Town To Be Closed Friday

Friday, November 11, is one of five days in the year the local merchants voted to observe as a legal holiday and thus most of the local stores will be closed all day, in observance of Veterans Day.

Formerly known as Armistice Day, a recent act of the National Congress changed the day to Veterans Day, in honor of service men of all wars.

Community Bargain Day prices will be good on Saturday and Monday, November 12 and 14, this month.

Aunt Jemima To Be Here December 2nd

Aunt Jemima in person will again be in Santa Anna on December 2, when the Lions Club will put on their annual Pancake Sale in connection with the annual Christmas Opening. Pancake batter will be furnished by the Quaker Oat Company and the jolly Aunt Jemima will be here to supervise the serving of the batter which bears her name.

Tickets are now on sale by every member of the Lions Club. The club has been divided into two groups with Lion Bill Talley, minister of the Church of Christ, heading one group and Kenneth Bowker heading the other group.

The two groups are contesting each other to see who can sell the most admission tickets. The losers are to pull Aunt Jemima in the Christmas Opening Parade, and the club has been assured that she will be here in time for the parade this year.

Plans are being made to serve each person all the pancakes they can eat along with bacon, coffee or milk, syrup and other trimmings. Admission prices are 60 cents for adults and 35 cents for children.

Wreck on Home Creek Bridge Monday P. M.

Two pickups were involved in a collision on the Home Creek Bridge about 5:15 p. m. Monday. Kenneth Brusenhan of Rockwood was driving south in his 1954 Dodge pickup when George W. No injuries were reported.

The accident was investigated by the Sheriff's Department and charges were filed against Stewart for failure to yield right of way. The accident occurred near the south end of the one-way bridge.

Run Away Girls Captured Here Mon.

City Marshal Bud Simmons reports three run-away girls were captured here Monday morning and returned to the Hendricks Home in Abilene.

A lady passing through town picked the girls up just outside of Coleman and on the way to Santa Anna became suspicious of the girls. She stopped at Blossom & Jewell's Service Station, with the pretense of calling relatives and requested Mrs. Owen to call the City Marshal.

The girls, all about 15 years of age, had run away from the Hendricks Home some time Saturday. The supervisor of the home came to Coleman to get the girls Monday afternoon.

The Santa Anna Junior Mountaineers won their district championship Tuesday night when they overpowered the Juniors from Early to the tune of 27-7 on the local field. Santa Anna scored 7 points in the first period, seven in the third and 13 in the fourth period. Early scored their seven points late in the final period while the substitutes were giving the main squad a little rest. Although Santa Anna only made five first downs to nine for Early, the Mountaineers gained 181 yards rushing and Early 136 yards.

Early kicked to Santa Anna to start the game. The Mountaineers fumbled and Early recovered on the 40 yard line in Mountaineer territory. Early worked their way to the Santa Anna 7 before having to give the ball up on downs. The Mountaineers made one first down and was operating on their 39 yard line with fourth down and one yard to go. Fullback Roy Payne took a handoff from Quarterback Eddie Hartman, swept left end wide and went the remaining 61 yards to pay dirt. Payne passed to End Kenneth Haynes for the extra point and the locals were in front 7-0 and never lost the lead.

In the second period the local boys were held for downs on the Early five. Early took the ball and on several ground plays went to the Santa Anna seven before being held for downs again.

In the third period the Mountaineers scored on a 34

Mountaineers Take Sound Beating From Bronte

The Bronte Longhorns rolled up a total of 19 first downs to four for Santa Anna last Friday night when they handed the Mountaineers a sound 20-6 beating. Bronte gained a total of 257 yards rushing while Santa Anna only gained 59 yards.

The first half was scoreless for both teams. Bronte penetrated the 20 yard line three times. They were held for downs once and on two occasions lost the ball on fumbles, once on the one-foot line.

Bronte scored once in the third period and again early in the fourth period. About midway in the fourth they scored again. Late in the final quarter, the Mountaineers perked up and drove about 50 yards to score on a four-yard pass from Eugene White to Donald Ray.

This was the eighth straight defeat for the Mountaineers. They have only Llano and Mason remaining on the schedule before the season is complete.

GO TO LLANO
This weekend the Mountaineers will journey to Llano for a crack at one of the top teams in District 23-A. Llano was leading the district until last week when they were upset by Burnet.

The game is scheduled to begin at 7:30 p. m. on the Llano field.

BURNET LEADS DISTRICT
The Burnet Bulldogs upset the Llano Yellow Jackets last Friday night, 13-12, to take the lead in District 23-A competition. Burnet now leads with three wins and no losses and plays Mason Friday night in the top game in the district. Mason, defending champions, are going all-out to win this game and throw the lead into a three-way tie. Llano has already beat Mason and was thought to be the one to beat in the district; then Burnet does just that.

In other district games Goldthwaite won over Bangs by a 26-13 score; Mason won over Brownwood "B" by a 38-0 score and Santa Anna lost to Bronte.

Mr. and Mrs. Jack Klingsberg and children of Crystal City were weekend visitors with the home folks.

yard pass from Payne to Haynes and then Payne passed to Haynes for the extra point.

After the 4-minute warning was given the coaches, three TDs were scored. Early kicked to Right half Arthur Windham on the 50 yard line. He returned the ball the 50 yards for the score behind excellent blocking. Coach Donham ran the reserves in shortly after and let Early score their seven points and then put the first string boys back in for the kickoff. Early kicked to Payne on the 29 yard line and before they could bring him down he was on the Early 9 yard line. On the next play Hartman passed to Haynes for the extra point, making a total of 27 for Santa Anna and 7 for Early.

This is the final game for the Junior Mountaineers. They all played stellar ball throughout the entire game. The team is composed of Eddie Hartman, Roy Payne, Freddie Walker and Arthur Windham in the backfield and Kenney Haynes and Kenneth Shields at ends; Gene Close and Joe Riley at tackles; Tony Tucker and Byrl Fellers at guards; and Eddie Reid at center. All these boys with the exception of Walker and Windham will graduate into high school this year. Emmet Stiles, Jerry Foster and Jerry Haynes are reserves who will graduate to high school.

During the four years A. D. Donham has coached in the elementary school they have had a record of 6-0; 2-4; 2-3-1; and this year 8-1, losing only to Early by a 12-7 score earlier in the season.

After the game Mrs. Johnny Ruth Walker entertained the football boys and pep squad girls with a party in her home. Coach and Mrs. Donham were also present. A nice variety of refreshments were served the group.

Fake Fire Is Planned To Catch Law Violators

Sometime in the future members of the Santa Anna Volunteer Fire Department are going to stage a "fake fire" for the purpose of catching and fining those people who violate the City Ordinance prohibiting persons from following fire trucks when they are on the way to the scene of fires.

During the last few fires we have had in Santa Anna there has been a great number of persons who have interfered with the fire department in going to fires and while they are fighting fires. It is for the persons interfering with the fire department own benefit that laws are passed forbidding you to follow them.

Persons caught in the act will be given tickets and fined at least \$10.00 and court costs. Just when the "fake fire" will be staged is anybody's guess. It may be in the next few days and it might be a month or two from now.

The case of the missing housewife

There's a roast cooking to perfection in the electric range. Ice cream is being made — in the refrigerator. Coffee is percolating. The children's play clothes are being washed clean as new.

But there's no one in the kitchen!

One clue solves the case — *electricity*. It works automatically — Mother doesn't have to stay in her kitchen. Right now, she's attending a P.T.A. meeting. And when she gets home, the dinner will be ready, the laundry done.

Another clue — electric servants work for low wages — costs only a few cents a day for the average family.

Isn't it by far the biggest bargain in your family budget? The men and women in your electric service company are constantly working to keep it that way.

PTA Has Interesting Meeting Tuesday

The Santa Anna P. T. A. met in regular session in the Grammar School Cafeteria on Tuesday afternoon, with Mrs. Montie Guthrie presiding. The meeting was opened with prayer.

Mrs. J. A. Harris' fifth grade pupils put on a program in three parts, which was outstanding. Fourteen boys sang, "The Yellow Rose of Texas". A group of boys and girls sang, "Soldier, Soldier, Won't You Marry Me." There was much action in this. All the class of boys and girls sang, "The Bible Tells Me So". This feature also contained much action. The program was based on the Home and the School working together. Mrs. Helen Hunter, Homemaking teacher, spoke on the P. H. A., which she directs. She introduced her supervisor, Mrs. Mary Moore. Mrs. Hunter ably explained the six areas of Homemaking and read an interesting recipe for a

home. She introduced Ruth Milligan, high school pupil, who spoke further on the work of the P. H. A., read its creed and told of its purposes. It was all very interesting.

A. D. Pettit, High School Vocational Agriculture teacher, spoke on Agriculture and his work with the F. F. A. boys. A number of boys have made good money with their projects and have obtained a good working knowledge of agriculture while in school. Military service often prevents the boys from being able to launch out into farming or ranching and securing land is another problem. All the program was interesting.

During the business period, Mrs. Harris' fifth grade pupils won the attendance award.

Mrs. Guthrie appointed Mrs. Tom Wristen, Mrs. Bill Talley, and Mrs. John Hensley to purchase medical supplies for the various rooms and the sick room. Mrs. J. H. Martin and Mrs. Dick Baugh were appointed to get the public address system repaired. A number paid dues.

Mrs. Richard Horner reported \$288.80 in the treasury after paying all expenses of the recent bazaar.

The next meeting of the P. T. A. will be on Tuesday, December 6th.

Miss Ellis Honored With Shower Friday

Miss Gayle Deane Ellis, bride-elect of William Burgess Stewardson, of Santa Anna and Shields, was honored Friday, October 28th, at Shields with a gift tea in the Shields community center.

Hostesses were: Mrs. A. Ben Carroll, Mrs. Otis Powers, Mrs. Tom Stewardson, Mrs. George Stewardson, Mrs. Douglas S. Milligan, Mrs. Ronnie A. Milligan, Mrs. Elton Jones, and Mrs. Edgar Shelton.

The table was covered with a

lace cloth over pink linen. Centerpiece was crystal appointments of bowl and candleholders, with lovely shades of pink and rose roses with pale pink candles flanking the roses on either side. At the punch service was Mrs. A. B. (Ben) Carroll and Miss Clara Jean Stewardson, cousin of the groom-to-be, registered guests.

Greeting the 45 guests were Mrs. Otis Powers, Mrs. W. T. Stewardson, mother of the groom-to-be, Miss Ellis, honoree, Mrs. Raymond Ellis, mother of the honoree, Miss Theola Stewardson, sister of future groom, and Mrs. J. L. Stewardson, grandmother of prospective groom.

Many lovely gifts were received by those attending and many not present sent gifts.

Attending from San Saba other than the honoree and her mother were Mrs. J. L. Stewardson II, Mrs. Wade Ellis and Mrs. Robert Ellis.

The wedding will take place on Saturday, November 5th, at the New Hope Presbyterian Church near San Saba.

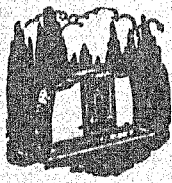

JIMMY JORDAN'S CONDITION IMPROVES

Reports early this week indicate the condition of Jimmy Jordan, son of Mr. and Mrs. Johnny Jordan, a polio victim who is in the Corpus Christi hospital, has improved some and is apparently continuing. There is a possibility his condition will enable him to be moved to Gonzales in about four weeks. His arms and shoulders seem to be the primary parts of his body affected.

CONGRATULATIONS

A son, who has been named Travis Bruce, was born to Mr. and Mrs. Leonard Moore, who live on Bowie Avenue, in a Brownwood hospital on Sunday, November 6th, at 4:51 a. m. Travis Bruce weighed 7 lbs. and 14 ozs. at birth. The Moores have two other sons and a daughter, who have welcomed the new arrival into the family circle. The Moores moved from San Angelo to Santa Anna last year.

It takes a winning smile to cop beauty contest awards. But it also takes the right kind of legs to walk off with the prizes.

W. H. Pittards Own Mystery Farm No. 30

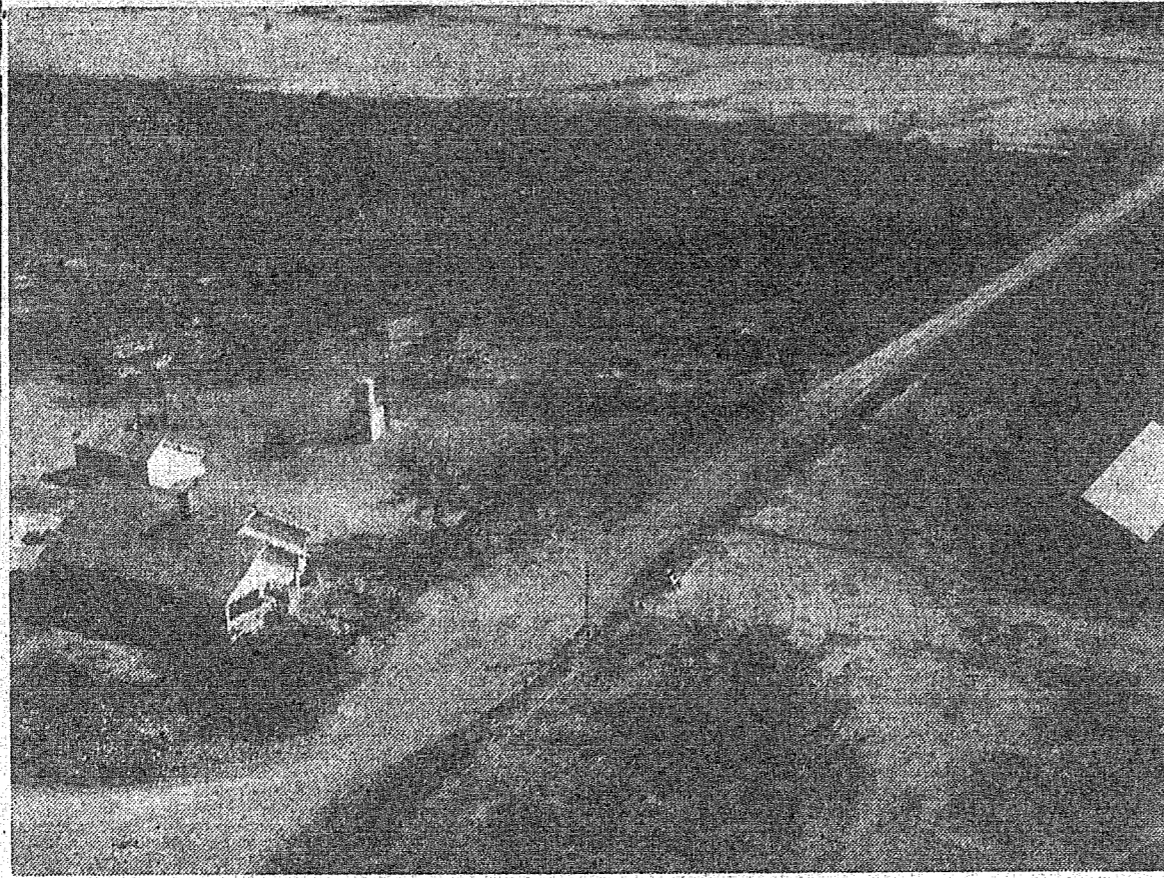

Mr. and Mrs. W. H. Pittard are the owners of Mystery Farm No. 30, as appeared in The Santa Anna News, last week. The farm is located about 6 miles southeast of Santa Anna in the Liberty Community and is known as the old E. W. Polk place.

The Pittards purchased the 200 acre farm in November, 1939 and have lived there since that time. They purchased the farm under the Farm Security Plan, with a 40-year repayment plan. They completed the payments on the farm recently and all their improvements and land is paid for. Right after they purchased the farm they remodeled the house inside and out, built a new barn and chicken house, rebuilt the garage and added a smoke house, rebuilt all the fences and terraced most of the cultivated land. He has made other improvements during the 16 years they have lived on the farm and now has all the modern conveniences in the home plus running water and natural gas in his brooder houses and turkey and chicken houses.

For the past several years the Pittards have raised about 600 head of turkeys along with 150 to 175 head of White Leghorn chickens. They keep all their turkey hens for egg production and sell most of them to the Cen-Tex Turkey Farm of Coleman. They sell the chicken eggs on the open market.

On the 130 acres of cultivated land, the Pittards raise mostly small grain and row crops. Their favorite crops are grain sorghums and oats. If the proper amount of moisture falls this fall he plans to sow about 50 acres of oats. He has harvested a fair crop of maize this year and says he will have more to harvest after frost. They also run 9 or 10 head of mixed cattle

THE HOME OF MR. AND MRS. W. H. PITTARD

for beef production.

Mrs. Pittard is the former Janie Copeland. She was born in Caldwell County and came to Coleman County in 1920. The Pittards were married at Loss Creek in 1922. They have three sons, all graduates of Texas A & M College and all are now connected with agricultural work. W. H. Pittard, Jr., is the Vocational Agriculture teacher in the Bertram, Texas, schools; Harold Pittard is the Vocational Agriculture teacher at Novice and is a First Lieutenant and commander of the National Guard Company at Coleman; Lynn Pittard is the Assistant County Agent at Floydada. The Pittards also have three grandchildren.

Mrs. Pittard, a member of the Christadelphian Church, is an active worker in the community affairs and club work. At present she is the Vice Chairman of

the county Home Demonstration Club and the Council Delegate from the Liberty Club. She served the Liberty club for two years as president and serves on most of the drive committees from the Liberty Community.

Mr. Pittard has served for eight years as a director of the Coleman County Farm Bureau and a member of the Santa Anna Independent School District for about four years. He finished the unexpired term of former President Bruce Snodgrass and then was elected to serve a term of his own. He has also been a member of the Masonic Lodge since he was 21 years of age.

One year Mr. Pittard used fertilizer on his crop land and was fairly well pleased with the results. However, during the past several years this part of the country has not received enough moisture to make farming with fertilizer a profitable business. When moisture conditions return to normal he plans to use fertilizer again.

He has an ample supply of good water on the place, which includes two large stock tanks and a 235 foot deep, soft, water well. The well has been in production since before he purchased the farm and seems to have an inexhaustible supply of water. Over the years the well has been in production, it has

never showed any signs of getting weak. They also have a good gas well on the farm which has been a good source of revenue in past years. It is still in production but not as much gas is being used from it now as has been in the past.

Mr. and Mrs. Eugene Medlin and sons, Topper, Charles and Vance, of Odessa, visited from last Friday night until Sunday with her parents, Mr. and Mrs. J. L. Harris.

The Golden Rule

Lesson for November 13, 1955

LIVING is an art, not a science. Jesus did not come to give us a heavenly rule-book. On the other hand he did not live and die merely to provide us with tickets to heaven. For others, as for himself, he felt the tremendous importance, here and now, of this present life. He left behind him not rules but general broad principles for living in this world as sons and daughters of the Most High God. Jesus' principles were not the stuffy sort of thing that only philosophers can understand. His disciples, we know, were all men of limited education, the plainest of plain people. If Jesus had tried any theological gobbledygook on them, it would have gone clear over their heads. What he said could have carved on short tombstones, written on a postcard,—any one sentence of his teachings. The one the church has nicknamed the "Golden Rule"—short, sharp, and in Jesus' own view very important—is alone worth long study.

Dr. Foreman

"It's Too Hard"
Luke's version of the Golden Rule (6:31) is clear enough: "As you wish that men would do to you, do so to them." Words of one syllable, but what words! It is saddening to see how many efforts have been made to by-pass this Golden Rule. One kind of by-passers will tell you this is much too hard. Some very religious people have fancied that Jesus did not mean this for here-and-now, but only for some "Beautiful Isle of Somewhere," sometime after Judgment Day. Other religious people have said that Jesus really meant to say, "You can't possibly do this,—don't you feel ashamed?" Now we can be sure of two things. One is, that Jesus was (to say the least of it) a man of common sense, an honest man.

And honest men do not deliberately tell their friends to do what they know is impossible.

"It's Too Easy"

An opposite way of by-passing the Golden Rule is to think it is too easy,—that it is just a nice-sounding bit of advice that is not only easy to do but which won't do much good. For example: a little girl cries for candy. The mother thinks: What would I want her to do for me? Why, I'd want her to do as I say. So I'll do as she says—give her the candy. (And make her sick, of course.) Or again: a wife's birthday is coming along. Husband thinks: What would I want for my birthday? New power saw, of course. So he gets his wife a power saw, which she certainly does not want. . . . No, the Golden Rule is not so easy as all that. It calls for imagination, for a wide vision, for a Christian spirit. It is indeed all too easy—for fools and knaves. But Jesus assumed that his friends were neither knaves nor fools. The Golden Rule is not something to save any one the trouble of thinking. It simply points out the direction in which our actions and decisions ought to go. It often means, not—What does this person want me to do, now? but—What will this person at last wish I had done for him? In other words, if we are to apply the Golden Rule we have to look at it in the light of eternity.

"It Won't Work"

Another way of by-passing the Golden Rule is to say simply that it won't work. "It is a lovely ideal, the world would be much pleasanter to live in, for all of us, if we could live by it; but we can't, so let's get on with the practical business of dog-eat-dog, every man for himself and the devil take the hindmost." Again let us remember that if Jesus had not lived by his own rule, every listener would have known him for a hypocrite and the Golden Rule would have perished in a blast of cynical laughter. It worked in Nazareth, it worked in the carpenter shop. To bring it down to our own times in America, and to take the hardest of applications of the Golden Rule,—loving your enemies. Will it work? Well, who are today the leaders in the War of the 1860's who are most widely and gratefully remembered on both sides of what once was a battle line? Lincoln and Lee, beyond much doubt. And these are the two men who most undeniably loved their enemies. The Golden Rule, in a life devoted to God and man, will work.

Mrs. L. O. Garrett, who for several months was confined to her home or hospital, is now able to get about some. She was able to attend Sunday School and church services at the First Christian Church Sunday morning, where she has been a faithful member since girlhood. The pastor, Rodney Hitt, spoke words of appreciation for her recovery and attendance at the services and many members made Mrs. Garrett know how much she had been missed during her long absence.

After visiting here with his mother, Mrs. Linnie Biggs, Norman Biggs left for San Francisco, from where he will sail for service on Guam. He is in the Navy Air Corps.

Mr. and Mrs. Mark Davis and Patricia spent the day in Abilene Saturday attending the McMurry College Homecoming, where Don Davis is a student. On Saturday night they were joined by Mr. and Mrs. W. V. Priddy and Mrs. Jack Shields. Mrs. Shields' daughter, Mrs. Bob Martin of Abilene joined them and all attended the football game between the McMurry Indians and Howard Payne Yellow Jackets.

Billie Norman Woods left last week for California, where he is taking his basic training in the Army. His wife, the former Billie Ruth Mathews, is staying here with her parents, Mr. and Mrs. R. W. Mathews, while he is in training there.
