Diana Glover Places Third In State U.I.L.

Diana Glover came home with a third place medal after competing in the Editorial Writing Contest at the 1993-94 University Interscholastic League State Academic Meet held May 5-7 at the University of Texas at Austin. UIL Academic contests range from feature writing to accounting and from computer science to poetry interpretation. Of the two million students who participated in UIL activities last year, 573,800 competed in one or more of the 22 general academic contests. Only one percent of those competitors make it to the state meet. "Many years ago, my debate partner and I won the State University Interscholastic League Championship," said Governor Ann Richards. "It was the highlight of my high school years, and the culmination of our hard work in debate competition. The opportunity to compete in the UIL provided the best possible training for public speaking, thinking on my feet and research preparation on topics of importance."

Panthers Lose To Baird; But In Race For Second

By Carolyn Weldon
 After coming through with their second winning game against Sidney, another 10 run rule, five inning game, the Panthers came back Friday with a heartbreaking 5 to 2 loss to Baird. This was the second loss to the Bears for the Panthers. Joshua Weldon made his record 3-0 pitching against Sidney last Tuesday giving up 2 hits and 2 walks with 9 strikeouts in this 10-0 win for the Panthers. Home runs were hit by two Panthers with one from Ronald Majors, going 2 for 3 with 3 RBI's, and the other from Nic Guthery, going 1 for 1 with 2 RBI's. The Panthers also has Noah Landa going

2 for 3 with 1 RBI and Jerry Krause was 2 for 3 with 1 RBI. "We were not very sharp at the plate. I think not being able to work out due to the weather was a part of it," said Coach Pettit. "Defensively, we played an error-free game which was good to see." There was a lot of unhappy Panthers after Friday's 5 to 2 loss to the Bears at Peanut Park. Nic Guthery pitched this 7 inning game, giving up 5 hits with 2 walks and getting 9 strikeouts. In the batters box, Noah Landa went 3 for 4 with no RBI's; Jerry Krause went 2 for 3 with 1 RBI; and Ronald Majors went 2 for 3 with no RBI's. Also Tom Bynum had a standup double. "This was a very disappointing loss. We had so many opportunities and couldn't score. We left 11 runners on base and gave up 4 unearned runs," said Coach Pettit. "Now we have to buckle down and get after Eula if we want to be in the playoffs."

Marla Smith And Jennifer Eaves In Reg. Track Meet

Marla Smith and Jennifer Eaves of Gorman High School represented Gorman High School in the Regional IIA Track Meet held in Abilene. Marla placed 9th in the 400 meters and Jennifer Eaves was 10th in the 800 meter run at the Regional meet. **A BIG THANK YOU NOTE**
 I wish to thank God and Steve P. Kelley of Brownwood for giving my sight back to me. No words can express what it is to be able to see this beautiful country, family and friends again. A song comes to my mind "Amazing Grace" how sweet thou art. I lost my faith in my future, what my life would be like. I prayed to die, but God showed me the way. My life has been blessed many times since. I thank Dr. Cleveland of Cisco and Dr. Childers of Gorman and all the ones who encouraged me to go. I guess I have a lot more that God wants me to do before I earn my passway through the Pearly Gates. Though I will need a lot of help along the way. God bless you all. Mildred Bennett

The rains moved in on Tuesday afternoon, so the game against Eula will be rescheduled. The place and date will be posted at Bob's, Gorman Grocery and the Post Office. Hope to see you at the next game!

Caulk & Seal Your Windows, Doors and Siding

Every year, this gun prevents thousands of homeowners from being robbed.

Hundreds of dollars in energy can easily be lost through the tiny cracks of your home. Not to mention through poorly insulated attics and walls. Which could be a bit alarming, considering you may have just caulked, weather-stripped and insulated a few years back.

TUeWISE

Unfortunately, time has a way of playing the thief. Caulk shrinks and cracks. Insulation settles. Weather-stripping comes loose. And believe it or not, it all adds up.

So, in an effort to respond to your needs, TU Electric reminds you to give your home an efficiency check-up every year. Just to be safe.
