

JUNIOR CHAMPIONS IN CURRY COUNTY TRACK for the third consecutive year are the Texico boys, pictured above, at the conclusion of the county activities, held here last Saturday. Team members are: back row, left to right, Marvin Smotherman, Vernon Blain, Buddy Pearce and Bill Freeman; front row, Mansel Doolittle, David Houghtling, Wayne Tucker, Delmar May and Ansel Doolittle. With the boys are Coach B. A. Rogers, junior director, at the left, and C. E. Sanders, right, coach of the senior division.

New Super Market To Be Opened at Bovina

Mr. and Mrs. Clarence O. Smith are making final last-minute preparations for the formal opening of their up-to-date grocery and market at Bovina, on Saturday, April 27th. Bovina's newest business venture will be known as Smith Super Mart, and will carry a complete line of groceries and fresh and cured meats. Featured in the new store will be fresh fruits and vegetables. Stacey Queen, pioneer butcher of Bovina, has been secured to operate the meat department, it was announced.

Commemorating the opening of their new store, Mr. and Mrs. Smith are offering a number of special prices in a full page advertisement in this issue of The Tribune.

Construction of the new store building was begun several weeks ago, and it was completed last week. Most of the fixtures are new and the store arrangements allows the patrons to serve themselves. The modern business is a credit to any town.

Two GI Loans Approved Through Local FSA

John E. Key, Farm Security Administration land appraiser, was in Parmer County, Friday morning, to appraise farms for GI loans, local supervisor Frank Seale reported today.

Two loans were approved, Seale said, including the Fred Shulk farm in the Hub community, optioned to Aubrey E. Cannon, as a GI tenant-purchase; and the farm in the Oklahoma Lane community optioned to Wilford E. (Bill) Johnson for a GI farm enlargement loan.

In the past when farm ownership loans have been approved by the appraiser, Seale said, "we have been able to complete the loan. I am of the opinion that both of these applications will be approved."

"I am very anxious to get these loans completed, to break the ice, so to speak, in hope of getting many more loans approved in the future. This type loan certainly has a big advantage to the person who has the ambition to be a farm owner but does not have the capital to buy. The FSA can make a loan to a GI for the purchase of a farm and the equipment to operate it," Seale concluded.

AG TEACHERS MEET HERE

Directors of vocational agriculture from Canyon, Friona and Farwell met the past Friday at the Farwell school, for a business session, Robert Morton, local supervisor, said today. O. T. Ryan and T. L. Leach, area supervisors out of Lubbock, were in attendance.

Bovina Lady Lands Large Catfish

Perhaps the largest catfish ever landed with an ordinary casting rod and reel was brought back to Bovina the first of last week and placed on cold storage.

The "cat", weighing 55½ lbs., was taken from Elephant Butte Lake by Mrs. Reagan Looney as she fished from the bank with a common casting rod.

In addition to the large fish, other smaller fish weighing from 4 to 12 pounds, were brought in by Mr. and Mrs. Looney. Reagan says he plans to leave his wife at home the next time he goes fishing.

Continental Agency Sold To Wurster

Paul Wurster, former Port of Entry official, has bought the Continental Oil Agency in Farwell from C. J. Doose, and the transfer of the business was completed on Monday, with the new owner taking possession the same day.

In the deal, Wurster buys the equipment from Doose, and has been named by the Continental Oil Company as local distributor of the Conoco products. Included in the deal, was the residence of Mr. and Mrs. Doose in Farwell.

Doose has been resident agent for the Continental Company since 1928, except for three years while he served as assistant county clerk in Clovis. Wurster, who came here from Portales, was connected with the Texico Port of Entry until he went to the Navy, where he served 2½ years, having been only recently discharged. His wife, the former Ellen Thomas, and young son, have been at home in Texico for some months.

Doose said that he had no plans to announce at this time regarding his future activities.

Dalhart Man Enters District Judge Race

Harry Schultz of Dalhart, has authorized The Tribune to announce his candidacy for the office of District Judge of the 69th Judicial District, the position now being held by District Judge John Aldridge of this city.

In announcing his candidacy, Mr. Schultz authorized the following statement:

To The People of the 69th Judicial District:

Because I have been in the Army the past five years and absent from this district, it is necessary, in announcing as a candidate for the office of District Judge of the 69th Judicial District, to introduce myself to many of you by briefly relating my background and my qualifications for that office.

I am almost 44 years old, married

and have one daughter. I am a Presbyterian, and have been a resident of Dalhart the past 23 years. While in my second year of high school it was necessary for me to take a night job with the Rock Island Railroad in order to help other members of my family and to continue my schooling. In my spare time I pursued my interest in law by home study. With such money I could save and borrow (Continued on Last Page)

70 Bovina Dogs Given Vaccination Shots

Concern over the possible spread of rabies in the Bovina neighborhood was met by quick action on the part of the citizenship of that community last weekend, with the result that 70 canines were vaccinated by Dr. E. E. Kraus, Clovis veterinarian. Keeping an appointment made by the businessmen of Bovina, Dr. Kraus went to Bovina last Friday and vaccinated 48 dogs—and ran out of vaccine. He returned on Monday and completed the job, treating a total of 70 dogs. Many farm dogs were brought in for immunization, Dr. Kraus said.

Meanwhile, the child of Mr. and Mrs. Mutt Crook, who was bitten by a dog more than a week ago, is being given the Pasteur treatments in Clovis, and is reported to be showing satisfactory progress.

Bovina citizens were spurred into action the first of last week when the head of a dog, known to have died of a fit in that city, was sent to Kansas City for examination. The laboratory reported that the specimen definitely showed "positive rabies".

Dr. V. Scott Johnson, county health officer, warned the people of this section to watch carefully dogs that are still running at large and have not been vaccinated. He said that if an animal looks suspicious it should be tied up immediately for a period of at least 10 days, and he strongly urged that all dogs be vaccinated as a precaution.

Melugin Lad Brought Here For Burial

Funeral services for John, seven-year-old son of Mr. and Mrs. Roy Melugin of Lordsburg, were conducted at the Methodist Church here Monday by Rev. Charles S. Walker of Portales, former local pastor, assisted by Rev. Harvey Carrell, pastor.

The youngster died at Lordsburg, N. M., last Saturday, of pneumonia, which developed after a siege of measles. Mr. and Mrs. Melugin have lived in Lordsburg the past few years, where he has been superintendent of schools.

The body was brought overland by the Steed Funeral Home, and taken to Bovina, where interment was made. Besides his parents, he is survived by an older brother, Roy, Jr., aged nine.

BACK TO ARKANSAS

Mr. and Mrs. Ed Eason left the latter part of last week for Arkansas where they plan to make their home. They returned to this city only recently from Arkansas with the hope of maintaining their home here, but found that he would be compelled to seek a lower altitude in the interest of his health.

The Easons sold their home to Harold Hillock, and disposed of some personal belongings over the past weekend.

CURD TO HAVE SALE

Walter Curd announced this week that he was "quitting business for the present", and would have a public sale at his place of business in Texico on Tuesday, April 30.

All the remaining stock in his hardware store will be offered to the highest bidder, the sale starting at 1 p. m., with Col. Dick Doshier as the auctioneer.

LIGHT SHOWERS FALL

Some light showers are reported in widely scattered sections of Parmer County on Monday night, but on the whole the county remains in the "extremely dry" column and wheat is in desperate need of rain.

A light shower, accompanied by some hail, fell about six miles south of Farwell. Another light rain, estimated at about a quarter inch, covered approximately a 10-mile area in the Midway section on the same night.

REV. VIRGIL E. HUNTON, pastor of the Texico-Farwell Baptist Church, who will conduct an eight-day revival at the local Baptist Church, beginning next Sunday.

Pastor To Conduct Revival Services

Rev. Virgil E. Hunton, pastor of the Texico-Farwell Baptist Church, today announced that an eight-day revival meeting would begin at the church on Sunday, April 29th.

The local pastor will do the preaching and Rev. F. O. Polston, of Mexico, will be in charge of the music and visitation campaign.

The public has been invited to attend. A special service will be conducted each week day at 4 p. m. for school children. Regular services will be held at eight o'clock each evening.

"Knew They Were From Texas," He Insisted

Jim Ellison, Bovina wheat grower, who for the past several years has been spending the winter months at Hot Springs, N. M., really found use recently for that ten-gallon Stetson hat he has worn all these years.

It came in mighty handy one day last week when he was forced to summon aid to the rescue of his party of fishermen from the middle of Elephant Butte Lake, where their motor had failed them.

Mr. and Mrs. Reagan Looney, also of Bovina, were on the lake shore, and espied "Uncle Jim" standing up in the boat and waving his Stetson desperately, while the other members of his party were attempting to man the boat, being tossed about by a high wind.

Although he didn't know the Looneys were anywhere near, Ellison vowed "I knew they were from Texas when I saw the boat head this way," and joyously greeted the rescue party. Others in the boat with Ellison were Mr. and Mrs. Donald Belew and Mr. and Mrs. Eugene Parker, all of Roswell, former Bovina residents.

Ellison got in trouble when he attempted to crank his motor, which backfired and set the engine afire. He had to subside in the lake to extinguish the fire . . . and was never able to get it to run again.

TO ENTER CONTESTS AT LUBBOCK, SATURDAY

Robert Morton, director of the Farwell vocational agriculture department, announced today that he would enter teams at the Texas Tech FFA judging contests, in Lubbock, on Saturday of this week.

Both poultry and livestock will be judged by FFA groups from this area, Morton said, adding that he had not definitely designated the boys who would appear as teams from Farwell.

Mr. and Mrs. Howard Mayfield and daughters, Peggy and Mrs. Jean Blackburn, all of Friona, visited in Farwell Saturday afternoon with Mr. and Mrs. Woodrow Lovelace.

Following the closing of the annual Panhandle-Plains Dairy Show in Plainview, Saturday, County Agent Lee McElroy is in receipt of a complete list of winners, showing that a number of Parmer county FFA and 4H club lads took placements at the show with their dairy entries.

The Collier animal milked 24.0 pounds milk with 1.3936 pounds butterfat.

Mens Meeting Thursday Night At ME Church

Chairman C. M. Henderson today announced that the regular monthly meeting of the Texico-Farwell Mens' Club would be held Thursday night of this week in the basement of the local Methodist Church.

Early this week, Henderson was not prepared to state definitely what the program would be, but said that he was considering "several angles". Due to a conflict, it was not possible to honor the graduating classes again this year, he added.

To Represent Scottish Rite in Parmer Co.

W. E. Williams, 32 degree Mason and Bovina merchant, has been named by the Scottish Rite Bodies of the El Paso Valley to represent that organization in this county, it was revealed here this week.

In addition to acting as agent between the El Paso office and Parmer County, Williams will give Blue Lodge members who are interested in the higher degrees of Masonry the information concerning membership in the Scottish Rite.

Mrs. B. A. Rogers and daughters and Mrs. Grace Sanders and daughter transacted business in Amarillo, Saturday.

The Melrose Buffaloes, with Tommy Davis doing the major scoring, walked off decisively with the senior track and field championship, in the Curry county meet held here Saturday, while the Texico juniors, by taking the final event of the day, eked out a close win over the Melrose juniors and took the title.

Melrose had a total of 94½ points in the senior division, while the Texico juniors racked up 60 1-5 for the junior championship. Davis, of Melrose, scored 43½ points to stand as high senior individual, while Porter took all of Pleasant Hill's 30 points, to lead as individual in the junior bracket.

For the seniors, Texico had 57½ for second place, Rosedale scored 34 to rate third, pushing Grady, who had a total of 31, down to fourth place, and Field trailed with a final count of 19.

In the junior team scoring, Melrose was second with 55; Pleasant Hill third with 30 (all by Porter). Rosedale eased Ranchvale out for fourth, scoring 25 to the latter's 24. Field racked up 7, and Grady came in last with only 2 3-5.

Tension mounted among the juniors as the final event of the day, the 440-yard relay came up. At that time, Texico led Melrose by three points, and the winning relay squad would determine the champions. Flying before stiff opposition, the local youngsters pushed across the tape in the lead, to grab the meet.

This was the third successive year that the Texico juniors have won the county championship, Coach B. A. Rogers reminded today.

DD DOES IT

COLLEGE STATION—"DD"—a petroleum by-product shows promise of being a practical means of controlling the nematodes which cause plant root diseases, according to M. K. Thornton, agricultural chemist of the Texas A. and M. College Extension Service.

DD apparently is as effective in nematode as other chemicals for this purpose, including carbon disulphide, methyl bromide mixtures, and tear gas. And the cost is much less than the other chemicals, which ran from eighty to several hundred dollars an acre.

Trials at the Plant Industry Station of Beltsville, Md., and the Branch Experiment Station, Weslaco, Texas show that DD is highly effective on the common rootknot nematode when soil conditions are favorable.

The DD liquid is applied in holes driven into the soil or as an emulsion, sprinkled on the surface.

DD, now in limited commercial production, is a mixture of 13 dichloropropylene and 1-2 dichloropropane.

Use potatoes, oatmeal and buckwheat cakes instead of bread to help avoid a world famine.

Keep bread fresh. If it becomes hard, use it as toast, puddings, or as croquettes.

What is your GUESS? on our profits...

SOMETIMES, although an idea is wrong, it does no harm. Like the idea that a square jaw is the sign of will power. That winters aren't as severe as they used to be, or that red hair denotes quick temper.

But there are other wrong ideas, which are definitely harmful to public confidence in and understanding of industry. One such idea is the current "guessing" about profits made by large business organizations.

Many people are apt to grossly exaggerate the money made by business. So Opinion Research Corporation (an independent organization) made a survey to learn just what the public thinks about profits. Compare these guesses and yours with the International Harvester profit figures given below.

Public guess on war profits . . . 30.0%

I H four war year average profit . . . 4.9%

In this survey, the average of the guesses by the public of the war-time profits made by industry was . . . thirty per cent (30%).

But in the four war years of 1942, 1943, 1944, and 1945, the profits of International Harvester Company averaged only . . . 4.9% on sales. Less than one sixth of what the general public "guessed" for all industry.

For this period, the year by year per cent of profits on sales was: 1942—7.34, 1943—5.59, 1944—3.95, 1945—3.93.

Public guess on peace profits 18.0%

I H four pre-war year average profit . . . 7.17%

In the four peace years of 1938, 1939, 1940, and 1941, the profits of International Harvester Company averaged . . . 7.17%. This is well under half of what the public "guessed" for all industry.

Majority think fair profit in normal times is . . . 10%

I H 40-year average is less than 7%

The survey indicates the public knows that in our economy profits are indispensable. And the majority regard 10% as a fair

World rice production in 1945 was 16 per cent below pre-war figures.

USE **666** COLD PREPARATIONS

Liquid, Tablets, Salve, Nose Drops Caution, Use Only as Directed

Wages and materials consume nearly all of every dollar Harvester takes in from sales. A Government board has recommended and the Company has agreed to pay a general wage increase of 18 cents per hour for Harvester factory employees. The Government has also allowed price increases on raw materials which we purchase in large quantities. Steel has had an average increase of 8.2%.

There has been no general increase in our prices since they were frozen by the Government early in 1942.

So our situation today is that what we BUY costs us 1946 prices. We will be paying average hourly wages 56% above 1941. For what we SELL we get only 1942 prices. This condition cannot long be met out of our present low rate of profit.

Future Prices on I H Products

It is plain that price relief will be needed to meet the increased wage and material costs which we must carry.

We regret this necessity. We prefer to lower prices, when possible, rather than raise them and we know our customers prefer to have us do that. We had hoped to be able to "hold the line," at least.

But we do not see how we can avoid operating at a loss if our prices continue to remain at their present frozen levels. We will NOT "cut corners" on any of our products, because QUALITY IS THE FOUNDATION OF OUR BUSINESS.

Our customers can be certain that we will seek no more than a moderate profit, both because of our policies and because we have approximately 300 competitors fighting us vigorously for your business. Our request for price relief will be no more than is necessary to insure continued service to our customers, continued work for our employees, and a reasonable return for our stockholders.

rate of profit in normal times. Many large businesses, including ourselves, would consider it a banner year if we could reach this figure. Our average profit for the last ten years—four war and six peace—was 6.43%—more than a third less than what the public considers fair.

All these figures show that our profits are not high. As a matter of fact, the entire farm machinery industry is a low profit industry. In 1944, the Federal Trade Commission published a list of 76 industries ranked in order of their ratio of profits to sales. The farm machinery industry was 57th on the list.

What About Current I H Prices?

When the War ended and we planned our peace-time production, we had hoped to be able to serve our farmer customers at the same level which has held since 1942, regardless of war-time increases in costs of wages and ma-

terials up to that time. But recent developments have forced a change in our plans.

Jennings Gives Platform In Asking Election

Joe W. Jennings, of Hale County, this week announced the formal platform on which he seeks election to the Legislature from the 120th Legislative District.

In the last election, Jennings received 6,026 votes of a total of 12,379 votes cast, being defeated by 327 votes. "Had I received 165 more votes I would have been elected by a narrow margin," he said. "With a more vigorous campaign this time, I feel confident that I will be successful," he said. Many citizens have indicated to me that they want a

change at Austin. I have never held any political office."

A native Texan, Jennings graduated from Texas A. & M. in 1911, taught vocational agriculture, managed a ranch in Bailey county in 1916-18, served as county agent in Lubbock and Randall counties, and since 1929 has farmed in Floyd county where he owns and continues to operate a 320 acre farm since moving to Plainview.

His platform advocates:

1. Retention permanently of 4c per gallon refund on farm-used gasoline.
2. Equitable proportion of farm to market roads for West Texas.
3. Adequate support of the needy aged, underprivileged children, the deaf, dumb, blind, and insane, but is not in favor of creating an Utopia for any group of citizens.
4. American system of free enterprise, as opposed to government regimentation.
5. Reorganization of Texas Legislature by reducing the House of Representatives from 150 to 93, three representatives from each of the 31 senatorial districts, same being designated as Places One, Two and Three, so arranged as to equally represent each district.
6. Adequate, but not exorbitant salary for legislators, thus tending to reduce length of regular sessions and to decrease number of special sessions, and to give legislators something over the expense of attending. This would make the members independent of gratuities of well-meaning friends and free them from obligations thus incurred.
7. Four-year terms for all elective offices, both state and county, deducting expenses of elections and increasing services of public officials.

He irrevocably opposes:

1. Any form of state control of our underground water resources. If, and only when, any control should appear advisable, that it be under districts governed locally by elected representatives, subject only to such special advice and specific information as may be necessary or desirable from the State Board of Water Engineers.
 2. Any new or higher taxes and deficit financing, except in cases of dire necessity. Strict pay-as-you-go state fiscal policy and building up in good times a cash reserve to serve as a cushion in leaner years.
 3. Unnecessary governmental interference in private business and agriculture—"more business in government and less government in business".
 4. Government by special blocks or by pressure groups.
- I have and will make no commitment to any one and will pass on legislative matters as they arise and on the basis of the public welfare.

"It will be impossible for me to see every voter in the district," Jennings said, "and I will appreciate efforts of those who endorse my platform and me as a man to tell their neighbors about me and what I stand for."

Large Enrollment Is Expected At Tech

LUBBOCK—Several thousand inquiries have been received at Texas Technological College concerning entrance for summer and fall sessions, according to W. P. Clement, registrar.

"Judging by the large number of inquiries, Tech should have the largest summer school enrollment in the history of the college this year.

Next fall term should also be one of the largest on record," he says.

"Preference, of course, will be given to former students who wish to continue their education under the GI Bill of Rights," Clement stated. Summer session will be divided into two terms of six weeks each. The first term opens June 5 and ends July 16. The second semester begins July 18 and terminates August 28. Registration for the 1946-47 fall semester is set for Sept. 13-14.

Bulletins are now available to prospective students who should write for information to the Registrar.

VISUAL AID POPULAR

Austin.—Visual aids are becoming increasingly popular in the University of Texas and Texas public schools, D. W. McCavick, director of the University's visual instruction bureau reports.

University departments using visual aids increased from 5 to 37 in three years; slide production increased from 500 to 3000 annually, and this year 200 films are in use, as compared with 10 or 15 films three years ago.

There are now 1021 public schools using the service, and 623 in 1945.

Easter Motif Used At Junior-Senior Social

The Easter motif was predominant at the Texico school, last Saturday evening, when the junior class entertained the seniors and special guests in the annual inter-class banquet.

Table flowers were bouquets of snapdragons in pastel shades, and Easter bunny place cards and favors were used.

Marvin Doolittle served as toastmaster, introducing Rev. Harvey E. Carrell, Methodist minister, who delivered a short inspiring talk to the group. Other numbers on the program included a duet by Peggy and Jean Rogers, the toast to the seniors by Rada Morgan, response by Belvin Freeman, the welcome by Minnie Smotherman, and a duet by Harriet Baker and Jean Rogers.

The meal was served by the sophomore girls of the school, and was prepared under the direction of Mrs. Jimmie Allman, homemaking instructor.

Seated at the banquet table were Supt. and Mrs. B. A. Rogers, Rev. Harvey Carrell, Mr. and Mrs. K. A. Russell, Mrs. Jimmie Allman, Mr. and Mrs. Vernon Kirby, Mr. and Mrs. C. E. Sanders, Mr. and Mrs. Tom Hudson, Marvin Doolittle, Belvin Freeman, Delores Green, Robert May, Claude Curry, Minnie and Francis Smotherman, Peggy Flye, Chester Bowles, Bill Johnson, James and George Paul, Mary Cervantez, Mary Mendoza, Wanda Huber, Clarence Fought, Evelyn and Beryl Brown, Harriet and Harry Baker, Virginia Atchley, Imogene Freeman, Bonnie Turbett and Rada Morgan.

Pink and Blue Shower Honors Mrs. Dyer

Mrs. Claude Dyer, former English girl who recently joined her husband in Farwell, was the honoree at a surprise pink and blue shower, held Monday afternoon in the home of Mrs. Ernest Stewart, in Texico, with Mrs. Felix Monroe as co-hostess.

The house was beautifully decorated for the occasion with sprays of bridal wreath.

The afternoon was spent in informal visiting, following which a refreshment plate was served by the hostesses to Mesdames Bessie Lewis, Annie Bradshaw, Mae Porter, Lula Hayne, Onie Bradshaw, Dollie Nally, Lue Green, Bessie Landrum, Nannie Hines, Della Dyer, Virginia Drager, Rosa Roberts, May Houston, and the honoree.

Regrets were received from Mrs. Ethylene Bell, Mrs. Azleet Roberts, and the Ruth Sunday School Class of the Baptist Church.

Ruth Sunday School Class Has Social

Meeting in the home of Mrs. D. J. Brown, the Ruth Sunday School Class of the Baptist Church enjoyed a business and social meeting, on Monday evening.

The following officers were elected: president, Mrs. Charlie Rogers; vice-president, Mrs. Harry Whitley; secretary, Mrs. Morgan Billington; treasurer, Mrs. Whitey Middleton; social chairman, Mrs. Roy Cook; class ministries, Mrs. Fred Henry; group captains, Mrs. Walter Hardage and Mrs. Alvenia Sharpe.

Various games were played, led by Mrs. Clyde Magness, and refreshments then served to Mesdames Clyde Magness, Walter Hardage, Ed Hardage, Alvenia Sharpe, Harold Hillock, Charlie Rogers, John Porter, Harry Whitley, Buck Bradshaw, Fred Henry, Morgan Billington, Whitey Middleton, J. Mrs. Phillips Is Honoree At Post-Nuptial Party

Mrs. A. F. Phillips, Jr., the former Miss Billie Louise Sharpe, was honored with a lovely post-nuptial shower, Friday night, when Mesdames Jack Greathouse, Verney Towns, John Porter, Harry Whitley, E. M. Deaton and Leroy Hunton entertained.

The social was held in the parlors of the local Baptist Church, with bouquets of iris, bridal wreath, tulips, sweetpeas and snapdragons being used about the entertaining rooms. The honoree, the hostesses and those assisting wore identical corsages of sweet peas.

Miss Iris Thornton was in charge of the guest book, and during the program music was provided by Miss Frances Roach and Mrs. Greathouse, while readings were given by Miss Edna Ruth Thomas.

The bride's mother, Mrs. Alvenia Sharpe, presided at the beautiful serving table, which carried out an Easter motif. Bouquets of varicolored sweetpeas surrounded the crystal punch bowl, and candles in pastel shades were placed on the lace-covered table.

Assisting the honoree in opening the packages were Mrs. Greathouse, Mrs. Sharpe, Mrs. A. F. Phillips, Sr., and Mrs. Hunton.

The guest list was signed by Mesdames Loyd Cain, Lester Norton, Valter Wagnon, M. C. Roberts, Jack White, Dale McCuan, Bess Mansfield, Lee Bradshaw, Clyde Magness, O. B. Pipkin, D. B. Landford, L. T. American Legion Meet Here Friday Night

A general call to all veterans of World Wars I and II was issued here today, with the announcement that a local American Legion Post will be formed Friday night. The meeting will be held in the local courthouse, beginning at 8 o'clock.

It was announced that a charter, bearing 21 names, is already on hand, and when officers are elected Friday, the Post will be definitely organized here.

Lewis P. Fields, of Amarillo, 18th district Legion commander, has been invited to meet with the group.

This would constitute the third American Legion group in Parmer County. The Friona Post has been in operation since after the end of World War I, and the Bovina chapter was organized a few weeks ago.

Party Held Saturday For Miss Janie Cox

Little Miss Janie Cox observed her fourth birthday, Saturday, April 20th, when a number of her young friends gathered at the home of her parents, Mr. and Mrs. L. C. Cox, in Farwell, for a social.

Various entertainment was arranged, including an Easter egg hunt, after which the children were served birthday cake and punch.

Attendants included Darrell Martin, Mack and Don Crawley, Lavoyda and Katherine Billington, Lee and Lynn McElroy, Corky Cain, Pat Aldridge and David Cook, all of Texico-Farwell; Mrs. W. D. Gattis and boys, Mrs. Bert Reynolds and son, and Mrs. Ted Stanride and sons, all of Clovis.

Egg Hunt Enjoyed By Sunday School Class

Some forty youngsters of the beginner-primary department of the local Methodist Church enjoyed an Easter egg hunt and picnic, on the church lawn, Sunday afternoon.

Hostesses for the social were Mrs. W. H. Graham, Mrs. Loyd Cain, Mrs. Jim Moss and Miss Iris Thornton.

Birthday Party Held

Horace Lynn, son of Rev. and Mrs. Harvey E. Carrell, celebrated his sixth birthday the past Wednesday, April 17th, with a party at his home in Farwell. Johnny and Jerry Lovelace, and Tommie Lovelace joined the young host in games, after which refreshments were served.

New Maytag Home Freezer

A new home freezer described as a "complete kitchen unit" has been announced by The Maytag Company of Newton, Iowa. With six net cubic feet of locker storage space and a capacity of 300 lbs. of meat or 240 lbs. of mixed packages, it maintains an operating temperature of zero Fahrenheit in all climates. When closed it provides a porcelain enamel utility table top with attached drop leaf for dinette purposes, large enough for two people. Inset shows counter-balanced lid opened and defrosting tray in use.

We will have a shipment of these Maytag Home Freezer Units on display at an early date.

"THE BEST PLACE TO TRADE"

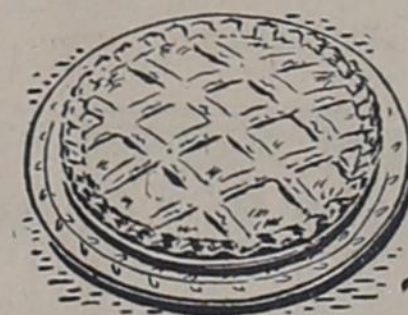

Bill the Butcher Says

You guys that have been going fishing of late and coming back with nothing but sunburns and appetites had better take some advice from Old Bill.

We are now getting a shipment of Louisiana catfish every week. Just drop in on Mondays or Tuesdays and we will sell you better fish than you can catch—and at just a fraction of the cost of a fishing trip.

Course you won't have as much fun, but the saving you realize will give you such a thrill you won't want to go fishing.

Rollin' 'em faster on the Santa Fe
Santa Fe serves the Southwest with two main lines.
The northern route runs across the plains of Kansas, southeastern Colorado, and goes over the mountains at Raton Pass.
The southern route leans south in eastern Kansas, runs through Oklahoma, the Texas Panhandle (where it is joined by other Santa Fe lines serving Texas), crosses central New Mexico, and joins the northern route again near Albuquerque.
Along these main lines Santa Fe has increased its yard facilities, straightened out curves and lengthened sidings to handle more freight trains.
Centralized Traffic Control systems have been installed, virtually adding another "main line" to important parts of the Santa Fe.
A great new double-track steel bridge across the Colorado River removes the "bottleneck" created by the old single track bridge it replaces.
80 giant 5400-horsepower Diesel locomotives—the most powerful freight Diesels in the world—are pulling heavy freights over our steepest mountain grades.
These increased facilities on the Santa Fe are ready to "roll 'em faster" for shippers even more efficiently than before.

Maytag Freezers Soon On Display Locally

Announcement of special features and specifications of the new Maytag home freezer have been received by C. G. Davis Mercantile Co., Maytag dealer in Farwell.

The new product, described as "not just another freezer but a complete kitchen unit," has 6 cubic feet net capacity of locker space with an operating temperature of zero Fahrenheit in all climates. It will hold 350 lbs. of meat, or 180 lbs. of fruit and vegetables, or an average of 240 lbs. of mixed packages, including meat, fruit and vegetables. Finished in beautiful gleaming white, high baker synthetic enamel with stainless steel trim, the cabinet of the freezer is 47 1/2 inches long, 29 inches wide and 32 inches tall. It is fitted with an acidresisting, porcelain enamel table top, with an adjustable drop leaf which can be used as a breakfast or dinette unit.

A convenient defrosting pan is located on top of the unit so that heat from the compressor speeds defrosting of foods and keeps this operation out of the kitchen sink.

The lid is counter-balanced for ease in operation and stays in position when raised. The underneath section of the lid is covered with easy-to-clean stainless steel. The inside of the container is smooth with rounded corners providing sanitation and ease of cleaning. A stainless steel rustproof breaker strip remains frost free.

The Maytag freezer makes an attractive addition to the family kitchen. It has rounded corners outside as well as in, with no handles or projections to catch clothes. The level of the cabinet top is easily adapted to desired height, for installation in a row of kitchen cabinets, by building an adapting base beneath the locker. Construction of the unit provides convenient toe room.

Samples will be on display at the Davis Mercantile soon.

Questions, Answers For Discharged Veterans

Q. How does the Veterans Administration determine the amount of pension to be paid a disabled veteran?

A. The VA has rating boards that review the veteran's medical records. These boards decide how much he is disabled and award him a pension based on the percentage of his disability. The awards range from \$11.50 to \$115 per month.

Q. When a veteran applies for a loan to buy a home does he have to pay the appraisal fee on the property?

A. Yes. However, he may arrange with the lender for payment of this fee out of the loan.

Q. Can a veteran go to a college or school as long as he wants to?

A. Veterans are entitled to one year of schooling, plus one month of schooling for each month of active duty in the armed services up to a maximum of 4 years.

Q. If a veteran becomes disabled while taking on-the-job-training, is this considered the same as a service-connected disability?

A. Yes.

Q. Are all veterans entitled to free private dental care?

A. No. Only veterans with service-connected conditions are entitled to this service.

Q. Can a veteran convert National Service Life Insurance into a 20- or 30-year endowment policy?

A. No. He can convert his term insurance only to ordinary life, 20-payment life, or 30-payment life policies.

Q. Is the widower of a woman veteran entitled to pension at her death, and are the children entitled to any pension?

A. A widower is not entitled to pension under the present law, but surviving children may be.

Announcement

To the People of Texico-Farwell and Trade Area

It gives me great pleasure to announce to the good people of this trade area that I have purchased the interests and equipment of C. J. Doose, incident to the operation of the Continental Oil Agency in Farwell. I assumed charge of the business on Monday of this week.

Since receiving my discharge from the Navy, I have made several investigations of business ventures, and I have reached the conclusion that I had rather be located in Texico-Farwell than any other place I have investigated.

The business will be operated on the same high plane of service that Mr. Doose has given his patrons in this community, with rural deliveries being made on the same schedule as heretofore.

I will appreciate your continued patronage and strive to serve you faithfully and satisfactorily.

Pual F. Wurster

THANK YOU—

In announcing my retirement as agent for the Continental Oil Company, which I have held for the past several years, I feel that I would be ungrateful if I did not extend to my many friends and patrons my sincere gratitude for their favors and patronage.

It has been a real pleasure to serve you in the past years, and whatever success that I have attained in this field has been entirely due to your support and patronage . . . and it is to you that I am indeed grateful.

I unhesitatingly recommend to you my successor, Paul Wurster, whom most of you know personally. He will continue to serve you and I know that his services will be satisfactory.

C. J. DOOSE

TOM DEEN HERE

State Representative Tom W. Deen was in Parmer County the first of the week, meeting the voters in the interest of his candidacy for reelection from the 120th Representative District, which is comprised of Floyd, Briscoe, Hale, Swisher, Lamb, Castro, Bailey and Parmer Counties.

Mr. and Mrs. Hugh Edwards and son, Dennis, of Belen, visited in the Carl Davis home, Sunday night.

District Track Events In Portales, Saturday

Activities to determine the champions of track and field in District 6 will open at 10:30 (Texas time) in Portales, on Saturday, April 27th, Coach C. E. Sanders, of the Texico school, said today.

Indications are that this will be one of the most stiffly contested meets in years, although Fort Sumner was favored today as the probable winner. Rogers made a good showing by taking the Roosevelt county meet last week, and Floyd, in second place, also looked good, while Melrose grabbed a large majority of honors at the Curry county meet, held in Texico.

Wayne Owens, president of District 6, will direct the activities of the day, Coach Sanders said, with the Eastern New Mexico College acting as the official host to the teams.

"The boys are working hard this week," the coach said today, adding, "we expect to take any boy who places third or better to the state meet, in Albuquerque, May 2, 3, 4." Texico entries in district track and field will be:

100-yard dash: M. Doolittle, Baker. 220-yard dash: M. Doolittle, Baker. 440-yard run: M. Doolittle, Blain, McDonald.

880-yard run: Freeman. Mile run: Freeman, Blain, Fought. Relay: M. Doolittle, Baker, May, McDonald.

Vault: Smotherman, May, Fought, A. Doolittle.

Low hurdles: M. Doolittle, May, Blain. High hurdles: M. Doolittle, May, McDonald.

High jump: Smotherman, Johnson, May, Fought.

Broad jump: Johnson, May. Discus: Baker, Freeman, May.

Shot: M. Doolittle, Baker, May. Javelin: Baker, Freeman, May.

Sanders added he had been informed that medals would be presented to winners of the first five places in each contest, with team trophies for both first and second ratings.

Curry Volleyball Meet In Melrose, Thursday

Girls' teams from Melrose, Field, Ranchvale, Grady, Pleasant Hill and Texico will assemble in the Melrose gymnasium on Thursday evening of this week, for the Curry county girls volleyball meet which will decide the county champion.

Play will begin at 6 o'clock (Texas time) Thursday afternoon, Coach Tom Hudson reported today. Texico drew a bye in the first round, and is slated to play the winner of the Grady-Pleasant Hill tangle at 9 that night, he added. Melrose, Field and Ranchvale are in the lower bracket, but the schedule of play was not available here.

The locals were at Pleasant Hill, Monday night, where they matched games with Grady and Pleasant Hill. Texico defeated the hostess team, 33-13, while Grady toppled the locals, 23-29.

Members of the team include May, Flye, McDaniels, Green, Huber, E. and B. Brown, and Baker. Subs will be Johnson and P. Rogers, the coach reported.

HOME FROM HOSPITAL

Mr. and Mrs. Albert Thomas returned to their home here, on Wednesday of last week, from Temple, Texas, where Mr. Thomas had been under treatment the past several weeks, following a major operation. He has been able to be out very little since returning home.

Nowadays serants are neither black or white, they're green.

Barbecue Served By Farwell FFA Group

The Farwell Chapter of Future Farmers of America staged their annual father-son feed at the high school Thursday night, featuring delicious barbecued beef, which the boys had prepared.

Herschel Harding acted as toastmaster, and called on a number of boys for short talks, after he had introduced Supt. H. A. Clift.

In addition to the barbecue, the boys served vegetables and fruit with plenty of coffee as the drink.

Supt. Clift spoke on the many new and varied uses to which agriculture products have been put in recent years, and challenged the boys to out-do their dads at the job of farming.

L. C. Herington gave an essay on "Boys" and the FFA Creed was given by Leonard Hanna. "The Aims and Purposes of the FFA" were discussed by three lads, Bob Loe, Duane Curtis and O. L. Thompson.

About sixty boys, their dads and special guests were present to enjoy the evening and agreed with Coach Jack Williams, who observed that Agricultural Director Robert Morton was to be congratulated on the work he was doing with the boys.

Army Buildings Are Sought By School

Attempts to secure three abandoned buildings from the Hereford Prisoner of War Camp, recently vacated by the Army, are being made by the Friona school, Supt. C. D. Holmes revealed today.

Holmes added that it was his belief that the final determination as to whether or not the school would receive the buildings would be made on Thursday of this week, when he is to meet in Hereford with Army officials.

Plans at present are to move the buildings to Friona, and to combine two of them into a large show barn for the FFA and 4-H club stock show, held annually at Friona in the spring. The other building would be used as an ag work shop.

The superintendent revealed that already some \$3500 worth of surplus army equipment had been consigned to the school, principally machines and tools adaptable for use in the vocational training program.

Set School Closing At Oklahoma Lane

Supt. Roberts announced the first of the week that the school closing dates for the Oklahoma Lane school had been decided upon, and that programs were now being worked out by students and teachers.

Baccalaureate services will be held on Sunday, May 26th, and the graduation exercises will follow on May 30th. Speakers for both occasions are yet to be elected, the school official added.

Members of the graduating class this year are Billie Christian, Joyce Edwards, Bernice Gulley, Bobbie Gulley, Hazel Hinchey, Weldon Rundell and Frances Sudderth.

Graduation Dates Are Scheduled For Friona

Superintendent C. D. Holmes, of the Friona school, on Monday announced the dates for graduation activities at that school.

Baccalaureate services for the seniors will be held on Sunday, May 26th, followed by commencement activities on Monday night, May 27th. Supt. Chester O. Strickland, of the Hereford school, has been named as the commencement speaker, but the baccalaureate speaker has not

On Tuesday night, May 26th, the eighth grade students will hold a separate program, receiving grammar school diplomas as their entrance tickets into high school next year, Holmes added.

DALHART MAN

(Continued from Page 1)

I attended Cumberland University Law School at Lebanon, Tennessee, and then was admitted to the bar in Texas in 1926.

Soon thereafter I started to practice law. The people of Dallam County have been most kind to me by electing me four times as their County Attorney and once as their County Judge and Ex-officio Superintendent of Schools. Meanwhile, I had also become interested in military law. By several hundred hours of home study I qualified for and was commissioned in 1936 as a Reserve Officer in the Judge Advocate General's Department of the U. S. Army. The commission obligated me to serve on active duty in the army for the duration of any emergency or war.

When the national emergency developed in 1941, I was ordered to active duty in the army in the month of May. This necessitated my resigning as County Judge of Dallam County. The national emergency conditions that have still existed since the fighting has ended are now rapidly coming to an end.

For nearly two years I served as Staff Judge Advocate at Camp Wolters, and the past three years I have been Staff Judge Advocate of the 2d Infantry Division. My duties have always been those of legal advisor to

all military personnel—from the newest private to Lieutenant General. During this time the "Indian-head Division" served about two years in the ETO, and was in combat from D day plus one to V-E day. On VJ day we happened to be in the United States, enroute to the Pacific to help wind up that war.

During my service overseas, in six different countries, I had occasion to observe so much evidence of oppression and injustice in all degrees and forms, that it will always stand uppermost in my mind that our liberties and justice cannot be too zealously guarded and preserved.

Among my daily duties, it has been my privilege and pleasure as legal assistance officer, to assist everyone in the military service needing the assistance of a lawyer in connection with personal problems. Most of these problems have been the same kind that people normally have in civilian life, but they were complicated by the circumstances connected with the individual being then in military service, overseas, or both.

Because of my long legal experience in civilian life, I am thoroughly familiar with the problems of the people of the district. From my military service I understand the problems of those now serving in the armed forces, and those who have served, in becoming readjusted to civilian life.

"In many ways the success in meeting the problems of the returning veteran will be the acid test of our democracy." (Report of Bernard M. Baruch to the President.)

I expect to make a thorough campaign and to meet every possible voter in the district. Meanwhile if you believe that I am qualified and worthy of serving you as District Judge, I will be grateful for your support and vote in the Democratic primaries in July.
