NUMBER 16

EDITORIALLY SPEAKING—

We Thank You . . .

We at The Santa Anna News want to express our appreciation to our readers for your fine response to the Mystery Farm Series we started publishing last week. Your response has been overwhelming.

The company that took the pictures and instructed us in the way to conduct the contest told us if we received six correct answers the first week, we would be on the average with other newspapers over the nation. Thus we were not expecting any such response as we received. We received about 70 guesses on the Mystery Farm and of this number 54 said it was Buddy Neff's farm.

In other reader's surveys we have taken in the past we have proved The Santa Anna News was read much better than the average weekly newspaper is. This again proves those who subscribe to The Santa Anna News read it carefully and we are proud of this fact.

Another picture is being published this week. We do not have the slightest idea who is the owner of this Mystery Farm and we depend altogether on the owner of the farm to come in and identify the farm and receive a beautiful 5 by 7 enlargement of the picture as published, free of charge.

When the owner of Mystery Farm comes in he will be interviewed and the history of the farm published the following week. This series is scheduled to continue for 52 weeks and during that time we will publish 52 different farm pictures. We hope yours will be among those published.

Santa Anna Wins Literary Meet At Bangs Friday

The Santa Anna High School won the District 15-B Interscholastic League Literary Meet at Bangs last Friday. Schools in District 15-B are: Santa Anna, Bangs, Early, Blanket, May, Sidney, Gustine, Goldthwaite, Zephyr and Brooksmith.

Santa Anna students gaining enough points to win the event were: Wess Wise, 2nd place in Number Sense; Olivia McIntire, 4th place in Number Sense; Leroy Pollock, 1st place Senior Boys Declaration; Nancy Wylie, 1st place Girls Extemporaneous Speech; Bobby Beville, 1st place, Boys Extemporaneous Speech; Barbara House, 2nd place Ready Writers; Shirley Simmons, 1st place Girls Poetry Reading; Otis Taylor, 2nd place Boys Poetry Reading; 2nd place in One Act Play held March 17 and 18; Typing, Santa Anna won 3rd place as a team and Diane Williams took 2nd place as an individual; Barbara Harris and Carlene Mills took 4th in Short-hand.

The typing team was composed of Diane Williams, Barbara Harris and Christine Barnes. The elementary school did not enter any students in the contest.

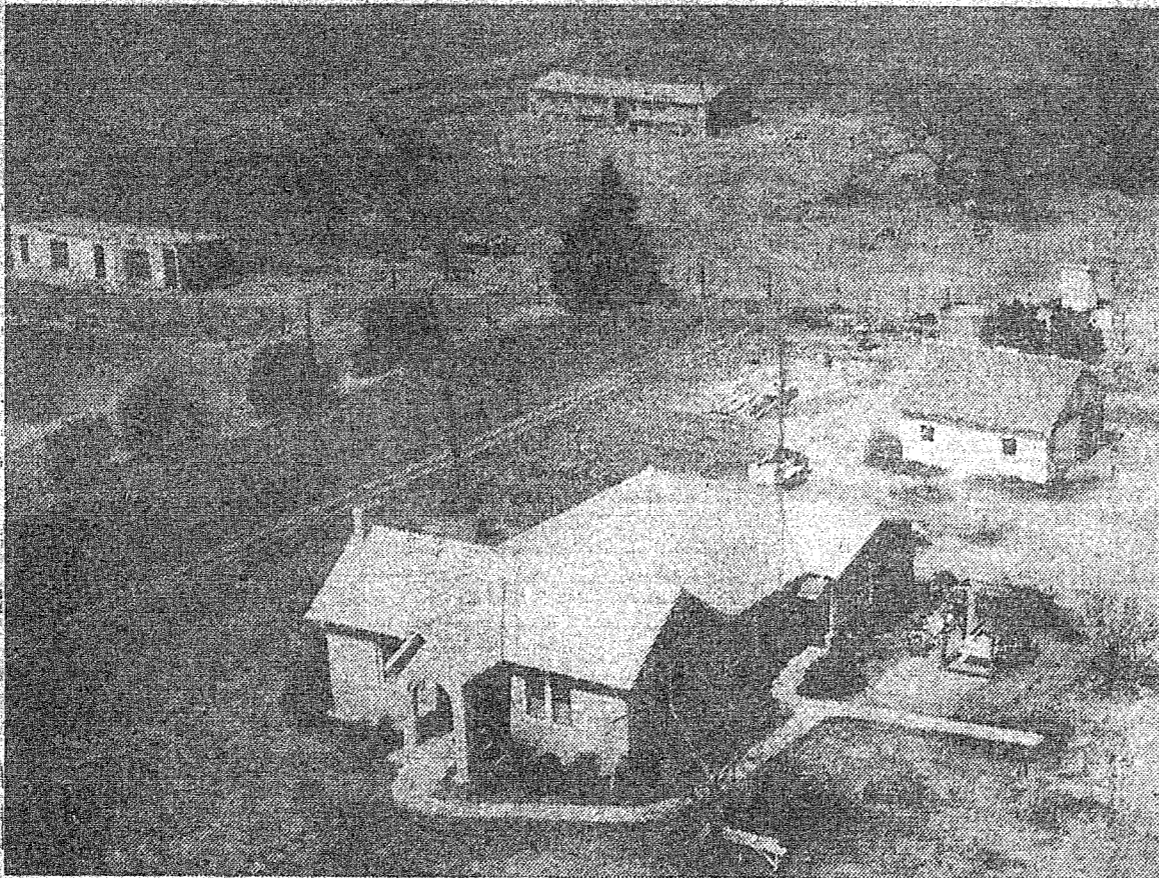

High school students entering events were: Billie Joyce Woodard, Carol McClellan, Barbara House, Diane Williams, Christine Barnes, Barbara Harris, Leroy Pollock, Bobby Rehm, Otis Taylor, Shirley Simmons, Wess Wise, Olivia McIntire, Bobby Beville, Nancy Wylie, Kathryn King and Carlene Mills.

Bank Assets Increase

The financial report of the Santa Anna National Bank, published this week in response to a call made by the Comptroller of the Currency at the close of business on April 11, 1953, shows the assets of the bank has increased from \$1,730,394.81 on January 1, 1952 to a total of \$1,843,899.70 on April 11.

Deposits during the three month period have increased \$170,504.89.

CAN YOU IDENTIFY THIS MYSTERY FARM?

Can you identify the second in a series of Mystery Farms pictured above? This is one of 52 Mystery Farm Photographs that will appear in the Santa Anna News within the next year.

The contest to identify this Mystery Farm will begin as soon as The News is mailed Thursday morning and will end at 6:00 p. m. Saturday evening. All the names of those who guess the correct identity of The Mystery Farm will be put in a box and ONE name will be drawn out on Monday morning. That name will receive a year's subscription

to the Santa Anna News free of charge. Each week a new contest will begin. All who correctly identify the Mystery Farm will have their names published in the next week's edition of The News.

If you are the operator of the Mystery Farm, you are invited to come to The Santa Anna News office and receive a beautiful 5 by 7 enlargement of the above photo, absolutely free of charge. This is The News' way of expressing our appreciation to the farmers and ranchers of this area for the big job you are do-

ing for our trade area.

If possible we would like to have the owner come in and identify the farm not later than Saturday afternoon. At the time you come in you will be interviewed and the following week as much of the history of your farm as you will let us know about will be published in The News, along with the picture of your farm home.

Every one is invited to enter this contest. Employees of The News and their families are not eligible, although none of us have any idea whose farm home is to be published.

National Guard Units To Have One-Day Alert

The Tank Company, Texas National Guard, will play an important part in the nationwide one-day test alert of Army and Air National Guard units to be held sometime this Spring.

The alert will be known as "Operation Minuteman", according to Capt. Jesse K. Barton, commanding the Tank Company. All other units of the Texas National Guard also will participate in the alert, first of its kind ever held in the United States.

Capt. Barton cautioned citizens of this area that "Operation Minuteman" is being planned only for training purposes, and to test the mobilization plans of all Army and Air National Guard units throughout state and nation.

"For that reason", he said, "we ask the people of Santa Anna not to be alarmed when this test alert is sounded and our National Guard unit is temporarily mobilized."

Capt. Barton emphasized that the exact date and time of "Operation Minuteman" will be kept secret. The alert orders will come directly from the state Adjutant General, and will be coordinated with simultaneous alerts in the other states, and in the District of Columbia, Alaska, Hawaii and Puerto Rico, he added.

The coordination order will come directly from Major General Edgar C. Erickson, Chief of the National Guard Bureau, with headquarters at the Pentagon, Washington, D. C. From the Adjutant General, it will be passed down to all Army and Air National Guard units in this state.

Nearly 400,000 Guardsmen including officers and men of the Tank Company, in more than 2,200 other communities will participate in "Operation Minuteman".

Mrs. Roy Stockard left Wednesday morning for Los Angeles, California, to be at the bedside of a sister, who is seriously ill.

New Seventh Day Adventist Pastor Begins Lectures

A. M. MATAR
A. M. Matar, formerly pastor of the Seventh-day Adventist church in Temple, will speak on "Palestine and the New Israel", Sunday, April 24, at 7:30 p. m. at the Seventh-day Adventist church located on the corner of North 5th Street and Avenue B in Santa Anna. Pastor Matar is the new pastor in Santa Anna. A native of Bethlehem, Palestine, Pastor Matar is a graduate of the theological department of Walla Walla college in Washington.

Mr. and Mrs. W. F. Gipson, Mr. and Mrs. Ernest Richards, and her niece, Glenda Kay Boardman, of Coleman, attended Sunday morning services at the First Christian Church. The Richards from Stambaugh, Mich., have been spending the winter with her mother, Mrs. E. K. Blewett, in Coleman.

Mr. and Mrs. Henry Turner of San Angelo came Sunday and took his mother, Mrs. Fred Turner to Dallas to be with a sick sister, Mrs. Kate Williams.

Mr. and Mrs. Lonzo Hawkins, of Brownwood, visited with her mother, Mrs. Dora White, on Sunday.

Polio Vaccine Shots Given Thursday Morning

Ninety-three students in the first and second grades of the Santa Anna schools received their first Salk Polio Vaccine shots Thursday morning, April 21, at the Santa Anna Hospital. The second shot will be administered in two weeks.

The students were transported to the hospital by bus and Dr. Charles M. Henner, local physician and surgeon, started administering the vaccination at 9:00 a. m. It was planned to take about 1½ hours to complete the job.

The shots were administered in the arm with the smallest needle used for giving shots. No adverse reactions were expected from the medicine.

All the parents of children in the two grades authorized the administration of the medicine with the exception of three.

Sharon Kay Hardy Injured Sunday

Little Sharon Kay Hardy, 3-year old daughter of Mr. and Mrs. Elmer Hardy, was painfully injured about 4 p. m. Sunday afternoon when she was run over by the car her father was driving.

Sharon's right arm, both legs and forehead were badly bruised when she fell from her father's car as he was backing in a semi-circle at their home in the east part of town. The front wheel of the car passed over her right arm and both legs.

Sharon was leaning against the door of the car and it came open, letting her fall from the car. She was immediately taken to the hospital where she was treated and released. Apparently no bones were broken and her right arm suffered the worst bruise.

Members of the family visiting recently in the Dan Wristen home have been Mrs. James Hipp and Linda Kay of Abilene, and Mrs. Doyle Lee and Anita Phae and Mrs. Lee's father-in-law, of Wichita Falls.

SENIOR CLASS SETS—

You Name It, We Do It Day

54 Guess Owner Of First Mystery Farm Series

Fifty-four readers of The Santa Anna News guessed the correct identity of the First Mystery Farm that appeared in this newspaper last week. Winner of the free subscription was Mrs. Viola Morris, who made the telephone call at exactly one p. m. on Friday. Owner of the farm is Mr. and Mrs. Buddy Neff. It is located four miles north of Santa Anna.

See additional story on another page of this newspaper.

Beginning this week, we are going to conduct the contest in a different manner. All who guess the correct identity of the Mystery Farm appearing on the front page of The Santa Anna News will have an opportunity of winning a Free Subscription to your hometown newspaper.

The contest will begin as soon as the newspaper is mailed each Thursday and will end at 6 p. m. Saturday night. All the names of persons who correctly guess the identity of the mystery farm will be put in a box and ONE name will be drawn each Monday morning. That name will receive a year's Subscription to The Santa Anna News Free of Charge. A new contest will begin each week when the Santa Anna News is mailed and will close at 6 p. m. Saturday evening. Everyone except employees and their families of The Santa Anna News is invited to enter the contest each week.

All you have to do is, telephone 45, drop us a postal card or come by the News office and give us your name and whose place you think it is.

Contestants correctly naming the farm last week were: Barney Lewellen, Kenneth Brusenhan, Alfred Williams, Buster Woodard, James Allen, Mrs. Hardy Blue, Jim Harris, Billy Joe Harvey, Mrs. Jewel Owen, Jasper McClellan, Jim Daniell,

B. D. Woodard, Reynold Buse, Viola Morris, Mary Bible, Ben P. Vinson, Mrs. Al Davis, Mrs. W. C. 6th Grade: Judy Bryan, Laquinn Cooper, Peggy McIntire, and Mary Rehm.

The greatest reward for a job well done is in having done it.

Saturday, April 23, has been designated as "You Name It, We Do It" Day by the Senior Class of the Santa Anna High School. On this day all the 29 members of the class will work at various jobs over Santa Anna in an effort to raise money to pay for a special-built wheel chair for Benny Jack Garrett, a member of their class who has been a polio victim since last August 22.

The chair was ordered several weeks ago and was delivered to Benny Jack last Saturday. He is at the Wolff Rehabilitation Center in Houston at the present time and plans are being made for his return here for the May 20 graduation exercises, in order that he might receive his diploma with his class.

Officials of the class request persons wanting work done on Saturday to call the school (telephone 12) on Thursday or Friday and outline the work you have for them to do. At a class meeting Friday afternoon, each student will be assigned his duties for the next day. They plan to work from 8:00 a. m. until 5:00 p. m. and have set no special charge for their labor. They want the employer to pay them what they think their work is worth, considering the fact they are attempting to raise as much money as possible to help pay for the wheel chair that will cost about \$400 or more.

There will also be someone at the school to accept calls on Saturday and assign workers to late jobs that come in.

Benny Jack, son of Mr. and Mrs. Bob Garrett, has 12½ academic credits and 3 credits in music. He also has one non-credit in Government. He is taking courses at the Wolff Home to complete his requirement of 16 credits to get his diploma.

Citizens of the Santa Anna area who have any kind of work they need done, are urged to call the school on Thursday or Friday and request one or more of the students to be at your place on Saturday for work.

Senior Class Plans To Visit Benny J. Garrett

The Senior Class of the Santa Anna High School will depart Santa Anna on Thursday, May 5, at 6:00 p. m. for Galveston, Texas, where they will spend Friday and Saturday, for their annual Senior Trip.

They will depart Galveston early Sunday, May 8 and return by way of Houston, Texas, and visit Benny Jack Garrett, a member of their class who has been a polio victim since last August.

The class complete their plans at the last class meeting. Benny is recuperating at the Wolff Center in Houston. He is taking courses there to complete his requirement for graduation and will be brought here for the graduation exercises on May 20.

Quarterback Club To Get Field Ready For Play

Members of The Santa Anna Quarterback Club will meet at the baseball field Monday evening at six o'clock for the purpose of putting a fence around the baseball field and getting it in shape to play on.

All the boys who plan to play baseball this summer are requested to meet with the club members.

The drive for membership in the Quarterback Club is still underway. Dues are \$5.00 per year. All members are selling memberships.

CHRISTIAN SCIENCE LESSON-SERMON

The importance of seeing man as the forever complete and perfect likeness of his Father, God, will be brought out at Christian Science services Sunday. The Lesson-Sermon entitled "Probation After Death" will include the following verse from the King James Version of the Bible (Ps.37:37): "Mark the perfect man, and behold the upright: for the end of that man is peace."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be read (p. 248):

Friday night to hear a Return Missionary from South America speak at the Nazarene Church there. We sometimes wonder when hearing these missionaries talk and hear how those unlearned people are so eager to hear the Bible preached, if those foreigners, don't look on the American People as the Heathens. This missionary plans, with his family, to return to Guadamala as soon as he can collect material which is so badly needed to work with there.

"The sculptor turns from the marble to his model in order to perfect his conception. We are all sculptors, working at various forms, moulding and chiseling thought. What is the model before mortal mind? Do you not hear from all mankind of the imperfect model? The result is that you are liable to follow those lower patterns, limit your lifework, and adopt into your experience the angular outline and deformity of matter models.

To remedy this, we must first turn our gaze in the right direction, and then walk that way."

The Golden Text is from Hebrews (12:14): "Follow peace with all men, and holiness, without which no man shall see the Lord."

Mr. and Mrs. Raymond Bates and son, Don, from Midland, visited over the week end with his father, Jack Bates.

Trickham News

BY EDNA R. DEAN

The annual Trickham Cemetery Association met Sunday, April 17, at 10:00 a. m. at the Cemetery. People from many different states, cities and communities were in attendance. At 11:00 a. m. we returned to the Church for the morning worship. Several songs were led by Walter Stacy, then Bro. S. R. Smith of Brownwood preached an excellent sermon, very appropriate for the occasion. Lunch was served to several hundred people in the community building at noon. The afternoon was spent in renewing old acquaintances and making new friends. We will be looking forward to next years meeting.

Visitors with Mrs. Beula Kingston the past week were: Mrs. Clara Cupps, Mrs. Louis Burney, Mrs. G. K. Stearns, Mrs. Zona Stacy, Rev. L. P. Jennings, Mr. and Mrs. Roy Limroth and Mrs. Tom (Lillie) Jenkins from San Angelo.

Mrs. Dona Elder and Miss Ethel Shield of Amarillo spent the week end visiting relatives here and at Priddy (Comanche County) with their sisters, Mr. and Mrs. Leo Driskell and family. Mrs. Elder, Miss Shield, Mrs. Oscar Boenicke were luncheon guests of Mr. and Mrs. Bernice McIver. Mrs. Elder and Miss Shield were to spend Monday night with their aunt, Mr. and Mrs. E. S. Haynes of Santa Anna. Mr. and Mrs. Walter Stacy attended the singing at Clear Creek Sunday afternoon.

Mr. and Mrs. John Mitchell of Brownwood and Mr. Doug Mitchell of Baird visited Sunday with Mr. and Mrs. Buck Mitchell and girls.

Mrs. W. A. Morris and Mrs. Bobby Atkins of Abilene spent the week end with their father, Doc Mathews.

Mr. and Mrs. Milton Johnson and children and Frank Wells of Fort Worth visited during the week end with Mr. Charlie James, Mr. and Mrs. Harold James, and Wanda. Mr. James returned home with them.

Mr. and Mrs. Eugene James and children visited Mr. and Mrs. Charlie James, Mr. and Mrs. Wamon Mathews of Brownwood Sunday afternoon. Mrs. Bowden and Mrs. Mathews have both been sick recently but are much better. All attended the services at the Mission Baptist Church in Brownwood on Sunday night.

Mr. and Mrs. J. L. Burney, Mr. and Mrs. Harry Louis Burney and baby, Mrs. George Cumming and Bobby of Pueblo, Colorado, were week end visitors with their parents, Mr. and Mrs. Louis Burney, Mr. and Mrs. Wiley McClatchy and Garner, Mrs. Charlotte Burney and boys were Saturday dinner guests also in the Burney home.

Mr. and Mrs. Albert Dean and Ruth were supper guests in the J. R. Haynes home on Monday night. Mrs. Haynes honored her father and sister with a fried chicken birthday supper.

Ruth Dean accompanied Mr. and Mrs. Arthur Casey of Coleman Rural, Mrs. Mark Sheffield of Okra, and Mrs. Ben Herring of Cleveland to Marlin, Texas, Sunday to visit Miss Thelma Casey and Mrs. Oscar Peters who are living there for the present. Mr. and Mrs. Ray Dean and Kit of College Station came over and ate lunch and visited with relatives in the afternoon.

A miscellaneous wedding shower will be held at the school house Saturday night, April 23rd honoring our Presbyterian pastor, Rev. and Mrs. Bill Rustenhaven of Austin. They were married April 3. Every one is cordially invited to attend.

The Trickham Community Club met Tuesday, April 12, at the Clubroom with 16 ladies present, two quilts were quilted. Our next meeting will be April 26, at this meeting we will quilt two quilts, one for Mrs. Jack Dockery and the other for Mrs. Marion Ford. Our Community party will be Friday night, April 29. Every one is invited to the party.

Bro. Cocker, Fred Haynes, Rena Stearns, Modell Selley, Linda, and Mr. and Mrs. Jack Laughlin, Jackie Ray, Nancy Jo, Mr. and Mrs. Glenn Haynes all visited Mrs. Stearns over the week end.

Visitors with Mr. and Mrs. Glenn Haynes this week were: Mr. and Mrs. Marvin Whitley, Mrs. Stearns and Modell Selley, Mr. and Mrs. Curtis Oason of Sweetwater, were supper guests Monday night of the Glenn Haynes.

State Capitol NEWS

Austin — Tax plans tallspined in the House before adjournment last week-end.

A tight-running team carried the Stanton Stone "fleas to uranium" omnibus tax compromise. But they threw the ball over the head of the receiver. Net result: The House refused to pass the bill at second reading. It had to be revived for further action.

Some members rebelled because they weren't in on the play.

New compromises, with more players and less taut rein, however, promised an ultimate tax bill. Members have been talking about "\$100 million new taxes", and that was just about what the new compromise plan embraced. It would involve face saving all around.

The four-point plan included: Acceptance of the Stone cut of the gasoline tax to one cent, from two, as originally asked by Governor Allan Shivers. At the same time, one-fourth of its revenue — eight million a year — would be given to cities and counties to buy rights-of-way.

One-cent increase on cigarette tax was kept.

Cut-down levies on beer dealers' licenses voted by the House was accepted, but, in deference to strong group demands, \$1 a barrel tax on beer was added.

Natural gas production tax would be frozen at its present 9-cent level. By present law, it would drop to 8 cents in September and 7 cents after Sept. 1, 1956.

As the bill stood when the House refused passage, it would raise forty and one-half million dollars a year. Various changes proposed in the second compromise would push it up to \$50 million a year, thus reaching the "\$100 million" about which members talked.

There still is talk of a special session, should the regular session not be able to iron out differences on where and how to raise the needed revenue.

Other Bills Pass

While the House walked around the tax issue, a number of non-controversial bills were passed.

Voted by the House was concurrence in Senate amendments to a bill banning "lewd and depraved" comic books.

Also voted was a Senate amendment shortening the "cooling off" period in divorce cases. The House has passed a bill setting the time at 90 days. The Senate made it 60.

Two Senate bills calling for mandatory jail sentences in sex offense convictions involving children were approved by the House.

Final passage was given a bill increasing the length limit of trucks from 45 to 50 feet.

In the Senate, 43 local and uncontested bills were passed.

Probe To Continue

Veterans land investigations will proceed in the Senate, despite bitter objection of some members.

Senator Jimmy Phillips said it would be wrong to stop it because "all parties responsible for the gigantic fraud have not been exposed and named."

Senators Dorsey B. Hardeman and Rudolph A. Wehnert contended that the probe has established the pattern of fraud and the time has come for trial of persons indicted.

Voting was 19 to 12 to carry the inquiry through May 10.

Last week was the first in a long time when no new criminal charges or indictments or civil forfeiture suits were filed, in-

volving veterans land.

Submission of additional land bonds has been voted by the Veterans Land Board two-to-one with Attorney General John Ben Shepperd voting no. Hearing has been posted in the Senate on Sen. George Moffett's \$100 million bond plan. A \$200 million resolution was waiting in the House.

Water Bill Passes

Finally passed by the House was a measure creating the Trinity River Authority.

Water conservation, flood control, and irrigation projects are authorized by the bill which specifically forbids construction of a barge canal between the Gulf of Mexico and the Fort-Worth-Dallas area.

Failure was the destiny in the House of a proposed constitutional amendment to finance dams and other water projects.

Voting favored the resolution 78 to 61, but 100 votes are required to submit a constitutional amendment.

Under the defeated proposal, a State Water Commission, with increased authority, would supplant the State Board of Water Engineers.

Tidelands Again

More trouble looms between the federal government and Texas over the tidelands.

Attorney General Shepperd said he had discovered that the U. S. Interior Department and the Department of Justice will oppose Texas' sale of tidelands oil and gas leases May 3.

Congress restored ownership of the tidelands, out to the 10 1/2 mile limit, after the submerged areas had been claimed by the federal government.

Only three miles of the offshore lands were returned to other states.

Now it appears the federal government wants to hold Texas rights to three miles.

Money from sale of the leases goes into the Texas permanent school fund.

House Invites Salk

Commending Dr. Jonas E. Salk highly on his development of the polio vaccine, the House has invited the Michigan doctor to address the Texas Legislature.

TFB Recommends Improvements In Cotton Allotment

Waco — Recommendations of the Texas Farm Bureau board of directors for improvements in the present cotton allotment program will be presented at a meeting of the American Farm Bureau Federation cotton committee April 22-23 in Washington, D. C.

Texas Farm Bureau President J. Walter Hammond, a member of the committee as well as the board of directors of the AFBF, will recommend corrective changes in producer referendums, distribution of acreage reserves and methods of figuring acreage histories.

Delegations from other cotton-growing states will also be represented on the committee.

The Texas Farm Bureau recommends that the referendum be changed to "more accurately record the wishes of the farmers" and that county, state and national acreage reserves be low-

ered "to reduce the inequities now occurring" in the distribution of these reserves. Farm Bureau also recommends that a corrective adjustment be made in the planting histories of farmers who voluntarily reduced acreage in 1953 at the request of the Secretary of Agriculture.

As for the referendum, Farm Bureau wants the producer to have two choices in voting: (1) the support level that will accompany an allotment program, (2) the support level that would be guaranteed by the government with no acreage restrictions.

"This change would not only allow a cotton farmer to determine which system will be most profitable for him, but will also accurately record the wishes of the cotton farmers," Hammond said.

Under the present system of voting, the cotton producer is guaranteed only 50 per cent price supports of quotas and allotments are voted down.

Farm Bureau is recommending that national cotton acreage reserves be reduced from five to one per cent, state reserves from ten to two per cent and county reserves from 15 to four per cent. Acreage reserves are used for trends, unusual planting conditions, small farms and new growers.

The present procedure for allotting reserves has caused widespread resentment among farmers in older growing areas and in diversified farming sections.

In commenting on the present distribution procedures, Hammond said: "Rather than correcting past errors and injustices, the allocation of these reserves has created still further inequities." He added that Farm Bureau's recommendations would result in allocation of a greater per cent of cotton acres on a strict history basis.

As for the method of determining allotments on a "history" basis, the Farm Bureau leader said that credit was not given to producers who reduced acreage voluntarily in 1953 at the Secretary of Agriculture's request.

To remedy the situation, the Farm Bureau recommends that, if it is evident a producer voluntarily reduced his acreage in 1953, an adjustment should be made in his planting history. Farm Bureau recommends that this be done by averaging the plantings of the two previous years (1951 and 1952) and adjusting the 1953 acreage according to that average.

BROILERS AND FRYERS RETURN TO PLENTIFUL FOODS LIST IN MAY

College Station — Rising spring production returns broilers and fryers to the plentiful foods list for the first time this year.

Raisins also are highlighted on the U. S. Department of Agriculture's May list of abundant foods.

After the regular monthly survey of food stocks in this area, the USDA has found that supplies of more than a dozen items are large enough to rate a position on May's list.

They include: beef, pork, canned tuna, frozen halibut fillets, milk and other dairy products, rice, small size prunes and vegetable fats and oils.

Only fresh fruits for May are oranges and grapefruit. Also, processed citrus products are in good supply.

Mrs. Standly Entertains Members Of 20th Century Club

Mrs. W. A. Standly entertained members of the 20th Century Club and a few visitors on Tuesday afternoon. She is the Club Mother. She had planned to have the meeting before Easter, but was prevented and the program and refreshments were reminders of Easter and spring time.

Mrs. Simms Johnson, who attended the Tyler County Dogwood Festival at Woodville the latter part of March, told of the wonderful pageant with all kinds of blooming spring flowers in use, and showed pictures of the activities, the floats, the crowning of the queen by Governor Shivers, a native of that vicinity, but above all to be admired were the many dogwood trees, white with bloom.

Mrs. Arthur Talley read, "The Legion of the Dogwood Tree," and an article, "The Spirit of Easter".

Refreshments of pink angel food cake, with chocolate icing, pink candies, chicken salad sandwiches, and punch were served.

Present besides the three mentioned were Mrs. Lucie Daniel, Mrs. Richard Smith, Mrs. Hattie McKown, Mrs. Doug Moore, Mrs. W. E. Vanderford, Mrs. Bill Pritchard, Mrs. Clifford Stephenson, Mrs. Edd Jones, Miss Blanche Boyd, Mrs. Louis Zachary, Mrs. A. L. Oder, Mrs. Tom White and Pat.

Marvin Rouse of Crane, came Friday night and visited until Sunday with his parents, Mr. and Mrs. J. M. Rouse and with Mr. and Mrs. Wayne McClure.

Mr. and Mrs. Dee Yancy took Mr. and Mrs. Hays Dixon to Temple Tuesday, where Mr. Dixon received head surgery about three months ago and will receive further treatment while there. Mrs. Dixon remained with him and the Yancy's returned home.

Three Visitors At 20th Century Club Meeting On Friday

Three visitors, Miss Blanche Boyd, Mrs. George Richardson and Mrs. Sam Rutherford and 11 members attended when the 20th Century Club met on last Friday afternoon with Mrs. A. L. Oder. Members present besides the hostess were: Mrs. Doug Moore, Mrs. Arthur Talley, Mrs. W. A. Standly, Mrs. Clifford Stephenson, Mrs. J. F. Goen, Mrs. W. E. Vanderford, Mrs. Bill Pritchard, Mrs. Lucie Daniel, Mrs. Edd Jones and Mrs. John Perry. Most of those attending brought some nice hand work on which they worked during the meeting. Conversation enlivened the meeting. The Club observed the "good neighbor policy" by presenting Mrs. Stephenson with a little check as a token of love because of the loss she and family sustained lately in a fire.

The Club wished it could have been more.

Refreshments were served and some plans were discussed. The next meeting will be Friday, May 6th in the home of Mrs. Moore, president, when the annual Mother's Day program will be given.

W. S. C. S. Begins New Studies

The W. S. C. S. had an interesting meeting Monday night at the First Methodist Church. They are beginning a new study on "Jesus' Teachings on Women" with Mrs. Hardy Blue directing the study. The meetings were changed from afternoon until night so that business women can attend. Twenty-six women were present Monday night.

Those taking part besides the leader were: Miss Bettie Blue, Miss Elsie Lee Harper, Mrs. Cullen Perry and Mrs. J. J. Kirkpatrick.

The daydreamer leads a daze-to-daze existence.

Liberty Home Dem. Club Met Tuesday

The Liberty Home Demonstration Club, met Tuesday with the president, Mrs. Olin Strange, in charge.

The pledge and prayer were given. After the business session Mrs. Strange discussed the showing of our dresses, which have been made according to specifications, and each one was modeled before the members, who were present. The dresses were to be taken to Mrs. Lacy's office in Coleman, where they were to be judged. They will be shown at the Style Show, which is to be given on Friday night, April 22nd in the Rodeo Barn, at Coleman.

The Liberty Club with three other clubs will be responsible for the refreshments for this occasion. Other clubs of the county will serve the refreshments. This serving course, which we started last year, is very interesting and instructive, and there will be one more year of the course. It is being taught by Mrs. Betsy Lacy. All members are urged to attend and take part in these meetings. New members are solicited and visitors are welcome.

Next meeting will be an all day meeting at the Liberty Community building on May 10, when Mrs. Lacy will be present. A covered dish luncheon will be served.

W. S. C. S. HOLDS BIBLE STUDY

The Woman's Society of Christian Service met at the Rockwood Methodist Church on Monday afternoon in first session of Bible Study, using theme, "Jesus' Teachings Concerning Women".

Hymns composed by women will be used in all sessions.

Mrs. M. A. Richardson and Mrs. J. T. Avants presented, "The Well at Sychar" for the opening worship. Mrs. Fox Johnson talked on, "Jesus' Impartiality between Man and Woman", Luke 7:36-50.

Mrs. Tom Bryan discussed, "Universal Religion", as found in The Sermon in the Synagogue, Luke 4:16-30.

Mrs. Bob Johnson spoke on "Woman's Place", and the "Status of Woman". Mrs. John Hunter introduced the text book "The Master Callesth For Thee". Mrs. Jack Bostick gave a report on the "South Central Jurisdictional Meeting" she attended in Fort Worth last week.

Present were: Mrs. Tom Bradley and Mrs. Oliver Utsey of Pife, Mrs. Kate McIlvain, Mrs. Aubrey McSwane, Mrs. Tom Bryan, Mrs. J. T. Avants, Mrs. J. C. Ferguson, Mrs. Fox Johnson, Mrs. A. L. Crutcher, Mrs. Jack Bostick, Mrs. M. A. Richardson, and Mrs. John Hunter.

Mrs. John Hunter will be hostess to the W. S. C. S. regular social meeting Monday afternoon, April 25, at 2:30 p. m.

NEW SECRETARIAL COURSE OFFERED AT BAYLOR

Belton — A specially designed church secretarial program will be offered at Mary Hardin-Baylor college, being added to the curriculum in June, Dr. Conwell A. Anderson, dean of the college, announced.

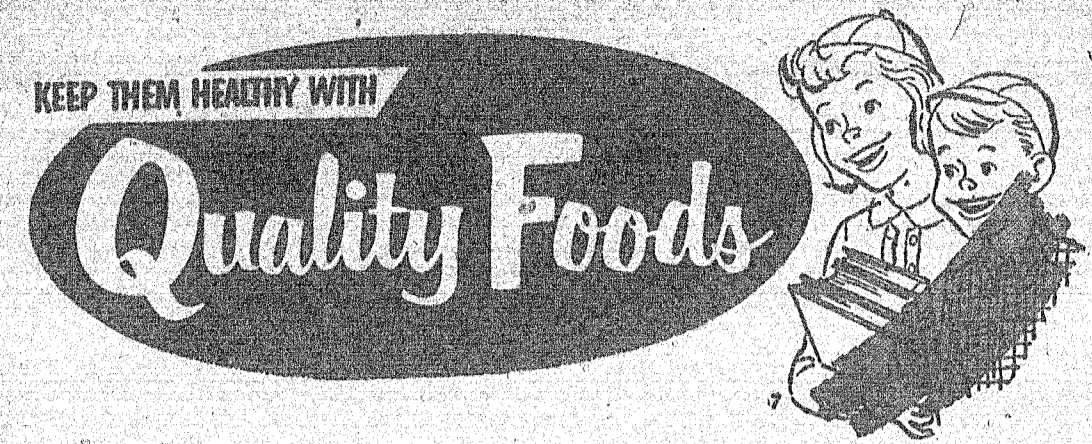

The program is being introduced upon the request of ministers throughout the state, who indicated the special training they would like for their secretaries to have in a survey conducted by the college, Dr. Anderson explained.

A bachelor of arts degree will be offered, with a major in secretarial science and a minor in journalism. Other pertinent and related courses, with special emphasis upon Bible, English, speech, proper dress, recreation and art, will be required of those completing the church secretarial program, in addition to the regularly required college work for a B. A. degree.

The college curriculum committee has included the program of study in its 1935-36 catalog, Dr. Anderson added.

Visitors in the E. E. Blanton home over the week end were: Mr. and Mrs. Ernest Wright, and girls, Carolyn and Judy, of Abilene, Mrs. Margie Short and Linda, and Mrs. Farris, from Coleman.

Mr. and Mrs. O. B. Biggs and children of Austin, came Sunday and brought his father, J. B. Biggs for a visit with his sister, Mrs. W. E. Vanderford and Mr. Vanderford. The O. B. Biggs returned home the same day. Mr. J. B. Biggs is leaving Wednesday for Bangs, where he will visit several days with a son.

Home Lawns Should Be Treated With Fertilizer Soon

College Station — Home lawns receive an added "punch" if treated in the spring with a complete fertilizer.

Use a fertilizer of a 2-1-1 ratio at rates to supply two pounds of actual nitrogen for each 1,000 square feet of lawn area, advises E. M. Trew, extension pasture specialist. That's the amount of nitrogen in 20 pounds of 10-20-10 or 40 pounds of 5-10-5.

Another pound of nitrogen applied at 30 to 40 day intervals will keep lawns green through-

out the summer, says Trew. Supply water as needed.

Water only when the yard shows a definite need. Soak the soil to a depth of at least six inches when the grass takes on a sheen or wilt.

Light frequent sprinklings produce shallow roots and encourage weeds. Shallow roots also are unable to utilize available moisture and plant food.

Improper mowing is responsible for the deterioration of many lawns, says the specialist, who advises against clipping more than one-half inch of growth at any single mowing. Keep the grass at a height of one and one-half to two inches, depending upon the turf thickness. Close mowing will thin the turf, lowering its resistance to drought.

Finally, Trew says a sharp, well-adjusted mower that clips off, not crushes off, the tips will give lawns a final "well-groomed" look.

Godly Nations

Lesson for April 24, 1955

WE MAY as well admit that no such thing as a "godly nation" has ever been seen—not if you take the word "godly" at its full meaning. A godly nation, 100 per cent, would be one where every citizen kept God's commands, where every act of Congress (or of Parliament, of de- crease of king) would be such as God would fully approve. For the matter of that, a hundred-per cent godly individual is also unheard of.

Dr. Foreman

And yet we can speak of godly men and godly ones. So we can speak of more or less godly nations, nations whose trend and direction is toward God or away from him.

Is God on Our Side?

We always like to think, especially when we are at war, cold or hot, with other nations, that God is on our side. We like to think that we are God's people and the other side, the enemy, is not. The truth of the business is that no nation is either completely right or completely wrong, no nation fully carries out God's will and no nations wholly defy it. No nation in the world today is composed entirely of Christians, no nation in the world today is without Christians in it. But having said all this, we can still say truly that God is on the side of some people and nations more than he is on others. In the Old Testament we have a good example of a nation that made this mistake of supposing God would be for them whatever they did, and they were dreadfully dismayed when they discovered that they could lose wars and generally "eat bitterness." Many Jews thought God had let them down when such things happened; but the prophets knew better. Azariah, a proph-

et in King Asa's time, put the truth in a nutshell. "The Lord is with you while you are with him," he said.

Leadership in the Church

King Asa's times, and the times of President Eisenhower and Queen Elizabeth, are not so very far apart after all. What was needed for a godly nation in the days of Asa? The need that the prophet mentions first is "teaching priests." There were plenty of priests who went through the liturgies and made sacrifices, but what the nation needed was teaching priests, religious leaders who could teach the law of God that is to say, priests who could show the people what religion meant in daily living, in dealings between man and man. So long as religion stays inside the church, so long as religion concerns itself only with the Other World, so long as religion tries to confine itself to what is exclusively spiritual, it will not be Biblical, and it will be powerless to build a godly nation. An officer in a young people's church group once told the writer: "Our bunch really means business. This year we raised the money to extend the chancel two feet."—and that was all they did! One suspects that there was something missing in the parson's sermons, if those young people got the idea that the business of religion mainly has to do with how long or short the chancel is. God's law is not a law for Sunday mornings only. But until and unless there are teaching priests who take the lead in showing us how we can apply God's law—and above all the law of Love—to our life as a nation, we shall be godly only on Sunday mornings, if ever. The most church-going city in the south was for years also the city with the highest murder rate; the place lacked teaching priests.

Leadership in the Nation

Preachers and churches will have an uphill time of it, at the best, even when they do see and work for the doing of God's will in everyday social and political and business life. There is too much organized and unorganized selfishness abroad to give the God of Love much chance. So in our time, as in King Asa's long ago, there is need for leaders outside the pulpit. In those days it was the king himself who took the lead. We have no kings in America but we do have leaders, all the way from village mayors up to Congressmen, senators, supreme court justices and the President.

**Buddy Neff
Owner Of First
Mystery Farm**

Buddy Neff, prominent diversified farmer and livestock feeder, was the owner of the first in a series of 52 Mystery Farm Pictures to appear in the Santa Anna News. The farm is located four miles due north of Santa Anna on Rural Route One.

Buddy, as he is familiarly known to all his friends, purchased the farm from Tom Mills nine years ago. Since that time he has completely rebuilt the house, changing it from a wood frame construction to a beautiful rock home. Rocks were put in the building from several different countries and from various places in the United States. Some petrified trees from around the Burkett area went into the building and while Buddy was in the service he sent some rocks home from Africa and other places to go into the home. It is modern throughout, has two bathrooms and is on the REA electric lines.

Buddy was married to the former Ruby Nell Clanton of Big Spring in 1942. They have three children: Donny Ray, age 8 and in the third grade; Sonja Barbara, age 6; and Vickie Jo, who should be three years of age but was born on February 29, 1952 and will not have a birthday until next February. They are members of The Baptist Church.

Mr. and Mrs. Boyd Rainbolt, of Fort Worth, came Saturday and visited until Sunday morning with her parents, Mr. and Mrs. W. A. Standly. Mr. Standly returned home with them for a stay of several days and will have a check up.

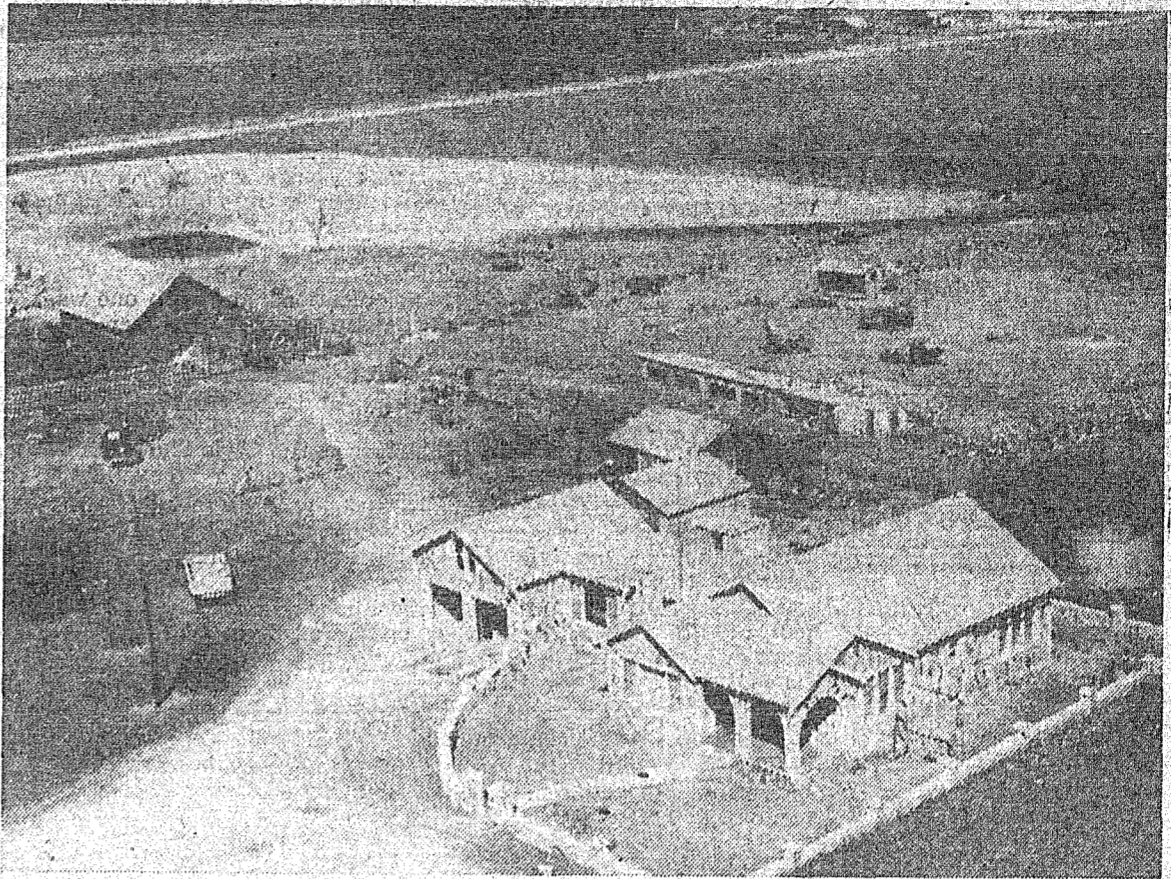

Mr. and Mrs. Harry McCain of Amarillo, were week end visitors here with his mother, Mrs. B. M. McCain and Louie. Mrs. McCain had not been so well the past few days.

The revival at the Liberty Baptist Church closed Sunday night after a ten days duration. Rev. Russell Bowie of Brownwood was the evangelist and brought interesting messages. Rev. Joe Green is the pastor. Attendance during the series of meetings was quite good.

Mrs. R. G. Morris, after visiting here with her sisters, Mrs. Hays Dixon and Mrs. Pat Hosch, left early last week for Comanche where she will stay indefinitely. She has an apartment there and will be living among her late husband's people. She came to Santa Anna recently from the Ozarks country of Missouri.

Mr. and Mrs. Gene Ray Griffin and children of Killen and Lemuel White of Bowser were Sunday dinner guests with Mrs. Griffin's grandmother, Mrs. H. M. Smith. Mr. and Mrs. Weldon Priest and children starting home to Olton visited with Mrs. Smith awhile Sunday morning.

THE HOME OF MR. AND MRS. BUDDY NEFF

Neff formerly played a lot of baseball and said he guessed that would still be his hobby, only now he doesn't have much time for it. He also likes to fish.

He owns 743 acres of land, including 320 acres near Plainview, Texas. This year Mr. Neff is working 1122 acres of land in the vicinity where he lives. He raises cotton, wheat, oats, grain sorghum, chickens, turkeys, hogs and livestock. His favorite crop and livestock are cotton and cattle. He prefers Western Prolific Storm Proof cotton and Hereford cattle.

Neff uses all mechanized equipment on his land. He uses a method of rotating his crops. Each year the land he is going to put in cotton gets broke from 12 to 15 inches deep and the following year he puts this land in some kind of small grain. He will have 312 acres in cotton this year. He said he had used fertilizer two and three years ago and noticed the difference in his crops, but they needed some moisture for the fertilizer to have much effect. He is not us-

ing fertilizer this year.

Neff said he had managed to make the farm pay every year through the drought by careful management and hard work. When it looks like the field crops are not going to do much, he begins a feeding program and feeds beef and hogs for the market. He uses a home mixed supplement that he has worked out over a period of years. He said experience was by far the best teacher, but in order to get experience, he had studied many different feeding methods and feels the one he has now is the best.

Mr. Neff said, "We live mostly at home. We raise our own beef, hog meats and garden vegetables. We may be a little old-fashioned in that respect, but we enjoy it and always have plenty to eat."

All the land Mr. Neff works is terraced. He planted 100 acres of winter peas last year and was satisfied with the results, and plans to plant more this year if enough moisture comes. He has tried the new Panic Grass but

prefers Sudan and is going back to that this year. The recent freeze killed his sweet corn, but didn't seem to hurt his oats, barley, speltz and wheat very bad.

Neff went into the service in 1942 shortly after he was married. He spent two years in Africa with the combat engineers and several years in Italy. He was released from the service in 1946. During the time he was in the service his wife operated the farm. His home burned while in the service and soon after his discharge he bought his present home and went to work improving it.

He said his wife made a real farmer while he was away. She is a good tractor hand, milker, hog feeder and all around good general manager.

Neff is the son of Mr. and Mrs. I. H. Neff of Burkett, who observed their 60th wedding anniversary on Sunday, April 17. He is 82 years of age and she is 83. They retired from the farm in 1943 and have been living at Burkett since that time.

Mrs. Lois Henderson, upon being released from the Santa Anna Hospital on Thursday of last week, went to San Angelo, where she visited until Sunday with her daughter, Mrs. Raymond Teague and family.

Mrs. R. F. Miller was moved to her home on Willis Avenue on Thursday of last week, after a several days' stay in the Santa Anna Hospital. Her daughter, Mrs. Marshall Cornelius, was with her a part of last week. She took Hays Miller with her to her home in Abilene last Friday. They will be back this week. Another daughter, Mrs. Cecil McCreary of Sweetwater, has been caring for her several days, and her daughter, Mrs. Jim Lovelady, is also attentive.

Mr. J. L. McCaughan, who has been confined to his home most of the time for the past six months with arthritis, is able to be out more now. He and Mrs. McCaughan and their daughter, Mrs. Fera Hoke, visited in town Sunday with relatives, Mr. and Mrs. Paul Arnold.

Mrs. R. F. Miller suffered a stroke at her home Tuesday morning and became a patient in the Santa Anna Hospital, that afternoon.

LEE HUNTER'S BACK HOME

Mr. and Mrs. Lee Hunter are back at home after spending several months in the home of their son, Brownlee Hunter and family in Austin. They are glad to be back in their home and among old friends. They came in Saturday from a ten days stay with her father, E. L. Brown, at Goodlet. Mr. Brown, age 90, came home with them for an indefinite stay. The Hunters state that Mrs. Roger Hunter, who was the worst hurt in the car collision some time ago, in which all were injured, still has her ankle in a cast, but can get about some. Roger has gone back to work.

Lee has sold a large part of his store fixtures to a Coleman grocer, who has moved them there.

USDA EXTENSION DROUGHT EMERGENCY AID

Last January 25, the United States Department of Agriculture announced that County FHA Committees no longer would accept feed grain applications after February 15, 1955. Due to continued severe drought conditions in Texas, according to announcement made by Mr. Walter T. McKay, State Director, the Department on April 12, 1955 announced continuation and re-opening of the Emergency Feed Program for Coleman County at the Agricultural Building, Coleman, Texas, and the eligibility determined by the local County FFA Committee. Mr. John H. Curry states that his Committee, Ozro Eubank, Emzy L. Brown, and O. L. Cheaney will continue to receive applications until the close of business April 29, 1955 for feed supplies sufficient to last through May 15, 1955. These designation announcements are in line with the United States Department of Agriculture's policy of continuing drought measures where necessary.

Mr. R. N. McLeish, National Administrator of the Farmers Home Administration, recently complimented the FFA Committees for good service previously rendered in assisting farmers and ranchers in determining their eligibility requirements with reference to eligibility under the Drought Emergency Feed Aid Program.

Mr. and Mrs. H. B. Monroe and Mrs. M. H. Patterson were in Brady one day last week on business and on Friday they visited Mr. and Mrs. Arthur Wilkerson and Charles and Mrs. Shelton, in their new home near Coleman.

Santa Anna Places Second In Grade Meet

The Santa Anna Grade School took second place in the District 15-B grade school track meet held at Bangs last Friday. Early took first place by piling up 40 7/10 points to 22 1/5 points for Santa Anna. Third place went to May with 7 1/5 points and Goldthwaite took fourth place with 7 points.

Other teams in the district are: Blanket, Bangs, Mozelle and Zephyr.

Jackie Dillingham took first in the 75 yard dash, second place in the 100 yard dash, third place in shot put, and ran in the relay; Donald Ray took second in the 50 yard dash, second in broad jump, third in the 75 yard dash, and ran in the relay; Lowell Pembroke tied for fourth in high jump and ran in the relay; Roy Payne took fourth in the 50 yard dash and ran in the relay. Other Santa Anna boys participating in the meet were Freddie Walker, Eddie Hartman, Richard Brannan and Van Aldridge.

Dillingham's time in the 75 yard dash was 3.7 seconds.

New Law Permits Monthly Payments Formerly Denied

Did the breadwinner of your family die after June 30, 1940, and before September 1950?

R. R. Tuley, Jr., Manager of the Abilene District Office of the Social Security Administration, states that the 1954 Amendments now provide monthly payments to many people who previously were not eligible to receive Social Security Insurance benefits, if the deceased worker had at least 6 quarters of coverage (1 1/2 years of work covered by the law).

This new insurance provision applies only in death cases, where the worker or a World War II veteran died before September 1950 and did not have sufficient social security credits under the law at that time for payments to be made to his survivors at the time of death. Tuley believes there are several hundred such families in the area the Abilene office services who do not know of this change.

If the breadwinner of your family died before September 1950 and you are not receiving monthly social security benefits, you should contact your Social Security Office immediately if you are:

1. A widow, age 65, or older, or
2. A widow under age 65 with unmarried children under the age of 18, or
3. A child under the age of 18 unmarried, or
4. A parent, who was chiefly dependent upon the wage earner at the time of his death, provided the wage earner was not survived by a widow or minor children.

Plans for Distribution Of Identification Tags Announced

The Civil Defense Director of today announced plans for making Official Civil Defense Identification Tags available to all children and adults in this community.

The Identification Tags are authorized by the Federal Civil Defense Administration and are an important safety measure for everyone. They provide quick identification which would be helpful in case of accident, sudden illness or any emergency, including air attacks.

Each tag is permanently stamped with the wearer's name plus the name and address of the person to be notified in an emergency. The wearer's birth date and religious preference also are stamped on the smooth metal tag which is carried on a non-tarnished chain.

Through special arrangements, instructions for ordering Official Civil Defense Identification Tags may be obtained at displays in many grocery stores now.

He also reported that Civil Defense has tried to put this project into effect for three years but has been blocked by lack of personnel and funds. Recently, however, FCDA secured the help of a large food manufacturer in distributing Official Identification Tags on a nationwide, at-cost basis.

DENNIS FARMER TO GRADUATE AT TSC

Stephenville — Dennis D. Farmer of Santa Anna is a candidate for Spring graduation from Tarleton State College. He is a member of the arts and sciences division.

According to J. E. Tompkins Jr., college registrar, a total of 56 students are candidates for graduation. This is the largest graduating class since spring of 1951.

Two Charges Filed In Sunday Accident

An auto accident at the corner of South Sixth Street and Willis Avenue about 4:30 p. m. Sunday damaged two cars very badly, but no serious injuries were reported. A 1951 Mercury owned by O. C. Moss and driven by his daughter, Diane Moss, 15, was involved in the accident with a 1949 Ford driven by Odie Lee Bilbrey, 52, both of Santa Anna.

Miss Moss was going south on 6th Street and Bilbrey, going east on Willis Avenue, collided into the right back door and fender of the Moss car. Damage to both cars was estimated about \$300 to the Mercury an almost a total loss to the Ford.

Miss Moss was taken to the Santa Anna Hospital and released after treatment for minor injuries.

The accident was investigated by City Marshal, Bud Simmons, Deputy Sheriff, Raymond Greaves and the Highway Patrol. Charges of failure to yield right of way were filed against Bilbrey and of allowing an unlicensed minor to drive were filed against O. C. Moss.

News From The State Health Department

Austin — Mental disorders today represent a major public health problem. Nearly fifty per cent of all hospital beds are occupied by patients with mental illness, declares Dr. Henry A. Holle, State Health Officer.

But it is estimated that in addition to these, at least one in ten in the general population is suffering from an emotional illness sufficiently disabling to interfere with work and family life. Both severe and minor mental illness appear to stem from organic causes, psychological causes, or a combination of the two.

Much progress has been made in reducing the amount of mental illness due to organic disorders. At one time, 10% of mental hospital beds in the south were occupied by patients whose mental illness was due to pellagra. Today, with improved understanding of nutrition, such cases are almost unknown.

Fifteen years ago, a large number of mental hospital patients suffered from "general paresis," or central nervous system syphilis. Today, due to strides made in control and prevention of syphilis, less than 2% of mental hospital admissions are patients with general paresis.

Only since World War II have extensive efforts been made in prevention of mental illness due primarily to psychological factors. Much additional research is needed here, as well as with organic factors.

However, recent studies are building up increasing evidence that early childhood experiences are of vast significance in mental health. Children need consistent, warm mothering, especially during their first three years of life. And in our highspeed modern society, they need guidance in the home and in the school in learning to handle their feelings effectively and in building healthy resistance to pressures of daily living.

Just as attention is needed to building strong bodies in children, so is attention needed to building sound minds.

MRS. ELUSIAN NIELL RECOVERS FROM THE MUMPS

Mrs. Elusian Niell is able to be out now after having quite a siege with the mumps. Entertaining the mumps was quite a loss to Mrs. Niell as while she was afflicted she had intended to pet 18 of her 57 chinchillas. Now she will have to wait another year for this important task and feed and care for them during that time.

Mrs. Niell is well equipped for keeping her chinchillas and has made a number of the cages. The little animals are most interesting. Being warm natured, their specially built room does not require heat, but is air conditioned most of the time. In one ear is the number of the animal and in the other is their brand. Mrs. Niell is a member of the National Chinchilla Breeders Association.

Mrs. Dona Elder and Miss Ethel Shield after spending the week end at Trickham with their sister, Mrs. Oscar Boenicke, and attending the Cemetery Association meeting Sunday visited in Santa Anna Monday night with their aunt, Mrs. Elmer Haynes and Mr. Haynes. They left Tuesday morning for their homes in Amarillo, stopping at Midland for a visit with Mrs. Elder's children.

Northside Baptist Church News

The revival has just closed with a good meeting. There were three additions to the Church by profession of faith and 4 on statement.

The church was greatly revived through the preaching of Bro. J. B. Pruitt of Nacogdoches. At the close of the service next Sunday night, April 24th, we plan to have a baptism service. Every one is cordially invited to come and worship with us.

After an absence of several weeks because of injuries she sustained in a car collision, Dixie James, went back to school Monday, where she is a Senior in high school and will graduate this year.

CONGRATULATION

A son weighing 8 lbs. who has been named Calvin Wayne, was born Tuesday, April 19th, at 8:36 a. m. in the Santa Anna Hospital, to Mr. and Mrs. Bill Merriman, of Coleman. The mother is the former Miss Shirley Lewellen. Grandparents are Mr. and Mrs. Drew Merriman of Coleman and Mr. and Mrs. Barney Lewellen of Santa Anna.

Mrs. Arnold Mayfield and children, Ray, Patsy, and Janie, of Abilene, visited Sunday with her aunt and uncle, Miss Alta Lovelady and Guy. In the afternoon, all went to Whon and visited with Oscar Lovelady and found him getting along fine.

Attend Church Regularly

ANNOUNCEMENT
