## Panthers Undefeated in District

On Friday, April 21 the Gorman Panthers hosted the May Tigers and came away victorious by a score of 24-0.

The Panthers took control early and breezed to their fifth straight District win. In the first inning Jason Johnson walked and Don Mauney followed with his third home run of the year. Next, Ronald Majors reached first base on an error and Jerry Krause connected with his fifth home run. The Panthers would go on to score ten runs in the first inning to take a commanding lead, 10-0. The Panthers were at it again in the bottom of the second inning. They would add seven more runs with the help of RBI hits by Krause, Nick Guthery, and Jason Rich. The third inning saw the Panthers build their lead to 20-0. Jason Posey, Shannon Mauney, and Rich each drove in one run apiece in the inning.

In the Panthers last at bat, they pushed across four more runs to take a 24-0 victory. Jason Posey would add another RBI single before Shannon Mauney hit his first home run of the year to finish out the scoring.

"It was good to get off to a fast start. It allowed us to give everybody plenty of playing time. We were able to work on a few things that could help us down the road. Tom Bynum, Jerry Krause, and Kris Carlton all did good jobs on the mound combining for a two hit shutout."

In game action Tuesday, Gorman Panthers took on Panther Creek. It didn't take long for the Panthers to post a whopping 25-4 victory.

After giving up a run in the top of the first inning, the Panthers exploded for 18 runs of their own. In the inning Jason Johnson drove two runs on two hits, while scoring three times. Don Mauney drove in four runs on bases loaded walk and his fourth home run of the year, while also scoring three times. Jerry Krause drove in four runs with two hits. Nick Guthery drove in two runs on a hit and scored twice. Adon Rodriguez drove in one run with a hit and scored twice. Ronald Majors added a hit and scored twice while Donald Majors walked twice and scored both times. Jason Rich scored twice and Tom Bynum added a hit and a run scored. At the end of the first inning the Panthers led 18 to 1. The Panthers added three more runs in the second inning. Jason Rich led off the inning with a single and Reece Clark followed with another single. Then Nick Guthery drove in a run with a sacrifice fly and Jason Warren drove in two more runs with a single. The Panthers closed out their scoring in the fourth inning. Tom Bynum and Jason Posey each added RBI's in the inning as the Panthers score four more runs to take a 25-4 victory.

"This was a good way to start the second round of district play. We came out aggressive and it paid off. I'm proud of the way the entire team is pulling together and working hard to get better. On ce again, we got good performances from the pitchers Jerry, Kris, Reece, and Nick while Shannon Mauney got some quality time behind the plate." Friday's Game at 6:30 in Comanche with Sidney.

## NOTICE!!!

Due to change in collection policy of American Express, which takes care of collections for T U Electric, the City of Gorman city office will no longer accept TU Electric bills after May 1. The new policy would require that the city charge up to .70 cents per bill in addition to the charges on the bill. In other words it would cost the customer .70 cents just for us to collect payment. The City Commission regrets that they can no longer offer this service to the community, but we feel that this would be unfair to our citizens.

The City will accept collections for T. U. payments through April 28, 1995.

Thanking you in advance for your understanding.

The weather has been quite a newsmaker the past week. On Wednesday evening late a thunderstorm came through with high winds, pea size hail, dust and two-tenths of an inch of rain. The dust came in from the west even after the rain had passed on to the east. Then we had a touch of winter during the weekend and on Monday with cold temperatures. I hope that it didn't get cold enough to hurt the young tender plants in the gardens and yards. I did hear of some frost on Monday morning.

# Letter To The Editor

As a mother of a Gorman High School seventh grader boy, I have been concerned about my sons education and behavior. He seems to be getting in trouble a lot and I've been wondering why especially in his math period.

I got a phone call from principle, my son was getting detention again. I requested for him to get a swat but was told that he didn't want one he took detention instead. What happened to adults being the authority not child.

I went to the School and set in his math period thinking if he won't behave then I will make him.

Parents you won't believe what I saw. I have to hand it to Mr. Henderson I would have not made it as long as he

has. I would have quit or went to jail for hitting them. I could only last ten minutes in the class room. I walked out to find principle to have him observe, but he couldnt be located.

The kids are very disrespectful talking constantly blowing teacher kisses, throwing paper when teacher tuns back they throw books. I saw only three young boys trying to learn and the other boys give them such a hard time they are frustrated. The more Mr. Henderson tried to correct the worse they got. I believe no matter what your personal feelings are about someone you should still respect them I wished all of you would take time to check out your kids in their class rooms. In this case I believe they all need a good licking. My son got one and will continue until he can show respect.

Thank You - Kerri Lasater
