CofC Banquet Will Be Held Saturday

around muleshoe

Bailey County Chief Deputy Sheriff Don Carter said a reward was paid by Crime Line for information leading to the apprehension of persons who recently burglarized a Muleshoe residence, taking more than \$9,000 in collectible items and artifacts.

Deputy Carter said the reward was \$500.

He reminded that the anonymous rewards are paid once a person, or persons, are apprehended and charged with a crime in Muleshoe or Bailey County.

Sign-ups for Muleshoe Youth Basketball Program, which includes boys and girls in grades 3-6, will be Tuesday, January 22 and Thursday, January 24.

These sign-ups will be at the Muleshoe Fire Station from 6:30-8:30 both nights. A sign-up deadline has been set for Monday, January 28.

A meeting will be held for all interested coaches on Thursday, January 31, at 7 p.m. at the Muleshoe Fire Station. If you plan to coach or assist a coach in this program, it is imperative that you be at this January 31 meeting because player and team assignments will be done during this meeting.

The Muleshoe Elementary PTC will meet Monday, January 21 at 7 p.m. at Dillman Cafeteria.

The program will be given by the Muleshoe Police Department and will be on drugs and bicycle safety. It will be a program for both kids and adults.

The staff of Dillman Elementary would like to encourage all parents of children birth to fifth grade to attend an *Active Parenting Seminar*.

It will be held on Monday, February 4, in the cafeteria. Coffee will be served at 9:15.

At 9:30 a.m., the seminar, *Winning Cooperation*, will be presented by Jan King and Debbi Hutto.

Congressman Combest

Comments On Gulf War

Friday morning, U. S. Representative Larry Combest (R-TX) issued the following statement during the allied liberation of Kuwait:

"I think all of us are struck by the awesome seriousness of war. Our national leaders thought carefully when they considered the impact of authorizing these actions. We now must carry forward the promise of freedom as this Desert Storm sweeps into Kuwait in the days ahead. Our thoughts now turn to how we can best carry out this military operation in such a way that there are a minimum number of lives lost with the maximum military success.

"There is a sense of determination in our country that action is best taken now. Possibly, acting now could save us many losses of lives in the future. Saddam Hussein's history of disregard for human life has demonstrated that we cannot allow him the opportunity to pose an even greater threat to the world with chemical and nuclear weaponry.

"I believe it is important for all of us here at home to remember our troops in our

The Eleventh Annual Bailey County Winter Ag Conference will be held on Thursday, January 24, reports Spencer Tanksley, CEA-AG.

As in the past, the conference will be held at the Bailey County Coliseum beginning at 8 a.m. The first speaker is scheduled for 8:30 a.m.

This year's conference will include information being presented on the 1990 farm program, emergency farm loans, conservation compliance program, and subject matter topics will be discussed on control of spider mites in corn, oilseed crops, post-directed sprays for weed control, reduced tillage

systems and pesticide laws and requirements.

From 8-8:30 a.m. will be registration and coffee.

Danny Noble, ASCS County Director will give the 1990 Farm Program from 8:30-9 a.m.

This will be followed from 9:20-9:40 a.m. by Danny Glenn, FmHA County Supervisor, who will speak on Emergency Farm Loans and Farm Program.

Jim Lutz, SCS District Conservationist will speak on Conservation Compliance and CRP from 9:10-9:20 a.m.

Dr. Pat Morrison, Entomologist, TAEX, will speak from 9:20-9:40 a.m. on Control of Spider Mites in Corn.

From 9:40-10:10 a.m., Jane Green, Extension Associate will discuss Tax Management.

Following a coffee break, Dr. Brent Bean, Agronomist, TAEX, will talk about Oilseed Crops.

From 10:25-10:50 a.m., Dr. Paul Bauman, Texas Tech University, will discuss Post-Directed Sprays for Weed Control.

Dr. James Supak, Cotton Specialist, TAEX, will speak from 11:15-11:45 on Reduced Tillage Systems to Increase

Farm Bureau Will Have Farm Program Uplink Thursday

The Texas Farm Bureau has scheduled a *Farm Program Uplink* for Thursday, January 24, at 7 p.m. (CST). The program will originate from Chicago and will be broadcast to all county Farm Bureau offices in the state.

The program will be broadcast in the local Bailey County Farm Bureau office and farmers and ranchers are invited to view the broadcast on Thursday night, said David Tipps, Bailey County Farm Bureau manager.

Representatives of the ASCS in Washington have been confirmed to assist in the presentation of this information, added Tipps.

Farm Profit.

Concluding the program will be Tony Pardo, III, Extension Agent, Pesticide Safety. He will talk about Pesticide Licensing and Requirements.

The annual conference is

Upward Trend Shown In Tax Rebate Check

"This month's local sales tax rebates are positive proof that our Texas economy is steadily improving," Comptroller John Sharp said Monday.

Sharp announced that his office this month sent checks totaling \$91 million to the cities and counties across Texas that collect local sales taxes.

This month's sales tax rebates to cities increased 15 percent over the January 1990 figures.

"A good portion of that increase is due to Texas' stronger economy, but some of the rise is because more cities collect sales tax this year than did last year. A few other cities have also increased their local tax rates which makes for higher rebate checks from the state," Sharp said.

Sharp recently reported in his Biennial Revenue Estimate to the state Legislature an increase of \$1.9 billion in available revenue for fiscal years 1992-93 because of Texas' growing and increasingly diversified economy. However, Sharp also warned that the state could face a potential shortfall due to increased spending requirements.

Muleshoe's first payment for 1991 was \$16,837.63, up 9.03 percent from the \$15,442.82 received for the same period last year.

In Cochran County, Morton received \$4,524.90 for their first payment of the year. This is down 5.58 percent from the \$4,792.29 Morton received in January 1990.

Dr. Kenneth Wyatt Set To Be Special Speaker

Time is running out to make plans to attend the annual Muleshoe Chamber of Commerce and Agriculture annual banquet.

The banquet will be held on Saturday, January 26, at 7 p.m. in the Muleshoe High School cafeteria.

Tickets for adults are \$10 in advance and \$12 at the door. Tickets for students are \$7 in advance and \$9 at the door.

You can purchase your tickets at the Muleshoe Chamber of Commerce and Agriculture or from one of the following board members: Jeri Wiedebush, Robert Montgomery, Kid Castleberry, Randy Lewis, Cliff Black, Inez Bobo, George Nieman, Lonnie Adrian, David Tipps, Pat Young or Curtis Carpenter.

Several honors will be bestowed during the evening, including Man of the Year, Woman of the Year, Employee of the Year, Farm Family of the Year and Conservation Farmer of the Year.

There may also be other special awards given.

Guest speaker for the banquet will be Dr. Kenneth Wyatt, a retired Methodist minister from Tulsa.

Dr. Wyatt is well known in the Muleshoe area, for his western art, his books, and his speeches.

Late in 1989, Dr. Wyatt was guest speaker for the Muleshoe Rotary Club, and exhibited several of his paintings, and his book on *The Apostles*.

His oil paintings have been presented to President Reagan and Queen Elizabeth II. They hang in executive offices of large corporations and in are in many private collections.

He is known among the Methodists for his Christian paintings -- showing Biblical

Kiwanis Opts To Set Flags 'In Support'

Thirteen Kiwanians, four honorary Kiwanians, Lacy Morris, Jon Keith Turner, Robbie Clapp and Chad Johnson, Sweetheart Marsha Wilson and two guests, two young daughters of Oscar Hernandez, met Friday morning at the La Placita Cafe.

R. A. Bradley, reporter, said, "We are very proud of our Sweetheart being chosen as the AAUW young Lady of the Month. We are very proud of our sweetheart."

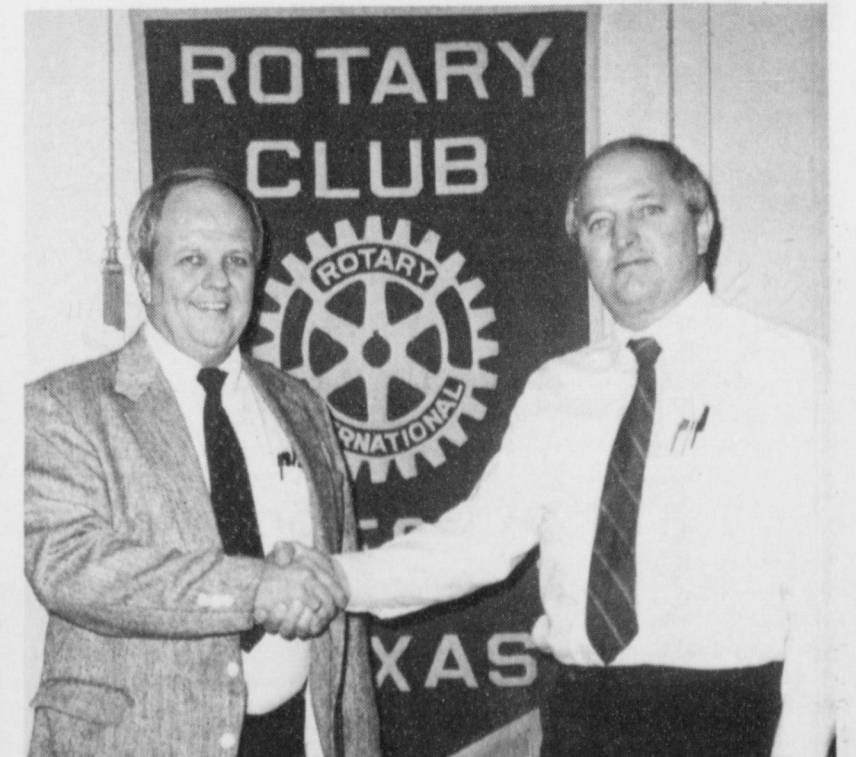

"We are also very proud to have Girl Scouts and Brownies with their sheets, selling Girl Scout Cookies. These young ladies are working all over town. Search your hearts and buy cookies from these Girl Scouts and Brownies as this is their main way of support and this is a very good program for young ladies."

After a quick breakfast, President Glen Morris called the meeting to order. Keith Turner led the pledge to the flag and the invocation was given by Bryan Morris.

Randy Lewis found a friend and gave the friendship coin to Lacy Morris. "Lacy, we are sure you can find a friend," said Bradley.

Brad reported that instead of a program today, a quick vote was taken and it was decided that the Kiwanis would put out the flags in support of our men and women who are serving in the Middle East. This is not only for men and women from the USA, but all forces and personnel who are in the UN forces serving in Desert Shield and Desert Storm.

He concluded, "The Kiwanis prayer is that this conflict be over quickly and that the job will be done completely. Pray for the safe and quick return of our friends and loved ones."

HOSPITAL DISTRICT ADMINISTRATOR ROTARY SPEAKER--- On Tuesday, Richard Murphy, administrator for the Muleshoe Area Hospital District, was speaker for the Muleshoe Rotary Club. He discussed the present condition of the hospital and nursing home, and explained how the Hospital District is currently "working its way out of the financial difficulties they faced when they took over the operation of the hospital and nursing home in Muleshoe." Bruce Purdy, Rotary president, right, is shown congratulating Murphy after his talk to the Rotarians. Murphy said, "You have a good, sound hospital in Muleshoe. So, please use it." Larry Hall was in charge of the program for the day. (Journal Photo)

Following the meal, Dorothy Browning, retiring Noble Grand, called the Lodge to order.

Newly elected officers were installed and include: Ruby Green, Noble Grand; Frances Burrows, Vice Grand; Thursie Reid, treasurer; and June Green, secretary.

Appointed officers include: Velma Howell, Worden; Mary Ann Ramirez, Conductor; Doris Lambert, Chaplain; Pat Langfitt, Right Support Noble Grand; Mildred Kendrick, Left Support Noble Grand; Patsy Chance, Flag Bearer; Lucille Harp, Inside Guardian; Linda Tosh, Outside Guardian.

Appointed officers not present included: Louise Allen, Right Support Vice Grand; and Della Puckett, Left Support Vice Grand.

The installing team from Hereford Rebekah Lodge No. 228 installed the local officers. Team members present were: Cersalee Jacobsen, Kee Ruland, Rosalie Northcutt, Susie Curt-singer and Faye Brownlow. Those from Muleshoe assisting were Fern Davis, Noene Pearson and Ina Wilemon.

There were 20 members and five visitors present for the installation and meeting. Ruby Green requested her new par books to be passed out by her daughter, Norene Pearson and her daughter-in-law, June Green, to all the members.

Patsy Chance presented Dorothy Browning a Past Noble Grand Chain from the Lodge. Ruby Green presented the installing officers a gift in appreciation.

The individual "with an idea" is often a nuisance to his friends.

Those who always make positive statements make a lot of mistakes.

Whatever you look for, the year 1991 will give you some surprises.

REBEKAH LODGE OFFICERS--Tuesday night Muleshoe Rebekah Lodge No. 114 met at the Lodge Hall for a covered dish dinner and meeting. The following officers were installed for the coming year. Secret pals were drawn.

Those present were Sammie Ethridge, Jane Williams, La-Dema Wright, Hazel Reeder, Glenda Morris, Laura Mae Stancel, Loma Baker, Kathryn Hancock, Frances Bruns, Mattie Benton, Oneita Cornelison, Mabel Caldwell, and Stella Bailey.

The next meeting will be on Feb. 7 at the Senior Citizens Complex with LaDema Wright as hostess.

MICROWAVE TIPS

Why are meatballs a microwave favorite?

Meatballs are a perfect microwave dish because they cook evenly. They should be arranged in a ring around the edge of a pie plate. After half cooking time, rotate dish 1/4 turn. Put smaller meatballs in center of plate.

Meatballs turn brown after a short standing time.

HOMESTEAD EXEMPTIONS

CAN LOWER THE PROPERTY TAXES ON YOUR HOME

A homestead Exemption

lowers the property taxes on your home by lowering its taxable value. For example, if your home is valued at \$50,000 and you receive a \$5,000 homestead exemption, your home will be taxed as if it were worth only \$45,000.

You qualify

for a homestead exemption if you owned your home on January 1 and used it as your primary residence on January 1. It doesn't matter whether your home is a house, a condominium or a mobile home.

Exemptions are available

to all homeowners on their school taxes. Additional exemptions are available to homeowners who are disabled or age 65 or over. Other exemptions may be offered to homeowners by school districts, counties, cities, and special districts. All taxing units offer exemptions to disabled veterans.

Apply to

your local appraisal district office at the address shown below for all exemptions you may qualify for. Application forms are available at this address.

if you received a homestead exemption on your present home in 1990 you won't need to apply again for 1991 unless the chief appraiser requires you to reapply.

However, if you passed your 65th birthday or became disabled before January 1, file a new application to receive additional exemptions.

If you haven't received an exemption on your present home, or if you moved to a new home, make a new application for 1991.

The deadline for applications is April 30, 1991. Contact your appraisal district before then if you need more time.

For more information, get a free copy of the pamphlet, *Taxpayer's Rights, Remedies, Responsibilities*, at your appraisal district office or from the State Property Tax Board in Austin.

Afternoon Ceremony Unites Miss Wagnon, Knowlton

Miss Melissa Lyn Wagnon of Lubbock became the bride of Doyle Todd Knowlton in a candlelight ceremony Saturday, Dec. 29 at 4 p.m. in the Broadway Church of Christ chapel in Lubbock. Tim Baugh read the double ring vows.

Parents of the couple are Mr. and Mrs. W.B. Wagnon, Jr. of Muleshoe and Mr. and Mrs. James Knowlton, Sr. of Lytle.

Marriage vows were exchanged before two-three tier brass candelabras with a spruce

slimline Christmas tree in the center, decorated with white poinsettias and tulle. White tulle was draped through the to Lake Tahoe, Nevada, the floor. The pews were marked with white poinsettia arrangements and spruce wreaths hung at the doorways.

Musical selections included: "Savior, Like A Shepherd Lead Us", "Father Hear The Prayer We Offer", "I Pledge My Love", "As For Me And My House", "Wedding Song",

"Faithful And True" and a special solo, "Wind Beneath My Wings" by Lauren Stowe, cousin of the bride.

Given in marriage by her father, the bride wore a formal gown of white silken Alencon lace and taffeta designed by Jim Hjelm. The gown featured a Sabrina neckline, long tapered sleeves, dropped torso and floor length skirt which flowed into a chapel length train. The gown was encrusted in sequins and pearls.

Her bridal veil of tulle, scattered with pearls flowed from a head band of pearls and sequins, designed in flower shapes.

The bride's bouquet was of silk white orchids, white and gold starflowers with gold, green, and white ribbon streamers.

In keeping with tradition, for something new, the bride wore pearls given to her by the groom. Something old was a handkerchief of her great grandmother's, carried by her mother at her wedding. Something borrowed was pearl earrings, borrowed from her grandmother.

Mrs. Adam Reinhart of Lubbock served as matron of honor. Bridesmaids were Tammy Smith and Dallas Clark of Lubbock and Lynn Knowlton of Clemson, South Carolina.

The matron of honor and bridesmaids wore identical tea length hunter green taffeta gowns featuring a long torso, accented with a large bow at the hip line, and elbow length sleeves, all made by the bride's mother. They carried an arm bouquet of silk orchid and ribbon streamers of hunter green, gold and white.

Britney Sooter, niece of the bride, of Sherman served as flower girl. She wore a hunter green taffeta dress featuring

large elbow length sleeves and three ruffles accenting the back of the skirt, also made by the bride's mother.

Jimmy Knowlton of Clemson, South, Carolina served as best man. Groomsmen were James King, Brian Colliss, and Jason Barber of Lubbock.

Cory Dodd, nephew of the bride, of Ballwin, Missouri served as ring bearer.

Candlelighters were Brandon Dodd, nephew of the bride of Ballwin, Missouri and Jay Curtis Stanford of Lubbock.

Alan Dodd of Ballwin, Missouri and Jonathan Sooter of Sherman, nephews of the bride, greeted the guests and presented them with programs of the ceremony.

Following the ceremony, a reception was held in the church garden room. Members of the houseparty included: Mr. and Mrs. Ben Green, Mr. and Mrs. Terry Dodd, Mr. and Mrs. Tim Sooter, Mr. and Mrs. Bob Blackwood and Mr. and Mrs. Butch Vandiver.

Two tables on each side of a spruce Christmas tree, decorated with white poinsettias, pearl garland, white satin hearts and white ribbon and bows, served as the bride's table. The tables were covered with floor length white damask cloths draped with tulle goldrope and white bows. Featured on one table was the all white bride's cake and on the other a large brass punch bowl. Also decorating the tables was spruce garland, pearl garland and white rosestall brass candlesticks with white

candles.

Jodi Field and Leslie Denny were the servers at the bride's table and Courtney Agnew and Jennifer Baker served at the groom's table.

The groom's table was covered with a floor length white skirt with a hunter green taffeta overlay tied at the corners with gold rope. Brass appointments were used. The cake was a chocolate layered cake topped with frosted grapes accented

with spruce greenery.

Following a wedding trip to Orlando, Florida and Bahama Islands, the couple will make their home in Lubbock.

The bride is a graduate of Muleshoe High School and Lubbock Christian University and is presently teaching at Jackson Elementary in Lubbock.

Knowlton is a graduate of Lytle High School and attends Texas Tech University.

The couple were honored with a rehearsal party hosted by the groom's parents, Mr. and Mrs. James Knowlton at the Lubbock Club. Special guests were all the wedding party plus family members and out of town guests.

A bridesmaid luncheon was held at the Green Oaks Tea Room hosted by Beverly Wagnon, Wynelle Wagnon and Helen Dyer. Special guests were Melissa, mothers and grandmothers of the couple, bridesmaids and sisters of the bride.

Dillman Super Kids

Each month Dillman Elementary School chooses two students from each grade as Super Kids of the Month."

Those chosen for the month of January included; Mark Anthony Orozco, Early Childhood; Eddie Ortega, Pre-Kindergarten; Laura Vasquez and Daniel Greenhouse, Kindergarten; Carmen Flores and Thomas Black, first grade; and Sandra Manriquez and Anthony Buenrostro, second grade.

Facts are often stubborn things and well concealed.

Patience is the art of solving problems by letting them alone.

HONOR LIST--Jonessa Jennings, daughter of Mr. and Mrs. Derrell Jennings of Lazbuddie, has earned outstanding recognition on the President's Honor List (those students who have achieved a 4.0 gpa) for the fall 1990 semester at Texas Tech.

Jonessa, a sophomore in the College of Business Administration at Tech, has received recognition to the President's Honor List for three semesters. She plans a career in management Information Systems.

ALL REGION BAND--Carissa Buie, daughter of Doug and Rhonda Buie, formerly of Muleshoe made first chair flute in the Junior High All-Region Band in Lubbock. Seventy-one flute players from the seventh and eighth grade tried out and Carissa, a seventh grader, made first chair. Her concert will be on January 26 at Texas Tech.

Miss Turnbough, Young United In Candlelight Ceremony

Miss Leah Dean Turnbough became the bride of Gregory Scott Young in a candlelight ceremony Saturday, December 29, 1990 at 6 p.m. M.S.T. in the First Baptist Church of Portales, N.M. The Rev. James Fogg read the double ring vows.

Parents of the couple are Mr. and Mrs. Arthur Turnbough of Portales, N.M. and Mr. and Mrs. Jim Young of Muleshoe.

Grandparents of the bride are Mr. and Mrs. Leonard Montgomery of Portales, N.M. and the groom's grandparents are Mr. and Mrs. A.H. Nelson of San Angelo.

The altar was decorated with seven candelabras holding blush colored tapers entwined with pink bows and ribbons. Special

family pews were marked with large pink bows. A large ivory unity candle with two smaller candles completed the setting.

Russell Young, cousin of the groom, of Muleshoe and Julie Campbell of Tohatchi, N.M. lit the candles as soloist, Tisha Wilson of Hobbs, N.M. sang "Nobody Loves Me Like You Do."

Given in marriage by her father, the bride wore an exquisite white soft gown. The gown was designed with a deeply dropped waistline and a sweeping sweetheart neckline with very fitted Gibson sleeves. The cathedral train featured large spectacular cut outs with silhouettes in Venise lace, along with three sections of pickup satin ruffles. The veil was a

small hair spray in white satin silk florals with a tall pouff of sparkle illusion and a double layer of sparkle veiling with a natural cut hemline.

The bride carried a bouquet consisting of stargazer lilies, pink roses, white roses and pink and white pixie carnations all held within a lace nosegay entwined with pink bows and ribbons.

Keeping with tradition, the bride wore pennies minted in the couple's birth years in her shoes for good luck. Something new was the wedding ensemble, and for something old and borrowed, she carried a white linen handkerchief belonging to the groom's late grandmother, Johnnie Young. Something blue was a blue topaz and diamond enhancer on a strand of pearls given to her by her parents.

The groom wore a Christian Dior Black Elan double breasted tuxedo and matching accessories. His boutonniere was designed with a pink rose and baby's breath.

Debra Raulerson of Dallas, served as maid of honor. She wore a pink and white tea length long torso strapless dress with a bow in the back and a "V" front with a bubble over-skirt. A matching off-the-shoulder jacket fastened with a bow in front, completed the ensemble. She carried a beige wicker fan decorated with white roses and pink pixie carnations with bows and streamers entwined.

Bridesmaids were Mary Strong of Portales, N.M., Anna Marie Fulton of Portales, N.M. and Ashley Boling of Mesquite. They wore identical dresses to that of the maid of honor and carried beige wicker fans decorated with pink carnations and bows.

Chris Young of Muleshoe, served his brother as best man. Groomsmen were Todd Bessire, Michael Angeley and Lance King, all of Muleshoe. Ushers were Donnell Brown of Throckmorton, Jerrett Lamb of Houston, and Curt Jaynes of Portales, N.M. They were attired in Christian Dior black double breasted tuxedos with pink accessories.

Musical selections consisted of "The Lord's Prayer" and "All My Life". Pianist was Kara Wilson of Portales, N.M. and organist was Anna Ruth Black of Melrose, N.M. Registering guests was Shelley Franklin of House, N.M.

Following the ceremony, the newlyweds greeted the guests at a reception in the fellowship hall of the church. The bridal table was covered with a white cloth and a lace overlay accented with large pink bows on the corners. It was decorated with the bridal bouquet as well as the bridesmaids bouquets.

The six tier cake was arranged on a mini-Victorian cake stand consisting of a center cake with five other cakes on different leveled stands. The cakes were white with pink roses, rosebuds and sweetpeas.

A bride and groom Precious Moments figurine was setting on top of the center cake. Punch was served from a crystal punch bowl along with assorted nuts and mints. Servers were Onie Meador, Marla Clark, Julie Wilson, Rebecca Young, Tisha Wilson and Haley Wilson.

The groom's table was covered with a white cloth and lace overlay accented with large pink bows at the corners. A chocolate cake in the shape of a muleshoe sat atop a sheet cake decorated with the groom's cattle brand. A Precious Moments Figurine of a bride and groom sitting in a car sat in front of the cake.

Mixed nuts and mints shaped as cowboy boots were also served. Casey King of Muleshoe and Amy Rodgers of Lubbock, cousin of the groom, presided at the groom's table.

Lace bell shaped rice bags were distributed by Brittany and Jennifer Young of Muleshoe.

Following a honeymoon trip to lake Tahoe, Nevada, the couple will make their home in Muleshoe.

A rehearsal dinner was hosted by the groom's parents, Mr. and Mrs. Jim Young, of Muleshoe at The Cattle Baron Restaurant in Portales, N.M. on Friday, December 28, 1990

a year ago. From Parmer County, Friona shows the largest increase. Their payment for January was \$7,987.15, up 10.71 percent from the \$7,214.50 they received at this time last year.

This month's payments to cities totaled \$81 million with Houston receiving \$13 million, the state's largest payment. Dallas received the state's second largest payment of \$8 million and Austin received \$3 million.

Rebate checks to counties totaled more than \$9.6 million this month for an increase of almost 33 percent over last January's payments. As with cities, the hefty increase is partly due to more counties collecting sales tax than did at this time last year.

The January rebate checks reflect taxes collected on November sales and reported in late December by businesses filing monthly returns.

December rebate checks, encompassing the Christmas shopping season, will be mailed to Texas cities and counties next month.

Merchants collect the state and local sales taxes and send them to the Comptroller's office with their tax returns. The state retains its share and sends cities and counties the local portion of the sales tax each month.

All city and county sales taxes must be approved by area voters. Most areas put the money in their General Fund and use it for local operations like fire fighting, maintaining roads and law enforcement.

He dresses in a cowboy hat and leather vest, and hardly looks like a retired minister who preached in Methodist churches of Texas for 32 years.

He said he had never taken a formal course in art, but holds religious study degrees from Baylor University and Iliff seminary in Colorado.

Glaucoma Tests

Will Be Given Here Very Soon

The Texas Society to Prevent Blindness and Texas Farm Bureau in Muleshoe, are sponsoring a free Glaucoma Screening at The Depot in Muleshoe. No reservation is necessary. Hours are 10-12 noon and 1-2 p.m., on January 23.

Glaucoma is build up of pressure within the fluids of the eye. This pressure eventually damages and destroys the delicate tissues of the retina and the optic nerve if left undetected and untreated. There are often no symptoms or warning signs present in the early stages of the disease, and since it affects vision first, it can go unnoticed until it has reached a serious stage.

All adults are at risk from glaucoma and should be treated at least once every two years although the disease tends to show up most frequently among those over 35. People with a family history are at an even greater risk and should be checked annually, according to the society.

Possible symptoms of glaucoma include: an inability to adjust eyes to darkened rooms, such as theaters; loss of side vision; blurred or foggy vision; and rainbow colored rings around lights.

Glaucoma can almost always be controlled and sight saved if it's detected in time. Over 100,000 of our fellow Texans suffer from this insidious disease and half of them don't know it.

Base Fertilizer

Testing Timely Before Planting

It's not too late to test soil samples to determine fertilizer needs for spring crops, according to Bailey County Agent Spencer Tanksley.

When farmers look for ways to reduce production costs, they often consider reducing fertilizer usage. But such a practice may result in yields too low to cover production costs.

A soil test may indicate that fertilizer is needed to attain a desired yield goal. Fertilizing at recommended rates will increase the probability of boosting yields enough to more than

pay for the fertilizer and provide some margin of profit.

On the other hand, said Tanksley, savings can also result when a soil test shows adequate levels of nitrogen, phosphorus, potassium or other necessary nutrients.

In either case, following soil test recommendations would effectively reduce the per-unit production costs and increase the chances of making a profit.

The Texas A&M Soil Testing Laboratories at College Station and Lubbock routinely analyze soils to determine the amount of available nitrogen present in the soil. This analysis is especially important to determine carry-over nitrogen following a dry, or low-yield year. A reduced nitrogen recommendation results in savings without sacrificing the yield.

The county agent concluded, there is no substitute for knowing a soil's nutrient balance when planning for spring crops. Testing can provide an economical means of determining a soil's nutrient status and can help a farmer make those major economic decisions with greater confidence.

SPS Announces Helton, Webb Advancements

The Board of Directors of Southwestern Public Service Company announced Jan. 9 two officer changes and the election of an additional director to become effective March 1 upon the retirement of Chairman of Board W.R. "Bill" Esler.

President and Chief Executive Officer Bill D. Helton will become chairman of the board and chief executive officer. Senior Vice President and Chief Operating Officer Coyt Webb will become president and chief operating officer. Additionally, Webb will become a director.

The board also elected Kenneth L. Ladd Jr. and David M. Wilks senior vice presidents effective immediately. Ladd had been vice president of energy and environment. Wilks had been vice president of engineering and operations.

Ladd will have general responsibility for energy and environment, personnel, marketing, and rates and regulation. Wilks will have general responsibility for system engineering and construction, general engineering and the company's three operating divisions.

Helton began his career with SPS in 1964 as a distribution design engineer. He subsequently held positions in marketing and financial services. He was elected financial vice president in 1983, vice president of corporate services in 1986 and executive vice president in 1987. He was elected president and chief operating officer in 1989 and president and chief executive officer in 1990.

Helton is a registered professional engineer and a graduate of Texas Tech University with a bachelor's degree in electrical engineering. He is vice chairman of the Southwest Power Pool and a member of the board of directors of the North American Electric Reliability Council.

Webb began his career in 1964 as an auditor. He later was supervisor of internal auditing and then executive assistant. He became director of accounting in 1979 and controller in 1980. He was elected senior vice president and controller in 1986 and was elected to the additional post of chief operating officer in 1990.

Webb is a certified public accountant and a graduate of Texas Tech University with a bachelor's degree in business administration.

Ladd began his career in 1961 as a plant operator. He subsequently held positions as a chemist and an environmentalist. As manager of licensing and environmental affairs in 1981, Ladd accepted a temporary appointment as a general engineering and technical advisor for the U.S. Environmental Protection Agency in Washington, D.C.

Ladd rejoined the company in 1983 as manager of fuel acquisition. He later became director of fuel acquisition and administration and was elected vice president in 1985. He became vice president of energy and environment in 1988.

Ladd is a registered professional engineer. He has a bachelor's degree from West Texas State University with a double major in chemistry and math, and he has a master's degree in chemical engineering from Texas Tech University.

Wilks began with SPS in 1977 as a plant design engineer. He became manager of strategic planning in 1986 and was appointed to the additional post of executive assistant in 1987.

He later was group manager of general engineering and then chief engineer, before being elected vice president of engineering and operations in 1989.

Wilks is a registered professional engineer. He has a bachelor's degree in mechanical engineering from Texas A&M University and a master's degree in administration and financial management from George Washington University.

Breast Cancer Unit

To Be Here Tuesday

According to the American Cancer Society, one out of every ten women in the United States will develop breast cancer sometime during her lifetime. Every year over 37,000 women die as a result of breast cancer.

According to a spokesman from the Regional Breast Care Center at Women's & Children's Hospital in Odessa, "The death rate from breast cancer could be drastically reduced if women would have mammograms done before a problem exists." By using modern state of the art X-ray equipment

breast cancers can be found when they are about the size of a grain of rice and well before the cancer can be felt. A woman who is diagnosed with breast cancer at this early stage has a 90-97 percent survival rate. However, a woman who is not diagnosed until a lump can be felt has approximately a 50 percent rate in five years.

In an effort to find cancers at the earliest possible stage and prevent unnecessary deaths, a Mobile Breast Cancer Detection Unit will be made available to local women on Tuesday, January 22.

The Mobile Unit will be parked at Muleshoe Area Medical Center, 708 South 1st, Muleshoe. Appointments may be made by calling 272-4524.

For more information you may call the Regional Breast Care Center at Women's & Children's Hospital at (915) 334-8888/561-9999.

The Mobile Breast Cancer Detection Unit of Odessa, which services this area, has received the certification of the American College of Radiology Mammography Accreditation Program.

Mammography is an x-ray examination of the breast,

which the American Cancer Society and other medical experts see as the best means for the early detection of breast cancer.

The program is voluntary and is designed to insure that women receive optimum quality mammographic examinations. The process is done through a peer review evaluation of the facility's staff qualifications, equipment, quality control and quality assurance programs image quality and breast dose. The accreditation must be renewed every three years.

The accreditation program was instituted because of the concerns of radiologists, other national medical organizations, and the public that qualified personnel perform and interpret mammograms and that dedicated mammographic equipment be used. The American College of Radiology received an American Cancer Society Control Grant which was used to pilot test the Accreditation Program.

The American Cancer Society predicts that about 41,000 women will die of breast cancer this year. As there is no way to prevent the disease, early detection and treatment offer the greatest hope for survival.

The American Cancer Society recommends that women do monthly breast self-exams and have regular physical breast exams by a doctor. It further recommends mammography on the following schedule:

A baseline mammogram (for reference) between age 35 and 39.

A mammogram every one or two years between age 40 and 49.

An annual mammogram from age 50.

Texas Task Force On Middle School Education

Texas residents will have the opportunity to make known their views on middle school education in the state during a series of five public hearings scheduled from January 16 to February 26, 1991.

The Texas Task Force on Middle School Education is soliciting suggestions on the education of adolescents in Texas as part of its study of the status of middle school education in the state. The hearings will allow individuals the opportunity to offer comments and suggestions on issues related to middle school education.

Hearings will be held according to the following schedule:

January 16: 2 p.m. to 4 p.m. and 6:30 p.m. to 8:30 p.m. at Mark Twain Middle School, San Antonio ISD, 2411 San Pedro, San Antonio;

January 29; 11:00 a.m. to 12:00 p.m., 1:30 p.m. to 2:30 p.m., 3:00 p.m. to 4:00 p.m., and 4:15 p.m. to 5:15 p.m., in conjunction with the 1991 Administrators Mid-Winter Conference on Education, at the Hyatt Regency Austin Hotel, Texas Rooms II and III, 208 Barton Springs Road, Austin;

February 4: 2 p.m. to 4 p.m. and 6:30 p.m. to 8:30 p.m. at the Region 18 Education Service Center, 2811 La Force, Midland; and

February 25 and 26: 8:30 a.m. to 10:45 both days, in conjunction with the 1991 Texas Middle School Association Annual Conference, at the Westin Hotel, Galleria Dallas, 13340 Dallas Parkway, Dallas.

Individuals are encouraged to comment on issues related to curriculum, instructional practices, student achievement, school administration, and certification requirements of middle school faculty and staff.

The task force plans to identify issues and make specific recommendations on restructuring schools serving Texas 10- to 15-year-olds. It was appointed by Texas Commissioner of Education W. N. Kirby and is comprised of school district superintendents, principals, teachers, program directors, counselors, members of professional organizations, and representatives from the State Board of Education, the governor's office, the Texas Legislature, the Texas Department of Health and the Texas Department of Human Services.

The task force is funded by a grant from the Carnegie Corporation's Middle Grade Schools State Policy Initiative and by the

Kiwanis Club To Celebrate

76th Anniversary

Kiwanis International is a community service organization with 326,000 members and 8600 clubs around the world. Its members raise cash and donate their time in 69 nations and geographic areas. In the state of Texas, 12,364 Kiwanians in 403 clubs provide worthwhile help in their communities; the principle Kiwanis represents is symbolized by the slogan, "We Build."

On January 21, Kiwanians in the state of Texas and elsewhere will celebrate Kiwanis International's 76th anniversary.

Texas Education Agency. Texas is one of 27 states to be awarded a grant, which will be used to study middle school education in the state and propose methods of restructuring middle schools to make them more responsive to the intellectual and developmental needs of their students. The grant period extends through September 1991.

In addition to holding public hearings, the task force will sponsor a statewide conference and produce a report of its recommendations for school restructuring, a source book containing notable middle school programs, and an electronic bulletin board service for middle school educators.

Registration for those wishing to testify will be held on the day of each hearing. Each speaker will be allowed five minutes to convey opinions and suggestions on middle school education. Individuals speaking on specific school or community practices or programs should bring three written copies of their testimony to the hearing. All copies should include the name, address, and affiliation, if applicable, of the individual testifying.

Documents from the Texas Task Force on Middle School Education will be available at the hearings.

For more information contact either Nancy Stevens or Dan Arrigona in the Texas Education Agency's Policy Research Clearinghouse, 1701 North Congress Avenue, Room 5-106, Austin, Texas 78701, (512) 475-3527.

January Designated Volunteer Blood Donor Month

More than 38,000 units of blood are transfused every day in the United States. This translates into 13,500,000 units per year; however, as the demand for blood increases at the rate of ten percent per year, only five percent of the eligible donor population donate.

The nature of blood is such that it must be transfused within forty-two days after being drawn and must be compatible with the recipient's own blood group and type.

The Blood Banks of Texas will need approximately 1,000,000 units of blood in 1991. Unless more people understand that the giving of blood is safe and harmless, the supply will not keep pace with the growing demand for blood.

The month of January has historically seen both diminishing numbers of donors due to illness and holiday vacations, and increasing numbers of units of blood transfused.

January 1991 has been designated as Volunteer Blood Donor Month.

**Letter To
The Editor**

(Editor's note: Responses are continuing to come in from military personnel in Saudi Arabia after many service men have received letters and packages from Muleshoe people. The letter below was written to Mrs. Audrey Humphrey of Muleshoe. It was written by SSG Robert M. Johnson, HHC 50th SIG BN, APO NY 09657-3200.)

7 Jan. 91

Dear Audrey,

Thanks very much for your Christmas card and words of encouragement. These few lines leave me doing fine and in good spirits, smile. How was your Holiday Season?

It was nice here in Saudi Arabia but very lonely. Christmas is a special time of the year for me. We rode around on the back of a 2 1/2 ton truck singing Christmas songs, then to a barn fire on our site.

Continue to pray for me and the others a safe return back home.

Thanks again,
Love,
Robert

(Note: Sgt. Johnson is apparently from Muleshoe, but we were unable to locate his parents.)

**BIBLE
VERSE**

"Now the brother shall betray the brother to death, and the father the son; and the children shall rise up against (their) parents, and shall cause them to be put to death."

1. Who made this statement?
2. Where does it appear in the Bible?
3. What other gospels express the same idea?
4. Where were these words spoken?

Answers:

1. Jesus.
2. Mark 13:12.
3. Luke 21:16 and Matthew 10:21.
4. On the Mount of Olives.

M.S. Society Announces Second Annual Walk

The National Multiple Sclerosis Society announced that Amarillo has again been selected as a site of its annual Super Cities Walk. Known locally as "Walk Historic Amarillo," the fund raiser is set for Saturday, April 6th, at 10:00 a.m.

The Walk will start at the offices of the Amarillo Chamber of Commerce, located at 10th and Polk. Check-in will open at 8:30 a.m., and chapter personnel also plan to implement an early registration program during the week preceding the Walk.

Amarillo will be one of 250 cities nationwide hosting Walks during the weekend of April 6 and 7. In only its second year locally and its third year nationally, the Super Cities Walk is fast becoming the primary fund raiser for the M.S. Society. Held in 146 locations last year, the Walk generated more than \$14 million for the Society's research and chapter service programs.

In keeping with the "Walk Historic Amarillo" theme, this year's Walk will again feature a tour of Amarillo's historical districts and neighborhoods. Betty Howell, chairperson of Preservation Amarillo, has again been commissioned to design the Walk route.

Said Howell, "This event has become so important to our community because not only will we raise funds for such a special cause, but at no other time will so many people get to enjoy so much of this area's heritage at one time and in one place."

Chapter officials expect more than 1,500 participants. Last year, over 1,000 people walked in the 15-kilometer (9.3-mile) event.

According to Roger Cox, Panhandle Chapter Chairman and a member of the Society's National Chairman's Advisory Council, last year's event exceeded all expectations for a community of Amarillo's size. "Even considering the unqualified success of the Walk throughout the country, no city came close to matching the efforts and achievements of this community. On a per capita basis, our Walk generated a higher level of fund raising and participation than any comparably sized city."

Cox added that Amarillo and the entire area have received nationwide acclaim for the success of last year's Amarillo Walk. "Thanks in no small part to 'Walk Historic Amarillo,' the Panhandle Chapter has played a major role in the giant strides that have been achieved in research toward treatment and a cure for this disease." Cox added, "Additionally, we are able to provide a level of chapter and patient services to our area that is simply not

Instructors School Offered At South Plains College

A 40-hour instructors school for law enforcement personnel begins Jan. 28 at South Plains College.

The training course, designed to acquaint prospective law enforcement instructors with basic teaching skills, will meet 8 a.m.-5 p.m. Jan. 28-Feb. 1 in the SPC Law Enforcement/Petroleum Technology Building, Room 115. Cost is \$40 a person. Advance registration is required. Deadline to register is Jan. 23.

George Lawless, coordinator of SPC's two-year law enforcement program, said the course will include instructional preparation, principles, techniques, demonstration and evaluation, and the active class participation is mandatory. "This course meets the minimum training standards for the instructor license as required by the Texas Commission on Law Enforcement Officer Standards and Education," he said.

Officers successfully completing the course will receive TCLEOSE credit for 40 hours of training. To register or obtain more information, contact the SPC Continuing Education Office at 894-9611, ext. 341.

available in other communities our size."

Walkers will collect pledges based on the distance walked. Prizes will be awarded to all walkers based on the level of funds raised. Prized range from t-shirts and gift certificates to the grand prize--a week-long trip for two to Jamaica, courtesy of American Airlines and Travel Express.

National Home Health Care is the primary sponsor for the Walk. Other local sponsors include The Olive Garden Restaurant, KLS Radio, and KFDA-TV. Also providing sponsorship are TCBY Yogurt, United Food Stores, Pepsi Cola, Roman Meal Bread, Thrifty Nickel, The Water Barrel, The Apartment

Journal, and Keebler Cookies.

M.S. is a chronic, often disabling disease that "short circuits" the central nervous system, usually striking adults between 20 and 40 years of age. According to local Society officials, the disease affects more than 500 persons in the Texas and Oklahoma Panhandles.

The National Multiple Sclerosis Society funds numerous research projects aimed at developing treatment and a cure for M.S. Through its local chapters, the Society provides services such as equipment loan, counseling and referral, and public and professional education.

Lucia Gray serves as Executive Director of the Panhandle

Chapter, and Fredricka Gens is Chapter Service Coordinator. For Walk registration and volunteer information, interested persons should contact the chapter office at 372-4429.

SMILES

Only Kind
"Should I marry a
girl who can take a
joke?"
"That's the only kind
you'll get."

Deceiving
"They look like such
a happily married cou-
ple, John."
"You can't go by
looks, dear. They prob-
ably say the same about
us."

The Genius
"Dad, it says here
that a certain man was
a financial genius.
What does that mean?"
"That he could earn
money faster than his
family could spend it."

A Definition
"What is a cannibal,
Dad?"
"Well, if you ate your
mother and me you'd
be a cannibal."
"Oh, I thought that
was an orphan."
