

Outstanding Citizens Named At Fete

Highlight of the 1971 Farwell Chamber of Commerce banquet was the naming of two outstanding citizens for the past year. Receiving the honors were Mrs. Charles (Margaret) Aycock and R. W. (Bob) Anderson. Mrs. Aycock has been active in several civic projects and is a leader in the Farwell Girls Scouting program. Anderson has recently been named president of Security State Bank and is an avid booster of all civic, school and athletic projects of the community.

Speaker for the annual event was Kenneth Treadway, director of athletics and recreation for Phillips Petroleum Company and also the chairman of the United States Men's Olympic Swimming Committee. Treadway spoke in place of Jim Gillie who was ill and could not attend.

Don Williams was re-elected as president of the chamber for another year, and other officers and directors are Jim Berry, first vice-president; Fred Chandler, second vice-president; and J. T. Ford, John Getz, Henry Haseloff, Willie Roberts, Herbert Potts and Charles Aycock, directors.

Jim Wiman presented the invocation, and the pledge of allegiance was led by Jim Berry. Dinner music was provided by Edd Hardage, Juanita Smith and Kevin Hardage, and the food was prepared and served by the Farwell School cafeteria staff. Fred Chandler introduced

out-of-town guests from Amarillo, Lubbock, Hereford, Muleshoe, Friona, Bovina, Lazbuddie and Clovis. Williams then introduced the Chamber directors for the coming year and made the presentation to the man and woman of the year.

OUTSTANDING CITIZENS selected by the Farwell Chamber of Commerce for their contributions to the community during the past year are Mrs. Charles (Margaret) Aycock and R. W. (Bob) Anderson. The awards were presented Tuesday night at the annual Chamber of Commerce banquet by Don Williams, chamber president. Some 150 guests were present to hear Kenneth Treadway of Phillips Petroleum Company speak.

Joe Helton, Phillips Petroleum jobber at Farwell, introduced the guest speaker. Treadway is a native of Muskogee, Okla., and attended Oklahoma Christian College and Tulsa University. He has the unique distinction of being the first person in history to hold both the men's and women's head Olympic and National AAU swimming positions.

Treadway is honorary chairman of the national Pitch, Hit and Throw contest, and in 1965 was named Bartlesville's outstanding young man and received the Jaycees' distinguished service award.

The speaker's theme was that the people of a community are its backbone and that they are the life, success or failure of any church community or school.

After his prepared statements, Treadway answered questions and talked informally with the audience concerning the Olympic games and other related subjects. All his comments were very well received by the 150 guests on hand for the occasion.

C OF C LEADERS FOR 1971 are recognized at the annual Chamber of Commerce banquet in Farwell Tuesday night. Re-elected as the organization's president for another year was Don Williams, second from left. Others pictured include, from left, John Getz, Herbert Potts, Jim Berry, J. T. Ford, Fred Chandler, Charles Aycock and Henry Haseloff. Berry is first vice-president of the Chamber and Chandler is second vice-president. Another director, W. M. Roberts, was not present.

STAN THIGPEN

F. S. Thigpen Rites Scheduled Friday

Funeral services are tentatively scheduled for 3 p.m. Friday, April 2, for one of Texico's best known and loved citizens, Francis Stanton (Stan) Thigpen, who died at 6:45 p.m. Tuesday in Clovis Memorial Hospital following a lengthy illness. Services for the 63-year-old blacksmith and welder will be at First Baptist Church of Texico with the pastor, Rev. John Summers, officiating.

Mr. Thigpen had owned and operated a blacksmith shop in Texico since moving here in 1945 from California. He remained active in his chosen line of work until two years ago

when ill health forced his retirement. He had been in and out of the hospital countless times during the past few months.

Born in Graham, Tex., on March 4, 1908, Mr. Thigpen was married to Bernice Morris in Abilene, Tex., on April 11, 1938. He had grown up in the Graham vicinity and called that area his home until settling in Texico.

Mr. Thigpen was honorary retired fire chief of the Texico and Farwell Fire Departments, having served as chief of the department when the two groups were combined, serving in that capacity from 1947 until 1973. He was a past president of the Texico School Board and was an active worker in all civic, school and community projects.

Survivors include his wife, Bernice; two sons, Billy Francis of Texico and Vernon Ray of Hereford; two daughters, Mrs. Etta Verlene LaRue of Texico and Mrs. Jerry Yvonne Trower of Andrews; six brothers, Marlon of Westminster, Calif., Julian of Norwalk, Calif., Beryl of Garden Grove, Calif., Herschel of Clovis, Chester of Amarillo, and Eugene of San Angelo; three sisters, Mrs. Pearl Chilcoat of Midland, Mrs. Doris Huddleston of Ontario, Calif., and Mrs. Junelle Lee of Willcox, Ariz.; and eight grandchildren.

Steed-Todd Funeral Home of Clovis will be in charge and burial will be in Texico Cemetery. Pallbearers will be Bill Goldsmith, Jim Pierce, A. D. McDonald, H. T. Prince, John Hadley and John Spearman. As Mr. Thigpen had requested, all present and former members of the Texico and Farwell Fire Departments will be honorary pallbearers.

Farm Programs - Sign Up Ends Next Week

Farmers who plan to participate in one or more of the 1971 set-aside programs are reminded that there is only one week of the signup period left. In order to be eligible for program benefits (wheat, cotton or feed grains), farms must be signed in the program by no later than 5 p.m. next Friday, April 9.

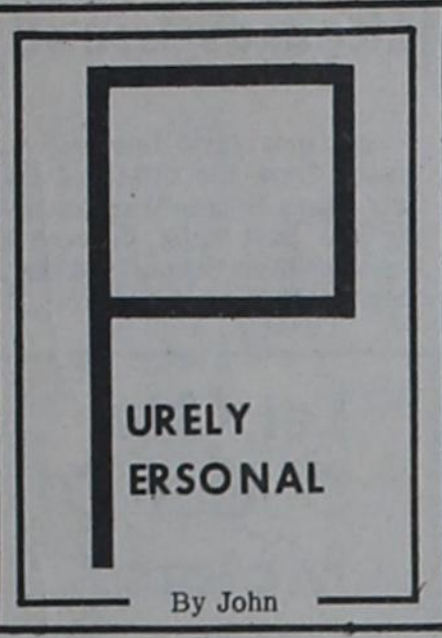

More than 800 farms in Parmer County have been signed up in the programs. It is anticipated that about 300 more will be signed up before the signup period closes.

Another thing that farm operators should keep in mind is that all wheat acreages should be reported on all farms having a wheat allotment - these acreages must be reported to the ASCS office by no later than May 3. This is true whether the farm is participating

in the wheat program or not. If a farm operator fails to report his wheat acreage by May 3, the farm will not be eligible for wheat program benefits, and in addition, the farm (for which wheat acreage is not reported) will suffer a reduction in wheat allotment in 1972 and future years.

Another date for cotton farmers to remember is May 3. This is the final date for transferring cotton acreage in Parmer County.

Sugarbeet growers are required to report their planted sugarbeet acreages by no later than June 10. This is extremely important under the Sugar Act Provisions. Failure to timely report sugarbeet acres causes a producer to be ineligible for Sugar Act Payments.

Elsewhere in the Tribune this week we are carrying a letter to the editor from Billy Bruce Dollar who is stationed in South Vietnam. We were pleased to know that the Tribune goes so far afield and is so appreciated by the folks away from home. We cannot do much about the young man's yen for a chocolate cake, but we suspect that good Mae Porter will look into that subject. Bruce, we are sorry about the action pictures of the basketball team, but our old and faithful Polaroid isn't up to that standard. Oh yes, the Lubbock Avalanche Journal was good enough to publish our article on Coach Vernon Scott and the Steer basketball boys. Another area paper lifted part of the story that was in the Lubbock AJ; so we did get some area publicity on this year's outstanding basketball record.

April 6 is the date of the Farwell city election that determines the members of the City Commission for another two years. There just doesn't seem to be much interest among the citizens of Farwell about the plans or platforms that the announced candidates are offering to support their bids for office. We have been concerned about the condition of the water system in Farwell and took the time to ask the candidates how they felt about the present condition of the system and what suggestions they might have in mind to improve the system. There seems to be a general awareness of the two main problems of sand in the water and low pressure in some areas, but there does not seem to be much collective desire to do a great deal to improve the situation.

Our understanding of the candidates' attitudes seems to be this: Elmer Hargrove, who is running for re-election as mayor, seems to feel that there is a need for improvement in the quality and quantity of Farwell water. Mayor Hargrove says that the City is presently awaiting the installation of a settling tank adjacent to the water well in the south part of Farwell. It is hoped that this will trap the sand that may be coming into the system from that well. Also, Mayor Hargrove said that some of the older sections of Farwell did have old, and in many cases, small lines that would need to be replaced, but that this would be quite a difficult task and one that would require study.

L. R. "Jelly" Vincent, who is running for re-election as a commissioner, says he expects the City Commission to look into the matter of more city paving, but that he would be against paving that was not accompanied by curbs and gutters. He would like to see a new city hall as a much-needed improvement. Vincent also said that some parts of the city did have inadequate water pressure, but that study would be necessary before much could be done about alleviating the condition. Vincent also stressed the importance of the city's living within its means and getting the most benefit from its spending.

J. T. Ford said that he, too, was aware of the water problems, but did not have enough background knowledge to say what should or shouldn't be done. He did express a willingness to see a survey of the system along with some estimates on what it would cost to alleviate some of the problems. Ford also thought that the water department needs another employee to assist the present water superintendent and to have at least two persons who know the locations of the many lines all over town. Ford suggested that an extensive program of flushing the main lines might hold the sand problem.

Lee Hutchins said his platform would include a look into or survey of the water system and thought that action should be taken to ease the sand in the lines. Hutchins also is in favor of additional paving but says that it should include curbs and gutters. Hutchins also mentioned that the 1956 model fire truck is the latest piece of fire fighting equipment the local fire department has and thought that the acquisition of newer fire fighting equipment should be on the City Commission's list of "things to do."

Fred Chandler did not have a specific platform and was not aware of any problems in the water distribution system and would rather not say anything until he can get more information on the matter.

A fair summary of the remarks from the candidates might be along these lines: We know there is a sand and pressure problem in some parts of town, but we would need more information before we can do much about it.

We think this is right, but we also think that now would be a good time to begin a study of the state of the Farwell water system and to begin to gather data on the cost and other obstacles to improvements. It won't be any easier and will cost more the longer it is delayed. This is axiomatic.

Letters To The Editor
 17 March '71

Mr. Getz, Believe it or not your newspaper makes it to the far reaches of the world. Right now it's in Saigon, South Vietnam, and it's been as far north as Hue.

In reference to your paper dated 12 March 1971, section concerning letters to the editor. The letter said if anyone wants a good Dutch Chocolate Cake they should try the one made by Mae Porter. Myself and several of my friends here at MACV Headquarters would like to try it.

I've been in Vietnam six months and I have almost forgotten what a chocolate cake tastes like. So if you could forward this letter to Mrs. Porter it would be greatly appreciated.

In all seriousness Mr. Getz, I wrote to let you know that the State Line Tribune brings home just a little closer. It is forwarded to me by my mother, Mrs. Billy Dollar, each week.

Everyone here in our office reads the paper. They couldn't believe that such a small town could have as an informative paper as the State Line. They had only one complaint. Why didn't you have some action photos of the basketball team? The Steer ball club has made quite an impression in Saigon. I personally feel that someone needs to apply some pressure to the larger newspapers in the area and get an article written about the basketball in Farwell. What school in the Panhandle can best the record and coach of Farwell High? Basketball is a team sport and Vernon Scott teaches team basketball which in turn has produced the winningest record in the Panhandle.

Thank you, Mr. Getz, for publishing the Tribune. Now let's get the ball to bouncing.

Sincerely,
 SP 4 Bruce Dollar

Mr. Mills married the former Miss Pauline (Polly) Webb December 24, 1953.

Survivors include his wife; four daughters, Patti, Deborah, Karla and Kara, all of the home; and three brothers, M. E. of Falls Church, Va., Willard B. of Austin and Wayne of Friona.

Changes Noted In Local Postal Service

Effective Monday, March 22, in order that mail received for dispatch from the Farwell Post Office may receive next-day delivery within a radius of 200 miles and possibly within the Dallas-Ft. Worth area, an earlier dispatch of local mail will be required. This is for mail on which next-day delivery is requested -- all other mail may be mailed at any time.

Currently, mail for the Lubbock sectional center facility is being dispatched at 4:55 p.m., and this time is being set forward to 4:30 p.m., starting Monday, March 22. In order for mail to be sent on this dispatch, mail should be dropped in the Farwell office no later than 4:15 p.m.

Hours of window service at the local post office will also be set up for 15 minutes earlier. Currently window service is provided from 8:15 a.m. through 4:45 p.m., Monday

through Friday, and these hours will be changed to 8 a.m. through 4:30 p.m., Monday through Friday. No window service is now being provided on Saturdays and Sundays.

Postmaster Jim Bob Smart stresses the fact that any mail within the area on which next-day delivery is needed should be in the post office no later than 4:15 p.m. each day. All other mail may, of course, be posted at any time. The earlier dispatch from the local office will help the Sectional Center Facility to get AirMail from Lubbock to the Dallas-Ft. Worth area.

On The Farm In Parmer County
 By R. MACK HEALD
 County Agent

Bagworms are destructive pests on many evergreen and deciduous shrubs and trees, and sometimes on neglected fruit trees. Late March and early April is the time to control them.

First, remove the bags from infested plants and destroy them. Then when temperatures stay above 60 degrees for 6 to 10 hours during the day, start applying control measures. The pesticide applications should be continued at 7 to 10 - day intervals until the infestation is eliminated.

Sevin, chlordane, lead arsenate or toxaphene will effectively control the bagworm. Directions for mixing and applying the materials are given on the label container and should be carefully followed.

The bagworm moth deposits from 500 to 1,000 eggs in a brown, tapered bag attached to a branch of the plant in September. The eggs hatch in March and the small worms immediately begin to feed on the plant's foliage and bark.

The young worms or caterpillars construct a small tapered bag of silk-like material and attach to it pieces of bark and foliage. The bag turns a brown in color.

The bagworm protrudes its head and front feet from the bag as it moves about the plant feeding and will withdraw into the bag when disturbed. In late summer the bag is attached to a branch and the mature caterpillar pupates within the bag.

The feeding worms, when infestation is heavy, will remove the foliage and bark from all parts of a tree or shrub, resulting in the death of the plant or heavily damaged parts.

LEARNING BY DOING -- Several area men are responsible for their sons and other young friends to have an opportunity to "learn while doing," as they let the young men assist them with working calves Saturdays at the Texico Feed Lots. Recently an arena full of boys helped work the some 300 head of calves, each weighing about 300 pounds. Among those working with the boys are Mack Weston, Don Leatherwood, Frank Doshier Jr., Bill Stone, Ray Dobbs, Charlie Christian, and Jack Hobbs.

Nutrition Notes

Do you know why your child should have Vitamin D foods daily? This important vitamin helps him form strong bones and teeth. It also helps maintain the skeletal structure in a healthy condition. When a youngster does not get enough Vitamin D during his formative years, poor bone and teeth structure may develop. Good food sources for this vitamin are: whole milk, liver, egg yolk, salmon, tuna, and sardines. Also remember many foods are fortified with this vitamin -- labels on those foods will state this fact.

Every part of the human body is made up of the elements from the food we eat. Food affects our growth, weight, teeth, bones, hair, fingernails, complexion, eyes, heart, lungs, legs, and arms! This is why it is so important that we choose a variety of foods for our daily menus. A selection from the four major food groups will insure good health and well being. The four groups are: meat, bread and cereal, fruits and vegetables, and milk.

Leafy green vegetables such as collard, mustard, and turnip greens are good sources of Vitamin A and iron. Use either the fresh or frozen variety.

True or False? Food packages marked "enriched" on the label are for persons on special diets. The answer is false because enriched foods are for everyone! When a homemaker has a choice between an enriched product versus one that's not enriched, she should choose the enriched one. This means more vitamins and minerals are added to her family's diet.

We all know that calcium is necessary for the building and maintenance of strong bones and teeth. But did you realize that calcium also helps muscles and nerves react normally, as well as being important for normal blood clotting? Good sources of this valuable mineral can be found in milk and milk products. Lesser amounts are found in dark green leafy vegetables, sardines, clams, and oysters.

Dwellers with limited lawn and garden areas must make every bit of space count for spring planting, reminds Everett Janne, Extension landscaping specialist at Texas A&M University.

Even a small yard can be adorned with a small tree, Janne says. He suggests crab-apple, redbud or evergreen yaupon, planted in the center of the patio area or at the edge of the garden.

Honored On Golden Anniversary

Mr. and Mrs. Milton H. Poteet of Texico were honored with a reception marking 50 years of marriage when their children hosted the celebration on their Golden Wedding Anniversary at Texico Baptist Church on Sunday, March 21. All of the Poteet children were present for the occasion, the first time that all of the family had been together at the same time in 25 years.

Children of the couple include Mr. and Mrs. George H. Poteet of Lake Providence, La., Mr. and Mrs. C. L. Crume of Orlando, Fla., Mr. and Mrs. Travis Poteet of Cheyenne, Wyo., Mr. and Mrs. Bobby Poteet of Merced, Calif., Mr. and Mrs. M. H. Poteet Jr., of Rawlins, Wyo., and Rev. and Mrs. Jerry Poteet of Abilene, Tex.

Mrs. Poteet wrote the following article concerning the 50 years she and Mr. Poteet have shared together:

Fifty golden years together is a wonderful thing, and not too many people are fortunate enough to have the opportunity to celebrate the occasion together. It is a long road with lots of hills to climb.

Milton and I met at a church gathering in the small community of Cone, Tex., in 1920. I guess it was "love at first sight," because that was the beginning of our courtship. It was a short-lived one, however, because my parents were very strict, and I was the only girl in the family, they didn't think I should leave home. But one night at a party, we eloped.

After two years of farming, Milton decided he didn't like farm life; so he began working for cotton gins and has followed that occupation for 45 years.

He has worked as ginner, gin manager and as salesman for gin machinery and has also owned two or three gins during this time.

We moved to Farmer County in 1939 and lived near Bovina for a year before moving to Farwell where most of our children started and finished school. Some of our children attended college and business school, some married and moved away, and some entered the armed services. We have had boys in the service off and on since 1944 and still have one son in the Air Force. All the children are married and have families of their own. They are scattered over five states and each one has a different occupation, all the way from a Major in the Air Force to a pastor of a church, including a bookkeeper, a mechanic and manager of a telephone company.

Our son-in-law is an electrician for a construction company and has spent the past two years in Pakistan; so you name

it, and we have it, but we have a happy family.

Our Golden Wedding Anniversary celebration was the first time for all the children to be together at once in 25 years and they may not ever all be together again. Rearing a family creates lots of problems and sometimes you want to throw up your hands and quit, but there is no quitting place; so you just keep hoping and praying that the Lord will see you through. He has certainly seen us through all the dark places and has blessed us in many ways.

Now that we are in our golden years we can look back over the years when our children were growing up and see how much we have to be thankful for and see that life wasn't too hard after all.

We hope to celebrate several more anniversaries together and to enjoy our children, grandchildren and great-grandchildren for many years to come.

Seniors Feted At Banquet

Seniors of Farwell High were honored Tuesday night at a banquet at the fellowship hall of First Baptist Church, Farwell. "Isle of Golden Dreams" was the theme of the Polynesian fete and the guests were greeted by "Lanai Lei-Maker" Alta Gerles who presented each a colorful lei.

Entering the island by way of bamboo hut, the seniors were seated at banquet tables covered with fish net and decorated with sea shells and fresh flowers.

The panoramic view gave the impression of being on an island with the rest of the room appearing as an ocean with boats seen in the distance and Mount Fuji rising to greet the scene. Bamboo huts featured swaying hula dancers for the seniors' enjoyment.

Toastmaster was Charles Hargrove and the welcome was given by Mrs. J. L. Bass. Gary Erwin offered the invocation and Harold Hall and the "Belles of Joy" presented entertainment.

Guest speaker was Rev. Charles Broadhurst, pastor of the First Baptist Church of Friona.

Girls helping serve the banquet were attired in pastel dresses and wore flowers in their hair.

The banquet is an annual affair hosted by the WMU of the church for all the senior students at Farwell.

Observe 20th Anniversary

The 20th anniversary of the Farmerettes Club was celebrated Friday, March 26, with a special party and program in the home of Mr. and Mrs. Leon Billingsley with Mrs. Billingsley, Mrs. Harold Carpenter and Mrs. Gerald Norton as co-hostesses for the event.

"Farmerettes Review" was the theme of the evening and the focal point of the decorations was a wall scene featuring silhouettes of each of the 12 club members with a letter on each to spell out Farmerettes. Below these letters were cutouts of the word "Review" with each letter depicting some special occasion or activity of the club, such as a turkey for Thanksgiving, a pumpkin for Halloween, a rabbit for Easter, and a Valentine for St. Valentine's Day.

On a table beneath the display was a large snifter filled with various-colored sherbet balls and the anniversary cake which was made and decorated by Mrs. Billy Meeks. The cake featured 12 little "Harveys" (the club's pet name for secret pal identities) trailing along a memory lane on a green grassy background. In the meadow were trees, flowering shrubs and a brook of blue water running under a small bridge. The name of each member and the date she joined the club was inscribed on the sides of the cake. Twenty candles represented the club's 20 years of existence.

Each of seven tables was decorated to represent some type of party the club had enjoyed during the years, including Halloween, Christmas, Valentine, 4th of July, Hawaiian luau, Hobo and Going Away. The going-away decorations featured a small truck loaded with toy furniture and other items, maps of various states had moved, and a suitcase packed with a going-away gift which was presented to Mr. and Mrs. Delbert Garner who are soon moving to Colorado.

Following a meal of oven-fried chicken, baked potatoes, Swiss green beans, various salads and French bread, Mrs.

Carpenter, club president, gave the welcome. Invocation was said by Rev. Jimmy McGuire of Lubbock whose wife, Joyce, is a former member of the club. Rev. McGuire is one of three preachers whose wives have belonged to Farmerettes. Misses Leslie Cooper and Janice Billingsley assisted with serving the meal and waiting tables throughout the evening.

As Mrs. Meeks cut the anniversary cake, the group sang, "Happy Anniversary" to the club and also sang "Happy Birthday" to Roz Blankenship whose birthday fell on that date.

Mesdames Wendol Christian, Delbert Garner, Leon Billingsley and Lawrence Cooper each read portions of the history of the club, each lady presenting a five-year period of the club's activities. Between the readings, other entertainment was featured. A quartet composed of Mrs. Wendol Christian, Mrs. Jimmy McGuire, Donald Christian and Jimmy McGuire, accompanied by Harold Carpenter at the piano, sang, "Carry Me Back to Old Virginia." They then led the group in singing "The Eyes of Texas," dedicating the number to the Garners.

Lawrence Cooper recited "St. Peter At The Golden Gate," and Mrs. Donald Christian played "Swingin' Safari," and "Alley Cat," on the organ. Wendol Christian did a pantomime which he had performed for the club many years ago and Harold Carpenter played two numbers on the banjo, including "Listen to the Mockingbird" and "Shorten Bread." Rev. McGuire made a short talk and Mrs. Troy Christian and Mrs. Roz Blankenship, accompanied by Mrs. Donald Christian at the piano, sang "He" and "Whispering Hope."

Mrs. Billingsley presented each woman present a small china bell, representing the 20th anniversary as being the "china anniversary." The token was a gift from the three co-hostesses.

Leon Billingsley and Donald Watkins showed slides and movies which have been taken of

club activities during the years, bringing back many memories along with laughter, tears and many comments.

To close the evening's program, the group joined in singing "God Be With You 'Til We Meet Again."

A highlight of the evening was a telephone call from the Carpenters' son, Major Donnie Carpenter, to tell his parents that he had arrived in El Paso for a short visit with his wife and son before returning to duty in Vietnam.

Attending the anniversary celebration were Messers and Mesdames Harold Carpenter, Wendol Christian, Donald Christian, Billy Meeks, Lawrence Cooper, Gerald Norton, Roz Blankenship, Troy Christian, Delbert Garner, Donald Watkins, Herman Gerles and Leon Billingsley, members; and the following guests: Rev. and Mrs. Jimmy McGuire of Lubbock, Mr. and Mrs. Frank Doshier Jr., and Misses Leslie Cooper and Janice Billingsley.

Troop 200 Wins Second-Place In District Scoutcraft Fair

Next to the cooking demonstration was Troop 200's color slide show, projected from behind on a "reverse-projection screen" which is viewed exactly as is a television screen. Narrators were Williams, Jackson, Garner, and Randy Stovall, who described the various scenes of troop activities. They also answered questions about Troop 200's expedition next June to Alaska.

FRIED PIE HONOR -- District Scout Executive Dale Schwartz was "lost for words" as he sampled a fresh and hot "Schwartzie" prepared by Troop 200 cooks at the Scoutcraft Fair in Clovis. Named in his honor, the pies were made from dried fruit cooked at the booth, canned biscuits, butter, and cinnamon. Pies were given to visitors who watched the live demonstration of Scouting. Pictured are Scouts Mike Goetsch, Randy Stovall, and Scouter Schwartz.

TRUE PRAYER
Let us suppose that I have just had the joy of leading a soul to Christ. He was a godless, wicked creature until lately, but now a great transformation has taken place in his life. He is overwhelmed with the joy of sins forgiven. Nevertheless a few things still trouble him.
As he stands there, touched by the love of Christ, he says: "I don't look very much like a Christian. Look at my clothes. And I ought to get a job and work like other people do. Then, too, I've been a wicked blasphemer. Swearing seems to be part of my nature. I don't know how I'll ever stop it."
I suggest that we pray about it, but he says that he has never prayed in his life and doesn't know how, so I teach him. I tell him how simple prayer is -- that he should simply talk to God and say, "Lord, I need a decent suit of clothes and a job, and oh, wilt Thou not help me to stop swearing? I ask it in the name of the Lord Jesus Christ."
We arise from prayer and, feeling for the man, I myself get him a suit of clothes and a job, and he goes on his way rejoicing.
Now, let us suppose that I return ten years later to find that he is happily married, has three children and is living a consistent Christian life. Calling at his home, however, I find that one of his children is dangerously ill. We get on our knees to pray for the child and he begins: "Lord, I need a decent suit of clothes and a job, and oh, wilt Thou not help me to stop swearing."
Ridiculous! you say. No man would be so foolish. Yes, ridiculous indeed, yet many people simply repeat prayers in the same way. The so-called "Lord's Prayer" is, of course, a perfect prayer, but is it not significant that in the giving of this very prayer, our Lord cautioned His disciples: "When ye pray, use not vain repetitions as the heathen do... Be not like unto them... After this manner heathen pray ye..." (Matthew 6:7-9). Yet this very prayer is repeated word for word at funerals and weddings, in storms at sea, before meals and at church services -- on practically any occasion, whether it applies or not.
Thank God for those who truly know God through the Lord Jesus Christ and can truly enter into His presence in prayer "to obtain mercy and to find grace to help in time of need." (Hebrews 4:16).

Scout-Parent Banquet Held Saturday Night

Farwell Girl Scouts, including Brownies, Junior Scouts and Cadettes, were hostesses for their annual Scout-Parent banquet at Farwell School cafeteria on Saturday night. The occasion also marked the birthday of Scouting in Farwell, the organization having taken place back in 1967.

Mrs. Margaret Aycock, who is a co-leader of Junior Girl Scout Troop 121 with Mrs. Sue Kirkland, was master of ceremonies for the evening. Pam Nance, a Cadette, was the Scout in charge for the opening and closing flag ceremonies in which a representative from each troop participated.

Each Scout introduced her parents to the group and an "ice-breaker" game was won by Mrs. Martin Chandler who

was declared the "Bean Champion."

Following a covered dish supper, the Cadette Scouts gave a summary of their activities during their Cadette years and told of the coming "capping" ceremony in Lubbock when they will "fly up" to Senior Scouts. Cadette Scouts are Jacquetta Crook, Kittle Warren, Patti London, Pam Magness and Pam Nance. Their leader is Mrs. Patsy Nance. This is Farwell's first group of Cadettes since Scouting began here only some four years ago.

During the Brownies' portion of the program, they entertained with a chant accompanying themselves with lemmie sticks and told an action story of a bear hunt. They led an audience participation song

"Grand Old Duke of York," and closed with the Brownie Smile Song. Mrs. Martha Curtis was in charge of the Brownie program and gave a resume of the activities of this group throughout the past year. There are 24 registered Brownies and the troop has had an average attendance of 23 throughout the year. Nine Brownies have missed only one meeting, 10 have perfect attendance and one Brownie has missed four meetings -- the most missed by anyone. This is an impressive record for this age group.

Lisa Howard, representing the Brownies, presented an appreciation gift to Mrs. Alice Vinton, a co-leader of the Brownie troop. Mrs. Vinton was complimented for her countless contributions to the Scouting program. Mrs. Vinton is the only leader who has been with the Scouts continually since the organization was started in Farwell in 1967. She was instrumental in getting Scouting started here and has been an active worker with the girls ever since. Her co-workers say they all call on her

whenever a job needs doing and told of many of the acts she has performed "above and beyond the call of duty" for the Scout program.

The Junior Scouts, who were dressed in Swedish costumes of pinafore-type dresses with long skirts and aprons, performed a dance which they will present at a council meeting

in Lubbock later in April. Mrs. Vinton was also helpful in seeing that the 25 costumes were completed, even making a trip to Lubbock to see how to make the costumes properly and also learning the basic steps of the dance to teach to the girls.

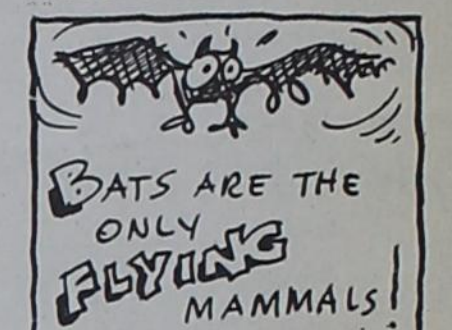

Mrs. Norma Booth, who was cookie chairman for the 1971 sales campaign, announced the

winners of "cookie patches," certificates and book markers. Girls who sell 100 boxes of cookies or more receive a "cookie patch" for their Scout uniforms; those selling at least 50 boxes receive a book marker; and those selling at least 25 boxes receive a certificate.

A complete list of the winning sellers include Beth Black, 207; Jayme Berry, 106; Kathy Booth, 62; Jan Bradshaw, 36; Roxie Chandler, 72; Toby Curtis, 66; Leigh Ann Kirkland, 42; Cary Marsh, 27; Carolyn Meeks, 92; Susan Meeks, 36; Mary Lou Roberts, 50; Rachel Sierra, 64; Vicki Vinton, 100; Deana Williams, 28; Paula Christian, 97; Judy Hardage, 32; Natalie Dollar, 150; Kathy Key, 25; Kittle Warren, 26; Patti London, 25; and Pam Nance, 26.

Mr. and Mrs. Walter Langley and Miss Pat Harris of Lubbock were special guests for the banquet along with Mr. and Mrs. John Getz of the State

Line Tribune. Mrs. Langley, field advisor for the Girl Scouts, showed slides of Camp Rio Blanco. Miss Harris is executive director of the Caprock Council of Girl Scouts.

GIFT OF APPRECIATION -- Mrs. Alice Vinton, center, accepts an appreciation gift from Lisa Howard, representing Brownie Troop 143, at the Scout-Parent banquet Saturday night. Mrs. Vinton, who was instrumental in getting the Scouting program organized in Farwell back in 1967, has been an active worker with the Brownie Troop since that time and has performed many acts "above and beyond the call of duty" for the entire Scouting venture in Farwell. Mrs. Margaret Aycock, right, co-leader of the Junior Girl Scouts, was master of ceremonies and expressed appreciation to Mrs. Vinton for all her help during the year. At left is Mrs. Martha Curtis, co-leader of the Brownies with Mrs. Vinton who has also spent numerous hours working with the second and third grade girls who are in Scouting.

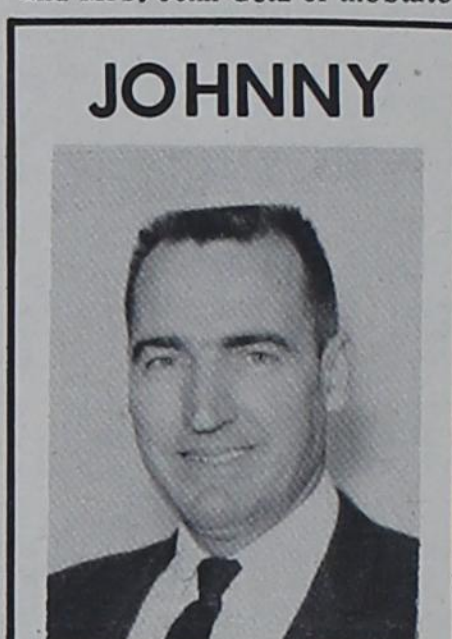

CADETTE SCOUTS who will soon by "flying up" to Senior Scouts were recognized at the Scout-Parents banquet held at the Farwell Schools cafeteria Saturday night. This is Farwell's first group to advance to Senior Scouting, the scout program having only begun in Farwell in 1967. These girls will be "capped" in special ceremonies in Lubbock sometime in May and their present leader, Mrs. Patsy Nance, shown in back of the girls, will be their Senior Scout advisor. Cadette Scouts include, from left, Kittle Warren, Pam Nance, Patti London and Jacquetta Crook. One other Cadette, Pam Magness, was not present.

TOP SELLERS in the recent Girl Scout Cookie sales campaign pose here with Mrs. Norma Booth, who was chairman of the cookie sales for 1971. Each of these girls sold over 100 boxes of the cookies to earn for themselves an official "cookie patch" for their Scout uniforms. From left are Natalie Dollar, Vickie Vinton, Beth Black and Jayme Berry, and in back is Mrs. Booth. They were recognized during the Girl Scout banquet last Saturday night.

Holy Week Services Set By Lutherans

Rev. Herbert F. Pelman, pastor of St. John Lutheran Church of Lariat, announces a series of special Holy Week services, beginning with a Maundy Thursday evening communion celebration at 8 p.m. and a service at 10 a.m. on Good Friday.

For the Thursday night service, Rev. Pelman will speak on the words of the sixth petition

of the Lord's Prayer, "Lead Us Not Into Temptation."

"Comparing our temptation with the suffering Savior's temptation in Gethsemane, we learn that He overcame by keeping his eye fixed on the goal and purpose of His life and by seeking in all things to do His Father's will," is a quote from the pastor's proposed message.

The Good Friday liturgy will be woven around the seven

words which the Savior spoke while hanging on the cross with the sermon to be based on the seventh petition of the Lord's Prayer, "Deliver Us From Evil," with the title of his talk to be "Turning Calamities Into Serendipities."

Climaxing Holy Week will be Easter at which time the pastor will bring to a close a nine-sermon series on the Lord's Prayer, speaking on "Amen," which means, "It Shall Be So." This message will be presented at the 10:30 a.m. service.

The Old-timer

"You're an old-timer if you can remember when the coffee break was lunch."

Plan Holy Week Services

"Three Nights for God," special services for Holy Week, have been planned at Hamlin Memorial United Methodist Church with guest speakers and special music being planned for each service.

Each service will begin at 7:30 p.m. and everyone in the area is cordially invited to any or all the services.

On Sunday, April 4, Dr. Charles R. Thigpen, district superintendent of the Albuquerque district of the United Methodist Church, will speak. Although he will not be presenting one of his "Sermons in Song," Dr. Thigpen will provide special music for the evening. Dr. Thigpen was in Texico-Farwell last year to present a series of sermons in song at the local church.

Rev. Robert Harrison, pastor of Kingswood United Methodist Church, Clovis, will speak on Monday evening. Rev. Harrison has conducted a revival in the local church while he was pastoring a church at Pecos, and since moving to Clovis, he has spoken at many local events. The choir will present a special anthem for this program.

Speaking at the Tuesday,

April 6, session will be Dr. Austin H. Dillon, pastor of First United Methodist Church of Roswell. Dr. Dillon has also

been in the local church to hold a revival shortly after the initial portion of the present building was completed.
