

Bear Brunt of Japanese Assault

Top ranking officers in command of the marines in the battle for Guadalcanal island and the Solomons are shown in the picture at top. They are, left to right, Col. Gerald Thomas, chief of staff, Gen. A. A. Vandergriff, and Brig. Gen. William H. Rupertus, in command of the marines on Tulagi. Below, two big Flying Fortresses roar down the long runway of Guadalcanal airport, one of the prime objectives in the Japs' "all out" assault on the strategic island. The airport was built by the Japs and taken from them by U. S. marines.

Registration of Trucks Makes Slow Progress

Urges Adoption of Amendment

Judge J. D. Hamlin of this city, in a statement to the press, advocates the adoption of House Joint Resolution No. 1, which is being submitted to the voters on next Tuesday as a proposed amendment to the State Constitution.

Simply stated, the amendment would put the state on a pay-as-you-go basis rather than allow one Legislature to appropriate money the State does not possess, leaving another Legislature to levy the taxes to pay the appropriations.

It's a good move in the right direction and should be adopted by the voters on next Tuesday.

Gober Now Member Of County Draft Board

J. I. Gober, newly appointed member of the Parmer County Selective Service board, assumed his duties here Sunday afternoon when the board was in session for the purpose of classifying registrants.

Mr. Gober succeeds Sam Sides, whose resignation was announced two weeks ago. His appointment will come direct from President Roosevelt, but in the meantime he is serving under the authority of J. Watt Page, State Director of Selective Service.

Classifications Announced

The following classifications are announced by Mrs. Bessie Lee Henneman, clerk, as a result of Sunday's meeting: 1-A, 8; 1-C, 32; 2-A, 2; 2-B, 2; 3-A, 1; 3-B, 13; 4-F, 2.

Success Story

He was just a bus driver but he had some land "down south" on which a test oil well was being sunk. One day in a casual way he mentioned it to one of his "regulars" on the run.

From then on, the first question of the weekly trip was "How's the oil well proposition?", the excited customer waiting with baited breath to hear the outcome and have a millionaire acquaintance.

Finally the great day came. The driver remarked, "Got my oil well going". The customer, ears literally wagging, sat forward and gasped out, "What's it going to bring you?"

With a gleam in his eye, the driver remarked judiciously, "Well, the way I figure it, taking off taxes, production cost, what I'm allowed to pump, etc., in a year I'll make 14 cents a day—figuring oil at \$1 a barrel. If it goes down, I'll go in the hole."

Work on Double Track Nearing City

Gas Rationing Looms as Big Problem

Bond Sales Lag as Month Nears Close

First Frost Does No Damage

Unmatured crops escaped damage from the first frost of the season here, Tuesday morning.

Most farmers agree that the frost will actually be a benefit to crops rather than causing damage, in that it will stimulate maturity.

The frost was quite heavy early Tuesday morning, but old-timers agree that coming in the light of the moon is the reason that it did not affect crops.

Draft Board Looking For Seven Delinquents

Mrs. Bessie Lee Henneman, clerk of the local draft board, today announced the names of seven registrants who are reported delinquent at the local office.

Six of the number are delinquent for only a short period, while the seventh has been unreported for a period of two years and his name has been referred to the Federal Bureau of Investigation.

The six men who are delinquent for a short time are: Barney Floyd Woods, Frank Wm. Naples, Clifford Smith Crow, Marion Eugene Rochelle (colored), Lawrence Lee Sentele, Lewis Kizine (colored). Anyone knowing the whereabouts of these registrants should advise them to get in touch with the local board immediately. Their names will be forwarded to the FBI on Nov. 1st unless located before then.

Horace Richard Hammons has been classified as a delinquent for two years and was still unreported the first of the week.

Board members again warned registrants of the importance of keeping the local board advised of any change in address. Failure to do so within ten days is punishable by imprisonment under Selective Service regulations, it was announced.

Two Farwell Soldiers Are Given Discharges

Two Farwell young men, both married, returned to their home here during the past week, having been discharged from the Army.

Claude Rose, who volunteered in the VOC three months ago, was discharged from Camp Berkeley, Tex. Bill Moss was discharged from Love Field, Dallas, after spending several weeks in a hospital at Mineral Wells.

Both young men give out the general impression that in their opinion Army life is "not so hot" and they are glad to be back home.

Texas oil producers now pay direct taxes amounting to \$788 a year for every employee they have.

Sales of War Bonds and Stamps in Parmer County gave every indication of falling below the monthly quota for the first time, early Tuesday morning, when G. D. Anderson, chairman of the War Bond Committee, expressed doubt that the October quota would be subscribed.

"It looks like the lightest month in the history of the War Bond sales drive," Anderson said in commenting on the prospects for the month. He added that up to that time he had not had occasion to tabulate the sales, but was basing his opinion on local sales and reports in hand.

He said that unfavorable weather conditions, which stopped the financial turn-over from the farm products had played an important part in holding up sales. The quota for the month of October is \$15,400. Bonds in any denomination may be obtained at the Security State Bank in Farwell, the Friona State Bank in Friona. War stamps are on sale at all postoffices.

He said that unfavorable weather conditions, which stopped the financial turn-over from the farm products had played an important part in holding up sales. The quota for the month of October is \$15,400. Bonds in any denomination may be obtained at the Security State Bank in Farwell, the Friona State Bank in Friona. War stamps are on sale at all postoffices.

Gather Scrap Before Snow Flies, Is Plea

The Santa Fe Railway deserves credit for its efforts to support the national newspaper scrap iron and steel campaign with its current and timely advertisement urging all to get this needed scrap into proper hands "before the snow flies".

The Railway has been keenly alive to the nation's need for this metal since Pearl Harbor. In fact, since Dec. 7 the Santa Fe has collected 210,716,000 pounds of the now precious metal for conversion into essential war materials. That is a huge heap for any scrap but it is the kind that will beat the Jap and other foes. It was collected from right-of-way, roundhouses, shops, offices and all company properties.

With its own job well in hand the Santa Fe now turns to aiding the nationwide newspaper campaign to dig up every bit of scrap possible to help the nation and its fighting men.

As a member of the newspaper fraternity of the United States, sponsoring this patriotic campaign, The Tribune welcomes the Santa Fe's help in spurring collection of vital metals, and with the Santa Fe, urges all—"get in the scrap before the snow flies".

TWO LEAVE FOR ARMY

Two Parmer county selectees, Joe Chernick and Woodroe Finley, will leave here on Oct. 30 for the induction center at Fort Sill, Okla., where they will be inducted into the Army. These two boys are now out on furloughs, having passed their physical examinations at Lubbock some few days ago.

Outdistancing Thanksgiving football games and dinners as a topic of interest this week is national gas rationing, the sign-up for which will occur during November.

Local Ration Board officials admitted today that they had very little information other than that released by press bulletins in the daily papers, which indicates that the registration for rationing of gas will be conducted on November 12, 13, and 14.

Mark McGee, state OPA director, has announced that teachers will be charged with the unwelcome job of signing up passenger car owners for the basic gasoline allowances they will receive when mileage rationing goes into effect November 22. Also on the registration dates, owners of motorcycles will be required to appear before the clerks to sign up for their allotments.

No complete details have been worked out in this county as yet, but the general idea seems to be that teachers will remain "on deck" through all three days designated for registration, with schools likely to be dismissed on Thursday and Friday, the 12th and 13th.

Texas, with its wide-open spaces, scattered towns and population and lack of sufficient commercial transportation, will undoubtedly be one of the sore spots in the nation when rationing actually gets underway, and already state officials have been conferring with national directors regarding the issuance of sufficient gasoline to Texas motorists for essential driving.

Texico Registers At School

On the Curry county side of the line, vehicle owners will also register at the school, although Supt. B. A. Rogers indicated that he had little information to offer as yet.

Ezell Is Named AAA Supervisor For Bailey

Marty Ezell, who for the past several years has been connected with the Parmer County AAA office, was named administrator of the Bailey county office, located at Muleshoe, the past week.

Mr. and Mrs. Ezell and daughter moved to Muleshoe over the weekend, and he took over his duties the first of this week.

HOME FROM STATE MEET

Rev. W. C. Wright, pastor of the local Baptist Church, returned home Thursday of last week from Albuquerque, N. M., where he attended the annual State Baptist Convention.

Rev. Wright reports "a good convention and a fine spirit." He said attendance was not up to normal, but the meeting was declared to be one of the best in recent years. He was the only member of the local church in attendance.

COMMISSIONERS MEET

The Parmer County Commissioners Court was in session here Monday. The minutes reveal that only regular routine business items came up for attention.

Construction of the grade and drainage work on the double-tracking program of the Santa Fe lines between this city and Clovis was nearing the Texico western city limits this week.

A bridge-building crew arrived here Monday and will do the steel work on the trestle that spans the underpass west of Texico.

Local railroad officials said that the double track would extend from a point one mile east of this city on the Slaton division to Clovis. In addition, an extra passing track is to be built to parallel the main line through the local yards.

Plans are also under consideration for the improvement of the local freight depot. But no definite information could be obtained on this project.

The double track from here to Clovis will be laid south of the present trackage passing the passenger station on the south. Officials said today that W. B. Crow had been notified to vacate his camp house buildings from the present location in order to make room for the new line.

Laggers Warned On Need of Filing Reports

Operators of service industries and trades were warned today by John Armstrong, chairman of the Parmer County Ration Board, that those tradesmen who have not yet filed lists of their ceiling prices, due by Sept. 10 are subject to penalties of the price control law.

"We have a quantity of pamphlets available at the board office, explaining what services are covered and the form in which the reports should be filed," he explained, adding, "when a tradesman comes to us in good faith and reports that he has not filed his report because he did not understand the requirement, the board will be glad to help him with the necessary forms so he may have his report on file without further delay."

"However," he concluded, "if we receive complaints from customers that service men do not have in their establishments the required list of ceiling prices, which should have been there since Sept. 1, the board will be obliged to pass on the complaints to the state OPA in Fort Worth for proper enforcement action."

LIGHTS IN COW PASTURE

Alvin Robert Peach, son of Mr. and Mrs. J. F. Peach of west of Bovina, flew in from Abilene Monday and set his borrowed plane down in his father's cow pasture while he enjoyed a brief visit with home folks. He is an aviation mechanic in a government school at Abilene.

SCHOOL OPENS AT 10

Beginning Monday of this week, school in Farwell gets underway at 10 a. m. and closes at 4:15 p. m. Supt. J. T. Carter has announced. The school has been operating on a 9 to 3 schedule, but shorter days brought on considerable inconvenience to bus drivers and students, necessitating change of schedule.

County Draft Board Questions Advisability of Stripping Farms of Laborers, Leaving Unharvested Crops in Fields

The Parmer County Selective Service Board, in session here Sunday afternoon, laid before J. Watt Page, State Director, their views on the farm labor situation in this county with the idea of getting some relief from a situation generally considered nothing less than serious.

The Parmer county board adopted the following letter, which has been dispatched to the State Director at Austin, setting forth the farm labor problem in this county.

The letter:
Col. J. Watt Page,
State Director of Selective Service,
Austin, Texas.
Dear Col. Page:

In order that they might save these crops before being inducted into the Army, and in the further hope that before the end of the present year there might be an ease-up in Selective Service regulations that would permit us to retain many, possibly all, of these II-A men on the farms.

in order that they might save these crops before being inducted into the Army, and in the further hope that before the end of the present year there might be an ease-up in Selective Service regulations that would permit us to retain many, possibly all, of these II-A men on the farms.

You must realize our situation in this county in order to appreciate the serious problem confronting the Local Board: Practically all of our men engaged in agriculture operate on a large scale; I believe it would be safe to say that not one of our farmers cultivates less than 100 acres and from that up to as high as 1200 and upwards. Generally speaking, in this area, no farmer is considered as such unless he has at least 200 to 300 acres in cultivation.

Most of the II-A deferments we have given will expire during the month of December, which is calculated to give them sufficient time to harvest their present crops. Now, what these farmers in this deferred class are anxious about is their prospect for being retained on their

farms for the coming year, for the reason that plans to that end must be in the making now.

Parmer County is strictly an agricultural and livestock producing county; we have no industries and no large cities where young boys accumulate. Figures compiled by the clerk of the Local Board reveal that a fraction more than 71% of men from this county now in class I-C have been taken from the farms, and by that I do not mean simply farm hands, but actual farmers who were either farming for themselves or associated with others in farming and stock raising.

What we are interested in knowing is this: Are we going to continue to be called upon to furnish men to the Armed forces when such a large percentage must be uprooted from the production line of agriculture? Naturally, the bill now pending to draft the 18-19-year-old lads may be looked upon as a remedy to our situation. And we grant you that we will have some boys in this class who are not engaged in essential in-

dustry, but at the same time a vast majority of these youths will come from the farms where labor shortage is already acute.

It might be pointed out also that our farmers in this county are tractor and combine farmers, which means that the average run of farm labor that may be imported to this area would be little more than useless to our farmers in relieving the labor shortage. Mere manpower is not going to solve our problem; our farmers must have experienced, mechanical-minded and trained help to derive any benefit from them.

Farmers who are trying to operate five and six-hundred acre farms alone or with the assistance of only one hired hand are wondering what plans to make for the next year. They want to know if they are going to be told to cut down production by reducing their operations, or are they to make plans for carrying on their present scale.

Your records will reveal that Parmer County has met every call (Continued on Last Page)

Bovina Happenings

Mr. and Mrs. Roland Farmer of Amarillo are visiting her parents, Mr. and Mrs. Tom Horton this week.

Monday night, a meeting was held for the purpose of forming an organization of those interested in taking a welding course. The course will begin at 8 o'clock, lasting three hours five nights each week for ten weeks. Those eligible are those out of school who are 17 or over.

Mary Will Johnson, who has been in training at the NYA war work center at Ranger, Tex., is spending a few days with her parents, Mr. and Mrs. Bob Johnson.

Mr. and Mrs. Tom Gilbert of Amarillo are visiting in the Carlisle Russel home this week.

Mrs. Bob Johnson and children shopped in Lubbock, Monday.

Mr. and Mrs. C. R. Howard and Mrs. Harry Jefferson shopped in Amarillo, Tuesday.

Mrs. Buren Vassey, Mrs. Will Parker, Mrs. Fred Henry and Mrs. Will Nittler attended a meeting of the home demonstration council in Friona, Saturday.

Virgil Freeman, who is in the Army training camp at Lubbock, visited his parents over the weekend.

R. J. Douglas, who has been receiving medical treatment at Memorial Hospital in Clovis, is much improved, and returned home Saturday.

Sgt. Alton Venable of Camp Barkeley, Tex., spent the weekend with his parents, Mr. and Mrs. Oren Ven-

able. Miss Marie Langer went to El Paso, Thursday, to be with her sister, Mrs. Clyde Blalock, who underwent a surgical operation at the Beaumont Hospital.

Football Game

The Bovina football team played its first football game of the season Friday on the home grounds, winning 20-0 over the Happy team. After the game the high school girls treated the boys to hot chocolate and cookies. One more game will be played, with Happy, there, on Friday, Oct. 30.

Victory Concert Given

A large crowd gathered at the school auditorium Friday night for the first Victory Concert. The program was varied, with school children and the high school band taking part. It is planned to have a victory program each month. Over \$100 of stamps was sold during the evening.

Bovina Club

The club met Oct. 22 in an all-day session with Mrs. Fred Henry, at the Bovina Hotel. Quilting was the order of the day, with two quilts completed, one for the hostess and one for Welfare Relief.

In a business meeting definite plans were made for the club to participate in maintaining a club house to be used for various organizations of the town.

Officers for the ensuing year were named. Mrs. Newell Bonds will occupy the president's chair. Other officers are: vice president, Mrs. Reagan Looney; secretary-treasurer, Mrs. Fred Henry; food demonstrator, Mrs. Hilary Tidenberg; clothing demonstrator, Mrs. Will Nittler. Chairmen of committees will be appointed by the chair in January.

OKLAHOMA LANE

Misses Francis Roach and Frankie Hammonds returned to Lubbock, Sunday, after spending the past week with relatives here.

Edwin Foster returned Thursday from Elk City, Okla., where he spent a few days.

Mrs. Guy Tandy and children of Dumas have been visiting in the A. L. Tandy home.

Mrs. Jack Roach, Mrs. Ott Campbell and Mrs. Oris Hubbell made a business trip to Muleshoe, Wednesday.

Mr. and Mrs. Charlie Hromas of Doggett, Calif., are visiting here.

A. Tucker, of San Bernadino, Cal.,

is visiting in the Jess Pruitt home. He is her father.

Melvin Coffee, stationed at Ft. Bliss in the medical corps, visited here Saturday.

Bro. Jess Terry and family of White Flat, Tex., are visiting Mrs. Joe Donaldson.

Mr. and Mrs. Lovell and son of Guthrie, Okla., are visiting in the home of her parents, Mr. and Mrs. Ernest Hromas.

Mrs. Joe Donaldson and Mrs. J. B. Ginnings were hostesses at a pink and blue shower for Mrs. James Roach, Wednesday.

Mrs. J. C. Boone of Clovis and Mrs. Hugh Tucker were co-hostesses in the Joe Donaldson home Tuesday for a pre-nuptial shower honoring Miss Evelyn Hromas, who will become the bride of Cpl. Clinton H. Skoggs of Charleston, W. Va., Oct. 30. Miss Hromas is the daughter of Mr. and Mrs. E. A. Hromas and has been attending school in Amarillo the past several months.

PLEASANT HILL

Mr. and Mrs. Barber, of California, arrived recently. They are visiting her parents, Mr. and Mrs. Jason Langford.

Mr. and Mrs. John Hightower returned from Carlsbad, Sunday. They had accompanied Mr. and Mrs. Victor Pierce, who moved there.

Rev. and Mrs. A. C. Graham and son spent the vacation at Plainview with relatives.

Mr. and Mrs. Pearl Singletery and daughter visited in Hereford, last Wednesday.

Mr. and Mrs. Lee Osborne returned Sunday from their vacation.

Mrs. Brown Tate received word last week of the death by fire of her 8-year-old niece, living in California. Mrs. Joe Singletery is slowly improving.

Mr. and Mrs. Alvis Clark and Mr. and Mrs. Maurice Clark and boys helped celebrate Elmer Langford's birthday, Sunday, at his home.

The Claud school bus, that brings high school students here, was stolen from a Clovis garage last week, where it had been left for repair. It was located near Roswell, but took a wrecker to bring it home.

Supt. A. D. McDonald is in Santa Fe and Pvt. Stovall is teaching.

LAZBUDDY NEWS

Mr. and Mrs. Charles Vaughan, El Paso, Mr. and Mrs. J. E. Vaughan and Tommy and Mrs. Raymond Treider visited relatives at Frederick, Okla., also visited J. D. Vaughan of Ft. Sill, Okla., last week.

Mr. and Mrs. Charles Vaughan returned to their home in El Paso, last Thursday. They vacationed in California, Colorado, Arizona and points of interest in New Mexico.

Mr. and Mrs. Martin B. Blough left for Madison, Miss., Monday. Mr. Blough will be called to sea soon.

Junior Gibson left for El Paso on Thursday, where he found employment on a ranch.

Miss Lillian Treider is in Friona, at the home of Mr. and Mrs. Geo. Treider.

Local Ag Boys Take Part In Seed Contest

Vocational agriculture classes of the Farwell High School will compete for the war bond and stamp; offered as prizes in the theme contest sponsored by the Texas Seedmen's Association on the importance of using state tested and tagged seed. T. A. McCuiston, vocational agriculture teacher, announced today.

FOR SALE—Young Milking Short horn bulls, also some good Jersey cows, fresh. F. L. Wenner, 3 miles east, 7 north Muleshoe. 49-3tp

FOR SALE—15 Duroc-Jersey gilts, subject to register, bred. Tom Foster, Oklahoma Lane. 49-3tp

FOR SALE—Ten sows, one boar, 22 pigs, mixed breeds. See me at Bellview, N. M., after school hours. Tom Hudson. 49-3tp

FOR SALE—37 Chev. coach, good tires, Eugene Ezell, Bovina. 50-3tp

FOR SALE—Good factory-built, 1-ft., 4-wheel trailer; good tires and will give lots of service. Joe W. Bell, 10 miles north, 1/2 east on state line road from Farwell. 50-3tp

FOR SALE: Improved farm of 289 acres located on paved highway in 4 miles of Friona, \$17 per acre. See us for cheap farm and ranch lands. M. A. Crum, Friona, Texas. 1tp

YOUNG MAN with family desires farming proposition on shares. Well experienced in livestock. If you have something write A. H. Brown, Bovina, Tex. 50-3tp

ced today.

The contest is being conducted jointly by the Seedmen's association and the Seed Laboratory Division of the State Department of Agriculture as part of the lab's educational program in the enforcement of the Texas seed law.

McCuiston reported that the students are now making inspection trips to local seed houses, the first step toward winning the \$25 war bond which is first prize in the state contest. First place winner will also receive \$12.50 in war stamps for his teacher and an engraved trophy cup for his class. Prizes will be awarded at the state convention of the association in Dallas Nov. 13 and 14.

"We know that upon the shoulders of the farmer boys of America will fall a great share of responsibility of producing food for our fighting men and allies. And we feel that this contest will help to impress them with the necessity of being sure of the seed they plant," said Linden Jones, chief of the Seed Laboratory Division of the State Department of Agriculture.

Basketball Practice Open For Texico Lads

Cage practice for recruits and old hands opened at the Texico gymnasium on Monday of this week, with Coach C. E. Sanders stating that more than twenty boys were on

hand for the initial limbering-up session.

Backlog of the Texico team this year will be five players who have seen considerable service, including Bowers, Lewis and Box, guards, and Blain and Drace, forwards.

Others listed among those now out and who have seen play are White, Johnson and Baker, according to Coach Sanders, while a transfer student, Keneipp, shows promise of developing.

Two teams will be made out of the boys now in practice—first and second team—the coach announces, and as many games as possible under tire and gasoline restrictions will be arranged.

Play Pleasant Hill

On November 13th, the local boys will open their season with two games at Pleasant Hill. No other games were definitely scheduled as yet, and further announcements will be made from time to time.

Certificates Required By Mail Order Houses

Sales of men's rubber boots and rubber work shoes even by mail order may be made now only to persons who surrender ration certificates, John Armstrong, chairman of the Farmer County War Price and Rationing Board announced today.

Mr. Armstrong explained that the special provision under which mail order houses and others have been

permitted to ship rubber footwear to consumers whose orders were post-marked before midnight, Sept. 29, has been withdrawn.

"This special provision for shipment by mail order without collecting certificates from the consumer was made originally in order to give time for clearance of orders in the mail before the freeze of sales with which rationing began," he said.

The knock characteristics of a gasoline are considered to be among its most important properties. This is indicated by its octane number. The higher the octane number the less apt the gasoline is to ping or knock in climbing hills.

Good News for Dairymen . . .

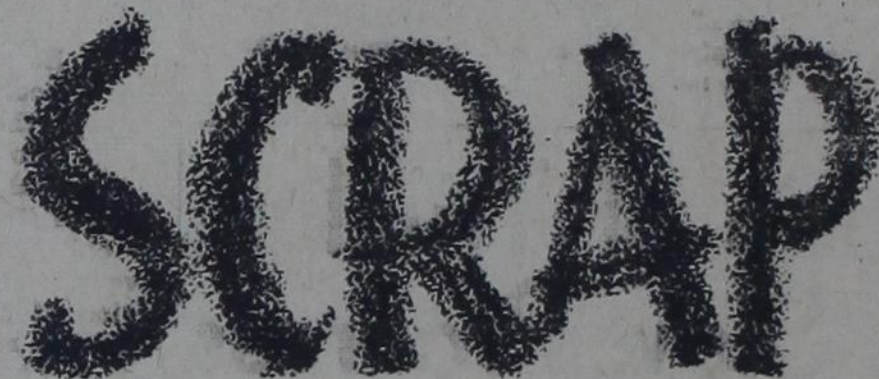

Come in and let us explain how you can save money and at the same time produce better calves and pigs by feeding—

MAYFIELD CALF and PIG FOOD

Your business appreciated!

GOLDSMITH PRODUCE

Uncle Sam Needs Your

Before the Snow Flies

We've all heard a lot lately about the need for scrap metal.

Probably you've already done something about it.

But every one of us has got to do more. Much more. AND DO IT QUICK!

Here's Why

This war is swallowing steel like a quicksand.

We need scrap metal to make steel . . . steel for more tanks . . . more planes . . . more ships . . . more guns . . . and more shells.

It's our job to supply our boys and allies with all these things they must have to smash the Axis on land, at sea, and in the air.

Scrap Is Precious

Steel for tanks, planes, ships, etc., is made by melting old scrap metal with pig iron—about half and half.

The pig iron is made from iron ore that comes from mines.

But that precious scrap—THAT'S got to come from us folks here on the Home Front.

What Is Scrap?

Scrap is ANY old thing, made out of iron or steel, that we don't absolutely need.

It is anything from a hairpin to a busted steam boiler . . . from a paper weight to a cracked rail.

It is old machinery, pipe, tools, flat-irons, auto parts, screws, nuts, bolts, bathtubs, lawnmowers, stoves, tanks, metal barrels, iron fences—and what have you.

Where Is It?

This old scrap is everywhere. It is in cellars, attics, closets, alleys, auto graveyards, fields, garages, barns, and factories.

We've all got SOME, be it little or much.

A typical town family is said to have about 70 pounds lying about; a farm family, nearly 750 pounds.

In ten months after Pearl Harbor the Santa Fe scraped together 210,716,000 pounds of scrap. A pound here, a ton there. That's how it mounts up.

Scrap Means Steel...Steel Means Victory Sell It or Give It...But Get It In

Steel is the only language those bandits in Tokyo and Berlin understand. Let's give them plenty of talk . . . in their language.

Every county, city, and town is having a scrap drive. Watch your

local newspapers on how to get in it. Sell what you have, or give it away—but get it in! And

it's the time, before snow flies!

Your scrap can save American lives and help win this war. Every pound you turn in helps.

THE MAVERICK

Issued by Farwell High School

70 SENIORS

Have you ever stopped to think that your days are numbered here in dear old Farwell High?

Maybe you have and perhaps you've even remarked "How happy I'll be when I get out of this place." When you reconsider this statement, more than likely you'll have to retract it. Surely you should anyway.

This writer has made inquiries of former students—many of which have been heard to make the statement of wishing school were ended—and not one of them has failed to remark how much they enjoyed their high school days. They usually also state a wish for being back in their former school activities.

So why not begin now to take every advantage of your senior year?

HEARD AROUND SCHOOL

What Soph. girl is rumored to be so deeply in love that she knows nothing else?

Mrs. West: I may ask for some dates on this test.

Bob Sudderth: Mrs. West, you can have a date with me anytime you want one.

While cleaning up the gym after the Junior-Senior party, Mr. Lindsey found a spoon lying on the floor and said, "Someone must have had a hole in his pocket."

Mrs. Barton: "What are three forms of expression by the verb?"

Student: "Indicative, interrogative, and imperative."

Mrs. B.: "Give me an example of each."

Student: "Tom is sick. Is Tom sick? Sic 'em Tom."

Peggy likes Smokey but Arlon is Lovelace.

It seems that the key to most of the Farwell girls' hearts must be of solid gold. We are not insinuating that a good many F. H. S. debutantes are gold diggers. Oh, no!

Freshman: "Please, Dad, may I go out tonight?"

Sophomore: "Dad, may I go out tonight?"

Junior: "Dad, I'm going out tonight."

Senior: "Tell the old man to leave the door unlocked."

The modern girl admires spinning wheels, but she wants four of them and a spare.

Mr. Carter: "I've just been reading some statistics. Do you know that every time my watch ticks, a man dies?"

Maxine: "For goodness sakes, let it run down."

Mrs. Johnson asked the children in her room how many had banks. They all had. "How many of you know exactly how much money is in your bank?" Only one little hand was lifted. "Now, Fred," said Mrs. Johnson, "are you sure that you know how much money is in your bank?" Fred was sure. "All right, then, you tell us." "There's nothing in it, yet," said Fred.

WHO'S WHO

Last week's Who's Who was Franklin Sloan. This week we have a very handsome young man who

TELEPHONE GOSSIP

CAN DELAY IMPORTANT WAR MESSAGES

THE MOUNTAIN STATES TEL. & TEL. CO.

accommodates anyone by the name of "Peggy". He has black wavy hair, brown eyes. He is approximately 5 ft., 8 in. tall and weighs 165 lbs. Some of his favorites are:

- Actor—Leon Erroll.
- Actress—Maureen O'Sullivan.
- Food—Everything.
- Hobby—Collecting lipstick (second-hand).
- Book—"Oliver Twist".
- Show—"To the Shores of Tripoli".
- Sport—Baseball.

WHY I DIDN'T PASS

The reason I didn't pass this six weeks was because I studied. I sat down and studied for five whole minutes. I found out that Shakespeare wrote "Twinkle, Twinkle, Little Star" and that Columbus crossed the Alps into America in 1492. In agriculture I learned that the way to butcher a hog is to shoot him in the stomach and then cut his tail off. You put him in cold water and then skin him. The wholesale on hog cuts are steak, roast, mutton and beef. I got mixed up in World History, though. I said that the "Diet of Worms" was the food they ate to keep from getting fat, and that Papal Bull was the father of Ferdinand the Bull.

This is the advice I give to all who study on six weeks tests: in the first place if you don't study you will be smart; if you do, you will get all fixed up—I mean mixed up. If you study, study long enough and hard enough to keep things straight and not get confused on the exams.

NEWS FROM HERE AND THERE

The school was dismissed at noon Friday. The purpose was that teachers might help with registration of farm trucks and pick-ups. It was quite evident that everyone was happy to get a half-day holiday.

Rev. W. C. Wright, pastor of the Texico-Farwell Baptist Church, was the guest speaker at the last assembly program. He made a very interesting talk on "Self Respect", which was enjoyed by the entire school. We were glad to have Rev. Wright visit the school and hope he may come again soon.

The first six-weeks exams are finished. Some are happy with their exam grades, while others are still moaning over their "sixty" or may be even lower. If you are totally ashamed of your exam results, why don't you resolve to study more and do better on your exams? We have already begun a new six weeks. Why not start your improving now?

WAR BOND SALE REPORT

Thursday is the day set aside for purchase of War Bonds and Stamps. Last Thursday was a record day, with the following results:

Seniors	\$ 3.25
Juniors	1.00
Sophomores	2.20
Freshmen	5.65
Mrs. Whitley's room	39.35
Mrs. Page's room	44.40
Mrs. Terry's room	9.65
Mrs. Johnson's room	2.55
Total	108.05

SIXTH AND SEVENTH

We are proud to get our new library books, and hope everyone will enjoy reading them. I am sure everyone will help us take care of them.

Our room bought \$39.50 in defense stamps and bonds last Thursday. We were second high in school.

Our room looks very nice since Mrs. W. H. Graham gave us some flowers for it. We surely do thank her for the lovely flowers.

As you all know, Hallowe'en is just around the corner, so when you go around the corner don't let the black cat scare you.

SECOND AND THIRD

Joan and Walter Spurlin have moved here from Oak Grove, La. They are both in the third grade.

Our room is decorated with witches, cats and pumpkins. Every one that made 100 in spelling had a Pumpkin Boy sticker put on his paper—all but five made 100.

FRESHMAN NEWS

The Freshmen, as every freshman, have a lot to learn about life in general. Even so, they will pass.

Scandal

Why does La Honda go around with her eyes closed? ? ?

Incogene, what is this we hear about you and Gaston?

I C., do you make a habit of crying on other people's shoulders?

Mary, haven't you found a boy friend yet? What happened to Earl?

Who is this secretive boy friend of Bertha's? Has he got something that other boys haven't got?

The Freshman class welcomes a new member by the name of Dorothy Pruner, from Gamesville, Tex.

JUNIOR CHATTER

What's the matter between you and Evelyn, Muggins?

How are you and your cousin getting along, Theda? Or is he your cousin?

We wonder who is out at Oklahoma Lane that Mary B. dreams of? Pete, why is it you still have that necklace you bought a few years ago?

We wonder why Peggy W. and Jean Ann were so mad about Friday?

The new junior student is sure making a hit. Isn't he, Maxine H.?

SOPHOMORE GOSSIP

Jean Ann, what is the price of adhesive tape, these days? Senior rings are fun to wear tho!

Glenn, who is the new heart-throb? Norma Jean might know, eh, Norma?

What is it about the girls that makes Duane blush?

Why is it that Bob gets starry-eyed when Joan passes by?

The class reporter, Peggy, has all the Sophs biting their finger-nails wondering what is in the scandal. Wouldn't they like to know!

Remember, we are presenting the assembly program next week. Be there for some good entertainment.

Lang's Lay Wire Rope

Lang's lay, a type of wire rope with all strands and component wires twisted in same direction, was patented in 1879 in England by John Lang. This type is particularly suited to lumbering, mine haulage, hoisting and excavating.

Health Notes

By Texas Department of Health

AUSTIN—It has been reliably estimated that within a year approximately one-third of the total number of 180,000 physicians in the United States will have left their practice to serve with the Army, Navy, or Marine Corps. This deficiency in medical attention available to the general population will be even greater than it appears on the surface inasmuch as a large number of those remaining are not in active practice due to old age, teaching or public health activities, or full-time employment with industry. Plainly, this situation develops a problem for the physicians who will remain at home, the solution of which to some degree will be in the hands of the general public, according to Dr. Geo. W. Cox, State Health Officer.

"There is no desire to imply that the family physician, now or later, must not be summoned except in dire need. In fact, there is a greater reason than ever before to seek his advice on living habits, to have him give a thorough periodic check-up, and to have him treat conditions promptly, which, if disregarded, are apt to cause more serious trouble later on. The only point being emphasized is that one should not attempt thoughtlessly to consume the doctor's valuable time and energy by insisting that he make a home call when an office visit or suggestions over the telephone might suffice.

"While in cities, lack of medical service has not as yet reached an acute stage, there are already rural sections feeling the pinch. It follows that everyone, both for his own and his country's sake, should live sensibly to the end that maximum health may be attained, and avoidable home medical service be eliminated.

"In this connection, the following rules, among others, may be suggested: Eat nutritious foods. Obtain sufficient rest at night. Shun debilitating and exhausting habits. Keep the use of stimulants of all kinds within sensible bounds. Exercise daily. Detour worry as much as possible."

Cookies Through Mail

In making cookies to be sent thru the mail, cut them with the lid of a baking powder can. They will shrink a little in baking and will then fit snugly in the can when baking and thus avoid breaking.

Texas oil bears a total of 22 different taxes, or 21 in addition to the State gross production tax.

After the Chickens, What? A woman in Pittsburg, Pa., sought a divorce on the grounds that her husband would take a chicken from their farm every night and trade it for a drink at the corner saloon.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Behind the 8-Ball!

Most farmers of this section are behind the 8-ball with their crops this year, due to the labor shortage and unfavorable weather conditions, and all indications are much team-work and co-operation will be required to handle the crop without serious loss.

We stand ready to help in any way we can with complete elevator facilities to handle your grain crop. We ask your co-operation in being sure that your grain is thoroughly dry, and you will have no difficulty in getting top prices here

Lariat Elevator

Boone Allison, Mgr. Lariat, Texas

THE well-dressed woman will wear overalls—willingly—and to care for her country's cars. And on her civilian duties she doesn't go faster than 35—same as all other patriots. 35 gets you there without undue wear. But there's another battlefield against wear at exactly 00 miles per hour!

When your car's stock-still, with the engine starting cold, what's faster—your Winter oil or rampant Friction? You can have hopes—or you can have your engine OIL-PLATED by the quick simple change to Conoco Nth motor oil. Enriched by an added synthetic, this patented Conoco Nth oil seems to "magnetize" OIL-PLATING to inner engine surfaces as closely as durable plating on bumpers.

Where does any good plating go during all-day parking or overnight? It doesn't go. It stays. And neither does OIL-PLATING all go draining down to the crankcase at every chance. Long hours after you stop—long minutes before any oil from below could climb all the way up—the OIL-PLATING that's stayed up can be easing cold starts. This faithful OIL-PLATING is still there at 35, of course, aiding the high-duty liquid film of Nth oil to keep wear that much farther away.

Not much chance now of changing to a new car. Smart strategy is changing to an OIL-PLATED engine. Get Conoco Nth oil for Winter at Your Mileage Merchant's Conoco station. Continental Oil Company

JOIN FREE

Select yourself to the ONCE-A-WEEK CLUB at Your Mileage Merchant's Conoco station. Choose your own regular day to drive in and have him check your tires, radiator and battery. His systematic expert attention means trouble-prevention. He'll report to you in advance on lubrication and anything that he finds you need for the duration of your car!

LEGION AUXILIARY REPORT

Mrs. Foister Rector, secretary-treasurer of the Friona Auxiliary of the American Legion, this week released the following report on the work of the group during 1942:

"To the Legion Auxiliary members around Farwell and Bovina who do not get to come to the meetings, I am making this report for you.

"We, as a unit, belong to one of the largest organizations in America today and we are very proud of our small unit in the very efficient work done in this year. We had 27 members last year. We sponsored, with the Legion, the sale of \$3800.00 in war bonds over the county. We held food sales to the amount of \$59.69. Our county Poppy Sale amounted to \$104. Our poppy money goes into our welfare fund which consists of welfare work among veterans in our county; \$15 is sent to the State Department for student loan, a fund which enables veteran's children to attend college, a chance they otherwise might not have; \$10 goes to state rehabilitation, \$5 to child welfare, also state. We sent \$10 to Amarillo veteran's hospital for entertainment of veterans and \$12 to the state department for veteran's Christmas fund.

"One dollar went to the mobile blood donors this year. This is something new that has come up since the present conflict and will help furnish blood transfusions for the boys now on battle fields. In all, our welfare work amounted to \$80.30 this year.

"We sent flowers to our members or any of their families who passed away. One-half of this expense is cared for by the Legion. Our general fund takes care of lights, gas bills and all incidental expenses of our organization, while we carry one-half the expense.

"Forty-five letters and 77 postal cards were written to you members and the state department through the year. All members should receive the "Lone Star". If you don't let me know soon. Our program will be much harder to carry on this year under the ration programs but we must solicit all of you girls who are eligible for membership. Join our Auxiliary and send in your \$1.25 dues for one year. We need you now as never before and you with sons eligible for army service and sons already in service need us as your organization. Our program is for service to you and those around us."

GET 'HEAD START' ON GARDENS

COLLEGE STATION—Getting a "head start" on next year's vegetable garden is a good idea, especially for people who do not have thriving fall gardens.

Jennie Camp, specialist in home production planning for the A. & M. College Extension Service, says there are a number of ways to prepare for successful spring gardens long before the seed catalogues begin to arrive.

First, the family should plan, Miss Camp says, and the garden should be part of the overall plan for the year's supply of food and feed. A guide to planning for the family's food and feed supply can be obtained from the offices of county Extension Service agents. A family of five, for example, should plan to have at least a dozen kinds of vegetables, 20 bushels of potatoes, plus plenty of dried peas and beans, home-produced grain, berries, fruits, melons and syrup. Seeds of most vegetables will be adequate for next year's gardens, Miss Camp says.

Second, gardeners can plant a winter cover crop on their garden plots to hold down the soil and increase fertility. This is especially important since nitrates will be scarce and only commercial growers will be entitled to commercial nitrogen. Cover crops planted this fall can be turned under early next spring to build up the soil.

Third, Miss Camp advises, start a compost heap containing autumn leaves, dead flowers, lawn clippings, table scraps. In the spring when the garden plot is plowed or spaded, the compost can be spread over the garden plot.

FOR

The amendment to the Constitution of the State of Texas, requiring appropriation bills passed by the Legislature to be presented and certified by the Comptroller of Public Accounts as to available funds for payment thereof, limiting appropriations to the total of such available funds, providing for issuance of bonds to pay off State obligations outstanding September 1, 1943, and fixing the duties of the Legislature and Comptroller of Public Accounts with reference thereto.

Local Happenings

Interesting Reports Are Highlight of H. D. Council Meeting Held Saturday, Friona

Interesting reports on all phases of work accomplished during the year by home demonstration clubs in Parmer County was the highlight of the annual meeting of the H. D. Council, held Saturday in the Methodist Church Recreation room at Friona.

With Mrs. Will Nittler, council chairman, as presiding officer, the session opened with a prayer by Mrs. J. A. Wimberley and a piano number by Nelda Jane Nittler. Mrs. Sam Rundell reviewed work of the Education - Expansion committee which included eight Red Cross First Aid Classes, three pressure cooker clinics, collection of furniture, games, magazines, etc. for the day-room at the Quartermasters Corps, the Victory Harvest Show and the picnic for soldiers.

Eight home demonstration club presidents reported many interesting projects, as immunization clinics, community recreation centers, first aid classes, quilting for needy families, and sending special greeting cards and boxes to soldier boys. Twelve social meetings have been held this year in addition to regular business meetings. These social events were enjoyed by 1089 persons.

Council Officers Elected

Main business of the afternoon was the election of officers, with Mrs. Will Nittler being named chairman; Mrs. Joe Jesko vice chairman, Mrs. Chester Warren, secretary; Mrs. E. L. Fairchild, treasurer, and Mrs. A. H. Boatman, parliamentarian.

Due to impending gasoline rationing, the next council meeting has been pushed forward a week, to be held on Nov. 21.

A special committee consisting of Mrs. A. H. Boatman, Mrs. E. L. Fairchild and Mrs. Fred Henry was appointed to decide on an appropriate way to spend the \$40 donated by Parmer County citizens and organizations toward providing recreation for soldiers stationed in Clovis.

An educational tour will be made around Nov. 10 to visit the Lay-Clay egg drying plant at Clovis, the new army bakery and the day room at the Quartermasters Corps. All persons wishing to make the tour should notify Miss Elsie Cunningham, demonstration agent, or Mrs. Nittler.

Plan Scrap Collection

The body recommended that a drive be made to collect more scrap metal and accepted the finance committee's plan to urge every member to bring in at least one piece of scrap iron for "admission" to the November club meetings. The iron will be sold and the fund placed in the Council treasury to help pay for yearbooks.

Mrs. Giles Cobb and Mrs. D. O. Robason were in charge of serving refreshments to 35 guests following the business meeting.

Enrolled at ACC

A release from Abilene Christian College lists two local boys as students there. They are Charles Holland, son of Mr. and Mrs. John M. Holland, a freshman, and Rex Kyker, a senior, son of Mr. and Mrs. Bob Kyker. The 562 students enrolled for the 37th session of the college represent 19 different states and one foreign country.

Post-Nuptial Shower Given Mrs. Carson

Mrs. Thad Watkins entertained in her beautiful country home Saturday, honoring Mrs. David Carson of Clovis with a post-nuptial shower. Mrs. Carson was Miss Frankie Gøber before her recent marriage.

Mrs. J. B. Caldwell, Mrs. A. B. Wilkinson, Mrs. Ernest Foster were co-hostesses at the affair.

The house was decorated with cut flowers set in pumpkins to carry out the seasonal motif, while flags were draped over the mantel.

Mrs. C. C. Christian presided over the bride's book, which she had made, featuring the "Victory" insignia of three dots and a dash on the cover. Inside the "V" was a picture of the bride and groom.

Several games were played, after which the bride was ordered to "report for duty" and "check her laundry" with the gifts presented in army barrack bags and army blankets.

Refreshments of cookies and hot punch were served to Mesdames David Carson, Lee H. Sudderth, A. B. Wilkinson, W. E. Verner, E. L. Cochran, J. R. Caldwell, C. C. Christian, Sam Sides, Thad Watkins, Fred Carson, John West, Billie Sudderth, L. M. Grissom, Tom Lindop, Mesdames Fred Paine, Edd McGuire, Ernest Foster, Ernestine Lovell, E. A. Hromas, W. J. Sides, J. I. Gøber and Scotty Barry. Misses Frances Sudderth, June Christian, Evelyn Hromas and Bessie Ruth Caldwell.

Regrets were sent from Mesdames Edd Meeks, Joe Donaldson, Lee Thompson, Dee Brown, Thelma Perkins, Chas. Hromas, Oris Hubbel, E. A. Berry, D. W. Carpenter, Frank Hromas, Sam Stites, Sterlyn, Billington, Lady Gaines, Agee, and Sam Gaines; Misses Irene Sachs, Lorraine Hodges, Fern Christian, Mary Foster.

Epworth League Elects Officers For Year

The Methodist Epworth League held an election of officers, Sunday evening, for the coming conference year.

Muggins Graham was renamed to the position of president. Wanda Lee Boss was elected vice-president; secretary-treasurer will be Jaquetta Strickland; Duane Sprawls is reporter. The program committee for the next three months will be Wanda Boss and Jaquetta Strickland, and the league sponsor is Mrs. B. N. Graham.

It was announced by Rev. Sloan that league would begin next Sunday evening at 7:15. The officials hope to have a good organization for the coming year, and invite visitors.

Wesley Melodians Have Social

The Wesley Melodians of the Methodist Church held their monthly social meeting at the home of Misses Twila and Jaquetta Strickland, last Thursday evening.

As Mrs. Marty Ezell, the Melodians' esteemed leader, was moving to Muleshoe, the group presented her with a beautiful Rosedale pottery vase.

Refreshments of pop and pumpkin pie were enjoyed by Duane Sprawls, Pete Booth, Mrs. Marty Ezell, Mary Eobst, Toby, Rosamond and Joan Booth; Marilyn Anderson, Jean Ann Hart, Mary Hicks, Muggins Graham, Margaret Abrams, Treva Spurlin, Emma Jean and Peggy June Rogers, Margaret Allred, Margaret and Willie Mae Bigham, Belva Park, Franklin Sloan, Glenis Hughes, Jonnie Hulhouse, Wanda Boss, Mrs. Ralph Humble, the hostesses Jaquetta and Twila Strickland.

42 Social Held In Graham Home

Mr. and Mrs. W. H. Graham entertained a number of friends the past Thursday evening, holding a "42" social at their home.

Guests at the affair were Mr. and Mrs. Mose Glasscock, Mr. and Mrs. Roy Bobst, Mr. and Mrs. J. T. Carter, Mr. and Mrs. Olan Schleuter, Mrs. Stanley Hillhouse and H. H. Carlisle.

Bouquets of roses and other flowers were arranged about the room and lovely refreshments were served at the close of the evening.

Week of Prayer Is Observed Today

The annual Week of Prayer program of the WSCS of the Methodist church is in session this (Wednesday) afternoon, with Mrs. A. D. Smith as leader of the program.

This evening, husbands of the ladies will be entertained with a supper, after which the Wesleyan Guild will present the conclusion of the annual program. All members are asked to attend.

Turkey Dinner Held Sunday Evening

Mrs. Bess Henneman was hostess at her home in Farwell, Sunday evening at six o'clock, when she entertained members of the Parmer County Draft Board and their wives with a turkey dinner.

A table centerpiece of yellow chrysanthemums and dark orange baby marigolds was used. Guests were Mr. and Mrs. Sam Sides, Mr. and Mrs. Bev Buchanan, Mr. and Mrs. J. I. Gøber and Mr. and Mrs. W. H. Graham.

Is Promoted

Mrs. O. P. Van Horn, who is employed at the Montgomery Ward store in Roseburg, Oregon, has recently been made head of the mail-order office. Mrs. Van Horn is the former Miss Adrid Eason of Texico-Farwell, and well known here. The Van Horns have been living in Oregon for several years.

On Annual Leave

Earl L. Fine, supervisor of the Parmer County Farm Security office, is on vacation this week. He and his family are spending the week in Lubbock with relatives, including a brother of Mr. Fine who is on leave from navy duty.

Official Here

Earl G. Bishop, senior administrative supervisor of the Amarillo FSA office, is spending this week in the Parmer county office, on official business. Mr. Bishop plans to leave here on Thursday.

Mrs. Cal Hamner of Trent, Texas, visited in the home of Mr. and Mrs. Ebb Randol, the past Tuesday.

Miss Madaline Randol, who has been employed in Clovis for the past few months, visited in the home of her parents, Mr. and Mrs. Ebb Randol, the past weekend.

Mrs. Carl Davis and daughter, Glena Ruth, and Madaline Randol were visitors in Dora, N. M., Sunday with their father, Ebb Randol, conducted services for the Church of Christ.

Mrs. Hugh Edwards and son of Clovis, visited her sister, Mrs. Carl Davis, Monday afternoon.

Miss Eunice Graham, who is teaching in Raton, N. M., was a weekend visitor in the home of her parents, Mr. and Mrs. B. N. Graham.

NEWS FROM OUR BOYS IN CAMPS

VISITS MOTHER HERE

Lt. Jimmie Overstreet visited here over the weekend with his mother, Mrs. Anne H. Overstreet, and brother and family. Mr. and Mrs. H. Y. Overstreet, Jimmie is to be stationed at the Ft. Worth supply depot, having recently completed an officer's training course.

ARRIVES ON LEAVE

Cpl. Orville London of the U. S. Army is here on leave for a visit with his wife and other relatives and friends. Orville has been stationed in Massachusetts for the past several weeks.

PHILLIPS WRITES PARENTS

Mr. and Mrs. Frank Phillips are this week in receipt of a "V-mail" letter from their son, Sgt. Carthon Phillips, who is apparently stationed with the United Forces in the land "down under."

Carthon is in the medical detachment of the Air Forces. Excerpts from his letter follow: "I went south for ten days to attend a school on oxygen and oxygen equipment for high altitude flying. After the school was over I was given ten days leave and enjoyed it to the utmost. We hit some of the roughest weather I was ever in on my way down. If you think a West Texas windstorm can blow you around you should try bucking one of these seaboard hurricanes. First you find yourself hoping and praying that the wings won't buckle and next you wonder if your chute is going to open if worst comes to worst. The pilot said he had seen worse weather but he had seen it from the ground."

"I met the officer's candidate board today and as far as I know I passed it satisfactorily, but I am not getting excited about that because I haven't the slightest hopes of them sending any of us back for officer's school. Most of us had just as soon be non-coms anyway (stand on your head if you believe that)."

The letter was dated Sept. 20.

JOINS MARINES

Pvt. M. E. Weir, formerly of Friona, writes his grandfather, J. S. Butcher of this city, that he joined the Marine Corps the first of the month and is now located at the San Diego Marine Base at San Diego. In his letter he says he is in "boot camp" for seven weeks. "can't go to town until we get out of boot camp, however, they have a show here at the base". He adds that he passed the swimming test, being classified as a second-class swimmer. "I don't know whether that is good or bad, but I thought it was pretty good for a West Texas boy".

CALLED TO NEW YORK

Forrest Bell, son of Mr. and Mrs. Joe W. Bell of the Pleasant Hill community, departed early Tuesday by train for North River, N. Y., where he will enter training in the U. S. Navy. He has been in the Naval Reserve for the past few months. Forrest finished his engineer's course at Lubbock Tech last June.

HERE ON VISIT

Cpl. Paul Smith, who is stationed at Hobbs, N. M., visited in the Boone Allison home at Lariat last week. Smith formerly lived at Lariat when quite a small lad. His home now is in Oklahoma.

IN AND OUT

Pfc. Ed Meeks stepped off the bus here Saturday morning to say goodbye to his brother, Clarence, who was leaving on the same bus for Fort Sill, Okla., for induction. Ed is now stationed at Rice, Calif., and arrived home on furlough.

BOVINA BOYS ENLIST

Billie Joe Eberling and LeRoy Smith enlisted in the Coast Guard last week, leaving Monday for induction. Both are Bovina boys.

ST. JOHN'S EV. LUTHERAN CHURCH

Lariat, Texas
Rudolph Weiser, Pastor
Twenty-first Sunday after Trinity
Sunday School and Bible Class at 10:45 a. m.

Annual mission service at 11:30 a. m. and 3:30 p. m. The Rev. A. O. Kaltwasser of Harold, Tex., will deliver both sermons.

Walther League social at night. You are cordially invited to attend these services. "Go ye into all the world and preach the Gospel to every creature." Mark 16:15.

Mrs. Lee Bradshaw spent the past weekend visiting in Lubbock.

Stunt Night Program Held Friday, Texico

At the annual stunt night program of the Texico school, held in the auditorium the past Friday night, young Bobby Allred, candidate from the fourth grade, was crowned "Miss Texico of 1943" in appropriate ceremony.

Entries were made by the various grades and classes of the school in the contest, with votes being sold to determine the winner.

Taking top places in the stunt contest were the fourth and fifth graders in the grade division, and the freshmen in the high school. Grade children presented a "Blondie & Dagwood" sketch, while the ninth graders presented an unusual triangle affair entitled "The Way of Women".

Treats were given the grade youngsters on Monday afternoon, while the freshmen will be guests of the seniors, sponsors of the affair, at a theatre party tonight (Wednesday), according to Mrs. H. Arnold.

Superintendents Have Meeting In Amarillo

Supt. J. T. Carter, head of the Farwell school, was in Amarillo the past Saturday, attending a gathering of school heads from over the district.

Miss Edgar Allen Wilson, assistant deputy superintendent, was in the presiding chair of the meeting, with the feature being a discussion on the establishment of an elementary criteria. Dr. Otto was in charge.

Supt. Carter stated that the proposed project is being undertaken to set up a standard for grade schools over the state. During the first half of the current year, each grade teacher is asked to keep a diary on a single student for one day, all such reports being submitted to the state office. The latter half of the year, the teachers will be asked to list what they consider most important in grade school.

H. F. Robinson, of the equalization board, was also at the meeting, the local superintendent said, and spoke to the group.

GINNINGS PICK UP

Cotton ginnings were beginning to pick up this week after a lull occasioned by wet weather. Mrs. Alvenia Sharpe, bookkeeper for the Farwell and Lariat gins, said 128 bales had been ginned for the season up to Monday night.

FOR THE BOYS IN SERVICE . . .

Up to Nov. 1st, we will accept orders for most of the popular brands of cigarettes to be mailed postpaid direct to the soldier lads in foreign service. Such orders will be mailed direct from the factory postpaid for only 75c per carton of 200 cigarettes.

We must have the correct name, rank, organization, and A. P. O. address or ship attachment of the soldier—as well as your own name and return address. All orders will be acknowledged to the donor, whose name will appear on the parcel.

Cafes May Sign Up For Sugar Allotment

Operators of cafes, lunchrooms, etc., may sign up any time now for the current two-month allotment of sugar, Miss Irene Sachs, clerk at the Parmer County Ration Board, said today.

This sign-up is made each two months for such operators, Miss Sachs explained, and does not in any way affect individual purchasers. Deadline is November 5.

TWO BUSINESSES CLOSE

Two more local business institutions went by the boards this week with the announcement from Mrs. W. F. Orr that she was closing her beauty shop after Saturday. Mrs. Smotherman, who has been operating the Texico service station the past few weeks, folded up last Saturday with the announcement that the work was "too hard" for her.

NO MAN IN VIEW

Ross Taylor, manager of the Southwestern Public Service at Muleshoe, who also has supervision of the local utility business, stated today that as yet no arrangements have been made to replace Marty Ezell, local trouble-shooter, who has resigned. Taylor gave it as his opinion a full-time man might be placed here, but had no definite statement to make to that end.

Demonstration Club Notes

By Special Staff Reporters

Rhea Club

The October 20th meeting was held with Mrs. Vernon Estes. Ten members answered roll call. Business was attended before Miss Elsie Cunningham gave her demonstration, being a dish of hamburger dressed up and served with spoon bread. These dishes were so appetizing each member is expected to try them in her own kitchen.

Hub Club

The Hub home demonstration club met in regular session Oct. 23 in the home of Mrs. E. L. Thomas with Mrs. John Thomas as co-hostess.

"Read the labels on the cereals you buy and find out what you are getting," said Miss Elsie Cunningham, agent, in her demonstration on "Whole grain cereals and vegetables". Two very delicious casseroles of whole grain cereals and vegetables were prepared and served to eight members and one visitor.

The next meeting will be Nov. 13 with Mrs. A. H. Boatman hostess.

At this time two boxes will be packed and mailed to Robert Morris and Ben Rule, local boys "in the service". The club will also take up the subject of continuing or disbanding club work for the duration. Every member is urged to be present.

Oklahoma Lane 4-H Club

The Oklahoma Lane boys 4-H club met October 26 and received record books. Leon Grissom and Donald Watkins received medals for honors in a dairy contest. Each member of the club signed a victory demonstrator's pledge. Present were Billie Joe Foster, Leon Grissom, Kenneth Thompson, Alton Pruitt, Leon Hurst, Ernest Foster Jr., Frankie Foster, C. W. Grissom Melbourn Jones, Merrill Foster, George Young, Denzil Young, Loren Thompson.

Farwell 4-H Club Report

The Farwell 4-H club met at the high school on Monday, Oct. 26. The following officers were elected:

President, Barbara Ann Bobst; vice president, Bobbie Lou Ford; secretary - treasurer, Rosamond Booth; reporter, Vera Lee Morgan; song leader, Ella Juanice Bradshaw; game leader, Joan Allison; parliamentarian, Marcia Ann Johnson; sponsor, Mrs. Effie Johnson.

Victory demonstrator pledges were signed by the 16 members who attended the meeting.

NEWS from

YOUR
COUNTY EXTENSION AGENTS
TEXAS EXTENSION SERVICE

PREPARING FOR DAYS TO COME

By Elsie Cunningham
Home Demonstration Agent

Texas A. & M. Extension Service When people get together these days, there's most always talk about rationing—probably because it's still new to us here in this country. Right now conversation turns to meat and gasoline which will soon be rationed like sugar.

Home demonstration club members have been doing a little advanced study on these items in order to make necessary adjustments when the time comes.

There is talk of community transportation pools, fewer club meetings and community recreation centers to meet gasoline rationing.

As for meat rationing, club members have been looking around to find foods that "stay with you" that may be used instead of meat. They have learned some interesting ways to use whole grain cereals in a casserole with a small amount of meat to give that good meat flavor and at the same time make meat go farther.

In planning meatless menus they have learned one must not only check to see that the necessary protein requirement is met but also must be sure that the niacin, thiamin, riboflavin and iron needs are supplied. In order to be bale to check all these requirements, one must know something of nutrition.

Home demonstration women have long been getting information in nutrition at their meetings, however, Farmer County club women are going a step farther in 1943. The clubs are sponsoring Red Cross Nutrition Classes and are inviting all their neighbors and friends in to take advantage of these lessons.

The following recipes have been used in the demonstration at club meetings this month.

Rolled Wheat Casserole

1 lb. ground raw beef or hamburger, 1-8 teaspoon pepper, 2 large sliced onions, 3 tablespoons ketchup, ½ cup boiling water, 1 teaspoon salt, 4 tablespoons bacon fat or drippings, 2 cups tomatoes, 1 cup cracked wheat.

Saute onions in fat until slightly brown. Remove onion, add meat and brown. Combine ingredients, mixing thoroughly. Turn mixture into well greased casserole or baking dish. Bake in moderate oven (375 F) 1 hour or until brown.

Tamale Pie

Make a mush, using 5 cups boiling water and 2 cups corn meal or grits, salt. Line a pan 2½ inches deep and about 9 inches square with mush. It should be brought up the sides like pie dough, at least 1 inch thick on bottom of pan. Save enough to cover the top. Of course you may use any pan you have, I merely give you this size because it is the pan I use for the following recipe:

1 lb. beef, ground coarse, ½ lb. pork, ground coarse, 1 small can tomatoes, 1 sliced onion, 2 tablespoons chili powder, salt and pepper.

In an iron skillet heat a little bacon grease and fry onions. Onions to be used in this way for seasoning should be fried very slowly and not scorched or burned. When they are pale yellow they are ready for use.

Now add beef and pork, stir well, browning as much as possible. Pour in tomatoes, add chili powder, salt and pepper. Let simmer for 10 minutes, mixing well.

Into pan lined with mush pour the mixture. Cover over top with remaining mush and bake in moderate oven for two hours.

Spoon Bread

2 cups water, 1 cup corn meal, 1 cup milk, 1 tablespoon shortening, 1 teaspoon salt, 2 eggs.

Mix water and cornmeal, bring slowly to boiling point. Cook 5 minutes. Add milk, shortening, salt and well beaten eggs. Beat thoroughly, and bake in well greased pan for 25 minutes at 400 degrees F. Serve from baking dish with a spoon.

Sister Of Local Man Lieutenant in Waacs

John Porter local merchant, has revealed that his sister, Mrs. C. E. Bradley is now a lieutenant in the Woman's Army Auxiliary Corps, and is located at Fort Des Moines, Iowa.

Having visited in the home of her brother, Mrs. Bradley, known as Miss Lillian Porter here, will be remembered by a number of local people.

GOES TO WASHINGTON

Leroy Hughes, son of Mr. and Mrs. Ernie Hughes and one-time outstanding athlete in the Farwell school, departed the first of the week for the State of Washington, where he expects to obtain employment in a ship yard.

By GARLON A. HARPER
County Agricultural Agent
Texas A. & M. Extension Service

During the past few days truck owners all over the nation have been registering their trucks in order to obtain a certificate of war necessity. There are many truck and pickup owners who did not get an application blank from the Office of Defense Transportation on which to furnish information to obtain one of these essential certificates. Those who did not get one of these certificates should come by the War Board office and ask for a form on which they can make this request for such an application. When the application is received, they should immediately fill it out to send in to the ODT. Without a certificate of war necessity truck owners will not be able to operate their trucks after Nov. 15.

We have noticed that the local ration board is getting some criticism from some people when those people are not able to obtain tires just as soon as they need them. We should all understand that the local board can issue certificates only up to their quota and can't go any farther. In a recent survey of the tires used in the county we have found that Farmer farmers are using from 8,000 to 10,000 tires on the farm—not including passenger car tires. The quota to the county is only about 1% of this number. When you think about so many of these tires not being in good condition at the start of rationing we see what a big job it is to keep all these farm implements and trucks in tires with such a low percentage of tires available for replacement in both new and retread tires.

We are going to have to make up our minds that we are going to either take care of our tires or do without for the duration. Let's not wait too late to start taking care of those tires.

Draft Board

(Continued from Page 1)

made upon it, and we desire to continue to co-operate with the Selective Service program in the future. But at the same time, we believe it unwise to disrupt the farming program to such an extent that a serious food shortage would result.

However, when we are told to fill our quotas regardless, and when practically all inductees must come from the farms of large operators, you can readily see the predicament in which we are placed.

I trust I have presented you with a picture of our problem, and I would like to ask that you write us what course to take with reference to these large-scale farmers and their essential help. It's a foregone conclusion that unless we can retain these men in class II-A many of the

Large farms in this county will grow up in weeds next year. We all realize that winning the war is the most important task that confronts us . . . a job that we must do and as quickly as possible. And if that means stopping production on the farms, we are ready to go all-out to that end, but we believe it an unwise policy. Assuring you of our desire to co-operate in whatever program assigned, we are, Yours very truly, Farmer County Local Board, By: W. H. Graham, Chairman.

ATTENTION SOYBEAN PRODUCERS

West Texas Cottonoil Co. at Littlefield has entered into a contract with the Commodity Credit Corporation to process soy beans; and in a short time (as soon as grading facilities can be obtained) will buy soy beans at support prices.

Soy beans must be sacked by the producer. New sacks, if needed, may be bought at actual cost from the oil mill who, in turn will buy them back at O. P. A. ceiling prices.

Each producer should immediately confer with his County Committeeman about the number of bags needed, based on about 100 lbs. per bag.
