

The President Refused to Touch It

President Roosevelt refused to receive—or to touch—a Japanese battle flag captured by U. S. marines during the raid on Makin island in the Pacific. Lieut. Gen. Thomas Holcomb, commandant of the U. S. marine corps, brought the flag to the White House. The President told him to place it in the marine corps archives. Photo shows him looking at the flag.

Bond Sales Lag As Month Nearing End

With September practically gone, the War Bond and Stamp sales in Parmer county were lagging, it was revealed here today by G. D. Anderson, chairman of the War Bond Committee.

Anderson said that complete reports from all agencies in the county were not in his hands, but he gave it as his opinion the quota for the county was only slightly past the two-thirds mark.

Parmer county has been assigned a quota of \$15,400 for the month of September, and Anderson pointed out that the county has never yet failed to reach its assignment for any month up to this time. "I still believe we will make it," he stated, but added that sales will have to be boosted considerably during the few remaining days of the month.

Many of the heavy buyers, Anderson pointed out, have already bought as many bonds and stamps as they had planned, which means that most of the sales to be made in the future will have to be by individuals of smaller means.

Nelson Raps Labor Racketeers In Talk

Bill Nelson, Clovis newspaperman and radio commentator, rapped the labor racketeers in no uncertain terms in his address before the local Men's Club held last Thursday evening in the basement of the Methodist Church.

Pointing out that the leadership in organized labor could well cause "us to lose this war", Nelson said, "If our boys are fighting for labor racketeers I'm in favor of calling them back home."

Citing labor troubles in many defense plants of the nation, Nelson said that it was high time "we dethrone the leadership and get back to the business of winning the war."

Nelson's remarks stirred others in the meeting to add their disapproval to the way labor leadership was hampering the program of fighting the war. M. C. Roberts took the position that "Green and Lewis could sell out to Hitler and stop production instantly."

While Judge James D. Hamlin reasoned that "all the racketeers were not to be found among the laborers," and pointed out that "we have racketeers in broadcloth" who could hamper the war program by demanding certain privileges to large corporations which they represent.

J. D. Hicks added a few choice remarks as to what his experience had been in past years with organized labor. David Harrison and B. N. Craham made timely impromptu remarks about the conflict in which the nation is now engaged.

The meeting led off with a watermelon feed with an abundance of iced melon for the 50-odd men present for the occasion.

LEAVES FOR CORSICANA

John S. Horner, who has been employed at the Fox Drug store as pharmacist for the past few weeks, resigned the first of the week to go to Corsicana, where he will take over the management of a large chain drug store in that city.

Mrs. Claude Rose, operator of the store, stated that she hoped to replace him at an early date, but had no announcement to make at present.

Local Gins Ready For Cotton Crop

E. M. Deaton, manager of the Farwell and Lariat cotton gins, today announced that both gins had been reconditioned and put in readiness for the Fall ginning season, which is expected to get under way any day now.

Up to Tuesday, no "first" bales had been reported at either of the plants, but Deaton said that the initial ginnings could be expected to arrive at any time. Most gins immediately south of here have already started operations, with the first bales arriving at Muleshoe last week.

Deaton said that both the Farwell and Lariat gins would be operated this year, "if we can get crews". Due to the shortage of the crop last year the Farwell gin was not operated.

Hugh Tucker has been engaged to handle the Farwell gin and Deaton said that as yet his plans for the operation of the Lariat gin were not complete. "Just about the time I get a crew lined up," Deaton said, "the draft gets them or they go into a defense plant."

"We are ready to go," he added, "and will start just as soon as the cotton begins to roll."

Food Contributions Asked For Cafeteria

Parents who have children in the Farwell school, as well as any others who wish to cooperate in the drive, are being asked this week to contribute all types of foodstuffs for use in the school cafeteria.

In view of rising food costs, the members of the third-year home-making class, under the direction of Miss Dorothy Shaw, will prepare and can any kind of vegetables, meats, etc., which may be turned in.

Miss Shaw urges that anyone having surplus vegetables on hand now bring them to the school, where the girls will see that they are put up for later use in the cafeteria. Contributions will be accepted as long as they continue to come in, she added.

Gardens have been very prolific over this section this year, and it is believed that a number of commodities could be turned in without hurting the food budget of the contributing family.

Harvest Day Plans Now in Full Swing

Roberts Starts New Grain Warehouse

Scrap Drive Reaches Zenith Past Weekend

WATERMELON FEED

The Texico Volunteer Fire Department served free watermelon to a fair-sized crowd gathered at the watertower park Tuesday night. The feed followed a demonstration put on by the lads on the fire fighting equipment, and was prompted by a desire to interest more men in joining the department—but the results were very disappointing. Only a very few men not already connected with the crew were on hand.

Grandmother Snell, Age 94, Buried Here

Funeral services for Mrs. Sarah Elizabeth Snell, age 94, one of the oldest residents of this community, were conducted at the Methodist church here Sunday afternoon by Rev. Robt. L. Butler, former local pastor, assisted by Rev. E. J. Sloan and Rev. W. C. Wright.

Grandmother Snell passed peacefully away at the family home on Thursday afternoon after an illness of many years. She was one of the pioneer residents of the Texico community, coming here from Missouri with her family in 1911. Her husband died here nine years ago.

Burial was made by the side of her husband in the Texico cemetery, under the direction of the Steed Mortuary of Clovis.

Mrs. Snell had been in failing health for the past several years. Some few years ago she sustained a broken hip in a fall and had been bedridden since that time.

She is survived by three sons, D. F. Snell, Clovis Roy and Fred Snell, Wentzville, Mo.; and three daughters, Mrs. Clifford Goodfellow, Wentzville, Mo.; Mrs. Arthur Davis, Kirkwood, Mo.; and Mrs. J. C. Davis, Twin Falls, Idaho.

Twenty-Five Depart For Army Induction

Twenty-five Parmer County registrants left here Tuesday afternoon by chartered bus for the induction station at Lubbock, where they will be given their final Army examinations before being accepted or rejected for services in the armed forces of the United States.

The September call was for 29 men, but four of the number had either been transferred to other local boards for induction, or enlisted in other branches of the service.

Leaving here Tuesday afternoon were: Stanford James Stormes, Rudolph Frederick Kube, Cecil C. Parsons, Harley Buren Bulls (captain of the group), William Howard Tarter, James William Holman, James Welbert Herod, Joe Frank Pesch, Sam Floyd Williams, Watson Whaley, Everett Lindon Silvertooth, Charley Weldon Cummins, Wilburn Brady Carlton, Otis Glenn Ramsey, Ernest Glenn Williams, Elza Ray Jones, Henry Lewis Ivy, Jeff Davis Trigg, Otho Samuel Stevick, Hermon John Kloepper, James Harvey Chitwood, Marvis Frank Southward, Otis Harlon Wilburn, Glenn Willard Maxwell, Sidney Treat Erwin.

Former Resident Dies

Funeral services for A. B. Crane, former Farwell lawyer, were held in Raymondville, Texas, on Sunday, according to information received locally. Crane was a resident of this county for many years, and was a step-brother of Jim Landrum of Farwell. Specific information on cause of death was lacking here.

Haircuts Still 35c

The Tribune was in error in reporting Farwell barbers had advanced the price of haircutting to 50c. Bob Kyker, pioneer barber, announced this week that his price still remained at the same old figure—35c. Our mistake, and we apologize to our friend and neighbor, Bob.

Texas is the 28th state to be admitted to the Union.

Construction work was begun Monday on a large grain storage warehouse in Texico by the Roberts Seed Company of that city.

R. E. Plott of the Star Equipment Company of Amarillo, with a crew of workmen, moved in on the job at noon Monday and work was started immediately. Plott said that he expected to have the building ready for use by Nov. 1st at the latest.

M. C. Roberts, operator of the firm, stated that all material needed in the construction was already on the ground and he felt that no delay would be occasioned for lack of material.

The new grain warehouse will be located just south of the Roberts elevator on land owned by the Santa Fe Railway Company, lying between the loading tracks and the main line of the railroad. A lease was secured from the railroad company for the plot of ground on which the building will be located.

The building will be of the barrel-type with a capacity of 75,000 bushels of threshed grain and will be 50x100 feet in dimensions. It will be equipped with spiral conveyors both above and underneath to facilitate loading and unloading.

Roberts said that grain to be stored in the new warehouse would be dumped at the regular pit of the old elevator and would be transferred to the new storage by means of overhead conveyors, adding that the new storage was being built to accommodate wheat now stored in his present plant and his present facilities would be used to handle the grain sorghum crop, which is expected to begin moving within a short time.

The new structure will be of galvanized iron with a concrete floor and will be eligible to receive and store Federal loan grain, Roberts added.

Ton after ton of scrap metal, gathered principally from the farms of this region, poured into the concentration centers over the past weekend as the drive reached its zenith in Parmer County.

Men's Scas lathepedewhand?inETA No definite report had been received here from the concentration centers at Bovina and Friona, except that the response was heavy. The Jones Brothers, handling the scrap metal here, put in practically all of Saturday and Sunday unloading metal junk that will ultimately find its way to Tokyo—we hope. More than 100,000 pounds reached here over the weekend, Frank Jones reports.

Friday and Saturday had been designated as achievement days in the scrap drive, and officials of the County War Board expressed themselves as delighted with the response. "It just goes to show what can be done once we put our minds to the task," Olan Schlueter, chairman of the War Board, said.

Smelters that have been set up to convert this old metal into war implements are threatened with shut-downs from lack of material.

The Farwell FFA boys, with the assistance of their sponsor, T. A. McCuiston, and Ed Eason, made a sizeable contribution to the collection Tuesday when they hoisted an old boiler from the basement of what was formerly the Farwell Inn, destroyed by fire many years ago.

One observer sized up local sentiment pretty well when he observed, "If everybody contributes, as much as Parmer county the Japs might as well give up."

All 3-A Registrants In County Reviewed

The Parmer County Selective Service Board, in session here Saturday, put in an overtime session reviewing all registrants in the county who had been previously placed in class 3-A.

Saturday's session completed the list of registrants in this county with the result that all married men without children were tentatively classified 1-A.

Selective Service officials said that it appeared quite probable that a number of childless married men would be used to fill the October quota for this county. Board members pointed out that they were trying their best to leave men who have large, unharvested crops in the fields, "but even some of them might have to go if we are to fill our call," one member said.

Classifications determined in Saturday's meeting include the following:

1-A, 26; 1-C, 4; 2-A, 8; 2-B, 2; 3-A, 3; 3-B, 2; 4-F, 3; 1-A, pending physical examinations, 5. Those directed to take their first physical exams are: Joe Hub Collier, Lawrence D. Dorsey, Eldridge Bryan Lipham, John Henry Key, Jr., James Edward McGuire.

Ask Volunteers To Stucco Church

Rev. W. C. Wright, pastor of the Baptist Church, today issued an appeal for volunteer laborers to finish the task of stuccoing the church building.

Work has been at a standstill the past several days due to inability to obtain experienced men for the work, Rev. Wright said. The contractor has agreed to supervise the volunteer workmen, who are requested to report for duty Thursday morning of this week.

Church officials are hopeful that there will be a large crew of working men on hand ready for work by nine o'clock.

Dies In Dallas

Derolis Zerome, small daughter of Mr. and Mrs. Edgar Sublett, passed away in a Dallas hospital the past Friday after a lingering illness. Funeral services were held in the Methodist Church at Hale Center, with interment being made there. Mrs. Sublett will be remembered here as Miss Mildred Osborne, sister of Mrs. Bill Moss of Farwell.

Buy War Bonds Every Pay Day

Let's Double Our Quota

Farm Machinery Frozen; County Board Formed to Hear Farmers

Freezing orders on farm machinery and equipment became effective on September 17, and on Monday evening of this week the Parmer County U. S. D. A. War Board met for the purpose of setting up a local board to handle applications for the purchase of machinery affected by the order.

Olan N. Schlueter was appointed by the Secretary of Agriculture as chairman, with J. I. Gober and Wilbur Charles being named as regular members, while alternate members are F. N. Welch, first, and Glenn R. Dunn, second. Names of the rationing committee have been submitted to the State USDA War Board and within the next few days the committee will receive instructions from the WPB.

Dealers having the following types of farm machinery on hand will be required to receive a rationing certificate from the prospective purchaser before such machinery can be sold: beet lifter, beet loaders, combines, corn pickers, disc harrows, feed grinders, fertilizer spreaders, grain drills, grain elevators, hay balers, lime spreaders, manure spreaders, milk coolers, milking machines, pickup balers, potato diggers, shredders, and tractors.

Producers who desire to purchase any of the types of machinery listed above will contact the rationing board. Regular meeting dates, at which time applications will be accepted, have not yet been set, but officials announce that they will be made public in the next issue of The Tribune.

"Full speed ahead" is the theme of the Victory Harvest Day program in Parmer county this week, with sponsors stating that plans are rapidly shaping up for the show, which will be held October 10 in Bovina.

Each demonstration club in the county will have a booth on exhibit at the show, according to Miss Elsie Cunningham, with the women planning outstanding arrangements. In addition, home economists of the county have been asked to stage a style show.

On the men's side of arrangements, farmers, 4-H club boys and others are cooperating with County Agent Garlon A. Harper in securing for display every type of feed produced in Parmer county, along with choice showings of livestock, poultry and hogs.

Visiting specialists who will present demonstrations during the day-long activities include J. F. Rosborough, horticulturist, E. R. Eudaly, dairymen, and Dora Barnes, clothing specialist, all of College Station.

Also, Miss Beatrice McCurdy of Lamb County, Mrs. W. G. Kennedy of Muleshoe, president of the State Association, and Miss Kate Adele Hill, district agent, will attend.

Patriotic Program Planned

In view of the fact that the Harvest Day program will serve as a county-wide get-together, the agents announce that a special patriotic program has been arranged for the afternoon.

Opening the service with appropriate numbers will be the Bovina school band, after which the Bovina Boy Scouts will lead the pledge of allegiance to the flag. Miss Willie Ellen Williams will give "The Star Spangled Banner" as a reading and Judge Lee Thompson will make a brief talk.

Arrangements are being made this week to have a representative of the county War Bond committee on hand to offer bonds and stamps for sale.

In tune with current times, Clarence O. Smith of Bovina has been asked to give a demonstration on First Aid.

"Whatever you're planning on doing the next few weeks, mark up October 10th on your calendar," officials urged, "and be on hand for Parmer County's first Victory Harvest Day."

Light Showers Great Aid to Young Wheat

Light showers that seem to have been general in their scope fell throughout this region Friday night of last week, and will be of great benefit to the freshly sowed wheat fields of the county.

Reports indicate that the rainfall did not amount to more than a quarter to half inch, which was just the kind of rain freshly planted wheat fields were needing to put them off to a good growing start, with the abundant under-season already in the ground.

Practically all of the wheat has already been sown in this county and most farmers report their fields up to an excellent stand.

Friday's rain was also of great benefit to the range conditions throughout this area, and stockmen are claiming the best range conditions in recent years as the winter season approaches. The abundant grass crop will lessen the feeding expense for stock during the winter.

Bovina Happenings

Mrs. Clifford Leake and daughter, Kay, and Mrs. Norma Lee Clements were Farwell visitors Monday.

Mrs. Mattie Nichols of San Antonio, is visiting relatives here this week.

Harold Wade, who is employed at a shipyard in Houston, is visiting his mother, Mrs. Jessie Wade, this week.

Mrs. Jean Lamb of Memphis, Tex., is visiting her mother, Mrs. Sarah Jefferson this week.

Mrs. Millard Ingram and children visited in the Clifford Leake home the past week.

Mrs. John Wines and baby of Amarillo is visiting her sister, Mrs. Cash Richards.

Miss Donalita Hastings and Miss Mary Will Johnston left Monday for Ranger, Tex., where they will be employed.

A surprise birthday party was given for Miss Vera Wines, daughter of Jack Wines, Saturday evening, at which time Vera celebrated her 17th birthday. Several friends and relatives were present.

Miss Marie Langer returned Monday from a week's vacation in Abilene, visiting Cpl. Elton R. Venable who is in the Army camp there. She reports a very enjoyable time.

Congratulations to Mr. and Mrs. Bob Blalock of Dumas on the birth of a daughter the past week. The Blalocks formerly lived in Bovina.

PLEASANT HILL

A number of friends helped Mr. and Mrs. Victor Pierce celebrate their 12th wedding anniversary on Monday night.

Mr. and Mrs. Colwell returned last week from their trip to Arkansas.

Elvis Bell returned from California last week.

Little Charlene Buchanan is on the sick list this week.

Mr. and Mrs. Gene Gooch have returned from visiting in Kentucky.

Mrs. Bell of Hereford spent one evening last week with Mrs. Pearl Singleberry.

The school lunch room is expected to open this week.

The ladies' club entertained their husbands at the gym, Saturday evening.

Clarence Jones is building a granary.

Mr. Bocox returned from the hospital last week.

Buck Eilison is building an extension on his home.

Bobby Finley returned from the hospital last week.

Mr. and Mrs. Atwell are planning to move to Oklahoma.

OKLAHOMA LANE

Mr. and Mrs. Truman Kent visited with Mrs. Joe Donaldson Sunday.

Mr. and Mrs. James Roach spent Sunday with Mr. and Mrs. Harold Carpenter and son.

Mr. and Mrs. Buddy Jones returned.

Mr. and Mrs. Ott Campbell, Mr. and Mrs. Oris Hubbell and daughter and Mr. and Mrs. Oscar Hubbell

and daughters visited Mr and Mrs. Roy Hubbell Sunday.

ed Saturday from Clarendon Tex., where they had been visiting relatives.

Lloyd Gober of Texas Tech spent the weekend with his parents, Mr. and Mrs. J. I. Gober.

Mr. and Mrs. Johnnie Ginnings and Miss Vernie Ginnings visited in Portales, Sunday.

Rev. Pike was a guest in the J. F. Foster home Sunday.

Tom Hammonds of Calico Rock, Ark., left for his home Wednesday after having spent the past few weeks with Mr. and Mrs. J. F. Foster. He is a brother of Mrs. Foster.

Mrs. Bill Johnson left Friday for Camp White, Ore., to be with her husband.

Junior Henson, who is a junior at Tech, spent the weekend with his parents, Mr. and Mrs. H. H. Henson.

Miss Opal Foster, a teacher in the Sundown school, visited here last weekend.

The Methodist meeting began on Sunday with Rev. Ralph Campbell, pastor of the Pine Street Methodist Church, Dalhart, in the pulpit. Everyone is welcome. Services begin at 9:00 each evening.

Mr. and Mrs. Clifford McGuire and family and Mr. and Mrs. Milton Henson and family visited in the Herman Henson home Sunday.

Miss Audy Henson visited in the C. E. Foster home Sunday.

Mrs. Ernest Foster, Mrs. E. M. Reed and Mrs. Bill Hubbell and daughter, Beverly Joy, made a business trip to Muleshoe, Monday.

Mr. and Mrs. Jim Billingsley visited Mr. and Mrs. Alton Berry Monday.

Improvements have been made at the Methodist church during the past two weeks, with a good deal of painting and calcomining going on. Other work is to be done later.

STATEMENT

Of the ownership, management etc. required by the Act of Congress of August 24th, 1912, of the State Line Tribune, published weekly at Farwell, Texas for October 1, 1942.

STATE OF TEXAS.

County of Parmer.

Before me, a Notary Public, personally appeared W. H. Graham, who having been sworn according to law, deposes and says he is the publisher of the State Line Tribune and the following is to the best of his knowledge and belief, a true statement of ownership, management, etc. of the publication for date shown to-wit:

Publisher, Editor, Managing Editor and Business Manager, W. H. Graham, Farwell, Texas.

That the owner is W. H. Graham, Farwell, Texas.

Known bondholders, mortgagees, etc., (if there be none so state) None.

W. H. GRAHAM

Sworn to and subscribed before me this 2nd day of October, 1942.

The University of Texas was opened in 1883 as Austin, during the administration of Gov. John Ireland.

"Git along little doggie...you're a Fraud"

SLEEPING DOGS MAY LIE, but so do some that stand upright. Yet one sniff satisfies Foxy that his little pal is a fake.

Too bad you can't just as readily smell quality in oil. Neither can you see it, feel it, or taste it. This doesn't mean that there's no way to spot the genuine article.

So here are facts to help you pick a quality oil: Phillips offers a number of oils because car owners' preferences vary almost as much as their cars and pocketbooks. But when you want our best oil, there's no need for doubt or question. Phillips speaks out plainly. Tells you frankly that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to car-owners like yourself.

You can readily make sure of quality when you are replacing summer-worn lubricant with the correct winter grade, or when you are making the regular 1,000-mile change, by asking for Phillips 66 Motor Oil.

IT'S PHILLIPS FINEST QUALITY

WARNING: ERGOT POISONING

COLLEGE STATION—A threat to the livestock industry this fall is ergot poisoning, which already has brought losses to Panhandle ranchers.

Ergot is a fungus disease which often affects the heads of many native grasses, rye and other small grains during wet seasons. Dr. H. Schmidt of the Experiment Station, Division of Veterinary Science, explains that the fungus not only causes abortion but also may cause sloughing of the hoofs, horns, ears, and tail.

Dr. Schmidt, together with other veterinary authorities and pathologists from Texas and Oklahoma, recently made a range inspection trip in the Panhandle. They found that Canada wild rye, Virginia wild rye, and Western wheat grass in the vicinity of Canadian are heavily infested with the fungus disease (ergot). The fungus was also found as far south as Gray County.

Upon the invitation of County Agent John O. Stovall of Hemphill county, approximately 50 ranchers who had suffered livestock losses met with the state and Federal officials.

Since there is no effective antidote for ergot poisoning, the disease must be prevented by stopping consumption of infected grasses. George W. Barnes, animal husbandman for the A. & M. College Extension Service, recommends these general practices.

Cut for hay before the plants head out meadows likely to become infected. Or cut the infected heads and remove them from pastures and

meadows. Avoid feeding hay which contains infected heads. Provide livestock with an abundance of clean forage during the fall and winter when heads are softened by moisture and other forage is covered with snow. If necessary, remove stock from infested ranges.

FFA Officials Are Named For Farwell

Bert Williams was named president of the Farwell FFA chapter the past Wednesday, when the club held its organization meeting.

Other officers include Glen Phillips, vice president; Wilbert Kalbas, secretary; Duane Sprawls, treasurer; Billy Martin, reporter; and Jack Knowles, watchdog, with T. A. McChristian as sponsor.

ATTEND AG MEETING

Calvin Blain and Kenneth Jacques, members of the Texico FFA chapter, accompanied by sponsor Victor Stout, spent Saturday in Portales attending the district-statement convention of the New Mexico ag boys. A large crowd attended, representing some 19 chapters, Stout reports. The objectives for the year were set up, laws made, and state officers named.

SANTA FE CARLOADINGS

The Santa Fe System carloadings for the week ending Sept. 19, 1942, were 24,530 compared with 22,695 for the same week in 1941. Cars received from connections totaled 13,526 compared with 9,239 for the same week in 1941. Total cars mov-

ed were 38,056 compared with 31,934 for the same week in 1941. The Santa Fe handled a total of 33,349 cars in the preceding week of this year.

Enterprising Panhandle farmers, with the help of their wives, have made "slip covers" to protect their tractors from the weather. The covers are made from old wagon sheets and other discarded materials.

A Few ??'s to Ask the Printing Peddler

When the Peddler selling stationery and printing supplies solicits your business, there are a few questions which he should be willing to answer to your satisfaction.

Among them being:

- Does he pay taxes in this community?
- Does he donate space in his newspaper to the local community enterprises?
- Does he pay wages to a force of employees located in this City, County or State?
- Does his paper devote its entire space toward the betterment and upbuilding of this community?
- Does he grant you every favor that you would ordinarily ask of a local newspaper?
- Does the quality of his merchandise stand inspection—is it on quality paper stock and the printed matter attractively arranged?
- Will he submit proof of your work before finishing and mailing it to you C. O. D.?
- Does his price include postage and insurance charges?
- Can he supply your order on short notice?

If he can answer all the questions in the affirmative, he is entitled to your business.

IF NOT... CONSULT

Home Wedding Read Sunday At 10 A. M.

The home of Mr. and Mrs. J. I. Gober of the Oklahoma Lane community was the scene of a lovely wedding on Sunday morning at 10 o'clock, when their daughter, Frankie, became the bride of Cpl. David Carson, of the Lubbock Flying School.

Rev. E. J. Sloan of the local Methodist Church read the single ring service before an improvised altar. The room was beautifully decorated with bouquets of lavender dahlias.

Wearing a blue velvet dress with white accessories and a corsage of gardenias and tiny white rosebuds, the bride was attended by Miss Bernice Hartzog of Clovis, who wore a brown ensemble with a corsage of talisman roses. R. B. Ezell served as attendant to the groom.

Following the ceremony, an informal reception was held with Miss Irene Sachs presiding at the table.

Mrs. Carson, who is now teaching in the Clovis schools and will continue to reside there, is a former Oklahoma Lane girl and received her degree from Texas Tech. Cpl. Carson, the son of Mr. and Mrs. Fred Carson of Bovina, also graduated from Tech and is now a Link trainer at the Lubbock field.

Attending the ceremony were Mr. and Mrs. Fred Carson, Mr. and Mrs. A. B. Wilkison, F. S. Gober, Misses Lorene Hodges, Irene Sachs and Bernice Hartzog, R. B. Ezell, and Dr. and Mrs. Fred Peters of Amarillo.

Club Organizes, To Hold Initiation

Initiation rites for new members and freshmen will be held by the Farwell homemaking class Thursday evening of this week, at the home making building, according to Miss Dorothy Shaw, sponsor.

Miss Shaw stated that the evening's entertainment would begin at 8:30.

In a recent meeting, the girls elected the following officers for the year: president, Tommie Randolph; vice president, Lucile Knowles; secretary-treasurer, Twila Strickland; reporter, Norma Jean Thomas; parliamentarian, Mary Hicks.

Returns From Trip

Mrs. E. G. Blair returned home Tuesday afternoon from a trip to Central Texas, where she visited with relatives and friends. This was her first trip back "down state" in 24 years, and she reports a most enjoyable vacation.

Mrs. R. E. Maddux left the first of the week for Roswell and Kenna, N. M., where she will spend a few weeks visiting in the home of her daughters.

Mrs. Ezell Hostess To Woman's Club

The Texico-Farwell Woman's Club met on Tuesday afternoon, with Mrs. Marty Ezell acting as hostess.

Two new members were noted, Mrs. A. D. Smith and Mrs. Fred Kepley. During the business session the club voted to donate \$5 to the Red Cross rather than holding the annual guest day tea affair.

A quiz on "Know Your Constitution" was handled by Mrs. Ezell and the theme of the afternoon was carried out in a talk by Mrs. W. H. Graham on "Our Priceless Citizenship".

Cravy-McCoy Wedding Held In California

Announcement has been made this week of the marriage of Miss Loris Cravy of Clovis to Pvt. Wm. Calvin McCoy of Farwell. The rites were read Saturday, Sept. 5, in the home of Mr. and Mrs. G. E. Krull in San Francisco, Calif., with Chaplain Bell of Ft. Funston performing the single ring ceremony at 8 p. m.

A turquoise wool suit was chosen by the bride, with accessories of brown and a gardenia corsage, while her attendant, Miss Elvira Krull, wore an ensemble of blue trimmed in white and also had a gardenia corsage.

Victor Logan served as best man. Decorations in patriotic colors were carried out in the receiving rooms of the Krull residence, while baskets of gladiolas and rosebuds were used for the wedding motif.

The daughter of Mr. and Mrs. I. A. Cravy of Clovis, Mrs. McCoy graduated from that high school and also the Benson School of Commerce. For the past two years she has been employed in Jones Abstract Co.

Pvt. McCoy is well known here, being a former athletic star of the Farwell high school and the son of Mr. and Mrs. H. C. McCoy. He volunteered into the service about two years ago.

The couple will reside in San Francisco, where Pvt. McCoy is stationed.

Bible Study Theme At Guild Meeting

Mrs. Fay Maxey was in charge of the Bible study lesson for the Wesleyan Guild of the Methodist church when the group met at the church parlors the past Wednesday evening.

The next regular meeting of the Guild will be on October 7, at the church, at which time Mrs. J. T. Carter will be in charge of a mission study program.

Home From Meeting

Miss Elsie Cunningham, home demonstration agent, and County Agent Garlon A. Harper returned over the weekend from College Station, where they had spent the week in attendance at a meeting of staff workers. They report an interesting and instructive gathering.

"Christmas" Club To Be Organized Here

Miss Elsie Cunningham has stated this week that a meeting of all women of the town who are interested would be held Monday evening, October 8, for the purpose of organizing a "Christmas" club.

This club, she went on to say, will be merely a gathering place for women to exchange ideas on making Christmas gifts, and all those who wish to come and join in an evening of sewing, etc., are invited.

At the initial meeting, to be held at the Farwell homemaking building at 8:30, the group will be organized and definite meeting dates set.

Farewell Party Honors Douglas Hall, Friday

Honoring Douglas Hall, who left Saturday to join the Navy, Miss Betty Jo Gilson entertained with a farewell party at her home Friday evening.

Numerous games were enjoyed, after which punch was served to: Mary Latrill Hicks, Gwyn Hancock, Tommie Ruth and Ella Bee Shelley, Dorothea Deaton, Jane Key, Douglas Hall, Jack Hicks, Joe Lindsey, Calvin Young, Scott Billingsley, Robert Fundell, Tommie Paine, George Paul, Paul Skaggs, Leonard Lewis and the hostess, Betty Jo Gilson.

Home Ec Association Will Have Meeting

The first meeting of the fall season for the Parmer County Home Economists Association will be held on October 1st in Bovina, with Anna Hastings as hostess.

Miss Elsie Cunningham and Mrs. P. Elms are in charge of making arrangements, and have stated that nutrition plans will be taken up at that time.

All old members and new home economist in the county are urged to attend the meeting, which will begin at 8:30.

Here From Peacock

Rev. and Mrs. W. T. North and daughters, Imogene and Melva Joyce, of Peacock, Texas, were here the latter part of last week visiting friends and relatives. Rev. North was formerly pastor of the local Baptist Church. They were accompanied by their son, Van R. North of Claremont, who was looking after business matters. The latter is county and district clerk of Kent county.

Mr. and Mrs. Newman Carr announce the arrival of their daughter, Bill, who arrived on Sept. 19, weighing 7 lbs. and 10 oz.

Lenton Pool, Stanley Hillhouse and Fay Maxey, all of whom are employed in defense work in Amarillo were home over the weekend for visits with their respective families.

Mrs. Bessie Lee Henneman spent Sunday afternoon in Amarillo visiting members of her family.

Mrs. Anne H. Overstreet returned Saturday from Oklahoma City, where she had visited for several days with her son Lawrence, and family.

Rev. R. L. Butler of Abilene, former local Methodist minister, visited with friends and relatives in this city the last of the week.

Mr. and Mrs. Albert Thomas, who are living at Field, N. M., visited with home folks in Texico during the weekend.

Mrs. F. J. Doose and daughter, Miss Dorothy, returned to their home in Lubbock on Thursday after spending several days in the C. J. Doose home.

NEWS FROM OUR BOYS IN CAMPS

NOW FIRST LIEUTENANT

Ermon A. Miller, former FSA employee in Farwell, has recently been promoted from Second to First Lieutenant, it was learned from friends here this week. He is stationed at Camp Wolters, Texas.

ON BRIEF VISIT

Staff-Sergeant John M. Taylor arrived home Thursday for a three-day visit with his parents, Mr. and Mrs. J. B. Taylor. He is stationed at Roswell Army Flying School and is connected with radio work there. John reports he "likes the Army fine".

GOING UP

Kirt Crume, who became an Army man over a year ago, is on the upgrade having recently received his sergeant's stripes. Kirt is now doing clerical work at Camp Forest, Tenn.

TO MINNESOTA

Word has been received by Mrs. A. G. White of Bovina that her son, Nolan C. Rhodes, who has been stationed at a naval training center in San Diego, Calif., has been sent to the University of Minneapolis, Minn. where he is taking an electrical engineering course.

Another son, Staff Sgt. Lee Elton Rhodes, who is stationed at the Army Air Base at Biggs Field, El Paso, has recently had his rank raised to Tech. Sgt.

HERE FROM SHEPPARD FIELD

Pvt. Mitz Walling, stationed at Sheppard Field, Wichita Falls, was here over the weekend on a three-day pass visiting with friends and relatives.

WILL VISIT HERE

J. D. Thompson, stationed at Sacramento, Calif., writes Mr. and Mrs. A. D. McDonald that he plans to visit friends here the last of the month. J. D. has recently received a promotion in rank, and is now a Staff-Sergeant. He is the son of Mr. and Mrs. F. E. Thompson, former local residents.

IN HAWAII

Sgt. Lorenz (Shorty) Gast, son of Mr. and Mrs. Karl Gast of this city writes that he is now stationed in Hawaii. He is in the infantry, and states that the mosquitoes on the islands are as big as four-motored bombers. However, he is "having a good time and likes it fine".

Mr. and Mrs. Wayne Robinson of Pampa, and Mrs. Pearl Stewart and daughter, Katherine Ann, of Amarillo, spent Sunday in the Loyd Cain home, admiring the Cain's new son, "Corky".

J. H. Curtis, son of Mr. and Mrs. Henry Curtis, who is employed at Las Vegas, Nev., came in last week to report to his Local Board for a physical examination. He flew from Salt Lake City to Amarillo, only to be rejected after arriving here. He returned to Las Vegas on Monday.

Mr. and Mrs. A. D. Smith returned home Sunday from a week's visit with relatives in Topeka, Kansas.

Watch Mail Address For Men Overseas

Press releases from Washington this week were to the effect that some 10% of the mail intended for soldiers stationed overseas was incorrectly or insufficiently addressed.

The following pointers on addressing overseas mail are given:

Grade, first name in full, middle initial, and last name of persons addressed, followed by army serial number if known.

Letter or number of company or other similar organization.

Designation of regiment or separate battalion, if any.

Army post office number in care of appropriate postmaster. Location of the overseas station (if known) SHOULD NOT be used.

Red Cross Institute To Be Held, Lubbock

Mrs. Teresa B. Gregg, executive secretary of the Lubbock Chapter of the American Red Cross, this week issues an invitation to all Red Cross representatives in the area to attend a special institute in Lubbock on October 2nd.

The institute will be held at the Lubbock Chapter house, 16th St. and Avenue J, and will be conducted by the following representatives from the Midwestern Area: Lesbe This, home service director Miss Bee Hendricks, junior Red Cross; and Jack Henry, disaster preparedness.

Mrs. Gregg issues an urgent invitation to Red Cross workers to attend the institute, which opens at 9:30 a. m. and concludes at 4 p. m.

Surplus Cotton To Be Made Up For Use

Under a joint project of the home demonstration club women and the Parmer County Commissioners Court, surplus cotton remaining on hand from the county mattress program will soon be worked up into comforts and mattresses for indigent families in the county.

Miss Elsie Cunningham, in making the announcement, stated that the commissioners had agreed to provide the necessary materials for making the cotton into usable articles, while the women will do the work.

It was believed that out of the supply of cotton on hand, some four comforts and one mattress could be made. A definite date for the work will be set on Saturday, by the home demonstration council.

Mr. and Mrs. Levy Grogan of Cordell, Okla., visited in the P. A. Lee home in the Oklahoma Lane community last week. They were en route home from a trip to points in New Mexico.

Karl Gast, operator of the Gast Auto Clinic, returned home Sunday from a vacation trip to the West Coast. He visited in many places up and down the coast, where his sons and daughters are now living.

Airmail Hosiery

Fall Stock Just Arrived

In all the new Fall shades and colors in nice sheer rayon.

Men's Sox, too!

RED  **PHARMACY**

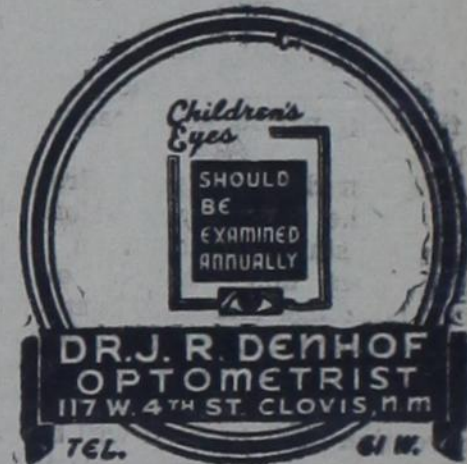

Bobby Anderson, student at Texas A. & M. College, is home for a few days with his family, Mr. and Mrs. G. D. Anderson. He is accompanied by a classmate, George Podd of Houston.

Maxine Ford, of Amarillo, was a weekend visitor in Farwell.

O. B. Pipkin, who is working in Amarillo, visited with his family here the first of the week.

Mrs. Claude Rose and son, Claude Jr., spent Sunday at Camp Wolters, Texas, visiting her husband, who is stationed there in officer's training camp.

Mrs. Cecil Harmon of Lubbock visited last weekend in the Z. W. and H. H. Petree homes in Farwell.

10 Rules for Army Wives

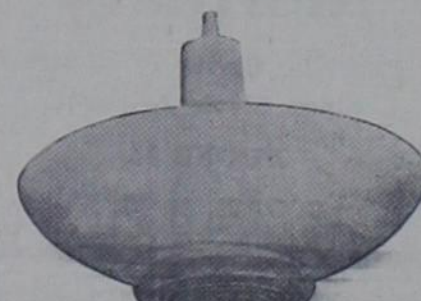

1. Don't gossip idly about the war. Discourage the vicious cycle of unconfirmed rumors among your friends by not indulging in it yourself.
2. Don't write discouraging and sorrowful letters that will undermine your husband's morale.
3. Don't make your position as a husbandless wife so obvious it is a source of irritation to your acquaintances.
4. Accept social invitations with good grace. Be interesting and your friends will never think of you as a "fifth wheel."
5. By all means keep busy—in war work, hobbies—anything that will fill your time interestingly and constructively.
6. Don't mope and mourn publicly. This sort of thing will drive friends away faster than B. O.
7. Be a joiner. Join a club, church, Red Cross—any of the organizations where you will meet other people whose interests will widen your own.
8. Don't indulge in self-pity. We're all in this war together and you are most certainly not alone in your husbandless existence.
9. Keep up the same interests you and your husband shared and add as many new ones as you can..
10. You promised to "love honor and cherish." Emotionally and actually you may be alone for the duration but, remember, yours is not as tough a job as his!

- ◆ School's Started—
- ◆ Fall's Here—
- ◆ Shorter Days—

They Need More Light

Yes, now that school has started and Fall is here to give us shorter days we will need more light in our homes. More light for our children to do their home work by. You can have Better Light with these inexpensive portable Lighting Fixtures. No wiring need be changed or skilled labor required—just screw them into existing sockets. Poor light is the beginning of poor vision. Let's not deprive our children of good light when it can be had so inexpensively. Re-light TODAY!

NEWS from **FOOD**
YOUR **COUNTY EXTENSION AGENTS**
TEXAS EXTENSION SERVICE

By **GARLON A. HARPER**
County Agent

The President of the United States has proclaimed the week of October 4 as Fire Prevention Week. Let's plan now to make not only that week but all the "duration" a fire prevention period. There is enough destruction going on now with all the trouble started by Hitler to allow useless destruction of our homes and farm buildings.

Fires are something which we have not given enough thought to during the past. They have always been a tragedy to those directly affected but to the average person home fires are just something which will never happen to them. These fires do happen to us. In Texas there are about 250 people who lose their lives each year in fires on farms and rural homes. The toll of these fires equals 6 1/2 million dollars when expressed in terms of money lost. Now, fires are more important than ever because of the need for the materials used in rebuilding. Our greatly expanding armies and our war industry plants need materials and they must have them regardless of whether you need a burned home replaced. Those people who are burned out now will have difficulty in replacing because of the material and skilled labor shortage. Army camps need our carpenters. Uncle Sam needs 5,000 board feet of timber for each soldier in the army. The grain we have stored on our farms, the pastures which we plan to use to fatten cattle, and the stacks of roughage on our farms will not produce food for a fighting nation when reduced to ashes.

The best time to fight a fire is to remove the fire hazard before the fire ever starts. Watch open fires, check flues, don't smoke around farm buildings and fuel containers, and be everlastingly on the lookout for fire hazards. There is a systematic way to do this. We have a fire prevention leaflet which will be distributed to every farm family in Parmer County through the Victory Council Leaders. When you are given a copy of this booklet take a little time to read through it. Then check all the danger points and make the necessary corrections. Your Victory Leader will assist you in locating these danger points and will give you some pointers on making your farm safe from fires.

Preventing farm fires will help to lick the Axis.

The last national election of the Republic of Texas resulted in the election of Anson Jones in 184

SANDWICH FILLINGS

By **Elsie Cunningham**
Home Demo. Agent

Extension Service, Texas A. & M. Since school has started and with it the problem of fixing tasty sandwiches for your children, I am giving you the following list of suggested fillings which may be helpful:

Butter mixed with honey, jam, or marmalade; sliced cold meat; sardines with hard-cooked eggs; sliced cold meat loaf; chopped pecans with hard-boiled eggs and salad dressing; bacon, lettuce and salad dressing; bacon, sliced tomato and salad dressing; minced meat with salad dressing; peanut butter raisins and salad dressing; peanut butter and salad dressing; peanut butter and jelly; cream cheese with nuts; cottage cheese and apple butter; cottage cheese and thin slices of tomatoes; grated cheese, pimentos, salad dressing, cheese and olives; eggs, olives and salad dressing; chopped prunes and figs; chopped raisins and nuts; grated carrots with salad dressing; chopped chicken and pickle relish; fried liver and bacon finely chopped and mixed with piccalilli or chowchow; ground salt pork, peanut butter and salad dressing; firmly fried eggs with catsup, mustard or bacon added for variety.

To vary sandwiches use different kinds of bread. "Enriched" whole wheat bread, and don't forget about rye bread, it's excellent with cheese and meats.

Sandwiches taste better if a few "tempters" are included. For something crisp and interesting try a slice of dill pickles, a whole tomato, a few carrot sticks or cucumbers in sticks or slices, a stalk of celery, a wedge of cabbage, a small raw turnip or a few olives in the lunch. This is one way to get a raw food into the school lunch, also added food value.

Plan the lunch in relation to the other meals of the day. Every normal growing child should have every day at least 1 qt. of milk, 1 serving of a Vitamin C-rich food; 1 serving of a leafy, green or yellow vegetable; 2 other servings of vegetables and fruits; 1 egg; 1 serving of lean meat, poultry, or fish; 2 servings of whole grain products or "enriched" bread; some fats and some sweets.

The school lunch should provide 1-3 of the food needed for the day.

Demonstration Club Notes

By Special Staff Reporters

Council To Meet

The regular meeting of the Parmer County Home Demonstration Council will be held Saturday, September 26, at Blackwell's Hardware in Friona, beginning at 3 o'clock. At this time, the 1943 program will be outlined, annual reports will be given and other business taken up. All members of the council are urged to be on hand.

Sports for U. S. Captives in Jap Prison Camp

This photo which appeared in the Japanese propaganda magazine, Freedom, published in Shanghai, was brought to the U. S. by a national recently repatriated. The Jap caption states that it shows a "playtime" scene at a war prisoners camp in Shanghai. The caption says that baseball and volley ball are provided for U. S. marines, and cricket for the British.

Aid Offered For Food Preservation

Farm women in Parmer County who need aid in food preservation and storage this fall may obtain financial assistance from the Farm Security Administration, Mrs. Edna P. Elms, home management supervisor for the agency announced this week.

"Farm Security," said Mrs. Elms, "will finance the purchase of pressure cookers, jars, and other canning equipment for eligible FSA borrowers.

"This agency," she continued, "will also finance the construction of cellars, or other storage space for fruits and vegetables needed to keep the family's food supply."

The home economist said there are many other items, for which the Farm Security Administration can advance loans to farm families to help them contribute effectively in the nation's war effort. She invites all farm women interested in learning of the help available to them to contact her immediately at her office in the court house in Farwell.

"The President and the Secretary of Agriculture know that the small farmer is finding it difficult to do his best fighting in this food production war," said Mrs. Elms. "Consequently, the Farm Security Administration's program has been geared to the immediate importance of producing food for the war. Nothing else is so important."

Mrs. Elms said that program goals and methods have been reevaluated and redirected to get increased production from the small farm and ranch operators of the United States.

"The former lack of adequate financing and assistance in production on the part of many small farm families is being met with an enlarged and reorganized FSA program. Farm families are anxious to produce more food for themselves and for others; Farm Security is anxious to make it possible for them to produce it," she said.

4-H Clubs To Begin Current Year's Work

Parmer County 4-H Clubs will hold their first meetings of the 1942-43 school year during the next few days, according to Garlon A. Harper and Miss Elsie Cunningham agents.

For the boys, the first meetings will be devoted to organization and election of officers, while the girls will hold achievement days in the various clubs, with each member to bring for exhibit work she has completed during the past year.

Dates for the first meetings, which will be held at the school buildings are:

- Sept. 23, Eovina, 3 p. m.
- Sept. 24, Midway, 9 a. m.; Lazbuddy, 10:30 a. m.
- Sept. 25, Friona, 10 a. m.
- Sept. 28, Oklahoma Lane, 10:30 a. m.; Farwell, 3 p. m.
- Sept. 29, Rhea, 10:30 a. m.

Parmer Dairy Team Takes First At Meet

Leon Grisom and Donald Watkins, composing the Parmer County 4-H club dairy team, were high scorers in a recent district contest held in Lubbock, with seven teams competing. County Agent Garlon A. Harper has announced.

The local team staged their demonstration around "Production of Clean Milk," illustrating all the fine points of securing clean milk, including clean stalls, proper and sterile instruments, etc., and finally showed the difference in milk produced under sanitary and unsanitary conditions.

Incidentally, the absent reported, the team lacked only one point to win the contest, being defeated by Taylor county, whose team scored 91 to Parmer county's 90.

James Stephen Hogg was the first native Texan to be elected Governor of Texas.

Texico Lunch Room Opens On Monday

Approximately 200 children were fed at the Texico school cafeteria on Monday, when the first meal of the 1942-43 term was served, Supt. B. A. Rogers reported today.

Sponsored jointly by the Texico Community Club, the WPA and the Surplus Commodities Corporation the hot lunch project offers meals to children at a very nominal price.

Set up on a graduating scale, the first child of a family pays \$1 per month for his meals and with each additional child, the price drops 25c. Supt. Rogers pointed out, which plan enables even large families to pay for hot school lunches.

Officials Named
At the meeting held Thursday evening, officers of the Community Club were named, with Mrs. Ed Blain as president, Mrs. V. H. Miller as vice president, and Mrs. B. A. Rogers as secretary-treasurer.

These women, as well as others belonging to the club, will work with Mrs. Sleta Hall, supervisor, in keeping the lunch room project functioning smoothly.

Supt. Rogers stated that a large amount of commodities was received from the Corporation the past week and other shipments were expected to arrive in the future.

TIRE BOARD REPORT

Tire, tube and retread certificates authorized by the Parmer County Traction Board on Sept. 16 include the following:

- Lazbuddy School, four bus tires, four tubes.
- Nelson C. Smith, two obsolete passenger tires, two tubes.
- Mary Gaines, two obsolete passenger tires, two tubes.
- W. L. Pace, one trailer tube.
- Fred Dennis, two retread passenger tires.
- Claud Heath, two retread passenger tires.
- Morgan Billington, two retread passenger tires.
- Dick Geries, one retread passenger tire.
- Mrs. Mae E. Abbott, one retread passenger tire.
- T. E. Levy, two trailer tubes.
- Ranza B. Boggess, one tractor tire.
- G. L. Kimbrough, one tractor tire.
- Watson Whaley, two tractor tires.
- Frank W. Mason, two tractor tires, two tubes.
- Friona Consumers, one truck tire, one tube.
- Buck Ellison, one binder tire.
- J. B. McFarland, one tractor tire.
- Triplet & Pringle, one pickup tire, one tube.
- John Thomas, two retread trailer tires.
- Henderson Grain & Seed, five retread truck tires.
- H. H. Barlow, two retread pickup tires.
- J. A. Stovall, two retread pickup tires.

500 Openings For Electric Arc Welders

The U. S. Employment Service of New Mexico announces through the Clovis Employment service that there are 500 openings for electric arc welders in the Richmond Shipyards, Richmond, Calif.

Those qualified for training must have had training in vocational education national defense training, schools which have been recognized, as has the Clovis training school. Those who are available to take this training may apply at the Employment Office and be referred to the Clovis high school vocational building to enroll for training for these jobs. After the trainee has completed his course, he is offered a position in the shipyards.

There are eight vacancies at present in electric arc welding at the Clovis school for the eight-hour period classes, and in this training there can be four-hour per day trainees.

For further information contact Carl A. Miller, local director, training for War Production Industry, 720 Pile, Clovis, or phone 878-M.

Take Good Care Of Electrical Appliances

COLLEGE STATION—A large percentage of the service calls made by repairmen who work on electrical equipment can be traced to trouble in cords and their connections.

"Cut down on service calls by handling cords and appliances carefully," is the advice of Mrs. Bernice Claytor, specialist in home management for the A. & M. College Extension Service. "In storing or using appliance cord it is best not to kink or bend it sharply," she says. This causes the fine wires inside to break, making the cord useless. A cord should never be jerked from an outlet or appliance by the cord itself.

"Grasp the plug firmly when you

are connecting or disconnecting the cord," the specialist suggests.

It is not advisable to overload any outlet with several extension cords, because the appliance may be damaged as a result.

Taking good care of electrical appliances is in line with the Victory Demonstrator's pledge signed by thousands of rural homemakers in Texas, for it will make them last longer and give better service.

TO PREACH SUNDAY

Rev. W. C. Wright pastor of the Baptist Church, has announced that he will be in the pulpit Sunday for both morning and evening services. He had planned to be away in a revival meeting, but the meeting has been postponed, he said.
