Springlake-Earth grounds Eagles

■ Three Way eliminated in bi-district playoffs 53-39

By RICK WHITE **Managing Editor**

WHITEFACE — While his team struggled to climb out of a nine-point halftime hole, Shawn Harrison was thinking about energy conservation.

He wasn't trying to save the world. The Three Way coach was just hoping his team wouldn't run out of gas.

But by the end of the game, Three Way was running on fumes as Springlake-Earth pulled away from the Eagles late in the fourth quarter for a 53-39 win in a Region I-1A bidistrict game Thursday at Robert E. Smotherman Gymnasium.

"We got behind and had to work so hard to get within three, that we didn't have much left at the end," Harrison said. "We just weren't able to get over the hump. I was hoping that we could take the lead so we could pull the ball out, run some time off the clock, and relax a little."

Oscar Castillo keyed a game-breaking 7-0 run that stretched a three-point Wolverine lead to 45-35 with a little more than two minutes to go.

Castillo converted a threepoint play, followed with a 15-foot jumper and completed

"We got behind and had to work so hard to get within three, that we didn't have much left at the end.

> -Three Way coach **Shawn Harrison**

the spurt by assisting Russell Verden's fastbreak bucket.

Springlake-Earth, runnerup in District 7-1A, will play the winner of Friday's game between Miami and Silverton.

District 8-1A champion Three Way, which won its first district title since 1971, ends the season at 14-11.

Harrison, in his first year at Three Way, was far from disappointed after the loss.

"We won our first district championship in 26 years, we go to the playoffs and play respectable and had a chance to win it; we've got something to build on," Harrison said.

In the end, Three Way just couldn't match up with

Council approves Henegar as new police chief

By RICK WHITE **Managing Editor**

Rick Henegar was hired Thursday as the Muleshoe Police Chief on the promise that the department would become a more visible part of the community.

The Muleshoe City Council unanimously approved the hiring of the 36-year-old Henegar

following an hour interview in executive session. Henegar also met individually with the councilors earlier in the day.

"I think the police department needs to become much more visible in the commu-

Rick Henegar

nity," said Henegar, a 14-year veteran of Kermit Police Department. "I feel real good about being here. It's been my goal for a while to be a police chief."

Henegar will start March 10 at salary of \$33,500.

The city has been without a police chief since Julian Dominguez resigned in November of 1995. Jay Livingston has served in the interim.

"I feel like we made a good decision," Muleshoe City Manager James Fisher said. "I'm looking forward to him coming onboard."

"I know the public has been somewhat unhappy (about the current state of the police department) and have expressed their concerns,"

has space for 54 residents, according to manager Ed Dudley. The nursing home averages 52 patients on a regular basis.

Bone said grant money would be used to fund a feasibility study because the district does not have the money in the budget for such items.

In an effort to further educate the board about the different aspects of the hospital district, Bruce Hanchey presented an overview of the hospital lab. Hanchey, a lab technician at Muleshoe Area Medical Center, focused on the rules and regulations the lab must conform to in its daily operations.

"The world of lab testing is changing," Hanchey told board members as he discussed the Clinical Lab Improvement Amendment (CLIA), a 300plus page manual designed to regulate medical labs. Hanchey said the lab constantly strives to keep up with changes in the CLIA as they happen.

Medicare also keeps the lab Hanchey. For every Medicarereimbursed test the lab performs, they must perform the same test on a "blind sample". The lab must maintain at least an 80 percent accuracy rate on their blind sample tests to receive Medicare funding.

Construction along Texas Highway 214 is on schedule, according to a Department of Transportation spokesperson

Highway 214 construction on schedule

Penny Mason, a public information officer with the DOT, said the \$4.2 million project should be completed in October. Construction is currently underway in small sections of the highway north and south of the Enochs area.

The project, which began in December 1995, is two-thirds complete, according to Mason. When finished, 14.5 miles of highway between Needmore and the Bailey-Cochran County line will be rebuilt and widened.

Heavy rains last summer caused some temporary delays in the project, and Mason said any severe weather could push back the completion date.

TAAS testing next week at city schools

Muleshoe Independent School District will be administering the Texas Assessment of Academic Skills Test (TAAS) this week.

The exit level test will be administered to 10th grade students, as well as 11th and 12 graders needing to re-test in writing, reading, or mathematics.

In addition, students at the 4th and 8th grade

levels will be taking the writing test.

Testing will begin at each campus between 8:15 and 9 a.m. The writing TAAS will be administered Tuesday, the mathematics TAAS on Wednesday, and the reading TAAS Thurs-

Chamber still accepting applications

The Muleshoe Chamber of Commerce will continue to accept applications for the position of chamber manager through Wednesday, March 5.

The part-time position will require 20 to 24 hours per week to be spent managing chamber business and working with chamber members on various projects to promote local businesses.

Resumes should be mailed or delivered to the chamber office at City Hall.

Muleshoe School Board meeting Feb. 26

The Board of Trustees of the Muleshoe Independent School District will meet in regular session at 7 p.m. Feb. 24 in the MISD administration.

Items on the agenda include appointing the district textbook committee for 1997-98, and discussion of a resolution for Texas Public Schools Week.

MISD school board workshop Feb. 26

The Board of Trustees of the Muleshoe Independent School District will hold a workshop meeting Feb. 26 from 8 a.m. to 4 p.m. in the 16th and Avenue D Church of Christ fellowship room.

The board will review goals and objectives for 1996-97, as well as considering goals for 1997-98. The board will also discuss facilities and technology.

Muleshoe fine arts boosters to meet

Muleshoe High School band hall to work on plans for the upcoming Fine Arts Night to Shine.

If your child is in the band, choir, or theater/speech programs, you are a member of Fine Arts. If you have questions or comments please call Ronnie Bennett (272-5319) or Carol Cox (272-4396).

Shipman graduates from Texas A&M

Timothy Fitzgerald Shipman was among more than 3,300 Texas A&M University graduates who received a diploma during December commencement ceremonies.

Shipman received his bachelor of science degree in agricultural science.

Local students receive Texas A&M honors

Timothy Fitzgerald Shipman and Lori Diane Hodges were named to the Texas A&M Dean's List for the fall 1996 semester.

To be named to the Dean's list, students must maintain a 3.75 grade point ratio while taking at least 15 student credit hours.

Muleshoe Library issuing new cards

The library is currently conducting a sign up period for new library cards. New library cards will be needed with the arrival of the Muleshoe Area Public Library's automated computer system, which is expected to be installed by early March. Identification with a correct mailing address is required. Old library cards will no longer be

OTTON NEWS

Cotton producers across the High Plains are now in the process of electing new members to the Plains Cotton Growers (PCG) Board of Directors.

This year PCG members will elect new producer Directors in 23 of the 25 counties represented by the organization. PCG members in Hale and Swisher Counties will elect new business directors.

The PCG Board is composed of 50 directors, one producer and one business, from each of the 25 counties served by the organization. Directors are elected on alternate years for two year terms.

The newly elected directors will be approved by the PCG members during organization's 40th annual meeting.

This year's PCG Annual Meeting will be held April 11, in conjunction with the Texas Cotton Ginners' Convention and Trade Show. Additional details about the PCG Annual Meeting will be released as

they become available.

Additional election meeting information will be provided as meetings are scheduled. For more information about becoming a PCG member or to check on membership status please call 806-792-4904.

Producers across the High Plains should mark February 18 on their calendars and try to attend the Gaines County Ag Conference at the Gaines County Community Center in Seminole.

According to Lubbockbased Plains Cotton Growers the Gaines County conference is the last in the series of arewide cotton conferences to be held in 1997. Other conferences were held during the month of January.

The conferences are designed to provide producers with the latest information concerning production technology, regulatory and legislative changes, and provide an opportunity to earn continuing education unit (CEU) credits.

Cattle group want pro-active water legislation

Senate leaders have unveiled a Texas water bill that would require statewide drought planning and increased conservation, but would preserve the rule of capture — the right of landowners to pump groundwater.

The bill does, however, modify the capture rule by making it easier to establish new groundwater conservation districts, which can regulate pumping. The rule of capture would prevail outside the dis-

Under the proposed legislation, water-use limits would be left up to local governments.

The bill also requires the Texas Natural Resource Con-

servation Commission to conduct public meetings and detailed financial and environmental analyses before approving transfers from one river basin to another.

In addition, it promotes reuse of treated waste water and expands consideration given to wildlife habitat areas.

TSCRA and other agricultural associations say it is time for Texas legislators to pass legislation dealing with water availability before the problem gets worse.

"A crisis is a very poor time to write legislation," said TSCRA President Chaunce O. Thompson Jr. in an interview with The Dallas morning

Subcomittee gathers input during ag credit hearing

Opposing voices surrounding the federal farm credit programs were given local attention in a field hearing called by US. Rep. Larry Combest.

The hearing, held Friday in Lubbock, addressed issues from direct and guaranteed loans to the preferred lender programs.

Joining Combest on the panel were U.S. Rep. Charles Stenholm (D-Stamford), and Rep. Mac. Thornberry (R-Clarendon).

Combest, who serves as chairman of the House Agricultural Committee subcommittee on forestry, resource conservation and research, said that farmers survival may depend on the availability of credit.

"A stable farm credit infrastructure of USDA loan programs, commercial banks, and the Farm Credit System is critical to the future of many agricultural producers and to a dependable food supply," Combest said.

Several panels were assembled to speak at the hearing. The first panel, which consist of USDA representatives, spoke on the status of direct and guaranteed loans program portfolios, including outstanding principal and interest, delinquency rates, and loan losses.

A second panel, comprised of commercial bankers and representatives of the Farm Credit System, spoke about their participation in USDA's guaranteed loan programs, as well as their general views on agricultural credit.

A third panel, composed of representatives from the Small Business Administration also spoke about SBA's guaranteed loan program and its recent improvements.

Public testimony was not permitted, although written comments can be submitted at the hearing or mailed to the U.S. House Subcommittee on Agruculture, Room 1300, Longworth building, Washington, D.C. 20515.

It takes 115 gallons of water to grow enough wheat for the average loaf of bread.

Wheeler Ks 14 as Muleshoe wins opener

Jeffrey Wheeler pitched six strong innings and Muleshoe rallied for three runs in the bottom of the sixth inning to beat Morton 5-4 Tuesday in a non-district game at the city baseball field.

Wheeler allowed four hits while striking out 14 and walking two in the season-opener for both teams. Two of the four run he allowed were unearned.

"Jeffrey pitched well," Muleshoe coach Brad Hill said. "(In the sixth inning) he was getting tired and started getting the ball up."

Hill set a 100-pitch limit, which Wheeler reached in the sixth inning.

Layne Kemp picked up the save with one inning of hitless relief. The junior struck out two of the four batters he faced.

"Pitching was one of the things I was pleased with," Hill aid.

Muleshoe pushed across three runs in the sixth, aided by a two-run throwing error that produced the tying and winning runs.

Jarrod Redwine scored the winning run after reaching on an infield single.

Redwine had two of Muleshoe's five hits. Wheeler added an RBI double in the first. "We didn't make very good contact," Hill said. Muleshoe hitters struck out 10 times, six times looking.

Seven of the nine starters Tuesday played after only two days of practice because of basketball.

"A lot of kids haven't seen any pitching," Hill said. "The kids are still getting the cobwebs out. We need to see more pitching in practice."

Five other players expected to start this season sat out part or all the game for disciplinary reasons.

Morton took a 2-1 lead in the third inning with the help of back-to-back triples by Austin Sabala and losing pitcher Jimmy Morin.

Muleshoe tied the score at 2-2 in the sixth inning when B.J. Gonzales walked and stole second with one out. He scored on a hit-and-run single to left by Matt Mason.

Morton took a 4-2 lead in the sixth, scoring two runs without the benefit of a hit.

Muleshoe plays Seminole Saturday and at Denver City Monday.

Seminole and Denver City are expected to be two of the better Class 3A teams in the South Plains.

Follow through

Jeffrey Wheeler follows through on a pitch Tuesday during Muleshoe's season-opener against Morton.

Tuila wins, Dimmitt ousted

Nathan Culwell scored 18 points and Tim Marshall added 16, leading District 1-3A champion Tulia to a 58-43 win over Denver City Friday in a Class 3A bi-district game in Frenship.

Second-ranked Tulia (31-2) made five 3-pointers in the first half before Denver City (22-10) switched from a zone defense to man-to-man.

At Lubbock, Chris Ogden made one of two free throws with 6.6 seconds left as District 2-3A champion Seminole edged Dimmitt 51-50.

Ogden led third-ranked Seminole (27-4) with 15 points. Cameron Lust led 1-3A runner-up and seventh-ranked Dimmitt with 13 points and Brandon Smith added 11.

Laz avoids bi-district disaster

AMARILLO — Josh Morris scored 11 points off the bench, including a pair of free throws with 10 seconds left that sealed Lazbuddie's 50-45 win over Texline Friday in the Class 1A bi-district playoffs.

The Longhorns (21-7) play Gruver at 7 p.m. Tuesday at Randall High School in the area round.

The District 1-2A champion. Greyhounds (19-12) advanced with a 66-49 win over Allison Thursday.

Israel Lopez led District 3-1A runner-up Lazbuddie with 13 points and Justin St. Clair added 10.

Phil Luther had three 3pointers and 16 points for District 4-1A champion Texline.

Trailing by 10 points early in the second half, the Tornadoes hit three consecutive 3-pointers to get back in the game.

Texline eventually tied the game at 44 with three minutes left before Lopez scored inside and on a putback to put the Longhorns up for good.

Three Way -

Springlake-Earth's interchangeable basketball triplets of Castillo, Ty Moudy and James Williams. All three were around 6-2 and could rebound, handle the ball, and score.

Castillo finished with 17 points and six rebounds. Williams collected 12 points, 15 rebounds and five assists (despite foul trouble) while Moudy had 12 points and six rebounds while running the point.

Williams picked up his fourth foul early in the third quarter and sat out more than eight minutes in the second half.

"James and Oscar got in some foul trouble and that took a big chunk out of our middle game," said Moudy, who used his size advantage to get several medium-range jumpers in the lane down the stretch. "We were just trying to hold on until we could get them back in there. (Three Way) rattled us a little bit."

Jesus Perez scored 10 of his team-high 12 points in the second half for Three Way and added seven rebounds. Jonathan Kindle had eight points and Gerald Perez finished with seven points and four blocked shots.

Poor shooting hurt the Eagles, who shot 35 percent from the field for the game. Three Way was 7 for 24 (29 percent) in first half while falling behind 24-15.

"We were getting the shots we wanted, they just wouldn't fall," Harrison said.

Springlake-Earth shot 50 percent from the field and outrebounded the Eagles 39-32. Perez scored six points in

the third quarter as the Eagles clawed within 34-31.

Kyle Kindle pulled the Eagles within two at the five-minute mark of the fourth quarter with a pair of free throws, but battling from behind against the much bigger Wolverines was exacting its toll.

Trailing 38-35 a minute later, Cody Wilson's six-footer spun out, and with it ended Three Way's comeback hopes.

Castillo made the miss hurt twice as bad by converting a three-point play down the other end. Showing the hands of a Gold Glover, Castillo caught and converted a bullet pass under the hoop and was fouled.

Three Way hit four of its first five shots and took an early 9-5 lead.

But Williams took over as Three Way went flat.

Williams, who finished with 10 points, 10 rebounds and four assists in the first half, led a

Springlake-Earth charge while Three Way went scoreless for more than six minutes in the first and second quarters.

Williams scored 10 points in a 14-2 run that gave the Wolverines a 19-11 lead with 2:25 left in the half. Three Way scored just six points in the last 121/2 minutes of the half.

Three Way (39) — J. Kindle 40-18, Landeros 20-04, J. Perez 54-414, Wilson 20-24, R. Pollard 00-00, K. Kindle 12-24, G. Perez 31-27. Totals 17-48 5-10 39.

Springlake-Earth (53) — Garcia 00-00, King 00-00, Moudy 44-412, Spencer 2 1-2 5, Williams 6 0-2 12, Monreal 0 0-0 0, Castillo 7 3-4 17, Verden 1 3-3 5, Polando 0 2-2 2. Totals 20-40 13-17 53.

Rebounds — Three Way 32 (J. Perez, Landros 7). Springlake-Earth 39 (Williams 15). Steals — Three Way 11 (J. Perez, J. Kindle 3). Springlake-Earth 10 (Williams 5). Blocks: Three Way 7 (G. Perez 4). Springlake-Earth 1. Assists — Three Way 10 (J. Perez 3). Springlake-Earth 10 (Williams 5). Total fouls — Three Way 17. Springlake-Earth 15. Foued out — none.

URSING HOME NEWS

By Joy Stancell

Thursday morning Nancy Lemons directed the residents ceramic class. Residents participating were Bootie Tiller, Pearlie Helmer, Kathrine Rogers, Naomi Black, Rosa Sneed, Florence Harvey, Lora Dale, Nettie Quesenberry, Hazel Riddle.

Pastor David McIntire, J.C. Shanks and Clara Lou Jones directed the devotional, sing spiration, reflection time Thursday morning.

All our residents met in the Day Room Friday afternoon for 'Sweet Hearts" Day. Congratulations to F.R. and Vivian White who were recognized as our Sweet heart Couple. Sharon Grant sang always to our special couple and to all that had or ever had sweethearts. She also sang several other songs appropriate for the occasion. Refreshments and Valentine favors were served and given to those attending. Vivian White, Terri Brown, Ruth Ann Kitchens, Sonia Orozco, Jolene, Chickie, Donna Locker, and Volunteers Plus. Helped with the food, serving and party favors. We were so glad to have and appreciate every one who attended.

Saturday afternoon Donna Locker directed the bingo Bonanza. A good time was had by

Sunday afternoon the new Covenant Church came for Church services.

Clara Lou Jones came Monday for Group Reading.

Tuesday morning Shelly Turnbow brought her 4th period LMS Class from Jr. High to visit, and serve refreshments to the residents.

Several of our residents have been adopted by the Teen Leadership Students of M.H.S. The

Honor Society) on Feb. 10.

students have visited several times bringing gifts to their adopted grandparents. Carolyn Johnson is the director of the group.

Tuesday afternoon Claudine Embry, Lanell Stancell, Mary Jo Burge, Pat Watson, Skeet Bradshaw, Chickie, Jolene Espinosa, Wanda Griffin and Donna Locker shampooed and set the ladies hair and gave manicures. Velta Fyie came to visit and brought us magazines and helped us too.

Mr. Earl Ladd was visited by his son last week.

Mr. Kenneth Martin's family visited him Wednesday morning.

Lib King celebrated her birthday Wednesday. She received cards, flowers and many good wishes on her day.

Reminder: The Feb. Birthday Party has been set for Thursday Feb. 27 at 3 p.m. Please come join us.

Florence Harvey's son visited her Wednesday.

Dorthy Turner and Mary Wise visited Mrs. Turner Wednesday.

Aline Locke has just about completed piecing her flower garden quilt.

Wednesday morning Buster and Wanda Kittrell, assisted by Harold and Mary Jo Burge Hosted coffee/donut time. Ivor Lake, Buster Kittrell, Clara Lou Jones lead our Devotional Reflection and gospel singing time. Jim Claunch, Tennie McCormick, Jane Reeder, Harold and Mary Jo and Wanda Kittrell joined in the singing.

Ruby Wilson, her daughter and Holly Ann Millsap attended the sing-a-long and puppet show. Staring Glenda Jennings Wednesday. The residents all sang and joined in.

Texas cattle on feed up 2 percent

AUSTIN — Cattle and calves on feed for slaughter market in Texas feedlots with capacity of 1,000 head or more totaled 2.52 million head on Feb. 1, up 2 percent from a year ago. According to the monthly report released by the Texas agricultural Statistics Service, the estimate was down 4 percent from the Jan. 1 level. Producers placed 385 thousand head in commercial feedlots during January, up 21 percent from a year ago and up 7 percent from the December, 1996

Texas commercial feeders marketed 470 thousand head during January, up 3 percent from a year ago. Monthly marketings were up 31 percent from the December, 1996 to-

On Feb. 1 there were 1.97 million head of cattle and calves on feed in the Northern High Plains, 78 percent of the state's total. The number on feed across the area increased 4 percent from last year, but was down 4 percent from last

January placements in the Northern High Plains totaled 301 thousand head, up 15 percent from last month. Marketings increased 35 percent from last month to 382 thousand head.

Cattle and calves on feed for slaughter market in the United States in feedlots with a capacity of 1.000 head or more totaled 10.31 million head on Feb 1, 1997. The inventory was 4 percent above Feb. 1, 1996.

Placements in feedlots during January totaled 1.87 million, 21 percent above 1996. During January, placements of cattle and calves weighing less than 600 pounds were 408,000; 600-699 pounds were 652,000; 700-799 pounds were 515,000; 800 pounds and greater were 292,000. Marketings of fed cattle during January totaled 2.02 million, 5 percent above AZTECA MILLING CO., L.P. D.B.A. VALLEY GRAIN **PRODUCTS** Is Contracting Food Corn

inventory of new GM engines In an effort to exceed General the work themselves. Motor's Image 2000 goals and to

John Roley maintains large

provide the best service available, John Roley's Auto Center in Littlefield is maintaining a large inventory of new pickup and truck

The brand new GM/Mr. Goodengines come with a three year/ 50,000 mile warranty.

The service center maintains a large selection of 4.3 liter V-6, dependable 350 V-8 and tough diesel engines in its impressive parts inventory.

Prices are very competitive for the long block replacement engines for the 4.3 liter V-6s priced at \$1,599, V-8s for 1980-86 models priced at \$1,199 and GM/Mr. Goodwrench fuel injected engines for 1987-95 models priced at \$1,590.

According to Service Consultant Kevin Campbell, on an average, John Roley's service department can perform a turn-key installation with one of the new long blocks for an price of \$2,100 to \$2,300 depending upon the shape of the original water pump, starter, alternator, carburetor or injection system and other engine accessories.

The engines are also available for sale at the same competitive

prices to individuals wanting to do

Generally it takes two to three days to pull a worn-out engine out of a truck and to install a new one. Generally, Roley's service men simply unbolt the intake manifold from the old engine and bolt it onto wrench Service Replacement the new, GM replacement engine.

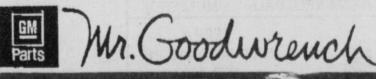

Any one of Roley's line mechanics are qualified to do the replacement job, including GM technicians Ben Long, Randall Snyder and Pat Diersing, mechanics Danny Mendoza, Saul Delgado and Donald Coleman.

"We are installing quite a few new engines," said Campbell. At the time, the shop was in the process of installing six of the new GM engines in pickups.

New GM/Mr. Goodwrench replacement engine are also available for automobiles and vans. Campbell says engines for those vehicles are quickly avail-

able from GM's Dallas warehouse. He estimated that Roley's installs 60 to 70 new engines annually and says they order the engines by the truckload in order to hold costs down for their customers.

Anyone wanting an estimate on a new engine should see or call Campbell at John Roley Auto Center in Littlefield, 385-6464.

LARGE SELECTION OF ENGINES--John Roley Auto Center's service technicans Ben Long and Randall Snyder pose with service consultant Kevin Campbell in front of a few of the many crated long block GM/Mr. Goodwrench Service Replacement Engines the dealership keeps in stock at all times. Because of the large inventory, Roley's offers competitive prices on replacement engines.

A variety of homestead **TAZUDDIE SPANISH** exemptions could lower NATIONAL HONOR SOCIETY your property taxes!

A homestead exemption lowers the property taxes on your home by lowering its taxable value. If your home is valued at \$50,000 and you receive a \$5,000 homestead exemption, your home will be taxed as if it were worth \$45,000.

Who qualifies for an exemption?

Anyone who owned a home on January 1st (and used it as their primary residence on that date) is entitled to a \$5,000 homestead exemption to lower their school taxes this year...and it doesn't matter if your home is a house, condominium or mobile home. (Counties, cities and special taxing districts may also offer homestead exemptions.)

Are other exemptions available?

If you're disabled--or if you're 65 years old or older-you are entitled to an additional \$10,000 school tax exemption on your home. And if you qualify for the over-65 exemption, you're also entitled to a permanent, locked-in "ceiling" on the school property taxes on your home. (The ceiling does not apply to county or city property taxes, and those entities may offer other exemptions.) The over-65 homeowner's exemptions and school tax ceiling transfers to the surviving spouse, if the spouse is 55 years of age or older at the time of death and lives in and owns the home.

Do I have to apply each year?

No. If you had a homestead exemption on your home in 1996, you won't need to reapply for 1997 unless your chief appraiser requires it. However, if you haven't received an exemption on your present home—or if you've moved to a new home—you'll need to file for an exemption for 1997. And if you turned 65 or became disabled during 1996, you need to file for the additional exemptions.

When and where should I file?

File applications by April 30 at your appraisal district office. If you need more time, contact us at:

Bailey Central Appraisal District 302 Main Street, Muleshoe, TX 79347 806-272-5501

Not filing is the worst chioce

Don't let a shrinking wallet turn into a late federal income tax return. The results could make that wallet even emptier.

Once people get behind in their taxes, they often continue to put off filing. But the IRS says that is the worst move a person could make. Although there are penalties and interest for paying late, the penalties for failing to file in the first place are much larger. With each return not filed, the debt piles up. By the time IRS comes amount owed may be overwhelming.

To avoid penalty and interest charges, people should pay their tax liability in full. Those

Can't Pay, File Anyway

who cannot afford to pay what they owe should contact the IRS to discuss payment options such as installment payments and offers to settle their looking for the taxpayer, the tax account for less than the amount owed. However, the offer must be in the best interest of both the person and the

The bottom line is that it's

always better to file and, if necessary, make arrangements to pay rather than waiting for IRS to enforce the tax laws. Consequences for not filing returns or answering IRS letters can range up to an IRS lien against property or, in worst cases, criminal charges.

The IRS has information on the rights taxpayers have when dealing with the IRS and the collection process, how it affects them, and where to go for help if a problem can't get resolved. Details on these topics are covered in Publication 1, Your Rights As a Taxpayer.

PUBLIC RECORD

BITUARIES

Clara Jane Williams

Funeral services for Clara Jane Williams were held Feb. 21 in the Muleshoe Church of Christ with John Knox, minister and Elder Cleveland Bass minister of Muleshoe Primitive Baptist Church officiating.

Burial followed in the Muleshoe Memorial Park under the direction of Ellis Funeral Home, Muleshoe.

Clara died Feb. 18 at the Methodist Hospital, Lubbock. She was born Oct. 19, 1919 in Rockdale, Texas. She married Howard Williams Jan. 20, 1938 in Rockdale, Texas. He preceded her in death Oct. 1981.

Mrs. Williams had been a resident of Muleshoe since 1980 moving here from Lorenzo, Texas. She was the former secretary for the Muleshoe Hobby Club, a member of the 55 and Alive Club. She was also a member of Muleshoe Church of Christ. She was a homemaker.

Survivors include one son, Marshall Williams of Muleshoe; two brothers Harmon Story of Lubbock, Bill Story of Milano, Texas; 3 grand-

POLICE LOG

daughters and their husbands, Suzanne Wilhelm and Ken of Muleshoe, Kim Williams and Keith Smith of Marble Falls, Texas, Marsha Davis and Donnie of Norman, Okla.; one great-grandson, Garrett Davis of Norman, Okla.

The family suggests memorials to Portales Childrens Home or Kidney and Blood Pressure Clinic, 4110 22nd Place, Lubbock, TX 79410.

Robert G. Wilson

Funeral services for Robert G. Wilson, 79, of Muleshoe were held Feb. 22 at First Baptist Church with Rev. Stacy Conner officiating.

Burial followed in the Littlefield Memorial Park Cemetery, Littlefield under the direction of Ellis Funeral Home, Mule-

Mr. Wilson died Feb. 19 at Methodist Hospital, Lubbock after an illness. He was born Oct. 23, 1917 in Thrall, Texas. He married Eloise Lindley Sept. 16, 1945 in Earth, Texas.

Mr. Wilson had lived in Muleshoe since June 1965, moving from Petersburg, Texas. He was a member of the First Baptist Church of Muleshoe. He was an insurance agent in Muleshoe. He was preceded in death by a grandson, Scott Alan Wilson in 1978.

Survivors include his wife Eloise; three sons, Lindell Wilson of Georgetown, Texas, Darrell Wilson of Dallas, Texas and Preston Wilson of San Antonio, Texas; one sister Jean Haberer of Earth, Texas: four grandchildren, Wayne Wilson, Amy Swiney, Taylor Wilson and Maura Wilson.

The family suggests memorials to First Baptist Church, Muleshoe, Texas.

Bertha E. Pool

CLOVIS - Funeral Services for Bertha E. Pool, 91, were held Feb. 20 in First Baptist Church, Muleshoe with Rev. Stacy Conner, pastor officiating.

Burial followed in the Muleshoe Memorial Park under the direction of Ellis Funeral Home, Muleshoe.

Bertha Pool died Feb. 17 at Plains Regional Medical, Clovis. She was born May 10, 1905 in Okfuskee Co., Okla. She married Myron Pool Oct. 30, 1922 in Afton, Texas. He died Nov. 2, 1979.

She was formerly of Muleshoe. She moved to Bailey County in 1925 from Dickens Co., Texas. She was a member of First Baptist Church in Clovis. She was a member of the Friendship Sunday School Class and a homemaker.

Pallbearers include Ronnie Johnson, Dr. Stanley Johnson, Ransom Jones, David Jones, Marshall Pool and Mike Pool.

Survivors include two daughters, Betty Johnson of Muleshoe, Norma Orwin of Clovis; one son, Carroll Pool of Amarillo; one sister Eva Butler of Ft. Worth.

Jody and Shawna Gibbins of Levelland announce the birth of their son, Kegan Lee.

Kegan Lee was born in the Methodist Hospital in Levelland. He weighed 7 lb 12 oz and was 20 1/2 inches long.

He has two sisters, Allison and Linzee; one brother, Zachary.

Grandparents are Tom and Janie Gibbins of Muleshoe and Walter and Sharon Johnson of Levelland.

Call for quote. A Property Rights Advocate and Equal Opportunity Lender.

A time of trouble is a time to pray. James tells us plainly, "Is any of you in trouble? He

should pray" (5:13). Have you tried it? What happened?

Maybe the answer to your prayer was a wonderful, resounding, "Yes!" Remember the time you prayed for a dear

Focus Shelburne

one in a life-threatening situation to live, and to the doctors' utter amazement, he did! Or remember the time you prayed for the troubled marriage of dear friends and watched in grateful awe as they got serious about making their marriage work? Maybe you prayed for an answer to what seemed like a "no-win" situation, and then God amazed you with just the right answer. Those are wonderful experiences for which we gratefully rejoice.

This column is not about those experiences. Those we can handle! Not nearly so wonderful are the times when we feel deep need, we pray, and the only answer is either an absolute refusal or, what may

be worse, deep silence.

What about the time you prayed at your loved one's bed, and then he died? Or the time you prayed for your friends' marriage, but it only got worse? Or the time you prayed earnestly regarding a baffling problem, and it just remained baffling? What then?

Then we must learn the lesson of Gethsemane. Nothing was wrong with Jesus' faith when he prayed, "Father, if it be possible, remove this cup from me" But the cup of suffering was still pressed to his lips. You see, he had also prayed, "...not my will, but thine be done." Jesus' primary concern in his anguished prayer was not that he avoid a cross, though he wished he could; Jesus' main concern was to submit himself to God's will. Jesus' prayer did not change that will, but through it he found strength to walk even up Calvary's hill to the cross.

"Prayer changes things," the saying goes. Sometimes, in amazing ways, it does. But more often and in some ways maybe more amazing are the times God uses prayer to change the pray-er and grants the strength to walk in that will-even under the weight of a cross. In that answer, too, we-see the hand of God.
