

This Is Soil Conservation Week in Parmer County

FROM THE
HOPPER
BY THE MRS.

Carl Rea Selected "Conservation Farmer Of the Year" by Parmer County SCD

We've always known that the only way our comments would make the front page of The Tribune, would be for us to write the Hopper column, but we really didn't ever feel that we would see the day. But a few minutes ago, the top man who regularly pens his comments here, TOLD us "why don't you write my column?", but it was not a question. We asked him what he wanted us to write about. He said he had intended to comment on farming. We stopped him right there.

Contrary to what those of you who read his last week's words might think, he was not subdued by too many handshakes. It is a far more serious thing. Our time is running out on us. At this writing, we don't know how late the paper will be, but we do know that we are about a half day behind in our work, and with a larger paper too—a special edition no less.

Trying to give the Parmer County Fair the coverage it deserves, and at the same time, presenting the annual Soil Conservation edition, has its drawbacks, especially when the make-up man goes to bed with the flu, the front office "Gal Friday" has the toothache, and mama is trying to get off on a trip. (The trip was naturally postponed).

The chain of events since Monday have been anything but a chain. For lack of anything more noteworthy to write about—we may have to resort to telling you about "how NOT to get the paper out!"

In the first place, the best way to "not" get the paper out is, to get a late start. How many times we have heard the comment on Thursday afternoon "now that you have the paper out, you don't have a thing to do."

But this past weekend, we were vain enough to plan and to install a booth for The Tribune at the fair, to show off the nice plaques that our staff has worked so hard to attain the past few months. Then Saturday was picture taking day—when Sonny spent the day recording in photographs the pulse of the fair. All of these pictures are to be found in this issue.

All this time, Richard Hapke, who heads the job printing in the shop, and also assists with make-up of the paper, was trying to throw off the "flu bug" in time to get back on the job by Monday. It didn't work! He is still in bed, and all the nice people who had job work promised for this week are still waiting, much to Richard's consternation. Since there is nothing he can do, we have hopes of getting all the "rush" jobs out this weekend.

But with Richard out, that meant job switching. Since no one else had the time or the know-how to set certain type ads, Sonny (the editor) took Richard's job. That left Mama to take over Sonny's job, his news beat that he ordinarily covers and "running the dump." In our terminology, that means proofing stories, correcting them, re-proofing them, correcting them again and getting them set and ready for the pages. Then mama helps "crossword puzzle" all the news into the proper places on the page.

But with mama helping papa, someone has to do mama's work, which mostly involves the care of the two little Graham children—Ronny and Hal. So that

Carl Rea of the Oklahoma Lane community has been chosen "conservation farmer of the year" in the Parmer County Soil Conservation District.

His nomination was announced last week by the District supervisors, who revealed that he will be honored at the annual SCD banquet tonight (Thursday) in Friona.

"Carl was selected because of his outlook toward soil conservation more than for what he is doing on his farm just this one year," emphasized a spokesman for the directors.

"He has a long-term program designed to improve and build up his soil, and already his efforts are meeting with success. Soil conservation is a long-range thing, and he seems to realize it."

Rea owns and farms a half-section of land between Oklahoma Lane and Bovina adjacent to the farm-to-market road. He came here from Portales in 1945.

He has two patches of alfalfa, one a brand new crop of 50 acres. It is about ready for the third cutting this year, and has provided much-needed nitrogen to his land (in addition to being a cash crop, itself).

An alfalfa plot was plowed under last year, and on that land now grows nearly all of Rea's 22-acre cotton allotment. One rod (16 feet) of the cotton patch laps over the line where the alfalfa was last year, and the difference in growth is apparent.

Rea has an eight-acre plot of grain sorghum (Caprock) on part of this former alfalfa land,

too, and he says, "It's the best feed I have ever raised." He believes he will cut from 5500 to 6000 pounds to the acre.

Besides the nitrogen from the alfalfa, the crop has benefitted from a 150-pound application of 48-percent superphosphate.

Other grain sorghum now in production on the Rea farm brings the total to about 200 acres devoted to this crop.

Of this total, about 120 acres are interplanted with mung beans, another nitrogen-producing crop which is designed to improve the soil but not interfere with the normal growth of the cash grain crop.

On the west side of the farm is the second alfalfa patch, this one being 38 acres in size. Rea is rotating the alfalfa on his farm so that a soil-building program

will constantly be under way.

The Rea farm is irrigated with two eight-inch wells which pump water through 3266 feet of underground concrete irrigation tile. This is the first year that Rea has made use of the tile system.

A good example of a practical way to make use of run-off irrigation water can be found on the Rea farm. He has 14 acres of bench-levelled land on which he has sown grain sorghum.

This plot is located on the northern part of his farm. Irrigation water running off from the higher land is handily caught up and turned on the grain on these 14 acres. It works out well for the Oklahoma Lane farmer.

The northeast corner of the Rea farm is being laid out for per-

GOOD STAND OF ALFALFA

This is a view of one alfalfa patch on the Carl Rea farm. Carl reports that he has an excellent stand of the hay but that the volunteer sudan (some blades can be seen in the foreground) worried him some. Alfalfa is a first-class soil builder and doubles as a cash crop, too.

This fine crop of cotton is following alfalfa by one year, and the difference between it and a small portion that is growing on older land is very apparent, according to Rea.

Rea believes that this grain sorghum field on land formerly occupied by alfalfa is the best grain he has ever produced, and will possibly make 5500 to 6000 pounds per acre.

FARWELL, TEXAS THURSDAY, SEPTEMBER 15, 1955 NUMBER 49

Sheriff's Department Has Active Week

Peace officers in the county were kept busy this week, investigating several cases of drunkenness, helping Curry County officers run down two Clovis juveniles in stolen vehicles, investigating another stolen car case involving a juvenile, and picking up one man on a charge of aggravated assault, Chas. Lovelace, sheriff, said this week.

J. D. Gibbs, 55, and C. C. Trimble, 50, both of Friona, were assessed fines of \$30.50 each on charges of being drunk and causing a disturbance. Trial was heard in B. N. Graham's J. P. court in Farwell, Lovelace states.

Bobby Fillpot, 20, and his companion, a juvenile, were fined in J. P. court in Friona by Walter Loveless. Fillpot was assessed \$50 for speeding and his companion

paid a fine for drunkenness.

Hiley Lucy of the Lazbuddie community pled guilty to charges of aggravated assault Wednesday morning, on Elmo Owens, Muleshoe peace officer. In county court presided over by Judge A. D. Smith, Lucy was assessed a fine of \$100 and costs and 60 days in jail.

Another juvenile, from Lorenzo, was probated to his father, after he was tried in county court on charges of unlawfully taking a car belonging to John Allen of Friona, Wednesday night of last week. The young man was apprehended in Clovis, and returned here for a hearing. The boy had had a number of offenses in Terry County in the past, according to Lovelace.

Sherley-Anderson-Pitman Has First Grain In Farwell

Sherley-Anderson-Pitman elevator reported the first load of 1955 milo in Farwell yesterday (Wednesday). It was brought in by Odell Smith from 23 miles north of town.

The 7078 milo, which tested "between sixteen and seventeen percent moisture," according to Johnnie Williams, manager, came from a 1000-acre dryland place which is making between 800 and 1000 pounds per acre.

Williams reported that the load, which rolled in on a semi-truck, totaled 12,000 pounds.

First Load Milo At Sherley Grain

What was believed to be the first load of 1955 grain sorghum in Parmer County was delivered to Sherley Grain Company of Bovina at 11 a.m. Wednesday morning. It was brought in by T. O. Lesly, who farms south of the Hub.

The grain, which according to Joe Moore tested "about 15 percent moisture", received a premium of \$25 as being the first of the year.

Moore reported that Lesly believes he will make between 4000 and 4500 pounds of grain to the acre. The variety is Martin's.

That afternoon at 3:30, R. G. Barron from southeast of town brought in a load of Martin's, also.

Farwell-Groom Play Tomorrow Evening

After getting off to a good start this season by beating the Melrose Buffaloes, 6-0, Friday night, the Farwell Steers will journey to Groom for their second non-conference tilt tomorrow night (Friday). Game time is 8 o'clock in the evening.

The Groom eleven lost to White Deer last week by one touchdown, 20-12. But sports observers note that White Deer is a Class A school and the Groom boys are in the B bracket.

Starting lineup for the Steers as listed by Coach Russell Young this week, will include James Norton, L. E.; Preston Cain, L. T.; Jerry Owens, L. G.; Gerald Hardage, center; Dean Smith, R. G.; Harvey Lesly, R. T.; Darrell Garner, R. E.; Eddie Smith, Q. B.; Truitt Hardage, L. H.; Jerry Henson, R. H.; and Troy Christian, F. B. A switch in the lineup was made when Dean Jones was hospitalized.

Jerry Owens was switched from the right half slot to left guard and Jerry Henson is playing the position vacated by Owens.

Young says "I thought the boys were fairly good in their first game Friday, although they made lots of mistakes. The kids look better in practice this week and are improving on those mistakes."

Annual SCD Banquet Tonight At Friona

The annual banquet of the Parmer County Soil Conservation District will be tonight (Thursday) at the Friona school cafeteria. Time of the feed is 8 o'clock.

State Representative Waggoner Carr of Lubbock will be speaker, and there will be entertainment on the program also.

Steve Bavousett, Friona Lions Club president, and former work unit conservationist of the Parmer SCS, will present a plaque to Carl Rea of Oklahoma Lane community, who has been nominated as the "soil conservation farmer of the year" in Parmer County.

J. W. Wright Grows County's First Bale

J. W. Wright, who farms near Bovina, took Parmer County's first bale of cotton of 1955 to the gin Friday afternoon, September 9.

The cotton was ginned by Mills-Fleming Gin at the Hub. It was Half and Half variety and was planted the 22nd day of April.

A. G. Earp who is connected with the Mills-Fleming Gin bought the cotton for 50 cents a pound. When asked if he thought he would receive a prize for getting the first bale to the gin, Wright replied, "The price was a pretty nice prize in itself."

Wright farms a total of 800 acres in three different places. He has a half section five miles south and two miles east of Bovina, a half section five miles east and one mile south, and a quarter, on which the first bale was produced,

12 miles east of Bovina.

The field that this initial bale came from will make a bale to the acre, Wright estimated. "However," he said, "it should have made two bales but the gearhead on the irrigation pump broke in the middle of August and the cotton missed what was probably its most important watering."

The cotton was watered twice plus the pre-watering. It was sprayed one time with Toxaphene and BHC for flea hoppers and boll worms. The one spraying ridged the field of the insects. The spray was applied at the rate of three pints per acre.

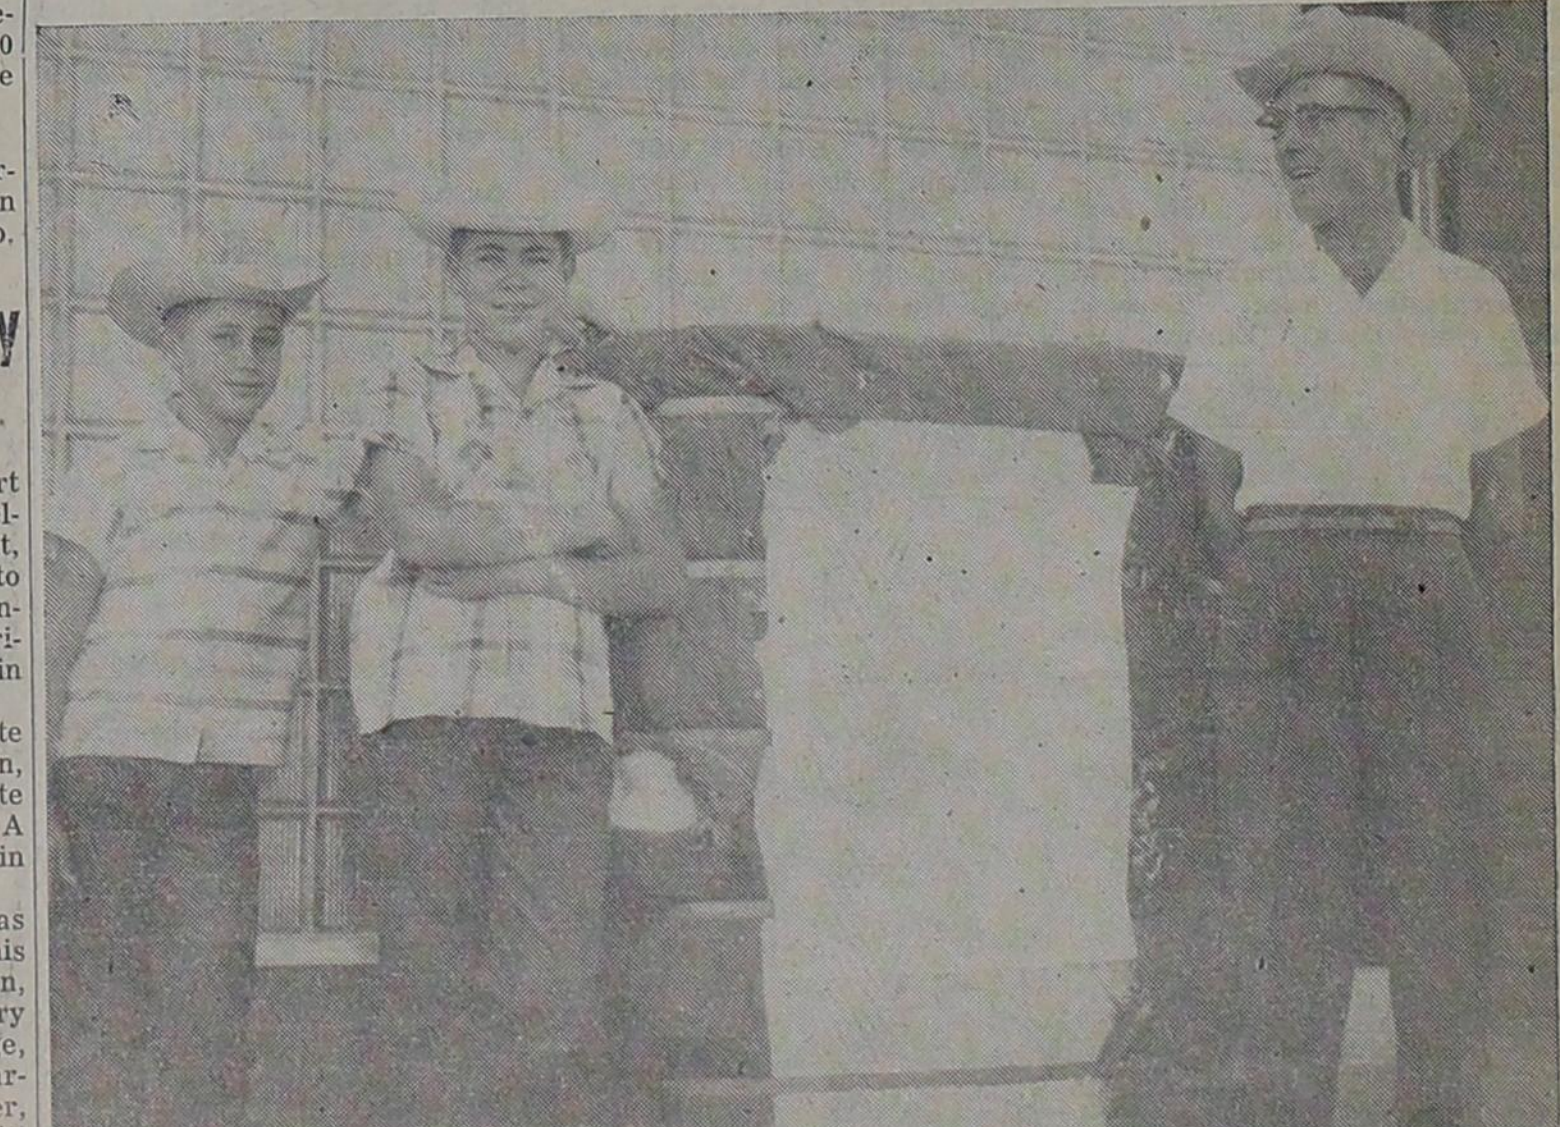

This is the fourth crop that Wright has made in this area and the first year that he has had the first bale of cotton of the year. Before coming to this area, he farmed near Burkburnett.

TOP THREE IN QUEEN CONTEST

Sally Osborn, center, was crowned queen of the 1955 Parmer County Fair at Friona Saturday night. She was sponsored by Parmer County Implement Company. Janice Oliver, left, who was sponsored by Friona Piggly Wiggly, came in second; and Doris Harriman, right, was third. Her sponsor was Watts Machine & Pump Company of Farwell.

COUNTY'S FIRST BALE OF COTTON

J. W. Wright and his two sons, Jimmie and Jerry, show off the first bale of cotton produced in Parmer County. It was brought into downtown Friona Friday after being ginned by Mills & Fleming Gin of the Hub.

13th County Fair Offered More Variety Than Any Other One

Fanfare for one of the most varied fair programs ever held in the area, died out Saturday night as the thirteenth annual Parmer County Dairy Show and Fair drew to a close. Although there were fewer entries for most divisions of cattle and swine, officers and directors of this year's association derived interest from Parmer Countians by introducing new attractions never before used as a part of the show.

Highlights of the Saturday evening schedule, which terminated the fair, was the crowning of the 1955 fair queen and a talent show. In a close race for the top, queen contestants, Sally Osborn of Friona was selected to reign over the festivities for the fair. She was sponsored by Parmer County Implement.

Two runners-up and special attendants for the queen were Janice Oliver of Friona, sponsored by Piggly Wiggly and Doris Harriman of Farwell sponsored by Watts Machine and Pump Co. Twenty-five girls from over the county competed for the fair queen title. Donna Smith of Bovina placed fourth in competition and Linda Kube of Farwell was fifth.

The contest was sponsored by Epsilon Sigma Alpha of Farwell, at the request of the fair directors. Mrs. Joe Helton, president of ESA, this week expressed appreciation for the gratifying response to the queen's race.

John Getz of Farwell, one of the fair directors, was master of ceremonies for the coronation. He introduced each contestant, then presented the queen with a bouquet of yellow roses, after he placed the gold crown on her head. She was also presented a gift from ESA. Attendees were given yellow rose corsages. Flowers were donated by Marcum-Claborn Florists.

The talent show, which climaxed the fair, was sponsored by Parmer County Farm Bureau and honorees went to the "Hepcats" of Farwell, a sextet composed of six seventh grade boys—Jimmy Hardage, Donald Crume, Corky Cain, Mickey Rundell, Joe Hughes and Larry McDorman.

Joan Potts of Farwell won second place, and third went to Joan Kay Ezell and Nita Beth Estes of Bovina, with a twirling number. Miss Potts gave a vocal solo.

In the beard-growing contest, Dan Luttrell received first place; Charlie Turner, second; and Joe Fallwell, third. In the under-21 class, names of winners were not learned.

Another new attraction was the Little Olympics held Thursday evening, to get things into full swing. Steve Bavousett was in charge of festivities. Events and first three places are given.

Potato race: David Massey, first; Cletus Rhodes, second; and Harold Carter, third.

Three-legged race: Cletus Rhodes and Lee Gibson, first; Frankie Spring and Ted Sanders, second; and George Perry and Keith Taylor, third.

Hammer throw: Nolin Tubbs, first; Owen Drake, second; and Charles Love, third.

Girls skip-rope race: Jo Beth Brummett, first; Jan Wells, second; and Linda Brummett, third.

Marshmallow race: Kenneth May, first; Dolores Elmore, sec-

ond; and Stella Cole, third.
Discus throw: Nolin Tubbs, first; Robbie Osborn, second; and Tommy Scales, third.

Also as a special event, the Friona fireboys presented a special demonstration on fire-fighting, showing the skills of the department and the uses of the equipment now owned by the organization.

Two Friona men and a Bovina citizen rated high in the fiddlers' contest Friday evening following the free barbecue. Delmar Shirley was the top fiddler; Al Kerby of Bovina, second; and Reaford Shirley, third.

Bill Sheehan, secretary-treasurer of the fair association, estimated that about 2200 people turned out for the Chamber of Commerce-sponsored barbecue. A menu of barbecue, beans, onions, bread, pickles, coffee or lemonade was served, at the Friona park.

Ground breaking for the new Parmer County Community hospital was Saturday afternoon when J. B. McFarland, a leader in the drive for the hospital, turned the first shovel of dirt. Also participating in the ceremony were Jimmy Baxter, manager, and Dr. Paul Spring, head of the medical staff.

Quizzed about this year's fair, Sheehan told a Tribune reporter that in his opinion, this year's fair was "pretty good," but he did feel that "we had the room for merchant's exhibits, they paid for the space, but many booths were bare." He emphasized that more interest must be stirred up in the commercial booths. He added that all the events brought lots of people to the fair.

After all expenses are paid, Sheehan says he predicts that about \$300 will remain in the funds of the Association. The spring show costs about \$600, so more money will be needed.

Interest was high in the parade through downtown Friona Saturday afternoon, with winners announced for five divisions.

Two bands set the marching tempo for the parade, with Friona receiving the blue ribbon for their performance and Farwell placing second. The Girl Scouts of Friona carried away the first place for the civic-social division, with Future Homemakers of America receiving second and the Friona Woman's Club placing third.

School class honors went to: sophomores, first; seniors, second; and freshmen, third. Jane and Gay Welch were recognized as first placers in the children's group, with Byron and Gaylon Brewer, second, and Connie and June Schlenker, third.

Rockway-Hurst placed first in the commercial division and Parmer County Hospital was second.

Winner of each division and grand champions and reserve champions for the 1955 fair are given below. The top livestock will be emphasized by blackface type.

Downie Acrobat Team to Perform At Farwell

Dee and Eve Downie, world renowned acrobats and high wire artists, have devised a unique stage presentation to bring a "close-up" of the daring stunts seen in the air by famed aerialists. The will present a program at Farwell auditorium tomorrow morning (Friday) at 9 o'clock.

Using various specially built equipment for this daring demonstration, they present unbelievably difficult stunts: aerial ballet on the Spanish Web, Roman Ring demonstrations, trapeze stunts of skill and ability, foot to foot acrobatics, the human flag pole, the wrap around lay out, ankle fall away, neck and toe hangs, standing balances, etc., concluding with the Chinese Horizontal Bar.

The Downies have recently starred in Super Circus, Big Top and screen performances.

Former Resident Weds in Illinois

Baskets of pink and white gladioli, ferns and palms flanked four stands of graduated candelabra at the altar of the First Methodist Church in Rantoul, Ill., to form the decorative setting of the wedding of Miss Darlene Rhoten and Richard Eugene Knowles.

The bride's parents are M-Sgt. and Mrs. Lester Busch, 611 E. Grove Ave., Rantoul, Ill. Parents of the groom are T-Sgt. and Mrs. Dewitt Knowles, 625 Congress St., Rantoul, Ill.

Rev. L. R. Sutton performed the double-ring ceremony on Sunday afternoon, August 14.

The bride, given in marriage by her step-father, wore a white, floor length dress of illusion featuring a low neckline and tight fitting bodice with long pointed sleeves. The bodice of Chantilly lace was trimmed with sequins and pearls.

Her fingertip veil of bridal illusion was attached to a crown of pearls and sequins. She carried a white prayer book topped with a white orchid and white streamers. She wore button pearl earrings and a necklace of tiny pearls. The prayer book was a gift of the bridegroom and her stepfather presented the bride with the string of pearls.

Matron of honor was Mrs. Laurence Knowles. Other attendants for the bride were Misses Sue Drysdale and Nancy Crozier, all of Rantoul, Ill.

The bride's attendants were attired in ice blue gowns with matching blue veils. They also wore strings of pearls, gifts from the bride. They carried crescent sprays of pink gladioli with pink sweetheart roses in the center of the sprays.

Laurel Buck played traditional wedding music at the organ and accompanied Kay Kayler as she sang "Oh Promise Me," "The Lord's Prayer," "Because" and "I Love you Truly."

Lawrence Knowles of Rantoul attended his brother as best man.

Groomsmen were Gregg White and Jerry Potts, both of Rantoul, and ushers were Ralph Armstrong of Millary, Ala., and Phillip Knowles of Manitow Beach, Mich.

Mrs. Busch, mother of the bride, wore a dress of navy blue crepe with white accessories. Mother of

FORMER RESIDENT MARRIES

MR. AND MRS. RICHARD KNOWLES

the bridegroom, Mrs. Knowles, wore a grey dress with black and white accessories. They both wore corsages of white stephanotis.

The church parlor was the scene of the reception held following the ceremony. A three tiered wedding cake decorated with pink and green flowers flanked by candelabra formed the table arrangement.

Presiding at the serving table were Mrs. Lyle Ruton, aunt of the groom; Elmira Bolskal, aunt of the groom; and Joyce Price.

For a wedding trip to Shaffer Lake, Ind., the bride wore a suit of blue silk shantung and pink accessories. She wore the orchid from her wedding bouquet to complete her going away costume.

The couple will be at home at 1803 E. Madison, Charleston, Ill., where they will both attend school at Eastern Illinois State College

for four years. The bride will major in business education and Knowles will major in horticulture.

They are both graduates of Rantoul Township High School, Rantoul, Ill.

The bride is the granddaughter of Mr. and Mrs. Sam N. Lewis of Texico, and a former resident of Texico.

Farwell Band to Compete at Fair

Farwell School Band will make its third appearance of the year on Monday, September 19, at the Tri-State Fair in Amarillo. The 60 piece band will participate in the parade, and Mrs. Erma Jobs, band director, says that the band has been practicing this week on some new march numbers to be played at the fair next Monday.

Majorettes have been working on several routines for the new march numbers, one of which is "Tiger Rag." The group will leave Farwell around 7:30 a. m. to be in Amarillo at 9:30 a. m.

There are 25 students in the beginner's band and there are 22 members of the junior band. They have had only one year of experience.

Farwell band students are working with a new enthusiasm this year as they started classes in a new band hall in the almost completed gymnasium east of the high school building.

Included in the band portion of the building is a large classroom finished with light blue brick. The classroom boasts a new piano which matches the color of the doors. Also in the band department is a storage room for instruments and closets for the choir robes and band uniforms.

Two practice rooms, complete with sound board, adjoin the classroom. Mrs. Jobs says that the practice rooms are large enough to seat an ensemble and that she is very proud of the added practice space.

Mrs. Jobs has a private office and storage closet which opens into the classroom.

With the new band hall and so many new band students who are showing lots of interest, this should be one of the best years ever for the Farwell School Band.

Tucker-Steelman Vows Read in Church

A lovely evening wedding at the First Baptist Church of Texico on Friday, September 9, united in marriage, Miss Phyllis Tucker, daughter of Mr. and Mrs. Hugh Tucker, Texico, and Eddy Gayle Steelman, son of Mr. and Mrs. Amos Steelman of Bovina.

Rev. C. C. Morgan, pastor of the church, read the double-ring ceremony.

Mrs. W. T. Watson of Muleshoe played traditional wedding music and accompanied Miss Bobby Richardson who sang "Whither Thou Goest." At the close of the ceremony, Miss Richardson sang "The Lord's Prayer" as the couple knelt at the kneeling bench before the altar. Misses Susan Levins and Mikala Faville sang "Because," accompanied at the piano by Mrs. Watson.

Miss Evelyn Steelman, sister of the bridegroom, was maid of honor. Miss Steelman wore a street length dress of powder blue silk. Her headdress was a double bandeau made of the same material as her dress.

Candlelighters were Misses Barbara Tucker, sister of the bride, and Vivaleigh, Steelman, sister of the groom. They wore dresses identical to that of the maid of honor.

Huey Lowrie of Bovina was best man and Robert Tucker, brother of the bride, and Charles Williams, Bovina, were ushers.

The bride was attired in a white street length dress of crystalite over white satin and lace. Her dress was fashioned with a long torso, a portrait neckline and cap sleeves. Her fingertip veil of illusion fell from a headdress made of faille covered with tiny seed pearls. She was given in marriage by her father. She carried a bouquet of white roses.

Something old and borrowed was a handkerchief belonging to the bridegroom's mother. Her wedding ensemble was something new and something blue was a blue garter, a gift of Mrs. J. C. Boone.

The bride's mother wore a dress of navy blue crepe with pink and black accessories. Mother of the groom wore a beige dress with brown accessories.

A large number of persons attended a reception held at the home of the bride's parents immediately following the ceremony. Mr. and Mrs. Hugh Tucker, parents of the bride, Mr. and Mrs. Amos Steelman, parents of the bridegroom, Miss Evelyn Steelman, sister of the groom, and the bride and bridegroom formed the receiving line.

Crystal appointments and a three tiered wedding cake topped with a miniature bride and groom graced the serving table which was laid with an imported linen cloth with blue embroidered cutwork. Centerpiece was of gladioli.

Blue punch was served from the crystal punch bowl which held a rose float featuring red and yellow roses. Miss Catherine Bell served cake and Mrs. Neil Weems poured.

The couple left after the reception for a short wedding trip before going to Canyon where they will both be students at West Texas State College.

The bride is a graduate of Texico High School and attended Eastern New Mexico University at Portales last year.

Steelman was graduated from Bovina High School and attended West Texas State College last year.

The band placed second in the parade at the county fair in Friona last week.

To Denver

Mr. and Mrs. Oliver Sikes and Gene Coffman returned Tuesday from Denver where they attended an annual Ford dealers' meeting and the pre-showing of the new Ford cars and trucks.

The group left for Denver Saturday evening.

YOUNG COUPLE WEDS

MR. AND MRS. HAROLD DOSHER

Huffaker-Doshier Vows Read in Clovis

In a double-ring ceremony performed at the 10th and Pile Street Church of Christ in Clovis on Sunday afternoon, September 4, Carolyn Jo Huffaker, daughter of Mr. and Mrs. C. J. Huffaker of Farwell, and Harold Dean Doshier, son of Mr. and Mrs. Frank Doshier of Texico, were united in marriage.

Brother Ernest Highers, minister of the church, read the wedding vows as the couple stood before an altar decorated with palms, candelabra and baskets of gladioli and carnations.

The bride was given in marriage by her father. She wore a cream colored suit of cashmere wool with dark brown accessories. Her corsage of yellow carnations was decorated with two tiny doves.

For something old, she wore her grandmother's wedding band. Something new was her wedding suit and for something borrowed and blue, she wore a blue garter belonging to Miss Elaine Martin. She carried a penny in her shoe for good luck.

Miss Elaine Martin was maid of honor and best man was Dwayne Martin. Miss Martin wore a dark brown suit with pink accessories and a corsage of pink carnations.

Mrs. Huffaker chose a suit of charcoal gray for her daughter's wedding. She wore black acces-

sories and a corsage of white carnations. Mrs. Doshier wore a dark brown dress with white accessories and a white carnation corsage.

At a reception held at the home of Mr. and Mrs. Harold Harlow at 309 East 5th in Clovis, Miss Elaine Martin and Mrs. Ed McGuire presided at the serving table which was laid with a lace cloth over green.

An arrangement of gladioli and carnations, and a three tiered wedding cake topped with a miniature bride and groom centered the table.

The bride changed into a black and white checked jumper dress trimmed in yellow for a wedding trip. She wore her wedding corsage and black accessories.

The couple left following the reception for Orange, Calif., where they will make their home.

The bride is a 1955 graduate of Farwell High School and the groom was graduated from Farwell in 1951.

Wedding guests included Mr. and Mrs. C. J. Huffaker, Danny and Owen, Mr. and Mrs. Frank Doshier, Koleta, Carmelita, Lanny and Marilyn, Miss Elaine Martin, Dwayne Martin, Miss Shirley Doshier, Jimmie Don Moss, Mr. and Mrs. Harold Harlow and Debbie, Mr. and Mrs. Jimmie McGuire, Janet, Jimmie and Stevie, Mr. and Mrs. Ed McGuire, Mr. and Mrs. Bert Reynolds and children and Mr. and Mrs. W. E. Martin.

MISS PAULINE SHEETS

Miss Sheets Completes Anesthesia Training

Miss Pauline Sheets, R. N., daughter of Mr. and Mrs. E. W. Sheets, completed a year of post graduate work in anesthesia at Sacred Heart Hospital in Spokane, Wash., on August 31.

Mr. and Mrs. Sheets made a northwest tour to Spokane where Pauline received her training. Sacred Heart Hospital is the largest in the northwest, having a capacity of 600 beds with the surgical division containing 13 air conditioned operating rooms.

Pauline received specialist training in all types of anesthetic techniques using various anesthetic gases and agents.

Besides touring the hospital, Mr. and Mrs. Sheets enjoyed the beauty of the evergreens and lakes, Spokane being the home of 32 lakes of beauty.

In May, Sacred Heart Auditorium was the scene of the graduating ceremony for the student nurses, lab technicians and the five other anesthesia students in Pauline's class.

Mr. and Mrs. Sheets and Pauline left Spokane Thursday, September 1, and returned to Farwell through Idaho, Utah, Colorado and New Mexico. They stopped in Ogden, Utah to visit in the home of Mr. and Mrs. Roy Vandersteen and family. Roy was a former classmate of Pauline and is also a graduate of Sacred Heart School of Anesthesia.

Pauline is now employed at Clovis Memorial Hospital and states that she plans to seek free lancing in anesthesia besides her work at Clovis.

She will take National Board examinations for nurse anesthetists in November at Ogden, Utah.

Mrs. Buchanan Talks To Midway HD Club

Mrs. Jo Buchanan of the Lakeview Home Demonstration Club was guest of the Midway HD Club on Tuesday afternoon, September 6, when she gave a report of the 29th annual Texas Home Demonstration State meeting held in Fort Worth in August. Mrs. Bess Hobbs was hostess to the group.

Mrs. Buchanan gave the highlights of the convention, whose theme was "God and Home—the Source of Freedom." She mentioned several of the main convention speakers, one being J. B. Carlyle of the Texas Department of Public Safety from Austin. Carlyle, in his address on safety, told the group that the people who drive today have "model T know-how with a modern chassis."

Large Crowd Attends First PTA Meeting

Over 100 persons attended the first Parent-Teacher Association meeting at Farwell School auditorium on Tuesday night, September 13.

John Getz, president, was in charge of the meeting. Reports were heard from the membership, finance and publications committees.

Superintendent of Farwell Schools, Jack Williams, introduced the grade school and high school principals who in turn introduced the teachers in the Farwell School system.

Mrs. Erma Jobs was in charge of musical entertainment for the evening. Judy Garrett played a saxophone solo and L'Orchid Latham gave a vocal selection.

Nine new members of the organization were introduced and of-

way Club had charge of the hobbies division in the exhibition phase of the fair.

Mrs. Hobbs served refreshments of sandwiches, potato chips, pickles, olives and pops to Mesdames Dorothy Brown, Billie Ruth Downing, Dorothy Mason, Irene Watkins, Grace Young, Eileen Chitwood, Mildred Redwine, Elzada Gulley, Beulah Redwine and the special guest, Mrs. Jo Buchanan.

Next meeting of the Midway HD will be held in the home of Mrs. Lora Brown on Tuesday, September 20.

ficers of the organization served refreshments of punch and cookies in the school cafeteria following the program.

The membership committee would like to remind patrons that the membership campaign is under way and that a prize will be awarded to the room which has the most parents joining the PTA.

Next meeting of the group will be held at the school auditorium on Tuesday night, October 3. Bill Sheehan, county attorney, will be guest speaker of the evening and a musical program has been arranged for entertainment.

Will Meet Monday

Texico-Farwell post of the American Legion Auxiliary will meet on Monday night, September 19, at the Legion Hall at 8 o'clock.

Recently elected officers of the organization are to take over duties at this meeting.

Few Aware SCD Is Self-Governing

We find that many persons do not know that a soil conservation district is not a government agency, but is an organization of Americans who have decided they want to protect their land and water resources, and is a free, local, representative self government in the best tradition of America.

Foundation Of Strength

Our land and water resources are the foundation of our fabulous industrial and agricultural strength. Our material standard of living—the highest on earth—is built largely on the abundance and fruitfulness of American land and water. If we do not stop damaging these resources, our ability to produce adequately for ever-increasing needs will be threatened.

In all parts of the country farmers and ranchers have taken up the job, and have organized themselves into soil conservation districts. Funds for operating these districts come from state appropriations and voluntary contributions from interested citizens or groups. The districts are governed by the local citizens, elected from the section of the district where they are farmers. The supervisors receive a small per diem and travel allowance but are not on the federal pay roll.

The Soil Conservation Service furnishes technical help to the district on the basis of an agreement with the governing body. In addition to Soil Conservation Service technical assistance, districts get educational and other kinds of help from other local, state, federal, and private sources. Each has its place in furthering the work of the district.

Apply For Assistance

The district furnishes assistance only to farmers or ranchers who apply for it. The application is made to the board of supervisors. After this group approves a farmer's application, it requests the Soil Conservation Service to make a scientific inventory of the farmer's land. This is done by a specially trained, experienced technician. On an aerial photograph of the farm, he makes a map that shows the soil, slope, degree of erosion, land use, and other important physical features. Using this inventory, the farmer and the farm conservation planner of the Soil Conservation Service together work out a conservation plan for the farm. They decided how each field, pasture, and wood lot should be treated and managed to conserve the land and at the same time accomplish the most desirable, sustained production.

The conditions show by the land inventory what the farmer or rancher agrees to do about them. What the district will supply is written down on what is known as a cooperative agreement. It is known also as farm or ranch conservation plan. Each has a copy of the photographic map and a map showing conservation work the farmer or rancher intends to do over his entire unit. Such an agreement becomes effective only after the approval of the supervisors. The only ones who sign the cooperative agreement are the land owner and operator and the officers of the district.

There is no compulsion involved. The district agrees to furnish the technical help to carry out the conservation practices. These are the practices the farmer or rancher himself says he needs to protect and improve his land. If he doesn't do his part, the district simply cancels his name off the list of those receiving assistance. That

is the only penalty involved. These complete farm and ranch conservation plans are becoming more and more popular every year.

Through soil conservation districts, the land owners of America are keeping the land in good, productive condition to meet the requirements of their country in war and peace—and also for future generations. They are protecting the base of their own and the nation's prosperity.

In the years ahead, soil conservation districts offer America the greatest opportunity it has had in modern times to strengthen its ideal of self-government and solve at the same time one of its most fundamental problems—the protection of its vital land and water resources.

FARWELL BAPTIST CHURCH
Rev. E. J. Keith, Pastor

Attendance for Sunday School Sunday, September 11, was 135. One hundred seventy five persons were present for the morning worship service and training union attendance was 67. Approximately 150 were present for the evening worship period.

One addition was made to the church by letter this week.

Several members of the church, along with Rev. and Mrs. E. J. Keith, are planning to attend the 50th anniversary meeting of the Tierra Blanca Association to be held at the First Baptist Church in Canyon on Tuesday, September 20.

Messengers selected to attend the annual all day meeting include Mrs. Sterlyn Billington, Mr. and Mrs. Joe McWilliams, Mrs. W. M. Turner, Clarence Johnson, Clay Henson, Cecil Rundell and Rev. and Mrs. E. J. Keith.

The day's program will begin at 9:45 a. m. with Rev. Howard Scott, pastor of the First Baptist Church, Hereford, preaching the annual sermon.

Special music will be furnished for the morning program by the Baptist BSU of West Texas State College. After lunch at the church, reports from the various committees of the churches represented will be given. Election of new officers will also be held during the afternoon session. Rev. Virgil Goodwin of Bovina will preach the doctrinal sermon.

The evening session will begin at 7 p. m. and will concern missionary work. Rev. Joe Underwood, pastor of the First Baptist Church, Clovis, will give a missionary message and Dr. Thomas H. Taylor of Howard Payne College in Brownwood will preach the evening sermon.

Moderator of the association is Rev. C. M. Fields of Friona. Vice-moderator is C. B. Hogue of Happy; treasurer is Russell Pogue of Temple Baptist Church in Hereford; and Bob Lawrence, educational and music director of First Baptist Church, Hereford, is clerk.

Rev. Keith, pastor of the local church, is a member of the nominating committee for the association.

Rev. Keith says that the local group is anticipating a good program at the associational meeting.

Sunday School starts at 10 a. m. and morning worship services begin at 11 a. m. Training union hour is 7 p. m. and worship service for the evening begins at 8 p. m. Rev. Keith extends a cordial invitation to everyone to attend all

services of the church. He adds that all members are especially urged to attend Sunday School.

CHURCH OF CHRIST
Eugene Sofford, Minister

Services of the church were well attended last Sunday with 131 present for Bible classes. You are urged to attend our services this Sunday. Bible classes meet at 10:00 a. m., the morning worship begins at 10:50 a. m., and the evening worship hour is at 8:00 p. m.

To Meet Monday

First meeting of the Texico-Farwell Woman's Club will be held on Monday night, September 19, in the Skyroom of the Silver Grill in Clovis.

After the dinner, club president, Dr. Mary Leone McNeff, will give the president's message for the coming club year.

Club meeting date is the third Monday of each month.

Parmerton HD Has Watermelon Feast

Members of the Parmerton HD Club and their families met at the Bovina City Park on Friday night, September 2, for a watermelon feast.

Those present for Friday night's gathering were the Monte Bar-

rett family, the Clark Carter family, the C. W. Wright family, Mr. and Mrs. J. B. Barrett, Lloyd Battey, Archie Wright, G. H. Brock, Mrs. Ruthie Fite and Bruce, Mr. Clark and son and Miss Margaret Rose Landrum.

Next meeting of the club will be held on Thursday, October 6, in the home of Mrs. Marion Fite.

Visit Jarrells

Mr. and Mrs. Jack W. Jarrell and their four children visited in the home of his parents, the A. J. Jarrells, last week. They also visited his sister, Mrs. C. J. Stephenson and family, in Portales.

Mrs. Jarrell says that the twins of Mr. and Mrs. Jack Jarrell are really growing. Mrs. Jarrell adds that they are very proud of all eight of their grandchildren.

New Son for Blains

Garlon Kent is the new son of Mr. and Mrs. Calvin Blain. He was born on Friday, September 9, at Clovis Hospital and weighed eight pounds and three ounces.

The Blains have two other children, Gary and Vickie.

Maternal grandparents are Mr. and Mrs. L. T. Utsman and Mr. and Mrs. Ed Blain are paternal grandparents.

Mr. and Mrs. J. R. Sheriff of Lubbock visited during the weekend with their daughter and family, Mr. and Mrs. Frank Seale.

FOR WATTS' OPENING—

We think you Farmer County cooks will enjoy our recipe this week, and also the one which will appear in the paper next week. Both are from Mrs. J. T. Eubanks of the Muleshoe Route. Her favorite is raisin cake, which is ideal to serve with coffee.

RAISIN CAKE

- 2 cups sugar
- 1 cup shortening (Spry or Crisco)
- 1 cup sour milk
- 1 cup hot water
- 2 tbsp. cocoa
- 3 eggs
- 2 tsp. soda
- 2 1/2 cups all purpose flour
- 1 tsp. vanilla

ICING

- 1 cup uncooked raisins
 - 1 1/2 cups sugar
 - 1 cup sour cream
 - 2 eggs
- Mix all ingredients with beaten eggs and cook until raisins are tender. Beat and ice cool cake. Makes 4 layers, very good for home freezers.

SCENES THIS WEEK—The Hamlin Overstreet trees receiving some trimming . . . our husband spending only two hours in bed to rid himself of his virus siege (what gives wives grey hairs) . . . the Delbert Garners of Oklahoma Lane getting two little ones to sleep as they watched the football game from the car Friday night . . . the Fred Danforth home in Texico springing up in the new addition there . . . Robbie Osborn casting enough votes to place his sister as queen of Farmer County fair . . . the Otis Huggins home sparkling with a new paint job.

CARD OF THANKS

Schleuter Appointed To Texico Council

Olan Schleuter was appointed as new city councilman at a Texico Town meeting held Monday night, September 5.

Russell Johnson was named new water superintendent. Johnson is also the new plumbing and building inspector for the city of Texico.

Earl E. Hartley was appointed to replace Lewis Cox as city attorney and will also serve the unexpired term of Cox in the state senate. Cox recently resigned his post and moved to Roswell.

Discussion of the paving project was held and other routine business was transacted.

Next Texico Town meeting will be held on Monday night, October 3.

Junior High Teams Win Softball Opener

It was a perfect day for the Texico Junior High School softball teams Thursday when both boys and girls won over Rosedale teams. The girls game ended 16 to 17 in a "nip and tuck" affair all the way, while the boys trounced on the Rosedale boys 16 to 12.

Janell Seale was one of the outstanding players of the day as she turned in a good pitching performance and hit a home run to start the ball rolling for the Texico team.

Coach Miller gave three boys a chance on the pitcher's mound and according to most spectators, the team isn't lacking in good pitching material. Those taking the mound for Texico were Raymond Hadley, Jerry Reid and Jerry Bowers.

Starting for the Texico girls were Janell Seale, pitcher; Donna Stewart, catcher; Christine Bowers, first base; Harlo Jean Wall, second base; Mary McDaniel, shortstop; Darlene Day, third base; Nelda Powers, right field; Joanne Brown, center field; Anita Moss, left field.

The lineup for the boys included Raymond Hadley, pitcher; Pete Weisler, second base; Jerry Reid, shortstop; Jerry Bowers, first base; Monty Singletery, short field; David Lockhart, left field; Kenneth Doshier, third base; Billy Thigpen, right field; Eldon Thatcher, center field and Bobby Stover, catcher.

Mrs. Jack Tefteller and girls, Jane and Sue, of Kermit, visited recently with her sister and family, Mr. and Mrs. L. N. Farris.

FHS NEWS

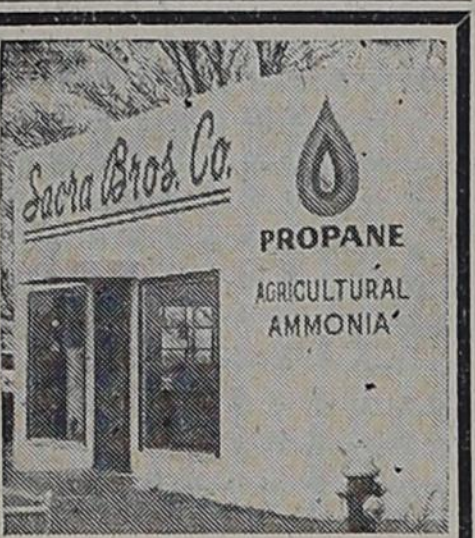

There will be a reading of the Farwell School Budget on Monday night, September 19, at 7 o'clock in room 101 of the High School building.

Farwell Schools will be closed all day Monday, September 19, so that students may attend the Tri-State Fair at Amarillo. The band will go to the fair and this will be considered Farwell school day at the fair. This will be the only day that will be excused for the fair and buses will run as usual on Tuesday, September 20.

Dean Jones has been in the Clovis Hospital for the past several days. He was taken to the Lubbock Hospital on Monday afternoon. Students and faculty members hope that he is feeling much better and that he will be back in school soon.

Due to the fact that Monday, September 19, will be Farwell Fair day, the scheduled assembly program for that date has been changed to Friday, September 16 (tomorrow). All patrons are invited to the school assemblies. There is a story concerning tomorrow's program elsewhere in this week's Tribune. Time of the program tomorrow is 9 a. m.

dates for student body president, vice-president and secretary have been chosen and "Vote for My Candidate" posters are to be seen everywhere.
Candidates include: president, Gerald Hardage, senior; Jerry Henson, junior, and Troy Christian, senior. For vice-president, Troy Christian, senior; Larry Cooper, junior; and Gerald Hardage, senior, are in the race. Running for secretary are Jo Elaine Magness, senior; Doris Harriman, junior; Jeanette Hughes, junior.

The above named were the candidates who had been nominated by Tuesday afternoon at 2:30. Deadline for submitting the names was Tuesday afternoon at 4 o'clock.
Election day is September 20. Regular ballots will be used and the winner will reign over the Farwell High School student body for the 1955-56 school term.

Steers Stop Melrose
The Steers were victorious in their annual game with Melrose played last Friday night on the local gridiron. The final score was Farwell 6, Melrose 0. It was a hard fought game and a very good game for this early in the season.

Everyone feels that the Steers, under the able coaching of Russell Young and Shelby Jobses, will have a very good season. They showed lots of spirit and determination and there are more boys on the squad than ever before.

Farwell Freshmen boys played the Lazbuddie freshmen at Lazbuddie last Thursday night and won 34-0.

Both teams showed lots of promise and plenty of fight. Football fans will be hearing lots of talk about Berry, J. Lovelace, Christian and McManigal and many others before they finish Farwell High School. This group of boys really want to play ball and will make for good clubs in the future.

First performance of the Farwell Band was at the Farwell-Melrose football game last Friday night.

The band is directed again by Mrs. Erna Jobses and Glenna Ruth Davis is drum major. Majorettes are Jeanette Hughes, Cora Sue Atchley, Doris Harriman, Elaine Magness and Phyllis Magness.

The half time show presented by the band was very good. The band also performed in the Farmer County Fair Parade at Friona Saturday afternoon. The group placed second in the band division.

School Calendar For The Week

Grade football boys will play the Lazbuddie grade team on Thursday night, September 15, at Farwell.
The Aerial-Downies assembly program will be Friday morning, 9 o'clock in the auditorium.

Varsity squad will travel to Groom for a non-conference match on Friday night, September 16.
The senior class will sponsor a bake sale on Saturday, September 17. Anyone interested in buying something from the class, call any of the following numbers: 8-6318, 8-6238, 8-6578, 7-2441, 7-2467 and 7-2472.

Would you like to subscribe for one of the 1955-56 Farwell School annuals? Seniors are now selling subscriptions for these annuals and they will be delivered at the close of school. All you need is a \$1 deposit. Get your deposit paid if you are interested in having an annual. This pertains to any one outside of school as well as Farwell students. The seniors, who are sponsoring the annual, will be around selling ads within the near future. They have something brand new in the way of annual advertising.

New Program of Work Begun by Freshmen

With the opening of the present school term in the Texico School, a new program of work was set up for freshmen students.
In the new schedule, freshmen students get three required subjects: English, mathematics and general science, in addition to vocational guidance and driver's education.

The course in vocational guidance is in the nature of an exploratory course through which one is able to find his interests and determine his aptitudes and abilities. At the present time this class is being taught by Mrs. Agrie Jones and pupils are being given a two weeks course in typing, shorthand and bookkeeping.
A change in the age at which a boy or girl may get a driver's license makes driver's training a timely course at this grade level. The new ruling makes it possible for a student to get a driver's license at the age of 15 if the person has had driver's training.

As is customary in most high school classes, the election of class officers sets up the necessary mechanism for further activities during the year. Those elected for freshman offices are Monte Singletery, president; Jerry Reid, vice-president; Anita Moss, secretary; Darlene Day, treasurer; Teddy Roth, reporter; and David Lockhart, student council representative. The freshmen have as their sponsor, Curtis Miller.

Revival Ends At Texico Baptist Church

Revival services ended at the Texico Baptist Church on Sunday night, September 11, after an all day service held at the church in observance of the church's 50th year.

Pastor of the church, Rev. C. C. Morgan, reports that attendance was good throughout the revival, which began on Friday night, September 2.

Evangelist for the 10 day meeting was Rev. Hubert Foust of Graham. Sam Allen of Claremore, Okla., was song leader for the services. They both took part in the afternoon services held at the church Sunday.

Six new members were added to the church by baptism and several more joined by letter during the course of the revival.

Texico Defeats Field In Conference Tilt

If winning four games in a row is any indication of the outcome of the 1955 softball season, Texico should certainly come out victorious. So far both boys and girls stand undefeated, winning two from Field Friday night at the Jaycee park in Clovis.

The Texico girls stayed ahead all the way to win 7-2. A slump in hitting power together with the issuance of too many walks by the Field pitcher accounted for several runs.

Field boys, lacking strength on the pitcher's mound, were unable to overcome the lop-sided score piled up against them in the early innings of the game and lost the game 21-10 in spite of a fumbling Texico aggregation.

Farwell FFA Has Monday Night Meet

Farwell FFA Chapter met Monday night, September 12, and elected Miss Mary Ann Walls as chapter sweetheart. Jerry Venable was chosen vice-president of the organization.

Among the activities planned by the group for the coming year are a barbecue, an FFA party, a donkey basketball game, a summer trip, a stock show and a carnival booth at the annual Halloween carnival. They will also attend stock shows in the surrounding area throughout the year. The above mentioned plans are reported as being definite, but no dates have been set at this time, according to the reporter.

Dues for the FFA for this year have been set at \$3.

New Personnel In Texico School

Crystal Moss has been employed as cook in the Texico school lunchroom replacing Mrs. Hugh Tucker who recently moved to Plainview.
Other cooks in the lunchroom are Mrs. John Hightower, head cook, who is beginning her third year's service, Mrs. A. B. Bell and Mrs. R. E. Crooks.

Employed this year as assistant to T. H. Ritchie as custodian is Stanley Stewart, long time resident of the Texico community.

New bus drivers are Mrs. Loucille Stover and Steve Shelton. Returning drivers are N. W. Peyton, bus contractor, Leon Doolittle, John Adams, Fred Danforth and Allen Kelley.

Are Luncheon Guests

Luncheon guests in the home of Mr. and Mrs. L. R. Vincent on Saturday were Mrs. Vincent's sister and family, Mr. and Mrs. Lee Rothwell of Childress. Mrs. Vincent's cousin and family, Mr. and Mrs. J. B. Gault and children of Dallas, also were present.

Afternoon callers in the Vincent home were Mr. and Mrs. Dewie Rothwell, Priscilla Ann and Gary Lynn.

Esther Class Meets With Mrs. Bill Liles

Esther Sunday School class of Farwell Baptist Church met Monday night, September 12, in the home of Mrs. Bill Liles for a regular business meeting and social. Mrs. Calvin Murray led the devotional and an installation program committee was appointed. Serving on this committee are Mrs. Charlie Hromas, Mrs. Cecil Rundell and Mrs. Raymond Martin.

Mr. and Mrs. Everette Christian and their daughter and grandson, Mrs. Darrell Norton and son, returned Friday from Chicago, Ill., where they visited Mrs. Norton's husband, who is stationed there for special training.

Mrs. Calvin Murray was elected assistant teacher of the class and Mrs. Cecil Rundell was elected to fill the office of vice-president.
Mrs. Liles served refreshments of angel food cake, pops and coffee to Mesdames Jack Spurlin, Raymond Martin, Clarence Johnson, Joe McWilliams, Charlie Hromas, Calvin Murray, Joe Reed, Weldon Rundell, Fred Curtis, Cecil Rundell, and one visitor, Mrs. Dale Price.

LEGAL— THE STATE OF TEXAS

To any Sheriff or any Constable within the State of Texas—GREETING:
You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Farmer County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION THE STATE OF TEXAS
TO: Eugene L. Swenson and wife, Esther Swenson, Charles W. Swenson, Jr., and should he have ever married, then his unknown wife or wives, Ira M. Cobe and wife, E. W. Cobe, Grayson M. P. Murphy and wife, Maud D. Murphy, William S. Hood, and should he have ever married, then his unknown wife or wives, and Benjamin B. Putnam, and should he have ever married, then his unknown wife or wives, and should any of the said defendants be deceased, then their unknown heirs, assigns or legal representatives, Defendants, Greeting:
YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Farmer County at the Courthouse thereof, in Farwell, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation same being the 17th day of October A. D. 1955, to Plaintiff's Petition filed in said court, on the 3rd day of September A. D. 1955, in this cause, numbered 1810 on the docket of said court and styled H. T. EDWARDS, Plaintiff, vs. EUGENE L. SWENSON, ET AL, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiff brings this suit in trespass to try title, alleging that he is the owner in fee simple of All of Section 24, Block "A", of a Capitol Syndicate Subdivision of Farmer Co., Texas; that on or about the 1st day of September, A. D., 1955, the Defendants entered unlawfully upon such land and ejected Plaintiff therefrom and wrongfully withhold possession from such Plaintiff; and Plaintiff further sets up and pleads the 5-and-10-year Statute of Limitations as same pertains to land titles in the State of Texas, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
Issued and given under my hand and the seal of said court at Farwell, Texas, this 3rd day of September A. D. 1955.

job falls to Gram'ma. We haven't had the heart to inquire as to who is doing Grand'ma's work. But having been in the newspaper game over 40 years, she has done more job switching than any of the rest of us combined.

So we did get our assignments straight. In the meantime, Joann Getz, the front office whiz, was slightly incapacitated with the toothache, and returned from the dentist in fair condition, but unable to eat. She is still on the job, but is weakening somewhat.

Somehow yesterday, we were all here and all stayed busy trying to print a 10 page Bovina Blade. As darkness fell, the Blade and several "bushed" crew members staggered out the door. After gulping down supper (we think) work started on The Tribune. This continued until 12:30 a. m. when mama and papa had to rush home to take Hal's diapers from the clothesline. So, in answer to all the questioning looks from our neighbors, the laughter heard coming from our backyard after midnight was pure "hysteria," nothing else. We were trying to picture the little editor in cup towels, that hadn't made their trek through the washer yet.

Everyone was back bright and early this morning (Thursday) and we haven't yet had a chance to inquire if they had a pleasant four hours sleep. But everyone is acting normal as though they think we will make our six o'clock post office deadline.

The society editor, not at all looking the part—was perturbed when one citizen asked her if today was washday. We think she looks quite fetching in her blue jeans, but she is embarrassed to tell people that she hasn't had time to iron her clothes.

But all the staff has one other thing to look forward to; Esther and Ronny Ferguson, who are in the back shop, are hoping their "new" car will come in. If so, they are working diligently so they will all have a chance to take a ride, if it should be here.

We haven't mentioned Mrs. Henderson's part in our trials, but as is her nature, she sits back and weeds out the errors in our columns, without making too much fuss and getting lots done. She still doesn't even take time for a cup of coffee.

With all the tension which builds up each Thursday and reaches its peak when the last copy is in the post office, there is one characteristic Sonny and yours truly wouldn't give up. That is the "togetherness" of the staff. If you don't think we have the grandest bunch of employees in the state of Texas, just come in and try working with them some time.

(LATE FLASH: The climax just arrived. The press placed a sizable black blob of printer's

ink on the crown of the society editor's head, leaving her with a nice artificially tinted greasy top-knot.

The lights over all the machinery went out, but by dragging Otis Huggins, the Southwestern Public Service man, away from his vacation (before he got started) we are still rolling.)

manent pasture. There will be seven acres of pasture in this block, which will be taken over by the 14-year-old son, Duane, for his 4-H Club Work. A three-inch electric well will be used to water this small pasture.

The remainder of the Rea farm is being prepared for wheat seeding at the present time.

Rea, who has been an SCD co-operator since 1948, says, "I surely think that the District is doing some good work." He constantly remarks of how "poor" the land on his farm is, and it is evident that he is intent on building it up as high as is practically possible through up-to-date soil conservation practices.

Peace officers spent the early hours of Sunday morning trying to capture three youths who were involved in a night-long escapade involving a stolen car, a stolen pickup and a burglary. The chain of events began in Clovis when the city police there were called to the scene of a fight in the west part of the city, Lovelace says.

Officers who answered the call were told by a "badly-beaten youth" that the three culprits had forced another youth to drive them away from the fight scene.

Later, Portales officers informed the Clovis police that the boys had been involved in a burglary in that city. The boy who was forced to drive the trio to Portales was kicked out of the car after the theft. He then walked to town and notified officers.

A roadblock was set up at the intersection of the Portales-Texico highway. But the boys ran the block and headed toward Farwell. The youths, driving at excessive speed, struck a tree about 2½ miles east of Farwell. They climbed from the vehicle and ran into a field under cover of darkness, and officers were unable to locate them.

The juveniles then walked to Farwell and stole a pickup belonging to Ed Blain and headed toward Clovis. A group of Farwell citizens saw the boys take the vehicle and gave chase.

But the driver lost control of the pickup about two miles east of Clovis and had another wreck. Farwell citizens held the boys until an unidentified woman stopped at the wreck scene and one of the youths pulled a pistol and forced

the woman to drive them to Clovis, then back toward Farwell when a police car was spotted.

After going a short distance, the young men had the woman stop the car, and ran into an adjacent field. When police followed, two of the boys surrendered and the third one had not been apprehended early this week.

Officers say both youths have criminal records. The local sheriff says the two will be charged here with theft of the Blain pickup. The pickup, which turned over, was damaged in the amount of about \$400, says Lovelace.

Extradition papers are being prepared for their return to Texas.

Anderson, Brewer, Elliott On Board

In a meeting of commissioners court Monday, three local men were appointed to the Veteran's Land Board committee for Parmer County under provisions of House Bill 341. Men are Loyde Brewer, Bass Elliott and R. W. Anderson.

Also, commissioners decided to set ¼ non-participating term royalty interest in and to oil royalty, gas royalty, gasoline and royalty in and under the Parmer County School lands in Gaines County. Bills were paid at the session.

Richard Hapke was confined to bed this week with a severe case of flu. He was still unable to be up and around at press time Thursday.

Mr. and Mrs. Lester Snider of Clovis, Farm Bureau insurance agents, were guests of the Texico Farm Bureau at a regular Bureau meeting held Monday night, September 12, in the Texico School lunchroom.

Olan Schleuter, local chairman, presided at the meeting and Barney Harding, local secretary, read the minutes of the previous Bureau meeting.

J. R. Hadley Sr. gave a report of the fair booth for the Curry County Fair which began in Clovis Wednesday. Schleuter read six resolutions which will be voted on at the county Bureau meeting to be held in November.

Snider, guest speaker of the evening, gave a talk on the Safety Responsibility Law.

A nominating committee was elected to submit names for offices in the organization for the coming year. The names will be submitted for voting at the next meeting of the Bureau. Chosen to serve on the nominating committee were J. R. Hadley Sr., Mr. Brehm and B. A. Rogers.

After the business session, Mr. and Mrs. Levi Reid, program chairmen, presented the evening entertainment. Joyce Gilleen gave a reading entitled "My Sin" and Gayle Hadley sang "Cherry Pink and Apple Blossom White." She

was accompanied at the piano by Mrs. Evelyn Hadley. Karen Brehm read "Late for School" and Sue Reid gave a reading concerning an old maid wishing to get married.

Watermelon was served to 33 members and two guests. "Forty-two" and other games were enjoyed by those present to close the evening's activities.

Texico 42 Players To Have Call Meeting

Clyde McDaniel, president of Texico 42 Players League, announced this week there will be a call meeting of the league on Tuesday night, September 20, in the Texico School lunchroom at 8:15.

McDaniel urges all interested players to be present at the meeting and states that league teams and other important business will be discussed.

Those planning to attend Tuesday night's meeting are asked to bring dominoes.

Large Crowd Attends Jubilee Service

An estimated crowd of 200 persons gathered at the Texico Baptist Church on Sunday, September 11, to participate in the services held in connection with the observance of the 50th year of the church. A basket lunch was served at the noon hour at the church. Rev. Virgil Hunton of Clovis, a former pastor of the church, was one of the speakers on the after-

noon's program. Olan Schleuter of Texico and Jack White of Clovis gave a history of the church. White is a former member of the Texico church.

Special music was furnished by Mr. and Mrs. R. L. Douglas, Mrs. Murray White and Luther Pearce.

Rev. Hubert Foust, evangelist for the revival held at the church last week, closed the afternoon's service with an inspiring message.

TO HAVE BAKE SALE

Ladies of the United Pentecostal Church are sponsoring a bake sale to be held at The Furniture Mart in Texico on Saturday, September 17.

Reporter for the group says that cakes, pies and possibly cookies will be on sale.

Mrs. C. A. Cassidy and Beverly and Mrs. L. T. Utsman attended the county fair at Friona on Friday.

Maps Show Details of Castro Irrigation Resources

Readers will remember a story run on the front page of The Tribune two weeks ago indicating that Parmer County's supply of underground water available for irrigation is greater than Castro County's—our neighbor to the east.

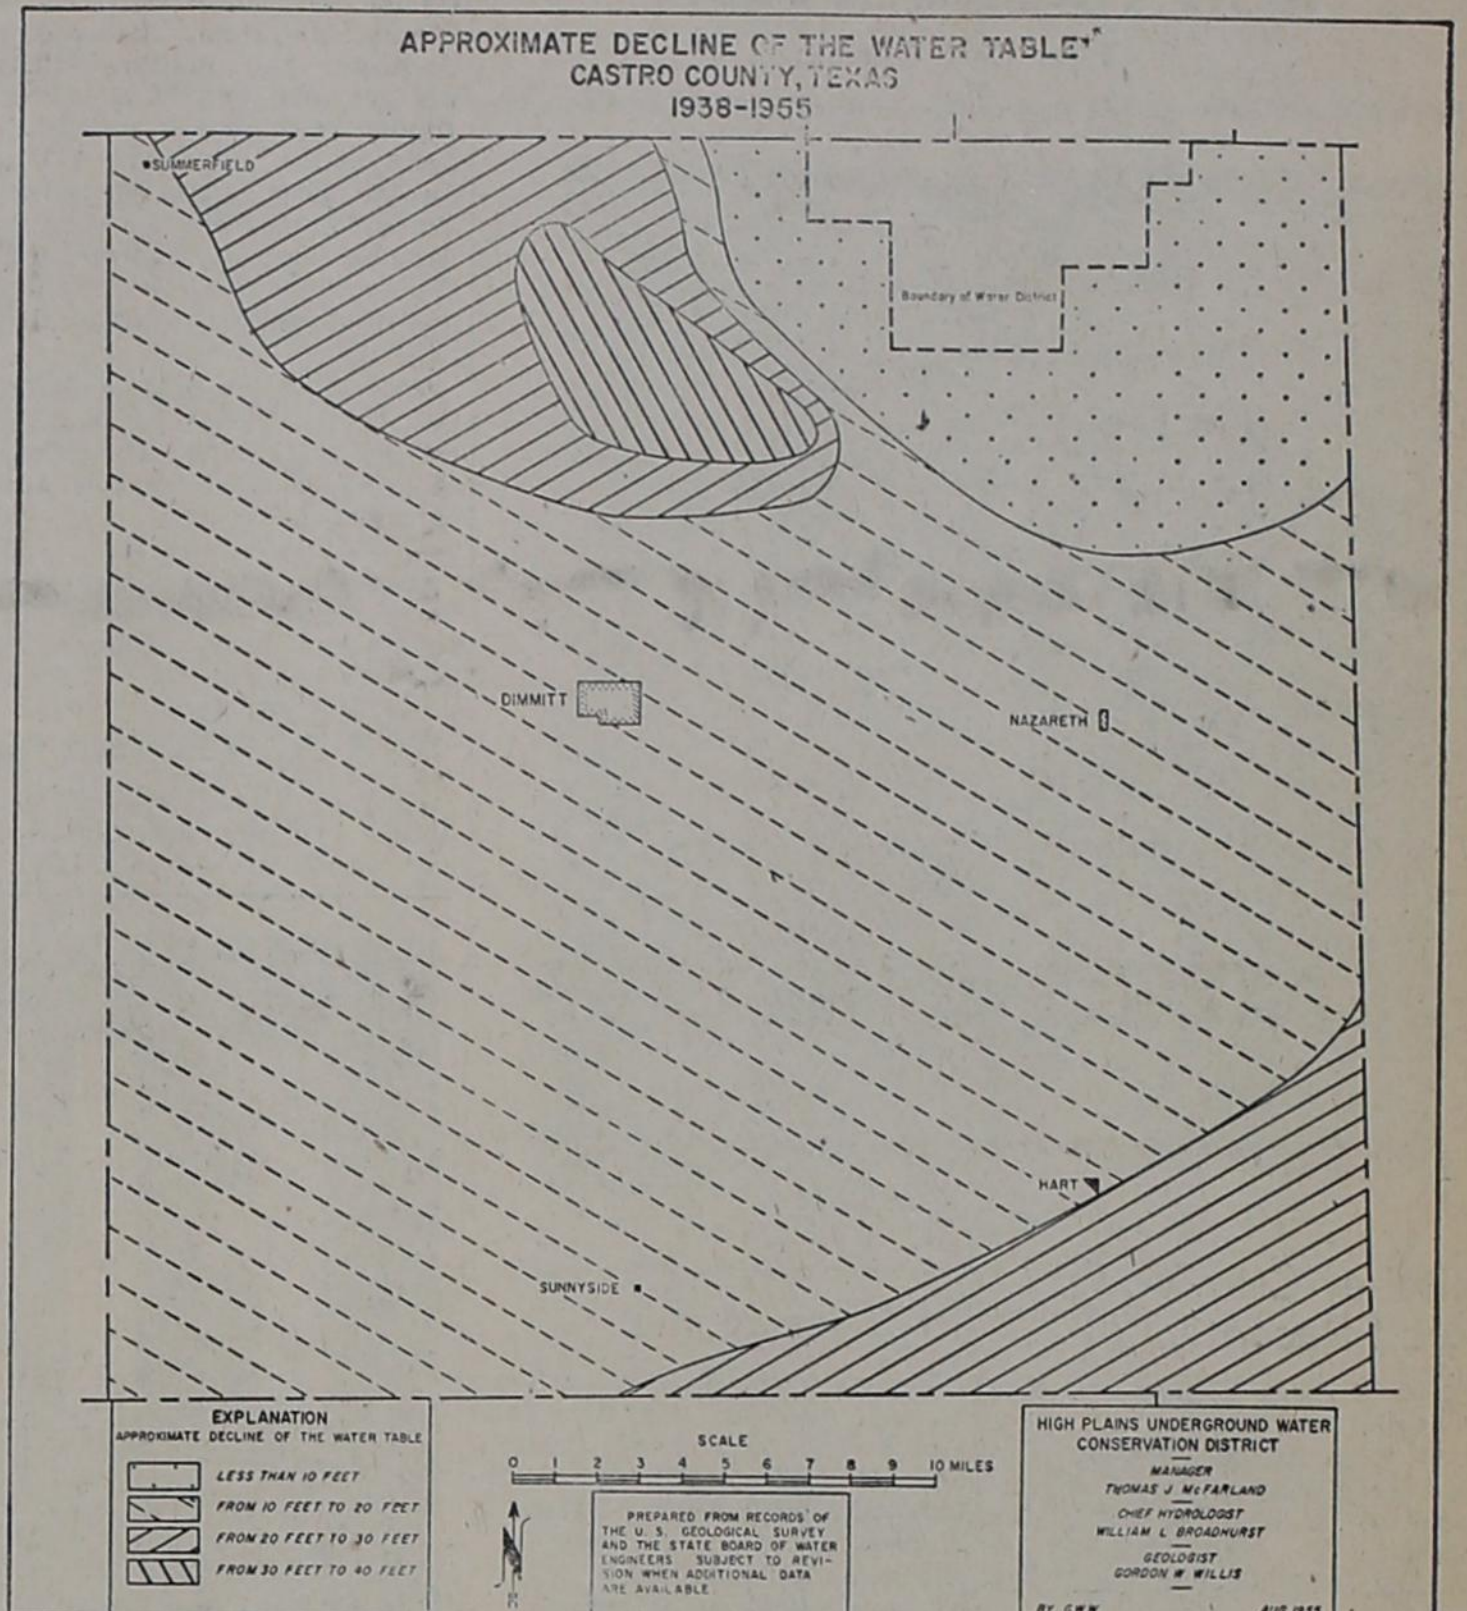

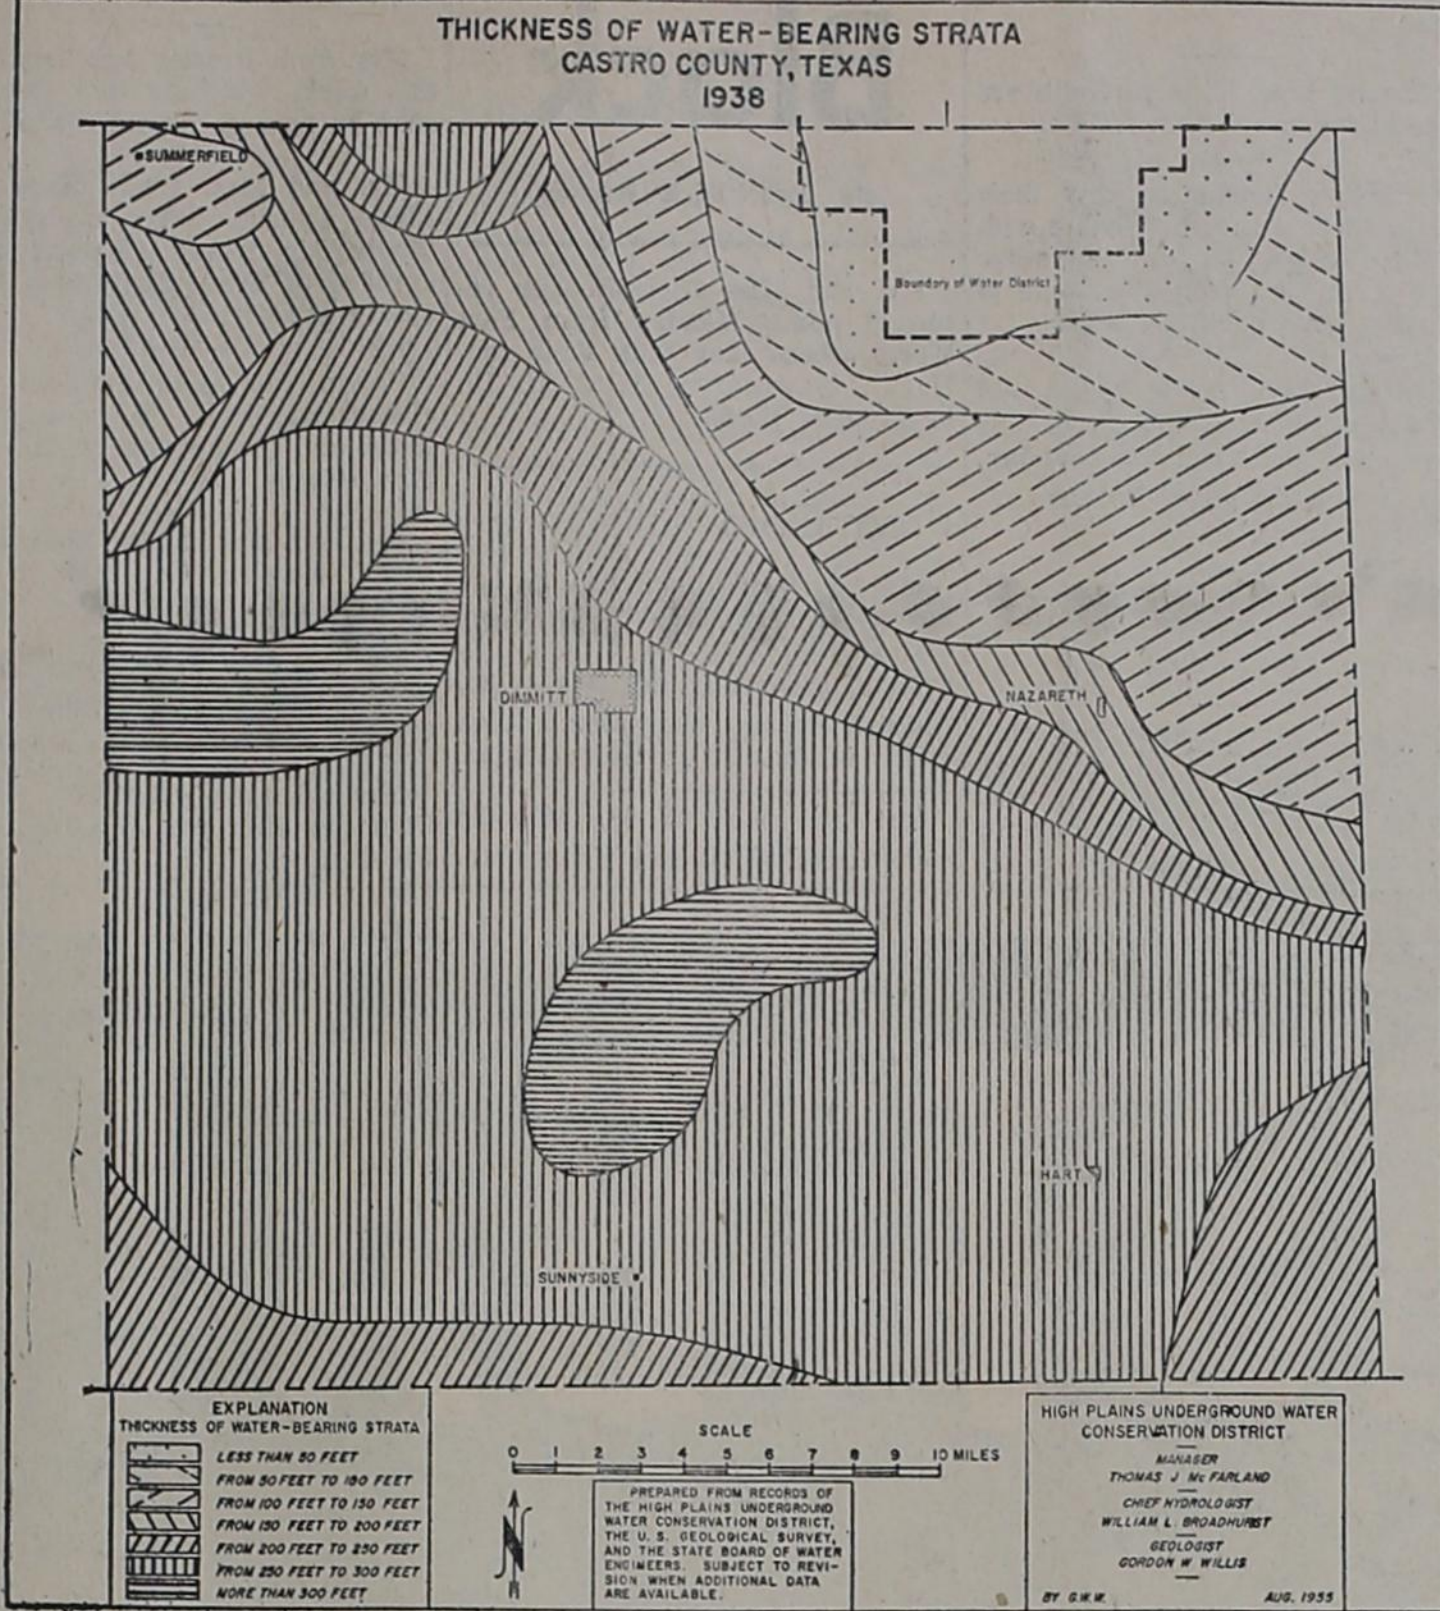

(Here, in detail, is the continued study by the Water District of additional counties of the High Plains. Parmer County's resources have been inventoried at 16,300,000 acre-feet.—Ed.)

The portion of Castro County within the boundary of the High Plains Underground Water Conservation District covers about 540,000 acres of land. (The total area of the county is 560,640 acres.) The underground reservoir in the Ogallala formation beneath the area within the district contains approximately 15,900,000 acre-feet of ground water in storage available for pumping.

The map in plate 1 shows the thickness of the water-bearing strata between the water table and the redbeds in 1938 before, an appreciable amount of water had been pumped from the reservoir. The map in plate 2 shows the decline of the water table from the spring of 1938 to January 1955.

The volume of water remaining in the underground reservoir was determined by subtracting the volume of material unwatered since 1938 from the total volume of saturated material in 1938 and multiplying the remainder by the coefficient of storage of 15 percent.

These data show that 17,200,000 acre-feet of water was in storage available for pumping in 1938, and that 1,300,000 acre-feet of water has been removed from storage since 1938. In other words, 7.6 percent of the volume of the available water has been removed from storage since 1938.

Approximately 850,000 acre-feet of water removed from storage was or about 65 percent of the volume pumped during the 5-year period

from January 1950 to January 1955.

The approximate quantity of underground water in storage, available for pumping, beneath an individual farm may be determined

by multiplying the number of acres in the farm by the thickness of the water-bearing strata underlying the farm and then multiplying by the storage coefficient of 15 percent.

Suppose the farm consists of 320 acres and has 200 feet of water-bearing strata underlying it, then 320 acres x 200 feet x 0.15 equals 9,600 acre-feet of water available for pumping. An acre-foot of water

is the quantity required to cover one acre to a depth of one foot, and it is also equal to 43,560 cubic feet or 325,829 gallons.

An individual may use this information. (Continued On Next Page)

NEWS FROM LAZBUDDIE

By Mrs. Bert Gordon

Mr. and Mrs. Max C. Crim

Ritchey-Crim Vows Read Recently

Miss Barbara Ritchey and Max C. Crim, son of Mr. and Mrs. J. W. Crim, Lazbuddie, were married recently in an afternoon ceremony at the home of the bride's parents, Mr. and Mrs. Arthur Ritchey, 1122 Kuler Avenue, Dalhart.

The Rev. W. R. Lawrence, pastor of the First Baptist Church, read the double ring ceremony before a picture window decorated with a tier arrangement of blue tapers and baskets of white gladioli.

Miss Betty Ritchey, cousin of the bride sang "Because," "If God Left Only You" and "The Lord's Prayer" accompanied by Miss Patricia Graham, organist.

Maid of honor was Miss Irene Ritchey, sister of the bride, who wore a ballerina length blue net dress over taffeta with a matching bolero of embroidered lace. Her head dress was of blue shirred net.

John Norman Crim, brother of the bridegroom, was best man. Candles were lighted by Don Ritchey, brother of the bride, and Weldon Crim, brother of the bridegroom.

Mr. Ritchey gave his daughter in marriage.

She wore a gown of nylon organdy over taffeta styled with a molded bodice featuring a high neckline and Peter Pan collar. The full skirt was ballerina length. Her veil of imported illusion was attached to a headdress of net petals and pearls. She carried white carnations on a white Bible.

The bride's mother, Mrs. Ritchey, wore a navy linen suit with white accessories and a white carnation corsage. The bridegroom's mother, Mrs. Crim, wore a navy faille dress with black accessories and a white carnation corsage.

Assisting with the reception were Miss Twila Tinney of Dalhart, who presided at the punch bowl, Miss Earlene Phillips, Hereford, who served the cake, and Mrs. James Slay, Amarillo, who registered guests.

Blue daisies flanked by white tapers in crystal holders formed the centerpiece for the serving table, which was covered with white lace over blue.

The couple will be at home at 1616 Jackson, Amarillo. For travel Mrs. Crim wore a blue handkerchief linen dress with white accessories and white carnations from her bouquet. She is a graduate of Dalhart High School and West Texas State College, Canyon, and is employed by the Amarillo Public School system. Mr. Crim is a graduate of Lazbuddie High School and is a senior at West Texas State College.

The Tribune has ALL the news.

To College

Young people of the community leaving for college this week are Winnie Paul Ham, Jimmy Frank Carpenter and Barbara Hinkson who are going to Tech at Lubbock; Jimmy Dewayne Ivy and Rudolph Jesko to the University of Texas, Austin; Jean Louise Gammon to Texas State College for Women at Denton; Jerry Gleason to A&M at College Station; Clara Jean Jesko to Southwestern University, Wichita Falls;

Also, Mitzi Ivy to Amarillo Junior College, Amarillo; and Robert Ivy to Arlington State College at Arlington. There may be others we failed to contact.

Showers were general over the community, ranging from very light to as much as four inches in the extreme eastern section. Most everyone thinks it is too late to benefit dryland crops.

Mr. and Mrs. J. T. Presley and son of Bakersfield, Calif., spent Sunday with Mr. and Mrs. Tom Presley.

COLLEGE COSTS: UP THEY GO

The cost of a college education is going up. Students and their parents had better steel themselves for the shock. By next fall, tuition costs will be raised from the present fee of \$800 to \$1,000 in a few schools, and other schools are likely to increase their charges proportionately. Tax-supported colleges will also increase their tuition fees, primarily for out-of-state students.

Friona Downs Vega In Season Opener

Friona Chiefs began their football season last Friday night with the Vega team and came out the winner, after being branded pre-game underdog in the match, by a score of 26-6.

The Chieftains racked up a total of 27 first downs with their opponents making only eight.

Friona's scoring attack began in the second quarter when Billy Parker scored a touchdown from eight yards out. The try for extra point by Parker failed and the score stood at 6-0 at the end of the half in Friona's favor.

Parker scored again in the third quarter with an 18 yard run and the try for extra point by him was good. Later in the third, Parker scored again from 21 yards out. His try for extra point was a thriller for the fans because it hit the goal post at dead center. It needed only to be about two inches higher for it to have been good. Score at the end of the third was Friona, 19, Vega, 0.

Leon Massey scored the fourth touchdown of the game for Friona in the fourth quarter from six yards out. Wesley Barnett made the run for extra point and this gave the Chiefs a good edge over the Vegans with the score at 26-0.

Near the end of the game, the Vega team finally got a touchdown when Dicky McNabb ran the ball over from three yards out. Their try for extra point failed and this ended the scoring for the evening with the final score reading, Friona, 26 and Vega, 6.

Friona was penalized 55 yards while Vega was penalized 10 yards.

Friona Chiefs will travel to Stinnett this Saturday for a game there beginning at 8 p. m. The local team will leave Friona about 1:30 p. m. and Coach Means says that he expects all the remaining games to be tough ones, but that the game with Stinnett this Saturday will be about the toughest.

J. B. McFarland Turns First Shovel of Dirt At New Hospital

J. B. McFarland, pioneer of Friona, had the honor of turning the first shovel of dirt at the ground breaking ceremonies of the new Parmer County Community Hospital Saturday afternoon.

Jimmy Baxter, manager of the local hospital, says that approximately 200 persons attended the affair.

Other speakers at the ceremony were Pete Buske, president of the hospital board, and Charles Allen, local banker.

The invocation was given by Rev. C. M. Fields, pastor of the First Baptist Church in Friona, and the closing prayer was given by Rev. Hugh Blaylock, minister of the First Methodist Church in Friona.

Mr. and Mrs. Pete Buske took their daughter, Deanne, to Lubbock Sunday. She plans to attend Texas Tech College in that city.

Accident Near Black Injures Woman

A one car accident near Black Friday about 1:30 p. m. caused injuries to a Springfield, Mo. woman and another passenger in the car was injured slightly.

Mrs. W. R. Snow was driving when a blow out occurred. It is believed that Mrs. Snow put her foot on the brake and then hit the gravel along the side of the road causing the car to turn over two or three times. The car landed on its top with all occupants still inside. They were taken to the Parmer County Hospital by Marcum-Claborn Ambulance where it was found that Mrs. Snow was the most seriously injured. The Snow's small son was not hurt in the mishap.

It is reported that Mrs. Snow is doing fine at this time.

Baptist Revival Sets Attendance Record

Rev. C. M. Fields, pastor of the First Baptist Church in Friona, says that the recent revival at the church was a success in every way.

Rev. Fields says that 41 additions were made to the church with 23 persons joining by baptism.

A new record for a revival period was set Sunday when 666 were in attendance for Sunday School. Two hundred and ninety five attended the training union session.

SCHEDULE CLEAN-UP DAY

Clean-up and Work Day is scheduled for all day Thursday at the First Methodist Church in Friona. All women and men who are able have been asked to attend and bring a covered dish for lunch at the annex.

Hi-Point HD Meets In Hough Home

Hi-Point Home Demonstration Club met Wednesday, September 7, in the home of Mrs. Spencer Hough. The regular meeting of the club was scheduled for Friday of that week, but because of conflict with the county fair, the date was changed to Wednesday.

The group had a short business meeting and then traveled to the fair barns where they had planned to clean up the booth which their organization was to use. After arriving at the fair grounds, the group found that the carpenters were still busy fixing shelves, so their project for the day was abandoned.

Mrs. G. L. Mingus, member of the club, met the group at the barns and then they went to the park in Friona where Corinne Stinson, county HD agent, joined the group, and all had refreshments of lemonade and cookies. Others present at the meeting included Mesdames Joe Brummett, Lee Renner, Elmer Oldham, Billy Dean Baxter, F. M. Woolbright, and Lloyd Mingus.

Next meeting will be held September 23 in the home of Mrs. Glen Mingus at 2:30. Program will be on the care of house plants.

WSCS of the Friona Methodist Church met in regular session Tuesday afternoon in the home of Mrs. Eugene Ellis. Co-hostesses were Mrs. George Jones and Mrs. Russell O'Brian.

"The Spread of the Kingdom in Perilous Times" was the title of the program with a special feature on Korea being presented. Mrs. Ralph Shelton was in charge of the program.

The devotional was given by Mrs. I. T. Graves and the benediction was presented by Mrs. Hugh Blaylock.

Refreshments of fresh strawberries over ice cream and cake were served to Mesdames George Jones, Russell O'Brian, Ralph Shelton, I. T. Graves, Hugh Blaylock, James Boyle, Joe Moyer, A. A. Crow, Howard Ford, Will Osborn, Andy Hurst, Homer Lindeman, Hadley Reeve, Ella Sulser, Billy Sides, Kenyth Cass, C. L. Vestal, Newt Gore, Bill Stewart, J. K. Anthony, A. W. Anthony, U. S. Aiken, W. H. Long and the hostess, Mrs. Ellis.

Next meeting of the organization will be held September 27, at the church at 2:30 p. m.

Senior Bridge Club Meets at Woodleys

Senior Bridge Club of Friona met last Saturday afternoon in the home of Mrs. Bill Woodley for their regular meeting.

Mrs. Bert Chitwood was given the honor of high scorer and received the designated prize. Low score for the day was held by Mrs. H. C. Kendrick.

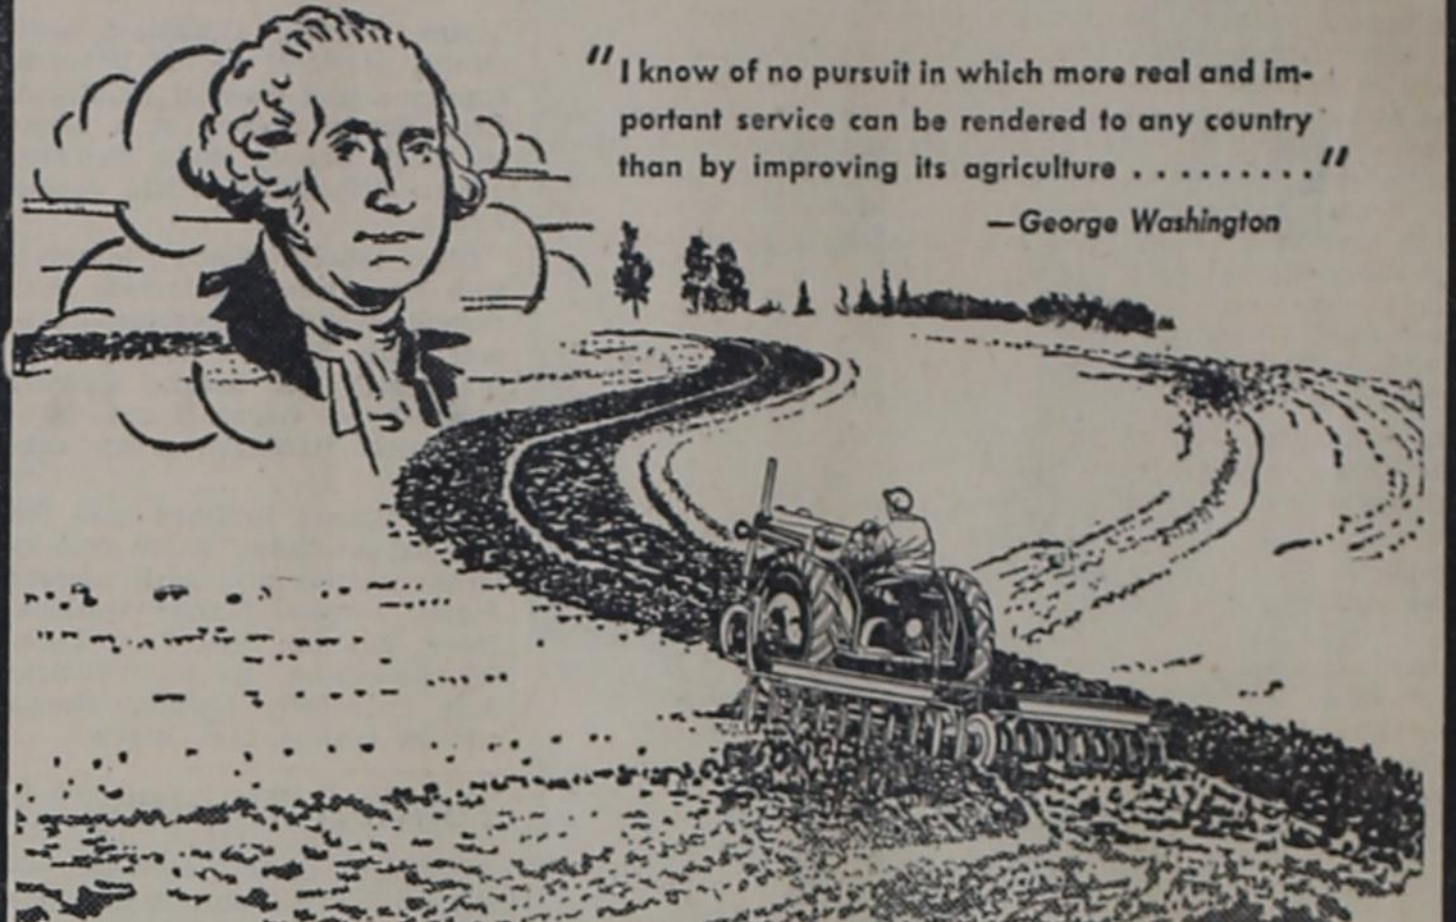

Refreshments of salad, wafers, spiced fruit, coffee or tea were served to the above and Mesdames Wayne Stark, Carl Maurer, Bert Shackelford and O. F. Lange.

Next meeting will be held September 24, in the home of Mrs. M. B. Bartlett.

Mrs. O. F. Lange returned recently from a visit in Ft. Worth, Houston and Harlingen.

DO YOU PRACTICE CONSERVATION EVERYDAY?

Yes, when you "shop" for value on any purchase, you try to get the most for your money . . . to save or conserve your financial resources . . . to make available resources or funds more productive. That's conservation as applied to spendable wealth. But our greatest wealth is not in cash or savings or bonds! Our greatest wealth, America's greatest wealth, is the soil and water resources that support all life. These resources are all that stand between us and starvation. They bridge the gap between generations . . . account for the difference between political freedom and oppression.

Need these resources be conserved? The farmers who organized and manage 2300 non-political Soil Conservation Districts answered that question. Sure, it takes time, and effort and money . . . but it all comes back many times over in greater returns from increased production . . . and at unheard of interest rates and with extra protection for the principal! But what is more important, the conservation of our soil and water resources assures for posterity, America of the future, the heritage that we now enjoy . . . an endowment that was earned by our forefathers!

Together we can build for a more stable future . . . for an even higher standard of living. We like to serve as well as sell and pledge our best efforts to the furthering of the work of the soil conservation districts.

Conservation

In the Truest Sense Of the Word!

This year, another big harvest is in prospect, and another big bite will be taken from the rich land that we are so fortunate to have.

Commercial fertilizer is a long way from the experimental or luxury stage for most irrigated farms on the High Plains today. Farmers know that they can't "take it all out and put nothing back in."

Maurer Fertilizer is pleased to see the good work being done by the Parmer County Soil Conservation District cooperators. Soil conservation is essential to our very existence.

Indians Win Crown In Irrigation League

Friona Indians wound up the Irrigation Belt League conference last Sunday by defeating Umbarger at Friona by a score of 11-10. The champions were presented with a trophy at the end of Sunday's game and John Renner, manager of the local club, says that he believes his team had a good season. He added that he didn't know what the local team would do next year, but that he wasn't planning to play baseball anymore.

Barrett went all the way on the mound for Friona with eight strikeouts and two walks. He gave up nine hits.

Losing pitcher was Brandt who had three strikeouts and gave up 12 hits.

Umbarger went out in front in the first inning by one run and the score stayed at 1-0 until the fourth inning when Friona brought in a man to tie the score at 1-1.

Friona then had a scoring streak in the fifth when they brought six men across pay dirt while Umbarger only scored one man in

this inning to make the score, Friona, 7, Umbarger, 2.

Three more runs were scored by the Indians in the sixth and the Umbarger team scored two runs in the sixth. Umbarger got two more runs in the seventh and then came out in the eighth bringing in four men to tie the score at 10-10.

Friona then came up in the eighth and got the winning run on a single by F. L. Oliver, an intentional walk of Renner, and a double steal.

This play in the eighth was the most exciting moment of the day, followed closely by a play in the sixth inning when Barrett, was on base and Renner hit the ball over the fence for two runs. The other run in the sixth inning was made by Veazy of Friona.

Renner says that the Indians wish to express their appreciation to merchants and citizens in and around Friona who aided the team with the baseball field and the purchase of the needed equipment.

As a last note, Renner adds that the equipment which the Indians used will be donated to the local school system to be used next spring when baseball begins in the local schools.

Junior Training Union Has Hay Ride Monday

The Junior Training Union of the First Baptist Church in Friona held a hay ride on Monday evening. The 67 members and guests who attended met at the church at 6:30 and then took the hay ride out to the home of their sponsors, Mr. and Mrs. Jerry Maynard.

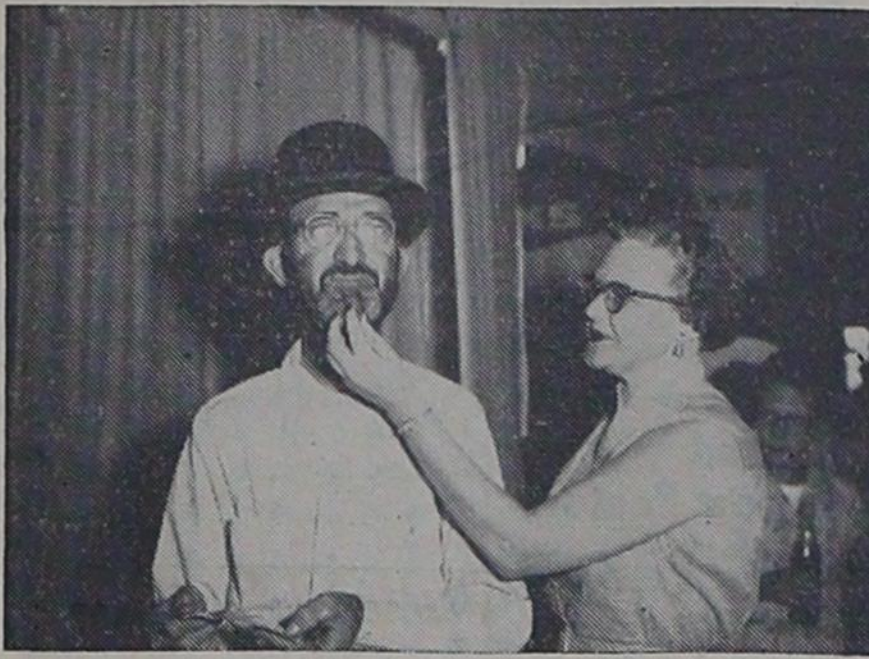

After arriving at the Maynards, the group had an outside chicken fry with refreshments of watermelon before returning to Friona late that evening.

Surprise Party Honors Don Lewis Wednesday

Don Lewis, choir director of the Friona Methodist Church, was honored with a surprise farewell and birthday party last Wednesday evening in the home of Mr. and Mrs. Wright Williams.

Refreshments of home made ice cream and cake were served to those in attendance.

Juanita Jean Roden, daughter of Mr. and Mrs. J. R. Roden of Clovis, became the bride of Jack Crafton Jr., son of Mr. and Mrs. Jack

Crafton Sr., of Henderson, Ky., in a formal ceremony at the Sacred Heart Catholic Church in Clovis. Vows were exchanged Monday morning at 9 o'clock. The bride is a former resident of Friona and is well-known in this vicinity.

After a wedding trip to Old Mex-

ico the couple will be at home in Henderson, Ky.

Those from Friona who attended the wedding included Mrs. Frank Spring, Mrs. Wright Williams, Mr. and Mrs. Ray Landrum, Mr. and Mrs. C. W. Dixon, Mr. and Mrs. Dan Ethridge, Mr. and Mrs. Sloan Osborn, Mrs. Roy Clements, Mr. and Mrs. M. C. Osborn and son, M. C. Jr.;

Also, Mr. and Mrs. Carl Maurer, Mrs. Bert Chitwood, Mrs. L. F. Lillard, Mrs. O. F. Lange, Mrs. Bert Shackelford, Mrs. M. B. Bartlett, Mrs. Dan Lacey, Mrs. Herbert Day, Mrs. Marvin Lawson and Ralph Roden and his mother, Mrs. Roden.

First PTA Meeting To Be Tonight

The first PTA meeting of the fall term will be held this evening (Thursday) at 8 p. m. in the gymnasium of the local school.

The session will feature a reception for all teachers in the Friona Schools.

Mrs. Frank Spring is chairman of the hospitality committee and the business meeting will be presided over by Mrs. Nelson Welch, president of the organization.

Special Program Presented Sunday

The choir of the Friona Methodist Church, under the direction of Don Lewis, presented a special musical program Sunday evening at the church. This was Don's last night as director. He is leaving Friona for college in Southeast Texas.

The special program began at 8 p. m. and favorite anthems that the choir had presented in the past were given.

Vocal selections given by the group included "Master The Tempest in Raging," "Along," "Hallelujah for the Cross," "Grace Greater Than Our Sin," "All Hail the Power of Jesus Name," "Wonderful Grace of Jesus" and the Negro spirituals presented were "Swing Low," "I Know the Lawd's Laid His Hands On Me" and "Lord, I Want To Be A Christian."

This special group of songs was followed by a meditation on music given by Nancy Outland, then The Apostles Creed, arranged by Don Lewis, was given. The benediction entitled, "Abide With Me" closed the special Sunday evening service.

MYF sub-district meeting was held in Friona on Sunday afternoon at 2:30.

TILE MAKES POSSIBLE 35-ACRE SET

Here's irrigation on a big, smooth scale. This view of the A. L. Black farm east of the Hub shows water running down 160 rows at once from the gates of aluminum surface pipe in the foreground. The 8-inch and 10-inch wells which are pumping into the pipe irrigate 35 acres at a setting, and are no trouble to operate, according to Black. He is firmly convinced of the value of such practices.

A. L. Black "Sold" on Merits Of Concrete Irrigation Tile

The records show that Parmer County farmers spent more money on the installation of underground concrete irrigation tile than any other conservation practice during the past year.

One important reason for this greatly increased interest in tile has been the influence of those who have used it. The opinion of a man who has tried farming by both the open ditch and underground tile methods has great effect on those who are considering the improvement.

It is doubtful that there is a farmer in the county so completely "sold" on underground irrigation tile as is A. L. Black of the Hub community, who is a supervisor of the Parmer County Soil Conservation District.

Black has 1 1/2 miles of pipe on his 500-acre farm northeast of the Hub, and uses the tile in connection with one 8-inch and one 10-inch well. Complementing the tile are 600 feet of aluminum surface pipe which offer the ultimate in flexibility and portability.

"Underground tile is the best thing I've run into yet in irrigated farming," says Black. He laughed and added, "I probably wouldn't have bought it if I had known how much it was going to cost me—but now I'm sure glad that I did buy it!"

His tile, surface pipe, and two irrigation wells represent an investment of \$32,000 in improvements for the place.

In addition to conserving water which otherwise might be lost through seepage, broken ditches, and evaporation, the underground tile means a vast improvement in the labor necessary to efficiently irrigate the farm.

Hugh Webb, who is employed on the Black farm, estimates that it takes about half as much time to tend to two wells on the place with the tile, as it does the Black home place where two wells are irrigating by means of the open ditch method.

In addition, Black adds that he feels sure that the use of the system has resulted in making from one-fourth to one-third more water available at the row by elimination of waste in the ways already mentioned.

"I could have used the money I spent on the tile to put down an-

WHY WE **ALL**

HAVE A STAKE IN SOIL CONSERVATION

Since the time of the Pharoes, man has proved to himself over and again—thousands of times—that all he has in material wealth comes from the soil. Destroy the soil's fertility and destroy abundance!

We of Parmer County have been wonderfully blessed with a highly productive soil, but it cannot last indefinitely without care. As stewards of the good earth, farmers of the Parmer County Soil Conservation District are doing much to preserve this great natural resource.

On this week, designated as Soil Conservation Week in Parmer County, we acknowledge and praise the work by District cooperators. Future generations will owe you a debt of gratitude!

ACP Program Aids Farmers In Conservation Practices

The Agricultural Conservation Program has been assisting farmers in carrying out soil building and soil conserving practices since 1933 by the Federal Government sharing in the cost of the actual out-of-pocket cost of various practices approved for the county.

The program first started with the County and Community AAA Committees selecting practices and establishing rates of payment they believed necessary to get better farming practices carried out. In the beginning, about the only practices included in the program were building terraces, contour listing and contour farming row crops, leaving grain sorghum stubble on the land as a protection against wind erosion and summer fallowing land.

This type of program was carried out for several years with all the practices being set up and administered and performance being checked by AAA, PMA, or ASC committeemen and employees.

In about 1948 the program was changed so that soil building practices to be included in the county program were discussed and approved by County and Community PMA Committeemen, SCS personnel, the County Agricultural Agent, representatives of Texas Tech-

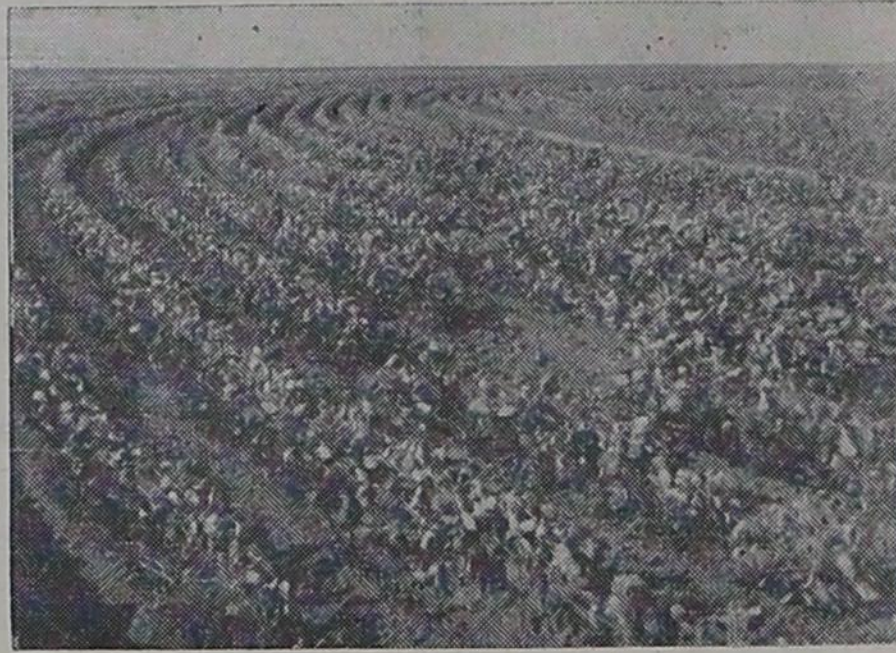

nological College, the Experiment Station and the Board of Supervisors of the SCD. This group of men set the specifications, rates of assistance and other requirements of the practices with the county ASC Committee checking to see that all practices were carried out according to specifications.

At the present time the practices for which Federal cost-shares are offered are approved in about the same way with all committees striving to obtain the most possible soil and water conservation for each dollar spent. For this reason, about the only practices approved are those that are permanent or enduring such as terraces, land leveling, installing concrete pipe in irrigation systems and seeding permanent pasture grasses.

Under the 1955 Agricultural Conservation Program the practices were all approved as stated above with the best technical assistance possible from both State and County Office being used for writing the specifications of each practice.

The Agricultural Conservation Program is carried out in each county by the County Agricultural Stabilization and Conservation Committee taking requests from farmers for the most needed prac-

On the farm. Then the ASC Committee gives the information to representatives of the Soil Conservation Service for a determination that the practice is needed and practical on the farm in carrying out a sound soil and water conservation program.

All Work Together

The Extension Service, ASC Committees and SCS all work together in distributing information regarding the need for better soil and water conservation practices and the availability of the Agricultural Conservation Program.

An allocation of \$106,080 was made for Parmer County this year, and to date, all funds except for \$10,000 for the last quarter) have been used.

Approximately 50 percent of the average cost of an approved conservation practice is paid by the cost-sharing arrangement. The biggest part of the 1955 allocation in Parmer County has gone for the installation of underground irrigation tile.

- Practices for 1955 include:
Establishing grasses and legumes.
Constructing terraces.
Constructing diversion terraces.
Installing underground tile.
Bench leveling.
Summer legumes.

Contour chiseling, contour listing, or cross-slope chiseling.

Joe Camp is ASC office manager, and county committeemen include Joe Magness, Farwell, Roy Euler, Black, and Jack Smith, Lazbuddie.

NEWS FROM THE FARM BUREAU

By KAYMOND EULER

FARM BUREAU POLICIES FOR 1956 will be decided by the membership between now and the second week in November. Your county officials are hoping that every one of you will avail yourselves of the opportunity you will have to present your suggestions at the open forum meeting that will be announced soon. Over a thousand of you will receive personal invitations through our mailing list, and all of you will be just as welcome to come and participate in the discussion which will determine what your resolutions committee will present at the county convention for final vote just a little later.

It seems that perhaps there has never been a time when it was more urgent for the people who till the soil to speak than now. Every powerful group that exists, outside of agriculture, is lobbying for a farm program that will benefit others, without consideration for the farmer himself. Unfortunately, we have some government authorities of influence who are willing to listen to those who have no interest in farming except as it can be used to further their own cause.

There are many matters vital to your future, and to all Americans, that can be guarded to a great extent through Farm Bureau with your active support now. The "Right to Work" law of Texas is facing a great threat, and is very important to all farmers. . . A feed law is badly needed, to insure you that you get what you pay for when you buy expensive rations for livestock and poultry. . . Many think it is wrong for a farmer to be fined for taking his family to church (or anywhere else) in a farm licensed pickup, yet it has been done, and under present state law can continue to be done. . . What do you think?

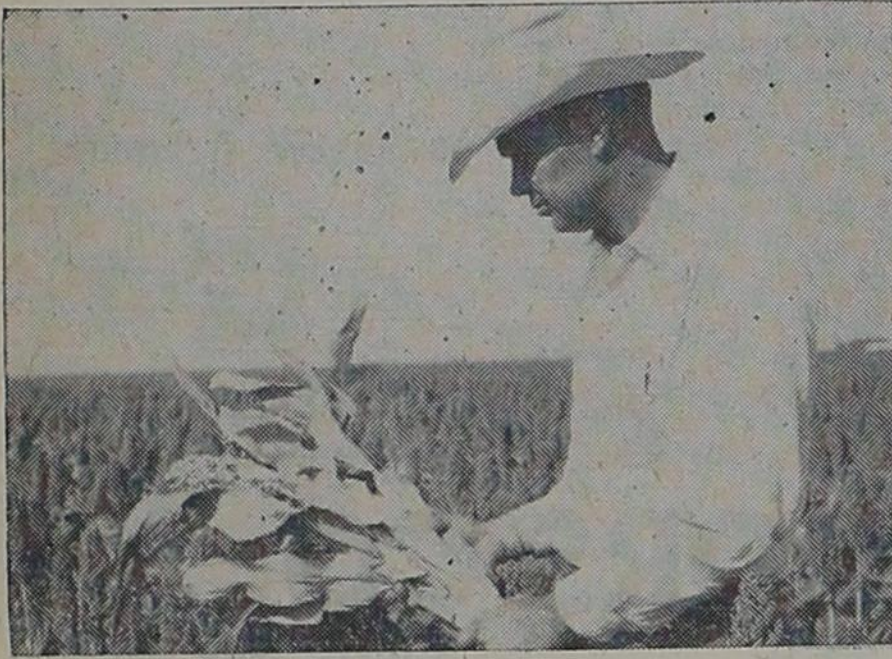

The tendency of Federal Agencies usurping States Rights as guaranteed to you by the Constitution needs your attention. Too many people are unaware of the extent of the trend for the safety of the individual's rights. A national Farm Program is important to the future of the farmer and of the nation. And you are urged to participate in the meetings called to study these problems that face you.

Clara Jean Jesko has the admiration of all who saw her in competition with ten other District II Farm Bureau County Queens Monday night. She was not selected to win, but everyone thinks she is pretty and wonderful. She is Parmer County's 1955 Farm Bureau Queen.

Consider this: A good man obtaineth favor of the Lord; but a man of wicked devices will he condemn. Proverbs 12:2.

General James Long of Tennessee established the first newspaper in Texas, The Texas Republican, at Nacogdoches in August, 1819. It was edited by Horatio Bigelow and Eli Harris.

WHERE HE DIDN'T FERTILIZE

A. L. Black looks at some pretty "sad" feed he pulled out of his field where he purposely omitted fertilizing. The stalk's leaves were turned a golden yellow and the growth of the plant was stunted—totally unlike the remainder of the field which is vigorous and green. Black, a Parmer SCD supervisor, says the difference fertilizer makes has been more apparent this year than any other.

SOIL

Is A Precious Asset!

What would be the state of the economy of the High Plains without fertile topsoil? That's something that's frightening to imagine.

The wealth of the nation—even the world—is dependent on the soil, and this holds true of an agricultural area such as ours to a much greater extent. Without soil, this area would be an, almost uninhabited region, instead of a growing, healthy farming country!

We deal with farmers almost exclusively. And we have come to find that farmers regard their soil as a trust. Much is being done through the work of the Parmer County Soil Conservation District to foster good farming practices. We salute the District Cooperators!

Springlake Conquers Bovina 19-0 Friday

It was too much Sandel Friday night for the Bovina Mustangs as twin backs Ronald and Donald Sandel lead the Springlake Wolverines to a 19-0 victory at Mustang Field.

Donald picked up the winner's first touchdown early in the first quarter after Springlake had kicked off to Bovina, who failed to make a first down and Darrell Read had punted out of bounds on the Springlake 42 yard line. The Wolverines were on the Mustang 11 two first downs later and Donald carried over from that point.

Read carried the following kickoff back to the 49, Larry Ezell was stopped on the 30 in Springlake's end of the field but a fumble, resulting from a bad handoff, was recovered by the Wolverines on their own 27.

The Wolverines picked up a first down on their own 45 as the quarter ended. Bovina forced them to punt after a 15 yard penalty, a superb defensive play by Lynn Is-ham and an incomplete pass.

Billy Richards carried the punt back to his own 42, where Read made eight yards, then lost eight on a pitchout, then picked up six to leave fourth down and three yards to go for a first. The locals elected to run in that situation and Ezell made a first down on Spring-lake's 41.

A Read pass to Erith Hawkins made a 1st & 10 on the winner's 19 yard line and Ezell picked up another first down on the Springlake 9. With first down and goal to go the Mustangs fumbled and Spring-lake recovered.

Ronald Sandel made a first down three plays after his team had the ball and as the half ended Donald had carried to the 48.

Half time score 6-0. Ezell kicked off to the Wolverines to start the second half. They picked up three first downs and a touchdown without losing the ball. Donald again taking the scoring honors from 16 yards out.

Springlake attempted to run the extra point as they had after their first touchdown and the second attempt was also stopped.

Ezell carried the kickoff back to the 50 but the Mustangs bogged down and Read kicked out of bounds on the 35. The remainder of the third quarter was about even with neither team making a serious scoring threat.

Early in the fourth quarter, the Wolverines started a series of plays after a Read punt, from their own 42. Two first downs later they were on the Bovina 31 with fourth and five to go when Neil Smith intercepted a long pass and returned it to the 41. However, two plays later, Springlake recovered a fumble, made a first down, and were penalized five yards for back-field in motion. On the next play, Ronald Sandel got lose on a 44 yard jaunt to score the winner's third touchdown.

Their running attempt for the extra point made the score 19-0. As the game ended Springlake was in possession of the ball in midfield.

The Wolverines led in first downs 15-5.

Ponies Play Happy Here Friday Night

The Bovina football team will play their second game of the season and their second game at home Friday night at Mustang field with Class A Happy.

The Mustangs, favored in their first game against the Springlake Wolverines and soundly trounced 19-0, are not likely to be favored in this week's contest.

Coach Bob Will's boys came out of their first game with no serious injuries and should be in good shape physically for play. They have been working out this week to smooth out the rough spots that showed up during the first game.

Now that school has started, some 24 boys are out for the team. This is an increase over the number that participated in the pre-school practice.

The game Friday will get underway at 8 o'clock.

Probable starting lineup for Bovina; Darrell Read, tailback, 160;

Neil Smith, quarterback, 130; Billy Richards, wingback, 135; and Larry Ezell, fullback, 160 in the back-field.

In the line: Erith Hawkins, right end, 145, Sonny Brito, right tackle, 180, Terry Adams, right guard, 155, Jerry Loflin, center, 150, Dickie Steelman, 155, or James Lawlis, 145, left guard, Lynn Is-ham, 220, left tackle and Kenneth Estes, 145, or Dick Horn, 130, left end.

Bovina plays Friona the Friday night following the coming one.

City Commission Sets Board Meeting

The Bovina city commission, in their regular meeting Monday night, September 12, voted to advise the people of Bovina that all alley ways within the city limits should be opened within 60 days so that the blocked alleys would not interfere with the sewer work.

The notice will be given by publications in the local paper and by personal notice. Each property owner will receive a personal card or letter concerning the matter, Mayor O. W. Rhinehart said.

Monday, September 26, was the time set by the commission for the equalization board meeting. The meeting will be held in the city hall.

They also voted to buy a water pump to be used in repairing water lines.

All members were present.

Baptists Schedule Revival, Sept. 14-25

A revival meeting will begin at Bovina Wednesday night, September 14. Services are to be conducted twice daily, at 10 o'clock and 8 o'clock.

The public is invited and urged to attend any or all of the services, said Rev. Virgil Goodwin, pastor of the church. He also said that the nursery will be open.

The preaching at these services will be done by J. B. Harlin, who now lives in Dallas. Until two weeks ago he was pastor of a Baptist Church in Englewood, Colo. The services will close Sunday night, the 25th.

James Johnson, director of Music and Education of the First Baptist Church of Canyon, will lead the singing.

More information on the revival will be found in an advertisement in this issue.

Bovina Women's Study Club Meets At La Vista, Clovis

The Bovina Women's Study Club met at the La Vista Restaurant in Clovis, New Mexico, for breakfast on Thursday September eighth at 10 o'clock a. m.

The meeting was called to order and the welcome was given by the president of the club, Mrs. Ike Quickel. The invocation was given by Mrs. Troy Fuller.

After breakfast the yearbooks were presented by the chairman of the program committee, Mrs. Charles Ross. After breakfast, Berniese Hartzog conducted a quiz on the club's constitution and by-laws.

Those present were Mesdames Lloyd Battey, H. J. Charles, Buck Ellison, Bass Elliott, Troy Fuller, Arlin Hartzog, Ovid Lawlis, Reagan Looney, G. W. Mayben, J. P. Macon, Leslie McCain, Dean McCallum, Art Mast, I. W. Quickel, O. W. Rhinehart, Charles A. Ross, and Amos Shockley.

Also attending were Mesdames Billie Sudderth, W. E. Thornton, H. N. Turner, W. H. Willoughby, A. B. Wilkinson and Frank P. Wilson.

Plans Being Made For Social Center

Mrs. O'Keefe, head of the Home Economics Department, plans to make the cottage a social center for young people. Included in other plans for the year is a course of study for young adult couples. This study is to be centered around family life.

Later on, she plans to have girls taking homemaking to visit elementary grades and give talks to the young children on how to eat and grow and be happy.

A plan for entertaining the elder people will be worked out also.

In one course of study Mrs. O'Keefe will encourage her girls to bring their little brothers and sisters to school for demonstrations concerning child care. They will learn how to make toys and clothes for little children.

Mrs. O'Keefe says that all during the year she will conduct courses in food and clothing and that she hopes to help the girls to establish youth savings accounts and that before the year is over that every girl in her classes will have a savings account.

Mrs. Fred Paine was called to Rochester, last Friday to attend the funeral of her brother, Mr. Ben Hancock. Mr. Hancock passed away after a long illness.

Ernest Steelman visited his brother, J. H. Steelman, last week. It was the first time the brothers had seen each other in nearly twenty years.

Y&R Electric Reports Successful Opening

Wayne Young, who operates Y&R Electrical Contractors, reported that their grand opening Saturday, September 10, was "successful" and "it was bigger than we had anticipated."

Free coffee and doughnuts were given to adult guests attending the opening and balloons of various shapes and sizes were given to the children. The business is located next door to Edd's Auto Service and plans are in the making to offer appliances for sale in the future along with the light blubs, switches, conduits and other electrical supplies that are already being offered.

HURTS HAND

Greg Hromas suffered a seriously cut hand Friday afternoon when he caught it in a BB gun. Young Greg was cocking the gun and he fired it before he had closed it.

When it snapped together it caught Greg's hand and cut a gash to the bone in one finger. Greg was rushed to the hospital but no stitches were taken. Greg is the son of Mr. and Mrs. Glen Hromas.

W. J. Sides Have 60th Anniversary

Today—September 15—marks the 60th anniversary of the wedding of Mr. and Mrs. W. J. Sides of Bovina who first came to this part of the Plains in 1925.

In connection with that event, an open house will be held for the couple Sunday, September 18, in the home of their daughter, Mrs. Scotty Barry, from the hours of two until five o'clock in the afternoon.

All friends of the pioneer residents are invited to attend, and the Sideses request that no gifts be brought.

It will also be the 85th birthday for Mr. Sides.

The Barry home is located 5½ miles east of Bovina on the Dimmitt Highway (Highway 86).

William Juan Sides was born at Mount Pleasant, North Carolina in 1870, the son of G. H. and Joice Sides. He had four brothers and two sisters.

Rebecca Sides was born at Agnes in Parker County, Texas, in 1878, the daughter of Robert Samuel and Mary Elizabeth Flatt. There were three boys and four girls in the family.

The Sides family moved from North Carolina to Texas in 1892 and settled at Agnes, a small community about 18 miles north of Weatherford.

It was there that the younger Sides met Rebecca, and a courtship began. The first meeting of the couple took place at an old-fashioned "country singing," where, remembers Mrs. Sides today, "He winked at me across the room."

After three years of courtship, they were married in the Agnes Baptist Church by Rev. T. J. Bussey, the pastor. To this union were born three boys and one girl. A twin son died at birth.

Still living are Samel H. of Hereford, a retired farmer, Mrs. Jewel Barry, in whose home the open house will be held, and David W. of San Antonio, who is employed by the Treasury Department there.

In addition, there are five grandchildren and six great-grandchildren living today.

The W. J. Sideses first came to Parmer County on September 1, of 1925, moving here from near Burk Burnett. He had farmed all his life, and was looking for better farming country and the area around Oklahoma Lane appealed to him.

"It has good land and good water," says W. J., "and those were the two main things."

The 85-year-old farmer remembers raising some very good crops off the 1066 acres which he purchased, and one year a 59-bushel wheat crop was produced, although the exact date slips his mind.

The market outlook was pretty dim, though. Maize generally sold for around 25 cents per hundred.

"I paid \$25 an acre for my place, and we saw some times when it sure didn't look as though it was worth it," remembers Mr. Sides. "Lots of folks lost land they paid \$25 for—and now most of it will bring around \$350 an acre!"

Times were pretty rugged when the Sideses family lived at Burk Burnett, too—at least before the oil boom of 1918. The family was eking out a living from drouthy farm land and things were in a pretty shaky financial condition.

Then came the discovery of oil, and within a short time the countryside was covered with derricks. This unquestionably increased the value of the Sides land, but it sure messed up the farming, says W. J.

The Sideses restrained from joining in on speculation in land which was rife at the time, and it was not until 1922 that they realized any cash from the newborn oil industry.

Mrs. Sides managed to lease 20 acres to a development firm while her husband was gone on a trip.

"I would have dabbed down some money in the oil boom if he had let me," she laughs, indicating that it was Mr. Sides who represented the conservative side of the family.

Former Patsy Steelman Honored with Shower

Mrs. Bob Teter, the former Patsy Steelman, was honored with a bridal shower, Monday, September 12, in the Legion Hall. Hostesses for the fete were Mesdames Fred Langer, Wilburn McLean, F. K. Stevens, Bill Burnam, Harve Alverson, A. P. Hobdy, Ed Paetsch, Nat Read, Frank Wilson and Henry Minter.

The bride was presented with a pink rose bud corsage. Mrs. Carol Steelman, the bride's mother, and Mrs. Arch Teter were given a corsage also.

The table was spread with a white lace cloth over pink linen. Pink and white asters and candles carried out the bride's colors. The guests were served cake and punch while Mrs. D. C. Looney played soft music on the piano.

Guests registered by Mrs. Frank Wilson were Mesdames A. E. Steelman, T. W. Fuller, Bill Moore, Von Bowen, Donald Barron and D. C. Looney. Also attending were Misses Pat Burnam, Donna Smith, Sue Hoffer, Vivaleigh Steelman and Sheryl Moore.

Also attending the shower were Mrs. A. C. Teter and Mrs. Carol Steelman.

Glen Hromas spent last Friday and Saturday in bed with the flu.

Mrs. Kerby Honored At Stork Shower

A baby shower honoring Mrs. Jeanie Kerby was given Thursday at the First Baptist Church at 3:00 p. m.

A pink carnation corsage with a baby rattle attached was presented to Mrs. Kerby and refreshments were served.

The table was decorated with a white lace table cloth over a blue background. A centerpiece of mixed flowers adorned the table.

Refreshments included pink and blue cakes and pink punch. Favors were colored storks in pink and blue cups with a diaper hanging from the stork's bill.

Sewing skill was shown by the guests by making baby bonnets out of colored napkins and pins only. Several unusual bonnets were made.

A contest of who could pin a diaper on the baby the fastest was held by four expectant mothers who were present. Jeanie won and was presented with a large array of gifts.

Hostesses were Mrs. Lester Rhinehart, Mrs. Harold Hawkins, Mrs. Bonnie Vickers, Mrs. Erma Jo Englant, Mrs. Bertha Kelley, Mrs. Travis Lloyd, Mrs. Dottie Ward, Mrs. Alvin Glasscock, Mrs. Leslie McCain, Mrs. June Hanna, Mrs. Fred Langer, Mrs. Ovid Lawlis, Mrs. Henry Minter, and Mrs. A. P. Hobdy.

Guests present were Mesdames Pierceon Adams, Charles Hawkins, Gene Snell Jr., Virgil Goodwin, A. D. Cumpton, Lester Rhinehart, Bobby Englant, Ovid Lawlis, A. T. Glasscock, Sonny Spurlin, Travis Lloyd, Harold Hawkins, Henry Minter, Leslie McCain and Fred Langer.

Martha Ann and Jackie Adams, Rex Cumpton, Carissa and Bobby Englant, Jr., Vickie and Debbie Hawkins, Pam Langer and Paula Kay Kerby also attended the shower.

District Guild Meet Held Here Sunday

The district meeting of Wesleyan Service Guild was held at the Methodist Church Sunday from 1:30 to 4:30 p. m. The local guild served as hostess.

Guests were registered by Mrs. Ewin Norton and Mrs. Dolph Moten. Approximately 60 people were present including members from Plainview, Earth, Dimmitt, Muleshoe, Olton and Bovina.

Guests from the Bovina WSCS were Mrs. Jimmie Charles, Mrs. Frank Hastings, Mrs. Floyd Dunavant, Mrs. George Turner and Mrs. Wilbur Charles, coordinator.

A tea, arranged by Mrs. H. J. Charles, was held in the fellowship hall preceding the meeting. Soft music was played on the piano by Mrs. Margaret Caldwell. The tea table was laid with a hand-drawn imported linen cloth, a floral centerpiece flanked by candles in sterling holders, and silver tea service.

Mrs. W. E. Williams poured while Mrs. Bedford Caldwell served the orange chiffon cake with pineapple sauce topping.

Miss Ann Hastings of Plainview is district secretary and presided over the meeting. The first hour was a coaching school for officers.

The featured speakers were Miss Lucile Flowers, conference president whose subject was "A Christian Woman Understanding Her World," and Miss Naomi Hare, missionary teacher on leave from her work in Lima, Peru.

Has Birthday Party

Vance Elliott, son of Mr. and Mrs. Bass Elliott, was honored on his seventh birthday with a theater party at Clovis, Saturday, September 10.

The party left Bovina at 2:30, Saturday afternoon. Those attending the party were, Timmy Rhodes, Phillip Lloyd, Randy Jones, Linda Johnson, Jo Carol Wily and Gail Elliott.

Vance Elliott's most prized possession now is a brand new shiny bicycle, given him by his parents, Mrs. Elliott said.

To Be Honored

Mrs. Eddie Gayle Steelman will be honored with a bridal shower Saturday, September 17, at 2:30 in the Baptist Church. The public is invited to attend.

Mrs. Steelman is the former Phyllis Tucker, daughter of Mr. and Mrs. Hugh Tucker of Texico. Eddie Gayle is the son of Mr. and Mrs. Amos Steelman of Bovina.

Mr. and Mrs. L. C. Moore and Mr. and Mrs. Carroll Hunt and son Jerry of Childress, visited the weekend of the first of September with Carroll's brother and family, the Troy Hunts of Albuquerque.

Leave for College

Sunday marked the day for all who were going to school to leave for the college of their choice. Going from Bovina to Canyon were Sandra Jefferson, Dyaltha Bradshaw, Evelyn Steelman and Sandra Patton. All four were graduates of last year. Those who will attend school at Tech are Donald Lloyd, Alfred Moody, Edmund Hobby, Billy Woelfel, Margaret Verner and Reggie Jones. All except Billy Woelfel graduated from Bovina last May.

Marries Recently

Word has been received in Bovina of the recent marriage of Doctor Sam Johnson. The bride was the former Sandra Morrison of San Bernardino, California. Doctor Johnson is the son of Mr. and Mrs. R. S. Johnson formerly of Bovina, now of Lubbock. Doctor Johnson is a graduate of Bovina High School. The couple will make their home in Lubbock where Dr. Johnson is associated with the Goodnight Clinic.

Ola Jones Honored

Mrs. Lois Levins honored Mrs. Ola Lee Jones last Saturday night with a birthday party in her home. Each guest brought a covered dish for the evening meal.

After the supper the guests spent the evening visiting with each other. Those attending the party were Mesdames Maude Trimble, A. M. Wilson, Emmett Tabor, Odie White, Joe Wilson, Pat Read, Ronald Berggren, Lucille Walling, Bob Kelley and Paul Jones.

J. H. Steelman III

J. H. Steelman took sick suddenly in his home Saturday evening. He was rushed to the hospital but was able to return home Sunday morning.

Steelman returned to the hospital Monday in preparation for surgery which is to be sometime later this week.

Return Home

Mr. and Mrs. Frank Ayres were called to Frederick, Okla., because of the serious illness of Mr. Ayres' sister-in-law, Mrs. Ed Ayres. Mrs. Ayres passed away Friday, September 2, after a lingering illness. The Frank Ayres returned to their home in Bovina Friday, September 10.

Returning home with them were Mr. Ayres' uncle, Frank Schumaker, who is planning a two week visit in the Ayres home.

Mrs. O. L. Hamby of Clovis visited last week in the home of her daughter, Mrs. Henry Minter.

Panel Discussion Tops First PTA Program

The Bovina Parent-Teacher Association met in the first session of the school year on Monday, September 12, at 7:30 p. m. in the auditorium of the school.

The meeting began with group singing led by Wayne Stevens, music and band instructor. Mrs. Vernon Estes, president, conducted a business session at which time the prompt sale of decorative plates bearing the picture of the old school building was urged. These plates are being sold by the Parent-Teachers Association for \$2.50 each.

W. H. Willoughby, superintendent, was moderator for a panel discussion entitled "What We, as Parents and Teachers, Should Expect from Our School." Members of the panel were Bob Wills, athletics director, Earl Stevenson, school board president, Wayne Stevens, Mrs. H. H. Kelso, cafeteria foreman, Mrs. W. E. Williams, primary teacher, Mrs. Pauline O'Keefe, homemaking teacher, and Miss Grace Paul, elementary principal.

Joan Kay Ezell and Nita Beth Estes gave a twirling exhibition and the group adjourned to the cafeteria for refreshments.

W. R. Alverson Tops Radar Class

William R. Alverson, son of Mr. and Mrs. Harve Alverson of Bovina, was the graduating honor student during the week of September 2 at the Treasure Island Radar Conversion School.

"The course is rough... but the instruction's good, and that made all the difference in the world," Alverson said about the school.

He finished the 48 week course with 94.6 average. He entered the Navy from Amarillo in 1946 and took his recruit training in San Diego, California and was assigned to the USS Pickaway, APA 222.

He was transferred from the Pickaway to the Navy LST 1138 and following the time spent on that ship, he saw duty on the USS Sperry. He stayed with the Sperry until going to Treasure Island on September 7, 1954.

Alverson currently lives in San Francisco with his wife, Marie.

College Students

Boys who will attend college in Canyon for their second year from Bovina are Glenden Sudderth, Huey Lowrie, Ted Walling and Charlie Williams.

Dick Martin will also attend West Texas. He attended Texas Tech at Lubbock last year. The boys are '54 graduates of Bovina High School.

Band Taking Shape At Bovina School

STAFF ORGANIZED

Sue Hoffer is drum major and Nita Beth Estes is head twirler as a result of tryouts for twirlers and drum major held Monday evening. Joan Kay Ezell is alternate drum major.

Barbara Taylor, Nancy Cumpton, Sandra Martin and Joan Ezell are the twirlers. The band has a membership of 40 students and is directed by Wayne Stevens.

The band will march in the parade at Amarillo next Monday. Those in the wood-wind section are Irene Drager, Don Caldwell, Nancy Cumpton, Gladys Dean, Verna Estes, Joan Ezell, Carole Hammonds, and Kay Leake. Julia Ann Lloyd, Sandy Martin, Janice Richards, Donnie Spring, James Stevens, Barbara Taylor, and Nickie Woelfel are also part of this section.

Those who are part of the brass section are Cynthia Patterson, Harriet Charles, Elizabeth Edwards, Duane Ray, Joy Redden and Lavene Riley. Also a part of this section are Elmer Snodgrass, Margaret Sherrill, Lexie Stevenson, Jerry Wright, Charlotte Hromas, Sue Hoffer, Marilyn Turner, Jackie Davies, Neil Smith, Julius Bradshaw, Roger Ezell and Shirley Mayhew.

Members of the percussion section are Celia Berry, Nita Beth Estes, Pat Lloyd, Sandra Rhinehart, Charlotte Morris and Beverly Roberts.

FFA Plans to Be Made

R. M. Crawford, agricultural teacher of Bovina High School, says that plans will soon be made concerning the FFA chapter of Bovina. There are to be two chapters. One will be the Green Hand Chapter and the other will be the Chapter Farmers.

Those making up the Green Hand Chapter will be boys who have not completed one year of agriculture. All boys who have completed at least one year of agriculture will belong to the Chapter Farmers.

Crawford stated that not only boys in school can belong to the Chapter Farmers but that any boy who has completed one year of agriculture and under 21 years of age is eligible for membership.

Mr. and Mrs. Von Bowen spent the weekend of the first of September visiting relatives in Wellington. They visited in the home of Mr. and Mrs. S. B. Bowen and Mr. and Mrs. Earl Bowen.

Widow's Club To Meet Thursday

The Bovina Widow's Club will meet Thursday with Mrs. Roy Ezell. The club will have a covered dish luncheon.

BAPTIST CHURCH NEWS

Rev. Virgil Goodwin, Pastor

Tuesday night the Sunday School teachers and officers will meet at the church for a basket lunch, then make plans for the two Sundays of the meeting. We are expecting large attendance throughout the meeting, but especially on the two Sundays.

September 1, we began a new church year. In the last year the church raised from all sources \$22,495.57. During the same period \$23,096.76 was spent for all purposes, of this amount \$7,256.27 was given to Missions. At the end of the year Sunday School enrollment was 394, and Training Union enrollment was 197. We have 313 resident members, and 116 non-resident members.

Last Sunday there were 161 in Sunday school and 90 in Training Union.

Texico Starts Year With Two Victories

Texico High School softball teams had the necessary punch Friday night to come out winner over the Ranchvale teams to the tune of 15 to 14 in the boys' game and 4 to 3 in the girls' game.

The boys enjoyed a comfortable lead over Ranchvale for a good portion of the game, but found themselves tied in the bottom of the seventh inning. This handicap was overcome when the Ranchvale pitcher walked Dickie Lockhart with the bases loaded.

Raymond Hadley, the junior high school pitcher, was asked to go along as relief pitcher and did a good job by hitting a triple.

In the girls' game Ranchvale led all the way up to the sixth inning when Texico rallied to win by a narrow margin with a score which sounds like a major league game. Sue Doolittle from Texico knocked the only home run of the game.

For the first time this year all home games are to be played in the Jaycees' Softball Park in Clovis.

Those coming out for softball in the high school girls division are Anita Tharp, D'Tanis Caldwell, Sue Reid, Shirley Doshier, Carolyn Curd, Teresa Cox, Sue Doolittle, Barbara Caldwell, Susan Levins, Sue Stover, Mikala Faville, Joyce Gillean, Verlene Thigpen, Glenda Weisler, Lynell Lovett;

Also, Gwynette Powell, Garlene Seal, Wilma Walton, Fay Autrey, Karen Brehm; Armelda Cox, Melba Doshier, Audrey Hapke, Gloria Johnson, Judy Wakefield and Rebecca Richardson.

Of the high school boys, the ones coming out are Dwayne Winkles, Nathan Tharp, Jerry King, Jimmy Moore, Wayne Seal, Alex Brown, Bobby Patterson, J. C. Kelley, Buddy Spears, Johnny Brown, Dick Lockhart, Allen Kelley, Gerald Brown, Leon McDaniel; Bobby Spears, Doyal Webster, Joe Berry Glaze, Dickie Adams and Weldon Bell.

Rogers Family Makes Unusual Contribution To Texico School

It's "back in the groove" for B. A. Rogers, former superintendent of the Texico School, as he was substituting in the sixth grade last week for his wife, Berneice.

Mrs. Rogers is with their daughter, Mrs. Belvin Freeman in Lawton, Okla. Captain and Mrs. Freeman are the parents of a son born last week. The baby has been named Belvin Sewell II and weighs seven pounds and eight ounces.

Rogers, who retired from the teaching field six years ago, had taught eleven years in the Texico School.

Another interesting fact in connection with the Rogers family and the Texico school is that both Mr. and Mrs. Rogers attended high school here; that their three children, Allan, Peggy and Jean, followed in their footsteps and were graduated from Texico High School.

Robert Allan, son of Allan Rogers, is now enrolled in the first grade. It isn't often that three generations of one family attend the same school; nor is it often that a single family makes a greater contribution to a school and community than this family has.

Officers Chosen For Senior High Classes

Officers for the various high school classes were elected in class meetings during home-room period on August 31.

Those elected to pilot the senior class are Sue Doolittle, president; Bobby Spears, vice-president; D'Tanis Caldwell, secretary; Leon McDaniel, treasurer; and Anita Tharp, reporter.

Officers chosen by the juniors were: Dick Lockhart, president; Carolyn Curd, vice-president; Teresa Cox, secretary; Betty Pendergrass, treasurer; and Sue Stover, reporter.

Jerry King was elected to serve in the capacity of class president for the sophomore class. Other officers for the ensuing year are Gwynette Powell, vice-president; Karen Brehm, secretary-treasurer; and Audrey Hapke, reporter.

Previously appointed as sponsors for these three classes are: seniors, Mrs. Agrie Jones and C. B. Stockton; juniors, Merle Thur-

"Texico Is Friendly," Says New Teacher

"The community of Texico and the Texico School are probably the friendliest places that I have ever been," is a statement made by Merle Thurman, new English teacher at Texico High School.

Thurman was graduated from Reydan, Okla., High School, then received a B. A. degree in English at Panhandle A&M College in Goodwell, Okla.

During World War II, he served in the armed forces. He was a teacher in the Sweetwater, Okla. school system before coming to Texico.

Thurman and his wife, Jeanne, are the parents of two children,—both boys. Paul Allan is four years of age, while his younger brother, David Lynn, is only a month old.

Superintendent Has Hopes for Good Year

This year promises to be the best of the last six years if the first two weeks are indicative of the whole year.

I am sure that parents as well as teachers and pupils are looking forward to the completion of our new building and that we shall have a better school when we move into it. We are having classes on the stage, in dressing rooms, and in dark and unsuitable rooms. Our new building will relieve these conditions.

Let us, as parents and teachers, realize our great responsibility and work together with the citizens of tomorrow that they may have the best preparation that we can give them to meet the problems of a complicated society.

Faville New Prexy Of Texico Chorus

In a meeting held Tuesday, the chorus elected officers as follows: Mikala Faville, president; Betty Pendergrass, vice-president; Susan Levins, secretary-treasurer; Oneita Autrey, librarian; and Barbara Caldwell, reporter.

The chorus has an enrollment of 27, consisting of nine first sopranos, ten second sopranos and eight altos. There are no male voices this year, a change made from last year.

Lockhart Heads Band, Levins Is Drum Major

In a meeting held recently, under the leadership of Fred Danforth, director of the band, the following officers were elected: Dick Lockhart, president; Bobby Patterson,

vice-president; Shirley Doshier, secretary-treasurer; Mikala Faville, librarian and Susan Levins, reporter.

Anita Moss is the new majorette, filling the place of Susan Levins. Susan will lead the band as drum major. Other majorettes are D'Rene Danforth, Connie Tharp and Melba Doshier.

The band has a new member this year. It's a new drum, a bass at that! They certainly are proud of the new drum and Fay Autrey is the new drummer.

Did You Know That?

Of the 296 pupils in the Texico School only 81 are in high school! The largest class in high school is the sophomore class with 30 members?

The smallest class is the senior class with 12 in number?

Mrs. B. A. Rogers is the veteran teacher of the Texico School and has been teaching here for 13 years?

The new English teacher is from the Sooner State or better still an "Okie"?

The home economics cottage has two new Universal gas ranges and two more on the way?

Out of 81 students in high school and a faculty of 19, there are 28 students, and eight teachers who are native New Mexicans?

The biggest sight in Texico is when the boys softball team goes out for work out? They have some really "COOL," short pants.

The largest class in the grades is the sixth with a total enrollment up to date of 42 members?

FIRST GRADERS ARE HAPPY WITH SCHOOL

First grade, under instruction of Mrs. Leroy Faville, has an enrollment of 21 students. "These children seem to be happily working and playing together," says Mrs. Faville.

Some of the activities of these youngsters during the first two weeks of school were learning to spell and print their names, and coloring pictures of "Little Black Sambo" for the bulletin board.

Students making this first adventure in the realm of education are Ray Barraza, Tim Bradshaw, Garry Burris, Kenneth Cook, Keith Crooks, Dickie Doshier, Roy McDaniel, Robert Allan Rogers, Bobby Spearman, Floyd Turner, Jill Billington, Guyla Cohee, Julia Hughes, Tula Ortiz, Sharon Peyton, Patricia Richardson, Pamela Roberts, Vickie Spurlin, Susan White, Rita Zamora and Alma Stewart.

Commenting —with Carolyn

"New" seems to be a well used word around THS these days. First, we are starting a new school year. We hope that this year will be one of our most enjoyable school years, filled with many memorable events.

Another "new" around the campus is Merle Thurman, a new faculty member. He comes from Sweetwater, Okla., and is teaching English. Welcome to Texico, Mr. Thurman.

One would think that modern schools are reverting back to the good old days when school was taught to the rule of the hickory stick as one little first grader was being escorted up the walk by her mother who had a tiny green switch in hand.

Students of the Texico school system are very fortunate in having a fine insurance program offered to them this year. A premium of \$1.50 will cover the students against any school caused accident for the entire year. This insurance policy was obtained by the school advisors from the World Insurance Company, Omaha, Neb.

It was certainly nice to have Bobby Richardson with us at our first assembly Monday morning. Bobby, former student body president, led the group in singing several songs. Come back and see us again, Bobby.

Did you ever hear anyone talk about a tree of knowledge? Well, they didn't know what they were talking about, because it isn't a tree, it's a forest. Carolyn

EIGHTH GRADERS GIVE ORAL BOOK REPORTS

Receiving sixty new library books from the New Mexico State Library last week was all that was needed to set eighth grade students off on a reading spurge.

In one week's time 17 oral book reports have been given in home room periods. The students are required to give an oral book report before they can give a written one.

Spelling classes have become more interesting since 12 new student dictionaries were purchased by the school. Word drills designated word first.

"Many students are getting quite good at this," says Mrs. Danforth, who further states, "the average time for a student is about ten seconds."

La Donna Stewart has improved on Connie Tharp's record of five seconds by finding the word, "fee," in four seconds.

Three new members have enrolled in the class. Jewel Blount from Clovis, whose father works as a butcher at a store in Farwell, and Amon and Raymond

Maxwell, twin brothers from Muleshoe are new students.

Wesley Ingram was elected president of the class with Larry Powell as vice-president. Other officers for the year are: Charles Stockton, secretary; Don Johnson, reporter and Crayton Weisler, treasurer.

STUDENTS WRITE THEMES; ELECT CLASS OFFICERS

Original stories written by the students in Mrs. Charleyrene Danforth's seventh grade reading class has kept interest at a high pitch for the last week.

Leslie Dyer's story of his trip to England last spring was quite interesting to the class.

Mike Paine, new student, has enrolled and Joe Ortiz has missed some school due to illness.

Tom Hudson is teaching arithmetic; Merle Thurman, new teacher, is teaching English; Mrs. Danforth, reading and C. B. Stockton, geography.

The officers for the class are Bill Reid, president; Jackie Shelton, vice-president; Gary Singletary, secretary; Billy Hukill, treasurer; Darlene Boatwright, reporter and Billy Roth, program chairman.

GEOGRAPHY IS NEW FOR THIRD GRADERS

Something new for the third graders this year is the study of geography. This is the first year for them to study the structure of the earth and they all seem to be very interested in the subject, according to Mrs. Frank Seale, teacher.

Forty children have been enrolled in the third grade this year. Thirty-three previously attended Texico School.

New pupils in the third grade are Bobby Woodward, Crawford, Okla.; Anita McFadden, Tulsa, Okla.; Mary and Lucy Sena from Villa Nueva School; Sofia Zamoria, Clovis; Dave Guest, Muleshoe; and Floyd Morris, Sunray.

Donald Bowman has withdrawn to go with his family to Indiana.

James Roberts brought a lovely bouquet of mixed flowers to school last week for the teacher's desk.

Caroline Terry brought a branch of persimmon tree with green persimmons on it, a branch of an oak tree and acorns on it, and a branch of cedar to show the children. These had all come from Arkansas. Caroline warned the children not to try eating the green persimmons.

THIRTY-THREE ENROLL IN FIFTH GRADE

Four new pupils are enrolled in the fifth grade this year to bring the total up to 33 pupils. Those

new to the Texico system are Velda Paine formerly of Farwell, Donna Blount from Clovis, and Jean Morris who moved to Texico from Sunray.

Officers elected for the fifth grade are president, Freddie Ferguson; vice-president, Lynn Doshier; secretary, Janness Weisler; treasurer, Carol White and reporter, Linda Palmateer.

The room mothers for this year are Mrs. Ray Tharp, Mrs. Turner L. Paine, Mrs. T. J. Tipton, Mrs. J. O. Morris, Mrs. Joe Helton and Mrs. M. L. Brown.

On the sick list the first two weeks of school were Alice Martin and Robert Perciful.

SIXTH GRADE STUDENTS TELL OF VACATIONS

The sixth grade has this year, 42 pupils, three of whom are new to the system.

In English class the students wrote stories about their vacations. Carol Bell's vacation took her to Dove Creek, Colo.; Mary Ortiz to Santa Fe; Christine Paine to Ruidoso; Beulah McDaniel to Palo Duro Canyon; Gary Webster to Mountainair to the Inlow Youth Camp and Beth Ellen Peyton to Arizona.

Judy Adams visited Yellowstone National Park; Larry Richardson, Hot Springs, Glenda Billingsley, Dallas, Sharon Hendrix, Utah; Betty Lockhart, Lubbock and Dorothy Hapke, Nebraska.

SECOND GRADE ENROLLS THIRTY STUDENTS

The second grade has an enrollment of 30 pupils this year.

Students enrolled who didn't attend this school last year are Bobby Loyd Bradford from Muleshoe; Bertha Bradshaw, Clovis; Jerry Miles, Farwell; Brenda Shelton and Johnnie Trujillo from Bovina; Jerry Wimberly from Albuquerque, and Jelene Woodward from Crawford, Okla.

Kay Terry brought from Arkansas a nice collection of acorns, green persimmons, and a spray of red broom. Harvie Winkles also brought flowers for the room.

FIRST GRADE IS HAPPY LOT

"Happy faces and willing hands" are the words used by Mrs. Gretchen Weisler to describe pupils in her first grade room this year, but she adds further, "we do get tired sometimes before the bus arrives and if we do, we rest awhile."

This class, divided evenly with ten boys and ten girls, has been learning to find and write their own names, and to write some of the numbers.
