

Farwell Students To Register Sept. 3-4

Superintendent Jack Williams of the Farwell Schools disclosed last Monday afternoon that registration for grade school students at that school would be Friday, September 3rd, at 9:00 a. m. This includes students who are enrolling from the first through the eighth grades.

Saturday morning at 9:00, all high school students should be at the school for registration. Williams said that there will be no lunches served from the lunchroom on either date, and buses would bring rural enrollees in as is customary.

He emphasized the announcement that there will be no assembly Monday, September 6, as has been the practice in previous years, but Friday morning, September 10, there will be an assembly at 10:00 in the gymnasium. All persons interested in school activities are invited.

Thursday, September 2, will be the date for the first meeting of teachers and drivers. All teachers are requested to be present at 1:00 p. m., and at 3:00 there will be a session for all bus drivers.

FROM THE HOPPER

By HOP

We are in receipt of a post card from Nelson C. Smith, local rural route carrier, who is vacationing in Canada. A picture showing a full boat load of fish appears on the card, with the title, "I caught a full boat load of fish." Then the local man adds this tantalizing note: "You won't believe it." And we don't!

Buster Gast, on his return from a two weeks' vacation trip last week, was greeted with a growth of weeds in his front yard that barred entrance to his home. It took two days and all the joy out of his vacation to get the weeds cut away.

And speaking of vacations, we saw Mrs. A. J. Doshier buying six pounds of sliced bacon as she prepared to go to the mountains for a few days. Our experience is that it is always wise to take along plenty of eats when you go vacationing, especially when you are depending on fish to satisfy your hunger. Those critters have mighty stubborn habits most of the time.

Defacing highway signs seems to be a favorite pastime with some people, and we wonder if they fully recognize the uncertainty this causes travelers. Last weekend we came across a sign between Las Vegas and Santa Fe, N. M., giving Raton as 20 miles away. We knew immediately that the sign had been defaced and it probably should have been 120 miles. Such misinformation tends to badly confuse tourists who are unfamiliar with the surroundings in which they are traveling. The signs are put there for the information of the traveling public and they rely on the information thereon. Right here at home, somebody has defaced a highway marker just outside Farwell, making it read 2 miles to Bovina. Local residents are not confused by this misinformation, but persons unfamiliar with the distances are easily misled all through the foolishness of some thoughtless individual.

And turning again to the subject of vacations, we failed to catch any fish while spending a week at Eagle Nest Lake. But that gave me little worry. When the fish refused to bite, I simply reeled in my line and went to the cabin to spend the remainder of the day snoozing. I reasoned that if the fish preferred sleep to my bait, they had nothing on me. . . I could sleep too.

During the past week we have been asked a number of times just what the voters will be asked to decide in the special school election for Saturday. Very briefly, we might say that two issues are involved: (1) Authorizing the school board of the newly formed Farwell Consolidated School district to set a tax rate of not to exceed \$1.50 on the one hundred dollar valuation for school purposes; and (2) Assumption of the bonded indebtedness now outstanding against the three districts which now make up the Farwell Consolidated district.

The school trustees need these two measures in order to carry on with the newly consolidated district and every qualified voter in the district owes it to these trustees to support them in their askings.

REV. R. L. BUTLER, (above) former pastor of the Hamlin Memorial Methodist Church, now of Merkle, Texas, who is doing the preaching at a revival meeting now in progress at the local church. The meeting got off to a good start Monday night with a good crowd in attendance. Services will continue through Sunday, Aug. 29th, with services being held at 10:30 a. m. and 8:00 p. m. each day.

30 Head Choice Dairy Stock Go At Auction

On Monday, August 30, Tom Foster will offer his entire herd of choice dairy stock to the highest bidder for cash. The herd, long recognized as one of the best Jersey herds in Parker County, consists of 21 milking cows, six springer heifers, 2 bull calves and one 2-year-old bull.

His health is forcing Foster to dispose of his dairy cattle, and the sale will be held at his farm one half mile north and 2 east of the Oklahoma Lane school house, Monday, August 30, and getting underway at 11 a. m., Texas time. The Methodist ladies of the Oklahoma Lane Church will serve the lunch at noon.

Col. Dick Doshier will serve as auctioneer and O. W. Francis will act as clerk of the sale. Terms are cash. For a complete list of the stock and other items to be offered, turn to page seven of this issue of The Tribune.

New Baptist Pastor Due Here This Week

Officials of the Baptist Church announced today that Rev. O. O. Holladay of Iraan, Texas, had accepted the call to the local church, and he was expected to arrive here not later than Thursday of this week.

Rev. Holladay is a young man in his early 30s and his family consists of a wife and one small daughter. They will occupy the parsonage in Texico.

The new pastor is expected to occupy the local pulpit next Sunday, officials stated.

Former Citizen Dies In Dallas Hospital

Lee Bradford Porter, age 72, father of John and Champ Porter of this city, and former local business man, died in a Dallas hospital on Wednesday of last week, where he had been a patient for several months.

Burial was made at Dallas Friday morning, with his two sons of this city, and grandson, JeDon Porter, attending.

Porter came to Farwell in 1930 and established the State Line Grocery & Market, now operated by his two sons. He left here about 12 years ago.

Survivors include his widow; two sons, John and Champ Porter of this city; two daughters, Mrs. Charles Bradley of Philadelphia, Pa.; Mrs. V. C. Walden, Lubbock. Five grandchildren are also listed among the survivors.

FORMER CITIZEN DIES

Word has been received here of the death of F. W. McElroy, former local citizen, who passed away at his home in Pomona, Calif. He had recently undergone two major operations.

McElroy was at one time county commissioner here, and served a number of years as manager of the Texas Utilities Co. He and his wife moved to California a few years ago.

Two Races In Second Primary Vote

Farwell School To Have 11-Man Team

Arrangements Made For Texico Opening

Supt. B. A. Rogers stated today that arrangements had been completed for the fall opening of the Texico school on Monday, August 30, and that he was anticipating an increased enrollment over last year.

Registration will be conducted on Friday of this week, with all the buses making the rounds immediately after the noon hour, arriving at the school at 1:30. Students will be excused after the registration proceedings have been completed, he said.

With registrations out of the way, school will actually open on the following Monday. Most of Monday will be given over to morning assembly and class assignments, Rogers said, with actual study periods being worked out to open the lunch room on Tuesday and that this feature of the school work improvements would be handled by Mesdames Hariman and Bailey. A number of improvements have been made in the physical equipment this year and school officials are looking forward to the erection of the new school gymnasium in the near future.

Bonds for the new building have been voted and actual construction work is expected to get under way in the near future.

Farwell School Gets More Improvements

An extensive program for renovating the Farwell school had taken several more steps here the first of the week, with the addition of a brand-new intercommunication system for all eighteen rooms, and badly needed stage curtains, purchased by the PTA.

The intercom system, which connects the entire school directly to the superintendent's office, was installed last Monday afternoon. Through this arrangement, the superintendent may talk to any room—separately, or all rooms at once; can listen to any room he desires by the mere flick of a switch; and can connect the system to a radio or phonograph so that pre-selected groups of students can hear an educational broadcast. This new addition eliminates the necessity of "messengers", who carry announcements to each room, and greatly simplifies the teacher's duties in relation to necessary communication with the superintendent.

The high school library, under the able sponsorship of Mrs. Earl Booth, will presently be rearranged and restocked so that it will be one of the best in a school of this size in this portion of the state.

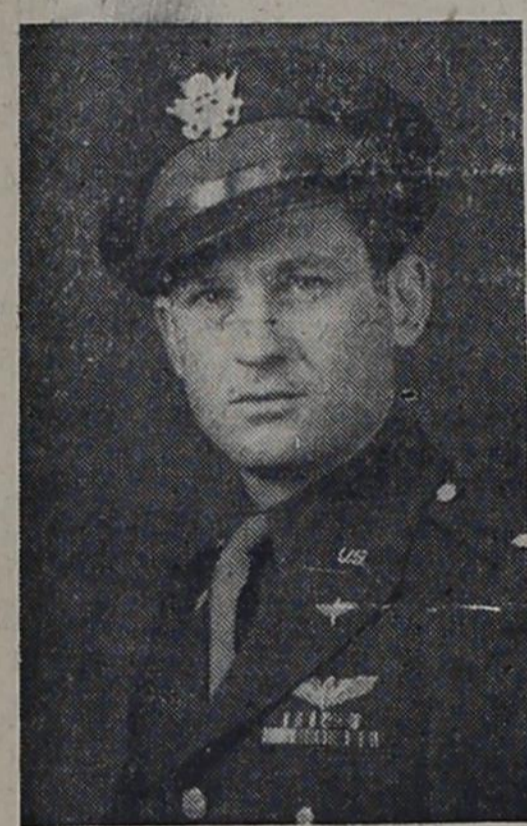

With the initiation of 11-man football into the athletic program this year, old equipment quarters under the gymnasium bleachers were insufficient to handle the influx of players—so most of the room was nicely partitioned off with small mesh wire into "stalls" in order that the gear might be properly cared for by managers. This is one feature that the school has needed for a number of seasons. New practice togs and shoes were passed out to about twenty-five enthusiastic footballers last Monday afternoon—the opening date of training for schools governed by Texas Interscholastic League ruling.

Floors are undergoing a varnishing over nearly all of the school. It is indeed surprising how much can be done to a school by the concerted efforts of a few interested individuals.

REPOSSESSES CAFE

Mr. and Mrs. A. (Shorty) Milstead, who recently leased their cafe at Farwell to Mrs. Tommy Thompson of Clovis, have repossessed the business and will reopen before the close of the present week. Milstead said today that the place was being thoroughly redecorated before opening again, and he hoped to be ready for business Thursday.

Mrs. Ray Stone of Pampa, is visiting in the home of her mother and father-in-law, Mr. and Mrs. J. E. Stone, this week.

MAJOR JULIAN R. THORNTON

Major Julian R. Thornton, Jr., son of Mr. and Mrs. J. Roy Thornton, of Farwell, graduated recently from the United States Air Force Bombardment School, Mather Air Force Base, Sacramento, California. He will take his place as one of the Air Force's new dual rated Navigator-Bombardiers, proficient in the techniques of both bombing and aerial navigation and the operation of radar equipment.

Major Thornton has been assigned to Elgin Air Force Base, Florida.

Second Man Held In McDaniel Mystery

Stephen Welch, a second suspect, is being held in the Parker County jail in lieu of \$7000.00 bond, in connection with the mysterious death of O. T. McDaniel, former Curry County Commissioner, of Melrose, N. M., officers here stated today (Tuesday).

Welch, who had been sought by officers since the case first broke, was arrested in Tulsa, Okla., and brought back to this city by members of the Texas Ranger Force. He was arraigned before Justice of the Peace Jess Newton, where he was charged with murder and his bond set.

Sidney Miller, had been previously taken into custody by Texas Rangers. He was brought here from Fort Worth, and was formally charged with murder. He is at liberty on a \$7000.00 bond.

McDaniel was found dead in his automobile a half mile southeast of Lariat on the morning of August 3. Local officers, working with the Texas Rangers, have been working on the case since that time. They have become convinced that McDaniel was the victim of a swindle amounting to \$12,600.00 on a bogus oil lease in Mills County, where no oil production is known to exist.

Miller and Welch are both being held to appear before the Parker County Grand Jury when it meets in October.

Open House Sunday At Getz Home

Mr. and Mrs. John Getz received visitors last Sunday afternoon at the newly-occupied home in east Farwell, and will entertain callers again next Sunday to their second open house affair.

In addition to showing the guests the appointments of their occupied home, they invited them to visit a similar pre-fabricated house on an adjoining lot, done "in the rough" and not as yet completely finished.

The Getz recently came here from Illinois and in addition to operating the Farmers Supply Co., are dealers in pre-fabricated buildings.

The public is invited to attend their second open house Sunday afternoon between the hours of two and six.

NEW DRIVEWAY

A new concrete driveway is being laid at the W. H. Spurlin Phillips Station in Farwell. Workmen have been forced to do the job in piecemeal manner in order to allow traffic to flow across this popular driveway.

A strong possibility that the much-desired 11-man football program will be initiated into the sport setup at the Farwell High school appeared on the horizon Monday, when a Tribune reporter contacted Louis Purvis, new head coach and principal, who has come here from Abernathy.

In an interview the first question directed toward Purvis was the highly discussed, tense situation prevailing over Farwell's football status in relation to the pursuit of 11-man competition. He stressed that there was a very good chance for the advanced program, but reminded that there were also negative sides of the picture for various reasons, not the least important being the fact that in order to get into the District 2-B 11-man conference, Farwell would need a lighted field. Mr. Purvis said that he had contacted several officials in the district, and the first inquiry always brought up the question of a night playing grid. Purvis told the reporter that the questioned coaches said that if Farwell were admitted to the new conference, the games would be played at night, and the absence of facilities here would necessitate play on the Muleshoe field or at the home of the opponent. "I don't think the fans would like it at all—not having any home games," Coach Purvis reasoned, and one must admit that it sounds a little unorthodox at that.

If Farwell should be admitted to the district, she would be in competition with nine other teams: Friona, Dimmitt, Spring Lake, Olton, Amherst, Anton, Petersburg, Hale Center, and Whitharral. This move would certainly be more desirable than an effort to remain in six-man competition, because of the very few contesting schools yet remaining in our district. If the local team were turned down on their bid for a chance in greener pastures, Coach Purvis still remains in favor of the 11-man game. He gave as his reasons the fact that Farwell would be forced into something besides the smaller game next year anyway, and that the experience gained from playing even "outlaw" football—where games are matched with no certain group of teams, and no advancing playoffs are available—would be well worth the time and effort expended toward that end.

As far as the opinions and attitudes of the boys goes, this writer has heard comment from the greater

(Continued on last page)

New Highway Route Thru Bovina Sought

The Bovina Chamber of Commerce has launched a move to have a second highway cut-off built through the city, connecting Highways 86 and 60.

The proposed new route would run by the school house, two blocks west of the present cut-off. In addition, the erection of a Highway Department sub-station at Bovina is being asked. The County Commissioners, in session here Monday, passed an order agreeing to assist the Bovina Chamber of Commerce in the undertakings.

Other business attended by the Commissioners here Monday included the payment of \$60.00 to the Texas Ranger force for expenses in transporting prisoners. An order was also passed in which it was agreed that Parker County would pay one-half the hospital accounts of Melvin C. Allen, O. Van Sickle and Mrs. Rose Van Sickle for treatment in the Deaf Smith County Hospital.

Sleeping Sickness Is Claiming Many Horses

A new outbreak of sleeping sickness has claimed a number of good horses in Parker County during the past two weeks, it was reported here today by County Agent Ollie Limer.

A number of horses have died and many more have suffered attacks of the disease. In most cases, the malady has affected valuable stock.

This is the first serious outbreak of this disease in the county since 1941, when an abundance of rainfall was recorded in the county. Veterinarians are inclined to believe that the disease originates from either fly or mosquito bites and have advised owners to protect their stock from these insects. Sprays and screened stalls are recommended as a precautionary measure.

The voters of Parker County won't get much for their trouble when they go to the polls in the second primary election to be held on Saturday, August 28.

Voters in the first primary decided every race in the county with the exception of who will be the county commissioner of the Lazbuddy precinct, and the voters of the state as a whole settled all the state and district office nominees with a single exception. Thus leaving only two races as yet undetermined, which will be up to the voters in the run-off election.

The names of W. S. Menefee and Jimmie Seaton will appear on the run-off ballot for county commissioner of Precinct No. 4, and the voters of this precinct will determine the nominee. In the only state race, the voters will decide the nominee for United States Senator, with Coke Stevenson and Lyndon Johnson making bids for the job.

Political observers here predicted that the vote in the forthcoming second primary would be light in Parker County, with the exception of the Lazbuddy precinct, where local men are involved.

Two More Directors Added To Fair List

County Agent Ollie Limer announced today that the names of two additional directors had been added to the Parker County Fair Association with the selection of George Trimble of Bovina, and Clyde Hays of Black, which boosts the directorate to nine members.

A meeting of the directors is being held on Wednesday night of this week at the show barns in Friona, where the annual showing will be held September 23-24-25. Limer said that the directors would meet there and plan the spaces to be used by the various entries.

Beef cattle will be shown in competition this year for the first time. Previously they had only been on exhibition. Limer said also that some field crops will be shown this year, but added that the space would be limited for such exhibits.

Work on preparing the catalogues is already in progress and the copy is expected to be turned to the printers during the next ten days.

Spraying Town Cuts Down Fly Numbers

Very noticeable results have been obtained in the first campaign to rid the Twin Cities of flies and mosquitoes carried out here over the past weekend.

Spraying of Farwell was completed over the weekend, but due to mechanical difficulties with the power spray, the work was not done in Texico until Monday.

Residents from all sections of the Twin Cities are reporting a marked decrease in the number of winged pests. However, as was expected, the kill was not one hundred percent. The move was launched in an effort to curb the possibilities of an outbreak of infantile paralysis, which has been on the increase in west Texas during the past several weeks.

C. M. Henderson, president of the Farwell Chamber of Commerce, sponsors of the clean-up movement, said today that response on the part of Farwell citizens in mailing their dollar to defray the expense of the spraying had been "awfully slow", and urged Farwell citizens to mail their dollars to Frank Scale, secretary of the organization.

Henderson added that the Texico citizens had paid their part of the spraying campaign.

Wheat Sowing Starts In Some Localities

While the big push to get fall wheat sowings in the earth is not expected to get underway for another two or three weeks, there were several reports of early sowing this week.

Agricultural observers here said that practically all the early plantings were in areas where moisture has been rather limited, and the farmers are taking advantage of the moisture while they have it. In sections where the moisture has been abundant, sowings are not calculated to begin for another two or three weeks. Meanwhile, farmers are putting their soil in condition for heavy scale sowings in September.

Truth is best understood by those who have experienced its value.

Health Notes
 By Texas Department of Health

AUSTIN.—The Texas State Department of Health cannot maintain daily inspection of all eating places and the public is urged by Dr. Geo. W. Cox, State Health Officer to insist on the proper sanitation of the establishment where they eat. If the public is careless in this respect the incentive to maintain clean food service will be lessened and operators will only maintain the level the public is willing to accept. He urged that the public patronize "eating establishments which measure up to a high standard of cleanliness."

The State Health Department is making every effort to improve sanitation of eating places, Dr. Cox said, and there is "no excuse for cafe owners not taking advantage of the food handlers schools which are being offered all over the state." He added that there are laws, rules and regulations which require the use of approval equipment and methods in such establishments.

"The public should be aware of these sanitary rules and regulations and insist that restaurants observe them. Patrons should realize that tables and counters will be many times cleaner than the kitchen and other places out of sight," he warned.

He urged milk appraisal by the patrons also. Texas law requires that a milk bottle top state the grade of milk, and whether it is raw or pasteurized. "Insist on having the milk served in its original container, with a covered cap and legal label," Dr. Cox advised.

"Obviously," he said, "the best in sanitation can be had only by close co-operation between the public and the investigators of the State Health Department."

TEEN-AGE DRIVERS ARE RECKLESS

CHICAGO—Are teenage drivers as reckless as older folks say they are? The National Safety Council says the answer is "yes."

The 1948 edition of "Accident Facts," the Council's statistical yearbook includes studies made of accident rates of drivers in various age groups. These studies show that the fatal accident rate in terms of miles driven by youngsters under 20 was 9 percent higher than the average rate for all drivers.

The Council believes driver training courses in high schools and colleges are a big part of the answer to the problem. Better examples by parents and other older drivers would help a lot too, it says.

New Ant Killer Now On Market

COLLEGE STATION.—"There's a new ant killer on the market, which could be good news for the homemaker now, as this is the season when they are most likely to take over in the kitchen," V. A. Little, professor of entomology of Texas A. and M. College, says.

The new killer is called chlordane, and it is a more efficient killer than DDT for ants and roaches, Dr. Little says, and directions for its use must be followed carefully, as it is poisonous.

"Of course, the best way to get rid of ants," Dr. Little points out, "is to follow the trail back to the colony or nest and put the poison there. However, this isn't always easy to do, as sometimes the insects nest in the foundation, walls or other hard-to-reach places."

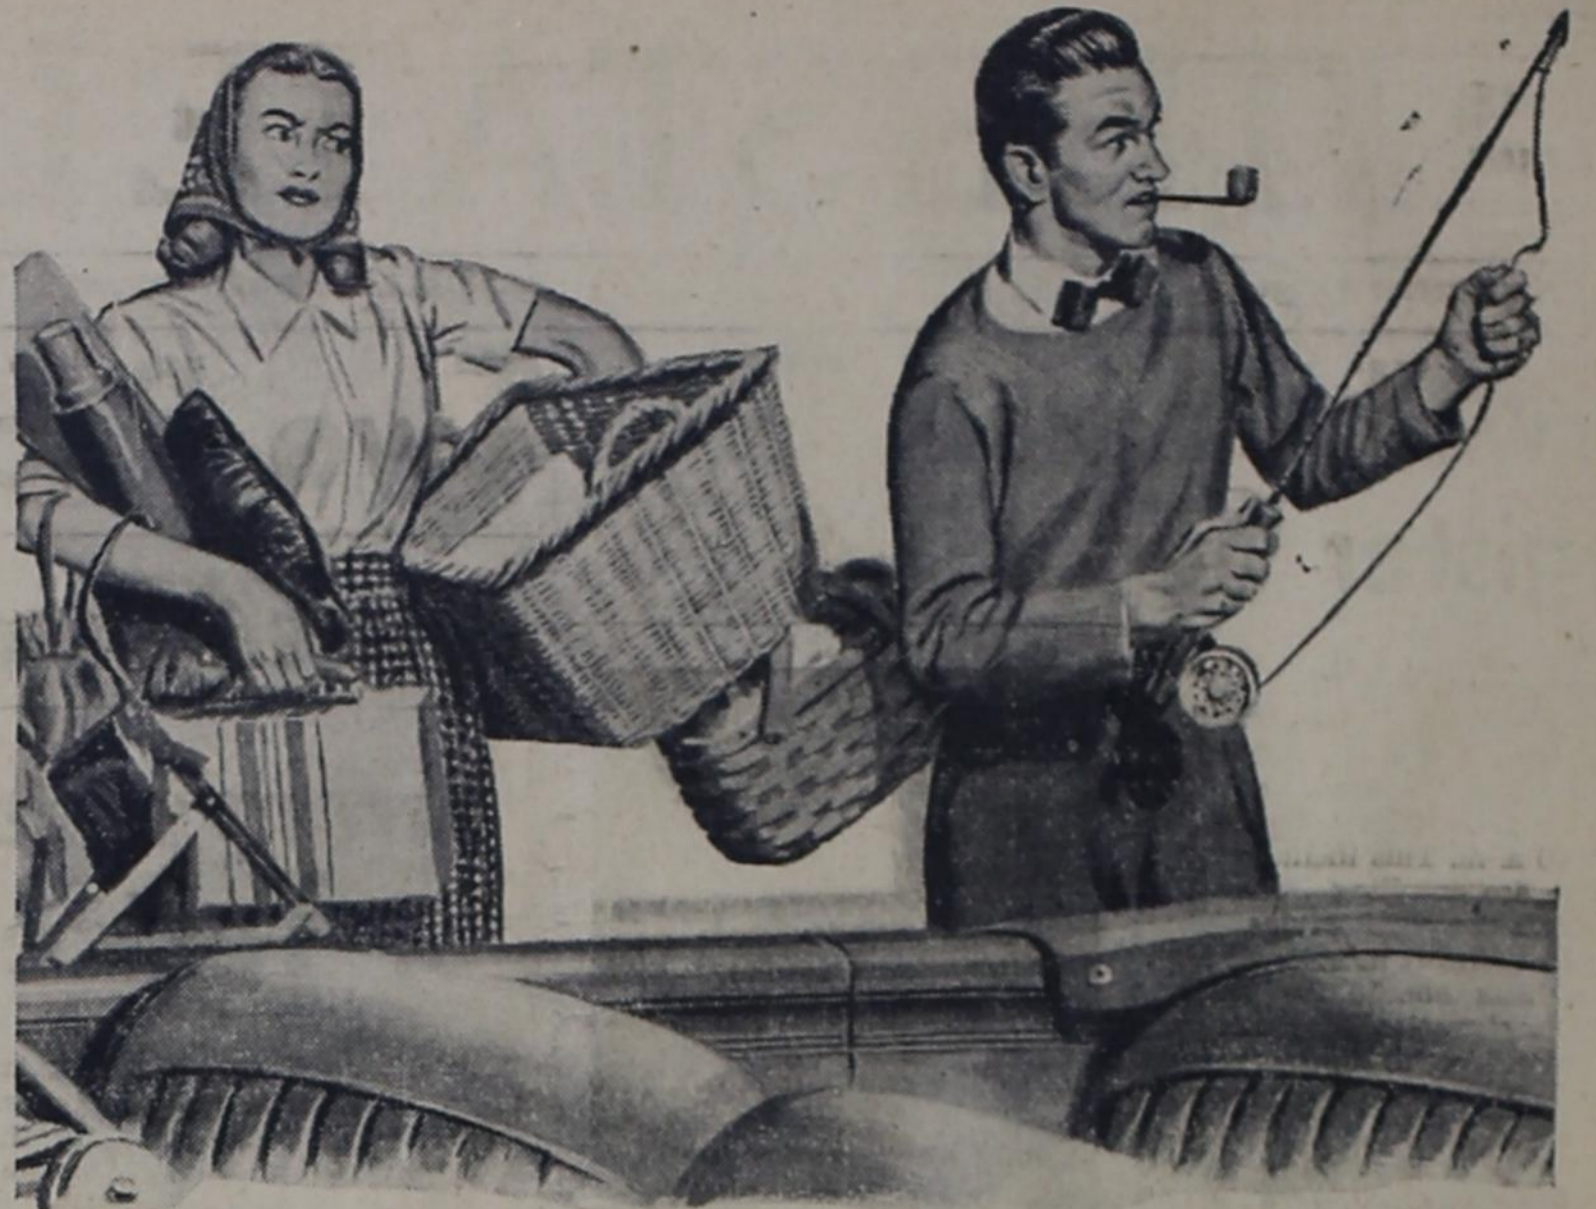

If it is possible to find the ant colony, pour a small amount of a two or three percent oil solution of

the chlordane in the entrance. Then check the nests about a week later and if necessary, repeat the treatment.

In spraying the home, an ordinary house spray gun may be used, Dr. Little says. Sprayer attachments on electric sweepers work fine, too. The baseboards, door and window cases, around built-in features and the drainboards should be wet almost to the running point with the spray. Give the cracks an extra dose. An oil solution of the same strength as that used for killing out ant colonies is recommended.

"Remember that chlordane is poisonous," Dr. Little warns. "Food, dishes, and cooking utensils should be taken out of the kitchen—or put where the spray won't reach them—until after the spray has settled. Follow the manufacturer's directions for its use, and it will be safe."

The chlordane works on outdoor ant colonies, too. For ants in the lawn, a dust of five percent chlordane is good, while red ant colonies can be killed out with a teacup-

Going away for the holiday?

To make sure yours will be a carefree holiday, let your Conoco Mileage Merchant check and service your car. Above all, be sure he drains out contaminated old oil and refills with fresh, clean Conoco Nth Motor Oil.

That's the surest way we know to leave worry behind. Because the moment Nth Oil (Patented) enters your engine, an extra, added

film of lubricant fastens itself so closely to metal that cylinder walls are actually OIL-PLATED! Because OIL-PLATING stays up... won't all drain down, even overnight, you're extra-protected against destructive "dry" friction, against metal-eating combustion acids, against power-choking sludge and carbon due to wear.

For an extra-happy holiday...

Make a date to OIL-PLATE!

ful of two or three percent solution. One treatment is generally enough to kill the nest, Dr. Little says.

IS YOUR HOME A DANGEROUS PLACE?

The number of farms getting electricity from central power plants was three times as many in 1947 as in 1937.

It may be "Home Sweet Home" to the songwriter. But home was the most dangerous place in America last year, according to the 1948 edition of "Accident Facts," statistical

yearbook of the National Safety Council.

Home accidents caused 34,500 deaths in 1947. Motor vehicle wrecks were a close runner-up, with 32,300 deaths. Public non-motor vehicle and occupational accidents were the next greatest killers last year.

Through the years since 1924

A collection of your electric service bills from Southwestern Public Service Company since this company was started in 1924 would tell an interesting story.

For example, you'd see that today your electric service costs just about one-half what it did a few years ago.

Your electric service statements would tell a story of increasingly better living. You'd probably remember when you purchased your first radio, your electric refrigerator, started depending on electric service to make household tasks easier, and remember too how much more low cost electricity you're using today for better living—everyday.

Our 24-year story is a story of growth on our part, but more than that, it is a story of ever increasing benefits, in the way of better living, to all the folks we serve in the Panhandle Plains, Pecos Valley area.

SOUTHWESTERN PUBLIC SERVICE COMPANY

24 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

TEXAS must lead the fight FOR FREEDOM

Texans, your personal freedom and the freedom of your children is in danger. Truman's so-called civil rights program will destroy our way of life. Never since the Alamo has Texas been in such danger.

If we are to be saved, we must unite today... all creeds, all factions, farmers, laborers, businessmen, EVERYBODY!

If the Truman forces steal the Fort Worth Convention on September 14 by unseating the States' Rights delegation, you will still have the chance to vote for STROM THURMOND AND FIELDING WRIGHT.

Money must be raised... it is YOUR fight. It is now or never! Send one dollar with your name and address to: W. B. BATES, Treasurer - Second National Bank - Houston, Texas

ELECTRICITY, AND WHAT IT MEANS TO THE FARMER

COLLEGE STATION.—"To farmers who make full use of electricity, every season is kilowatt season," say rural electrification specialists of the U. S. Department of Agriculture. "The farmer who uses electricity has a full length start in the race with time and the elements in haying, harvesting, threshing of small grains, cotton picking, and the storing of these crops."

W. S. Allen and W. L. Ulich, extension agricultural engineers of Texas A. and M. College, point out ways in which electricity can be of help to Texas farmers. Take haying, for example. A farmer can equip his barn with a hay drier and snap his fingers at the weather. In parts of Texas, the specialists point out, hay is cured direct from the fields with little or no loss of the valuable leaves. Better feed is obtained with properly designed and operated drier units, and these same units can be used to dry grains, peanuts and other crops, usually resulting in higher prices and greater profits. The motor that runs the drier will hoist the hay.

In small grains, an electrically operated elevator can save hundreds of man-hours where wheat, oats and are major crops. An elevator means no shoveling and little or no lifting. Electricity will move the grain after it is in the bin, too, leaving the farmer and his help free for other duties.

"Electricity will let you use your manpower where you need it most," the extension engineers point out. "It can help you win races against time, save crops and get more dollars from your farm operations."

"THE FABULOUS MRS. JACK-ROMATIC RABEL." All Boston talked when this attractive young heiress walked her pet lion down Tremont street and when she took Ju-Jitsu lessons! For many more amusing incidents in the life of this romantic rebel—Read it in THE AMERICAN WEEKLY, That Great Magazine Distributed with next Sunday's Los Angeles Examiner.

Level land, clean ditches and good irrigation structures combine to make better use of water, save labor and increase crop yield.

Coccidiosis, a common disease of poultry, has become more and more wide-spread and is proving to be highly fatal among cattle herds throughout the country.

VETERAN'S QUESTION BOX

Q.—If I apply for hospitalization, how long will I have to wait before I am admitted to a VA hospital?

A.—If you have a service-connected disability you do not have to wait to receive hospitalization. If your disability is nonservice-connected but is an emergency, you are admitted immediately.

Non service-connected ailments that do not require emergency treat-

ment have to wait until a bed is available, and the time varies at each hospital.

Nonservice-connected veterans also must sign statements that they cannot afford to pay for treatment elsewhere.

Q.—May I go to my own doctor for treatment of my disability and have Veterans Administration pay the bill?

A.—Only if you receive prior VA approval for such treatment or care. Approval is based on the following conditions: (1) you must have a service-connected disability; (2) VA must not be able to provide the

treatment in its own hospitals or clinics; (3) travel to a VA station would work a hardship on you. In emergency cases, a veteran may apply to the nearest physician and have the physician notify the VA regional office having jurisdiction over the area.

Poinsettias pruned now will make better shaped plants this winter. Also they will form more blooms than those which grow tall and lush.

Give a child a pad and pencil and he will soon learn to draw on the walls.

To Farwell School Patrons

On Saturday, August 28th, an election will be held in the County Court Room in the Court House in Farwell, on two propositions:

- A. Whether or not to vote a tax rate of not to exceed \$1.50 in the district, as consolidated.
- B. Whether or not each part of the new district assumes the bonded debt of the remainder.

The Board has carefully considered both of these matters before submitting them to vote, and recommends that each be carried.

It is necessary to have some kind of a tax voted before we can levy a tax and carry on the school, and the board believes that a flexible tax rate, of not to exceed \$1.50, is the best tax to vote, as this rate will enable the board to set the tax each year at just what amount is needed for that year, within the \$1.50 limit.

The bonded debt is very small, and the board believes that a considerable saving in cost of assessing and collecting taxes and keeping books can be effected if we all assume each other's bonded debt, and levy only one general sinking fund tax and pay all of the bonds of the three districts concerned out of one account.

Take a Good Look at Your Fields

If they're full of **HUMPS and HOLLOWs**

Level out the **Wrinkles This Fall**

with an

EVERSMAN AUTOMATIC LAND LEVELER and DIRT MOVER

Every farmer knows how costly rough fields can be... the high spots burn out, the low ones drown out. Uneven fields waste irrigation water, wash out crops, cause lots of extra back breaking labor.

That's why it will pay you to iron out the wrinkles this fall with an EVERSMAN. The EVERSMAN levels land AUTOMATICALLY—when wheels go on high place blade, lowers to take a cut, when wheels go into a low place blade raises to release dirt—breaks clods, firms and packs the surface, forming a finely pulverized seed bed as the machine moves along.

Same machine is fastest dirt mover on the market today for power required. Excellent for rebuilding fields. After dirt is moved it can be graded down and AUTOMATICALLY LEVELED with the same machine. Here's an ALL-PURPOSE machine used for dirt moving, leveling, for maintaining contours, soil conservation work and preparing seed beds year after year. Come in today for full details. Plan to do your dirt moving and land leveling this fall.

Moody-Howkins Vows Solemnized Saturday

In an impressive double ceremony performed on Saturday morning, August 21, at 9 a. m., in the First Baptist Church of Bovina, Miss Louise Moody, daughter of Mr. and Mrs. E. H. Moody, and Eugene Hawkins, son of Mr. and Mrs. Roy Hawkins, were united in marriage with the Rev. Burce Giles, former pastor of the Bovina Church and now pastor of the Earth Baptist Church, reading the wedding vows.

The bride was lovely in a blue crepe street length dress with black accessories and a shoulder corsage of pink carnations. She carried a white Bible topped with a nosegay of white roses. For "something old" she wore an antique bracelet belonging to an aunt of the groom, "something borrowed" was the white Bible, for "something blue," the traditional blue satin garter, and for "good luck" she wore a coin in her shoe.

Miss Patsy Loflin, friend of the bride, acted as maid-of-honor, and Harold Hawkins, brother of the groom served as bestman. Mrs. D. C. Looney played the traditional wedding marches.

Mrs. E. H. Moody, mother of the bride, was dressed in blue and wore a corsage of white carnations, and Mrs. Roy Hawkins, mother of the groom chose a grey crepe dress and her corsage was also white carnations.

Immediately following the ceremony, a reception was held in the home of the bride's parents, with about 35 guests in attendance. A lovely three-tiered wedding cake in pink and white, topped with a miniature bride and groom, made by Mrs. Joe Wilson, centered the serving table. After the first piece of cake had been cut by the bride and groom, Mrs. Glenroy Davies served the cake and Miss Nancy, Lou Williams presided at the punch bowl.

Following the reception the newlyweds left for Santa Fe, New Mexico, for a honeymoon trip and upon their return they will make their home on the Roy Hawkins farm north of Farwell, where Mr. Hawkins will be engaged in farming.

Mrs. Hawkins was graduated from the Bovina High School with the class of '48, and Hawkins graduated from that school in 1947 and attended the West Texas State Teachers College in Canyon for the past year.

Ruth SS Class Holds Meeting, Monday

The Ruth Sunday School Class held their regular meeting in the undercroft of the Baptist Church, Monday evening. Eleven members were present and three guests. Mrs. Joe Magness, Mrs. J. E. Stone, and Mrs. Clyde Magness acted as co-hostesses for the occasion. Delicious refreshments of cookies and cokes were served to Mesdames: D. J. Brown, R. L. Day, Olen Schleuter, Frank Seale, Travis Brown, Jack White, Roy Cook, Ed Blain, members and Mrs. Roth, Mrs. H. H. Poteet, and Miss Brown, guests, and the hostesses.

On Vacation

Mr. Ben O. Smart, co-owner, and manager of The Furniture Mart in Texico has been on vacation for the past week, and will also be vacationing this week. During his absence from the Furniture Mart, Mr. J. B. Sudberry, co-owner and manager of the Amarillo store, is operating the local business, assisted by Earl Roberts and Bobby Williams. Mr. Smart plans to resume his duties at the store on Monday, August 30, after which Mr. Sudberry will return to the Amarillo store.

Alumni Banquet Draws 140 Ex's, Sunday

An alumni banquet for grads of the Oklahoma Lane, West Camp and Farwell schools, who recently consolidated with Farwell, was held in the American Legion Hall last Sunday afternoon and sponsored by the Farwell Junior Class.

The hall was appropriately decorated with crepe ribbon streamers; the guest register booth was decked out in old school newspapers and various penants won over the past years; and a typical country school-house was constructed in miniature at the front of the hall.

Master of ceremonies was Cary Joe Magness, President of the sponsoring class. After the dinner course of roast chicken, dressing, tea, green beans, and potatoes, and dessert of ice cream and cake, Miss Gloria Kepley gave a reading. Then Toastmaster Magness recognized school superintendent, Jack Williams who in turn introduced the principal speaker, R. B. McAlister of Radio Station KICA, Clovis. Mr. McAlister made an interesting talk on "What's Right in America."

At the conclusion of Mr. McAlister's talk all guests who were in attendance from the three honored schools were asked to stand up one at a time and introduce themselves, when they graduated, and where.

Musical numbers were rendered by Miss Gloria Kepley at the piano, throughout the program.

Kersey Family Members Enjoy Reunion

Rev. A. T. Kersey of northwest Farwell, celebrated his 60th birthday August 14th, with a family reunion. The reunion continued through the 15th of August, with all eight of his children and their families present.

There were a number of lovely gifts presented to the father. Delicious food was enjoyed at each meal. Old time singing and prayer was enjoyed each evening.

The Kersey family have been residents of Parmer County for the past twenty years.

Those present included: The parents, Mr. and Mrs. A. T. Kersey of Farwell; eight children Mr. and Mrs. Alvo Kersey and family from Boise City, Oklahoma; Mr. and Mrs. J. L. Burnett of Clovis, New Mexico; Mr. and Mrs. Olan Kersey and family of Albuquerque, New Mexico; Mr. and Mrs. L. L. King and family from Roswell, New Mexico; Mr. and Mrs. Forrest Kersey, Mr. and Mrs. Troy Kersey and family, Mr. and Mrs. Bill Ross, all of Albuquerque, New Mexico; and Miss Greta Dell Kersey who lives with her parents near Farwell.

Three sisters and one brother were also present for the reunion: the brother, Mr. and Mrs. D. J. Kersey of Felt, Oklahoma, and son Burl of Tucumcari, New Mexico; the sisters: Mr. and Mrs. Alvin Kersey, Miss Emma Kersey, and Mrs. Cassie Laing all of Hobbs, New Mexico.

Visits Here, Enroute Fla.

Major and Mrs. Julian Thornton, formerly of the Mathis Air Field in Sacramento, California, are here visiting with his parents, Mr. and Mrs. Roy Thornton, and other relatives. They plan to leave here Saturday for Elgin Air Field, Florida, where Major Thornton will be stationed.

Home From Vacation

Mr. and Mrs. Buster Gast returned home the latter part of last week from Colorado, where they spent two weeks seeing the sights and visiting in the home of relatives.

Mr. and Mrs. Magness Celebrate Anniversary

The country home of Mr. and Mrs. George W. Magness of Friona, former residents of Farwell, was a scene of festive on Sunday, August 15, celebrating their golden wedding anniversary.

The reception room was beautifully decorated with yellow roses arranged in a crystal bowl, a gift from a life-long friend, Earl Roberts of Oklahoma Lane. A gold rose floated in a crystal vase, a gift of Mr. and Mrs. H. C. Getty of Clovis, and the gold-bound guest book was a gift of Miss Betty Foster, and was in charge of Miss Bonnie Foster. Nearby on the same table was a wedding picture of the couple, also the old good luck piece, a horse-shoe from a horse owned by Mrs. Magness' father held the pens. A huge vase of yellow gladiolus and mums were arranged on the buffet in the dining room. The table was draped with a lovely lace cloth centered with a four-tiered wedding cake with gold candles on either side. Orange-pineapple punch was served to the guests by Mrs. Mildred Parrish of Waco, niece of Mrs. Magness. At 2:30 Mr. and Mrs. Magness cut the cake traditionally as their many guests watched with interest. Accordian music was furnished by a grand-daughter, Miss Betty Foster, and vocal numbers were rendered by Earl Roberts, and a nephew, Tim Magness. Mrs. A. D. Smith read a beautiful poem of her own composition, dedicated to the fifty-year bride and groom.

Those attending were: Messers and Mesdames; Roy B. Ezell, Farwell, Tom Foster and children, Farwell, Sterlyn Billington and family, Farwell, Leon Magness, Clovis, Chester Magness and family, Farwell, J. D. McMillian, Farwell, G. R. Boatman, Friona, J. W. Magness, Farwell, J. B. Halford and family, Vernon, H. T. Magness and family, Friona, W. W. Hall, Farwell, J. H. Hines, Friona, C. A. Turner, Friona, Edie Smith, Farwell, W. E. Martin, Farwell, L. M. Grissom, Muleshoe, Frank Phillips, Sr. and Frank Phillips, Jr., and baby, Farwell, Kenneth Grissom, Muleshoe, Frank Ayres, Bovina, Arnold Hromas, Bovina, Sam Sides, Farwell, O. C. Sikes, Farwell, John Burrow, Friona, Nelson Foster, Farwell, Sob Morgan, Friona, G. T. Watkins, Farwell, Harry Baker, Farwell, Everett Stores, Friona, J. F. Foster, Friona, W. N. Foster and children, Farwell, B. J. Foster, Farwell, and John West, Farwell; Mrs. Maude Rury, California, Mrs. Mildred Parrish and Doris Marie Pentris of Waco, V. B. Parrish, Waco, Mrs. Marie Roden and daughter, Friona, Phillis Magness, A. V. Warren, Bovina, Mrs. J. H. Stone, Earl Roberts, and Mrs. S. C. Smith, Farwell.

Regrets were received from sixty-eight relatives and friends that were unable to attend the open house.

Locals Join Service

FUNERAL SERVICES HELD FOR MRS. DOLLIE KEMP

Mrs. Dollie Kemp, daughter of Mr. and Mrs. J. A. Richards of Bovina, passed away Wednesday following a short illness in the Hendrix Memorial Hospital in Abilene, Texas.

Funeral services were held Saturday afternoon at 4:50, in the Presbyterian Church of Abilene. Burial was made in the Cedar Grove Cemetery, Sunday afternoon at 4:30.

Burial services were held over until Sunday awaiting the arrival of a daughter from Pennsylvania.

Mrs. Kemp is survived by two daughters, one of whom resides in Abilene, and the other in Pennsylvania; her parents, Mr. and Mrs. J.

A. Richards of Bovina; four brothers, Frank Richards of Abilene, George Richards of Bryon, Texas, Cash and Earl Ricards both of Bovina, Texas; five sisters, Mrs. Jess Raines of Ada, Oklahoma, Mrs. Luther Roberts of Abilene, Mrs. Dilbert New of Prescott, Arizona, and Mrs. Della Horne of Wichita Falls, Texas.

Due to illness Mr. and Mrs. J. A. Richards, parents of the deceased, were unable to attend the funeral services. The children motored to Bovina and spent Saturday night and a portion of Sunday with Mr. and Mrs. Richards. Those attending the funeral and visiting with Mr. and Mrs. Richards were: Mr. and Mrs. Jess Raines, of Ada, Okla., Frank Richards, and Mr. and Mrs. Luther Roberts of Abilene, Mrs. Dilbert New of Prescott, Ariz., Mr. and Mrs. Edgar Chase, of Artesia, N. M., George Richards, Bryon, Texas, a grandson and wife Mr. and Mrs. Boyd Richards of Abilene, Mr. and Mrs. Earl Richards and Patsy, Mrs. Cash Richards and Augusta of Bovina. All the family was present with the exception of Cash Richards, who was in the north and unable to reach home in time for the funeral.

Mr. and Mrs. Emmett Tabor and Don, and Mr. and Mrs. John Tabor returned home Friday from Dodson Texas where they had been called to the bedside of Emmett's mother who was quite ill. She is reported to be somewhat improved this weekend.

Misses Jackie Jones and Dickie McWhirter of Clovis returned home Tuesday after visiting with their grandparents, Mr. and Mrs. Stacey Queen.

Mr. and Mrs. Marvin Hambrick of Farwell and Will Parker of Bovina, were called to Shreveport, La., the past Wednesday due to the illness of Marvin's mother, Mrs. Lillie Chandler, who is Mr. Parkers sister. Mrs. Candler passed away Thursday, August 15, at 10 o'clock.

Mr. and Mrs. Otho Hammonds returned home Saturday from a short visit in New Mexico Mountains.

Mr. and Mrs. J. T. Hammonds and daughter returned home last week from a trip to Ruidoso, New Mexico, and Rockwood, Texas.

Miss Grace Wells of Odessa, Texas, came to Bovina this week for her mother, Mrs. Wells who has been visiting with her grandson, Bryon Turner and family. Mrs. Lillian Mahon and sons returned to Odessa, with them for a few days visit.

Gene Ezell, Postmaster, who has been on vacation is back on the job. Mrs. Von Bowen assistant Postmaster, is now having her vacation and Mrs. Ezell is assisting in the office during her absence.

Mr. and Mrs. Bob Williford returned home this week from a two weeks visit in California, Kansas and Nebraska.

Mrs. Fred Long and children of Dimmit, Texas, spent the past week with her parents, Mr. and Mrs. Fred Payne of Bovina.

Mr. and Mrs. Gene Wade, Bob and Calvin of Groom, spent the weekend in Bovina with Mrs. W. J. Wade.

Mrs. Jack Woltman and son had business in Clovis, Friday.

Mrs. Shelby Bishop and children of Leedy, Oklahoma, who have been visiting her parents, Mr. and Mrs. Steelman and children the past week, returned home Monday.

Mr. and Mrs. Troy Fuller, who have had Barbara Kay Bishop with the past three weeks accompanied them home.

(Too Late For Last Week)

The Legion Auxiliary met Monday night, August 9th, and decided to have a basket picnic supper at the roadside park on August 23rd. We hope all Legionnaires and their families can be present, and enjoy an evening of friendly gatherings at the park.

Mr. and Mrs. Otis Floyd had as their guests Mr. and Mrs. Pete Page, of Sunray, Texas.

On Tuesday evening they entertained at the Roadside Park with a basket supper. Those present were: Mr. and Mrs. Otis Floyd, and three children; Mr. and Mrs. Pete Page, Mr. and Mrs. T. J. Hopingardner, Robert Lee and Willis Lee Hopingardner; Mable Newberry, Mrs. Chester Venable and children and Helen of Muleshoe; Mr. and Mrs. Howard Cox, Gladys Hopingardner, Mildred Hopingardner and Bud and Buster all of Clovis; and Mr. and Mrs. Bob Blalock. After a feed in the park all of those present went to the Blalock home in Bovina where they enjoyed watermelon and visited.

The Bovina Women's Study Club met Tuesday afternoon in the home of Mrs. Aubrey Rhodes, with Mrs. J. P. Macon as co-hostess. Beautiful cut flowers decorated the reception room.

The business session was conducted by Mrs. Aubrey Rhodes. The Club colors; flowers; and motto were selected.

Lovely refreshments were served the following: Mesdames Aubrey Rhodes, G. D. Anderson, Jr., Clarence Jones, Reagon Loney, Charles Ross, J. P. Macon, William Thornton, Aubrey Ellison, Bedford Caldwell and Bill Kyle.

The next meeting will be a luncheon in the home of Mrs. G. D. Anderson Jr., the second Thursday in September.

Hal McSpadden went to Lubbock Monday on business.

Mrs. Jack Woltman was a business visitor in Clovis, Monday.

Mr. and Mrs. Bill Liles and Billy Curtis left Tuesday for Fort Smith, Arkansas.

Mr. and Mrs. Aubrey Rhodes and Mrs. Bill Kyle were Clovis visitors Monday. Mrs. Kyle will remain in Clovis for a few days with Mr. and Mrs. Dick Shaunig and son.

Mrs. Ray Davies went to Clovis, Saturday where she will spend a few days with Mr. and Mrs. Dick Shaunig and son.

Bill Kyle and Jack Woltman and son had business in Farwell, Monday. Mrs. T. G. Hudson had business in Clovis Saturday morning.

Mr. and Mrs. Fred Payne shopped in Clovis Friday morning.

Mr. and Mrs. Johnny Vestal sold their home last week to Mr. and Mrs. Stacey Queen. The Vestals will move to California shortly where they will make their home.

Mrs. Cash Richards and children returned home this week from Colorado, where they have been with Cash the past few weeks.

Mrs. June Watkins spent last weekend in Amarillo.

Mrs. Bill Venable visited last week in Kermit, Texas, with her daughter and family.

Mr. and Mrs. Leroy Berggren and family returned home Monday from Nebraska and Kansas, where they have been visiting relatives the past two weeks.

Mrs. Aubrey Rhodes was a business visitor in Clovis Friday afternoon.

Mrs. Billy Alderson left Saturday for Fayetteville, Arkansas, with her niece, Mrs. Broyles and Mr. Broyles for a visit.

Mr. and Mrs. Jack Woltman were business visitors in Clovis Friday.

Mr. and Mrs. Bill Kyle had business in Muleshoe, Saturday.

Mr. and Mrs. Stevens were called to Amarillo Friday by the death of Mr. Stevens' brother, Joe, who will be buried at Munday, Texas.

Mr. and Mrs. J. A. Morse and son of Austin accompanied by Mr. and Mrs. Bob Williford left Bovina Wednesday for points of interest in Colorado, Kansas and Nebraska.

Mrs. W. O. Cherry returned home Wednesday from Jacksboro, Texas, where she visited with her father and other relatives a week.

Mr. and Mrs. Ike Quicquel returned home Wednesday from a trip to Woodward, Oklahoma, Willington, Kansas and other points in Kansas.

Mrs. Clifford Leake and children left Saturday for Sagerton to spend a week. Mrs. Enders who has been visiting with her sister, Mrs. Leake, returned to her home in Sagerton with her.

Mr. and Mrs. Vernon Estes and children spent the week in Ruidoso, returning home Saturday evening.

Mr. and Mrs. Jimmy Charles returned home Thursday from Ruidoso

where they have been vacationing. Mrs. Bryon Turner and daughters had business in Clovis Thursday afternoon.

Nolan Rhodes and Miss Betty White are visiting in the home of Nolan's mother, Mrs. A. G. White and family.

Bryon Turner and family have had

as their guests this week, Bryon's grand mother, Mrs. Wells of Odessa, Texas.

Mr. and Mrs. Frank Ayers returned home Monday from Possum Kingdom, where they have been fishing.

A woman's promise to be on time carries a lot of wait.

PROTECT YOUR GRAIN AGAINST WEEVILS

COLLEGE STATION.—“With the shortage of grain storage space, there probably will be a lot of corn and grain sorghum stored on farms in Texas this year.” Dr. H. G. Johnston, extension entomologist of Texas A. and M. College, points out. “The wise man will start early to protect his grains against weevils.”

The first thing is to be sure that storage bins are weather and fumigant tight, Dr. Johnston says. If the grain is not in storage yet, clean the bins and spray thoroughly with five percent DDT spray.

Dr. Johnston recommends two mixtures for the fumigation process. The first is three parts of ethylene dichloride and one part carbon tetrachloride. One thousand bushels of grain will use six gallons of the fumigant. Sprinkle with ordinary sprinkling cans over the top of the grain.

The second mixture recommended is one part carbon disulfide (highlife) and four parts carbon tetrachloride. Again, six gallons of the mixture will fumigate 1,000 bushels of grain. Pour it in shallow pans and place around the bin—it will evaporate and the fumes soak through the grain.

“Weevil control is important,” Dr. Johnston concludes, “not only from a grain-saving stand-point, but to protect your stored wheat if it is under government loan. August is a good month to get started on this important job.”

Most people favor that which will return them something for nothing or much for little.

FARM ACCIDENT DEATH TOLL UP

“How are you going to keep ‘em down on the farm?” is as good a question today as it was following

the first World War. Only now it's the accidental death toll among farm residents was approximately 19500 in both 1946 and 1947. The slight decrease in farm work deaths in 1947 was offset by an identical increase in other accidents to farm people.

According to the 1948 edition of “Accident Facts,” statistical year-book of the National Safety Council,

Automatic safety release protects bar if it hits an obstruction. See us soon.

We service Dearborn Equipment and Ford Tractors.

Sikes Motor Co.
Farwell, Texas

Interested citizens to consider seriously, although it must be kept in mind that the preceding commentary is based more or less on tentative plans. There can still be important developments that would swing either way—pro or con. But there is nothing like preparedness if the proposed action should materialize.

School Adds New Typewriters

Farwell High School, already supplied with many new improvements over the summer months, last week added nine new Underwood typewriters to the list of better facilities for typing students. The enlarged and re-decorated typing room is now amply stocked with a-1 machines for the forthcoming term.

SAYS COKE A CINCH

A. B. Tarwater, former state representative of the 12th district, of Plainview, was here last Saturday in the interest of the candidacy of Coke Stevenson for U. S. Senator. Tarwater said that he had traveled over a great part of west Texas, and he gave it as his opinion Calculating Coke would carry this section by heavy odds.

BUYS NABORS PROPERTY

Mr. and Mrs. Ben O. Smart have bought the old home place of the late Mr. and Mrs. J. H. Nabors, and are making preparations to occupy it this week.

TO BUILD HOME

Mr. and Mrs. Ed Hardage are clearing off the lots in preparation to building a new, modern home on the south end of Third Street in Farwell, the location being just east of the home of Mrs. J. D. Thomas.

INSTALL CONDITIONER

Installation of a new air conditioner at the Methodist Church was completed over the past weekend, and communicants enjoyed the cooling breezes for the first time last Sunday. In addition to having two outlets for the main auditorium, a vent was installed to carry the air to the rostrum and the choir loft.

BUILDING NEW HOME

Henry Jacks is building a new 3-bedroom home in north Texico on the lot just north of the B. O. Faville residence. It will be modern throughout with oak flooring. The exterior will be drop-siding. Jacks said he hoped to have it ready before snow flies.

17 Days Designated For Registration

AUSTIN.—Initial registration for the Selective Service Act of 1948 will be done in 17 working days as compared to one day in the 1940 operation, Maj. Gen. K. L. Berry, state-Selective Service director, observed this week.

Registration this time will be between the dates of August 30 and September 18, both dates inclusive. Men 18 through 25 years of age will register at places designated by their local boards.

Specific days when men will register in the different age groups are as follows:

Men born in 1922 after August 30, 1922, will register on August 30.

Men born in 1923 will register on August 31 and September 1.

Men born in 1924 will register on September 2 and 3.

Men born in 1925 will register on September 4 or 7. This means there will be no registration on Labor Day.

Men born in 1926 will register on September 8 and 9.

Men born in 1927 will register on September 10 and 11.

Men born in 1928 will register on September 13 and 14.

Men born in 1929 will register on September 15 and 16.

Men born in 1930 before September 19 will register on September 17 and 18.

Men born on or after September 19, 1930, will register on the day they are 18 years old on within five days thereafter. This means that men will register as they become 18. They will register with their local boards.

Hours of registration at the local board registration spots will be from 8 a. m. to 5 p. m.

HOME FROM FUNERAL

Mr. and Mrs. G. T. Watkins, Mr. and Mrs. R. S. Smalts, Mr. and Mrs. Clarence Johnson, Mr. and Mrs. Gilbert Watkins and Donald Watkins returned home Monday night from Clinton, Okla., where they were called to attend the funeral of Mrs. J. E. Watkins, 61, of that city, who was buried there Sunday.

Mr. and Mrs. Jack Anderson and son of Hale Center, were Sunday visitors in the home of Mr. and Mrs. J. C. Moore, in Texico.

Mrs. Alf Kleinhans and children and Mrs. Will Kranow of Bovina, visited with J. A. Kaltwasser last week, of Bovina.

Window curtains play an important part in home furnishings, as they soften the hard lines of the window frames, thus making the room more attractive.

11-Man Football In Prospects For '48

(Continued from front page)

part of the prospective team, and assures all interested that enthusiasm for the 11-man game would run high.

Outlaw football is not the most desirable brand of competition. Still, as Purvis pointed out, experience is invaluable. No one knows yet what conclusions can be drawn about the matter, as the problem would be up to the schools of the 2-B district. The admittance of Farwell into the larger program would be a marked advance in the athletic program of our community, and this writer feels confident that the sports-minded businessmen and interested citizens could do much—and want to do much—in cooperating in a move such as this one, that has the betterment of all participants at heart.

At present the old field directly west of the school grounds is being cared for as best as the pressed school workers can care for it. But the goathead infestation is still too great to warrant immediate play on the gridiron without major measures

to improve the situation. If the 11-man game were initiated, the present undesignated six-man field would be outmoded—perfect for practice, yet completely unusable for play. If the goathead situation were remedied, Farwell would have a fairly good field to start her 11-man program. This, of course, includes the adoption of a lighting system for the field. Smaller towns than ours have purchased lights for illumination of softball fields and the like. Why can't we give the local athletes the break they have coming by helping them get this worthy program started? If it's not worth a little boost now, this community is not worth the splendid accomplishments that its sweating boys have gained in the field of sports.

The recent consolidation moves have brought in some excellent material for the new setup. Although these boys know as little about 11-man football as the local players, both groups have had experience in the six-man game. It appears that the question of participants is solved before it arises.

This program is something for all

Custom Butchering
