Homecoming Coronation Slated Tonight At Texico

Spirit has really been high this week at Texico High School with the planning of Football Homecoming and the determination to win the football game. Plans began Monday, Sept. 22, with the climax to be tonight (Friday), Sept. 29, with the crowning of the Texico High School Football Homecoming Queen and King.

Candidates for Homecoming Queen were selected last Friday. They include Karen Hadley, sophomore, daughter of Mr. and Mrs. Raymond Hadley, Kim Harrington, junior, daughter of Mr. and Mrs. Moreland Harrington; Cheri Tharp, senior, daughter of Mr. and Mrs. Lonnie Tharp; and Gia Crooks, senior, daughter of Mr. and Mrs. Arlye Crooks.

Vying for the title of Homecoming King for 1975 are Jackie Reid, junior, son of Mr. and Mrs. W.O. Reid; Spencer Turner, senior, son of Mr. and Mrs. David Turner; Tommy Galvan, senior, son of Mr. and Mrs. Frank Galvan; and Robbie Bradley, senior, son of Mr. and Mrs. Charles Bradley.

Monday was "Crazy Hat Day" at the Texico High School. Each student was required to wear a hat either designed by the student or crazy looking enough to qualify.

Tuesday was "Booster Button Day" for the students at the school. Again, they were free to decorate their own buttons.

Wednesday was designated as "Dress Up Day." Also football ribbons went on sale and so did the tickets allowing girls to wear shorts on Thursday.

Thursday was scheduled to be "T-Shirt, Crazy Socks, and Shorts Day." No short shorts were allowed and a girl wearing shorts must have purchased a ticket the preceding day and displayed it on Thursday.

Friday (today) will be "Green and White Day." There will also be a car decorating contest held. Any student wishing to enter may do so by decorating his or her car in any way pertaining to the homecoming or having to do with the Wolverines. They will be judged today and a

prize of two tickets to the Homecoming game will be awarded to the winner.

A special pep rally has also been planned for today at 3:15 p.m. MDT in Wolverine gym. All Wolverine supporters are invited to attend and to back the Wolverines tonight in their game against the Melrose Buffaloes at 7:30 MDT.

The Kiwanis Pancake Supper is also scheduled for this year's festivities prior to the Homecoming game and the crowning. They will begin serving at 3 in the afternoon and continue serving until 8 p.m. in the Texico cafeteria.

Cost of the meal is \$1.50 per plate for adults and \$1 for children.

During the half time activities the 1975 Homecoming Queen and King will be crowned. Tentative plans for the coronation ceremonies include introduction of the candidates, who will make an appearance and travel around the football field on a float.

"The Wolverines need your support tonight as they face their opponents, the Melrose Buffaloes. Come on out and enjoy the game plus the half time Homecoming festivities," urge players and coaches.

County Commissioners Approve PRPC Ambulance Agreement

Members of the Parmer County Commissioners Court convened in regular session Monday, Sept. 22, and conducted a discussion relevant to the Panhandle Emergency Medical Services and equipment which would put Parmer County in a position to take advantage of available services.

It was reported that Dr. Bob Alexander of Friona met with County Judge Paul Fortenberry last week and discussed the situation with him. At Monday's session, Farwell Fire Chief Lee Hutchins and Mayor Gil Patschke met with the Court and discussed this project at length. It was pointed out that when this project is in operation, an ambulance could be in

direct contact with a doctor at some hospital who might help the ambulance attendant administer the necessary procedure for the survival of a patient during transport to a hospital.

It was reported that two mobile units, one control station, one remote control unit, and certain vehicular rescue equipment, plus the communication core system fee could be purchased in the amount of \$3,109.75. This would be a one-time deal and there would be no annual rental.

Following the discussion, Commissioners agreed that a standard form agreement by the owner and entity be entered into with Panhandle Re-

THE ONE AND ONLY person to guess all 10 games correctly during the third week of the 17th Annual Area Merchants Football Contest was Chip Craft, right. Craft won the weekly first place prize of \$5 for his efforts and was presented his reward by Joe Jones of Security State Bank, a sponsor of the annual contest. Following Craft in the contest was John DeFord who took second place on a tiebreaker decision. DeFord guessed nine games and was seven points off on the tiebreaker. Behind DeFord was Rhonda Kirkland, who called nine games but was nine points off on the tiebreaker. DeFord and Mrs. Kirkland received \$3 and \$1, respectively, for their entries.

'Crafty' Chip Calls 10, Takes Weekly Money

Chip Craft put on his thinking cap this week and "out-slied" contestants in the Annual Area Merchants Football Contest by "craftily" calling 10 games correctly for the first place slot.

Craft was the only person to get all 10 games right and was awarded first place cash prize of \$5 for his wittness. Following the prognosticator in the winning column was John DeFord who took second place with nine correct calls and the smallest point spread on the tiebreaker score. DeFord was only seven points off on the spotlight game and received \$3 for his efforts.

Placing third behind DeFord was Rhonda Kirkland, Mrs. Kirkland also called nine games correctly but was nine points off on the tiebreaker score. Eight other persons also correctly predicted the outcome of nine games but were too far off on the tiebreaker to take one of the weekly prizes.

Other "niners" for the week were Bill Boling, Bill Craft, Robert Diaz, Greg Geuther, Leslie Lunsford, Dutch Quikkel, Billy White and Leon Yell.

With the calling of nine games this week, Bill Craft took a solo first place lead in the overall contest with 24 points. Two points separate the first place leader from two contenders who now share the second place slot. A total of 22 points each have been garnered by Chip Craft and Carl Kirkland for second place.

Eleven persons are now filling the third place position with 21 points each. Among those in third place are Bill Boling, Greg Geuther, Carl Dean Goettsch, Albert Johnson, Joe Jones, Bruce Kaltwasser, Earlene Porter, Dutch Quikkel, Bill Roberts, Robin Roberts and Albert Smith.

With three weeks in the annual event now history, a total of 344 persons have now made their bids for the Grand Prize and Second Prize. The person leading the scoring at the end of the 12-week contest will be declared first place winner and will receive two tickets to the Cotton Bowl and \$50 expense money. The Cotton Bowl game is scheduled for New Year's Day 1976. The person taking the second place slot will be awarded two tickets

for the Sun Bowl game to be played in December and \$25 expense money.

It is never too late to enter the annual contest. You may (Continued on Page 2)

Due to the absence of vacationing "head honcho" John, we are continuing his article on the proper ways of displaying the American flag.

OTHER APPROVED CUSTOMS

Highest honors are rendered to the National flag by all branches of the Armed Forces and the various patriotic societies throughout the country.

More than fifty years ago it was the custom to salute the National flag by uncovering; nowadays the hand salute is rendered by the entire personnel of the Armed Forces.

During the ceremony of hoisting or lowering the flag, or when the flag is passing in a parade or in a review, those present in uniform should render the right-hand salute. When not in uniform, men should remove their headdress with the right hand and hold it at the left shoulder, the hand being over the heart; women should place the right hand over the heart.

There is no law prohibiting the flying of the American flag at night. Public Law 829, 77th Congress permits "the flag to be displayed at night upon special occasions when it is desired to produce a patriotic effect."

The flag can be displayed on all days when the weather permits, especially on New Year's Day, January 1; Inauguration Day, January 20; Lincoln's Birthday, February 12; Washington's Birthday, February 22; Easter Sunday (variable); Mother's Day, second Sunday in May; Armed Forces Day, third Saturday in May; Memorial Day (half-staff until noon), May 30; Flag Day, June 14; Independence Day, July 4; Labor Day, first Monday in September; Constitution and Citizenship Day, September 17; Columbus Day, October 12; Veterans Day, November 11; Thanksgiving Day, fourth Thursday in November; Christmas Day, December 25; such other days as may be proclaimed by the President of the United States; the birthdays of States (dates of admission); and on State holidays.

When the flag is in such a condition, through wear or damage, that it is no longer a fitting emblem for display, it should be destroyed in a dignified way, preferably by burning.

On suitable occasions repeat this pledge to the flag:

"I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

This wording of the pledge varies slightly from the original, which was drawn up in 1892 in the office of "The Youth's Companion" in Boston. It was first used in public schools in celebration of Columbus Day, October 12, 1892.

The pledge received official recognition by Congress in an Act of June 22, 1942. The phrase "under God" was added to the pledge by a Congressional Act of June 14, 1954. At that time, President Eisenhower said that "in this way we are reaffirming the transcendence of religious faith in America's heritage and future; in this way we shall constantly strengthen those spiritual weapons which forever will be our country's most powerful resource in peace and war.

Valley 'Patronizes' Steers For 21-0 Win

The Farwell Varsity Steers traveled to Valley Friday night, Sept. 19, and met the Patriots in battle. The Steers were dropped by their hosts 21-0 in the Steers' third game of the 1975 football season.

Valley opened their scoring in the first quarter with a touchdown followed by a successful points after touchdown kick to take the lead 7-0.

During the second quarter of action, the Steer defense could not hold the Patriots as they flashed their colors and added their second touchdown of the night to the scoreboard. PAT was again successful and the Steers trailed 14-0 when the halftime buzzer sounded.

The final touchdown and PAT for the Patriots came in the third quarter of play. The Steer defense held the host team scoreless in the fourth quarter of play and when the final buzzer sounded, the Steers were credited a loss on their season record, 21-0.

Statistics show the Steers racked up eight first downs while the Patriots came up with 18. The Steers connected on three passes out of 13 attempts for a total of 35 yards and Valley hit six of 15 attempted passes for 145 yards.

The Steers fell behind in the rushing department as they gained a total of 100 yards.

Farwell Chamber To Meet Tuesday

The Farwell Chamber of Commerce will meet in regular session Tuesday, Sept. 30, at noon at Clara's restaurant.

Included on the agenda are discussions concerning the status of the nursing home and the doctor situation.

The Chamber will also discuss membership drives and plans for a bicentennial celebration.

rushing while Valley came up with 202 yards rushing. Total yardage for the Steers was 135 yards with Valley racking up a total of 346 yards.

Steer Russ Jones attempted 13 passes and connected on three for 35 yards. Mike Goetsch was credited with 12 carries for 41 yards; Billy White, three carries for seven yards; Sammy Merritt, one carry for seven yards; and Travis Bibbs, 11 carries for 47 yards.

In commenting on Friday's clash with Valley, Steer Head Coach Eugene Jennings stated, "I felt like we played well enough to win. We had some bad breaks and we had some penalties that were very costly."

"Our kids put forth a real good effort and we (the coaches) felt like if our pass defense would have done a little better, we would have been able to win the ball game."

He commented that the Patriots threw two touchdown passes on the Steers and their other TD was set up on a pass play. "We couldn't keep their passing game down. They had a quarterback who threw the ball real well. Probably better than anyone we've seen in two years. The only kind of defense against a good passer is a good pass rush and we didn't have as good a pass rush as we should have."

The coach cited several Steers for their performances during the clash. "David Cantu did a real good job defensively. He was in on a total of 23 tackles and he blocked well on defense. He graded out about 16 1/2 yards on offense."

Other players named by the coach were Travis Bibbs and Charles Christian. Jennings stated that he felt like Bibbs played a good offensive ball

game and that Christian did a good job on offense and defense. "These boys have played well for us all year."

Steer Of The Week

Farwell Steer Coach Eugene Jennings has cited Steer David Cantu as "Steer of the Week." According to Jennings, "During our game last Friday with Valley, Cantu did a real good job defensively. He was in on a total of 23 tackles and he blocked well on defense." The coach also commented that the Steer had "graded out 16 1/2 yards on offense for the Steers."

Thoughts

From The Living Bible

Before anything else existed, there was Christ, with God. He has always been alive and is himself God. He created everything there is — nothing exists that he didn't make. Eternal life is in him, and this life gives light to all mankind. His life is the light that shines through the darkness — and the darkness can never extinguish it. God sent John the Baptist as a witness to the fact that Jesus Christ is the true Light. John himself was not the Light; he was only a witness to identify it.

Fire Calls

Neither the Farwell nor Texico Volunteer Fire Departments reported any fires this week.

However, the Farwell emergency vehicle was called Tuesday, Sept. 23, to take a Farwell resident to the Clovis hospital.

Wednesday, Sept. 17, the Texico ambulance was called to take a Texico youth to the Clovis hospital.

Wolverines Ground Eagles In Shut-Out

by Susan Snodgrass

The Texico Wolverines traveled to Vaughn to blast the Eagles off the field 47-0, last Friday night, Sept. 19.

In the past two years, Texico has been defeated by Vaughn, so the Wolverine's win this year was a change for the Eagles. Texico kicked off to start the game. The ball went into the end zone and was downed on the 20-yard line. Almost immediately there was an offsides penalty against Vaughn. The Eagles ran ground play for short gains and then were forced to punt. Alternating Spencer Turner and Tommy Galvan, Texico brought the ball across for a touchdown only to have an offsides penalty against themselves make them replay it. Again, Tommy Galvan brought the ball across with 6:17 remaining in the first quarter. A two-point conversion was good, with quarterback Steve Turner completing a pass to fullback, Stevie Askew.

Richard Hadley then kicked the ball off, Vaughn receiving it on their 18-yard line. Mark Howard then tackled them one foot short of a first down. Again Howard stopped them. This tackle was accompanied by a five-yard penalty against Vaughn for illegal procedure. Vaughn was then forced to punt.

Spencer Turner brought the ball up the middle for another Texico first down. Texico's quarterback tried laterals, which got them a first with a personal foul against Vaughn and the Wolverines went across for a touchdown with 2:34 left in the first quarter. Again Texico lateraled for the two-point conversion which would have been good except that both teams had offsides penalties. The play was run again, Turner connecting a pass to Askew for a good two-point conversion.

After the kickoff, Vaughn returned the ball to Texico's 37-yard line with Mark Howard finally pushing the Eagle carrier out of bounds. Vaughn tried ground plays for no gain, a one-yard gain, and then a loss accompanied by an offsides penalty which Texico declined. At the end of the first quarter, the score stood Texico 18, Vaughn 0.

Vaughn started the second quarter by kicking off to the Wolverines. Texico then handed off for a first down only to lose the ball to Vaughn as they fumbled and the Eagles recovered. After several plays with no gain, the Eagles punted the ball with Texico attempting to catch it, but succeeding only in touching it, giving Vaughn a chance to recover it. The ball was now on the Wolverine five-yard line, Vaughn in possession. The Eagles moved the ball until they were one foot from the goal line where they turned the ball over to Texico. With 6:22 remaining in the second quarter, Texico's Steve Turner handed the ball off to Spencer Turner who went around left end to run it all the way for a touchdown. Turner's total yardage on the play was 99 yards, two feet.

Again Texico tried a two-point conversion which was no

good. Hadley again kicked off, the ball being returned to Vaughn's 38-yard line. The ball was fumbled with Vaughn recovering it for a loss. Jackie Reid and Chris Eshleman tackled the Eagle's man to stop their gaining and forcing them to punt. There were three minutes left in the second quarter when Texico again carried the ball across for a touchdown. The Wolverines tried a pass for a two-point conversion which was almost intercepted, but was not completed.

When Vaughn received the ball, Texico's Robbie Bradley, Justin Gaddis, and Chris Eshleman went together to stop them, followed again by Richard Kelley and Jackie Reid teaming up to bring them down. Four seconds were left in the second quarter when Vaughn was forced to punt. Texico ran one play and the quarter ended. The score now stood Texico 28, Vaughn 0.

The third quarter began with Vaughn kicking off. Mark Howard returned the ball to Texico's 35-yard line. Quickly the Wolverines moved the ball down the field by a series of ground plays. The ball was then lateralled to Spencer Turner who carried it to the six-yard line. With 10 minutes remaining in the third quarter, the Wolverines carried the ball over for a TD, but were penalized for illegal procedure. The play was run again and Texico made the TD, Steve Askew carrying Richard Hadley kicked for PAT, which was good. Vaughn then received the ball to be immediately penalized for illegal procedure. Trying ground plays, the Eagles made no gain and were forced to punt. Texico took the ball on their 48-yard line, and were then penalized five yards for delaying the game. The Wolverines then suffered a loss, coming back with a 23-yard run by Tommy Galvan.

Stevie Askew then ran for a first down with Vaughn having an offsides penalty called against them, which Texico declined. Mark Howard then caught a pass in the end zone for a touchdown. The Wolverines attempted to kick for the extra point, which was blocked.

The Wolverines then kicked off and stopped the Eagles on their 30-yard line. Texico then held them for a 5-yard maximum gain, forcing them to punt. The Wolverines effectively blocked the punt, only to barely touch the ball with Vaughn recovering it. Again they made no gain and punted. This was again blocked by Texico and fumbled, although Texico recovered the ball.

Texico then took to the air trying four passes, but all were incomplete. The first pass was intended for back Stevie Askew, but was rerun because of pass interference against Vaughn. Again quarterback Steve Turner intended a pass for Askew; it was also incomplete. Mark Howard was Turner's next intended receiver, but Vaughn rushed Turner causing his pass to be short. The Wolverines then attempted a field goal which was attempted again because of an Eagle penalty. The second attempt was no good.

With 58 seconds on the clock the Wolverines held the Eagles in one spot. The third quarter

ended with the score Texico 41, Vaughn 0.

At the start of the fourth quarter, Texico received the kick on their 43-yard line. The Wolverine quarterback then connected a pass to Askew for six yards. They then lateralled for a loss, followed by a hand-off to Galvan who, after jumping two of Vaughn's "would-be" tacklers, carried it across for the touchdown. A penalty was called against Texico, so the touchdown was not counted and the play was run again. The Wolverines then ran a series of ground plays until fumbling, Vaughn recovered the ball. Texico then held the Eagles to a five-yard gain. The Eagles then punted, putting Texico on their 37-yard line.

Quarterback Steve Turner then tried passing, intending the first one to go to Richard Kelley, a second to Mark Howard, with the third being deflected. Turner then brought the ball back down to the ground, lateralizing it for eight yards. The ball was then turned over to the Eagles, who made no gain and had to punt. The Wolverines then connected two passes, a third being deflected. Texico was then penalized for illegal procedure. Turner intended a pass for Askew, though incomplete.

Back to the ground, a quarterback sneak took the ball up the middle to the five-yard line. Intended receiver, Askew, just missed the pass. Turner then made a reverse pivot faking a handoff, and took the ball up the middle for a touchdown. Hadley attempted the kick for the extra point, which was no good because of an illegal motion penalty against Texico.

The Eagles then had 14 seconds to attempt a touchdown. Their efforts were futile. The game ended, the Wolverines victors, 47, to Vaughn's 0.

Texico returned to football in 1969, their first game being played against Vaughn. They were defeated 54-0. Since then the Wolverines have played the Eagles six times. In 1970 Texico won 18-0, in 1971 Texico again won 20-0, in 1972 Texico won for the third year in a row. The next year, 1973, the Eagles defeated the Wolverines 18-8, followed by another Wolverine defeat last year, 14-0. Texico again defeated the Eagles this year, 47-0.

"The game with Vaughn was more than what I expected," commented Wolverine Head Coach Ray Manly. "I expected the Eagles to be tougher. They played real tough ball during the first quarter but after that they just played down."

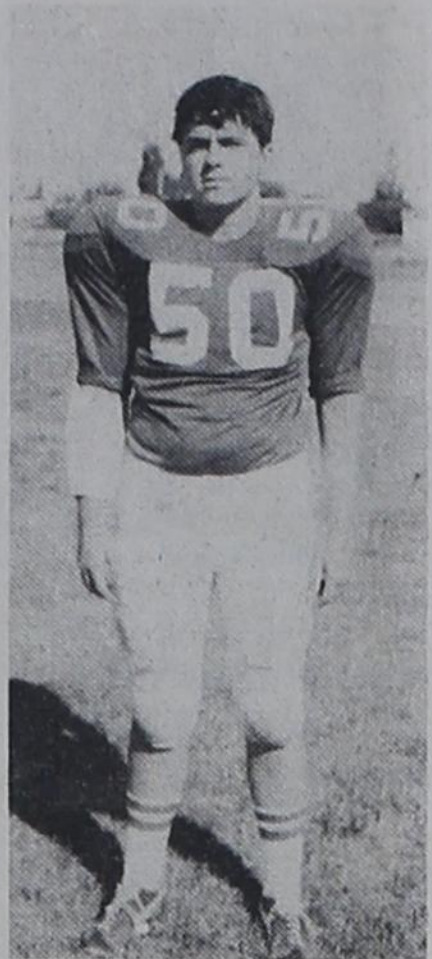

In commenting on the Wolverines during the game, Manly stated that "it was an entire team effort."

Tommy Galvan had 12 carries for the Wolverines for 204 yards. He had two touchdowns called back and he had two long runs called back, totaling approximately 100 yards.

Statistics show that Spencer Turner had 12 carries for 185 yards including a 99-yard touchdown run on a snapped ball.

Wolverine Robbie Bradley racked up 12 primary and unassisted tackles and four as-

sisted tackles for the Wolverines. Chris Eshleman was credited with 11 primary and unassisted and six assisted. These Wolverines were named major tacklers by the coach.

"I was extremely pleased with Tommy Galvan, Spencer Turner, Robbie Bradley and Chris Eshleman for the game they played. They did an outstanding job for us," said the coach, continuing, "I am really happy with the performance of the team. They're playing football like they are capable

of playing." Manly said that total offense for the Wolverines was 520 yards which "equals the best offensive production of last year." He said, "This was a team effort more than an individual effort as it was last year."

The Wolverines will be meeting Melrose tonight at Wolverine Stadium for the 1975 Texico Homecoming Game. Coach Manly urges that all Wolverine fans turn out and support the team in its effort.

Wolverines Baffle Melrose Buffaloes

The Texico Junior High Wolverines traveled to Melrose Thursday, Sept. 18, and dropped the Buffaloes 26-13.

Terry Rolan "played a good game," according to Coach Cecil Davis, with a total of 86 yards gained in 10 carries, with a 8.6 yard average.

Keith Hadley stacked up a grand total of 97 yards in 12 carries for the Wolverines. Keith averaged eight yards per carry.

JV Steers Suffer Loss

Farwell's Junior Varsity Steers clashed with the Lubbock Christian High School JV team in action Sept. 18, and suffered their first defeat of the 1975 football season, 12-8.

Steer Gary Lee put the points on the scoreboard for the Steers and was also credited with the points after touch-down.

Coach Bert Roanhaus commented, "We really lost a tough one. It was an outstanding game."

The coach stated the LCHS was undefeated going into the game as were the Steers. "Our entire team did an outstanding job." He cited Steve Owens, Gary Lee, Ricky Coleman, D. D. Foster and Tim Norton for "doing a good job for us along with all our linemen."

He related that he believed the play by the Steers was a good job. "We had a new quarterback, Steve Owens, in there and it was his first ball game."

"We are real proud of our team but it was tough to lose 12-8. We could have won if we had gotten some breaks. We had a few bad breaks. We played against a good team and they just beat us."

The coach further reported that some of the Junior Varsity Steers have done so well in their individual positions, that they have been pulled up to the Varsity. "We have a bunch of outstanding players who will be greater as the year progresses," Roanhaus concluded.

Golf Scramble Slated Saturday And Sunday

The Farwell Country Club will be sponsoring Scrambles Saturday and Sunday, Sept. 27 and 28. A four-player Scramble will be conducted on Saturday and a two-player will be played on Sunday.

"You may bring your own team if you wish. You also may play in either tournament or both as they are really separate tournaments," commented R. L. Montgomery, Farwell Country Club golf professional.

Shotgun starts have been set for 9:00 a.m. and 2:30 p.m. They will be flighted by the handicap of partners with the lowest handicap.

Entry fees are \$10 per person per tournament. The Scrambles are open to the public and everyone is invited to attend and or participate.

Mulshoe Kicks Yearlings

The Mulshoe Mules ventured into Eighth Grade Yearling territory Thursday, Sept. 18, and kicked their hosts 20-0 as they held the Yearlings scoreless through the four quarters of play.

During the first half of action, the Mules racked up their 20 points for the evening. During the second half of play the Yearlings stopped the Mules' scoring drives.

According to Coach Larry McDorman, "Mulshoe ran the ball out around the corners and we couldn't stop them."

Mules Drop 7th Yearlings

The Seventh Grade Yearlings of Farwell played host to the Mulshoe Mules Thursday, Sept. 18, and were kicked by the visiting team 14-0.

Coach Jim Yakubovsky stated, "Our boys have done a good job of improving week by week. Our kids haven't given up on anything, they still have a good attitude about athletics and football."

The coach related that the local seventh graders were battling the Mulshoe eighth grade "B" team because the Mules seventh grade team doesn't travel.

"We had a big problem holding onto the ball. We fumbled

five times. If we can overcome our mistakes, we're going to start scoring. We (the coaches) feel like we have a fine group of seventh grade players who, in time, will come along," he commented.

Yakubovsky also commented that his team is going through a slow process. "Our kids are young and need to take one step at a time. We are teaching fundamentals and we feel like by the time they're older athletes, they will be a good team because of the effort and attitude they are now developing in the seventh grade."

SHERIFF'S REPORT

Members of the Parmer County Sheriff's Department are currently investigating several daylight burglaries in the area.

According to Parmer County Sheriff Charlie Lovelace, two known burglaries of the same type have occurred within the county with two being reported in Deaf Smith County.

One of the burglaries occurred at approximately 12 noon Tuesday, Sept. 23, at the Larry Scott farm located three miles northeast of Bovina. Tools and parts were taken from a boxcar.

Sheriff Lovelace reported that entry had apparently been gained by the use of bolt cutters to cut a padlock from the door.

The second incident also occurred Tuesday at the T.E. Lovett farm located 11 miles north and west of Friona. A number of tools and parts were taken from the barn with entry apparently being gained by cutting a padlock off with bolt cutters.

The Sheriff commented that two similar burglaries occurred Tuesday in Deaf Smith County. Tools and equipment were also taken in the incidents along with some saddles.

"The burglaries have occurred in what we refer to as a 'bootleg area.' We are currently looking for a pickup

truck which was seen at the Larry Scott place about 11:30 a.m. the day of the burglaries," he stated.

It was also reported to the Sheriff's Department that approximately \$200 in clothing had been taken from the Farwell laundromat Sunday night, Sept. 21. The clothes were apparently taken from a washer in the establishment.

A house in Bovina belonging to Gene Snodgrass was burglarized and vandalized sometime Sept. 17. One juvenile was arrested in connection with the incident and released to his parents. The jewelry and money taken during the burglary were recovered by the Sheriff's Department.

Crow's Slaughter Plant in Friona was burglarized Sept. 19. Burglars apparently gained entry through a broken window. Approximately \$200 in cash was taken along with a gray/brown cash box.

Three other thefts were reported to the department. Robert Ray, custom combiner, reported the theft of a citizens band radio from a combine, and a tape deck and drive-inn speakers were reported missing from a pickup belonging to Glenn Harrelson.

Joe Myers reported that a female Alaskan dog was stolen the night of Sept. 16.

Delinquent Bills Discussed At Texico Council Meet

The Texico City Council met in regular session Tuesday night, Sept. 23.

First item of business was a report from Joe Caywood pertaining to his recent trip to Tucumcari as the Texico representative to the East Plains Council of Governments.

The Council next discussed delinquent water bills. After extended discussion, Trustees reached an agreement that from now on "any and all bills not paid within the allotted time will become delinquent and the water will be turned off."

The Council requested City Attorney Harry Patton to draw up an ordinance for the bidding on billboards on the highway in Texico. Trustees feel this is not a welcome sight for the town. Patton will have the ordinance drawn up by the next meeting date and present it for the approval of

the Council at that time.

Those in attendance for Tuesday night's meeting were Mayor M.E. Turnbough and Trustees Bill Christian, Bill Thigpen, Vane Doshier and Ruby Goforth. City employees present for the meeting were Billy Don Arnold, Billy Hammit, Willie Ronquillo, Harry Patton and Clara Wiehl. Also attending the meeting was Joe Caywood.

Next meeting has been set for Tuesday, Oct. 14.

Although promoting the producer is customary fare for this column, seeing farmers get "good press" from one of the country's financial magazines is refreshing. In the July issue of FORTUNE, a major article compliments today's farmer as being a talented businessman. In part the article says, "... a farmer must be a tolerably good chemist, mechanic, market analyst and cost accountant ... must be able to judge when to sell his crops, when to hold back, and when to hedge with futures contracts, requiring not only a deep understanding of the commodities markets, but also a grasp of U. S. economic policies at home and abroad." When talking about management ability ... "When it comes to managerial skill, a first-rate farmer can hold his own with businessmen in industry." In short the article states what a lot of us have realized for a long time ... a successful farmer or rancher means being a true professional!

Rattlesnake Vigilance
The rattlesnake symbol appears again and again in early American flags. A flag of this type was the standard of the South Carolina Navy; one of its variants was the emblem

of the Culpeper Minute Men of Virginia.

According to the U.S. Marine Corps Reserve, one writer of the time quaintly stated that as the rattlesnake's eye exceeded in brightness that of any other animal, and she had no eyelids, she might therefore be esteemed a symbol of vigilance; that inasmuch as she never began an attack, nor, when once engaged, ever surrendered, she was therefore an emblem of magnanimity and true courage.

It was probably the deadly bite of the rattler, however, which was foremost in the minds of its designers.

Texico Woman's Club Hosts Membership Tea

The annual membership tea of the Texico Woman's Club was conducted Monday, Sept. 15, at the Texico Community Building.

Twelve members were present for the affair and during the session, three new members were enlisted. New members include Millie Curry, Kay West and Brenda Capps.

During the organization's business meeting, it was agreed that Fairfield Cemetery in Roosevelt County would be the focal point of the club's project for the year.

It was reported that at the present time many of the graves in the cemetery are covered with sand. Members of the Woman's Club have elected to uncover the graves and attempt to have a storm fence installed around the cemetery in an effort to keep the majority of the sand from covering the graves again.

Club members Marie Christian and Teresa Curry met recently with the Roosevelt County Commissioners and sought their aid to carry out the club's project. Mrs. Christian and Mrs. Curry reached an agreement with the Commissioners that the Commission would install a culvert at the

cemetery entrance so that entry into the cemetery could be gained. Installation of the culvert has now been completed.

Plans for the organization's annual Arts and Crafts Fair were discussed. Tentative date for the event is December 6 and it is to be held at the Texico gymnasium.

Booths for the fair are to be rented for \$10. Interested persons are asked to contact Teresa Curry, fair chairman, or any member of the Texico Woman's Club.

Members stress that the fair is open to any organization seeking to raise funds such as church organizations, civic and social groups, or individuals interested in promoting their arts or crafts.

It was also reported to members that the District Convention of Women's Club has been scheduled for October 1 at Carlsbad. The local club is to be represented by two delegates.

Present for the membership tea and business meeting were Millie Curry, Kay West, Brenda Capps, and club officers, Margie Crooks, treasurer; Teresa Curry, first vice president; Bettie Martin secretary; and Marie Christian, president.

NOVEMBER WEDDING PLANNED - Rev. and Mrs. Jimmy McGuire of Floydada announce the engagement and approaching marriage of their daughter, Janet Gayle, to Stephen Scott Thetford of Dora, N.M., son of Mr. and Mrs. Rodney Thetford. The couple will exchange vows Friday, Nov. 14, at 8 p.m. at Arnett Benson Baptist Church in Lubbock. The bride-elect is a 1973 graduate of Lubbock High School and the prospective bridegroom is a 1973 graduate of Dora High School. Both are currently attending Wayland Baptist College in Plainview. The bride-elect is the granddaughter of Mrs. Cora McGuire of Farwell.

Farwell Study Club Honors Andersons

by Loucile Foster

Farwell Study Club started its new year with a tea honoring one of Farwell's most deserving and least recognized couples, Mr. and Mrs. Gabe Anderson. Theme for the Club for the year is stressing the Bicentennial of our country, and it was to stress this theme that the colors of the flag were used and that Old Glory was displayed in prominent places. The tea was held in the Study Club building Sunday, Sept. 14.

Every city has a friend; a real friend, and Farwell is no different. And this friend of every Farwellite is Mr. G. D. Anderson, fondly called "Gabe."

This austere gentleman has almost become a legend as he walked the streets in rain or shine, sun or sleet, in a determined way that one could tell he was aware of the goal he had in mind. Gabe has never been a talkative man, but he knows something about every person in this town; and yet not one person could say they really know much about him.

It was with this idea in mind that the Study Club members planned the occasion to honor this man. "Could we get him to tell us something about his life," we wondered. "No," he stoutly affirmed. "I am not a speech maker." But with a little planning and a bit of conniving, maybe, he agreed to cooperate in an informal quiz program.

Members and guests were greeted at the tea by Mrs. Jewel Scott, club president, who expressed thanks to the Andersons for making the Club's meeting room possible for their use. She then explained briefly the Club's purpose.

Mrs. Loucile Foster was then given charge of the program, and the "probing" began to uncover some very interesting and sometimes amusing stories.

Mr. Anderson said that he was born in a farm in Arkansas, and that when he was 11 years old, his father died, and that very soon, he had to leave school to help provide for his family. He recalled with a chuckle that he plowed with a walking plow, barefoot, but that he wore gloves; and that on Sunday he took off the gloves, put on his shoes and went to church.

At the age of 19, he says, he was offered a job keeping books in a store. He protested, saying that he knew nothing about bookkeeping, but he was promised that if he were

willing to learn, his new employer was willing to train him. This seemed a rather easy job after having followed that walking plow. So he started to work. Before long, a vacancy occurred in the post office, and it was at this time he made his first business investment - by having to provide his own building and fixtures. He never once seemed to mind the hard work involved, but placed emphasis on the giving of service.

When he was asked how he met his wife, a big smile broke across his face. He said, "It was funny. Two of my friends and I were standing in front of a store when she walked by - a very beautiful girl, and my friends and I began bantering each other as to who was going to have a date with her the following Saturday night." Gabe won the date, but the beaten, irate fellows were out for revenge. A horse and buggy was rented for this special event, and a great time was anticipated, but, he says, disappointment and embarrassment was about to follow.

As Gabe helped the young lady into the rig, a foul odor seemed to be evident. As the ride continued, so did the odor, and what was intended to be a fun evening was almost a disaster. Gabe later learned that "these jack rabbits had painted the buggy chassis with tincture of iron, the foulest smelling chemical they could get from the drug-gist."

When asked if he would go into the banking business again, Anderson replied that he had no regrets from having entered this business; that his path from a farm in Arkansas to Farwell was a long one, but the destiny that had led him here was a good one for him. Perhaps it was a better one for the citizens of this little town. It has been rewarding, he says, declaring that he started on the bottom and that in his opinion, it was a good place to start.

The depression was a bad time for him as well as for many others, but never once did it occur to him that he would have to close his doors as many other bankers had done. He stated firmly that it was because he had so many friends. He further stated that he would like to see less government control and to see business return to private enterprise where one could make his own decisions in his own way. "So many times now we have such a slow process," he said.

Cheating and scheming have been kept to a minimum, he said, but he did relate a couple of misadventures of bank robberies that are funny now, but were not funny at all when they happened. Fortunately, the Security State Bank has never been robbed.

Through all this questioning and the relating of stories, Mrs. Anderson had remained silent, sometimes with a smile on her face, sometimes in deep retrospect. When asked if she had anything to add to this reminiscing, she dryly replied, "Yes, I don't want him to ever say he can't talk in public again!"

The advice this man would give to any young aspiring person today would be, "Live simply, within your means, and go to church and Sunday School." Sound advice for any age.

The afternoon was one of pleasure for all in attendance. The revelations will long be cherished by both friends and family. At the close of the occasion, many old friends "crashed" the party to say hello to their long time friends, the Gabe Andersons.

Mr. and Mrs. Anderson have four children, R.W. (Bob) of Farwell, G.D. (Penny) of Bovina, Marilyn of Farwell, and Therese of Lubbock.

FRIENDS OF FARWELL - Mr. and Mrs. G. D. (Gabe) Anderson were honored Sunday, Sept. 14, at a tea by members of the Farwell Study Club. Mr. Anderson was "quizzed" about his life and the many achievements and accomplishments he has made through the years. He and Mrs. Anderson were presented a bouquet of red, white and blue flowers interspersed with tiny American flags as the Club emphasized their theme of the year, that of stressing the Bicentennial of our country.

Pop Bottle Cap Fun

Have the kids go through their bottle cap collections and pick out the most colorful caps.

Mosaic Patio Table

If your table has a built-in lip with a removable top, discard the top and replace it with 1/2" fiberboard. Otherwise, work directly on the tabletop.

For his neck, punch holes in the centers of 15 bottle caps with a hammer and nail. Thread the caps onto stovepipe wire (about 18 gauge). Slightly glue the neck and glue on a plastic bottle cap head. Add features. Insert the wire on the neck through a hole punched in the body, bending the wire down inside the body. Add a little glue between the neck and body for added support. Glue a stick to the back for the tail. Stack pretzels on the tail and fill the body with nuts.

Take note fashion conscience Males!!! And any one who sews for them -

Silky-look warp knits and interlock knits** are top fabric choices for men's sportshirts this fall.

And patterns will be neat "engineered prints" on dark or dusky backgrounds.

Solid color leisure shirts in heavier weight knits are getting "perfect" forecasts for fall's cooler weather.

The newest fabric for jeans is plain-weave calico. And traditional jeans now come in "pre-washed" fabrics such as faded denim and corduroy or with brushed surfaces.

Frontrunners for the outerwear will be wool with brightly colored blanket plaids and olive green army fatigues or in glazed fake leather looks.

**Interlock knits - one of today's newest fabrics - help create the popular soft men's or feminine lightweight fashions, but they require several precautions for success in sewing, according to an Extension clothing specialist.

Homesevers can find interlock knits in a wide range of solids and brightly colored heat transfer prints, and they often cost less than similar quality traditional double knits, because the knitting method is mechanically fast, efficient and easy.

To identify an interlock knit, look at the cut edge along the width of the fabric. An interlock knit looks the same on both sides, with a black loop opposite each front loop, producing parallel vertical rows of loops.

Most pattern styles suitable for soft, lightweight fabrics are appropriate for interlock knits.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.
 BEREAN BIBLE SOCIETY
 CHICAGO, ILLINOIS 60635

OUR WEAKNESS AND GOD'S POWER

When our Lord was on earth He healed great numbers of sick and diseased people. The believers at Pentecost also healed many in the name of Jesus, offering His return from heaven upon condition of their repentance (Acts 3:19-21).

All those who were healed, however, finally succumbed to physical infirmity, or disease again, and died after all. This was because the Lord Jesus was rejected as King both in His incarnation and in His resurrection. Romans 8:22,23 declares the result as we see it in our day:

"WE KNOW THAT THE WHOLE CREATION GROANETH AND TRAVAILETH IN PAIN TOGETHER UNTIL NOW, AND NOT ONLY THEY, BUT OURSELVES ALSO, WHICH HAVE THE FIRST FRUITS OF THE SPIRIT, EVEN WE OURSELVES GROAN WITHIN OURSELVES, WAITING FOR THE ADOPTION, THAT IS THE REDEMPTION OF OUR BODY."

But Christians in "this present evil age" need physical infirmity to draw them closer to God in

prayer and faith. Paul himself said: ". . . there was given to me a thorn in the flesh . . . lest I should be exalted above measure. For this thing I besought the Lord thrice, that it might depart from me. And He said unto me: "MY GRACE IS SUFFICIENT FOR THEE: FOR MY STRENGTH IS MADE PERFECT IN WEAKNESS" (II Cor. 12:7-9).

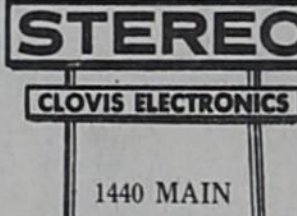

The apostle's response to this is beautiful:

"MOST GLADLY THEREFORE WILL I RATHER GLORY IN MY INFIRMITIES, THAT THE POWER OF CHRIST MAY REST UPON ME. . . I TAKE PLEASURE IN INFIRMITIES . . . FOR WHEN I AM WEAK, THEN AM I STRONG" (II Cor. 12:9,10).

"FOR WHICH CAUSE WE FAINT NOT; BUT THOUGH OUR OUTWARD MAN PERISH, YET THE INWARD MAN IS RENEWED DAY BY DAY."

"FOR OUR LIGHT AFFLICTION, WHICH IS BUT FOR A MOMENT, WORKETH FOR US A FAR MORE EXCEEDING AND ETERNAL WEIGHT OF GLORY" (II Cor. 4:16,17).

Deaf Smith REC Men Honored With Breakfast

Representing 75 years of driving Deaf Smith Rural Electric Cooperative vehicles without an accident, 15 employees were honored with a breakfast at the Caison House in Herford recently.

Bud Eades, representative for the insurance company covering the vehicles, presented certificates to the drivers. An award was also presented to the cooperative listing the 15 men's names.

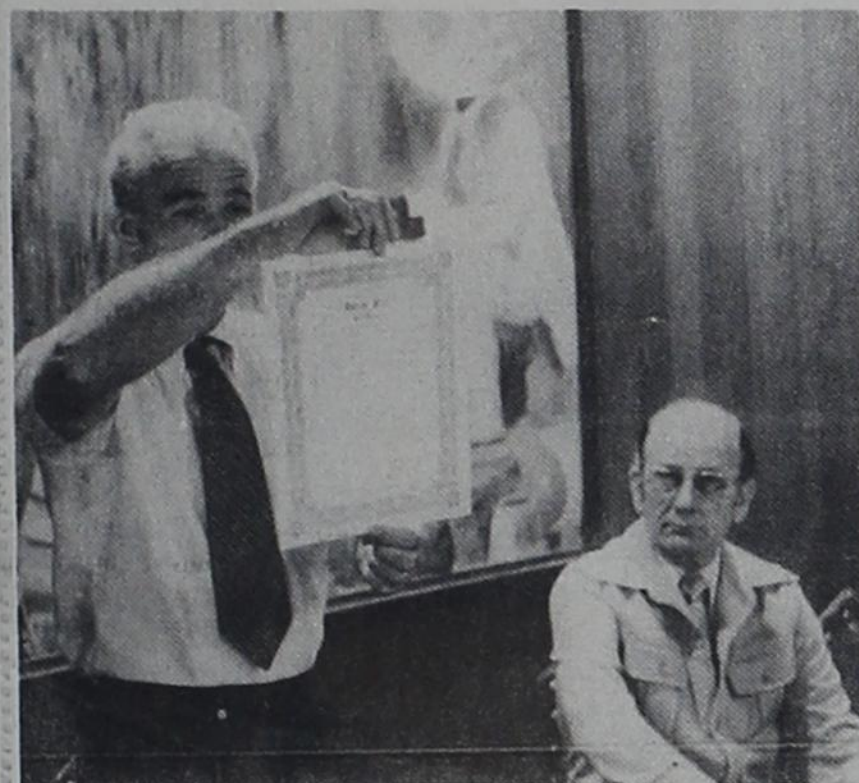

Total mileage of all vehicles

from April 1, 1974 through March 31, 1975 was 493,385 miles.

Boyd Collins and Bill Feagley were cited for driving 14 years without an accident.

Others receiving awards included Dick Montgomery, Don Cox, Lonnie Noyse, Tom

Weemes, Sam Garrison, David Pruitt, Don Rieves, Al Schumaker, Ed Hartley, Max Griego, Lee Jones, Jim Holmes and James Hull.

DISPLAYS AWARD -- Dick Montgomery, assistant manager of Deaf Smith REC, looks at the certificate presented to the safe drivers of the cooperative while Bud Eades, insurance representative, looks on. Fifteen employees, representing 75 years of driving REC vehicles without an accident, were honored recently at a special breakfast during which the certificates were awarded.

Election Scheduled For District Director

The Parmer County Soil and Water Conservation District is holding a director election, announces Leon Grissom, District Chairman. The election is for Zone 2, defined as all the land in the North Friona and Black School districts. The election will be held at the Black Elevator on October 6.

Dick Rockey has held this position and is now retiring. Rockey has served the district

well, according to officials. He has represented the area producers as a delegate in many key state and regional policy making meetings. "The district regrets losing such a valuable servant," continued Grissom.

Candidates for director must own land within Zone 2 and reside in Parmer County. The spouse of a qualifying landowner is also an eligible candidate. Eligible voters include landowners with land in Zone 2 who reside in Parmer County and their spouses.

"It is important that you vote. Legislation is coming up that will effect us all and your district director speaks with authority in the halls of congress," concluded Grissom.

INSUR-MATION

P.C. Farm Bureau Insurance
Billy Watts Ph. 481-3395

How does the cost of life insurance compare now to what it was twenty years ago?

It is probably the only service-oriented product that serves a long-established need and continues to go down in price per thousand at any given age. There are many good reasons... competition being one of the biggest. Contrary to popular belief, life insurance rates are not set by any government regulatory body. As the insurance industry has become more sophisticated with the use of automation and modern business methods, so have the field representatives... a smaller, more professional sales force... helping people simplify their problems. People live longer and insurance companies invest their money more wisely. Therefore, you have a better product at a cheaper price with reduced administration costs.
