Thanks to Jay's Grocery and Market, the clowns who entertained everybody in Gorman a few months ago will be back this weekend.

You folks who are receiving a complimentary copy of the Progress this week might be interested to know that Higginbotham's is sharing the expense with Mr. Jay to extend you a cordial invitation to join in the fun by bringing your kiddies in to see the clowns.

Speaking of clowns - are you old enough to remember the circus days when you could buy all of the lemonade you wanted for a nickel. A man would have a large wash tub filled with lemon peels and water - dippers hung around the edge of the tub. You gave the man a nickel, picked up a dipper and helped yourself to all you wanted. One doesn't find lemonade like that anymore.

DON ESTES Angus Breeder and Auctioneer

I always enjoy having Don Estes, Angus Breeder and Auctioneer, visit the Progress office.

Don stopped for a brief visit Tuesday and stated that he was on his way to New York to assist in sales at the Ankony Angus Farms in Rhinebeck, N. Y. and the Sir Williamere Farms at Hillsdale, N. Y. Both farms are noted for their cattle and the Sir Williamere Farms have had four International Grand Champions in the past eight years.

Don has a herd of Angus on his farm which is located where the Eastland-Desdemona road crosses the Gorman-Ranger road. Having spent most of his life in the cattle business Angus is his hobby as well as his livelihood.

His son, Stevie, who is now attending Gorman Grade School is following in Dad's footsteps and can give one a good sales talk on the Angus breed also.

If you are interested in Indian Art, Woody Crumbo has an exhibit at Cisco Junior College this month consisting of 36 paintings.

The comprehensive exhibit of American Indian Art in the media of silk screen and etching techniques depict various phases of Indian life, including ceremonials, dances, costumes and animal pictures.

Crumbo is noted as painter, etcher and silk screen maker.

Benjamin Franklin once said, "A good newspaper and Bible in every house, a good schoolhouse in every district, and a church in every neighborhood, all appreciated as they deserve are the chief support of virtue; morality, civil liberty and religion."

Citizens Urged To Attend Local Civil Defense Courses

W. C. Browning will teach the fourth lesson of a series of Civil Defense programs, entitled Shock, on Monday evening, November 19 at 7 p. m. at the Fire Hall.

The fifth lesson will follow at 8 o'clock. The topic on Bleeding and Bandages, will be taught by Dr. W. M. Brogdon.

Twenty-six persons attended the first meeting and thirty were present last Monday. Civil Defense Chairman Arlton Smith expressed a hope that at least 50 persons would take advantage of the course.

The churches have been well represented at both meetings and a number of people from the rural communities, Mrs. Bascom Higginbotham and Mrs. Dale George from the Rucker community and Mrs. Harley Rawls of Route 3 are among those attending the series.

Mr. Smith pointed out to those attending the first meeting that the citizens should all realize that even though the bombs may never come to Gorman, that we or our children could be in a place where a direct attack may be made, that we do not stay in the same location all the time. And the more we know how to take care of ourselves and take preventive measures, the better chance we have for living through an attack or fallout.

Mr. Nelson Rand explained in the Monday evening lesson the advantage that Gorman has over other cities in Water Supply. The Gorman system has the advantage of being deep well water and the system is set up so the water can be pumped direct into the water lines that supply our homes.

The courses are lecture-type lessons, are well prepared by the leaders, is an excellent opportunity for everyone, and more people should be taking advantage of them.

Handbooks are available and if you have missed the first two lessons, it's still possible to catch up with the classes by studying these handbooks.

Why not keep Monday night free and attend this course.

THANK YOU NOTE

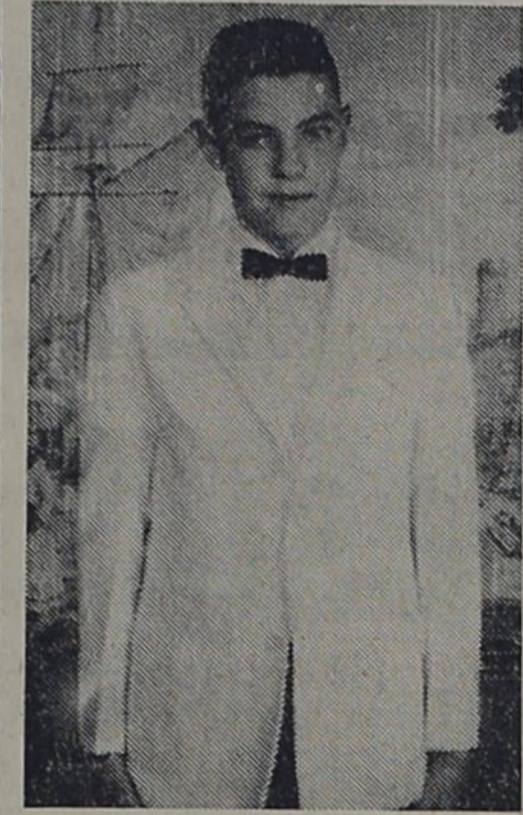

May we take this means to try and thank our friends for the many kind deeds that were done for us during the loss of our home.

A very special thanks to the Gorman Volunteer Fire Department, Hulon Pullig, members of the First Baptist Church, and Joe Bennett for the loan of his carpenters, and everyone who had a part in the gift shower.

Mr. and Mrs. Thurman Jay

Mrs. Davis Smith Injured In Accident

Mrs. J. Davis Smith, 55, housewife, rancher and beauty operator, was seriously injured at 12:30 noon Tuesday at their ranch 9 miles southwest of Gorman.

A pick-up truck driven by her husband struck and backed over her.

Mr. Smith drove into town and immediately summoned the ambulance and also Dr. W. M. Brogdon who rushed to the scene of the accident in his car. Mrs. Smith was taken to Blackwell Hospital by Higginbotham Ambulance.

X-rays made at the hospital showed a broken pelvis, several vertebra broken and undetermined internal injuries.

Mr. Smith stated his wife was bending over behind the pick-up while attending to the stock and he did not see her as he was backing up.

P'NUT HARVEST IN FULL SWING IN THIS AREA

You only have to drive by the Gorman Peanut Co. to know that the peanut harvest is well underway. More than 100 truck loads have been counted waiting for the dryers. Towns as far away as Seminole, Rising Star and Cross Plains have been bringing peanuts to the Gorman dryers.

Since the farmers are using the bulk system of harvesting most peanuts are artificially dried.

With 60 to 65% of the harvest complete the late peanut grades and yields are improving, but are not as good as last year's crop.

The highest grade for the season has come from the Hulon Perry farm with a grade of 74 and Durward Warren has received a grade of 73.

The average yield per acre is 25 bushels. However, some farmers report 70 bushels to the acre.

The Texas Federal Inspection Service has graded 7, 392 tons to date for the Gorman area and the Gorman Peanut Co. is shelling 125 tons every twenty-four hours.

With another ten days of dry weather the harvest could be almost completed.

Mrs. Ruth Reeves and Mrs. Floy Morrison attended the funeral of an uncle, R. D. (Bob) Hamlin, in Midland Wednesday. They also visited Mrs. Morrison's sister, Mr. and Mrs. D. L. Sims, in Odessa.

Rev. and Mrs. Robert Sanders attended a preachers meeting in Graham Saturday and attended the Symphony Musical Concert at SMU Saturday night.

John Suttons Host Panthers & Dates At Harvest Dinner

The Gorman High School Panthers and their dates were honored with a Harvest Dinner on Friday night following the Gorman-Rising Star football game, in the home of Mr. and Mrs. John Sutton.

The theme of decoration of the harvest season elaborately carried out fall motif with centerpieces of multi-colored leaves, fruit and miniature footballs surrounding a pumpkin which held a bouquet of chrysanthemums. The fall colors were reflected by the soft glow of candle light.

The menus consisted of Turkey and dressing, giblet gravy, cranberry salad, baked ham, brown gravy, orange ambrosia fruit salad, sweet potato souffle, relish plate, hot rolls, butter, chifon pumpkin tarts with whipped cream, iced tea and coffee.

The entire group ate a hearty dinner and all were of one opinion: that this was the nicest thing that had happened to them this year.

Mrs. Sutton was presented with a gift of appreciation from the Panthers.

CARD OF THANKS

Thanks seem such a small, inadequate word where with you try to express your deep appreciation for the efficient care of the doctors and nurses, and the thoughtful kindness of the entire hospital staff, while I was ill.

For your visits, gifts, flowers, cards, and your prayers let me again say thank you. May the good Lord bless and keep you is my prayer. Mrs. Dave L. Ramsay

NOTE OF THANKS

I want to take this opportunity to say thanks to all who wrote in my name on the ballot for Justice of Peace, and with your cooperation and help I will do my best to serve you as you would like me to.

Thanks again. Mrs. Eula (J. D.) Caldwell

CARD OF THANKS

Many, many thanks for the things you did to help us in my illness.

We cherish the thought of your prayers and offers of help. Mrs. G. L. Whitley

Panthers Edged By Wildcats 8-0; Journey To May Friday

The Gorman Panthers were edged by the Rising Star Wildcats by the margin of 8-0 last Friday night at Brogdon Field.

Table with 2 columns: Rising Star and Gorman. Rows include First Downs, Rushing Yds., Passing Yds., Passes Comp., Passes Intercepted, Punts, Penalties, Fumbles, and Fumbles Lost.

This was the second District game for both teams and the Wildcats are now 2-0 in district standings while Gorman stands at 0-2. This was also the eighth loss for the Panthers.

The boys in Red and Blue, still looking for their first win, journey to May on Friday night to take on the Tigers at 7:30 p. m. in another district game.

Rising Star's lone tally came mid-way of the first quarter on a twelve-yard pass from Terry Geyer to Halfback Ted Cawley for six points. On the try for extra points the Wildcats were in motion and drew a 5-yard penalty. From the 8 yard line Tommy Alford got the ball and made it to the scrimmage line, then cut back to his left, running down the line

and cut o his right and on across the double stripe for the two pointer to end the scoring for the night. Alford ran 40 or 50 yards to make the 8 yards and was almost stopped 4 or 5 times.

Mid-way of the fourth period the Big Red put on a sustained drive only to have it die on the 1-inch line on fourth down. Gary Overstreet had picked up a first and ten situation on the 8 yard line with a 14 yard run.

He was again called on only to pick up 3 yards to the five. On the next try he gained only 1 Page, on a keeper, gained 2 more, almost getting loose. On his next try he was downed at the 1-inch line for Gorman's only big scoring threat for the night.

The leading ground gainer for the Panthers for the night was Bobby Rodgers with 47 yards on 5 tries. On the first play from scrimmage he went off tackle for 34 yards, almost getting loose for a touchdown. Next in line was Gary Overstreet with 33 yards on 10 carries. Page had 15 on 8 trips, somewhat better than his minus 20 the last game. Harold Rodgers gained 9 on 4 totes and Jerry Ormsby had a minus 2 yards.

The game Friday night at Tiger Stadium will be a close game and the Panthers should win the game to end the season. Game time will be 7:30 p. m.

Their respective topics indicating the program outline were "What People Don't Know About Teachers", "What One Should Know About School Boards," and "Why Ivan Loves Russia."

Mrs. Blackwell's article was a comparison of Education in Russia and the United States. She told how the United States has dropped from the elementary curriculum most facts that would inspire patriotism, while in Russia patriotism is the theme from the first grade to graduation.

## The Oliver Springs Church And Club Continue Active

Church and club activities in Oliver Springs continue in the inland community settled in north Comanche County in the 1870's. Hard-top roads have completely missed the Springs. Motorists entering or leaving the area must be expert drivers to get through the mud of the winter season and to get out of the sand in the summer season. Despite the lack of hard-top, the road runs just past numerous picturesque sites.

Settlers moving West in the 1870's and those coming in the 1890 influx from Georgia and Mississippi, found good farming land. Early settlers included Henry Foster, the George Smith families, A. M. Ramsey, H. T. Lindley, Newt Cogburn, Rev. H. Warren, the Hendersons, the Hodges, the

## Decker Twins Are Feted With Party On 12th Birthdays

Mrs. Calvin Decker honored her twin daughters, Faith and Hope, with a birthday party last Wednesday, November 7th, in her home. Mrs. Thearon Gilmore and Mrs. Vernon Files were co-hostesses. The party marked the twins twelfth birthdays.

Games of pin the tail on the donkey and other games were enjoyed by the group with prizes given to the winners. Prizes were

Miears, Setzlers, Sanders and McClellans.

Graves of W. C. Voiles and the Cogburn infants marked 1877, indicate that the cemetery, given off Smith property, was laid off in a later year, since the graves are located one-half mile from the cemetery corner.

Henry Foster donated the church where worship service and Sunday School has been held for about 80 years. A brush arbor first served as a meeting place until Mr. Oliver built the First Baptist Church, which was a one-room structure of logs, and later the present Baptist frame church was built.

Present attendance at the church is about 40 but the attendance swells a bit on the second and fourth Sundays when Rev. Arden Hopper of Fort Worth preaches at morning and evening services.

Brother Ramsey gave the land for the school and also the site for the Church of Christ, which building has since been moved to De Leon. For a number of years the three teacher school was called the Ramsey School.

Brother Ramsey was the grandfather of Mrs. Callie Clark and Mrs. Laura Bell Hunt, and George Hallmark, and brother-in-law of Mrs. Ethel Ramsey, all of Gorman.

Teachers who taught at Oliver Springs before the school closed during World War II and who continue to live in Comanche or Eastland Counties, are Mrs. Ruth Mayo Sims, Mrs. Maude Rennick Underwood, Dave Harper, Mrs. Dora Moorman Harper, Mrs. Lucille Durham Kimble, Bob Boucher, and Mrs. Edna Anderson Kirk.

No person interviewed could recall the given name of the Mr. Oliver for whom the Springs were named.

If any of our readers know the first name of the Mr. Oliver for whom the Springs were named, we would like to know. Just write the Progress or Mrs. M. F. Fairbetter.

The Oliver Springs Club, a woman's organization, meets every other week on Wednesdays. President of the club is Mrs. Dewey Lindley, vice-president, Mrs. Clyde Setzler, and secretary-treasurer Mrs. Florence Richardson.

Mrs. A. D. Daniels, now living in De Leon, was hostess to the club Nov. 7th. The program included quilting and a covered dish luncheon. Hobbies of the women other than quilting are fancy and plain sewing, any needlecraft and plastic art. A gift day drawing is enjoyed each month.

Mrs. Ada Cogburn Kinney recalls that Rev. Bill Lindley performed the wedding ceremony when she was married to Andy Kinney.

Mrs. Whit Russell retains a deed for land which she and a brother, Bob Lindley, recently sold to Archie Skaggs. The land had been in the Lindley family for 60 years and had been purchased from Mr. Ramsey in 1901; the land being a grant from the State of Texas signed by Governor Ross in 1879.

# B&B SPORTS

Herman and Joe Bennett

## B&B

The Panthers were edged by the Rising Star Wildcats at the local stadium Friday night by a margin of 8-0. The Panthers had several good drives and on one occasion got to the 1-inch line before being held.

The boys in Red and Blue will wind up their season on Friday night when they journey to May to meet the Tigers in a District 21-B game. The Panthers will be fighting hard to win this game as they are winless this season and they will be wanting to get a win in their last outing of the season.

## B&B

Well the Cowboys had their troubles last Sunday in the Cotton Bowl against the Giants of New York. The Giants wound up with a lopsided 41 to 10 win. The Cowboys' leading passer, Eddie LeBaron, received an ankle injury early in the game, hurting the Cowboy offensive punch. Meredith had to go all the way at quarterback and this broke the usual rhythm of Dallas in shifting of quarterbacks on every play which they have been using for several games.

LeBaron is a doubtful starter in the Cowboy-Chicago Bear game on Sunday in the Cotton Bowl. However, this should be a fine ball game as Meredith is doing an excellent job of quarterbacking the Cowboys in LeBaron's absence.

The Dallas Texans, members of the American Football League, are going great guns. They are in the top spot in their division of the AFL by last week's win over the N. Y. Titans 52-31.

The Texans will meet their closest rival in their division on

Sunday when they meet the Denver Broncos. If they win this one they will be out front in the divisional race.

## B&B

The Southwest Conference race continues to be tight as the weeks go by. Texas remains in the top berth with TCU and Arkansas tied for second place, only one-half game behind Texas. SMU is in fourth place. This week Texas meets TCU in a crucial game that should do something to break up the close group at the top of the race. Also Arkansas will play SMU on Saturday.

In last week's picks Joe and Speedy got 7 of 10 correct for 70% each but Herman missed on some upset picks and got only 5 of 10 for 50%. He has sworn off picking upsets.

This week it looks like this:

# It's Time For... EYE CARE

Dr. Newton K. Wesley  
20/20 VISION

Contrary to popular opinion, 20/20 vision does not always mean good eyesight. 20/20 refers to central vision—the ability to see at 20 feet the normal letter which most people can see at that distance. One could have lost side vision and still have 20/20, so this does not give us the complete story of the eyes.

What about the muscles and how they function? Does each eye work well independently? How about the vision when the two eyes are teamed together? Do they work well? You will notice the optometrist or the ophthalmologist makes you see double when he examines your eyes. This is to determine how each eye works alone.

What about near vision? Do you see normally at near? What about the effect of close work on your eyes? Do you work with comfort and efficiency? Or do you have strain when you do close work? The National Eye Research Foundation recommends an eye examination every six months. By observing this rule, we can be sure our eyes are getting the best care we can give them. If any disease is present, it may be checked in its early stages. The ability to see is a rare and precious possession. See to it that you do not neglect it.

## OUR TIES WITH TEXAS

### OLD TAVERN IN ARKANSAS WAS TEXAS' BIRTHPLACE

The State of Texas was born in Arkansas.

Its birthplace was an Old Tavern where the road from Camden and the Ouachita River to Fort Towson crossed the Old Southwest Trail, also known as the Chihuahua Trace.

The Old Tavern also served as

the cradle for a time, because it was here that the plans for the War for Texas Independence were formulated, and its original men, money, lead and powder recruited.

Built in 1824, by Elijah Sturat, it was a two-story structure with long veranda across the front and side. There was a wide hall thru the center. There were at least a dozen rooms for travelers, with one large room on the second floor where most of the commun-

ity gatherings were held. It also served as the courtroom.

Stephen F. Austin, known as the "Father of Texas", was a surveyor, land speculator, and judge in Arkansas, before he pioneered settlements on the Brazos. He platted the original City of Little Rock and then became a Territorial Judge. The Old Tavern became a familiar stopping place for Austin and his brother-in-law, James Bryan.

Washington, about 30 miles from the Mexican border, was the final place to obtain supplies before entering the Red river country en route to the new settlements in East Texas, then a part of Mexico.

As the country along the Brazos prospered and grew strong, it excited jealousy of the Mexican rulers. They treated the pioneers with great injustice and oppression, and the word got back to Arkansas. When the Texans rose up in revolt, their Arkansas friends and relatives were naturally the first to come to their aid.

Sam Houston, former governor of Tennessee, who had forsaken a brilliant political future to join his Indian friends in Western Arkansas and the Indian Territory a few years before, became the focal point in Arkansas for the cause of Texas Independence. He was honored at a banquet at the old Jefferies' Hotel in Little Rock enroute to set up headquarters for the revolt in the Old Tavern at Washington.

He had so many visitors and so many conferences in his room at the Tavern, word got out that he was running a gambling game there. Finally, he called all his lieutenants together, revealed his plan, and headed for Texas to take charge of the forces for independence.

Both David Crockett and Col. Jim Bowie spent a lot of time in Washington. Bowie had James Black, a silversmith turned blacksmith, to fashion a knife for him which became a trademark for pioneers for many years. Many of those who enlisted in this was carried with them into battle, "a knife like Jim Bowie has."

Recruiting for men, power and bullets was widespread in Arkansas. The State newspapers of 1835 and 1836 carried many letters and proclamations of Stephen F. Austin, and reports from General Sam Houston on the progress of the war.

The "Times" of Little Rock carried an item on a meeting at Lewisburg, Conway county, where nine men enlisted, and asked if Pulaski county could afford to do less at a meeting set for the Old Theater the following Saturday.

Pulaski County recruited a much larger number. The enlistments from Lafayette and Miller counties were particularly heavy, because south of Red river it never had been definitely determined then which was Arkansas and which was Texas.

In Northwest Arkansas a similar spirit was shown. At Crawford County courthouse, a meeting was held on December 4. The Times of November 13, said the meeting was "for the purpose of adopting measures in aid of our brethren in the achievement of their independence. All who feel disposed to volunteer their services in the cause of Texas, are requested to

attend, that they may organize and march to the immediate relief of the patriots of Texas".

In all directions, men from Arkansas were upholding the hands of their neighbors in their struggle for independence. Among those who gave their lives in the cause of Texas were many from Arkansas, or identified with her.

News traveled slowly in those days. Jesse B. Badgett, who had been a member of the Texas Convention, reached Arkansas with a party of discharged soldiers from the Texas war. They had been traveling by oxcart which arrived April 12, 1836.

This was the first word that Arkansans had that Santa Anna, personally commanding an Army of Mexicans of more than 4,000, concentrated his attack on San Antonio, in February. Col. William B. Travis was holding the city with about 180 men. The Texas forces, composed of a large number of Arkansans, fell back into the Alamo and prepared to write in blood an immortal bravery and sacrifice.

Santa Anna's demand for unconditional surrender was met by a shot from a small cannon and the Lone Star Flag was run up from the roof of the hastily improvised fort. For 12 days, the gallant defenders withstood the Mexican assault. But, on March 6, the attackers gained entrance.

In the last fierce hand-to-hand struggle, every man under the Texas colors died fighting. James Bowie, brother of Rezin P. Bowie of Lafayette county, Arkansas, sold his life dearly as he ripped one Mexican after another with the famous knife that bore his name, manufactured at Washington, Arkansas.

Bodies of the defenders were piled in front of the Alamo and burned. The flame which lighted that pyre ignited all Americans who heard it, and welded together the scattered people of the western frontier.

Earlier in the San Antonio fighting, Col. Benjamin R. Milam of Long Prairie, Lafayette county, was killed. Charles E. Rice, one of the publishers of the Little Rock Advocate, was killed at San Patricio. A soldier named Blair of Conway County, was among the Arkansans in the Alamo. He had been among nine who enlisted at a meeting at Lewisburg.

Many Arkansans were at the conclusion of the successful revolution in the final battle of San Jacinto. The battle took place April 21, 1836, on the banks of the San Jacinto river, about 20 miles from the present site of Houston. It resulted in the overwhelming defeat of 1,600 Mexicans under Santa Anna by 783 Americans under Gen. Sam Houston.

Mexican casualties were 630 killed, 200 wounded, and 730 taken prisoner. Houston's forces lost 7 killed and 4 mortally wounded.

Texans constructed a magnificent monument, over 750 feet high which marks the battle grounds of San Jacinto. Other memorials pay tribute to the brave men of the Alamo.

But the City of Washington has become a living museum of old houses, old trees, and old memories closely connected with the War for Texas Independence and the struggles for freedom that
