JUVENILES LOSE LICENSES

Two juveniles were brought into Police Judge Sam Lewis' court last week on charges of reckless driving. Judge Lewis assessed each of them a fine of \$100, to be suspended on good behavior. In addition to the fines, their drivers licenses were suspended for ninety days.

Judge Lewis said that the two lads had been warned about their reckless driving before they were taken up by Town Marshal Jerry Spurlin.

Commissioners Make Request For Surplus Road Money, Monday

Formal application for \$20,441.63, now on hand in the Surplus Road Fund at Austin, and due this county, was made by the Commissioners Court Monday and will be forwarded to Austin at once.

The money is an accumulated surplus, which is being divided out among the various counties of the state to be used on maintenance of lateral roads. Judge A. D. Smith said the money would likely be transmitted to this county around September 1, and will be divided among the four precincts of the county on the usual percentage basis.

Other business transacted by the Court on Monday included the payment of current bills, the minutes reveal.

Four Drunken Drivers Enter Guilty Pleas

Four drunken drivers have been hailed into County Court during the past week, all of them entering pleas of guilty.

Everett H. Bohanan entered a plea of guilty before County Judge A. D. Smith on Tuesday of last week and was given 30 days in jail in addition to the court costs.

A slight car accident just east of Friona last Friday resulted in the arrest of R. B. Steddum and Loyde Allen Ragland, both of Hereford, and Russell Guill, Texico. Steddum and Ragland were fined \$100 and costs and given jail sentences of 60 days, while Guill drew only a \$100 fine.

Veterans Can Buy Texas Farms Under State Act

Veterans who are interested in owning a piece of Texas are advised this week that they can do so under a recently-activated act which allows the State to back the purchasers—providing, of course, that various stipulations can be met.

In speaking of the plan, County Clerk Loyde Brewer said that the veterans must have entered service from Texas, have returned to the State upon discharge, and must be present citizens of Texas to establish eligibility.

Currently, the set-up will handle and purchases up to \$10,000—but the loan from the state is set at a maximum of \$7125, with the veteran required to put up cash for the difference in the purchase price. Brewer pointed out. The loan will be made on a 40-year basis, with interest at the rate of 3% per annum. It is now specified that the buyer must receive all mineral rights on the land.

Disabled veterans who hold combat disability are currently listed as priorities, and their loan applications will be given first consideration until September 5th, after which time the applications will be processed as received. Following application to the General Land office of the state, an appraiser will be sent out to pass on the loan, or deny it, as the case may be. Brewer explained, adding that a 90-day tie-up was involved.

Brewer has application blanks on hand in his office, along with additional information which may be secured by anyone interested in taking advantage of the offer.

The campaign for better quality milling wheat, which has been carried on in Parmer and Curry counties by grain buyers, is beginning to pay off, it was revealed here this week in an interview with C. M. Henderson of the Henderson Grain & Seed Company.

Henderson pointed out that local buyers, including those of both Parmer and Curry county, have been paying from 7 to 10 cents per bushel more for wheat than is being offered by Amarillo buyers.

"The whole secret of this difference is in the fact that our growers are producing more desirable milling qualities," Henderson observed. Millers are ready and willing to pay more for desirable milling wheat and the wheat from this area is in demand by millers of Texas and Oklahoma, he stated.

As an illustration of the difference in price, Henderson said that on Monday of this week local buyers were paying \$1.85 for wheat. At the same time, wheat was being quoted at \$1.75 at Dumas.

While Henderson has played an important part in influencing the growers to plant desirable milling wheat, he declined to take credit for the improvement that has been brought about during the past three years. "The newspapers, all the elevators, and the county agents have played an important part," he said.

Less year, he said, there were only a few fields of "smooth head" wheat produced in this two-county area, and he is hopeful that there will be none planted this fall.

Parmer Directors Will Attend District Meet

Members of the Parmer County Farm Bureau Board of Directors, along with some other interested parties, will be in Lubbock on Thursday of this week, attending a district meeting of the Bureau, it was announced Tuesday.

No information was available here on the program for the Lubbock gathering, but it was believed that general Farm Bureau operations are to be discussed.

The county board includes Alton Henderson of Farwell, Fred Bolton of Oklahoma Lane, R. H. McFarland and Ralph Smith of Friona, Bill Denney of Bovina. Also planning to attend the meeting are Harold Carpenter and Ollie Liner, both of Farwell.

Rev. Terry To Assist In Revival At Dickens

Rev. J. J. Terry, pastor of the Oklahoma Lane Baptist Church, today announced that he was going to Dickens, Saturday, where he will be engaged in a 10-day revival meeting.

In his absence, Rev. Roy Roach of Plainview, will preach at Oklahoma Lane, next Sunday, at both the morning and evening hours.

Rev. Terry said that three conversions and three additions to the church resulted from the revival meeting at Oklahoma Lane, which came to a close last Sunday.

Walter Hardage, of the Hardage Hudson Company, today announced plans for the erection of a new business building in Farwell, which he said, was expected to get underway at an early date. The contract, he added, has not as yet been let, but it is expected to be awarded "the latter part of the week."

The new business building will be 90x70 feet, being located on the corner of Fourth Street and Avenue A, just one block east of the Phillips 66 station.

In addition to furnishing quarters for the automobile and tire business which Hardage operates, a second story will grace the front end of the structure, to be used as living quarters for the Hardage family.

All the business interest of the firm will be moved to the new location as soon as the new building is ready for occupancy. "We hope to be ready to move by Oct. 1st," Hardage stated.

21 Baptist Churches To Conduct Revivals In Plains Association

Rev. O. O. Holladay, pastor of the First Baptist Church, today announced plans for simultaneous revival meetings to be conducted in the twenty-one member churches of the Plains Baptist Association, which embraces DeBaca and Curry counties in New Mexico.

All the meetings will begin on August 21 and continue through September 4. Dr. C. E. Matthews, superintendent of the department of evangelism of the Southern Baptist Association, will be in Clovis to direct the campaign in the various churches.

"This will be one of the biggest evangelistic undertakings ever attempted in this part of the country," Rev. Holladay said, in discussing plans for the revivals.

Rev. C. S. Cadwallader of Ruston, La., will do the preaching at the Texico-Farwell church during the campaign.

Dates Soon To Be Set For Parmer Co. Fair

Dates for the annual Parmer County Dairy Show and Fair, which has grown by leaps and bounds during the past few years, are slated to be set by the board of directors within the next few days, it was reported here this week.

Customarily, the show is held during September in Friona, where adequate space has been arranged for stock, merchandise and booths. The fair started out some years ago as a one-day affair, but increased interest has promoted it to a three-day celebration, complete with some side-show attractions.

CLINIC POSTPONED

The pre-school clinic, which was scheduled at the Texico school for Thursday evening of this week, has been postponed due to the inability of County Health Nurse, Mrs. Wiggins, to be here on that date. PTA officials said today the clinic would be held the second Thursday in September.

In the good old days the man who saved money was a miser. Now he's a wizard.

For the second time within the past three months, the qualified voters of Parmer County will go to the polls on Saturday, August 13, to decide whether or not the county will issue bonds in the amount of \$800,000.00, to be used in the construction and maintenance of farm-to-market roads in Parmer County.

Previously, on May 28, the voters of the county turned down a similar proposition when they declined by a margin of eight votes to adopt a bond issue amounting to \$1,150,000.

County Judge A. D. Smith stated today that the Commissioners Court would meet in special session on Monday, August 15, for the specific purpose of canvassing the returns of the bond election to be held on Saturday. He asked that all election judges take note of the special meeting and have all returns at the county courthouse not later than Monday morning by 10 o'clock.

Interest in the forthcoming election, which has been moderately dormant since the election order was issued by the Commissioners Court on July 5th, flared anew early this week when both the "antis" and the "pros" renewed their efforts over the entire county. Large last-minute advertisement were ordered inserted in this newspaper by both factions. Present indications are that interest will mount high on the day the voters go to the polls.

Many voters who remained away from the voting places in the May 23 election, under the impression that they were ineligible because they did not own real estate, are expected to cast their ballots next Saturday. County Attorney Sam Aldridge has ruled that persons who have rendered taxes on any property during the past year, and who are otherwise qualified, may vote in the bond issue.

New Ballot Forms

Voters will use the new Texas form ballots when they cast their votes, and furthermore, new voting procedure has been set up for all elections in the state. Instead of having only one box in which to place the voted ballots, each precinct will have five separate boxes for handling the cast votes and the stubs.

Voters will be handed ballots that bear a number. Attached to each ballot will be a duplicate number enclosed in a 2x2 inch square. Voters will be required to write their names on the small square, which will then be detached and deposited in a box separate from that holding ballots.

Eight voting places have been named in the county, which include Friona, Bovina, Farwell, Oklahoma Lane, Lazbuddy, Black, Rhea and Lakeview. With the exception of Farwell, Rhea and Lakeview, all voting booths will be set up at the school houses. In Farwell, the voters will go to the courthouse; at Rhea, the teacherage will be used; and the Lakeview voters will journey to the Otho Whitefield home.

New Lazbuddy School To Open This Fall

Information from the Lazbuddy area this week was to the effect that high school students would meet classes in the newly-completed high school-gymnasium building this fall.

The Tribune has not made contact with Supt. Sims, new head of the school, regarding the opening date of the 1949-50 term.

FROM THE HOPPER

By HOP

It's amusing as well as surprising how these English war brides adopt our Yankee customs and slang expressions. This week we heard Irene Dyer use the expression, "okey-dok-y." We can imagine that the first time Irene ever heard the expression she was perplexed to understanding its meaning, but in a few short years it has become acceptable to her, and now she is throwing American slang around like a typical Yankee.

Billy Joe Foster was complaining about the insect infestation that has taken over his cotton patch and remarked that he had everything on his cotton stalks except bolls.

Joe Jennings was here the latter part of last week feeling the pulse of the local voters. Joe is considering making the race for state representative to succeed I. B. Holt, who resigned recently. It will be recalled that he made the campaign in the election that named Holt to the office, and has a good acquaintance over the district. It is not likely that Governor Shivers will call a special election to name Holt's successor, but it is possible that the voters of the district will choose a new representative at the general election in November, at which time the voters will also vote on ten proposed constitutional amendments.

Cooks Will Return To Former Houston Home

Roy E. Cook, local attorney and abstractor, announced this week that he was making arrangements to move his family back to Houston, from which place they came to Farwell, where he would engage in private law practice.

Cook said his family was now in Houston, where they would likely remain until all details of their move are completed. The Cook family came here three and a half years ago and purchased the Guaranty Abstract Co. from Mrs. J. D. Thomas. He has operated the business and engaged in private law practice since that time. He said that arrangements would be made to continue the operation of the abstract plant here, but details of that arrangements had not been completed the first of the week.

In making his announcement of his intentions to leave Farwell, Mr. Cook said he had no regrets for having come here. "We have enjoyed good health; we love the people and the business has been up to my expectations. It's just a case of having a larger field in which to operate," Cook stated to a reporter.

He said that details of the move could be completed within the next two weeks, but he gave it as his opinion it would be around September 1 before all details incident to the move are worked out.

RED RIVER COMING

Hailed as one of the outstanding productions in recent years, Red River is coming to the Border Theatre, Sunday and Monday.

Advertise For Bids On Gym Bond Issue

The second attempt to secure an acceptable bid for construction of a high school gymnasium with dressing rooms is being made at this time by the officials of the Texico school, with advertisements for bids being opened this week.

Supt. Agric Jones said today that the bond issue, voted around a year ago by residents of the Texico district, amounted to \$41,000, and the plan is to construct a good-size gymnasium-auditorium, 107x75, which will seat the crowds that have heretofore either stood or turned away from activities at the school.

Bids will be accepted by the board up to August 30, with all bids being opened at 2:30 that afternoon by the officials of the school.

Jones added that plans are to convert the old gymnasium—which at the time it was constructed was one of the best in the county—into badly-needed classroom space.

Local Theatres Help In Polio Fund Drive

The Border Theatre of Farwell, and the Mustang Theatre of Bovina are co-operating with the independent theatres of Texas in a state-wide drive to raise additional funds for polio victims in the state, Scotty Levins of this city, announced today.

Levins said that the polio fund drive would be made at the Mustang in Bovina on Thursday, Friday and Saturday of this week, while Texico-Farwell theatre goers will have an opportunity to make their contributions during the following four days—Sunday through Wednesday of next week. Following an announcement at these showhouses, ushers will pass through the audiences to collect the free-will contributions.

All funds collected at Farwell and Bovina will be forwarded to Henry Reeve, president of the Texas Theatre Owners, for transmission to the Texas Polio Fund.

It has been pointed out that today more than ninety percent of the polio cases now under treatment in Texas Centers are on a non-paying basis. In addition to the large number of cases unable to pay for services, additional facilities are needed in every polio center in Texas to care for the rapidly increasing number of patients, which is more than double the number of patients receiving treatment last year.

"The offering will be entirely volunteer," Levins stated, "and every cent of the money collected will go to the Polio Fund."

TO KEEP OFFICE OPEN

In order to give better service to the patrons of Texico-Farwell, the office of the Southwestern Public Service in Farwell will be kept open all day after September 1. O. C. Green, district manager, said that Miss Letha Bridges would be in charge of the office after she had completed her training in Clovis during the remainder of this month.

This world of ours is never more than a year from starvation.

Health Note

Texas State Department of Health

AUSTIN—Among a certain and rather extensive group of self-centered persons, symptom-hunting unfortunately is rather popular. Because of a too detailed study of so-called health literature of the alarmist type, or on account of a recent death in the family, introspection develops to a morbid degree. The result is an entirely unfounded fear for all sorts of disease possibilities. Many becoming victims of this warped psychology develop brain and nerve exhaustion and in extreme cases even become affected mentally, stated Dr. Geo. W. Cox, State Health Officer.

Of course, it is entirely proper to have a normal regard for personal well-being. To maintain vitality and to prevent disease is a logical pursuit for everyone. But it most decidedly must be kept within bounds. When one becomes obsessed with the subject, concern for health has overstepped the limits.

For all practical purposes, after giving reasonable attention to diet, personal sanitation, sleep and exercise, and assuming that one's bodily limitations as defined by the family physician are appreciated, the average person can dismiss the subject of health. This, plus the annual physical examination, should adequately cover the situation.

On the other hand, conditions are bound to arise where actual disease symptoms manifest themselves. It will then be up to the doctor to decide what the trouble is, if any, and for the patient to abide by his judgment.

In short, symptom-hunting as a hobby is a dangerous matter. One should stay away from it. It is neither safe nor healthy to do otherwise.

Be Sure Your Kitchen Is Well Arranged

COLLEGE STATION—The kitchen is the main work center of the house. The efficiency of the entire household depends to a large extent upon how well the kitchen is planned and arranged, says Mrs. Bernice Claytor, extension specialist in home management of Texas A. & M. College.

There is no one model or ideal kitchen plan, she adds. Any kitchen, to be convenient, should be planned according to the needs of the family who will use it. Those needs vary with the size and ages of the members of the family, the principle industry of the farm or ranch and the kinds and amount of work done in the kitchen. Consideration must also be given to the amount of entertaining that is done, the standards for preparing and serving meals, the amount of food purchased ready-prepared, the amount of outside help used and the utilities available.

Essential kitchen equipment, says Mrs. Claytor, includes a range, water supply—and this is usually combined with a sink and drainage facilities—

WAR ACE ENTERS COLLEGE . . . Captain Don S. Gentile, USAF, (right) of Piqua, Ohio, ace of World War II, prepares to register as student with Col. H. C. work tables or work surfaces at comfortable heights for the worker, provisions for refrigeration and adequate storage space for everything used in the kitchen. The storage space, continues Mrs. Claytor, should be located as near as possible to the place where these articles will be used.

Kitchen equipment is available in various prices, variety of sizes, qualities and finishes. Wise and careful selection of equipment is always an important factor in kitchen efficiency, concludes Mrs. Claytor.

New Bulletin Released On Grain Storage

COLLEGE STATION—The new bulletin, C-266, Grain Storage for Texas, is new and chock full of helpful ideas on grain storage structures for Texas. The publication was prepared by W. S. Allen, extension agricultural engineer-buildings of Texas A. and M. College.

On-the-farm grain storage is due to be a very important part of every Texas grain producer's farming operations for a long time and Allen says storage structures should be built with this fact in mind. Build them to last. The cheapest structure you can build is the one that will still be usable and safe ten or fifteen years from now, he adds.

Here are a few things you should remember, Allen says. Low moisture content is necessary for prolonged, safe storage of grain. Construct a strong, durable building. Eliminate entrance points for moisture and insects. Provide for fumigation, if necessary. Rat proof your grain structure, locate it for convenience on a firm, dry site and don't forget to plan an easy way to get the grain in and out of it.

If you need grain storage on your farm, Allen suggests that you visit your local county agricultural agent, talk over the situation with him, and get a copy of the new bulletin. You can probably find the answers to a lot of the questions that you'd like to know in C-266, Grain Storage for Texas.

Tech Footballers Start Pre-Season Training

LUBBOCK—Texas Tech's eight man squad of professional football players is in training.

The Green Bay Packers have a majority of the former Red Raiders

with five men on hand in training camp to compete for places. Walter Schlinkman, named in 1948 on the second All-National league team as fullback, will be playing his third season for the Packers if contract negotiations are completed. Halfback Ralph Earhart is in his second year with Green Bay, while Guard Bob Flowers has been with the Packers since 1941.

End Bill Kelley and Halfback Glenn Lewis joined the Packers for the first time this season.

Charles Reynolds, leading Tech scorer the past two seasons, is in the camp of the Los Angeles Rams, while Tackle Bernie Winkler is starting his second year as tackle for the Los Angeles Dons.

Joe Smith, former Tech end, reported to the Baltimore Colts for the second season recently.

Tackle Floyd Lawhorn, with the Washington Redskins last season, did not return to pro ball because of an injured leg. Center Tuffy Nabors of the New York Yankees has turned down a second season with that club to coach in Texas.

DO YOU Want to Mortgage All Property in Parmer Co. for \$800,000.00 (Almost a Million Dollars) ?

That is what will be done if the present bond issue is voted on August 13th

The interest and sinking fund necessary to take care of this enormous debt each year will amount to \$43,000.00 or more for the next 30 years. If the bonds are strung out for 30 years at 3½% interest, as proposed in the Election Notice, will mean that your present County Taxes will be just about doubled, and this to go on for THIRTY YEARS.

If these bonds are voted by the taxpayers of Parmer County, it will mean that they will have to be paid, interest and all, by the citizens of Parmer County. The STATE OF TEXAS will assume no responsibility for their payment. IT IS YOUR DEBT, TAXPAYERS OF PARMER COUNTY.

It has been erroneously circulated that the retirement of these bonds will cost the average farmer only \$7.00 or \$8.00 a year. Do not be MISLED, just double your present County Taxes and you will know what it is going to cost you.

Parmer County is fortunate now, as it is in good shape financially, having practically no debt, and there is no good reason why they should saddle this debt on themselves for farm-to-market roads at this time and probably become insolvent in a few years. The State of Texas has built and is maintaining several miles of farm-to-market roads and under the present program, within the next three or four years the State will complete 97 miles in Parmer County.

LET US GIVE THE STATE A CHANCE TO COMPLETE THEIR PROGRAM FOR THE COUNTY, AND IF THEY NEED SUPPLEMENTING, THEN WE CAN DO SO.

REMEMBER—IF THE COUNTY BUILDS THE ROADS, THE COUNTY MUST MAINTAIN THEM. WHEN THE STATE BUILDS THE ROADS, THE STATE WILL MAINTAIN THEM.

Authentic sources inform us that it costs as much to maintain a hard-surface road over a period of ten years as it originally cost to build it. THINK OF THAT! EVERY TEN YEARS ANOTHER \$800,000.00, plus interest, etc. DO WE WANT TO BUILD AND MAINTAIN THE ROADS OR LET THE STATE PAY ALL THE EXPENSE?

It has been the history of road bond issues in Texas that where roads have been built by the county with bond issues running more

than **TEN YEARS** the bond issue has outlived the roads. In other words, the roads have been long since worn out, while the debt lingers on.

IT HAS BEEN PROVEN THAT IT WILL REQUIRE A MINIMUM OF ONE-HALF OF THE ROAD BOND FUNDS FOR MAINTENANCE OF THE ROADS, and therefore, the Commissioners' Court or interested parties could require \$400,000.00 to be set aside for maintenance. THEN WHAT ROADS WILL BE BUILT WITH THE \$400,000.00 REMAINING, AND WHICH ROADS SHALL BE LEFT OUT?

The \$800,000.00 bond issue will require \$1,296,470.00 to retire the debt, the interest alone amounting to \$496,470.00, almost a half million dollars.

The County Judge has letters on file from your Highway Department Engineer stating that the State has definitely committed itself to construct and MAINTAIN 97 miles of road in Parmer County, of which approximately 40 miles have been built or designated to be built and this has been done since 1947. The remaining 57 miles are to be built within the next three or four years.

NOTE CAREFULLY THE ELECTION ORDER, WHICH IS QUOTED FROM AS FOLLOWS:

"Whether or not the bonds of said Parmer County shall be issued in an amount of \$800,000.00, bearing interest at a rate of not to exceed 3½% per annum, and not to exceed THIRTY YEARS for the purpose of the construction, MAINTENANCE, and operation of macademized, gravelled or paved roads—and whether or not ad valorem taxes shall be levied annually on all taxable property in said county sufficient to pay the annual interest on said bonds and provide a sinking fund sufficient to pay the bonds at their maturity."

Note carefully the word "MAINTENANCE."

THERE IS NO DOUBT THAT YOU, THE TAXPAYERS OF PARMER COUNTY, MUST MAINTAIN THESE ROADS AFTER YOU BUILD THEM, and this will cost many times the original cost of the roads in the next THIRTY YEARS.

REMEMBER—we will now be building roads with 50-cent dollars, and they must be paid off with 100-cent dollars.

REMEMBER—the times we could not pay our taxes, and the delinquency was enormous. Isn't it possible the time might come again, certainly before we get this enormous debt paid, in the next THIRTY YEARS, that it will be hard to meet our tax bill, especially if we now DOUBLE it.

REMEMBER, this County has a value of only \$6,229,116.00, and this debt of \$800,000.00 alone, will mean the mortgaging of all property some 13% of its value. This is for roads only, not to mention the School taxes, etc. The School taxes are bound to increase with the new Laws enacted, and changes that must be met, and probably they should.

If this debt were necessary to provide good and needed roads in Parmer County, it might be justifiable to vote for them; but, as pointed out, it is not necessary, as the State has been, is now, and is going to take care of most of our needs. It is very foolish, if not disastrous, for us to vote this debt upon ourselves at this time.

IT HAS BEEN CIRCULATED THAT THIS \$800,000.00 will build 140 miles of roads. This calculation is based upon a cost of LESS than SIX THOUSAND DOLLARS PER MILE. The STATE figures the cost at around EIGHT THOUSAND DOLLARS PER MILE. Can the County build this much cheaper than the STATE?

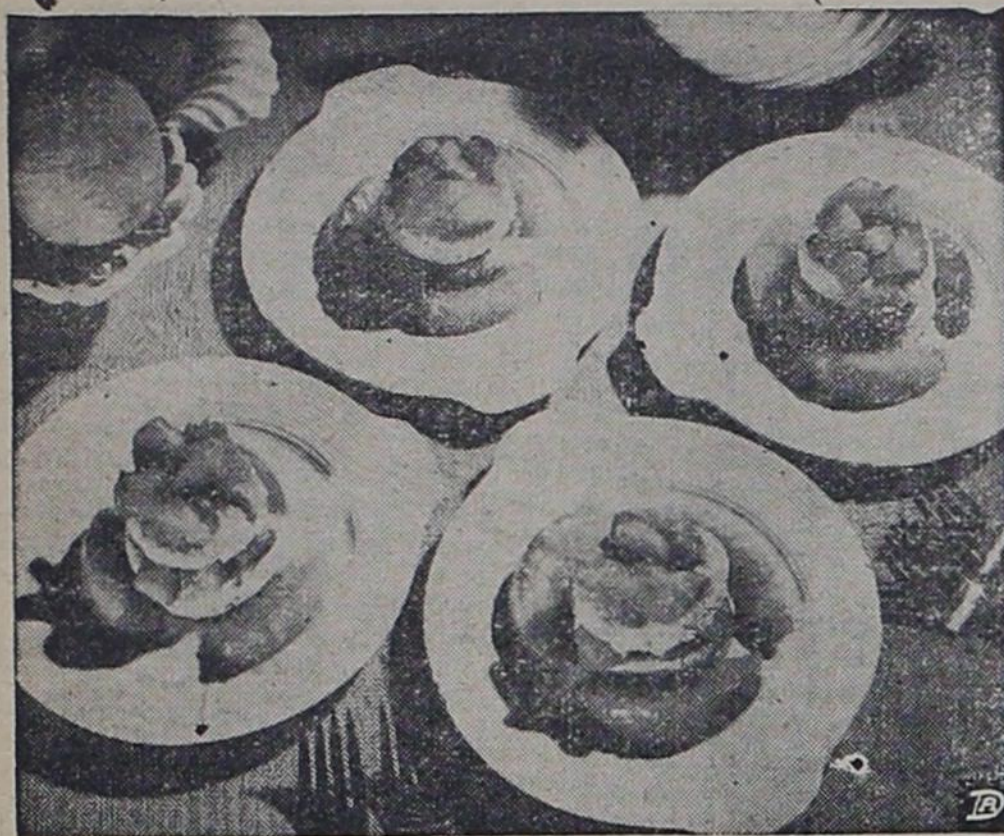

AS BROUGHT OUT BEFORE, WE SHALL NOT HAVE \$800,000.00 for construction, as much must be used for maintaining what we build.

LET US BE SENSIBLE. THIS UNNECESSARY ROAD BOND ISSUE WILL COST THE TAXPAYERS MORE THAN ALL PRESENT COUNTY SERVICES COMBINED—The General Fund, Courthouse & Jail Fund, the Jury Service, the Present Road Maintenance, and all other services rendered by the County. BESIDES COSTING SO MUCH, THE ROADS WILL BE WORN OUT BEFORE THEY ARE PAID FOR.

Let's let the State build and maintain our roads. If, after three or four years, and after the State has completed its present program of around one hundred miles of roads, which it will maintain, at no expense to the county, and then if the State does not agree to build more, we can then consider the matter of building supplemental roads that might be needed or desired.

Luscious Peach Shortcakes

Shortcakes continue in popularity, for juicy fresh peaches now on the market make the topping for a rich biscuit base.

Fresh peaches can be enjoyed in many desserts throughout the season, but few are more popular than shortcakes. Since peaches are usually more economically priced than berries, peach shortcake is a good dessert treat for the modest budget.

The individual shortcakes pictured are made just like biscuits, except that a little sugar is added to the dry ingredients to make a slightly sweet foundation. If larger shortcakes are preferred, cutting the rolled dough with a three-inch cutter should make enough to serve six.

Healthful eating is beautifully packaged in this peach shortcake, for the enriched biscuits contribute B-vitamins and iron, the juicy peaches vitamins A and C.

Spoon sweetened sliced peaches liberally over hot buttered biscuits for a luscious summer dessert.

PEACH SHORTCAKES

- 2 cups sifted enriched flour
- 3 teaspoons baking powder
- 1 teaspoon salt
- 1/4 cup sugar
- 6 tablespoons shortening
- 2 1/2 to 3/4 cup milk
- Sweetened sliced peaches
- Butter or margarine

Sift together flour, salt, baking powder and sugar. Cut or rub in shortening. Add milk to form a soft dough. Turn out on lightly floured board and knead gently one-half minute. Pat or roll out one-half inch thick. Cut with two- and one-half inch biscuit cutter. Bake on ungreased baking sheet

in hot oven (450 degrees F.) 10 to 12 minutes. Split crosswise. Spread bottom layer lightly with butter or margarine. Cover with sweetened peaches and replace top layer. Cover with more peaches. Makes about nine shortcakes.

Postal Receipts Climb 11 Percent In June

AUSTIN—June postal receipts in Texas gained 11 percent over a year earlier, but fell 3 percent from May, the University of Texas Bureau of Business Research reported.

After adjustment for seasonal variation, the Bureau's index of postal receipts edged downward to 277 percent of the prewar base period. June receipts of 59 Texas cities totaled \$3,433,412 in comparison with \$3,544,266 in June 1948.

From May to June, postal receipts stepped up 19 percent in Paris; 18 percent in Texas City; 17 percent in Borger and Kerrville; and 15 percent in Gainsville and Wichita Falls.

Outstanding gains over June of last year were turned in by Snyder, 66 percent; Palestine, 43 percent; Wichita Falls, 34 percent; El Paso, 32 percent; and Borger, 26 percent.

On the other hand, postal receipts dropped 67 percent during the 12-month period in Seguin; 20 percent in New Braunfels; 17 percent, Bryan; 11 percent in Vernon; and 8 percent in Brownwood.

With a 38-percent decrease, Sweetwater recorded the biggest monthly downturn in postal receipts. June receipts lagged 18 percent in Seguin; 16 percent in Denison; 15 percent in Lubbock, Marshall, and Port Arthur; and almost 14 percent in Big Spring.

June postal receipts amounted to \$917,659 in Dallas; \$597,534 in Hous-

ton; \$327,573 in San Antonio; and \$322,396 in Ft. Worth.

MILK PRODUCTION TEST COMPLETED AT TECH

LUBBOCK—Texas Technological college's registered Holstein-Friesian cow, Tech Bessie Homestead, has completed a 365-day production test of 516 pounds of milk made in Herd Improvement Registry tests.

Testing was supervised by Texas A. and M. in cooperation with the Holstein-Friesian association of America.

"Tech" was milked three times daily and was four years nine months old when she began her test period.

Neglected ladders, open cisterns or old wells and other hazards lead children to tragic mishaps. Remove the temptations and be safe.

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 19
proposing an Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for Civil Service in certain counties upon a vote of the people therein.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section, to be known and designated as Section 62-c, reading as follows:

"Section 62-c. The Legislature is authorized to provide for the creation of Civil Service Systems for county employees in the respective counties of this State, but any system so authorized and established shall be approved by a vote of the people in said county. Any Civil Service System established by virtue of this Section shall apply to appointive offices only, and the limitations on term of office heretofore provided

by Section 30 of this Article shall not apply, but the duration of such offices shall be governed by the provisions of such Civil Service System. This Section shall not apply to counties having a population less than seventy-five thousand (75,000) people."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballot shall have printed or written thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein", and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein."

Southern Baptists Gain 10% In Mission Gifts

A ten per cent gain in mission gifts the first six months of 1949, as compared with the same period in 1948, has been reported by Duke K. McCall, executive secretary and treasurer of the Southern Baptist Convention Executive Committee.

The first-half total for 1949 is \$5,847,899.81, Dr. McCall said. Of this amount, \$3,154,081. was through the denomination's general Cooperative Program and the remainder was designated to particular mission objects. Receipts for the first six months of 1948 showed a 23 per cent increase over the same period in 1947, Dr. McCall said.

Mustard Makes Magic

A triple triumph will be yours when you serve a platterful of cabbage in hot mustard bread sauce. For combined in this one dish are three factors all cooks think well of nowadays. These are good eating, good nutrition, good economics.

Good eating is assured here because diverse and fascinating flavors have been blended knowingly—distilled white vinegar, with its rapiers-sharp thrust against the senses . . . pungent prepared mustard . . . ardent cayenne. A creamy white sauce, thickened with enriched bread crumbs, has been fired with an infusion of these flavors. The whole is then poured on an earthy cabbage head.

Good nutrition is guaranteed when vitamin-rich cabbage is bolstered by milk, egg, enriched bread and valuable meat drippings—as potent a mixture of important foods as could well be blended in one dish.

Good economics is apparent when an inexpensive side dish such as cabbage can be extended, flavor lightened, and promoted as a meat substitute for the main dish of a meal. Better try this recipe right now:

Cabbage With Hot Mustard Bread Sauce

- Remove crusts from, and cut into tiny cubes—
- 3 slices bread.
- Heat and combine with bread cubes—
- 1 cup milk.
- Cook stirring constantly until smooth.
- Add—
- 2 tablespoons margarine or meat drippings
- ½ teaspoon salt
- Few grains cayenne pepper.
- Remove from heat.
- Stir in—
- 1 egg, well beaten
- 2 tablespoons distilled white vinegar

- 1 tablespoon prepared yellow mustard.
- Reheat and serve over—
- 1 medium head of cabbage, cooked and cut in wedges.
- Serves 6.

More About Mustard

Expandables are popular today—foods like rice, that can be puffed up in cooking to triple their natural size and shape. Rice is a good buy for your money now. It is plentiful, inexpensive, point free, and, when the unpolished variety is used, adds nutritional value to a meal.

Use rice often in your cooking. You'll find it a thrifty foundation for a little meat when served with lots of sauce or gravy. Seasoned with ketchup and stuffed in peppers, rice makes a hearty main-course dish. And it's wonderful in creole fish, adds bulk to soup, makes a splendid raisin pudding.

However, to get the full good from this expandable, you should feature rice alone. Make it the main dish of a meal. Use tenderly puffed rice, a few slivers of onion, a little shortening for browning, a trifle of cheese for added bulk, and prepared yellow mustard.

It's the mustard that gives this dish such an honest, hearty flavor—a pungent flavor, strong enough to stand up as the main-course eating of a meal. Serve a platter of this Mustard-Rice with salad, and you'll have a pretty, practical, and popular main course for supper.

Mustard Rice

- Wash, draining well—
- 1 cup uncooked rice.
- In—
- 2 tablespoons shortening
- sauté until tender, but not brown—
- 1 small onion cut in thin slices.
- Add, stirring over high heat 5 minutes—
- Rice
- 2 tablespoons prepared yellow mustard
- 1¼ teaspoons salt.
- Add, then cover—
- 3 cups boiling water.
- Cook rapidly for 10 minutes. Reduce heat to low, continue cooking 45 minutes or until rice is tender.
- Add, mixing well with rice—
- ½ cup grated American cheese.
- Serve hot. Serves 6.

Polio Patients Receiving Best Available Care

DALLAS—Every polio patient in Texas is getting the best available medical care, Joe W. Savage, Executive Director of The National Foundation For Infantile Paralysis, announced here following a 10 day survey of conditions in the major epidemic areas of the state.

Savage, who directs the nationwide fight against infantile paralysis from headquarters in New York, came to Texas to inspect polio conditions at first hand and to make sure that everything possible was being done to aid victims of the disease.

On his trip he visited San Angelo, Dallas, Fort Worth, Houston and San Antonio. In each city he discussed the situation with local chapter officials, physicians and hospital administrators and inspected treatment centers.

"The Texas chapters of The National Foundation are doing an outstanding and heart warming job," Savage reported after surveying all areas in Texas where serious outbreaks of polio have occurred.

"In one or two places I found there was a shortage of trained personnel but steps were taken on the spot to supply this need. Texas is adequately equipped with hospital facilities, physicians, nurses and special equipment to meet the threat of polio."

Savage disclosed that \$315,000 in additional funds have already been furnished to local chapters in Texas so far this year by The National Foundation.

In addition to money, the Foundation has dispatched 62 nurses, 16 physical therapists, 5 physicians and 1 epidemic aid team to sections of Texas needing help. Also furnished were 23 respirators, 28 hot pack machines and a considerable amount of hospital equipment.

Savage disclosed that in 1948 Texas had a total of 1,765 polio cases. As of July 30 this year some 1,203 cases have been reported.

When asked whether sufficient funds were available to continue the battle against infantile paralysis, Savage stated that The Foundation, despite heavy demands made on it this year, will meet all requests for assistance.

"However if these serious and widespread epidemics continue," Savage pointed out, "it may be necessary to procure additional funds through a national epidemic fund drive. These funds would be used only to fight epidemics and not for research or other long range objectives."

"Such an emergency fund appeal would be successful only if carried out on a national scale. In that way

funds would be available to fight polio in all areas where epidemics are raging."

Savage stated that reports from all sections of the state showed a slight drop in the number of new polio cases and expressed the hope that the peak of the epidemic in Texas had been passed.

State Fair Observes Youth Day, Oct. 15

Post-war rural youth activity in the state will reach its high point this year when the largest single gathering of farm boys and girls in the nation's history will be honored by the State Fair of Texas on Rural Youth Day, Oct. 15. James W. Aston, Chairman of the Fair's rural youth day committee, has announced.

"At least 75,000 4-H Club boys and girls, Future Farmers and Future Homemakers from farms and ranches in every corner of the state, will make the trip to the Fair," Aston said. "Last year's attendance of 60,000 was considered phenomenal but all indications point to a 25 per cent increase for this year."

The youngsters are traditionally given free admission to the Fair, and a free lunch which is provided by Dallas business leaders.

"Purpose of Rural Youth Day is primarily to help youngsters become better citizens," Aston said. "The sights they see and the information they obtain on this day broaden their vision and their knowledge of trends in agriculture, livestock, poultry, and modern life in general. They find out what is going on, grain valuable 'know-how', learn how to profit from the experience of others and, as a result, they become better business men, homemakers, farmers, ranchers, and citizens."

Rural Youth Day was inaugurated

at the Fair in 1946. Through the cooperation of the Texas A. and M. College Extension service, state vocational Agriculture and Homemaking departments, the event has grown from an initial attendance of 30,000 to 75,000 which is the goal for 1949.

Attendance prizes of \$100 each will be awarded the county 4-H Club delegation and the Future Farmer and Future Homemaker chapters which have the highest score, based on the number of members present multiplied by the number of miles traveled to the Fair.

A banquet honoring the 50 outstanding Future Farmers, Future Homemakers, and 4-H Club boys and girls in the state during 1949, will be held in the Texas Room of the Baker Hotel at 7 p. m., Oct. 14.

Other junior events planned for the 1949 State Fair are Junior Livestock Show, Oct. 17-22; Junior Market Turkey Show, Oct. 8-13; Junior Market Broiler Show, Oct. 14-20; Junior Grass Judging Contest, Oct. 19; and State Junior Livestock Judging Contest, Oct. 11.

Protect Cantaloupes From Insect Damage

COLLEGE STATION—Are you finding insect damage on your cantaloupes especially where they touch the ground? Chances are that the common sow bug or pill bug is causing this damage, says James A. Deer, assistant extension entomologist of Texas A. and M. College. Of course, he continues, other chewing bugs could be causing the trouble, and it would be well to try to identify the culprit before you start control measures.

The sow bug does its work in the late afternoon and at night, but if he is around, you'll find him under anything he can hide under during the daytime, says Deer.

Poison bait should give satisfactory control and here's the mixture that Deer recommends. Wheat bran or shorts, 25 pounds; sodium fluosilicate, sodium fluoride or paris green, 1 pound; cheap molasses, 2 quarts; water, 2 gallons. You can cut the amount of bait to be mixed down to your needs by taking the same percentage of each of the ingredients.

Mix the bait thoroughly and don't get it too wet, says Deer. Put it out late in the afternoon and sprinkle it around the cantaloupes. This same bait will get other chewing insects if they eat it, but if the damage still shows up after you have given it a good trial Deer suggests that you see your local county agricultural agent for identification of the bug or bugs that are causing the damage.

One Graduation Plan Slated For Texas U.

AUSTIN—To give additional emphasis to the commencement exercise, University of Texas officials have decided to hold only one exercise annually—in the spring.

February and August graduates will receive their diplomas at that time, but will be invited to attend the formal June commencement program, which may be extended to a two day-long celebration.

Announcing the contemplated new plan, C. Read Granberry, assistant to President T. S. Painter, said, "This plan is in line with the trend being followed in major institutions throughout the country."

A baccalaureate sermon will be a part of the annual program and tentative plans call for several well-known speakers to add impetus to the occasion.

TO ATTEND MEETING

AUSTIN—Dr. Hob Gray, director of the University of Texas Teacher Placement Service, will attend a meeting of the Southern Association of Colleges and Secondary Schools, Aug. 16-20, in Gatlinburg, Tenn. Dr. Gray is chairman of the Association committee on use of evaluative criteria and will make a report on that topic.

TEACHER OVERLOOKED

Apologies go this week to Mrs. Frank Seale, who was unintentionally omitted from the list of teachers of the Texico school, in the announcement made last week by Supt. Agrie Jones. Mrs. Seale, who was a member of the faculty during the past year, will resume her duties in the grade school with the opening of the fall term.

NEW WASH RACK

A new building to house a wash and grease rack at the Dyke's Service Station in Texico is being erected this week and will be completed soon. A hydraulic lift has been installed and complete wash and grease service will soon be available to the trade.

County Clerk Loyde Brewer was back on duty Monday, having spent several days in Oklahoma City attending a clinic conducted for asthma sufferers. Brewer reported Monday that he "felt fine" but added that it would take some time to determine the effectiveness of the treatment. People from sections of Texas, New Mexico, Kansas and Oklahoma were on hand for the clinic, he added.

Judge and Mrs. A. D. Smith were visitors in Amarillo, on Saturday.

Wage Survey Released By University Bureau

AUSTIN—A recently-completed University of Texas Bureau of Municipal Research survey of salary and wage scales in Texas cities shows more people working and getting higher pay over the period of the past six years.

A study by Research Associate W. Terrell Blodgett of 61 Texas cities with a population over 5,000 indicated annual salary-wage totals have almost tripled and the total number of employees doubled in the past six years.

Copies of the report are available in the Bureau, University of Texas, Austin, 12, Texas.

Cottonseed, used mainly for oil and livestock feed, now has another use. It is a synthetic protein fiber, and can be blended with cotton, wool, rayon or nylon to give mixed fabrics more softness or elasticity.

Home From Tour

Mr. and Mrs. W. H. Spurlin, their two children, Sonny and Joan, and Mr. and Mrs. Jack Spurlin returned home Sunday from a week's vacation tour to visit relatives in Friendship, Ark., and Memphis, Tenn. They report a very enjoyable outing.

Visiting in the W. J. Matthews home last week were her sister, Mrs. Howard Carlyle, and son, Harding and wife, all of San Angelo, Texas.

Fall Out of Summer

To paraphrase the poet: When summer comes, can fall be far behind? Designer Toni Owen has fashioned this dress to be equally comfortable under September starlight or July parasol. The patio shirt is of Juilliard Featheroy (three ounces lighter than corduroy), with side zipper and buttoned waist band. Shepherd Knitwear makes the matching T shirt. The ensemble, chosen by Cosmopolitan magazine's Male-Tested Fashion Jury (Kirk Douglas, Robert Sterling and Louis Jordan) comes in red caviar, taupe and gold. Its price—about \$15 for skirt, \$2.25 for shirt—leaves budget room for July juleps or autumn apple cider.

Family Reunion Held In Lunsford Home

A family reunion was held in the home of Mr. and Mrs. Chas. Lunsford, in Farwell, Sunday, when Mrs. Lunsford was hostess to several members of her family.

LITTLE LADY NO SETUP . . . So she scores one of the biggest upsets in the Wimbledon tennis championships over her statuesque opponent on the right. The ill-matched (in height) pair met in the matches in London. The tall player is Gertrude Moran, more familiarly known as "Gorgeous Gussie," from sunny California. Across the net is Gem Hoahing, a Chinese girl who plays for Britain. Miss Hoahing is only four feet, seven inches tall, but she trounced Gussie, 6-2, 5-7, 6-3

Comptroller Arrives On Tech Campus

LUBBOCK—Marshall Pennington, Texas Tech's first official comptroller, arrived recently on the campus to assume the duties of his new office. The office of comptroller will head all business and financial affairs of the college. Pennington will take over most of the work done by W. T. Gaston, business manager of Tech since 1929. Gaston will retain his position as manager but will devote his time to plant operations and fis-

cal functions. Pennington comes to Tech from Texas Western college, formerly Texas School of Mines and Metallurgy, where he has been business manager since 1934.

Boys' 4-H Club enrollment for Texas reached an all-time high in 1948 with 42,763 boys enrolled in the program. By way of comparison, only 24,900 were enrolled in 1938.

HOUSE JOINT RESOLUTION NO. 22 proposing an Amendment to Article V, Section 7 of the Constitution of the State of Texas to provide that the Judge of the District Court shall

conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law; providing for election proclamation and submission to qualified electors of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 7 of Article V of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Sec. 7. The State shall be divided into as many judicial districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a General Election, a Judge, who shall be a citizen of the United States and of this State, who shall be licensed to practice law in this State and shall have been a practicing lawyer or a Judge of Court in this State, or both combined, for four (4) years next preceding his election, who shall have resided in the district in which he was elected for two (2) years next preceding his election, who shall reside in his district during his term of office, who shall hold his office for the period of four (4) years, and shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law. He shall hold the regular terms of his Court at the County Seat of each County in his district at least twice in each year in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms or sessions of each Court as it may deem necessary.

"The Legislature shall also provide for the holding of District Court when the Judge thereof is absent, or is from any cause disabled or disqualified from presiding.

"The District Judges who may be in office when this Amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on November 8th, 1949, at which time all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law"; and

"AGAINST the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote an such machine for or against the Constitutional Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for election and have the same published as required by the Constitution and Laws of this State.

HOUSE JOINT RESOLUTION NO. 15

proposing an amendment to the Constitution of the State of Texas by adding a new Section to be known as Section 48-b, authorizing the Legislature to provide for the establishment of health units, and authorizing a tax in support thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be and the same is hereby amended, by adding a new Section to Article III of said Constitution to be designated Section 48-b, reading as follows:

"Section 48-b. The Legislature shall have the authority to provide for the organization of county-city health units and the operation thereof and to authorize counties and cities to provide a tax of not to exceed twenty cents (20c) on the One Hundred Dollar (\$100) valuation of taxable property in counties and cities for the purpose of financing the said county-city health units; provided that no such tax shall be authorized except by vote of the people residing in the city or county in which said tax shall apply. The foregoing tax shall be levied only on county valuations."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, 1949, at which election all ballots shall have written or printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of city-county health units and to authorize cities and counties to vote a tax in support thereof" and

"AGAINST the Constitutional Amendment authorizing the Legislature to pass laws for the creation and operation of city-county health units and to authorize cities and counties to vote a tax in support thereof."

Each voter shall scratch out one of the said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

SENATE JOINT RESOLUTION NO. 1

proposing an amendment to Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be, and the same is, hereby amended by adding to said Article a new section, to be known and designated as Section 48-d, reading as follows:

"Sec. 48-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed Three (3c) Cents on the One Hundred (\$100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the state at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts"; and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the state not otherwise appropriated, to pay the expenses of such publication and election.

SENATE JOINT RESOLUTION NO. 4

proposing an amendment to t

Constitution of the State of Texas, by amending Section 19 of Article 16, so as to provide that the qualification of no person to serve as a juror on grand juries and on petit juries shall be denied or abridged on account of sex; providing that existing provisions of the Constitution shall be construed in conformity herewith; providing for the submission of this amendment to a vote of the people of Texas; providing the time, means and manner thereof and making an appropriation for such purpose.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 19 of Article 16 of the Constitution of Texas be amended so as to hereafter read as follows:

"Section 19. The Legislature shall prescribe by law the qualification of grand and petit jurors provided that the qualification of no person for service on grand juries or on petit juries shall be denied or abridged on account of sex, and no person shall be exempt from service on grand juries or petit juries on account of

sex."

Section 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the second Tuesday in November, 1949, at which all ballots shall have printed thereon:

"FOR the amendment to the State Constitution qualifying women as grand and petit jurors."

"AGAINST the amendment to the State Constitution qualifying women as grand and petit jurors."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Section 3. The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this Resolution and the Constitutional Laws of this State, and return shall be made and the votes canvassed and counted as provided by law; and if said amendment is adopted by the vote of the qualified electors of this State, the Governor shall issue his proclamation as required by law.

LEGAL NOTICES

HOUSE JOINT RESOLUTION NO. 32

proposing an Amendment to Article I of the Constitution of the State of Texas, by adding thereto another Section following Section 15, providing that the Legislature may provide for trials in lunacy cases without a jury; further providing for the submission of this Amendment to the voters of this State prescribing the form of ballot; providing for the proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article I of the Constitution of the State of Texas be and the same is hereby amended by adding another Section thereto following Section 15, to be designated Section 15-a, to read as follows: "Section 15-a. The Legislature shall have the authority to enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for waiver of trial by jury in cases where the person under inquiry has not been charged with the commission of a criminal offense and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury."

Sec. 2. That the foregoing Constitutional Amendment be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, A. D., 1949, at which election all ballots shall be printed thereon:

"FOR the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases" and

"AGAINST the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases." Each voter shall scratch out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed amendment. In counties or other subdivisions using voting machines the above provisions for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. That the Governor of the State of Texas issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a more democratic. In the church the ministerial and a stronger giant character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

WORLD PEACE

WORLD PEACE! That cry comes straight from every heart today. We must not lose heart, we must continue to believe in God and His good will for His world. War is wrong! War is contrary to all the teachings of Jesus. God is no more satisfied than we are with our war-torn earth. Our Lord is the Prince of Peace; His ways are the ways of truth and love. He is calling us to work with Him more faithfully and more intelligently. We have been war-making instead of peace-making.

HAVE we trusted that somebody else would make Peace? Have we trusted that Kings would bring about peace? Their very position makes them war-makers. Our demand that they bring prosperity to the people at the expense of another is a war demand. Have we trusted armies to make Peace? Again we have erred. Their very business is war-making; they must subdue other armies. Have we expected that economic treaties would make Peace? Again, the business of the world is highly competitive; investors demand profits from their money and their toil...profits that come from economic victory. **INTERNATIONAL CONFLICT CAN BE SOLVED; WORLD PEACE MUST COME. How?**

CHRIST is our answer, and we must answer to Christ. **RELIGION IS OUR HOPE; RELIGIOUS PEOPLE WHO FOLLOW THE GREAT TEACHER AND FRIEND AND SAVIOR WILL MAKE PEACE.** The Cross is the symbol of Peace. **SWORDS MUST GIVE WAY TO PLOUGHSHARES, AND SPEARS MUST BE REFASHIONED INTO PRUNING-HOOKS.** What is that word you spoke yesterday? Did it make for Peace or for strife? When you finished the business transaction, did you leave a friend on the other side of the bargain? **THE PRINCE OF PEACE IS NOT A RULER OF MEN, BUT A FRIEND AND A SUFFERING SERVANT.** Are you and I willing to suffer in the cause of Peace? We have suffered enough for war. Our boys want to live, and to live abundantly; to construct, not destroy; to love, not hate. Peace will cost us much; kind words, generous dealings, goodwill, helpfulness and patience and self-control. Do we pray first for our own success, or for Peace? God is the Peace-maker; Peace-makers are the children of God. Grace and Peace belong together; graciousness of spirit will go ahead of abiding Peace. Are you and I gracious toward every other person? **PEACE IS A MATTER OF SPIRIT AND OF SACRIFICIAL BEHAVIOR.** We are being watched. Shall we make sacrifice for Peace? Shall we forget the Crown and the Thorn? Shall we carry a cross?

WILKINSON-MAST NUPTIALS ARE READ IN BRIDE'S HOME

Miss Rita Wilkinson, daughter of Mr. and Mrs. A. B. Wilkinson of Bovina, and Arthur B. Mast, son of Mr. and Mrs. George Byran Mast of Valley Center, California, were united in marriage, in the home of the bride's parents at 10 a. m. on Friday, August 5th.

Vows were exchanged before an improvised altar of palms and white gladioli. Rev. Weldon Franks, pastor of the Bovina Baptist Church, performed the double-ring ceremony.

Preceding the service, Earl Roberts of Farwell, played "I Love You Truly", "Forever and Ever" and then used the traditional wedding march.

The bride was dressed in a white linen suit with a matching hat and black accessories. She wore a corsage of lavender gladioli, studded with pink rosebuds, and carried a white Bible. The traditional "something old, something new, something borrowed and something blue" was carried out, and she also wore a coin in her shoe.

The couple was attended by Mr. and Mrs. H. B. Burkhalter of Lubbock. Mrs. Burkhalter was a former roommate of the bride when the two attended Texas Technological College.

An informal reception honoring the bridal couple was held in the Wilkinson home following the ceremony. A hand-drawn cloth covered the serving table, centered with marigold and appointed in crystal and silver. Misses Wynema Cochran and Christine Filligrim presided. Miss Joan Cochran presided at the guest book.

Enroute to Valley Center, where they will reside after August 15, the

couple will honeymoon in Western States. For traveling the bride chose a pink gabardine suit with black accessories.

Mrs. Mast is a graduate of Bovina High School and of Texas Tech. Mr. Mast graduated at Fallbruck, Calif. high school and served two years in the Army medical corps.

proposing an Amendment to Section 5 of Article III of the Constitution relating to sessions of the Legislature and what may be considered thereat and an Amendment to Section 24 of Article III relating to compensation of Members of the Legislature; specifying the time when the Amendment shall take effect if ratified; and providing for the submission of the proposed Amendment to a vote of the people.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the State Constitution be amended to read as follows:
"Sec. 24. Members of the State Senate and House of Representatives shall receive from the State Treasury an annual salary of Three Thousand Six Hundred Dollars (\$3600), to be paid in monthly installments on the first of each month. They shall also be entitled to mileage in going to the seat of government for each session of the Legislature and returning therefrom, which mileage shall not exceed Two Dollars and Fifty Cents (\$2.50), for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel from a table of distances to each county seat prepared by the State Comptroller."
Sec. 2. That Section 5 of Article III of the Constitution be amended to read as follows:
"Sec. 5. Two (2) regular sessions of each Legislature shall be held; and until otherwise provided by law, the time of the convening of the first regular session shall be at noon on the second Tuesday in January of each odd-numbered year, and of the second regular session, at noon on the second Tuesday in January of each even-numbered year.
"At other times, when called by the Governor, the Legislature shall convene in special session.
"Appropriations for monthly recurring expenses and salaries paid by the State shall be made for a period of not more than twelve (12) months.
"At the second regular session of each Legislature, only proposals to amend the Constitution and to make appropriations to pay monthly recurring expenses and salaries and such other measures only as four-fifths (4-5) of the Membership of each House may determine shall be considered."
Sec. 3. The Amendments proposed herein, if ratified by the people, shall become effective January first, A. D. 1950.
Sec. 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the second Tuesday in November, 1949, same being November 8th, 1949, at which election all ballots shall have printed thereon:
"FOR the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."
"AGAINST the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."
Each voter shall express his vote on the proposed Amendment in the manner provided by law.
Sec. 5. The Governor of this State shall issue the necessary proclamation for said election and shall have same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 38

proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be Numbered 63 and authorizing

the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county, and providing that administration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 51f of Article III.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a new Section, to be numbered Section 63, which shall read as follows:
"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary, and shall first be authorized by vote of the qualified voters of such county. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors for members of the Legislature at an election to be held throughout this State on the second Tuesday in November, 1949; and at said election the ballots shall have printed thereon the words "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and "AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees." Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed amendment published as required by the Constitution for proposed amendments thereto.

Sec. 4. If at said election, a majority of the votes cast are "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," the foregoing proposed amendment shall become Section 63 of Article XVI of the Constitution of Texas, and proclamation shall be

made by the Governor thereof.
Sec. 5. The sum of Five Thousand Dollars (\$5,000), or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State of Texas not otherwise appropriated, to pay the expenses of such proclamation, notice and election.

HOUSE JOINT RESOLUTION NO. 36

proposing an Amendment to Article III of the Constitution of the State of Texas authorizing the Legislature of the State of Texas to provide for the establishment and creation of hospital districts; providing for the Governor's proclamation and submission to the electorate.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section to be designated as Section 60, reading as follows:
"Section 60. The Legislature shall have the authority to provide by law for the establishment and creation of hospital districts in the counties of this State under such conditions as the Legislature may fix by law and to provide for the support of said districts by a tax on the ad valorem properties situated in said counties; providing, however, that

before any such district shall be created it shall be approved by a vote of the people in said district."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:
"FOR the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts"; and
"AGAINST the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

Continued Insurance Work To Be Offered

LUBBOCK—Continued courses in insurance work which are aimed at preparing students for the CPCU examination will be offered this fall at Texas Technological college.

Plans call for Monday night classes open to all interested men and women in the insurance field, whether regularly enrolled in Tech or not, at which time material in Sections I and II of the examination will be offered. Both Tech faculty in Business Administration and South Plains insurance leaders serve as instructors.
"Results so far are better at Texas Tech than at any other point in Texas," an official of the Lubbock insurance business said, citing that 51 persons took the course last spring and 21 wrote Part I of the State CPCU examination. With Texas Tech offering college credit to enrollees, plans call for presentation of data covering Parts III, IV and V of the examination in later semesters.

SENATE JOINT RESOLUTION NO. 1

proposing an amendment to Section 2 of Article VI of the Constitution repealing the provision making the payment of a poll tax a qualification of an elector; requiring the Legislature to pass a general registration law for voters; providing for the necessary election, proclamation and publication by the Governor, and making an appropriation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 2, Article VI of the Constitution of the State of Texas be and the same is amended hereby so as to read hereafter as follows:
"Section 2. Every person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one (21) years, and who shall be a citizen of the United States, and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that before offering to vote at any election a voter shall have registered as an elector before the first day of February next preceding such election. This provision shall be self-enacting. The Legislature shall pass a general registration law requiring registration of voters at a time not later than the first day of February for each election to be held for that calendar year, and the Legislature shall have power to prescribe a registration fee. The Legislature may authorize absentee voting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the 8th day of November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:
"FOR the amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and

When You Vote Saturday

THINK in terms of the benefit you can bring to your Community.

For less than \$8.00 per \$1000.00 assessed value for taxes per year, you can help your school, your marketing problems, your town as well as the value of your own property.

This is not considering the actual saving from the use of the roads themselves.

THINK! Don't listen to selfish interests

which would hold back the progress of our County and dictate how you shall vote.

Progress of any community depends upon progressive citizens.

The question has arisen: "Will this bond program affect the State and Federal road programs in Parmer County?"

The answer is an emphatic "No". The State and Federal road program will be carried out in this county regardless of how we vote on Saturday.

A Showplace Farm for First Place Horses

R. G. Potter Photo

Neatness and cleanliness are in the running with championship horses at Calumet Farm, Lexington, Ky., the home of Citation, Whirlaway, Pensive, Armed and other outstanding thoroughbreds. Spreading over 1,200 of Kentucky's blue grass acres, Calumet Farm includes 21 miles of roads and 22 modern barns and utility buildings, all of fire-resistant construction including the asphalt

shingled roofs. There are stallion barns, broodmare barns, yearling colt barns, training barns and receiving barns. Fifty-five persons are employed on the farm. Much of Calumet's Farm's reputation as a showplace comes from the uniform appearance it presents. All 22 buildings have white sidewalls and are roofed with matching gray asphalt shingles. The roads are bordered

by white-painted oak fencing. Founded in 1922 by William Monroe Wright, Calumet Farm now is owned by Warren Wright, the founder's son. Ben and Jimmy Jones train the Calumet horses. Two Calumet Farm horses, Citation and Whirlaway, have won the Triple Crown—the Kentucky Derby, the Preakness and the Belmont Stakes—in recent years.

Football Workouts To Start On August 15

The feel of fall in the air was intensified this week when Coach Louis Purvis announced Tuesday that prospective Farwell Steer gridmen are to report next Monday, August 15th, for initial 1949 football practice.

Purvis has called the boys to be on hand at the school at 9 o'clock Monday morning, for issuance of equipment, and the first limbering-up is slated to take place at 4 that same afternoon. Asked as to a working schedule, the coach said he planned two work-out periods daily.

The Steers will be playing 11-man football again this year, having gone back to the full size version of the game after several highly-successful seasons in the six-man division.

Looked to as the probable backbone of the 1949 club are Magness and Christian as ends, McKillip and

Hughes at tackles, Norton and London as guards, Dollar at center; and Poteet, Ford, Terry and J. Pool in the backfield.

Purvis added that other boys who had seen action previously—Nix, R. Pool and M. Jones—are expected to come back for more, with an undetermined number of greenhands also likely.

The first game of the season comes off at home on Friday, September 9, when the Melrose Buffaloes will lock horns with the Steers.

Considerable work has been done on the football field this summer and officials said today that a good carpet of Bermuda grass had been obtained over most of the field. The ever-persistent "goat heads", which have plagued players for years, are virtually eliminated, Purvis said.

SCS Supervisors Will Go To Lubbock Meet

Five Soil Conservation district supervisors from Parmer county, accompanied by Agent Ollie Liner, are spending today (Wednesday) in Lubbock, attending a District 2 meeting.

Liner said on Tuesday that the directors include W. L. Edelman and A. L. Black of Friona, Henry Ivy of Lazbuddy, Henry Reynolds of Bovina and Buddy Jones of Farwell.

The county SCS organization went into effect some months ago, with Walter Smith in charge of the office, which is located in Friona.

Father Of Local Lady Undergoes Surgery

J. T. Shockley, of Mountain View, Okla., father of Mrs. Edgar Blain of Texico, who has been visiting here for the past several days, underwent surgery at St. Anthony's Hospital in Amarillo, Monday afternoon, at 3 o'clock for the removal of a cataract from his eye. The elderly gentleman has been blind for four years, and doctors express the hope that he will be able to see again.

Mr. and Mrs. M. M. Mace, of Mountain View, are also here in the Blain home. The two ladies are sisters.

Draft Board Office Open 5 Days A Week After August 21st

Effective August 21st, the office hours of Local Board No. 18, Hereford, which serves Parmer, Deaf Smith, Castro and Randal counties, will be open only five days a week, Monday through Friday.

Furthermore, according to Eunice L. Peterson, clerk of the board, the Hereford office will be open only in the forenoon on these five days, from 8 to 12 noon.

Clerk Peterson also calls attention to the fact that as of August 4th, two Parmer County registrants are delinquent with the local board, having failed to return their questionnaires. They are George Junior Williams, Friona; and Richard Wallace Crook, Bovina.

Ezells Attend Old Settlers Reunion

Mr. and Mrs. Roy B. Ezell returned home the first of the week from Ralls, where they attended the annual meeting of the Old Settlers of West Texas.

Mr. and Mrs. Ezell came to West Texas in the early 90's and have been attending the annual reunion "off and on for the past 18 years". At the gathering last week, they had the pleasure of meeting old friends whom they had not seen in 40 years. They report a large crowd at the reunion, with an occasional absence in the ranks caused by death during the past year.

After attending the reunion, they visited with relatives at other South Plains cities before returning home.

Clubbers Back Home From 4H Camp

Parmer County 4H boys and their sponsors returned to their respective homes the past Saturday from Lubbock, where they had spent three days at the district 4H club encampment.

County Agent Ollie Liner reported on Tuesday that Glendon Sudderth, young southpaw pitcher, led the local group to second place in the baseball tournament held during the outing. Lubbock ousted the locals for first place, after Farwell had taken four wins to advance into the finals.

Sponsoring the boys to Lubbock were Agent Liner, Levi Johnson, Rouel Barron and Elmer Langford. The 4H representatives included Gary Crow of Friona; Donnie Carpenter, Delvin and Leon Langford, Ronnie Dial, Pudge Rose, Troy Christian and Eddie Smith, Farwell; Larry Ezell, Billy Johnson, Donald Barron, Rex Isham, James Tidenberg, Bobby Calaway, Glendon Sudderth, Giles and Ted Walling of Bovina; Kenneth Howard, Jerry Gleason and Max Crim of Lazbuddy.

UNDERGOES OPERATION

Mrs. Tom Foster, of the Oklahoma Lane community, submitted to major surgery at the Friona Community hospital, Monday morning. According to reports from relatives on Tuesday morning, her condition was satisfactory.

Application Forms Will Be Out Soon

County Clerk Loyde Brewer said today that he understood that application forms for dividends on GI insurance were to be made available on August 29th.

The forms may be received at post-offices, from service organizations and officers, and at Brewer's office.

BACK FROM REUNION

Mr. and Mrs. Dick Doshier and family, Mr. and Mrs. A. J. Doshier and family, and Mr. and Mrs. Clarence Barber and family returned home the first of the week from a family reunion at Tipton, Okla. While there they enjoyed a big fish fry for the sixty-five relatives present, with "plenty of fish for everybody". The fish were taken by seine from Otter Creek, which flows through the old Doshier homestead. An abundance of the finails, including two large catfish, weighing 19 and 20 pounds, were caught. Dick says they were the largest fish ever taken from that stream and expressed the belief that they had made their way upstream from Lake Texhoma.

FORMER PASTOR VISITS

Rev. and Mrs. Paul H. Tripp, who are now at Bartlesville, Okla., visited briefly with friends here early last week. They were on vacation and planned to visit in Raton, N. M., before returning home. Rev. Tripp was a former pastor of the Methodist Church here, going from this place to Raton.

Upholstery And Watch Shop Open In Farwell

Two new businesses opened for business in this city over the past weekend, both of them located at the Hardage Hudson Co.

Peewee Stewart and Jess Latham have opened an upholstery shop and will feature tailor-made seat covers. Both are experienced workmen and have a good collection of materials to choose from.

Lee Nichols, an experienced watch and clock repairman, has opened a shop in the front of the Hardage business. All these young men are associated with Ed Hardage in his string band.
