

In Thousand-Plane Raid on German City

First picture of a bomber crew, composed entirely of Australian fliers, standing by the Stirling bomber that came back from the great raid on the German industrial city of Cologne. Crews from all parts of the British empire were participants in the raid in which more than 1,000 planes rained high explosives and incendiaries, doing terrific damage.

Scrap Rubber Drive Swings Into Action

With two collecting points being named in Texico-Farwell, the scrap rubber drive swung into force locally on Monday, Sikes Motor Co. in Farwell, and the State Line Wrecking Yard, in Texico, receiving the local scrap contributions.

Evidence that the eminence of gas rationing was striking home on all points was shown at both local businesses early on Tuesday, when more than six hundred pounds of rubber had been turned in at the Sikes Motor, while that much or more was on hand in Texico.

Olan Schleiter, chairman of the county war board which is behind the drive this week urged that every resident in the county make a survey around his premises to seek out every ounce of scrap rubber which may have been tossed aside in times past, and bring it in immediately.

"Naturally," he indicated, "many of us won't have but a few old rubber heels from discarded shoes, maybe a leaky hot water bag or such other scrap rubber around the house and premises—but bear this in mind, every little bit counts, and a thorough collection of all scrap in the nation will be necessary to avert gas rationing, at least for the time being."

At all collection points over the nation, scrap rubber is weighed and the owner paid 1c per pound, after which it will be gathered into a mass pile for reclaiming. Dealers paying for the scrap at home will be refunded by the government.

Rubber, sponsors emphasize, is rubber, no matter in which form it is found—from the tiny all-rubber tires on discarded toy cars to pieces of leaky garden hose, split tires or tubes, faulty electric cords encased in rubber, etc., and the government wants it turned in now!

The drive, which opened on June 15, will continue through June 30.

Of Interest to Farmers

By Keltz Garrison, Sec'y. Parmer County AAA

To date we have not received any instructions as to whether grain sorghum loans will be extended or not; however, it is assumed that they will be extended in those cases in which the producers desire. I talked with the state office in College Station this week and they informed me that they had not received any instructions on extended grain sorghum loans as yet.

Barley Loans
To date we have received no instructions as to whether or not there will be barley loans on the 1942 crop. The state office has advised us that they are almost sure such loans will be available, however, no instructions have been received at this time.

Prefabricated Granaries
It is very surprising and also amusing the number of different rumors that are going around concerning the prefabricated granaries which the Commodity Credit Corporation is making available for farm storage purposes. In order that there will be no misunderstanding there is given below all the information which we have regarding such granaries.

They are woden, and not steel. The large granaries hold 1843 bushels, the smaller ones 1592 bushels. The granaries are built in Austin and Houston and shipped in carload lots of five to any point in Texas at \$225

Registrant Has Long Record

Clerks at the office of the local Draft Board run into many amusing incidents in connection with compiling occupational questionnaires.

The best of them all, however, was brought to light this week when a local registrant, listing his age as 27 years, claimed to have had 88 years of experience in various vocations.

Draft Board officials are still scratching their heads and pondering the possibility of such activity.

Numerous Applications Filed For Wheat Bins

Keltz Garrison, secretary of the local Triple A office, stated today that "around 100" applications had been filed by Parmer wheat growers for pre-fabricated wheat bins which are being offered by the Commodity Credit Corporation to relieve storage shortages.

In making this announcement, he added that a number of applications were withdrawn on Monday, following vicious hail storms which ripped through sections of wheat land on Sunday evening.

Pertinent facts about the bins are listed in the "Of Interest To Farmers" column in this issue of the paper, prepared by Garrison.

In Saxon times the fourth month of the year was devoted to the goddess of spring, Eostre, and this probably is the origin of the word Easter.

India, with a population of 389 million, is the world's largest producer of tea, sugar and jute, according to the Department of Commerce.

and \$270 respectively, freight prepaid. They are built in four and six-foot sections and are to be set up by the farmers who buy them. They have shingle tops however the shingles will have to be put on by the farmer. These granaries come complete with bolts, nails, hinges, hardware and paint, and the only expense the farmer will be out is his foundation. Extreme care will have to be taken in constructing the foundation, since it is very important that the foundation be as level as possible in order for the sections to fit completely.

Any farmer who desires to obtain one of these granaries should place his order as soon as possible, since it is very likely that there will not be enough granaries for everyone. The granaries may be purchased either by cash or by executing a note in favor of Commodity Credit Corporation which will bear 3% interest and also giving a chattel mortgage on the granary. The note will be due December 31, 1943. This will give the farmer a chance to store two wheat crops and two grain sorghum crops; therefore, if a farmer turns his storage allowance back in to apply against his note, he should encounter no trouble whatever in paying for the granary. To date we have ordered approximately 100 granaries. (Continued on Back Page)

Wheat Harvest Getting Under Way

Grassopper Poison Promised this Week

Levy and Newton Last Minute Entries

Last minute entries drew two candidates for office in the Parmer county democratic primary, with T. E. Levy filing for county commissioner of precinct No. 3, and Jess Newton entering the race for the office of justice of the peace for the Farwell precinct.

With the passing of the deadline for filing for a place on the ballot, the entire field of present county-wide officers will be unopposed for reelection to their respective offices.

Levy will contest the seat of E. W. McGuire for county commissioner, and Newton seeks to succeed B. E. Nobles, who has been justice of the peace in the Farwell precinct for a number of years. Nobles did not file for reelection this year.

The Executive Committee will meet again next Monday to draw places for position of the names on the ballot. The candidates have until that time to pay in their assessments for places on the ticket.

According to the line-up at the present, the Parmer county candidates will be as follows:

For County Judge: Lee Thompson.
For Sheriff: Earl Booth.
For County Attorney: A. D. Smith.
For County Treasurer: Roy B. Ezell.

For County and District Clerk: D. K. Roberts.

For County Commissioner, Precinct 1: D. O. Roberson, C. A. Wickard, David Moseley.

For County Commissioner, Precinct 2: F. T. Schlenker.

For County Commissioner, Precinct 3: E. W. McGuire, T. E. Levy.

For County Commissioner, Precinct 4: Walter S. Menefee, Glenn R. Dunn, O. M. Jennings.

For Justice of Peace, Precinct 1: Jess Newton.

For Constable, Friona precinct: T. N. Jasper.

The Executive Committee, which was in session here Monday is composed of G. D. Anderson, chairman; C. E. Crume, E. B. Whitefield, O. B. Roberson, H. T. Reynolds, F. N. Welch, Roy White and J. P. Miller.

Hail Claims Many Fields In County

A wide swath of hail and wind claimed many hundreds of acres of growing crops in this county late Sunday evening, according to reports reaching here.

Many fields which were just approaching the ripening stages, were laid low by the destructive hail and windstorm. The heaviest damage seems to have centered in the Friona-Black section, where a large percentage of the county's wheat fields lay. Reports received here claim that some fields were a total loss.

Elevator men at Friona estimate that at least 50% of the wheat in that trade area has been lost by the hail damage.

No Hail Here

No hail fell in the immediate Texico-Farwell area, so far as could be learned. But to the east, beginning at the Oklahoma Lane community, damage is reported to have ranged from 10 to 40 percent to the wheat. Cotton, in most cases, was completely wiped out, farmers say.

No hail fell at Bovina and to the immediate north of that city, but the damage began in the Sides and Sudderth sections south of that town and grew with intensity as it moved southward.

Farmers in the Lazbuddy section report severe losses, with wheat damage running as high as an estimated 40% and many fields of cotton completely wiped out. East of Lazbuddy, the hail was heavier, it is reported here.

MAY ENTER DEFENSE

Stanley Hillhouse, janitor at the county court house, and Lenton Pool member of the Farwell school faculty, have made applications to enter defense work. According to present plans, they will be schooled for 30 days before actually taking up their duties in some yet unassigned defense plant.

Sweet Revenge For Draftee

Pvt. H. H. Potter, former local linesman for the Texas-New Mexico Utilities company, knows what the term "sweet revenge" really means.

Potter was one of the first draftees to be sent to the army from Bailey county. This week, while home on a furlough, he had the "extreme pleasure of taking the chairman of my draft board to Lubbock," where he enlisted as a buck private.

Pvt. Potter believes this is an experience that many draftees would enjoy to the Nth degree.

Levy Asks Vote For County Commissioner

Entering the campaign at the last minute, T. E. Levy filed with the County Democratic Executive Committee Saturday afternoon for a place on the ballot for the office of county commissioner of precinct No. 3.

This week, Levy is making public his announcement, subject to the will of the voters in the forthcoming democratic primary election.

In entering the campaign, Mr. Levy said that he was doing so in response to the solicitations he had received. "I have no malice toward anyone, and if elected I pledge myself to work to the best of my ability at the job," he said.

Mr. Levy has had previous experience as county commissioner, where he gained much valuable knowledge that will be helpful to him in qualifying for the position he again seeks.

Fire Chief Leaves Soon For Defense Job

Fire Chief Ira Selman of the Texico Fire Department, who has been responsible for the development of the local department from a hand-drawn chemical cart to one of the best equipped departments in New Mexico, expects to leave "any day now" for Fort Wingate, N. M., where he will be assigned to fire guard duty.

Selman said today that he would be assistant under Chief R. V. Miller, former chief of the Clovis department. He is expecting to be called to report for duty within the next few days.

The local chief, along with Assistant Chief A. C. Green, and Fireman Pete Haynes and Frank Jones returned home the first of the week from Las Vegas where they attended the annual meeting of the New Mexico firemen.

Selman said that the program at the Las Vegas meeting centered around civilian defense, in which the importance of organization of auxiliary firemen was stressed.

Fort Wingate is one of the large ammunition bases in the southwest and Selman said he would be assigned to fire patrol on the job.

ATTEND FUNERAL

Mr. and Mrs. J. L. Nally and Mr. and Mrs. Felix Monroe were in Amarillo, the past Saturday, where they attended the funeral of J. M. Brewer, brother-in-law of Mrs. Nally.

ROSE PASSES EXAMS

Claude H. Rose, owner and manager of the Fox Drug store here, returned home Monday night from El Paso, Tex., where he passed the examination for enlistment in the Officer's Training Corps. No definite date has been set for his departure to begin training.

NEW AWNING AT ROBERTS

A new awning has been added to the front of the building occupied by the Roberts Food Store in Texico.

"We'll have poison on hand this weekend for farmers of this county who desire to take this means of protecting their crops from the grasshopper infestation," County Agent Garlon A. Harper stated definitely today, as soon as he arrived to take over the local agent's office.

Speaking from experience of the past two months, Harper told how the grasshopper plague had cleaned out crops in Hale county, where he has been located, and added that if Parmer farmers expect to protect themselves from such devastation, "now is the time to get after the 'hoppers'."

Poison bran will be secured from the distribution point in Lamb county, Harper said, and cottonseed hulls will be received from the mill at Littlefield to be used in mixing the mash until the customary sawdust can be shipped into this county.

Cost to the farmers will be approximately the same as last year—20c per hundred pounds—and Harper pointed out that since mash need be spread no thicker than 15 pounds to the acre, the cost is not excessive.

With reports coming in from all over the county of grasshopper threat to growing crops, farmers are urged to get their poison at once.

Harper Returns Here As Parmer Co. Agent

Garlon A. Harper, who left this county only a year ago to go to Plainview as assistant county agent returned here this week to take over the office of Parmer county agent, which has been vacant since Lee McElroy left for Army induction.

Well known and well liked in Parmer county, Harper began work with the agricultural program here, and served for three years as administrative officer of the county ACA before going to Plainview, where he made a commendable record as assistant agent.

Mrs. Harper and daughter, Sue, accompanied Mr. Harper here and the family will take up residence in Farwell.

AAA Offices Located In Downtown Quarters

Delayed for a week while workmen were getting the building in readiness, the Parmer county AAA offices are now located downtown, just east of the Fox Drug on Main street.

In the new location, all departments of the AAA offices are consolidated in one room, making the details of the work less cumbersome than was the case at scattered court house offices.

A private committee room has been fitted out for meetings at the rear of the new offices.

The War Rationing Board, which formerly occupied quarters on the third floor of the court house, has been moved to the second floor rooms vacated by the AAA offices.

FIRST NEGRO CALL

Parmer County has received its first call for Negroes under the Selective Service Act, it was announced today. On July 1st one Negro will be sent to the induction center at Lubbock. Mrs. Bessie Lee Henne-man, clerk of the local board, stated that this call would probably be filled by Otha Dennis Garrett, a volunteer.

Reports reaching the Department of Commerce show that sales of gasoline are being restricted in many world countries.

With the first load of 1942 wheat received at Lariat Monday afternoon, Parmer county's new wheat crop began to make its way to the elevators this week.

Fred Kepley of the Oklahoma Lane community began combining his wheat, Monday, and it is believed to have been the first load of new wheat to arrive at the elevators in this county. It was bought by the Lariat Elevator, of which Boone Allison is the local manager.

The first load from the Kepley field tested 58 and was graded No. 2.

Harry Donahay of the Pleasant Hill neighborhood marketed the first load of 1942 wheat in Texico, Tuesday afternoon.

The load was sold to J. P. Macon, local dealer, who allowed a premium of 10 cents per bushel above the market for the first load.

Macon said that the grain tested 60 pounds and was graded No. 1 quality. The yield is running around 15 bushels to the acre on summer fallowed land.

It was yielding 22 bushels to the acre. Harvesting operations are expected to enlarge during the remaining days of this week, with the peak expected to be reached by the 22nd of this month.

Admittedly, a large part of the best grain of the county was lost in a destructive hail storm last Sunday evening.

Storage Shortage Seen

Local grain men admitted today that the storage problem was quite serious and the belief was expressed that a large part of Parmer county's crop would either have to be held on the farms on sold on the open market. Some grain dealers opined that "a little storage" might be found at the grain terminals, but admitted that the prospects for obtaining any large amount of storage were doubtful.

Good Yield Expected

While most grain men and farmers contacted this week appeared to be inclined to the conservative side, they generally agreed that, barring further losses from hail and other weather conditions, many fields in the county would produce as high as 30 bushels or even better to the acre. Some optimistic opinions place the better fields at as high as 40 bushels.

Wheat from the early harvesting operations early this week was being graded as No. 2. Grain dealers believe that practically all of the harvested grain in this county will come up to the normal No. 1 grade as soon as the fields are thoroughly ripened.

Dr. Crofts to Address Local Men's Meeting

Dr. Alfred Crofts of the Eastern New Mexico College at Portales, will be the main speaker at the regular meeting of the men's club, to be held Thursday evening in the basement of the Methodist church.

Dr. Crofts, born and reared in China of missionary parentage and educated in America, is one of the most interesting speakers in this section. He will bring a message that will be of particular interest to his hearers.

A light lunch will be served during the evening gathering.

CALLED TO OKLAHOMA

Stanley Hillhouse left here Tuesday afternoon for Poteau, Okla., in response to a message announcing the serious illness of his mother, Mrs. Laura Jensen.

Registration Details Are Arranged

Officials at the Selective Service office said today that plans had been almost completed for the fifth registration in this county, which will be held on a nation-wide basis on June 30.

All chief registrars, who were named last week by the local board, have reported their willingness to serve. Likewise, they have reported readiness to proceed with the task.

Rev. Joe Wilson states that the registration will be conducted at the Legion Hall in Friona. Aubrey Brock will open a registration booth at the offices of the Cicero Smith Lumber company, and T. J. Carter will con-

duct the Farwell booth in the county court room. Glenn Dunn, who will be in charge of the Lazbuddy registration, said today that as yet the place for conducting that registration was uncertain, but it would likely be held in the Baptist church.

The 18-19 year old lads will be called upon to register on that date, and all booths will be open from 7 a. m. till 9 p. m. Candidates may register at the office of the local board in Farwell any time after the supplies have been received here. Board members have announced. The necessary supplies are expected to be on hand by Saturday, June 27. It was said.

The State Line Tribune

Entered as a second class mail matter at Farwell, Texas, under the Act of March 3, 1879.

OUR PLEDGE

We pledge allegiance to the Flag of the United States, and to the Republic for which it stands; One Nation, indivisible, with Liberty and Justice for all.

Bovina Happenings

Mrs. Norman Wilson and Mrs. Buren Vassey spent the weekend with Mr. and Mrs. John Byler in Amarillo.

Mrs. Tom Horton visited in Friona, Wednesday.

Jack Carr, of Amarillo, was friends in Bovina, Sunday.

Mrs. James Watkins transacted business in Hereford, Wednesday.

Miss Eula Hopingarnier, who is attending nurses school in Lubbock, spent the past two weeks with her parents.

Mr. and Mrs. Aubrey Epperson of Summerfield spent the weekend visiting the O. L. Venables.

Mrs. Pete Vestal and Mrs. D. H. Wilkerson made a business trip to Farwell, Tuesday.

J. T. Hammonds, manager of Cranfill's Store for the past two years has resigned and will go into defense work.

Laurence Starr, who has been employed at Consumers grocery, left Monday for Amarillo where he will engage in defense work.

Mr. Belew has resigned as manager of Consumers grocery, and will leave today (Wednesday). Aubrey Rhodes succeeds him.

Congratulations to Mr. and Mrs. Herbert Potts on the birth of a girl at Memorial Hospital, Clovis.

Mrs. J. D. Wilkerson and Mrs. Joe Langer spent Sunday in Hereford.

The Rhea community reports serious damage from hail Sunday evening. About one-half inch rain fell at Bovina with a light hail and only slight damage was done.

PLEASANT HILL

Mr. and Mrs. Buchanan and children returned Thursday from Oklahoma and her two brothers returned with them, to help in the harvest here.

Mrs. Pearl Singleterry entertained visitors from Hereford, Sunday.

Mrs. John Hightower was quite ill last Wednesday night and Thursday.

Little Ronald Lynn Pierce is recovering from a severe case of poisoning, caused by falling on some nails while playing.

Mr. and Mrs. Alton Badgett and children have moved to Pampa. He has secured work in Dumas.

Those farmers who have already spread grasshopper poison are Buck Ellison, Glenn Singleterry and there are several others planning to do so as soon as poison is available. The pests have caused much damage to yards and gardens, already.

Mr. Buchanan is moving this week from the Hyde farm to the house

Curry County Political Announcements

In asking for your support for the office of Sheriff of Curry County, I want to say that I have been a resident of the county since 1907, I am qualified for the position, and will appreciate your support. H. W. (POP) JENNINGS.

When you support R. N. (BOB) WHITLEY for the office of Sheriff of Curry county, you are voting for a man who has been a local resident for 36 years. He is a veteran of World War I, served on President Wilson's bodyguard at Paris Peace Conference. He is entitled to government compensation, but has never drawn any money of this kind.

R. C. (BOB) VINYARD solicits your vote and influence for the office of Sheriff of Curry County. He has been a resident of the county for 36 years. He was a graduate of the Texico High School in 1909. If elected, he will give his best efforts to making an efficient officer.

vacated by the Badgetts to take up the janitor work for the school.

The ladies club will meet Thursday with Mrs. Elmer Langford.

LAZBUDDY NEWS

Hershel Johnson of Friona, visited with Volley Hodges over the weekend.

Maudine and Alta Jean Smith are visiting their sister and brother, Mrs. Glen Scott and Jack Smith.

The Price Prather family had visitors from Memphis Sunday.

Mr. R. L. Bledsoe visited in the Otto Treider home, Saturday.

Mrs. A. F. Agee is leaving for Altus, Okla., to visit her mother for a few weeks.

Sharon Hickman of Oklahoma City, who has been visiting with her grandparents, Rev. and Mrs. A. F. Agee, plans to return home this week.

Rev. and Mrs. S. L. Tidwell visited in the Claud Heath home over the weekend.

Dora Lou Hayhurst and Sarah Barnes of Plainview visited their parents over the weekend.

Mrs. Albert Carroll will honor Mrs. J. E. White of Roswell with a shower on Tuesday, June 23. The honoree is the former Miss Estelle White, daughter of Mr. and Mrs. Roy White of Lazbuddy.

Mr. and Mrs. Roy White visited Mr. and Mrs. Delbert Hunall Sunday.

Only 150 Federal Land Bank borrowers out of 68,000 lost their farms during the first 11 months of 1941.

How to include the ONE HOT DISH every summer meal should have

by Dorothy Greig

GRANNIE had what granddad called "notions about food." One of them was that every meal should include some hot food—especially in summer time. "It's just good sense," she'd say. "Hot food keeps you feeling better."

Swedish Meat Balls with Tomato Sauce is an appetizing, light, hot dish for a summer meal

Well, that's one notion of Grannie's that's heartily endorsed by today's nutrition experts. For hot food definitely aids the flow of gastric juices and helps keep digestions contented.

Soup is one of the easiest of all ways to get hot food into a meal. It takes but a minute or two to prepare and it certainly perks up languid appetites. Just open a can of your favorite soup, add an equal quantity of water, heat—and there you are.

Or you might combine two soups in this manner:

- Southern Tomato Soup
 - 1 can condensed tomato soup
 - 1 can condensed chicken gumbo soup
 - 1 can fresh milk, using soup can for measure
 - 1 can water, using soup can for measure
- Mix the chicken gumbo soup into the tomato soup. Then add the milk and heat. Then add the meat balls.

Perhaps, though, you wish to start the meal with a long cool glass of chilled tomato juice. All right—then serve your hot dish right after that. It might be something on the order of this:

- Swedish Meat Balls with Tomato Sauce
 - 1 pound veal, ground
 - 1 pound pork, ground
 - 1/2 teaspoon salt
 - 1/2 teaspoon sage
 - 1/2 teaspoon pepper
 - 1 onion, grated
 - 1/2 cup bread crumbs
 - 1 egg
 - 1/2 cup milk
- Mix all ingredients together. Roll into meat balls (1 1/2-2) and brown in fat. Add hot Tomato Sauce, cover and cook for one hour. Serve meat balls with sauce poured over them. Serves 6.
- Tomato Sauce
 - 1 can condensed tomato soup
 - 1 cup water
- Add the water to the condensed tomato soup and heat to boiling. Pour over the browned meat balls.

LEGAL NOTICES

CITATION BY PUBLICATION

THE STATE OF TEXAS

To: Pedro Vigil, the unknown heirs at law, and the legal representatives of the said Pedro Vigil, and each and all other proper persons, including all record lien holders, all unknown owners, and the heirs, administrators, and legal representatives of all such unknown owners, owning and claiming any interest in the property hereinafter described:

YOU ARE HEREBY NOTIFIED AND COMMANDED to appear at the next regular term of the 69th District Court of Parmer County, Texas, to be held at the Court House thereof in the city of Farwell on the second Monday in July, A. D., 1942, the same being the 13th day of July, A. D., 1942, then and there to answer a petition in a delinquent tax suit filed by the Bovina Independent School District suing in its own behalf, and also in behalf of the State of Texas and Parmer County, Texas, and all political subdivisions of said county whose taxes are assessed and collected by the Assessor and Collector of Taxes of said County, in said court on the 16th day of June, A. D., 1942, in a suit numbered 1132 on the docket of said court, wherein the said Bovina Independent School District is plaintiff and Pedro Vigil, the unknown heirs and legal representatives of the said Pedro Vigil, and the State of Texas and Parmer County are defendants. Said suit is a suit to collect taxes, interest, penalties and costs on the following described real estate located, at the time said taxes were assessed, within the boundaries of said county and each political subdivision in whose behalf this suit is brought and described as follows, to-wit:

Lots 16, 17, 18, 19, and 20, in Block No. 12 in the Original Town of Bovina, Parmer County, Texas

said taxes in said petition, are alleged to be delinquent, justly due, owing and unpaid for the respective years and in the respective amounts as follows, to-wit:

Years	To Whom Assessed	Am't. Delq. (If unknown, so state)
1931	Pedro Vigil	1.76
1932	Pedro Vigil	1.72
1933	Pedro Vigil	2.42
1934	Pedro Vigil	2.40
1935	Pedro Vigil	1.54
1936	Pedro Vigil	1.42
1937	Pedro Vigil	1.36
1938	Pedro Vigil	1.30
1939	Pedro Vigil	1.24
1940	Pedro Vigil	1.18
1941	Pedro Vigil	1.12

together with interest, penalties, costs, charges, and expenses of suit, which have accrued and which may legally accrue thereon, and in said suit. Total amount of taxes due school district, \$17.53.

Each party to this suit and all parties summoned by this writ to appear and answer in this cause, shall

take notice of, and plead and answer to, all claims and pleadings then and there and now on file and that may be hereafter and thereafter filed in said cause, by all other parties therein, who have and may file pleadings in said cause.

Plaintiff and/or interveners also seek the establishment and foreclosure of the lien securing payment of such taxes as provided by law.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Witness my hand and official seal at my office in Farwell, Texas this 16th day of June, A. D., 1942.

D. K. ROBERTS
Clerk, District Court
Parmer County, Texas.

Phillips Co. Celebrates Twenty-Fifth Birthday

The Phillips Petroleum Company celebrated its twenty-fifth birthday by sending gifts packages to 750 employees now in military service. These men are stationed throughout the world and the addresses of many of them are a military secret, but arrangements were made whereby boxes were delivered to most of them by June 13, the anniversary date of the company's founding.

Each gift package contains cigarettes, candies, shaving cream and blades, a current best-selling novel, unbreakable military mirror and 16 other items.

Also in observance of its 25th birthday, Phillips honored 24 employees, still in active service, who have 25 years of recognized service with the company. Eleven of these employees have been with the company since its organization in 1917; the others have part of their service records in companies merged or purchased by Phillips.

At a special presentation ceremony held at Woolaroc Lodge June 13, the employees were given watches suitably engraved in recognition of their service. Frank and L. E. Phillips, founders of the company, were on hand to receive their service rewards and talk over old times with the other 25-year employees.

A Kick For Adolf

Passed by Censor

A CANADIAN shoe factory is now turning out a product with a much more violent kick in it—guns. Vickers machine guns and two-pounder anti-aircraft pom-poms are being assembled here in the same plant where the gun mountings are manufactured. Browning, Vickers and Sten machine guns are coming off Canadian production lines in increasing volume as part of the mammoth war production program totalling more than \$3,447,000,000 since July, 1939. The Canadian government has provided about \$660,000,000 worth of capital assistance for the construction of new plants, extension of old and the installation of machines and equipment. Production of guns, mountings and barrels includes 22 different types ranging from field guns to safety fuse pistols. Output of Bren guns, for instance, is nearing 4,500 monthly. More than 100 types of ammunition, mines, bombs and pyrotechnics, 12 types of chemicals and eight types of explosives are included in the program, and other weapons will be in production soon. Canada's armament industry is in high gear.

America Depends on You

to store your coal
Now!

We are being repeatedly advised that it is most imperative that coal to be used next winter should be laid in NOW!

The Government, the railroads and the coal dealers tell us that it will be extremely difficult to make deliveries of coal after August of this year.

No shortage of coal is in prospect, but labor and transportation facilities are so engrossed in the war effort that coal deliveries for domestic use during the winter months will be extremely doubtful.

Booking your coal now will assist us materially in anticipating the needs of our customers for next winter. Better take this suggestion

PUBLIC TO WITNESS SCHOOL DEDICATION AT LUBBOCK SUNDAY

LUBBOCK — The behind-the-scenes life of both aviation cadets and enlisted men will be one feature of the special dedication services at the large Lubbock Army Flying School which the public may see on Sunday, June 21.

Besides the barracks themselves, mess halls, link trainer building, day rooms, hangar, and the sub-depot shop and hangar will all be open to the visitors as part of the formal dedication of the advanced twin-engine school.

Opening the gates to the general public at one o'clock, Colonel Thomas L. Gilbert has announced that Major-General H. R. Harmon, commanding officer of the Gulf Coast Training Area, will be the principal speaker in the dedicatory services scheduled for two o'clock. Col. Gilbert will also speak.

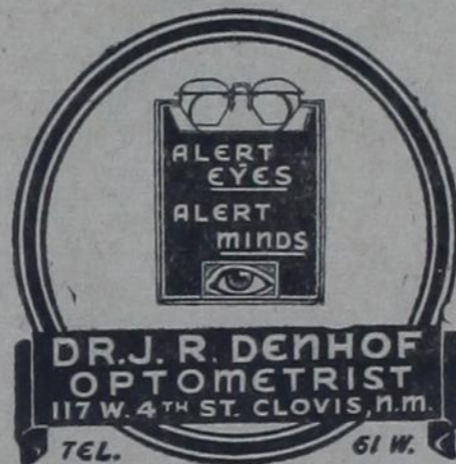

The Lubbock Army Post Band will play a varied program under the leadership of Warrant Officer George F. Attridge from one to two o'clock.

Until late in the afternoon the visiting public will be admitted to various parts of the Lubbock Field on a general inspection tour. The many aspects of camp life of both aviation cadets and enlisted men may be visited on this occasion.

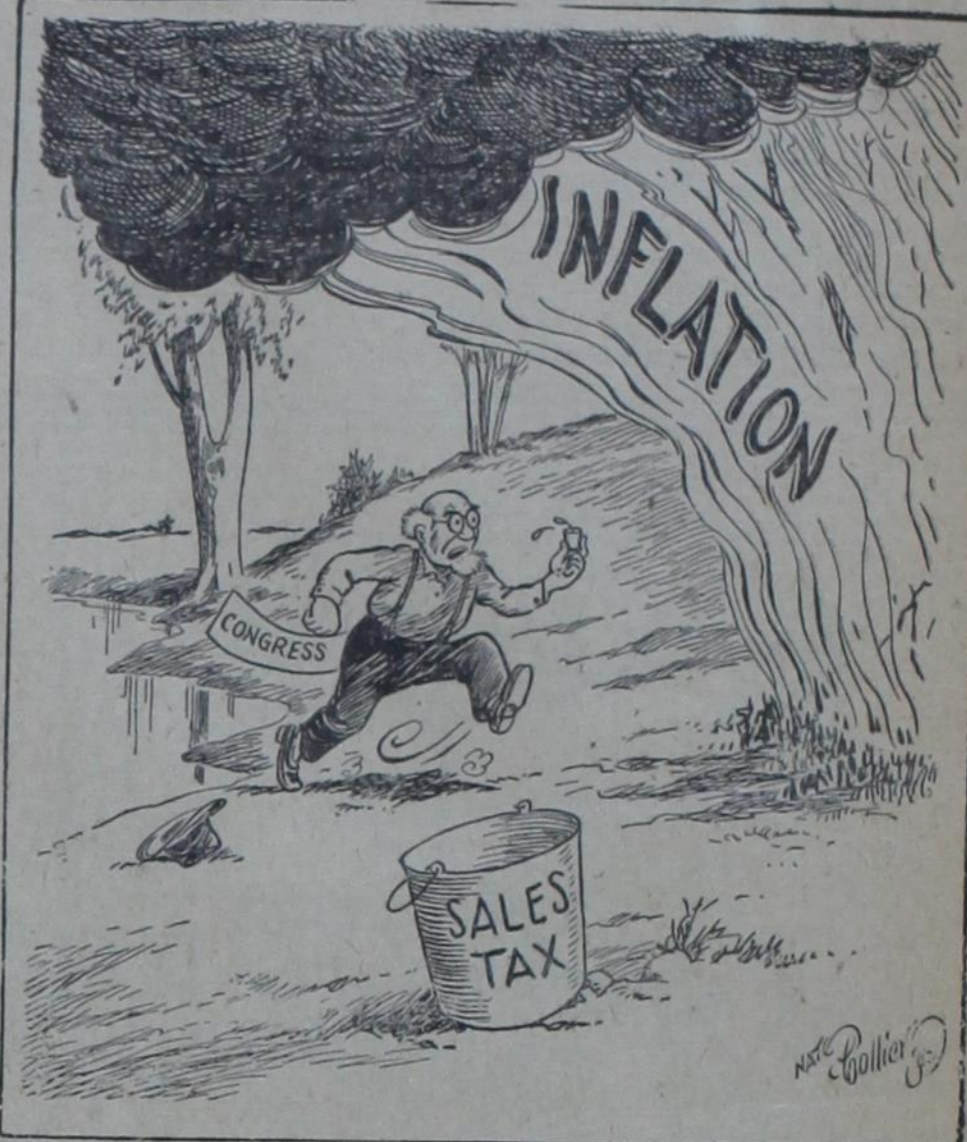

During the progress of the program on the ground, the aviation cadets will carry out routine flying activities, including take-offs, formations, and landings.

All friends of the Lubbock Army Flying School are cordially invited to be present at these dedication services. Since the general public cannot ordinarily be admitted to camp areas, the program on June 21 offers an excellent opportunity for a close-up view of a typical flying school.

Promptness and a better class of work is our motto. Dial 2131.

Local Co-Op Will Make Wheat Loans

The Farmers Cooperative Elevators have been designated as a lending agency of the Commodity Credit Corporation, according to Albert Meyers, manager of the Bovina Wheat Growers, Inc., who said that arrangements both with the CCC at Kansas City, Mo., and the Houston Bank for Cooperatives enable the local cooperative elevator to handle government loan wheat stored on the farm or in the elevator.

N. P. Nelson, manager of the Producers Grain Cooperative in Amarillo, has explained that the shortage in elevator space will make it necessary for a large percentage of wheat to be stored on the farm this season. However, he indicated that the local cooperative elevator would be able to handle a considerable portion of the 1942 wheat crop, and will render every assistance possible to producers in meeting their storage, handling and loan problems.

In addition to that stored in the elevator, the organization can also make loans on all approved farm stored wheat.

F. W. Ayers, president of the Board of Directors, said that the Board was glad to announce that this added marketing service for wheat growers is available. The Cooperative will be able to give good service on loans as all loan papers will be kept available for handling with a minimum of delay.

Health Notes

By Texas Department of Health

AUSTIN—Are you a citizen of the United States? Can you prove it? The easiest and sometimes the only way you can definitely prove native-born citizenship is by a birth certificate showing that your birth is on record at the State Department of

Health.

Dr. Geo. W. Cox, State Health Officer, this week re-emphasized the importance of every American citizen being in possession of his birth certificate and outlined the simple procedure for obtaining this vital record. "Requests for certified copies should be made direct to the State Health Department, Bureau of Vital Statistics," Dr. Cox stated. "There is no charge except the fifty cents necessary to pay for making a search of the records and a photostatic copy if the record is on file."

Birth certificates are doubly important in the national emergency, serving as proof of citizenship which is necessary for entrance to our armed forces or for employment in any national defense industry. A record of birth is also useful in establishing the time and place of birth as well as parentage and can be of great assistance in the settlement of estates and other legal matters. "American people are beginning to realize the importance of birth records since our entry into the war," Dr. Cox declared. "In the month of

March alone, the Bureau of Vital Statistics received 19,810 requests for copies of birth records; and in April and May, the requests have continued to increase steadily."

SLIP-COVER SEASON

COLLEGE STATION—Season for slip-covers has arrived, and many homemakers are inquiring about them to protect their furniture during the warm weather, says Mrs. Bernice Claytor, specialist in home improvement for the A. & M. College Extension Service. "It's a good idea, the specialist says, and right in line with the victory demonstrator's pledge to take 'good care of everything I use', as one way to help win the war."

Silk may go...

BUT
This
MUST SURVIVE!

Nipponese export product.

We can do without Japan's silk with no serious consequences. We can carry on normally much more easily without Japan's silk than Japan can carry on without our market for her silk. Already, we have a worthy American substitute for this major

It is our task now to defeat Japan, to prevent her from overpowering us and taking our democracy away from us, along with all the other fine things that we have to enjoy here in America. To wrest from us the things that have made America great—free speech, free thought, free opportunity, free religious worship—is the aim of Japan and her power-mad partners.

They seek to destroy our way of life, our homes, our churches, our schools . . . to place a yoke around our necks . . . to enslave us. **WE MUST NOT PERMIT AN AXIS VICTORY!** Our way of life must survive!

Whipping Japan and her partners is a job for all of us. The duty of every American citizen is well defined, clear-cut. Our armed forces are fighting with traditional courage and determination. They are making sacrifices to void our enemies' designs.

Any sacrifice that we make, as civilians, is trivial compared to what our hard-fighting men are doing. They are risking—and even giving—their lives that we may remain a free people . . . that our American way of life may survive.

We owe it to these brave, self-sacrificing men up in front on the battle lines to keep them armed, fed and clothed abundantly. We must work hard to fulfill our

obligation to them. We must use every ounce of our energy to contribute our share to Uncle Sam's goal of adequate production of food, clothing, arms and ammunition. We must buy War Bonds and Stamps, all that we possibly can, as soon as we possibly can. Our American way of life must survive

Uncle Sam desires that all wholesale and retail merchants, the service institutions and the professional men of our nation carry on as normally as possible, considering that we are at war. The people who man and manage the firms and institutions that serve you are doing all they can to serve you the best they can. If war has forced certain restrictions or made limitations of certain services mandatory, accept the change with gracious understanding, remembering that it is both their wish and their duty to adopt those business practices designed to lend greatest help in the battle to insure victory and the survival of our American way of life.

"Slip covers," she explains, "not only protect good upholstery material from summer dust and wear, but they also will dress up a shabby chair or couch and add a touch of gaiety to a room at small cost. Slip-covers are useful as year-round covers for pieces of furniture which get hard wear, because they can be made of less expensive materials than would be used for upholstery. They can be taken off and laundered whenever necessary and in that way always kept fresh. Sometimes old chairs which need it can be re-upholstered in heavy duck or ticking available in the home, and then covered with a slip-cover which will harmonize with the furnishings."

Slip-cover patterns for some types of chairs and sofas can be bought at department stores, and usually it is easier to "make your own" rather than alter a commercial pattern to fit a piece," Mrs. Claytor says. She suggests that homemakers consult their county home demonstration agents or obtain a copy of the Farmers' Bulletin No. 1673, "Slip Covers For Furniture". Single copies of the bulletin are available from the A. & M. College Extension Service, College Station.

LESTER BOONE

Pledging himself to "an all-out war effort," Lester Boone, Fort Worth Representative, has formally announced his candidacy for the Texas Railroad Commission, and called attention to the fact that it was one of Texas' most vital factors in the war effort. He further pledged in his announcement to attend all commission meetings. Boone, who is now serving in the Texas Legislature from Fort Worth, sponsored the Omnibus Tax Bill which made possible the payment of old age pensions, teachers retirement pay, aid to the blind, and aid to crippled and dependent children. As a member of the House Military Affairs Committee, he aided in the passage of the Texas Defense Guard Bill, which became a law, thereby giving Texas greater security in the present crisis. "I pledge an administration of harmony and will cooperate with other members of the commission," Boone said in his announcement. "I pledge myself to an all-out war effort in this vital department of State Government and will attend all commission meetings."

(Listed below) of this message, carrying out the wishes of Uncle Sam, pledge their patrons the most efficient and the most complete service possible, considering that our nation is at war:

Lazbuddy Baptists Have Church Homecoming

The Lazbuddy Baptist Church held a homecoming event Sunday, with visitors gathering for dinner and a program in the afternoon.

Beginning with a song service led by Mrs. A. F. Agee, the group then held a devotional, with Sunday school superintendent, Claude Heats, in charge, after which class assemblies were held.

The general Sunday school discussion was conducted by Rev. R. C. Malone, followed by a duet by Mrs. Agee and Mrs. Jewel Treider, and the welcome and introduction of visitors by the pastor, Rev. Agee.

Mrs. Harvey Hudnall reviewed the history of the church, the choir sang and O. A. Nowell led in prayer. Rev. S. L. Tidwell gave the morning sermon, followed by a prayer by Truman Lloyd.

The afternoon service included a song service, memorial service by girls led by Mrs. Glenn Dunn; introduction of visitors; song, "America"; sermon, Rev. G. I. Brittain; piano solo Mrs. R. E. Everette, appreciation talks by visitors and a prayer by Rev. Brittain.

All former pastors and members of the church were invited. Former pastors present included Rev. and Mrs. R. C. Malone and daughter of Plainview the first pastor of the church; Rev. G. I. Brittain, Plainview, Iouanor and pastor; and Rev. and Mrs. S. L. Tidwell of Oil Center N. M.

Other out-of-community visitors were Mr. and Mrs. O. A. Newell, Baileyboro, Tex. and niece; Mr. and Mrs. Virgil Nowell of Baileyboro; Walter Noble and son of Friona; Mr. and Mrs. G. S. Lloyd Rev. and Mrs. Joe Wilson and daughter, Mr. and Mrs. S. H. Halle, Mr. and Mrs. Joe S. Menefee and sons Mr. and Mrs. Forrest Green and son all of Friona; Mauaine and Alta Jean Smith of Oklahoma; Dora Lou Hayhurst and Sarah Barnes of Plainview; Mrs. R. L. Bledsoe of Petersburg; Mrs. Ral in Sirenicns. Mr. and Mrs. C. C. Graf and children, Mrs. Fred Bruegel and sons all of Flag; Sharon Hickman of Oklahoma City Mrs. Olen Ivy and children of Flags, Mr. and Mrs. Paul Roberts, Mr. and Mrs. Truman Lloyd and Melba all of Texico and Hershel Johnson of Friona.

There were around 175 registered.

Vacation School Ends With Night Program

With an exhibit of handicraft and a general program, the Vacation Bible School of the Baptist church concluded its summer session last Friday night.

Rev. W. C. Wright, pastor and general superintendent of the school, stated that the results and attendance of the school were exceptionally good. Enrollment reached 90, and an average daily attendance of over 70 children was noted, he said.

Various phases of study were taken up at the school, and both teachers and students express themselves as well pleased with the project.

Guild Disbands For Summer Months

Announcement was made today that the Wesleyan Guild of the Methodist Church has been disbanded for the summer, due to excess activities, and work will be resumed in the fall.

It was further stated by officials that the play, "The Old Maids' Convention", which had been scheduled for June 26th, will be postponed until a later date.

Home From Santa Fe

Mrs. Florence Wallace returned the past weekend from Santa Fe, where she had taken the examination for the volunteer Woman's Army Corps. She stated that around fifty appeared for the examinations, but none of the applicants were accepted.

Bridge Social Held In Rogers Home

The meeting of the Tuesday Bridge Club was held last week in the home of Mrs. Jimmie Rogers, at which time Mrs. Anne I. Overstreet and Mrs. B. S. Triplet were guests.

Games of contract were enjoyed, the honor prize going to Mrs. Triplet. Members present were Mrs. Noma Lokey, Mrs. Claude Rose, Mrs. Essie Dow, Miss Jennie Lee London, Mrs. Bess Mansfield, Mrs. M. C. Robert and the hostess, Mrs. Rogers.

A frozen dessert was served with cake, at the conclusion of the evening.

Parents of Service Men Will be Honored, 21st

Rev. E. J. Speegle, pastor of the Bovina Baptist church, this week announced that special services honoring fathers and mothers of boys in the service will be held at the Bovina church on Sunday morning.

The parents of the boys who are now on the far-flung fighting front will be assigned special seating arrangements at the morning worship hour, and the message by the pastor will deal principally with the sacrifices of the "folks at home".

A basket lunch will be spread at the noon hour, and a cordial invitation is extended to all who will attend at 11 o'clock. Rev. Speegle said.

Witherspoon-St. Clair Nuptials In Clovis

In a ceremony performed by Rev. V. B. Brazzale of the Central Baptist Church of Clovis, the past Wednesday afternoon, Miss Ruby Mae Witherspoon and Dave St. Clair, both of Clovis, were married.

St. Clair, Clovis teacher, is well known in this city, being a brother of Miss Margaret St. Clair, former demonstration agent. He is the son of Mr. and Mrs. W. D. St. Clair of College Station, Texas.

Mrs. St. Clair is also a Clovis teacher, and is the daughter of Mr. and Mrs. Ernest Witherspoon of Clovis. For the nuptials, the bride wore a white two-piece street length dress with a shoulder corsage of Merry Heart roses.

The couple departed for a trip of several weeks in the northwestern states, after which they will return to Clovis. Mrs. St. Clair will make her home in that city, while Mr. St. Clair expects to join the men in service.

Bible Study Series At Baptist Church

Rev. W. C. Wright, pastor of the local Baptist church, announces that a special Bible study series on the book of Romans will begin tonight (Wednesday) and continue each Wednesday evening until the finish of the book.

This study, he said, will be conducted in connection with the regular prayer service. Rev. Wright added, "This is not planned as a series of lectures but as a group study and discussion. Romans sets out fundamentals of the Christian faith, and to have a working knowledge of this book enables one to be an intelligent Christian".

All are invited to bring their Bibles and attend each Wednesday evening at 9 p. m., he concluded.

Gone To Mountains

Mr. and Mrs. J. T. Carter and children are spending this week vacationing in Holy Ghost Canyon, in the mountainous section of New Mexico between Las Vegas and Santa Fe.

On Vacation Trip

Mr. and Mrs. Virgil Elms left Saturday for Chama, New Mexico, where they will spend this week enjoying a vacation trip and a visit with relatives of Mrs. Elms.

Girls Auxiliary Formed For Baptist Group

In a meeting held recently, a Girls Auxiliary was organized for the Baptist younger group, with Retha Howard being named as president, Lucille Knowles as vice president; Jewel Cassidy, secretary; and Maxine Ford, treasurer.

Following the naming of officers, committee chairmen were appointed as follows: program, Opal Williams; personal service, Nettie Jean Paul and Juanita Hall; social, Lucille Knowles; membership, Dorothy Cassey; music, Maxine Ford; stewardship, Peggy Schleuter; poster, Dixie Paul; library, Jewell Cassidy.

A regular meeting was held a week ago in the home of Mrs. John Lockhart, with the program including the devotional by Retha Howard; "Robbers Who Became Good News," Jewell Cassidy; "A China Boy Who Made a Good Report," Lucille Knowles; "The Good Report of the Margaret Fund," Opal Williams.

Attending were: Lucille Knowles, Retha Howard, Maxine Ford, Jewell and Dorothy Cassidy, Juanita Hall, Opal Williams, Dixie Paul, Joyce Shepherd, Peggy Schleuter and Nettie Jean Paul, members; VaNeil Craine, Wanda Heard and Mary Bobst, visitors.

The auxiliary will meet each Thursday afternoon at 2:30. Mrs. John Lockhart is sponsor of the group.

Mrs. Wm. Kube Hostess To Lutheran Ladies

The Ladies Aid of St. John's Lutheran Church met at the home of Mrs. Wm. Kube, last Wednesday afternoon.

During the business meeting the making of a quilt block was discussed, and it was decided that every member of the Ladies Aid make a block for the quilt.

Those present at the meeting were Mrs. R. Weiser, Mrs. E. Kube, M. G. P. Meissner, Mrs. J. Kaltwasser, Lillymae Kaltwasser, Mrs. M. Kreigel, Mrs. A. Kreigel, Velma Kube and the pastor, R. Weiser.

The next meeting will be with Mrs. Alvin Kreigel.

Weiner Roast Held Sunday In Clovis

The young folks of St. John's Lutheran Church, of Lariat, met Sunday afternoon at Hillcrest Park in Clovis for a weiner roast.

Those enjoying the occasion were: Rev. and Mrs. R. Weiser, Mr. and Mrs. E. Kube, Albert Kreigel, Mr. and Mrs. Albert Grothe, Lillymae Kaltwasser, Bernice Schwede, Dorothy Kreigel, Velma Kube, Fred Ramm, Rudolph Kube, Gilbert Kaltwasser, Walter Kaltwasser, Ervin Schwede, Paul Evans and Raymond Evans.

Lutheran Ladies Meet

The Ladies Aid of the Lutheran Church at Rhea held a regular meeting last Tuesday afternoon in the home of Mrs. Clara Sachs, with sixteen in attendance, including visitors from Farwell and Clovis.

Following the afternoon's program, an enjoyable social hour was observed by members and guests.

Mrs. Raymond Ross and daughter, Ray Ann of Clovis, and Mrs. Marty Ezell and daughter, Gaylon Joy, of Farwell, spent last Wednesday and Thursday visiting with Miss Eunice Graham, in Olton, Texas.

Mrs. Leslie Mowdy and daughter, Betty of Eugene, Oregon, and her mother, Mrs. Johnson of Portales, visited friends in Farwell, Friday. Mrs. Mowdy is the former Gwen Johnson, and the family resided in Farwell a number of years ago.

Mr. and Mrs. Lee Black and daughter, Hazel, were here from Albuquerque last week, visiting with Mr. and Mrs. J. L. Nally.

Miss Martina Anderson and S-Sgt. Frank Maywall of Lubbock, visited briefly in the W. H. Graham home on Sunday afternoon.

Mr. and Mrs. Jason Gordon and daughter, Janie, of Floydada arrived last week to visit relatives. Mrs. Gordon is remaining through this week.

Mrs. Lola Hodges left this (Wednesday) morning for Amarillo, where she has secured employment.

Mrs. W. A. Kessie spent the weekend visiting with Mr. and Mrs. Bill Wilcoxson, in Dalhart.

Miss Euveta Stiles of Portales visited Sunday and Monday in the home of Mr. and Mrs. W. H. Graham.

John Aldridge, local attorney, was attending to legal business in Olton, Texas, on Monday.

Mr. and Mrs. Bert Shackelford, of Friona, visited over the weekend in the Jimmie Rogers and Gabe Anderson homes.

Mrs. Clyde Corey, of Amarillo, sister of Mrs. Bess Henneman, arrived here Monday night to spend several days.

News from Our Boys in Camp

LEAVES FOR NORFOLK

Tulon White, who recently joined up as a Navy carpenter, received his call to report for duty the first of the week and left this (Wednesday) morning for Norfolk, Va., to begin work.

BACK TO TEXAS

S-Sgt. Carl Bullock was transferred to an Army camp near Temple, Texas, a little over a week ago, after having spent the past several months located on the West Coast. Friends this week announced that they expected him in for a furlough in a few days.

MADE CORPORAL

Kirt Crume has received his corporal's stripes, reports father C. E. Crume of this city. Kirt has been stationed at Fort Jackson, S. C., for about six months, but is expecting a transfer this week to Tennessee.

JOHN GRAHAM HOME

Pvt. John Austin Graham, stationed at Brooks Field, San Antonio, arrived here on Tuesday to spend several days visiting his parents, Mr. and Mrs. B. N. Graham. John recently underwent an appendectomy at San Antonio, and is on furlough until able to return to work.

JOIN MARINES

Ralph Harold Pruitt and James Mabry Berry left here Monday for Lubbock, where they reported for enlistment in the U. S. Marines. They had already been accepted and are expected to be forwarded to San Diego, Calif.

THORNTON GETS CALL

Wm. Thornton, son of Mr. and Mrs. J. R. Thornton of this city, who applied for enlistment in the Navy Air Corps some time ago, has been ordered to report to Dallas. He is scheduled to depart today (Wednesday). William is the second son of the family to enlist. His older brother, Julian, received his wings several weeks ago.

HALL TO WASHINGTON

Mr. and Mrs. W. W. Hall received word this week from their son, Raymond, who has just completed his initial training in the medical detachment of the Navy, that he was being transferred from the training base at San Diego to Bremerton, Washington.

Raymond wrote the folks here that "the ones with the highest grades in the class got to take their choice of where they wanted to go, and I was one of them".

POTTER HERE ON LEAVE

H. H. Potter, former utilities company linesman, is here on furlough "from the hottest place there is", Camp Young, near Indio, California. Potter reports that the temperature in his locality seldom falls below 110 and on one particular occasion a short time ago, it reached a peak of 132 degrees. He expects to spend several days in this city visiting with friends.

CARD OF THANKS

Rev. W. C. Wright, Baptist pastor, this week expresses thanks to the following who assisted in making the Vacation Bible school a success:

To Chief Selman for leading the parade with his fire truck; to the New Mexico state police for help in the parade; to the State Line Tribune for generous space given the school; for the splendid cooperation of parents and entire community in making school possible; to each one who used his car or pickup in furnishing transportation; to Supt. Carter and Farwell school for use of work shop for boys; to the entire school faculty who gave generously of their time and service for the two weeks.

Misses Neta Nell and El Freida Pierce of Ranchvale are spending the week with their aunt Mrs. Paul Roberts.

U. S. Joins Russia in War Pact

Foreign Commissar V. M. Molotov, greeted by high ranking U. S. government officials upon his arrival at Washington, D. C., airport. His arrival, which was disclosed by the White House, had been kept strictly secret. Molotov's visit marked the signing of a mutual assistance agreement pledging increased lend-lease aid to Russia, including support of a second front against Germany in 1942. Shown, left to right, are Gen. George C. Marshall, Secretary of State Cordell Hull, Admiral Ernest J. King and Commissar Molotov.

TIRE BOARD REPORT

The following tire, tube, and retread certificates were authorized by the Parmer County Board in its regular meeting, June 10:

- A. G. Thorn, three retread implement tires.
- A. G. Thorn, one retread implement tire.
- R. L. Rule, two retread tractor tires, one tube.
- N. E. Wines, one retread pickup tire.
- W. A. Knight, two retread pickup tires.
- Vernon Estes, two retread pickup tires.
- Claude Gober, two obsolete pickup tires.
- G. B. Buske, two retread pickup tires, two retread trailer tires.
- Price Prater, two retread pickup tires.
- W. C. Osborn, one retread truck tire.
- Bert Shackelford, two retread pickup tires.
- T. J. Presley, three retread truck tires.
- Earsel Taylor, one retread tractor tire.
- Rush Looney, two retread pickup tires.
- Consumers Fuel, one retread truck tire.
- Paul Koeltzow, two retread passenger tires.
- Mrs. Wallace H. Rogers, one passenger tire, one tube.
- Dr. J. M. McCuan, one passenger tube.
- L. M. Grissom, two pickup tubes.
- Sloan Osborn, one tractor tube, one implement tube.
- Sloan Osborn, two implement tubes.
- N. E. Wines, one pickup tube.
- E. R. New, two obsolete trailer tires.
- Nelson Welch, two obsolete trailer tires.
- Ernest Nowell, two obsolete passenger tires.
- A. G. White, one pickup tire.
- John Gammon, one truck tire, one tube.
- John Lynn, one truck tire, one tube.
- Mrs. G. W. Morris, one pickup tire, one tube.
- T. Manderscheid, one tractor tire.
- R. B. Summers, one pickup tire.
- John Dyck, two truck tires.
- Roy P. Daniel, one truck tire, one tube.
- Vernon Estes, two tractor tires.
- O. B. Brown, one pickup tire, one tube.
- H. S. Curtis, two tractor tires, two tubes.
- Paul Strickland, two tractor tires, two tubes.
- G. B. Buske, one truck tire, one tube.
- O. C. Jones, one truck tire.
- W. F. Cogdill, one implement tube.
- T. Manderscheid, one retread truck tire.

COAL SHORTAGE PROBABLE

Local coal dealers this week declared that all indications point to a serious coal shortage next winter and urged domestic users to lay in their coal supply now.

"We are being told that it is not likely that we will be able to get any coal delivered after August," S. C. Hunter of the Plains Green & Seed company declared this week.

Hunter said that the shortage would not be occasioned by an actual shortage of coal, but that transportation facilities and miners to dig the coal were expected to be engrossed in the war effort to such an extent that coal for domestic use would likely be extremely difficult to obtain.

Let's Not Worry About Sugar Use

By Elsie Cunningham
Home Demonstration Agent

Many women are worrying about sugar. There isn't any need for worry, really. You will not have all the sugar you are accustomed to have. It's true, but it will have to do.

Keep in mind that sugar is not needed in canning to keep food from spoiling. Your grandmother put up berries, cherries, peaches and apples, with 'nary' a speck of sugar! Why did grandmother can that way? Because she liked to she had a notion that the fruit kept better and had more natural flavor, especially for pies or cobblers.

According to the new regulations you will be permitted to purchase one pound of sugar for canning each four quarts of finished fruit.

In order to buy sugar for home canning, you will make application to the County Rationing Board at Farwell, or its deputy in Friona or Bovina.

When you go to the Rationing Board to ask for sugar for canning, you want to be ready with the answers to three questions they'll ask you. First, they ask, how many quarts of fruit you plan to can this year. Second, how many quarts of fruit you canned last year, and third, how many quarts of last year's fruit you still have on your cellar shelf.

You'll save time and trouble—and tires—if you figure out the answers to these three questions and have them all written down before you ask for sugar for canning.

The table below will serve as a guide in helping you decide how much sugar you will need for canning according to present government regulations. Be sure to keep in mind that the amount of canned fruit from a given measure of raw material depends upon variety and condition of the fruit and upon whether it is packed tightly or loosely in the jar.

Fruit	Lbs. Bar'l	Qts.	Lbs. Sug.
Apples	50	20	5
Apricots	48	18	4 1/2
Cherries	56	24	6
Grapes	48	20	5
Peaches	50	18	4 1/2
Pears	58	30	6
Plums	56	30	6

The best way to stretch your sugar in canning is to pack it hot. That way you can sweeten the fruit slightly, then heat it, and draw out the juice from the fruit itself. In many cases you won't have to can any added water. If you pack the fruit cold—on the other hand—you have to

use a sugar-and-water syrup and naturally it takes more sugar to make a syrup than to merely sweeten the juice. However, if you prefer a syrup your sugar ration for canning is adequate for a medium syrup—and these are the proportions. Two cups sugar and three cups water boiled together until sugar is dissolved will make enough syrup for four quarts fruit, provided the fruit is packed close-in the jar.

Several have asked about what will happen if less sugar is used in freezing food. This is the information from the Bureau of Home Economics—"Those who have freezer lockers can successfully preserve the foods by using one part of dry sugar to six parts of fruit instead of the syrup solution. The dry sugar pack is recommended more now than the syrup pack. Corn syrup can be substituted for sugar syrup in freezing. Use one cup corn syrup and one-half cup water, or use one-half cup corn syrup, one-half cup sugar and three-fourths cup water.

Demonstration Club Notes

By Special Staff Reporters

Victory Club Has Interesting Meeting
The Victory home demonstration club met June 12th in the home of Mrs. C. H. Collier with seven members and six visitors attending. Two new members, Mrs. Eugene Boggess and Mrs. Rudolph Renner have recently joined the group. Visitors included Grandmother Hyde, Mrs. Merrill, Thelma Mae Boggess and Doris Moody.

Miss Cunningham gave a very instructive talk on "sugar substitutes" demonstrating several kinds of sweet sandwiches that were sugarless and delicious.

The group voted not to entertain a visiting club this year, due to tire conservation. Instead, friends will be invited to the next meeting, in the home of Mrs. David Moseley on July 10th. All members are urged to be present and bring a guest.

Mrs. Boggess resigned as council delegate, due to ill health, and Mrs. Vestal was named to the office.

Refreshments of strawberry shortcake and tea were served.

INT TO FARMERS

(Continued From Page One)

Orders are placed by telegram daily and we expect it will take approximately ten days or two weeks after the granaries are ordered until they will be received in the county.

AAA Office Moved

The Parmer county AAA office is now located in the Cranfill building two doors east of the Security State bank. This move was made necessary due to inadequate office space in the Court House and all farmers are invited to come in and inspect the new location.

320 WT STUDENTS IN SERVICE CANYON—Records being compiled by Boone McClure, field representative of West Texas State college, show that 320 former students are now in the U. S. armed forces.

This list is far from complete. Mr. McClure is calling upon relatives and friends of all ex-students now in service to add to his roll of honor. The names and home addresses are desired.

No Deadline Set For Sugar Applications

Miss Irene Sachs, clerk at the Parmer County Ration Board, today pointed out that she had had several inquiries concerning a "deadline" for the making of applications for canning sugar, and stated definitely that "no deadline has been set."

"Due to the fact that the majority of homemakers in Parmer have no way of telling definitely just how much fruit they will can until it is actually on hand and canning operations started," she said, "there has been no closing date set on making applications for such sugar."

Applications may be made during the entire canning season—as fruit becomes available, and there is no limit set on the amount of fruit on homemaker may can, providing, of course, that the amount of sugar used is not in excess of the government stipulation—one pound to every four quarts.

Maintenance of points at both Bovina and Friona for receiving of applications was announced last week, and Miss Sachs urged that homemakers not make an unnecessary trip to town to request sugar now, when their applications will be accepted at any time.

No News on Quotas

Asked as to information on the regular weekly sugar quota, at present one-half pound per person, Miss Sachs said the office had no regulations as to the amount that would be allowed for each coupon after June 27th, when the fourth coupon will expire.

At the beginning of sugar rationing, dates for the existence of coupons in the ration books were issued through June 27. Rumors have been to the effect that the quota per person will be either lowered or raised after next week when the new schedule is given, but no such regulations have been received locally.

SANTA FE CARLOADINGS

The Santa Fe System carloadings for the week ending June 13, 1942, were 23,027 compared with 22,107 for the same week in 1941. Received from connections were 10,633 compared with 7,015 for the same week in 1941. The total cars moved were 33,660 compared with 29,122 for the same week in 1941. The Santa Fe handled a total of 32,590 cars during the preceding week of this year.

We Want Your Wheat

Bring your Wheat to us for the highest market prices. No delays when you unload with us . . . and your business appreciated.

Storage is hard to get, but we will have it if obtainable.
