## Chester Fowler Buried Sunday

Funeral services for Byron Chester Fowler, 71, of Oklahoma Lane were conducted Sunday in Singleton-Ellis Funeral Home Chapel of the Chimes in Muleshoe. Capt. Michael Thorn of the Salvation Army and Rev. Jimmy McGuire, pastor of the First Baptist Church of New Deal, officiated. Burial was in the Oklahoma Lane Cemetery.

Mr. Fowler died Wednesday of last week. He was born in Tillman

County, Okla., and moved to Farwell in 1916. Fowler and his family were the first family to settle in what is now the Oklahoma Lane Community. He was a farmer and a real estate broker.

Survivors include two sisters, Mrs. Gladys Wingo and Miss Vashti Fowler, both of Farwell, and one nephew and three nieces.

Pallbearers included Harold Carpenter, Sterlyn Donaldson, Cecil Rundell, Bill Meeks and

CHESTER FOWLER

## Farwell School Board Renews Three Contracts

Farwell School Board conducted a special called meeting Tuesday night to discuss school personnel.

The contracts of Shirley East, Carol Hotze and Royce Baker were renewed. Larry McDorman was promoted to head girls basketball coach.

Present for the meeting were board members Ted Magness, Gilbert Kaltwasser, Jim Walker, Joe Hughes, Doyle Ford, Billy Mayfield and Wilbert Kalbas. Also present were W.M. Roberts, superintendent, James Craig and Tom Knoy, high school principal.

## Nelson C. Smith Dies In Junction, Colorado

Nelson C. Smith, 85, of 2425 Teller Ave., Grand Junction, Colo., died March 31, 1978 after a 4-month illness. Mr. Smith had lived in Grand Junction for two and a half years. He was born August 8, 1892 in McShan, Ala., and moved with his family to Cherokee County, Texas in 1901.

As a young man, he taught school in a number of Texas communities including New Hope, Gilland, Yoakum, Prairie View, Lipscomb, Posey and Rhea. He served as School Superintendent for four years at Oklahoma Lane.

In 1928, Mr. Smith became a rural mail carrier out of the Farwell post office and retired from this position, after 33 years, in 1961. He lived in Midland, Tex., prior to moving

to Grand Junction. Mr. Smith was married to Miss Stella McGuire on December 25, 1916. He was later married to Mrs. Kate Acker, Jacksonville, Tex., and to Mrs. Mary Leo Baldrige, Midland, Tex.

Mr. Smith's hobby was ham radio and he was a member of the Western Slope Radio Club. He belonged to several Texas Nets before coming to Colorado.

He was a past president of the Texas Rural Letter Carrier's Association and was secretary of the Farwell school board for 10 years. He was an alumni of West Texas State University, Canyon, Texas.

Mr. Smith was a 32nd degree Mason, and on January 23, 1976, he was awarded a

certificate and pin for being a Master Mason for 50 years. He belonged to the Farwell Lodge, the Scottish Rite Bodies of El Paso, the Knights Templar in Plainview, the Littlefield Chapter of the Grand Royal Arch, the Order of Eastern Star at Friona, the Khiva Temple Shrine, Amarillo, and the Western Colorado

Shrine Club, Grand Junction. Survivors include a daughter, Mrs. Lola Jean Hams of Grand Junction, Colo.; two grandchildren and six great-grandchildren; a stepson, Billy Baldrige, Ft. Worth; and two step grandsons of Ft. Worth; a sister, Mrs. Wilma Stevenson, Keene, Tex.; and a brother, Thurston Smith, Wilson, Okla.

## Farwell CofC Picks Nine New Directors

Farwell Chamber of Commerce elected new directors during its Tuesday meeting at Clara's restaurant.

The 1978 directors and the years their terms will expire are as follows: Lee Hutchins and W.M. Roberts, 1980; Toby Booth and Jerry Monk, 1979; Otis McMillan, Paul Haden, Lee Clayton, Johnny Curtis and Ricky Stewart, 1981. Johnny Actkinson, current Chamber president, will serve as an ex-officio director.

A president and two vice-presidents will be selected by the directors from within their ranks.

R.W. Anderson is the treasurer and I.W. Dutch Quickel serves as Chamber secretary.

The man and woman of the year committee also met to determine who the 1978 honorees will be. The results will be announced at the April 14 banquet.

In other business, it was reported that pictures for the Farwell brochure will be taken in the near future.

It was announced that the Chamber has application forms for the 1978 "Miss Wheatheart" contest at Perryton for anyone interested in entering.

## New Business Opens

High Plains Pest Control, Inc., is a new business for Farwell and Dimmitt. Co-owners of the new enterprise are R.M. (Mack) Heald of Farwell, who recently resigned as the Parmer County Extension agent, and Olan K. Moore, entomologist.

Heald has served as a county agent for 10 years, moving to Farwell in June of

1970. He also served as county agent in Floyd County. Heald, who has a master degree in agronomy, will continue to live in Farwell.

Services offered by the business include control of lawn and tree pests, ornamental root feeding, disease control, termites, weed control and stored grain pests.

**Scenes From Cinderella**

"Who will this slipper fit?" asks Prince Charming as played by LeAnne Harper. Waiting to try on the glass slipper are from left, Cinderella (Kellie Anderson), her sisters, played by Shannon Smith and Amy Johnson, and her stepmother (Amy Gulley). The Brownies of Troop 385 staged the play, "Cinderella," Tuesday afternoon for their mothers. They will re-enact the play next Tuesday night at the annual Father-Daughter banquet.

**Consumer Food News**

COLLEGE STATION - Grocery features include processed fruits and vegetables, spices, tuna, and pasta and dairy products at Texas markets this week.

Also, several fresh vegetable items, poultry and frozen fish may offer economy prices, according to Mrs. Gwendolyne Clyatt, a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Price and quality trends are as follows:

**DAIRY** - Features include milk, cheese, yogurt and butter, along with half-and-half, sour cream and whipping cream.

**FRESH VEGETABLES** - Best buys are carrots, and reasonable prices appear on Texas cabbage and peppers from Mexico and Florida. Asparagus prices are a bit lower, but onion prices are higher due to field losses and transportation problems.

Price-wise, also consider broccoli, collards, mustard greens, turnips, rutabagas and potatoes.

**POULTRY** - Some fryer-chicken features appear on whole birds and parts. Many markets offer turkey parts at bargain prices, and eggs have attractive prices.

**FISH** - Several promotions are underway on frozen fish, but compare prices according to style, type and package size.

**FRESH FRUITS** - Grapefruit has high quality and economical prices.

Strawberry supplies are limited, but expect them to increase. Some cantaloupe has moderate price levels, and pineapple has lower prices.

**BEEF** - Prices continue to trend upward.

Chuck cuts are the most-often featured items. For real economy, buy the less expensive chuck cuts and grind them at home. Other features include boneless roasts, round and sirloin steak and beef liver.

**Father-Daughter - -  
Scout Banquet  
Slated Tuesday**

The annual Father-Daughter banquet for all Texico and Farwell Brownies, Junior and Girl Scouts is slated for Tuesday, Apr. 11, at 7 p.m. CST at the fellowship hall of Hamlin Memorial United Methodist Church.

Awards will be presented and the Brownies of Troop 385 will stage their version of the ever popular fairy tale, "Cinderella."

The play is divided into six scenes including Invitation to the Ball, The Spoiled Dress,

Granting the Wish, At the Ball, Search For Cinderella, and The Wedding.

The cast of characters include Kellie Anderson, Cinderella; LeAnne Harper, Prince Charming; Amy Gulley, stepmother; Shannon Smith and Amy Johnson, stepsisters; Tomell Knoy, king; De Anne Ray, queen; Marla Marsh, fairy godmother; Shelly Smith, narrator; Sissy Auburn and Kelly Foster, stage managers; and Kerri Parker and Codie Burch, footmen.

**Marriage Licenses**

The Parmer County Clerk's office has issued two marriage licenses since the last report. They went to Jaime Hernandez and Fidela Jaramillo; and Stanley Craig Dement and Cynthia Gail Graham.

The first bus was introduced in Paris in January, 1862 by a company formed by the French philosopher Blaise Pascal.

**Radarange MICROWAVE OVEN**

Save electricity. For most foods, you'll use 50% to 75% less electricity with one of these Amana Radarange Microwave Ovens than with a conventional electric range.

So save time... save money! Make the greatest cooking discovery since fire—without spending a lot.

**MODEL ML-1**

Easy to buy... easy to operate. Open the door, put the food in, set the Automatic Timer Control, push "Start," and make the greatest cooking discovery since fire.

**Solid side-swing door.** It opens wide so you can put in large food items, stir, check or taste-test foods.

**12 minute Automatic Timer Control.** You will cook most foods within this time. After you have set the Automatic Timer Control you can interrupt the cooking anytime you wish just by pushing the Stop Switch. Push "Start" and it starts cooking again—instantly.

**Shuts off automatically.** When the time is up on the Automatic Timer Control, and it returns to off, the unit shuts off.

**Special Oven Tray.** Juices and fats run off into the special well around the outer edge of the tray. It's removable for cleaning and dishwasher safe.

**OR STEP UP TO THE TOP AND SAVE WITH .....**

**The Great Meat Cooker**  
**The Amana Touchmatic II. Radarange. MICROWAVE OVEN**

**MODEL RR-10**

It's the next generation of microwave ovens—ready for you today. More advanced than any other microwave oven... yet simple as 1-2-3.

The Amana Automatic Temperature Control System cooks meats to perfection! Gives you meats more moist and tender than ever before possible in a microwave oven—with virtually no turning. Allows you to cook meats and many other foods to the desired serving temperature—with remarkable accuracy!

**Temperature Hold.** Touchmatic II can also cook to desired temperature and hold it—gently cycling power on and off to maintain the temperature you select. This gentle cycling is what allows meats to be cooked more moist and tender than ever before in a microwave oven. Also great for holding meats, casseroles, soups, almost any food at serving temperature for even the latest of late comers.

**Remembers Up To 4 Cooking Programs.** Allows you to do things like 1. defrost 2. hold while food temperature equalizes 3. cook slowly to tenderize food 4. then finish cooking at a higher speed. Just program instructions once. And push start.

**10 Cookmatic™ Power Levels**

because different foods cook best at different speeds. And you can change cooking speeds instantly—without stopping the oven. Or use the COOKING PROGRAM and program the oven to change speeds as it cooks... automatically!

**COME IN TODAY FOR AN EXCITING DEMONSTRATION OF THE Amana. TOUCHMATIC II RADARANGE MICROWAVE OVEN... TRULY THE NEXT GENERATION OF MICROWAVE OVENS.**

Many Records Broken - -

# Varsity Boys 1st In Invitational

Winds gusting to 54 miles per hour rendered it virtually impossible for any victory to come easy at the Texico Invitational Track Meet as area track teams literally had to battle their way across the finish line to win their events during the annual meet.

But in spite of the adverse weather conditions the Wolverines gave a good account of themselves with the varsity boys taking first with 89 points and the varsity girls finishing third with 65 points.

Justin Gaddis and Steve Turner broke the existing meet records in the long jump and high jump events, respectively. Gaddis jumped 20-3/4, easily besting the 18-11 record he set in last year's meet. Turner's jump of 6-5/8 shattered the 5-10 jump set in 1976 by Ft. Sumner.

Several visiting teams also managed to break a few records at the meet. Melrose set a new meet record in the 220 yard dash with a time of

23.2. The old record of 23.6 had been set by Texico in 1975.

Melrose also broke the 400 yard dash record with a time of 52.2. Tatum had set the 53.2 record in 1975. The visiting team continued its record breaking ways by setting another new record, this time in the 120 high hurdles with a time of 15.1. Texico's Turner set the 15.9 record in 1977.

Melrose finished the 180 low hurdles, besting Elida's record of 21.2 which they set in 1975. In the shot put event Logan broke its 1977 record of 43-5 with a toss of 45-5 1/2.

Wolverine Don Duncan netted a first place in the pole vault with a jump of 11 feet. David Cavallero and Justin Gaddis finished third and fourth, respectively, with a jump of 10-6 each.

Terry Rolan finished second in the shot put with a throw of 43-6. Joe Martinez captured another second place in the discus event with a toss of 119-8. Rolan came in fifth with

114-4 1/2.

Robert Lacy finished third in the long jump with 18-1/2. Turner's time of 15.7 was good enough to claim second place in the 120 high hurdles and Ron Kirby finished fifth at 19.5.

Keith Hadley ran the 440 yard dash in 52.9 for second place in that event. Kirby captured fifth in the 180 low hurdles with 22.2. Duwain Hill ran the mile in 5:51.1 for fifth place.

The relay teams did themselves proud as the 880, mile medley and mile relay teams all finished first. The 880 relay team of Robert Lacy, Gaddis, Turner and K. Hadley completed the course in 1:39.1. Don Duncan, James Hadley, Dusty Casey and Hill finished the mile medley in 4:18.9 and Lacy, Turner, Gaddis and K. Hadley ran the mile in 3:42.7.

The 440 yard relay team of Lacy, Gaddis, J. Hadley and Barry Goode took third with 50.2.

Coach Paul Topliff said he was "very satisfied with the results. We are running better than we did this time last year."

\*\*\*\*\*

The Wolverine girls also gave a good account of themselves, garnering two firsts, seven second place medals, one third place, two fourths and one fifth.

The sole first place honors went to Marie Steward who threw the softball 155 feet and Liz Cavallero who tossed the shot put 31 feet.

The 440 relay team of Jana Jesko, Teresa Turner, Karen Hadley and Roxanne Cherry finished that event with a time of 58.1. Tonye Harrington ran the 110 hurdles in 16.2 for second place and the 880 relay team consisting of Sandra Hungerford, Lori Harrington, Christi Harrington and Cherry finished the course in a time of 2:07. Debbie Flowers took second in the 440 yard dash

### Garner Firsts

Steve Turner, left, set a new high jump record Saturday at the Texico Invitational when he jumped 6-5/8. Justin Gaddis, center, broke his own record Saturday when he jumped 20-3/4 in the long jump. Don Duncan took first in the pole vault with an 11' jump. The Texico varsity Wolverine boys finished first in the meet.

with a time of 1:13.1 and Tonye Harrington finished second in the 80 yard hurdles with a time of 12.1. Tonye Harrington also came in second in the 220 yard dash with a 29.05 time. The 880 yard relay team finished second with 2:13. Team members include Jana Jesko, Turner, Hungerford and Pam Southard.

The mile relay team took third with a 5:04 time. Team members include C. Harrington, Debbie Flowers, Celia Johnson and Hadley. Jesko finished fourth in the 50 yard dash - 6.7 - and Karen Hadley took fourth in the 440 yard dash with a time of 1:14.6.

Jesko also took fifth in the long jump with 14-1/2.

"I am pleased with their performances," coach Kathy Culshaw said. "Everyone did a fine job."

\*\*\*\*\*

The Wolverine varsity boys and girls will travel to Eunice today (Friday) for another track meet.

## Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective April 14, 1978.

It is expected that the requested rate schedule will furnish an increase of 11.4 percent in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the Company's public business offices.

Texico Relay Winners

These eight Texico Wolverines represent the three relay teams which captured second places at Saturday's Texico Invitational. Members of the 440 relay team are, left to right, back row: Karen Hadley, Roxanne Cherry, Jana Jesko and Teresa Turner. The front row, from left, are Christi Harrington, Lori Harrington, Sandra Hungerford and Pam Southard. Composing the 880 team are C. Harrington, L. Harrington, Hungerford and Cherry. The 880 medley team is composed of Southard, Jesko, Turner and Hungerford.

Texico Runners

These Wolverine tracksters could be called the "cream of the crop" as they were members of the three relay teams which netted first place awards at the Texico Invitational Track Meet Saturday. Members of the mile medley relay team are, left to right, back row: Duwain Hill, Dusty Casey, James Hadley and Don Duncan. On the front row, from left, are Justin Gaddis, Steve Turner and Keith Hadley. These boys, along with Robert Lacy who is not pictured, compose the mile relay and the 880 relay teams.

# Jones, Walls Garner Firsts In S-E Meet

The Farwell Steers and Steerettes competed in the two-day track meet at Springlake-Earth last Friday and Saturday. The Steers, under the direction of coach Royce Baker, finished sixth with a total of 36 points. The Steerettes, coached by Larry McDorman, took fifth place with 51 points.

River Road of Amarillo and Sudan tied for first place in the boys division with 91 points each. But River Road won the title on the flip of a coin. Sudan finished second,

followed by Lubbock Christian High School, third; Springlake-Earth, fourth; and Kress, fifth.

Littlefield garnered first in the girls division with Springlake-Earth taking second and Kress capturing third. Lubbock Christian High School placed fourth and Morton, Hartley and Sudan finished sixth, seventh and eighth, respectively.

Steer Russ Jones continued his winning ways by garnering another first in the 120 high hurdles with a time of 15.3. He

also completed a jump of 5'8" to take fourth place in the high jump event.

Rowdy Chandler finished second in the mile run with a time of 5:22. D.D. Foster hurled the shot put 38'9/4" to finish sixth in that event. James Castleberry placed sixth in the 330 intermediate hurdles with a time of 45.3.

Vick Christian claimed third place in the 440 yard dash with a time of 54.6. Max Lonsdale turned in a time of 10.1 to garner fifth place in the 100 yard dash.

The 440 relay and the mile relay teams finished sixth place with times of 46.7 and 3:55.7, respectively. The 440 team consists of Mark Owen, Christian, Jones and Lonsdale. The mile relay team features Raul Garza, Christian, Owen and Jones.

Coach Baker said he was "disappointed in the overall results" of the Steers' efforts last weekend. "The relay teams did not run well," he added. "Lonsdale was hurt so I hope that explains it," Baker commented.

"We have a problem in that we run the sprint relays faster on our home field than we do at other track meets," he said. We seem to be going steadily down hill as the season progresses. We must improve to be competitive.

"There is something definitely wrong when two relay teams earn only four points," Baker continued. I am happy with the distance people and the hurdlers. They did a good job.

Even though the Steerette tracksters have few members this year - only six girls make up the team - they managed to bring home one first, two seconds, one third, one fourth and one sixth place from last weekend's meet.

Rhonda Walls garnered the Steerettes only first place in the 80 yard low hurdles with a time of 11.9. Vicki Vinton added a second place by finishing the 220 yard dash in 28.7.

The 880 relay team came in second with a time of 1:56.3 and the 440 relay team finished third with 53.7. Team members include Walls, Vinton, Gina Eubank and Yolanda Martin.

Eubank finished fourth in

the 100 yard dash and sixth in the long jump with a jump of 14'1/2".

"I think the girls did real well," coach McDorman said. "The times for the relay teams were better and the girls seem to be improving in every event. We are doing better than we did in previous meets," he said.

The Steers and Steerettes will compete in the Olton track meet today (Friday).

Some great moments in sports occurred in 1912 when Jim Thorpe scored 25 touchdowns and 198 points for the Carlisle Institute football squad. Young football hopefuls today can score some energy when they down Planters® Peanuts, which give them protein, iron and vitamins.

Russ Jones and Rhonda Walls, center, captured first places in the 120 high hurdles and 80 yard low hurdles, respectively, at the Springlake-Earth track meet last Friday and Saturday. Vick Christian, right, finished third in the 440 yard dash and Vicki Vinton, left, placed second in the 220 yard dash. Not pictured is Rowdy Chandler who came in second in the mile run. The Steerettes 440 and 880 relay teams finished third and second, respectively.

## I've gone from size 14 to size 6—and feel fantastic!

... thanks to Pat Walker's

Ethel LaLonde owns a beauty shop, had heard of many diets and tried them all—but nothing worked. She was overweight and knew it; she looked, as she puts it, "horrible."

Now she's still grateful to the friend who introduced her to Pat Walker's Figure Perfection International. For Mrs. LaLonde, the Pat Walker program provided just what she had been looking for: she lost 42 pounds and 48 1/2 inches, and went from size 14 all the way down to size 6.

In fact, Mrs. LaLonde was so impressed with the program that she now owns a Pat Walker salon. She obviously is convinced that the Pat Walker program really works.

### It can help you, too

Mrs. LaLonde appreciated the careful attention and guidance she received at Pat Walker's. Professional counselors help guide you toward sensible eating habits and supervise your treatments on the exclusive Pat Walker passive exercise unit, the Symmetricon. Both counseling and treatments, of course, are given in complete privacy. And you wear your regular street clothes for the treatments. From your first visit to one of our quiet, elegant salons, you are treated like a VSP (Very Special Person). The Pat Walker plan offers a marvelous—as well as wise—alternative to crash diets and the confusion you may encounter at spas and gyms.

### Call for your free treatment

We'd like to give you a courtesy treatment and figure analysis—without charge or obligation. All you need to do is call or come by to reserve time for your free appointment.

Junior Division - -

# Foreman, Flowers 1st In Science Fair

by Traci Gaddis

The team of Ricky Foreman and Richard Flowers took a first place award in the Junior Division at Regional Science Fair in Roswell last weekend with their project, "How Do Alcoholic Beverages Affect Plants?"

Also receiving honors were Schree Rucker, second place, with her project, "Is Untreated Water Safe to Drink?" Raymond Autrey also took second place with "How Hurricanes are Formed."

Those receiving third place awards were Carletta Fitz, "How Do We See Color;"

Montie Powell, "How Does an Internal Combustion Engine Operate?," and Mark Powell "To Mix or Not to Mix."

Receiving honorable mention awards were Billy Joe Potts, "Acupuncture-Mystery of the Orient," and Tony Cavallero, with "The Physics of NASA."

Certification to participate in the State Science Fair at Albuquerque on April 15 was received by almost all Texico students. Those who definitely plan to compete in the State contest will be decided by the first part of next week, said Mrs. Nadine Maben, high school science instructor and Science Fair sponsor.

# Scouts Selling Tickets For Scoutcraft Fair

Texico and Farwell Boy Scouts and Cub Scouts are selling tickets to the annual Scoutcraft Fair slated for Saturday, Apr. 22, from 2 to 5 p.m. MST at the Curry County Fairgrounds. Tickets are priced at \$1 each.

The local Boy and Cub Scouts selling the most tickets will receive a prize. The area Scout selling the most tickets will receive a special prize from the Conquistador Council.

Scouts from the surrounding area will participate in the annual event. Numerous booths will be set up portraying different aspects of Scouting. Demonstrations will also be planned. Awards will be presented to the groups putting on the best displays.

So if you are looking for an enjoyable way to spend a Saturday afternoon, don't fail to circle the April 22 date on your calander, remind the Scout leaders.

April 15 - -

# Texico-Farwell Lions Prepare For 'Candy Day'

Texico-Farwell Lions Club members are gearing up for "Candy Day" to be held locally and throughout the state of New Mexico Saturday, April 15. Candy Day, which is expected to become an annual event, is part of the New Mexico Lions Charitable Projects Foundation which raises money for humanitarian service.

On April 15, members of the

local Club and their counterparts in New Mexico will offer a roll of candy to a passer-by in exchange for a donation. The theme of the project is "look for the man with the yellow vest."

Current plans call for the money raised from the project to go for a two-fold purpose. About half of the money raised reportedly will go into a fund

to be used at a later date for a major statewide project, such as a state school for mentally handicapped adults.

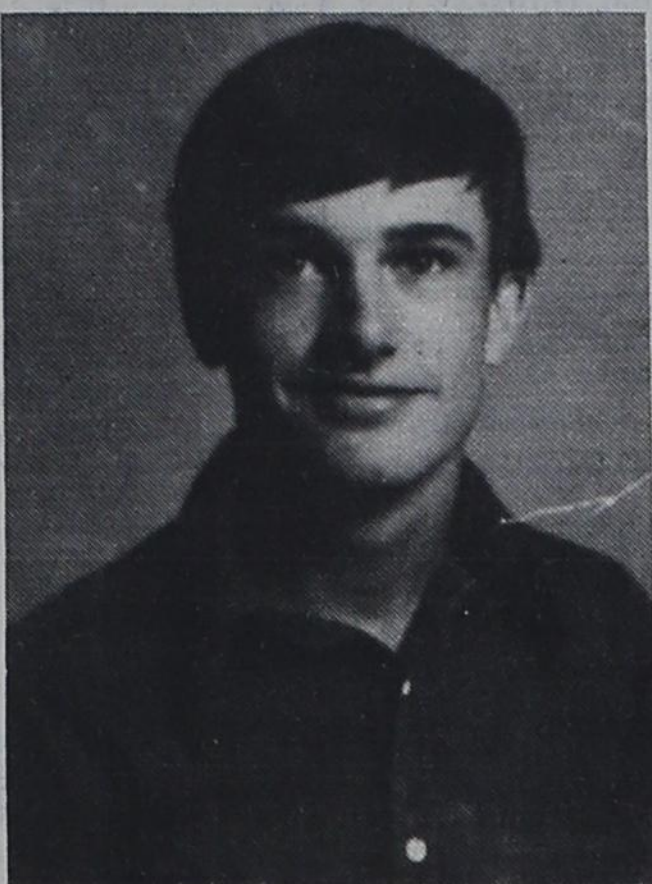

The remainder of the money

will go into a fund which would allocate grants to various local club projects around the state on behalf of individual members of Lions Clubs.

The word "bride" is derived from an ancient Teutonic word meaning "to cook."

# Student Of The Week At Texico School

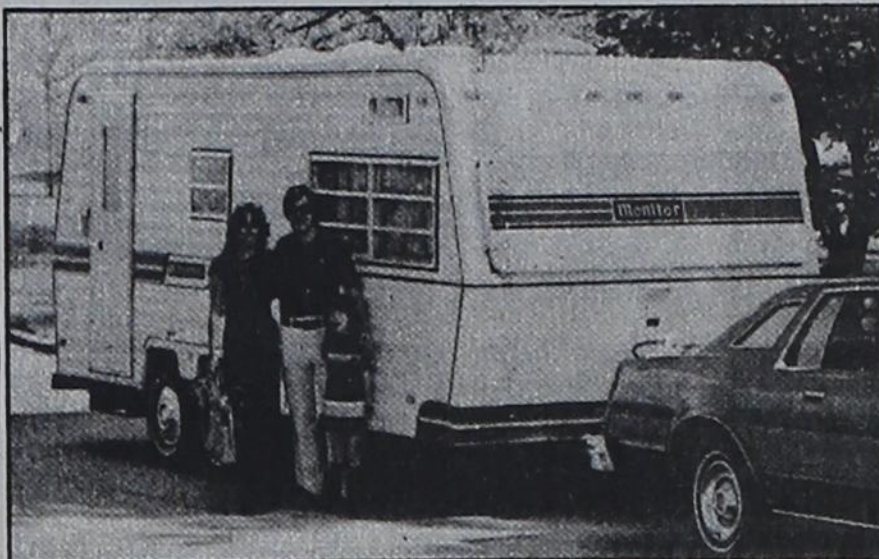

KEITH HADLEY

This week's Student of the Week is Keith Hadley. Keith a junior, is the son of Mr. and Mrs. Raymond Hadley. He participates in all sports and is the FFA Sentinel, and the 4-H president. Keith recently won three third place medals in the Twin Cities Relays at Farwell.

[Selection of "Student of the Week" made by anonymous committee.]

# this year...right here... you need 'em both

## A consistent yielder year after year

Pioneer® brand 8311 has proven itself to be a dependable sorghum under many conditions. These bred-in characteristics make it just right for planting in the Texas Panhandle, South Plains and Eastern New Mexico:

- High test weight grain
- Outstanding disease tolerance including MDMV, smut and others
- Good standability with good roots and sturdy stalks
- Outstanding height uniformity with good head exertion

## Outstanding yielder with excellent standability

This new sorghum hybrid has a superior yield record in this area. Pioneer® brand 8501 produces heavy test-weight grain and has outstanding stress tolerance. Take a look at these other characteristics that make 8501 so dependable:

- Yields well under limited irrigation or dryland
- Excellent seedling vigor and disease tolerance including smut, MDMV and others
- Uniform head height with good exertion
- Beautiful field appearance

## Get greenbug tolerance without giving up yield!

New Pioneer brand 8451 delivers top yields in its class of medium maturity sorghum hybrids. And its greenbug tolerance protects 8451 through serious infestations. This hybrid has a lot going for it in '78.

- \* Outstanding greenbug tolerance *without* sacrificing yield
- \* Good seedling vigor
- \* Good tolerance to MDMV and head smut
- \* Dries fast for earlier harvest
- \* An all-around performer, irrigated or non-irrigated

# Cooking For One Or Two Presents New Challenges

Not all of the world is tailor-made for a couple in love. Take an ordinary example like eating. The new bride soon realizes that most recipes and food items were created with a family of four in mind.

Of course, singles and the elderly have long battled the problem of cooking for one or two. But the mound of leftovers are a surprise to the bride who was used to cooking for a house full of hungry brothers and sisters.

But according to Mae Martha Johnson, Extension food specialist at New Mexico State University, cooking for two has many advantages along with the drawbacks. "For example, since you are cooking small, you can afford an occasional splurge on out-of-season fruit that a family of six could never dare," Mrs. Johnson said.

Togetherness can be another real advantage to cooking for two. Why not make cooking a joint activity for you and your spouse? This is especially good if you both work and arrive home tired and hungry. "After all, it only seems fair that if you both work to 'bring home the bacon,' you can share in preparing it for the table," the specialist said.

A simple old-fashioned idea like a menu can help solve a lot of the problems associated with cooking for two. This will give you time to find or modify recipes, buy the ingredients and plan for leftovers.

Since breakfast and lunch are often small meals for newlyweds, the nutritional make-up of the evening meal is especially important. Check your day's menu against the Basic Four nutrition guide. This tells you how much of the four food groups - meats, milks, breads, and fruits and vegetables - you need to include each day in your diet. "You need two or more

servings of meats, fish, eggs, dried beans or peanut butter. The needed two or more cups of milk can come partly from cheese or ice cream," Mrs. Johnson said.

Try to eat four or more servings of vegetables and fruits. Plan on one dark green or yellow vegetable every other day and one citrus fruit each day. Finally you'll need four or more servings of breads and cereals.

"But just blindly following the Basic Four won't do much good if the food is so unattractive that it's not eaten," the specialist said. "To make the meal a real success - think contrast. Contrast colors, textures, flavors, temperatures and food sizes."

Imagine trying to eat a meal of white fish with tartar sauce, mashed potatoes, cauliflower, white bread and milk - all served on your new white wedding china! Who cares that all groups of the Basic Four are included in this monochlor meal?

Instead contrast the colors by substituting a bright vegetable, a tossed vegetable salad with tomatoes, whole wheat bread and chocolate pudding.

Accent hot foods with a cold side dish. Put something soft on the plate if the main dish is crunchy. Also vary the shape of the foods. If you're serving round hamburger patties on round buns with round tomatoes and pickles, add carrot sticks or maybe french fries instead of little potato balls.

"Remember that desserts can be nutritious, too. Try a simple dish of fresh fruit or use milk as the basis for puddings, custards or malts," Mrs. Johnson said.

When it comes to actually cooking the food, some of your specialized wedding gifts can really come in handy. If you think your new toaster oven will only toast bread or heat

TV dinners, you're wrong. It can cook everything from the main course to the dessert and use only one-half of the electricity of a standard oven. It will also keep your kitchen cooler during the hot months ahead.

Use a double boiler to keep from scorching small amounts of soup, stew or vegetables. You can also quickly cook small amounts of vegetables by stir-frying in a skillet.

Divide cake batter into small loaf pans or make cupcakes. Freeze the extras. And remember that you can keep a batch of rich butter cookies for weeks in a tightly closed container in the refrigerator.

A large freezer section can really help small families. Use it to store meal-sized portions of meats, ready-to-cook foods and heat-and-eat leftovers.

You can use your leftovers to make custom TV dinners. Cover the tray tightly with foil

and freeze. The leftovers will seem like new if you haven't had the dish for a while. It's probably best to use these dinners within a month.

Eggs and cheese are great for small-sized entrees. Make a cheese omelet filled with leftover vegetables, or bits of cooked meat.

Now, dress up the plate of food. Although parsley is the universal trim, don't think it's the only way to add color. Use some celery leaves, pickle slices or green onions.

Finally, serve your meals with a flare. Cover the table with a colorful tablecloth or use place mats. Change the centerpieces from a bowl of fruit to a green plant to candles.

Always be on the look-out for new ways to give special touches to your twosome meals.

**Table Discussion**

State Senator Kent Hance, third from left, Democratic candidate for the U.S. Congressional 19th District was in Farwell Wednesday morning to meet with local residents. Seated at the table with Hance are Joe Hughes, left, W.M. Roberts and Shirley Gorman.

## State Sen. Kent Hance Campaigns In Farwell

A coffee and reception for Kent R. Hance of Lubbock, Democratic candidate for the U.S. Congress 19th district, was held Wednesday morning at the community room of the Security State Bank so that he might visit with local residents.

Hance said he backs the Dole-Bentson bill, adding, "I hope President Carter does not veto it." He said he is for the de-regulation of natural gas, adding that farmers are entitled to have rate increases justified to them. Hance says he sponsored such a bill in the Texas senate but it was later killed in a House committee.

He pointed out that he is for the right-to-work laws and has sponsored a resolution not to repeal 14 B.

"I am opposed to cutbacks in national defense," Hance said, explaining, "If we are not free then all the other problems we have will become

secondary."  
 "Had I been in a position to I would have voted for the B-1 bomber," he said, "Now I feel we need the cruise missile."  
 Hance said his four years legislative experience as a Texas senator will be an asset to him if elected. "I know the members of the Texas delegation who make the committee assignments and I feel this will be an advantage for me," he said.

## Muleshoe Sorority

### Sponsoring Bike Ride

Epsilon Chi chapter of ESA sorority of Muleshoe is one of many ESA chapters across the nation helping to sponsor "Million Dollar Bike Ride," a benefit for St. Jude Children's Research Hospital.

The Muleshoe project will be Saturday, April 15, and the ride of 26 miles will be from Muleshoe to Lariat and back to Muleshoe.

Persons interested in participating either as a cyclist or a sponsor may get details by calling Brenda Gulley at 481-3862 or 481-3681 or Celie Parham at 965-2694.

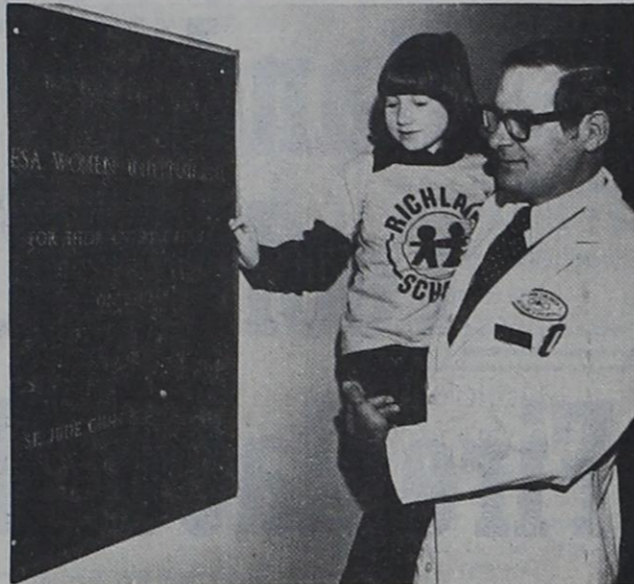

The project works this way: Riders secure sponsors (either individuals or businesses) who will pledge to pay a certain amount for every mile the

rider completes. After the ride, the cyclist collects the pledges from his sponsors and all proceeds are turned over to the children's hospital through ESA. All money must be turned in during the week after the ride. Anyone from the Farwell area may bring their money to Brenda Gulley at the Tribune.

Those wishing to ride in the event should register between 8 and 11 a.m. on April 15 at the road side park in Muleshoe.

In addition to helping the hospital, riders will also be vying for several prizes which will be awarded to those collecting the most money. The grand prize will be a savings bond donated by Muleshoe State Bank.

ESA International will award prizes of tee shirts, jackets backpacks and other items.

**St. Jude Benefit**

Proudly viewing the plaque dedicating the Fourth Floor to ESA Women International, is Dr. Alvin M. Mauer, Medical Director of St. Jude Children's Research Hospital and a young patient of the Hospital. Because of the efforts of ESA, an international leadership-service organization, over \$2 million has been raised since 1972 for the Hospital.

"Love sought is good, but giv'n unsought is better."
