Farwell Chamber Banquet Tonight

The stage is set for the 1978 edition of the Farwell Chamber of Commerce and Agriculture Banquet and the curtain rises tonight (Friday) at 7:30 p.m. CST in the Farwell Schools Cafeteria.

Rex Kyker of Abilene will be guest speaker for the occasion. Kyker was born in Texico and graduated from high school in Farwell. He obtained a BA degree from Abilene Christian University, an MA degree from the State University of Iowa, and a Ph. D. from the University of Florida.

Kyker is head of the Department of Communications at Abilene Christian University. Having taught there for 34 years he is the ranking senior member of ACU's faculty. In 1975 he was named

"Teacher of the Year." He is married to the former Christine White. The couple has three daughters and two sons.

Kyker was named "Kiwanian of the Year" in 1973. For ten years he has served as the chairman of the speakers bureau of the March of Dimes organization. He is also the past president of the Abilene Parents Club, Texas Colt League and Key City Kiwanis Club.

He served, in 1961, as the Lieutenant Governor of Division 12 of the Texas-Oklahoma District of Kiwanis International. In 1967 he was governor of the same district.

Kyker is president of the Taylor County Heart Association and is active in Boy

Scouts. He has twice been a member of the International Committee on Support of Churches in their spiritual aims.

He has made over 100 speeches each year to youth groups, civic clubs, church groups, educational organizations and American Heritage groups.

A special highlight of the annual banquet will be the presentation of the man and woman of the year awards. Jack Williams, last year's honoree, will present the man of the year award. In the absence of Mrs. E.G. Blair, her granddaughter, Jeannie Norris, will present the woman of the year award.

Chamber president Johnny Atkinson will serve as master of ceremonies. He will also recognize the outgoing directors and introduce the 1978 directors. Atkinson will also give the progress report.

Rev. Carrell Watkins, pastor of the Calvary Baptist Church, will give the invocation and the benediction will be given by Rev. Russell Martin, pastor of Hamlin Memorial United Methodist Church.

I.W. "Dutch" Quickel will introduce the out-of-town guests and Dr. Lee Clayton will introduce the guest speaker.

Ed and Juanita Hardage will provide the interlude music. The women who work at Farwell Schools cafeteria will serve the meal.

The menu will consist of tossed salad, steak, baked potato, hot rolls and butter, cobbler, coffee and tea. Fred Chandler will serve as the head cook.

The banquet will feature a western theme and the decorations will be provided by Theta Rho Chapter of the Epsilon Sigma Alpha sorority.

The 1978 directors are Lee Hutchins, Toby Booth, Jerry Monk, Otis McMillan, Paul

Annual Banquet - - Texico Chamber Tickets On Sale

Tickets are on sale now for the Texico Chamber of Commerce banquet to be held Tuesday, Apr. 25, at 7:30 p.m. MST in the Texico Schools cafeteria.

Guest speaker will be Kenneth Wyatt of Tulsa, a noted western artist and public speaker. The man and woman of the year awards will also be presented.

Tickets may be purchased from any Chamber member for \$5 each.

Garner UIL Firsts

Shawn Smith and Jan Bradshaw, center, are holding the first place trophy which the Farwell High School UIL team won Friday at the district literary contests. Shawn placed first in editorial writing and Jan finished first in headline writing. Pictured with them are Radney Robertson, left, first in news writing; Michael Boling, first in typing and spelling; and Tom Knoy, high school principal. Not pictured is Corine Ancira who placed first in persuasive speaking. These five students are eligible for the regional UIL contest scheduled for April 22 in Odessa.

Students Take First In District UIL Meet

In the traditional battle of brawn vs. brains, the brains at Farwell High School have definitely taken a giant step forward in recent University Interscholastic League (UIL) contests.

The most recent victory was taking top honors in District 3-A competition at WTSU, Canyon, last Friday. The scholastic team members garnered 132 points to best their nearest opponent, Springlake-Earth by seven points.

This is the first time for Farwell to take the district literary meet in many years. Farwell's one-act play, which won top honors last week, was responsible for 25 points of the

team total.

Five individual first place winners also contributed greatly to the total amount of scoring.

Winning first place medals in the meet were Michael Boling who won first in spelling and typing, Corine Ancira won first in persuasive speaking; Radney Robertson placed first in news writing; Shawn Smith garnered first in editorial writing; and Jan Bradshaw was first place winner in headline writing.

Dwayne Shultz finished second in persuasive speaking and number sense. Toby Curtis placed second in news writing; Jack Rose placed third in science; Clay Wil-

liams won fourth in science; and Lisa Howard placed third in poetry interpretation.

All the above-mentioned students are eligible to enter the regional competition in Odessa on April 22. Those placing first, second or third in district will compete as entrants or alternates on the regional level.

Other Farwell students placing in the District UIL events were Lisa Darby, prose reading; Clay Williams, seventh in number sense; Shultz, ninth in science; Carole Perkins, sixth in typing; Dondra Gerles, fifth in poetry interpretation; and Delia Dollar, sixth in ready writing.

Farwell Council Grants Mobile Home Variance

At its meeting Monday night, the Farwell City Council granted a variance to allow the parking of a mobile home on lots 31 and 32 of block 41 in Farwell. The area in question is the southwest corner of Avenue F and Fifth Street.

The variance was granted upon a request made by Paul Haden. Under the conditions of the variance, Haden's parents, Henry and Gertrude Haden, will be allowed to park their mobile home next to Haden's home for as long as they shall live.

In other business, Janie Bowery, city clerk, reported that several complaints have been received regarding grass and leaves which are piled next to trash cans in town. She said when these are not placed in bags, the wind blows and scatters them everywhere.

Local residents are asked to place the grass and leaves from their yards in plastic sacks before stacking them near trash cans.

Commissioner Fred Chandler reported that "the dump ground is getting to be a mess due to illegal dumping." It was stated that anyone caught dumping illegally can be fined up to \$200.

Chandler said more surveillance is needed in order to "catch the culprits." He suggested that City Marshal Ronnie Mitchell might police the area in order to help clear up the problem.

The Council also agreed to keep the dump grounds open from 4 until 6 p.m. CST every Friday afternoon for the purpose of persons who want to dump their own trash. Fees

were also raised to \$5 for a truck load and \$2 for a pickup load.

A sign will also be made announcing the new hours and the punishment for illegal dumping and will be placed at the site.

Dee Hammit, water superintendent, said that since people are beginning to water their yards, etc., it might be a good time to remind them of the new water rates which went into effect January 1. For residential use, the first 4,000 gallons costs \$4.25 with 40 cents being charged for each additional 1,000 gallons up to 50,000 gallons. A fee of \$1 per thousand gallons is charged after the first 50,000 gallons are used.

Hammit said persons sometimes are either unaware of the rates or else have forgotten them. "They tend to use

too much in watering and are surprised when they get their bills," he said.

A certified deposit for \$10,927 was re-deposited for the cemetery fund. Also to be added to the certified deposit is the \$575 worth of lots sold this year.

The Panhandle Regional Planning Commission notified the City Council that it intends to make application to the

Texico-Farwell Lions To Stage 'Candy Day'

The local Lions will join more than 3,000 fellow Lions throughout New Mexico to raise money for humanitarian services. The "Candy Day" which is expected to become an annual event is part of the New Mexico Lions Charitable Projects Foundation.

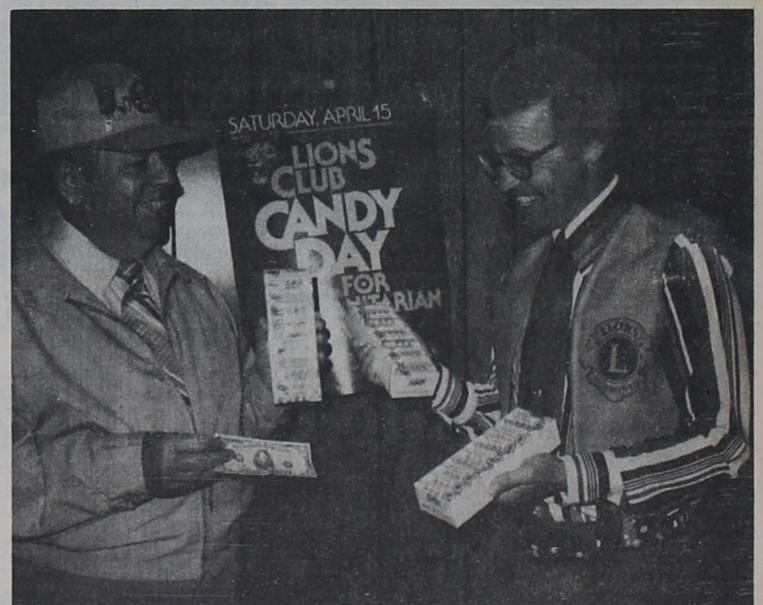

Local Lions will be stationed at both the Texico and Farwell post offices and will pass out rolls of candy. In return, they will ask for a donation for the Lions Foundation.

In addition to canvassing locally, the Texico-Farwell Lions will join the Clovis Noonday Lions and Clovis Evening Lions for part of the day to aid the two Clovis clubs with their project.

The project theme is "Look for the man in the yellow vest."

The money raised from "Candy Day" will serve a two-fold purpose. Approximately half of the proceeds will probably go into a fund to be used at a later date for a major statewide project, such as a state school for mentally handicapped adults.

The remainder of the money will go into a fund which would allocate grants to various local club projects around the state on behalf of individual Lions Clubs.

"Look For The Man In The Yellow Vest"

Members of Texico-Farwell Lions Club will temporarily turn into "candy men" tomorrow (Saturday) as they - along with 3,000 other Lions in 86 Clubs in New Mexico - will stage the annual Lions Candy Day for humanitarian services. Local members preparing for the project are W.M. Roberts, left, Club secretary, and Jerry Yows, first vice-president. Texico and Farwell Lions will stake out the local post offices and pass out rolls of candy. In return, the Lions will ask for a donation for the New Mexico Lions Charitable Projects Foundation.

New Extension Agent For Parmer County

A new county extension agent for agriculture has been named for Parmer County, effective May 16.

He is Seth H. Ralston, 24, former assistant county extension agent for Castro County. He replaces R. Mack Heald, who resigned to enter private business.

The appointment was announced by County Judge James P. Fortenberry and Billy C. Gunter, district agent for the Texas Agricultural Extension Service.

Ralston has served for the past two years as assistant county extension agent for agriculture in Castro County. He is a native of Spearman and was graduated from Spearman High School in 1972.

He received an Associate of Science degree from Clarendon Junior College, Clarendon,

in 1974. In 1976 he was graduated with honors from Texas A&M University, College Station, with a Bachelor of Science degree in agricultural education. At A&M he was active in the Collegiate Future Farmers of America and Alpha Zeta.

Ralston's hobbies are raising and showing livestock, hunting and fishing. He is a deacon in the First Christian Church of Dimmitt.

He is married to the former Anita Smith of Spearman. The couple has a daughter, Danna, who will be six in May, and a son, Wesley, six months old.

He received an Associate of Science degree from Clarendon Junior College, Clarendon,

Confucius had a number of sayings. One of the more "blue" blurbs attributed to the Chinese sage was, "Procreation is the best form of recreation." This pithy "one liner" has almost become the credo of our bleeding liberals in and out of Congress. If you don't think so, ponder on all the federal benefits that accrue to those who pursue this pastime and pass the financial burdens of the issue on to the taxpayer.

We wonder, in our more idle moments, if this may not be part of a long range plan to diminish the solidarity of the family and make it easier in the future for our Washington "Big Brothers" to regiment our society. Even a cursory look at our various totalitarian societies as they have waned and waxed in this century will show massive effort on the part of the state to diminish the influence of the family on the thinking of the young.

Certainly the "do gooders" in this country are diminishing the importance of the family in providing the necessities of life. All that is necessary today is one fertile, willing and irresponsible female and immediately the taxpayer steps in as a surrogate family. There can be any number of males involved. But apparently their services are only of a transitory nature and they are not held to any long term economic liability in supporting a "family."

Another step in this federal denigration of the role of the family will soon be mandated upon the area schools. This will be the "free" breakfast program at our local school houses.

According to a news story we recently read, a food service supervisor in the Plainview school system says 38 percent of the students in that system are eligible for the free meals program, but relative to the total number of students fed each day the ratio is higher.

In this program the applicant is not obliged to prove eligibility, but the school is obliged to prove ineligibility, an almost impossible task. With this as law we are only surprised that the taxpayer isn't feeding 90 percent of the students.

The article further says that in the course of a nine-month school year the savings to the family can amount to \$87 per student in lunch money alone. Now here is the hard part. We question how much of this \$87 went for the necessities of family life and how much went for booze, beer, pot, cigarettes, candy, sodas, bubble gum, magazines, television sets and broken down jalopies.

Appropo of most of these federally mandated programs we would say that Christian charity is not charity enforced by the tax gatherer's gun barrel and that all people should be free to do good with their own money.

These programs from the Federal government are not evidences of Christian charity but rather massive efforts to redistribute the wealth along a socialistic society ideal.

A group of chess players had congregated in the lobby of a large hotel, and each one of them was trying to outdo the others in tales of prowess in beating his opponents. This went on for a while until the hotel manager couldn't stand it any longer, and shouted: "OK, everybody out! If there's one thing I can't stand it's chess nuts boasting by an open foyer."

Texico Chamber Meets Monday

Texico Chamber of Commerce met Monday night to finalize plans for the April 25 banquet. It was also reported that work has been done in covering the water pipes in the K.K. Runnels Memorial

Park. Confirmation has also been received regarding the street signs which the Chamber ordered. It will be several weeks before they are delivered.

April Showers Bring Beneficial Moisture

According to a well-known poem, "April showers bring May flowers" — and sometimes a lot more besides. The first spring storm descended on the Twin Cities and surrounding area Saturday night, depositing approximately .40 inch of rain locally and creating tornado activity which demolished one home and damaged another farm house in the Lakeview Community.

Hale and Floyd counties and a major portion of the South Plains suffered the brunt of Mother Nature's unpredictable actions that night.

Texico and Farwell received a slow, steady and much needed rainfall Saturday night. Local residents were concerned about the tornado watch and surveyed the dark night for any signs of the funnel clouds capable of massive destruction. But none were visible this time and the Twin Cities escaped with a slight amount of rainfall.

Rain reports received from south of Farwell indicated that only a few sprinkles were received during the storm. Sherley-Anderson-Pitman elevator in Farwell reported .40 inch of moisture and Sherley-Anderson Grain Co. of Lariat received .30 on Saturday and another .10 on Sunday.

Walter Curd, a Texico resident, reported .20 of an inch of rain Saturday and .40 of an inch Sunday.

The city of Plainview was harassed by the storm for more than two hours as several tornadoes were sighted and others were confirmed late into the night.

Clovis officially received 1.30 inches and marble sized hail which caused little damage. The McAlister area was reported to have received "a hard rain" and Grady received .20 inches of moisture Saturday night.

And in quite a change of pace from the earlier 70-80 degree weather, Grady received approximately two inches of snow Sunday night.

Whatever form the moisture came in, it was most welcomed by area farmers. The rain will benefit wheat, irrigated crops and farmers who are getting ready to plant.

FIRE CALLS

Farwell Volunteer Fire Department was called to a haystack fire at the Ben Mesman farm in the Oklahoma Lane Community Wednesday of last week. They did not report any ambulance calls this week.

The Texico Volunteer Fire Department answered a call to a grass fire Thursday of last week. They did not report any ambulance calls.

DPS Trooper Investigates Accident

DPS Trooper Jim Bishop investigated an accident Tuesday morning involving vehicles driven by two Farwell men. The accident occurred at approximately 8:40 a.m. about 3 of a mile north of U.S. 70-84 north of the Farwell city limits.

According to Bishop, Otto Lingnau and Earl Wayne Pierce Jr., were both heading north on Loop 292 when the accident occurred. Lingnau

was driving a 1972 two-door Ford Torino and Pierce was driving a 1971 Dodge pickup.

The accident allegedly occurred when Pierce apparently attempted to pass the Lingnau vehicle, striking the vehicle on the left rear corner. Bishop said he issued two citations to Pierce — one for failing to pass left safely and another one for having an expired vehicle registration sticker.

Department of Health, Education and Welfare to become the full designated health systems agency for the Panhandle. The Council agreed to send a letter to PRPC in support of this plan.

Mrs. Bowery also announced that the addressing machine she has been using has quit working and is no longer capable of being repaired. After a brief discussion the Council decided to look into purchasing a re-conditioned one. Further action was tabled until the next meeting.

John Johnson expressed a desire to be hired as a full time employee in the sanitation department rather than to continue as a part time employee. This issue was also tabled until the next meeting.

The council will meet Monday, Apr. 24, at 5:15 p.m. CST.

Attending Monday's session were Mayor Walter Kaltwasser, Commissioners Johnny Curtis and Chandler, and city employees Mrs. Bowery, Hammit, Johnson, and Jack Landrum.

Changes Announced In Farm Programs

Wheat Grazing & Hay Provisions

Producers may receive payment for wheat planted for harvest as grain which they elect to graze or cut immature for green chop hay or silage. The payment will be the higher of the 1978 wheat deficiency rate or \$.50 times the farm established wheat yield times the acres for payment.

The designated acreage must be protected from erosion. Other forage crops, excluding corn and grain sorghum, may follow the wheat for grazing and hay, but not for grain or seed. These acres will not be recorded as 1978 wheat acreage and will be ineligible for 1978 deficiency or disaster payments and will be charged against the NCA.

The designated acreage must be protected from erosion. Other forage crops, excluding corn and grain sorghum, may follow the wheat for grazing and hay, but not for grain or seed. These acres will not be recorded as 1978 wheat acreage and will be ineligible for 1978 deficiency or disaster payments and will be charged against the NCA.

The acres for payment are limited to the larger of 50 acres or 40% of the total acreage of barley, corn, grain sorghum, upland cotton and wheat intended for harvest as grain in 1978, not to exceed the wheat acreage planted for

programs may revise their intention before May 1, 1978. One-half of the payment for voluntary diversion and grazing and hay acreage will be made at sign-up time based on intended acreage. These payments will be charged against the payment limitation of \$40,000 for 1978.

Example

	1977 Planted Acres	1978 Intended Acres	Yields
Wheat	200.0	100.0	40 Bu.
Cotton	200.0	200.0	500 Lbs.
Sorghum	200.0	200.0	100 Bu.
Corn	200.0	200.0	150 Bu.
Total	800.0 NCA	700.0	

The Grazing and Hay Option: 700.0 x 40% = 280.0 reduced to 100.0 since it cannot exceed the 1978 wheat acreage. Payment: 100.0 Acres X 40 B. X \$.50 = \$2000.00.

Cotton - Voluntary Diversion: 181.8 X 10% = 18.2 acres. Payment: 181.8 X 500 Lbs X \$.02 = \$1818.00

Grain Sorghum - Voluntary Diversion: 200.0 X 10% = 20.0 Acres
Grain Sorghum Required Set-Aside: 200.0 X 10% = 20.0 Acres
Payment: 200.0 X 100 Bu X \$.12 = \$2400.00

Corn - Voluntary Diversion: 200.0 X 10% = 20.0 Acres
Corn Required Set-Aside: 200.0 X 10% = 20.0 Acres
Payment: 200.0 X 150 Bu X \$.20 = \$6000.00

1978 Voluntary Diversion

Producers on farms that grew barley, corn, grain sorghum or upland cotton in 1977 now have the option for voluntary diversion in 1978 for any or all of these crops equal to 10% of the 1978 acreage for harvest.

yield times the actual acreage for harvest. The 1978 acreage for harvest of the crop with voluntary diversion will be limited to the 1977 planted acres. The total acreage of NCA crops, required set-aside, voluntary diversion and any grazing and hay acreage for wheat payment cannot exceed the farm NCA.

Any producer who has already signed up in the 1978

The payment will be \$.20 per bu. for Corn, \$.12 per bu for Barley and Grain Sorghum, and \$.02 per lb for Cotton times the farm established

Summary

	1978 Crop Acres	1978 Req. Set-Aside	1978 Vol. Diversion	Total Payments
Wheat	0	0	100.0	\$2,000.00
Cotton*	181.8	0	18.2	\$1,818.00

Soybeans	20.0	0	0	0
Totals	601.8	40.0	158.2	\$12,218.00

The total crops (601.8) plus, required set-aside (40.0) plus voluntary diversion and grazing (158.2) is within the NCA of 800.0 acres. No required set-aside under wheat since the grazing option reduced this wheat acreage to zero. *Note: Cotton shall be limited to the 1977 cotton planted acres less the voluntary diversion.

MINIMUM ACREAGE REQUIREMENT: The minimum requirement for designated set-aside is no less than 1.0 chain wide and 2.0 acres. Strips such as turnrows and skip rows are not eligible. The acreage must have had a crop harvested from it at least one out of the last three years for other than hay or pasture. The covers will be maintained through out the year. **UNAPPROVED COVER CROPS - SOYBEANS OR CORN CANNOT BE PLANTED ON SET ASIDE ACREAGE FOR A COVER CROP.**

Receives Certificate

Blake Buchenau, left, assistant Farwell junior high band drum major and Rocky Ford, drum major, are pictured with the certificate the junior high band received Tuesday at Regional UIL contest at Lubbock. The band was awarded a II in sight-reading and a III in concert. The fifth and sixth grade bands will participate in Regional UIL competition May 13.

Farwell Jr. High Band Earns II, III Ratings

Farwell Junior High School Band received a Division II in sight reading and a Division III in concert Tuesday at the Regional UIL Contest at Coronado High School, Lubbock. Farwell and Ralls were the only Class A schools represented in the contest, reports Lynn Burton, Farwell band director.

"I felt the band did an excellent job on their numbers overall," commented Burton.

According to the local band director the sight-reading judge, Richard Crain of Belton, Tex., commented that the junior high band was "a fine looking group." Crain went on to say that they were "very polite, quiet and attentive." "You make a good impression," Crain told Burton of his band.

Other schools competing at the contest were Plainview,

Denver City, Idalou, Brownfield, Friona, Lockney, Seminole, Lubbock, Muleshoe, Littlefield, and Lamesa.

Judges were Joe Mack Hill, Abilene; Jim Priest of Hereford, Herb Germer, and Crain.

Next event for the Farwell Bands is the UIL Regional Contest in Friona, May 13, at which the fifth and sixth grade bands will participate.

The annual Pops Concert is scheduled for May 18 at 8 p.m. CDT.

Hospital Dist. Board Elects New Officers

Farwell Hospital District Board met Tuesday night at the Convalescent Center to elect new officers. Pudge Rose was re-elected president and Prentice Mills was elected vice-president.

Jeannie Norris is secretary-treasurer. She was elected to that post permanently during last year's elections. Mrs. Norris, administrator of Farwell Clinic, is an employee of the Board and serves as a non-voting member.

Minister

Farwell Church of Christ

LOOKING AT THE STARK realities of life, we see the unsympathizing and uncontrolled course of life. Then, there are the never-ending difficulties and evils which cannot be fully overcome. This is the climate of futility which has helped produce the lethargy, complacency and defeatism which seem so much in evidence today.

SOME THINGS which touch our lives are completely out of our hands; we have no power over what is said and done.

THERE ARE SOME CONDITIONS, situations and happenings within our scope of power of influence about which we do not know what to do.

SOME OF OUR DECISIONS are very faulty, and lead us in unhappy ways.

ALL OF THESE HAPPENINGS are flavored with the sense of futility, but there is a better and more meaningful way; the way of faith.

THE WAY OF FAITH is the Christian way. "Faith comes by hearing, and hearing by the word of God." (Rom. 10:17).

IN THE WAY OF FAITH, we move away from despair and discouragement. The realities of life seem less stark; we can cope with the never-ending difficulties and evils; we can more graciously accept the things which are completely out of our hands; and we will be able to make better decisions.

THE SPIRITUAL VALUES of Christian faith dispel the gloom of futility.

Theta Rho Sorority Elects New Officers

Election of new officers and a ritual of jewels ceremony highlighted the Monday night meeting of Theta Rho chapter of Epsilon Sigma Alpha sorority at the home of Dot Christian.

The jewel ceremony was held for seven pledges who received their pins, making them full members. Receiving these pins were Caren Spearman, Jeannine Roanhaus, Wessie Edwards, Deb Williams, Joyce Williams, Earlene Huff, Leslie Lunsford, Judy Jones, Betty Jean Castleberry;

Judy Jones was elected president for the coming year. Assisting her will be Jeannie Norris, vice-president; Robin Gregory, recording secretary; Margaret Aycock, treasurer; Deb Williams, corresponding secretary; Diane Atkinson, Jonquil Girl and parliamentarian; and Rosa Roberts, educational director.

Margaret Aycock will host the next meeting at the community room of Security State Bank.

Refreshments were served

by Mrs. Christian to Caren Spearman, Jeannine Roanhaus, Wessie Edwards, Deb Williams, Joyce Williams, Earlene Huff, Leslie Lunsford, Judy Jones, Betty Jean Castleberry;

Also, Rosa Roberts, Ann Liethen, Nell Walling, Lillie Christian, Robin Gregory, Jeannie Norris, Maxine Williams, LaMoin Williams, Diane Atkinson, Doris Ford, Dardandella Helton and Margaret Aycock.

Annual Art Show Set In Clovis

Clovis Junior Women's Club is sponsoring its annual art show on Sunday, April 23, at the showroom at Doc Stewart, Inc., 2500 Mabry Drive, Clovis.

The show will be from 12:30 to 5 p.m. MST. The public is invited and refreshments will be served.

Artists from all over the area have been invited to participate by showing their paintings and sculpture. Everyone is urged to come by and see this display of fine art works by area persons.

Personal Notes

Claire McFarland, a student at Midland College, Midland, Tx., visited during the weekend in the home of her parents, the John McFarlands, in Farwell, Claire, a member of the college golf team, will be graduating May 13.

Mr. and Mrs. Joe Helton of Texico spent from Tuesday through Sunday in their home at Ruidoso.

Mrs. Duane Herington of Plano visited last week in the home of her mother, Mrs. Dickie Magness, and with other relatives and friends in the Farwell area. She returned home by plane Sunday afternoon.

Baptists Set Special Music

First Baptist Church of Farwell is sponsoring a special musical program this Sunday, Apr. 16, at 6:30 p.m. CST, and invites everyone in the community to attend. Presenting a program of favorite hymns and gospel songs will be The Royalheirs of Amarillo, a highly regarded singing group.

Golden Circle Class Meets With Mrs Day

The Golden Circle Sunday School Class of the Texico First Baptist Church met April 4 in the home of Nora Day. After prayers were said, refreshments of sandwiches, cheese snacks, ice cream and cake were served.

Ruth Reid played tapes of music and the scripture readings were from James 1:13-14, and First Corinthians 10:13.

It was announced that Bernice Thigpen would provide the flowers for this month for the class meeting room. The class has a collection of wash cloths, lap robes and waste baskets to be delivered to the Farwell Convalescent Center. Those present were Mrs.

Reid, Mrs. Thigpen, Mrs. Minnie Hagler and Mrs. Day, teacher and hostess.

Hospital Notes

Mrs. Pete (Tommie) Fulcher was admitted to the hospital in Muleshoe on Monday of this week for medical attention. She hoped to be released by the end of the week.

Mrs. Herman (Alta) Geries remains hospitalized at Clovis Memorial Hospital after undergoing surgery there last Wednesday.

R.D. Dale of Farwell is hospitalized at Muleshoe after suffering an apparent heart attack last Saturday morning. His condition was some improved at mid-week and it was hoped he would be dismissed from ICU by the end of the week.

Some used to say piercing a lime causes love pangs in one's beloved.

Convalescent Center Chit Chat

As Reported by the Center Staff

Rev. H.L. Whittenburg, pastor of the Oklahoma Lane United Methodist Church, conducted worship services Sunday afternoon.

Thelma Kittrell attended a family reunion in Roswell over the weekend. Approximately 50 attended. All of Thelma's children were there except for one son from California. She says she enjoyed the visit with her nephew, Joe Wigley, also. Several sisters, nieces, and other relatives also attended. Thelma traveled to Roswell with her daughter and son-in-law, Mr. and Mrs. Bill Craft.

Visiting Lela Carpenter this week was her son John Carpenter of Hobbs. Anna Hill enjoyed an outing with her daughter Lawanna Trantham. Minnie Nelson has recuperated enough to go home. Everyone misses her, especially her roommate Annie Callahan.

Maude Wilson has a shiny new black eye. It seems she was helping a visitor's baby to walk when they both took a tumble. The baby was not hurt but Maude received a black eye.

Bob Hix, "Pop" J.R. Walton and Willie Shields have been playing dominoes so much they have nearly worn the spots off the pieces. Since no one keeps score they all come out winners.

Ruby Hulse had an exciting day Sunday. The women of the Sunday School Class at the Farwell Church of Christ came to get her for class and services Sunday and then they took her out to lunch.

Everyone was saddened by the loss of Ann Humphrey.

Floe Copeland, activity director, said they all appreciate the ladies Sunday School Class

of the First Baptist Church in Farwell who brought a large bath mat to be used in the whirlpool bath room.

Christa Gohlke went to St. John Lutheran Church in Lariat with her son Hubert Gohlke. Later she visited Mary Mesman. She said she certainly enjoyed seeing all the lovely keepsakes the Mesmans have from Holland.

Auxiliary members are reminded of the meeting at 2:30 p.m. CST today (Friday) in the dining room.

Floe's Quote: "If thou thinkest twice, before thou speakest once, thou will speak twice the better for it." William Penn. Mrs. Copeland said the quote was taken from "Early American Wisdom," a book belonging to W.W. Vinyard, a resident at the Center.

Mother Dies

Funeral services for Ethel Sevier of Littlefield, mother of Mrs. Bill Bourlon of Texico, were conducted Wednesday at the First Christian Church in Littlefield. Mrs. Sevier died Tuesday morning.

No other information was available at press time.

Scouts Selling 'Fair' Tickets

Tickets to the annual Scoutcraft Fair are being sold in Texico and Farwell by local Scouts. The annual fair is scheduled for Saturday, Apr. 22, from 2 to 5 p.m. MST at the Curry County Fairgrounds. Tickets are \$1 each.

A prize will be awarded to the local Boy or Cub Scout who sells the most tickets. The area Scout selling the most tickets will receive a prize from Conquistador Council.

Scouts from the surrounding area will participate in the event. Booths will be set up to depict all aspects of Scouting and demonstrations will be planned. The Scouts putting on the best display will receive an award.

West Camp Community Prepares For Contest

The West Camp Community held its monthly family night get together Saturday at the community center. Host couples were Mr. and Mrs. Eugene Shaw and Mr. and Mrs. Lloyd Stephens.

Ernest Ramm, community vice-chairman, conducted a business meeting during which new officers were elected. New officers include Joe

Simmacher, chairman of the community; Robert Hunt, vice-chairman; Nelda Hunt, secretary-reporter; and Mary Alice Ramm, treasurer.

It was announced that the judges for the community improvement project will be at West Camp May 9. A community coffee break will be held from 9 to 11 a.m. that day for all community mem-

bers who are interested in attending.

In order to prepare the Center for the contest a workday has been set for April 21. Everyone, men and women included, are asked to reserve this day. All volunteers are also asked to bring a sack lunch, paint rollers, an "a lot of elbow grease."

The West Camp Community voted to have a bazaar in November featuring displays of handmade articles. Future plans will be announced at a later date.

Table games and visiting followed the business session. Refreshments of pie, coffee and punch were served.

Attending were Messrs. and Mmes. Joe Simmacher, Leldon Phillips, Willis James, Barry Wilson and Brandon, Robert Hunt, Tory and Curtis, Eugene Shaw and Darin and Lloyd Stephens. Also present were Louise Roark and Alan Beazley.

The next family night is slated for May 13.

Brownies, Junior Scouts Stage Annual Banquet

Texico-Farwell Brownies and Junior Scouts held their annual Father-Daughter banquet Tuesday night at the fellowship hall of Hamlin Memorial United Methodist Church.

Brownies of Troop 385 presented a play entitled "Cinderella."

Awards and badges were presented to individual Scouts, and Troop 159 received its Sign of the Arrow. In order to achieve this, Sherry Curtis, leader, said the girls had to complete eight projects. They included helping with the Farwell Convalescent Center "rock and roll jamboree," Christmas caroling in the Twin Cities, making ornaments and donating a tree to the Center and the Senior Citizens at Texico, writing essays which were printed in the paper, teaching games and new songs to new Brownies, learning about Hawaii, and making soap carvings.

The Sign of the Arrow is a symbol of direction and discovery. The girls of Troop 159 are also working at home on their own to earn individual badges, Mrs. Curtis said. As a Troop they are also working on the active citizen badge.

Other awards were Pam Whitson, first year Brownie B patch; Dana White, Sherri Curtis, Laurie Harper, all

second year Brownie B patches.

Awards for selling cookies in the recent Girl Scout Cookie sale were presented following the banquet meal. The girls received either posters, patches, certificates, t-shirts, camperships or a combination of several or all of the awards.

Receiving awards in Troop 159 were Renee Bartley, Sheryllyn Thigpen, Gracie Ortega and Rhonda Lingnau, DeAnn Curtis, Twila Donaldson and Bobbi Parker.

Troop 143 honorees were Sherri Curtis, Laurie Harper, Sharon Myers and Dana White.

Those receiving cookie awards in Troop 385 were Kelly Anderson, Sissy Ausburn, Cody Burch, Kelley Foster, Amy Gulley, Lee Ann Harper, Amy Johnson, Tomell Knoy, Marla Marsh, Kerri Parker, Dee Ann Ray, Shannon Smith and Shelley Smith.

Special thanks are extended to Nancy Knoy and Patti Hall who assisted with Troop 385 and Troop 159, respectively, said Dianne Smith and Pauletta Curtis, Brownie Leaders.

All friends and relatives of Carolyn Meeks and Dean Hardage of Farwell are reminded of the couple's wedding Saturday, Apr. 15, at 3 p.m. CST at the Church of Christ of Farwell.

Parents of the bride-elect are Mr. and Mrs. Lee Meeks of Sun City, Ariz. former Farwell residents. Mr. and Mrs. Truitt Hardage are parents of the prospective bridegroom.

Visit Relatives

Mrs. Earnestine (Ma) Schooling, Mrs. Dorothy Gast and Kent Gast, all of Farwell, returned recently from a week-long trip to visit relatives. In Dallas they visited Mrs. Schooling's granddaughter and great-grandson, Cheril Weaver and Andy. They accompanied the Farwell trio to Houston where they visited Mrs. Schooling's grandson, Randy Pace, and her niece, Jo Ann Parker.

In Galveston they visited Mrs. Gast's brother-in-law and family, the L.H. Gasts, and a nephew and his wife, Mr. and Mrs. Douglas Gast.

Hard Travelers

These three young men, known as the Hard Travelers, will present a family-type musical program at Farwell School auditorium this Saturday night starting at 8 o'clock. The group from Lubbock Christian College is being sponsored by the Farwell Senior Class. Admission is \$2 for adults and \$1 for those 12 years of age and under.

of LCC, and from the Hard Travelers, we hope you'll enjoy the group and we hope to leave a message that Christian education is for you!

LCC's Hard Travelers for the 1977-78 school year are David Barnett, Kirk Williams, and Bobby Joliff.

David is a sophomore youth ministry major. His parents, the John Barnetts, reside at 532 Spears Dr. in Hobbs, N.M. David has been a member of the Good Time Singers, the Meistersinger Chorus, Koinonia Social Club, and Music Masters.

Kirk came to LCC from Tulare, Calif., where his parents, the Russell Williamses, live at 921 Cardoza. Kirk is a freshman majoring in biology. He is a member of Alpha Chi Delta social club.

Bobby is a freshman speech communications major. His parents, the Bob Joliffes, reside at 5572 E. Saginaw in Fresno, Calif. Bobby is a member of Alpha Chi Delta social club.

LCC Singing Group Here This Saturday

"The Hard Travelers" singing group from Lubbock Christian College will appear in concert tomorrow night (Saturday) at 8 p.m. CST in the Farwell School auditorium. The family program is being sponsored by the Farwell High School senior class.

Admission prices are \$2 for adults and \$1 for children 12 years of age and under.

From Los Angeles to Philadelphia, the Hard Travelers have been spreading good will

for Lubbock Christian College since 1966. A decade of good music has been enjoyed by thousands of young people across the nation in the traditional quality that has become a trademark of the Hard Travelers.

Farwell's own James Hobbs was a member of the group at one time.

Under the direction of LCC's Admissions Office, the group annually travels in excess of 30,000 miles to provide entertainment for youth rallies, banquets, high school assemblies and nearly any other gathering of young people.

Recording an album each fall and extensive cross-country tours in the spring are two of the highlights of the Hard Travelers' year. For the guys, however, the greatest reward is meeting the people who enjoy their music. Feel free to talk to any of the Hard Travelers about Christian education, LCC, music, or anything else.

Son Born To R. Ketchersides

Mr. and Mrs. Ricky Ketcherside of Farwell are parents of their first child, a son, born Friday, April 7, at a hospital in Portales.

The new arrival, who has been named Nicolas Kyle, weighed seven pounds, 10 ounces, and was 20½ inches in length.

Maternal grandparents are Mr. and Mrs. Joel P. White of Farwell and paternal grandparents are Esther Ketcherside of Farwell and Jack Ketcherside of Clovis.

Among the great-grandparents are Mr. and Mrs. W.T. Magness of Farwell and Mrs. Bess White of Amarillo. Mrs. Mamie Magness of Edinburg, Tx., is great-great grandmother.

Hukills Attend WTSU Activity

Mr. and Mrs. W.D. Hukill and daughters, Paula and Dana, were in Canyon Sunday to participate in activities sponsored by Phi Delta fraternity of West Texas State University for new pledges and their families.

The Hukills' son, Wes, a sophomore at WTSU is a Phi Delta pledge this semester.

After a luncheon for pledges and families at a Canyon restaurant, the local family visited on campus and toured the Phi Delta lodge. Mrs. Hukill also attended a mother's meeting at which accomplishments, aims and goals of the fraternity were discussed.

Farwell Convalescent Center Auxiliary and Alvenia Cox, auxiliary member, have been nominated for the annual Texas Center for Volunteer Action Awards, reports Floe Copeland, activity director.

TCVA recognizes the quality of volunteer performance in Texas and the person or group of persons making such volunteer contribution (s).

Award presentations will be made during the annual Texas Volunteer Conference to be held in Austin May 11-12.

All nominees will receive a Certificate of Appreciation. A special plaque with the Texas Volunteer symbol on it will be awarded in four categories.

The first category concerns the volunteer who has provided broad and exceptional leadership to a cause, program or project which ministers to human needs and has advanced the whole realm of volunteerism.

In the second category the

volunteer who has excelled in length, quality, and spirit of service to others will be recognized.

The third category concerns the group of volunteers which has been instrumental in designing or creating an innovative project or program to benefit or meet community needs, and in doing so, has demonstrated extraordinary initiative and originality.

Fourth or special category is for the paid staff person within a public or private organization who has contributed in a substantial way to the encouragement and nurturing of volunteerism.

The following is quoted from the letter Mrs. Copeland mailed to TCVA concerning Mrs. Cox:

"Alvenia Cox is Farwell Convalescent Center's greatest volunteer. She is 73 years old and puts an excess of 30 hours volunteer time each week here at the nursing home. She arrives promptly at 9:30 to deliver the daily mail, helps gather up the patients for exercises; devotional or whatever is scheduled that morning. She waters the flowers in the lobby and all the patient's rooms, visiting each patient along the way. She helps get the dining room ready by setting the tables, pouring the drinks and bringing the patients to the dining room.

"After lunch she helps clear off the tables and stack dishes. Then if we have anything special such as weekly bingo sessions, birthday parties, outings etc. she helps with the preparation and then once again helps push 30 or more wheelchairs to the dining room

or stops by each room to remind the patients to come for the event. Of our 55 patients, many are bedfast or wheelchair bound and if it were not for Alvenia's kind attention they would not get to participate in many things..."

"No one knows for certain how many hours Mrs. Cox has donated to the Center because she refuses to let her good works be recognized. However, it is believed that her volunteer hours total over 1500."

Mrs. Copeland also had this to say about the Auxiliary as quoted from the letter she mailed to the TCVA:

Farwell Class Of '73 Plans 5-Year Reunion

Farwell High School class of 1973 has slated their five-year reunion June 3 at the Running Water Draw Park, six miles north of Clovis on the Grady Highway.

An all-day picnic will be held between the hours of 9 a.m. and 5 p.m. CST. The picnic is open to all graduates, their spouses and children.

Those attending are asked to meet at the back section of the park and to bring a picnic lunch for their family. Soft drinks will be furnished.

If bad weather prevails the

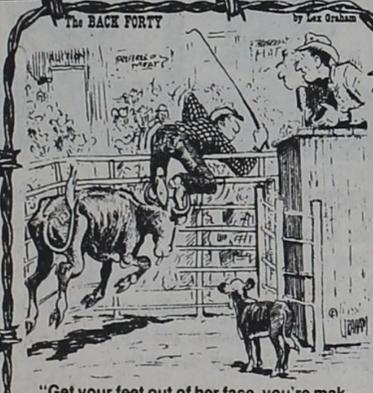

"The Farwell Convalescent Center Auxiliary was formed a year ago in February, 1977. It has 34 active members. In the past year more than 3,000 hours of volunteer time has been given the nursing home.

"These ladies come every day, usually two in the morning and two in the afternoon. They pass juice and coffee twice daily to our 55 patients. They have helped with numerous occasions and special events, the 'Rock and Roll Jamboree' in which \$668.95 was raised for the American Heart Association, being the latest..."

reunion will be held at the Oklahoma Lane Community Center.

Organizers of the reunion are asking for help in locating the following graduates: Pam Chadwick Erwin, Debra Flowers, Dexter Garner, Delvin Dupuy, Johnny Hernandez, Mark Perry, Feliz Loera, Carol White, Tina Lovata, Jeffrey Garcia, Ricky Garcia, Susie Garza, Debra Ketcherside and Linda Hart. Anyone knowing their whereabouts are asked to contact Steven Kaltwasser, 825-3684, or Harold Jones, 825-3303.

Steers, Steerettes Compete In Olton

Farwell Steers competed Friday in the Olton Track Meet, placing seventh out of 19 teams. The Blue and White earned 38 total points. The Steerettes finished 16th out of 23 teams.

Farwell speedster Russ Jones captured the 120 high hurdles with a 15.2 run, tying the existing Farwell record. He also placed third in the 330 intermediate hurdles with a time of 41.4.

Max Lonsdale took second in the 100 yard dash, tying his best time of 10.2. Vick Christian turned in his best time in the 440 yard dash. His 53.1 run was enough to secure third place in that event.

Rowdy Chandler also ran his best time in the mile run - 5:09.5 - to earn fourth place.

The 440 relay team placed fifth with a time of 45.5. Team members who ran their best time were Mark Owen, Christian, Jones and Lonsdale.

"I was pleased with the Olton meet," coach Royce Baker said. "We went there to compete which is more than we did last week at Springlake-Earth."

Steerette Rhonda Walls garnered third place in the 80 yard low hurdles with a time of 11.5. According to coach Larry McDorman, "She is improving every week."

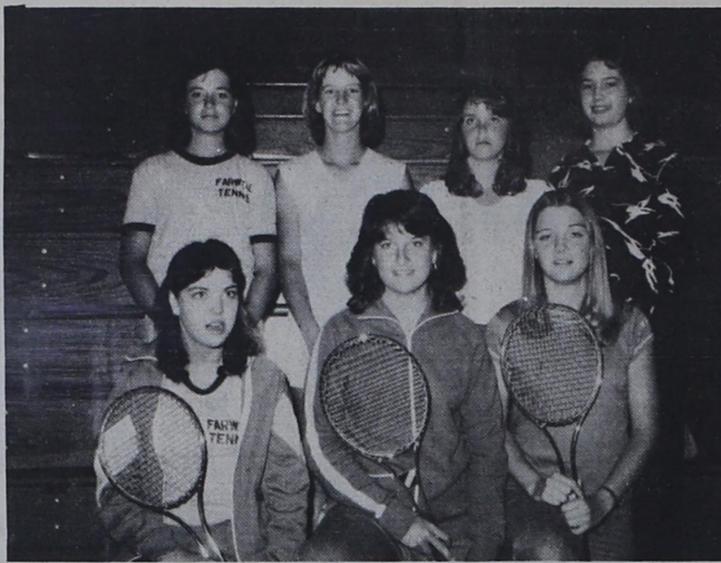

Both the 880 and the 440 teams placed sixth with times of 1:54.4 and 53.4. Team members include Walls, Vicki Vinton, Gina Eubank and Yolanda Martin.

"It was a tough meet because of all the Class AA teams competing," McDorman said. "But the girls qualified both relay teams and Rhonda qualified in the hurdles. Gina ran well in the 100 yard dash preliminaries with a time of 11.9."

The Steerettes will be competing in district at Bovina this Friday and Saturday along with the junior high girls teams. Preliminary events will get underway at 2:30 p.m. Friday with field events to begin at 9 a.m. Saturday and finals in the running events to get underway Saturday afternoon.

Coach McDorman asks all track fans to be on hand to give encouragement to the teams in the district event.

The Steers will be participating in the Amarillo Relays this Friday and Saturday. District competition for the high school and junior high boys will be at Bovina on April 21 and 22 with the same schedule of events as for the girls meet.

Farwell Tennis Winners

These seven Steerettes competed in district tennis action Saturday at Hart. The top winners who will advance to regional competition in Odessa April 21-22 are from left, front: Karyn Blain and D'Lynn Eubank, second in doubles; and Jamey Berry, first in singles. Back row, from left, are Gina Eubank, April Coffman, Jana Berry and Lisa Howard. Gina and Jana finished fifth in doubles; April won third in singles; and Lisa won second in singles in the junior division.

Farwell Jr. High Teams Finish Low In S-E Meet

Farwell Junior High track teams faced their first track competition this past weekend at Springlake-Earth. The 7th girls placed seventh with 29 points and the 8th girls finished fifth with 73 and 1/2 points. The 7th Yearlings earned 16 points and the 8th Yearlings amassed 24 points.

Individual scorers for the 7th girls are as follows: Sandra Coates placed third in the high jump with 3'9" and finished sixth in the 220 yard dash with a time of 32.8.

Jennifer Williams came in third in the 100 yard dash with a time of 13.4 and finished fifth in the long jump with 12' 7 1/2".

Sandra White placed fifth in the shot put with a throw of 23' 6 3/4" and fourth in the

discus with a toss of 63' 1". The 440 relay team of Kenda Hager, Kelley Davis, Williams and Coates finished fifth with a time of 63.3. The 880 relay team placed sixth with a time of 2:22.4. Team members include Davis, Williams, Hager and Coates.

Davis jumped 22' 5" in the triple jump to claim sixth in that event.

For the 8th girls Karen Magness finished second in the high jump with 4'. The 440 relay team claimed third with a time of 58.5. Members of the team include Tracy Williams, Donna Meeks, Karen Magness and Ginger Ellison.

Janene Berry picked up a third place in the 440 yard dash with a time of 69.6. Ginger Ellison had 25' 10" in

shot put to claim fourth place in that event. She earned another fourth in the 220 yard dash with a time of 30.5. In the long jump Ellison had 13'8" for fifth place.

The 880 relay team finished fourth with a time of 2:09.3. Team members are Williams, Meeks, Kay Geuther and Ellison. The mile relay team of Janene Berry, Darissa Ford, Sharon Kalbas and Magness finished fourth with a time of 5:23.8.

Meeks came in fourth in the 100 yard dash with a time of 13.1 and placed sixth in the discus with a throw of 63' 4 1/2". Johanna Mesman took second in the 1320 yard run with a time of 4:53. Geuther placed fourth in that event

Three Steerettes Advance To Regional

The Farwell Steerettes tennis contenders did all right for themselves Saturday during district competition at Hart.

Jamey Berry, senior, captured first place in the senior girls singles division and April Coffman, junior, finished third. To take first Berry defeated Susan Clayton of Springlake-Earth, 6-0 and 6-1.

D'Lynn Eubank, senior, and Karen Blain, sophomore, defeated Averitt and Catano of Hart for second place in the senior girls doubles division. The scores were 2-6, 6-1 and 6-3.

Eubank, Blain and Berry will advance to regional competition April 21-22 at Odessa.

In other district tournament action Gina Eubank and Jana Berry defeated Vega for fifth place in doubles with scores of 6-0 and 6-1.

In the junior division sophomore Lisa Howard finished second in the singles division. "We played pretty well,"

coach Bob Askey commented, "But some of the girls were off their game a little."

Tomorrow (Saturday) the varsity and junior varsity boys

will compete in district competition at Hart.

The junior high district tennis tournament is slated for May 13.

Final Tryouts Set For Little League

Final session of tryouts for Little League baseball teams will be tomorrow (Saturday) at 10 a.m. CST at the Lions Ball Park. Tryouts were to begin Thursday afternoon after school.

All boys and girls planning to try out for Little League should bring a parent or guardian to the ball park with them. Each child is also asked to bring his birth certificate and \$1 to cover the cost of insurance.

Those trying out for Little League must not reach their 13th birthday before August 1.

Farwell Steers, Steerettes Take District Golf Lead

After one day of competition the Farwell Steers and Steerettes are leading in District 3-A golf. The first 18 holes were played Tuesday at the Farwell Country Club. The final 18 holes were to be played Thursday at Vega.

The Steerettes shot 424, followed by Vega with 455, Springlake-Earth, 480 and Hart, 492.

Penny Hughes was best scorer for the girls with 89. The Steer golf squad had a 337 after the first day of play. Other district scoring includes Vega, 346; Bovina, 350; and Springlake-Earth, 429.

Ronnie Carey of Bovina was low scorer in the boys tournament with 79.

Coach Don Alana commented that both the Steers and Steerettes were "doing a good

job so far."

The 1978 edition of the Steers golf squad consists of Rowdy Chandler, Robin Roberts, Tim Norton, Keith Herington and Rusty McFarland. The team is the same as last year's regional qualifiers with the exception of McFarland who took the place of Vick Christian who elected to concentrate on track this year, according to Coach Alana.

The boys junior varsity team is composed of Kayle Watts, Randy Herington, Van Lillard and Kyle Kelley.

The Steerettes for 1978 are Penny Hughes, Lisa Hughes, Robin Vinton, Dondra Geries and Kim Marsh. P. Hughes has played on three state champion teams and L. Hughes was part of the Steerettes squad that took

state honors last year for the third time in three years. Vinton, Geries and Marsh performed on the JV girls golf team last year.

Since there are not enough girls to form a JV team this year Alana said that Carole Perkins and Corine Ancira will play as singles.

Tornado Season Here - -

Area Residents Urged To Become Informed

In many parts of the United States the 1978 tornado season has already begun. Approximately 20 tornadoes were sighted in Florida in January - that state's record for the month. Tornadoes usually move through Alabama, Georgia and Mississippi during February, March and

April, and in June and July they strike Texas, Oklahoma and Kansas. In the fall, tornadoes usually move across the Midwest. Even though the tornado season in Texas is reportedly weeks away, local residents were busy Saturday night watching dark, overcast skies

and threatening clouds for the first sign of a funnel. Tornadoes did touch down in the Panhandle and South Plains Saturday night causing property damage. Should the Twin Cities be in eminent danger of a tornado, the volunteer fire departments of both Texico and Farwell

will sound the warning whistles. Texico's tornado signal consists of one full cycle followed by another full cycle with no pause in between. The signal actually sounds like one "long continuous wail." Farwell's tornado alarm also consists of one full cycle of the regular 5-blast signal followed by another complete cycle.

Once the alarm is sounded, residents are urged to take cover in the nearest basement or other suitable shelter. The four designated sites in Farwell include Farwell Elementary School building, the county courthouse, Sherley-Anderson-Pitman elevator and Worley Mills elevator.

However, no designated shelters exist in Texico. In case of a tornado Texico residents without a basement or other protected facility in which to seek shelter would have to travel to Farwell's shelters. At one time the old hotel building and Golden West Seed Company were designated shelter sites in Texico.

Designated shelters also exist in other communities in Parmer County. The following list furnished by the office of County Judge Paul Fortenberry was compiled in 1973.

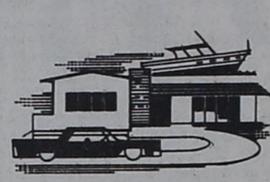

Designated shelters in Bovina are Sherley Grain elevator and Macon Grain elevator. Official sites in Lariat and Lazbuddie are the Sherley-Anderson grain elevators. Friona has four sites: Friona Wheat Growers elevator, Continental Grain Company elevator, Friona Junior High and Friona State Bank. Black has two shelter sites, Black Grain elevator and Tri-County elevator.

Last year 850 tornadoes were spotted on the ground in the United States. According to the National Weather Service in a story in the April 2 issue of the Amarillo Globe-News; it was a mild year. This year is not expected to be as gentle.

Part of the prediction is based on the activity of the strong western winds sometimes referred to as the jet stream. In the Western Hemisphere, these winds steer the weather systems. The jet stream in 1977 brought unusually warm, moist air north to Alaska and cool, dry Canadian air south to the Midwest. This year, according to meteorologists, the jet stream generally lies across the southern half of the country.

Classic tornado weather consists of moist air near the ground, dry air above, and a wind disturbance moving through the upper atmosphere. "Tornado Alley" is the section of the United States where most tornadoes occur. That area extends from Texas through eastern Kansas, then southeast through the South. Per square mile, more tornadoes are reported in Oklahoma than in any other state.

Little Dribblers - -

Farwell All-Stars Lose In Double Overtime

Farwell Little Dribblers All-Stars were defeated by the Bovina All-Stars - for a second and final time this season - last Thursday at Farwell gym. The major team All-Stars lost 36-35 in a closely fought double overtime game and the minor team All-Stars were clipped 33-29.

Farwell's major team was behind by seven points at the half. They managed to tie the score, then inched ahead but at the end of regular play Bovina came back to tie the score. From then on it was a see-saw battle with Bovina finally emerging with a one-point margin.

Coaches Eddie B. Smith and J.W. Eubank said they "were pleased with the boys and felt they did a real good job." "Two of our boys fouled out and that hurt us," Eubank

said. "But they were in there all the time playing their hearts out."

Scoring points for the major team All-Stars were Alan Eubank, 12; Manuel Cantu, 8; Dustin Winter, 7; Jesse Coburn, 4; and Todd Christian and Roger Robertson, 2 each.

Scoring points for the minor team All-Stars were Steven Jaime, 8; Blake Kelley, Kevin Owen and Andy Hughes, 4 each; Eric Williams, 5; and Billy Knoy and Roger Dial, 2 each.

"They played great over all," commented coach Jerry Dee Owen. "They really burned up the court."

Little Dribbler activities did not end with the Bovina defeat. The All-Stars again saw action this past weekend at the Littlefield tournament.

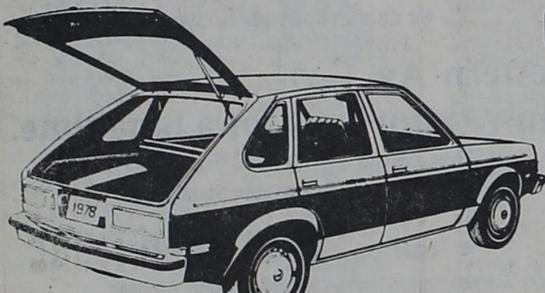

The major team tackled Hale Center Saturday, losing 38-30. Scoring points were Alan Eubank, 16; Manuel Cantu, 10; and Roger Robertson, 4.

"We came within six points of them at one time, but it wasn't enough to win," Eubank said.

"It was hard for us to play against one of their real tall boys," he continued. "I think we did pretty well because at one time we were behind 16 points."

The minor team All-Stars blasted Sudan, 25-17 last Friday, but Hale Center came back to clip them 31-22, Saturday. Individual scores were not available.

"They played well, but in the third quarter of that last game they just ran out of gas," coach Owen said. "We had an eight-point lead and lost it."

Texico School Board Approves New Budget

Texico School Board met Tuesday night with Arlye Crooks, vice-president, presiding in the absence of D. Smith Day, president.

The 1978-79 budget was accepted, including an approximately 12 percent salary increase for faculty and staff.

Per diem pay for teachers and school personnel was raised from \$24 dollars a day to \$30 per day. This action includes teachers meetings

etc. Milage allowance was also increased from 12 cents to 15 cents per mile.

Salaries of substitute teachers without degrees was raised from \$21 to \$24 a day and substitute teachers with degrees will be paid \$28 per day rather than \$24 a day.

The Board also voted to have Texico Schools use the Regional Service Center in Roswell. The cost will be approximately \$500 a year.

Texico will be allowed to use the Center's materials as needed.

Texico will also make application to the state department of education for a resource room for both the high school and junior high for next year. James Pierce, superintendent, said they currently have such resource rooms but according to state law they must re-apply each year in order to be able to maintain the facilities.

Master Councilor

Bryan Pulz, right, was installed as Master Councilor of the Clovis Chapter of DeMolay Wednesday evening, April 5, at the Masonic Hall in Clovis. Congratulating Bryan are his parents, Mr. and Mrs. Gerhard Pulz of Clovis. Installing Officer was A.C. Bryant assisted by Chick Taylor, Sr., Phil Snider, James Rucker, Brian Miller and Jerry Fowler. A reception at the Hall followed the installation ceremonies.

Farwell School Sets Equalization Board

Farwell School Board met Monday night to re-organize following the April 2 election.

Gilbert Kaltwasser, Ted Magness and Wilbert Kalbas were re-elected president, vice-president and secretary, respectively. Other school board members attending were Joe Hughes, Doyle Ford, Jim Walker and Billy Mayfield. Also attending was W.M. Roberts, superintendent.

The 1978-79 student list of transfers was approved.

Others attending the meeting were Tom Knoy, high school principal; Jerry Yows, elementary principal; Dorris White, Karolene Inman, Nelda Askey, and Don and Nancy Alana.

Bids were also accepted for athletic equipment for next year.

The May 9 meeting of the Board has been re-scheduled for May 1 because the athletic banquet has been slated for May 9.

Attending besides Pierce and Crooks were Roy Richardson, Herman Gerries and Ronnie Curry. Also attending was Joann Edwards.

Commissioners Court Accepts Three Bids

Parmer County Commissioners Court accepted a bid in the amount of \$5,492.62 for a new car for the Sheriff's Department. The automobile will feature a 460 V-8 engine and tinted glass.

Commissioners also accepted two bids from Deckard Equipment Company for one used Caterpillar Model 12E Motor Grader which will cost \$13,752.00, and one used International Model H50 G Loader which will be purchased for \$3,852.00.

expenses to Ralston rather than pay a set travel allowance as has been done in the past.

Weldon Moody of the Department of Highways and Public Transportation, met with the Court to discuss "his radio situation." He was asked to investigate the cost of purchasing the radio he needs. The matter was tabled pending the outcome of Moody's findings.

The Court also canvassed the votes cast in the April 2 election and approved the quarterly report.

In other business the Court decided to purchase a certified deposit in the amount of \$18,250 for Revenue Sharing #3 for one year. Another CD for \$17,000 is to be purchased for Farm-To-Market #3 for a period of six months.

Bill Gunter, area extension agent, introduced Seth Henry Ralston of Dimmitt, the new county agent for Parmer County, to the commissioners. Ralston will assume his new duties May 16.

Commissioners also agreed to pay actual pickup travel

expenses to Ralston rather than pay a set travel allowance as has been done in the past.

Farwell Students In Statewide Testing

Farwell High School juniors and seniors who have been selected at random to take the statewide tests as part of the Texas Assessment Project will be taking the tests Tuesday, Apr. 18, says Tom Knoy, high school principal.

The Assessment Project, which has been the subject of some controversy of late, is a program whereby the state is trying to determine the level of learning of students in

certain age brackets. This is the first time for Texas to have a project of this nature although several other states are involved in similar testing.

Local schools were required to list students in the different age brackets, then students from each school were picked at random to take the tests. Knoy pointed out that only junior and senior students are affected.

A pound of fertile garden soil may contain as many as 50 million bacteria.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

DISCIPLES AND APOSTLES
"And when it was day, He called unto Him His disciples; and of them He chose twelve, whom also He named apostles" (Luke 6:13).
Many people fail to distinguish between our Lord's disciples. They suppose they are the same. This is incorrect, however, for our Lord had a multitude of disciples while He had only a few apostles. His apostles were chosen from among His disciples, as we learn from the above passage from Luke's gospel.
A disciple is a follower; an apostle is a "sent one." A disciple is a learner; an apostle is a teacher. There is a great lesson here for us all to learn.
We must come before we can go. We must follow before we can be sent. We must learn before we can teach. We must listen to the Lord before we can speak for the Lord.
"Thus saith the Lord," was the familiar phrase with which the Old Testament prophets began their messages. But at the head of the long list of Old Testament prophets we find Samuel, a young lad, saying: "Speak Lord, for Thy servant heareth" (1 Sam. 3:9).
Before we can do or say anything for God, then, we must listen to God. This explains why the reading and study of the Word of God is so important.
First, salvation itself comes by hearing and believing God's Word, especially about Christ, and His death for our sins. Rom. 10:17 says: "Faith cometh by hearing, and hearing by the Word of God," and 1 Pet. 1:23: "Being born again, not of corruptible seed, but of incorruptible, by the Word of God, which liveth and abideth forever." Then, having been saved, we can serve God acceptably only by diligent study of His Word. Perhaps the most important passage in the Bible on this subject is 11 Tim. 2:15: "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of Truth."

Lazbuddie 4-H Members Tour County Courthouse

Lazbuddie 4-H Club members toured the Parmer County Courthouse in Farwell for their regular meeting after school Monday, April 10.

A guided tour was made to the Extension Service offices on the second floor where they visited the office of Laura Jacobs, Assistant County Extension Agent, and the office secretary, Mrs. Susan Johnson.

They visited the District Courtroom. Mrs. Dorothy Lovelace explained the work done by the District Clerk, Mrs. Dorothy Quickel, and her office.

The Sheriff's office dispatcher showed the different office machines needed to relay information for all the law enforcement officers in the county. Part of the jail was seen.

County Clerk, Mrs. Bonnie Warren showed her office and the 4-H members were impressed by the volumes of books needed to keep county records. Hugh Moseley, County Tax Assessor-Collector, gave a brief history of Parmer County. He explained the duties of his office in assessing

and collecting county and state taxes, vehicle license registrations and voter registrations.

To conclude the tour, County Judge Paul Fortenberry conducted a mock trial. Four-H members took part in the trial. A jury selection and their swearing in was demonstrated. Taking part in the trial were Frank Jesko, Lezlie Smith, Randy Jacobs, Shonda Mitchell, Sue Collins, Wanetta Templar, Lisa McGehee, Maureen Jesko, Shane and Sean Mason, Carlton Jacobs, Scotty Mitchell, Clinton Russell, and Jim Gowing.

Other Courtroom visitors were Shannon Weaver, Amy and Kevin McGehee, Sheldon Mason, Laura Jacobs, Billie Mason, Sherry Russell, Darlene Collins, Joyce McGehee, Jimmy Briggs, and Ettie Jesko.

All the Lazbuddie 4-H Club members want to thank each and everyone in conducting the very informative tour of the Parmer County Courthouse.

Next meeting of the Lazbuddie 4-H Club will be Monday, May 8, in the school cafeteria.

Texico's This, That And The Other

By Teresa Doolittle and Cindy Taylor

Recently the Sheep and Swine class of Texico took a field trip to B&D Hog Company in Clovis and graded hogs.

The judging teams did not participate in the District Judging at Portales and have also cancelled their plans to attend the state meet this week because of too many conflicts.

The first grade has two new students, Jack Britton from Amarillo and Heath Boone from Palestine, Tex.

The intensive office classes are studying careers and how to complete application forms.

The 5th, 8th, and 11th grade students took Comprehensive Tests of Basic Skills two weeks ago.

The Kindergarten designed and constructed their own kites. They flew their kites last Wednesday afternoon.

Play practice for the juniors is underway. Their play "Girls Are Better Than Ever," is scheduled for April 18.

TDA Asks Texas Homemakers To Share Favorite Recipes

AUSTIN--Agriculture Commissioner Reagan V. Brown invites homemakers with favorite recipes using Texas agricultural products to share them with others throughout the state.

"Anyone having recipes utilizing quality Texas farm products may submit them to the Texas Department of Agriculture for publication in the TDA Quarterly, a magazine devoted to the agricultural producers and consumers of the state," Brown said. "For the upcoming issue we are

particularly interested in recipes using peanuts, turkey, strawberries and melons."

Recipes for the Summer, 1978 Quarterly must be received by May 15. Send to: Commissioner Reagan V. Brown, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

If you are a home sewing enthusiast, the warmer weather we're having has probably inspired you to look for new patterns and fabric for spring. Here is a spring calendar for you:

April: Feeling a little short on money after taxes? Sewing is a good way to stretch the family clothing budget. Make summer cottons for yourself and other family members.

May: Now is the time for playsuits, shorts, even a swimsuit. Did the diet you started in January help?

June: Better start sewing for vacation garments. Don't forget a beach bag in the gay

summer print. Store winter clothes, clean out closets and discard items not worn. Remember, if you have not worn it in a year or two, you probably will not!

July: Watch for summer sales. Think about fall fashions. Read the new pattern books. Think about fall fashions!

What's the fashion forecast for spring? Indications are for a nostalgic look. Looser, freer, less tailored styles. Slacks are clean and uncomplicated and closer to the body. Skirts will be fuller and longer.

Have fun planning your spring-summer wardrobe!

Clean-Up Crew

These persons were among those who showed up for a hard day's work at the Lions Ball Park Saturday. Several others who were on hand for the clean-up project left before the picture was made. From left are Richard May, Eddie B. Smith, Randy Kelley, Betty Jean Castleberry and Joe Hughes. In front are Blake Kelley and Andy Hughes.

Ball Park Clean-Up Almost Completed

Clean-up, fix-up activities at the Lions Ball Park were almost complete at mid-week after workers spent the day Saturday cleaning and preparing the fields for the coming weekend's Little League try-outs.

A small group of persons were on hand Saturday with rakes, shovels and various other equipment to assist with getting the field ready so that new surface material may be put on the infields sometime this week.

Among those pitching in on the day's activities were Joe,

Gwen and Andy Hughes; Randy and Blake Kelley; Eddie B. Smith; Richard May; Jimmy, Betty Jean, James and Lezlie Castleberry; and Jerry D. Owen and Kevin.

Special thanks were extended to the following persons or businesses for use of their equipment, personnel and time in getting the fields in shape for the coming season: J.W. Eubank, Bill Autrey, Clovis Ford Tractor Co., Border Equipment, Spears Hauling, Eastwood Construction Co., Oran J. Autrey and family,

Eddie B. Smith and Western Ag Sales Co.

Betty Jean Castleberry, president of the Little League Association, expressed thanks and appreciation to all who have helped in any way.

SWCD News

There are more benefits of minimum tillage than meets the eye, according to Charles Hough, Farmer County farmer.

Hough has been practicing minimum tillage since 1973. He has been happy with the overall yields of crops on the farm and the lower production costs, with the use of minimum tillage.

Practicing minimum tillage has provided (1) needed moisture for sprouting of seed, (2) labor savings, (3) fuel savings, (4) savings on machinery costs, (5) protection from wind erosion and water erosion.

Hough says, with these advantages he plans to keep practicing minimum tillage.

**Lori McMeans
On Honor Roll**

Lori D. McMeans was recently named to the Vice-President's Honor Roll at the Mid-Continent Campus of Texas State Technical Institute, according to Lovell A. Pillow, General Manager of the Amarillo Campus. Membership to the Vice-President's Honor Roll is attained by maintaining a 3.5 grade average.

Lori is majoring in Interior Design Technology and is the daughter of Mr. and Mrs. Darrell Norton of Farwell and is a graduate of Farwell High School.

Minimum Tillage Machinery

Charles Hough, Farmer County farmer, is pictured next to the minimum tillage machinery he has been using since 1973. Since adopting this method, Hough said he has been pleased with the "overall yields of crops on the farm and the lower production costs."
