## Farwell residents win horsemanship trophies

Farwell residents won several trophies at the annual New Mexico Horse Show Association championship show recently in Carlsbad, N.M.

Cindy Billingsley, of R.R. 1, won

first-place trophies in the following adult divisions: western pleasure, western pleasure (green) and western pleasure champion. She also took third place in western horsemanship.

Her son, Roger, 10 years old, was fourth in western pleasure, and fifth in trail. The competition was for youths 13 and under.

Suzahn Inman, who is coached by Mrs. Billingsley, and also of R.R. 1,

competed in the 14-17 year old contests. She took second in western pleasure, and second in poles and fifth in barrels.

Mrs. Billingsley said the horses were trained by the competitors.

### Nicaragua worries me

I'll be glad when this election is over, and the administration can get back to business.

I'm especially concerned about the Communist government in Nicaragua. They've been allowed to rule there too long. Communism is a cancer on mankind and we've always done a good job at fighting disease.

By virtue of our position as leader of the Free World, we have the responsibility of being in the forefront to stop Communist aggression. If that means using our Armed Forces, that's okay with me. The important thing is not to avoid our responsibility.

I've always been upset that President Kennedy didn't go along with a full-scale invasion of Cuba back in 1961. For 23 years, Cuba has been exporting its brand of Communism throughout the Western Hemisphere and Africa. All we were were paper tigers.

Remember that phrase -- "paper tiger?" That's what the Red Chinese branded us in the early 1960s. We were losing respect throughout the world at the time. Many nations looked upon us as cowards.

That's why I probably am one of the few folks around who view the Vietnam War as an important victory for the U.S. Oh, I know that the South Vietnamese got whipped and the Communists now run the whole country.

What was more important than just the question of which Vietnamese faction won out was: Would the U.S. go to bat for any ally?

We sure did. And we showed our enemies that we had willpower. That, to me, was what Vietnam was all about; we didn't back down from our global responsibility.

I only wish those silly newscasters on TV could try to comprehend world geopolitics. Instead, they view wars and battles in terms of football -- 22 dead to 14 dead.

In my opinion, President Johnson will go down in history as one of our better leaders. He came to office at a time when Third World nations were turning to Communism for spiritual leadership, having seen the U.S. waffle on the Bay of Pigs and the Berlin Wall, and having listened to the Communists decry us as "paper tigers."

The Vietnam War changed that. Sure, I'm unhappy that the side we backed lost. But the long-reaching ramifications are more important. The world knew we would fight Communist aggression. I have a feeling that 50 years from now, historians will look back on that fateful war as a turning point in the ongoing war between the Democracies and the Communists.

You notice I said "ongoing war." Because, as we all know, it continues today. And we cannot rest upon the laurels of a Grenada, for example. We must stay strong and be prepared to defend the world against Communist tyranny.

Which brings us back to Nicaragua. I don't know how you feel but I believe that a Communist nation there will lead to severe problems throughout Central America. I can see the Russians gleefully chortling over knowing the U.S. had to worry

## Special needs ministered to

When the J.S. Williams family moved to the community of Farwell in 1920, inquiry was asked about a Church of Christ congregation.

There was not one, although there were members who were attending elsewhere.

They put their heads together and decided they needed to make an effort to have a meeting place of their own. Mr. Williams contacted Brother W.M. Speck for a Gospel meeting in the summer of 1921. Arrangements for a large tent were made and it was placed south of where the Lovelace Grain now stands. Much enthusiasm was shown in the first meeting with 32 responding for baptism.

Among the first members were the families of J.S. Williams, J.L. Herington, C.J. Moore, W.S. McDaniel, Avant Wheeler, Charles Lunsford, Mrs. Bob Kyker, Mrs. Hawkings, Willis Magness, and George Magness.

Elders of the first congregation were J.S. Williams, C.J. Moore, and T.B. Burke. Bob Moore served as the first treasurer. Many times the contribution would not exceed \$5.00 per Sunday. The congregation was growing numerically and spiritually and members began to see the need for a meeting house of their own.

In 1925 a stucco building was erected on the church property located at Fifth and Avenue C in Farwell. There was a seating capacity of 175 with two classrooms as well. The first individual to be baptized in the new baptistry was W.W. (Bill) Hall. Brother E.A. Bedicheck held the meeting at this time in 1925.

The congregation eventually outgrew this small building and in 1957 the erection of a new building just across the street was completed with a seating capacity of 350.

Ministers serving the congregation since 1934 have included Ebb Randol, T.B. Burt, Thomas M. Moore, Will A. Thompson, Ira Lee Sanders, W.A. Kerchville, Lewis C. Cox, Sal Morgan, Eugene Sofford, Roy Tidwell, Pat Burke, Don Tarbet, Paul Wilkinson, Dewey Lee Fogerson, James Wilbanks, Leonard Harper, and presently Ralph A. Gates.

Brother Gates is a 1970 graduate of Pepperdine University. He attended U.C.L.A. in 1971 and is a 1978 graduate of the Bear Valley School of Biblical Studies in Denver. His wife is Deana and their three children are Krista, Kevin, and Kimberly.

The congregation exists for only one purpose and that is to carry on the work begun by Jesus Christ. He came to serve and the church exists to serve. It is simply a family of people who are attempting to restore the message set forth by Jesus in the New Testament.

The congregation strives to share a concern for the needs of the total person: physically, emotionally and spiritually.

\*Physically: When possible, the congregation makes every effort to

BROTHER RALPH GATES

Editor's note: This is one article in a periodic series featuring a review of the area churches.

relieve the physical sufferings of people. To the extent of their financial abilities, they strive to minister to these special needs.

\*Emotionally: At times people are hurt and are in need of loving advice and counsel. Through the entire church family they hope to provide this special ingredient.

\*Spiritually: Because this is such a vital part of one's life a great deal of effort is directed here. The congregation offers vital Bible classes, home Bible studies, ministries for all ages, as well as valuable messages on tape and in print.

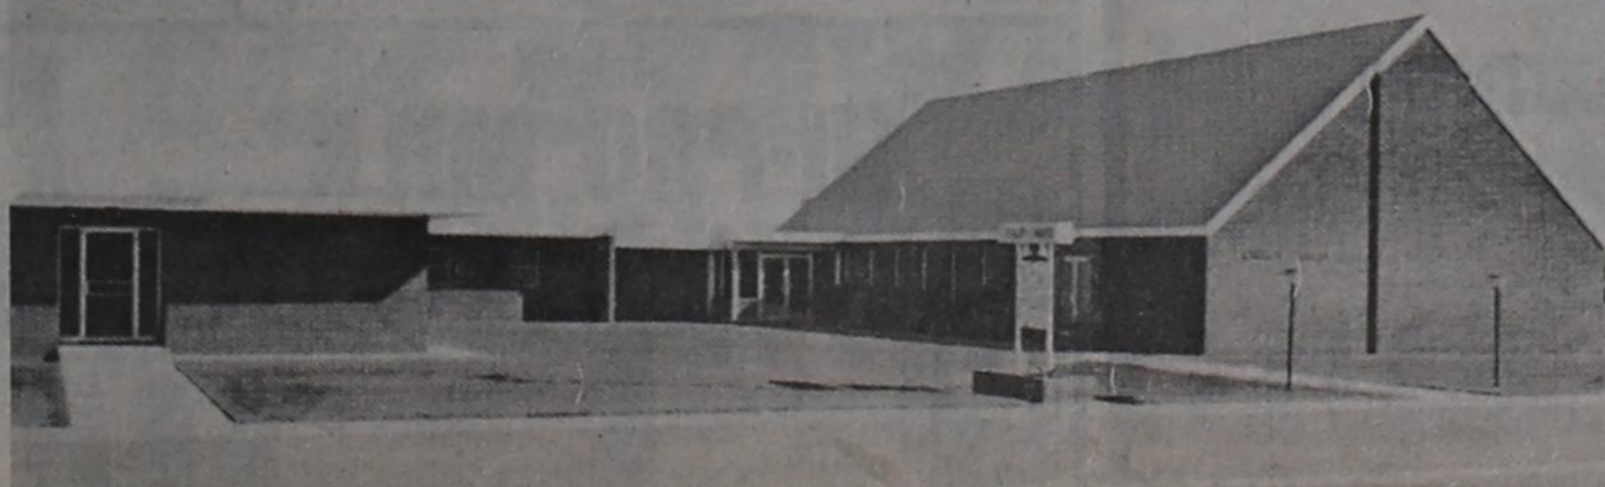

The congregation is actively involved in the meals-in-wheels program in Texico and Farwell. It is also fully supporting brother Franz Weiss in Wurzburg, Germany, and partially supporting brother Dwayne Shults in Sao Paulo, Brazil.

Domestic ministry efforts include the New Mexico Christian Children's Home in Portales, the Sunset School of Preaching at Lubbock, and the Bear Valley School of Biblical Studies in Denver, Colorado.

Present elders of the congregation are Floyd Embry, Bill Meeks, and Clarence Meeks.

The members financially support the congregation, and your visit with the church family puts one under no obligation.

The congregation provides the following assembly times for the reader's benefit: Sunday Bible class, 10:00 a.m. (CST); Sunday Worship, 10:50 a.m. (CST); Sunday Evening Worship, 6:00 p.m. (CST); Wednesday Evening, 7:30 p.m. (CST).

SEVENTY-THIRD YEAR

25 CENTS

## It's another tie for contest lead

Eleven was the magic number for Roy Perales who won the eighth week contest in the 26th annual Area Merchants Football Contest.

Only two entrants -- Roy Perales and Gilbert Lopez -- had 11 answers correct. Perales was first by virtue of being closest to the tiebreaker. He was only four off the score (Farwell 32, Kress 7). Lopez was nine off the tiebreaker.

For his victory, Perales received a cash prize of \$7.50. Lopez received \$5.

Lopez did not list his address on his entry blank and the Tribune has been unable to contact him and give him his cash prize. He is asked to stop by the Tribune office and pick up his check.

Those with 10 right were Betty Jean Castleberry, Connie Cumpton, Clint Kelley, Shorty Robertson, Julia Moody, Donnie McDonald, Todd Lingnau, Mark Liethen, Gay Goetsch and Rex Cumpton.

Most contestants had an easy time with the college and pro games, but upsets marked the high school contests.

Results of last week's games were: Tatum over Texico, Vega over Happy, Tula over Muleshoe, Arkansas over Houston, TCU over Baylor, West Texas State over New Mexico State, Texas over SMU, Texas Tech over Tulsa, Green Bay over Detroit, Cincinnati over Houston, Chicago over Minnesota and Dallas over Indianapolis.

By virtue of her 10 correct answers, Gay Goetsch moved back into a tie for the lead with last week's front-runner, Jim Parker. Both now have 68 points at the two-thirds mark in the contest.

They have a full two-point lead over James Williams, in third place. In fourth place, with 65 points, is Gaye Roberts.

With 64 are Buck Gregory, Duane Hamar, Craig Kaltwasser, Edwina Owen and Vernon Thigpen.

With 63 are Janene Berry, Diane Dannheim, E.M. Lonsdale Sr., Modine Parker and Scott Parker.

With 62 are Betty Jean Castleberry, Charles Dannheim, Mamie Howard, Michael Littlejohn, Donnie McDonald and Debbie Weir.

With 61 are Connie Cumpton, Randy Davis, Carl Dean Goetsch,

Ron Perales, right, a sophomore at Farwell High School, accepts his first-place cash prize for winning last week's Area Merchants Foot-

ball Contest from Pudge Rose, of West Plains Pharmacy, one of the contest sponsors.

Larry Gregory, Theresa King, Truman Kittrell, Kim Norton, Jerry Owen, Kevin Owen, Dianne Parker, W.M. Roberts, Dale Sikes, Delores Williams and Jennifer Williams.

The winner after 12 weeks will win two tickets for the Washington Redskins-Dallas Cowboys game Dec. 9. The prize also includes lodging at the Regent Hotel in Dallas, transportation to and from the game and \$50 spending money.

Each contestant can have only one entry. Entry blanks are on the contest page in today's newspaper and are available at the Tribune office. You must be at least 12 years old to enter.

Totals are on display at the Tribune office from 8:30 a.m. to 5:30 p.m. All entries must be turned in at the Tribune office before 5 p.m. Friday (today) or, if mailed, bear a Friday postmark.

## Meals on Wheels offers free meals

Meals on Wheels is offering a week of free meals Nov. 19-23.

The idea is for new people to get acquainted with the program. But regular recipients also will get their lunchtime meals free that week.

The program is designed for persons, who because of age or disability, have difficulty preparing a nutritious, well-balanced meal for themselves. The noon meal is served seven days a week.

Normally, the cost is \$2 per meal. Farwell Meals on Wheels has been delivering meals for eight months. It is a volunteer organization headed by Ron Fechner, Maurine Caywood and Jean Patschke.

Meals are prepared at the Farwell Convalescent Center and supervised by a dietician to meet individual needs.

After filling out forms with the

center, the program can be as flexible as needed. Meals can be sent for a short period of time, or on a sustaining basis. Meals can be skipped by calling before 10 a.m. that day.

About 25 women have volunteered to deliver meals every day since Feb. 19. In October, November and December, the Farwell Church of Christ is responsible for meal delivery. Then in January, February and March, the Farwell Methodist Church will handle that responsibility.

For a free meal during Thanksgiving Week, please call the Farwell Convalescent Center, 481-9027, by Nov. 15.

Also, sponsorship has been arranged for the Meals on Wheels menu to be carried in the State Line Tribune. The first menu is in today's newspaper, on Page 3.

### Kids' program sponsored

The Farwell Study Club, a member of the General Federation of Women's Clubs, is accepting nominations for a new awards program, "Concern for Kids."

It's part of a national program sponsored by the General Federation of Women's Clubs and Health-Tex Inc., a leading manufacturer of children's clothes.

If you know of someone who deserves an award because of the fine work he or she is doing for children in this area, please contact awards chairman Frances Kube at Box 39, Farwell, or at 481-3441.

There will be two awards presented Dec. 1 at the Farwell Community Center. One award will go to a group that works with kids, and one will go to an individual.

The deadline for nominations is Nov. 21.

"This is one way we can all show our appreciation for the groups or individuals who care about our kids," said Mrs. Kube. "Please send in your nominations quickly."

### Indians studied

Third graders in Mrs. Richmond's class at Texico School studied Indian culture last week. They wrote stories about Indians, made beads, put on warpaint and built a tepee. Pictured in the tepee is

Bobby Winegeart. Showing beads she made is Crystal Foreman, left. And showing Indian pictures are Terri Askew and Chad Cochran, right.

### Bus drivers sought

The Farwell Schools are seeking substitute bus drivers for mornings and evenings.

If interested, persons may call R.T. Langston at the bus barn, 481-3675.

### Incorrect amount

The donation by ESA to the Rape Crisis Center in Amarillo was in the amount of \$50, not \$500, as was reported last week.

## Texico school needs UPC labels

There will be competition between Texico school classes for the collection of UPC's.

If enough labels are collected to get a computer, the class which collects the most labels will win a Coke party.

Also, if enough UPC's are collected, there will be cash prizes awarded to individuals. First prize will be \$10, second prize will be \$5, and third prize will be \$2.50.

The Farwell Schools have also agreed to help Texico with their UPC collections. To collect this many UPC's (7,500 for one computer) will take everyone's cooperation.

If enough UPC labels are gathered, Texico can get one or two IBM

PC jr. computer systems. UPC-symbols (the bars on different products that tell what the prices are) are needed from the following brands:

Bounty paper towels, Citrus Hill orange juice, Coast soap, Crest toothpaste, Encaprin arthritis pain reliever, Luvs diapers, Prell Con-

centrate shampoo, Puffs facial tissues, Sure Solid deodorant, Sure Roll-On deodorant, Tide laundry detergent, Crush carbonated beverage (16 oz. and 10 oz. bottles) Jif peanut butter, Scope mouthwash, Crush carbonated beverage (2 liter bottles), Pert shampoo, Liquid Prell shampoo, and Crush cans (specially marked pull-off tabs).

## Mulanax campaigns here

Judge Virgil E. Mulanax, Republican nominee for Place 1, Court of Criminal Appeals, said he hopes to bring an awareness to the public of who they elect to this Court. Judge Mulanax was in Farwell Oct. 24 visiting with local voters about his statewide campaign.

"I am concerned that this extremely important position does not receive the attention it deserves by the voter," said Judge Mulanax. "This is our state's highest court for appeal of criminal cases, yet many voters go to the polls without knowledge of the candidates."

Judge Mulanax is only the second Republican in recent history to campaign for a place on the Court of

Criminal Appeals. By his campaign, Judge Mulanax hopes to give voters in the general election a decision and a conservative option.

Mulanax met with Parmer GOP chairman Martin Kube while here.

## Fourth graders study ocean

Mrs. Worley's fourth grade class at Farwell Elementary has been studying a unit on water in their science class.

The last chapter in the unit was on the oceans. During that time, Jody Mahaney, Joy Morton, Krista Gates, and Mrs. Worley brought their shell collections. Each person picked a particular shell of interest and made a report on it.

Mrs. Worley showed them in detail how to make a report, and they used reference books from the school library and the Clovis Carver Library.

In addition, the group saw films and filmstrips on water and oceans, and did several experiments showing that water is the "Great Solvent."

## Subscription campaign underway

The State Line Tribune has begun a circulation campaign in conjunction with the Farwell High School Marching Band.

Band members, mostly the flag

unit and twirler members, will be calling area residents to sell subscriptions to the paper. Half the money raised will go to the band.

## New Mexico election info given

Tuesday night saw a good turnout for the open house at Texico Elementary School.

There was a contest with a party for 1st place, to see which class could draw the most parents.

The classrooms were all decked out for Halloween, with Jack-O-Lanterns and goblins abounding, and the children were anxious to show their parents their best work.

# Activities planned for nursing home residents

Lisa Bond, the new activity director at the Farwell Convalescent Center, is enthusiastically planning a lot of interesting activities for the residents.

Ms. Bond said she wanted to pay tribute to the 23 auxiliary members. They are responsible for the building of the new chapel, which has plenty of comfortable-looking chairs and a stained-glass window. The auxiliary raises funds

throughout the year. The money goes toward purchasing items or toward projects to make the home a nicer place to live. Their next project is set for Nov. 23 and 24, when they will have a bazaar at the Farwell Community Center. They will be selling handmade items. Anyone wishing to donate any items for their bazaar may call Nan Preston at 481-3645, or Liz Kaltwasser at 825-3953.

There are other volunteer forces who help at the center, also. They include resident family members, and three groups from the First Baptist Church of Farwell: Girls in Action, Acteens, and the Young Single Adults. These volunteers help with special events and also do one-on-one visitations. The center can always use all the volunteer help it can get. Anyone wishing to volunteer time may contact Ms.

Bond.

According to Ora Roberts, a resident who was transferred to the Farwell Center from Muleshoe three months ago, the center is a "nice place." Mrs. Roberts' roommate, Dolly Spell, who came to the center from Melrose, N.M., said, "The nurses and all the people here couldn't be any nicer. I couldn't ask for better care." She enjoys helping some of the other residents who

can't always help themselves.

The census at the center has increased to 76 from around 49 within about two months. The center employs approximately 60 people. It is a non-profit organization, run by the City of Farwell.

The activities planned for the center residents for November are: Every Monday through Friday at 10:30 a.m.: devotions (area churches help with this service).

Mondays at 2:45 p.m.: Liz Kaltwasser and Mary Mesman conduct games and bring refreshments.

Wednesdays at 3 p.m.: Bible study with Ralph Gates of the Church of Christ in Farwell.

Thursdays at 3 p.m.: Games.

Thursdays and Fridays from 9 a.m.: Beauty shop-Lady's Auxiliary does this, and they could use more help.

Sundays at 9:45 a.m.-Sunday School; 3:30 p.m.-Church, first Saturday of the month: Seventh-Day Adventists sing, 4-4:30 p.m.

Last Friday of the month: Birthday party - The Fred Chandler Band plays.

Special events for November are: Nov. 6, 3 p.m.: Old-Timer's Band. Nov. 13, 3 p.m.: Glenda Jennings from Lazbuddie, with sing-along, old time favorites.

Nov. 20, 7 p.m.: Thanksgiving Party for families of residents. Potluck. Fred Chandler Band will be playing.

Nov. 22: Special Thanksgiving Service.

Nov. 23 and 24: Auxiliary Bazaar at Community Center.

Also, some of the center residents may be taking a trip to Muleshoe soon to visit the nursing home residents there.

## Texico Baptist Women meet

The "Baptist Women" of the First Baptist Church of Texico met at the church on Oct. 3 for their regular Royal Service program, with Nora Day in charge.

The meeting opened with Lois Hudnall playing on the piano "Send the Light."

In the absence of the Mission Support chairman, Mary Dell Brown, Mora Schlueter read the scripture, Jeremiah 5:20-31, and read the names of the missionaries having birthdays on that day. She then led in prayer.

The topic for the afternoon was "Women in Missions Overseas."

Special music for the program was provided by Shelva Robinson who played and sang "The Unclouded Day."

Velma Kelley dismissed in prayer.

Those present were Nora Day, Mora Schlueter, Shelva Robinson, Lois Hudnall, Velma Kelley, Helen Bowers, Margaret Horne and Gracie Dane.

## Former Lazbuddie resident visits area

Haskell "Has" McCurdy has been in the Farwell area for about three weeks, visiting old friends.

McCurdy graduated from Lazbuddie in 1934. He was hoping to go to Homecoming there this year, but

arrived a week too late.

His father was a farmer, who moved here from Hannah. During that time, there were no paved roads, and McCurdy remembers cutting across the prairies to get where he needed to go.

Although he graduated from Lazbuddie School, he first attended Farwell School in order to play football. At that time, Lazbuddie had no football team, and sports were very important to "Has."

When Lazbuddie finally had a football team, he transferred there. In his senior year, 1934, the Lazbuddie team beat Farwell 57-6, according to McCurdy. He was a fullback on the Lazbuddie team that day.

He retired from the Marines in 1964, and has lived in Pocatello, Idaho, since then. He'll retire from the U.S. Post Office next Monday.

## Texico honor roll students rewarded

The Texico Honor Society, Silver Stylus Chapter, held a party during first period on Oct. 29 for all the junior high and high school students who made the honor roll for the first nine weeks.

Each of the 78 students on the honor roll received an honor roll certificate, which was awarded by the Honor Society.

There was entertainment in the

form of a game, and refreshments, which were furnished by the Honor Society.

According to teacher Juanita Hadley, the Texico Schools, with the help of the Honor Society, are trying to foster an interest in good grades, and these parties are good incentives, as the kids who attend them are doing so during a class.

## Girl Scouts work toward Safety Patch

Officer Becky Raulie of the Clovis Police Department spoke to the Farwell Junior and Brownie Girl Scouts at their Oct. 25 meeting.

The girls are working on their Scouts Own Safety Patch. Officer Raulie discussed several areas of safety, including: how to make emergency phone calls, what to do if at home alone and an emergency situation arises, how to walk safely to and from school, how to handle emergencies when babysitting, what to do about prank phone calls, what to do if a stranger approaches you from a car, giving emergency directions if you live in the country.

Officer Raulie also showed the girls some methods of self defense. Assisting Officer Raulie with the self defense were Junior Scouts Amy Murray and Brandy Martin and Brownie Scout Janice Hernandez.

Scout leaders Gwen Corn and Sudie Foster ask that any families that have not discussed this meeting with their daughters please try to do so. It is an important issue today and the girls seemed eager to discuss the different possible dangerous situations and how they should handle them. "What if" games would be an excellent way to reinforce Officer Raulie's presentation.

Prior to meeting with Officer Raulie, the Brownies went across

the street for their first get-acquainted visit and to sing for the Convalescent Center residents. The Brownies were treated to special Halloween refreshments by Nedda Travis and Altha Herington before singing for the Convalescent Center.

Attending the meeting were Junior Scouts Heather Burton, Amy Compton, Cindy Meeks, Lucretia Foster, Lisa Geries, JoAnna Yruegas, Robin Foster, Joy Morton, Priscella Galvan, Amy Foster, Joni Hernandez, Liz Galvan, Karen Aycock, Brandy Martin, and Amy Murray. Junior Scout mothers were Margaret Aycock, Cheryl Burton, LaWanda Meeks, and Sudie Foster. Guests were Christian Foster, Scott Meeks, Ivan, Heidi, and Hayley Burton.

Brownies attending the meeting were Joey Martin, Ginny Mitzelfelt, Lorri Murray, Kristy Adams, Christi Corn, Bea Foster, Monica Mendoza, Julie Mitzelfelt, Jaimie Morton, Ruby Rubio, Criselda Vidaurri, Casey Charlson, Amy Haseloff, Cortney Herington, Janice Hernandez, Andi Kirkland, Melissa May, Stacey Sewell, Brea Travis, and Karen Yruegas. Brownie mothers were Gwen Corn, Sue Adams, Altha Herington, Nedda Travis and guests were Charla Corn and Jill Actkinson.

## Saiz, Chandler, Welch receive Bobcat badge

Manny Saiz, Mark Chandler, and Kevin Welch received their Bobcat badges at the Community Pack meeting at Lockwood School in Clovis on Oct. 25.

The boys were held upside down while their badges were pinned on. The Bobcat badge may be worn by the boy right side up only after he has done a good deed. It signifies that the boy understands the basic ideals of scouting.

During the pack meeting, Farwell boys participated in the closing by leading the group in singing, "Good Night Cub Scouts." They also participated in some games and

cheers. Even the parents were asked to join in the games.

Present at the pack meeting were: Mark Chandler, Jody Mahaney, Kevin Welch, Manny Saiz, and Robbie Pomper.

Cub Scouts in the bear den celebrated Halloween by preparing and eating supper together. They cooked hotdogs, chips and dips, carrot and celery sticks, beans, and dessert.

Leader Lynn Mahaney led the boys in games, and they went out trick or treating together.

# Tatum slips by Texico Junior

Two teams with 5-0 records clashed last Friday, and the outcome showed Tatum defeating Texico's Junior High squad, 6-0.

"Our defense played super and overall we outthit them," said Texico Coach Scott Parker. "We were on their 5- and 10-yard lines in the first half but we weren't able to get through. We lost fumbles each time. The kids were upset about the loss but they played great and showed real good sportsmanship."

In the game, Tatum scored in the first half on a 20-yard run. The point-after was good.

Individual statistics showed Cory McDaniel with 36 yards on 14 carries; Urban Orozco, 21 yards on 4 carries; Bret Taylor, 25 yards on 2

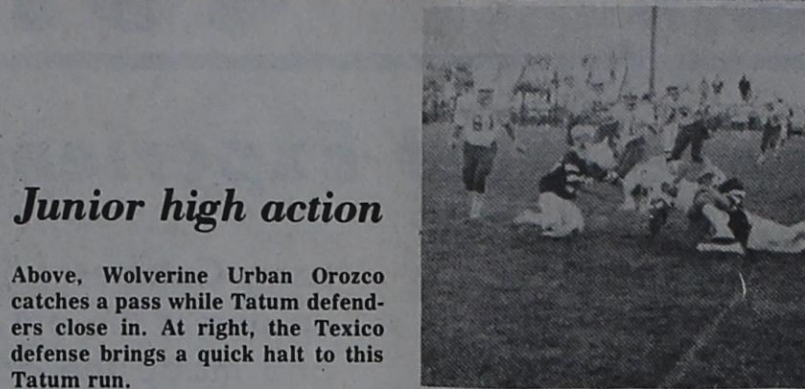

carries; and Larry Powell was 4 for 8 passing with 34 yards.

Texico had five first downs, 119 total yards gained, punted four times for a 27.5 yard average and

was penalized 5 times for 45 yards.

Tatum had an interception and McDaniel and Orozco each had 14 tackles.

Thus, the season ends for the Junior High team. Some individual stats showed McDaniel gaining 680 yards with 9 TDs; Orozco, 153 yards and 2 TDs, and Powell, 37 yards and 1 TD. Powell was 19 for 46 in the passing department, for 233 yards. Keith Harrison caught 5 passes; Taylor, 8; Orozco, 3 and Lance Akers, 3.

## Junior high action

Above, Wolverine Urban Orozco catches a pass while Tatum defenders close in. At right, the Texico defense brings a quick halt to this Tatum run.

# Dannheim: Farwell hasn't changed much

William Dannheim has lived in this area since 1940.

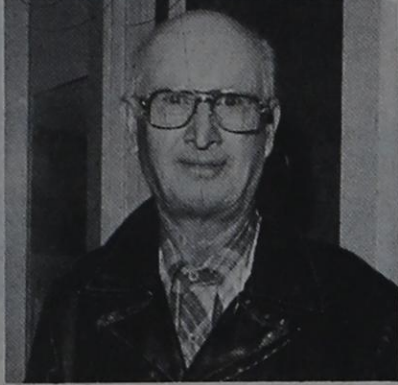

A farm laborer for many years, he retired in December 1982. He still works occasionally. Dannheim is originally from Vernon. He moved here from Lockney.

His first job in this area, 44 years ago, was for Frank Phillips. He has also worked for A.F. Phillips, Glenn Phillips and Roy Ingram.

In 1962, he went to work for Castor Farm and Feed Lots, where he stayed for 21 years, until he retired.

According to Dannheim, the most noticeable change in this area over the past 40 years or so has been in Clovis. He said that from about 14th Street on out used to be all wheat fields. Also, there used to be very little irrigation on the farms.

Dannheim and his wife, Lorine, will have been married for 46 years

William Dannheim

in November. They have three sons and two daughters, 16 grandchildren, and one great-grandchild. They bought their home in Farwell in 1958.

The Dannheims are charter mem-

bers of the Immanuel Lutheran Church, where Dannheim is presently an elder. He says he has held about every available office there

over the years, except for treasurer.

Dannheim thinks that Farwell is about the same as it always was, except it's a little bigger.

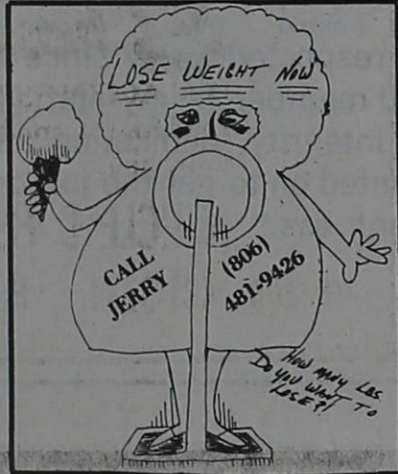

## Election day nears

The General Election is scheduled Tuesday for area voters.

Polling places in Texas and New Mexico will be open from 8 a.m. to 7 p.m.

In New Mexico, Pleasant Hill voters can cast their ballots at the Pleasant Hill Community Building, and Texico voters go to the Texico City Hall.

## Why We Support

# COMBEST FOR CONGRESS

## Larry Combest is the Most Experienced Candidate.

We must keep the tradition of electing Congressmen whose agricultural experience is based on deeds, not words. We need a Congressman we won't have to train.

Larry Combest knows agriculture from the ground up and is the only candidate who has run a farm, and made the day to day decisions that face our family farmers.

Larry Combest is a fourth generation West Texan, who was raised on a farm. As area president of the F.F.A., he received the Lone Star Degree and the National Sante Fe Award for leadership, scholarship and character. He has worked as a farmer, as County Director for the A.S.C.S. and as legislative assistant for agriculture for Sen. Tower.

"I've admired and respected Larry since he served as a valued and trusted member of my staff. I have tremendous respect for his integrity, dedication and convictions. He can always be counted on to get the job done. I'm proud to support him for Congress."

Senator John Tower

## Larry Combest Will Vote With Us.

- FOR A 1985 Farm Bill that is Fair and Effective for West Texas.
- FOR Voluntary Prayer in School
- FOR the Balanced Budget Amendment
- FOR the Immediate Repeal of the Windfall Profits Tax
- AGAINST Increased Personal Taxes

## Combest Will Oppose Liberal Democratic Leadership.

"I know Larry Combest personally and have the greatest respect for his experience, ability and integrity. President Reagan will need help in the House to finish the job of rebuilding our economy and national defense. It is essential that we elect conservative Representatives who do not owe their allegiance to Tip O'Neill and the liberal democrats. We need Larry Combest in the United States Congress."

Vice President George Bush

"I met Larry Combest in Washington and we talked about the problems facing West Texas and how to promote growth, jobs and a brighter economic future.

Four years ago we set a new direction for America and we've made great progress towards full economic recovery. If we are to reach our final goal of sustained growth for all areas of America, we need leaders like Larry Combest in Congress.

His courage, wisdom and record of leadership in his community will make him a great Congressman for West Texas and America. I look forward to working with Larry next year in Congress."

President Ronald Reagan

# Tatum defeats Wolverines

**BY BRIAN WALKER**  
A rematch of the Class A New Mexico champions ended in disappointment for the Texico Wolverines last Friday when Tatum prevailed, 34-6.

The win gives the Coyotes a 3-0 league record and the championship.

However, a win over Fort Sumner tonight will put Texico (2-1 in district) into the playoffs, too. And if Texico loses, there still is a mathematical chance the Wolverines advance into playoff competition.

Larry Hilliard, Tatum's speedy running back, started the scoring with an 82-yard kickoff return to open the game. The PAT kick failed.

Finally, after numerous drives by both teams stalled, Texico's Billy Bibbs raced over from two yards out for a TD with three seconds elapsed in the second quarter. The PAT pass was incomplete and the teams were tied at 6-6 at halftime.

In the third quarter, Texico punted after four plays. Tatum then put together a strategic drive and hit plays later QB Dalby Griffis hit Craig Collins with a 44-yard TD pass. The extra point kick was good.

Then in the fourth period, Tatum put the game out of reach when it scored three times: Hilliard on a nine-yard run, Kyle Grawunder on a 26-yard pass and Wade Hilburn on

an 18-yard pass.  
For the Wolverines, Billy Bibbs gained 68 yards on 22 carries, scoring his team's only TD. It gives Bibbs 1,135 yards gained rushing for the season so far.

Ronnie Galvan rushed six times for 11 yards, and quarterback Danny Powell gained four yards in three tries. Powell completed three passes for 32 yards, two of which went to Doug Thornton.

Texico (5-3 for the season) plays at Fort Sumner tonight.

Texico Head Coach David Lynn felt the turning point of the game came at the end of the third quarter when the wind became a factor.

Texico had to punt into the wind in the final quarter, giving Tatum good field position.

"Our kids played hard but we just got beat," said Lynn. "Tatum has a fine team."

## Cotton planting statistics given

Producers in the 25 High Plains counties represented by Lubbock-based Plains Cotton Growers, Inc. have certified 1984 cotton plantings of 3,331,502 acres - give or take maybe a few hundred acres.

County by county certification figures were obtained Oct. 18 by PCG from the state Agricultural Stabilization and Conservation Service at College Station. The possibility of small but insignificant errors exists because the figures include estimates from some counties where measurement services were not complete at reporting time. Final, official figures from all counties may not be available for some time, officials say.

USDA's August estimate of the area's acres for harvest, unchanged through the latest report October 11, was 3,116,000, indicating abandonment of 215,502 acres, or almost 6.5 percent of the total. Most of the acreage abandoned was in drought-stricken areas, with a few thousand more acres lost to hail.

Parmer County totals were: 106,804 base acres; 85,119 enrolled acres; 57,046 certified planted acres; and 53 percent, certified acres as percent of base.

# Texico Lady Spikers district champions

The Lady Spikers of Texico High School are the district volleyball champions. Their game against Tatum, Oct. 24 clinched the championship, with Texico taking the three games with scores of 15-4, 15-7, and 15-5.

On Oct. 27, the Lady Spikers traveled to Melrose, and put some icing on their cake, where they won again, with scores of 15-4, 13-15, 15-2, and 15-8. According to Texico Coach Mike Littlejohn, "The game with Tatum

was probably their biggest, and best match all year." Littlejohn felt that the girls played "good, but not extremely well," in their game against Melrose. He let more kids play in this game. The Junior High lost their games

against Tatum, with scores of 8-15 and 9-15, but made up for it when they beat Melrose 15-3 and 16-14. The JV also lost to Tatum with scores of 9-15, 15-7, and 14-16. They beat Melrose, 15-0 and 15-2.

Littlejohn feels that the Junior High girls had a very good year, and that the girls improved greatly on their skills such as serving, spiking, passing, etc. They ended up with 7 wins, and 9 losses this season.

The JV team this year was made up of 8th and 9th graders, along with a few sophomores. Taking this into consideration, Littlejohn feels they had a pretty good season, and that they improved a lot. They won 4 games and lost 4.

As to how the Lady Spikers ended up in their prestigious first place, Littlejohn had several explanations.

"First of all, the girls put in a lot of hard work. They started in the middle of August, practicing twice a day. After school started they continued practicing every day," Littlejohn commented. "They all worked hard every day, with very little moaning and groaning."

Littlejohn stated that the secrets to the girls' success were:

Teamwork - they all worked extra well together, and there were no real individual weaknesses.

These girls have been playing together for 2 and 3 years.

The girls had a lot of mental maturity, and didn't let things like little mistakes and bad calls get them down.

In each game, their goal was simply to play well, and to try to improve from game to game.

The Lady Spikers finished the season with a 14-2 record, and were 9-1 in district play.

Texico plays Saturday at 7 p.m. in the finals of the district tournament at Texico.

The tournament began Tuesday with Floyd vs. Melrose and Tatum vs. Dora. The winners of those matches then play each other for the right to face Elida Thursday night at 7. That winner plays

Texico. Admission prices for the tourney are \$1.50 for adults and \$1 for students.

Putting the finishing touches on a stool they made in the upholstery class at Texico are juniors Yvonne Garcia, left, and Katie Tubbs.

# Steers hop past Kangaroos

by MARK COLE

The Farwell Steers moved one step closer to a third straight district title Friday night by downing the Kress Kangaroos, 32-7.

The Steers were led once again by a tough running game, as well as an excellent passing game. On the ground, Roger Robertson had another two-touchdown performance, while Blake Kelley passed for two Farwell scores.

It wasn't until early in the second quarter that the Steers put their first points on the board after a fumble recovery by Brian White. Kevin Owen opened the drive with straight-ahead runs of 4 and 3 yards. Kelley then hit his first of several key pass completions, going to David Rubio for 10 yards. Bobby Ford ran for 15 yards to further advance the ball, and Kelley ran for 9 to bring the ball to the 10. From there, Roger Robertson ran right and went airborne to score the first touchdown for the Steers. Robertson also kicked the PAT to put the Steers on top 7-0.

Things went slowly for the Steers until late in the second quarter when the Steers came alive and had a 7-play 2-touchdown flurry. After a defensive stand led by Owen, the Steers took control on the 30 yard line with only 2:56 left to play in the first half. Kelley wasted no time in steering Farwell downfield and quickly completed a pass to Felix Lucio on the 5 yard line. Once again it was Robertson who hit paydirt from a yard out. Robertson kicked another extra point to put the Steers ahead 14-0.

On the Kangaroos' first play from scrimmage, Steer freshman Joe Jaime came up with his first steal of the season on a key interception on the 40 yard line.

With little time left Kelley went into the air and picked out Eric Williams for a 20 yard gain. On the next play Kress added 20 more yards for the Steers with an interference penalty.

The penalty stopped the clock with enough time for one shot into the endzone for the Steers. Kelley threw again, and found Eric Wil-

liams, who made his first TD catch of the year. The Steers went into halftime with a comfortable 20-0 lead.

To open the 3rd quarter, Kress gave everyone a quick scare when Anthony Alvarado raced 85 yards on the opening kickoff for the only Kress touchdown of the game. With this touchdown, the Steers ended a two-game streak of holding their opponents scoreless. (In the same time of the last three weeks, the Steers have a combined point total of 80-7 against their opponents.)

Kress enjoyed a brief feeling of being "right back in the game," but it didn't take long for the Steers to regain the 20-point margin they had built up in the first half. On a drive built around the Steers' wishbone running attack, the Steers marched 75 yards downfield. On their second play from scrimmage, Robertson picked up 40 yards. Kelley added runs of 10 and 13 which brought the ball to the 5. Fullback Owen found his way into the endzone from the 5 to add 6 more points for a total of 20 for Farwell.

The Steers' defense continued to stop the Kress offense with big plays from Sammy Sanchez who recorded an interception, a knocked-down pass, and a quarterback sack.

Midway through the fourth quarter Lucio also came up with an interception and returned it 35 yards, coming within just 1 tackle of going all the way.

Four plays later, Lucio was on the receiving end of a Kelley pass for a touchdown (his 3rd in two games).

Kress made one last effort for a touchdown against the Steer defense, but fell short again as Lucio made another interception to give the Steers possession to run the clock out.

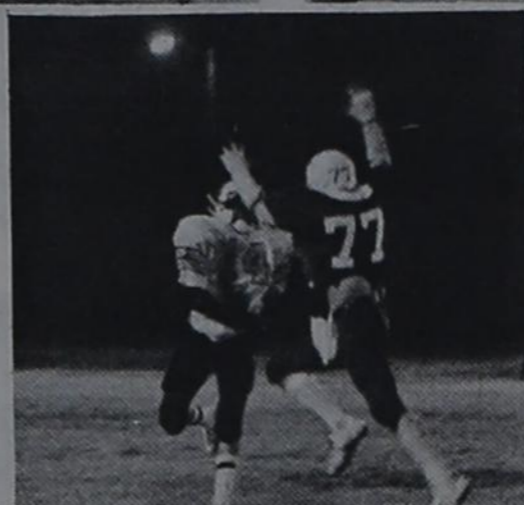

Tonight (Friday) the Steers play their final home game of the season against Happy in Game 4 of district play at 7:30 p.m. The Steers are 3-0 in district play.

STATISTICS		
Farwell		Kress
19	First downs	12
276	Rushing yards	115

## Steer action

Above, the Kress quarterback barely gets off a pass under the Steer rush. At right, it's a Steer sweep to the right side.

119	Passing yards	87
395	Total offense	202
5	Completed passes	8
3	Punts	4
35	Punting average	28
4	Turnovers	5
4	Penalties	1
40	Yards penalized	20

Individual statistics showed:  
 Rushing -- Kevin Owen, 13 carries for 56 yards; Blake Kelley, 12 for 60; Bobby Ford, 14 for 79; and Roger Robertson, 12 for 89.  
 Receiving -- Eric Williams, 2 for 43; Felix Lucio 2 for 59, and David Rubio, 1 for 10.

## Barnes pleased with offense

Farwell Coach Monte Barnes said the Steer offense has been steadily improving and looked a lot better in the Kress game than it had previously.

"Blake Kelley had an exceptional game at quarterback," said Barnes. "He threw well and ran the option well. The offensive line did a good job blocking and protecting the quarterback."

The number of carries was well-balanced: Kevin Owen had 13, Roger Robertson 12 and Bobby Ford, 14. Wide receivers Felix Lucio and Eric Williams each caught a TD pass.

Kelley was 5 for 12 in passing, with 2 TDs.

Barnes also was happy with the defense, pointing out efforts by Carey Stancell, Jesse Anzaldua, Kevin Owen, Ricky Sikes and Allen Kalbas.

"The secondary played well, as the game went on," said Barnes. "Lucio had two interceptions and Sammy Sanchez one."

Barnes noted that Sanchez also "put a big hit on the Kress running back about the 2-yard line, causing a fumble. Robertson covered it for a touchback, saving a touchdown."

## Steers of the Week

Pictured are offensive player of the week, Blake Kelley, left, and Carey

Stancell, defensive player of the week.

## Kress defeats Farwell Juniors

Kress defeated Farwell's Junior High team, 22-14, last week.

"Although we lost the game, we still had a very strong effort from the kids," said Coach Rex Cumpston. "Our defense did an overall good job but we had a breakdown on three plays. Kress did not consistently drive the ball on our defense."

"We moved the ball offensively and had a chance to change the outcome of the game, but we made a couple of mistakes on our last drive that kept us from scoring a touchdown."

Individual statistics showed Jeff Actkinson rushing for 70 yards on 12 attempts, and 1 for 1 passing with one touchdown. James Mendoza gained 74 yards on 13 attempts and one TD. He also recovered a fumble.

Curtis Chisom ran five times for 45 yards, and Ruben Ortega four times for 24 yards.

## Lubbock downs Farwell JV

Lubbock Christian defeated Farwell Junior Varsity football team, 34-16, at Lubbock last week.

Farwell's scores came on a 12-yard TD run by Jason Schilling and a 15-yard TD pass from Damon George to Danny Rubio. Both extra points were good, too -- a run by Rubio and a pass from George to Rubio.

Farwell Coach Larry Gregory said the top offensive players were Schilling and George, while Rubio, Robbie White and David Hutchins stood out on defense.

The loss drops Farwell's record to 2-3, with 1-0 in district. This week's scheduled game with Happy has been cancelled due to the lack of players on the Happy team, caused by injuries.

Gregory noted that Lubbock Christian used some varsity players on their team, which they are allowed to do under their guidelines.

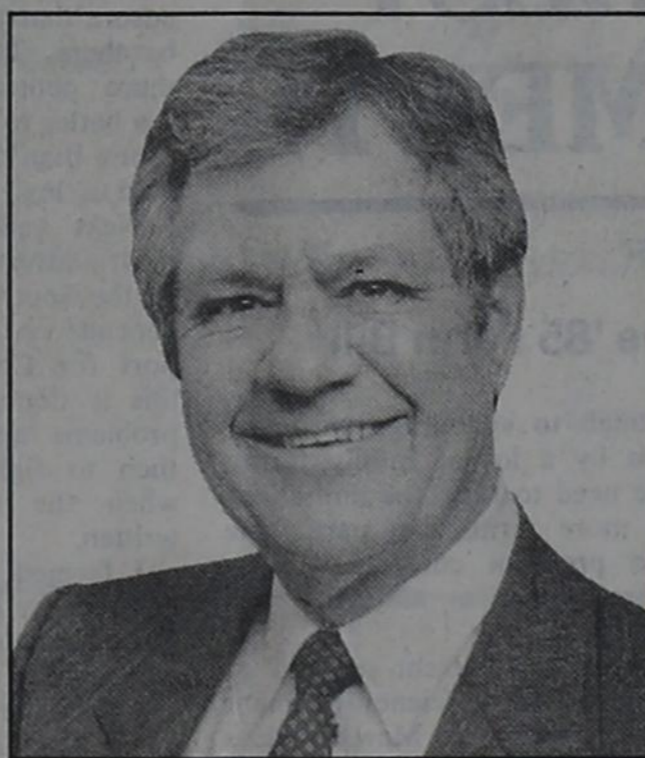

"Our kids are improved over the year, but Lubbock Christian was an older team," he added.

# Youths go 'exploring'

Last Friday, the Farwell Elementary School students held open house to show their parents what they have been doing in their Explore classes.

The 3rd, 4th, and 5th graders have several projects to choose from, and the last hour each day is spent working on these projects. The 1st and 2nd graders had projects, too, but theirs were within their own classes. The first graders did puppets and cooking, and the 2nd graders did a rock project and a magic show.

Aside from the projects pictured, Mrs. Worley's Explore class learned songs and chords on the piano.

## Cotton Prices and the '85 Farm Bill

Going into the '84 crop there was a realistic hope for good prices. At the time of sign-up it didn't look like there'd be much of a deficiency payment. The demand was there, surplus was low, and carry over stocks were at a level we could live with. So a lot of producers went outside the program.

This year cotton yields are good, not great, but better than the 330 averages we've been getting lately. But the price is not there. Consumer demand is off; mill demand is off. Cotton farmers are facing no demand this year and loan price; surplus next year and loan price. The base loan rate is 55.2 cents for the South Plains and we're lucky if our cotton will average 50 cents. Farmers can't put their cotton in a government loan and make a living at it.

Part of the reason for the low demand and low price is the high value of the dollar overseas. Also China has come into the market with 20 to 25 million bales taking over some of the markets we developed. We need additional export credits or restrictions so that when we develop a market it has to stay with us for a certain period of time.

I believe another reason is the \$50,000 payment limitation. With a 400 pound yield and a estimated deficiency payment of 19.8 cents in 1985, it only takes 631.3 acres to reach the payment limitation. That's not good

enough to encourage participation by a lot of family farms. We need to raise the limitations so more farms can participate and program controls will be more effective and fair for ever, one.

Also, the present method of figuring the deficiency payment is not fair to us. Market prices for California producers, who historically do not participate in the program as much as we do, drive the market price up and decrease deficiency payments for us. They benefit from receiving a higher price for their product and from our lower market price which increases the deficiency payment they would get otherwise. This is just not fair. We need to seriously consider setting market price on a regional basis so that our payment is based on a fair consideration of our market situation.

We need to do all we can get all the cotton belt producers going in the same direction and participating fairly in program.

This year we made a good crop and look what happened. What's going to happen next year if we don't make a crop?

We can't afford to be pushed aside when the '85 Farm Bill is written. The administration has got to be made aware of the value of our production and participation in farm programs. We contribute more than our share and we deserve to have something directed towards us. Something that will help raise

our prices to a profitable level. An effective farm bill must ensure that the price is going to be there. To do that we need more controls on production. It's better to raise 100 acres at a profit than 125 acres at a loss. And a loan is not the answer.

Next year's farm programs must address the price problems of the South Plains. Our future depends on it. I ask your support for Congress to see that this is done, to listen to your problems and suggestions and then to fight for your future when the next farm bill is written.

I farmed in West Texas for most of my life. I know our future depends not only on the weather but on the farm programs made in Washington. I know how hard it is for the family farmer to make a living today.

No one has all the answers, and I don't believe I can change things overnight; but, if elected, I will make the government aware of our critical problem of low prices. I will stand up for the interests of the South Plains when the farm bill is written. And I will meet with the Secretary and his staff before any farm program is written or announced and do everything I possibly can to see that it is fair and effective for West Texas.

I will represent you in Washington. I ask for your support on November 6th.

Volunteer helper

Marlon Inman of Farwell, right, listens to Don Bridges (left), director of physical properties at Hardin-Simmons University, Abilene, as he describes sites of the university's rodeo grounds. With them is Dr. Bill

Beazley, coordinator of the Six White Horses and their coed riders and vice president emeritus of HSU. Inman spent about a week on the HSU campus helping in special projects at the rodeo grounds.

## Inman assists

Marlon Inman of Farwell, an active member of First Baptist Church of Clovis, recently spent a week on the Hardin-Simmons University campus in Abilene "as a volunteer" assisting on special projects at the rodeo grounds.

Dr. Beazley, coordinator of HSU's White Horses and their coed riders and vice president emeritus, said of Inman, "He saved the day for us. He's done a whale of a job for us. He's an excellent welder, good cutter. He has done just a great job for us."

Inman assisted Dr. Beazley and Don Bridges, director of physical properties, and maintenance crews in building corrals for the White Horses at the Carl Myers Rodeo Grounds.

Mrs. Inman, the former Karolene Towns, also a 1958 graduate of HSU, is organist and teaches four and five-year-olds in Sunday School at First Baptist Church. Marlon, on the Board of Young Associates when it was first organized, is a deacon and drives the "Golden Special," which is a senior citizens bus that operates on Sunday.

Inman, a 1958 HSU graduate with a BBA degree, said, "I can help do this (special construction projects) where maybe I couldn't help do something else."

A son, Brent, completed HSU in 1983 and now works for Dr. Pepper/Pepsi in Abilene and a daughter-in-law, the former Lisa Holland, from Clovis, works at the Pender Co. in Abilene. She is also a 1983 HSU graduate.
