Quarterback Club Receives Help From Local Sources

Three local organizations have voted to help the Santa Anna Quarterback Club in their efforts for a summer program for the local children.

Monday night the Santa Anna Volunteer Fire Department voted to furnish the club with \$130 cash and the City of Santa Anna voted to furnish the club \$100 cash for their summer program. Tuesday at noon the Lions Club voted to furnish the club \$100 in cash for the same purpose. The Quarterback Club had requested each of these organizations to help them on their program. It is estimated the cost will be around \$550 for the summer.

The club has a lighted baseball field and they are planning to employ a man to direct the program and to be personally responsible for the Little and Pony League boys. This money will go to pay his salary and to pay for needed equipment. Teams of older boys will also be organized but will not have a paid coach.

The fire department voted to furnish the club more money if needed and most likely the City and Lions Club will do the same thing.

The Quarterback Club has requested sealed bids from persons interested in having charge of the summer program. All bids are to be in the hand of the club's officials not later than Monday, March 14, when they will decide who they will employ.

The regular meeting of the club will be Monday night, March 14, at the high school, and all members are urged to be present. This meeting will mark the end of the first year for the club and a new membership drive will be started immediately.

WESS WISE SHOWS FOUR CHAMPIONS

Wess Wise of Rockwood showed the Grand Champion lamb at the Amarillo show on Monday, February 28, then on March 3 he showed the Grand Champion Fine Wool Lamb and the Champion Sharn lamb at the San Angelo Stock Show. On Wednesday of this week he showed the Reserve Champion Fine Wool lamb at the Odessa Stock Show.

Public School Week Being Observed

This week, from March 7th to 12th is being observed in Santa Anna as well as elsewhere as Public School Week and parents and other interested persons are availing themselves of the opportunity to visit the schools and see recent improvements. Much interesting hand work is to be seen in the elementary rooms. Some of the visitors are enjoying good lunches at 30 cents per plate. The Tuesday Menu consisted of meat loaf, with tomato sauce, green beans, a vegetable salad, and stewed apricots. There was a choice of good coffee or milk and plenty of bread and butter on the table. Nice little girls escorted the visitors to the tables and the behavior of all the children was perfect. These children have many opportunities the oldesters never had and all should rejoice that it is true. The world continues "To move forward on the feet of little children."

Mr. and Mrs. C. F. Walker and children, Freddie and Frankie Ruth, moved last week to his brothers place, the former Riley place near the hospital. Mrs. Al Davis and Sandra, who have been living in the Sealy addition, have moved to the place on South Second Street, vacated by the Walkers. The Dayises are now just across the street from her parents, Mr. and Mrs. Sam Rutherford.

Mr. and Mrs. Boyd Rambolt came from Fort Worth Tuesday, and brought her father, W. A. Standly home. They had come on Wednesday of last week and took him to Fort Worth and he had treatments while there.

19 Teachers Re-elected For 1955-'56 Term

R. K. Green, superintendent of schools, announces the Santa Anna School Board re-elected 19 teachers for the 1955-56 school term at their last regular meeting. All the teachers except the Head Coach were elected.

In the primary Department will be: Mrs. Coyita Bowker, First Grade; Mrs. Myrtle Taylor, First and Second Grades; Mrs. Maude Harris, Second Grade; Mrs. Margaret Crews and Miss Lea Mitchell, Third Grade.

In the Intermediate Department will be: Mrs. Leta Parker, Fourth Grade, Miss Ruth Odom, Fourth and Fifth Grades; Mrs. Nadean Harris, Fifth Grade; Mrs. Gertrude Martin, Sixth Grade; Mrs. Beulah Sparkman, Seventh Grade; A. D. Donham, Jr., Eighth Grade and Coach; James E. Pollard, Eighth Grade.

In the High School will be Page Mays, English and Speech; Roy Mathews, Science; Mrs. Maude Evans, English; Mrs. Betty Conner, Commercial Subjects; Mrs. Winnie McQueen, Homemaking; A. D. Pettit, Vocational Agriculture; and Louis Graves, Band Director.

Green, Cullen N. Perry, high school principal, and James A. Harris, Elementary School Principal, were elected last year on contracts. The Colored School teacher was not elected, because it is not known whether the Average Daily Attendance will justify a teacher or not.

Seven applications have been received for the coaching position. They are all being considered by the School Board, but the election will not be until possibly their next regular meeting.

Lee and Roger Hunter's Injured In Austin Accident

Mr. and Mrs. Roger Hunter, of Austin, and Mr. and Mrs. Lee Hunter, of Santa Anna, staying for the time being in the home of their son, Brownlee, in Austin, were injured in a car collision there on Sunday at 4:00 p.m.

The four were in Lee's car and he was driving. They were coming from a side street onto the Freeway and Mr. Hunter had looked in every direction as he came onto the Freeway. He did not see a car coming over the rise. Neither driver saw the other until the collision. The car driven by a Lt. from Bergstrom A. F. Base, side swiped the Hunter car, completely demolishing it. The driver from Bergstrom was taken to the hospital there for observation.

Mr. and Mrs. Roger Hunter, and Mrs. Lee Hunter were so penned down in the wreckage that those trying to get them out had to remove bolts from the seats to get them out.

Mrs. Roger Hunter seems to have been the most injured. She received a crushed left ankle and the entire leg is in a cast. Roger received a lacerated throat, and eye, nose and facial injuries. He has been suffering much pain. Lee had severe head injuries and other injuries. Mrs. Lee Hunter, who was not so seriously injured, was released from the hospital Monday.

Mrs. Theo Kirkpatrick, sister of the Hunter brothers, left here at noon Monday and got her sister, Mrs. Charles Woodruff, in Brownwood, and they went to Austin. They visited with the injured ones and returned Monday night. All seem hopeful now that the injured will recover.

Mr. and Mrs. J. V. Browning and their four children of Oklahoma City, visited recently with her parents, Mr. and Mrs. Will Parker. One son, Bob Browning, remained for a longer visit and the grandparents will take him home next week end.

Jack Price of Fort Stockton visited his parents, Mr. and Mrs. J. W. Price, at 300 Vale St., in Coleman and other relatives and friends in Santa Anna, over the week end.

Mrs. Markland Announces Red Cross Workers

Mrs. Robert L. Markland, local chairman of the Red Cross Drive, announces the following ladies as being her committee for the local Red Cross Drive: Downtown, Mrs. John Gregg and Mrs. Hardy Blue; in the residential areas, Mrs. Calvin Campbell, Mrs. Arley Welch, Mrs. Lewis Graves, Mrs. Nolan M. Fisher, Mrs. F. C. Williams, Mrs. Robert Trinklein, Mrs. J. L. Boggus, Mrs. Pat Hosch, Mrs. A. D. Donham, Jr., Mrs. Al Davis, and Mrs. Bernice Collins.

The quota for Santa Anna this year has been set at \$500. Mrs. Markland requests that each of her committee women report to her on March 15, as to their progress on the drive.

She said she was not setting a certain day for the ladies to make the drive, but granted them the privilege of making their drive on whatever day suited them the best. The drive is to be completed by the end of March.

The ladies working in the residential areas will make a house-to-house drive and the women working in the downtown area will contact every business man in town.

Barton and Baugh Seeks Re-election On School Board

Jesse K. Barton and Dick Baugh have submitted their names for re-election on the Santa Anna Independent School District Board of Trustees and there is still time for anyone else who desires to seek these positions to file their names. All names must be filed with R. K. Green, Superintendent of Schools.

The election will be held in the Stockard Building at the corner of Wallis Avenue and North Second Street Saturday, April 2. Leroy Stockard has been appointed election judge and he is to appoint his assistants.

Ford Barnes' term on the County School Board expires this year and he has submitted his name for re-election. The term is for a two-year period.

The local and county election will be held at the time, but will be on different ballots. All qualified voters in the Santa Anna Independent School District are eligible to vote and each one is urged to do so.

Attends Funeral For Wreck Victims

Mr. and Mrs. J. A. Manley, Sr., Mr. and Mrs. J. A. Manley, Jr., and Mr. and Mrs. Carson Horner attended funeral services for Mrs. Roy Foster and Mrs. Oather Floyd at Ada, Oklahoma on Tuesday. The women were the daughters of the Senior Manleys who were killed in a car wreck near Charleston, West Virginia, last Wednesday.

The two couples had been making their homes in Bay City, Michigan recently, but formerly had lived at Ada. At the time of the accident they were returning to their homes in Bay City from a trip farther east. Mr. Foster was driving the car at the time. Mrs. Mary Carter Bess, a Virginia woman, has been charged with causing the accident and has been released on \$500 bond. A trooper reported she is charged with passing a truck-trailer in heavy fog on the West Virginia Turnpike and starting to pass a house trailer when she met a 1955 Cadillac driven by Roy Foster.

Foster swung aside to avoid a head-on collision, lost control of the car, which spun back on the highway, skidded completely around and was struck broadside by the big roadway express vehicle. It was the tractor-trailer Mrs. Bess had just passed.

Mrs. Floyd was riding in the right front seat of the car, at the point of impact and was killed instantly. Mrs. Foster suffered fractures of the arms and legs and head injuries. She died at 5:00 p.m. in a Charleston hospital. Mr. Foster and Mr. Floyd were not seriously injured.

Besides local relatives, Mrs. Foster is survived by the husband and a daughter and one grand child. Mrs. Floyd leaves the husband, one daughter and two grandchildren.

The Manleys left here Saturday and returned late Tuesday night.

Navy Recruiter To Be In Santa Anna Each Wednesday

The Navy Recruiter from Brownwood will be in Santa Anna at the Post Office each Wednesday afternoon from 3:15 p.m. to 3:45 p.m. Men who are interested in enlisting in the Navy are urged to meet the Recruiter at this time. Men between the ages of 17 to 31 are eligible.

The Navy can now guarantee a High School Graduate a Technical Training School upon successful completion of Recruit Training. All recruits are sent to San Diego, California, for training.

Right now East Texas and West Texas are competing to see which part of Texas can get the most recruits during the month of March. Men enlisted from this section of Texas will be sworn into the Navy at Amon Carter Field as a Company on 17 March. These two Companies will be in strict competition during Recruit Training. Twenty percent of these men will go to Service Schools of their choice, another 25% of the men will be assured on one of the Navy Technical Schools. This is every boys chance to train with men of his home State and Buddies. Your Navy Recruiter is in Brownwood, at Memorial Hall each Monday and Saturday.

Mr. and Mrs. James Hipp and Linda, and Mr. and Mrs. Jack Wristen, Dixie and Tommy, all of Abilene, were week end visitors with their parents, Mr. and Mrs. Dan Wristen.

J. B. Crain and family of Abilene visited in the E. E. Blanton home and with her mother, Mrs. Dovie Wright, from Friday until Sunday morning.

Mr. and Mrs. C. D. Crump of Lubbock, visited from Thursday of last week until Tuesday, with relatives, the Barney Lewellen's, of Santa Anna and the John Crumps, and the C. A. Crumps in Coleman.

City Offers \$50 Reward For Gasoline Thieves

The City Council of Santa Anna this week offered a \$50 cash reward for information leading to the arrest and conviction of the person or persons who have been stealing gasoline from the two City Fire Trucks.

Gasoline has been taken from the fire trucks for the past several months, but most of the time some of the motor fuel has been being left in the trucks. At a meeting of the local fire department on Monday night, the fire boys found the Dodge Fire Truck had been drained completely dry and the Ford Truck almost empty. The Ford truck has a lock cap on the tank and the key to the cap was on the ring with the ignition switch key. The key had been taken out of the ignition switch and locked and the set of keys were finally found out side of the fire station.

As our fire department is solely a volunteer department, the station cannot be locked up and the keys must remain in the trucks and they are supposed to be full of gasoline and ready to go to a fire immediately. Had there been a fire Monday night, it is doubtful that either of the trucks could have made it to the fire.

The City Council wants this sort of thing stopped at once and thus are offering the \$50 reward. The reward notice also includes persons who might be in any way damaging any city property.

High School Honor Roll

Cullen N. Perry, principal of the Santa Anna High School, announces the following students as being on the honor roll for the past six weeks period:

FRESHMEN: Robert Perry, Patricia Bryan, Wanda Stevens, Judy Ford, Linda Riley and Eugene White.

Highest ranking students carrying five subjects are: Linda Riley, Bobbie Rehm, Barbara Harris, Bill McClellan and Diane Williams. High students carrying four subjects are: Judy Ford, Carlene Mills, O. B. Smith, Robert Perry, Ruth Milligan and Billy Wayne Lowry.

Egg Shower For Orphans & Aged

The Christian Woman's Fellowship had an interesting meeting on Wednesday of last week. Mrs. L. O. Garrett, worship chairman, brought interesting devotions on the "Beatitudes" and told of two very devoted christian women of India. Mrs. Preston Bailey conducted an interesting lesson on India, Pakistan and Ceylon and showed pictures of the missionaries in India supported by the church.

It was agreed to have the annual egg shower for Juliette Fowler Homes for Orphans and Aged on Wednesday, March 16th, in the afternoon, at the Annex. All members of the church are asked to keep this in mind.

Mr. and Mrs. Artie Irby and Mr. and Mrs. F. B. Hill were in Fort Worth on business one day last week.

L. A. Welch, owner and operator of the Welch Garage, was elected as President of the Community Chamber of Commerce at a meeting of the directors of the organization, following a meeting of the membership last Thursday night. Ozro Eubank, Registered Polled Hereford breeder and rancher, was elected as the Vice-President. W. F. Barnes is the Secretary and Manager.

The meeting of the membership was held in the club room of the Service Cafe with a good percentage of the members present. A report was made on the past achievements by the outgoing president, R. K. Green, and discussions were held concerning some projects for the coming year for the Chamber. The group also voted to hold their annual banquet, and the directors were instructed to make all the arrangements and set the date.

New two-year directors were elected, as follows: R. K. Green, L. A. Welch, Norman Hosch, W. R. Mulroy and Ben W. Yarborough. All of these were re-elections with the exception of Mr. Yarborough.

Carry over directors are: O. L. Cheaney, W. B. Griffin, J. W. Riley, Loyd Burris and Dr. Charles M. Henner. W. R. Mulroy was the out-going Vice President.

No Contest Develops In City Official Race

Filing deadline for candidates to seek election to six city offices was Saturday, March 5, and only six persons filed their names for the places. All the present council are seeking re-election with the exception of A. Preston Bailey. Claude L. Hodges is the only new candidate whose name will appear on the official ballot.

Hodges was elected to a two year term two years ago and after serving on the council for a few months, resigned and Ben W. Yarborough was appointed to fill his unexpired term.

Those seeking re-election are Dr. Charles M. Henner for Mayor; Hardy Blue, Robert L. Markland, Tom M. Hays and Ben Yarborough.

The election will be held at the City Hall on Tuesday, April 5.

Don Davis To Take Tour To Europe

Don Davis, son of Mr. and Mrs. Mark Davis, will be one of the 30 members of the McMurry Indian Band who will take a two weeks tour of several European Countries as a goodwill gesture of the Abilene Rotary Club. About 35 other Abileneans will also make the trip.

The group will leave Abilene by plane March 11 and return March 27. At Fort Worth they will board a non-stop flight to New York and at 1 p.m., March 12, they will leave Idlewild Airport for London and will arrive there at 7:20 a.m., March 13. They will visit in London, then go to Paris, France; Amsterdam, The Netherlands; Zurich, Switzerland; and Rome, Italy. They have many sightseeing trips planned during the time and will give concerts at several places.

CHESTER GALLOWAY'S FATHER BURIED AT SOUL LAKE

J. J. Galloway, father of Chester Galloway, died at 12:30 a.m. Sunday, in a Beaumont hospital, after being seriously ill for about two weeks. Funeral services were held Monday in the First Christian Church in Sour Lake with burial in the Sour Lake Cemetery. Mr. and Mrs. Chester Galloway had been with him since he became ill. Survivors include the wife and six children.

Harold Bozeman who farms west of Coleman reported good returns from blue panic grass planted last spring. He grazed 147 grown sheep, 3 cows and 1 horse on 24 acres of blue panic for a total of 105 days during 1954. The value of the grazing was placed at \$12.90 an acre, based on current charges of 50 cents per month per sheep and

\$3.00 per month for a cow or horse. Bozeman stated he is well pleased with the returns from his blue panic and is preparing to plant an additional 30 to 40 acres this spring.

The normal grazing period for blue panic after the first year should last 240 days or longer. During 1954 several growers reported grazing from February through December, which amounted to a grazing period of 300 days or more. The returns from blue panic are considered to be much greater based on gain in weight of animals rather than on a monthly charge per head. Blue panic is invaluable as supplementary grazing, especially for sheep, during needlegrass season when severe losses in weight and even death losses occur.

Alfred Gulley, who ranches at Valera, recently inquired for a source of blue panic seed. He has land prepared for planting 100 acres to blue panic and ordered 150 pounds of seed. Local seed dealers at Coleman, Santa Anna and Talpa can supply seed needs.

Grady McIver of Trickham has land prepared for seeding grass on a waterway and watershed area to a new tank. He is using KR bluestem as protection against his tank filling with silt. J. C. Tomlinson of the Glen Cove area will also be preparing a watershed and waterway cover for his field tank. Mr. Tomlinson is using a combination of KR bluestem and native grasses.

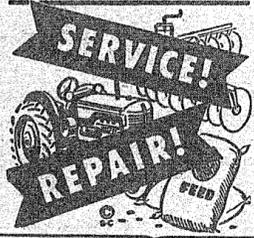

New district cooperators with the Central Colorado Soil Conservation District who are now in the process of developing a conservation plan for their farm or ranch are Eldridge Whitfield, Clyde Thate, and W. J. Justice of zone three north and east of Coleman; Arthur Casey, Montie L. Guthrie Jr., S. L. Heilman, D. C. Kadding, Curtis Jamison, F. B. McDonald, A. P. Bailey and L. W. Jamison in zone four south and east of Coleman; W. A. Pate, Tom Pate, Ernest Wilson, Ray Lee, Roy Pearce, J. M. Thomas, and W. A. Younglove of zone five south and west of Coleman.

Mr. and Mrs. J. J. Horner were in Abilene Sunday and visited in the home of their son-in-law and daughter, Mr. and Mrs. W. A. Byrom. Other members of the family who visited with them

there were: Mr. and Mrs. Emmet Smith of Lovington, New Mexico, Mr. and Mrs. Dennis Smith of Monument, New Mexico, and Mr. and Mrs. Bailey Horner and children of Coleman.

Many Fires Originate In Grass, Brush

More than one-third of this country's 900,000 fires reported yearly are grass and brush fires, reports the National Board of Fire Underwriters. Over 320,000 such fires were recorded in urban areas in 1953, the most recent year for which statistics are available.

The fact that this represents a

12 per cent decrease from the 1952 figure is encouraging. It proves beyond a doubt the value of fire safety measures. If the toll has already been lowered 12 per cent, it can be lowered much further!

Here are the best ways to cut down the number of grass and brush fires:

1. Never throw a lighted match or cigarette butt from a car window. Use the car ash-tray!

2. If you are hunting, hiking, picnicking or otherwise enjoying the outdoors, be very careful when discarding matches and

smoking materials. Be sure they are dead out. Do the same with any fire you may light for cooking or warmth.

3. If you must burn rubbish (and if your town allows it), be sure your fire cannot get out of hand. Rake combustible material from a 3-foot strip around the fire. Have a pail of water or garden hose handy. Burn in a covered metal container. Don't burn when the wind is high.

4. If you own a field which you intend to burn over (although this is not recommended because the burning destroys valuable humus on top of the soil), take

these precautions: Plow a fire-break at least six feet wide around the field to be burned. Avoid burning when there are high winds. Set the fire to burn against, rather than with the wind. Be sure the fire department is alerted before you start to burn.

5. Keep grass cut short near the house and any outbuildings, to minimize the danger of a grass fire if one should occur despite all precautions.

Experience always provides the raw material for a lot of unnecessary conversation.

The Future Homemakers had as their guest speaker, Mrs. Ingrid Griggs on February 26. She now lives in Sweetwater, but Norway was formally her home. This was the Future Homemakers' assembly program for this year. Her mother also attended the program. She is visiting here from Norway.

Mrs. Griggs spoke on her quiet childhood in Norway and her underground work in France during World War II.

Her description of Norway was as a fairyland and the land of

the midnight sun. She said that they have natural harbors and many luxury ships which bring sightseers. Norway is very beautiful with rugged land, waterfalls, and pine forest. The winters are very cold and the storms are very bad at times. Norway has six months nights and six months days.

They celebrate May 17th as freedom celebration.

Mrs. Griggs worked in the French Underground where she suffered many hardships.

After her talk she answered questions asked by the student body. Public Relations Officer,

Presbyterian Church To Host Spring Meeting Thursday

The First Presbyterian church will be hosts to the Spring meeting of the Brownwood Presbytery and Presbyterial, which will be an all day affair on Thursday, March 17th. Around 100 persons from out of town are expected to attend. The Presbytery and Presbyterial (the womans organization) meet separately except for the eleven o'clock worship service which will close with a Communion service.

The local Church is busy making preparations for the meeting.

Mrs. Lorene Rice Hostess To Delta Omicron Sorority

The Delta Omicron Sorority met in the home of Mrs. Lorene Rice Monday, February 28, with Mrs. Martha Trinklein as co-hostess.

As the guests entered the home, the date of a holiday was pinned on their back. Each one had to guess the holiday by asking questions concerning the date. A progressive game of "Hearts" followed. Prizes were awarded for the high score.

Refreshments of sandwiches, potato chips, pie, punch and coffee, were served. The next meeting, a business session, will be held March 14.

20th Century Club Has Interesting Meet

The meeting of the 20th Century Club, in the home of Mrs. Clifford Stephenson last Friday afternoon, was quite well attended. Mrs. Doug Moore, the president, opened the meeting and routine business was attended to.

A program was given on "Pedestrians" and "Are You a Careful Walker?" Much information was brought out concerning the fearful toll of accidents and deaths of pedestrians. Many times it is their fault. Careless and speedy drivers were also brought into the discussion. A national survey revealed that several Texas cities are improving along these lines.

A course in Driver Education is required in California for High School graduation and other states are considering it.

Taking part in the panel discussion were: Mrs. Oder, Mrs. Benge, Mrs. Goen, Mrs. Alfred Williams and Mrs. Bill Pritchard.

The Club is much pleased with program material used each month provided by a well known magazine.

A get well card was signed by all and sent to Mrs. Willis Richardson in Abilene, who was having surgery.

It was agreed to have an all day quilting and covered dish luncheon at the next meeting, which will be held on Thursday, March 17th, instead of Friday, March 18th. The place will be announced later.

Those present besides the above mentioned were: Mrs. W. E. Vanderford, Mrs. Edd Jones, Mrs. Warren Aldridge, who became a new member, and Mrs. Johnnie Field of the Liberty community, also a visitor. Another visitor who received lots of attention was little Cynthia Moore, granddaughter of Mrs. Moore, and great granddaughter of Mrs. Goen.

The hostess served refreshments of apple pie topped with ice cream, salted nuts, coffee and cold drinks.

Garden Club Met With Mrs. Barnes

The Mountain City Garden Club met Friday afternoon in the home of Mrs. Ford Barnes. There was a mantle arrangement of jonquil and jasmine combined. A larger arrangement of the same flowers, in a silver bowl, centered the dining table. Potted chrysanthemums and geraniums completed the decorations. Mrs. Ross Kelley assisted Mrs. Barnes with the arrangements.

Roll call was answered with "I Succeeded With this Annual". Mrs. Tom Mills discussed Wild Flowers.

Dahlias was Mrs. Arthur Casseys subject. Ten Garden questions were asked by Mrs. Otis Bivins in the form of a panel with Mrs. Collier, Mrs. Bilce, Mrs. Pierre Rowe, and Mrs. Barnes taking part.

Mrs. Faury Williams was welcomed as a new member. Other members present besides those mentioned were: Mrs. J. Edd Bartlett, Mrs. A. R. Brown, Mrs. C. L. Eeds, Mrs. J. R. Gipson, Mrs. Rex Golston, Mrs. Norman Hosch, and Mrs. Ella Stiles.

Mrs. A. D. Hunter is visiting this week with her son and daughter-in-law, Mr. and Mrs. Archie Dean Hunter and Elizabeth in Dallas.

Sparks - Wallace

Mrs. Yvonne Sparks and Morris Wallace were married on Friday, March 4th, at 11:00 a.m., at Carlsbad, New Mexico. The double ring ceremony was performed by Dr. J. Melvin Ray, Pastor of the First Baptist Church, of Carlsbad, in his study. For the ceremony the bride wore a navy blue crepe dress, with avocado accessories and a white hat.

After the ceremony the couple toured other parts of New Mexico and points in West Texas. They arrived home Sunday night.

The parents of the couple are, Mr. and Mrs. D. L. Wallace and Mr. and Mrs. E. E. McClintock, all of Santa Anna.

The newly weds will make their home at the Roy Francis place south of Santa Anna.

The bride is employed in Brownwood and the groom, at the local tile plant.

Banta - Bates

Miss Rosa Lou Banta was married to Alton Bates on Friday, March 4th, at 7:00 p.m. The ceremony was performed by Rev. L. L. Hatfield, pastor of the North Coleman Baptist Church, at his home in Coleman. Those present for the ceremony were, Mrs. Hatfield and son, Eugene Hatfield.

For the occasion the bride was wearing a blue dress which had gold pin stripes. With it she wore a necklace set of pink rhinestones, a gift from the groom while he was serving in Korea.

She carried a white Bible topped with an arrangement of pink rosebuds.

The bride is a daughter of Mr. and Mrs. D. J. Banta of Coleman, where she attended High School. The groom is a son of Mr. and Mrs. Fred Bates of Santa Anna. He attended High School here.

The groom returned home in December after serving with the Army for two years, with 14 months overseas duty.

The newly weds are at the present making their home with his parents on Bowers Street.

EASTER SEALS GO ON SALE

Olin Culberson, Austin, member of the Texas Railroad Commission and prominent civic leader of the State, was today named Chairman of the 1955 Easter Seal Campaign to help crippled children. The announcement of Mr. Culberson's appointment was made by Harlan Powell of Dallas, president of the Texas Society for Crippled Children.

The Easter Seal Campaign will open March 10, and continue through Easter Sunday, April 10. The object of the campaign is to raise funds for the care and treatment of dependent crippled children of Texas, providing treatments and such material aid as wheel chairs, braces, corrective surgery and other services.

Accepting the appointment, Mr. Culberson said he was "greatly honored to be named to head such a worthwhile and humanitarian cause."

"Every contribution, every dollar," he said, "goes to help some crippled child. There are many in our State who need our help. On the success of this campaign depends the future happiness and well-being of many children."

"It is a job for every citizen of Texas. In the past years, great

Sheep and Goat Raisers To Meet At College Station

San Angelo - The second quarterly meeting of the Texas Sheep & Goat Raisers' Association will be held in College Station, Tuesday, March 15, R. W. Hodges, Association President, has announced. Officials of the agricultural division of Texas A & M College are hosts to the meeting. As usual all members and all other persons interested in the sheep and goat industry are invited to attend this meeting.

"Your officers and many others have been very busy since our last meeting and I am anxious to report those activities," Hodge added.

College officials have planned a tour of the new livestock and related facilities Monday afternoon. Arrivals should be planned early enough to include this activity, he said.

All meetings, both committee and general, will be held in the Memorial Student Center. Requests for rooms should be sent to the Room Clerk, Memorial Student Center, who will reserve rooms at one of the nicer motels as all rooms at the MBC are already reserved, Hodge added.

Mr. and Mrs. Stafford Helm and their other children, of Fort Worth, came Sunday and visited with her parents, Mr. and Mrs. Dan Blake. They took their twin daughters, Emily and Dana, home with them, from a weeks visit here with their grandparents.

Anyone who expects to live by his wits should first be sure he has his wits in his possession.

How to Pray

Lesson for March 13, 1955

PRAYER is contact. It is contact between man and God. It is contact of the finite with the Infinite. A Christian, a real Christian, who does not pray, is as absurd and impossible a figure as an athlete who never leaves his bed, a student without a brain, a human being who never eats. Not to pray is to lose contact with the living God. "Prayer is the Christian's vital breath" as the old hymn says. All Christians know this but many feel puzzled about it all the same. Our prayers seem feeble and useless and we may even be tempted to give them up entirely; but many who give up praying would keep on if they only knew how.

Dr. Foreman

Ask! There is so much in the New Testament about prayer, that a person may well read it through with this one question in mind. Let any reader who wants to try this, start out with a good translation of the New Testament (the R. S. V. for instance or some other modern and readable version) and a blank notebook. In each day's reading notice every reference to prayer—who prayed, why, how, what the result was; or what is said about prayer (as for instance by Jesus and Paul). Some points, it will be found, come out over and over again. Others may be touched on rarely. But few days will go by without the reader finding something that can be jotted down in the notebook, which may have for a title: What I Have Learned About Prayer from the New Testament. One thing will certainly come out from the first: Prayer is something God expects of all His children. Prayer is a privilege but it is also a duty. You can raise all the riddles about prayer you can think of—and they are many. You can think of all

sorts of things that scare you away from prayer—your own insignificance, God's greatness, the strong possibility that you may not know what is really best for you, and so forth. But all those things were true when Jesus gave His friends those three simple commands: Ask! Seek! Knock! There are blessings that come only to those who ask. There is light to be found only by those who seek. There are doors that open only to the voice of prayer. Without confidence, prayer ends before it starts.

In Jesus' Name

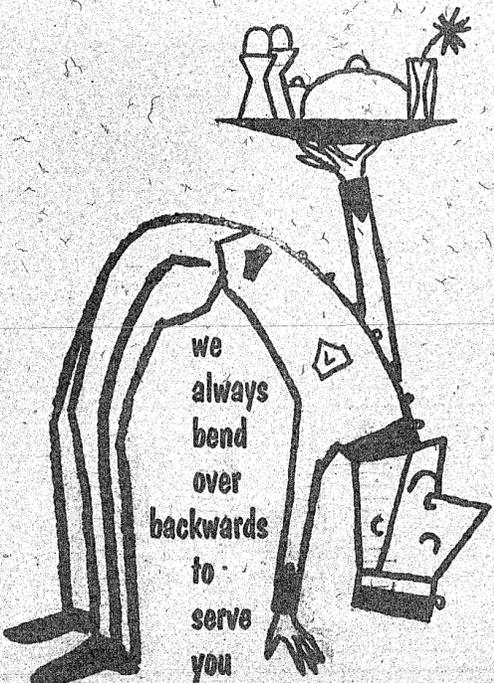

One thing Jesus said has met with much misunderstanding: "If ye ask anything in My name, I will do it." It is not right to think of this promise as attaching a magical influence to the form of words "In Jesus' name, Amen." It is not true that any prayer ending with those words is a prayer that will be answered, and any prayer not ending with those words will not be answered. That is not what Jesus meant at all. Take the story of the two prayers, the publican's and the pharisee's (Luke 18:9-14). Would the pharisee's prayer have been answered and honored if he had ended that proud petition, or rather that prayer of thanksgiving, with the words "In Jesus' name"? Of course not. If he had added such words they would have been out of place. A prayer in that holy Name is truly in the Name only when it expresses the mind of Christ, only when (so to speak) he could sign his name to it. The more nearly our prayers are like what our Lord Himself would think of, the more nearly they will come to being fully answered.

Our Lord's Prayer

The most famous prayer in the world, the one most often repeated by Christians, is the Lord's Prayer. Jesus did not intend this as a formula. A Christian who never prays except in these exact words would not have understood what Jesus taught about praying. What Jesus did mean by giving us this prayer is to show us the "manner" of prayer—that is, the lines on which true prayer must be made. The reader is encouraged to study this short but wonderful prayer again and again, as a guide to his own talks with God. One very important thought is in the very first word: "Our." If the first "How" of prayer is confidence in God, the second is harmony with the mind of Christ, and the third is suggested by this word "our"—remembering we are not alone. If any desire is selfish it is desire that God will not bless. (Based on outlines copyrighted by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. Released by Community Press Service.)

No gasoline—no, not a single one—has higher octane than New 1955 GULF NO-NOX

This lamp is burning the "DIRTY-BURNING TAIL-END" of gasoline which GULF refines out

This lamp is burning NEW SUPER-REFINED GULF NO-NOX, the clean-burning super-fuel

This lamp test shows what a difference Gulf super-refining makes. Gulf refines out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new NO-NOX.

but octane alone is not enough...

That's why new Super-Refined Gulf No-Nox is specially made to burn clean—to protect your engine—to give you thousands of extra miles of full engine power.

Fill up with new NO-NOX and feel the difference in lasting power. You'll get:

- More complete protection than with so-called "miracle-additive" gasolines. • Extra gas mileage in the short-trip, stop-and-go driving motorists do most. • Stall-proof smoothness... instant starts... fast, fuel-saving warm-up. • No knock, no pre-ignition—even in today's high-compression engines.

This is GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own super No-Nox. • It is our sincere belief that No-Nox is the finest gasoline on the market today,

and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection. • This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Oil Corporation.

Plans Easter Wedding

The engagement of Miss Frances Gay Marley, pictured above, daughter of Mr. and Mrs. Clyde Marley of Roswell, New Mexico, to Miles Kenneth Vance, son of Mr. and Mrs. John Will Vance, Golden Hoof Farms, Shields Community, has been announced by her parents. An Easter wedding is planned.

Miss Marley is a graduate of Roswell High School, and has been attending New Mexico A and M College at Las Cruces. Kenneth Vance was graduated from high school at Santa Anna, Texas, and attended Tarleton State College at Stephenville before entering the service. He has just completed two years of army service at Fort Lewis, Washington, near Tacoma, Washington.

Kenneth is the grandson of the late Mrs. Miles W. Vance of Shields and Santa Anna, and Mr. and Mrs. A. J. Martin of Trickham. Miss Marley is the grand daughter of Mrs. May Corn Marley and Mr. and Mrs. T. J. McKnight of Roswell, N. M.

World Day of Prayer Well Attended

There was a large attendance of women and two preachers present when the World Day of Prayer was observed in the First Christian Church on Friday afternoon, February 25th.

Mrs. Alfred Matar, wife of the Seventh Day Adventists pastor, as a call to worship, played a medley of much loved and familiar old hymns, (on a Vibraharp). This was exceedingly well done and was very worshipful.

Mrs. Jasper McClellan was in charge and gave the origin and history of the World Day of Prayer. The theme of the gathering for the day, wherever observed, was "Abide With Me." Mrs. Charles Henner sang the beloved song of that title, which she had transposed. Mrs. Matar played the piano accompaniment for Mrs. Henner and for group singing.

Rev. Glenn Brigman, pastor of the church, spoke on the vine and the branches and the importance of "Abiding in the vine." He also told of some of the worthy causes helped by the World Day of Prayer offerings.

There were special prayers and many volunteer sentence prayers. These annual world wide prayer services are inter-church and interracial. At this meeting there were several colored women in attendance, who mingled their voices in song and joined in fervent prayers.

Ladies taking the offering were: Mrs. Clifford Stephenson, Mrs. A. R. Brown, and Miss Ruby Harper.

At the close of the service all joined hands in a friendship circle and sang a verse of "Bless be the Tie that Binds."

Mr. and Mrs. J. D. Hogan of Bangs, visited Sunday afternoon with Mrs. B. McCain and Louie.

Visitors in the Collin Price home for the week end were: Mr. and Mrs. Elvis Selman, of San Rafael, Calif., (formerly Anna-belle Price); and Mr. and Mrs. Alford England, of Abilene.

PTA Reaches Goal Of 100 Members

Entertainment was furnished by Mrs. Bowker, Mrs. Taylor and Mrs. J. L. Harris. The first and second grade pupils. There was a great deal of action along the lines of "Swing and Sway", square dancing and the like. All was expertly done to the music of a recorder. All showed careful practice and training.

Miss Eudora Hawkins, speaker of the afternoon, was fully up to her well known ability as a speaker. She plead that we have more moral training in our schools and that every pupil be thoroughly taught our American history, the famous sayings, and addresses of our famous American speakers and leaders.

She then showed interesting sound pictures of "How We Improve our American Standard of Living". It was stated "Productivity is Still the Key to Plenty". The picture showed how machinery is producing more and more. Now 94% animal power, 2% man power and not much more. The talk and picture gave us lots to think about.

During the business session, Mrs. John Gregg reported \$171.41 in the treasury. Three new members were received making 100 members.

Mrs. Dick Baugh reporting for the nominating committee presented names to serve as officers for next year. For President, Mrs. Billie Guthrie; V-President, Mrs. Norval Wylie; Secretary, Lea Mitchell; and Treasurer, Mrs. Richard Horner. All were elected.

Mrs. J. L. Harris' second grade pupils won the attendance award.

The next meeting will be on Tuesday, April 5th.

ROCKWOOD H. D. CLUB HAS REGULAR MEETING

Mrs. Tom Bryan gave a demonstration on waist lines and plackets when the H. D. Club met at the Rockwood lunch room, Wednesday, March 2. Mrs. Betsy Lacy was to give the demonstration but was absent because of illness.

Mrs. John Hunter served punch and cookies to Mrs. Elec Cooper, Mrs. Sherman Hellman, Mrs. F. E. McCreary, Mrs. Roy Blackwell, Mrs. Jack McSwane, Mrs. Blake Williams, Mrs. Hilton Wise, and Mrs. Tom Bryan.

Mrs. Roy Blackwell will be hostess for the next meeting, Wednesday, March 16, at the lunch room.

Mrs. Mace Blanton and Mrs. Stanley Price of Ballinger spent Sunday afternoon with Mrs. Fries' sister, Mrs. Paul Byrom of Brownwood.

Mrs. Jesse Fletcher of Graham, Mr. and Mrs. Jack Thigpen and Mrs. W. A. Hudler of Fort Worth came Sunday to be with their mother, Mrs. Frank Thigpen, who was ill. Mrs. Fletcher and Mrs. Hudler remained for a few days.

State Capital NEWS

Austin — Top news of the week is the arrest of Bascom Giles.

The former land commissioner was charged with conspiracy to commit theft of \$83,500 in state funds.

Giles' indictment was issued by the Travis County grand jury following investigation of alleged irregularities in the veterans' land program.

He was released after posting a \$60,000 bond — first set at \$100,000 and later reduced.

Strict secrecy has shrouded Travis County's land fraud indictments.

An unknown number of them have been made. Names of others indicted will be announced as arrests are made.

District Attorney Les Proctor said the indictments were sealed "in the interest of law enforcement." He would not estimate how long it might be before the names could be made public.

Proctor also had asked for a special jury to prevent any let-up in the investigation.

District Judge Charles O. Betts signed an order calling a special grand jury into session on March 10. His order does not limit the jury to land investigations, although that is its actual purpose.

Betts' order will keep the jury in session until the last Saturday in July. The previous grand jury's session expired March 5.

Rumors in Capitol corridors have it that the most outstanding breaks in the land investigation are yet to come.

McLarty Returns

T. J. McLarty of Denver, Colo., one of several real estate promoters indicted in connection with veterans' land transactions, returned to Texas to post a \$26,400 bond and talk to legislative investigators.

He has asked the privilege of having other witnesses and records subpoenaed.

Shepherd Busy

A report from the Attorney General's office reveals that since the beginning of the veterans' land investigation in October of last year, John Ben Shepherd's office has been a beehive of activity.

Shepherd estimates he and his assistants have traveled over 18,000 miles and have put in over 41,000 man-hours of time on the veterans land investigation.

Shepherd has met with grand juries almost daily.

Thus far, the Bexar and DeWitt Co. grand juries have returned a total of 188 indictments against eight persons involved in veterans' land sales.

In addition, the State has three criminal complaints in Travis County.

Ten civil suits have been filed against 25 separate promoters. The total recovery sought by Shepherd in these 10 suits is \$1,604,000.

Attorney General Shepherd plans to meet with 13 different grand juries during the month of March. He forecasts that this month will see the returning of "hundreds of criminal indictments against most of the persons involved."

Shepherd has added a complete new division to his department to process veterans' land civil and criminal cases. It is headed by Cecil E. Burney of Corpus Christi, an ex-prosecutor and former president of the State Bar of Texas.

Session Passing

Half of the regular session of the 54th Legislature is gone. Governor Shivers said he was not perturbed at the slow start on important tax, water, appropriations and other legislation. He hadn't expected lawmakers to finish much legislation in the first half of the session.

There still is plenty of time, the Governor believes, to complete the program.

Minor Water Bills

Two minor water bills got an okay in the House.

One gives the State Water Board power to review proposals for federal projects. Veto power for the governor, originally in the bill, was stricken out.

The other requires water districts to register with the state board.

Important water conservation measures, involving millions of dollars, have not reached a vote in either house.

Insurance Bills

Two big insurance bills were hung in committee. Rep. Floyd Bradshaw's omnibus bill would regulate fire and casualty companies of all kinds. Sen. Henry

Bracewell's would regulate life companies.

Regulations in Bradshaw's bills would: Raise minimum capital and surplus requirements (combined) to \$200,000 for fire companies; \$300,000 for casualty; and \$500,000 for companies writing more than one line.

One advocate of his bill said, "Insurance companies have to be born big."

Governor Shivers, on the other hand, said that just because an insurance company is small doesn't mean it isn't sound.

Bracewell's bill would raise minimum capital and surplus requirements of life companies to \$200,000 and require that it be kept in cash or bonds, not in real estate.

Rep. Vernon Smith charged that "vicious and false propaganda" by out-of-state insurance companies had impaired confidence in Texas insurance.

Rep. Herman Yeazak suggests the 150-member House be cut to 100 representatives.

A bill by Sen. A. M. Aikins Jr., to double drivers' license fees, won a favorable committee report.

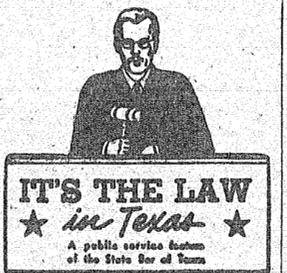

Also approved was a House bill to increase college tuition fees from \$25 to \$50 a semester.

Rep. Joe Chapman has offered a bill to soften the driving-while-intoxicated law.

Bills to create a state utilities commission for rate regulation were pocketed in sub-committees in both chambers.

Political talk has Senators Crawford Martin, Jerrard Seccrest and Dorsey Hardeman in the 1956 race for attorney general or lieutenant governor.

Agricultural Commissioner John C. White, only Democratic nominee in 1952 to reject Republican cross-filing, is being discussed as a possible choice of Texas liberals for governor.

INSURANCE QUESTIONS ANSWERED

One of the most familiar types of contracts is the insurance policy, as nearly everyone carries some sort of insurance protection. Yet, few people take the trouble to read their policies and lawyers have to answer many questions regarding insurance generally.

Here is a problem frequently presented: "I have a hospitalization insurance policy. Will the company pay all of my hospital bills if I become ill?"

It may or may not. Insurance is a contract between the insurance company and the policy holder. In the usual contract the policy holder agrees to pay a certain sum of money for the policy insurance, and the insurance company agrees that should the policy holder incur hospital expenses that the insurance company will make payment to the policy holder of stated sums, as set out in the policy of insurance.

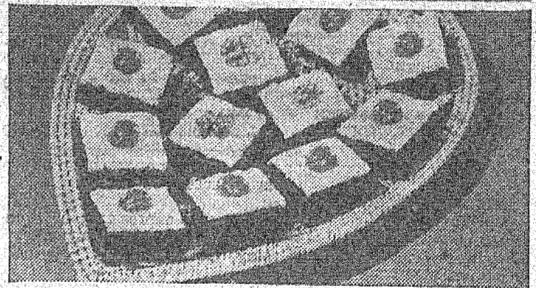

The insurance policy itself must state the complete contract between the parties. The oral statements of agents not in harmony with the policy are not binding on the company. The company is bound to pay only such sums as are specifically set forth in the policy of insurance.

Practically all policies have a section called exceptions and exclusions. The policy holder should particularly read this section before purchasing a policy of any kind of insurance. It would be possible for a policy of insurance to have so many exceptions and exclusions as to practically nullify any benefits under the policy.

Another question often asked is: "Can I sue the insurance company which issued a liability policy covering the car of someone who runs into and damages my car?"

For all practical purposes you may not sue the insurance company which carries insurance on the other fellow's car to protect him from suits in case of his negligence. You must look to the owner or driver of the other ve-

Delectable fudge squares—quick, easy, and so good!

These Southern Fudge Squares will win applause from youngsters, the men folk and fussy aunts alike. Made thick or thin, they're equally delicious—vary the topping to suit your fancy!

SOUTHERN FUDGE SQUARES

- 1/2 cup shortening
- 1/2 cup sugar
- 1/2 cup KARO Syrup, Blue Label
- 1 egg, beaten
- 1 teaspoon vanilla
- 1 square unsweetened chocolate, melted
- 1 cup sifted all-purpose flour
- 1/2 teaspoon salt
- 1 teaspoon baking soda
- 3/4 cup sour milk

Cream shortening, gradually add sugar and beat until light and fluffy. Add KARO, beat well. Add egg, vanilla and melted chocolate. Add sifted dry ingredients alternately with sour milk, stirring just until smooth after each addition. Pour into well-greased oblong pan (12 x 7 x 2 inches) or 2 8-inch square pans. Bake in moderate oven (375° F.) about 25 minutes. When cool, spread with your favorite chocolate butter-cream or fudge frosting and cut into 2-inch squares. Makes about 18 squares.

Note: For thick cake-like squares, bake in 8-inch square cake pan in moderate oven (350° F.) about 45 minutes.

GOOD NEWS TOO

Changing Times, the Kiplinger magazine, recently released some statistics which compete favorably with many of today's headlines. For instance:

1. There are 162,992,000 Americans who are not members of the Communist Party.
2. Some 37,011,460 couples will stay more or less happily married during the year.
3. Some 162,717,890 persons will

not die of cancer in 1955. 4. And 162,380,580 persons will be safe from fatal heart attacks. 5. Most of the time, 15,720,000 organized workers are not on strike. 6. The Internal Revenue Service will find that 43,846,154 income tax returns are filed correctly in 1955. 7. On the average, there are 63,880,000 people working to bring home the bacon. 8. Last year, the scheduled airlines safely carried passengers 31,674,931,200 miles. 9. And finally, there are 83 countries in the world that have not discovered the secret of the hydrogen bomb.

hicle for your damages. Upon his becoming liable to pay those damages to you, then he in turn looks to the insurance company to make the settlement for him, or to reimburse him for the settlement which he has made.

If the case goes to trial before the jury, even though you may know that the other party carries insurance, if there arises any discussion of the fact that insurance is carried by the other party, then the courts have held that it is the duty of the trial judge to declare a mistrial.

This means that you will have to start all over again and try your case from the beginning before the jury, at a later date. Your case is not dismissed, and you do not lose your rights to be heard on your case because of the word "insurance" coming into the case, but it does mean that the trial then in progress must be dismissed and you must start all over again before a new and different jury.

The theory of the appellate courts is that the mere introduction of any evidence or any testimony to the effect that there is an insurance company involved in any way in the case, is highly prejudicial to the Defendant and his cause of action.

The appellate courts further say that it is reversible error, that is, such error as will set aside the findings of the jury, if the jury is retiring to consider their verdict discuss whether or not either or both of the parties might or might not have insurance to back them up or protect them.

From where I sit... by Joe Marsh

Uses His Head Saves His Feet

Nobody around here can remember when Pop Turner wasn't our town's postman. He must have been toting that big, heavy mail-sack since Pony Express days.

That's why it's sometimes a shock to see him these days pulling his mail bag around in a "caddy cart," a sort of light wagon that golfers use so they don't have to carry their clubs.

"Folks sometimes holler 'gawd' at me and ask me how my game is," Pop reports, "but I'm not ashamed to learn something new. Just wish I'd thought about these golf gadgets years ago!"

From where I sit, it's good to see someone come up with a new wrinkle — keeps us from feeling too regimented. For instance, perhaps you've always felt that hot milk is the only thing to drink at bedtime. Then someday you meet a fellow who prefers a cold glass of beer. Well, that's his choice — and certainly he's entitled to it. We can't expect everyone to follow our old habits to the "letter."

ROCKWOOD WMS HOLDS MISSION PROGRAM

The Woman's Missionary Society met at the Rockwood Baptist Church Monday afternoon in the Annie Armstrong home. Mrs. Evan Wise was in charge of the program. Mrs. Frank McCreary led the opening prayer. Those on the program were: Mrs. Ray Steward, Mrs. Matt Estes, Mrs. A. L. King, Mrs. Lawrence Brusenhan, Mrs. Claud Box, Mrs. Evan Wise and Mrs. Frank McCreary.

Mrs. Ray Steward will be hostess to the WMS social meeting at her home near Rockwood, Monday, March 14.

Mr. and Mrs. J. Hays Dixon were up town Monday afternoon and he was getting about some, with the assistance of two crutches. It was the first time he had gotten about up town since he suffered a stroke 13 months ago. A very few times he had been brought in a car in front of a barber shop and he would manage to go in. A large part of the time of his affliction he has been a patient in the Veterans hospital in Temple where he has been treated for paralysis and facial cancer. Mr. Dixon looks real well and weighs more than he has in years.

Mr. and Mrs. Martel Eubank and children of Corpus Christi, were week end visitors with her mother, Mrs. T. J. Wristen. Mrs. Wristen returned home with them for an indefinite visit.

TO: P. W. McKay, R. L. Ray, F. E. Baker, H. Grady Bailey, trustee, American Petroleum Company, American Petroleum Producing Company, Elbert Ezzell, H. S. Stubblefield, J. H. Holderman, J. H. Holderman, S. Sprawls, A. L. Mayhew, Ed Little, G. L. Huestis, R. R. Little, individually and as trustee of Texas California Royalty Syndicate, a trust estate, Texas California Royalty Syndicate, Atlantic Pacific Oil Corporation, O. T. Rutherford, and the unknown heirs and stockholders of the said Defendants, Greetings:

You are hereby commanded to appear before the Honorable 35th District Court of Coleman County at the Court House thereof, in Coleman, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 11 day of April A. D. 1955, then and there to answer Plaintiff's Petition filed in said Court, on the 16 day of February A. D. 1955, in this cause, numbered 7905-A on the docket of said court and styled A. V. Bullard and wife Eull Bullard and F. R. Schmidt, Plaintiffs, vs. R. L. Ray and the other parties first named in this writ and to whom it is directed are Defendants.

A brief statement of the nature of this suit is as follows, to wit: Plaintiffs alleges that they are the owners of the leasehold estate and minerals of more than fifty (50%) percent interest of the total mineral ownership in the following described land situated in Coleman County, Texas; to wit: 337.6 acres of land, being 317.7 acres out of Robert Merritt Survey 256, abstract 519, and 19.9 acres out of George Eubank Survey 173, abstract 159, and being all of the Blocks Nos. 2, 3 and 4 of the subdivision of the George Rae Pasture, Coleman County, Texas, as per plat of said subdivision of record in Vol. 67, page 520, deed records of Coleman County, Texas, and being same land described in deed from G. E. Younglove to A. V. Bullard of record in Vol. 309, page 366 of the deed records of Coleman County, Texas, to which reference is here made.

That each and all of the Defendants have absented themselves for at least five (5) years successively next preceding the filing of this action, and said residence of defendants and each of them are unknown to plaintiff and his attorney, that said defendants have not rendered nor paid taxes on their respective interest in said minerals for the past five years successively next preceding the filing of this action. That the exact mineral interest, owned and or claimed by each of said defendants is unknown to plaintiffs, Plaintiff asks for receiver to be appointed under Article 2320-b of Revised Statutes to execute a mineral lease on said interest owned by defendants, as is more fully shown by Plaintiff's Petition on file in this suit.

WILL SAND STORMS COME THIS SPRING?

It is a standard joke that you can see a lot of Texas if you just stand in one spot and watch the land go by.

This has been particularly true the past two years. Many an East and South Texas housewife hurriedly removed her wash from the line to save it from a coating of West Texas dust last spring. On occasion, even the red and white soils of Kansas and Nebraska cast a pall over the Texas sun.

Yet, the re-occurring dust storms are nothing to joke about. They are physical proof of the tragic destruction and loss of precious soil.

What are the prospects for 1955? A recent study by the Department of Agriculture indicates that wind erosion conditions still exist in West Texas and six other midwestern states. Drouth has held sway over this region for four years or more. Last spring the most widespread and severe soil blowing since 1938 was experienced. As a general rule, conditions have not much improved since last year. In some places, moisture and crop conditions have deteriorated still further.

This doesn't mean that dust storms and wind erosion will be worse when the usual high winds of March and April come. It depends on the force and persistence of the spring winds — and on the amount of rain that may yet fall. Fortunately, some rain has been received in parts of West Texas and the South Plains, but more is needed.

More than 4 million acres of land in the seven-state area were damaged by wind erosion this winter. If above-normal winds come to the region this spring as they did last year, farmers probably will have a serious dust problem.

If the sand comes, it will again point up the need for adequate conservation practices. The government in the past has provided cooperative funds to encourage permanent improvements that will protect the soil in "blowing" areas. Protected land is the only sure solution to the annual problem.

Mrs. James Dockery and little daughter, Stacy, left Saturday for a weeks visit with her mother, Mrs. Coralie Menincke, at Ozona.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Coleman, Texas, this the 16 day of Feb. A. D. 1955.

Attest:
G. A. HENSLEY, CLERK
District Court, Coleman County, Texas.

CHRISTIAN SCIENCE LESSON-SERMON

Man's trust in God's provision of all good will be stressed in the Christian Science Lesson-Sermon entitled "Substance" at church services this Sunday. This view is supported by selections which will be read from the King James Version of the Bible, and the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

The Golden Text is from II Corinthians (9:8): "God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work."

The following passage is from the textbook (p. 306): "The myriad forms of mortal thought, made manifest as matter, are not more distinct nor real to the material senses than are the Soul-created forms to spiritual sense, which cognizes Life as permanent." This is corroborated

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total sales.

DID you think you couldn't afford the price of a new 1955 Buick?

You certainly can — if you can afford any new car. And we'll proudly show our price tag to prove it.

For the delivered price of the Buick SPECIAL Sedan shown here is sharply competitive with those of the three best-known smaller cars—lower, in fact, than some models of those same cars.

Buick Sales Are Soaring

That's one big reason why Buick production and Buick sales are hitting all-time record highs today—and why Buick is outselling all other cars in America except two of the best-known smaller cars.

But an even bigger reason is this fact:

The price you pay for a Buick buys you a lot more automobile than the same money buys elsewhere.

It buys you big-car room and size and comfort and brawn. It buys you Buick styling,

Buick power, Buick handling, Buick ride steadiness — and the fun and pride and satisfaction of bossing the hottest car of the year.

And it buys you the widest choice in the industry today. For there's a Buick to fit any price range you name — the low-price SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

So why not come in and see how easy it is to swing the Buick beauty you've got your heart set on? Then you'll see why the thrill of the year is Buick in a lot more ways than one.

year is Buick in a lot more ways than one.

DID YOU KNOW—

- that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- that the Buick SPECIAL is priced below some models of the three best-known smaller cars?
- that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

Thrill of the year is Buick

Families Ready With New Plans

Approximately 12,000 Texas farm families who are operating, buying, improving, or enlarging their farms with Farmers Home Administration loans are ready with new plans for the 1955 farming season, State Director, W. T. McKay, Farmers Home Administration, Dallas, Texas, said today.

He said these families have carefully analyzed their last year's operations, compared their results with plans they made a year ago, checked on successful as well as unsuccessful operations, and have made new plans for the coming year. The Farmers Home Administration supplies farm and home record books to all families with supervised loans — that is, loans accompanied with on-the-farm technical aid service. The record books are simple, but complete. At the end of the year they show sources and amounts of income, what the money was spent for, farm inventory, what farm work or livestock practices paid off or lost money, debts owed, plans for repayment. The records are a guide for good business.

Each family is encouraged to bring in to the county office its farm and home record book and farm plans for analysis at the end of the farming season. The county supervisor and the farmer and his wife go over the records and plans thoroughly, and use last year's results as a basis for making next year's plans. Most of the year-end analyses in Texas were completed in December and January and February of this year.

The families keep the records up to date throughout the year to serve as consistent guides to farm operations. Mr. McKay said. Loans are based on farming as a business requiring records or simple bookkeeping for successful operations. The county supervisor visits the farm and homes as often as necessary to advise with the families on matters pertaining to efficient farming. When necessary, he aids the families with the plans and records when he makes the farm visits or when the families call at the county office.

The families are requested to refinance their Government loans as soon as they are able to go to a bank or cooperative lender for the financing they need. Most of them report that they continue the farm records and plans after they pay off their Farmers Home Administration loans. Mr. McKay said many bankers report that the good business habits developed by the families are valuable both to the families and the banks after graduation to commercial credit.

Mr. and Mrs. Doyle Hubbard and Sheila of Ballinger, were week end visitors with her parents, Mr. and Mrs. Clyde Windham.

Mrs. M. A. Pritchard returned home Sunday from a visit of several weeks with her daughters in Grandbury and Temple.

Business was dull on Capitol Hill last week, with the Senate getting attention because of the refusal of Senators Byrd and George to okay the House approved \$20-per-vote tax provision. Those two statesmen joined with others to eliminate the \$20 rider from the bill to extend for a year the corporate and excise tax rates.

The census bureau made news the other day when it released the latest figures on births and net population gains. Four million babies first saw the light of day last year, and the net gain was 2,823,000 — the biggest such annual gain in the Nation's history.

The statistics on the subject are interesting and rather startling to look at. As of Jan. 1, our population stood at 163,930,000. In round numbers, and assuming that nothing sets back the predicted rate of increase, our future growth may be projected as follows: By 1960, 178 million; by 1970, 206 million; by 1980, 234 million; by 1990, 262 million; and by the end of the century — a mere 45 years from now — 290 million.

To illustrate the long-range trend: The population of the country has more than doubled in the last 50 years. And it has increased by more than 50 million (by more than the total population of Great Britain at this time) since Calvin Coolidge entered the White House!

Fortunately, at least up to now we have experienced no pressing or critical difficulty because of this zooming population trend, apart from the school problem, in adjusting ourselves to it politically, socially and economically.

But there can be little doubt that as time wears on, and as our population increases by scores of millions from decade to decade, the impact on our way of life — in terms of education, highways, politics, social conduct, economics and so forth — will be profoundly far-reaching.

Last year the Government Printing Office issued the first official map of the United States. Printed in 9 colors, it is 5 by 7. I have a few of these maps available for free distribution if any of the readers are interested.

Future Homemakers Attend Area IV Meeting On March 4-5

The Santa Anna FHA Chapter attended the Area IV Meeting in Stephenville on March 4-5. The House of Delegates meeting was Friday night, March 4. Carolyn Woods was the voting delegate for the Santa Anna Chapter.

Saturday morning, March 5, the program began with registration at 8:30. From 9:00 to 9:30 the group was entertained by organ medleys. At 9:30 the morning session began. Area IV President, Margaret Furr, was presiding. Area IV First Vice-President, Nancy Dickson, had charge of the program. The invocation was given by Betty Gilbreath, National FHA Historian. The welcome was given by Dr. E. J. Howell, President of Tarleton State College. After the welcome, greetings was given by Miss Mattie Walker, Head of Home Economics Department, TSC, Mr. Reecie Jones, President of Stephenville Chamber of Commerce, and Don Wisdom, Area IV FHA State Vice-President. Linda Terry, Area IV 4th Vice-President, gave the response. Mr. Sam Furr, Area IV FHA Father, gave an interesting talk on what it had meant to him to have been the FHA Father this last year.

For morning entertainment, Bill Self, student of South Taylor High School, played three selections on the piano. A men's quartet sang two songs, but the most outstanding was "This Ole House." After this, the girls were in high spirits.

The highlight of the morning session was the guest speaker's

Game Party At Gym Was Good Success

The Game Party, sponsored by the Delta Omicron Sorority, at the high school gym last Friday night was very successful.

Ninety-five persons were in attendance and all enjoyed the evening of fun. A cake was given as a prize for the high score in each of the games played, Bridge, Dominoes, Forty-two, Canasta and Chilean.

Cake and coffee was served throughout the evening and after the games, cakes were auctioned. The Sorority realized about \$100 from the affair to be used to purchase books for the Colored School Library.

The Sorority expressed their appreciation to all who participated to make the program a success.

ANNOUNCEMENT

The Self Culture Club will meet at the Club Room Friday afternoon. A good attendance is urged.

All are reminded of the regular Second Sunday Singing to be held next Sunday, March 13th, beginning at 2:00 p.m. and lasting until 4:00 p.m. at the Northside Baptist Church, on Ave. B. As usual, a number of out of town singers are expected to attend, as well as much local talent. All are welcome to attend!

president's talk. Guest speaker, Dr. Otto R. Nielson, Dean of TCU, made a very interesting talk on the profile of the Future Homemaker. The definite points he brought out were: 1. You are now becoming what you are to be; 2. A person is a combination of three things: (a) Accumulation of the past; (b) Accumulation of the present; (c) We are conditioned by the goals we seek; 3. Everyone is a member of a social group. Margaret Furr's talk, based on "The Profile of a Future Homemaker", which was the theme for the meeting, was also very interesting. The group was dismissed for lunch.

The afternoon session began with entertainment by the Albany Pandangle composed of boys and girls from Albany High School. They were dressed

in early day western and pioneer costumes. The sing-song by the group was followed by a devotional, "Builders of Homes", presented by the Abilene Chapters. The Abilene Chapters presented a short skit. While the narrator read the parts, girls built a small house on the stage.

Following the skit, Jane Cagle, FHA State President, and Wanda Brewster, 3rd Vice-President, gave "Regional Rebounds." They told about their trip to the Southern Regional Meeting in Florida.

The 1955-1956 Area IV Officers were installed in a very lovely ceremony. All of the girls were dressed in white, and the table held an arrangement of red roses, the organizations' flower, and eight white candles symbolizing the purposes of the

FHA Organization. After the installation of officers, an honorary membership ceremony was held. Those honored were: Mr. W. R. Newton, Supt. of Schools, Lockett, Mrs. Mary A. Moore, Area IV Supervisor, and Mrs. Lynn Mathews, Homemaking teacher, Novice. This membership is given to persons who have rendered time and done something outstanding for the Future Homemakers Organization. The meeting was adjourned.

The girls attending the meeting were: Linda Moore, Judy Ford, Carolée Campbell, Carolyn Cupps, Frances Stearnes, Geneva Watson, Christine Turner, Shirley Little, Billie Joyce Woodard, Peggy Fleming, Juanita Cupps, Carolyn Woods, and Mrs. Winnie McQueen, sponsor.
