

FROM THE HOPPER
By HOP

The people of Bovina have been responding in a most generous way, just as I knew they would, to the plight of Mr. and Mrs. Roy Fuller and their baby in Clovis.

Roy, you will remember, is the young man who is seriously ill and bedfast with polio at 104 Hickory Street in Clovis. I have a long letter here from Mrs. June Rhodes of Bovina, who investigated the case.

At the time I am writing this, there is a probability that we will not have room for it in the paper this week; we are already running short of space and may not be able to use it this week.

Mrs. Rhodes suggests that a more systematized schedule be worked out in taking fresh foods to the family to avoid spoilage. She is also very complimentary of the attention given the former Bovina boy and his family by the people of Clovis.

And here's a cowardly little note from some unknown person, who does not have the courage to sign his (or her) name.

In using the word "coward" I do not use it in its usual sense; I am not implying that anybody is afraid of me, the Lord forbid! But I am saying that most certainly the writer did not have the manhood (or womanhood) to come to me personally to talk the matter over in an open, frank manner.

I refer specifically to a clipping which had been taken from the Amarillo Daily News of last Sunday and mailed to me.

The sender had clipped a portion of the newspaper above mentioned, which had captioned an article, "Community Solidly Behind Henderson." Garbled across the clipping, with a free-flowing pen, appeared this notation, "We want to hear from you . . . this is a lie and you know it."

Well, in the first place for the information of this unknown sender, I did not write those lines; they appeared in an Amarillo newspaper which I neither own, control, nor have any interest in whatsoever!

Furthermore, I might add, the text of the article that follows the heading above quoted, does not quote me nor anybody else saying that the "Community is solidly behind Henderson." To make such a statement would most certainly be in error. For most assuredly Henderson, as any other human being, has his enemies, just as the anonymous writer of this note might have.

To say an entire "community is solidly behind" anybody or any movement would be a misstatement in any realm that I can imagine. Where, for instance, did you ever find a community solidly behind anything or anybody? Communities that are solidly behind anything are rare indeed; in fact, I never knew of one.

Referring to the Henderson case, I have said repeatedly and I say again that it was a most regrettable and shocking affair, and I am willing to offer him any assistance of which I am capable. But I also say that if he is proven guilty of the charges, he should suffer the consequences.

But let us remember this, dear unknown correspondent, every man is entitled to his day in court; we do not try men in the newspapers, on the radio, and on street corners, but rather in the courts, where every American citizen is entitled to a fair and impartial hearing.

May the Good Lord deliver us from the false habit of jumping to conclusions and declaring from the housetops that every man that is charged with an offense is guilty before he has been brought to trial.

One of our greatest American privileges is a fair trial in court by a jury. God grant that we shall ever enjoy that privilege!

Man Wanted in Kansas Arrested By Sheriff

Guy W. Holloway Jr., 24-year-old man, wanted in Wichita Kansas, on a charge of grand larceny, was arrested by Sheriff Chas. Lovelace early this week and was being held for Kansas authorities early this week.

Holloway, according to Kansas officials, faces a charge of burglary and jumping bond in that state.

Sheriff Lovelace said that Holloway had been in Parmer County the past few months and was working for Elmer Kennedy, east of Bovina, at the time of being taken into custody. Previously he had worked for Lee Sudderth and other farmers, Lovelace said. He is reported to have married a Parmer County girl since coming here.

Henderson Faces Fraud Charge

PUBLIC SCHOOL WEEK MARCH 2-8

The Public School is a distinctive educational development of the United States. In no other country in the world are so many offered so great an opportunity to obtain an education that will enable them to reap the full heritage of life.

Historians of American education have noted a striking parallel between the development of the United States free system of public education and the expansion and maintenance of fundamental human rights in the United States.

It is possible that the Democracy of this nation has been, to a large degree, inspired by the fruits of this system of education and the benefits won through the years have been preserved because the citizens have been taught to think, to weigh the values of political philosophies, in the nation's public schools.

It is with this thought in mind that participation in the events of the annual Public Schools Week is urged. The schools will hold "open house" during the week of March 2 to March 8 and all are invited to inspect the activities of the schools; activities, incidentally, which are financed by your tax dollar.

It is only by continual interest in the educational system that "Texas Public Schools—Democracy in Action" can be preserved and kept strong.

Texico Plans Bond Issue To Extend Water Mains

In a special meeting, held Thursday night, the Texico City Council discussed at length the problem of supplying additional water facilities for a good section of the residential section of the town, arriving at only one feasible conclusion—a bond issue.

Mayor Orval Francis, in discussing the matter with a Tribune reporter said flatly, "It's the only thing we can do." He pointed out that several residents in the north and northwest part of town did not have sufficient water for household uses during the summer months, explaining that the lack of water was not due to an inadequate supply but because of the lack of the distribution system.

Mayor Francis said that a large section of the town is now getting its water from a two-inch main, which means that many homes get no water at all or scarcely any due to the overtaxed small main.

Under the proposal, discussed by the Council, a six-inch main would be installed from the Furniture Mart, running north to the Jack's home, thence west to the school property, thence south to the main street of the town, completing a loop.

A second 6-inch extension would run from Houston Lumber Co. west to the Roberts Seed Co. Francis said that only a 6-inch line was being considered for the very good reason that a small line would not meet with the approval of the fine insurance underwriters in considering a lower fire insurance rate.

Francis said that the Texico Council would meet in regular session Monday night, at which time further consideration would be given the bond issue question.

The regular city election is scheduled to come up soon, at which time two new councilmen, a mayor and clerk are to be elected, and the present Council is working with the view of holding the bond election in conjunction with the regular city election.

Limit Is Necessary

In the opinion of Mayor Francis, the proposed bond issue will of necessity have to be the limit of bonds that can be voted by the incorporation. He said that the present valuation inside the city was barely more than \$300,000, and under New Mexico law a city cannot vote more than a 4 per cent assessment for water purposes. "This means," he explained, "that we could not raise more than \$12,000 in water bonds with our present valuation."

Asked what the cost of the proposed water extension would be, Francis said that the Council had had no recent figures on the job. He recalled, however, that when the same matter was discussed two years ago, the estimated cost ran something in excess of \$11,000. "And I am sure it will cost more at present," he added.

Francis expressed the belief that the Council would order the bond election when it meets Monday night. "All we can do is to submit the proposition to the voters, and if it is turned down there is nothing we can do," he concluded.

Burris and Francis Announce Farm Sale

Rosecoe A. Burris and Orval W. Francis have announced a joint farm sale, to be held 3 miles west and 3 1/2 miles south of Texico, on Tuesday, March 4, starting at 10 o'clock, Mountain time.

Featured by a list of 32 head of dairy cattle, four horses and 9 hogs, the offerings will also include a good collection of farm machinery, some household goods and miscellaneous items. All cattle to be offered have been given the TB and Bang's tests, and are in good condition.

The sale will be in charge of Col. Dick Doshier, with Vernon Symcox serving as clerk. The ladies of the Fairfield Club will serve lunch at noon, and there will be plenty of free coffee.

A complete list of the offerings will be found in this issue of The Tribune.

Cattle Valuations In Parmer Boosted

Cattle valuations for taxable purposes for the year of 1952 were boosted from \$30 per head to \$50 per head when the County Commissioners met here Monday to set the tax rate and set valuations in the county.

No other valuations were changed, with the same rate prevailing in the county as had been in force for the past few years. The county tax rate, which has remained at 95 cents on the \$100 valuation, will remain the same for the current year, it was decided.

In addition to setting the county tax rate and fixing valuations, the Commissioners accepted a road petition of R. L. Rule et al, for one-half miles of road in Precinct 2.

Jury of view named are: R. L. Rule, W. P. Elliott, L. D. Knight, T. E. Rhodes and Earl Stevenson.

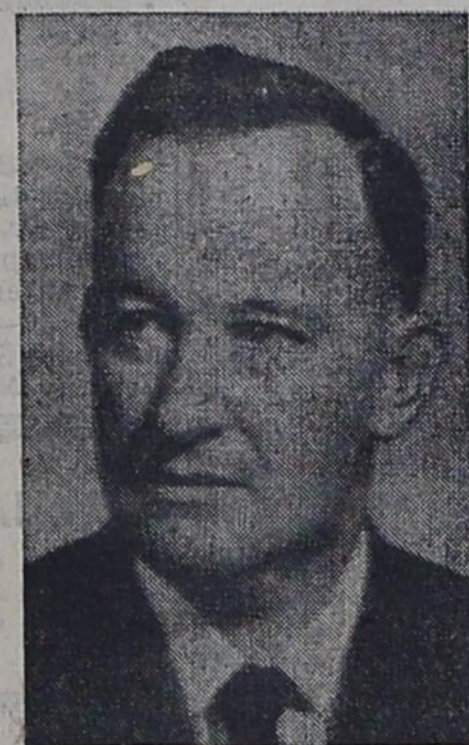

The following rates were set on property values for taxable purposes for the year:

Land, \$4 to \$7 per acre, zone rate; irrigation wells, \$500 each; merchandise, 65 per cent Jan. 1 inventory; pool tables, \$100 each; cattle, \$50 per head; hogs, \$15 head; horses, \$20 head; sheep, \$5 head.

In setting the valuations on automobiles, trucks, pickups, tractors and combines, a graduated scale was adopted, ranging from \$450 for 1952 models, down to \$100 for 1939 models. Most models in current use—ranging from 1947 to 1952 models—are valued at from \$250 to \$450 of each unit.

SALES ARE STEADY

License tag sales for 1952 are moving steadily, though a large number have not yet been sold, officials in the sheriff's office say. Buyers must have their car title and last registration receipt when applying for a license.

Local Grain Dealer Is Arrested at El Paso

C. M. (Heine) Henderson, mayor of the City of Farwell, and large grain operator, was taken into custody at El Paso late Tuesday afternoon by members of the El Paso police force as he crossed the International border on his return from a business trip into the interior of Mexico.

He was first taken to the police station and lodged in the city jail, later to be removed and placed in the El Paso County jail, according to reports received here.

A warrant for Henderson's arrest was issued in Garden City, Kansas, last week, being charged with accepting a \$45,000 personal loan with a "spurious warehouse receipt" as security, which he allegedly left with the Fidelity State Bank of Garden City, Kansas.

At the time of his arrest, Henderson told news reporters that he had been informed by telephone that the Kansas warrant had been issued for his arrest and he was on his way home.

Late Wednesday evening, as The Tribune was preparing to go to press, dispatches from El Paso said that Henderson remained in jail at El Paso in lieu of \$10,000 bond. Attorneys for the Farwell grain dealer were contending that the bond was too high, and were insisting that the bond be reduced to \$5,000, which, the attorney said, he was prepared to furnish.

Henderson, in company with Arnold Banks of Plainview, J. D. Brickmeyer of Amarillo, and Guy Hibler of McLean, left Farwell Thursday afternoon of last week for a pre-arranged and planned trip to Mexico, where, it is understood the four men had some mining interests out from the city of Torreon. The party was registered at a Torreon hotel.

The search for Henderson started last Saturday when he did not appear at a bankruptcy hearing in Amarillo, where Kansas officers were waiting to serve him with the warrant. He was not required to be present at the bankruptcy hearing. But when he failed to show up in Amarillo, a four-state alarm was spread for the missing Farwell civic leader.

Commodity Credit Corporation auditors began an investigation of the books at the Henderson Grain & Seed Company in this city last October, which resulted in the local firm being ordered into receivership when it was revealed that the firm was short several thousand bushels of grain sorghums and wheat, stored for the CCC, valued at more than a million dollars.

Jess Osborne, Muleshoe banker, was named receiver of the local firm and has been in charge of the business since early this year.

Henderson is understood to have expressed no surprise when he was taken into custody as he reached the US side at El Paso, following his return from Torreon by train. The four-man party left here by automobile and stored the car in El Paso before going to Torreon. He is known to have left his hotel address in the Mexico city with local persons before leaving this city about mid-afternoon last Thursday.

At Topeka (Kansas) Harold R. Fratzer, Kansas attorney general, said that he will ask the US State Department to have Henderson returned to Kansas to answer the charge unless he returns voluntarily. In El Paso, Henderson is quoted in an Associated Press dispatch as saying that he was willing to waive extradition to face the Kansas charge.

BANQUET IS APRIL 10

Tentative date for annual Farwell junior-senior banquet has been set for April 10, it has been announced. Site, theme, and other details of the function have not yet been planned.

BACK FROM MEETING

County Agent Joe Jones returned Wednesday night from Amarillo, where he attended the district extension meeting the first of the week.

Picture-Posing Gets Generous Response

They came from near and they came from afar . . . one hundred and forty of them . . . both men and women, to have their pictures made at the Tribune office last Thursday in response to the invitation of The Tribune.

Some of them were young and attractive . . . others bore the evidence of the years, but were still young in spirit and possessed an abundance of good humor.

People came from Texico-Farwell, Bovina, Lariat, Muleshoe and Friona and all the surrounding country sides. The ladies dressed in their Sunday's best, with freshly powdered faces, wearing attractive corsages for additional adornment. The men also appeared in their best bib and tucker with neat, freshly pressed neckties draped about their necks. It was a rather gala affair.

The most unusually dressed gent in the group was J. F. Pesch, aged retired farmer of west of Bovina. He boasted that the necktie that adorned his short, wrinkled neck was the same tie he wore at his wedding 62 years ago. Dad Pesch recalled that he was serving in the Austrian Army 65 years ago, and had been an American citizen for the past fifty years.

"I keep my tie in the trunk and only wear it on special occasions," he commented.

"Uncle Tom" Randol really had a

field day. Being the first to arrive for the picture posing engagement, the old New Mexico homesteader showed up with a new hat and a well-pressed suit. He even had his moustache trimmed for the event.

Arriving early, "Uncle Tom" assumed his self-appointed duty as receptionist and greeted all of his old acquaintances of many years standing. With his familiar pipe, a plentiful supply of tobacco and a pocketful of matches, Uncle Tom seated himself in a comfortable chair and chatted freely with all comers.

Explaining that "Everyone thinks I am an old woman," Mrs. George Magness appeared in her sunbonnet, kitchen apron and carried a walking cane. Clutched in her hands was some knitting with two long, steel needles protruding from the bulk.

"If everyone says I'm an old woman, I'll be one," she said sternly.

Those showing up in response to the invitation were predominantly from the elder group . . . old pioneers of Parmer County and early-day homesteaders from New Mexico. Mr. and Mrs. W. H. Alderson of west of Friona, probably represented the outstanding Parmer County settlers, while Mr. and Mrs. Jim Curry of southwest of Texico, headed the list of New Mexico homesteaders. Many in the group admitted they had not

posed for a photograph in many, many years.

Garrett Blair, living southwest of here, confided that he had not had a real portrait made since he was married. He didn't reveal how long that was, but it is well known that he homesteaded south of Texico more than 40 years ago.

Miss Jane Adams, member of the Farwell school faculty, was probably the youngest of the group, with a good turn-out of couples in the middle-age class.

The response on the part of the local business men and women was the only disappointment. The Tribune had hoped to build up a "morgue" of engravings of local business and professional men and women for ready use as future demands might require.

The Tribune staff is grateful to all who co-operated in the project. We here at office enjoyed your visit and invite you to call and see us again.

A word of explanation to those who might desire photographs from the sittings: At some date in the near future a representative of the firm who made the picture will contact each of you. You will be shown a proof of the pictures and you may purchase any amount you desire.

But, as we have maintained previously, there is absolutely no obligation on your part.

Senate Seat Sought By Harold LaFont

This week Judge Harold M. LaFont made his announcement for the office of State Senator of the newly created 30th Senatorial District of Texas. In making his announcement, Judge LaFont submitted the following statement.

In asking the people to elect me to this office, it is with a full realization that whoever the people elect has the responsibility of making the laws that govern over 7,000,000 people of the State of Texas. These laws directly affect the daily lives of

practically all of us, and serious thought and consideration should be given to each and every law that is passed by the Legislature. It is my humble judgment that men who fill these offices of responsibility and in whom we place our trust and confidence, should be experienced, honest, sincere and capable.

As citizens, all of us are interested in the progress and welfare of our Senatorial District and of the State of Texas as a whole and we have a right to expect our fair share of those things for which our tax money is spent. These include educational assistance, police protection for our families and property, a good system of state highways and farm-to-market roads. All of these items of state government help make our district a better place in which to live and to rear our families.

My home is located on an irrigated farm about three miles Northeast of the town of Plainview. I am married and have a son 11 years of age and a daughter 7 years of age.

I am now serving as Representative of the 120th Representative District of Texas, which includes eight of the fifteen counties in this Senatorial District. At the close of the last session of the legislature, the Speaker of the House of Representatives appointed me as a member of the Legislative Council of Texas, which consists of ten members of the House of Representatives and five members of the Senate whose duty it is to study state-wide problems.

Having served a County Judge of Hale County, Texas, from 1932 to 1939, and District Attorney for six counties in this Senatorial District from 1942 to 1949, and having practiced law for twenty-two years, I believe that this experience should qualify me to represent our people in this new Senatorial District.

It is my plan to make this race on whatever merits I may have and not on the demerits of anyone else who may run. It will be my endeavor to see every voter in the District, and, if elected, I assure you that no one will try harder to serve all of the people of the 30th Senatorial District of Texas.

PALMATEER CASE CONTINUED

The Palmateer case, which was scheduled to come up in district court here last Friday, was continued indefinitely by Judge E. A. Bills when he appeared here last Friday.

Winter Plays Return Engagement Locally

Old Man Winter, who had been on an extended leave from this section of the country, gave the plains a return engagement early this week, accompanied by all his unpopular associates—wind, sand, dust and near-zero temperatures.

Hitting this section about noon Sunday on the bosom of a high wind, the cold snap grew in intensity throughout the afternoon and continued most of Sunday night. A light snow fell during the night, but no appreciable amount of moisture resulted.

Temperatures dropped during the night for the lowest reading in several weeks, with an official reading of 14 degrees. Unofficial readings 7 and 8 were reported.

Public Schools are our investment in Democracy. Support them.

New Additions Made; Special Services Begin

A School of Missions began this week at the local Baptist church, with missionaries of various fields slated to speak each night through Friday.

Services began Sunday with a record crowd of 250 in Sunday school and a large number of people present for church services. Rev. C. M. Fields pastor of the local church, preached the morning services, which became a "one service revival" according to church members. Nineteen additions were made to the church, 13 by baptism and six by letter, and approximately 100 rededications were made. The invitation continued for over an hour, Rev. Fields reported.

On Sunday evening, 106 appeared for training union, and Bro. Mike McKay, former Catholic priest, preached the evening service. Three conversions were made, and one became a member of the local church.

Speaker for Monday night was Bro. Paul Cuevas, Latin American who worked with the Spanish American people in Albuquerque. Rev. Charles Singer of Latvia was scheduled as speaker for Tuesday night. Rev. Singer lived for several years in a displaced persons camp.

Last night (Wednesday) an address was planned by Blanche Groves, former missionary to China. Tonight, Abraham Payler of the Philippines will preach, and tomorrow night, Howard Shoemaker, missionary to Columbia, South America, will make the address.

Mr. and Mrs. John Aldridge and Nancy left Tuesday of last week for a short trip to Brownsville. They returned Sunday.

Fifth Grade Elects Club Officers

The fifth grade elected club officers for the second semester on Friday, February 15, with Johnny Lovelace presiding. Freddy Magness was elected president; Charlotte Lawson, vice-president; Wilma Norton, secretary. The program committee is Linda Hanna, Don Bandy and Edith Routon. The first program will be on Friday, commemorating Washington's birthday. The program will be: The Soldier Statesman, Linda; The First President, Freddy; Youth and Life in the Wilderness, Jeanette; Valley Forge, the Surrender at Yorktown, Dale; A poem, Jimmy.

Valentines Day was a happy event. The room mothers: Mrs. Lester Norton, Mrs. Rochelle Christian, served cookies, candies, and lemonade after the many beautiful valentines.

Before the party, however, the children had each made a valentine for someone dear, mother, in most instances. Each wrote something in his valentine. Several composed rhymes. Dickies was:

Mother dear
 I have no fear
 When I'm alone
 And you are near.
 When sunset is in the sky
 And you hear me cry,
 You always come and comfort me,
 And I always give a shout of glee.

Neil's was lyrical too. Here is what he wrote:
 Mother, Mother, Mother,
 I love no other,
 When the moon is light,
 I dream about you.
 When I awake in the morning
 And can't find a shoe,
 You find it for me.
 Mother, Mother, Mother,
 I love no other but thee.
 When you are in my sight,
 You make my heart gay and bright.

Seniors Place Order For Announcements

Pip Pipkin, reporter, announces that the seniors have ordered their announcements. He says he can't remember what they look like, but "they sure are pretty."

The reporter states that rehearsals for the Senior Play, "Here Comes Charlie" to be presented Feb. 29, are doing nicely, and the seniors expect to be ready to perform on schedule.

DATE TIPS

Follow these rules and you will most likely be the most popular girl in school.

For The Girls

When the fellow asks for a date at 8:00 be sure to start getting ready at 7:45.

When you have a date for a special occasion don't stay for more than an hour then tell him you have to go home and fix your hair for the next night.

Don't eat any supper, make him pay for your biggest meal.

Always cling to him so he won't run away. He'll ask you again sometime.

Make sure his billfold is empty when he takes you home.

Be sure and laugh and giggle about the boy you were out with the night before.

For Boys

If you want a date, never ask for it, just go by in time for the show to start—she'll go.

Always wear blue jeans and a T-shirt. Then the girl will be sure and look cute, too.

Don't spend any of your hard-earned money. Take a ride, or walk around, or suggest that you spend the evening at HER house.

Tell her what a good football or basketball player you are—she'll really go for that.

Be sure and tell her that you think her hair would be pretty fixed a different way—she'll be sure and fix it differently.

Senior Play To Be Presented Friday

Curtain time for the annual senior play, "Here Comes Charlie," to be staged Friday night at the Farwell school auditorium, is 8 o'clock. Doyle Vaughn, member of the class announces. Mrs. Herschel Arnold is directing the production.

As an added feature, a free nursery is to be provided for the small children. Price of admission is 25c for children and 50c for adults. Entertainment will be featured between acts, it was reported.

Cast of characters includes Wilma Nell Smith, Nora, the maid; Jesse Coburn, Tim McGrill, her sweetheart; Katherine Magness, Mrs. Fanny Farnham, an aunt; Bobby Crume, Larry Elliott, business man; Vernon Willard, his college pal; Jo Veta Billingsley, Larry's fiancée;

Also Charles Phillips, Uncle Aleck Twiggs; Delores Goldsmith; Larry's ward, Louetta McKillip, mother; and Rex Pool, a brother.

Thoughts While Not Thinking

Did you ever notice that each six weeks seems to be a little bit harder than the last? Wonder how we ever survive SIX of the darned things!!! Sometimes you'll see a cartoon, hear a song, read a joke, and it will remind you of some special person or place. . . . Ever noticed that Freshmen are SO grown up? Then by the time they get to be senior, they need a course in manners or something. And "fish" are always superior to mere eighth graders!!

Ever see pride just ooze out of a person when something they've worked on hard is praised to high heaven, and how disappointed when the same thing gets rotten attention?

Chair try-outs in band are the most miserable and "suspenseful" things imaginable. There's always the worry of "Well, did I beat him, or did I get set back a chair?"

Sure hate for basketball season to end. Of course, with track coming up and everything, we'll have something to look forward to, but still, there's nothing like basketball.

Why do people always want to borrow your fountain pen just when you want it for a test? But you always loan it, anyway. People are funnier than anybody.

If people would start what has to be done about a week before it is due, they wouldn't sit up till all hours of the night before slaving over it.

Weather sure is getting pretty, except for the sandstorms. You know: Spring has sprung
 Grass is riz
 I wonder where the Flowers is.

Children Write Stories About Class Projects

The children in Mrs. Pool's room have written the following stories about their projects.

A TRIP TO THE POST OFFICE

By Karen Scholl

We found our boxes at the Post Office. We found how they cancelled the stamps. We found how stamps are torn off. We found where stamps and money are kept. We found how they sort the mail to go in the boxes. We found how they tell the price of the stamps to put on a letter, card, or package. We found how they tell which person to send a letter to.

By Billy Liles

Jerry Lovelace, Butch Pair, Roy Hammonds, Mike Getz and Billy Liles built a fort with blocks and Mike Getz' army set. We built houses and tinkertoy cannons. Tanks, planes, tents, jeeps, and army men came with the army set. We built block fences, and tinkertoy flags.

Fourth Graders Note Washington's Birthday

The fourth Grade commemorated Washington's Birthday by placing pictures of Washington on the bulletin board and making hatchets with cherries to decorate the borders above the blackboards.

Everybody is glad to welcome Joan Hubbell back to school. Joan had been absent several weeks due to illness.

Francis Thomas has been absent several days. The class wishes she would return soon.

The class was made sad last week when Linda Lindop moved to Portales. The class enrollment has dropped from 38 in November to 32 at the present time.

Everyone wishes to thank the mothers who baked cookies for the valentine party. Special thanks go to Mrs. Herington for helping serve at the party.

Local School Observes Public Schools Week

Two special activities are planned at Farwell schools during the Public Schools Week, beginning Monday and continuing through the entire week. On Thursday night, open house will be held at the school and all patrons are asked to visit the school that night, from 8 o'clock until 9:30.

Guests will then be served in the lunch room.

On Tuesday, Wednesday and Thursday, patrons are invited to eat in the lunchroom. The superintendent asks that guests send word by the students on days they will be there, so the cafeteria can plan for the correct number of dinners. Nothing special will be planned, the regular menu will be served.

Attendance Is Almost 100 Percent This Week

Attendance last week was almost one hundred per cent in the second grade taught by Mrs. McDermitt. Virginia was absent Thursday.

Room mothers, Mrs. Donaldson, Mrs. Gerles and Mrs. Johnson surprised the group by serving angel food cake and ice cream Thursday afternoon. After playing number baseball, Valentine Boxes were distributed.

Thursday evening, the second grade entertained the PTA with a group of songs and choral readings.

Third Grade Feted With Valentine Party

The 3rd Grade was feted with a Valentine Party last Thursday. Mrs. Mount, Mrs. Reed, Mrs. Gober and Mrs. McCuan served heart-shaped cookies and frosted pops. Valentine envelopes were passed to the children. They all enjoyed looking and reading Valentines.

J. F. Mount has been absent all week due to illness.

These warm and quite days have been wonderful, the teacher reports. The children have really enjoyed playing out side, Beginning new spring games, jumping rope, and playing marbles.

All children are enjoying the Tinker Toys that Mike Booth brought. Many things of interest have been constructed.

Eighth Grade Teams Play Bovina Monday

The eighth grade girls' and boys' basketball teams journeyed to Bovina last Monday to play junior cagers from that town. Although local teams lost, they are still proud of their sports' representatives.

They are still trying to recover from Six Weeks tests.

An investment in the public school is an investment in the youth of our country.

EDITORIAL Sportsmanship

The sportsmanship in our school needs a little improvement.

How many of our people are guilty of the following: booing the referee at a ball game; booing the opposite teams, and getting mad at the opposite teams? We should always be good sports and show respect for the referees and be courteous to the opposite team. We should all try to be better losers and learn to congratulate the winner.

It isn't the boy or girl who is a good winner, but the one who can smile and congratulate the winner who is the best sport.

It doesn't take courage to win if you are on the winning side. The good sport is he or she who can smile and choke back the tears and really mean it when he or she walks up to the winner and congratulates him.

Farwell Entry Wins Second Place Banner

Farwell entries in the senior farm demonstration at the leadership contests in Muleshoe won second place, Robert "Prof" Morton announces. They were topped by Dimmitt. None of the other local teams placed high enough to receive recognition.

Included on the senior demonstration team were: Jesse Coburn, Jerry Bradshaw, Donald Joe Pipkin, and Ronnie Dial.

The Farwell group will enter judging contests at Texas Tech in Lubbock on April 26, Morton says.

Officers of the Future Farmers of America will have a regular session on Monday night at the agriculture building. No special business is slated.

First Grade Has Valentine Party

First Graders had a very nice valentine party the 14th of February. Mrs. Ernest Kube, Mrs. Walter Kaltwasser, and Mrs. Adolph Hasehoff were the hostesses.

They were served cookies, pop, and valentine candy. The first grade wishes to take this opportunity to thank these mothers for a lovely time.

Party As Viewed By A Youngster

We had a valentine party. We had cake and ice cream. Mrs. Getz, Mrs. Goldsmith, and Mrs. Pool brought two cakes, ice cream and Mrs. Getz brought suckers, candy and valentines. We played Bingo at the party. Mrs. Fields and Mrs. Hurst came to our party.

Naturalist To Appear On Farwell Assembly

Marguerite Soule Shoemaker, naturalist and authority on deep-sea life, will present her program at Farwell schools Friday at 9 o'clock in the morning.

Mrs. Shoemaker, who spent 60 years investigating deep-sea creatures, will tell of the development of various forms of sea life. Each year, she spends several months exploring the ocean depth, and the remainder of the time, fills demands as a speaker.

Included in her display are sea-horse, cowfish, octopi, porcupine fish, moray eel, starfish, gronias, and others. Mrs. Shoemaker's diving equipment will also be on display.

MAKE FUTURE PLANS

Six weeks tests are coming up and the students aren't very thrilled.

Their class plans to have a party in the near future.

Some of our boys are interested in going out for track.

The 7th grade boys basketball team had pictures made last week.

Enrollment Decreases Slightly at Farwell

Farwell schools have maintained a rather consistent enrollment during the present school term, Jack Williams, superintendent of schools, says.

Sept. 1, 377 students were registered in the school; 270 in grade and 107 in high school. According to records, there has been a slight decrease since that time, of 8 students.

As of Feb. 1, 369 pupils were attending school. 264 in grade and 105 in high school.

Jo Sondra Magerus Named 4-H Girl of the Month by Committee

Jo Sondra Magerus, 16-year-old daughter of Mr. and Mrs. Albert Magerus, has been chosen Girl of the Month by the committee of the 4-H club council in Curry County. Jo Sondra is a junior student at Texico schools.

The Girl of the Month has been in 4-H club work for five years and has received numerous honors. She attended county camp near Weed, N. M. in 1950, and won the Sweepstakes in dress revue in the junior division, and attended the State meeting at Las Cruces.

In 1951, Jo Sondra attended Leader's Short course at New Mexico A & M in Las Cruces, and won first place in public speaking in the senior division, to represent her group at state that year. She also won first place in the dress revue in the fourth year division.

At the county fair, the local girl placed first in the fourth year division of clothing, first in copper craft, and second in home improvements.

Miss Magerus is a member of the Clovis Cloverettes 4-H club of which she is secretary, and is also on the county council. She is also secretary of the junior class at Texico schools, listed in Who's Who, and class favorite of the junior class. Her mother, Mrs. Magerus, is adult leader of the Clovis Cloverettes.

The Magerus family lives three miles west and one mile south of Texico, where they raise registered Hampshire Hogs and Shorthorn cattle. They are members of Texico Farm Bureau, Parent Teachers association, and are members of the Church of Christ.

Mrs. Smith to Attend Roswell DAC Meeting

The Daughters of the American Colonists will meet March 1 in Roswell, N. M. for an all-day session. Ten members of the Zia chapter of Clovis, Farwell and Portales plan to attend.

To be a member, a woman must have an ancestor who helped to colonize America before the Revolutionary war, Mrs. A. D. Smith, local member says. The DAC does patriotic work including Boy Scout work, flag instruction in schools, help to disabled veterans and other projects.

Mrs. Fred Kepley and Dr. Mary Leone McNeff are also members of the group. Mrs. Smith is retiring Regent, and will attend the State meeting.

Have Farewell Party

A farewell party was held in the Oklahoma Lane gymnasium Friday night, honoring the Alton Berry and D. K. Lindop families. The two families have moved to Portales to do irrigation farming. A number of friends brought gifts to the honorees, and a covered dish supper was enjoyed.

Here From Lubbock

Visiting shortly in the home of Miss Jeanne Dudley Friday evening were: Mr. and Mrs. Halley and Miss Mary Swenson of Lubbock. Miss Swenson was a former roommate of Miss Dudley at Texas Tech.

Mrs. Harry Jesko and her mother, Mrs. Teresa Kaiser, were visitors in Hereford Thursday.

Ruth Class Meets Past Monday Night

The Ruth Sunday school class of the Baptist church held their regular meeting following services at the church on Monday night, when Paul Cuevas, Latin American missionary, spoke to attendants.

Members of the class served refreshments of coffee and cookies to all attendants at the services, then held a short business session. Mrs. D. J. Brown led in prayer.

Class members brought fruit to be prepared for shut-ins in this month. One basket is to be presented to Mr. and Mrs. Nicewarner on his birthday, and the other will be given to Mrs. Markham.

Attending the meeting were: Mesdames Alvenia Cox, Marie Cox, Maude Brown, D. J. Brown, Charlie McDaniel, R. L. Day, Elsie Hardage, Mae Magness, and Estelline Billington.

Visits In Lubbock

Miss Jane Adams returned Sunday night from Lubbock, where she spent the weekend visiting with friends. She is a former Texas Tech student.

In Stone Home

Mr. and Mrs. Ray Stone and Kathy of Amarillo, visited his parents, Mr. and Mrs. J. E. Stone, over the weekend. Mrs. Stone and daughter remained for a longer visit.

Visits In Abilene

Mrs. E. F. Lokey left Thursday for Abilene for a visit in the home of her sister, Mrs. E. L. Wilde in Abilene. Mrs. Lokey was to return early this week.

In McKillip Home

Visiting in the home of Mr. and Mrs. L. E. McKillip over the weekend was their son, Troy, and Miss Melody Yates, both of Abilene Christian College.

Visiting in the G. D. Anderson home over the past weekend were their daughters, Mrs. Bill Edwards of Amarillo and Mrs. Raymond Tapp of Lubbock.

Women Make Nylon Corsages At Meet

The K. K. club of Oklahoma Lane met in the home of Mrs. Tom Lindop recently with nine members in attendance. Members spent the afternoon making nylon corsages.

Cokes and cookies were served to Mesdames Fred Bolton, Helen Johnson, Gene Rea, Gilbert Watkins, Lois Billingsley, Jean Paine, Doyn Merriman, and Miss Jennie Bolton. Next meeting will be in the home of Mrs. Doyn Merriman on March 21, and members will do textile painting.

Aldersons Have Two Recent Celebrations

Two celebrations have been held in the W. H. Alderson home in Parmer County in recent weeks.

Mr. Alderson, long-time Parmer County resident, celebrated his 82nd birthday on January 17, with a party. A host of friends attended the affair. Alderson, or "Uncle Billy" as he is called by his friends and neighbors, came to Parmer in 1905. He is still active and looks after the farming interests on his place.

Mr. and Mrs. Alderson celebrated their 38th wedding anniversary on February 15. Friends called during the day and brought gifts. A Valentine motif was used in decorations for the anniversary. An arrangement of cranberries and greenery was flanked on either side by red candles, on the lace-covered serving table.

The large white tiered cake featured pink icing, which was topped with red candy hearts, and was served with cranberry punch and pink mints.

The Aldersons were married at Chickasha, Okla. in 1914. They now reside 13 miles west of Friona in the Rhea community.

BRIDE-TO-BE

Mr. and Mrs. Orvel M. Roberts of Clovis announce the engagement and approaching marriage of their daughter, Jean, to Roy Threet, son of Mr. and Mrs. Roy Threet of Farwell. The wedding is planned for March 9. Miss Roberts is a senior at Clovis High school and plans to complete her graduation requirements. The bridegroom is a 1951 graduate of Farwell schools and is employed at Houston Lumber Company in Texico.

To Have Shower

A bridal shower will honor Mrs. Weldon Rundell, nee Georgia Lee Mears, at the home of Mrs. W. N. Foster in Farwell Saturday afternoon, March 1, from 1:30 until 4 o'clock. All her friends are invited to attend the courtesy.

Here From Albuquerque

Mr. and Mrs. C. R. Crawford of Albuquerque, were weekend guests in the J. P. Doose home in Texico. While Mrs. Doose visited in the home of her parents, her husband went on to Amarillo for a visit in the home of his mother.

Speaks To Club

Mrs. Sterlyn Billington, local beauty operator, was speaker for members of the Bovina home economics club Tuesday. She discussed skin care and hair styling for the group.

LOCAL GIRL ENTERS SINGING CONTEST

PORTALES—Two voice students of Eastern New Mexico University competed in the National Association of Teachers of Singing in Dallas Feb. 24-28 Robert E. Page, their instructor, announced this week. Jean Rogers, lyric soprano, is a

senior voice major from Texico. She sang "Un bel di," aria from "Madame Butterfly" by Puccini; "Villanelle" by Dell'Aqua; and "The Bitterness of Love" by Dunn. Ellen Jane Poch, mezzo-soprano, is a sophomore voice major from At-

lantic, Iowa. She sang "La Habanera" from "Carmen" by Bizet; "Ein Swan," Grieg; and "Symphony in Yellow" by Griffes. Winner of the competition was to receive a \$250 award. Miss Rogers is pictured on the left.

21st or 26th, But That Was 36 Years Ago

After 36 years, anything can happen! Last week, when visitors were arriving to have their pictures made for the Tribune files, Hop, the editor, casually mentioned that the affair was really sort of a celebration for he and Mrs. Graham, it was their 36th wedding anniversary. They were married on February 21, 1916.

Little did Hop realize the confusion he was causing. His son, Sonny, had been planning a small celebration on their anniversary, but he thought the date was the 26th. So he immediately leaves the shop, goes over to buy his mother a corsage and makes plans to treat them to a gala dinner at the Cal Boykin hotel in Portales.

So after the picture-taking was completed, the Grahams and Miss Jeanne Dudley, employee of the Tribune, headed for Portales. On the way, the remark was made that Sonny really had to rush to plan everything, because he thought the gala day was the 26th.

Then the fireworks started. The Grahams began to wonder. Upon arrival back in Farwell, Mrs. Graham checked the family Bible, to find that the celebration was five days early. They were married on the 26th.

"But what can you expect after 36 years?" she quips.

LETTERS from Our Readers

Dear Hop,

Something you might think over—Monday night, Farwell's junior boys and girls played Bovina's junior boys and girls four games of basketball and I surely saw something I've never seen before. I heard Farwell boys and girls yell for Bovina players when they made a good play and Bovina kids yelled for Farwell players.

And at no time was there anything but a friendly attitude between all the kids. It put me to thinking just how far ahead of some of us older players they are.

Hop, I don't think this has come about altogether through school activities. But I do think that some of our county-wide organizations such as MYF, Order of Rainbow for Girls, 4-H clubs and church organizations where they associate with each other in something other than on a competitive basis.

Some basketball and football is good, but don't you think it is crowding some other good things. (Just a thought).

A Bovina Subscriber.

They are slicing ham so thin nowadays that it has only one side.

HAS MINOR OPERATION

Mrs. J. H. Ross, long-time Texico resident, underwent minor surgery in an Amarillo hospital last week. She returned to her home in Texico the first of the week and was up and about on Monday.

ATTEND GRADY MEETING

Rev. and Mrs. C. M. Fields and Sterlyn Billington attended a Baptist associational meeting in Grady Tuesday. Speakers were missionaries, who are being featured at the Baptist church this week.

ATTEND FUNERAL

Mr. and Mrs. Will Foster returned Wednesday of last week from Bakersfield, Calif., where they attended the funeral of a nephew, Garland Churchwell, who was killed in a car accident.

Music Party Postponed

"Texico Music Club party has been postponed until March 6," George Hill, sponsor of the group stated today. Hill continued, "This postponement was necessary due to the fact that several would be entered in the basketball tournament at Bovina this weekend." "The date that has been chosen seems to be free from conflicts."

No plans will be changed for the party. Each member will bring 25c plus 50c for each guest, and all arrangements will be made by George Hill.

Farmerettes Variety Club Meets Tuesday

Farmerettes Variety club met Tuesday afternoon in the home of Sylvia Watkins. Women spent the afternoon hemming cup towels for the hostess.

Refreshments of cream puffs and coffee were served to: Mesdames Louise Christian, Lois Billingsley, Bobbie Foster, Dot Roach, Skeet Caldwell, Avis Carpenter, Charlene Grissom, Wilma Grissom, Marjorie Watkins, and the hostess.

Texico PTA Meets

Mrs. Perry Crawley, president of the Texico-Parent-Teacher Association, presided in a meeting this week in the Texico Auditorium. "Dear Lady Be Brave", was presented by members of the Texico Speech Department under the direction of Mrs. Jimmie Allman, sponsor.

A hilarious act was presented by Fern Stout, Carl Schmitt, and Curtis Miller who pantomimed "Beat Me Daddy, Eight to the Bar."

Old and new business was discussed, and the minutes were read by Mrs. Curtis Miller, secretary.

In Nally Home

Mr. and Mrs. B. M. Nally of Tucson, Ariz. and Mrs. H. N. Brewer and children, and Mrs. Cliff Edwards of Amarillo are here this week visiting in the homes of Mrs. J. L. Nally and Mr. and Mrs. Felix Monroe.

Niece On Visit

Mrs. Gussie McBeth of Tucumcari, visited in the J. P. Doose home last week. She is Mr. Doose's niece and this was their first meeting in many years.

Home From Florida

Mr. and Mrs. Arthur Bolton returned home Tuesday night from a 16-day tour of the southern states which extended as far as Florida. They had a most enjoyable trip and saw many interesting sights. Arthur says that the sun only shown three days while they were in Florida. Rain fell most of the time, he says, and added that it rained on them all the way home until they reached Fort Worth.

Brotherhood Meets

Regular meeting of the Brotherhood of the Baptist church will be held Monday night at 7:30 in the church basement, Rev. C. M. Fields, pastor of the church, says.

Cartrite Reported To Be Improving Steadily

Wayne Cartrite, son-in-law of Mr. and Mrs. E. G. Williams, who has had a severe case of polio, is reported to be improving by his parents-in-law. Cartrite, stricken six months ago, is now out of bed for short periods and is allowed to walk, using crutches. Braces for his legs are also required, Mr. and Mrs. Williams say. He is recuperating at Brooke General hospital in San Antonio.

Cartrite and his wife, Opal, had only been married 10 days when he was stricken with polio.

FARWELL TEACHERS MEET

Farwell teachers met Monday night at the school. Business attended to included interviews for returning instructors next year and the working out of some details on the interscholastic league meeting. No results of the interviews will be available before April 1, according to Jack Williams, superintendent.

PURCHASE FURNITURE

In a called board meeting recently, Farwell officials purchased furniture for the new school building under construction. Three rooms can be furnished with the new articles.

Mr. and Mrs. Bert Williams and son were dinner guests in the home of his grandparents, Mr. and Mrs. J. H. Stone, Sunday.

Texico Wins Third In County '42' Tourney

Eleven '42' teams from Curry County were at the Texico gymnasium Monday night where they participated in the second annual Curry County Tournament. Portair came out on top, Broadview won second, and Texico won third.

High scorers for the evening were Levi Reid and Roy Spears of the Texico team. The couple won 85 per cent of the games played.

The positions of teams and their percentage scores were: First, Portair, 57 1/2 per cent; Second, Broadview, 55 per cent; Third, Texico, 53.5 per cent; Fourth, Ranchvale, 53.12; Fifth, Clovis Boosters, 50 per cent; Sixth, Clovis Railroad, 49.37 per cent; Seventh, Pleasant Hill, 49.17; Eighth, Grady 49.16; Ninth, Clovis Teachers, 47.5 per cent; Tenth, Fields, 46.25; and Eleventh, Clovis Scouts, 37.5 per cent.

The 144 men playing in the ten game tourney were served refreshments by the Texico Home Economics department at the end of the fifth game.

Foster Stevens, who was head of the tourney, was presented a hat by the Clovis '42' club, and the Texico team presented him with a billfold.

Each player voted for two men being the best sports in the tourney. Shorty Matlock of Grady, and Harry Donahey of Pleasant Hill received the most votes and each were presented with a set of dominoes.

OKLAHOMA LANE BAPTIST CHURCH NEWS

Mayo D. Carpenter, pastor

Sunday School 10:00 A. M.
Morning Worship 11:00 A. M.
Evening Service 7:30 P. M.
W. M. S., Wednesday 2:30 P. M.
Prayer Meeting, Wed. 8:00 P. M.

The Sunday School attendance last Sunday was ninety-one. Efforts are being made to reach and go beyond the hundred mark.

Herman Gerles, who has been the faithful and efficient Sunday School superintendent for the last two years, enlisted in the Air Corps last week. He was honored at a special service at the church Tuesday evening.

Sterling Donaldson is the new superintendent, and W. E. Verner was elected as his assistant.

Five members of the W. M. S. met at the church Wednesday afternoon. An inspirational Royal Service program on "The Ministry of Prayer" was rendered.

The spring revival begins March 21-30. Rev. Bill James Bell, pastor of the Field City Baptist church, Dallas, will be the evangelist.

Mr. and Mrs. Elmer Temple of Albuquerque spent the weekend in the home of his mother, Mrs. J. C. Temple.

Legion Purchases Two Hospital Beds

Members of the American Legion decided to get a Coke machine, for the Legion hall, their regular meeting Monday at the Legion hall.

Members then discussed the George Washington birthday ball, which was held Friday night, and decided to have another similar affair at a later date.

Under a contract with Capper's Farmer magazine to help promote sales, the Legion has obtained enough money to order two hospital beds, to be loaned to people in the county. The purchase of hospital equipment is a community project for the legion.

Covered dish supper for the Legion and Auxiliary is planned Monday night.

CITATION BY PUBLICATION THE STATE OF TEXAS

To: Callie Mae Dyck, Defendant,
Greeting:

You are hereby commanded to appear before the Honorable District Court of Parmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 24th day of March A. D. 1952, then and there to answer Plaintiff's Petition filed in said Court, on the 6th day of February A. D. 1952, in this cause, numbered 1594 on the docket of said court and styled Herbert F. Dyck,

Plaintiff, vs. Callie Mae Dyck, Defendant.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff alleges that he and defendant were married March 15, 1935; that there are no children under sixteen years of age; no property rights. That on or about October 1, 1951, the defendant was guilty of such excesses, cruel treatment and outrages as to render plaintiff's further living with the defendant insupportable and Plaintiff prays for divorce as is more fully shown

by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this 6th day of February A. D. 1952.

Attest: Loyde A. Brewer, Clerk, District Court, Parmer County Texas. By Dorothy Quickel, Deputy. (SEAL)

Well-Planned Events For Steer Trackmen

A well-planned program for track and field events geared to the growth of athletic activities was announced this week by Coach Tommy Hestand. The official revealed that several road trips have been arranged for Farwell trackmen that will put them in highly-organized competition.

As examples, the Steers will select three or four delegates to represent the school at the Southwest Track and Field Meet in Ft. Worth March 14-15. In addition, the entire team will go to Big Spring March 22 for the relays there. Also, Farwell will enter selected thinclads in the Sandie Relays at Amarillo April 11.

"I wish we could have been this well organized last year," Coach Hestand said. "We don't have as strong a team this year as last, but this will get us started to a better-rounded program."

Other meets include four or five-way meet here March 28. Hereford, Dimmitt, Friona, and Lazbuddie will visit for competition if the date is satisfactory.

The district meeting is scheduled for Farwell April 5. This, of course, will see a lot of competition. Finally, the regional meet will be in Lubbock the last of April, and the state meet two weeks later. Farwell's participation in the last two depends upon intervening developments.

"We are strongest in weights and distances this year," Coach Hestand predicted. "Hurdling is our weakest department."

Seven returning lettermen and positions include: Donald Jesko, 1/2; Jesse Coburn, 440, 1/2; Ronny Dial, high jump, 1/2; Rex Pool, mile; Frank Gulley, sprints, vault; Dennis Raney, sprints; Teddy Magness, 440.

Squadmen are Cassidy, hurdles; Vernon Willard, weights; and utility; Clarence Kube, weights; Marvin Walden, 440, 1/2; Leon Langford, weights; Lynn Carpenter, sprints; Charles Phillips, 440.

Last year Gulley and Raney were on the relay team that took third in regional. Other regional wins: Coburn, third in the half; Pool, third in the mile.

Workouts were scheduled to begin in earnest Tuesday.

Bovina Outsider Team Wins Tourney Game

The U Down independent girls team of Bovina won their first game in the TAAF tournament being played in Amarillo on Tuesday night. They defeated the girls from Clarendon with a score of 42-26.

The Bovina girls led most of the game with Clarendon having the lead for just a little while during the first quarter. The U Down girls really started pulling out in front during the second quarter and led 25-10 at the half. They were able to keep that lead throughout the last half.

Janean Grissom and Sara Wilkerson led in the scoring department with each tipping 14 points for the Bovina team. Monk and Heathington each scored 12 points for the Clarendon team.

With only four womens teams entered in the tournament the win puts the U Down ranch girls into the finals. This game will be played in Amarillo on Saturday night at 8:00 p.m. in the Youth Center gymnasium. They will meet the team from Cactus on Saturday night. The winner of the tournament will be eligible for the state tournament.

Wolverines Close Out Season With 34-26 Loss To Dora Coyotes

Texico's Wolverines wound up their 1951-52 basketball season last Friday afternoon, when they lost a 34-26 decision to the Dora Coyotes, in the first round of the District 6 Tourney.

Dora jumped to an early lead and had doubled the count 10-5 by the end of the first period. The Wolverines hit the bucket for 14 counters in the second canto, while Dora scored 9, to make the halftime score 19-19.

The locals were held to 4 points in the third period and Dora accounted for 11. In the final period, very little scoring occurred. Dora scored 4 and the Wolverines accounted for only 2.

Track season will get under way at Texico on Monday of next week, stated Charles Stockton, coach, today.

Mr. and Mrs. R. W. Brooks and family of Dallas spent the past weekend in the Perry Crawley home. Mrs. Brooks and Mrs. Crawley are sisters.

Track and Volleyball Start For Junior Boys

Track workout for the Farwell junior high teams begin next week, says S. S. Jobs, junior coach. "When we have a bad day, we'll stay inside and play volleyball."

In junior high competition last year, Farwell waltzed off with the district grade school track title. This year, Jobs said optimistically, all of the champion team will be back for junior high competition.

This is because Farwell will have two teams in the field this year; one for the grades, and one for junior high. Both boys and girls will play volleyball this year, Coach Jobs said, and softball will be played later on.

No track meet dates were ready for release this week, but Jobs looks forward to several duals, and probably one or more triangular meets this spring.

New District Formed For Jr. High Sports

A new, better-rounded district was formed last week affecting junior high participation in football and basketball for District 10-B. Kenneth Fields, junior high principal for Farwell, was named president of the new league, and S. S. Jobs, Junior coach, is the new secretary.

Vega, Friona, Bovina, Lazbuddie, and Farwell knock heads for the junior football championship next year. These same five, plus Adrian, comprise the basketball district. The games will be played on a home-and-home, double round-robin basis, affording a full season to all participating teams. Boys from the 7th 8th and 9th grade are eligible for participation.

The meeting was held Friday night at Bovina.

Track Season Begins At Texico Monday

"With only four returning lettermen from last years squad the Texico track squad start practice for the 1952 season Monday," stated Charles Stockton, coach, today.

The returning lettermen are: Arlye Crooks, Vernon Lewis, Robert Tucker, and Richard Hapke. Lettermen lost through graduation last years are: Wayne Tucker, Jimmy Horton, Jerial Doolittle, and Wayne Breeze.

"Although no definite plans have been made for the coming season, the local squad will probably enter five or six meets," Stockton said.

Farwell Juniors Enter Bovina Cage Tourney

Farwell junior teams, both boys and girls, will participate in the Bovina invitation tournament this weekend, announces S. S. Jobs, coach.

The boys begin the tournament tonight (Thursday) as they meet Texico at 7:30. The girls will play Bovina girls' "B" team at 8:30, also tonight.

The tournament will conclude basketball activity for Farwell juniors this year, Coach Jobs says.

REVIVAL IN PROGRESS

Rev. A. W. Harris, pastor of the Assembly of God church, announces a revival now in progress at the new church building, located two blocks north of the Texico City hall. Rev. David Chesney of Clovis is the evangelist. Prayer for the sick is emphasized every evening.

NEW MACHINE INSTALLED

Rip Snodgrass of the Electric Shoe Shop in Texico, has installed a new Landis shoe-stitching machine at his place of business which will replace an older model. With the new machine he will be able to do better and faster work, he said.

Visitation Campaign By Methodist Church

With four out-of-town ministers assisting, the Methodist church launched a visitation campaign here on Tuesday and Wednesday.

Rev. Lance Hurst, local pastor, was directing the campaign from his sick room, where he has been confined the past several days. The movement had been postponed twice previously, and the local minister felt that since he had made arrangements for outside help it should go forward at this time.

Visiting ministers were here to assist in the work here, Rev. H. H. Allen, Alamogordo; Rev. Kenneth Ford, Ranchvale; Rev. Therman Harris, Portales; and Rev. Royce Herndon, Elida. They were assisted by local laymen.

Rev. Hurst said early this week that he hoped to be back in his pulpit next Sunday and in which event he would observe church-membership service at the morning hour.

Chas. Beiler and daughter, Barbara Sue, visited Sunday in Portales with Beiler's daughter and family, Mr. and Mrs. Marty Ezell.

Red Cross Meeting Planned for Friday

A meeting for anyone in the county who is interested in the Red Cross drive, which begins March 1, is slated at the Bovina American Legion hall Friday night, beginning at 7:30, Vernon Estes, county chairman, says.

Loyde Brewer has been named chairman, and workers have already been appointed in most communities over the county. Names will be released next week.

Goal for the 1952 drive is \$2000

in this county, one-half of which stays in the county, with the other half going to the national foundation. The Red Cross has spent more than what was donated in 1951, Estes says, on hospital bills for county people.

SCHOOL MASTERS MEET

Schoolmasters met at Forrest, Wednesday night. Doran J. Buck, president of the Curry County Athletic group, presided over the meeting. The volleyball tournament was discussed and the place was set at Texico, April 17-18.

Plans Are Completed For Public School Week

More plans have been completed for the observance of the National School Week, March 2-8. Two assemblies will be held that week, the first one Wednesday and the second Friday. They will both be at 10:30 a.m.

The second grade, under Mrs. Floyd Montgomery, will conduct the assembly Wednesday and the third grade of Mrs. June Rhodes will present the program Friday.

All parents visiting the school Wednesday morning and remaining for lunch will be served free of charge at the cafeteria. However, Mr. Willoughby asks that any parent planning to attend to contact him at the school by Tuesday, in order that preparations can be made for additional meals.

Officials also are making plans to have the band march down town for a program sometime during the week, but a definite date has not been set.

All parents of school children are urged to visit the school sometime during this week and become better acquainted with teachers, the facilities, and the school program.

BAPTIST CHURCH NEWS

The Young Adult Training Union had charge of the assembly program Sunday evening. Mr. and Mrs. Floyd Montgomery sang a duet, and Henry Minter gave a talk on the difference between the Christian flag and the flags of various countries. This was followed by a quartet of Mr. and Mrs. A. L. Kerby, Mrs. Floyd Montgomery, and Mrs. Henry Minter.

Rev. John B. Abbott preached at the evening worship service. Rev. Abbott is a native of Bovina, and is now pastor of the First Baptist church of Valley View.

Plans are in the making for cottage prayer meetings the week that the revival meeting starts. The night preceding the revival there will be an all-night prayer service. The date of the revival is March 19-30. Dr. Eugene Skelton, pastor of the First Baptist church, Leonard, will be the guest preacher.

The Brotherhood will meet in its regular session next Monday evening. The Brotherhood from the Lazbuddy Baptist Church will be here to present the program.

Last Sunday's attendance report: Sunday school, 170; morning worship, 208; Training Union, 69; evening worship, 92.

A cordial welcome awaits you at the Bovina Baptist Church.

TOURNEY RECEIPTS GIVEN

W. H. Willoughby, superintendent of schools, said Monday that a total of \$518 was taken in during the district tournament. The expenses of the tournament ran \$382, the remaining \$136 being divided between the Adrian boys and the Bovina girls. This money is to be used to pay expenses of the regional tournament.

Regional for Bovina girls will be in Canyon March 7-8. Monday, they did not know what time the first game would be, or who they would meet.

IS SMALL WORLD

C. W. Grissom and Fred Hoffer had a surprise visit recently somewhere in Japan. C. W. is stationed on Pine Island with the Navy and Fred is stationed on Essex Island with the Marines. C. W. was sent to the Essex as a messenger and while on board ship ran into Fred. They were able to visit about two hours and needless to say they really enjoyed seeing someone from home and talking over the friends and events back home.

IS RETURNED HOME

Tommy Horton returned to his home here Sunday after receiving medical treatment in Northwest Texas Hospital in Amarillo for the past week. He was accompanied home by his daughter and family, Mr. and Mrs. Pete Frazier and Dana Kay of Amarillo. Other guests in the Horton home were Mr. and Mrs. A. G. Wilson and Mrs. D. E. Duren of Portales and Mr. and Mrs. Alvin Gaines, Kenneth, and Douglas of Friona.

RECEIVES DISCHARGE

Lt. Bass Elliott arrived home last Friday from Brooks Army Hospital in San Antonio and this time, he won't be going back. Lt. Elliott received his discharge after serving about one year after being called back into active service there. His wife and two children have been making their home in Bovina and will continue to live here. He will be associated with his father in the hardware business.

Mr. and Mrs. Willie Williams and Charles spent Sunday in Lubbock with their daughter and family, the George Smalls. They attended church at the Asbury Methodist church where their son-in-law is assistant pastor and preached yesterday.

Billy Ray Derrick and Jimmy Ware of Texas Tech were home over the weekend. Also home from college over the weekend, was Ella Bradshaw of Wayland at Plainview.

WIN DISTRICT TOURNAMENT

Adrian Boys And Bovina Girls Are District Champs; Bovina Boys, Farwell Girls Second

Adrian boys' basketball team and Bovina girls' team were named champions of the 51-52 season, at the district tournament held in Bovina over the past weekend. The tournament rated 50 per cent on the season's rating and conference games helped to determine the other 50 per cent.

All-district teams were named for both divisions with Adrian placing two men: Bovina, one; Vega, one; and Friona, one. Included were Proctor and Brown of Adrian, Young of Bovina, Jones of Vega and Robbins of Friona.

On the girls select team, Farwell and Vega placed two members each; Bovina named one and Friona, one. Felts and Christian were on the team from Farwell; Wiseman and Hill of Vega; Young of Bovina, and Miller of Friona.

In the boys' finals for the tournament, Bovina gained an early lead over Adrian, with a 15-10 lead at the end of the first period. The Parmer team began losing ground in the second and allowed the visitors to gain on them with a 27-26 count at halftime. The Mustangs regained their rabbit's foot in the third, and widened the margin to 41-35 only to begin losing ground again, early in the fourth. With less than five seconds to play in the game, Bovina led by one point. When a foul was charged against the Parmer team, Proctor of Adrian made the free shot to tie the game and go into overtime. Adrian topped the Mustangs by two points to win the decision, 57-55.

High scorers for Bovina were Hromas with 21 counters and Young with 19 points. Proctor of Adrian hit 17.

Adrian completed the season's play and the tournament with a perfect conference record with no losses. Bovina received the second place trophy with second best percentage over the season and second in the tournament.

Bovina tops Farwell. In the girls division in the championship game, Bovina topped the Farwell girls in a hard fought game, in which the score rocked back and forth. Bovina gained a two point lead in the first, only to have the Farwell lassies to stay right behind them, and the count was 23-21 at the half, with Bovina still leading. At the end of the third period, another two point margin of 28-26 was recorded. Final count was 35-31 for the Bovina team. Young of Bovina made 18 points for her team, with Christian of Farwell racking up 14.

Bovina girls also finished the season with a perfect record in the conference play with no losses during the season or the tournament.

Farwell Wins Second

Vega had the second highest percentage over the season and Farwell had second in the tournament, so a play-off was held Saturday night at Friona. The Parmer County lassies topped the Vega sextette by a slim two points, 39-37. Farwell was then awarded the second place trophy for the district. The local lassies led most of the game, with the score varying from a tie to five points difference at various intervals. Rose Hines of Farwell made 18 points the first half.

Boys Games Given

In the first round of play for the boys, Adrian drew a bye. Lazbuddy topped Farwell 44-38 in the first game of the tourney. First canto was anybody's session, with the score tied 10-10. Moving into the second quarter, Farwell gained the lead and the count was 24-21 by halftime. Farwell was still on top one point at the end of the third, but in a sudden surge of strength, Lazbuddy whipped out ahead in the last session. R. Jesko of Lazbuddie made 16 points for his team and for Farwell, Coburn hit 13 and Carpenter made 12.

Vega also drew a bye in the first round, and Friona met Bovina. Bovina gained the top score in the first canto and didn't relinquish a point the remainder of the game. Score by quarters was: first, 14-10; second, 29-23; third, 46-30 and final, 62-45. Robbins was high point man for Friona; and counters for Bovina were: Young, 19, and Hromas, 17.

Going into the semi-finals, Adrian completely outclassed Lazbuddy by a top-heavy score of 52-33. The visitors were leading 11 points by the end of the first quarter, and score at the half was 31-15. The count for Lazbuddy was doubled during the third, reading 44-21 in Adrian's favor. Briggs of the winning team hit 13 points, and Proctor and Brown hit 12 each. R. Jesko of Lazbuddy made 4.

Another unevenly matched game was the Bovina and Vega tilt. Bovina made a slight one point lead at the end of the first period, but was leading 21-14 by halftime. Third quarter count was 31-22, and final score was 51-30. Young of Bovina made 21 points. Scoring for the losers was evenly divided with Jones making 8; and Davidson and Dillehey hitting seven each.

Girls Games Given

In the first round of play for the girls, Bovina had a bye. Friona topped Lazbuddy 34-26, with Friona leading the scoring all the way. Count by quarters was: 5-3, 14-9, and 29-16. Hinkson of Lazbuddy tallied 13 points, and Haws and Magness, both of Friona made 11 each.

Farwell drew, a bye in the first round, and Adrian and Vega were

ANNOUNCES REVIVAL

Mrs. Charlotte Brice, pastor of the Pentecostal Holiness Church, announces a revival beginning Sunday night, March 2, at their church in Bovina. The visiting evangelist will be Rev. Swanson of Kansas. The revival is scheduled to last for two weeks, and services begin each evening at 7:45. Everyone is cordially invited to attend any or all services.

IS IMPROVING

Mrs. L. E. Cox was taken to the Parmer County Hospital last Wednesday night. She was able to return to her home Friday and she is improving. Mr. and Mrs. Cox wish to express their appreciation to everyone who has been so kind and helpful during her illness and especially to those who had a part in the love offering given them.

BACK FROM AMARILLO

Pres Abbott, who underwent surgery in Amarillo about two weeks ago, was able to be moved to the Parmer County Hospital Tuesday and he is reported to be doing pretty well. They are hoping to be able to bring the old timer of Parmer County to his home before too long.

In Richards Home

Guests in the Earl Richards home Sunday were her father, F. P. Brookfield, who was returning to his home in Dalhart after spending two weeks in Hot Springs, N.M., and her brother and family, the Floyd Brookfields of Pampa. Floyd Brookfield returned to Pampa Sunday and Mrs. Brookfield left Monday for a two-week stay in Hot Springs. Their son, Ronnie, will remain in Bovina while his mother is in Hot Springs.

M. C. Kelly is spending a few days here attending to business from Elk City, Okla.

pitted against each other. Vega was ahead nine points by the end of the first period, and allowed the Adrian team only one point in the second, with score standing 22-4 by halftime. Moving into the third, score was 30-11 and final count was 38-19. Johnson and Gruhley of Adrian made seven points each. McNebb of Vega made 13.

Going into the semi-finals, Bovina and Friona played a close first quarter with a 4-4 count, but Bovina gained the lead and held a 20-15 margin by halftime. Count at the end of the third was 30-27 and final was 46-37. Young of Bovina accounted for 16 baskets and Smith and Newton made 15 each. Magness of Friona was high pointer of the game with 29 points.

The first session played by Farwell and Vega was one of the best games in the girls' division. After the first quarter, Farwell began catching up, and it was nip and tuck all the way, with neither side taking over a three point lead. Vega was ahead 17-9 at the end of the first; and the score was 24-24 by halftime. Count at the end of the third was 32-31 and final score was 38-36, with the Parmer team winning.

Half-Century Club Has Varied Activities

The Half Century Club met on Thursday afternoon in the home of Mrs. Robert Read for their regular meeting. Mrs. W. L. Liles was co-hostess.

During the business meeting with Mrs. D. C. Looney, president, presiding, the club voted to purchase some articles for the Parmer County Hospital. They also voted to meet all day March 6 in the home of Mrs. D. C. Looney to sew articles for the hospital.

A report was given on the Style Show and the club was very gratified with proceeds from the show. Mrs. D. C. Looney also presented the club with a check for \$50 that was presented by Carmack & Sons, Dillons Children's Shop, and the Vohs' Company.

Mrs. E. D. Boyd was welcomed into the club as a new member.

Following the business meeting, Mrs. A. L. Kerby gave a short talk on sewing, giving some short cuts and a few hints for more tailored sewing. Mrs. Howard Looney then gave a short talk on crocheting and displayed some beautiful pieces of crochet in numerous patterns.

At the close of the evening, apple pie a la mode and coffee were served. Members present: Mesdames Graham Thornton, D. C. Looney, Clarence Shanks, Howard Looney, Marion Carson, Jimmie Charles, A. L. Kerby, Vernon Estes, Keith Batten, Tyson Eubanks, Robert Read, and W. L. Liles. Two guests were present: Mrs. Leonard Hanna and Mrs. Leonard Gee.

The club is making plans for its special meeting March 20, when it will have the Woman's Study Club as guest, and also invited guests.

The meeting will be at the Methodist Church Fellowship Hall. Bob Izzard of KGNC in Amarillo will be guest speaker for the day.

Joint Meeting Held At Church Tuesday

A joint meeting of the Women's Society of Christian Service was held at the Methodist Church Tuesday afternoon. "Let Courage Rise With Danger" was the topic of the program. Mrs. William Thornton assisted by Mesdames H. A. Poindexter, E. M. Ware and Margaret Caldwell were in charge of the devotional. Leaders of the program were Mrs. I. W. Quickel and Mrs. Mable Newberry. Mrs. Bedford Caldwell sang a solo accompanied by Mrs. Margaret Caldwell.

At the close of the meeting refreshments of coffee and cherry pie with whipped cream were served to the twenty members present. Hostesses were Mrs. C. F. Hastings and Mrs. H. A. Poindexter. The Wesleyan Service Guild was hostess to a Fellowship supper at the Methodist Church Wednesday night. Each family brought a covered dish. Following the delicious supper the group played "42". The next Fellowship supper will be held March 18th.

Mr. and Mrs. Harry J. Charles left Tuesday morning for Austin on a business trip. They plan to be gone about a week.

In the boy's division, participants will be Farwell, Texico, Dimmitt, Canyon, Grady, Friona, Bovina, Kress, Hereford and Lazbuddy.

Six trophies will be given away to first, second, and third places in both divisions. Eleven gold basketballs will be given all-tournament players. All players must be under 15 years of age to be eligible for tournament participation.

Girls Bracket Given

Girls play will begin at 6:30 (tonight) when Lazbuddy is pitted against Grady; Farwell will play Bovina "B" at 8:30. Friday at 6:30 in the evening, Texico meets Kress. In the last game of the first round, Friona plays Bovina "A".

Going into the second round of play Saturday morning, the losers of the Lazbuddy-Grady and Farwell-Bovina "B" tilts will play, and at 10:30, losers of the Texico-Kress and Friona-Bovina game play. On the winner's side of the bracket, top teams of the Lazbuddy-Grady and Farwell-Bovina "B" session will be pitted against each other at 1 o'clock and at 3 o'clock, winners of the Texico-Kress and Friona-Bovina "A" clashes will play.

Consolation championship is to be determined at 6:30 and the winning game will be played at 8:30.

Boys Bracket Given

Farwell and Texico will begin the play at 7:30 tonight (Thursday) in the boy's bracket. At 9:30, Friona meets Bovina, Dimmitt and Kress drew byes.

Friday at 2:30, Canyon plays Grady, and at 3:30, Kress plays the winner of the Friona-Bovina clash. Dimmitt is pitted against the top team of the Canyon-Grady game at 7:30 and Hereford meets Lazbuddy at 9:30.

At 9:30 Saturday morning, the losers of the Friona-Bovina and Hereford-Lazbuddy games play; and at 11:30 losers of the Farwell-Texico and Canyon-Grady tilts meet. In the winners bracket, top team of the Texico-Farwell game and of the Dimmitt-Canyon or Grady session, will be pitted against each other. Champions of the Friona or Bovina-Kress tilt will meet the Hereford-Lazbuddy high scorers at 4 o'clock.

Consolation final is to be at 7:30 and championship tilt is planned at 9:30.

Surprise Party Honors Mrs. A. M. Wilson

Mrs. A. M. Wilson was honored at her home on Monday with a surprise birthday party and also a pink and blue shower. Close friends of Mrs. Wilson gathered at her home, each with a covered dish and they had a very nice luncheon.

The group presented Mrs. Wilson with a beautiful nylon gown for her birthday and many lovely gifts for the baby to be.

Those present were Mesdames Jess Walling, Joe Wilson, Emmett Tabor, Ronald Breggren, Otis White, Robert Read, Leroy Breggren, and Paul Jones and Randy. Also present was Miss Nancy Lou Williams. Mrs. Jessie McSpadden, Mrs. Nat Read and Mrs. Robert Calway sent gifts but were unable to attend.

Evon Don Read, who is stationed at the Amarillo Air Force Base, spent the weekend at home with his family and friends.

Home Ec Students Visit ENMU 16th

Mrs. Norene Young and ten of the Home Ec students went to Portales Saturday, Feb. 16, for the Hospitality Day as ENMU. Those enjoying the trip were Matilda and Lucy Brito, Margaret and Marcella Verner, Florence Dean, Lillian Young, Dana and Betty Turner, Erith Marie Crook, and Lillie Ellison.

They went through the peanut mill before they went to the university. They were shown through the three stories of the mill and were told about processing peanuts, where the products were shipped, and the chief buyers. They were each given peanut candy.

During the morning they went to the Little Theatre on the ENMU campus for a film. The film showed four different occupations for women today and showed the different phases of each occupation.

At noon they had a very nice lunch in the school cafeteria. After lunch they were taken on a tour of the campus and the buildings. They were especially impressed with the beautiful new girls' dormitory. They were also taken on an inspection tour of the different home economics facilities.

They were entertained during the afternoon at the Little Theatre by the Professor of the Piano (Bob Page) and several other piano students. They also saw a part of the musical recently presented by the university, entitled, "Swanee of '52" which was very highly commended. The Madrigal Singers also presented some numbers.

At the close of the afternoon, they attended a tea held in the Student Union Building. They also were impressed with the beauty and usefulness of this building.

All the girls reported a most enjoyable day and a most profitable trip.

Mrs. Troy R. Schuder and her nephew of Hereford visited here Friday with Mrs. Schuder's grandmother, Mrs. Mollie White. Mrs. White, who has been ill since Christmas, was returned to the Parmer County Hospital Saturday morning.

Levius Rhodes is visiting with his mother, Mrs. A. G. White, and other friends and relatives in Bovina. He has just returned from several years in Germany with the armed forces.

Plan Special Assembly

There will be a special assembly at the high school auditorium Friday morning, Feb. 29 at 10:30 a.m. The program will feature Marguerite Soule Shoemaker. She will describe her amazing adventures in a fascinating educational story. She also will have an exhibit of interesting and unusual specimens of marine life that she has collected during her 18 years of underwater exploration.

The public is invited to attend this program. A small charge of 25 cents will be made.

YOUR Wheel of Fate?

Let's go on a picnic—let's go to the shore, to the mountains—to Aunt Susie's. Let's go!

But let's stop, look and listen first! Of the 35,000 fatalities on the highways in 1950, 14,310, or over four in every ten, were killed on Saturdays and Sundays. 644,200 more were injured or maimed for life. Last year the toll was even higher.

When you start out for a family week-end of fun, the Wheel of Fate is right between your hands! One slight swing of that wheel can pull you over the line and into the danger zone of oncoming traffic—into tragedy and death.

Hurry-up week-end and holiday driving, riding bumper-to-bumper at hazardous speeds, leaves no leeway for split-second action. The wheel may be only a dead stick in your hands. You've seen pile-ups on the highway—three, five, seven or eight cars telescoped into junk when a car ahead blew a tire and the wheel went out of control. And you've thanked your lucky stars your family was safe—that time!

So when you and Mom and Jack and Mary go week-ending on the highways, respect that Wheel of Fate in your hands. Use it to guide your family home—alive!

Mrs. Meyer Speaks At PTA Program

Mrs. George E. Meyer was the speaker for the Friona Parent Teacher Founders' Day observance program held Thursday evening in the high school auditorium. Mrs. Claude Osborn, president presided and Mrs. C. W. Dixon had charge of the devotions. The special entertainment was furnished by members of the seventh and the eighth grades under the direction of Mrs. Johnny Nazworth and Mrs. Cecil Robison. An exhibition of woodcraft made by the boys of that unit in farm engineering was a feature. This was under the direction of J. T. Gee. In the business session, a nominating committee, Mesdames Ralph Miller, H. T. Magness and McFarland was named to bring in nominees for the election which is to be held March 20th. The superintendent and principals of the schools are members of this committee EX-officio.

As a member of the National Congress of Parents and Teachers, having been such for a number of years, Mrs. George E. Meyer was chosen to give the address of the evening. She spoke of the organization of the body on February 17th 1897, paying tribute to the founders and quoting from the original statements of the founders, citing the great principals involved and of how so very many of these had been realized being brought about by splendid co-operation of the schools, the homes and the churches. Mrs. Meyer reviewed in brief the National meeting of the Congress of Parent Teachers held in Washington during the administration of President Hoover which she attended representing the Parent Teacher's Associations of Iowa; of "The Children's Charter which involved with special emphasis on the first item: "For every child, spiritual and moral training to help him stand firm under the pressure of life." Mrs. Meyer spoke of the early days of the local organization, complimenting the first president, Mr. F. W. Reeve.

The "entertainment" feature was especially good. Several of the numbers were "costume features". Charles Kirk, the announcer trimmed the "prosaic" with jokes, stories and a more or less acrobatic stunt in one instance. The program consisted of the following: seventh grade quartette, Loretta O'Brian, Phyllis Treider, Doris McFarland and Juanita Fuls; a saxophone solo by Harold Taylor; vocal solo by Margaret Rhodes; a reading by Barbara Crow; A Tap Dance by Kathryn Dunn and Sue Cranfill; a piano solo by Raymond White; a number by the eighth grade quartet, Nancy Crow, Linda Miller, Marie White and May Tatum; a solo by Sally Osborn; eighth grade boys' trio, Elton Thomas, Delmer Renner and Billy Dennis; piano solo, Darlene Massey; a duet by Reed and Glenn Pope; a letter, Margaret Kuhn; Harmonic solos, Elton Thomas; Duet, Phyllis Treider and Doris Jane McFarland, piano solo, Sandra Brock; seventh grade trio, vocal, Phyllis Hind, Gladys Baxter and Barbara Crow; and a final number by the eighth grade quartette which appeared earlier on the program.

Prizes were awarded for the best of the exhibits in woodworking. The first of ten dollars went to D. O. Robason who exhibited a side-chest he had made; the second prize of eight dollars went to Jack Redfern for the desk he made; the third prize went to Frank Reed who also made a desk; the fourth prize of four dollars went to Arnold Fangman for a credenza and the fifth prize of two dollars went to Jay Cobb. His exhibit was that of a bookcase. The meeting was well attended.

Showing of Crystal, China Work Planned

Showing of a 16-mm film on crystal making, along with slides on china work, is planned here March 3, to be conducted by Allen Stewart of Allen's Jewelry.

Stewart said this week that final plans for the showing had not been worked out. It was at first thought that the affair would be limited to members of the Friona homemaking department, but considerable interest has been evidenced by local residents, he added, and arrangements are expected to be made for the showing some time this week.

Express Appreciation For Magazine Donation

Mrs. Glenn Reeve, speaking for the committee in charge, expressed the thanks of the Friona school youngsters this week for the generous donation of magazines made recently to the school library.

This project is one of several being sponsored in the youth conservation movement by the Modern Study Club of this city. Mrs. Reeve went on to add that in the collection of National Geographics, only a few magazines are needed to make complete files for a period of seventeen years. She added, "We plan to check up on the issues and then see if we can locate the missing number, after which the copies will be bound into a permanent file to be placed in the library."

Residents were reminded that this was not a passing thing with the library, as Mrs. Reeve added that the school would be delighted to receive regular magazine donations from local residents.

World Day of Prayer To Be Observed Here

The Congregationalists will observe "World Day of Prayer" on the day set apart for such observance, the first Friday in Lent, which is February 29th. The service will be held in the Congregational Chapel at 2:30 P. M. with the Reverend Mrs. George E. Meyer in charge. The service is sponsored by the Woman's Fellowship of the church. The host group invites anyone and everyone to the service.

This is the 65th annual observance of "World Day of Prayer." This year's observance begins in the Fiji Islands as the sun rises on the international date line and continues throughout the day with the cycle of the sun, until in arctic and tropical regions at nightfall the circle is completed. It is a symbol of the never ending spiritual fellowship throughout the earth.

In the United States the general department of the United Church Women of the National Council of Churches sponsors the day. The local Congregational Women's Fellowship is affiliated with the world and the national organizations sponsoring the event.

There are over 17,000 observances of the day in the United States, and 105 countries around the world join in the fellowship.

The Congregational Church will be open and heated for the use of anyone and everyone all day the 29th so that those who are unable to attend the regular service at 2:30 may slip in for a few moments of prayer, at any time they choose.

Boy Scout Program To Be Sponsored By Lions

Activation of a Boy Scout troop—or troops as the case may be—for Friona and community, is to be sponsored by the Friona Lions Club, it has been announced, and work toward the organization of such a group is to be started in the near future.

H. K. Kendrick, named as head of the Scout committee from the Lions organization, said the first of this week that no actual work had been done as yet, pending word from officials in charge of scouting, in Amarillo.

Kendrick explained that the Lions notified the Amarillo Council of their willingness to sponsor the movement here, and added, "We're just waiting now for them to let us know what steps to take first in order that we may get an active Scout troop in Friona."

A recent petition signed by boys of the Friona school showed that some 65 boys were interested in Scout work, which would mean, Kendrick pointed out, that a number of adult leaders would have to be secured to handle the troops. Friona now has an active Cub Scout organization, with some 40 boys taking part, and it is hoped that the near future will see development of the Scout work.

Mrs. Frank Spring and children, Mary Tom and Frankie, spent the weekend visiting in Canyon in the home of her mother, Mrs. T. W. Collins.

Elementary Grades Plan Special Program

John Parish, Principal of the Elementary Grades of the Friona Public Schools system makes the preliminary announcement of "The Musical and Physical Educational Program of the elementary grades, which is to be held at 8 P. M. Thursday March 13th.

The first and second grades will present a "Rythm Band" under the direction of Miss Marjorie Burnett; the third and fourth and fifth grades will demonstrate "Rythm Games" also under the direction of Miss Burnett; Pyramid Building demonstration by the sixth and seventh grade girls under the direction of Mrs. Johnny Nazworth and boys of these two grades will put on an exhibition of tumbling with Messrs. Baker and Jarboe in charge.

The music which will be a feature of the evening is to be in charge of the director Mr. Hice and will consist of numbers by the band and choruses.

All in all, it promises to be a truly "Big Night". The public, far and wide, is invited. There is to be an admission charge. The proceeds are to go toward the purchasing of gymnasium and athletic equipment according to Mr. Parish, who suggests that you put that date down where you can't miss seeing it and keep it, when the time comes.

Baptist Revival Is Started On Sunday

Services are being held at the First Baptist Church in Friona twice daily this week, at 10:30 A. M. and 7:30 P. M. in an evangelical effort, which began on Sunday and will continue through the coming Sunday evening, March 2nd.

The visiting revivalist is Rev. Levi Price, of San Marcos, who arrived here on Monday to take over the preaching duties after the local pastor, Rev. Russell Pogue, had directed activities on Sunday.

Conducting the singing is Marvin Hillis, of Dallas, and choir rehearsals are held each evening some 15 minutes in advance of service time for local singers.

Speaking of the revival, Rev. Pogue said Monday that "We feel we got off to an exceptionally good start, with a large crowd on hand at the worship services while our Sunday School attendance hit a new record high with 326 registered."

March Family Night Planned by Church

The Congregational Church will observe the March Family Night on the evening of March 2nd opening with the customary feed at 7:00 P. M. This "customary" feed consists of sandwiches, jello, cake and coffee in real abundance with quite a few "extras."

The Woman's Fellowship of the church announce that the brand new never been used tables will be used for the very first time on the 2nd.

There is to be a "songfest". The special feature entertainment will be the showing of two film strips put out by Life Magazine. They are entitled "This Is Korea" and "This is Israel."

The usual invitation goes out which is to every member and every friend of the church and their families.

Mother Gets Broken Hip in Bad Fall

Mrs. I. G. Luttrell, of Harrell, Texas, mother of M. B. "Shorty" Luttrell of this city, received bad breaks of her right hip and wrist on Wednesday of last week, when she slipped and fell at the family home in Harrell.

Luttrell reported that the 78-year-old lady was hospitalized at Wichita Falls for treatment by a specialist, and over the weekend, was released to come to the home of her son in this city. Her husband accompanied her to Friona and the two will be in the Shorty Luttrell home until Mrs. Luttrell is sufficiently recovered to be about without assistance.

Local Cemetery Now Ready For Road Work

Allan Romich, manager of the Friona Chamber of Commerce, announced this week that the recent addition to the Friona cemetery is now ready to have roads run across the property.

Local residents spent some time during the past weekend plotting and surveying the addition to the burial ground, donated by Carl Maurer, Romich said, adding, "The plot is now in condition for any roads that we may need to have run."

CONSERVATION NEWS

By BILL KENNEDY

Technicians assisting the Parmer County Soil Conservation District made two surveys this week on acreages to be bench levelled. Mike Allen and A. R. McCutcheon plan to establish this practice.

Other activities included stocking a diversion for W. V. Elmore, and running contour lines for Otis Branscum. Terraces were checked for H. T. Reynolds and the waterway was checked for Joe Blair. Permanent type practices must all be checked on completion to determine whether they meet P.M.A. specifications.

All farmers mentioned above became district cooperators under the initial plan. This type plan enables a farmer to receive assistance when he is interested in applying a single practice.

Basic or complete conservation plans are no longer being prepared because of the extra time it takes to prepare them. This has eliminated individual topographic maps and photographs. These two items are regarded as very valuable by most farmers and will be supplied as time permits.

The district object, at this time, is to try to assist every farmer with at least one practice.

Farmers who have signed up for a single practice may have heard about the basic objective of the Department of Agriculture with regard to conservation. This objective is to "Use each acre of agricultural land within its capabilities and treat each acre in accordance with its needs for protection and improvement."

Terraces, diversions, concrete pipe, contouring or any other practice cannot perform miracles and make land productive if it is not suited to conservation.

In assisting the Parmer County SCD, the Soil Conservation Service can give only that kind of help which farmer cannot do himself. It is a misappropriation of government funds to do small jobs or "chores" for farmers when they can do them without technical help.

There are many different kinds of legumes, small grains and grasses which can be used for improvement on irrigated land. All of the above have several limitations when used on dry land for soil improvement.

Recently there has been a great deal of discussion on using sudan with an addition of commercial nitrates for soil improvement on dry land. The sudan turned under at full growth would provide the organic matter while the commercial nitrates would provide the nitrogen which is ordinarily taken from the air by legumes and fixed in the soil.

Rev. David Binkley, former local pastor who is now at Anson, Texas, visited in Friona during the weekend.

OPERATION PERFORMED

Mrs. Russell Pogue reported this week that her mother, Mrs. Jack Roberson of Hereford, underwent surgery to correct an eye condition at an Amarillo hospital the past week. Mrs. Robertson is reported as showing satisfactory improvement, and is expected to be dismissed from the hospital in a few days. She had been ill at the Deaf Smith County hospital in Hereford for several days before her removal to Amarillo for surgery.

CARS IN SMASHUP

A slight accident which resulted in smashed fenders and grillwork occurred in front of Smiley's Cafe on Highway 60, Saturday afternoon. The collision came about when Fred Dennis, local resident, who was traveling east, turned across the highway toward the cafe, directly in the path of a Cadillac driven by a Detroit, Michigan, man. No injuries were sustained by parties in the cars, although the autos were considerably banged up.

PLANS SERMONS

The Reverend George E. Meyer of the Congregational Church announces that the series of sermons for Lent will be based on "The Seven Words" with the presentation of each of the words consecutively beginning with the first Sunday in Lent, March 2nd. The Reverend Mr. Meyer preached the "Prologue" sermon February 24th. The church extends its usual community-wide general invitation to its every service.

ATTEND MEETING

Rev. Russell Pogue, Leonard Haws, Johnny Marrs, and Claude Miller were in Lubbock on Tuesday of last week, attending the district Baptist Brotherhood rally. Special speaker at the gathering was Rev. John E. Huss, of Spartanburg, South Carolina. Rev. Pogue reported an exceptionally interesting meeting.

OLD-FASHIONED LIVING

MODERN LIVING

MODERN LIVING IS ELECTRIC LIVING!

Scrub-a-dub-dub, work in the tub... that was the old way of clothes washing with the steaming kettles of hot water on the old kitchen wood stove. Water in the tub was either too hot or too cold, cleansing of the really dirty garments meant backbreaking scrubbing on the old corrugated scrub board and usually the kitchen floor got its share of messy, slopped-over yellow soap suds. Today, thanks to electric service, and modern electric appliances, wash day is almost completely automatic. Your clothes are washed automatically with correct water temperatures and modern improved soaps or detergents replace the old scrub board.

IN THE LAST FEW YEARS, we have tripled our investment in plant and facilities to serve New Mexico telephone users.

The increase in investment has been very substantial for two reasons. *First*, we have tried to keep pace with continuing demand. *Second*, it takes a lot more dollars to provide facilities at today's high cost levels.

In the last six years we've spent \$24½ million for construction of new facilities, and our program this year is continuing at an even greater rate.

Not only is more equipment being added daily throughout the state, but New Mexico users are finding the telephone more and more useful.

Ten years ago, about 200,000 local and long distance calls were being handled daily. Today the volume has tripled, with a daily average approximating 600,000.

The combined efforts of 1,850 skilled employees are building for New Mexico a telephone system to match the state's growing needs.
