, Mr. and Mrs. Pierre Rowe.

Mrs. Annie Munger returned home last week from a two weeks visit with members of her family at Midland, Odessa and San Angelo.

Mr. and Mrs. George Ralstin and Chiquita, of Santa Monica, Calif., arrived Sunday, in time for a Father's Day dinner in the home of her parents, Mr. and Mrs. W. A. Standly. Mr. Ralstin will return home after a two weeks visit, but Mrs. Ralstin and daughter will remain longer. The Ralstins son-in-law and daughter, Mr. and Mrs. C. R. Scott and children of Huntsville, came Sunday night for a visit with them.

I always admire the wisdom of those who come to me for advice.

The fellow who says he wouldn't cash a check for his own brother probably knows his own family best.

Last year was the most disastrous to the Santa Anna vicinity so far as polio is concerned. A large number of cases were reported in and around Santa Anna, in the adjoining communities and counties. This year our City Officials are making a desperate attempt to keep this from happening in our town again.

Just what causes polio is still a mystery to everyone, but it is known that the disease can be transmitted from one person to another, but just how is not known. Most likely it is through fifth or through some carrier, such as flies or other insects that carry disease.

Unkept lots are breeding places for carriers of disease. The City wants these places cleaned up, and in cooperation with their spraying program this will give a good opportunity to get rid of a large amount of the disease carrying insects. However, if property owners do not cooperate with the City Officials, what effort they put forth will be of little value — just money wasted — and they do not want to waste what little money they have to operate on, but are willing to spend it for the betterment of our town.

The City Officials are also requesting that dog owners have their dogs vaccinated against rabies and then put a city license on them. These animals are also carriers of disease, and a number of unsanitary places where disease carrying insects breed, are the results of so many dogs running at large.

All through the month of June the City Officials are going to continue to ask your cooperation in the two above mentioned projects. Then, those who have not cooperated with the city by the first of July are going to realize that they mean business. Generally speaking, City Officials make things as easy on their citizens as possible. They only ask your cooperation. However, City Officials have a lot more power than most people seem to realize. They can get pretty tough when they want something done and their citizens refuse to cooperate with them.

This writer has been assured that they are going to be as lenient as possible until the first of July. Then, if you are a property owner, or a dog owner, and have not complied with their request, they are going to take a little more authority and see that you do as they request.

Some folks seem to think that our City Officials do not intend to carry through their recommendations. Your editor has been assured that they intend to enforce our City Ordinances on these two projects to the limit of the law, and preparations are now being made to take care of persons who do not intend to comply with their requests.

This is another place where city-wide cooperation would be a great asset to every citizen in the town. Won't you, as a citizen of the City of Santa Anna, do the things requested of you without being forced to do it? Your cooperation will be appreciated.

Mrs. C. O. Miller and family of Cross Plains, and Mr. and Mrs. Tommie Upton of Coleman, were week end visitors in the T. H. Upton home. Mr. and Mrs. Neal Oakes and Donnie had Father's Day dinner with them.

Mr. and Mrs. Hardy Blue and John Hardy visited from Sunday afternoon until Monday afternoon with their son-in-law and daughter, Mr. and Mrs. Oran Henderson and Ora Beth, in Odessa.

Billy Joe Scott arrived home Monday morning on a ten day furlough, from Ft. Jackson, S. Carolina, and is visiting with his mother, Mrs. Bernice Scott.

Stop soil erosion—stop erosion.

Mr. and Mrs. James Hipp and Linda of Abilene visited for several days at the week-end with their parents, Mr. and Mrs. George Hipp, and Mr. and Mrs. Dan Wristen.

Pvt. W. D. Aldridge is expected home from Ft. Lewis, Wash., any day on furlough. Winston Ray Aldridge reports to Abilene this week for his physical.

Our WASHINGTON Letter

Most of the people in the 21st district believe we cannot "go it alone" in the struggle against world communism. They believe overwhelmingly that further communist expansion in the Far East and in Europe would endanger American security here at home. Ninety percent of them approve American participation in the Atlantic Pact and the joint defense under General Eisenhower.

These reactions are disclosed in the more than 12,000 responses to the questionnaires which I recently sent to the people in our 27-county district. More than 25% or those to whom polls were sent returned them, several thousand with interesting and revealing comments. This is probably the highest percentage of response ever recorded in a Congressional polling operation of this nature. The average, I am told, runs 10 to 15 percent.

PMA payments to farmers and ranchmen to help pay for certain range practices would be substantially reduced if the pollsters had their way about it. On that issue the vote was 76% for reduction, 20% against, and 4% with no opinion. In a further break-down by occupation, the tabulation reveals that among farmers and ranchmen 72% favor or the PMA reduction, 25% oppose, and 3% have no opinion. In occupations other than ranching and farming, the score was 77% for, 17% against and 6% with no opinion.

Answers to the first two questions reveal numbers of modified answers, many pointing out that military considerations were involved which called for expert judgment.

By questions, here are the results:

1. Do you favor an amendment to the Constitution removing from the President the exclusive authority which the constitution now gives him for making appointments and replacements of military Field Commanders? Yes — 53%; No — 43%.

2. Do you subscribe to General MacArthur's proposal that there be: (1) intensification of our economic blockade against China and the imposition of a naval blockade against the China coast; (2) removal of restrictions on air reconnaissance of China's coastal areas and of Manchuria; and (3) removal of restrictions on the Chinese Nationalists on Formosa with logistical support to contribute to their effective operation against the Chinese mainland? Yes — 69%; No — 29%.

3. Do you consider the prevention of Communist expansion in the Far East as being vital to our own American security? Yes — 91%; No — 5%.

91%; No — 5%.

4. Do you believe that a year from now the United States will be in a better position, relatively speaking, to wage a global war — if one is forced upon us — than at present? Yes — 73%; No — 17%.

5. Do you think the U. S. should take steps now to build up an army of Japanese soldiers to be ready to fight the Communists if Japan is attacked? Yes — 90%; No — 5%.

6. Do you regard the continued independence of Western European countries and their freedom from Russian control as being vital to our own American security? Yes — 94%; No — 4%.

7. Do you believe Western Germany should be permitted and encouraged to rearm, provided there is ample protection against a revival of Prussian militarism? Yes — 87%; No — 7%.

8. Do you believe the U. S. is doing right in cooperating (by providing some troops and military equipment) with the 12 Atlantic Pact countries of Europe in creating a joint defense under General Eisenhower against possible Communist aggression? Yes — 90%; No — 5%.

9. Do you favor the adoption of a universal military training program requiring all able-bodied young men who have not had military service to have at least 6 months of military training? Yes — 83%; No — 13%.

10. Do you approve of the actions of Congress in investigating and exposing Communists in and out of Government, and of other investigations (such as RFC, Organized crime, Five Percenters, etc.) being conducted under direction of Congress? Yes — 97%; No — 1%.

11. Do you think the RFC should be abolished? Yes — 63%; No — 20%.

12. Should Congress make substantial reductions in PMA payments to farmers and ranchmen for range practices such as drilling water wells, building dams, mesquite eradication, etc., during this emergency? Yes — 76%; No — 20%.

Should taxes be raised, if necessary, on a pay-as-you-go plan, for adequate defense appropriations, provided all non-essential spending is eliminated? Yes — 83%; No — 12%.

Do you favor amending the Wage and Hour law to increase

the present work week to at least 44 hours, during this emergency? Yes — 85%; No — 10%.

15. The President's budget message contended that in the interest of national defense the Congress should enact the so-called Fair Deal program by including Socialized Medicine, the Brannan Farm Plan, and Civil Rights. Do you agree? Yes — 6% No — 87%.

Visitors in the Henry Goodwin family home last week end, who came to attend the funeral of Mr. B. R. Goodwin were: W. W. Goodwin, of El Paso; Mr. and Mrs. J. W. Goodwin, Mrs. Preston Lane and Mrs. Tips Dooly of Sundray; Mr. and Mrs. Jeff McKinze and family of Waco, Mrs. Effie Parker of Waco and Pfc. James Goodwin of Sheppard Air Force Base, Wichita Falls.

Mr. Goodwin, father of Henry Goodwin of Santa Anna, was 82 years of age. He died at his home in Coleman at 4:30 a. m., Saturday, June 9, after suffering a stroke on Tuesday.

Funeral services were held at the Central Baptist Church in Coleman on Sunday afternoon at 3:30.

Mr. and Mrs. W. D. West returned last week from two weeks stay in the home of their daughter, Mrs. O. B. Watson at Novice. Mrs. West who suffered a fractured hip in a fall at her home some three months ago, is still not able to walk, and uses a wheel chair.

Mr. and Mrs. O. M. Heallen, former residents of this vicinity, and their son-in-law and daughter, Mr. and Mrs. Jasper Elliot and Diane, of Austin were week end visitors in the home of Mrs. Heallen's brothers, Paul Bivins and Wife and Otis Bivins and family.

Mrs. Linnie Biggs and children, Norman and Linnie Frances, moved last week from Bangs, to Santa Anna, and are living in Mrs. Banister's house on Mountain Ave. Mrs. Biggs son, Gerald, 13, enlisted in the 4th Corps lately, and is stationed in San Antonio.

Mrs. P. C. Gay left by bus Saturday for Dallas, where she was met by her son, Coleman Gay, of Austin, and they continued the trip to California by plane. Mr. Gay's wife and children had preceded them a few days in their car.

Mr. and Mrs. Scott Wallace and Suzann from Progresso, came last week end for their other children, Scotie and Barbara, who have been staying for some time with their grandmother, Mrs. W. E. Wallace.

T. Sgt and Mrs. William C. Spencer from Walker Air Force Base, Roswell, New Mexico, arrived Monday night for a visit with her parents, Mr. and Mrs. T. A. Mills. From here they will go to Mississippi for a visit with his mother and family.

52nd Session Of Texas Legislature Passes Long List of New Laws

Texas' 52nd Legislature went into the history books with a long list of new laws, many of them highly controversial, which were enacted during a five-month session.

The session was extended into one month's overtime as lawmakers thrashed out the basic question of how to raise new revenue to balance the state's budget over the coming biennium.

That question was settled, and enabled legislators to quit Friday, when a new levy in the gathering of natural gas was written into a \$200,000,000 omnibus tax program. The tax plan will raise \$65,000,000 in new revenue.

Appropriations came to some

\$200,000,000 as lawmakers maintained state spending and services on virtually the same level as during the current biennium. A scoreboard of the 52nd session showed that 325 bills originating in the House were passed, while 216 bills were enacted, in all 828 measures were introduced in the lower chamber and 474 in the Senate.

Members also gave approval to seven proposed constitutional amendments which will be submitted to a vote of the people. Of the total, six originated in the House.

Crime topped the list for much of the session, as the Legislature banned slot machines—the bank-

roll of the mobsters—punchboards and the policy rackets.

Texas' rural road program was left virtually the same, although direct allocations to the counties were frozen at the present \$7,300,000 a year and provision was made to increase the amount spent by the State Highway Department.

Legislative redistricting, re-vamping House and Senate representation, was enacted for the first time in 30 years, with East Texas losing membership and South and West Texas gaining.

However, an end to the session, 17-hour filibuster spelled death to a Congressional redistricting plan and meant that Texas next year will elect a Congressman-at-large. The state will gain a 22nd representative as a result of the 1950 census.

Judicial redistricting also failed.

Among the seven constitutional amendments are proposals to raise the ceiling on the state's welfare grants from \$35,000,000 to \$42,000,000 a year, increase the veterans land program from \$25,000,000 to \$100,000,000, and set up a medical scholarship fund to attract more doctors to the rural areas.

The legislators also ratified a proposal limiting the President of the United States to two terms as Texas became one of 36 states writing the provision into the federal constitution.

Members passed a series of bills tightening the criminal code, and enacted an anti-bomb law, aimed at the racketeers.

The lawmakers enacted a bulky reconditioning of insurance laws, and a revision of election laws setting up a cross-filing system, similar to that in California under which a candidate could be the nominee of more than one party.

Two civil defense bills were approved, granting the Governor emergency power and authorizing compacts with other states.

An act passed early in the session requiring Communists to re-

"I just knew this would happen!"

THIS YEAR about 1 1/2 million couples are getting married and setting up homes of their own. The brides of today want modern homes, modern conveniences. They demand the best... they're insisting on cool, clean, thrifty electric cooking... on the safety and economy of electric refrigerators that make once-a-week shopping possible. Yes, these modern brides want the many electric servants that make life comfortable and convenient.

Here in West Texas, they'll have them, too! For power lines and power plants are

ready in advance. Your business-managed electric service company plans things that way. There's ample electric power to make all these new homes comfortable and convenient—as well as power for industry and defense as needed.

In fact, the West Texas Utilities Company has increased by 63% its generating capacity since 1946. Actually added more than 70,000 horsepower capacity during the last five years... and has scheduled for the near future installation of additional power units.

West Texas Utilities Company

gister, but thus far none have complied.

Two bills affecting motorists were passed. One requires drivers to show proof of financial responsibility up to \$15,000 is involved in an accident resulting in bodily injury, death or property damage. The second requires an annual safety inspection of automobiles.

Members adopted a compromise bill upon the expenditure limit in Texas from 48,000 to 58,420 pounds.

However, many bills withered and died.

Mr. and Mrs. H. L. Biggs of Ft. Worth were here for the week end, visiting with their parents, Mrs. Linnie Biggs, and Mr. and Mrs. W. W. Bartlett.

Sarah Frances Moseley was here from Fort Worth, where she is employed, visiting over the week end with her parents, Mr. and Mrs. Charles Moseley.

Marines Need More Enlistments Now

Dallas — Major E. L. Bale Jr., Officer in Charge of the Marine Recruiting Office here has announced that men who have received their pre-induction examinations may now be accepted for voluntary enlistment in the Marine Corps.

This was brought about by a recent change in policy. Previously men in receipt of a pre-induction notice could not voluntarily enlist in any branch of the armed services, but were required to wait for draft.

The change does not affect men who have received their actual induction orders.

This unexpected opportunity will be open only for a limited time, Major Bale said. "The directive states that we may accept men in this category only during the period 15 June, to 15 July," he added.

Elmer Hardy took his mother, Mrs. Whitt Hardy, to Galveston Saturday, where she is receiving treatments in a hospital where she previously had surgery.

Church Under Fire

Lesson for June 24, 1951

ABOUT two thousand Christian missionaries have been forced to leave China during 1950 and 1951. In more than one country "freedom of religion" has meant, in practice, freedom to ridicule and hinder religion. In Spain, Protestants are forbidden to use their name "church," to meet in any building on a main thoroughfare, or to worship in buildings that in any way resemble a church. In Colombia, churches have been burned by mobs without the slightest interference from the police. All this is bad, but it is nothing new.

Dr. Foreman

When Christian Meant Criminal AT the time the Christian religion began, it came under fire from the authorities of Jerusalem. It was to be expected that the same men who had condemned, cast out and crucified Jesus, would try to stamp out his followers as well.

But one of the leading men of Jerusalem said, in effect: "If this new cause is God's cause there is no use in our fighting it." It was God's cause, and so the opposition at Jerusalem not only did not stop or destroy the church, but actually only succeeded in spreading it.

As the new Christian religion then moved out into all parts of the Roman Empire, at first the imperial and local authorities paid it no attention; and in fact for some years it enjoyed the protection of the government. So long as it was supposed that Christianity was simply a sect of Judaism, the Roman government let it go.

But when it came out that Christianity was a new religion, and especially when it became clear that the Christians acknowledged only one Lord, and would not worship the Emperor, the Roman government began a long series of persecutions, which lasted for close to three hundred years.

Inspiration Behind Bars

FIVE letters of Paul, including II Timothy, were written from Roman jails, and reliable tradition tells us that Paul was finally beheaded just because he was a Christian.

If you will look on a map of the Roman Empire for the places mentioned at the beginning of I Peter, you can see how widespread was the "fiery trial" which the readers of that letter were then suffering. As for the book of Revelation, its writer was, he says, "on the isle of Patmos for the word of God and the testimony of Jesus Christ."

Patmos Island was no rest-haven for three missionaries; it was not a missionary field either. It was a barren island, a convict camp, where many Christian missionaries, on being

Vermel Newman Weds Brownwood Man Sunday Morning

Miss Vermel Newman, daughter of Mr. and Mrs. Walter Newman, became the bride of Taylor Hetzel of Brownwood, at 11:00 a. m. June 17, in the Assembly of God Church in Brownwood. The pastor, Rev. Troy Frasier, read the single ring ceremony.

The groom's brother, Billy Hetzel, was best man and his sister, Taylor Hetzel, was maid of honor.

Mrs. Imogene Murren played the wedding marches.

The bride wore a pale blue suit of sportsman crepe, with white accessories. She carried a white Bible and wore a corsage of white carnations.

Pre-nuptial courtesies included two showers; one in June 1st in the home of the bride's aunt, Mrs. E. J. Parish, and one on June 13th in the home of Mrs. John C. Brown.

Both affairs were well attended. Spring flowers were used in decorations and nice refreshments served.

The honoree was the recipient of many lovely and useful gifts. Following a short wedding trip the couple will be at home in Brownwood.

Home Dem. Club Has Interesting Meeting

On Friday afternoon, June 16, an interesting and enjoyable meeting of the Home Demonstration Club was held in the home of the Club mother, Mrs. W. A. Strandy. The president, Mrs. John C. Perry, presided.

The meeting opened by singing "Roll, Roll" and "Old Texas," followed by the pledge and prayer.

It was voted to give the quilt recently made for the Riordan family, who lost their home by fire.

The Blue Bonnet Club will meet with us at the next meeting. We will have a visiting nurse, who will lecture on health.

The program was on "Family Life and Teen-age Problems." Two 4-H girls rendered a very good program.

Pauline Voss gave "Tips to Teenagers" and Geneva Wain gave a fold of "Pastimes that cost little."

There was also a round table discussion on "Responsibilities of Children." Refreshments of sandwiches, punch, ice cream and cake were served to the members and three guests: Pauline Voss, Geneva Wainson and Linda Moberg.

After the meeting adjourned the members and visitors attended the Locker Plant opening in a body.

And now it appears that Truman years to be a puzzle. Any way it goes well with his letter writing.

arrested, were sent after their trial and sentence, to work at forced labor in the mines there.

If the scenes of that book often flow with blood and blaze with fire, it is not because the writer had a too vivid imagination. He might have seen with his own eyes Christians, men, women and even children, with their heads chopped off by the public executioner, or dying amid the flames at the stake. Those were terrible times, and it took courage to be a Christian at all.

The Victory

THE message of the New Testament is never optimism, but always hope. That is to say, no one in the New Testament, from Jesus in Galilee to John on Patmos, holds out any promise or picture of smooth and easy going for the Christian church.

It will have trouble, and the more faithful it is to Christ the more trouble it is likely to meet. But in the long run, Christ's true church (which means simply all those who are true to Christ) will conquer all her enemies, for the reason that it is Christ's church and not ours alone.

It has recently been reported that the Russian government has thought up a smart idea. They find that the more religion is persecuted, the more stubbornly vigorous it grows. So the government has given up persecuting religion, and proposes to let it "die on the vine."

That may work, if Christians have too easy a time, the church will attract only the lazy and the comfort-loving—which will kill off the church. But the vine will not die, if only every branch is close joined to Christ, the ever-living Vine of God.

facilities are available to civilian as to military personnel. For further information, contact your local U. S. Employment office. SELECTIVE SERVICE CALL for 15,000 men for July and 22,000 for August, will bring total army requests to 587,000 and meets the Army's requirements for bringing its strength to planned totals.

NEARLY ONE-THIRD OF 'ENEMY PRISONERS CAPITULATE TO ARMY PSYCHOLOGICAL WARFARE. Department of the Army reports that, by their own admission, some 30 per cent of the enemy captured have been convinced by leaflets, radios, and loudspeaker broadcasts that their cause is lost or that they have been fighting for the wrong cause. Brigadier General Robert A. McClure, Chief of Psychological Warfare, Department of the Army said, "No one believes that psychological warfare will win any battle single handed. We make no such claim for it. Properly handled, however, it can aid in the winning of a given battle and speed the eventual victory."

WAC COMPANY GRADE COMMISSIONS OPEN TO ELIGIBLE COLLEGE GRADUATES — Eligible women college graduates may now apply for active duty commissions up to and including the grade of captain in the Women's Army Corps Selection of the Volunteer Reserve. Successful applicants will be ordered immediately to active duty in the WAC Branch of the Army after a short period of training at the WAC Training Center, Ft Lee, Va. Experience credit is given for background for teaching, business, recreation, personnel administration, advertising or other fields requiring leadership and supervision of personnel. Application forms may be obtained by writing to the Commanding General, Fourth Army, Fort Sam Houston, Texas.

See you in the papers, Ole Sarge.

Henderson Family Has Annual Reunion

The Henderson annual family reunion was held in the Coleman Park Sunday, June 10.

Those present were: Joe Brooke, Mr. and Mrs. J. B. Brooke, Shirley and James; Mr. and Mrs. Joe C. Brooke, Johnnie, Charles and Billy; Mr. and Mrs. Clyde Henderson and Pat; Mrs. Pete Henderson, Mr. and Mrs. Gus Templeton; Omie Carroll, Mr. Johnnie Elkins, Mr. J. T. Yates and Roscoe Yates, all of Coleman.

Coy Brooke, Mrs. Rosa Henderson, Ray and Kenneth; Mr. and Mrs. Hilburn Henderson, Donnie and Naoma; Mrs. Alma Cannon; Mrs. Lois Henderson; Margaret McCaughan; Mr. and Mrs. Payne Henderson; Mr. and Mrs. Payne Henderson, Jr.; Billy and Gloria Jane; Rev. and Mrs. C. L. Carroll; Mr. and Mrs. Roy West and Carol Sue Campbell, all of Santa Anna.

Mr. and Mrs. Thomas Johnson, Midland; Mr. and Mrs. Freddie Henderson and Candace, Big Lake; Mrs. Zern Goodwin, Mrs. Edd Gafford and Zernie, Crowell; Mr. and Mrs. Raymond Teague, Patsy and Mary, San Angelo; Mr. and Mrs. R. G. Henderson and Diana, Brownwood; Mr. and Mrs. Charles Bell, Abilene; Mr. and Mrs. Ernest Hemphill and Jimmy, Holland; Mr. and Mrs. Ralph Boyd, Charles and Gwen, Plainview; Mr. and Mrs. John Hagler, Roscoe; Mr. and Mrs. Dick Gilliland, Temple; Mr. and Mrs. J. D. Henderson, Cross Cut; Mr. and Mrs. Tommy Orr and Cherisse, Fort Worth; and Mr. and Mrs. George Briggs, Hobbs, New Mexico.

We've attended many showers for brides, but no one yet has ever brought any soap.

It's amazing the number of things one can remember having forgotten.

**MOVIE SHOWS
LION HUNTING**

Austin — An eye witness account of mountain lion hunting in the Texas border country is about ready for Texas sportsmen in a new Game, Fish & Oyster Commission motion picture — "Outlaw of the Carceron."

The Executive Secretary said this latest addition to the Commission's film library, for distribution to clubs and organizations, will be available within a few weeks.

Color picture and sound have been synchronized to record the thrilling hunting technique in tracking down and capturing a live one of the lions which still prey on wild game and livestock in the border area.

The story is based on the ac-

tual experiences of the Brothers Luke and Bob Snow who have mastered the trick of corralling one of the most savage of wild creatures in south Texas.

Luke Snow is sheriff of Willacy County. Brother Bob is a state Game Warden. They comprise one of the Southwest's most famed hunting teams. Many of the lions they capture are turned over to zoos in Texas cities.

Filming of "Outlaw of the Carceron" was done by Lon Fitzgerald, Commission cameraman. The location sound effects were handled by Gene Plummer, of the Commission's photographic staff.

Release of this new picture follows that of "Master White-tail", a color and sound story of Texas deer, finished early in 1950.

THE AMERICAN WAY

Perfectly Mated

Information on when the new movie, which will be available in several copies, may be obtained by sportsmen's groups and other organizations, will be announced later, according to the Executive Secretary.

**Air Force Needs
2000 New Nurses**

The Air Force hopes to recruit 2000 additional nurses within the next 14 months, a move that would approximately double present strength of the Corps.

An AF Surgeon General spokesman said the nurses would be encouraged to apply for flight nurse training after entering active duty.

Efforts to produce new nurses began in earnest this month with an intensified nationwide recruiting drive.

Just how many of the 2000 nurses being sought will receive flight nurse training was not revealed, but the spokesman stated that the Gunter AFB training school is expected to continue in operation for some time. Presently small numbers are qualifying for flight nurse wings every six weeks.

Trade in Santa Anna.

**New Legislation For
Game & Fish Com.**

Austin — Under new legislation increasing the Game, Fish & Oyster Commission from six to nine members, the word "Oyster" was deleted from the title.

The change will not be made until September when the new act becomes effective.

Legislators authorized the change to simplify the title and make it "Texas Game & Fish Commission". They also acted because oysters are considered as shell fish, such as shrimp, and therefore are covered under the appellation "Fish".

The Legislative action stirred some sentiment among the older residents of the state, who recalled that the first designation was that of "Office of Fish and Oyster Commissioner" created by the Legislation in 1895. Emphasis then was on marine fisheries since oysters comprised a major fishing industry.

In 1904, Texas produced approximately 200,000 barrels of oysters which would be worth more than \$2,000,000 at present day prices. The oyster crop dropped off gradually until latest annual harvest total showed 7,000 barrels.

Marine biologists describe the

decline of oyster production in Texas as a typical example of man's exploitation of a natural resource. Other major causes in the decline are erosion, silt washed down streams and rivers raise havoc with oyster reefs by covering them. Research now is being undertaken to try to determine the means of restoring the oyster industry but the name has gone forever from the game commission title.

stage of maturity.

The second step is careful preparation and speed. Prompt handling, chilling and freezing helps retain quality.

The third step is select containers which are moisture and vaporproof to keep the product from losing flavor, color, food value, and changing in texture.

Then, freeze quickly at the right temperature. Home freezers are designed primarily for storing foods, but you can freeze small quantities of vegetables and fruit by placing the packages against the bottom or sides of the freezing chamber with space left around them, for air circulation.

The last step in successful freezing of fruits and vegetables is to store them at zero degrees F. If temperature rises, the food changes in color, flavor, and loses food value.

For these five steps, detailed tables and directions for different fruits and vegetables, get a copy of the bulletin B-175 "Frozen Foods, How to Freeze, How to Cook," from your county extension agents' office.

For a refreshing treat try GANDY'S Ice Cream in Assorted Flavors. Pieratt Grocery.

**Make Use Of Your
Home Freezer**

College Station — Leave room in your home freezer for plenty of fruits and vegetables, says Maeona Cox, foods and nutrition specialist for the Agriculture Extension Service of Texas A. and M. College. The nutritive value and flavor of frozen foods are nearer that of the fresh product than any other means of preservation, the specialist adds.

Miss Cox suggests 5 steps to successful freezing of foods: first start with a good quality product. Freezing does not improve quality, just conserves it, so select fruits and vegetables of good variety and harvest at the right

Mrs. J. T. Adian, president, presided at the business session. Mrs. Jack Bostick gave an interesting talk on the Hoover Commission. Mrs. V. E. Hankinson directed recreation.

The hostess was Mrs. Ray Caldwell. Mrs. Bill Bryan and Mrs. Evan Wise served refreshments to Mmes. J. T. Adian and Pat J. D. Avants, Uless Maness, Blake Williams and Carolyn Marcus Johnson, Jake McCreary, V. E. Hankinson, Aubrey McSwain, Jack Bostick, Bailey Hull, Curtis Bryan and one visitor, Mrs. Opal McGill of Houston.

Vets Reminded Of June 30 Dead-line

Disabled veterans of World War II who may be entitled to Government financial aid in acquiring an automobile or other conveyance were reminded by Veterans Administration today that the deadline for applications under existing law is June 30, 1951.

The law provides that VA shall pay up to \$1600 toward the purchase price of a car, truck, tractor or other automobile conveyance for a World War veteran who lost, or lost the use of, one or both legs at or above the ankle due to such World War II service.

VA said every effort would be made to adjudicate prior to expiration of the law all claims received on or before June 30 but advised eligible veterans to get their applications in as early as possible to be on the safe side.

Applications should be directed to the nearest VA regional office.

Mr. and Mrs. Roy West visited Sunday with his father, R. L. West and family at Stamford.

Trickham News
By Mrs. Buck Mitchell

Remember the tacky party at the school building this Saturday night, June 23. Everyone come dressed tacky. Those failing to do so will be fined 25c. Bring enough tea and cookies for your family. Ice will be furnished.

Mr. and Mrs. James Gray Laughlin and family of Big Lake visited over the week end with his relatives here and with hers at Kileen.

Mr. and Mrs. Elmer Mullis, of Brooksmith and his sister, Mrs. Minnie Laswell of Fort Worth visited their aunt, Mrs. Lee Vaughn last Thursday afternoon.

Little Misses Joanne and Margerite Wods of Brownwood are spending the week here with their aunt and uncle, Mr. and Mrs. Bill Vaughn.

Mr. and Mrs. Oscar Boenicke visited Mrs. Mae Rutherford last Sunday afternoon. Mrs. Rutherford is in the Medical Arts Hospital, Brownwood. Here is hoping her a speedy recovery. They also visited Mrs. Bill Harris formerly of Mt. View, now of Bangs. She is reported ill.

Robert Shields returned here last week after visiting his sister, Mrs. Rob Green and family of Roswell, New Mexico and his brother, Bryan and family of Albuquerque, N. M. and his sisters, Dona and Ethel of Amerillo, Texas.

Ray Dean of the USN, who has been home on a 30-day leave, will return to his base today, Monday.

Mr. and Mrs. Lewis Burney received word that their grandson, Billy was not seriously wounded.

Mrs. Bob Sullivan and Sgt. and Mrs. Ray Wells, all of San Antonio, visited with relatives over the week-end.

Mr. and Mrs. H. B. James and Wanda spent Sunday with Mr. and Mrs. Lanham Cole of Santa Anna.

Mrs. Oscar Boenicke visited with Mrs. C. A. Thompson of Brownwood last Friday afternoon.

Mrs. Cecil Hart of Sinton, is visiting her sister, Mrs. Buck Mitchell and family. She plans to return to Sinton tomorrow, Tuesday.

Mrs. Beula Kingston visited with Mrs. Maud Burney last Thursday.

Mrs. H. B. Watson and daughters who have been visiting in La. Mesa, New Mexico, are visiting her mother, Mrs. Leston Cozart.

Mr. and Mrs. John Mitchell of Brownwood, spent Sunday with Mr. and Mrs. Buck Mitchell, Lea and Betty.

Mrs. Buck Mitchell, Mrs. Felton Martin, Mrs. Chleo James and Roberta attended the Stanley party in the home of Mrs. A. H. Dean.

Being A Baby A Hazard

Austin — "Being a baby is a real hazard in either winter or summer but much can be done to avoid or at least lessen some of these hazards that are associated with hot summer days," declared Dr. Geo. W. Cox, State Health Officer. Summer is the season in which death from intestinal disorders has in the past exacted its greatest toll.

"To guard the infant against such danger, care must be taken that his food, especially milk is pure and kept safe. If there is any uncertainty concerning the water supply, the baby should drink only water which has been boiled and cooled and kept covered. The baby and all his food must be protected against flies.

"Baby himself and all things which he comes in contact should be kept as clean as possible. Plenty of fresh air and sunshine are essential for the best health of the infant. The baby's body should be gradually exposed to the direct rays of the sun; begin with exposure of only part of the skin surface for three to five minutes and slowly increase the area of skin and time once or twice daily.

"Care must be taken to keep the baby free from prickly heat by keeping the skin clean and not too warmly dressed or covered. If the baby is comfortable, he will get his usual amount of sleep and will eat and develop normally. In case the child shows symptoms of any abnormal conditions, the family physician should be consulted at once."

DAUGHTER BORN TO THE JOHNNY WELLS

Mr. and Mrs. Johnny Wells announce the birth of a daughter, weighing 7 lbs., and 13 ozs., in a Coleman hospital at 10:38 p. m. Saturday, June 9.

The little one has been named Emily Oneita.

ATTEND CHURCH SUNDAY

Tommy, Barbee and Ruth Ann Starnes of Odessa, are visiting with their grandparents, Dr. and Mrs. L. O. Garrett.

Sgt. and Mrs. O. T. Stacy and Jane, of San Angelo, were Sunday visitors with the Clifford Stephensons.

For a refreshing treat try GANDY'S Ice Cream in Assorted Flavors. Pieratt Grocery.

Those enjoying a Father's Day dinner in the home of Mr. and Mrs. L. W. Wallace, were: her mother, Mrs. Nannie Watson of Santa Anna; Mrs. Addie Matthews, and her son-in-law and daughter, Mr. and Mrs. Berdell Pittman, and daughter, Mrs. Enabert Estes, and her twin daughter, Evona and Winona and Mr. and Mrs. A. L. Matthews and son all of Brownwood. All remained and had supper together.

Mr. and Mrs. Charles Bell of Abilene, were week end visitors with her parents, Mr. and Mrs. Payne Henderson.

Mr. and Mrs. A. P. Petree and Kay and Jane, were week end visitors with her parents, Rev. and Mrs. E. H. Wylie.

Mrs. J. Williamson, left last week for an indefinite visit with her son, Bill Williamson and wife at North Hollywood, Calif.

NOTICE
Dog Owners

We, the City Council of the City of Santa Anna, hereby publicly notify all dog owners that effective Monday, July 2, 1951, we will begin picking up and disposing of all unlicensed dogs in our city limits.

In order for a dog license to be issued, the dog must first be vaccinated against rabies, and the receipt must be presented at the City Hall.

We are going to enforce our City Dog Ordinance, and if you value your dog — we urgently request that you have your dog vaccinated and licensed not later than July 2, 1951.

By Order of the City Council

Rosa Mae Bass
City Secretary

Just what they need for RAPID, HEALTHY GROWTH!

RED CHAIN BROILER FEEDS

Since feed cost amounts to 60 to 65 per cent of the total cost of producing quality broilers it is poor economy to use anything but a high efficiency Broiler Feed . . . one that will produce the most meat per pound of feed.

When you feed RED CHAIN Broiler Feeds in mash or granular form, you provide your chicks with everything they need for fast growth, fast feathering, and heavy fleshing . . . the mark of premium birds. Then, too, you will find that the high quality of RED CHAIN Broiler Feeds fortified with Vitamin B₁₂ and Antibiotic Feed Supplements results in lower feed consumption per pound of gain.

Griffin Hatchery

Texas Establishes "First" In Motor Traffic Accidents

Austin — Texas established another "first" last year but it's one in which the State's citizens can find little to be proud.

The "first" was officially announced in the Texas Motor Vehicle Traffic Accidents Summary for 1950 just released today by Homer Garrison, Jr., Director of the Texas Department of Public Safety. Entitled "Their First Time — and Last", the annual booklet does an exceptionally fine job of traffic accident analysis breaking down the subject into every conceivable category from age of drivers and autos involved to the causative factors contributing to accidents.

The "first" was the all-time high of 2,410 lives lost in traffic accidents in the state last year. These represented the more gruesome aspect of the twelve months period which saw a total of 202,041 accidents and 68,801 personal injuries on the streets and highways of Texas. Total economic loss resulting from these accidents was reported in excess of \$96 million.

Texas can find even less to boast about in the fact that N. K. Woerner, Chief of the Public Safety Department's Statistical Division, indicates that the all-time traffic fatality toll of last year is due to be replaced this year by an even higher figure. "Precluding the adoption of a rationing program affecting gasoline and tires, and more rigid controls governing the manufacture of motor vehicles, all of which would result in a reduction of traffic accidents through the curtailment of vehicular travel," Woerner stated, "we estimate that traffic deaths in 1951 will exceed 2,500."

Veterans Direct Loan Program Ends June 30

World War II veterans planning to apply for direct home and farm loans from the Veterans Administration were reminded by VA today that the direct Government loan program ends by law on June 30, 1951.

VA said it would scarcely be possible in most instances to process applications before the June 30 deadline that are received by the VA regional offices after June 15.

The Housing Act of 1950 authorized VA to make direct loans up to \$10,000 at 4 percent interest to World War II veterans with which to buy or build a home, or to build or improve a farmhouse. The act stipulated that VA was to make these direct loans in those areas of the country where the regular GI loans were not available from private lenders. The law further required VA to designate the areas as eligible for direct loans. Since the program got under

600 counties or parts of counties way last summer, more than 2,000 in the United States have been designated as eligible for direct loans. An estimated 5,000,000 World War II veterans live in these designated areas. As of May 10, about \$90,000,000 of the \$150,000,000 authorized for the program had been disbursed or reserved under pending applications for direct loans to veterans. While the direct Government loan program ends June 30, 1951,

the regular GI loan program does not expire until July 25, 1957. Both programs are subject to the same minimum down payments imposed by the credit controls announced October 12, 1950. Dr. George T. McMahan, manager of the Waco VA Center, stated that the 34 counties served by the Waco Office have been designated as areas eligible for direct loans except within the city limits of Waco, Austin, Temple, Killeen, Bryan, College Station and Brownwood.
