

FARM ROAD ROUTES DESIGNATED

FRIO DRAW FLOODS ON WEDNESDAY—Pictured above is the bridge spanning Frio Draw, just southwest of Friona on Highway 60 showing the flood waters which

reached toward the structure last Wednesday, as the runoff from torrential rains in New Mexico swept down the ordinarily dry draw. Several hundred yards of fields on either

side of the roadbed were flooded as the draw went far out of its banks on its route from Eastern New Mexico to Buffalo Lake, near Umberger Texas.

Heavy Rains Fall

Offers Oil Royalty to High Bid

The Parmer County Commissioners Court in session here Monday, passed a resolution, authorizing County Attorney Sam Aldridge to advertise for bids on one-fourth of the county's undivided interests in oil royalties on three leagues of Parmer County school land, located in Gaines and Andrews Counties.

Members of the Commissioners Court stated that a guaranteed bid of \$50,000 for one fourth of the oil royalties had been offered on one of the leagues, on which this county still holds three-fourths of the royalty rights.

The bids will be returnable on May 23, and the right is reserved to reject any and all offers.

Considerable oil play has been in progress about this county's holdings for the past few months, and only last week a test well was staked on some of the land. At present, Parmer County owns all the royalties on two leagues in Gaines and Andrews Counties and three-fourths of the royalties on a third league.

Revenue derived from these school lands will go into the permanent school fund of the county and only the interest from such revenue is expendable. Already Parmer County has received several thousands of dollars from this land and the money has been invested in government bonds.

School Exercises In Finale This Week

Activities at the Texico school will reach the finale on Thursday night of this week at 8:30 when Dr. F. A. Ogle, of Eastern New Mexico College, Portales, will address the nine 1949 seniors in the commencement exercises.

Grace McDaniel will give the valedictory address with the salutatory to be given by Claudine Bridges. The program will open with the class preessional, accompanied by Mrs. C. M. Henderson, following which Minister Sol Morgan, of the Church of Christ, is to deliver the invocation. R. B. Stratton will direct a violin quintet number, and the diplomas will be presented to the graduates by C. C. Curry, president of the board of education, with special awards being made by Supt. B. A. Rogers. The benediction will be pronounced by Rev. Harvey E. Carrell, of the Methodist Church, and Mrs. Henderson will be at the piano for the recessional.

The current graduates are Grace McDaniel, Claudine Bridges, Buddy Pearce, Kenneth Bridges, Delphine Johnson, Beale Stewart, Ansel Doolittle, Vernon Blain and Norma Lee Sanders.

Final tests were in progress during Monday and Tuesday, with grade graduation on Tuesday night. Classes will not be held on Thursday, but buses will run at the regular hour on Friday morning, with report cards to be issued and the curtain rung down on the 1948-49 term.

Passes After Two Years In Hospital

Miss Myrtle Huffstutler, 63, who had been a patient in a Wichita Falls hospital for the past two years, passed away last Thursday and was buried at the Muleshoe cemetery Thursday afternoon, following services at the Methodist Church in that city.

She is survived by one sister, Mrs. Lila Lafon, Buntsville, Ala.; four nephews, T. L. Glasscock, Johnnie Glasscock and Woody Glasscock, all of Muleshoe, and Mose Glasscock, Farwell; and four nieces, Mrs. Ila Mae Lawler, Lubbock; Mrs. Lela Forrest, Austin; Mrs. Pollie Cantrell, Dallas; and Mrs. Jona Dotson, Tucson, Arizona.

Members of the graduating class include Lera Dell Cherry, Patsy Ellison, Nancy Lou Williams, Delores Wilson, Janice Taylor, Jerry Jones, Clinton Tidenberg, James McKinney,

Rio De Janerio is the capital of Brazil.

Wheat prospects over Parmer and adjoining counties took a decidedly upward turn over the past weekend when rain measuring from two to more than four inches in some sections fell.

Measurements in Farwell showed the rainfall to be 2.86, which appears to be about the lowest reading reported in the county. To the east and southeast of here, farmers are reporting as much as four and five inches of moisture, distributed over a four-day period. The only hail reported in this county occurred in small patches northwest and northeast of Lazbuddy on Friday afternoon, doing heavy damage to small areas. N. C. White, John Gammon, Jack Smith and Henry Ivy, living northwest of Lazbuddy, report heavy losses. To the northwest of Lazbuddy, T. W. Bewley, Jewell Treider and Melvin Treider also report hail damage, but not as severe to the fields northeast of Lazbuddy.

Other losses were suffered by cotton growers in the West Camp and Lariat sections, where the heavy pelting rain covered many hundreds of freshly planted cotton fields, which will have to be replanted.

Roth Running Water and Friona Draws went on a rampage as heavy rains were dumped on the upper reaches of these dinarily dry washes in northern Curry County, N. M., where extensive damage to wheat fields is reported. Hail wiped out much of the wheat around Broadview and north of Melrose. Dick Hammonds, Clovis wheat grower, is reported to have suffered a complete loss on 4,000 acres of promising wheat.

Aside from the loss suffered in the Lazbuddy section, no losses have been reported in Parmer County's estimated 175,000 acres of the most promising wheat in recent years. Some fields of the county, particularly those in the northwestern corner of the county, as well as some in the Texico-Farwell area, were suffering for moisture.

Most residents of the Oklahoma Lane section, contacted this week, say that their moisture amounted to four inches and upwards. Few fields were damaged due to the fact that most of the rain fell at a gentle pace. Dick Geries, living southwest of Lariat, reports some washed fields in his neighborhood with dirt roads also being badly washed. Damage to Bailey County's farm to market pavement in the West Camp community is also reported with a wide gap of the pavement being undermined by the water.

Observers are pretty well in agreement that the abundant rains will virtually assure a wheat crop that at this time gives promise of being above the normal yield. Sales for

A joint meeting of representatives of the Friona, Farwell and Bovina Chambers of Commerce, together with county road committeemen from over the county, was held in Farwell Tuesday afternoon, at which time routes of the farm to market road program in Parmer County were approved.

Maps were prepared, showing the exact location of the roads and a copy of the map will be published in this newspaper next week.

A county-wide road bond election has been called for Saturday, May 28, at which time the voters of the county will have an opportunity of approving or rejecting bonds in the amount of \$1,150,000.00 to be spent in the road-construction program.

Under the plan approved here, 164½ miles of farm to market pavement are outlined, divided among the various precincts as follows: Friona precinct, 44 miles; Bovina precinct 42 miles; Farwell precinct, 41 miles; and Lazbuddy precinct, 37½ miles. Committeemen who drew the routes agreed that, based on acreage area, the proposed pavement would be approximately equally distributed among the four precincts of the county.

Figures compiled previously, reveal that the cost of retiring the bond issue, should it be approved, would not exceed \$7.80 per quarter section of land, or \$8.00 on the one thousand dollar county valuation.

AGED LADY DIES

Mrs. Amanda C. Howell, age 85, passed away at her home in south Farwell the past Friday, after an extended illness, and was buried in the Clovis Cemetery Monday afternoon.

Funeral services were conducted at the Memorial Chapel in Clovis by Rev. O. O. Holloeday, assisted by Rev. L. P. Durham. She had lived in Farwell only a few weeks. Previous to taking up residence here, she had rooms with Mrs. G. F. "Ma" Green in Texico.

MOHER DIES

County Commissioner W. S. Menefee of the Lazbuddy precinct, received a telegram here Monday while attending a meeting of the Court, announcing the death of his mother at Greenville, Texas. He left immediately for that city. The aged lady has been in ill health for some time and Mr. Menefee has been called to Greenville on numerous occasions by her condition.

According to a book publisher, only a person who has suffered can write a modern novel. If that's true, then we'd say that anyone who has read a modern novel can write one.

feed crop planting seeds took a spurt locally as farmers began making preparations to begin planting operations just as soon as the fields are dry enough to work.

Minister Morgan to Give Farwell Baccalaureate

Minister Sol Morgan of the local Church of Christ, will deliver the address Sunday morning, May 15th, at 11:15 a. m., when baccalaureate services are held in the auditorium of the Farwell school for the 1949 seniors.

Other numbers on the morning program include the invocation by Rev. A. D. Moore of the Oklahoma Lane Methodist Church; special music by the high school chorus; a violin solo by Rosamond Booth, and the benediction by Rev. Harvey E. Carrell of the local Methodist Church. Mrs. Erma Jobs, of the faculty, will be at the piano.

Making their final appearance as a class and concluding their high school careers, the sixteen seniors will appear again at the auditorium on Tuesday night, May 17th, for the commencement exercises.

At that time, R. B. McAlister, of station KICA, Clovis is slated to deliver the guest address. Mary Ruth Petree is the class salutatorian and Rosamond Booth will speak as the valedictorian, with special music to be given by the students.

Rev. Carrell will give the invocation and Rev. J. J. Terry, of the Oklahoma Lane Baptist Church, will give the benediction. Presentation of special awards is to be made by

Supt. Jack Williams, while Claude Rose, president of the school board, will present the diplomas to the graduates, and Mrs. Jobs will be at the piano.

Class members include Wilma Atchley, Toby and Rosamond Booth, Theda Branscum, R. A. Cassidy, Bonnie Foster, Herman Geries, Betty Gulley, A. C. Henneman, Jackie Holland, Hollis Hughes, Alta Martin, Mildred Meissner Mary Ruth Petree, Louise Rundell and Warlick Thomas.

Grade Program Slated
Grammar school graduates will have their chance at the limelight on Thursday night, May 19th, when commencement exercises are held at the school with Kayla Felts as class valedictorian and June Hardage as the salutatorian.

Supt. Williams added today that final tests for the seniors would be held on Friday of this week with all other students receiving their last exams on Monday and Tuesday. School will not be held on Wednesday, but buses will run at the regular time Thursday morning. The special honor assembly will begin at 1:15 Thursday and will conclude with the conclusion of this program the 1948-49 term will officially come to an end.

FROM THE HOPPER

By HOP

If you have not taken time out to visit the flower gardens of Mrs. M. C. Roberts and Mrs. B. O. Faville, you have truly missed two of the most beautiful sights of the season. It will be well worth your while to take time out and visit these beauty spots.

Seen at the Texico baccalaureate services Sunday night, a young teenage girl with long, blond curls that draped her shoulders and reached almost down to the middle of her back. This was a common sight years ago and it brought back memories of the time my mother would spend curling up sister's beautiful hair every morning before she took off for school. Long, graceful curls were the rage in those days of long ago before beauty shops were even thought of. Modern hair stylists do some really good jobs, but I still admire long, graceful curls on children and teen-agers. Especially do I admire the wonderful head of hair on our only grand daughter; it is every bit of three inches long and as fine as a spider's web, usually stands straight up in a platinum mass. If you haven't seen Judy's hair, you have missed something.

Took occasion to check the parked cars in only one block on a Clovis street Monday. It was not surprising to me to observe five cars that were parked overtime at the parking meters. I further observed that in every instance of over-parking, the cars bore a Curry County number. This made me feel mighty good when I recalled that no less than three times have I been called upon to dig up a dollar for over parking on a

"What Is Education?" Minister Asks Texico Graduating Class

"Let us make sure what an education is," Dr. B. P. Maddox, pastor of the First Baptist Church in Clovis, warned the members of the Texico graduating class in his baccalaureate address last Sunday evening.

The nine members of the class, five boys and four girls, dressed in white gowns and caps, with tassels of green braid on the latter, marched into the school auditorium as Mrs. C. M. Henderson played the processional, and took their seats directly in front of the speaker.

"We are here to honor these young people, and what I shall have to say will be directed to them," Dr. Maddox said in opening his address.

After raising the question of what education is, the speaker reminded the class of how fortunate they were in being educated in America, as compared to conditions in Europe, "where, because of the class system, the lower classes seldom learn more than to be able to read and write."

Taking occasion to bring timely illustrations into his remarks, the

Unloading Elevators For Wheat Harvest

Clovis street. The idea of the Clovis police seems to be to soak the out-of-towner, but let the local drivers go.

Clovis police might learn a lesson from the police department of Amarillo. Recently a local lady over-parked her car in Amarillo and when she returned to her machine, she discovered that one tire was flat. Just as she was beginning to fret over her predicament, a cop walked up, extended her a cordial welcome, then proceeded to go to work changing the tire for the bewildered visitor. I may be wrong, but I have a feeling that this particular lady felt more kindly toward the Amarillo officer than she would have if she had found an over-parked ticket under the windshield wiper.

Texico Classes Will Depart On Friday

Plans early this week were for the Texico juniors and seniors along with their sponsors to leave on Friday of this week for the annual spring trip with the group slated to make a tour to several Texas points.

One stopping place will be near San Angelo, where the trippers expect to spend a couple of days, going on to San Antonio where they hope to take in a large number of scenic and historical spots around the Texas city.

A female figure used in architecture is a caryatid.

Elevator men of Parmer County began last weekend unloading their bins of stored government grain and getting cleaned out in preparation for the expected heavy wheat harvest, which may get underway around June 20th, or possibly even earlier.

A checkup early this week revealed that all elevator operators in the county, with a single exception, had been given shipping instructions on the stored grain, with the bulk of the shipments going to Galveston and Port Arthur for export. The Maccon Elevator, at Bovina, had not been authorized to begin shipping up to Tuesday.

Figures compiled this week reveal that the combined storage facilities of the country elevators in the county will approximate 3½ million bushels, and operators voiced the opinion that virtually all of this storage would be available when the harvest season arrives. Most grain men said that they intended to empty their bins entirely, but other

(Continued on last page)

Graduates Start Spring Festivities At Bovina

Baccalaureate services for the fourteen Bovina seniors are slated for this coming Sunday, May 15th, with Rev. Weldon Franks, Bovina Baptist pastor, to deliver the address at 11 a. m., in the auditorium of the high school.

Following on Friday night, May 20, will be the commencement exercises, with Stuart Condon, of Station KGNC, Amarillo, as the guest speaker, Supt. W. O. Cherry said today.

At the baccalaureate, Rev. J. B. Baker, Bovina Methodist pastor will give the invocation and music will be provided by the high school chorus. Delores Wilson will sing "The Lord's Prayer", and the benediction is to be given by Minister J. W. Andrews, of the Church of Christ.

Mrs. J. O. Glover, pastor of the Bovina Pentecostal church, is to give the invocation at the commencement program, which begins at 8:15 Friday night, and the school chorus will sing. Jimmy Ray will offer the welcome, and Supt. Cherry will introduce Mr. Condon. Jerry Jones is to sing "The House I Live In", after which the diplomas will be presented by Supt. Cherry, and Patsy Ellison will offer the farewell, with the class joining in the school song. The benediction is to be given by Rev. Baker. Mrs. Edith Cherry, of the faculty, will be at the piano for both programs.

Members of the graduating class include Lera Dell Cherry, Patsy Ellison, Nancy Lou Williams, Delores Wilson, Janice Taylor, Jerry Jones, Clinton Tidenberg, James McKinney,

Health Notes

By Texas Department of Health

AUSTIN—The summer season always brings an increase in the incidence of dysentery diarrhea and enteritis, all of which are major menaces to the lives of small children, annually causing the deaths of hundreds of Texas youngsters.

The State Health Officer, Dr. Geo. W. Cox, declares that the chief cause of these intestinal diseases are contaminated milk, water or food; allowing the child to get overheated or exhausted; excessive sugar in the infant's formula, and foods that have been improperly refrigerated.

"All foods should be clean and fresh, and all left-overs should be refrigerated so as to avoid spoilage. The utmost care should be used in preparing the infant's formula which should, of course, be prescribed by a physician, and his recommendations as to sanitation precautions and correct refrigeration should be implicitly followed."

The State Health Officer warned parents especially of the danger of

disease transmission by flies. Children in any home that is not free from flies, are in danger of contracting dysentery or other intestinal diseases which may be fatal.

"If dysentery or diarrhea symptoms appear in your child, call your doctor immediately," Dr. Cox advises. "His treatment of the disease is your best insurance against fatal results since such diseases are really a very serious threat to the child's life. Don't depend on home remedies for diarrhea or dysentery; consult a competent physician and let him institute the safest and best treatment which medical science has available, for combating these wasting diseases."

Journalism Department Will Be Host To Meet

DENTON—North Texas State College's journalism department will be host for the 1950 convention of the Texas Intercollegiate Press Association next April, according to Harold Nolte of Seguin president.

Other local officers of the association for the coming year are Gilbert Gorman of Houston, vice president; Anita Porter of Dallas, corresponding secretary; Bettye Dutton of Denison, recording secretary; and Reuben Noel of Amarillo, treasurer.

At this year's convention in El Paso, North Texas won a major portion of the awards, including first places for its newspaper, year-book, literary magazine, short story, essay and poetry. NTSC also took second in feature writing, thirds in photography and one-act play, and fourths in general column and advertising.

Take Your Family To Sunday School

There is a power earth that is greater we know than any material power—yes even greater than the power of an atomic fission—and that is the power of God whose meaning is interpreted for us of the Christian faith through the teachings of Christ. It is Christ's teachings given to us in the New Testament of the Bible, which over the past nineteen and a half centuries have become the essence of our moral standards—that have determined for our family, our nation, and the family of nations our ideas of what is right and what is wrong.

Who can doubt therefore the importance to our children of a thorough knowledge of the Bible and its relationship to the problems we face as individuals and as a nation today.

It has been the Sunday school, the successor to the ancient Bible school whose modern revival historians date back to Robert Raikes and the first Sunday school in Gloucester, England, in 1780, that has been the accepted institution by which the Christian children of the world have gained a large extent their knowledge of these fundamental principles that are so basic to everyday life.

The Sunday school, an institution whose roots in American history extend back to the period of the Revolutionary War, has served not only as a great educational force in America, but it has become a basis for the unity of all races, creeds and colors in their acceptance of a common ideal. It should not be necessary therefore to urge an American "to take your family to Sunday school."

Texico, N. M.

LAZBUDDY NEWS
BY MRS. E. E. CROW Jr.

Pfc. Don W. Dunn who is stationed at Fort Myer, Virginia, is visiting with his family Mr. and Mrs. Glenn Dunn.

Mr. and Mrs. W. A. Knight enjoyed having their children home for Mother's Day. Those attending were Mr. and Mrs. Bob Knight of Morton, Mr. and Mrs. Clyde Knight and Mr. and Mrs. Quint Whatley and children of near Muleshoe.

Mr. and Mrs. E. W. Tucker and Patricia moved to Petersburg to make their home the past week. Mr. Tucker is manager of a lumber yard

there.

Mrs. O. D. Spittler and Mrs. Frank Spittler spent Monday afternoon with Mrs. Glenn Dunn.

Mrs. Laura Treder had as her weekend guests, Mr. and Mrs. Ray Cheney and children of Amarillo, Mr. and Mrs. Lenard Markefky and daughter, Beverly, of Corpus Christi, Mr. and Mrs. David Brown of Brownfield, and Mr. and Mrs. Raymond Treider of Taft.

Mr. and Mrs. Gene White and daughter, Loretta, were in Muleshoe Monday.

Mr. and Mrs. E. E. Crow, Sr., of Sudan and Mr. and Mrs. R. L. Bledsoe and daughter, Mary Frances, of Becton, spent the weekend in the

home of Mr. and Mrs. Elmer Crow.

Mr. and Mrs. W. C. Williams and daughter, Royan, visited in the home of Mrs. William's parents, Mr. and Mrs. Milt Crow in Friona, Sunday.

Mr. and Mrs. Abb Carroll who have moved to Muleshoe visited with friends here Wednesday.

Mrs. J. L. Sharping of Sunray is visiting her sister, Mrs. Willie Stienbock and Mrs. H. D. Hutchinson.

Mr. and Mrs. W. S. Menefee have returned from Greenville where they attended the funeral of Mr. Menefee's uncle, Mr. C. G. Gregory, also visited Mr. Menefee's mother who has been ill but is improved.

Mr. and Mrs. Dave Donnell of Corpus Christi are visiting Mrs. Donnell's mother, Mrs. Dixie Barnes.

Mrs. Annie Vaughan of Muleshoe spent Sunday with her daughter and family Mr. and Mrs. Willie Stienbock.

Mr. and Mrs. Sam Long and son, Ronald of Dimmitt visited her parents Mr. and Mrs. W. S. Menefee

tian, John West, Sam Sides, Thad Watkins, Clyde Perkins, Ellis R. Barry, members; Mmes. Jim E. McGuire, Charlie Summers, and Hanna.

The next meeting will be with Mrs. J. M. Pruitt.

Mr. and Mrs. Ellis R. Barry spent Mother's Day with her parents, Mr. and Mrs. W. J. Sides, of Lubbock. While there they drove over to Green Acres, where sections were like lakes. Many yards had furniture piled outside, while the residents scooped mud and water from their homes, following the heavy rain that visited the section.

Mr. and Mrs. A. B. Wilkerson and Mr. and Mrs. Sam Sides were visitors in the home of the Barrys, Sunday evening. The Wilkersons had just received a call from their daughter, Rita who is teaching in California.

Miss Dora Dean Perkins spent Mother's Day with Mr. and Mrs. Clyde Perkins.

Mr. and Mrs. Webb Gober are the proud parents of a baby girl. Grandma and Grandpa J. I. Gober are also proud of their very first granddaughter. They have four grandsons.

ed from hornflies for at least 10 to 15 days. Two or three treatments of DDT in the spring and early summer and one more in the fall usually kills the hornflies for a year.

Dipping or spraying at two intervals will put a stop to the Lone Star tick. Control should be started in the spring as soon as the ticks are found and continued until no more are seen Deer says. A combination of BHC and DDT is recommended for tick control. The same amount of DDT is used here as in the hornfly remedy. Mix this with four pounds of 6 percent wettable gamma BHC in

100 gallons of water. Mix the chemicals first in a small amount of water, then add this mixture to the spray tank or dipping vat.

But whether you're chasing away the hornflies or getting rid of ticks, Deer reminds the cattle owners not to use DDT on dairy cows nor beef cattle that will be slaughtered within 30 days.

Livestock will be better producers if they don't have to fight off flies and ticks.

**Stockmen Warned To
Watch For 2 Pests**

COLLEGE STATION—Hornflies and Lone Star ticks are a couple of pests Texas stockmen ought to be on the lookout for, warns James A. Deer, assistant extension entomologist of Texas A. and M. College.

Both are showing up on the cattle along about this time of the year. Deer says, and both of them should be controlled in order to keep up beef and milk production. Insects keep cattle in a nervous condition and often cause wounds that come infested with screw worms.

The most effective control for hornflies is DDT. Animals sprayed or dipped with eight pounds of 50 percent DDT wettable powder in 100 gallons of water will be protect-

All this merchandise can be seen at the Agriculture Dept. at the Farwell Schools from 9:00 a. m. to 4:00 p. m. on regular school days.

IN REVIVAL AT PORTALES

Rev. O. O. Holladay, pastor of the First Baptist Church here, is assisting in a revival meeting at Portales this week.

Our faith in straw polls will not be renewed until we are convinced that public opinion can stand still long enough to be counted accurately.

CAN YOU BAKE A CHERRY PIE? . . . This young lady could—the best in the nation, in fact. Betty Latimer, 18-year old Fredonia, N. Y., high school senior, recently adjudged the national cherry pie contest winner, is shown here with a huge pie—cherry, of course, which she baked for President Truman. She called at the White House with the pie and Matthew J. Connelly, presidential secretary, accepted it on behalf of the President.

Texas State Fair Plans Opening Day, Oct. 8

Farmers and ranchers of the Southwest will take home more premium money from the State Fair of Texas this fall than ever before in history.

This news is announced in the 1949 State Fair Premium list, first copies of which are now in the mail, inviting all pure-bred livestock breeders to exhibit their herds and flocks at the 1949 exposition.

The premium list was published a month earlier this year to give farmers and ranchmen more time to plan and prepare the exhibits which they will show to some 2,000,000 visitors when the Fair opens on Oct. 8 for its 16-day run.

Total premium will be \$65,235. Premiums for the various divisions are: beef cattle (Aberdeen-Angus, Brahma, Hereford, Shorthorn), \$25,200; dairy cattle (Guernsey, Holstein-Friesian, Jersey and Milking Shorthorn), \$12,900; swine, \$8,250; sheep, \$3,213; Angora goats, \$732; Palomino and Quarter horses, \$4,750; special herdsmen awards, \$350; and Junior livestock show, \$9,840.

Opening day will see the greatest display of livestock ever shown at the Texas exposition, with the main feature the National Aberdeen-Angus show, State Fair officials said.

Dates for the junior livestock show have been extended from four days to one week as a result of growing interest in this phase of the Fair. Last year 400 exhibitors from 154 counties brought 1051 animals to the Junior Show.

For the first time in many years 4H Club girls with livestock projects will be permitted to exhibit in all divisions of the Junior Livestock Show.

The State Fair has expanded its facilities for the swine show, adding 126 new pens. Fair officials confidently expect to break all records in

this division again this year.

New pens are being provided for sheep and Angora goats; and 166 of the most modern stalls have been added for the Palomino and Quarter Horse Shows.

The foreword of the premium list contains an invitation from Governor Beauford H. Jester to residents in every state to visit the State Fair and enjoy a panoramic view of the inexhaustible resources of the state, and to view the achievements of the entire Southwest country in agriculture, livestock, arts, science and industry.

Requests for copies of the State Fair Premium List should be addressed to State Fair of Texas, Dallas 10, Texas.

County Prepares To Clear Right Of Way

The County Commissioners Court entered into an agreement with the Southwestern Public Service Company, Monday, for the removal of utility lines along the ten-mile route of farm-to-market road from the Oklahoma Lane school house to the twin houses. Work is to begin as soon as the route has been surveyed.

Other business transacted by the Commissioners included the acceptance of a road petition of Wm. H. Drager and others, for the opening of a road in the Rhea district. F. T. Schlenker, T. F. Taylor, Miles Robbins, Robert Leach and Jim Baxter were named as members of a jury of view to report on this road opening.

Service Fraternity Adopts Orphan Boy

DENTON—Benito Scordella, 13-year-old Italian war orphan, now has a whole fraternity of proud papas at North Texas State College looking after his welfare.

Young Benito, whose father and mother were killed in the war, has been adopted by members of Alpha Phi Omega NTSC service fraternity. He will receive money and letters from his new foster parents.

Adopted through the Foster Parents' Plan, Benito has nine brothers and sisters. He was picked up on the street and placed in a home for war orphans after the death of his parents.

Stored Grain Should Be Moved This Month

Growers who have government purchase agreement grain stored on their farms, and also those who have grain sorghums held under government loans should make arrangements to deliver it to elevators during this month, Joe Camp, secretary of the Farmer County ACA, stated today.

He added that before such grains are to be moved, it would be necessary to apply at the ACA office to receive releases and delivery instructions.

"We are anxious to clear out all this stored grain before the wheat harvest begins," Camp said, and he asked full co-operation of all growers in this matter.

Speaking about conservation practices, Camp reminded all farmers to turn in their prior approvals on soil conservation practices for payments. Also farmers who have not turned in their work sheets for 1950 allotments are urged to do so without further delay. "This is most urgent," Camp added.

Graham Home Scene Of Social, Monday Night

The home of Mr. and Mrs. B. N. Graham in Farwell, was filled with friends and relatives on Monday evening, when Mr. Graham was honored with a birthday open house. Assisting Mrs. Graham in the social were her daughters, Mrs. Raymond Ross of Morton and Mrs. William Thornton of Bovina. Mrs. Ross was in charge of the beautiful serving table, with Mrs. Thornton presiding at the guest register.

Beautiful bouquets were arranged about the entertaining rooms, with a cluster of rosebuds being sent the honoree from relatives in Lamesa. Mrs. M. C. Roberts contributed a huge bouquet of tulips and irises, and other vases of spring flowers were also used about the rooms.

Signing the guest register were: Messrs. and Mesdames W. W. Hall, Raymond Ross, J. R. Thornton, Harvey Carrell, W. J. Matthews, O. B. Pipkin, LeRoy Faville, Loyd A. Cain and Loyd, Jr., A. D. Smith, Johnny D. Morgan, J. B. Graham, Wilfred Quickel, W. H. Graham, C. M. Henderson, Frank Seale, Marty Ezell, W. E. Thornton, Loyde E. Brewer and Byron, D. A. Stephens, Roy B. Ezell and Dale McCuan;

Mrs. J. W. Hardage, Mrs. M. C. Roberts, Bess Henneman, Ray Ann and David Ross, Claude H. Rose, Dorothy and Peggy Eason, Mrs. Effie Johnson, Mrs. Bob Hines, Iris Thornton, Graham Thornton, Buck Bradshaw, Frank Phillips, Donald Joe Pipkin, Mrs. O. C. Sikes, B. A. Rogers, Hamlin Overstreet, Mrs. Anne Overstreet, W. L. McDaniel, Sol Morgan and V. C. Venable.

Minstrel Show Slated For Friday Evening

Those who missed the recent negro minstrel staged here by the Farwell Parent Teacher Association are offered another chance this week, with officials reporting that the "darkies" will be on stage again in the Farwell auditorium on Friday night, May 13th, and if you're superstitious the sponsors aren't!

The minstrel will include all the numbers which delighted the first audience, and it is just possible that the group may think up a few extra gags for good measure.

Admission is \$1 per family—whether one child or a dozen come with Mom and Dad—and single tickets sell for 50c for adults and 25c for students who come unaccompanied by their parents officials explained.

Members of the cast are asked to be on hand for rehearsal Thursday night, following the PTA program at the school.

The affair will get underway Friday night at 8:30 and the public is cordially urged to join in the fun.

Visit In Lubbock

Mr. and Mrs. Ralph Humble and Miss Dorothy Cassidy spent Sunday visiting with the Humble's daughters, Miss Twila Strickland and Mr. and Mrs. Lee McDaniel, in Lubbock.

Faculty Members Plan Summer Activities

Texico faculty members are looking forward to the close of school as much as their pupils it was revealed the first of the week in a checkup, with several of the number slating interesting trips for the vacation period.

Retiring Superintendent B. A. Rogers reported that he would be busy on his farm, but Mrs. Rogers plans to attend a brief summer school session, probably at ENMC in Portales, after which she will make a trip to the State of Washington to visit her son, Alan, and wife.

C. E. Sanders will be out of town during the summer, while F. D. Stout, ag man will be at home in Texico. Mrs. Frank Seale will change her occupation for a spell by assisting her husband in his business in Farwell.

Mrs. Otis Prescott and John Adams are both planning to do more of the same by attending college this summer but both Mrs. J. E. Neil and Mrs. LeRoy Faville will really vacation with trips to California. Mrs. Jimmie Allman will spend the summer at home in Clovis.

Mothers Are Honored At OES Meet, Bovina

A special program commemorating Mother's Day was given at the regular meeting of the Bovina Order of Eastern Star, the past Thursday evening, with Mrs. Sam Rundell in charge.

Mrs. A. D. Smith gave an appropriate reading, and vocal solos were sung by Mrs. W. H. Graham and Don Lewis. Mrs. Glenn Dunn read a number of quotations from famous men concerning their mothers. A special message was sent the chapter by the Worthy Grand Matron, which was read by Mrs. Lily Fuller.

At the conclusion of the program a social hour was enjoyed, with coffee and cookies being served.

Golden Circle Class Meet On Monday

Mrs. Walter Hardage was hostess, Monday night, to the regular meeting of the Golden Circle Sunday School class of the Baptist Church.

During the business session, it was voted to hold a monthly social, at which time special guests will be prospective members, and husbands of the members. The first social will be held on June 7th.

Mrs. Frances Norton was honored with a gift from the class, after which the hostess served cookies and coffee to Mesdames Mable Martin, Carrie Hardage, Margaret White, Ophelia Billington, Onie Bradshaw, Tom Paul McCuan, Mona Townes, Frances Norton, Johnnie Crawley, Frances Billingsley, Glenna Holladay, Joe McWilliams, Dardanella Hilton, Alta Martin, Theda Branscum and Catherine Lockhart.

Fish Fry Held In S. J. Justice Home

An enjoyable fish fry and social was held in the S. J. Justice home, the past weekend, with a number of local and out-of-town people attending.

Guests included Mrs. Nellie McReynolds and daughter of Friona, Mr. and Mrs. Vane Petree and son of Santa Fe, N. M., Mrs. B. Beasley and children of Farmington, N. M., Mr. and Mrs. A. J. Doshier and children of Farwell, Mr. and Mrs. Bill Justice and children of Farmington, and Mr. and Mrs. G. D. Wittenburg of Little Rock, Ark.

Need letterheads? Dial 2131.

Informal Dinner Honors Mothers, Dads, May 3

A completely informal dinner that saw many of the attendants in jeans and plaid shirts honored mothers and fathers and special guests, last Tuesday night, as members of the Friona high school FFA and FHA groups combined forces to entertain.

The affair was held at the FFA stock barn in Friona, with the guests being casually herded into the main building for a brief program, at which Kenneth Bainum acted as toastmaster and introduced each number with a time limit.

Gladys Lacey responded to the welcome and members of "The Hungry Five", in charge of Glenn Cunningham, school music director, ambled through a couple of numbers, after getting off to a false start as one of the clarinets persisted in emitting only squeaks. Making up the quint were Cunningham, Vera Ann Jones, Murna Welch, Betty Lou McLellan and Joyce Ann Miller.

Tim Magness sang a solo, while Vera Ann Jones gave an original reading on her troubles in homemaking. Supt. Dalton Caffey was introduced as the principal speaker of the evening, and after pulling a few assorted gags on the guests, looked blankly at his notes and decided he had concluded his address. Dan Ethridge was given three minutes to speak on the proposed road program, and in turn introduced Willis Edelman, who spoke very briefly.

Professing not to "know why we do it, but we always do", Bainum then called on Mariede London to come forward and receive a gift as the FFA sweetheart of the year. J. T. Gee, ag sponsor, then took the floor and presented Lewis Gore as an ag lad who had been chosen to receive a Jersey calf, presented by the Santa Fe Grain Company.

Starting to call the assembly outside to be served at the barbecue tables, Gee returned with the announcement that the feed had not arrived and a number of impromptu numbers were called, with Cecil Robinson rendering mandolin selections while Cunningham took down the house with his take-off on T. Texas Tyler, complete with yodeling.

The barbecue was served in the quadrangle, with guests taking their heaping plates from members of the ag and homemaking departments. The FFA boys were responsible for cooking the barbecue, while the remainder of the spread was prepared by the homemaking girls, under the direction of Mrs. Cecil Belcher.

During the business session installation services for the new officers will be held. Officials of the Association urge all participants of the Negro Minstrel to be on hand at this meeting. Immediately following the regular meeting a rehearsal of the negro performers will be held.

Hostesses for the Thursday night meeting will be Mrs. F. E. Kopley, Mrs. T. L. Kent, Mrs. C. C. Christian, Mrs. L. L. Norton, Mrs. Verney Towns and Mrs. Everett Christian.

Last Meeting Of Farwell PTA Thursday Night

The Farwell Parent Teachers Association will hold its last meeting Thursday night, May 12, at the Farwell home economics department.

During the business session installation services for the new officers will be held.

Officials of the Association urge all participants of the Negro Minstrel to be on hand at this meeting. Immediately following the regular meeting a rehearsal of the negro performers will be held.

Hostesses for the Thursday night meeting will be Mrs. F. E. Kopley, Mrs. T. L. Kent, Mrs. C. C. Christian, Mrs. L. L. Norton, Mrs. Verney Towns and Mrs. Everett Christian.

To Fort Worth

Mr. and Mrs. George Magness left here by auto the first of the week for Fort Worth, where he will attend some business matters. They will likely visit old friends and relatives in and near Waco before returning home.

Mr. and Mrs. Loyde Brewer and son, Byron, spent Sunday in Friona, enjoying a Mother's Day visit with her parents, Mr. and Mrs. C. L. Vestal, Sr.

Takes The Kids To Stop The Zephyr

It takes a bunch of kids to get the Santa Fe's stream-lined Grand Canyon, that usually flashes through here without a pause, to stop at the local station.

Proof was given on Monday, when the zephyr drew up at the Texico station and took on over one hundred representatives from the first, second and third grades of the Farwell school, for a trip to Clovis in a special car of their own. Enroute the youngsters saw how a bed was made down on a train, and investigated other mysteries of rail travel.

In Clovis, a school bus was provided from here, to carry the children to various points of interest including a trip to the Coca-Cola bottling works and Campbell's ice cream plant. Dinner was spread on the ground at Hillcrest Park, and after a trip to the zoo the kids returned home by bus.

Moore Home Scene Of Family Gathering

Visiting in the home of Mr. and Mrs. L. C. Moore, of Bovina, on Mother's Day were Mr. and Mrs. L. C. Moore, Jr., of Amarillo; Mr. and Mrs. James Berry and Miss Mozelle Moore, of Clovis; and Mrs. Moore's brothers, W. H. Stroud of Avondale, Ariz., Perry Stroud of Childress, and Mr. and Mrs. J. T. Strud of Overton, Texas.

The hostess received a number of lovely gifts, honoring her on Mother's Day.

In Lunsford Home

Mother's Day guests in the home of Mr. and Mrs. Charles Lunsford included their daughter and family, Mr. and Mrs. E. V. Plaster and Dickie, of Clovis; Mr. and Mrs. Willis Crook and Jerry, Grandma Plaster and Grandma Cook, all of Clovis; Mrs. Mae Means, sister of the hostess; Mrs. Buster Lunsford and her sister, Mrs. Niel Lloyd of Farwell.

Visits In Seminole

Mrs. Harvey Carrell and children visited the past Friday in Seminole, Texas, in the home of her parents. She returned on Saturday, reporting that her father, who has been ill, is improving.

Sunday Dinner Guests

Dinner guests in the home of Mr. and Mrs. Sterlyn Billington, Sunday, were Mrs. Billington's parents, Mr. and Mrs. George Magness, and her sister, Mrs. Tom Foster, and family.

To Quitaque

Mr. and Mrs. J. E. Stone drove over to Quitaque last Sunday to spend Mother's Day with Mrs. Stone's parents, Mr. and Mrs. W. Q. Jacks of that city. They report wheat conditions excellent between here and there.

Bagleys Here

Mr. and Mrs. D. W. Bagley, who recently disposed of their business interests here, arrived here the first of the week for a visit, after spending the past several weeks in Kansas and at Wichita Falls. They plan to return to Wichita Falls Friday.

Mr. and Mrs. John Graham and family, of Lubbock, visited Sunday in the home of Mr. and Mrs. B. N. Graham, in Farwell.

Mr. and Mrs. G. D. Wittenburg of Little Rock, Ark., have been visiting in the home of her parents, Mr. and Mrs. S. J. Justice, for two weeks.

Mr. and Mrs. W. H. Graham and daughter, Sammie, visited with Mr. and Mrs. Vance Crume and Judy in Friona, Sunday afternoon.

Friona Hospital Will Invite Public, May 12

In commemorating National Hospital Day, members of the Parmer County Community Hospital staff, at Friona, this week issued an invitation to Parmer residents to make a tour through the hospital on Thursday of this week.

May 12th is noted as the 129th anniversary of the birth date of Florence Nightingale, the "mother" of hospital procedures.

"The hospital takes May 12th to reaffirm our year-round objective—our promise to the public that we will continue to do our best to provide the most comprehensive hospital care," read a statement issued by Dr. H. H. Cooke and Mrs. Alice B. Moore, manager of the hospital.

Bovina Wheat Growers In Annual Meeting

Lee Thompson, manager of the Bovina Wheat Growers, Inc., was here last weekend and announced the annual meeting of the stockholders of the organization, which will be held on Monday, May 16, at the Legion Hall in Bovina, starting at 8 p. m.

Thompson said there were two new directors to be elected this year, for three-year terms. More than 400 stockholders have shares in the organization, he added.

With the completion of the additional storage bins at the Bovina elevator, the organization is hoping for a successful year in the grain business.

REMOVED TO HOSPITAL

Mrs. Aubrey Sprawls, who has been critically ill at the family home in Farwell the past two weeks, was removed to a Clovis hospital Monday afternoon for observation and treatment. According to family members, physicians entertain little or no hope for her recovery. The entire community is shocked by the serious illness of this lovable character.

TO MINERAL WELLS

Mr. and Mrs. J. W. Magness left here Tuesday for Mineral Wells, where Mrs. Magness expects to be under treatment for the next few weeks. She suffered a stroke some eight months ago and has been gradually improving since that time.

FISHING AT CONCHOS

Mr. and Mrs. H. T. (Shorty) Edwards, and Mr. and Mrs. Winbrun Hardage are among the fishermen journeying to Conchos Lake northwest of Tucumcari the first of the week.

Mr. and Mrs. Jess Newton and grandson, Bobby King, and Mrs. Bess Mansfield spent Mother's Day in the home of Mr. and Mrs. H. H. Potter in Muleshoe.

Mr. and Mrs. Woodrow Lovelace and Diane were Mother's Day visitors in the home of her parents Mr. and Mrs. Howard Mayfield, near Friona.

CARD OF THANKS

To you who were so considerate and helpful in the death and burial of dear little Aunt Myrtle, we wish to express our most sincere thanks. Mr. and Mrs. T. L. Glasscock, Mr. and Mrs. W. W. Glasscock, Mr. and Mrs. M. T. Glasscock, Johnnie Glasscock, Mrs. Ila Mae Lawler and son, Ted.

INSURE YOUR WHEAT NOW!

It's too late to take out insurance on your wheat after it has been hit by a hail storm.

Better play safe and let us write that insurance policy now. It costs no more to insure it now than later.

LeRoy Faville Agent

The Bees Start The Job Of Harvesting Clover

COLLEGE STATION—The bees start the job of harvesting the clover seed and the farmers finish it. It's up to the bees to pollinate the clover blossoms. Then three weeks

later, the seed matures, says Robert R. Lancaster, extension pasture specialist of Texas A. and M. College. When about 75 percent of the heads are brown, the clover crop is ready for harvest. One beehive per acre in or near a patch of white clover will increase seed production. A very satisfactory method of har-

vesting is to cut the white or hop clover with a mower when the seed is mature, but before shattering starts. Rake it at once with a side-delivery rake, or use a buncher attached to the mower cutter-bar. A dump rake doesn't work very well with clover, says Lancaster, but may be used if light clumps are made. Cure the hay in the wind-row, and turn it over if rain comes. After two or three days it should be ready to hull. A combine with pick-up attachments, or a clover huller may also be used.

Otherwise, clover seed can be saved in the chaff by cutting, curing, then thrown roughly from a wagon onto the floor or a clean space on the ground. Beat it with forks and shake it as the straw is thrown out. This leaves the seed in the chaff can be handled in large bags and seeded by hand or mixed with barnyard fertilizer and spread.

Lancaster says the simplest method of saving clover seed is in the hay. The crop may be raked or bunched as for threshing, then scattered as thinly as possible over the land to be seeded.

Or, the hay can be cured and stored in the barn or spreading out later on in the early part of the fall, concludes the pasture specialist.

Texas Business Activity On Downward Trend During March

AUSTIN—Texas business activity continued to move downward in March, to bring the Bureau's index of business activity to 218 (1935-39=100), the lowest point since June, '48, the University of Texas Bureau of Business Research reported.

The 2-per-cent drop from February is positive confirmation of the fact that the decline that has been going on all over the country has been felt in Texas, Dr. John R. Stockton, bureau statistician said. Although business economists are not in agreement as to the prospects for deflation or more inflation, the majority of business concerns and governmental agencies are proceeding on the assumption that deflation is under way.

The successive steps that tend to encourage credit expansion indicate that the Board of Governors of the Federal Reserve System considers that the inflationary movement has stopped its upward course. The fact that supplies of most commodities seem to have caught up with demand at present prices seems to indicate without question that inflation has run its course, Dr. Stockton stated.

Four of the six components of the Bureau's index of business activity fell under their month-earlier levels and three of the components dropped from March 1948. Crude runs to stills lagged 6 per cent in February and 5 per cent from March 1948.

Electric power consumption for March slipped 7 per cent from February, to register the largest decline from the previous month. In comparison with March, 1948, electric

power consumption was up 12 per cent.

Department store apparel store sales slipped 2 per cent from February and fell 9 per cent from March 1948. Although March pay rolls were slightly below February, they were 12 per cent above a year earlier.

Miscellaneous freight carloadings showed a 2 per cent increase over February, but fell 16 per cent during the 12-month period. Employment edged upward fractionally from February and rose 5 per cent over March a year ago.

After adjustment for seasonal variation, Texas retail sales gained 3 per cent from February to March for the second consecutive month. These increases have been entirely in the sales of durable goods stores; sales of nondurable goods stores have declined every month of 1949, in comparison with the preceding month, Dr. Stockton said. The relaxations of credit controls have been aimed at stimulating sales of durable goods, apparently with considerable success in Texas.

Industrial electric power consumption, after adjustment for seasonal variation, declined 4 per cent in March, following a slight decrease in February. Man-hours worked in Texas manufacturing industries slipped 1 per cent in March, after a drop of 4 per cent in February.

Building permits in Texas cities decreased 3 per cent during March, to bring the Bureau's seasonally adjusted index 16 per cent below the level of March 1948. The total for the first three months of 1949 was 31 per cent below the first quarter of 1948 as a result of a decline that has been under way since the middle of 1948.

However, the total value of building permits is still more than four times the 1935-39 level. Even after making allowance for the great increase in building costs this represents a building boom of rather large proportions.

Farm cash income in March recovered sharply from the extremely low level reached in February as a result of the freeze in the Lower Rio Grande Valley. The Bureau's seasonally adjusted index rose 15 per cent from February to 220 per cent of the prewar (1935-39) level. Despite this rise, the level of farm income in the first quarter was 15 per cent below the first quarter of 1948.

Lower prices of all major farm products rather than reduction in the amount marketed, in general accounted for the decline. Of the major segments of the economy of Texas, farm income has shown the greatest reduction, and was the first phase of business to feel the effects of the recession at its taking place.

AUSTIN—Egg shipments by rail from Texas stations amounted to 62 carloads in February and 131 a year earlier. The University of Texas Bureau of Business Research reported. Egg receipts at Texas stations totaled 13 carload in March 16 in February, and 12 in March 1948.

SCHAFFER ONE-WAY PLOWS

THE EASIEST PULLING PLOWS EVER BUILT

These Features

- Timken Roller Bearing throughout. Protected from dirt and dust with permanent seals.
- 26" disc blades, high alloy steel.
- 4" concavity discs.
- Made in the following sizes: 4 ft., 6 ft., 8 ft., 9 ft., 12 ft., 14 ft., and 18 ft.
- No rear or side levers. Raise disc out of ground with a screw system. A 10-year-old child can easily raise a 14 ft. plow.
- All electric welded frame. Made from drill stem... strongest pipe there is for weight.
- Can be converted to hydraulic or electric lift in place of screw.
- Easily set to plow in all kinds of ground.
- Easy to set for any cut within plow range.
- Lubricate disc and wheel bearings but once a season.
- Plows any depth from 0" to 10".
- Easily adjustable for road travel.

In every state live some of the three million people who own the business-managed electric companies

And in cities and towns everywhere live another 72,000,000 indirect owners—probably including you. Much of the money you put into bank savings and life insurance premiums is put for you in electric company securities—some, perhaps, in your own electric light and power company.

Nearly everybody owns these companies that serve nearly everybody! What affects them affects you.

Have Your Vetch Tested To Determine Quality

COLLEGE STATION—Texas farmers have a way of finding out just how good their vetch is.

If they will send it to the Vetch Seed Testing Laboratory at the Texas Agricultural Experiment Station in College Station, this laboratory will make germination and purity tests of the vetch seed free of charge.

E. B. Reynolds, experiment station agronomist in charge of the laboratory, says the vetch sent in to the testing laboratory should be a representative sample of the vetch the farmer has on hand. At least two pounds of vetch should be submitted for sampling, sent in cloth bags or securely packed to prevent loss or breakage.

It takes at least three weeks to get a report on the samples of vetch, Reynolds says. Fourteen days are required to make germination tests and about a week for shipment to and from the laboratory.

Send the vetch samples to Vetch Seed Testing Laboratory, Department of Agronomy, TAES, College Station, Texas. Name and address of the sender and any identification should appear on the tag or label on the outside of the package says Reynolds.

When the grower receives his information results of the tests may be used by him in securing official tested seed labels. Such labels must be applied for directly to the Seed Laboratory Division, State Department of Agriculture, in Austin.

Since this laboratory was established especially to make germination and purity tests of vetch seed produced by Texas growers, they are urged to use these services if they need them, Reynolds says.

Marie Antoinette, Queen of France when told that the poor had no bread, said "Let them eat cake."

"GOD IS MY LANDLORD" . . .

The dramatic story of a Biblical promise come true, Perry Hayden illustrates how God showers his blessings on those who make him their landlord. Read his phenomenal six year "Biblical Wheat" tithing experiment in The American Weekly that great magazine distributed with next Sunday's Los Angeles Examiner.

The average person forms an opinion by adding to a small measure of information a dash of imagination and a large quantity of prejudice, shaking well with emotion.

LEGAL NOTICES

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Joseph C. Huffman, J. C. Huffman, Herman Schutte, G. H. Hunter, and all parties owning or claiming any interest in the land or lots hereinafter described, and the unknown heirs, wife or wives, assigns and legal representatives of the said Joseph C. Huffman, J. C. Huffman, Herman Schutte, G. H. Hunter, and the unknown owner or owners thereof, defendants, greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 13 day of June A. D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 26 day of April A. D. 1949, in this cause, numbered 1472 on the docket of said court and styled T. J. Crawford, Plaintiff, vs. Joseph C. Huffman, et al, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Suit by plaintiff in Trespass to Try Title against said Defendants, Plaintiff alleging that on April 1st, 1949 he was and still is the owner in fee simple of Lot Six (6) in Block Number Nineteen (19) of the Original

al Town of Friona, Parmer County, Texas, and that he was also on such day in possession of the same and that on April 2nd, 1949, the defendants unlawfully entered upon and dispossessed him of such premises and withhold from him the possession thereof. Plaintiff alleges damages for such unlawful use in the sum of \$75.00 and prays that defendants be cited to answer this petition, and that he have judgment for title and possession of said land, for his damages and costs of suit, and for such other and further relief to which he may be entitled either at law or in equity. Plaintiff pleads the three, five, and ten years' statute of limitation in the alternate without waiving other parts of the pleading, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and Seal of said Court, at office in Farwell, Texas, this 26 day of April A. D. 1949.

Attest: LOYDE A. BREWER, Clerk District Court, Parmer County, Tex (SEAL) 28-4tc

NOTICE OF ELECTION THE STATE OF TEXAS COUNTY OF PARMER

TO THE RESIDENT, QUALIFIED ELECTORS OF PARMER COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in Parmer County, Texas, on the 28th day of May, 1949, on the proposition and at the place more particularly set forth in the election order passed by the Commissioners' Court of said County on the 26th day of April, 1949, which is as follows:

"AN ORDER CALLING AN ELECTION ON THE PROPOSITION OF THE ISSUANCE OF \$1,150,000.00 OF ROAD BONDS AND THE LEVY OF AN AD VALOREM TAX IN PAYMENT THEREOF. WHEREAS, there has been pre-

sented for the consideration of the Court a petition signed by C. W. Dixon and more than fifty other persons praying that an election be held in Parmer County on the proposition of the issuance of Road Bonds of said County in the amount of \$1,150,000.00 and the levy of an ad valorem tax in payment thereof; and

WHEREAS, the Court has found that said petition is signed by more than fifty of the resident, qualified property taxpaying electors of Parmer County owning taxable property in said County and who have duly rendered the same for taxation and

WHEREAS, the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Parmer County;

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED BY THE COMMISSIONERS' COURT OF PARMER COUNTY, TEXAS:

1. That an election be held in said County on the 28th day of May, 1949, which is not less than thirty (30) days from the date of this order, to determine:

"Whether or not the bonds of said Parmer County shall be issued in an amount of \$1,150,000.00 bearing interest at a rate not to exceed 3 1/2% per annum, payable annually or semi-annually, and maturing at such time as may be fixed by the Commissioners' Court, serially or otherwise in not to exceed thirty (30) years from the date thereof, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes or in aid thereof throughout Parmer County, Texas; and whether or not ad valorem taxes shall be levied annually on all taxable property in said County sufficient to pay the annual interest on said bonds and provide a sinking fund sufficient to pay the bonds at their maturity."

2. That the proceeds of such bonds if authorized, shall be expended in the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes or in aid thereof throughout Parmer County, Texas.

3. That said election shall be held under the provisions of Chapter 3, Title 22 Revised Civil Statutes of 1925, as amended by Chapter 16 Acts of the First Called Session of the 39th Legislature.

4. All persons who are legally qualified electors of this State and of this County, and who are resident, qualified property taxpaying electors of this County, owning taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election, and all electors shall vote in the election precinct of their residence.

5. The ballots of said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF";

"AGAINST THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF";

Each voter shall draw a line through one of the above expressions, thus leaving the other as indicating his vote.

6. The said election shall be held at the several polling places in Parmer County, Texas, and the following named persons are hereby appointed as officers of said election at the several voting precincts as follows:

In Precinct No. 1 at Black, in school house, with the following election officers: Bill Edelman, Presiding Judge; Fern Barnett, Judge; Bruce Parr, Clerk; Clyde Hays, Clerk.

In Precinct No. 2 at Friona, in school house, with the following election officers: T. J. Crawford, Presiding Judge; C. V. Goodwine, Judge; F. W. Reeve, Clerk; Elmer Euler, Clerk.

In Precinct No. 3 at Bovina, in school house, with the following election officers: C. R. Elliott, Presiding Judge; Nat Read, Judge; Edd Ross, Clerk; I. W. Quickel, Clerk.

In Precinct No. 4, at Farwell, in court house, with the following election officers: J. W. Magness, Presiding Judge; Albert Smith, Judge; Chas. Lunsford, Clerk; Mrs. O. B.

Pipkin, Clerk.

In Precinct No. 5 at Lazbuddy, in school house, with the following election officers: Roy Daniel, Presiding Judge; Geo. Crain, Judge; C. C. Matthews, Clerk; Joe Jesko, Clerk.

In Precinct No. 6 at Oklahoma Lane, in school house, with the following election officers: Sam Sides, Presiding Judge; C. C. Christian, Judge; L. M. Grissom, Clerk; G. H. Lindop, Clerk.

In Precinct No. 7 at Rhea, in teacherage, with the following election officers: Melvin Sachs, Presiding Judge; T. F. Taylor, Judge; Jack Woltmon, Clerk; I. D. Stevens, Clerk.

In Precinct No. 8 at Lakeview, in Otho Whitefield home, with the following election officers: Fred Barker, Presiding Judge; Pearl Hand, Clerk; Claude Miller, Clerk.

7. The manner of holding said election shall be governed by the General Laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the Statutes hereinabove cited.

8. Notice of said election shall be given by publication of a copy of this order in the "State Line Tribune", a newspaper published in the County, for three (3) consecutive weeks before the date fixed for holding said election. In addition thereto, there shall be posted other copies of this order at four public places in the County, one of which shall be at the Courthouse door for three (3) weeks prior to said election.

9. The County Clerk is hereby directed to publish and post the same as hereinabove directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers and received by the Court.

PASSED AND APPROVED this 26th day of April 1949.

A. D. SMITH, County Judge, Parmer County, Texas.

ATTEST: LOYDE A. BREWER, County Clerk and Ex-Officio Clerk, Commissioners' Court, Parmer County, Texas.

Tucker Takes Ratings At N. M. State Meet

Two placements were taken by Wayne Tucker, Texico track star, the past weekend, when the sophomore lad was in competition with 420 boys from over the entire state of New Mexico in the spring meet, held in Albuquerque.

Coach C. E. Sanders, who accompanied Tucker to Albuquerque, stated that the local representative ranked third in the broad jump and fifth in the 440-yard run. He failed to qualify for the finals in the high hurdles, running a preliminary heat in a stiff wind, Sanders added.

Honors of the day went to Carlsbad, with Albuquerque in second place and Hobbs third. Dale Saxton, of Melrose, tied with McMinn and Vandergriff, both of Carlsbad, for high-point individual honors, with each of the lads taking two blue ribbons for 14 points.

Records fell with resounding thumps during the weekend, Coach Sanders said, adding that more records were broken last weekend than at any single state meet since 1927. McMinn set a new record in the broad jump; Vandergriff broke the old high hurdle record; Smith, of Albuquerque, went all out to set the new time for the half at 50.8 seconds and Gordon Dean and a boy from Roy, whose name was not learned here, tied in breaking the high jump

TEN BUSINESS FAILURES

Ten businesses failed in December and eight in January 1948. Liabilities per failure averaged \$51,000 in December and \$18,000 in January 1948.

HOME FROM AUSTIN

Coach Louis Purvis, Toby Booth and John Christian returned Sunday from Austin where the boys had participated in the Class B state track and field meet. Neither of the boys qualified for the final events, being eliminated in the preliminaries. Christian went out at 5'8" in the prelim high jump—and that very height won second place in the final, officials reported.

Bovina Graduation—

(Continued from Page 1)

Don Tabor, Billie Don Read, Jimmy Ray, Bobby Englant, Fred Hoffer and Frances Whitesides.

Program on Thursday

Supt. Cherry added that the elementary school graduates will have their program on Thursday night, May 19th, with a one-act play, "Dress Rehearsal", featuring the evening.

Members of the class are Don Alverson, Florence Dean, Jerry Ellison, Rex Isham, Catherine Jefferson, Margie Leake, Norma Lee Loflin, Kenneth Joe Laurie, Lavonda Newton, Bertha Owens, Mary Ray, Jamie Tidenberg, Billie Ward, Carolyn Wilson and Doris Jean Young. Miss Helen Hannan is the sponsor.

School will not be held on Monday, May 23rd, but buses will run at the regular time on Tuesday the 24th, with students gathering to receive their final report cards.

"WHAT IS AN EDUCATION?" MINISTER ASKS GRADUATES

(Continued from front page) ple most miserable... life is more than eating, drinking and being clothed," the speaker emphasized.

In conclusion he pointed out that "you are going to be miserably short-changed unless you know something of the spiritual," and added, "unless you begin now to cul-

tivate your spiritual life, I predict for you a bitter future." He stressed the importance of a keen knowledge literature, the Bible and culture.

Rev. Harvey Carrell offered the invocation, and B. N. Graham read a few verses from the third chapter of Proverbs, to open the program. Two choral numbers were sung by a girls' chorus, and Supt. B. A. Rogers lead the audience in singing, America the Beautiful.

The benediction was pronounced by Mr. Graham and Mrs. Henderson played the recessional, as the members of the class, Buddy Pearce, Grace McDaniel, Claudine Bridges, Kenneth Bridges, Beal Stewart, Delphine Johnson, Norma Lee Sanders, Ansel Doolittle and Vernon Blain, filed out of the building.

GRAIN MEN GETTING READY FOR HARVEST

(Continued From Page 1)

ers preferred to keep some grain on hand.

While opinions vary widely as to the expected yield in Parmer County this year, both growers and elevator men alike agree that the crop will be well above the average, barring hail or other destructive forces between now and harvest. One fairly good authority on wheat production, who asked that he not be quoted, placed the minimum at two to three million bushels. Joe Camp, at the Parmer County ACA office, said today that the acreage over the county would approximate 175,000 acres.

With a reasonable flow of cars for shipment this year, grain men are hopeful that the usual bottleneck in moving the grain out will not be experienced. They point out that with approximately 3½ million bushels of storage space in the elevators, not counting farm storage, handling the crop will not prove the headache it has been in recent years when cars for shipment were extremely slow.

New Curtain Goes Up On Texico School Set

A beautiful new maroon stage curtain was installed at the Texico school auditorium last week, displacing the old curtain that had been in use since 1936.

Materials were purchased and a group of the ladies did the sewing, which resulted in a creditable showing as well as a big saving. The overhead valance is bordered with a wide fringe of white cord.

Supt. B. A. Rogers said Mesdames Stanley Stewart, Ed Blain, Edward Engram, F. D. Stout, Les Means and Barney Harding were chiefly responsible for the workmanship on the new stage curtain.

Friena Graduation Dates Are Given

Supt. Dalton Caffey announced on Monday that graduation activities for the twenty-five graduates of the

Friena high school would begin on Sunday, May 15th, with baccalaureate services, and conclude on Thursday night, May 19th, with the commencement exercises.

Both programs will be held in the evening, at the grade school auditorium, and are slated to get underway at 8:15 o'clock.

Rev. North, pastor of the Friena Congregational Church, is to deliver the baccalaureate address on Sunday evening and L. L. Martin, superintendent of schools at Crain, Texas, will be the guest speaker on Thursday night.

Valedictorian of the graduation class is Lunell McFarland. Pat Deaton is the salutatorian.

Eighth grade exercises will be held Wednesday night, May 18th, at the school auditorium, with Rev. T. B. Allen, pastor of the Friena Baptist Church, as the speaker.

Boys Active With .22 Rifles Here

Odis Huggins, local manager of the Southwestern Public Service Company, stated the first of the week that evidence of small boys with .22 rifles is showing up in the street lights in Farwell.

One particular street light in south Farwell has been the object of some lad's marksmanship on three different occasions during the past two weeks. Huggins said that on former occasions the boys had been using air rifles, but during recent weeks had resorted to the higher velocity guns which not only knock out the light bulbs but also the reflectors.

Huggins reported that reflectors were extremely hard to obtain, and asked parents to assist him in stopping the sharpshooters.

Bovina Seniors Plan Trip To Texas Points

Galveston, Houston, San Antonio, and Austin are on the itinerary of the school trip planned this spring by the Bovina seniors and their sponsors, Supt. W. O. Cherry announced today.

The group plans to leave Bovina on the morning of May 21st, in a school bus driven by Vernon Ward. Mrs. Otie Ellison, as sponsor of the class, and other adults not yet named will accompany the class.

The trip is expected to take a week with the group returning to Bovina around May 28th.

Matched Ropings At Muleshoe and Sudan

Two matched ropings are scheduled this weekend at Muleshoe and Sudan, with Mitz Walling and Robert Calaway pitting their abilities against ropers of those cities.

On Friday, May 13, Walling and Calaway will meet G. Keller and Pricey Hamilton at Muleshoe for the best time on eight calves. On the following day, Walling and Calaway

A GOOD INVESTMENT

Growers have proved long ago that it pays to treat planting seed before sowing. Ceresan and Copper Carb are the acceptable treatments. We have both.

FOX DRUG STORE

will take on Roy McLary and Lewis Fields at Sudan for the best time on ten calves. A \$400.00 purse is at stake in both events, with the winners to take all.

The contests are to be held at 8 p. m. in the evenings, at the lighted rodeo arenas at the two towns. Following the contest, a jack-pot roping will be featured each night.

Residents Reminded Of Pre-School Clinic

Residents of the Texico school district were reminded today of the scheduled pre-school clinic, to be held at the school building on this Thursday, May 12th, at 1.30.

Supt. B. A. Rogers warned parents that New Mexico law requires smallpox vaccination before children can enter school for the first year, and urged that all pre-school age youngsters in the district take part in the clinic in order that they may receive inoculation shots for various contagious disease.

During the summer, the clinic will be held monthly on the second Thursday afternoon at the school. It is being sponsored by the PTA, and all parents are urged to cooperate.

HAS OPERATION

Mrs. Woody McDermitt was returned to the home of her parents, Mr. and Mrs. J. H. Birchfield southeast of this city, Sunday afternoon, after having undergone an emergency operation for appendicitis last Wednesday afternoon. Family members report her condition as satisfactorily.

Station Undergoing Complete Remodeling

The Tom J. Finley service station, located across the street from the Texico Hotel, is undergoing a complete remodeling job this week, which, when completed, will make it one of the most attractive in the Twin Cities.

New and larger concrete driveways are being laid, four new pumps are being installed, and the premises will be further beautified by abackdrop of attractive white fence. Finley said Monday that Texaco products would be sold at the station in the future. James Spurlin is in charge of the business.
