"He Profits Most Who Serves Best"

SMOKE

FROM THE MOUNTAIN

Don't try to catch a ride with Raymond Kemp or you might get left just as your hopes for a ride were built up. Oh well, it was a peculiar situation, but lots of folks are giving him the horselaugh about an incident Sunday. If he won't tell, ask us.

Deer hunting season in West Texas found six big game hunters from Santa Anna packed up and at it in earnest this week. W. H. Thate, Carl Williams, Virgil Newman, J. W. Johnson, and sons, Simms Johnson and Milton Johnson trudged off in the wilds to see how good a marksman each was. Reports from Mason county where big hunting goes on each year indicate that if your husband is missing, ladies, just drive down to Mason. The first deer killed there was killed by E. M. Carter of Brownwood, who suffered an injured eye from an empty shell. Maybe the deer was worth it though.

Even the ladies may find an interest in Mason around Dec. 15, but the main attraction will be John Boles, famous movie actor, who is planning to hunt near Mason at that time.

Last week in the Iron Lung list we printed a name of a donor as it was turned in to the office. We still have the original copy of the list so we know the name was on there. However, the person named informs us that she did not contribute and does not want the credit. The committee turning in the list do not know where the mix-up came in, but we are anxious to know who it was and contribute \$1.00 and did give credit for it. Please know.

Rain falling last week in central West Texas is reported by the Southwestern States Telephone Co. as follows: Coleman received .88 of an inch; Brownwood, good rain; Brady, 75-100ths; Bangs, one inch; Ballinger, half-inch; Goldsboro, one inch; Gouldbusk, half inch; Fisk, one inch; Novice, almost an inch; Valera, half inch; Talpa, half inch; Glen Cove, one inch; Santa Anna, good rain; Trickham, half inch; Stacy, inch and half; Voss, one inch; Rockwood, one inch; and Lohn, one inch.

Mr. Tate was "from Missouri" last week when he started looking for the ten names for free picture show tickets and had to be shown where a few were. He had just about decided we cheated and put our own names in, but he finally found them. We wonder if all ten of the persons found their own names. There are ten every week—if you don't believe it, read the paper—more carefully next time.

Poultry Display Now Showing At Griffin Hatchery

Hens and Cockerels May Be Seen This Week

W. B. Griffin, owner of Griffin Hatchery, with the assistance of Jim Daniels and E. R. Eppler, brought back this week from the Keeney Poultry Farm at Hico and the Erath County Egg Farm at Stephenville, 175 hens which are 250 egg trap nest hens and some cockerels to mate. The cockerels are from 300 egg trap nest hens.

One hundred of these fine birds, averaging 5 lbs. each, are on display the rest of this week at Griffin Hatchery. From this group the hatchery will be able to give customers the best grade of baby chicks on the market, raised by Mr. Griffin.

Since it is only about 30 days hatching season opens, hatchery wants all poultry to come in and see this display. Ask questions and examine the hens and cockerels.

Louis Pittard has moved to Chandler, Arizona. He has been on a sheep ranch near Chandler.

Iron Lung Ordered From Boston; \$1500 Goal Will Be Reached by Time of Shipment At Factory

To Washington

CHAS. L. SOUTH
Congressman from this district who returned this week to the Capital for a special session of Congress.

The Iron Lung for the Sealy Hospital has been ordered from the Boston, Mass. factory and will soon be on its way for installation in the hospital. A total, in round numbers of \$1425 has already been subscribed and since \$1500 will completely cover cost of the lung and freight charges the few remaining dollars needed will be made up by the time the lung is ready for shipment. A citizens committee, headed by James R. Gregg, W. H. Thate and J. T. Garrett have notified the Sealy Hospital that the lung has been ordered.

Upon the arrival of the lung will be transferred from the train to hospital and owing to its size and the fact that it comes assembled, the moving and installing will take time and care. However, it will be several days before the lung is ready at the Boston factory.

The subscribers to this fund should feel justly proud of their contribution to a worthy cause and a complete list of all subscribers will be published on completion of the fund. The News is deeply appreciative of the support given the movement.

Those adding to the fund this week include:

Funeral services for Mrs. A. C. Rev. M. L. Womack, pastor of the Presbyterian Church U. S. A. officiated at the church and Rev. George Smith of the Cumberland Presbyterian Church officiated at the cemetery.

The beautiful service emphasized the Christian life of the deceased, who was converted when she was a young girl, and who throughout much sorrow and pain continued to grow stronger in the Christian faith. Her favorite hymns, "The Old Rugged Cross," "Asleep in Jesus," and "Oh! Think of the Home Over There" were sung at the service.

To this union were born seven children, two of whom died in infancy and the remaining family except one child was killed in a cyclone at Trickham. This child died at the age of 20.

Mrs. Watson's only living relatives are nieces and nephews. Deceased brothers and sisters are Morgan J. Stacy and Mrs. Henry Valentine of Santa Anna, Mrs. L. E. Page of Trickham, Will T. Stacy of Arkansas and Mrs. H. P. Valentine of Hallettsville, Texas.

Football Rivals Meet Tonight On Local Gridiron

Homecoming and Crowning of Football Queen Among Special Attractions

The Santa Anna-Coleman annual football tussle will take place on the Mountaineer field tonight at 8 o'clock and though local fans are not very hopeful of winning the crowds will turn out to see the two rivals in the final game of the season.

Another drawing card for the game will be the crowning of the football queen, a student at Santa Anna High School, by the local captain, Bo Brewer. Also another attraction which will bring more students out to the game is the first annual homecoming for the high school students on Friday. An invitation has been issued to all graduates and former students of the high school to return to the school on that day to visit teachers, friends, and witness the game.

Decision Is Made at Called Meeting of the Association Wednesday

Trades Day in Santa Anna will begin again Saturday, Nov. 27 after a lapse of several months and will draw crowds again to the city to take advantage of the merchants' bargains and the entertainment features furnished by the business organizations.

All of the features which made the Trades Day popular will be revived and the entertainment will be even more attractive than before. The municipal band will again be one of the featured performance groups. Circulars to be distributed soon will give more details.

Decision to again have Trades Day, which was dropped due to work on the Fall Fair and Rodeo and was never begun again, was made at the meeting of the Trades Day Association Wednesday, called by President T. H. Upton.

With the Christmas season approaching, merchants know that they have many values attractive to customers. Election of officers for the new year will be held some weeks from now, it is thought.

A Modern Thanksgiving

The Day set aside for a national Thanksgiving originated, as all know, with the early Pilgrims in our country who, despite death, starvation, pestilence, the danger of Indians and repeated crop failures, found reason to thank God for His goodness in giving what He did to His people. They were wise in realizing that what misfortunes had befallen them, they fell by an All Powerful Hand and it was not their right to question or complain.

Today, although we are not menaced by Indians and the hardships today, in comparison to that age, are not so severe perhaps, we too are faced with danger. Yet all United States citizens have so much to be thankful for.

Of course individuals feel thankful to the Supreme Being for blessings throughout the year. That is an individual matter. But the entire United States on this day can give thanks for several blessings which we have and hope to keep always.

First of these is the blessing of peace, which our country has maintained so far when war is so close around us and when so many countries are being ruined and so many people slaughtered.

Another blessing is the fact that, imperfect as our government is in many ways, we are free to enjoy our religious life, social contacts, freedom of speech and can live to a large extent as we individually choose without fear of dictators and tyrants patterning our lives for us and forcing us into a machine existence for that person's glory and power.

You can name others. As you sit down to your Thanksgiving feast give thanks for your personal and national blessings. But don't let that praise cease there. Try to impress that on your mind every day throughout the year and if the nation becomes conscious of those things, the United States will never have war and tyrants and destruction.

CITATION BY PUBLICATION

No. 5721-B VS.)
Cecil May Burke et al)
IN THE DISTRICT COURT,
COLEMAN COUNTY, TEXAS,
119th JUDICIAL DISTRICT

The State of Texas to the Sheriff or any Constable of Coleman County—GREETING: YOU ARE HEREBY COMMANDED, that by making publication of this Citation in some newspaper published in the County of Coleman once in each week for four consecutive weeks previous to the return day hereof, you summon Cecil May Burke whose residence is Texas, but who is now absent from the State of Texas, and her present whereabouts are unknown, to be and appear at the next regular term of the 119th District Court of Coleman County, to be holden at the Court House thereof, in the City of Coleman, on the first Monday in January A. D. 1938, the same being the 3d day of January A. D. 1938, then and there to answer Plaintiff's First Amended Original petition filed in said Court on the 4th day of November A. D. 1937, Plaintiff's Original Petition filed herein on the 7th day of September, A. D., 1937, in a suit numbered on the Docket of said Court, No. 5721-B wherein F. M. Burke is plaintiff, and Cecil May Burke, Dr. I. W. Jenkins and Mrs. I. W. Jenkins, are Defendants; the nature of plaintiff's demand being substantially as follows, to-wit:

Plaintiff's suit and the nature of his cause of action is for divorce against the defendant, Cecil May Burke, and for the care, custody and control of their minor daughter, Barbara Dell Burke; plaintiff alleging in substance that he is a bona fide inhabitant of Texas and has been for more than one year next preceding the filing of his petition and a resident citizen of Coleman County, Texas, and has been for more than six months next preceding the filing of his petition; plaintiff also alleging in substance that the defendants, Dr. I. W. Jenkins and Mrs. I. W. Jenkins, have exercised an undue influence over the defendant, Cecil May Burke, and have encouraged her into secreting the said Barbara Dell Burke, and in assisting the defendant, Cecil May Burke, in withholding from plaintiff any knowledge of her whereabouts and the whereabouts of the said Barbara Dell Burke, and prays for an injunction restraining all of the defendants from removing said child from the State of Texas or from secreting her so that her whereabouts may be kept unknown to the plaintiff herein; and in said petition plaintiff prays the court to order and direct the defendants to produce said child into court to show cause why she should not be awarded to plaintiff. Plaintiff alleges his marriage to the defendant, Cecil May Burke, and their separation and that she and the other defendants, to-wit: Dr. I. W. Jenkins and Mrs. I. W. Jenkins, are in possession of said child and are exercising control over her and depriving her of her right to be with this plaintiff and of plaintiff's right to be with said child and of his right to have her visit him and said child's right to visit her father, the plaintiff herein.

Plaintiff's demand therefore is one for divorce against the defendant, Cecil May Burke, and for the custody of his infant daughter, Barbara Dell Burke, and for injunction restraining the defendants and each of them from keeping said child secreted and from withholding from him information concerning her whereabouts; also to require defendants to produce said child in court so that plaintiff's right and the rights of said infant aforesaid might be adjudicated.

HEREIN FAIL NOT, but have you before said Court on the said first day of next term thereof this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal in said Court, at office in the City of Coleman, this 4th day of November, A. D. 1937.

It has been agreed to distribute the individual collection plates again this month.

Next Monday afternoon the subject for discussion at the Council meeting will be "The Church in a Changing Community." A part of the program will deal with Christian Church Benevolences. At this time a donation of cookies will be packed for the Juliette Fowler Homes. All the women of the church are invited.

Those attending the district convention at Coleman last week were Mrs. D. C. Neal, Mrs. J. W. Kirkpatrick and Mrs. A. L. Oder. They report a fine convention with a large attendance and several nationally known speakers.

Consider Your Behavior

EDITORIAL

Students, watch your behavior! In every day life we find that there are many temptations that come before us. Some of these temptations are the wrong ones, but many find they cannot resist them. In our school life it is very important to behave the best we can for various reasons. Your behavior at any place usually shows how your conduct is at home and your parents' influence over you. Too, we find as you continue misbehaving you are continually being punished. Usually when pupils talk about deportment they don't think what it means, but to really think about the word we find it tells the life of our behavior. We find that your behavior determines your personality so as you pass on into future life behave so that people can say you are a person of good behavior.

Point System Explained

Through experience we are hoping to arrange a point system for making high school awards. This was tried last year the second semester. The award will be given for the number of hours of participation in practice and in contests in extra-curricular activities, honors won for school in contests, scholarship, and deportment. It has not definitely been decided how many points will be given to each activity or how many will be required. The award is a medium weight, full-block, chenille letter "S" seven inches high with appropriate lettering interwoven naming the activity in which the letter was earned.

Sheep and Goat Activities Keep Ranchmen Busy

Various activities of the care of sheep and goats are keeping West Texas ranchmen busy during this season of the year, reports from county agricultural agents in that section indicate.

Scarborough Named Ready Writer Head

A letter has been received by Mr. J. C. Scarborough from Mr. Roy Bedichek, Director of Ready Writers, telling him that he has been appointed director of Ready Writers in Region No. II, Region No. II includes the following districts: Abilene, Sweetwater, San Angelo, and Brownwood. There are about forty counties in this area with Abilene as the meeting place for the Regional contests.

Home Making Class Entertains Trustees

The Home Making III Girls entertained the Trustees and Mr. and Mrs. J. C. Scarborough last Wednesday evening, November 10 with a buffet supper. The Armistice theme of red, white and blue was carried out. The table was decorated with white chrysanthemums and red candles.

The menu consisted of chicken croquettes, potatoes, string beans, stuffed apple salad, relish plate, hot rolls, coffee, and cherry pie with whipped cream.

Junior Play Books Arrive

The Juniors will present their annual play sometime in the near future. The name of the play is "Curse You, Jack Dalton." It is an old-fashioned melodrama in one act. The cast of characters includes June Kirkpatrick as Mrs. Donna Dalton, an aristocratic matron, who has a heart of stone; Arabelle Ragsdale as Elouise Dalton, her daughter, who has a tender heart; Burton Gregg as Jack Dalton, our manly hero, who has a heart of gold; Helen Oakes as Anna Alvarado, who has a heart of granite; Wyndell Rowe as Elbert Van Horn, a deep-dyed villain, who has no heart at all; Jo Mae Payne as Bertha Blair, poor but honest, who has a heart filled with goodness; and Ray Roy Lovelady as Richard Blair, who has a heart filled with hope.

SCRIBBLERS TO START CONTEST

Sides will be chosen in the Scribblers Club next Tuesday at club period. Each leader will encourage her side to get up their articles and have them on time. The losing team will furnish entertainment for the winners.

Dorothy Ross was going ninety miles an hour down the highway when a cop commanded her to stop. Cop: Say, don't you know the speed limit on this highway is sixty miles per hour? Dorothy: Well? Cop: Your fine will be twenty dollars. Dorothy: (handing him forty dollars) Here, take this, I'm coming back just as fast as I came.

Shag Garrett went to Mr. Jackson requesting to be signed on the football team and was refused, Mr. Jackson telling him to come back when he was older.

Only a week later Shag returned with the same request. "But I told you to try again when you were older," said Mr. Jackson.

"Yes, sir," was the unexpected reply, "but seeing the team play Saturday night put years on me."

Mr. Jackson: Of course, you all know what the inside of a corpuscle is like? John Sidney (interrupting): Most of us do, but ye better explain for the benefit of them that have never been inside one.

It's hard to become a partisan after you pass middle-age for by that time you know both sides are wrong. You never heard of a child being spoiled by getting exactly what it deserved.

S. A. H. S. To Have Homecoming

Santa Anna High School will have its first homecoming Friday, November 19th. All ex-students of the school have a special invitation to attend. Pep Rally Held In Chapel Friday

Friday morning in chapel the pep squad leaders, Elizabeth Morris, Gene Adams, Elsie Haynes and Dorothy Pettit, conducted a rousing pep rally before the game with Bangs that night. Seniors Will Sponsor High School Annual

We appreciate very much the willingness and eagerness of each member of the senior class to sponsor the high school annual. We will appreciate intensively the cooperation of the school as a whole in making this annual. Definite arrangements have not been agreed upon; but as soon as possible we will begin our work.

AFTERMATH
 O, I am not afraid to die—
 For I could see the whole world
 from the sky.
 It would be very lovely—but
 then
 I might wish I were back again.
 —Joy Kirgan, Fairfield, Texas

THE SINNER
 His sins were many and grievous,
 You knew about them all.
 They were open so man could
 see them
 Like posters on a wall.
 You were loud in your condemnation—
 I gave no answer to you.
 I knew of his sins for I saw
 them,
 But I saw his suffering, too.
 I saw him struggling in darkness
 Beneath a thick black pall.
 He sinned, but, Christ, now he
 suffered,
 But you did not see that at all.
 —Ella Vilosa Freeman,
 Dallas, Texas

TRAILS
 Trails that lead to Nowhere
 Are trails that call to me.
 Trails that climb the mountains
 And drift down toward the sea—
 Beckon me to follow
 Their gypsy company.
 —Muriel Harrison,
 Lubbock, Texas

LITTLE HOUSE
 Little house beneath the trees
 Did some one's dreams die that
 you
 Are left forsaken?
 Did a soul who loved you
 Tire of living, leaving you—
 Shutters closed like poor dead
 eyes
 Forever blinded?
 —Mrs. J. G. Noel,
 Atascosa, Texas

MY THANKS
 Lord, here's my thanks to thee:
 For kept house; a smile
 For those I love; a tear
 For one in sorrow;
 A helping hand to all
 Who reach to me;
 A hope to them who fear;

A courage strong to face to-morrow.
 —Anabel Parks,
 Lancaster, Texas

TEXAS SUNSETS
 Rose pink, hyacinth blue...
 and violet—
 Golden galleons in the lyric
 west—
 What charm hath sonnet or
 triole,
 As long as sunsets adorn the
 west?
 —Frances Coffin Boaz,
 Fort Worth, Texas

TRANSFIGURATION
 Day is a realist,
 Night a romanticist.
 Consider anything you wish—
 A faded stack of straw,
 A tumble-down barn—
 Under the pitiless light of noon,
 They stand naked and ashamed:
 But at night,
 The straw-stack becomes a
 hillock of silver,
 And the old barn in a blur of
 softened gray;
 Beyond its sagging doors are
 shadows, rustlings—myster-
 ies.
 By day we see the bodies of
 things;

At night, their souls.
 —Boyce H...
 Fort Worth, T...

Troubles always seem to
 to add and multiply a lot fa-
 er than they do to subtract.
 Another funny thing is that
 cute a baby can show off ten
 minutes after the company has
 departed.

KUYKENDAL OF WHITE CHAPEL CLUB HAS ATTRACTIVE YARD

Mrs. J. D. Kuykendal, yard demonstrator in the White Chapel Home Demonstration Club, has transformed her yard from an attractive yard in November, a bed of ragweeds in April to spending only about fifteen dollars on all improvements made.

The yard was first broken up and harrowed and filled with good soil. Then the yard was planted in grass which is now growing nicely. A fence made from old and new wire and old gas pipes for posts was painted with aluminum paint.

Walks around the yard were made from native stones. The rose garden was placed on the north side of the house. Toward the back of the house on the south side, Mrs. Kuykendal is building a rock terrace under the grape arbor where she will have an outdoor living room. Mrs. Kuykendal is now getting ready to start the screen and foundation plantings which will help to complete her yard work.

A HISTORY OF MY WORK IN THE 4-H CLUB

By Joan Croom, 11 years of age, Silver Valley 4-H Club. I shall always reserve a special place in my memory for the year 1937 as that date marks the beginning of my work as a 4-H club member. One morning in January the County Home Demonstration Agent visited the Silver Valley School

and assisted us in the organization of a 4 H. club. Mrs. Minnie Templeton very kindly consented to act as our sponsor. I was chosen as wardrobe demonstrator for the club. The first work assigned us was to count the number of articles in our wardrobe and then to make an estimate of the number of additional garments that we would need during the year. When I had finished making this inventory of my wardrobe and had made my wardrobe plans for the year, I realized that we must always take stock of our resources before we can plan wisely for the future. This taught me many useful and surprising things. I not only learned the importance of practicing economy, but I also learned what true economy is. For instance, I found that sometimes it is more expensive to buy the article that costs the least.

During the first year I made the following articles: an apron, kimono, sport dress, and slip. And in addition to my wardrobe work, I made a garden plan for our family.

I have thoroughly enjoyed the work that I have done in the 4 H club, and I feel that it has been very beneficial to me and will continue to be so in the future.

4-H GIRLS' CLUBS IN COLEMAN COUNTY RE-ORGANIZED FOR 1938

The 4-H Girls Clubs in Coleman County have been re-

organized for the year and are making a good beginning in their new year's work. The 4-H program has started on a new basis this year as a new program began in September instead of beginning in January as usual. It is hoped that this change will make the 4-H club work better and stronger since the girls will be starting a new 4-H club program when they begin their new school work.

There are now 8 4-H clubs organized in Coleman County with an enrollment of about one hundred and twenty-five girls. Each club is guided and assisted by a sponsor who is usually one of the home demonstration club women of the local community. The clubs and their sponsors are as follows: Brown Ranch 4-H, Mrs. J. W. McKee, sponsor; New Central, Miss Marijo Nalley, sponsor; Trickham, Mrs. Jess York, sponsor; Cross Roads, Mrs. Harry Dibrell, sponsor; Voss, Mrs. H. G. Garlington, sponsor; Whon, Mrs. Burt Turney, sponsor; Echo, Mrs. Carter Dibrell, sponsor; Silver Valley, Mrs. C. C. McCurdy, sponsor. A number of new 4-H clubs will be organized this month including a club at Indian Creek, to be sponsored by Mrs. Ray Jameson; Shield, to be sponsored by Mrs. Edgar Shelton; and a club at Loss Creek.

The 4-H girls clubs meet twice a month, with the County Home Demonstration Agent meeting with them once each month. Clothing and garden work are being carried another year. The girls are now working on planning their school clothing, and making under-clothing or sleeping garments.

Another thing that gets under the average man's skin is seeing some chap playing the part of a good fellow with money that he owes somebody else. People who take trouble to think don't have so much trouble to think of.

Boy Scouts Will Hold Winter Camp After Christmas

Four Day Camp Will Be Supervised by Scout Executives and Scoutmasters

Chisholm Trail Council of the Boy Scouts are going to conduct a winter camp at Camp Tonkawa near Buffalo Gap from noon Dec. 27 through noon Dec. 31.

Tents will be provided and the Scouts will have a small Sibley stove in each. Scouts are asked to register at once and all registration fees must be in the Council office before Dec. 20. The fee is \$5.00. The regular professional camp cook will be employed and excellent meals will be served and the camp staff states that it will be prepared to satisfy each scout in regard to the "13th Law"—"A Scout Is Always Hungry."

Games, hiking and other outdoor activities will be included in the schedule. Mr. and Mrs. Shumway will serve on the camp staff together with several experienced Scoutmasters.

Witnessing and reading about the excellent results obtained from the use of wettable sulphur for the control of goat lice has convinced about 20 ranchmen of Coleman county that it is worthwhile. Bob Corbell, ranchman cooper in the Novice community, will dip 650 head of goats as soon as the growth of hair is long enough to hold the dip. He is planning for a second dipping 14 days later. Other ranchmen who are planning to dip are M. J. Nations, Dibrell Brothers, Kit Casey, C. D. Bruce, Roy Tisdale, Bill Lobstein, O. H. Terry, Arthur Casey, Ike Gaines, Bob Mann, and others.

Many East Texans Visited In Santa Anna In Early Days of Prospecting

By Miss Luella Chambers. Among the first old friends we met when we came to Santa Anna were Mrs. L. V. Stockard, a former Palestine girl; Rev. J. D. Robnett, pastor of the First Baptist Church in Brownwood, who ate his first meal in Texas in our house in Waco in May, 1883; the Clingmans, Wootens, Mr. Brooke Smith and Mr. Moss, all former Waco people; Rev. Noah T. Byers and wife in whose home the Declaration of Independence was signed and who had organized fifty Baptist churches in Texas; Mr. Shelton, husband of Mrs. Betty Shelton of Brownwood.

Just north of the gap, Mr. Bill Williams, another old friend, lived and he often filled our buggy with fine watermelons.

In Coleman father met Mr. I. T. Wood who was running a hotel. Later Mr. Lige Edkins, who was running the McClellan horse ranch, met father, and also Mr. Kin Elkins whom he had not seen since the sixties. My brothers were in Coleman one day and met Mr. Bill Babb,

whom they last saw in 1878, and our old school friend, Will Prestridge, who was working for Holloway of Burnet, Texas. They also saw J. M. Hickman who married our classmate and Bob Ledford, both working for Waco firms.

We were visited by Mr. W. H. Ross, brother of ex-governor Ross, representing the Padgett Firm, and by Mr. Harry Grayson of the Waco Examiner, daily paper, who came to see his little carrier boys, Bennie and Eddie. Ed had been cow hunting all day and came in with the leg of his pants split from the knee down. Mr. Jim Garrett, whose daughters told him to be sure and see us, bought a ranch in the Angelo country.

One day a young man at the door said, "I am Joe Walker of Belton. Nellie Eastland sent me to see you." So many of our friends came to see us we decided every lady told her father, brother, cousin or sweetheart to stop and see us. We were glad to see them but had no idea so many knew we were here.
