"He Profits Most Who Serves Best"

SMOKE

FROM THE MOUNTAIN

It was too late to say it last week, but we will not neglect it now—the party of hunters returned to last week in the smoke game back with two deer. Six men went down, two deer came back—but for the life of us we couldn't find out who the heroes of the trip were. They just said, "We came back with two deer." Maybe all six of them had a shot at them.

Please note that the "Whon shooting" was sent to this office and any remarks referring to Mr. Shannon's age and eyesight can not be blamed on us. If that rouses his ire, we'll give him the reference of the writer, but don't jump on us. WE think you are young.

The News wishes to thank the citizens of Santa Anna and trade territories, of Burkett, Cross Plains and other cities, school children and all other contributors for their very generous contributions and assistance in helping us put the Iron Lung Campaign over. Particularly do we wish to express our appreciation to W. H. Thate and J. T. Garrett for personal services in this drive since they gave much time and financial aid in this project. Special thanks also should go to the Lions Club whose committees aided in contacting people who wished to contribute. Many other citizens of their own accord assisted in the raising of funds and each donor was a committee of one who was invaluable in making the fund a success.

The News started this campaign alone, but would not have done so if we had not thought the people of this community would heartily endorse the move. Your response proved your appreciation of the need of the Lung and of the Hospital where it will be used.

Do you think of interesting things about people in and around Santa Anna such as unusual hobbies, professions, experiences or comments made from day to day? As noticed in the paper this week, we have a column entitled "Our Own Interesting People," and we would like to build that up. All these things you think of might be sent to "Our Own Interesting People" dept., care this paper, and used to the mutual enjoyment of its readers, when enough of them accumulate. Of course all comments should be complimentary and not critical in nature. Names of parties should not be used except by their permission.

APPRECIATION

Asked for a statement in regard to the Iron Lung Fund, Dr. Sealy responded with the following announcement.

"The publicity given by the Santa Anna News for the purpose of providing a Respiator (Iron Lung) for the Sealy Hospital has been a real success; the \$1,500.00 goal set by the paper for providing funds for the purchase and installation of this wonderful modern apparatus has been oversubscribed and the Citizens' Committee have received acknowledgement of their order from the manufacturers, with assurance that the Iron Lung will be shipped in about two weeks.

I speak the sentiments of all those interested in the Sealy Hospital when I say that we acknowledge this gift from the people with sincere and grateful appreciation. It is, indeed, a fine feature of christian charity on the part of every one who donated to the fund in any manner. Personally, as the founder of the Sealy Hospital, it gives me great pleasure and satisfaction to know that the people appreciate the service that the Sealy Hospital has tried to give all through the years since it was established as a pioneer hospital of this County."

Sunday Accident Injures Three Local Citizens

Mr. and Mrs. Vinson and Mrs. Prickett Taken to Hospital

Mr. and Mrs. B. T. Vinson and Mrs. Miriam Prickett were injured when the car in which they were riding Sunday overturned on a curve on the Brownwood-Richland Springs road. A Brownwood ambulance brought the party to Santa Anna where they were placed in the Sealy Hospital.

Mr. Vinson was released shortly afterwards, since his injury was chiefly a scalp wound which was not serious, although painful. Mrs. Vinson and Mrs. Prickett, however, are still in the hospital, Mrs. Vinson suffering from a broken arm and a fractured shoulder and Mrs. Prickett a fractured pelvis. Both are resting as comfortably as could be expected.

Shumway Speaks at Lions Club

Scout Executive Ed Shumway of Abilene was the principal speaker at the Lions Club weekly luncheon hour Tuesday, when he related the advantages of Scout work and the activities at the National Jamboree held in Washington, D. C.

Mr. Shumway came to Santa Anna Tuesday to conduct a Court of Honor for the scouts here who are being led this year by Augustus Lightfoot. Members present were A. D. Pettit, J. T. Garrett, Roy F. Reid, R. Elmer Dunham, R. L. Hunter, John F. Turner, Loyd Burris, D. L. Fierath, M. L. Wornack, J. C. Scarborough, W. R. Mulroy, Chas. Berry, R. E. Lovelady, J. B. Gregg, W. M. Bell, J. W. Wiley, O. A. Auber, and R. C. Clifton, W. H. Page and

First Thanksgiving Proclamation

"By the President of the United States of America.
"A proclamation.

"Whereas, it is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore His protection and favor,—and,

"Whereas both Houses of Congress have by their joint committee requested me to recommend to the people of the United States a day of Public Thanksgiving and Prayer, to be observed by acknowledging with grateful hearts the many signal favors of Almighty God, especially by affording them an opportunity to establish a form of government for their safety and happiness."

"Now, therefore, I do recommend and assign Thursday, the 26th day of November next, to be devoted by the people of these States to the service of that great and glorious Being who is the beneficent Author of all the good that was, that is, or that will be,—that we may then all unite in rendering unto Him our sincere and humble thanks for His kind care and protection of the people of this country previous to their becoming a Nation; for the signal and manifold mercies and favorable interpositions of His providence, which we experienced in the course and conclusion of the late war; for the great degree of tranquility, union, and plenty, which we have since enjoyed—for the peaceable and rational manner in which we have been enabled to establish Constitutions of government for our safety and happiness, and particularly the national one now, lately instituted—for the civil and religious liberty with which we are blessed and the means we have of acquiring and diffusing useful knowledge; and in general for all the great and various favors which He hath pleased to confer upon us.

"And, also that we may then unite in most humbly offering our prayers and supplications to the great Lord and Ruler of Nations, and beseech Him to pardon our national and other transgressions, to enable us all, whether in public or private stations, to perform our several and relative duties properly and punctually, to render our national government a blessing to all the people by constantly being a government of wise, just, and constitutional laws, discreetly and faithfully executed and obeyed, to protect and guide all Sovereigns and Nations (especially such as have shown kindness to us) and to bless them with good government, peace and concord. To promote the knowledge and practice of true religion and virtue, and the increase of science among them and us, and generally to grant unto all mankind such a degree of temporal prosperity as He alone knows to be best.

"Given under my hand at the City of New York the third day of October in the year of our Lord 1789. G. WASHINGTON."

Pear Valley Man Buried Here At Sunday Services

W. W. Priest, Once Local Resident, Dies After Long Illness

W. W. Priest, 86, pioneer citizen of west Texas, died in his home at Pear Valley, McCulloch county, Saturday afternoon. He was born in Kentucky in 1851, the son of Dr. and Mrs. J. D. Priest. Funeral services were held in Santa Anna Sunday afternoon at 3 o'clock, with the Rev. A. W. Anderson, pastor of First Christian Church of Brownwood, in charge.

He had been a member of the Church of Christ since he was 24 years of age. He was a member of the Woodmen and I. O. O. F. lodges.

Mr. Priest's father, Dr. J. D. Priest, came from Scotland to America in 1838, and settled in Kentucky. Dr. Priest and his family moved to Texas in 1856 in a covered wagon drawn by oxen. They settled in Parker county and later moved to Falls county. Dr. and Mrs. Priest were parents of eight children, three boys and five girls. A brother preceded W. W. Priest in death nine days ago.

W. W. Priest was married to Mary Jane Aycock in 1874. They moved to Coleman county in 1905 and to McCulloch county in 1915, where Mr. Priest was engaged in the ranching business. After retiring from the ranching business he was engaged in the hardware business in Pear Valley until one month before his death.

Pastor Uninjured In Car Wreck

Rev. J. V. Davis, pastor of the local Methodist Church, narrowly escaped injury Monday when his car, slipping on the icy pavement, overturned twice a short distance from Mason on the Mason-Brady highway, completely demolishing the car. He was on his way to meet friends for a hunting trip. A gentleman picked Rev. Davis up and took him to Brady where he boarded the bus for Santa Anna.

Rev. Davis received only a few bruises and was able to attend the meeting of the District Missionary group in Brownwood Tuesday.

W. B. GRIFFIN ILL

W. B. Griffin, popular young Santa Anna business man, entered the Sealy Hospital Tuesday morning suffering from a nervous breakdown. Although his condition is not extremely serious, he was ordered to take a complete rest.

Loveladys Attend Military Funeral For Capt. Moon

Dr. and Mrs. R. R. Lovelady and children attended the funeral in San Antonio Wednesday for Mrs. Lovelady's brother, Capt. Odas Moon, officer in the United States Army Air Corp., who died Friday at Langley Field, New Port, Va.

The deceased was given a military funeral with full military honors. He had lived a great portion of his life in San Antonio where he received training in the Air Corp. Burial was made in the National Cemetery.

Student Council Is Organized By Training School

The students of the Sealy Training School for Nurses held conference Monday night and organized a student council. Officers for the group were elected as follows: Nina Williams, president; Grace Lois Cantrell, vice president; Frances Gregg, secretary-treasurer; and Thelma Younglove, reporter.

The president appointed the following to comprise the social committee: Cleo Harwell, Helen Younglove and Oleta Thate.

Tuesday night was selected as the weekly meeting time and it was voted to establish a student fund. Tentative plans were made for entertainment during the coming holiday season.

Merchants Planning Trades Day For Saturday, Nov. 27 In Celebration of Rushing Christmas Shopping Season

At least thirty-five merchants and business firms as members of the Trades Day Association will greet customers and shoppers in Santa Anna Saturday when Trades Day is started again in Santa Anna, the first in several months.

Others will join before Saturday but the list to date includes 35 firms who are cooperating with the Trades Day Association to make Santa Anna a better and more live business town. Trades Day will be continued each Saturday until after Christmas and then will be continued at less frequent intervals—probably once a month as it did in the past. Merchants are offering unusual price bargains for the winter buyer on these days and will offer special inducements for the Christmas shopping season.

Scout Troop to Stage Hike On Friday, Nov. 26

Ed Shumway Speaks At Meeting Tuesday; Plans for Progressive Work Made

The Boy Scout troop of Santa Anna was honored with a visit Tuesday night by Scout Executive Ed Shumway of Abilene, who spoke to the Scouts on the value of the work and the good fellowship of the organization.

His speech impressed upon the boys the importance of Scout Work and the high aims and ideals of a true scout. He encouraged the group to continue their work and to give their support and cooperation to their Scoutmaster, Augustus Lightfoot, and to each other and reminded them that registration for this troop would be due this next month.

Registration fee for each boy is 50 cents, but the instruction and enjoyment received from the scout work will be worth much more than that, stated the local scout master. "We are asking the cooperation of parents in getting your boy registered as a scout this year."

Starting off the new work with a hike Friday morning at 9 o'clock, Nov. 26, the Scouts will have a chance then to pass the cooking test for second class scouts. A lot of fun and educational benefits will be received from this trip and every Scout is urged to be ready for the hike.

The troop will meet regularly each Monday night and work in its program with the F. F. A. meeting, since the aims and work of the two organizations are very similar and since many of the boys belong to both groups.

A patrol contest will be started next Monday night in which each patrol must work six months to gain permanent possession of the trophy.

Two other attractions that have been added to the Scout work are a model airplane making session for all of the boys that wish to make them. This will be conducted by Newman Upton. An archery session for those wishing to make bows and arrows and improve their marksmanship will be held by Jim Bob Gregg.

Achievement Day For HD Club Will Be Held on Dec. 3

The local Home Demonstration Club will hold its Achievement Event in the form of a tea on Friday, Dec. 3 from 2 to 5 o'clock in the building north of the Santa Anna Beauty Shop. The public is invited to attend this day, which is being observed some day this fall by each county Home Demonstration Club.

A call meeting of the club has been announced for Friday, Nov. 26 at 2 p. m. at the City Hall to make final arrangements for the Achievement Event.

Campaign Ends This Week With Fund Completion

Word Sent That Lung To Be Shipped From Factory in Two Weeks

The Iron Lung Fund topped the goal set with a total of \$1510.47 contributed Wednesday and the campaign ended officially since the \$1500 needed for purchase and delivery of the respirator has been raised. Funds for the lung have poured in from hundreds of persons from many sections of the state who realized the need of the lung for many medical purposes and who wished to show their appreciation of the services which the Sealy Hospital has given to this section of Texas.

Word has been received by the News from the Boston factory that the lung will be shipped in about two weeks.

The Iron Lung for the Sealy Hospital will be placed on exhibit at the Santa Anna News immediately upon arrival until the room at the hospital is completed unless the lung is needed by a patient. This information was announced by the hospital authorities, who stated that the public would be interested in viewing the lung, which was purchased through their own donations and would be removed to the hospital a few days after that.

A platform will be erected by the plate glass window at the News office, and the lung will be placed on that during the exhibition. The public is invited to view the equipment when it arrives.

WOODROW NEWMAN IS NAMED HIGH STUDENT IN BUSINESS COURSES

Stephenville, Tex., Nov. 24.—Woodrow Newman of Santa Anna was today named as one of four students doing decidedly superior work in accounting courses in the business administration department of John Tarleton College.

Zeddie Edgar, associate professor of business administration at Tarleton, complimented Newman on the standard of work done.

Newman is the son of Mr. and Mrs. Virgil C. Newman. He is a junior in the department of agriculture.

Mr. and Mrs. Roger Hunter attended the Thanksgiving Game at A and M Thursday when the Aggies met the Texas Longhorns.

Will You Be One of These?

Submitted by Self Culture Club

In Texas in 1936, there were 4,284 people who died of cancer.

In Texas in 1938, there will be at least 4,284 people who will die of cancer, which means, will be eaten alive by that strange terrible illness about which medical science knows so little. Will you be one of these?

If you were sentenced to death, if you were informed that the end of life for you would come sometime next year, and you could have the decree annulled merely by going to your physician, would you go? Yes, you would go. This article is not planned to reach the people of East Texas or South Texas or the Panhandle or the Big Bend. By the law of averages 10 or more valued citizens of Coleman County will have that sentence passed upon them next year, by the Fate which, until the past few years, has admitted of no dispute but now the mercies of medical research can void — IF you go for treatment EARLY ENOUGH. Early cancer is curable. There are two effective treatments, effective IF you go in time.

There is no treatment now known which will cure or even arrest advanced cancer.

Early cancer is curable!

Now — who has cancer? Is it your neighbor, your uncle, your mother, yourself? Have you a mole that has begun to grow or become painful? Does your dental plate rub or pain your jaw? Have you a pimple or sore that does not heal upon your neck or ear or lip? Have you any stomach pains, sharper after meals? Have you any abdominal pain or discharge? It may not be cancer. But it may be cancer.

Sad to say, with watchful alertness and information, cancer yet will have many victims for years to come because of its stealthy advance. Pain is ordinarily not an early symptom. A small knot in the breast or abdomen, not hurting or causing the least inconvenience and perhaps hard to locate exactly even by the patient, may be and probably is, a cancer. Any swelling, any loss of weight, any unusual bleeding, any weakness, any abrupt change in appetite, any change in a mole or other growth, these are symptoms of cancer. Watch yourself, especially if there is cancer in your ancestry. Don't be afraid of having neurotic and useless fears; if you haven't cancer your physician can easily determine so.

Unfortunately the above symptoms of cancer are relatively late warnings. For instance, by the time the disease had reached such a stage as to cause loss of weight, it is already too far advanced for healing. If you think it remotely possible that cancer has fastened its insatiable fangs in your body, see your physician. Don't wait until you get that new dress made or until Aunt Fanny's visit is over, or until next Saturday. It may not be cancer, but it may BE cancer and only early cancer is curable.

Another thing to remember is this. Your own physician has at his disposal every known means of fighting cancer. Anyone who advertises himself as able to cure or arrest advanced cancer is stating falsely and is not allowed membership in the American Medical Association. Mrs. Emily G. Perkins of Eastland, State Chairman for Cancer Control, of the Texas Federation of Women's Clubs told this story at Brady last April.

A physician practicing across the Rio Grande in Mexico advertised himself widely as able to cure any case of cancer, publishing a pamphlet containing affidavits from several dozen Texas people praising his treatment and affirming themselves cured or greatly improved. A representative of the State Health Officer of Texas was sent to interview every one of these patients, but was unable to see them, for a very good reason. Not one of those people was alive. Everyone of them had died — of CANCER — from two weeks to six months after they swore they were cured of cancer by this man.

Why go long distances pursuing some elusive hope of a magical cure? If you suspect you have cancer, go to your home physician; if you have not he will respect your judgment in coming; if you have, he can treat you or send you to the most reputable doctor for the most effective treatment.

A campaign is now being carried on throughout the nation for the control of cancer, aided by many philanthropic organizations and named one of the main objectives of the National Federation of Women's Clubs. It is through the Health Committee of the Self Culture Club of Santa Anna that this appeal reaches you, our neighbors and friends. Learn and remember this danger and conquer the fear by realizing that EARLY CANCER IS CURABLE.
Mrs. A. L. Oder, Chairman of Health Committee

We Welcome These

Bringing the total number of additions during this calendar year to 97. Mrs. Bissett and her son, Garland Bissett, and Mrs. Lewallen united with the church Sunday morning. Our prayerful goal has been for one hundred and now we hope to pass that up. We are thankful that the record is already so good, and humbly seek to enlist still others.

A Noble Band

The thirty-eight men and women who went out Sunday afternoon on the every-member canvass for the church financial program are a noble group of earnest and energetic Christians who put their religion into practice. Believing that the one who gives is the one who lives best, these men and women first signed their own pledge and then went out to get others, to enjoy the high privilege of actively supporting the program of Christ. Their testimony of many newly enlisted tithers and contributors was cheering indeed, and when the work is completed and it will be this week, it will be the most outstanding contribution to the success of the church of anything that could be done. Thanks to you, loyal workers!

The Brotherhood Begins

Opening the new year in Brotherhood work, President Lawrence J. Smith had one of the best meetings in the history of the organization last Tuesday night. A lunch of chili, red beans, coffee, pickles, etc., a program was given on the "Every Member Canvass." Those taking part were Messrs. Chas. Mathews, V. L. Grady, W. E. Ragsdale, Emzy Brown and J. A. Early. Music by the male trio under the direction of Louis Newman consisted of negro spirituals. A general discussion on the improvement of the church lawn and grounds at the front led to the appointment of committees for levelling of the grounds, laying water pipe, erecting curbs and walks at such time as the president shall work out with the Church Grounds committee.

The Workers Conference

Meeting with the Talpa Church last week, the workers conference program was unusual in the number of young preachers taking part. The main sermon was preached by Rev. A. B. Lightfoot and was one of notable power. Those attending from Santa Anna were Messdames J. Ed Bartlett, J. E. Watkins, Reba McCreary, Ola Niell, Gordon Crow and Revs. Lightfoot and Dunham. The next meeting is to be held Dec. 3 with the Calvary Church of which Rev. Lightfoot has recently been called as pastor.

Off to Beaumont B. T. U. Meet Leaving early Wednesday morning in order to reach Beaumont for the Music Festival sponsored by Southwestern Seminary of Fort Worth, will be Messrs. Louis and Lester Newman and the pastor. This convention two years ago was attended by over 11,000 registered messengers and many other visitors, making it the largest gathering of Baptists in the history of the denomination. A still larger attendance is predicted by some for this year if weather and roads are good.

By Corine Traweek, Whom Despite the fact that the weather was cold, we had good services Sunday. An average crowd was in attendance at Sunday School and the interest was high.

The community singing class met at our church Sunday afternoon with a large crowd present.

A special Thanksgiving program was rendered at the evening service by the young people. Among the numbers enjoyed was a solo by Miss Ina Smith. Several visitors were present, among them being Miss La Vida Macon of Howard Payne. We appreciated everyone that came and give you a hearty welcome for the future.

Following the Young People's service, Rev. Howard Smith delivered an ideal Thanksgiving message.

Rev. Henson, our district superintendent, will be with us Wednesday evening. Be present and get an inspiration.

Methodist Church

J. Virgil Davis, Pastor Sunday School at 9:45 a. m. Morning Worship at Eleven O'clock. The pastor will deliver the sermon.

The Young People will meet at the regular hour. Evening service at 7 p. m. The pastor will preach.

Gladhand Sunday School Class Eighty per cent of the members of the Gladhand Class were present at Sunday School Sunday to hear their teacher, Mrs. Chap Beds, conduct an unusually interesting lesson. One visitor was also present. The class is happy to an-

nounce that by action of the Board of Stewards of the Church a room will be provided for the class and will be ready for use Sunday. We deeply appreciate the efforts of our teacher, our class president and members of the Board of Stewards in providing us with a room.

New Cradle Roll Member

The newest addition to the Cradle Roll Department is the young son of Mr. and Mrs. Adrian Davis, born Tuesday morning at the family home. That same day, the parents requested that the new name be added to the Cradle Roll. The Sunday School is glad to welcome this new member.

Lula Verner Wesley Class

The class was very proud of their fine attendance Sunday and were pleased to note that twenty were in Sunday School class, the same number who attended the social last Thursday.

Farmers and Ranchmen to Discuss Outlook for Farm Income and Prices

College Station, Nov. 24.—District agents of the Texas A. and M. College Extension Service have gathered their county agricultural agents together for a series of meetings at which the farm income outlook will be discussed, according to Geo. E. Adams, assistant state agent, who recently attended a nationwide meeting on this problem at Washington, D. C.

County agricultural agents will hold schools at which their assistants, vocational agriculture teachers, and others will discuss the material prior to presenting it to community meetings, Adams said.

The farm income question will be discussed in relation to the 1938 Agricultural Conservation Program. Discussions will center around such questions as why the cotton picture, fairly satisfactory in 1936, changed so completely in 1937.

"As everyone knows, when farm production is excessive and crop surpluses pile up, farm income comes down," Adams pointed out. "Farmers then are unable to buy many city-made goods, and business in general slows down and unemployment follows. That brings increased lack of buying power for farm products, and prices received by farmers are pushed down still further."

"If Texas farmers and ranchmen are to act intelligently in the face of their problems, it is necessary that they understand the economic situation which influences their income. It is our purpose in these meetings to give farm and ranch people an opportunity to learn more about the principles behind the legislation which brought about the AAA and to let them pass judgment upon the advisability of entering the 1938 and future programs."

It is a sad reflection on civilized man when so many laws have to be passed to keep him honest.

Mr. and Mrs. Roy Reid and family will spend Thanksgiving in Merkel.

Mrs. Oran Wise of Rockwood was a shopper in Santa Anna Monday.

Mrs. Bessie Perry of Odessa was a guest in the home of Mr. and Mrs. Roy Reid last week.

Mrs. Calvin Campbell and her mother, Mrs. A. D. Donham Sr., have returned from San Angelo where Mrs. Campbell received medical treatment.

Miss Box Becomes Bride of Mr. Bivins in Sunday Ceremony

Miss Ze Willa Box, the daughter of Mrs. Z. W. Box Sr., became the bride of Howard Bivins Sunday, Nov. 21 at 6:30 o'clock in a single ring ceremony at the home of Rev. J. V. Davis, pastor of the Methodist Church.

The only attendants were Z. W. Box Jr., brother of the bride, and Miss Frances Thigpen.

The bride wore navy blue with matching accessories. Her corsage was of white gardenias. For something old she carried a white gold vanity, and she carried a blue handkerchief belonging to the attendant, Miss Thigpen, as something borrowed.

Miss Thigpen was dressed in the same matching material as the bride with matching accessories and carried a corsage of lilies of the valley.

Both the bride and groom are well known here. The bride is a graduate of the Santa Anna High School.

The young couple left for a short honeymoon and will return the latter part of the week to make their home in the Plainview community.

The regular meeting of the Order of the Eastern Star was postponed Monday night due to inclement weather. A call meeting will be held soon to hear the report of delegates to the Grand Chapter meeting in El Paso recently.

Fine Program of At H-S College

Abilene, Texas, November 23.—The international known musical organization, the Vienna Choir Boys, will give an evening concert in the Hardin-Simmons University Auditorium, on Wednesday night, December 1, it was announced here today.

The noted Austrian boys, on their sixth American tour, are the pick of the oldest choral organization in the world, founded nearly five hundred years ago by imperial edict of Maximilian the First.

The singers, whose average age is twelve years, will perform operetta in costume. They will present a repertoire that includes arias and choruses of Wagner, Schubert and Mozart, selections from Haydn and Mozart, and national choruses and Christmas songs.

The Vienna Choir Boys, praised by music lovers and critics everywhere, are paying their second visit to Abilene, as the second number on the Hardin-

Simmons University Artist Course, G. B. Sandfer, manager.

The choir received an ovation and were enthusiastically greeted on their first concert at H-SU, two years ago.

The Hardin-Simmons Artist Course presented the U. S. Navy Band on November 5. Ted Shawn and His Artists, on December 17, and the Salzburg Opera, on December 30, are other numbers already announced.

ROCHELLE FFA BOYS WIN RECOGNITION AT KANSAS CITY

Two Rochelle Future Farmers, Hubert Moseley (left) and Leroy Engdahl, were among six boys from Texas and 75 from the entire United States among an organization of 143,000 members to receive the degree of American Farmer, highest honor bestowed by the national organization of Future Farmers, at the recent national F. F. A. convention at Kansas City.

Both Engdahl and Moseley, who graduated from high school last spring, also hold the degree of Lone Star Farmer, highest honor in their state organization, and each has served as president of the Rochelle chapter.

They took part in public speaking and chapter conducting contests for three years and were so well versed in chapter conducting that their team went to the state contest finals three years, winning the state championship one year and placing third and fourth the other two years. They also reached the finals in public speaking each year. Both carried crop and livestock projects for four years and were consistent winners in agricultural and livestock exhibits at the annual Rochelle and Brady shows. During their high school course, each earned 15 certificates of merit for outstanding proficiency in various farm practices and skills.

Other Texas boys receiving the degree of American Farmer were J. P. Sharp, Tullia; Leland Klinkht, Beeville; Floud Sauf-fore, Edcouch; and Afton Poin-dexter, Colmesnell.

Thanks to Electric Servants

Thanksgiving is now a Woman's Holiday too!

If our service to you during this last year has been instrumental in providing more leisure, more pleasure, and greater happiness, then this Thanksgiving Day is occasion for us to give sincere thanks. Like many of you, we have "grown up" right here in West Texas. This is our twenty-sixth Thanksgiving. So we can remember when the turkey season meant a holiday for every one except Mother. The Thanksgiving dinner was a long, tedious task for her... many hours in the kitchen before a hot, odorous stove. And there were scads of dishes to wash when it was over. This burden on her is no longer necessary, we're happy to recall. The trend toward the all-electric kitchen means complete emancipation for women. Out of this freedom is born the Nelectress—a modern home maker alert to this new electric age. The vista of a more glamorous future than pots and pans has become a reality, whether it be Thanksgiving or just another day. If you have not yet electrified your kitchen, we suggest that you investigate the economy of Electric Servants ere another holiday rolls around. They have made Thanksgiving a vastly happier day for many of your neighbors... and we are glad!

Faculty and Students Spend Holidays Away

If it were not for such festive days as Thanksgiving and Christmas, the school days would seem monotonous. For it is through these holidays that one gets the necessary diversion and variety and then comes back to do more efficient work. It seems that a few of the faculty and students are planning on having "turkey" in all the trimmings away from home. You can get in touch with Coach Little at Woodson and Mr. Mathews at his home near Bangs. If you can't locate Miss Harvey at Cisco, then try Albany. Wanda Sanders is spending the holiday with friends in Brownwood. June Kirkpatrick is visiting her aunt in the capital city of Austin. Dorothy Pettit has eyes for Dublin. Lawn will lure Ruth Vanderford from home.

Some of the sophomores have plans for the holiday: Jessie Porter to Lubbock, Wilma Mills to Abilene, Walter Verner to Big Springs, Mickie Parker to San Antonio and Dorothy Ross to Belton. Mace Blanton is planning on going to Brownwood and H. L. Lackey to Austin.

Money for Annuals

The gridiron queen contest contributed \$27.50 toward a high school annual which the senior class of '38 is trying to put out. No contracts have been yet definitely made but it is almost certain they shall have one.

Visitors

Friday morning in chapel there were several visitors and ex-students to see Moreno, the Magician. Those present were Mrs. Jodie Mathews, Mrs. John Payne, Alvin Newman, Stuart Williams, Bill Early and John Gregg. Visitors during the afternoon were Mrs. Jack Mobley, Katherine Wylie and Jack Howard.

Scribblers Choose Sides in Contest

Now that the Scribblers have been divided into two sides, each being led by two very enthusiastic members of the club—Ruth Vanderford and Mary John Wade, it is believed that there will be more enthusiasm shown by each individual as well as a group.

In the regular meeting of the club Tuesday, Nov. 16, 1937 the members were divided into the two following groups to remain so during the year.

Ruth Vanderford's side includes: Emma Sue McCain, Alice Jane Lovelady, Dorothy Sumner, Lily Niell, Mary Feld Mathews, Mary Louise Curry, Joyce Hensley, Roxie Lane, Willyne Ragsdale, Betty Ruth Blue, Evelyn Haynes, Marie West, Tom Robin, Dorothy Tillery, Lolette Gober, Loraine Baugh and Lucille Lancaster.

Mary John Wade's side includes: Ima Niell, Billie Burk Pope, Dot Pettit, June Kirkpatrick, Ruth Lovelady, Mickie Parker, Margaret Mobley, Voncille Taylor, Jessie Porter, Dorothy Ross, Hazel Stafford, Clara Ruth Mathews, O. L. Cheaney, Rachel Parker, Coy Casey and Verna Copeland.

F. F. A. Chapter Presents Program at Brady Last Week

Tuesday, Nov. 16 the F. F. A. Chapter presented a fifteen minute program over KNLB, Brady.

They played the selections: "Put on Your Old Gray Bonnet," "My Dear Old Southern Home," "Dear Old Western Skies," and "Cowboy Jack."

Guest artist on the program was Ruby Lee Price who sang "Harbor Light," "The Moon Got In My Eyes," and "Sailboat in the Moonlight."

Freshman Girl is Gridiron Queen

Carolyn Kingsbery, the freshman representative in the gridiron queen contest, won over the senior representatives. She received about 1500 votes while the seniors got about 900. The freshman class is very proud of their queen. She was crowned at the Coleman-Santa Anna gridiron battle.

The Duke and Duchess of the freshman class who served at the coronation were Mary John Wade and Glen Pope.

Spanish Club Has Sale Saturday

Saturday, November 20, the Spanish Club of Santa Anna High School held a sale down town in the old state bank building. The articles made in class by the members of the club and sandwiches and candy were sold. Fourteen dollars was derived from the sale and the money will be used either in giving a Christmas banquet or a trip to San Antonio.

Senior Play Books Have Arrived

The play books for the Senior play to be presented in the near future have arrived. The name of the play is "Miss Jimmy." It is a farce in three acts. The cast of the play is as follows:

Louise—Elizabeth Morris; Florence—Gene Adams; Catherine—Louise Oakes; Doris—Clara Ruth Mathews; Harriet—Ruth Laverne Irick; Droopy (colored man)—Ben Parker; Miss Walkins—Gale Collier; Jimmy—T. L. Reid; Prof Frazier—Frank McGonigall.

The details of the play will be given at a later date. The senior class' duke and duchess from the class for the Football Queen's coronation are Ruth Laverne Irick and J. B. Dodgen.

Band Plays New Selections

Mr. Wallis has re-arranged a selection that the band has just learned to play. The selection is "Peruna."

Among the new selections played by the band are "Swing Along March," "On Wisconsin," and "Officer of the Day March." Mr. Scarborough bought the band another arrangement of "Invercarigill."

Mr. Wallis secured a magician from Dallas to perform in Chapel at the homecoming. The band members sold the tickets and got a certain amount of the proceeds which will be used in buying batons for the drum majors.

Tennis Club Meets

The tennis club was called to order Thursday morning by Mr. Jackson. Ara Belle Ragsdale took charge. The club discussed terms of tennis. Challenges were made and accepted by most of the members. Of the games played last week, the numbers were exchanged. The club also received some new balls.

Magician Entertains in Chapel Friday

Considerable amount of enthusiasm was shown in chapel Friday morning Nov. 19 as Moreno, the Magician gave a thirty minute performance. Many ward school students, outsiders and ex-students attended.

Coach Dean's Team Wins District Two

The students and friends of Coach Clyde Dean, whom they loved and respected, will be happy to know that he has coached a team to a district victory and will play for bi-district at Albany Thanksgiving Day. He coaches at Putnam High School. His many friends will always be wishing him success.

The Japanese claim the Chinese have violated the rules of war by using poison gas. Night calls the crowd black.

Faculty Is Entertained Wednesday

The faculty of the Santa Anna High School was entertained last Wednesday evening, Nov. 18 with a dinner given by the Home-Making III Girls.

The Thanksgiving theme was carried out. The centerpiece was a small wooden wagon filled with fruit and pioneer women made from corn husks standing around the wagon. The plate favors were pine cone turkeys.

The menu was: fruit cocktail, turkey, dressing, giblet gravy, sweet potatoes, string beans, rolls, cranberry salad, date pudding with whipped cream and coffee.

Those attending the dinner were Mr. J. C. Scarborough, Mr. A. D. Pettit, Miss Lula Jo Harvey, Mr. Johnnie Little, Mr. Scottie Jackson, Miss Mattie Ella McCreary, Mr. Charles Mathews, Miss Kathryn Rose Pinney, Mr. Tom Wallis and the hostess, Helen Oakes and Dorothy Sumner, officiating as host.

Home-Making Girls Attend Convention

Five delegates and the sponsor from the local Homemaking Chapter attended the Semi-Annual Homemaking Convention held in Brady Saturday, Nov. 13 for the surrounding District. Those attending were Carolyn Kingsbery, Wilma Jeanette Mills, Gene Adams, Elizabeth Morris, Helen Oakes and Miss Pinney, the sponsor.

There was a program given at 10:00 o'clock in the Brady High School auditorium. After that there was a business meeting for the election of officers for the coming year. The officers elected were: president, Mary Jo Wood, Rochelle; vice president, Josephine Stone, San Saba; secretary, Mary Adelle Brooks, Brownwood; reporter, Helen Oakes, Santa Anna; historian, Maxine Nicholas, Comanche.

Eldorado was chosen as the next meeting place. The convention will probably be held some time next spring. The meeting adjourned and lunch was served in the gym to approximately 125 girls. As soon as lunch was over each delegation left for home.

Game With Coleman Is Postponed

The game that has been looked on as the most interesting game of the season was postponed last Friday because of bad weather. The game was then set for Tuesday, but still bad weather stops our playing. The time still isn't decided upon.

Junior Class Elects Duke and Duchess

The Junior Class elected Thelma Dodgen, duchess, and Leon Copeland, duke, to accompany the Gridiron Queen, Carolyn Kingsbery, at the Coleman-Santa Anna football game.

THE TEACHER

It is not mine—
 The joy to dig in the moist brown earth!
 To place within her warm breast tiny seeds:
 To watch them grow through Long sunny days
 Into beautiful flowers!

Yet, here,
 Within these four walls
 I, too, sow tiny seeds
 In the mind of a Child
 Which is God's own garden.

PROPHECY

Not enough love
 Not enough laughter
 Rigid you walk
 For fear of hereafter.

Each human impulse
 You feed to your pride.
 When we meet in the street
 Your skirts draw aside.

Beggars and sinners,
 You sing them psalms,
 They are my brothers,
 I give them alms.

You love too little.
 I love too well.
 Where is our difference?
 I'll meet you in hell.

—Alla Mae Wiley, Dallas, Texas

OUR BABY
 You took the color of your eyes
 From out the skies
 With the petals of a rose—
 Your cheeks and lips were painted
 But only God can say where
 you got
 Your precious little nose.

Thanksgiving

Throughout our county, state and nation citizens will pause on Thanksgiving Day in tribute to the One who has blessed us throughout the year with the comforts of life.

We join with you in paying this tribute, begun many years ago by the early settlers of America, who found a deep joy in giving thanks for yearly blessings.

Our wish for you this Thanksgiving Day is that each of you find many things during the past year for which to be thankful and that the coming year will be even more bountiful in success, health and all things which go to make life happy.

Our services to you throughout the year are for your use so that we may assist you in gaining the things you need and desire. Our thanks go out to you for the privilege of serving this community.

Home Demonstration Notes

STORY OF MY WORK AS BEDROOM DEMONSTRATOR

Mrs. Jess York, Trickham Home Dem. Club

After being appointed bedroom demonstrator of the Trickham H. D. C. I decided to work over my northwest bedroom. Miss Alice Glenn Young, the county home demonstration agent, came to see me and we discussed and outlined the things I needed to do in order to have a comfortable and attractive bedroom.

There are two windows and two doors in the room which gives the room plenty of light, sunshine, and good ventilation. I checked the screens on the windows and the outside door to see if they were in good condition in order to keep out flies, mosquitoes, and other insects.

My largest problem was that I did not have a closet in the bedroom, so it was necessary to build one. We made the clothes closet 2 1/2 ft. wide and 3 ft. long with shelves in the north end from top to bottom. A rod for hanging garments was placed across the other end and a shoe rack to hold five pairs of shoes was made and placed on the floor of the closet. The closet was papered inside with a light cream colored paper to give sufficient light. A flash light hangs from the ceiling to be used in finding articles in the shelves.

My woodwork was stained dark oak, and the walls were

papered with a light floral pattern. The floors were refinished with oil.

We added a new bedroom suite to the room that consists of a bed, a bedside table, a dresser, a bench and a chest of drawers. We had a 50 lb. mattress made and I made a cover for it with some old ticking which I had on hand. We added one slat for each coil of springs. I bought some cream colored linenized ticking and quilted it for a mattress pad. I made four pillow protectors from white domestic, and bought 1 wool blanket, 6 sheets, 3 pair pillow cases, 2 light weight quilts and made a tufted bedspread with natural colored thread on unbleached domestic in a plaid design. My dressers or scarfs were made of cream colored linen with plain hemstitched hems. Cream colored curtains were used in my bedroom which help to soften the light and still let in plenty of air.

I needed a reading or working center in the bedroom so I removed the paint from a small table, sandpapered it, and varnished it in a dark oak color. I refinished a straight chair to match the table, added a shade for my lamp, added a hanging book shelf, and I have a reading center which I enjoy very much.

Among other things added to my bedroom was a magazine rack which I use in my reading center, and a tufted rug made by a friend which I use in

front of the bed. I also enjoy the new rocker for my bedroom which I received for winning second place in the county-wide bedroom contest.

The total cost of improving my bedroom, including the bedroom suite was \$68.79. I certainly find that the increased attractiveness and usefulness of my bedroom has been worth all of my efforts and expenditures. I am glad that I was able to be the bedroom demonstrator for my club.

F. M. Burke ()
No. 5721-B VS.
Cecil May Burke et al ()

IN THE DISTRICT COURT,
COLEMAN COUNTY, TEXAS,
119th JUDICIAL DISTRICT

The State of Texas to the Sheriff or any Constable of Coleman County—GREETING:

YOU ARE HEREBY COMMANDED, that by making publication of this Citation in some newspaper published in the County of Coleman once in each week for four consecutive weeks previous to the return day hereof, you summon Cecil May Burke whose residence is Texas, but who is now absent from the State of Texas, and her present whereabouts are unknown, to be and appear at the next regular term of the 119th District Court of Coleman County, to be holden at the Court House thereof, in the City of Coleman, on the first Monday in January A. D. 1938, the same being the 3d day of January A. D. 1938, then and there to answer Plaintiff's First Amended Original petition filed in said Court on the 4th day of November A. D. 1937, Plaintiff's Original Petition filed herein on the 7th day of September, A. D. 1937, in a suit numbered on the Docket of said Court, No. 5721-B wherein F. M. Burke is plaintiff, and Cecil May Burke, Dr. I. W. Jenkins and Mrs. I. W. Jenkins, are Defendants; the nature of plaintiff's demand being substantially as follows, to-wit:

Plaintiff's suit and the nature of his cause of action is for divorce against the defendant, Cecil May Burke, and for the care, custody and control of their minor daughter, Barbara Dell Burke; plaintiff alleging in substance that he is a bona fide inhabitant of Texas and has been for more than one year next preceding the filing of his petition and a resident citizen of Coleman County, Texas, and has been for more than six months next preceding the filing of his petition; plaintiff also alleging in substance that the defendants, Dr. I. W. Jenkins and Mrs. I. W. Jenkins, have exercised an undue influence over the defendant, Cecil May Burke, and have encouraged her into secreting the said Barbara Dell Burke, and in assisting the defendant, Cecil May Burke, in withholding from plaintiff any knowledge of her whereabouts and the whereabouts of the said Barbara Dell Burke, and prays for an injunction restraining all of the defendants from removing said child from the State of Texas or from

secreting her so that her whereabouts may be kept unknown to the plaintiff herein; and in said petition plaintiff prays the court to order and direct the defendants to produce said child into court to show cause why she should not be awarded to plaintiff. Plaintiff alleges his marriage to the defendant, Cecil May Burke, and their separation and that she and the other defendants, to-wit: Dr. I. W. Jenkins and Mrs. I. W. Jenkins, are in possession of said child and are exercising control over her and depriving her of her right to be with this plaintiff and of plaintiff's right to be with said child and of his right to have her visit him and said child's right to visit her father, the plaintiff herein.

Plaintiff's demand therefore is one for divorce against the defendant, Cecil May Burke, and for the custody of his infant daughter, Barbara Dell Burke, and for injunction restraining the defendants and each of them from keeping said child secreted and from withholding from him information concerning her whereabouts; also to require defendants to produce said child in court so that plaintiff's right and the rights of said infant aforesaid might be adjudicated.

HEREIN FAIL NOT, but have you before said Court on the said first day of next term thereof this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal in said Court, at office in the City of Coleman, this the 4th day of November, A. D. 1937.

WITNESS, J. B. Hilton
Clerk of District Court in and for Coleman County, Texas.

BIG SHOOTING AT WHON

By A Victim

Call it what you may! A group of jolly high school students challenged the Whon teachers in a shooting match Saturday morning.

Each individual was required to have a target, so we were busily engaged making targets for the first few minutes. Our shooting distance was twenty-five yards. The shooting began with a whoop and a Bang.

Only eight entered the match, but after much persuasion, Mr. Shannon consented to enter, despite the fact that his extreme age effected his eye-sight and steady hand.

Each entry was given ten shots, which were taken by two's.

The enthusiasm reached its high point as the match came to a close with Miss Lorraine Hood and Mr. Birl Shannon as rivals for first place. The highest possible score was fifty. Mr. Shannon came out in the lead, making a score of 38. Miss Hood followed with 36; Nelan Black, 35; Billie Black, 34; Corine Traweck, 32; Mrs. Shannon, 29; Miss Smith, 28; Tex Featherston, 20; and L. J. Holmes, the "boobie" prize.

Our Own Interesting People

A very popular magazine of the review or digest type carries frequently a column called

"One Meets Such Interesting People." Its items are from all over the world, but one may find the same true in Santa Anna and its trade territory. These bits are contributed as evidence.

Between filling gasoline tanks, changing tires etc. one operator of a first class filling station in Santa Anna "digs into" a textbook of English Grammar. Pastime or practical purpose would either one okay such in-

teresting procedure. A farmer living Southwest of town tells of working one night in a city in Railroad shop work and being summoned by loud cries to a large circus tent closed for the night. Upon arrival he found a fourteen year old boy had climbed into a water cistern inside the tent, thinking it was storage box for circus supplies and a warm place to sleep. Turkeys Held Same Attraction On Thanksgiving Fifty Years Ago As Now

By Miss Luella Chambers
 Thanksgiving fifty years ago was our first in Coleman County. My father and mother went out to the Wilson farm at the west end of the mountain and bought a big bronze gobbler for 75 cents—quite a difference in the price now.

One of the Wilson girls became the stepmother of Mr. M. J. Norrell. The Wilsons were fine people but they returned to their Missouri home.

We had turkey and dressing and had to use canned oysters in the dressing as no fresh ones could be bought except by special order, potato salad, cranberries, sweet pickled peaches, home made ragout, boiled custard, two kinds of cake, ambrosia, coffee and a few other things, but no celery.

Mama had invited Dr. Mathews and Mr. J. R. Hare to dinner. My oldest brother, his wife and little daughter were with us. We had a big rain that poured down all morning but they all got there some way and all enjoyed the big gobbler and fixings. The old china fruit stand was full of every kind of fruit in the stores here.

After dinner we played dominoes and had music. Mama played the guitar and piano. What a change in fifty years—now there are just we two alone.

Trickham News

By Mrs. A. H. Dean
 We are having some real winter weather. First cold, then rain and now snow. We seldom have snow this early in the winter.

We had a very good attendance at Sunday School and church considering the cold weather. Brother Geo. Smith of Santa Anna preached Sunday and Sunday night.

Mr. and Mrs. Robert Haynes of Gladewater are visiting with homefolks here this week.

Vernon Herring of Cleveland spent Monday with Rodney Dean.

"Dave Banks"
 Quite a few folks from here have gone west to pull cotton. If this weather continues bad they will all be coming home soon.

Mr. and Mrs. Roland Williams and children spent Sunday with Mr. and Mrs. Fred Haynes and children.

Mr. and Mrs. Herbert Shannon have moved from our community to Lamesa. We are "O. A. Etheredge"

sorry to lose them as neighbors and hope they like their new home.

Miss Pearl Ford spent Sunday with her sister, Mrs. Ben McIver and family.

Oma Lee Martin left Sunday for Lubbock to visit relatives for several weeks.

Mr. and Mrs. J. R. Haynes spent Saturday night in the A. H. Dean home.

James Gray Laughlin visited H. B. and Jack Dockery Sunday.

Several families took advantage of the cold weather last week and killed hogs. Needless to say we are enjoying sausage and spareribs.

We are indeed glad to have Mr. and Mrs. Charlie Gill move into our community and come to Sunday School and church.

We are sorry to report Mr. Joe Kingston not improving any at this time.

Lee Vaughn and Elmo Eubank are having tanks dug on their farms.

Mrs. F. E. Wagner is visiting her son in California now.

Mr. and Mrs. Marion Ford and children visited in the Jess York home Sunday.

Mr. and Mrs. Walter Stacy and Homer Goodgoin went to Whon Sunday afternoon to the singing meet.

Wiley McClatchey and others from here have been deer hunting. Most of them came back with a deer.

Mrs. Kit Casey, Thelma Casey, Mrs. D. C. Neal, Mrs. A. L. Oder, Mrs. Ben Herring and Mrs. Walter Sharp visited Mrs. A. H. Dean last Thursday afternoon.

Willis Evans Burney spent last week with his aunt, Mrs. Wiley McClatchey.

Mrs. Tom Cole and Mrs. Cleo James of Brownwood spent Sunday in Trickham.

We are all planning something for Thanksgiving. Quite a few of us will enjoy the day with our mothers and fathers. We have so many things to be thankful for that we couldn't count them.

Mr. and Mrs. A. H. Dean and children spent Sunday in the Elmer Haynes home.

Joe Phillips

We hope "Jim Daniels" doesn't find this.

Smart young men should seek government jobs since it is becoming the most popular method of escaping income taxes.

Pay Your Subscription By December 1

Subscribers who are behind in paying their subscription to the Santa Anna News and have not been in to attend to payment are reminded that Wednesday, Dec. 1 is the last day to pay up before the name is taken from the mailing list.

The News does not wish to take any one from the list because of non-payment, but since the price of the subscription a year does not quite cover postage alone, we find it necessary from a financial standpoint to keep the subscription list up to date.

If your subscription has run without payment for several years and you cannot pay that much cash, we will be considerate and take some commodity in exchange if it is one we can use. We have a young pig in our possession now as payment and although we do not make a practice of taking commodities, we would prefer to do that than take an interested reader from the list.

Come in and see us about your subscription. Don't miss an issue.

FIRE CHIEF TO VISIT HERE DECEMBER 20

Chief G. F. Williams of the A and M Firemen's Training School will be in Santa Anna Monday, Dec. 20 for inspection of the firemen and fire equipment.

Mrs. A. L. Oder and sons, Clifford and Harry, left Wednesday for San Antonio to spend the Thanksgiving holidays. The boys will come back Sunday to continue their work at Howard Payne, Mrs. Oder remaining for a longer visit with her daughter and family.

Mr. and Mrs. Rex Gelston and family attended the Turkey Day Game at College Station Thursday between Texas A and M and University of Texas. Their son, Rex Jr., is a student at A and M.

OUR OWN INTERESTING PEOPLE

(continued from page five)
 the well didn't hurt him much and he was put to bed for the night, returned to his home, from which he was running away, the next morning.

A local business man who had quite a lot of creative writing, especially of the Short Story type, still finds much interest in the better magazines dealing with the subject and is a fine judge of the technique. You'd enjoy his views if interested in such literature.

Farmers when off the farm can surprise one with their dry wit. Two of them, by a warm fire this week saw two of their fellow farmers passing outside in earnest discourse. One of the two inside said "There goes two mighty good men." Without a smile from either, the other remarked, "Yes, but there just don't seem to be much demand for them today."

Hobbies are no respecter of persons. Who would believe that one of the local pastors goes in big for astrology and the reading of the horoscope, while another has a great yen for mental telepathy. And one railroad man is both a painter and writer of ability. Our poet and historian of Santa Anna are too widely known and appreciated to need more than mention.

Clever clips from correspondents. "I've never heard it ar- gued yet that a Thorn flesh is worth two on the
