Mrs. Anderson has been appointed by President Truman as the first woman ambassador of the United States, and her post will be the capital of Denmark. She was national Democratic committeewoman from Minnesota. "It's a great honor," she said, "and even a greater responsibility."

## Texico Gym Shaping Up

At long last, fans of the Texico school district will have plenty of room to sit down and watch the cage games at the local school.

This good news came from Supt. Agrie Jones, who reported Tuesday that the contractor had informed him that the new gymnasium, now under construction on the school campus, would be ready for occupancy on December 1st.

The date is even earlier than had been hoped, but continued perfect working weather has allowed fast completion of the building, and officials are delighted that the gym will be available for the large majority of the 1949-50 basketball contests.

Walls of the new building were practically complete the first of the week, and work on the roof was begun on Tuesday, Supt. Jones added.

As rapidly as sports are moved to the new gymnasium, workmen will start work on the old building, which will be partially remodeled to house additional class rooms for the school.

## Texico To Crack Down On Traffic Violators

Acting on the instructions of the Texico Town Board, Town Marshal Jerry Spurlin issued a warning today to traffic violators in Texico.

Spurlin called attention to an ordinance which provides that all cars must be parked parallel to the curb on the main street. This feature of the safety program in Texico has been demanded by the State Highway Department.

Furthermore, Spurlin points out, parking in front of the fire station or in front of fire plugs is a violation of the city ordinance.

Violators of either of the provisions of these ordinances will be prosecuted beginning Monday, November 14, Spurlin added.

## Kick-Off Breakfast Starts Scout Drive

A kick-off breakfast, served by the ladies of the American Legion Auxiliary at 6 a. m. Tuesday, launched the annual drive for the Scouting fund in Texico-Farwell.

Some twenty business and professional men gathered at the Legion Hall to enjoy the breakfast, hear the drive plans outlined, and begin the solicitation for funds in the community Saturday, November 12, has been set as the date for all pledges and contributions to be turned in by the workers.

While no definite quota for Texico-Farwell has been assigned, Scout officials pointed out that this community's share in the Area program would be "about \$800.00."

## Wife Desertion Case Postponed to 12th

The case of "Whitey" Wassom of Bovina, charged with wife and child desertion, has been postponed until November 12 by District Judge C. D. Russell.

Local officers said that Wassom had indicated that he wished to enter a plea of guilty in District Court here last Friday, but was not so sure about that after Judge Russell declined to promise him a suspended sentence in advance of his plea.

## School Board Meeting Held Monday, Farwell

The Farwell school board held a regular meeting on Monday night, ironing out routine business and disposing of some special matters.

Chief among the decisions reached by the board was the announcement that school would be dismissed at 11:15 on Friday of this week, November 11th, for a half-day Armistice Day observance, in order that those wishing to do so may attend the Farwell-Spring Lake football clash at Spring Lake. This, Supt. Williams added, is "providing the weather remains good".

On Friday, lunch will be served at the school only for members of the school pep squad and band and other pupils will be dismissed in time to return to their homes for the noon meal. Regular classes will be held until 11:15.

Board members voted to name Joe Magness to the advisory committee of the FFA chapter of the school, following a vacancy caused by the recent death of Frank Phillips.

### PRICE OF COFFEE STILL A NICKEL

While coffee was still being offered by local shops at a nickel per cup on Tuesday, there was no assurance in the part of cafe operators that the price would remain at that figure.

A check-up made here Tuesday afternoon revealed that the favorite beverage was still being dished out at 5 cents a cup, but at least two cafe operators foresaw 10-cent coffee if the price continues to rise.

A more favorable note was sounded by one operator, who said emphatically, "It will still be a nickel a cup here if coffee goes to a dollar a pound." That sentiment was expressed by Dusty Rhodes at Dusty's Cafe. Jim Moore, of Jim's Cafe, said that if the price of coffee continued to go up, he would be forced to charge 10 cents per cup. This opinion was also shared by Leon Sudderth at Mary's Cafe.

All coffee dispensers, including the Fox Drug Store, remain on a 5-cent basis, with no refills. An extra cup is charged for at the regular price.

Lunch counters, with one exception, will make refills at no extra cost when the drink is served with meals. Jim Moore said the extra cup of java would cost an extra nickel, even when served with meals.

## Representative Race Is Won By Harold LaFont

Harold LaFont, former district attorney of the 64th Judicial District, of Plainview, has been named state representative of the 120th district, to succeed I. B. Hoff, resigned.

In a three-cornered race, LaFont outdistanced Tom Deen and Joe W. Jennings by comfortable margins over the district. There will be no run-off in this election, and LaFont is definitely elected.

In the selection of a member of the state school board from the 18th Congressional District, A. R. Bivins, of Amarillo, was named by a two-to-one vote over John N. Hanley of Miami.

## Funeral Held Friday For Mrs. Nora Berry

Funeral services were held in the Friona Methodist Church the past Friday afternoon for Mrs. Nora Jane Berry, with Rev. Roscoe Trostle, former Bovina Methodist pastor and now of Stinnett, in charge. Mrs. Berry passed away on October 26th, and burial was made in Bovina cemetery.

Born Nora Jane Meeks, in Viola, Tennessee, on October 24, 1870, she was married to John C. Berry on January 9, 1890 at Trenton, Texas. Moving to Parmer County in 1929, the family had residence in the Oklahoma Lane community when Mr. Berry died in December, 1944. Since that time, Mrs. Berry had made her home in Friona with her daughters, Mrs. Clarence Ashcraft and Mrs. Willis Parker.

Surviving are the two daughters, Mrs. Ashcraft and Mrs. Parker of Friona; and three sons, A. N. Berry of Leonard, Texas; E. A. Berry of Canyon; and Noel Berry of Lubbock.

### FORMER RESIDENT ILL

Mrs. Clara Green, formerly of Texico and now of San Jon, N. M., was released from an Amarillo Hospital the past Friday, where she had been for some time, under medical observation.

Two Littlefield men are at liberty on \$2000 bonds after being indicted by the Parmer County Grand Jury here last Friday on charges of rape.

The two against whom indictments were returned are Jim Humphrey and Gordon Thurman, both supposed to live at Littlefield, in Lamb County.

Humphrey and Thurman were taken into custody a few days ago on a complaint filed by S. H. Sadley, father of the alleged victim, and were brought before Justice of the Peace Jess Newton, where they waived preliminary hearings and were bound over to the action of the Grand Jury.

The alleged offense is reported to have happened near the John Lovelace farm, three miles east of this city, on October 25. Officers here said the alleged victim of the assault was 23 years of age.

## Young Mother Victim Of Heart Attack In Quest Of Assistance

Chonita Shield, 19-year-old mother of a one-year-old baby girl, and wife of Lindley Shields, who is employed on the Thurman Johnson ranch four miles north of Black, in this county, was found dead several hundred yards from the Johnson ranch house, about 1:30 last Thursday afternoon by Mr. and Mrs. Johnson.

Investigations lead to the conclusion that she died of a heart attack while trying to make her way to a country road, three-quarters of a mile from the ranch house, in the hope of being picked up by passers-by and taken to a doctor.

On the table in her house, Mrs. Shields, a frail young thing of only 90 pounds, had left a note saying she was not feeling ill and that she was "going to try to go . . ." the note broke off there. On the same table was a letter she had written Thursday morning to her mother, Mrs. Jack Williams, at Taiban, N. M.

In it she had mentioned she was having some pain and throat soreness as the result of an infected wisdom tooth.

Mrs. Shields and her young daughter, Lucile Irene, were alone at the home when she was stricken, her husband having gone to another Johnson pasture, some miles distant, near Bootleg in Deaf Smith County.

When Mr. and Mrs. Johnson found the dead little mother her blonde-haired, laughing baby had fallen asleep in the warm sunshine with her cheek pressed against that of her mother.

Funeral services were held at the First Baptist Church in Clovis, Saturday afternoon, and burial took place in the Clovis cemetery.

### ELECTED SUPERVISOR

Henry Reynolds was returned to his position as supervisor of Subdivision No. 1 in the Parmer County SCS set-up, the past Saturday, when voters in the Rhea-Bovina district were asked to select their supervisor. Clarence Jones was in charge of the convention, held in Bovina.

### VISITS BROTHER

H. Y. Overstreet left by plane last Thursday for Houston, where he visited his brother James D. Overstreet who is receiving treatment in a veteran's hospital there.

On his way home, he stopped at Waco to attend a meeting of the Commissioners of the Methodist Home in that city.

The grain storage problem for this immediate area, which has been critical since the harvest of the fall crops got underway, was eased somewhat early this week with the announcement of C. M. Henderson, of the Henderson Grain & Seed Co. of Farwell, that he had secured two large warehouses at the old Clovis Air Base, five miles west of Clovis, and dumping in these warehouses began on Tuesday morning.

Henderson said that at present, he had secured only two warehouses, with an estimated capacity of 70,000 to 80,000 bushels of grain, adding, "We may be able to get more storage later on if we need it."

Neither of the warehouses is equipped with a dump, which means that all trucks must be unloaded by hand or with grain loaders. Arrangements have been made for the use of a platform scale just inside the guard gate at the Air Base, and a man has been stationed there to take care of the weighings.

Henderson said that steps had already been taken to get the stored grain in Government loan, "and we are expecting that authorization to come through shortly," he added. All grain must be thoroughly dry, testing 13% or less moisture content before it can be placed in the newly-acquired storage, Henderson added.

## Wreck Victims Improve, Phillips Comes Home

Improvement of the three persons who sustained serious injuries on October 27th in a car-pickup crash near Friona, which claimed three lives, was reported at the Parmer County Community Hospital in Friona, the past weekend, and A. F. (Bunk) Phillips, Jr., was dismissed from the hospital on Thursday.

Phillips was seriously injured in the crash which killed his father, Frank Phillips, of Farwell, and two Hereford residents, Mrs. R. H. Stone and her small son. He sustained cuts about the face and body and fractured bones in his right hand, but had shown rapid improvement after several days and was allowed to return to his home in Farwell.

Mrs. Jerry Pate, of Hereford, who was in the Stone auto, is making a slow recovery and her mother, Mrs. F. S. Pounds of Bovina, said the past weekend that she still had times of semi-consciousness. Mrs. Pate will be confined at the hospital for some time.

Little Connie Stone, who had been under treatment at Friona since the accident, was sent to an Amarillo specialist the first of the week and is in a cast from the waist to shoulder with the right arm also enclosed. The arm was badly broken. Hospital attaches said that she would like to have to spend six weeks in the cast and she was in the Friona hospital during the weekend for removal of stitches in a number of cuts about her face.

## Jesse Landrum Named Special Registrar

Jesse Landrum of this city, has been named special registrar of Selective Service, and may be found at the office of the Capitol Freehold Land Trust in Farwell, each week day from 9 a. m. to 4 p. m., except Saturday, with the hours from 9 to 12 a. m.

The local registrar was set up here for the benefit of registrants who in the past have been required to register at the Selective Service office in Hereford.

### SEEING NEW FORDS

O. C. Sikes and Eugene Coffman, of the Sikes Motor Co., local Ford dealers, went to Denver, Colorado, the first of the week for a pre-view of the 1950 models, which will be on display in dealers show rooms in the next few weeks.

## Grass Fires Keep Firemen On Jump

Three grass fires in a two-day period, bringing the total of such fires to seven during the past ten days, has served to keep the local volunteer fire department pretty much on the run lately.

The department was called out Sunday noon to extinguish a weed and grass fire that threatened the vacant residence property of John Blake in Farwell. Monday afternoon, a run was made to squelch a grass fire south of Roy Threets' home, also in Farwell.

And before the trucks had hardly been garaged, another grass fire flared up on the state line near the Buck Rawlie farm. No damage resulted from any of the conflagrations.

## All Amendments Appear Defeated

On the basis of early returns from Parmer County, it appears that all ten of the proposed constitutional amendments were defeated in Tuesday's balloting by the voters of this county.

With only two boxes reporting—Farwell and Friona—early Wednesday morning, it appears certain that none of the proposed issues were approved in this county. Voters of the Farwell precinct definitely turned down the issue that would allow women to serve on juries by a vote of two to one, the count being 17 for and 34 against.

Radio reports early Wednesday indicated that all the amendments were refused in the state-wide balloting. At 9 a. m. there was still a possibility that two of the measures might squeeze through. One would allow rural fire prevention measures and the other dealt with lunacy trials by jury.

## Big Game Hunters Get Off To Highlands

Leaving here well in advance of the opening day of the season, many hunters from Parmer County and Texico headed west early Tuesday with well-filled chuck boxes and bed rolls, bound for the hills of New Mexico to be on hand at the crack of dawn with the opening of the big game season on November 10.

Most of the hunters are headed for the southwestern part of the state, beyond Magdalena and in the Silver City area. Others will pitch camp in the Capitans, and still others are aiming for the Cloudercroft section.

The largest group of local hunters leaving here early Tuesday was composed of G. D. Anderson, John Aldridge, Buddy Jones, LeRoy Faville, Bill Shirley, J. I. Gober and Jack Dunn. Dr. V. Scott Johnson of Clovis, is scheduled to join this party near the end of the week. They will camp at Luna, beyond Reserve, near the New Mexico-Arizona state line.

Rev. R. L. Butler, former pastor of the local Methodist Church, stopped here briefly Monday afternoon. He was en route from his home at Monday, Texas, to Rosedale, north of Clovis, where he is conducting a series of services for Rev. J. J. Spurlin, former Texico boy.

Dale McCuan has enlisted our support in helping locate a hydraulic auto jack that disappeared from his premises while he and his wife were in Plainview with their son, stricken with polio. Dale says he is badly in need of the jack and will appreciate its return.

Our circulation manager mailed a total of 73 statements to subscribers this week. If you received one of these cards, it means that your subscription has already expired, or is to run out during the month of November. Quite a number have already sent in their renewals. It has been our established policy for many years to discontinue the paper after the subscribers have been notified by the statements. The trouble in the past has been that nobody seems to get the statements . . . at least, nobody will admit receiving them.

All we need in Texico-Farwell for a disastrous fire is for one to break out in the residential section when a high wind is blowing. With the high weeds and grass cured to a dry crisp, the stage is all set. There aren't sufficient fire departments within a radius of fifty miles that can handle a bad fire under such circumstances. We need to get busy and burn off these vacant lots. Just as sure as we fail to take this precaution, we are courting danger and heavy loss.

It is now up to the Farwell Chamber of Commerce to take the lead in promoting a rural telephone program for the Twin Cities. Federal funds are now available for such projects, and the local Chamber should launch a program at the very earliest date. Rural telephones have been badly needed here for many years, and considerable thought has been given such a program in the past, but the financial outlay was too much to shoulder. Now that Federal funds are available, we hope to see this idea revived and carried through.

J. F. Pesch was in one day last week, and said that he was getting ready to celebrate his next birthday. "And I'm going to have a cake with 84 candles," he added.

### CAR HITS BRIDGE

An old model Hudson eight was smashed on the right side and put out of commission at an early hour, Sunday morning, when I. L. Henderson of Friona, crashed into the concrete posts on the bridge that spans Running Water Draw on Highway 60.

Henderson said that he was alone and was traveling west about 3:30 Sunday morning when another car, approaching from the east, crowded him against the bridge. The other driver, identity unknown, proceeded on his way, and Henderson was unhurt.

The Hudson came to a stop cross-wise on the bridge, thus setting up a perfect pattern for additional wrecks. Henderson said that he waved approaching traffic with a flashlight until Highway crewmen from Bovina removed the smashed car.

# Fire Boys Ready To Stand By For Heavy Weed and Grass Burn-off

"You can tell the people that we are ready to stand by while they burn off the weeds and grass."

That was the statement authorized by Fire Chief Stanley Thigpen on Tuesday when questioned about ridding the Twin Cities of the fire hazards prevalent in heavy growths of weeds and grass.

Chief Thigpen said it was not the duty of the fire boys to invade pri-

ivate property and burn weeds that are lapping against buildings. "That is up to the property owners" he said, adding that the fire department was ready to assist in burning off vacant lots if given advance notice, and arrangements made to that end.

He explained that all members of the department were either employed or in business for themselves and

that time taken out in fighting fire is time just for them. "We are willing to help get rid of hazards if the people will cooperate with us and advise us in advance," he added.

Cautioning about starting fires late in the afternoons, Thigpen remarked, "We want to be sure all fires are out before nightfall."

**Health Note**

Texas State Department of Health

AUSTIN—The schools of Texas have been in session for several weeks. The routine screening tests by teachers and nurses, or the physical examinations of the children by physicians have been completed. They are complete so far as the nurse teacher, or examiner is concerned, but the "follow-up" to correct any abnormal conditions disclosed is yet to be done. To make these screening tests and the follow-up examinations of the greatest value, the needed care for correction of defects should be available. This is the responsibility of the parents of each child in order that a maximum of health may be his lot, declared Dr. Geo. W. Cox, state health officer.

Health is a cardinal attribute of living. With the best health a child may have, he will do his best work, will have joy in play, and will grow to be the more efficient citizen he is capable of being. The future of our country is in the hands of these children who are now in school.

All adults as well as the parents of the school age children should feel the responsibility and privilege of sharing in a sound and safe future for our country by helping to build good health for the children of today. Through the check made each year in the schools the gross defects may be learned, and a more detailed ex-

amination may be made by the family physician, with treatment for correction of these defects as he finds necessary.

Immunization against the diseases, for which known protection is available, should be given all children unless their physician finds contraindication.

Your physician is your best friend and guardian of your health.

**Tech's Three Year Steer Feeding Project Is Ended**

LUBBOCK—Texas Tech's three-year project in steer feeding research on irrigated pasture land has ended following the final feeding period, Dean W. L. Stangel has announced.

Launched in 1947, the experiment was designed to establish the value of alfalfa and alfalfa mixtures as safe pasturage for cattle. The steers have been grazed on alfalfa and combinations of alfalfa and brome or perennial rye grass.

The final phase began on May 2 with nine steers placed on the varied feeding schedules. The steers had an average weight of 673 pounds when feeding began, and weighed 891 pounds when the experiment ended. The average gain was 218 pounds.

"These steers carry sufficient finish to yield good carcasses, but we are not selling them," Stangel explained. "We have placed them in a dry lot fattening pen and will feed them a ration of milo chop, cottonseed meal, alfalfa hay and sumac sorghum silage."

The steers were exhibited at the South Plains Junior Fat Stock show in Lubbock last March and will be placed on exhibition there again next March.

"We will have all feeding data available at the show next March—people can see what results our experiment has produced, and the steers also will have sufficient finish to yield choice carcasses when slaughtered," he said.

"At this stage, we believe our research has proved alfalfa feeding to

be profitable," he said.

The "per acre" production for the different pastures will be available and released at a later date, Dean Stangel added.

**Sidewalk Program Is Stressed At Tech**

LUBBOCK—A blade of grass can be a precious thing. And protecting bermuda, buffalo and rye grass from the scuffs of thousands of pedestrians every day also can be a problem.

E. J. Urbanovsky, landscape architect at Texas Technological college, has tackled the problem by a vast

sidewalk construction program which covers the entire campus. Since September 1, over 1,300 yards of sidewalks have been constructed and another 1,300 yards are programmed.

Urbanovsky said 2,000 pounds of grass seed have been sown in the last three months to aid in Tech's campus beautification project.

Furthermore, there isn't a "Grass—Keep Off" sign around. "We aren't going to put up a lot of signs and tell people to stay off our grass," Urbanovsky said. "We hope the students will take pride in their campus and use a little self-discipline—then nature will do the rest."

Yes, many cattlemen get 90% calf crops—some almost 100%—by feeding Purina Range Checkers for 3 to 5 months during the winter. And their calves are usually enough bigger in size to more than pay the cost of the feed. All this is made possible because the cows are usually brought through the winter in better condition on Purina Range Checkers.

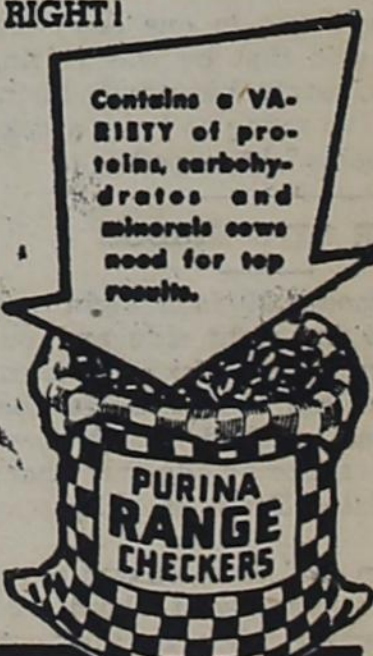

Why? Because Range Checkers contain 3 kinds of proteins—cottonseed, linseed and soybean oil meal . . . plus minerals, and molasses—a fine conditioner.

So, before you buy or book feed, ask us about Range Checkers. IT'S PRICED RIGHT!

**LEGAL NOTICE**  
 CITATION BY PUBLICATION  
 THE STATE OF TEXAS  
 TO: Benjamin F. Capps, Defendant,  
 Greeting:  
 You are hereby commanded to appear before the Honorable District Court of Farmer County at the Court House thereof, in Farwell, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 12 day of December, A. D. 1949, then and there to answer Plaintiff's Petition filed in said court on the 24 day of October A. D. 1949, in this cause, numbered 1488 on the docket of said court and styled Lorenna Capps, Plaintiff, vs. Benjamin F. Capps, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiff alleges that she was married to defendant on or about the 30th day of November, 1947, and they lived together as husband and wife until on or about the 15th day of March, 1949, and because of the excesses, cruel treatment and outrages administered by defendant, their further living together was rendered insupportable. That there is no community property, and that one child was born to said union, to-wit: Anna Patricia Capps, a girl now one year of age; that said minor child is now in the custody of plaintiff, and that she is a fit and proper person to have such custody. Plaintiff prays for absolute divorce from defendant, and custody of said minor child; as is more fully shown by Plaintiff's Petition on file in this suit.

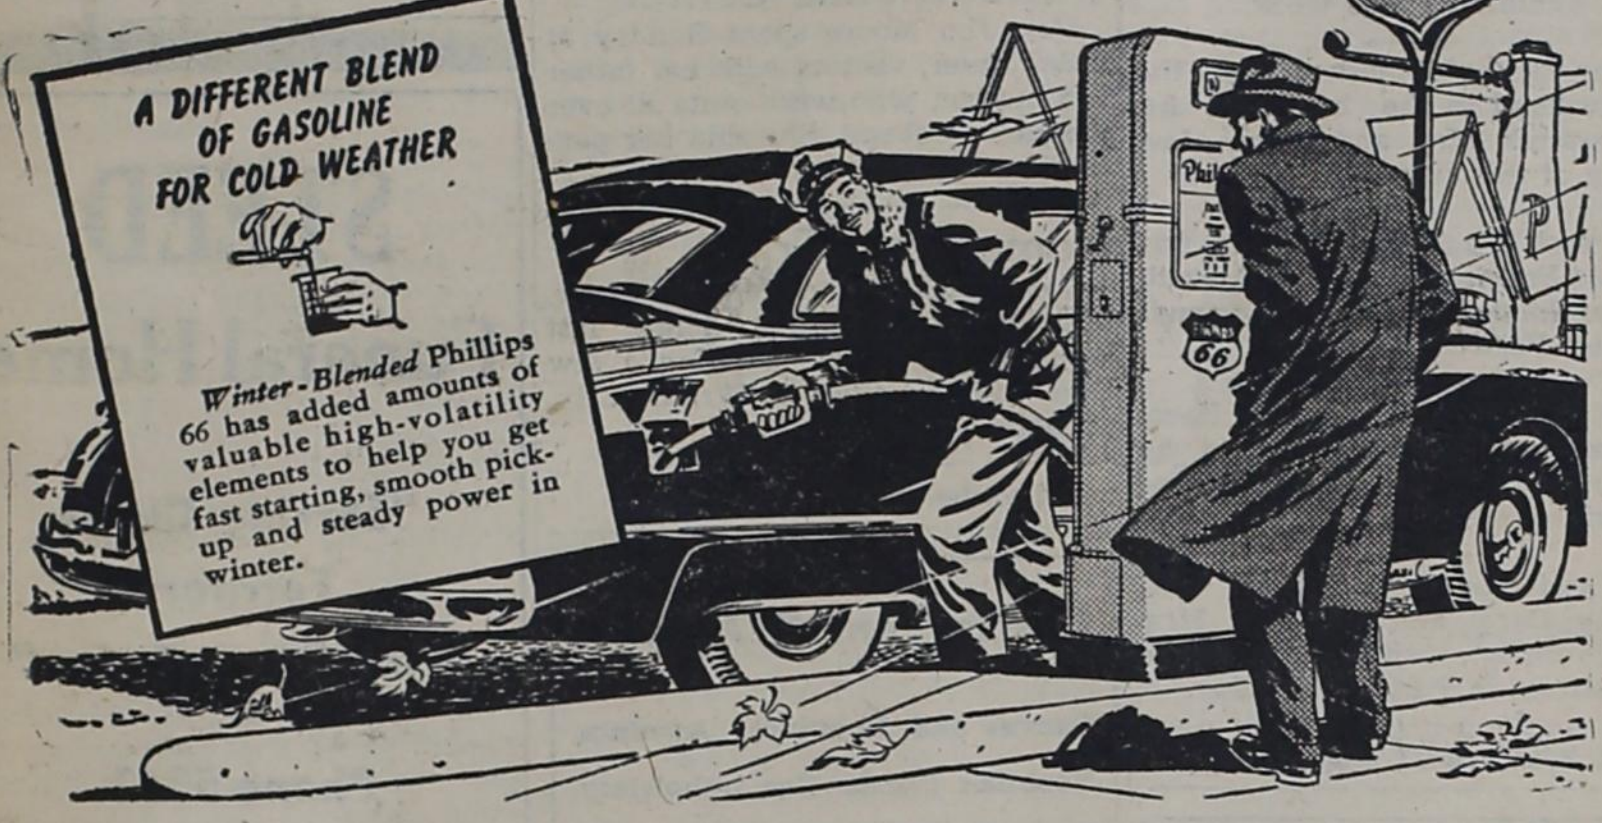

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.  
 Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this 24th day of October A. D. 1949.

**46 States Have Visited WTS Museum This Year**  
 CANYON—Tourist and visitors from 46 states have visited the Panhandle Plains Historical Museum on the campus of West Texas State this year. Vermont and Delaware are the only two states not included among the 63,912 persons registering.  
 In the past 10 months 614 towns in Texas have been represented on the register and 209 out of the 254 counties have had visitors in the Museum.  
 An art exhibit by Maurice Bernson of Canadian, is now on display at the Museum. Mr. Bernson, an ex-student of the college, has his paintings on display and it is being sponsored by Alpha Rho Tau, WT's art fraternity.  
 Beginning Thursday, November 10, the collection of A. W. Mack who has studied in Scotland, England and France will be on display. His exhibits will be sponsored by the American Association of University Women.

**IT PAYS TO KNOW YOUR RANGE**  
 COLLEGE STATION — Range management means something to Mr. Irby McWilliams, Menard county ranchman, and his interest came as a result of his son's 4-H club work. The son, M. D., for several years has made an outstanding record with his 4-H livestock and lately he has developed into a top judge of grass. Together, according to Menard county agent R. E. Nolan, they have put into practice what they learned.  
 "Until my son got me to thinking about the different grasses, I thought grass was grass," says McWilliams. "He convinced me that the rating of grasses into good, fair and poor classifications really means something. Together we looked over our range and concluded that there were not very many of the good grasses present. Then we asked ourselves the question: 'Why don't we have more of the good grasses on the range?'; and we figured I had been overstocking and some of the range needed a rest."  
 McWilliams recently gave county agent Nolan the figures covering the results of the deferred grazing demonstration and it paid off. One 640 acre pasture was grazed continuously from June to October in 1947, and was then stocked with 30 head of cattle and 225 yearling sheep. The sheep were sold in June, 1948, and their average weight was 74 pounds per head.  
 This same pasture was rested from June 1948 to October 1948 and beginning in October the same number of cattle and yearling sheep were grazed as in the previous year. In June 1949, the sheep were sold and their average weight was 87 pounds per head.  
 According to Nolan, rancher McWilliams is thoroughly convinced that the total pounds of mutton and wool produced is more important than the number of head grazed on a given area. He is planning to build cross fences so that he can practice deferred grazing on more of his pastures.

until on or about the 15th day of March, 1949, and because of the excesses, cruel treatment and outrages administered by defendant, their further living together was rendered insupportable. That there is no community property, and that one child was born to said union, to-wit: Anna Patricia Capps, a girl now one year of age; that said minor child is now in the custody of plaintiff, and that she is a fit and proper person to have such custody. Plaintiff prays for absolute divorce from defendant, and custody of said minor child; as is more fully shown by Plaintiff's Petition on file in this suit.

**Lazbuddy Student Is Listed In Who's Who in American Colleges**

Homer N. Paul, who formerly lived in the Lazbuddy community, is one of the 19 students who will represent West Texas State College in "Who's Who in American Universities and Colleges". This is a national publication and includes 615 universities and colleges throughout the country, with Texas being represented by 28 institutions of higher learning.

Selections are based on the student's leadership and participation in educational and extra-curricular activities, his citizenship and service, scholarship, and promise of future usefulness in the business world. The number of representatives from each college is based on current enrollment. This fall, West Texas State has over 1,900 students.

Paul was selected as one of the most outstanding students in the department of business administration. He attended Texas Tech one year and was asked to pledge Scroll & Key, and was also a member of the Baptist Student Union. After transferring to WT as a sophomore, Paul became laboratory assistant in the typing department. He is a senior member of Alpha Chi, national honorary fraternity and was a delegate to the regional convention in San Antonio in March. His grade point average is 2.9 out of a possible 3.0. A graduate of Lazbuddy high school, Paul is the son of Mr. and Mrs. Ralph A. Paul, now of Colorado Springs.

Others from Parmer county listed in "Who's Who" include Martha Williams of Bovina, and Harold Southward of Friona.

**Local Man Honored For Past Services**

Ninety-five long-time employees of the Plains Division of the Southwestern Public Service Company will be guests of honor at a service award dinner to be held in Plainview on Wednesday, November 16th. Ous Huggins, of Farwell, will be among those honored for service with the electric light and power company. Huggins will receive a pin and scroll for 5 years service.

The service awards will be presented to the guests by J. E. Cunningham of Amarillo, president of Southwestern Public Service Company. J. M. Collins of Plainview, division manager, will preside at the banquet.

The 95 Plains Division employees to be honored have spent various periods of time, ranging from 5 to 30 years, with the Southwestern Public Service Company and predecessor organizations.

Southwestern Public Service Company has recently inaugurated the service award plan and banquets to be held in the various divisions this year will be the first in an annual series of such events. Four hundred fifty-three employees whose combined service totals 6183 years are to the honored guests at the first banquets this year.

Mrs. Pat Sissell of Friona, spent the past Friday in the home of Mr. and Mrs. J. D. Lewis, in Texico.

Mrs. E. M. Davis of Littlefield, is here visiting in the homes of her daughters, Mrs. Mae Porter, and Mrs. Dale McCuan, this week.

## Annual Thanksgiving Dinner Is Success For PTA Members

The annual Thanksgiving dinner, held Tuesday night at the school cafeteria by the Farwell Parent Teachers Association was a huge success, with an exceptionally large group of parents and teachers assembled.

Wm. M. Roberts, of the faculty, served as toastmaster for the evening, presenting the various numbers.

After the invocation had been offered by Rev. O. O. Holladay, of the local Baptist Church, those present enjoyed a Thanksgiving feast featuring baked hen and dressing.

Immediately following the dinner, Mrs. Tom Foster presented three of her pupils with poems carrying out the Thanksgiving theme. Reciting were Betty Smart, Kathryn Billington and Jimmie Williams. Soft music was furnished during the evening by Dot Kent, Janean Lunsford and Caryetta Grissom.

Guest speaker of the occasion was John Kirkwood, of Clovis, who gave a very interesting discussion on the topic "Teamwork Between Parents". Concluding the evening, the group joined in singing several PTA songs, with Mrs. Shelby Jobs at the piano.

Hostesses for the evening included Mesdames Claude Ross, Carl Davis, Willie Hardage, Harold Carpenter, Clarence Barber, Jack McManigal, Charlie Lunsford, Travis Rundell, Sam Aldridge and Bill Banks.

## Recent Bride Honored In Christian Home

A tea honoring Mrs. George Harold Trimble, nee Barbara Foster, was given in the C. C. Christian home last Saturday afternoon, November 5, by Miss June Christian, assisted by Mesdames R. C. Martin, Emmett Tabor, Misses Doris Kent, Bobbie Christian and Caryetta Grissom.

The living room was decorated with bouquets of beautiful chrysanthemums, and Miss June Christian presided at the guest register. In the dining room, the serving table was covered with a lace cloth, and tapers burned in crystal holders at either end. Mrs. Christian had charge of the serving. Mrs. George Trimble, Caryetta Grissom and Dot Kent entertained with piano selections.

Mrs. Tabor and Mrs. Martin displayed the gifts attractively about the room. Those unable to attend sent regrets.

Signing the register were Mesdames Webb Gober, Alden Henderson, L. M. Grissom, Melvin Sudderth, K. G. Grissom, Alma Vasey, J. R. Caldwell, W. N. Foster, C. J. Henderson, Jack Feagan, John West, Clyde Perkins, Royce Foster, Sam Billingsley, George Trimble, H. L. Tidenberg, Tom Foster, B. J. Foster, Joe Wilson, E. J. Gulley, G. K. Byler, Everette Christian, Benny Gulley, J. H. Roach, C. L. Calaway, A. D. Moore, C. E. Foster, H. J. Reynolds, E. W. and J. E. McGuire, J. F. Foster, A. B. Wilkerson, Bass and C. R. Elliott, J. D. ## Special Program Held By Bovina OES Group

Thursday evening, November 3rd, was a memorable occasion for members of the Bovina Order of Eastern Stars, and their visitors, when a special program of rededication was presented in the Bovina Masonic Hall.

Mrs. A. D. Smith gave an interesting and clever reading, in which amusing and complimentary comments were directed at each of the past matrons and patrons of the Star chapter.

Charter members and others who assisted in the original formulation of the chapter were presented, and the Worthy Matron, Opal Buchanan, greeted each one with a speech of appreciation.

Mr. and Mrs. Wallace Carmack, of Clovis, were special guests, as Mr. Carmack had assisted in organization of the Bovina Star.

Mrs. Buchanan asked that all Eastern Stars and Masons, along with their husbands, wives, and families, be present at the Thanksgiving covered dish supper, which will be held in the Masonic Hall in Bovina next Thursday evening, November 17th, beginning promptly at 7 p. m.

Following the program, a social hour was enjoyed by those attending.

## FFA Chapter Meeting Held Monday Night

The regular meeting of the Farwell Future Farmers of America chapter was held in the chapter rooms of the school on Monday night, with twenty-one members answering roll call.

The meeting began at 7:30, with President Melvin Jones in charge. In taking up the program of work for the group, the boys discussed three main points—raising of funds for chapter work and the FFA magazine and enlargement of membership.

In discussing the magazine, the chapter voted to combine the use of cheaper paper, increased dues and increased advertising to cover the cost, and it was agreed to name a committee to work on financial problems of the group.

President Jones appointed Donald Jesko, Bob Daniels and John Christian to serve on the entertainment committee. At the conclusion of the meeting, the group adjourned for refreshments.

## Mrs. Leonard Watkins Is Class Hostess

The Companion Class of the Texico-Farwell Baptist Church enjoyed its regular monthly meeting last Thursday evening in the home of Mrs. Leonard Watkins.

During the business session, Mrs. Leonard Watkins was named assistant secretary, and Mrs. Delphine Dykes was elected as reporter. The next meeting will be held in the home of Mrs. Dykes, in December.

Lovely refreshments of spiced tea and cake were served to Mrs. T. E. Roth, teacher, and members, Margie Watkins, Margery Fought, Peggy Schleuter, Delphine Dykes and Mrs. Leonard Watkins.

## Here From Melrose

Mr. and Mrs. E. F. Stahl, of Melrose, were in Farwell the past Monday, visiting with friends and attending to business matters.

## Miss Carol Jean Ivy Is Crowned at Lazbuddy

Miss Carol Jean Ivy was crowned queen of high school by King W. R. Freeman, last week, when the yearly school carnival was held at Lazbuddy.

Other members of the royal court included Betty Engleking and John Crim of the senior class; Betty Deaton and Teddie Treider, sophomores; and Lois Freeman and Wayne Clark, freshmen. The queen's train was carried by Bernice Clark and Judy Brown, and Herman Jesko served as crown bearer.

In the grade school race, Miss Neely Mace Steinbock was crowned as queen, with Jimmie Carol Waddell as the king. Other Court members were: Jimmie Frank Carpenter and Earl McBride, 8th grade; Clara Jean Jesko and Clifton Coffman, 7th; Juanita Scott and Jim Roy Daniel, 5th; Janis Joy Clark and Ronnie Ivy, 4th; Wanda Mae Steinbock and Dean Watkins, 3rd; Beverly Hobbs and Darrell Jennings, 2nd; Beverly Smith and Billy Bob Sherley, 1st.

Train bearers were Coretta Watkins and Glenda Robinson, and the crown was carried by Ronnie Gustin.

The coronation proceedings were held against a blue background dotted with gold stars, and Mrs. Ross Stuart was at the piano.

Gross returns from the carnival totaled \$1070.54. Since the opening of the current term, the school has received a total of \$1621.29 from various activities, with a total expense of \$1483.36, which includes considerable equipment for the school. At present they have a balance of \$137.93, which will be spent for additional teaching equipment at the school.

## Parmer Star Members At Grand Chapter

Mrs. Sam Rundell of Farwell, Mr. and Mrs. Bev Buchanan of Friona, Mr. and Mrs. Hubert Ellison, Mr. and Mrs. Charles Ross and Mrs. Troy Fuller, all of Bovina, left on Sunday for Dallas, where they are attending the Texas Grand Chapter, Order of Eastern Star.

The Parmer County people are members of the Bovina chapter, and plan to return to their homes on Thursday, following adjournment of grand chapter on Wednesday.

## Pie Supper Slated For Nov. 15th at Texico

Members of the "Curtain Club" of Texico announced on Tuesday that a pie supper would be staged in the school auditorium on Tuesday night of next week, November 15th.

All proceeds from the affair will go toward paying for the new stage curtains, installed last spring, and the public is cordially invited to participate. The affair will get underway at 7:30, Texas time.

Miss Evelyn Crim of this city spent Sunday visiting with her parents, Mr. and Mrs. John Crim in the Lazbuddy community.

## Special Services Will Be Held At Local Church

Two special services will be held at the United Pentecostal Church in Texico this weekend, with Rev. Ruth Facefire, evangelist from Charleston, W. Va., in charge.

On Saturday night, a special divine healing service is scheduled and Rev. Facefire will be praying for the sick. Sunday night, a dramatized sermon will be given, which will be "The Mock Trial of Jesus", with the members of the church body participating under the direction of Rev. Facefire.

The public is cordially invited to attend the services, held nightly at 7:30, and are especially urged to attend the two special services at the end of the week.

## Armistice Breakfast To Be Held In Clovis

Members of the Clovis American Legion Auxiliary will stage their annual Armistice Day breakfast on Friday of this week at the Legion Hall, officials of the local Auxiliary have announced.

An invitation is extended to residents of this area, and Auxiliary members are especially urged to attend. Reservations, at 75c per plate, must be turned in locally to Mrs. John Porter today (Wednesday). Serving at the breakfast will begin at 9 o'clock, Texas time.

## Enchilada Supper Will Be Held November 14

Sponsored by the Methodist Youth Fellowship, an enchilada supper will be held in the parlors of the Hamlin Memorial Methodist Church on Monday evening, November 14th, officials announced today.

Serving is slated to begin at 7 p. m. and plates will be sold for 75c each, those in charge said. The proceeds will go into the MYF treasury, and all residents of Texico-Farwell are invited to patronize the serving.

## Mrs. Brewer Will Be Guild Hostess

The Wesleyan Guild of the local Methodist Church will convene in a regular meeting, Wednesday night, November 9, at 8 p. m., in the home of Mrs. Loyde Brewer.

Mrs. Brewer will be in charge of the meeting, and officials urged all members to be present.

### CARD OF THANKS

We wish to take this means of expressing our heartfelt appreciation for the kindness shown to us and John Gordon during his illness. Our words cannot convey how thankful we are for the many nice cards and the lovely flowers which have been sent and taken to him. Also, for the many encouraging words from our many friends we are indeed grateful. May God richly bless each of you.

Mr. and Mrs. Dale McCuan, John Gordon McCuan.

## Poppy Day Sales Net \$100 in Twin Cities

Mrs. John Getz, president of the Justice-Williams American Legion Auxiliary, Post 516, reported the first of the week that local residents, along with the merchants, are to be complimented for their generous response to the Poppy Day sale, held last Saturday, November 5.

The Auxiliary reported a total of \$100.11, on Tuesday morning, with one box as yet unreported. This money will be used solely for the purpose of giving veterans and their families financial aid. The poppies are made by disabled veterans in the various hospitals throughout the country.

Mrs. Getz, acting as spokesman for the Auxiliary, said, "We wish to thank each and every one who gave to this worthy cause."

## Returns With Bride

Kenneth Bridges, son of Mr. and Mrs. Elmer Bridges and a graduate of the Texico high school last spring, returned home the past Wednesday from Oklahoma, accompanied by his bride. He was married to Miss Pauline Petty, of Valliant, Okla., some three weeks ago. They plan to make their home in Texico, and will occupy an apartment in the Cruse building.

## Home From Hospital

Mrs. H. Ross, who has been in the Northwest Texas Hospital in Amarillo for the past few days, was released on Monday and returned to her home in Texico. Mrs. Ross has been under observation for several weeks, suffering with a kidney ailment. Her daughter, Mrs. Clona Leonard of Corpus Christi, is visiting with her while she is recuperating.

Misses Mary Lou and Patricia Hatcher were Sunday visitors in the home of Miss Minnie Marie Smotherman in Clovis.

### CARD OF THANKS

May we take this means of expressing to our many friends in the county our very deep appreciation for all the acts of kindness extended to us, both at home and at the hospital, during our recent critical hours. Your many kind deeds and gestures of sympathy and help did a great deal toward lightening our days.

Mr. and Mrs. Bunk Phillips.

### Back To Mississippi

Mr. and Mrs. Carthon Phillips will leave this week to return to their home at Biloxi, Mississippi, where Phillips is stationed with the Air Force. He was called here two weeks ago by the tragic automobile accident which claimed the life of his father, Frank Phillips, and seriously injured a brother, "Bunk" Phillips.

### Now Is The Time To Control Ticks And Lice

**COLLEGE STATION**—There is no profit in feeding the external parasites on cattle. This is the time of the year when you can get control of the ticks and lice that will take your profits if they are not controlled, says James A. Deer, assistant extension entomologist of Texas A. and M. College.

Cattle that are free of parasites have a better appearance, are healthier and more productive than cattle that have to use their own methods and energy to combat the insect pests. Healthy and contented cattle turn the feed and roughage they consume into meat and the mother cows

will produce stronger, healthier calves next spring.

Lice bother the cattle more in the winter and early spring when the hair is long and the best time to treat the cattle for those pests is the fall of the year. Deer says use 8 pounds of 50 percent wettable DDT powder to 100 gallons of water and treat twice. The second treatment should come two weeks after the first. This second treatment will take care of the lice that hatch after the first treatment. In the case of dairy cattle, methoxychlor should be substituted for DDT and it can be used exactly the same as the DDT, says Deer. These control methods can be used either as sprays or dips.

Cupid may be a good shot, but he sure makes some awful MRS.

### Seek Pi Epsilon Tau Charter At Tech

LUBBOCK—Texas Tech's department of petroleum engineering is seeking further recognition in oil circles with an application for a campus charter of Pi Epsilon Tau, national honorary petroleum fraternity. Prof. W. L. Ducker said the Tech application for a local chapter has been approved by President D. M.

Wiggins. The society is the only one in the United States which gives scholastic recognition to undergraduates who plan a career in petroleum technology.

Paul S. Johnston, assistant professor of petroleum engineering at Tech is a charter member of the mother chapter at the University of Oklahoma. The other national chapter is located at the University of Tulsa.

# Steers Take 26-19 Victory Over Anton

Three perfect aerials from Dona Ford to Bobby Poteet gave the Farwell Steers a quick edge over Anton the past Friday night, when the two teams played a conference match on the Anton gridiron. Final score for the contest was 26-19, with the Ford-Poteet combination racking up three counters, while Jerry Pool accounted for two TD's via the ground route.

The two teams battled in a ding-dong affair which saw both scoring early but the Steers continued to run up count faster than Anton could overcome.

Ford, Poteet and Pool were the strong men of the victory march, with the three, plus John Christian, center, starring on defensive tactics. A number of subs saw action during the game when the local had a fairly comfortable margin.

Taking the ball on the initial kickoff, the Steers returned to the 20, then sent Pool on two running tries which netted 15 yards. Ford plunged on to the 48, then calmly took his aim and fired a beauty to Poteet on the 30, with Poteet adding the extra yardage into paydirt territory. Ford's conversion kick was between the uprights and the Steers led, 7-0.

Anton took the ball but was forced to kick out when fine defensive work by the Steers held their ground attack down to a minimum, and the locals were again in possession, only to fumble on the 36, with Anton recovering on the 46. Sending their star sprinter, Glasscock, into action, Anton got its first touchdown of the evening but when the extra failed to materialize, the Steers still held an edge, 7-6.

Pool took the leather on the 20, returning to the 34, then added another six yards to the 40, with Terry forging on to the 43. Pool slipped through and reached the Anton 22 before he was nailed, then another beautiful pass, Ford to Poteet, clicked for the second Steer counter. The conversion was no good. Score, 13-6.

Taking a short kickoff, Anton returned to their own 45, then hit the Steer 45 and went on to the 32. Three tries got them on the 24, where they fumbled and Farwell recovered on the 29.

Terry lost two and Ford another, one pass try failed but the second connected with Terry receiving on the Anton 27 after Ford had faked a kick and then fired to his receiver for an overall gain of 54 yards. Pool added five, Ford made a first on the 15, two tries pushed on to the 8 and a short over-center pass, Ford to Po-

teet, again scored, but the extra was lacking. Score, 19-6.

Anton took the ball on their own 5 and came back to the 26, where they fumbled, with a mad scramble finally revealing Poteet covering for Farwell on the 20. As determined as their name, the Bulldogs stiffened to hold the locals for downs on the 9-yard line, but when they took over could only reach the 32 before they were forced to kick. With Farwell in possession, the Steers turned Pool loose for a 51-yard scamper and a touchdown. Ford's kick was good. Score, 26-6.

Anton received on their own 27 and tried the air, but failed to connect with two attempts, and Terry intercepted a third pass on the 28, but was penalized back to his own 43. Coburn shook loose to the 25 as the half ended.

Coming back with a vengeance, the Bulldogs took the ball deep in their own territory and hit the Steer 35 before the kickoff play was halted. They added up yardage for a first down on the 15, and then got four new tries from the 3, sending Glasscock over the line for a touchdown and then adding a plunge for the extra point. Score, 26-13.

A handoff from Ford to Poteet on the kickoff brought the Steers back to the Anton 42, Nix advanced to the 34, Pool and Terry were smeared on successive tries to drop five, and an incomplete pass on fourth down put the ball in the hands of Anton.

The charging Steers pushed the Bulldog ball carriers back to their own 19, and Poteet blocked an attempted punt on the 13, with the locals taking over. Not to be outdone, Anton held on grimly and received the ball on their own 8-yard line, riding right on down to the field to the Steer 9, where the locals, with their backs against the wall, fought desperately and claimed the leather, kicking out to the 27. In six plays Anton roared back to make the last touchdown of the evening, missing the conversion point, and the score stood at 19-26.

Ford took the kick and returned to the 38, Pool and Nix went on to the 44 but a penalty put them back on the 25, and Anton took over again on the 44-yard marker for another threat. The Bulldogs got a first down on the Steer 32, then failed to gain and Farwell went on the offensive on their 39. Terry, Coburn, Ford and Pool combined to drive to the Anton 22 where the game ended.

## '49 Gridiron Season To Wind Up For The Steers At Spring Lake, 11th

The Farwell Steers will have their final opportunity to improve their 1949 rating in conference 3-B football on Friday of this week, when they are slated to stage an Armistice Day clash on the Spring Lake gridiron. Kickoff time is set at 2:30.

Incidentally, this is the only game for the Steers this year which will not be played at night, and a good contingent of local followers are expected to take advantage of the opportunity to see the Blue and White in action in the p.m.

Spring Lake is statistically a little better than the locals—judging only by comparative scores with conference teams played this year. Both Farwell and Spring Lake have been dumped by strong Dimmitt and Olton, but the Steers lost a heart-rending 7-0 decision to Hale Center some weeks ago, while the Lakers pounded that same squad in no uncertain manner in their meeting.

Starring Junior Smith, who is versatile and shifty—and the highest scorer in the conference—the Spring Lake eleven combines a fast ground attack with a good passing offense, and all indications are that the game will be a slam-bang affair. If Farwell is in the pink, they can hold the opposition, fans believe, to an evenly matched contest. On the other hand, if they let up they may see their last chances for a 1949 victory go sliding down the drain.

The tentative lineup offensively will put Cary Joe Magness and Bobby Poteet at ends, Leon London and Rex Pool at tackle, Bob Dollar and Troy McKillip at the guard positions, John Christian at center; Don Ford, Jerry Pool, Beryl Nix and Melvin Terry in the backfield. Defensively, Christian will go to tackle and Coburn will likely be used in the backfield, Coach Louis Purvis said the first of the week.

## Bovina Mustangs Tramp Former District Champs

The Bovina Mustangs, who have galloped their merry way over all opposition this year, whaled the former district champions, Pettit, the past Friday, 52-0, clinching the title and earning the right to appear in the bi-district playoff.

Out for a win, the Mustangs trampled the host eleven unmercifully,

never allowing Pettit to get within striking distance of paydirt.

The Mustangs are now eligible to participate in the bi-district playoff which is slated for Saturday night, November 12th, with Gruver. Up to press time, The Tribune had not been informed whether the game would be held at Bovina or at Gruver.

During the season, the Mustangs have allowed only one team the privilege of scoring against them, with that honor being accorded Three Way some weeks ago.

If Bovina takes the bi-district contest, this will be the second Parmer County team to grab such a six-man football title, as Farwell defeated a strong Follett squad in a similar play-off some years ago before going back to eleven-man ball.

## Plays Football With Army In Germany

A report from the U. S. Constabulary headquarters in Germany, is to the effect that, even away from home, football still draws interest.

Leonard Hanna, former Farwell ball player, starred with the 2nd Armored Cavalry football squad, serving as first-string right end for the 2nd Regiment. Hanna also was voted to the all-stars, being named "All Constabulary End". The 2nd Regiment Dragoons were second place in the Constabulary league.

The son of Mr. and Mrs. Bill Hanna of Farwell, young Hanna enlisted in the Army in November, 1948, and went overseas in April of this year.

## Farwell FFA Host To District 6 Meeting

Representatives from Friona and Hereford met with the Farwell FFA the past Wednesday evening, when the local chapter was host to a District 6 meeting.

Primary purpose of the meeting was an officers training school, during which the importance of the duties, and the responsibilities of the officers were outlined by local boys, in charge of the meeting.

Preceding the instruction session, Supt. Jack Williams extended a welcome to the visitors, when the group gathered for a chilli supper in the lunch room of the school.

Walter Labay, new area supervisor, was a special visitor, and highly commended the activities of the local chapter, Robert Morton, instructor, said today.

## Blue Cross Plan Again Offered By Bureau

Raymond Euler, service representative for the Parmer County Farm Bureau Chapter, says that applications for Blue Cross hospitalization and Blue Shield surgical and medical care will be accepted from November 10th through December 10th.

Since the Farm Bureau first offered this service to Parmer County citizens on April 1st of this year, members have benefitted to the amount of \$1,534.75 paid to the Parmer County Community Hospital alone, Euler pointed out.

Those interested should call at the Farm Bureau office, in Friona, or write to Box 522, Friona, for full particulars.

Other Farm Bureau projects are moving steadily, the service officer reports. The rural telephone bill was passed by Congress last week, opening the way for early realization of phone service for farmers along with the present REA system. Another measure that may expedite paving of rural roads without the burden of increased local taxes is being encouraged by the Texas Farm Bureau. This is the measure to tax exported natural gas, Euler explained.

## ON DEER HUNT

John Lewis and Joe Caillouet of Texico left early this (Wednesday) morning for Mountainair, N. M., for a short visit with relatives. They will continue to the mountains in northern New Mexico on a deer hunt.

## Convention Date Is Changed To 16th

Harold Carpenter, vice president of the Parmer County Farm Bureau chapter, announced today that the fall convention of the chapter would be held on Wednesday, November 16th, at the Bovina school cafeteria, beginning at 8 o'clock.

It had been previously announced that the group would meet Thursday, November 10th, but conflicting programs set the convention a week later. All members are urged to take notice of the change in the date.

## Robinson Promoted To Sergeant At Tarleton

STEPHENVILLE, Texas — Billy Robinson, of Bovina, was promoted last week to the rank of Cadet Sergeant in the cadet corps at Tarleton State College in Stephenville.

Robinson, who is majoring in social science, is a member of Company A in the corps.

Guides, squad sergeants and guides bearers received their promotions at the retreat ceremony held Thursday afternoon on the drill field.
