

CRADLE—OR GRAVEYARD—OF ONE WORLD . . . This view of the United Nations' secretariat building, New York, which is practically ready for occupancy, shows the towering skyscraper monument to peace, through rows of steel posts which could be taken for graveyard markers.

Incorporation Vote Is Set for May 6

GRAND AND PETIT JURORS ARE CALLED FOR DUTY ON APRIL COURT TERM

Both grand and petit jurors have been called to report at the Parmer County courthouse in Farwell next week, Clerk Loyde A. Brewer said today, with the April term of court beginning on Monday.

Grand jurors are to report on Monday morning, April 10th, when the term officially gets underway with Judge E. A. Bills, of Littlefield, on the bench. The petit jurors have been summoned for Tuesday morning, April 11th, to serve in a civil case styled Lottie Mae Boatman vs. George H. Sasser, damages.

No other civil cases are slated to come before a jury during the April term, Brewer explained. Listed on the civil docket are the following:

John T. Hartwell vs. R. W. Pringle and J. S. Triplett, Jr., damages. Laura Bush vs. Aubert H. Wilson et al, damages.

Clinton M. Howard vs. Georgia Louise Howard, divorce.

Thelma Hicks vs. R. B. Hicks, divorce.

Vance Eason vs. Della Faye Eason, divorce.

Ellen D. Keith vs. Elmer D. Keith, divorce.

Ralph Palmateer vs. J. G. Palmateer, TTT.

Lottie Mae Boatman vs. George H. Sasser, damages.

Mary K. Officer vs. Mrs. Alice Crump, debt.

Homer C. McCoy vs. North River Insurance Co., TTT and damages.

John H. Burrow vs. Peter Jacoby et al, TTT.

Don V. McClain vs. Jewell E. Mills et al, debt.

Della Light, et vir, vs. Ralph Palmateer, division of property.

A. F. Roberts vs. Santa Fe Grain Co., damages.

Irvin Lee Henderson vs. Mabel Viola Henderson, divorce.

George H. Trimble vs. A. F. Herrick, TTT.

C. K. Holt vs. M. K. Russell, et al, TTT.

The grand jurors include Albert H. Smith, Carl C. Maurer, Boone Allison, Joe Magness, Frank P. Wilson, Charles A. Ross, Steve L. Struve, Roy P. Daniel, Bill Sherry, Robert H. Schueler, A. G. Schlabs, Reinhold Steinbock, R. E. Snead, Clarence Jones, T. F. Thornton, Cordie Potts.

Petit jurors called are: Lacy Hardage, A. H. Haseloff, Walter Fangman, Ernest Wright, J. M. Pruitt, Milton Walling, Cecil White, Fred Gerles, Ronald Berggren, Fern Barnett, E. M. Ware, R. Christian, E. A. Parham, Carl Hoffman, Billy Meeks, John Getz, T. E. Lovett, M. T. Glasscock, Conrad Nelson, C. A. Felts, Ernest Englant, W. N. Foster, Bruce Parr, Ray Landrum, V. R. Jordon, J. B. Jennings, Russell O'Brian, Lee Jones, Henry Lewis, E. E. Engelking, David Carson, J. R. Nazworth, Alden T. Henderson, Frank H. Wilson, J. W. Crim.

Rites Held Friday For Aged Lady

Funeral services were conducted at the Methodist Church in this city the past Friday afternoon by Rev. Murphy Duncan, pastor, assisted by Rev. O. O. Holladay, by Mrs. Elizabeth Florence Utsman, 89-year-old mother of L. T. Utsman, who lives south of here.

Mrs. Utsman passed away quietly at the home of her son on Tuesday of last week, following an illness of several months.

With the Steed Funeral Home in charge, burial was made in a new cemetery plot northwest of Clovis. Pallbearers for the service were A. F. Phillips, D. O. Rolland, J. W. Magness, M. T. Glasscock, Glenn D. Phillips and C. A. Cassidy.

She is survived by one daughter, Mrs. Claude Woodson, Martinez, Calif.; three sons, Basil Utsman of Longview, Therman of Farwell, and William of Ojai, Calif. One sister, Mrs. Jennie Norman, Byers, Texas; eight grandchildren and five great-grandchildren are also listed among the survivors.

COMPLETES COURSE

Perry Crawley, who has been taking a business course in Clovis the past several months, completed his duties last week and is now back in charge of his business in Texico.

Harding was the first President to speak over the radio.

Congressman Will Be Chosen, May 6

Governor Allan Shivers has called a special election on May 6 in the 18th Congressional District of Texas to elect a congressman to succeed Eugene Worley, recently resigned.

At present, there are seven candidates in the field seeking the office vacated by Congressman Worley, and it is considered likely there will be additional names filed before the deadline.

Texico Voters Name 3 New Councilmen

In an election that drew only 66 voters to the polls, the people of Texico retained their present mayor and clerk-treasurer and named three new members to the city council, on Tuesday.

Mayor Orval W. Francis, who led the ticket in the number of ballots cast, was re-elected as mayor, and W. L. Freeman was retained as clerk-treasurer. The voters, however, turned down three council members who were candidates for re-election and named three new men.

Elected as members of the city council were Les Means, Russell Johnson and J. E. Stone, who will succeed Carl McCully, John Lockhart and J. D. Lewis as councilmen.

W. L. Freeman, who was unopposed in Tuesday's voting, was returned to the office of clerk-treasurer with 58 votes.

Unofficial tabulations of Tuesday's voting were listed as follows:

Mayor—Orval W. Francis, 61.

Councilmen—J. E. Stone, 39; Les Means, 36; Russell Johnson, 31; Carl McCully, 27; Grayson Roberts, 25; J. D. Lewis, 19; John Lockhart, 10.

Clerk-treasurer—W. L. Freeman, 58.

Dr. Conway Discusses Socialized Medicine At Lions Club Meet

Dr. John Conway, Clovis surgeon, was guest speaker at the Lions Club meeting Tuesday night, taking up the subject of "Socialized Medicine" in which he observed that the medical profession was opposed to the idea because it was "impractical . . . and another threat against free enterprise."

At the outset, Dr. Conway pointed out that, based on the same ratio employed by other countries which had experimented with socialized medicine, it would take "a million and a half persons to administer the program in the United States". At the cost of a package of cigarettes a day, or the expense of taking the average family to the movie once a week, he said, citizens of the U. S. could provide their families with voluntary prepaid health insurance " . . . and have a physician of their choice".

"We feel that the issue is of importance to all of us, not to the doctors alone," he said, concluding with the suggestion that the voters interrogate candidates on this issue before voting for them.

Some 66 members and visitors were seated at the tables, and were served by the members of the Farwell home economics class, under the supervision of Mrs. John Lovelace.

President Agrie Jones, in opening the meeting, presented the Club with an electric clock that had been awarded the local Club by Lions International in recognition of the fact that the Texico-Farwell Lions had led Division 3 in new members during the first three months of the year. In explaining the award, Pres. Jones pointed out that Division 3 embraces "several states . . . probably New Mexico, Arizona and Colorado", and commended the Club for its splendid showing.

With Jim Bob Smart at the piano, Walter Hardage led the group in several songs. Lary Davidson of Clovis, and Bobbie Anderson were introduced as visitors.

OLD STEAMBOAT PORT

Paris, Texas, was once a port, when steamboats did a thriving business on the Red River.

REV. SETH HUGHES, of Ranchvale, who will conduct a revival series at the local Baptist Church.

Baptist Church Sets Revival, April 9th

Rev. O. O. Holladay, pastor of the Texico-Farwell Baptist Church, announced this week that the local church, in cooperation with all Baptist groups west of the Mississippi, will start a revival effort on April 9, continuing through Sunday, April 23.

"This is one of the biggest concentrated efforts to win the lost to Christ in the history of Christianity," Rev. Holladay said in giving the dates of the evangelistic series to be conducted simultaneously by Baptist churches.

Rev. Seth Hughes, pastor of the Ranchvale Baptist Church, has been secured to conduct the series, and Curtis Lee of Clovis, will be in charge of the music. There will be a booster band for the children, beginning at 7:30 each evening, and regular worship services are slated to start at 8:30 p. m.

Rev. Holladay extended a cordial invitation to all residents of the area to attend the special services.

Easter Revival To Start On April 7

Rev. A. D. Moore, pastor of the Oklahoma Lane Methodist Church, today announced an Easter revival for his congregation, opening on Friday, April 7, and continuing through Sunday, April 16th.

Speaker for the special services will be Rev. Aubrey White, of Happy, who will occupy the pulpit at 11 o'clock in the morning and 8 in the evening, daily. Rev. Moore extended a cordial invitation to the public to attend.

GOOCH SALE ANNOUNCED

Eugene Gooch, living 13 miles north of Texico, has announced a general farm clean-up sale at his place on Tuesday, April 11, beginning at 10:30, New Mexico time.

Col. Dick Doshier will act as auctioneer, and Orval W. Francis will serve as clerk. A complete list of the offerings will be found elsewhere in this issue of The Tribune.

GRADING AND SALE OF STOCK WILL FEATURE CLUB BOYS SPRING SHOW

The weather allowing, a large crowd of Parmer County residents expect to be on hand at Friona on Saturday afternoon of this week, when the grading and auction sale of fat calves and pigs will climax a two-day exhibit by Parmer FFA and 4H club boys.

Pete Caviness, of the Glover Packing Company, Roswell, and Jewel Castor, of the Wilson Packing Company, Oklahoma City, have notified officials that they will be on hand to conduct the grading, slated to begin at 2 o'clock Saturday afternoon.

Animals consigned to the show are to be graded along regular marketing procedure, J. T. Gee, of the Friona FFA chapter, explained, receiving ratings of prime, choice, etc., and the public is cordially invited to look on during the rating.

Col. Bill Flippin, Friona auctioneer, has volunteered his services for the auction sale which became an addition to the show a year ago, and the sale will begin immediately following the rating by Caviness and Castor.

The show proper gets underway on Friday, in the Friona show barns,

The qualified voters living within the proposed incorporate limits of the City of Farwell will go to the polls on Saturday, May 6, to determine whether or not the present town of Farwell will become an incorporated city, under the laws of the State of Texas.

There will be only one voting box, with the election being held at the county courthouse.

If the election carries, Farwell will be incorporated under the Commission Form of government, with two councilmen and a mayor serving as the only city officials.

In addition to voting on the issue to incorporate the city, the voters will choose the officials at the same time.

An official order, issued by County Judge A. D. Smith calling the special election, is published elsewhere in this issue of The Tribune. The boundaries of the proposed incorporation are fully set forth in the election notice. Maps, outlining the boundaries of the incorporation, have been drawn, and one of them may be examined at The Tribune office.

Just how and when the officials of the proposed incorporation are to be nominated was not revealed this week. But attorneys handling the legal phase of the work said they would provide that information well in advance of the election.

Proponents of the incorporation have insisted all during the consideration that none of the officials would be permitted to draw a salary for services rendered in their official capacities. Cases were cited of nearby cities where operating expenses were extremely burdensome, and the idea has been all along that should Farwell become incorporated, the city's affairs will be operated at a minimum cost to the taxpayers.

The primary object behind the move to incorporate the city has been to provide a means of installing a sewer system. If the voters decide in favor of incorporating, steps will be taken at once to call a bond issue for providing funds for a sewer system.

Parmer County Tops Red Cross Quota

"Over the top by more than \$100", was the report issued by Frank A. Spring, chairman of the Parmer County 1950 Red Cross Roll Call campaign, on Tuesday of this week.

Although Spring added that he could not release final figures by communities due to the fact that some workers had not made their last reports to him at Friona, he went on to say that "around \$1400" was checked the last of the week. The Parmer County quota was \$1200 for the 1950 drive which concluded last Friday, March 31st.

Indications last week were that Friona was out in front in actual money turned in during the drive, with around \$600 reported, while the Lakeview community contributed generously to its size, handing over more than \$100 to Chairman Spring.

Jefferson, Texas, in the middle 1800's was a metropolis surpassing both Houston and Galveston.

FROM THE HOPPER

By HOP

Well, The Tribune quarters have finally had a face-lifting. After about two weeks of work and more money than Gabe would advance, we are in modernized quarters. Several minor details are yet to be worked out to bring the "old goat's nest" up to our full desire. We would be glad to have you drop in and look over the improvement we have made in the appearance of the shop in general.

Talked to a man the other day who is already wishing he had paid his poll tax this year. As a result of this negligence, he will be barred from casting a single vote during the entire year. Already we have had a school election in the county. Next month, the voters of the 18th district will elect a congressman. Voters of Farwell will cast their ballots on the incorporation issue. Then a sewer bond election is in the offing for Farwell. All these unexpected elections, to say nothing about the Democratic primary and the general election in the fall. All these elections are important, but you cannot have a voice in anything unless you have paid your poll tax. The moral of this story is to always be prepared to vote . . . you never can tell what may appear on the political horizon.

Layman's Revival Is Set For Lazbuddy

With laymen of the church doing the preaching and conducting the singing, a Layman's Revival is scheduled for the First Baptist Church at Lazbuddy, April 19th to April 16th. H. L. Wren of Snyder, will do the preaching and Davis Kendall, of Plainview, will be in charge of the music. Services will be held twice daily, at 10:30 a. m. and 8:00 p. m. A prayer service, beginning at 7:30, will precede the evening services.

Rev. L. B. Edwards, pastor, extends an invitation to the public to attend the services.

Falfurrias, Texas, was so named from an Indian word meaning "the land of heart's delight".

Sherley Wins Over Schlenker In Race For County Trustee

W. M. Sherley of Lazbuddy, emerged as an easy winner over Floyd Schlenker of the Rhea community in last Saturday's balloting when the voters of the county went to the polls to name a member of the County Board of Education.

Sherley polled 861 votes, while Schlenker trailed with 380 in a county-wide election that developed unusual interest on the eve of the election. He succeeds W. L. Edelman, county board member at-large, who was not a candidate this year.

Interest in the election arose when petitioners seeking to place the name of Schlenker on the ballot were advised that the deadline for such filing had passed, and that the name could not be legally placed on the voting sheets. A campaign seeking to elect Schlenker by the write-in method was then launched, which fell short of the goal.

Schlenker polled a heavy vote in the Friona box, where he outran Sherley by a 350 to 20 margin. The remaining three boxes went to Sherley by heavy odds. At Bovina the vote stood Sherley, 311; Schlenker, 9. Farwell also went to Sherley by a vote of 305 to 13 and the successful candidate carried his own box, Lazbuddy, by a 225 to 8 count.

Matt Jesko was unopposed as a candidate for the county board from the Lazbuddy precinct and polled 218 ballots in that community.

Local Officials Named
In Saturday's voting, the four schools of the county named local school board members. The following results were tabulated:

Friona—G. Cranfill, 231; Clyde Hayes, 217; J. G. McFarland, 206; Steve Struve, 87. Two to be elected.

Bovina—Jess Walling 210; Sam Sides, 219; Walter Verner, 192; Jack Woltmon, 157; Elmo Dean, 154. Three to be elected.

Lazbuddy—E. E. Engelking, 187; Clarence Mason, 106; Claude Watkins, 93; Bert Gordon, 66. Two to be elected.

Farwell—C. C. Christian, 259; Dick Gerles, 215. Two to be elected.

Stone Variety Will Observe Birthday

The Stone Variety Store in Texico is celebrating its third anniversary this week with a mammoth price-reduction sale.

The sale opened on Tuesday and will continue through the remainder of the week, during which special prices will be in effect. Many items of merchandise have been brought in to make this a real bargain fest for local shoppers.

CONFINED TO HOSPITAL

Mrs. Della B. Ezell, county treasurer, who has been convalescing from a recent attack of pneumonia at the home of her daughter, Mrs. El D. Parker, in Amarillo, is now confined to an Amarillo hospital for treatment, it is reported here. Her son, Marty, and family, of Portales, visited briefly in this city Sunday, en route to Amarillo to see Mrs. Ezell.

Health Note

Texas State Department of Health

AUSTIN—Deaths from cancer in Texas reached a total of 7271 during the past year, indicating that a warning against cancer quacks and so-called cancer cures is justified by the State Health Department. Early diagnosis and competent treatment could have prevented many of these deaths, states Dr. Geo. W. Cox, State Health Officer.

"There are but two ways of treating cancer. First, by surgery, and second, by the use of radium or x-ray. Treatment must be started early and in the hands of a competent surgeon. Surgery is relied upon to remove cancerous tumors and is used in nearly two-thirds of the cases. X-ray or radium is used to advantage for the remaining group. Frequently the two methods are combined. Self-medication, serums, colored lights, pastes, salves, and diets are valueless.

"The great protection against cancer is early diagnosis. Every case is an emergency and it is unfortunate that the majority of those with cancer do not seek medical advice early in the first stages of the disease. No hope should be placed in fake cancer cures or treatments. Rather, the annual physical examination and an immediate reporting to your physician of any symptoms which may be suspected to be the beginning of cancer should be relied upon. The symptoms are: any unusual bleeding from any body opening, any lump in the breast or other part of the body; any persistent sore, particularly on the face or mouth, and chronic indigestion. These conditions may not be cancer, but sometimes they are forerunners of the more common types of this disease. Where cancer is suspected, do not delay, but consult your physician at once."

Wayland Admitted To College Association

PLAINVIEW—Dean F. E. Mendenhall announced here that Wayland College has been admitted to the Association of Texas Colleges as an associate member.

Wayland, which had been a junior college since 1909, was transferred from the junior college list to the list of accredited four-year institutions.

Under present regulations, associate membership is the highest status given new members. It carries virtually all the privileges of full membership, including full value for all academic credits.

Wayland started offering full senior college work in the fall of 1948. As standards of the Texas Association advance, Wayland officials stated their intention to raise Wayland's standards in line with those of other Texas institutions.

Spring Checks in Early

You needn't wait for the first pussy willows to sport this neatly checked worsted dress. Wear it under your coat now and be ready to salute Spring's earliest zephyrs. Designer Sheila Lynn has given the ever-popular check pattern new dashes of style in the diagonally-arranged buttons and folded tuck pleat. It's one of three checked dresses featured in Harper's Bazaar and retails for about \$40.

HARDAGE HUDSON CO.

FARWELL, TEXAS

Forehand New Prexy NM Cattle Growers

Ray Forehand, Carlsbad rancher, was elected president of the New Mexico Cattle Growers Association at the conclusion of the 36th Annual Convention in Albuquerque, March 28. Vice presidents named were Hal R. Cox, Las Cruces; J. S. Culbertson, Lordsburg; Ed Heringa, Clayton and W. R. Thompson, Santa Rosa. Horace H. Hening, Albuquerque, was re-elected Secretary.

More than 3000 of the organization's 5387 members attended the 3-day meeting and voiced strong opposition to current federal spending and a trend toward socialism in the nation's capital.

Other resolutions adopted called for public lists of all state employees to be issued at periodic intervals. The Brannon Farm Plan was rejected as being "unsound and entirely impractical".

Calling for basic legislation to cover administration of the Forest Service, the group requested Congress to "unremittently work to preserve the Taylor Grazing Act".

The association called for speedy construction of an international boundary fence between this country and the Republic of Mexico from El Paso west endorsed S-3038 which would establish record of title to all lands held by the federal government; urged more work in beef cattle improvement; endorsed a change in federal beef grading recommended more research in cattle disease known as "water belly", and commended the governments of the United States and Mexico on the successful campaign to eradicate Foot and Mouth Disease south of the border.

A special committee headed by W. C. Culbertson, Jr., of Bueyeros, recommended an overall program to prevent cattle theft in New Mexico.

Land Applications Still Being Taken

AUSTIN—Although the entire \$25,000,000 principal of the Veteran's Land Program was committed by March 18, Land Commissioner Bascom Giles stated today that additional applications are still being accepted "under certain conditions"

"Where both seller and veteran understand that we can't guarantee there will be money available to complete the purchase," said Giles, "we are putting the application on file".

The \$25,000,000 fund is a revolving one and thus additional purchases can be made from time to time as veterans make their semi-annual payments, Giles pointed out. Some veterans are also retiring their indebtedness at a faster rate than their contract demands. One tract in Dickens County has already been paid for in full.

"Also," Giles explained, "every withdrawal enables us to process one of the applications accepted on this conditional basis. We will act upon these new applications, if and when money is available, in the order they are received."

The down payments accompanying a "conditional" application will be deposited in the State Treasury, Giles said, and will be returned if the transaction is not completed.

No application has been accepted since March 18 except this "conditional basis", Giles stated.

White Starched Neckwear Hailed As 1950's Leading Easter Fashion

Starched whiteness will be the fashion theme on Easter. Collars, cuffs and blouses of white pique or organdy, inspired in Paris and executed in America, will grace church-going suits and dresses with the distinction of stately lilies.

Pierre Balmain's permastarched organdies started it all in mid-winter by appearing in the biggest collars and cuffs in recent couture history. Since then, Pierre has designed the originals of many more lingerie-fabric trimmings and blouses which, along with Jacques Fath's restrained versions of tailored neckwear and Christian Dior's dramatic white pipings running the full length of stalk-slim dresses, have set the American fashion stage for the most flattering but practical mode in decades.

"One swallow doesn't make a summer," said poet Heywood, but "one starching makes a spring" is the paraphrase adopted by American designers, to whom practicality is an indispensable factor. In 1950, the wardrobe category known as "neckwear" has ceased being a fashion outcast because of the laundry upkeep which used to be involved. Thanks to three modern washing techniques—residue-free detergents, Perma Starch which stays in fabric through a season's washings, and efficient steam irons which glide like magic—keeping collars and cuffs immaculate is as easy as "doing up" pocket handkerchiefs.

Virtually every well-dressed woman going to Easter services, from Fifth Avenue to Elm Street, will have a face-flattering touch

Pat Quinlan models one of spring's most dramatic starched collars, a shoulder-reaching, linen cape design with braid trim, perfect for suits and simple frocks.

of white pique, linen or organdy under her chin. The new spring neckwear ranges from minimum tailored bands to shoulder-reaching models trimmed with braid and lace. Some collars button high, others dip with the neckline, and still others wear flowers.

And for those who want to spice their Easter navy or brown with exceptionally eye-catching results, there are many of the same collars, with equal launderability, in daffodil yellow.

Yes, the theme song used to be: "In your Easter bonnet." Now it's the milady's collar which leads the holiday boulevard parade.

the 1950 chicken-of-tomorrow program in Texas is underway. According to F. Z. Beanblossom, extension poultry marketing specialist of Texas A. & M. College and state chairman for the program, interest has never been better.

Approximately 200 entries have been received and 20,000 chicks are involved. This is practically a 100 percent increase over the 1949 figures. About 75 percent of the entries were made by juniors and the balance are in the senior division.

Entries have been received from 25 counties and among the leaders are: Gonzales county with 26; Dal-

las, 23; Harris, 18; and Travis, 13 entries. White Plymouth Rocks lead in the breed entries with 80; New Hampshires have 40 entries and most of the others are crosses with the Indian River crosses in the lead.

Beanblossom says that every person who has made an entry will be visited by either the county agent or vocational ag teacher within 10 days after the chicks have arrived. The purpose of the visit is to make sure that everyoen gets off to a good start in the program.

The chicks will be 12 weeks old when the 1950 program closes and each participant will send to a de-

signed processing plant his entry or entries for final judging. Birds will be judged as live birds and classified into three groups. Those receiving a blue ribbon classification will be processed for the final placings and from this group will come the grand champion entry. Beanblossom says suitable awards will be made in each division.

The top five senior exhibits will be sent to Shawnee, Oklahoma, for the regional exhibition on June 12 and winners there will be entered in the national exhibition.

Beanblossom says the program has been operating in Texas for several

years and has done much to improve meat-type chicks in the state. He believes the state exhibits will be the best ever shown and predicts a wonderful state show.

PARASITE CONTROL A MUST

The control of external parasites on hogs should be a must with every Texas swine producer. Unthrifty hogs do a poor job of utilizing their feed and there is no profit in feeding parasites.

The Texas State Penitentiary at Huntsville was built in 1849.

Even The Ducks Want To Stay In Texas

AUSTIN—Even the ducks are catching on to the desirability of making Texas their permanent home. At least a few species are rearing their families here while the bulk of the wintering flocks continue the routine of flying northward in the spring to nest.

This extreme in utilizing Lone Star State hospitality was spotlighted the other day when an Austin resident called the Game Department about an apparent new trend in the Friendly City's attractiveness.

The Director of Wildlife Restoration said the principal beneficiary of the Capitol City's famed lakeland area are coots, or mud hens. These black, clumsy waterfowl which fly like they might have to ditch any moment, particularly seem to like Lake Austin and the immediate Colorado River area.

For residents of the lake area and for persons visiting those regions by boats, here's the official description if and when a white beakde bird struggles off the water, seems to skip along on top and then plops itself down with an awkward splash: "Ra-

ther large, duck-like bird; toes furnished with membraneous lobes; bill and frontal shield as ingallinules but dead white instead of highly colored. Dive quickly but rise from the water with difficulty; fly with feet trailing behind . . ."

The Director of Wildlife estoration emphasized that rare cases have been noted where ducks which usually nest as far north as the Yukon have been known to stay in Texas for the entire summer and hatch a brood of ducklings. The instances probably involve stragglers or ducks that were crippled or sick when migration time came and then remained to mate and produce their normal brood.

There seems little hope for the laymen to observe these Texas visitors during the hot summer months immediately ahead, since the birds begin nesting before long and will do a rather thorough job of hiding from humans as well as from predators.

Interest Mounts In Chicken-of-Tomorrow Program In State

COLLEGE STATION—All entries are in; the chicks are hatched and

TECH BAND FRATERNITY WINS NATIONAL AWARD

LUBBOCK—Texas Tech's Alpha Omicron chapter of Kappa Kappa Psi, national honorary band fraternity, has been awarded the I. G. Balfour award for the outstanding national chapter for the second consecutive year.

The award was made at the sixth district convention at Baylor University. Sixteen colleges and universities from Arkansas, Louisiana, Oklahoma and Texas were represented at the meeting. There are 70 national chapters.

Dr. D. O. Wiley, professor of music and band director at Tech, is faculty sponsor of the group.

LEGAL NOTICES

NOTICE OF ELECTION

NOTICE is hereby given that there will be an election held at the County Court Room in the Court House in Farwell, Parmer County, Texas, on the 6th day of May, 1950, for the purpose of determining whether or not the inhabitants of Farwell desire to be incorporated under the Commission Form of Government as provided by the laws of the State of Texas, and particularly as set forth in Chapter 12, Title 28 of the Revised Civil Statutes of Texas, with special reference to Articles 1154 and 1155 therein, and that the proposed limits of said incorporation are as follows, to-wit:

Field Notes

Field notes covering the area to be incorporated into the town of Farwell.

Beginning at the SE corner of Block 53, Farwell townsite as recorded in records of Parmer County, Texas:

Thence West 3359 feet along the south line of said Farwell townsite to a point in the State Line between Texas and New Mexico;

Thence North along said State Line, at 3735.4 feet across the centerline of the main track of the P. & S. F. R. R., at 4034.9 feet across the centerline of State Highway No. 60, at 4682.9 feet a point in said State Line;

Thence N. 56 degrees, 35 minutes East at 71.9 feet an iron pipe in the East line of a sixty foot road, at 1071.9 feet an iron pipe;

Thence S. 33 degrees, 25 minutes East 200 feet to an iron pipe in the north right of way line for said Highway No. 60;

Thence N. 56 degrees, 35 minutes E. along said north right of way line, 1606 feet to the beginning of a curve to the left, whose radius is 5679.65 feet;

Thence along said curve to the left 717 feet to end of said curve;

Thence N. 49 degrees, 21 minutes E. along said north right of way line 750 feet to a point;

Thence South, crossing said highway and said railroad, along the west line Garden Lots, a subdivision of Survey 31, Township 9-S, 2628.5 feet to a point in the north right of way line for the G. C. & S. F. R. R.

Thence S. 86 degrees, 55 minutes E. along said north right of way line, 1923.8 feet to a point in the East line of said Survey 31;

Thence South, crossing said railroad, and along the said East line of said Survey 31, 712 feet to the N. E. corner of Garden Lot No. 42;

Thence West 1921 feet along the north line of said Garden Lot No. 42, and the north line of Garden Lot No. 17, to the N. W. corner of said Garden Lot No. 17;

Thence South along the west line of said Garden Lots, 3362.5 feet to a point;

Thence West 34.0 feet to the place of beginning.

At said election there shall be

ected a mayor and two commissioners.

The ballots of said election shall have written or printed thereon the following:

"FOR COMMISSION"
"AGAINST COMMISSION"
each voter shall mark out with black ink or pencil one of the above expressions thus leaving the other as indicating his vote on the proposition.

The ballots shall likewise have written or printed thereon

"FOR MAYOR"
"FOR COMMISSIONERS"
and each voter shall leave the name of one candidate for mayor and of two candidates for the office of commissioner on his ballot as indicating his vote for such officers.

Except as otherwise provided in Chapter 12 of Title 28 of the Revised Civil Statutes of Texas, this election shall be held and governed by the general laws of the State of Texas governing general elections.

Every person who has attained the age of twenty-one years and who has resided within the limits of the proposed town for six months next preceding said election and is a qualified voter under the laws of the State of Texas shall be entitled to vote.

A. D. SMITH,
County Judge,
Parmer County, Texas.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: A. F. Herrick and wife, Minnie B. Herrick, J. S. Oliver and wife, Mrs. J. S. Oliver, and Claude E. Halsell and wife, Mrs. Claude E. Halsell, and the stockholders of First State Bank of Bovina, Texas, Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 8th day of May, A. D. 1950, then

and there to answer Plaintiff's Petition filed in said Court, on the 22d day of March A. D. 1950, in this cause, numbered 1513 on the docket of said court and styled George H. Trimble, Plaintiff, vs. A. F. Herrick, et al, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

Plaintiff brings this suit for trespass to try title, alleging that on March 1, 1950, he was the owner in fee simple of Lots 5 & 6, Block 13 of the original Town of Bovina, Parmer County, Texas, and that on the same day the Defendants and all of them unlawfully entered upon said land and dispossessed him and withhold possession thereof from him.

Plaintiff seeks to recover his damages in the sum of \$10 and in the alternative Plaintiff pleads the 5- and 10-year statute of limitations.

Plaintiff prays for judgment for title and possession of the above-described lands, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 22d day of March A. D. 1950.

Attest:
LOYDE A. BREWER, Clerk
District Court Parmer County, Texas (SEAL) 24-4t

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: M. K. Russell and Mrs. M. K. Russell, and the unknown heirs, assigns and legal representatives of M. K. Russell and Mrs. M. K. Russell, Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 8th day of May A. D. 1950, then

PRESIDENT MEETS FUTURE FARMER . . . George Lewis (center) of Hersman, Ill., the national president of the Future Farmers of America organization, is received by President Harry Truman at the White House in Washington, D. C. John Kraft (right), president of an American foods manufacturing company in Chicago, introduced the young farmer to the president of the United States. The Future Farmers of America is a youth organization formed in the interests of vocational agriculture. Generally sponsored by the agricultural department of the schools, the various chapters offer young agriculturists a chance to learn farming.

and there to answer Plaintiff's Petition filed in said Court, on the 22d day of March A. D. 1950, in this cause, numbered 1514 on the docket of said court and styled C. K. Holt Plaintiff, vs. M. K. Russell, et al, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

Plaintiff brings this suit for trespass to try title, alleging that on March 1, 1950, he was the owner in fee simple of the NE 1/4 of Section 28 Block "X", of the W. D. & F. W. Johnson Subdivision, in Parmer

County and Bailey County, Texas being a part of Capitol League 588 and this land being situated wholly in Parmer County, Texas, and that on the same day the Defendants and all of them unlawfully entered upon said land and dispossessed him and withhold possession thereof from him.

Plaintiff seeks to recover his damages in the sum of \$100.00 and in the alternative Plaintiff pleads the 5- and 10-year statutes of limitations.

Plaintiff prays for judgment for title and possession of the above-des-

cribed lands, as is more fully shown by Plaintiff's Petition on file in this suit.

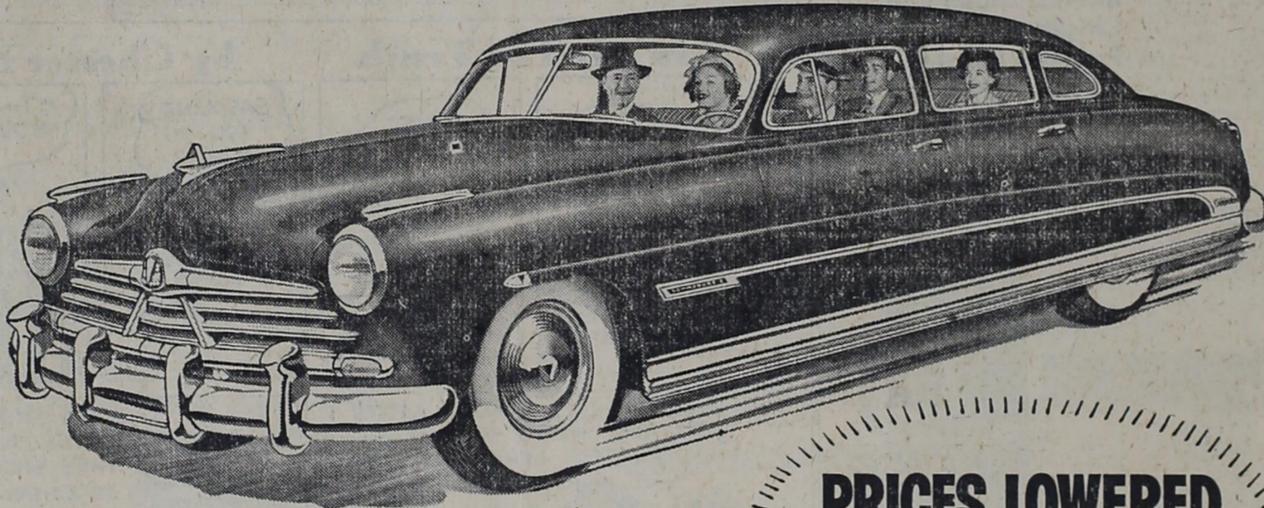

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this the 22d day of March A. D. 1950.

District Court Parmer County, Texas (SEAL) 24-4t

Have you tried Hudson's "New Step-Down Ride"?

It's the basic new automobile idea for 1950!

Most Room! Best Ride! Safest!

It's here for you now . . . "The New Step-Down Ride" . . . a delightful, new way of motoring . . . the direct result of Hudson's exclusive recessed floor ("step-down" design) . . . a different and better way of building motor cars.

For example, low-built design instantly telegraphs the fact that Hudson has the lowest center of gravity in any American automobile.

You quickly see, too, that Hudson has full road clearance and more seating room and head room than in any other car—thanks to "step-down" design with its recessed floor.

You know instinctively, as you view

this low-built beauty, that it hugs the road more tenaciously and is therefore America's best-riding, safest car.

You command your choice of three great Hudson high-compression engines . . . the economical Pacemaker Six . . . the Super-Six, America's most powerful Six . . . or the even more powerful Super-Eight!

There are many other Hudson features—including a new, no-shift Super-matic Drive*—that combine to make this car of such outstanding quality that it is a leader in resale value, as shown by Official Used Car Guide Books! Come in, enjoy "The New Step-Down Ride"!

*Optional at extra cost.

NOW . . . 3 GREAT SERIES • Lower-Priced Pacemaker • Famous Super • Custom Commodore

PRICES LOWERED
AS MUCH AS
\$166.50

HUDSON

If you're going to buy a car in the low-price field, see the **NEW, LOWER-PRICED PACEMAKER** which, for just a few dollars more, brings you all of Hudson's exclusive advantages.

HERE'S WHERE TO TRY "THE NEW STEP-DOWN RIDE"

HARDAGE HUDSON COMPANY

FARWELL, TEXAS

EUROPEAN TOUR

DENTON—The International Relations Club of North Texas State College is arranging an European tour for club members this summer. Students from the North Texas club and other clubs from over the nation will travel to Europe as a group for a first-hand study of Euro-

pean conditions. Students will leave the first part of June and return early in September.

Milk production can be increased by as much as 10 per cent during the winter and on less feed if the dairy cows are kept free of lice, grub, stomach worms, and other parasites.

New officers of the New Mexico Cattle Growers Association. Left to right: J. S. Culberson, Lordsburg, vice president; Roy Forehand, Carlsbad, president; Hal R. Cox, Las Cru-

Bugs Already On the Loose, Gardeners Told

COLLEGE STATION—Home garden and truck crop producers in various parts of the state are already busy at the job of keeping destructive bugs out of their vegetable crops. The fight will soon be general over the entire state and chances are good the bugs will put up a stiff scrap for their share of the products raised on the farm and in the garden. A show of weakness on the part of the producer may be fatal for the vegetables.

James A. Deer and Allen C. Gunter, extension entomologists of A. & M., have prepared a circular, Vegetable Insect Control, that is full of useful information on insects and in-

secticides. They point out the need for complete control and describe the best results. Recommended control measures are listed for all of the more common vegetable insects that are found in the state.

The entomologists suggest that you visit your county agent's office and ask for a copy of C-264. It is free for the asking.

Recent Grass Fires May Damage Soil

LUBBOCK—Sweeping grass fires that have scorched portions of West Texas may not cause serious soil damage immediately, but continued dryness may have a more harmful effect because organic matter has been destroyed.

Earl Burnett, assistant professor of agronomy at Texas Technological college, said burned areas may "green up" later this spring, but the soil will be depleted by the loss of organic matter. Dry stubble left on the soil helps control wind erosion. Burnett also pointed out that intentional burning of lawns or fields is not a good practice since fires are extremely hard to control.

Burnett and other Tech agriculture division faculty members who warn against grass fires can speak from experience. A portion of the college's experimental acreage west of the main campus was recently scorched through an accidental fire.

GROW 'EM FROM SEED

Black walnuts can be grown from seed. Supplies of seed may be obtained from the Texas Forest Service, College Station, for a small charge—it covers the cost of mailing and handling.

ON SUMMER FACULTY

LUBBOCK — Marion Keighley Snowden, professor of music at leading British schools and international pianist-lecturer, will be a guest instructor in music at Texas Tech's summer session.

Dr. Gene Hemmle, head of the music department, said Miss Snowden and Miss Mary Dunn of Lubbock would instruct a series of master classes in piano June 1-15 and June 19-July 3.

The Farmer and his Problem . . .

E. T. BURK FOR CONGRESS

AGRICULTURE IS BASIC!

Farm Prosperity Means Prosperity for All

Yet there are people who would monkey with this basic industry and endanger it to the point of collapse.

THE FARMER HAS A FRIEND IN E. T. BURK BECAUSE:

- He was raised on a farm and knows the work and the problems.
- E. T. Burk has dealt with farmers all his life.
- E. T. Burk realizes that everything depends on farm prosperity.
- E. T. Burk favors keeping price supports on agricultural products until we are certain their removal won't cause a price collapse.
- But E. T. Burk strongly opposes tying down our farmers in a great tangle of bureaucratic control.
- E. T. Burk favors common-sense, farmer-approval farm laws.

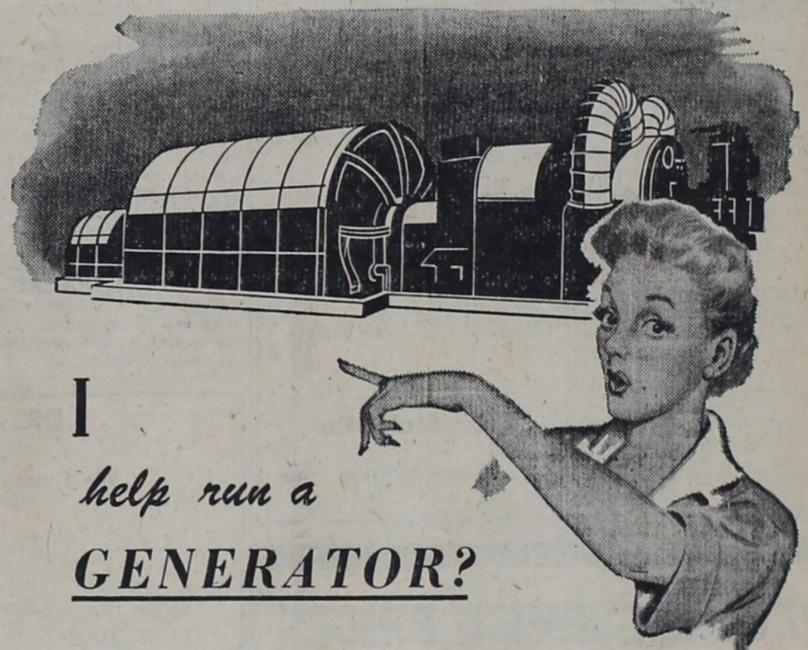

ADMINISTERED ON A LOCAL LEVEL

I help run a GENERATOR?

That's not so far-fetched as it sounds! Behind every generator—and every other piece of equipment in your Public Service Company—are the investments of our "owners," the stockholders. These are the investments that run our company. You, or someone you know, may be a stockholder. Lots of folks are . . . doctors, teachers, housewives, ministers, and many others . . . and no one of them owns more than 2% of the total stock.

If you have a savings account at the bank, or life insurance policies, it is likely that some of that money has been re-invested in your Public Service Company. This is the way the company really belongs to the people. It's a case history of free-enterprise . . . the system that has made America great and strong.

Rev. Duncan Performs Double Wedding Vows In J. D. Lewis Home, Thursday, March 30th

Rev. Murphy Duncan, pastor of the Hamlin Memorial Methodist Church, performed a double wedding in the home of Mr. and Mrs. J. D. Lewis on Thursday night, March 30, at 9 o'clock.

United in marriage were Miss Betty June Lewis, daughter of Mr. and Mrs. J. D. Lewis, and Bobby Joe Winegeart, son of Mr. and Mrs. J. H. Winegeart, all of Texico; Miss Belva Ellen Park, daughter of Mr. and Mrs. F. J. Park of Farwell, and Dencil L. Bandy, son of Mr. and Mrs. G. A. Bandy, of Oklahoma Lane.

The impressive double ring ceremony was performed before an embankment of pink and white snapdragons mingled with fern and the room was lighted by white tapers which were mounted in pink holders.

Both brides chose blue for their wedding costumes, and accented the dresses with black accessories and corsages of pink and white carnations.

The traditional "something old, new, blue and borrowed" was carried out by the brides. Miss Lewis wore a locket belonging to her grandmother and a pin borrowed from Miss Laveta Hamm. Miss Park carried a silk lace handkerchief that was brought from France during the first World War and wore a pearl necklace belonging to Miss Marilyn Anderson.

Immediately following the nuptials a reception was held in the dining room of the Lewis home with the three-tiered wedding cake, topped with miniature figurines, centering the table. Pink flowers were arranged around the cake, and the bridal party was served by Mrs. C. D. Houghteling.

Following the ceremony the two couples left for a weekend honeymoon trip to the famed Carlsbad Caverns.

Those present for the wedding included Mr. and Mrs. F. J. Park, Mr. and Mrs. J. D. Lewis, Mr. and Mrs. Louis Caillouett, Mr. and Mrs. C. D. Houghteling, Mr. and Mrs. James Box of Portales, Mrs. G. A. Bandy, Miss Laveta Hamm and Rev. Murphy Duncan.

County Rainbow Girls Visit Friona Church

The Bovina chapter of Rainbow girls, which includes representatives from over all of Parmer County, spent Sunday morning attending worship services in the Methodist Church at Friona, of which Rev. J. E. Tidwell is pastor.

Each year the group attends a different church in commemoration of Founder's Day, selecting a date nearest that of the day of their founding, April 6th. At the Friona services, Miss Joyce Ann Miller, of Friona, gave a vocal solo, being accompanied at the piano by Miss Vera Ann Jones, church pianist. Around 25 Rainbow girls attended in a group.

Present from Farwell were Nancy and Mary Belle Aldridge, Darlene Kay Sprawls, Peggy Hardage, Sandra Bateman, Lavoyda Billington, Jo Ann Spurlin, Ann Whitley, Betty Foster, Marcia Foster and June Christian. Sponsoring the local girls were Mr. and Mrs. John Aldridge, Mr. and Mrs. Sterlyn Billington, Mr. and Mrs. Tom Foster, Mr. and Mrs. Walter Hardage, Mr. and Mrs. Bill Foster.

Misses Peggy Williams and Hazel Dishman visited with relatives and friends in Littlefield, Sunday.

Dosher-London Vows Read On Sunday

Miss Margaret Dosher, daughter of Mr. and Mrs. Dick Dosher of Route 1, Clovis, and Ronald London, son of Mr. and Mrs. Henry London of Farwell, exchanged vows in a 2:30 wedding ceremony, April 2, at the home of the bride's parents.

The double ring ceremony was read before Rev. H. H. Allen, pastor of Trinity Methodist Church, Clovis, before a mentle decorated with a lovely mass of flowers and lighted by candelabra.

Casting a soft glow over the wedding party were the lighted white cathedral tapers in seven-branched floor candelabra placed on each side of the mantle. Misses Peggy and Betty Donahey lighted the tapers.

As the wedding guests arrived, Mrs. Orval Francis played "Danny Boy", and accompanied Dr. Mary Leone McNeff, who sang "I Love You Truly".

Given in marriage by her father, the bride was lovely in a powder-blue dress with white accessories, and carried a white Bible topped with a bouquet of red roses with red and white satin streamers. Carrying out the bridal tradition, she wore a pearl necklace and ear rings borrowed from Mrs. Orville Francis, and for something old carried a handkerchief belonging to her late Grandmother Dosher.

Attending as bridesmaid was the bride's sister, Glenda, who wore a charming aqua blue crepe dress trimmed in black lace. Her accessories were of navy and her corsage of pink carnations. Matron of honor was Mrs. Julia Hillock, an aunt of the bride. She wore a pink flowered costume with navy accessories and a corsage of pink carnations.

Acting as best man was Leon London, brother of the groom, and ring bearer was little four-year-old Lynn Doshier, brother of the bride, who wore white and navy.

Mrs. Doshier chose for her daughter's wedding a costume of navy blue crepe and had a corsage of pink gladiolus. Mrs. London, mother of the groom, also wore navy crepe and had an identical corsage.

Reception Is Held

Following the ceremony, a reception was held in the Doshier home. The table was covered with a lovely lace cloth centered with the wedding cake, flanked by tall tapers.

In charge of serving were Mrs. L. D. Rundell and the bride's mother, Mrs. Roscoe Burris and Mrs. Orval Francis assisted.

Signing the guest book which was presided over by Mrs. Roscoe Burris were Willie Joe Carpenter, Mr. and Mrs. Orval Francis, Dr. Mary Leone McNeff, Mr. and Mrs. R. A. Burris, Mr. and Mrs. Leroy Stewart, Mr. and Mrs. W. I. Rundell, Mr. and Mrs. L. D. Rundell and son, Scotty, Mrs. Julia Hillock and children, Mr. and Mrs. Lee Osborne, Mr. and Mrs. Bill Moss and Vickie, Mr. and Mrs. Frank Pesch, Rev. and Mrs. H. H. Allen, Mr. and Mrs. Cecil Rundell and children, Misses Peggy and Betty Donahey, and Mr. and Mrs. Henry London and family, and Douglas Hillock.

The couple left following the reception to honeymoon in Carlsbad. For traveling, the bride chose a brown and white suit with red accessories. Upon their return, they will reside here and London will be engaged in farming east of Farwell.

Mr. and Mrs. Jim Moore and family visited Sunday with relatives at Abernathy and Hale Center.

Mrs. David Carson Speaks To Junior League

A highly informative talk on Study Club functions was made by Mrs. David Carson to the Bovina Women's Junior League, Thursday afternoon. The meeting was held in the home of Mrs. Pete Davies with Mrs. A. V. Warren acting as co-hostess.

Iced tea and cake was served from a lace covered table and appointments were crystal and silver. The Easter motif made an extremely colorful centerpiece.

Those attending were Mesdames Bass Elliott, D. C. Looney, Howard Looney, Graham Thornton, Gene Hawkins, Harold Hawkins, Charles Hawkins, George Harold Trimble, W. L. Liles, Bob Sudderth, David Carson, Clarence Shanks and the hostesses.

The April 6th meeting will be held in the home of Mrs. Gene Hawkins at 2:30 p. m.

Mrs. Blain Hostess To Wesley Bible Class

The Susannah Wesley Bible class of the Methodist Church met in the home of Mrs. E. G. Blair on Tuesday, with Mrs. J. R. Hadley as assistant hostess and Mrs. Anne Overstreet as leader of the afternoon devotional.

At the conclusion of the meeting a delicious refreshment plate was served to Mesdames Ruby Dixon, Roy Thornton, W. J. Matthews, O. B. Pipkin, Lewis Pierce, F. J. Park, B. N. Graham, Albert Thornton, W. W. Engram, Arne Overstreet, N. L. Tharp, E. G. Blair, J. R. Hadley, Lena Yoder, G. W. Atchley and Jess Newton, members; Mesdames Joe Blair, Edward Engram, J. E. Bingham and little granddaughter, Nina Harrison, visitors.

W. I. Rundell Given Surprise Party

Mrs. W. I. Rundell surprised her husband on his 60th birthday, Monday night, with a birthday party in the Rundell home.

Rundell, caught in the act of preparing for bed, reported "it is the biggest surprise I ever had".

Coffee and punch were served to Mr. and Mrs. Claude Rose, Mr. and Mrs. Jack Glenn, Mr. and Mrs. Dick Doshier and family, Mr. and Mrs. Cecil Rundell land family, Mrs. Lena Rundell and Cathie, Mrs. Julia Hillock and family, Mr. and Mrs. Robert Rundell and daughters, Mr. and Mrs. L. D. Rundell and son, Douglas and Ruby Karen Hillock.

Men's Meeting Held At Okla. Lane

The Methodist Men's Club at Oklahoma Lane, organized recently, held its regular meeting Monday in the Methodist church of that community, with some 18 members present.

Rev. Jones, of YL, served as the speaker for the evening and Wendol Christian, president of the club, acted as toastmaster. Guitar selections were furnished by Jack Doshier.

On the serving committee were Claude Primrose, Alton Mace, James McCormand and Lowell Primrose. The program committee was composed of James McDormand and Alpha Doshier.

Return To Farwell

Mr. and Mrs. J. W. Magness returned home the past Wednesday, after having spent the past two months visiting in the Valley with his brother, Si Magness, and family, and at Mineral Wells.

Local Students Take Part In Spring Tour

Five local students representing this community are now with the Eastern New Mexico University Choir which is holding its spring tour, to conclude today (Wednesday).

In the group are Charles Felts of Lariat; Misses Peggy and Jean Rogers, Mary Harding and Norma Lee Sanders, Texico. Miss Jean Rogers is featured in a duet, and Miss Peggy Rogers is the choir accompanist.

Six concerts are presented on the tour, at Hobbs, Eunie, and Jal, N. M.; Denver City, Lovelland and Morton, Texas.

Farwell PTA Meets Thursday, 13th

The Farwell Parent Teachers Association will convene in regular session, Thursday night, April 13, in the school music room.

The evening program will feature musical selections under the direction of Mrs. Jack McManigal.

Hostesses for the April meeting include Mesdames Verney Townes, R. D. Hensley, L. M. Grissom, Dick Gerles, Otis Branscum, T. L. Kent, Shorty Hughes, Turner Paine, Walls, W. T. Magness, O. O. Holladay and C. E. Sanders.

Mann Speaks Monday To Press Club

Eugene Mann, public relations director at Eastern New Mexico University, Portales, was a visitor at the Texico school on Monday, speaking to the Press Club of the school.

Mann took up the various phases of journalism in general, and responded to questions asked by the students, who are under the direction of Mrs. N. W. Payton.

Cary Joe Magness, of the Farwell seniors, visited the meeting.

Students Appear In Musical Recital

A spring recital by students of the Eastern New Mexico University School of Music was presented last Friday afternoon in the University theatre in Portales.

Piano students included two Texico girls who are now sophomores at the school, Misses Peggy and Jean Rogers; and Miss Edd Url Talbot, of Friona was among the vocal soloists.

To Arizona

Mr. and Mrs. O. L. Butler, who have been visiting in the M. F. Par-ton home the past few weeks, departed last Wednesday for their home in Casa Grande, Ariz. Mrs. J. F. Par-ton, mother of Mrs. Butler, accompanied them to Arizona and will make her home there.

Here Over Weekend

County Agent and Mrs. Ollie Limer of Plainview, were weekend visitors in the home of her parents, Mr. and Mrs. M. A. Snider, and visited other relatives and friends.

Leaves For Home

O. S. Par-ton, who was called here some weeks ago by the death of his father, returned to his home in Bellflower, California, last Wednesday.

CARD OF THANKS

We wish to thank our many friends and neighbors for their kindness and sympathy and for the many floral offerings sent us during the death of our beloved mother and grandmother, May God bless each and every one of you.

The Utsman families,
The Blain family,
The Woodson family.

To Oklahoma City

C. D. Houghteling and Helen Lew- is left early Monday morning for Oklahoma City, where they will be under medical observation for the remainder of the week.

TUCKER AT HARDAGE'S

Hugh Tucker, well-known local mechanic, is now connected with the Hardage Hudson Co. in the mechanical department.

Calendar For Year Given For Texico

With little over a month yet to go on the finale of the 1949-50 school year, Supt. Agrie Jones today announced the following calendar of events for the Texico school:

April 6, Senior play, "All A Mistake", school auditorium, 8 p. m.

April 13-14-15, FFA boys to state judging, Las Cruces.

April 14, Grade school operetta in auditorium, directed by Mrs. LeRoy Faville, Mrs. Frank Seale, Mrs. C. B. Stockton, Mrs. B. A. Rogers.

April 15, Fox Relays at Fort Sumner.

April 22, Curry County track, Clovis.

April 26, Junior-senior banquet, in Union building, ENMU, Portales.

May 7, Baccalaureate, at Baptist Church in Texico, 8 p. m.

May 12, Class night, gym, 8 p. m.

May 17, Commencement, school auditorium, 8 p. m.

May 19, School dismissed.

WT Capella Choir Goes On Tour, 5th

CANYON—West Texas State's A Capella Choir will leave early this (Wednesday) morning, April 5, for a three-day concert tour of Plains cities. Directed by Houston Bright, the singers will visit Clayden, Memphis, Silvertown, Floydada, Plainview, Littlefield, Dimmitt and Hereford.

On the last day of the trip, Friday, the choir will sing at Hereford in the afternoon.

Among the members of the choir are Delores Wilson and Martha Williams, both of Bovina, and Jerry Jones, of Texico.

Rail oddities

THE STANDARD DIAMETER OF FREIGHT CAR WHEELS IN THE U.S.A. IS 33 INCHES. PLACED TREAD-TO-TREAD, THE WHEELS OF THE 2 MILLION FREIGHT CARS IN SERVICE IN THIS COUNTRY WOULD REACH 8300 MILES — A DISTANCE GREATER THAN THE DIAMETER OF THE EARTH.

ANDREW JACKSON WAS THE FIRST PRESIDENT OF THE U.S.A. TO RIDE ON A RAILROAD TRAIN (JUNE 6, 1833). TWO YEARS LATER HE ADJOURNED A CABINET MEETING IN ORDER TO WITNESS THE ENTRY OF THE FIRST TRAIN INTO WASHINGTON, D. C.

SINCE THIS TIME YESTERDAY, PASSENGER TRAINS IN THE UNITED STATES HAVE CARRIED 1,500,000 TRAVELERS ON JOURNEYS TOTALING 100 MILLION MILES.

Start Looking Now For 'Hopper Beds'

COLLEGE STATION—It may be a little early to start talking about grasshoppers, but farmers and ranchmen are urged to be ready to stop them this year before they leave their egg beds. Once they begin moving out of the areas where they hatch, effective control becomes more difficult, says H. G. Johnston extension entomologist of Texas A

& M. and state leader for the grasshopper control program in Texas. Recently completed surveys show heavy infestations of eggs in at least three areas of the state and Johnston warns that 'hoppers can again build up to plague proportions. The weather at hatching time will materially affect the situation, he adds. Danger spots are: in the Brazos valley; in the Trinity valley; and in the Panhandle. One area in the Panhandle—along the Oklahoma line—is termed by Johnston as a threaten-

ing area while the other area, extending from the northwest corner of the Panhandle southeastward to Amarillo contains infestations of the eggs of migratory hoppers. These are difficult to control because of the migratory movements. The seriousness of the situation in this area will depend upon weather conditions at hatching time—late May. Johnston urges farmers and ranchmen in that section to be ready for an all-out fight should the hoppers become a menace to crops and pastures.

He says the program in Texas will operate the same in 1950 as it did last year. Special emphasis will be placed on the use of insecticides for control rather than the bait method. Results from last year's program show that toxaphene and chlordane are excellent killing chemicals if used at the right time. The use of these chemicals, plus neighborhood and community-wide cooperation can make control of local infestations a simple and inexpensive job, he says. Every farmer in infested territory should be ready to spray or dust his field margins, fence rows and roadsides just as soon as the hoppers begin to hatch.

Migratory hoppers must be controlled before they leave the egg beds. They soon scatter over wide areas and thus control becomes a difficult problem.

Pioneers Get 18 Wins Against 16 Losses

PLAINVIEW—The Wayland College Pioneers finished their first season of senior college competition with nineteen wins over sixteen losses, according to Coach Harley Redin.

The group scored 1959 points in 35 games for an average of 56 per game and made .625 percent of their free throws and .315 per cent of the field goal attempts.

Big, husky Leon "Runt" Burch led the scoring with 466 points to rank among the college top scorers in the state. Ed Billings, who the coach says is one of the best rebound men, averaged 380 points for the season and was picked at Amarillo on the AAU all-tournament team.

Redin stated that the top defensive men on the squad this season were Bill Knighton, senior student who has played his last year with the Pioneers, and Leroy Green, who was picked for the AAU all-tournament team.

Tech Library Acquires Rare Botanical Works

LUBBOCK—Five rare volumes on American flora which are to naturalists what Audubon's books are to ornithologists have been acquired by the Tech College library.

Librarian R. C. Janeway said the complete set of "North American Sylva, or a Description of the Forest Trees of the United States, Canada and Nova Scotia," have been obtained from Miss Alice Andrews of St. Paul, Minn. The work was prepared by Francois Andre Michaux and Thomas Nuttall and published in 1865.

The five volumes contain 277 colored engravings, many of them made from Nuttall's drawings which he made while traveling with Audubon on a trip to the west. Nuttall was a pioneer naturalist and member of the American Philosophical Society. Janeway said the leather-bound gilt-edge paper volumes are in outstanding condition.

Dairy Show Entries Promise New Record

PLAINVIEW—Entries for the 23rd annual Panhandle-Plains Dairy Show promise to exceed last year's record of 504 head of choice dairy cattle. Recognized as the largest dairy show in the South and the third largest in the nation, this event exhibits the finest in Guernsey, Jersey, Milking Shorthorn and Holstein breeds.

The only show in the nation to provide milking facilities for all of its exhibitors, the 1950 Panhandle-Plains Dairy Show is offering over \$3,600 in prize money equally distributed to all breeds eligible to show.

Catalogues and entry blanks are available at the Chamber of Commerce office in Plainview, and many entries have already been received from exhibitors in Texas, New Mexico and Oklahoma.

The first entry for this year's show was received from Floyd Pruden, of Altus, Okla. The dates of the show are April 8-14.

"Twelfth Night" To Be Presented At Canyon

CANYON—Final casting of the Shakespearean comedy, "Twelfth Night" has been completed at West Texas State and the play will be given May 8, 9, and 10.

William A. Moore, director has announced that this will be the most difficult the speech department of the college has undertaken. Also, the costuming, lighting and scenery will be far superior to anything ever pre-

mented at the college. Some of the trimming and hats are being ordered from Italy and plans for a revolving stage are underway. Moore said this may be the first time a revolving stage has been used in this section of the country.

Carl Michell, Canyon junior, has been selected as student director and designer for the play. Houston Bright, music instructor, is composing an original score and an orchestra will give the musical value to the play.

Chief electrician for the play will be Jim Livingston, Amarillo.

HUSKY, Dependable Power

THE POWER AND ECONOMY LEADER OF THE 3-4 PLOW CLASS

THE MASSEY-HARRIS 3-4 PLOW "44"

Here's a 4-cylinder husky that's built for more than just average conditions... a tough, versatile, dependable tractor, the "44" walks away with the most stubborn 3-4 plow jobs on your farm. It's out on a tough field job that you really get to know the "44." That you really discover its lugging ability and economy. You take heavy plowing and discing jobs in stride... plant, cultivate, haul seemingly with no effort.

And you do it on less fuel!

There are more acres of work in every tank of gas with the "44." More furrows plowed, more rows planted, more dollars and cents savings in every operation. See us soon for complete details on the Massey-Harris 3-4 Plow "44." Get the power and economy leader for your farm.

TRY NEW VARIETIES

Home gardeners and in some cases commercial growers should try some of the new varieties of vegetables that are now being offered for the first time. Plant breeders are working continuously to improve and develop better and more productive crops. The new varieties are the result of this work.

From the days of Paul, the Christian world has insisted that the Cross and the Empty Tomb must be kept together. Yet one is often associated with darkness and the other with light. Isn't Calvary black and Easter bright? *If the Cross is blackness, it is the darkness before the Dawn; it is the Sacrifice before the triumph.*

For Jesus there was light all the way; both Calvary and the Resurrection had become a part of the loving will of God. For He had passed through Gethsemane; there He had accepted the *via dolorosa* as the path of blessing; He was never alone on that fateful Friday, for He walked with the Father God. The world may have lain in darkness at the Crucifixion, but there was no darkness in the soul of the Man of Galilee; He was the Son of God and had dedicated himself to the Father's will. To the world there was Death and the dark; it was Black Friday. *But to the seeing soul of Jesus Christ there was Life and the light; it was Good Friday.*

And so it has become for the Christian world. The Man who arose from the dead on Easter morning had carried a Cross on Friday. Perhaps Easter will mean most to those of us who have learned during Lent to bear as well as to wear a Cross. The Christian symbol was not intended to refer only to the Cross of Jesus; we set the Cross atop our churches and we exalt the Cross within the Church, representing a way of life. It is God's way as well as the way of Jesus; God has forever carried a Cross, and with a smile upon His face. Godly women and men have ever carried a Cross and it has brought joy to their hearts and blessings to mankind. For the Cross spells Life for all of us; and he lives best and knows the deepest joy who has chosen to bear his Cross as he discovers in it the will of his God. *Most blessed is he who, like his God, can carry the Cross with a smile.*

The Cross and the Tomb have both been snatched from their association with Death; for they have been transformed by love and self-giving and by a Presence of radiance and glory. *He lives and we, too, shall live, in the measure in which we "learn to kiss the Cross," our cross as well as His.*

NOT SO CLOSE AS IT LOOKS . . . Camera angles create the illusion that the chutist is about to be buzzed by the oncoming plane after he had dropped from another plane. But the chutist was in the clear and the plane passed over his head as he soared downward. The parachute is a newly-designed model with extended skirt, making it a bigger envelope than has been used in the past. The navy's parachute experimental unit tested the "laundry chute" escape hatch in a Douglas Sky Knight over El Centro, Calif.

West Texas Dusters Reach 15,000 Feet

LUBBOCK—Recent dust storms in West Texas have reached a height of 15,000 feet and covered an estimated 85,520 square miles during the early stages, reports on a research project at Texas Tech show.

During a prolonged storm late in March which lasted three days the aneroid pressure reached a record low of 25.06 in Lubbock. The winds violently started whipping up dust in southwestern New Mexico as they blew toward a large low pressure area in Nevada. As the low pressure area moved eastward the dust laden winds invaded Texas.

Students of G. Frederick Warn, associate professor of geology, reported dust particles 25 of a millimeter were found 65 feet above the surface. Particles from New Mexico and Colorado were mixed in with local dust. About one per cent of the particles were organic matter, such as leaves, straw or grass.

Remarkably low humidity has aided the dusters, Warn said. A record

low humidity was recorded in the late March storm. The last rainfall of note fell in the South Plains Sept. 21. Recent winds have had a drying effect which is further reducing the moisture content of the soil, Warn said.

Ordinarily, a wind of 40 miles per hour will carry the dust along if the gusts are sustained. However, gusts of 20 or 25 miles per hour can start storms rolling, and velocities during some dusters have reached 70 miles per hour. Wind turbulence and air moisture, as well as the speed of the wind, help determine the amount of dust that will rise.

Four out of five recent storms that have entered the South Plains came from a westerly direction, and one has come directly from the south. The most intense recent storm entered Texas from the west.

Tech students Billy Cox and Dewain Cox, both of Monahans and Jack Pales, Lawton, Okla., are working under William C. Irwin and Warn's supervision in compiling data on the dusters.

Texas' Treaty Oak in Austin, now between 500 and 600 years old, may live for several centuries yet, with proper care.

Questions & Answers

Q. Last year I was awarded compensation from VA, but I renounced my payments. If I decide that I would like to receive compensation payments at some future date, will they be resumed?

A. Compensation will be resumed if the service-connected condition is shown by medical evidence to exist to a compensable degree at the time you file a new application for such benefits. Compensation, if approved, will not be made retroactive.

Q. I had a disability before I entered service during World War II, but the disability has increased considerably since then. Is compensation payable for the increase in severity occurring during enlistment?

A. Existing legislation provides compensation for disabilities aggravated during and as the result of active service.

Q. What are the compensation rates payable for World War II vets with service-connected disabilities?

A. The rates range from \$15 a month for 10 percent disability to \$150 a month for 100 percent or total disability. Statutory awards for loss

of leg, arm, eye, etc., plus additional compensation for dependents of a totally disabled veteran may run the total payment to \$451 a month.

Q. My late husband, a World War II veteran, died of a non service-connected disability. Am I entitled to a pension?

A. As his widow, you may be entitled to a pension if your husband's service meets the requirements and your income does not exceed \$1,000 per year if without a minor child, or \$2,500 if with minor child or children.

Over 1000 Scheduled For Spring Diplomas

LUBBOCK—More than 1,100 seniors and graduate students at Texas Technological college are scheduled to receive degrees at May 23 commencement exercises, Assistant Registrar Evelyn Clewell announces.

Mrs. Clewell said 878 May graduates and 194 graduates are on the tentative list of B. A. and B. S. candidates. Forty-two graduate students also are expected to complete work on advanced degrees before May 22.

Farm Situation Is Nation's Greatest Problem, Says Burk

AMARILLO—E. T. Burk, who was raised on a farm and has dealt with farmers all his business life, said this week that he considered the farm situation the nation's greatest problem.

"I will discuss this problem right up to the day of the election," said the leading candidate for Congress in the 18th district.

"Every farmer faces a bad situation. He faces the loss of price support or else he faces a great tangle of controls that could take management of his farm sailing off to Washington. Only common sense can solve this grave problem.

"Agriculture is basic. From it we live, regardless of whether we are city or rural dwellers. A farm depression would spread to every phase of our life and business. It could bring business collapse. And how the Communists would welcome that.

"If we suddenly knocked out all supports, the price of nearly all of

our money crops would collapse. That would be nothing less than the government turning the farmers out to the dogs.

"On the other hand, if the government supports this basic industry through price guarantees or loans there is certain to be a loud howl from Washington for strict control, even on the home poultry flock that furnishes egg money.

"This is a knotty problem. The government cannot afford to plunge agriculture into a depression, but we cannot have an effective, profitable agriculture with a Washington bureau running every farm. So what is the answer?

"We must continue price support until we are positive that their removal will not cause a price collapse. But we must also keep the farmer managing the farms. Any measure of acreage or production control voted by Congress must have local community administration.

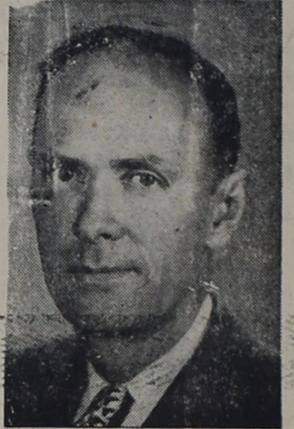

"We must not let agriculture down and we must not place our farmers under the dictatorial thumb of a Washington bureau. When I go Congress I'll fight unceasingly for a common sense farm program with common sense local administration."

The cricket makes its noise with its wings.

Attention Mr. and Mrs. VOTER,
Here's the man
you've been waiting for!

Walter Rogers

for Congress

★ ★ ★

Typical self-made, successful citizen.
Born in Texarkana, Ark., July 19, 1908—41 years old.
Attended elementary schools McKinney, Texas.
Worked on farm while attending Austin College, Sherman.
Worked way through University of Texas law school, employed in state comptroller's office.
Graduated with high honors, now licensed to practice before United States Supreme court and all courts of our state.
Moved to Pampa in 1935, began practice of law. Opened own law office 1937, which he has maintained since, except for 4 years when he served as District attorney.
Made outstanding record as district attorney, refers voters to any member of grand jury or law enforcement officer in district he served. Has built large practice among his neighbors, friends and acquaintances. Represented many clients before highest courts of land, Railroad, Banking and other state commissions.
Member Gray County and State Bar Associations.
Served as first War Bond chairman Gray County.
Married Jean Daly of Pampa in November, 1936.
They have family of 6 children, ranging in age from 18 months to 11 years.
Two sons and daughter are Scouts.
Former member of Jaycees.
Past president Pampa Rotary club.
Active in all civic and community affairs.
Life-long member Protestant Episcopal Church.

HE BELIEVES

Walter Rogers believes future of our country depends upon the homes and small communities. Believes in home rule and home responsibility. Believes encroachments have been made upon individual rights which must be checked or rights will be lost to the people.
Believes a balanced economy must depend upon private competitive enterprise, free of Government control except for adjustment of wrongs brought about by bad faith. Believes capital and labor should settle own disputes with government only in role as arbiter.
Believes economy of this region based primarily on agriculture, believes farmers of this section capable, sound-thinking Americans; favors stabilized farm economy but believes many features of farm program should be at option of the farmer and not at the whim or caprice of Bureaucrats. Problem can not be solved overnight, but is being solved and that farmer's suggestions and advice should be followed and used. Pledges full assistance to Canadian Dam and all other water conservation projects in district; sees such projects as sound investment and essential to economy of district and also vital to national defense. Believes federal aid to education is double taxation; believes if government will attend to own affairs, leave our tidelands alone and conduct itself in accordance with Constitution, Texas won't have to worry about federal aid to our schools.
Believes Civil Rights is a mis-nomer, is purely political and will not aid any of the peoples involved; if Constitution is followed there is no necessity for a Civil Rights program by Congress. Constitution provides that program fairly and honestly.
Believes the old people are not getting their just dues, too much of

the money set aside for them going into overhead costs, that they are entitled to more courtesy in their claims and requests.
Believes in soundness of depletion allowance for oil and gas business. Believes that soft treatment of traitors should cease.
Believes in drastic reductions in government costs, abolition of overlapping bureaus, cleaning out of overstaffed departments, stream-lining red tape, demands full and fair day's work on part of every government employee, and courtesy to the taxpayers as they go along.
Believes in proper preparedness and defense of this country first; do the cutting where it will not weaken the strength of the nation.
Believes income taxes too high, that proper economy can bring about reductions.
Believes rights of Veterans to purchase land under Veterans bill should be immediately stream-lined, completely freed of red tape and all political favoritism should be abolished.
Summed up, Walter Rogers believes in our American way of life, is for efficiency and economy in government, and pledges the people of this district to work for these ideals.
He is widely-known and respected as an able and courageous lawyer and a conscientious and patriotic citizen.
He offers to the people of the district experience and training.
He is successful in his own profession.

Walter Rogers has as much at stake in the future of this country as any of the rest of us. Here is the Rogers family. Standing, left to right, are John, Walter and Tommy. Seated, left to right, are Mary Catherine, Mrs. Jean Rogers, Robert and Susan. "We're one family with never a dull moment," he tells friends.

GULF SERVICE STATION

Farwell, Texas

ATOM AND EVES . . . The male island in a sea of females is Sumner Pike, acting chairman of the atomic energy commission at a private party given by leading newspaperwomen of Washington. They are, clockwise from lower left, Vera Clay, Newsweek; Rose McKee, International News Service; Mary Cottrell, Nashville Banner; Gladys Montgomery, McGraw-Hill publications; Ruth Montgomery, New York Daily News; Josephine Ripley, Christian Science Monitor; Dorothy Brandon, New York Herald Tribune; Mae Craig, Portland (Me.) Press Herald; and Doris Flecken, columnist. Pike put aside thoughts of the A- and H-bombs to relax at the party.

Limited Supply Of Coastal Bermuda Sprigs Available

COLLEGE STATION—For several years, agronomists of the Texas

Agricultural Experiment Station have been testing and increasing the supply of Coastal Bermudagrass. According to A. W. Crain, associate extension pasture specialist of A. & M., the supply is large enough at the present time to permit a limited distribution.

Farmers or others interested in obtaining a small supply of the grass sprigs may do so by sending \$1, to cover handling and sacking, to the forage section, agronomy department, Texas Agricultural Experiment Station, College Station, Texas. The grass sprigs will be shipped by

express collect and should be sufficient to set from one-fourth to one-half an acre. Due to the limited supply, those writing in are requested to ask for only one sack of material. Crain says it should not be tried in areas that receive less than 30 inches of rainfall, unless irrigation is used. It is not a wonder grass, but he recommends giving it a trial. He says it will grow anywhere that ordinary bermuda will grow but that it requires a fertile soil and more water because it produces a much higher yield. It can be used for both pasture and as a hay crop, he adds.

Along with the sack of grass sprigs will be sent information on land preparation, fertilization and care. He points out that the distribution is being made in response to the many inquiries that have been received regarding the source of planting material. Results obtained from these farm plantings will prove valuable to the agronomists in their further studies of the grass and its potential value in Texas.

"Energy" Foods Are Often Misunderstood

COLLEGE STATION—To the nutritionist as to the engineer, energy means power from fuel or heat and it is often measured in calories or heat units. The more popular definition of the word energy includes such terms as vim, vigor, vitality, and even spirit.

A homemaker may then conclude that the more energy foods her children eat, the more energetic they will be but Louise Mason, extension foods and nutrition specialist of A. & M., says that is not necessarily the case. Starches, sugars and fats are the high energy foods for they are the chief sources of fuel or calories for the body. If used in excess, these foods are stored as fat and may make a person feel less energetic, says Miss Mason. Likewise too many of these foods in the diet may cut down on other nutrients, such as vitamins or protein, needed by the body for nutritional well-being and normal vim and vigor.

Miss Mason says the term "fuel food" might be a better word than energy food since the term describes the foods that supply the fuel for bodily activities. The fuel food needs of the body depend upon its size and activities. A good indicator that fuel food needs are being met is constant body weight. Overweight indicates a surplus and supply should be reduced.

The active and fast-growing children in the family may need more fuel food than older members of the family, but their choice of calories should be carefully watched, says Miss Mason. Too many sweets, or sweets between meals, may interfere with their appetites for substantial meals which are needed to provide the nutrients for growth, health and vitality.

Farmers in the South Plains area should plant wheat grasses, orchard rye and sweet clover during October. The clover should be inoculated before planting to permit a nitrogen increase in the soil.

In a matriarchy the mother is head of the family.

"The Master's Plan" Theme Of Easter Service In Wichita Mountain Observance

LAWTON, Okla.—"The Master's Plan" is the theme of the 1950 Wichita Mountains Easter Sunrise Service as Oklahomans connected with the service embark on a new career of operations without the leadership of the late director, Mark Wallock.

Easter this year is April 9. The service begins at 2:00 a. m.

The little minister who made the Oklahoma Sunrise Service nationally famous died in December 1948, just before the releasing of "The Prince Of Peace", a motion picture of the Lawton service which is now being distributed all over the world.

Lawtonians feel that they are "on the spot". Some of them had felt that the moving picture might not be the best type of publicity a religious service could have. On the contrary, almost all of the hundreds of letters which have come to Lawton from persons who have seen "The Prince of Peace" state an eagerness to see the great dramatic accomplishment of a religious community.

Some of the persons who write to Lawton from New York or Iowa, or California have given the impression that Lawton is being looked upon as a community of Christians, devoted entirely to the task of serving Christendom. This reputation, Easter workers admit, is a hard one to sustain. "We have our troubles; we have our problems, we have our job ahead of us," they admit.

Easter service officials predict that this year's Easter audience will be more persons from out-of-state than ever before. Last year the crowd at the service became so large that any estimate of the number present would boil down to a mere guess.

The Easter story, of course, will remain somewhat unchanged. The meteoric career of Christ, His battle of truth against man's folly, will again be presented in a manner that will make it real to dozens of thousands of persons on a hillside who will be able to see and hear the service as if it were an indoor drama.

The climax of the service, as always, will be the depiction of the tortuous March to Cavalry of Christ, the seeming defeat of good in the

world . . . followed closely by the tremendous victory of the Resurrection from the grave.

The Easter service is staged at Holy City, near Lawton, 100 miles southwest of Oklahoma City.

Worley Grateful For Honors Given Him

To The People Of The 18th Congressional District:

I wish I could write each and every one of you an individual letter but since that is impossible, I am taking this means, through the kindness of the editor of your paper, to extend to you my thanks for your excellent cooperation and for the most generous support you have accorded me in the past.

For nearly ten years I have been honored by election as your Representative to the United States Congress. No one could be prouder of that honor than I am now and have always been. You have been more than generous to me through the years and I have done my dead-level best to make you a good Congressman. I hope I have succeeded.

You have no idea how really proud I am of the people in my District. I would not trade my own District for any in the United States. As I turn to new fields of endeavor, I will carry with me the recollections of my always pleasant associations with you. I wish for each and every one of you the very best of everything for all the years to come.

Sincerely,
GENE WORLEY.

Rice is rich in starch and ranks high among the foods that supply the body with energy.

STEERS FIND LITTLE COMPETITION IN DISTRICT TRACK AND FIELD MEET

The Farwell Steers and their co-workers, the junior high squads, took things over in Bovina the past weekend, when the district track and field meet events were staged in perfect weather.

Bobby Poteet, Melvin Terry, John Christian, Jerry and Rex Pool, Jesse Coburn, Don Ford, Beryl Nix, Troy McKillip and Bob Geris cooperated in running up a total of 80 points to win the senior division in a breeze, as Bovina came in second with 27 and other scorings were widely scattered.

One new record was set for the district during the day, when Coburn stepped out in the 880 to clip eight-tenths of a second from the old record set previously by another Steer, Ford. Coburn paced out the half in 2:14.2, compared to Ford's 2:15.

Close time in the 100-yard dash was also recorded when two heats were run against the clock. In the first, Terry came in far ahead at 10.6 but was dropped to second rating as Jerry Pool gobbled up the distance in the second heat to break the tape at 10.4.

In the junior division, Raney, Daniel, Spurlin and Dial carried the colors, scoring 28 points. Friona was in second place with 17. Grade school honors went to Bovina, with 22, and Friona was a close second with 21.

A complete list of events follows:

Senior Track and Field

High hurdles—Poteet, Farwell; Christian, Farwell; Geris, Farwell; Roark, Vega. Time, 17.4.

100-yard dash—Pool, Farwell; Terry, Farwell; Ware, Bovina; London, Friona. Time, 10.4.

Low hurdles—Christian, Farwell; Lacewell, Friona; Ellison, Bovina; Harwell, Vega. Time, 25.3.

440-yard run—Ellison, Bovina; Massey, Friona; Ford, Farwell; Mc Killip, Farwell. Time, 56.2.

440-yard relay—Farwell (Pool, Poteet, Ford, Terry); Bovina (Ware, Brito, Hromas, Ellison); Friona (London, Massey, Houlette, Lacewell); Adrian (Roberts, Voyles, Jacobson, Fortenberry). Time, 48.6.

880-yard run—Coburn, Farwell; Barnett, Friona; Tidenberg, Bovina; Roark, Vega. Time, 2:14.2.

1-mile relay—Farwell (Terry, Poteet, Christian, Ford); Friona (Miller, Brock, Fulks, Massey); Bovina (Hromas, Tidenberg, Verner, Young). Time, 3:58.4.

1-mile run—Rex Pool, Farwell; Jordan, Friona; Jesko, Lazbuddy; Young, Bovina. Time, 5:19.2.

Shot—Ford, Farwell; Poteet, Farwell; Cotton, Vega; Metcalf, Vega. Distance, 36 ft., 9 in.

Vault—Briggs, Lazbuddy; Lacewell, Friona; Nix, Farwell; Houlette, Friona. Height, 9 1/2 ft.

Broad jump—Pool, Farwell; Briggs, Lazbuddy; Hromas, Bovina; Brito of Bovina and Coburn of Farwell, tied for fourth. Distance, 17'5".

Discus—Poteet, Farwell; Ware, Bovina; Ford, Farwell; Jacobson, Adrian. Distance, 106'7".

220-yard dash—Pool, Farwell; Crim, Lazbuddy; Ware, Bovina; Jacobson, Adrian and Hromas, Bovina, tied. Time, 24.6.

High jump—Christian, Farwell; Pool, Farwell; Young, Bovina; Coburn of Farwell, Voyles of Adrian, tied. Height, 5'2".

High School Junior Track

50-yard dash—Raney, Farwell; Robinson, Friona; Daniel, Farwell; Jones, Vega. Time, 6.2.

100-yard dash—Raney, Farwell; Robinson, Friona; Daniel, Farwell;

Dial, Farwell. Time, 11.5.

440-yard relay—Farwell (Spurlin, Raney, Daniels, Dial); Friona (Ivy, Robertson, Robbins, Schueller). Time, 53.

Broad jump—D. Robbins, Friona; Raney, Farwell; Dial, Farwell; Robinson, Friona. 16'.

High jump—Robbins, Friona; Briggs, Adrian; Raney, Farwell; Dial, Farwell. 5 ft.

Chinning—Jesko, Lazbuddy; Clark Lazbuddy; Dial, Farwell. 13 times.

Grade School Track

50-yard dash—Brown, Adrian; Ware, Bovina; Cogdill, Friona; Lowrie, Bovina. Time, 6.2.

100-yard dash—Brown, Adrian; Ware, Bovina; Gullely, Farwell; Phipps, Friona. Time, 11.3.

440-relay—Friona (Phipps, Wilkins, Dickerson, Cogdill); Bovina (Ware, Lowrie, Loyd, Sudderth); Farwell (Barber, Geris, Pool, Gullely); Adrian (Brown, Allen, Jewell, Oldham). Time, 55.

High jump—Ware, Bovina; J. Rogers, Friona; Gullely, Farwell; Lowrie, Bovina. Height, 5 ft.

Broad jump—Reeve, Friona; Phipps, Friona; Gullely, Farwell; Barber, Farwell. Distance, 15 ft.

Chinning—Walling, Bovina; Allen, Adrian; Phipps, Friona; Loyd, Bovina. 24 times.

In volleyball, the Bovina girls captured the senior crown, with Friona second; Adrian's senior boys were champs with Bovina second; the Vega high school junior girls won and Farwell was second; in the grade division: the Lazbuddy girls were first, Bovina second; the Friona boys took the crown, Adrian, second.

Playground ball results: Senior boys, Adrian, Bovina. Senior girls: Bovina, Lazbuddy. Junior high boys, Lazbuddy, Farwell.

Junior high girls, Farwell. Grade girls, Lazbuddy, Bovina. Grade boys, to be concluded this week.

Tennis events are also slated for this weekend, to be played at Friona.

First, second and third place winners in the senior track and field division will attend the regional meet in Lubbock, April 22nd.

Texico Takes Third At Clovis Track

Wayne Tucker put the Texico tracksters in third place last Tuesday, when an invitation meet was held at Clovis between contestants from Clovis, Texico and Rosedale.

The Clovis squad was first, with Rosedale second, Coach C. B. Stockton reported.

Tucker took one first place, stepping over the high hurdles in 15.9 seconds; then rated third in the 100-yard dash; second in the 220, second in broad jump, and second in shot.

Jimmie Horton took fourth in the high jump event; Arlyle Crooks was second in discus; Wayne Breeze, second in javelin; and Jerial Doolittle, fourth in low hurdles.

Coach Stockton said that his boys had had little actual workout time on the track due to weather conditions, adding that he expected improvement as the season progressed.

Sam Bass, famous Texas outlaw, is buried at Round Rock, Texas.

Ranchvale Is First In Invitation Meet

The Ranchvale girls, playing a strong brand of ball, edged Texico in the finals of an invitation volleyball tournament held at the Texico gym during the past weekend to grab the tourney crown.

Coach Fern Stout reported that his girls held their own until the closing minutes of the game, when height superiority held by Ranchvale paid off in a 20-13 win.

Ranchvale opened the meet by defeating Grady, 33-27, while in the other first-round match, Texico narrowly got past Rosedale, 27-25. Semi-final play cast Melrose against the Ranchvalers, the latter winning, 33-25, while Texico cleaned house on Field, 42-20.

Consolation play put Melrose and Field on the court, where Melrose took a decisive third place rating, 41-19.

The county tournament will be held the latter part of the month, in Melrose, Coach Stout added, saying that a meeting would probably be held by coaches this weekend to determine the date.

Four-Way Tryouts Set For Thursday

The Melrose Buffaloes will be hosts on their own track this Thursday, when an invitation meet is to be held between Rosedale, Field, Texico and Melrose, it was reported today by Coach C. B. Stockton, of the Texico school.

Stout added that he was not positive how he would line up his men in the various events, adding that the meets at this time are more try-out periods to determine county entries than anything else.

Both junior and senior squads are also grooming for the annual Fox Relays, which will be held April 14 at Fort Sumner.

Texico Rates 7th In District FFA Meet

Fourteen teams were on hand at the district FFA judging contests held the past weekend in Portales, at ENMU, Fern Stout, head of the Texico aggregation, reported today, with the Texico group placing seventh in overall points.

Jesse Cox, of the group, was high individual in dairy judging, Stout added.

Cox, James King and Earl McDaniel made up the dairy judging squad; D. J. Brown, Buddy Joe Sparks and Kennard Harris took over livestock; Brown, Sparks and Donald Ray Engstrom rated crops and poultry; and farm machinery was judged by Brown, Sparks and Harris.

The boys with their instructor will leave next Wednesday morning, April 12th, for Las Cruces, where they will attend the state judging meet which opens on Thursday and winds up on Saturday.

Jones Presents Stand To Grady Lions Club

Agrie Jones, president of the Texico-Farwell Lions Club, was a special visitor when the Grady Club held its charter night on Monday evening of this week, presenting the official speaker's stand to the Grady Lions in behalf of the locals.

Some eighty men attended the Grady charter night festivities, and Texico-Farwell was represented by Jones, C. B. Stockton, Otis Huggins and Fern Stout.

CZECH CHECKS OUT . . . Dr. Vladimir Clementis, poet and author, has resigned as Czechoslovakian foreign minister. His resignation a roused speculation about a crisis in the cabinet that may occur.

Literary Winners Are Announced

Interscholastic league activities for the district were held in Bovina last weekend, with both literary and athletic events on the docket.

Following returns of judges, W. H. Willoughby, district chairman, has announced the following literary event winners:

High School
Ready writers—Cary Joe Magness, Farwell; Donald Fortenberry, Adrian; Mary K. Smith, Vega.

Spelling—Friona (Joyce Miller, Mary Lou Miller); Lazbuddy (Lois and W. R. Freeman); Vega (Katherine Hammer, Ima Jean Price); Bovina (Joe Don Berry, Doris Jean Young).

Number Sense—Jimmie Cooper, Vega; Jimmie Jenkins, Wildorado; Edmund Schlabs, Friona; Don Briggs Lazbuddy.

Typing—Vera Ann Jones, Friona; Ima Jean Price, Vega; Caroline Cayton, Vega; Maxine Stoneman, Adrian.

Slide rule—Friona by default (Joe Osborn, Edmund Schlabs, Harold Joe Miller)

Shorthand—Hazel Petree, Farwell; Almeda Huff, Bovina; Valarie Dial, Farwell; Jamean Ellison, Bovina.

Girls declamation—Betty Jean Newbill, Vega; June Gay Looney, Bovina; Levina Clark, Lazbuddy.

Boys declamation—W. A. Freeman, Lazbuddy; Jack Stone, Vega; Edwin Burch, Adrian.

Extemporaneous speech, boys—Adrian, Bovina.

Junior High School

Declamation, boys—Minor Townes, Adrian; Buil Dollar, Farwell.

Declamation, girls—Nancy Aldridge, Farwell; Sue Ann Dowd, Vega; Joyce Wagner, Adrian.

7-8 spelling—Farwell, Friona, Lazbuddy; Bovina, Vega, tie.

Grade School

Story telling—Kay Hartzog, Bovina; Pat Cranfill, Friona; Peggy Browning, Vega.

Choral singing—Adrian, Bovina, Vega.

Boys declamation—Neil Smith, Bovina; Pudge Rose, Farwell; Jimmie Day, Lazbuddy.

Girls declamation—LaJuanda Speegle, Bovina, 1st; Carrol Blackburn, Friona, 3rd.

5-6 spelling—Vega, Friona, Farwell, Lazbuddy.

Ready writing—Jo Ann Cochran, Farwell; Nancy McNeff, Vega; Jimmie Carpenter, Lazbuddy.

Number sense—Billie Don Brown, Adrian; Freida Allen, Lazbuddy; Jerry Gleason, Lazbuddy.

One-act play—Friona, Bovina.

Tribune job printing is best.

Local Man Assists In Rescue Work Of Men In 80-Ft. Well

Claude Dyer of this city, who drives a flour transport truck out of Clovis was in Tularosa last Wednesday and helped rescue "four or five men" from an old well on the outskirts of the city, in which two men lost their lives.

Dyer said that Frank Rollins, age 60, and his nephew, a Mr. Morton, were down in an 80-foot well working on a water pump which was operated by a gasoline engine at the bottom of the well. An accumulation of carbon monoxide gas from the gasoline engine filled the well, causing Rollins to "pass out". Morton climbed a ladder and got out.

Rescue workers came to the scene to help in getting the 60-year-old man out. Equipped with gas masks, a number of men entered the well.

One of them, J. L. Sanders, was being drawn out of the well with a rope when his belt broke and he fell about 10 feet. Getting up, Sanders climbed the ladder till within eight feet of the top when he fell back to the bottom of the well. He was finally taken to the top by means of a rope, and taken to a hospital where he died a few minutes later.

Vernon Jordan, age 22, and weighing 210 pounds, was among the rescue workers. When being hoisted out of the well his belt broke and he fell back, with his body becoming lodged in the well between the gasoline engine and the rock wall. He remained there from mid-afternoon until near midnight when he was finally rescued alive. Dyer explained that an air compressor kept pumping fresh air to the bottom of the well to Jordan.

Rollins, the first man to be overcome by the gas, is believed to have died shortly after he was stricken, and rescue workers on top devoted their efforts to saving other workers in the well, leaving the old man until the others were removed.

In speaking of his experience, Dyer, who worked above ground, said, "It was the worst experience I ever had."

County Agent Joe W. Jones said the first of the week that he would be out of his office Monday through Wednesday of next week, attending the Panhandle-Plains Dairy Show in Plainview, and also transacting business in Lubbock. A number of entries from Parmer County are expected at the Plainview spring show but no definite information was available here the first of the week.
