BTD plans move along

As usual, Border Town Days' work is proceeding smoothly. Groups are being lined up for the parade and Day in the Park activities.

In fact, our lineup was completed last week for the entertainment at the gazebo. We have a super cast of singers this year. More will be announced starting next week.

And when you add to that the queen's contest, featuring seven young ladies from Texico and Farwell, plus the medieval knights who will put on a show - WOW!

The knights also will be in the parade, along with the antique cars and tractors, Shrine clowns, bands, etc. It will be a fun parade this year. And the neat thing is that it's all free.

Just joking - we all know that nothing in life is free. That's why we sell our BTD buttons for donations of \$2 apiece. Those funds help finance our show.

And, by buying a button, you have a chance to win \$50! Go for it!

Remember, BTD is a break-even proposition. It costs more than \$3,000 to put on - and our aim is to raise that exact amount of money. So please help our efforts.

And as you tell from the back page of today's Tribune, we will have an exciting Merchants Giveaway again this year. Thirty-eight local businesses are participating.

If you're a local merchant who hasn't signed up yet but wishes to do so, please come by the Tribune and see me.

Also now available are the barbecue tickets from members of the Texico-Farwell Rotary Club.

The Rotary barbecue is one of the great traditions of Border Town Days. Thanks to Walter Hughes and his crew, this tasty treat again will be available to fill your tummies.

Besides the barbecue, there will be a lot of other snacks available - just check out the concession list in the other BTD story in today's Tribune. Something for everyone!

So you can see, it once again looks like a super time for local families. While the old folks visit, the kids will enjoy the games, the CAKE train, the moonwalk, the goodies.

A couple of special notes to remember:

- Hamlin Memorial United Methodist Church has given permission for elderly and/or handicapped folks to park their vehicles on the church lot to watch the big parade.

The minister there gave his okay after it was mentioned that some senior citizens wanted a special area so they could watch the parade.

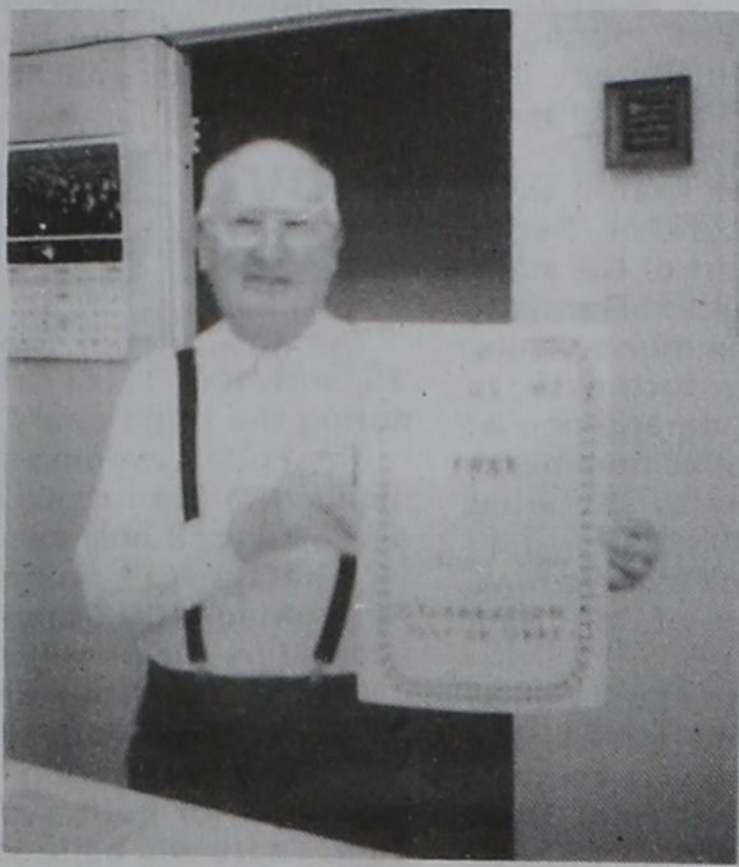

- We always set up an area where handicapped folks can park their vehicles after the parade. It's in back of the Parmer County Courthouse near the old jail. That way they have a very short distance to walk to the park for the entertainment at the gazebo.

- When you come to BTD, please bring something to sit on - a lawn chair, a blanket, whatever.

From Teresa Mesman:
Enrico Niemczewsky, the foreign exchange student who was hosted by Wilbur and Mary Kalbas this year, will leave to go back home to Germany on July 19.

Enrico captured the hearts of many families in Farwell and Oklahoma Lane during

BTD Merchants' Giveaway starts

A multitude of Twin City businesses will be participating in the 14th annual Border Town Days Merchants Giveaway program to be held in conjunction with the annual BTD celebration on July 29.

This year's giveaway will take place throughout the afternoon of the Saturday festivities at Farwell City Park. To enter, you must be at least 12 years old and you must be present to win. Drawings start at 12:45 p.m.

Any merchant who hasn't been contacted but wishes to participate should call BTD Chairman Mike Pomper at 481-3681 by Tuesday.

Each participating business has a box in which customers may register for the prize to be given away by the merchant. Some merchants are having more than one giveaway.

A person may sign up once each time he is in a store until July 27, when the boxes will be picked up and taken to the park for the drawings.

A list of where all the boxes can be found in the ad on the back page of today's Tribune.

Drawings will be held from each individual merchant's box and the person whose name is drawn will be allowed several minutes to claim the prize. If the winner doesn't show up to claim the prize within the allotted time, another name will be drawn so that all prizes are awarded that afternoon. It is essential that a winner be at the park to hear when his name is called. No entrants can win more than one prize each, thus allowing for more winners.

No purchase is necessary at any of the participating merchants in order to register for the many prizes. Boxes were placed at the participating merchants the afternoon of July 13. Following is the list of participants and the prizes they are giving away. Some prizes will be announced later. Participants are:

BTD giveaway

Here's the new 1995 pickup truck that will be given away at Border Town Days this year. Tickets cost \$20 and are available from local businesses or members of the Farwell Volunteer Fire Department.

Bicycle contest registration starts

All area youngsters are reminded that registration starts Monday for the Border Town Days Decorated Bike Contest. Youths must sign up at Texico City Hall.

This year offers a nifty incentive: Ted Lopez, of Tedson Trailers in Texico, is donating a brand new bike to the winner of "Best of Show" - the bike judged as best decorated regardless of age category.

This year's BTD theme is "On the Road - Ways of Travel." It is very important to follow the theme since that is a large portion of the judging.

The three judges are Clovis residents. Also, an anonymous donor has provided funds for cash prizes in each category.

"Everything is ready at Texico City Hall for registration," said Linda Moss, who is in charge of this year's bike contest. She is being assisted by Joy Stanton.

The registration deadline is 3 p.m. July 28.

Mrs. Moss said that youths planning to enter the decorated bike contest in the parade need to register, giving their name and age, to be eligible for the cash prizes.

The contest will be held an hour before the Border Town Days parade on July 29.

No motorized bikes are allowed in the contest. All riders must bring their decorated bikes to Anderson Street (between Texico City Hall and the flea market - across the street from Citizens Bank) by 9:45 a.m. Texas time and line up for the judging there.

Texico police will be on hand to escort youths across Wheeler Avenue, if needed.

The portion of Anderson Street where the judging will take place will be closed to vehicular traffic.

"You must be on time or you will not be judged," said Mrs. Moss.

She added, "Contestants need to be sure to stick to the theme (On the Road - Ways of Travel) if they're going to be counted. The judges will be looking for adherence to the theme."

Other rules are:

- All participants ride in the parade (their folks can go with, too, if they wish) and must continue to Farwell City Park. There they can park their bikes in a bicycle rack across the street from the park and in back of the First Baptist Church of Farwell. Riding bikes in the park during BTD is not allowed.
- You must be present at the park to receive your cash prizes if you win. Winners will be announced when the program begins at the gazebo at 1 p.m.
- There will be two judging divisions:
- Division A: Best decorated bike, ages 7-12.
- Division B: Best Decorated bike, ages 6 and under.
- All contest participants will receive a ticket for a free ride on the CAKE train.

Farwell Band Director Pat Henry announced that the Farwell Band will participate in the Border Town Days Parade on July 29.

All band students in grades 7-12 are encouraged to participate.

"We practiced a little bit at the end of the school year with some songs that all of the students can play," said Henry.

Because of the advanced preparation, the band will not meet until the day of the parade. They will practice from 9 a.m. until parade time.

A bus will be provided to take participants to the start of the parade route.

If band members need to check out a school owned instrument, they should come at 8:30 a.m., said Henry.

Those participating are asked to wear school colors - blue and white.

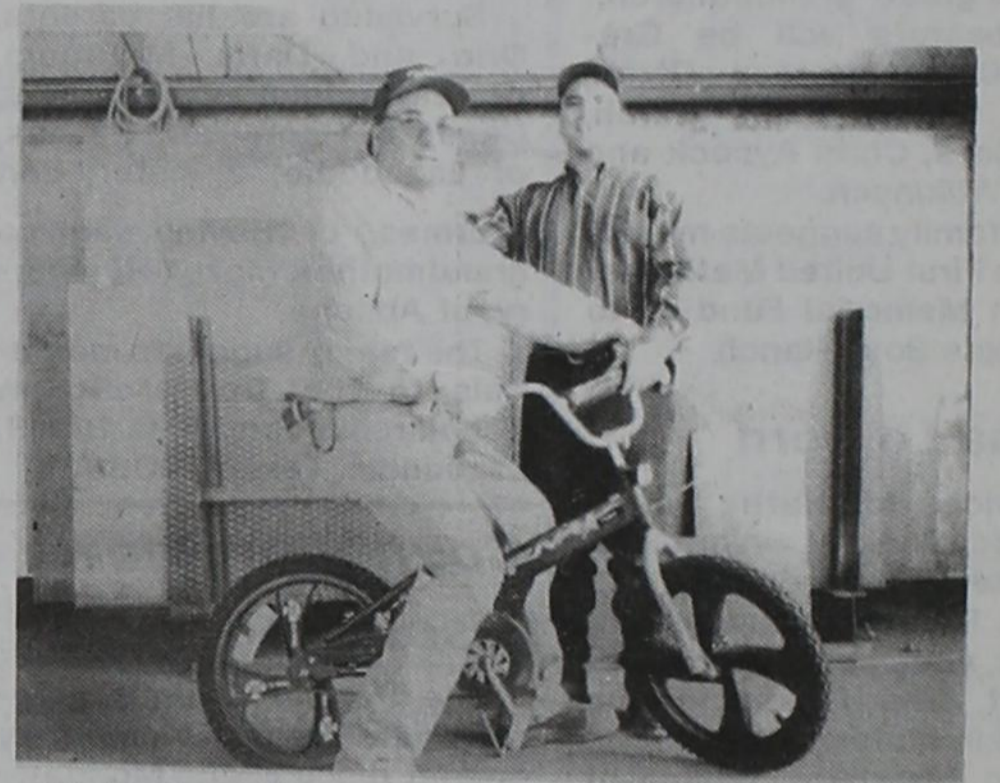

Texico plans band rehearsals

Texico Band students will have summer rehearsals in preparation for the Border Town Days parade, announced band director Robert Simmons.

Rehearsals are scheduled July 26, 27 and 28 at the Texico band room from 9 to 10:30 a.m. mdt.

Band students who will be in grades 7 through 12 will participate.

"These are short rehearsals and students are asked to come to as many of those three days as possible," said Simmons. "And we're going to have refreshments each day."

Ted and Teddy Lopez, owners of Tedson Trailers, Texico, have donated a brand-new bicycle to the winner of "Best of Show" at the Decorated Bicycle Contest at Border Town Days on July 29.

Other rules are:

A high-speed car chase, with speeds in excess of 100 miles per hour, occurred in the area last Friday.

The chase started in Lazbuddie and ended near Cook's Truck Stop in Clovis. It included Parmer County Sheriff Rex Williams shooting out the two front tires of the suspect's car 5 miles east of Farwell, and the stopping of the vehicle near Cook's.

Arrested was Christopher Stephens, 20, of Fort Worth, on charges in New Mexico of aggravated assault, evading a police officer, and reckless driving and criminal damage.

Once Stephens is returned to Parmer County, Williams said Texas charges will include aggravated assault on a police officer. And Williams also will ask what Stephens was doing in the Lazbuddie area.

Williams said the incident started at Glen Scott's general store in Lazbuddie where Stephens allegedly caused a problem after getting some gas and waved a gun.

Williams said Stephens has been in a drug rehabilitation program in the Fort Worth area.

Parmer County Deputy Tracy Bridges tried to stop Stephens east of Bovina. Also involved in the chase was Bovina Police Chief Leon Saddler. Police from Texico, Clovis and Curry County also were involved.

Williams was riding in a police car driven by deputy Gary Blair when he used a shotgun to hit the two front tires of Stephens' GMC Blazer. For awhile, Stephens was driving in the eastbound lanes of the divided highway toward Clovis.

Stephans surrendered without a struggle.

his stay here and he will be truly missed.

Enrico ever missed a beat in getting involved with the school, community and church.

He played basketball and ran track for Farwell High School. He was a standout student and made excellent grades.

Perhaps what was even more special about his involvements here, was how dedicated he was to his American church home and family. St. John Lutheran Church and its youth group will always have a place for Enrico.

He brought new meaning to the words "Chocolate Bars." It was a line made famous by him during performances of the St. John Lutheran Church puppets. He has been a very special influence on many of the young children at the church.

Federal aid for Parmer rejected

Parmer County Judge Bonnie Clayton reported July 7 that the request by the Texas Division of Emergency Management (DEM) for additional federal assistance for 15 counties, including Parmer, has been denied.

Parmer's request was due to the tornado that struck Friona last month.

DEM officials were to meet over the weekend with Gov. Bush to discuss trying a different approach to get federal assistance to counties adversely affected by the late spring weather system that caused extensive damage to infrastructure and private properties.

Marshal's Report

Here is the weekly report from Texico Marshal Gil Holguin:

A charge of aggravated battery with a deadly weapon was filed against a juvenile boy in the BB gun shooting of a Texico juvenile boy last week.

Holguin noted that both police units sustained windshield damage during the high speed chase last Friday (see story on Page 1).

Holguin said he found a .357 magnum pistol in the vehicle after the car was stopped. The driver stopped it near Cook's after police began firing into the vehicle.

No drugs or alcohol were found.

It was incorrectly stated in last week's Tribune that

Jerry Ford, 46, Farwell, was arrested on a charge of open container in Texico July 1.

He was not arrested. Ford was cited by the Texico marshal's office and got a ticket for the charge of open container.

The Tribune apologizes for the error.

Youth dies in accident

Troy McBroom, 19, a 1994 Lazbuddie High School graduate, died Sunday morning after a one-car rollover near Bovina.

The accident occurred at 7:15 a.m. on FM 2290, 1 1/2 miles west of Bovina. FM 2290 is commonly called the "Pleasant Hill road" because it connects the Pleasant Hill area and Bovina.

McBroom was driving a 1993 Mazda westbound when he apparently lost control of the car. He veered off the road.

Parmer County Sheriff Rex

Williams said state highway patrol handled the accident. The vehicle rolled over several times, coming to rest on its top.

He was wearing a seat belt. McBroom was taken to Parmer County Community Hospital, Friona, where he was pronounced dead by Justice of the Peace Vi Hutto, of Bovina.

Commonly Asked Questions About Breathe Right® Nasal Strips

1. What is the Breathe Right nasal strip?

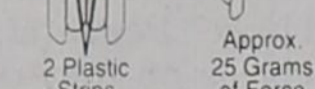

It is a new, FDA-cleared-to-market OTC device. This small adhesive strip features a special backbone that mechanically (and comfortably) opens nasal passages and allows easier breathing, which may result in improved sleep quality and less daytime sleepiness.

2. Who can benefit from this product?

Breathe Right nasal strips are a safe and effective way to relieve nasal congestion/obstruction associated with: Allergic Rhinitis (seasonal or chronic), Snoring, Deviated Nasal Septum, Congestion of Pregnancy, and patients with potential Drug Interaction Conditions.

3. How does it work?

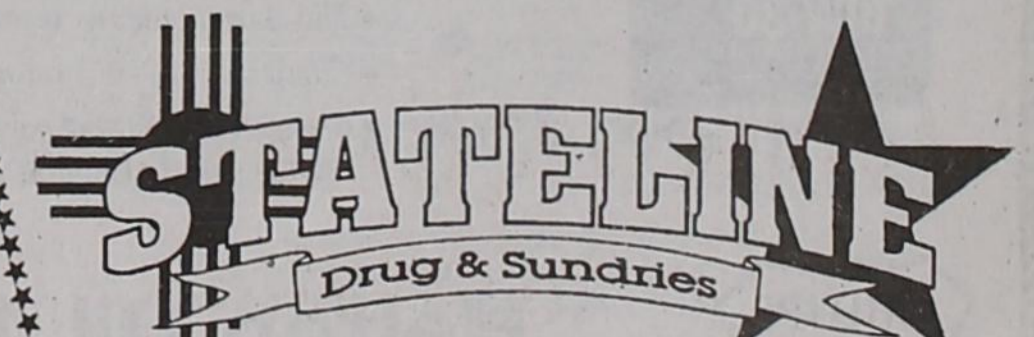

The Breathe Right nasal strip is completely mechanical in function - it's totally drug-free. As shown in the diagram at the left, each strip is lined with two parallel plastic strips. On the underside is a special adhesive that, when properly placed across the bridge of the nose, gently "grabs" the soft area above the flare of each nostril. As the plastic strips straighten, they provide approximately 25 grams of pulling force, which carefully lifts and opens the nasal passages.

Approx. 25 Grams of Force

How does it work for snoring?
Nasal congestion/obstruction has been shown to interfere with sleep by causing disruptive, restless sleep and by increasing snoring. If a customer's snoring is nasal in origin (leading to mouth breathing), Breathe Right nasal strips can have a positive impact and reduce or eliminate snoring volume. Note: It may take 7 to 10 nights for snorers to retrain themselves to close their mouths while they sleep.

The girls tried on crazy hats in the hobby shop at "Texas."

The Border Town Days Committee Monday had its final meeting before this year's big event.

All in all, everything is on schedule for the Twin Cities' fun day.

Committee reports were given:

This is Phillips' 7th annual benefit dance for the Farwell Convalescent Center.

Tickets are \$5 in advance and \$6 at the door. Tickets are available at Rip's Western Wear, the Beauty Box, State-line Drugs and Hughes Auto Parts.

- Lynne Mahaney noted that 24 booths are signed up so far for the arts and crafts fair, including one that will sell live hermit crabs, as pets.

- Mike Pomper reported that the merchants giveaway has 38 participants, same number as last year. Boxes go out July 13.

- Pomper also reported on the gazebo schedule, which has filled up. More details will be announced next week.

Groups sign up for BTD events

Border Town Days is getting closer.

There's still time to sign up for the various activities.

All Texico-Farwell groups (and let's not forget Pleasant Hill and Lazbuddie) are invited to participate. This year looks like it will be super, with a complete range of events planned.

Here's a roundup so far:

Concessions

Cynthia Thigpen is taking reservations for concessions at the Day in the Park. She can be contacted at Farwell City Hall, 481-3620. Signing up so far:

- ESA Sorority - tea and lemonade.

- Texico-Farwell Rotary Club - barbeque.

Arts & Crafts

Lynne Mahaney reports that 24 booths have signed up for the arts and crafts show so far. Folks wishing to sign up for a booth are asked to call her at the Farwell post office, 481-3601, or write her at P.O. Box 471, Farwell, TX 79325.

Queener appointed to city council

Rick Queener was appointed to the Texico City Council Tuesday.

He replaces Carolyn Burrows, who resigned last month.

The appointment is good until the next city election.

Queener, 28, is co-partner with his father in operating the To and From Bus Co. His wife is Tammy.

In other business, the council:

- Heard that both city police cars were damaged during the high speed chase last week (see story elsewhere in today's Tribune).

- Heard that Vonnie and Billy McIntosh have contacted attorneys about their complaint of the way an adjacent mobile home has been set up. City Attorney Marion Ty Rutter and Mayor Nathan Tharp plan to meet with the McIntoshes and their attorney.

- Heard Tharp report that background checks are being made on some of the 24 persons who have applied for the third police officer's post.

- Approved a new light at the swimming pool.

- Plans to have some gravel spread on the streets.

- Discussed Corrine Ortiz's request to move an old building that needs work to 501 Wheeler Ave. (next to the flea market). Old and new clothes and other items would be sold.

Councilman Oran Jay Autrey will visit with her about the cost involved in fixing up the building and report back to the council before a decision is made.

- Heard Autrey suggest that a possible answer for the school system's seeking to spend a special state grant on an ag farm is to expand the current ag farm area. School Supt. R.L. Richards will be asked to attend the next council meeting.

The school board is seeking an area close to the city. Another site they are investigating is the north end of the Skaggs property.

Parade

Leigh Ann Woods, at the Kirkland & Crozier CPA firm, is in charge of lining up entrants for the parade. She can be contacted at 481-3321.

The parade theme is "On the Road - Ways of Travel." Cash prizes are given the top floats. Here's a look at this year's parade lineup so far:

Fire Calls

Accidents can happen to anyone.

One occurred Monday night involving a gas meter - and a tricycle.

A 5 year old boy pushing his tricycle smacked into a gas meter and suffered head cuts.

He was taken by Texico ambulance to Clovis hospital. On July 8 at 7:33 p.m., the Texico ambulance went to

500 5th St., Farwell, where an elderly lady was reported ill. She was taken to Clovis hospital. This was a mutual aid call.

On July 6, Texico fought a grass fire on the Tom Grady place southwest of Texico.

The Farwell ambulance was called at 10:50 p.m. on July 7 to 408 Sixth St. to take a person to Clovis Hospital.

Farwell Convalescent Center Chit Chat

By Debbie Parmer

Hope everyone had a nice 4th of July. We had our watermelon treat. It was delicious. Some residents had 2 or 3 bowls before they had their fill. I think all enjoyed it.

We have been having much fun playing dominos and 42 recently. We have several residents who enjoy these games and can play them well. We can usually get two tables at a time going. This is really great! If any of you would like to come join your family members for a game of 42 or dominos, please feel free to do so.

I want to mention Mary Mesman for a second. Mary has volunteered to do the residents' mending. This can be quite a job at times and is needed. Thank you, Mary, for taking this extra job on to benefit our residents.

I would also like to give special thanks to Frances Kube for coming in at different times to fix hair, give hair cuts and perms. Frances is greatly appreciated for all she does at FCC.

We welcome Dixie Jesko back to our beauty shop. Dixie has volunteered to work Thursday afternoons. We also welcome Connie Wells to the beauty shop. Connie is helping there Friday afternoons. These two ladies are doing a wonderful job and bring smiles to many faces. Thanks, ladies!

Welcome to the new Methodist preacher, Beth Harrington. Beth did morning devotions for the residents last Thursday. Thank you, Beth.

Just a reminder as Border Town Days approach. The Auxiliary will sell baked goods and popcorn in the park on July 29. The 7th annual benefit dance for the center, sponsored by Charlie Phillips and friends, will be held Saturday night, July 29, at 9 p.m. cdt at the Clovis Holiday Inn.

Proceeds from the fund-raiser will go toward landscaping the patio for Jericho Road, and special care unit. Beginning next week, tickets will be sold at various places in Farwell, Texico and Clovis. For more information, call 481-9027, or the Beauty Box, 481-3441. Buy your tickets and come join the fun.

Happy Birthdays this month to Viola James, Mr. McMahan, Ora Bell, Bill Flowers, Alice Edwards and Geraldine Jones.

Welcome to our two newest residents, Paul Harris and Irene Rankin. We look forward to getting to know these two residents. Have a great week!

At the special Texico "4th of July" celebration Tuesday were, from left, fireman Tony Vega, Cedric Boutte and deputy marshal Larry Garrison.

Late fireworks display held for Texico youth

The 4th of July fireworks may have been last week for most folks, but not for Cedric Boutte, of Texico.

Twelve-year-old Cedric was the recipient Tuesday night of a special 4th of July fireworks show.

Cedric has helped the Texico Community Activities Organization with its 4th of July Jamboree since its inception.

But he was not able to help this year because he was shot with a BB gun earlier this month. He underwent emergency surgery at Clovis hospital and missed the 4th of July Jamboree.

So Larry Garrison, Texico deputy marshal, got an idea. Something along the lines of "if you can't get to the mountain, bring the mountain..."

The marshal's office, fire department and TCAO put together a fireworks display

Carnival set

There will be a Carnival at St. John Lutheran Church on July 16. This is in celebration of the closing day of Vacation Bible School.

Festivities will begin at 3:30 with a closing VBS ceremony in the church. The carnival will take place from 4 to 6 p.m. There will be a softball game from 6 to 7 p.m. and a BBQ chicken picnic immediately following.

The community is invited. There will be games, prizes, rides on the CAKE Train and festive music provided by Ben Mesman on his Dutch Calliope organ. There will also be a dunking booth.

at the fire station for Cedric's benefit Tuesday night.

Also present were lots of other kids, Cedric's family, and fire department and TCAO members and their spouses.

The fireworks were do-

nated. Mr. Burger Restaurant, of Texico, donated hamburgers. Texaco Auto Truck Plaza, of Texico, donated refreshments.

And Cedric got to see the 4th of July fireworks after all.

'Out of district' students mulled

At Texico's School Board meeting Tuesday, Lisa Askew, high school special ed instructional assistant, resigned.

She was replaced by Sharon Billingsley, of Clovis, who has 13 years experience at ENMRSH.

In other business, the board:

- Discussed finding an ag farm site near the school. This is a problem.

- Plans to approve at its August meeting a "contract" for out of district students. Texico Schools have not had a contract but had put such students on a waiting list.

It will include language noting that Texico Schools can decide who it accepts, and what will occur if the student gets into trouble here.

- Noted that the annual accountability report will be mailed out in August. Board members went over the questions that will be on it.

Jackpots set

News from the Curry County Extension Service:
- The Curry County Lamb Jackpot, Eastern New Mexico Classic Pig Jackpot and Roosevelt County Lamb Jackpot will be held July 15 at Curry County Fairgrounds.

- Deadline for applying for the calf scramble is July 31. Winners will be awarded \$600 for the purchase of a heifer. For more information, contact the extension office.

- The Achievement Day for Clovis/Texico will be July 22 at the fairgrounds. Weigh-in for animals is from 8 to 9 a.m. Pigs show at 9 a.m.; lambs, 10:30 a.m.; dairy heifers, 1:30 p.m., and beef cattle, 2:30 p.m.

- Curry County Fair is Aug. 14-15. Entry deadline is Aug. 4 at 5 p.m. at the extension office.

Lazbuddie reunion scheduled

Lazbuddie School will celebrate 64 years of graduates on Aug. 5 and 6. Many students, teachers and neighbors plan to attend, said Donna Glover.

Registration will begin at 10 a.m. Aug. 5. There will be door prizes, displays, concessions, sports events and a special Post Mark commemorating the school's 64th anniversary.

A reception celebrating 50 years of FHA will be held in the home ec room from 3 to 4:30 p.m.

On Saturday night, many classes plan get-togethers.

On Aug. 6, beginning at 11 a.m., a meal will be catered by Hens & Fins of Lubbock. Cost is \$6.50 per plate. A program will be held in the auditorium after lunch.

After the program, a reception will be held in the cafeteria and the rest of the afternoon is for visiting.

For more information, call 965-2162 or 965-2895.

Barrel races held

Three Texico-Farwell residents were winners at the American Novice Horse Association Memorial Day barrel race for the Turquoise Circuit.

The association promotes novice horses and provides folks training horses the opportunity to compete on a higher level without the cost of hauling long distances year-round. The horses are placed in classes based on the amount of money they have won at the time they enter.

The winner of the \$150 novice barrels was Kelly Cooper and her horse "Fancy" from Texico. Eugenie Crist and "Axl" from Farwell won the \$500 novice. Lindsey Milloy and "Mac" won the \$1,000 novice.

They also received buckles for their efforts, sponsored in part by some Texico-Farwell businesses.

A novice calf roping is being added to the event for next year.

For more information, call (512) 446-5588 or write ANHA, Box 309, Rockdale, Texas 76567.

School personnel changes made

Several personnel changes were announced at last week's meeting of the Farwell School Board.

- Junior high teacher Marcia Cole has retired.
- Third grade teacher Sheryl Taylor has resigned to take an elementary teaching job at Friona School.
- Pam Cornelison, of Clovis and a Farwell High grad, was hired as the new high school counselor. She's has a master's degree in guidance counseling. The post became open when Carol Sullivan resigned last month after her husband, Rick, took over as pastor at First Baptist Church of Artesia, N.M.
- Kim Cates, wife of new Farwell High boys' basketball coach Gary Cates, was hired as a reading teacher at the elementary school.
- Hayley Christian was hired to teach social studies at the junior high.
- Kendra Allen was hired to teach third grade.

In other business, the board:

- Heard School Supt. Richard Boothby report on some building plans. A handicapped ramp will be built at the elementary school. A row of metal steps will be built in the middle of the football stadium bleachers (home side).
- Discussed new state mandates on offering an "alternative school" to students who have been expelled from the regular school, for example.
- Heard that maintenance Supt. Joe Stanton has leg surgery scheduled.
- Approved having Security State Bank as the school depository. The other bidder was the Farwell branch of Muleshoe State Bank.
- Approved the salary schedule, according to state guidelines.
- Heard Boothby report that the summer school session went well with 112 students attending. The vast majority had perfect attendance.

- Heard that the new surface of the tennis courts apparently had different colors and has been repainted. The courts haven't been officially accepted yet.
- Having another gate to the courts on their south side, plus installing a wind screen, were discussed.
- Was told that Boothby would attend a meeting in Austin late last week to discuss new educational requirements. A report will be made on this topic in a future Tribune article.

Holbrooks to be honored

Homer and Pearl Holbrook will be honored at an open house at their home at 497 SR 523 on July 22 from 3 to 5 p.m.

To get there from Texico: go north two miles on the Pleasant Hill Road, and four miles west on the airport road. The home is on the south side of the road.

Hosting the event are children, grandchildren and relatives, including daughter Wilma Fulgham and her husband Benny, of Clovis; son Doyle Caughan and wife Diana, of Jackson, Wyo.; grandson Jerry Fulgham, of Clovis; and James and Sherry Curtis and daughters of Farwell.

Pearl (Curtis) Holbrook is the only daughter of the late Henry and Grace Curtis, who homesteaded south of Texico in 1905. Pearl was a sister to the late Dibb, Penn, Jim, Duane and Gerald Curtis. She is returning to this area after living many years in Colorado and Arkansas.

Everyone is invited to the open house. For more information, call Wilma Fulgham at 763-6231.

Charlie Phillips

Phillips to entertain at fund-raiser

Charlie "Sugartime" Phillips and the area's top western band, the "Sugartimers," will be playing a benefit dance at the Clovis Holiday Inn July 29 at 9 p.m. cdt.

Tickets are \$5 in advance or \$6 at the door. Tickets are available at Rip's Western Wear, Stateline Drugs, Hughes Auto Parts, Beauty Box and Cribbs Western Wear.

This is the 7th annual benefit dance for the Farwell Convalescent Center at Border Town Days.

The five member band consists of Jimmy Young, fiddle; Vick Ashmead, steel guitar; Frank Hardcastle, lead guitar; Chet Calcote, base guitar, and Ted Czahowske, drummer. Young and Calcote once played with the legendary Bob Wills and the "Texas Playboys." Young is a member of the Western Swing Hall of Fame.

Phillips became famous for writing and recording the No. 1 hit in 1958 "Sugartime." His original version was recorded at the Norman Petty Studios in Clovis. Buddy Holly played the lead guitar on the original recording. It hit the top of the country and western charts, but the McGuire Sisters' pop version gave it worldwide recognition.

Phillips was a teen-ager in Farwell High School when he wrote "Sugartime" while driving a tractor on the family farm. Since then, he has recorded a number of country and western hits. In the 1960s, every record he made was on the national charts. He has performed on the Grand Ole Opry and toured with Johnny Cash, Willie Nelson, Brenda Lee, Jim Reeves and Marty Robbins.

Phillips extends a special invitation to all Farwell ex-students in town for Border Town Days to come out for a fun get-together.
