

FROM THE HOPPER

By HOP

Here is a letter from Mrs. Andrew McClure, who gets her mail away up in Galva, Ill., who says that they own land near Farwell, and suggests that we give more news regarding weather, moisture and crop conditions in this area. Well, dear lady, about all we have had to report on since late last summer was weather; we haven't had any moisture nor crops since that time in these parts. Right now we are enjoying the first break in the moisture situation in the past eight or nine months, with the result that there was no wheat crop of any consequence, and farmers are just now getting their spring planting done. When we have nothing to report on moisture and crops, it is a little difficult to go out and manufacture a story along these lines, you know. Occasionally, we can fake a story on other subjects, but to attempt to fake one on weather and crops would result in our veracity being questioned immediately. Farmers still are able to recognize rain when they see it, you must understand, and they also know when their fields show promise of a harvest. You just can't lie about these matters and get away with it.

It appears that we are too much of a softy to catch fish any more. Last week, in company with Junior, we spent two days at Conchas Lake, and came home empty-handed. Guys that stayed up all night running trot lines and fishing with poles off the bank, brought in good strings of fish. But when nightfall came, our air-mattress and woolen blankets were too much of a temptation to us—returned in, only to hear of big catches during the night hours. If the fish don't want to bite at more convenient hours, it appears that our association will continue to be limited.

Well, according to present plans, this columnist will be off to the annual meeting of the Texas Press Association in Fort Worth on Thursday. One of the luncheons on the program will be held at the plant of Swift & Company in Fort Worth. As a lad of 13 years, this writer worked on the killing floor of the packing plant some 45 years ago, and to revisit the plant for the first time in that span of years promises to be a great thrill. Wonder if Swift & Company still uses iron grey horses to pull their delivery wagons?

Even radio operators recognize that newspaper advertising surpasses radio advertising. When the radio boys have a message they want to reach the people, they turn to newspapers to carry that message rather than rely on announcements over their own mikes. The very fact that radio operators themselves turn to the newspaper medium when they have a message they want to get over should be proof enough to everybody that they are admitting the superiority of newspaper advertising. We are not condemning radio advertising; we are merely pointing out what the radio boys are admitting. We once knew an advertising salesman who later applied for a job selling ads to a radio station. The manager put him on, after admonishing: "Don't ever make the mistake of boasting that radio advertising is better than newspaper advertising unless you want to get your ears pined back. Even we know better."

Considerable agitation is going the rounds favoring parallel parking on Farwell streets. Now that the city has been incorporated, an ordinance could be passed requiring this form of parking, but we hope this will not be necessary. If parallel parking is necessary—and we are inclined to believe that it is—we believe that the better plan is for it to come about by voluntary participation rather than by compulsion. Since the main thoroughfare along the main drag of town is also the route of Highway 70 and 84, it would allow room for more traffic and at the same time be safer for all concerned if parallel parking was practiced. Opinion has been voiced locally that eventually the State Highway Department may require parallel parking along Avenue A inside the city limits. So, if we are to have this form of traffic regulation, let's begin now practicing it on a voluntary basis. This would avoid the hard feeling that usually results from an ordinance that requires it. Most of us just naturally prefer being asked to do something, rather than being told that we must.

Mrs. Ira S. Levins and daughter, Susan, and grandson, Bob Scott, returned home Saturday from a week's visit with friends and relatives in eastern Oklahoma.

They Ride 'Em High in England

SIX FEET HIGH—AND OVER! . . . "Farmer's Glory" and his rider, Miss M. Edgar, take a jump in England's royal Windsor horse show in London with six feet flying and plenty of room to spare—between the horse and rider at least. The spectacular equine event was a major attraction to horsemen and horse women from all over the country, with its thrills and spills on the turf. Miss Edgar was entered in the class six ladies open jumping event, which contained many spine tingling leaps.

2080-Pound Liberty Bell Replica Shown in Twin Cities Monday

"Proclaim liberty throughout all the land unto all the inhabitants thereof." These words, taken from the Bible, are inscribed on the original Liberty Bell and also appear on its exact replica which was shown in Texico-Farwell, Monday morning.

This bell is used to stimulate interest in the national Savings Bond Independence Drive which began May 15 and ends July 4.

Mounted on a truck, the bell has been shown in New Mexico and West Texas; the remaining days of the tour, it will be shown in Melrose, Ft. Sumner, Albuquerque, and all intervening towns, Jimmie Culwell, driver of the truck, said.

A special ceremony will be given in Santa Fe where the bell will be presented to the governor by the Secretary of Treasury to be placed in the historical museum of the state. Texas will also receive one to be placed in either Austin or Dallas, stated Culwell.

The replica bell weighs 2,080 pounds, is 7 feet 6 inches in circumference around the top, 12 feet around the bottom and five feet in height. The average thickness is 3 1/2 inches. The clapper in the bell is 3 feet 2 inches long and weighs 84 pounds.

Made in Anney, France, the bell was cast in wax, Culwell said. It is 84 percent copper with alloys of tin and silver. Through a special process of heat, the wax was eliminated and alloys were added to give the bell

Engineer Howren Meets With Council; Discuss Sewer Plan

Action already is being taken on Farwell's new sewage disposal project. Engineer Bill Howren, Amarillo, met with the city council last Wednesday night to discuss proposed lines and technicalities of the system.

At that time, Howren had run stakes in a number of Farwell alleys, and he outlined the projected sewer lines on a map to the council members present. He said this preliminary work could be done while waiting awarding of the sewage construction contract. Texas law requires that a "rest period" of 30 days be observed from time of the bond election before any funds be spent.

An estimated 45 days will lapse before construction of the project is begun. Engineer Howren previously had speculated construction completion and the beginning of sewage operation near September.

HEAT WAS ON

"How old is Grandpa Higginbottom?" "I don't know, but when the cake was brought in at his last birthday party, the room grew so hot they had to open all the windows."

the exact tone of the original Liberty bell. The wooden beam on which it hangs is black walnut and came from the same forest in France as that of the original bell.

Materials for the bell were furnished by six large copper companies of the United States, Culwell explained. These companies also paid the shipping charges. A total of \$108,000 was contributed to have bells cast, one for each state in the union and the District of Columbia. The Ford Motor company furnished trucks to mount the bells for the tours of the United States, and also furnished \$50,000 to pay the drivers expenses. The Standard Oil company of New Jersey furnishes gas and the American Bridge company and the U. S. Steel Corporation furnished braces.

The National quota for the bond drive is 650 million dollars. It is estimated that all the bells combined will have toured about 10,000 villages, towns and cities before the end of the drive, Culwell said.

Locally, the children were particularly impressed. Anyone was allowed to ring the bell and groups stood on the sidewalk to watch other people and their reactions to the monument. Some of the braver children pulled the rope to ring the bell and a few of the older onlookers also joined in. One small child pulled the rope and became so excited when she heard the bell, she rushed away.

The original Liberty Bell was cracked in 1885 and can't ring.

Texico-Farwell Water To be Cut Off Today

All Texico and Farwell water users are warned by V. C. Ven of the city Water Company that pressure will be cut off this evening at 7 o'clock. He said it was possible that the supply might be off for two hours. Venable explained that the action was necessary because of a new 4-inch line being installed to the Courthouse in Farwell.

South Road Will be On New Mexico Soil

In a telephone conversation with New Mexico State Highway Engineer B. B. Dwyer early this week, he revealed that the 7-mile farm-to-market road to be built south of Texico-Farwell to the Bailey County line would be located all on New Mexico soil, although it would parallel the present route of the state line road.

Dwyer explained that since the road was to be built by New Mexico, it would be located on the New Mexico side of the state line to avoid disputes regarding maintenance and other legal difficulties that might crop out in the future.

Previously, Dwyer had announced that bids on the new road would be called "about the 30th of June."

Sudden Rains Wash Crops; Planting Begins in Area

LIGHT WHEAT HARVEST BEGINNING AS WARM WEATHER RIPENS FIELDS

What is considered the lightest wheat harvest ever reaped in Parker County began getting under way the latter part of last week, and is expected to be completed before the close of the present week.

Grain dealers contacted this week expressed the opinion that none of the grain would find its way to the local markets. Growers who are fortunate to raise any wheat at all, they explain, will likely have storage facilities on their own premises to care for the exceedingly light crop.

BULLETIN

Bert Williams, farming south of this city, brought the first load of 1950 wheat to Farwell late Monday afternoon. He has a small 20-acre patch of irrigated wheat that is making around 15 bushels to the acre. The first load was sold to the Henderson Grain & Seed Company for a premium price of \$2.25 per bushel. The new crop tested 63 pounds and had a moisture content of 11.8 percent.

It was the general belief of elevator men that all the wheat produced in the area this year would be kept on the farms for reseeding purposes this fall.

Fields that will justify harvesting expense are not calculated to yield more than 5 to eight bushels to the acre, with possibly a few exceptions occasionally. Generally speaking, the crop is a failure, due to continued dry weather through the winter and spring months.

George Houser, manager of Potishman elevator at Lariat, said Monday that there was a possibility that "seven or eight" carloads might be shipped from the Progress elevator, going on to explain that this wheat was being produced on irrigated land around that station. Other grain buyers gave a grim report of the yield, with none of them expecting any grain from this year's crop.

Texico Council Moves To Regulate Traffic

A meeting of the Texico Town Council, which was a continuation of the regular meeting held on June 5, took action to regulate traffic movements along Wheeler Street inside the corporate limits by adopting a six-point resolution.

After calling attention to the fact that an agreement exists between the Town of Texico and the New Mexico State Highway Department, whereby certain traffic regulations will be enforced along Wheeler Avenue, the resolution sets out:

- (1) Parallel parking will be enforced on Wheeler Avenue throughout the length of the avenue;
- (2) Double parking will not be allowed;
- (3) Making turns except at intersections will not be allowed;
- (4) Parking in front of the fire station and near fire plugs will not be allowed;
- (5) Persons caught violating any of these traffic regulations will be given traffic tickets and the minimum fine will be one dollar and costs.

Grayson Roberts, who was appointed a week ago to succeed R. E. Mears as a member of the Town Council, qualified and assumed his duties Monday night.

Texico Schools Receive Surplus Jeep, Friday

Texico schools will receive a four-wheel-drive army surplus jeep Friday, Agrie Jones, superintendent, said Monday. Chris Anderson, representative of War Surplus Administration of New Mexico, was here last Friday and approved the vehicle for the school.

Jones plans to use the jeep for jobs around the school such as leveling the grounds, moving trash, and carrying equipment.

Other miscellaneous equipment, including library books, and shop tools, recently have been added in the school, Jones said. Pipe, which has been tentatively promised, will be used for improvements.

Mr. and Mrs. Harry Whitley and daughter, Ann, were visitors in Plainview on Tuesday.

Jeanne Dudley Is New Staff Member

The Tribune has something new new this week, a college graduate on the staff.

This is, incidentally, the first time we have boasted such an accomplishment, and The Tribune is proudly presenting Miss Jeanne Dudley, who three weeks ago received her degree in journalism at Texas Tech in Lubbock.

Jeanne is the daughter of Mr. and Mrs. O. M. Dudley of Silverton, and was accompanied here by her parents on Sunday to take up residence in one of the B. N. Graham apartments. Miss Mary Frances Dudley is here to spend a few days with her sister.

Jeanne is to take over the duties of Abie Crume, who is again trying to retire from the newspaper business.

Allotment Deadline For 'New Farm' on Wheat is Announced

June 26th has been set as the final date for filing application for new farm wheat acreage allotment, Joe Camp, secretary of the Parker County PMA office, reported on Tuesday morning.

A 1951 wheat acreage allotment may be determined for a farm on which there was no acreage of wheat in 1948, 1949, or 1950, provided (a) the producer filed a written request for a 1951 allotment within the time specified by calling at the local PMA office; and (b) the land for which an allotment is requested is suitable for production of wheat and the producer can establish the fact that farm operations have changed to the extent that his system of farming in 1951 will require wheat, Camp explained.

Speaking of "old wheat" farms, Camp added such a term is applied to a farm on which there was wheat acreage in one or more of the years 1948, 1949 or 1950, with the base years to be used in establishing such allotments including 1946 through 1949.

"We do not as yet know what the county allotment or individual farm allotments will be," the secretary said, adding "as soon as possible after the county allotment is received and individual farm allotments computed, farmers will be notified."

Garbage Disposal Fee Due in Texico July 1

Town Clerk W. L. Freeman today called to the attention of Texico residents that the garbage disposal fee for the last half of 1950 would be due on July 1.

Payments may be made to Clerk Freeman.

Pool, Brown Back Home From Boys State Meets

Candidates for Boys State from both Texico and Farwell have returned from meetings held June 4-11 in New Mexico and Texas. Girl candidates are attending the Girls State meetings, in session this week.

Boys and Girls State is organized to give practical study of local and state government to boys and girls of junior rank in high school. The system is sponsored by the American Legion Posts and Auxiliaries. While in the meetings, students organize mythical cities, counties, districts and states, elect officials, and form political parties. The purpose of the program is to teach students the fundamentals of state and local government in this country.

Jerry Pool represented Farwell at Boys State, held at the Texas School for the Deaf in Austin. Four hundred fifty-two students attended the meeting. Pool was elected reporter of his city, cheerleader of the Longhorn political party, and was named to the House of Representatives. Recreation

Many hundreds of acres of newly planted crops were either washed out completely or so badly covered up that their survival is not considered likely in a heavy deluge of rain that fell east and to the southeast of Farwell late last Saturday afternoon.

Taking advantage of the scant amount of moisture received here a week beforehand most of the farmers in the area had just completed seeding their fields of feed crops and cotton, only to see their efforts and precious planting seeds washed up by Saturday's deluge.

Farming sections immediately around Lariat, nine miles southeast of here, seem to have suffered the heaviest loss with reports of three to five inches of rain lashing the freshly planted fields in a short period of time. Several farmers in the Oklahoma Lane sector are also replanting their fields this week.

In cases where fields were not washed by the rain, most fields were packed to such an extent that replanting was considered advisable. Replanting operations have been operating on a 24-hour schedule since the first of the week.

The damaging rain seems to have tapered off to the east, with only a good shower reported in the Lazbuddy section. To the north and northeast, only beneficial showers are reported. Bovina reports a bare inch of moisture.

Immediately west of here, the rain was light. But to the southwest the rain was spotted. E. G. Blair and Ed Muckelroy report only good showers on their farms, while W. J. Matthews, six miles down the state line, reports two inches of moisture.

J. R. Thornton, farming directly north about three miles, and Gilbert Watkins, about seven miles northeast, both reported somewhere near one-half inch of moisture. Although they did not consider this sufficient rain in itself for planting, coupled with previous showers, planting activity went ahead.

Generally speaking, reports indicate that sufficient moisture has now been received over all of Parker County and most of Curry County to allow planting operations to proceed, with the possible exception of the extreme northern part of both counties. With favorable weather conditions from now on, farmers say there is still plenty of time for feed crops to mature. Luther Grissom, living in the Oklahoma Lane section, said this week that the best feed he produced last year was planted on June 25. However, opinions of cotton planted this late are not so optimistic, with most farmers agreeing that time is exceedingly late for cotton plantings.

Trade Day Committee To Appoint Assistant

At a called meeting of the Farwell Chamber of Commerce Wednesday night, plans were discussed that would enable a more efficient conduction of the weekly Trades Day program. Commerce representatives voted to give the Trades Day committee power to select and engage an individual to assist the Saturday program.

Allen Shivers Asks 'Term of My Own' As Texas Governor

Gov. Allan Shivers, in formally announcing his candidacy for a first elective term as Governor, said he has done his best to carry out a program for Texas in a manner acceptable to the people of Texas, adding:

"If I have succeeded, I will appreciate their votes for a term of my own."

Shivers, who assumed the governorship last July, had not held a fulltime governmental job before becoming governor. He was elected to the State Senate in 1934 and twice re-elected. In 1946 he was elected lieutenant governor and re-elected to that office in 1948. Born in Lufkin he spent his boyhood in Tyler county and later moved with his family to Port Arthur.

During his public career Shivers has given particular attention to public welfare, rural roads and improved educational facilities. He was a co-author of Texas' original old-age assistance law and helped write the tax bill which still meets the cost of old-age assistance. Under his leadership last February, the Legislature approved a far-reaching reform and improvement program for state hospitals.

"Between now and the July 22 election I will continue to make known my views on important public issues," Governor Shivers stated. "I will emphasize facts and record of accomplishment, instead of easy promises, and will address myself to all the people of Texas rather than to any special group."

The Governor said he considers economy to be the State's top problem. "And that means economy of money, of our soil and of our water resources," he added.

He expressed thanks to "the thousands of individual Texans who have already told me that they will support me in this election."

Red is becoming increasingly popular in men's styles, says a fashion expert. Especially among those who take off their shirts to work in the garden.

MRS. H. T. (Mabel) REYNOLDS

Four communities in Texas are named Concord.

ENMU Band Campers To Present Concert

PORTALES—Eastern New Mexico University's third annual Band Camp, under the direction of C. M. Stookey, will present a concert Friday at 8 p. m. in the University quadrangle building patio. One hundred-twenty students will participate in the presentation of concert selections, overtures, and marches, according to Stookey.

for
Governor

Allan Shivers has served Texas well since he succeeded to this office a year ago. Now he is running for his first elective term.

ALLAN SHIVERS

Featured will be three bands with Clarence Sawhill, director of bands at the University of Southern California, as guest conductor. First, will be the Red Band of 60 pieces, next, the White Band of 60 pieces, and last, the Blue Band, made up of the entire band camp, about 120 pieces.

An original arrangement for band, "Summertime" from "Porgy and Bess," will be on the program. The arrangement was done by William Rhodes, Alamogordo high school band director, who is a member of the staff.

In the finale, twenty twirlers will be presented. The twirlers have been working under R. E. Mead, former head baton twirler for Southern Methodist University band.

Faculty for the third annual Band Camp includes Himie Voxman, William Gower, and Frank Malewski, all of the State University of Iowa; John Buhals, band director of Hobbs high school band; Gregg Randall, Truth or Consequences; Bennett Shacklette, Santa Fe; Stookey, Rhodes, Mead, and Sawhill. The camp closes June 11.

ONE Look

Yes, a look will show you why it's Ford for Fashion, again for '50! Once again Ford's modern styling earned it the Fashion Academy's coveted medal as "Fashion Car of the Year." No other car at any price has received such an honor 2 years in a row.

ONE Listen

You can hardly hear the '50 Ford's powerful V-8, or its companion in quality, the 95-h.p. Six—both are "hushed" to a whisper. Your ride is quiet, too, because "sound-conditioning" throughout Ford's roomy and sturdy "Lifeguard" Body keeps noise out!

ONE Ride

One "Test Drive" and you'll know the luxury comfort of Ford's "Mid Ship" Ride... the safety of its "Lifeguard" Body and King-Size Brakes... its big car roadability. Then check Ford's low first cost, great mileage, low upkeep and high resale value. You'll agree—Ford's the "Big Economy Package" of the low-price field.

Big Wheels of the Sea

NEW YORK—The largest propellers ever made for a twin screw passenger ship in the United States are shown here enroute from Staten Island to Quincy, Mass., where they will be installed on the new 1,000 passenger liner S.S. Constitution. Each of these giant propellers, one of which is shown in transit aboard a Fruehauf Platform Trailer, weighs 54,500 pounds and has a diameter of 19 feet 6 inches. The cone shaped object is a fairwater cap which is mounted on the end of the propeller shaft for streamlining. The S.S. Constitution and a sister ship S.S. Independence are now under construction at Quincy.

ers were farther above the prewar level than any other type of retail store, with lumber, building material, and hardware stores a close second.

Industrial activity in Texas continued to operate during April at the high level of the first three months. Total employment in manufacturing industries were estimated at 331,300 in April as compared to 331,900 in March and an average of 331,100 in 1949.

Building construction in Texas continued to boom, and the bureau's index of the value of permits issued stood at more than seven times the level of 1935-39. Despite the high cost of building, it appears that people are going ahead with their plans to buy homes. There is a general feeling that since prices have failed to decline as expected, there is no good reason to continue waiting. Every indication points to 1950 as

a record year for building in Texas.

SAFETY EQUIPMENT FOR FORD

DEARBORN, Mich.—More than 3,600,000 pieces of safety equipment are given to employees of Ford Motor Company each year. Also, more than 2,000 different kinds of safety features are built into the machines and equipment these employees use to manufacture automobiles and trucks.

BUSY SWITCHBOARD

DEARBORN, Mich.—The telephone system at the Rouge plant of the Ford Motor Company handles an average of 7,500,000 incoming, outgoing and long distance calls through its 18-position switchboard each year. Another 7,200,000 calls are originated over the Rouge plant dial system.

Texas Business Level Still at Peak Activity

AUSTIN—The level of Texas business for the first four months of 1950 has been unusually stable at an extremely high level, Dr. John R. Stockton, director of the University of Texas Bureau of Business Research stated.

The bureau's index of business activity, after adjustment for seasonal variation, averaged 201 percent of the 1935-39 base period for the first four months of 1950. The April index was slightly below 202, slipping fractionally from the March level.

Five of the seven components of the index of business activity registered decreases from March. The largest decrease was in crude oil

runs to stills, which reflected the effect of the refinery strike in Port Arthur. Urban building permits adjusted for price changes declined 4 percent; miscellaneous freight carloadings, 2 percent; and retail sales after adjustment or price change and electric power consumption were down fractionally.

Crude petroleum production in April was 6 percent above the preceding month, and industrial power consumption was up 1 percent.

The level of consumer spending in Texas continued in April at a level much higher than the average of 1949 and higher than the peak reached in 1948. Sales of nondurable goods stores continued below the 1949 average and still farther below the average of 1948.

Sales of durable goods stores, on the other hand, continued to exceed the level of 1949, although there was a 3-percent decline between March and April. Sales of automotive deal-

Dinner Held Thursday Evening At Church

The Womens Society for Christian Service of the Hamlin Memorial Methodist Church entertained the Wesleyan Service Guild with a fried chicken dinner, Thursday night, June 8 with the affair being held in the church parlors.

Mrs. W. H. Graham, president of the hostess group, acted as toast-mistress for the occasion. Special music was provided by Mrs. Charles Russell of Friona, who sang "My Task", accompanied at the piano by Mrs. L. F. Lillard, also of Friona.

The group then joined in singing "Help Somebody Today", following which Mrs. A. D. Smith gave an interesting review of the book "Until The Day Breaks", by Sallie Lee Bell. The dining table was beautifully decorated, with lovely bouquets of roses arranged as centerpieces.

Guests present were Mesdames A. D. White, Frank Hapke, Jim Moore, Charlie Lovelace, T. L. Utsman, Charles Russell and L. F. Lillard.

Members of the two societies on hand included Mesdames A. D. Smith, F. J. Park, E. M. Roop, Ruby Dixon, Grace Pearce, LeRoy Faville, Lena Yoder, Paul Wurster, O. B. Pipkin, Murphy Duncan, Ralph Humble, B. N. Graham, Roy Thornton, Dick Walker, W. H. Graham, M. F. Parton, Albert Thomas, Wilfred Quickel, G. W. Atchley, Bess Mansfield and W. W. Vinyard; and Miss Iris Thornton.

From Albuquerque

Mr. and Mrs. Harold Dixon and daughters were guests the past weekend in the home of his mother, Mrs. Ruby Dixon, and grandmother, Mrs. J. C. Temple, in Farwell. They returned to their home in Albuquerque Sunday evening.

NO ARREST MADE

Sheriff Chas. Lovelace reported today that no arrest had been made in the burglary of the C. R. Elliott Company store at Bovina on the night of June 4, when the store was entered through a side window and three table radios taken. Sheriff Lovelace speculated that the burglary might have been committed by equalization.

FORMER RESIDENT HERE

Valter Wagon, who formerly lived on a farm north of here, is here this week from his present home in Fresno, Calif. He will visit old friends here and at Muleshoe before returning home.

Hospital Notes

Patients admitted to the Parmer County Community Hospital last week included:

Mr. Fred Bolton, medical, Farwell; Betty Martinez, medical, Friona; Mrs. James A. Tarpley, O. B., Friona; O. J. Ingram, medical, Friona; Mrs. C. M. Jones, medical, Friona; Henry White, surgery, Friona; Mrs. George Grant, O. B., Friona; W. C. Williams, medical, Lazbuddy; Thurman Barnett, medical, Friona; and Mrs. Annie Aragon, O. B., Friona.

Patients Dismissed

Mrs. C. L. Dunn, Friona; C. D. Greeson, Friona; Jeff Trigg, Friona; Fred Bolton, Farwell; Betty Martinez, Friona; Mrs. Herman Tedford and baby boy, Friona; Mrs. Doyle Cummings and baby girl, Friona; Mrs. Charles Schlenker, Friona; Teresa Quickel, Farwell; Charles England, Bovina; and Mrs. Tilden Slagle and baby boy, Friona.

WHEAT CROP SHORT

W. T. Wamble of Stinett, visited in the J. R. Hadley home southwest of Texico the latter part of last week. He said that the wheat crop on the north plains was going to be exceedingly short this year. Around Stinett, he said there were few fields that would yield "ten to twelve" bushels.

ATTENDS MARKET

Mrs. Claude Rose, of the Rose Drug Store in Farwell, was in Amarillo on Sunday, where she attended a buyers' market.

DUNCAN IN PORTALES

Rev. Murphy Duncan, pastor of the Texico-Farwell Methodist Church, was in Portales Tuesday representing his pastorate at a meeting of the Clovis District churches. Dr. W. Carl Clement, district superintendent, presided at the meeting.

TO SCOUT CAMP

Roy Melugin, Jr. left the first of the week for the Zach White Boy Scout camp near El Paso, where he will receive a three-day course of prep training for his trip to the National Scout Jamboree at Valley Forge, Pa.

TO UNDERGO SURGERY

Mrs. George Houser of Lariat, has gone to Fort Worth, where she is scheduled to undergo surgery the latter part of the week. Her husband expects to leave on Thursday to be with her until after the operation.

FORMER PASTOR HERE

Rev. and Mrs. W. T. North, and their daughter, Melva, are here this week visiting old friends and the John Hadleys southwest of town. Rev. North was formerly pastor of the local Baptist church, leaving nine years ago. He is now stationed at Peacock, where he has been pastor of the Baptist Church for a number of years.

Due to a heart ailment, Rev. North is now on a six months leave of absence from his pastorate, and says his condition has shown improvement during the past month.

Back To Washington

Pfc. Raymond Lewis, who has been visiting in the home of his parents, Mr. and Mrs. Sam Lewis in Texico, for the past few days, will leave on Thursday, June 15, to return to the Moses Lake Base in Washington, where he is stationed.

Mrs. Lewis, who is making her home with her parents in Oklahoma while Lewis is in service, arrived the first of the week for a few days in Texico.

A person normally has twelve pair of ribs.

Shower Honors Mrs. Jimmie Mooneyham In Oklahoma Lane Community Tuesday

A bridal shower honoring Mrs. Jimmie Mooneyham, the former Wilma Atchley, was held in the Oklahoma Lane gymnasium Tuesday, June 13. Music was played by Mrs. J. W. Herington and Billie Christian was in charge of the guest book.

Cut flowers were used as decoration. The centerpiece featured a water sprinkler with ribbons running from the sprinkler to various pieces of small kitchen equipment. A bride doll in an archway was used to decorate the serving table.

Refreshments of cake and punch were served to Clara Billingsley, Mrs. E. U. Billingsley, Betty Dollar, Mrs. W. H. Dollar, Katherine Merriman, Dot Kent, Mrs. H. S. Curtis, Mrs. Duane Curtis, Miss Vashti Fowler, Mrs. A. B. Wilkerson, Mrs. G. W. Atchley, Mrs. Tom Lindop, Mrs. Lawrence Cooper, Mrs. Vernon Jamison, Mrs. Alvan Bandy, Jeanette Lindop, Mrs. Clyde Perkins, Jimmy Gulley, Mrs. Alpha Doshier, Wilma Doshier, Jerri Allison, Gloria Dial, Mrs. Herman Gerles, Mrs. Ernest Kube, Mrs. Albert Ramm, Mrs. Dick Gerles, Mrs. Fred Bolton, Mrs. Oscar Hubbell, Mrs. L. M. Grissom, Lola Jean Grissom, Caryetta Grissom, Mrs. Kenneth Grissom, Martin and Linda, Mrs. Leon Billingsley, Judy, Bruce, and Janice, Jennie Lynn Bolton, Rosie Atchley, Mrs. Shorty Hughes, Shirley Atchley, Captola Goodwin, Cora Atchley, Jeanette Hughes, Lois Smith, Mrs. Cecil Atchley, Betty Mooneyham, Mrs. Mooneyham, Mrs. Henry Krieger, Mrs. Martin Krieger, Mrs. R. T. Jenkins, Benna Felts,

Mrs. A. D. Moore, Mrs. L. A. Green, Mrs. A. Milstead, Mrs. O. C. Pree, Betty Deaton, Mrs. Claude Watkins, Mrs. E. C. Brown, Betty Foster, Bonnie Warren, Mrs. Don Bruns, Bobbie Christian, Mrs. Joe McWilliams, Mrs. C. C. Christian and Phyllis Kay, June Christian, Mrs. Alton Pruitt and Mrs. Jimmy Mooneyham.

Hostesses were Mrs. Everett Christian, Billie Christian, Mrs. T. L. Kent, Mrs. T. E. Kepley, Mrs. W. P. Shelley, Mrs. Robert Rundell, Louise Rundell, Mrs. Murray Dial, Mrs. Bennie Gulley, Mrs. Alton Berry, Mrs. J. W. Herington, Mrs. Boone Allison, Mrs. George Lindop, and Mrs. Turner Paine.

Many gifts were sent by those who were unable to attend.

Relatives Gather In B. A. Rogers Home

Relatives from various parts of New Mexico and Colorado were visitors in the home of Mr. and Mrs. B. A. Rogers in Texico, during the past weekend.

Here on Saturday were Mr. and Mrs. Ellis Rogers, of Las Vegas, N. M.; while Sunday visitors included Mr. and Mrs. E. W. Rogers, Mr. and Mrs. W. B. Patterson and son, Mrs. Lessie McDougal, Mr. and Mrs. Roy Grant, Mr. and Mrs. Colmore Rogers and children, all of Clovis; Mr. and Mrs. Ray Patterson and children, of Bovina, Colorado; and George Hill, of Portales.

Lt. Commander and Mrs. Allan Rogers and young son, who arrived last week for a visit in the home of his parents, plan to leave Saturday for his new assignment at Newport, Rhode Island.

Visits With Sister

Miss Nancy Lou Sanderson, of Portales, spent several days the past week visiting in the home of her sister and brother-in-law, Mr. and Mrs. Jim Bob Smart, in east Farwell.

ME Youth Fellowship Elects New Officers

Jerry Pool was elected president of the Methodist Youth Fellowship in a meeting at the Texico-Farwell church Sunday night.

Other new officers include Pete Hughes, vice-president; Mary Joyce Rolland, secretary-treasurer; Nancy Aldridge, assistant secretary-treasurer; Beth Sharp, commissioner of worship; Sandra Bateman, assistant commissioner of worship;

Oneda McMath, commissioner of community service; Darlene Sprawls, assistant commissioner of community service; T. W. Paitin, world friendship commissioner; George Duncan, assistant world friendship commissioner; Mary Belle Aldridge, commissioner of recreation; and Rex Pool, assistant commissioner of recreation.

Retiring officers are Beth Sharp, president; Mary Belle Aldridge, vice president; George Duncan, secretary-treasurer; Sandra Bateman, commissioner of world friendship; Belva Bandy, commissioner of community service; Nancy Aldridge, commissioner of recreation; Rex Pool, commissioner of world friendship.

Golden Circle Class Meets On Monday

The Golden Circle Sunday School class met in regular session at the new home of Mrs. Vernie Towns, on Monday night.

After the guests were shown through the new home, the meeting was called to order by Mrs. Raymond Martin, club president. A group song was followed by a prayer. Devotional was given by Mrs. John Lockhart.

A quartet composed of Mrs. Martin, Mrs. Murray White, Mrs. Otis Branscum and Mrs. O. O. Holladay sang "It Pays To Serve Jesus", being accompanied at the piano by Miss Peggy Schleuter.

Refreshments were served after a routine business meeting, then the Golden Circle class and members of the Ruth class presented Mrs. Towns with gifts for her new home. The meeting was closed after another number by the quartet.

Class members present were Mesdames Raymond Martin, Walter Hardage, Asa Smith, Otis Branscum, O. O. Holladay, White, Barney Kelley, John Lockhart and Vernie Towns, the hostess.

Visiting members of the Ruth class were Mesdames D. J. Brown, Nate Harding, O. N. Schleuter, Guy Cox and Sterlyn Billington. Other visitors were Miss Peggy Schleuter, Cecilia Holladay and Betty Ruth Lockhart.

Transferred To El Paso

Pfc. S. N. Lewis, who has been stationed in Alaska for the past 18 months, has been transferred to the Army Air Base in El Paso.

Enroute to his new destination he spent a leave in the home of his parents, Mr. and Mrs. S. N. Lewis in Texico, departing for El Paso on May 25th.

Attend Celebration

Mr. and Mrs. B. N. Graham attended the Golden Wedding celebration of the Neil family, in the Bernard Roberson home in Hereford, on Sunday.

Hospital Nursery Is Filled To Capacity

Facilities in the Parmer County Community hospital nursery, at Friona, were pushed to the limit last Saturday, when five newcomers occupied cribs—the largest number of babies ever present in the nursery at one time.

The boys held a majority, with three on hand, while two little girls stretched in their pink blankets.

The nursery began to fill on Saturday, June 3rd, when Terry Sue was born to Mr. and Mrs. Doyle Cummings; on the following day, June 4th, Robert Paul, son of Mr. and Mrs. Tilden Slagle, took up his quarters; and on June 5th another boy, Jerry Mack, son of Mr. and Mrs. Vernon Tedford, was installed.

Four days elapsed before Jamie Joy, daughter of Mr. and Mrs. James Tarpley, came into the nursery on June 9th, and the final arrival before dismissals from the nursery began was Byron Harlow, son of Mr. and Mrs. George Grant, who put in his appearance in the early hours of June 11th.

So far as the hospital staff is concerned, June, noted as the month of marriages, should be noted as the month of babies.

Attend Wedding In El Paso, May 28th

Mr. and Mrs. J. O. Ford of this city, attended the wedding of their granddaughter, Miss Beverly Jean (Polly) Ford, in El Paso, on Sunday, May 28th. Vows were exchanged between Miss Ford and William Robert Bradley, son of Mr. and Mrs. O. J. Bradley of El Paso in the Lower Valley First Baptist Church.

Mrs. Bradley is the daughter of Mr. and Mrs. Joe Carol Ford, former residents of this city.

Hendersons Arrive For Visit Here

Mr. and Mrs. Clifton Henderson and son arrived here the first of the week for a visit in the home of his parents, Mr. and Mrs. C. M. Henderson, and will also visit other relatives and friends in this area.

Henderson is a theological student at the University of the South, in Sewanee, Tenn., and during the summer will also be doing church work in the New Mexico area under the supervision of Bishop Stoney of Albuquerque.

Mrs. Henderson is secretary to the dean at the University, and will return to her work following a few weeks of vacation over this area.

Weekend Visitors

Mr. and Mrs. T. W. Sheriff and family of Sapulpa, Okla., spent the weekend visiting in the homes of Mr. and Mrs. Jack Williams and Mr. and Mrs. M. A. Snider, in Farwell. Sheriff is a cousin of Williams and Mrs. Snider.

Son Is Born

Mr. and Mrs. Kenneth Willis of Grier announce the arrival of their first born, a boy, on June 7. He has been named Frank Allen and weighs 6 pounds and 8 ounces. Mrs. Willis was the former Helen McDaniel, daughter of Mr. and Mrs. Chas. McDaniel of Texico.

Les Means and Lee Holt were business visitors in Plainview, the past Saturday.

Mrs. Helen Caillouet and Mrs. Mae Means attended business matters in Muleshoe, on Saturday.

Baptist Bible School Ends Summer Term

Commencement program for the annual vacation Bible school at the Baptist church May 29 through June 9 was Sunday night. A total of 150 young people were enrolled with an average attendance of 105 students, Rev. O. O. Holladay, principal of the school, said.

Each department of the school had a brief part in the joint worship program Sunday night. The beginners department and the primary group sang hymns and answered questions on the Bible stories they had studied.

The junior students presented a drama on Baptist mission work and the intermediates gave scripture quotations.

Rev. Holladay gave object lessons on Christ as the "Light of the World" and "The Bible as a Book of Warning."

Four students were baptized at the conclusion of the service.

Teachers working in the school included Mrs. Willie Hardage, Irene Hardage, Mrs. Harry Whitley, Mrs. Bill Moss, Mrs. Gladys Hromas, Mrs. John Lockhart, Mrs. Luther Moss, Mrs. Travis Brown, Mrs. M. H. Poote, Mrs. Hugh Tucker, Mrs. Joe McWilliams.

Mrs. Buddy Pearce, Mrs. S. G. Billington, Mrs. O. O. Holladay, Janie Ross, Carmen Roth, Mrs. W. M. Roberts, Mrs. Barney Kelley, Mrs. Dallas Brown, Mrs. Ronnie London, Mrs. Jack McManigal, Mrs. Olan Schleuter, Cary Joe Magness, and Misses Peggy and Betty Donahey.

One hundred and nine young people were present Friday, the last day of the school. A picnic was held for all students and teachers in Farwell park, Rev. Holladay said.

Supper For Legion, Auxiliary Held

The American Legion and Auxiliary held a joint meeting Monday night in the Legion Hall. After a covered dish supper, a short business session was conducted.

Approximately 25 people were present. Mrs. Lee Meeks and Mrs. Clarence Meeks were hostesses for the evening.

Visit Here Monday

Mr. and Mrs. Paulie Jones and children, Billy Paul, Walter and Nancy, of Amarillo, visited briefly Monday evening in the home of Mr. and Mrs. W. H. Graham in Farwell. Paulie, who is now employed on the Amarillo Times, formerly was connected with The Tribune, and is well known locally.

Works With Choir

Miss Peggy Rogers, junior music student at Eastern New Mexico University in Portales, who is spending the summer in the home of her parents, Mr. and Mrs. B. A. Rogers, is spending two evenings a week in Portales, working with the A Capella choir of the school.

On Vacation

Mr. and Mrs. G. D. Anderson, and grandson, Snuffy Hancock, are on the last laps of an extended vacation tour through the midwest and southeastern part of the country. They have visited in Arkansas, Missouri, Kentucky, and at last reports they were in Georgia. They were scheduled to return here the latter part of this week.

Mr. and Mrs. W. A. Billbrey and sons spent the weekend in Amarillo, and were accompanied home by Blondel Latham, who visited relatives in Texico, Sunday.

N. W. Payton and Homer Storrs, who are employed in Hobbs, spent the weekend with relatives in Texico-Farwell.

It's a Girl!

The Buster Lunsfords have broken the Lunsford family record, with the arrival of their daughter, Vicki Dianne, on Sunday, June 11.

The little miss is the first girl in the Lunsford family in seventeen years, the other exception being "Aunt" Janean, daughter of Mr. and Mrs. Charley Lunsford, who are in turn the proud grandparents. Vicki weighed 6 pounds, 8 ounces on arrival, and she and her mother returned to their home in Farwell on Monday.

Visit In Hereford

Mr. and Mrs. Hayden Cason visited in Hereford with Mr. and Mrs. Van Crume and family, the past Thursday evening. Their son, Wayne, who had spent several days in the Crume home, returned to Farwell with them.

Sunday School Party In Roberts Home

The W. M. Roberts home was the scene of the Baptist Intermediate Sunday school party held from eight to ten p.m. Monday night.

An attendance contest was held in Vacation Bible school with the agreement that the losers would treat the winners to a party, Mrs. Roberts said.

The group of young people played games, then refreshments of Pepsi Colas and cookies were served.

Five boys and ten girls were present.

In Bynum Home

Mary and James Harding of Texico were week-end visitors in the home of Harold Bynum in Carlsbad, N. M. They attended the Carlsbad Elks Rodeo while there.

In Gast Home

Mr. and Mrs. Elmer Boltz and son, Paul, and daughter, Pat, from Rochelle, Ill., were Sunday night guests in the Karl Gast, Sr., home. Mr. Boltz is a brother of Mrs. Gast. The party was enroute to Carlsbad Caverns and points in California.

Has Throat Infection

Sherry Kay Gast, daughter of Mr. and Mrs. Buster Gast, has been quite ill the past week with strep throat and mouth infection, but is showing considerable improvement since Monday.

Return To Home

Mrs. Karl J. (Smoky) Gast and infant daughter, Karla Jacqueline, returned to their home in Farwell on Monday. The little miss was born June 6 at a Clovis hospital, weighing six pounds, four ounces.

In Newton Home

Mrs. H. H. Potter and sons, of Muleshoe visited in the Jess Newton home on Sunday. In the afternoon the entire group visited relatives in Clovis.

Mr. and Mrs. Bob Drace and children of Abernathy visited during the weekend with her parents, Mr. and Mrs. Jim Moore, and with other relatives and friends in Texico.

Miss Mildred Moore was a week-end visitor in Abernathy and Hale Center, returning home Sunday evening.

Muggs Magness, of Mancos, Colo., is visiting his parents, Mr. and Mrs. G. W. Maness.

MAX FACTOR COSMETICS

Including the new Hand Lotion, fitted in Purse Dispenser. Also: Cleansing Cream and Night Cream Sticks.

RED + PHARMACY

Are Dinner Guests

Dinner guests in the Sterlyn Billington home on Sunday were Rev. and Mrs. O. O. Holladay, Mr. and Mrs. S. G. Billington and Mr. and Mrs. Victor Billington and family of Lubbock.

Miss Gloria Ann Johnson of Texico is spending the week at Lazbudy with Miss Patsy Cox.

Norma Lee Sanders is visiting her brother and his family in Spearman. She plans to visit an uncle in Colorado after leaving there.

Rev. and Mrs. W. T. North and Melva Joyce, of Peabody, Texas, are visiting their daughter, Mrs. John Hadley, and family.

Mr. and Mrs. Vance Crume and Judy, of Friona, visited relatives in Farwell on Sunday.

Mr. and Mrs. Paul Wurster and son, Tommy, spent Saturday visiting relatives in Portales.

Mr. and Mrs. J. E. Atwell were visitors from Pineridge, Ark. in the home of Mr. and Mrs. Chas. McDaniel.

Mrs. Jess Latham and children left here Monday for Denton, where they plan to spend three weeks visiting in the home of her uncle, Jack Price.

Mr. and Mrs. Jess Lewis, who have been living in Wichita, Kansas, the past few years, have returned to Texico, where he will be employed at the Roberts Seed Company.

Mr. and Mrs. Paulie Jones and children of Amarillo, visited briefly in the W. H. Graham home Monday evening. Jones was formerly employed at the Tribune office, and he is now with the Amarillo Times.

Bovina Happenings

BY MARIE VENABLE

Mr. and Mrs. Ross Terry and George Wayne, of Friona, visited in the Charlie Jefferson home, Sunday afternoon.

Guests in the Elton R. Venable home Friday night for a seven o'clock supper were Mrs. J. D. Wilkerson and daughter, Janean, of Corpus Christi, and Mr. and Mrs. Oscar Venable.

Ross Jefferson and Miss Norma Lee Loflin visited friends in Jal, N. M., the past weekend.

Mr. and Mrs. H. E. Greenhill and Mrs. Kirk of Amarillo visited the past weekend in the Frank P. Wilson home.

Mr. and Mrs. Bill Allen and son of Amarillo spent the past weekend as guests of Mr. and Mrs. Threlkeld. Mr. and Mrs. Hubert McKinney returned Friday from a week's vacation in East Texas.

Mr. and Mrs. Bob Blalock and daughters, of Oil Center, N. M., are visiting this week with relatives and friends.

Mr. and Mrs. R. C. Martin and sons left Saturday to make their home in Levelland.

Mr. and Mrs. Aubrey Brock are expected to move here this week from Littlefield, with Brock to take over as manager of the Cicero Smith Lumber Co. The Brocks formerly resided in Bovina and friends welcome their return.

Mrs. J. T. Hammonds and daughter left Sunday for Brownfield, to visit her parents, Mr. and Mrs. Hester, for a few days.

Elton Hobbs, of Wichita Falls, is visiting his sister, Mrs. Carol Steelman, this week. He is in the Air Corps and is being transferred to a California base.

The Baptist vacation Bible school is now in progress with about 80 attending.

Red Jones, of California, visited his daughter here the past week.

Mrs. Al Kerby and daughter visited in Carlsbad, Friday. They made the trip with her brother, Paul Frederick, of Rosedale, and visited relatives.

Mr. and Mrs. Gene Hawkins and Mrs. Roy Hawkins, of Clovis, made a business trip to Plainview the past week. Gene saw about entering school there for ministerial training.

Rev. and Mrs. Durward Lee and Bill Moore have returned from a visit to California.

Miss Carolyn Bagwell, of Boyce City, Oklahoma, and Mary Kay and Jo Kay McDonald of Clovis are visiting their grandparents, Mr. and

Mrs. E. D. Ashcraft, this week.

Mrs. J. W. Gooch, who underwent surgery in a Dallas hospital last week is reported in good condition in the home of her parents in Kansas.

Mr. and Mrs. Aubrey Rhodes and Tim and Mrs. Tom Rhodes visited relatives in Amarillo, Sunday.

Mr. and Mrs. Bass Elliott, Mr. and Mrs. R. S. Johnston Jr., and Mr. and Mrs. Bill Liles spent Sunday near San Jon, N. M. They brought back a load of colored rock to be used in work at the city park.

Mrs. Joe Hromas and girls left by plane from Amarillo, Sunday, to visit her parents in Washington.

Mrs. N. E. Bonds is spending this week in East Texas with her parents.

FAREWELL PARTY GIVEN

A farewell picnic supper was given honoring Mr. and Mrs. Shody Martin and sons, at the highway park, last Friday night, June 9. Enjoying the occasion were Mr. and Mrs. John Tabor of Farwell, Mr. and Mrs. Odis White, Bobby Englant, Mr. and Mrs. Emmitt Tabor and Don, Mr. and Mrs. Charlie Jeffer-

son and girls, Mr. and Mrs. E. H. Moody and children, Mr. and Mrs. Paul Jones and Randy, Mr. and Mrs. Nat Reed and Darrel, Mr. and Mrs. Joe Wilson, Mr. and Mrs. T. G. Hudson, Mr. and Mrs. John Kimbrow, Mr. and Mrs. Joe Hromas and girls, Mr. and Mrs. W. E. Williams, Rev. E. J. Speegle, Mr. and Mrs. Hubert Ellison. A set of Fostoria crystal was presented to the Martins who moved to Levelland, Saturday, to take over management of a Cicero Smith Lumber yard.

Digging and Storing Irish Potatoes

COLLEGE STATION—Home gardeners will soon be digging and storing their spring Irish potato crop. The length of time they can be stored will depend upon where you store them and the condition when they are dug, says J. E. Hutchison, associate extension horticultural specialist of Texas A. & M. College.

He says let the potatoes mature before digging them. Potatoes can be dug before the tops die, but they

should be mature if you expect to keep them in storage for any length of time. Press the thumb against the skin of a few, if the skin is tough and doesn't break easily, the crop is ready for harvesting.

If excessive rainfall has occurred just prior to harvest, potatoes may be covered with water blisters (small elevated white spots) on the skin. Harvesting should be delayed until these blisters have dried. If potatoes are harvested when "sappy" or "blis-tery" heavy losses may result from rotting.

Dig the crop by running a middle buster or turning plow under eight to ten inches deep under the row of potatoes. Skinned or damaged potatoes should be separated from the good ones when they are picked up. Use the damaged potatoes first or they will not keep well in storage. He points out that potatoes should be handled almost as carefully as eggs and as soon as they have been picked up, should be placed in the shade to prevent blistering.

A cool, well ventilated cellar makes a satisfactory storage place for potatoes, provided it has an overhead vent for ventilation. The door and vent should be open at

night and closed during the day. The practice will help keep the cellar cool.

Underground in Texas are more than half the known U. S. oil reserves.

HUSKY, Dependable Power

THE POWER AND ECONOMY LEADER OF THE 3-4 PLOW CLASS

THE MASSEY-HARRIS 3-4 PLOW "44"

Here's a 4-cylinder husky that's built for more than just average conditions... a tough, versatile, dependable tractor, the "44" walks away with the most stubborn 3-4 plow jobs on your farm. It's out on a tough field job that you really get to know the "44." That you really discover its lugging ability and economy. You take heavy plowing and discing jobs in stride... plant, cultivate, haul seemingly with no effort.

And you do it on less fuel! There are more acres of work in every tank of gas with the "44." More furrows plowed, more rows planted, more dollars and cents savings in every operation. See us soon for complete details on the Massey-Harris 3-4 Plow "44." Get the power and economy leader for your farm.

Now on display at our store complete with 4-row planting attachments. Ready to go.

Additional Guests At Matthews' Party

The Tribune regrets the omission of names of a number of guests attending the 40th wedding anniversary celebration of Mr. and Mrs. W. J. Matthews on June 4. Actually there were 325 guests who signed the register and our published report last week listed only 172 names. The omission was occasioned by the fact that we failed to observe the names on the reserve side of the typewritten list handed us, and we regret this oversight. The guests who were overlooked in our report last week were:

From Texico, Messrs. and Mmes. Riley Boss, Buddy Pearce, B. O. Faville, Roger Grissom, Jerry Paul, O. S. Allred, John Hadley and children, L. A. Pearce, J. R. Hadley, Edward Engram, O. W. Francis, LeRoy Faville and Mikala, D. J. Brown, R. E. Walker; Mrs. Lewis Pierce, Stanley Stewart, Marvin W. Beam, Raymond and Gail Hadley; Jo Beth, Donald Ray and Patsy Engram, John White, Mrs. W. W. Engram, James T. Harding, Mary E. Kyle, Carlton Kyle, Beryl, Anita Joan and Alec Brown; From Farwell, Messrs. and Mmes. L. A. Cain and son, Claude H. Rose, Wilfred Quickel and children, J. R. Thornton and Iris, Austin Jones and son, Glen Jenkins and Pat; and H. Y. Overstreet and Howard Graham; From Clovis, Messrs. and Mmes. Ed McDaniel, Jack Stallings and Larry, W. Collins, Roscoe Burris, Claude Curry, J. F. Curry, J. M. Edwards, Tom Woods, John Droke, W. F. Martin, Johnny Williams, Austin, John Gregory, Clyn Smith, Albert Vohs, J. Simpson Morgan, Slim Clifton, L. M. Woods and Imogene, C. A. Jopling and children, W. W. Nichols, C. H. Justus, Walter Stockard; Sybil Gilliland, A. W. Skarda, Ben Melton, J. L. Hawkins, Mrs. Vivian Robinson and children, Jackie Clifton, Neil Hanlon;

TELLING IT QUICKLY

A budding journalist was told never to use two words where one would do. He carried out this advice in his report of a fatal accident in the following manner:

"John Jones struck a match to see if there was any gasoline in his tank. There was. Age sixty-five."

Other out-of-town guests: Mrs. Julia King Paunell, Lovington; Mr. and Mrs. J. W. Bell, Bovina; Mr. and Mrs. Roy DeGraffenreid, Melrose; Mr. and Mrs. Warren G. Harding and Paula, Alice Billings, Lubbock; W. W. Williams, Hot Springs; Mr. and Mrs. J. A. Thomas, Muleshoe; Mr. and Mrs. Otto Coley, Frederick, Okla.; Mr. and Mrs. M. Hamilton, Fort Sumner; Ben A. Hawkins, Temple, Tex.; Mr. and Mrs. Joe M. Head, Bellview, N. M.;

Mr. and Mrs. J. D. Harding and children, Levelland; Judge Carl A. Hatch, Albuquerque; J. E. Burditt, Amarillo; Mrs. Edna Paul and girls, Carthage, Mo.; Mrs. J. C. Compton, Mr. and Mrs. Russel Charlton, Santa Fe; Melvin Jones, Floyd, N. M.; Mr. and Mrs. W. P. Clement, Mrs. S. T. Tipton, Mr. and Mrs. Beuer, Mr. and Mrs. A. L. King, Lubbock;

Mrs. Minnie Caldwell, Floyd Burditt, Mary Burditt, Ben Abel, Patsy Celey, Mrs. Ben Abel, Mrs. Delphine Burnitt, Amarillo; Ray Ann and David Ross, Morton; Mr. and Mrs. Lee Briggs and girls, Los Alamos, N. M.; Mr. and Mrs. Jimmie Caldwell and Sandra, Kermit; Mrs. Lara Hunter, Dallas; Geneva O'Brien, Morton; Joe Jones, Bob Moore, Robert Fitzgerald, Lamesa;

Mr. and Mrs. Tom Grady and family, Roy, N. M.; Karis Caldwell, Corpus Christi; Miss Elizabeth McCorcle, Mrs. F. L. McCorcle, Temple; Mr. and Mrs. Sid Holland, Ham Holland, Childress; Mrs. V. J. Jones, Floyd; Ben A. Hawkins, Temple; D. E. Pearce, Fort Worth; Mrs. Euga Engram, Sunray; Mr. and Mrs. Ray Forrester, Wheeler.

New Mexico Lagging In Bond Sales Drive

With 22 percent of the time gone on May 27, New Mexicans had reached only 18 percent of their quota in the Independence Bond Drive, May 15—July 17.

Next to Lincoln and Torrance, which exceeded their quota in the first week of the drive, Dona Ana and Bernalillo follow with 27.37 per-

cent and 27.29 percent respectively. Santa Fe county fifth with 25.99 percent of its \$164,000 quota.

Curry County had attained 18.66 percent of its quota May 27, according to official reports from Federal Reserve Banks by Reese Cagle, county chairman of the Savings Bonds Committee.

It is hoped that reports of sales for the week May 29-June 3 will show a much better standing for this county," said Cagle. "Many people buy their savings bonds around the first of each month."

Oklahoma Lane Social Notes

By MRS. TURNER PAINE

Those attending the workers meeting of the WSCS at Hereford, last Thursday were Mrs. Alpha Doshier, Mrs. Sam Billingsley, Mrs. W. P. Shelley, Mrs. Doyn Merriman, Mrs. Alton Berry and Mrs. Clarence Christian.

Miss Ethyl Roberts of Amarillo is spending a two-week vacation in the home of her sister, Mrs. George Lindop.

Fred Bolton has been a patient in the Friona hospital with a severe sore throat.

The Methodist Men's Club met at the church Monday night to entertain their families. After an explanation of the work of the organization, a few special songs and a talk by L. M. Grissom, refreshments were served by Tom Lindop, Clyde Pekrins, and Truman Kent to about twenty members and their families. The next meeting will be the first Monday night in July.

Rev. A. D. Moore, Earl Roberts and Mrs. Tom Foster have returned from Ceta Canyon where they have been helping with the Methodist junior encampment. Pat Berry, Glen McDorman, Becky Foster and Eugene Merriman were delegates from this church.

Betty Foster and Jo Veta Billingsley have returned from Abilene where they visited McMurry college as delegates from the Oklahoma Lane Methodist Church.

Mrs. D. O. Hobson and two children, Pat and Mike, of Amarillo, are visiting her mother, Mrs. Dick Hammonds. Mrs. Hobson is the former Fern Hammonds.

Mr. and Mrs. Jim Ed McGuire and son, of Tucumcari, were weekend visitors in the community.

Mr. and Mrs. Alton Berry and family, Mr. and Mrs. Tom Lindop and family, Mr. and Mrs. Turner Paine and Fred Paine motored to Dimmitt, Sunday, to spend the day with Mr. and Mrs. Fred Long.

Orland Smith, of Longview, Washington, arrived Thursday to spend the summer with his grandparents, Mr. and Mrs. F. E. Kepley.

Mrs. Travis Rundell and children, Leonard and Kathy Ann, left the

last of the week for Yakima, Wash., where they plan to make their home. They were accompanied by Mrs. Rundell's brother, Charlie Hurst.

A group of relatives and friends gathered in the home of Mr. and Mrs. Bill Hanna, Monday night, for a farewell party honoring Lena, Kathy and Leonard Rundell. Games of 42 were played and the honorees received many nice gifts. Refreshments of ice cream and cake were served to Mr. and Mrs. Lee Doshier, Mr. and Mrs. Bill Dollar, Mr. and Mrs. Bill Dollar Jr., Mr. and Mrs. Tom Lindop, Mr. and Mrs. Turner Paine, Mr. and Mrs. Alpha Doshier, Miss Jimmy Gulley, Mr. and Mrs. James Lee, Mr. and Mrs. Myron Hillock, Mrs. Julia Hillock, Ernest Hillock, Mrs. W. L. Rundell, Weldon Rundell, Mrs. Robert Rundell, Merrill Rundell, Dr. Mary McNeff, Dr. Schenck, Mr. and Mrs. L. D. Rundell, Mr. and Mrs. Neil Hendrickson, Mrs. Lloyd Routen and cousin, Mr. and Mrs. Clarence Barbre and Edith, Mrs. Travis Rundell and children and Mr. and Mrs. Bill Hanna. There were also many children present.

E. A. Berry, of Canyon, has been visiting Mr. and Mrs. Alton Berry and assisting with planting. He returned to Canyon on Saturday.

Mr. and Mrs. Gilbert Ford visited Saturday night in the home of Mr. and Mrs. D. K. Lindop.

2,934 ENROLL AT TECH

LUBBOCK—First day registration at Texas Technological college's summer session sent 2,934 students into classes with total registration not expected to be complete for several days.

More than 2,800 students registered during the first summer term in 1949 and present figures indicate that there will be a slight decline this year.

Reports from various Tech departments showed the enrollment emphasis was in education, particularly in the elementary section.

Madam Curie is the only person ever to receive the Nobel prize twice.

BAYLOR STUDENT WINS \$60

WACO—An unpopular subject, "Texas Needs an Income Tax," paid off handsomely for Philip Duriez, a Baylor University student from Silver City, N. M.

His essay on the subject won first prize of \$60 in Baylor School of Business' annual Burleson essay contest.

Second prize went to Mary Ann Gill of Childress for a treatment of the less controversial subject, "Delinquent Taxes."

MILK IS DELICIOUS:

After meals and after play Milk tastes swell every day!

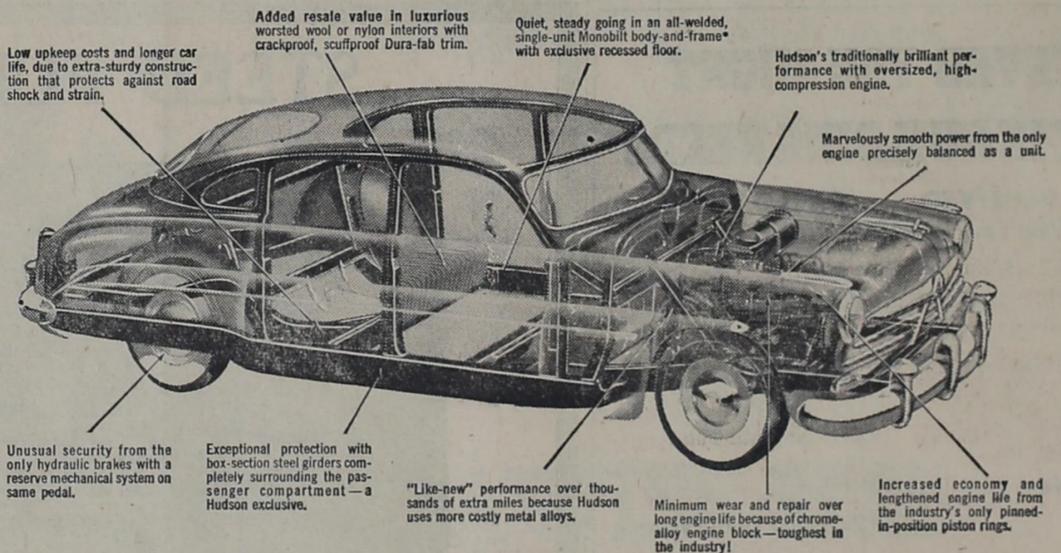

NUTRITIOUS AND ECONOMICAL, TOO

It's just full of vitamins and all the elements needed to make a perfect food. No wonder Mom says it's the best food buy in the market! That's why she uses so much milk in all her cooking and baking—and lets me drink all I want!

AT YOUR STORE—Fresh Every Day. Homogenized or Pasteurized. In Bottles or Cartons!

HERE'S WHY HUDSONS STAY YOUNG SO LONG

Low upkeep costs and longer car life, due to extra-sturdy construction that protects against road shock and strain.

Added resale value in luxurious worsted wool or nylon interiors with crackproof, scuffproof Dura-fab trim.

Quiet, steady going in an all-welded, single-unit Monobilt body-and-frame* with exclusive recessed floor.

Hudson's traditionally brilliant performance with oversized, high-compression engine.

Marvelously smooth power from the only engine precisely balanced as a unit.

Unusual security from the only hydraulic brakes with a reserve mechanical system on same pedal.

Exceptional protection with box-section steel girders completely surrounding the passenger compartment—a Hudson exclusive.

"Like-new" performance over thousands of extra miles because Hudson uses more costly metal alloys.

Minimum wear and repair over long engine life because of chrome-alloy engine block—toughest in the industry!

Increased economy and lengthened engine life from the industry's only pinned-in-position piston rings.

HUDSON MOST ROOM...BEST RIDE...SAFEST

The new, lower-priced Pacemaker brings you all of Hudson's great advantages for Just a Few Dollars More Than The Lowest-Priced Cars!

Hudson's styling and beauty will be "like new" for years to come . . . and these sturdiness features keep Hudsons "like new" in action, too!

What you see above only high-spots the great lineup of sturdiness features that keep Hudson young in looks and in action.

We invite you to discover for yourself the important advantages Hudson offers in addition to these long-life features. Hudson's recessed floor ("step-down" design) results in true streamlining, magnificent beauty. It provides the most room in any automobile at any price! It brings you the best and safest ride ever known!

Won't you come in—see and drive the car that stays young—the car with so many important advantages that it is among the leaders in resale value, coast to coast, as shown by Official Used Car Guide Books!

Hints on Freezing Vegetables Given

COLLEGE STATION — Home freezers are fast becoming a part of the food preservation equipment in rural as well as city homes. This method of food preservation is enabling the homemaker to do a better job of providing the family with fresh vegetables the year-round. A good supply of vegetables is needed for balancing the diet and according to Louise Mason, extension foods and nutrition specialist of Texas A. & M. College, home freezing or using a freezer-locker box to store surplus vegetables for later use is one sure way to have them when they are needed.

Miss Mason says there are several factors that will have a bearing on the quality of the frozen vegetables and these should be kept in mind when vegetables are being prepared for freezing. Speed is important and there should be no delays from the time the vegetables are gathered until processed and stored.

She points out that vegetables begin to lose food value and flavor as soon as they are gathered. During the summer months it is best to gather vegetables early in the morning but be sure they have reached their peak in flavor and texture, for freezing does not improve quality.

It is necessary to scald vegetables in boiling water before freezing to prevent loss of quality and to preserve the vitamin content. Freezing alone does not stop the enzyme action in vegetables and if they are not scalded, this action will cause undesirable odors to develop along with the loss of flavor and color.

Each vegetable, she says, requires a different scalding time and she suggests that you see your local county home demonstration agent and get a copy of B-175, Frozen Foods. This bulletin is new and instructions are given in detail on how each vegetable should be handled from the time it leaves the garden until it is ready for storage.

Vegetables that are properly scalded, packaged, processed and stored at zero will retain their quality for one year. Vegetables that cannot be successfully frozen are tomatoes and salad greens, as lettuce, parsley, endive, cabbage, celery and onions.

TO EDIT TOREADOR

LUBBOCK—Sue Holmes, junior journalism student at Texas Technological college from Garland, has been named editor of the Toreador, student newspaper, for 1950-51.

Miss Holmes was chosen by a faculty-student publications committee. Her appointment marks the end of the former system whereby editors were chosen by a vote of the student body. Students approved the new system last spring.

Paula Fix, Lubbock, was named editor of the 1950-51 student yearbook, "La Ventana".

CHICAGO — "Thirty days hath September, April, June and—"

February has another claim to fame beside being the shortest month of the year. It is also the safest month.

There were 7,500 accidental deaths during February, 1948, according to the 1949 edition of "Accident Facts", statistical yearbook of the National Safety Council. This was 650 fewer deaths than the monthly average of 8,150 last year.

August was the peak month for accidents in 1948. There were 9,200 accidental deaths in that single month—1,050 more than the average.

When This Happens To You . . .

Illness or accidents may strike any time. Be prepared to meet the costly medical and hospital bills with Health Accident Insurance. Call us for complete information.

RAYMOND EULER
Friona, Texas

Farmers' Income Up In Texas 37 Percent

AUSTIN—Farm cash income in Texas totaled \$228,689,000 in April, a 37-percent increase over the March total and a 3-percent increase over April 1949, the University of Texas bureau of business research reported.

Cattle was the greatest source of income in April, bringing Texas farmers \$37,676,000. Income from milk products totaled \$9,645,000; fruits and vegetables, \$4,480,000; and eggs, \$3,034,000.

Farmers in the northern High Plains district turned in the largest dollar income in April—\$39,063,000. Black and Grand Prairies, with \$27,300,000, and Coastal Prairies, with \$25,480,000, ranked second and third.

With the exception of northern High Plains, down 6 percent, all crop, reporting districts shared in the March-to-April upturn in farm cash income.

South Texas Plains registered a 224-percent increase; Edwards Plateau, 139 percent; Trans-Pecos, 79

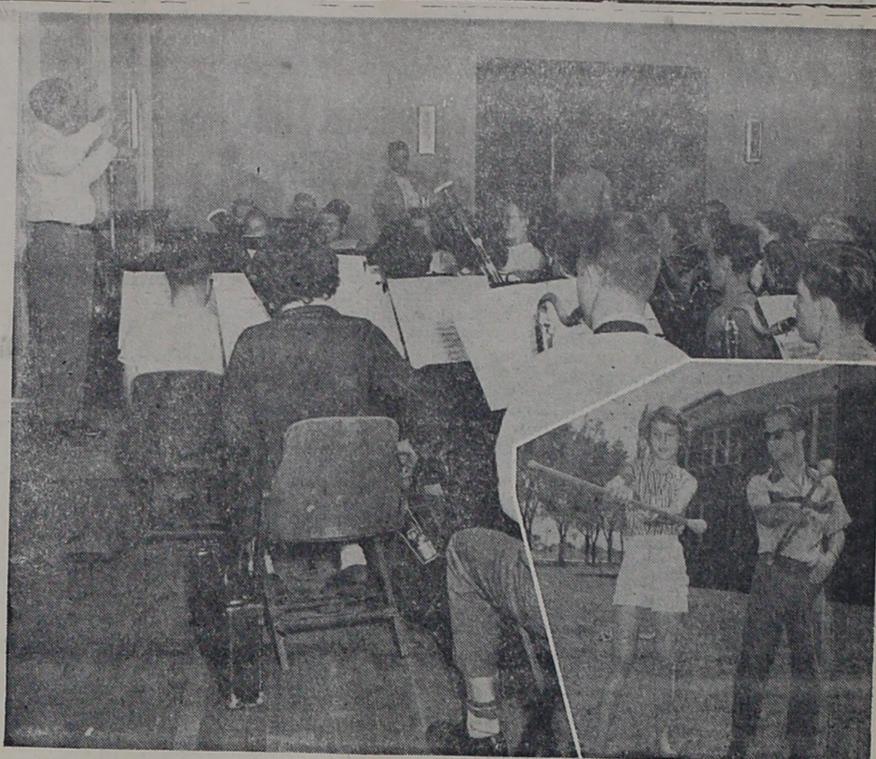

percent; Lower Rio Grande Valley, 60 percent; Red Bed Plains, 35 percent; southern Prairies, 28 percent; Black and Grand Prairies, 23 percent; Western Cross Timbers, 17 percent; Coastal Prairies, 13 percent; east Texas Timbered Plains, 3 percent; and southern High Plains, 1 percent.

In comparison with April 1949, increases in farm cash income varied from 41 percent in the Trans-Pecos area to 2 percent in the Lower Rio Grande Valley. Declines ranged from 30 percent in Coastal Prairies to 3 percent in east Texas Timbered Plains.

After adjustment for seasonal variation, the bureau's index of farm cash income stood at 213 percent of the 1935-39 base period in April as compared with 200 for March and 212 percent for April 1949.

DOG CENSUS

While the Government is busy making a count of all the people in the United States, the National Geographic Society suggests that a census of dogs would fill a long-felt need. Estimates of the dog population of the nation vary from 15,000,000 to 25,000,000 but nobody seems to know the exact figure.

Shown above is a group of students from the Third Annual Band Camp now in progress on the campus of Eastern New Mexico University with C. M. Stookey, director. Clarence Sawhill, director of bands at the University of Southern California is guest conductor. Some 120 students have been participating in the camp, and will be presented in a concert on the University campus, Friday, June 9, at 8 p. m. In the inset is R. E. Mead, former head baton twirler for Southern Methodist University and head twirling instructor for the Band Camp, giving instruction in twirling to Nancy Aldridge, Farwell.

BLUESOX LOSE TO PORTALES 17-7; PLAY MULESHOE THERE NEXT WEEK

Committing six errors in the second inning and allowing their opponents to score 11 runs, the Texico-Farwell Bluesox fell before Arnold's of Portales 17-7 there Sunday afternoon. Manager Wilfred Quickel attributed the defeat to the Bluesox' errors, since the Portales team errored but once during the game.

Toby Booth started the pitching route for the local team, but was relieved in the second by D. Ford. White spelled Ford in the seventh. Willis hurled for Arnold's, and was relieved in the seventh by E. Arnold. After the disastrous second inning, Portales scored an additional run in the fourth, putting them 12 ahead of the locals. The Bluesox tallied in the fifth, with one, and Arnold's continued heavy scoring with 5. This ended plate-crossing for the Portales nine, but Texico-Farwell hit their stride with three in the sixth, one in the seventh and two in the eighth.

Ronald London, Bluesox catcher, broke a finger on his left hand in the third. He was replaced by Leon London, who received a knee injury in a tagout at home in the seventh.

E. Arnold	4	0	1	1
Wallis	4	1	1	0
Willis	5	2	2	0

Next Sunday's game will be with the league-leading Muleshoe team, and will be played on the opponent's field, said Quickel. Referring to last week's tied contest with Dimmitt, the manager stated that the game would be re-opened next time the two teams are scheduled. Farwell will come to bat in the bottom half of the ninth, he said. Last week, the fray ended in a 3-3 deadlock which was called because of rain.

THE LEAGUE STANDING

- 1—Muleshoe
- 2—Arnold's of Portales
- 3—Lazbuddy No. 2
- 4—Bovina, Bluesox (tie)
- 5—Lazbuddy No. 1
- 6—Dimmitt
- 7—Big Square

WARNING TO CATTLEMEN

Livestock owners are warned to be on the lookout for earlier than usual screw-worm fly migrations. They survived the past winter in the largest area since survey records have been kept. Livestock being shipped from the south to northern states should be checked very closely for infestations before shipping. Use Smear 62 on all animal wounds.

Two Vacancies Still In Farwell Faculty

Two—possibly three—vacancies still remain on the Farwell faculty list, Supt. Jack Williams said today when asked about the current status of teachers for the school.

One teacher is to be hired for the grammar school, Williams said, adding that he was not certain which grade would be assigned. In high school, an assistant coach and a history-mathematics instructor is needed, with the superintendent explaining, "If we can get a combination man, we will add only one. Otherwise, we may have to secure two more teachers."

As operated the past year, the Farwell consolidated school had a staff of 17 teachers, and there will be either seventeen or eighteen this year, depending on the coach arrangement.

Lions to Honor Ladies, Install New Officers Tuesday Evening

A two-fold program is on the agenda for Tuesday night at the Legion Hall when the Texico-Farwell Lions Club will observe ladies night and then proceed to install the newly elected officers for the ensuing year.

The ladies of the Oklahoma Lane Methodist Church will serve the luncheon, and they have promised the group fried chicken for the occasion. Each Lion is expected to bring his wife or his girl friend.

New officers to be installed are: Jack Williams, president; F. D. Stout, first vice president; O. C. Sikes, second vice president; O. W. Francis, third vice president; Otis Huggins, secretary; O. O. Holladay, treasurer; Agrie Jones, tail twister; Sam Randol, Lion tamer; Joe Blair and M. A. Snider, directors for one year.

Porter Will Leave For Active Duty

JeDon Porter, son of Mr. and Mrs. John Porter of this city, is scheduled to leave the latter part of this week for Fort Benning, Georgia, where he will engage in active training with the parachute corps for a period of five weeks.

Porter will be in company with a number of other students from New Mexico Military Institute, Roswell, with the boys slated to report for duty at Fort Benning on June 20.

TO ATTEND PRESS MEET

Publisher W. H. Graham plans to leave Thursday for Fort Worth, where he will be in attendance at the Texas Press Association annual meeting the remainder of the week.

Stopping here Monday morning enroute to Red River, N. M. for a vacation were Mr. and Mrs. J. T. Carter and family. Carter, who now lives in Lubbock, is a former Farwell school superintendent.

Motion Made For New Public Road

A motion was made to accept a petition for a public road of M. T. Glasscock, along the east side of the original Farwell town site to Highway 70, at a meeting of the County Commissioners Court on Monday, Clerk Loyde Brewer reports.

A jury of view was appointed, composed of Karl Gast, Glenn D. Phillips, M. T. Glasscock, Joe W. Magness and Clyde Magness.

Other than routine business, this was the only action transacted by court members.

In Preparation For Amphib Maneuvers

CAMP MCGILL, Takeyama, Japan—Corporal Lee H. Sudderth, Jr., son of Mr. and Mrs. Lee H. Sudderth Sr., of Farwell, is undergoing extensive preparation for the forth-coming Far East Amphibious Maneuvers.

Cpl. Sudderth, a member of Co. H, 5th Cavalry Regt., 1st Cavalry Div., will be engaged in the extended field exercises in which the Army, Navy, Marine Corps and Air Force will participate. The training is designed to develop the technique of amphibious operations.

Entering the service in April, 1947 Corporal Sudderth completed his basic training at Fort Lewis, Wash., and was transferred overseas in December of the same year.

Last Minute Warning For Office Seekers

This week will be the last one that persons can use to file for county and precinct offices. June 19 is the deadline for a place on the primary election ballot, and names must be in to G. D. Anderson, County Democratic Chairman, by that day.

Prospective officials are warned that a public announcement of their candidacy is not sufficient action for a place on the ballot. Several times in the past, candidates were barred from the ballot by such a misconception. Monday, July 19 is the final day.

Radio Station KICA Going to 1000 Watts

This Saturday afternoon, with appropriate ceremonies, Radio Station KICA will enlarge its service by moving to a more favorable spot on the dial and increasing its broadcasting strength to 1000 watts.

The new frequency will be 980 kilocycles. This means that they will abandon the old spot of 1240 KC. Ross B. McAlister, manager of the station, said, "We hope with this increase in power and move to a more central spot on the dial, to better serve our wonderful listeners and we want them to feel that all of their good friends at KICA are just that much closer."

Mayor Bob Vinyard will throw the switch to make the change. The ceremonies will be held on the bandstand at the Curry County Park. Five-hundred dollars will be given away in cash.

The program will be Saturday at 1 p. m.

Rev. Thurston Called For Methodist Revival

At a meeting last Monday night, the Board of Stewards of the Hamlin Memorial Methodist Church selected Rev. H. L. Thurston to hold the annual summer revival at the local church. Rev. Thurston, who is pastor of the First Methodist Church in Canyon, formerly lived in this city.

The seven-day revival, scheduled for July 23-30, will be preceded by a two-day period of visitation evangelism, which will serve as a booster for the revival proper. Rev. Thurston comes here July 20 to begin this preliminary program.

Rev. Murphy Duncan, pastor of the Texico-Farwell church, said this week that services had been planned twice daily during the week-long period, although no church services will be held during the two-day visitation campaign. It is also planned to use local talent for the revival singing.

Had is the past tense of money.

FOR FATHER'S DAY

Dad will appreciate his gift all the more if he knows it came from our store. Let us show you our line of ties, socks, and shirts.

Complete Surveys on Farwell Sewer Lines

Engineer W. D. (Bill) Howren has been in Farwell the past several days, surveying and working up all the final details of the proposed sewer lines in the city, of Farwell.

Howren completed these surveys the latter part of last week, and is now drawing up the plans and specifications of the system preparatory to submitting them to contractors for bids on the work.

The voters of Farwell approved a \$40,000 bond issued for a sewer system on June 2, and Engineer Howren has repeatedly expressed the opinion the system can be installed for that amount.

Notice of Meeting of Board of Equalization

THE COMMISSIONERS COURT OF PARMER COUNTY, TEXAS, will convene as a Board of Equalization at the Courthouse in Farwell, Texas, on the 26 day of June 1950, at 10:00 o'clock A. M. All persons who are interested are invited to be present at this meeting of the Commissioners Court as a board of equalization.

A. D. Smith, County Judge

McFarland Returned To Director Position

The annual meeting of stockholders of the Bovina Wheat Growers Association was held on Monday night, in the American Legion Hall in Bovina, with a good attendance of stockholders and a number of out-of-town visitors.

Lee Thompson, manager of the Bovina elevator, reported Tuesday morning that M. L. McFarland was re-elected to his position as director, the only vacancy appearing at the 1950 meeting. Other directors include F. W. Ayers, C. C. Christian, G. T. Watkins, and George Trimble. In the business meeting, members voted to amend Article VI of the Association's constitution and by-laws, Thompson added.

Foster Is Elected To Church School Post

Elected to the position of assistant superintendent of the Texico-Farwell Methodist Church School is Billy Joe Foster, it is announced by Rev. Murphy Duncan, pastor.

Foster was elected at a board of education meeting of the church the past week, and will assume his new duties on Sunday.
