Law Enforcement Center - -

Parmer County Commissioners Open Bids On Construction

Parmer County Commissioners, in a 3 p.m. meeting Monday, opened bids received on the construction of the new Parmer County Law Enforcement Center and neither accepted nor rejected any of the three bids submitted.

The low bidder on construction of the facility was John C. Cornell, Inc., of Clovis, who submitted a total of \$337,774. Other bidders were W.R. Bauske & Co., of Clovis, \$347,759 and Cottle Construction Co., of Clovis, \$358,540.

The Commissioners agreed that all three bids were too high and authorized architect Warren Pendleton to meet with representatives of John C. Cornell, Inc., to investigate money-saving alternatives to reduce Cornell's low bid.

Action to either accept or reject all bids must be taken within 30 days from bid opening. Following his meeting with John C. Cornell representatives, Pendleton will meet with the County Commissioners at their next regularly

Items considered by Commissioners to facilitate cost-reduction included the elimination of glaze block in the building except the kitchen, Alternative 1; eliminate glaze in the kitchen and just paint the block walls, Alternative 2; omit the automatic dishwasher, Alternative 3.

Other cost-reduction subjects considered were the elimination of all plumbing fixtures in the jailer's apartment, Alternative 4; eliminate the jailer's apartment, Alternative 5; eliminate plaster finish in the Sheriff's Department and radio room, Alternative 6; omit lamps and ceiling in the jail

area and inspection area, Alternative 7; and omit all detention equipment in the jail cell quarters.

Commissioners attending the meeting included County Judge Archie Tarter, Raymond Treder, Cecil Atchley, Charlie Jefferson and Tom Lewellen. Others in attendance were Warren Pendleton, architect; Hurschel Harding, County Attorney; Charlie Lovelace, County Sheriff; Hugh Moseley, County Assessor Collector; Paul Fortenberry of Friona, incoming County Judge; Bill Ellis, publisher of the Friona Star; and other interested persons.

FATHER'S DAY VIP - Father will be a Very Important Person and Very Important Policeman this Father's Day Sunday in the Mickey Fenn household. Texico City Marshal Fenn holds the newest member of the family, little Micki, born three weeks ago. The other Fenn children, who will be helping father celebrate his day, are from left and clockwise, Tracey, 5; Terri, 7; Becky, 11; Mrs. Fenn (Phyllis); Jimmy, 9; and Jody, 7. Two other Fenns were not present for the picture, Brian, 11, and Jodi, 5.

Severe Weather Factors - -

Area Grain Experts Forecast 'Light' Wheat, Barley Crops

Because of extreme weather conditions in Parmer County - the severity of hot winds, lack of rain and bug infestations - this year's wheat and barley crops have suffered to the point of a bleak forecast by area grain experts.

Bill Thigpen of Worley Mills in Farwell predicted that the "farmers won't break even" on their crops this harvest season. "The yields are going down considerably from last year," he stated. Thigpen also pointed out that the harvest this year is eight to ten days earlier than last year. The first load of wheat last year was delivered to Worley Mills on June 16.

The first irrigated wheat load delivered this year to Worley came June 5 and belonged to Walter Kaltwasser. It tested at 56 pounds per bushel and moisture content was 12.5%. He received a premium of \$25.00 for the first delivery. Market price as of Tuesday was \$3.37 per bushel.

The first delivery of irrigated barley to Worley Mills was June 3 and belonged to Brown and Brown Farm, south of Farwell. Test weight was 43 pounds per bushel and moisture content was 13.7%. Market price for barley Tuesday was \$3.75 per hundred.

"Yields in the barley crop will be light," Thigpen stated. "This is not a good year for farmers and barley is going to

be about as bad, if not worse than wheat," he further commented.

Fred Chandler of Sherley Anderson Pitman, Inc., Farwell, took that company's first delivery of semi-dryland wheat on May 31 from Arthur Mitzelfelt of Farwell. Test weight was 54.5 pounds per bushel and moisture was 12%. Mitzelfelt was given a \$25.00 bonus for the first delivery, which yielded 12 bushels to the acre.

Chandler classified this year's wheat crop as "a poor crop because test weights are light and yields are low throughout the county in general."

The first load of irrigated barley delivered to Sherley Anderson Pitman came from Joe McWilliams, who farms one mile east of Farwell, on June 1. Barley averaged 69 bushels per acre, test weight was 46.5 pounds per bushel and moisture was 14%.

The barley is "fair and coming in pretty good," Chandler remarked. Asa Smith of Sherley-Anderson-Lariat Grain Co. said he "Doesn't expect any dryland wheat at all this year" because of the extreme dry conditions and other related problems.

The first delivery of irrigated wheat was accepted at Sherley-Anderson-Lariat on June 6 from Delbert Lingnau, who farms one mile west of Lariat. Test weight was 58

pounds per bushel and moisture 12%. Report of yield is incomplete as of presstime. The actual first delivery was made by Melborn Jones, who farms east of Lariat but it "was so green that it wouldn't test," according to Smith.

Smith also stated that "this year's crop yields of irrigated wheat is the worst ever" in the county. He reported that irrigated wheat had been running from 11 bushels to the acre to 44 bushels. R.J. Garner had 20 acres of palo duro wheat that yielded 44 bushels to the acre and is "the best received so far," stated Smith.

The first delivery of barley was made June 6 and 7 by E.D. Chitwood, who farms five miles east of Lariat. Test weight was about 43 pounds per bushel; moisture, 10%; and yield, incomplete.

Commenting on the barley crop, Smith stated that "barley isn't very good this year either." Comparing this year's crop to last year's, he noted that some farmers made 100 bushels per acre for 1973, and this year the average is approximately 40 to 69 bushels per acre.

Ray Pritchett of Golden West Seed Co. in Texico took his first delivery of irrigated seed wheat on June 7 from Brown and Brown of Texico. Test weight was 56 pounds per bushel and moisture 14%. Yield information was unavail-

able. Pritchett expects to have "some good wheat coming in" later on.

The first delivery of irrigated seed barley to Golden West was made June 8-10 by Brown and Brown. Test weight

was 43 pounds per bushel and moisture 15%. Yield was not available.

Commenting on the barley crop for this year, Pritchett stated that the crop "is going to be light test weight as a whole."

Fire Fighters Issue Warnings

Stern warnings from Texico and Farwell fire fighters have been issued in the wake of extremely dry conditions and the increasing number of fires reported in the two areas.

Lewis Cooper of the Texico Fire Department Tuesday issued the following statement.

"Spectators are warned to quit following firetrucks answering calls and to stay out of the way. People who keep getting in the way add more danger to lives and property, and those persons who obstruct fire fighters can be given tickets. At one fire several years ago people crowded around the fire so closely that we couldn't get the fire truck to the fire. The people even had the streets blocked. Curiosity seekers are warned not to flock to fires. It is dangerous!"

Farwell Fire Chief Lee Hutchins said it is a State law that people cannot obstruct firemen and that people must travel at least 300 feet to the rear of a truck answering a call.

He stated: "The main problem is that someone could get hurt by walls falling or embers blowing from the fire. People have in the past run over hoses while the firemen are trying to fight a fire. People should re-

spect the law for their own safety."

California, Arizona - -

Farwell Senior Class Trip Offers Memories

Farwell High School graduating seniors numbering 36 and their 10 sponsors and class parents returned home Friday, June 7, at midnight ending what one class parent described as a "marvelous trip for everyone."

This year's end-of-school-year trip took the group on the longest journey ever in the history of Farwell senior trips - to various points in California and Arizona.

Students participating in this senior trip began working in the sixth grade in various kinds of projects to earn money for the trip. The group accumulated approximately \$8,500 which paid for their bus fare, meals, motels and spending money. Money left over from the trip will be put into a fund for a class reunion to be held in five years.

Mrs. Sue Kirkland, one of the class parents accompanying the group, stated that during

the whole trip the students "were so congenial and cooperative." "You just couldn't have asked for a better group of students," she said. Mrs. Kirkland also remarked about the cleanliness of the various places they visited and said the students were amazed by this.

Also noting students' reactions to new adventures encountered during the trip, Mrs. Kirkland said the students saw a way of life they had never seen before - multi-level, criss-crossing freeways, skyscrapers, the ocean and multi-storied motels.

Departing at 11 p.m. May 31, following graduation, the group boarded a chartered Greyhound bus and traveled all night arriving in San Diego on June 1 at 11 p.m. Upon sighting their first glimpse of the Pacific Ocean, the students bounded off the bus and ran straight for the water, clothes and all, for their first swim. They spent

their first night at Capri-by-the-Sea, a 12-story hotel on the ocean in San Diego.

Sunday morning, June 2, some of the more adventurous students rented surfboards and tried their hands (and feet) at riding the white caps of the Pacific. It was reliably reported that no sponsors or class parents participated in this activity. Other brave souls ventured into the cool waters for swimming.

At noon, students, sponsors and parents met in one of the rooms for Sunday services conducted by Rev. Bob Roberts, one of the class sponsors.

That afternoon was spent touring the San Diego Zoo, one of the largest in the nation. "All of the zoo was impressive, especially the settings for the animals," reported Mrs. Kirkland. In the evening, the group went to Culver City where they

First Annual - -

Nine Cities Represented In Partnership Tourney

Seventy-two entrants representing nine cities in Texas and New Mexico were pitted in competition at the Farwell Country Club Partnership Tournament played Saturday and Sunday, June 8 and 9, at the local club. Players were registered from Amarillo, Canyon, Hereford, Friona, Bovina, Levelland, Lubbock, Farwell and Clovis, N.M.

Capturing first place in the Championship Flight were Dickie Weston of Canyon and Marvin Dick, Jr. of Amarillo with a 138 score. Weston and Dick were declared champions in a playoff with Eddie Kilmer of Clovis and Mike Tenorio of Amarillo, who also shot a 138. Third place in the Championship Flight was awarded to Ken Hicks and Ken Bailey, both of Amarillo, who shot a 141.

First flight competition was topped by Al Lorkavic, Sr. and Dale Vaughn, both of Clovis, who shot a 147 for first place. Second place was taken by Jack Kirkland of Farwell and Frank Freeman of Lubbock with a 153 in play-off action over Bob Horton and Gracie Capps, both of Clovis.

Action in the second flight saw Tony Salazar of Clovis and Chico Contreras of Levelland take the first place slot with 160. In play-off action for second place Ken Hagar and Brad Johnson of Clovis topped Ed Schroeder of Hereford and Glenn Randolph of Clovis with a score of 163.

Contenders in the third flight with the lowest score to take first place were Ray Todd and Richard Ramada with 161. Second place went to Dale Carey and Richard Kimbrough, both of Friona, with a 169 who were in a three-way play-off with Don Huckabee and Jerry Brown, both of Friona, and E. G. Phipps and Billy Wayne Sisson, also of Friona. Third place was awarded to Huckabee and Brown.

Joe Lamberson, Farwell Country Club golf professional, would like to thank Cotton Renner, golf professional at Friona Country Club, for his services during the tournament and all Farwell people who helped and participated in the weekend event.

According to Lamberson, there was "a real good turnout

for the first partnership tournament" which was played in place of the invitational tournament. "We expect the tournament to be bigger and better next year, now that it has been established," stated Lamberson.

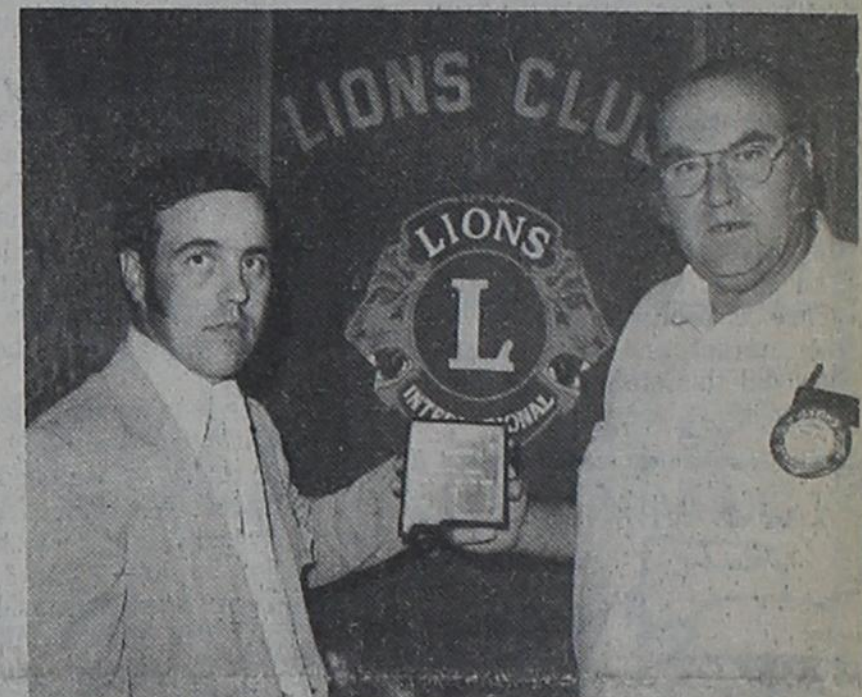

The Fourth Annual Penny Anderson Golf Tournament has been scheduled for July 21 and 22 at the local country club with shot gun starts to begin at 10 a.m. and 3 p.m. each day of the tournament.

Entry fee will be \$40 per team with the first 50 teams accepted. Teams will be flighted by handicaps of the partner with the lowest handicap. Any participant may declare for the championship flight. All entry fees are to be returned in gift certificates.

Following the conclusion of tournament play Saturday evening, a pool party and cookout is planned for players and their wives or dates.

Anyone who would like to enter and challenge current champions Brooks Jennings and Delvin Schuts may contact host professional Lamberson by calling 806/481-9110.

RECOGNITION - Jim Walker, left, member of the Texico-Farwell Lions Club was presented with a plaque from the New Mexico Eye Bank Foundation for selling the third highest number of tickets in the State of New Mexico for an annual raffle. Presentation of the award was made by James Craig, District Governor, Lions District 40-X, at the Lions Club meeting Monday night.

LUNCHEON BREAK - Farwell graduating seniors, class sponsors and parents pause in front of their chartered bus in Albuquerque for a luncheon on their return trip to Farwell. This year's senior trip took participants to various points in California and Arizona, during the week-long journey.

PURELY PERSONAL
by John

The energy crisis seems to have been temporarily alleviated at the gas pump, if a person looks at the vehicles on the road. We used some of the precious gasoline last weekend by traveling to Deming, N.M., for a Lions Club state convention, so really cannot toss too many brickbats at the rest of the people. However, a thought or two did occur to us on the subject.

With gas going at from 56 cents to 60 cents a gallon we did not see or hear any great griping about the price. When we passed Ruidoso Downs Sunday afternoon it was full to the gills with cars. We noticed quite a goodly number of camper and self-contained vehicles on the road. We also noticed many cars with luggage racks on the car top. In short, we concluded that there was every evidence of a great volume of pure recreational activity going on all over the area.

This hardly jibes with the national propaganda put out about gloom and doom from an economic standpoint. If Mr. Nixon has wrecked this country, it is passing strange that so many people have so much money to spend for so really unnecessary activities.

This leads us to think that the basic economy is not as bad as we are being told daily. However, it does give a person pause in contemplating the situation several years hence. If we are in an economic recession and the people will not practice restraint in their frivolous expenditures now, how are we going to cope with the energy and economic picture in the future?

Even today with the recent acute shortage of fuel still on everybody's mind, there are "environmental" bills not only being introduced in Congress but seriously being studied by Congressional committees. If the prediction of an enormous increase in fuel consumption will prove to be accurate (and why not? nobody is practicing conservation today), we will need every means of energy production we can have even under the most favorable conditions.

So we say, pay attention to this warning: Unless the United States House of Representatives kills Bill No. H.R. 11500 now, in ten years we will wonder where the coal, oil, gas, etc. went. Then somebody will turn down the thermostat and remark, "Gosh, how did we suddenly get in this shape?"

This is history repeating itself. We were warned ten years ago by the informed people in the various energy industries that a crunch was coming if Congress passed such and such legislation. Well, Congress passed it; time went by and our energy became scarce, and people said, "Gosh, how did we get in this shape so quickly?"

Our trip over the past weekend has done nothing to change our thinking about history repeating itself. We are not out of the energy woods because the people are apathetic and Congress is craven in the face of a few determined "Clean Air" nuts.

Of course all our energy problems could be solved if all the energy expended by the wind last week could have been bottled and saved. In Deming the wind blew like sixty. We understand it blew like seventy here and we talked to a man who had visited in Corpus Christi, and he said it blew like eighty there - so it must have blown like 80% over a wide stretch of the Southwest. Technology must save us; we won't do it ourselves.

And speaking of shortages, we are aware of the world-wide deepening gloom over food production. It has been widely forecast that in the near future, food will be at a premium for many millions of the peoples in many areas of the world.

Yet in view of this almost unanimous forecast of food shortages, the Environmental Protection Agency is calling for a hearing on the use of 2-4-D, a range herbicide that has been widely used for over 20 years with no apparent ill effects on man or beast. This herbicide has been credited

Senior Trip . . . (Continued from Page 1)

spent the night at Howard Johnson's Motel.

Activities Monday, June 3 began with a trip to Marineland, where the group viewed a dolphin performance featuring the famous television star, Flipper. Luncheon on the Queen Mary, berthed at Long Beach, provided the group with an opportunity to tour the large ship and to shop at the various places on board. The group was "very impressed" with the size of the ship.

The afternoon of June 3 was spent at Knott's Berry Farm, a replica of a farm, with entertainment opportunities ranging from all kinds of shops to rides and several restaurants. The farm was one of the students' and adults' "favorite places."

While at Knott's Berry Farm, members of the tour met child actor Johnnie Whitaker, who played the role of Jody on the television produc-

RIDERS OF THE OLD WEST -- During a tour of Universal Studios in Hollywood this group of seniors paused for a momentary glimpse into the past as they "rode" the old Wells Fargo Stagecoach. Standing, left to right, are Debbie Pewitt, Pam Nance, Patti London, Jaquetta Crook, Jamey Craig, Jesse Cantu and Weldon Embury; in the driver's seat are Bill Johnson (facing away from camera) and Darrel Stanton; in the window, at left, J.D. Reeves, and at right, Rudy Rodriguez.

ping" at Disneyland, tour participants boarded their bus and, after an all-night ride, arrived in Flagstaff, Ariz., early the afternoon of Thursday, June 6. The group went swimming and for their free afternoon took a walking tour of the city and enjoyed other pursuits.

On Friday, June 7 the group left Flagstaff for the Grand Canyon, where they spent approximately two hours walking around the rim and shopping at the tourist center. The group had dinner in Albuquerque and during the return trip amused themselves reminiscing about their trip. Water, ice and pillow fits among the group also kept a lively pace for the return trip home.

Nostalgia seemed to pervade as the group got closer to home and at the Port of Entry the group began to sing the Farwell School Song to commemorate the class members' last time together as a unit.

Class sponsors and parents making the trip were Mr. and Mrs. Jack Kirkland, Mr. and Mrs. Jesse Coburn, Mr. and Mrs. Ralph Franse, Rev. and Mrs. Bob Roberts and Mr. and Mrs. Gene Hardage. Bus driver for the trip was Bob Bailey of Roswell.

PARENTS AND SPONSORS -- Class parents and sponsors were "incarcerated" briefly in a Western jail during their tour of Universal Studios. Front row, left to right, area Jack Kirkland, Florine Coburn, Sue Kirkland, Lucille Franse, Peggy Roberts and Rev. Bob Roberts; back row, left to right, Ralph Franse, Jesse Coburn (partially hidden), and Bob Bailey of Roswell, the group's bus drivers. Absent from the picture are Mona and Gene Hardage.

Texico Chamber of Commerce Plans Border Town Days

Main discussion at the monthly meeting of the Texico Chamber of Commerce Monday evening at the Citizens Bank was the upcoming Border Town Days.

Mrs. Ann Ledbetter was named to head a committee to start plans for a float for the chamber to enter in the parade. Also named to the committee was Ruby Goforth. Several members volunteered to help man the gates on the first night of the rodeo.

The chamber voted to donate \$200 to the Woman's Club to be used to help pay off the note on the Community Building. A committee met recently and drew up rules and regulations for the use of the building. It was decided that \$7.50 would be charged as a rental fee to all organizations other than local civic groups and the Senior Citizens. In addition to the rental fee, a \$25 clean up deposit will be taken. This will be returned provided the building is returned in good condition, the committee reported.

Discussed was a clean-up campaign to last for one week

Farwell - -

School Board Considers Budget, Tax Increase

Farwell School Board members met Monday at 8 p.m. to discuss a lengthy agenda. Present for the meeting were Gilbert Kaltwasser, R. J. Garner, Wilbert Kalbas, Billy Mayfield, Walter Hughes, Charles Aycock and Ted Magness. R. T. Langston, bus foreman, was a visitor.

The agenda included the approval of reports and bills for payment. The tentative budget for 1974-75 was not approved pending review and some changes. The budget will be approved in August.

Following the discussion on the amount of increase needed on the 1974-75 tax roll, approval was given to increase the percentage of assessed valuation from 39% to 46%. The tax rate was set at \$1.90 per \$100 valuation.

A report from the committee on the tax form to be used for rendition of personal property for tax purposes was approved. This tax form will be mailed to

taxpayers in December. Wilbert Kalbas is chairman of the committee, and Ted Magness and Walter Hughes, members.

Next item of consideration was a report of the committee on the appraisal of lots for sale. The school plans to keep two pieces of property acquired in the recent tax sale for two years so a clear title can be obtained. The school is offering 12 lots, located on Fifth Street, west of the football field for sale at \$30.00 per front foot. The sale is open to the public for purchase.

After considering bids on the sale of two school buses, the buses were sold to Southern Bus Sales of Alexandria, La. The 1970 model was sold for \$4,270 and the 1969 model brought \$3,570.

In other business the School Board renewed the film agreement with the PESO Regional Service Center in Amarillo, and accepted the resignation of Mrs. Mary Peckinpaugh as high school science teacher. The position is open, as well as two high school math positions. Mrs. Peckinpaugh will be teaching in the college at Roswell.

The Board members approved an increase in salary for school secretary, Mrs. Georgia

Lee Rundell, and tabled until the July meeting consideration of an increase in the price of school lunches for 1974-75 school year and the student accident insurance program for the coming school year.

The 1974-75 school calendar was approved and adopted.

Teacher work days begin on August 15 and school will begin August 22.

School Superintendent W. M. Roberts expressed his gratitude to Mrs. Wilbert Kalbas and Mrs. Ted Magness for furnishing cake and cookies for those attending the meeting.

You Are Invited To Attend A Pea Growers Seminar To Be Held Tuesday Night, June 18th, 8:30 P.M. In Friona At Parmer House Restaurant. Refreshments Will Be Served And All Aspects Of Growers Seminar To Be Discussed, Contracts Will Be Available.

For More Information Contact Glen King, Muleshoe 272-3545 Or 272-1184, Or Woldert Canning Co. (214) 592-6571 Tyler, Texas.

Food Seminar Set June 20

Friona High School Home-making Department will be the scene of a canning and freezing seminar on Thursday, June 20th. Marilyn O'Dowd, home service advisor for Southwestern Public Service, will begin the program at 2 p.m. with a home freezing demonstration to be followed by a demonstration on methods of home canning given by Mrs. Pete Jesko of Lazbuddie (former Extension Agent) and Jana Pronger, Parmer County Extension Agent.

The program is open to all interested persons in the area. For more information call Parmer County Extension Office in Farwell, 481-3619.

Leatherwood Takes Honors In Rodeo

Terry Leatherwood of Farwell, son of Mr. and Mrs. Donald Leatherwood, participated in the Rodeo Cowboys Association rodeo in Roswell June 1 and 2 and took All Around Cowboy honors. He also won first in calf roping and second in team roping.

Mr. and Mrs. Leatherwood, their sons, Terry, Mike and Dusty and his wife, and Mrs. Leatherwood's nephews, Limy and Danny Riley, went to Ft. Sumner for the New Mexico Junior Rodeo the weekend of June 8 and 9.

Terry won second in calf roping and fifth in ribbon roping. Limey took second place honors in 16 through 19 bull riding. Diane Luce of Texico also participated in the rodeo and took second place in pole bending. Mike Snodgrass and Cheryl Tharp were other local participants.

Also attending the Ft. Sumner rodeo were Mr. and Mrs. Leon Luce and Mr. and Mrs. Lonnie Tharp of Texico. Terry also entered the Clovis Pioneer Days Rodeo, participating in calf roping, team roping and steer wrestling.

DOES YOUR FERTILIZER CONTAIN SULPHUR?

Smith Douglass Pelleform does!

You used to take sulfur for granted. You can't afford to anymore. Environmental controls have reduced the amount of sulfur in the air. You don't get carry-over you once did from sulfur dust insecticides and fungicides.

How can you economically furnish sulfur to your crop? Use Smith-Douglass Pelleform. It gives you not only nitrogen, phosphorus and potash but sulfur...plus Trel, Smith-Douglass' exclusive formula of trace elements. And it's all combined in every clean, green pellet. Pelleform's easy handling, even spreading.

Rely on Pelleform Bermuda Booster to produce high-yielding pasture. The sulfur in Ber-

muda Booster is important to cattle. The Texas Plant Food Institute Newsletter reports that sulfur helps control nitrate accumulation to minimize losses from grass tetany and nitrate poisoning.

Pelleform comes in a special analysis for peanuts. Extra amounts of calcium and potash help produce good yields of firm, heavy, high-quality nuts.

You'll like Pelleform. It's the kind of complete and balanced fertilizer you need to make money from farming today. Talk to your Smith-Douglass man!

Smith-Douglass makes the growing greater!

Farwell High School Students Named Recipients Of Awards

Numerous students at Farwell High School were recognized for achievements in scholarship, citizenship, athletics, perfect attendance, music, band and other activities at Commencement May 31 and at the Awards Program on May 29. Additionally, several teachers were recipients of service pins and other awards.

Five seniors, who were awarded honor medals at graduation recognizing an average of 90 or higher during their senior year, were Susan Symcox, Lynn Blankenship, Pam Nance, Joyce White and Patti London. Joyce White received the Old Cup Trophy as outstanding senior and a \$50.00 bond from Mr. and Mrs. Lawrence Cooper. The Citizenship Award went to James Tabor, senior.

Certificates for perfect attendance were awarded by high school principal, Jack Williams at the Awards Program, to Lynn Blankenship and Jaquetta Crook, seniors; Paul Brigham, Lesley Curtis and Becky Howard, juniors; Tim Bradshaw, David Cantu, Bruce Kaltwasser and Estelle Embry, sophomores; and Natalie Dollar and Rudy Sanchez, freshmen.

Also at the Awards Program, Charles Hargrove, junior, received the Boys State Certificate of recognition; Karen Herington, junior, Girls State Certificate of recognition; Patti London, senior valedictorian, the recognition and medal; and Lynn Blankenship, senior, salutatorian recognition and medal.

Donna Clapp, high school business teacher, presented the typewriting awards to juniors Barbara DeFor, Barbara Vargas and Pablo Lucio; and sophomores Terri Boling, Kathy White, Charla Norton, Estelle Embry, Kim Magness, Claire McFarland, Mike McCully and Gay London.

Awards were presented to the boys who lettered in the Varsity and Junior Varsity sports during the Awards Program by Coaches Vernon Scott, Toby Booth and Don Alana. Special tribute was paid to athletes who made All-District in football, basketball and track.

The following boys received these awards: Football All-District: Jesse Cantu, Carl Kirkland, Kie Watkins, Gene Christian, Larry Sutton and Mike Woods; Basketball: Kevin Hargrove, Kevin Hargrove and Lesley Curtis; and Track All-Regional: Donnie Garner, Carl Kirkland, Thad Phillips, Jack Foster, George Garza and Gene Christian.

Coaches honored during the Awards Program were Vernon Scott, plaque of appreciation from the basketball team; and Toby Booth, plaque of appreciation from the football team and a box of cigars from the track team. The senior class awarded principal, Jack Williams, with a plaque of appreciation and the Pep Club girls gave their sponsor, Joyce Hargrove, a terrarium.

"I Dare You" awards, presented by Howard Carlyle, counselor, went to valedictorian Patti London and salu-

tatorian Lynn Blankenship. Superintendent V.M. Roberts presented a 1-year service pin to Coach Toby Booth; and five-year service pins to Mrs. Lucille Franse, high school English teacher, and Mrs. Evelyn Curtis, teacher aide.

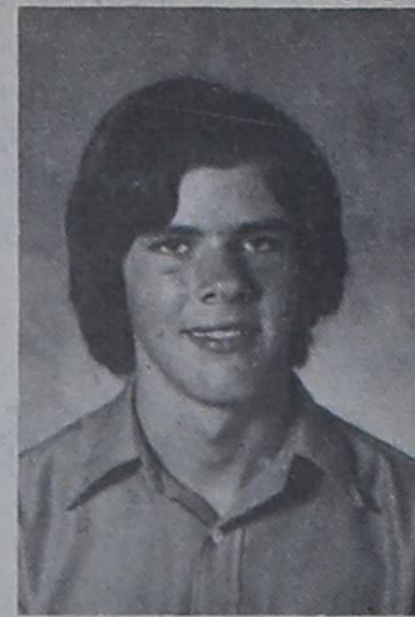

Outstanding Musician Awards were presented to Susan Symcox, daughter of Mr. and Mrs. Vernon Symcox of Oklahoma Lane, and Donnie Garner, son of Mr. and Mrs. R.J. Garner of Lariat.

Vickie Eubanks, daughter of Mr. and Mrs. B.R. Eubanks of Lazbuddie, received the National School Choral Award in recognition of singular merit, ability and achievement of outstanding contributions to the success of the school vocal program and of an unusual degree of loyalty, cooperation and high qualities of conduct. She also received the High School Chorus Certificate of Merit.

The Distinguished Musician's Certificate was presented to Kevin Hargrove, son of Mr. and Mrs. Gene Hargrove, by the United States Marines Youth Foundation, Inc., and the National Band Association, in recognition of diligence, dedication and musical excellence as a performing high school bandsman and soloist.

Lynn Blankenship, son of Mr. and Mrs. R.E. Blankenship of Oklahoma Lane, received the John Philip Sousa Band Award in recognition of outstanding achievement and interest in instrumental music, for singular merit in loyalty and cooperation, and for displaying generally those high qualities of conduct which school instrumental music strives to impart and by nomination of fellow band members and confirmation of band director and school officials.

Outstanding Marching Bandsman was awarded to

MUSICIAN - Recipient of the Outstanding Musician Award at the FHS Awards Program last week was Donnie Garner, son of Mr. and Mrs. R.J. Garner of Lariat.

Patti London, daughter of Mr. and Mrs. Leon London. Jesse Cantu, who was not present when the awards picture was made, received the Outstanding Marching Bandsman award.

Approximately 30 high school girls were presented certificates for participation in basketball, golf, track, tennis and volleyball by Coach Gayle Nicholas.

Texico Commissioners - - Community Building Regulations Adopted

Texico City Commissioners approved rules and regulations for use of the Texico Community Building during their meeting Tuesday night at City Hall.

These include a \$25 deposit plus \$7.50 rental fee for anyone renting the building. The deposit will be refunded when the key is returned providing the building is left clean. All teen activities will require four adult sponsors. No alcoholic beverages will be allowed on the premises. Should a question arise over the return of deposit, due to building damage or uncleanness, three members of the committee will be called for an inspection. The key and activity calendar will be available at City Hall.

A temporary Board of Directors for the Community Building, consisting of persons representing various local organizations, was also approved. Chairman is Marie Christian. Other members and their organizations are Ruby Goforth, City Council; Marcia Leavell and Tommy Snodgrass, Woman's Club; Jim Pierce, 4-H and Planning Council; Clara Wiehl, Chamber of Commerce; Maureen Baker, City of Texico; Louis Cooper, firemen; Alma Hendrix, Senior Citizens; and Mae Stone, Cemetery Association.

Agency, Clovis, appeared before the Council to update all insurance policies and to increase the value of the policies that the City carries on City workers and City property.

Commissioners approved the purchase of a walk-way covering for the swimming pool, purchase of a First-Aid kit and panelling for the fence around the pool.

Ordinance 188, the junk car ordinance, was signed and approved by Commissioners and is effective immediately.

Mayor Manfred Turnbough appointed Mrs. Goforth, with the approval of the Commissioners, to be the City Council's voting delegate to the Eastern Plains Planning Council.

In other business, Commissioners approved bills for payment and approved the police report.

Commissioners attending the meeting were Mayor Turnbough, Bill Christian, Vane Doshier and Mrs. Goforth. Others attending were Clara Wiehl, City Clerk; Billy Hammitt, Water Superintendent; and Mickey Fenn, City Marshal.

Visitors included Monte Ann Longo, Texico swimming pool manager; Betty Melton; and Cade Lancaster of the EIA, who answered questions concerning operation of the pool.

Farwell High School Honor Roll Announced

Twenty-four Farwell High School students were named to the honor roll for the year with averages of 89.5 or above, announces Jack Williams, principal. Twenty-seven students were listed for the fourth nine weeks honor roll.

Seniors receiving medals for their year's average were Lynn Blankenship, Patti London, Pam Nance, Susan Symcox and Joyce White; juniors, Karen Herington, Becky Howard, Paula Martin, Patricia Mayfield, Timothy Meeks, Karrol Sue Rhodes, Karla Smart and Jill Watkins.

Sophomores, Terri Boling, Estelle Embry, Bruce Kaltwasser, Jacquelyn Langford, Kathy White and Lee Ann Williams; and freshmen, Natalie Dollar, Ron Hancock, Karen London, Truitt Smith and Carol Vinton.

Those making the fourth nine weeks honor roll included Lynn Blankenship, Weldon Embry, Patti London, Pam Nance, Debbie Pewitt, Susan Symcox, Kie Watkins and Joyce White; seniors: Sharon Booth, Berry Goldsmith, Becky Howard, Paula Martin, Patricia Mayfield, Timothy Meeks, Karla Smart, Jill Watkins and Charles Hargrove, juniors.

Sophomore listed on the fourth nine weeks honor roll were Terri Boling, Estelle Embry, Wesley Hukill, Bruce

Kaltwasser, Jacquelyn Langford and Kathy White; freshmen, Natalie Dollar, Ron Hancock, Karen London and Carol Vinton.

WMU Members Hear Program On Hong Kong

Members of the Woman's Missionary Union of the Texico Baptist Church heard a program on the "Missions in Hong Kong" at their Tuesday meeting, Mrs. Dee Brown was program chairman.

In keeping with the theme of the program, members dined on an Oriental supper consisting of appetizers, pork soup, chicken chow mein, fortune cookies, sherbet and Chinese tea.

Attending the meeting were Mmes. S. G. Jones, Bud Pearce, Vernon Kirby, Morgan Billington, Johnny Chappell, Jim Walker, Nora Day and Allie Burriss.

Others attending were Mrs. Willie Wall and granddaughter, Nicki; Mrs. B. A. Kelley and granddaughters, Dana and Roxanne Kelley; Mrs. Brown and niece, Melonee Turk; Mrs. Tom Harlan and daughter, Jana; and Mrs. Bill Boling and daughter, Cheryl.

SCS - - Recommends Procedures

This year more strain is put on farmers in Parmer County than ever before, according to Herb Evans, district Soil Conservation Service. The challenge is to produce more. The temptation is to try to stretch irrigation water further and farm more acres. This sometimes means bringing additional land under cultivation. If this land has severe limitations, erosion and management problems can arise. The Soil Conservation Service offers these recommendations to everyone in the farming business:

1. Farm all land under a conservation plan.
2. Plant the right crops on the right soil.
3. Use effective soil and water conservation techniques.
4. Consider some form of minimum tillage or no-till.
5. Keep steep land or other areas highly susceptible to wind or water erosion covered by grass or hay.

If you are farming and run into any problems, such as erosion or irrigation water management, contact Herb Evans at the Soil Conservation Service in Friona - the trouble shooters.

House Guests From Shallowater

Mrs. Aileen Teel's house guests Friday night were her daughter and two grandsons, Mrs. Gene Usrey and Mark and Stephen of Shallowater, Tex.

Mrs. Teel's son-in-law, Gene Usrey participated in a golf tournament over the weekend at the Portales Country Club, and won first prize. Mrs. Teel participate in the tournament. While in Portales Mrs. Teel visited with her parents, Mr. and Mrs. Andy Brunson.

On The Farm In Palmer County

By R. MACK HEALD
County Agent

Grain and cotton producers in Texas are eligible this year for a federal program designed to compensate for losses incurred through crop shortfalls. This is the natural disaster provision of the new 1974 farm program.

A farmer who is enrolled in the wheat, feedgrain or cotton programs is eligible for disaster payments if he is prevented from planting or his total actual crop production is reduced to less than about two-thirds of his average production. Thousands of Texas wheat producers already have reported damages to their county ASCS offices, and other producers who think they may be eligible for some compensation should check with the ASCS before putting the land to other use.

If a farmer qualifies, disaster payments will be based on the difference between the actual amount of the crop harvested and the normal production. If harvesting is not economical, an appraisal by an ASCS official will assess the extent of damage.

Total payment per acre then is determined by multiplying the payment rate for the crop by the difference between the normal production and the actual or appraised yield per acre. Payments will only be made on allotment acres. Payment rates per bushel are corn, 46 cents; barley, 38 cents; and wheat, 68 cents. The rate for sorghum is 78 cents per hundred-weight and cotton is 13 cents per pound.

These rates are still well below current costs of production, but they will help some. However, producers who plant another crop on disaster acreage (such as planting sorghum or cotton behind wheat) will not receive any payments if the second crop is near normal production.

Producers should contact the local ASCS office for additional details on this new disaster provision.

With the increase in home gardening, more and more people will be using pesticides, many for the first time. Therefore, extra precaution is of utmost importance.

Pesticides are poisons. Therefore, if they are used carelessly or improperly, a hazardous situation may exist.

Proper identification of the pest is an essential first step in determining whether or not the use of a pesticide is warranted. If pesticides are to be used, use that on hand first if it is appropriate for the particular pest situation. Be sure the label on the container is clearly legible.

In purchasing pesticides, buy only that amount which will be required during the season. During each use prepare only as much pesticide mixture as will be required at any one time. Before using any pesticide, read the entire label and follow directions.

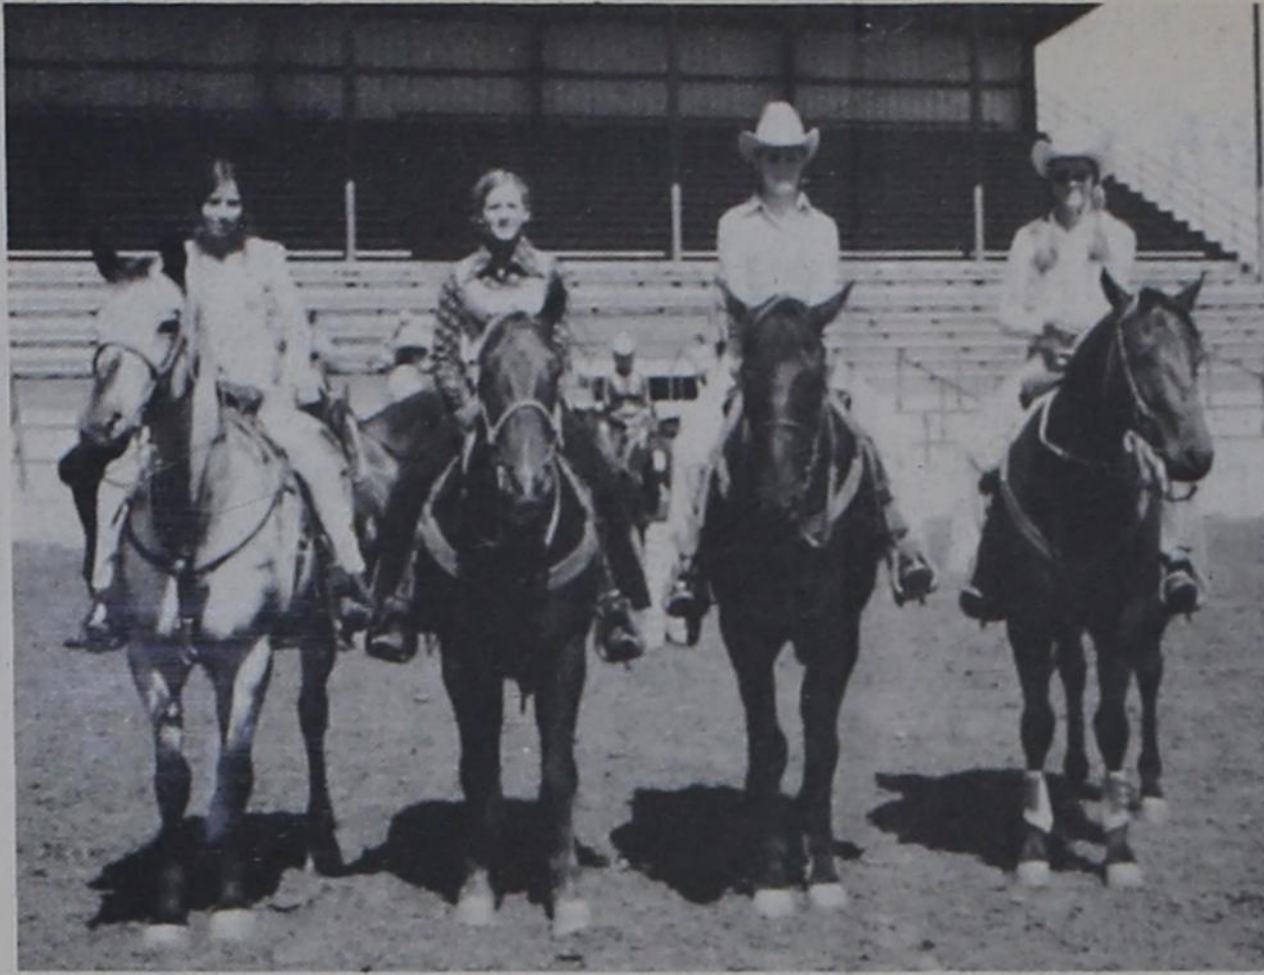

If a container is emptied during the process of preparing a spray mix, rinse the container with water three or four times and add the rinse water to the spray mix before diluting it to final volume with water. This reduces the amount of pesticide remaining in the container and minimizes the hazards associated with container disposal.

Use only the amount specified on the label and apply as the label indicates. Do not double the application rate, thinking that twice as much will do twice as good a job.

Read the precautions carefully. In handling any pesticide, avoid contact with the skin and avoid excessive contamination of clothing when spraying or dusting. Heed any advice about wearing protective clothing, and note what to do in the event pesticides are spilled on the skin or clothing. Observe the ingredient statement and first-aid instructions.

Do not save "empty" pesticide containers; dispose of them promptly. Wrap single pesticide containers in several layers of newspapers and place them in the garbage for pickup and disposal.

Accidental poisoning is a serious problem around the home, mostly involving children under five years of age. Storing all pesticides and other household chemicals out of reach of children, preferably in a locked storage unit, is an effective means of avoiding the often disastrous effects of accidental poisoning. Do not place pesticides near food or feed, and do not transfer a pesticide to a soft drink or other container attractive to children.

QUEEN CLINIC CONTESTANTS - Participating in the Queen Clinic conducted in Clovis Monday and Tuesday of this week were these four young ladies from the Texico-Farwell area. From left, the girls are Brenda Jones, daughter of Mr. and Mrs. Orrie Jones; LeeAnn Williams, daughter of Mr. and Mrs. Bert Williams; Lori Norton, daughter of Mr. and Mrs. Darrell Norton; and Vicki Snodgrass, daughter of Mr. and Mrs. Roy Snodgrass. The clinic was sponsored by the New Mexico State Fair Queen Alumni Association.

Second Homer Of Season Belted At Monday Game

Home runs for the 1974 Little League season are going on record with the second homer of the season being belted by Steve Doolittle during action Monday evening.

According to Jim Walker, president of the local Little League, Doolittle's homer sailed over the fence. First home run of the season was hit by Phillip Hagler on June 1 when Worley Grain met Aldridge Insurance in action. Hagler's homer also went over the fence. Walker related that there were no home runs hit out of the ball park during the season last year; all 1973 home runs were contained inside the fence where there existed the possibility of a runner being thrown out at base.

During action Monday Aldridge Insurance topped Kelly Green by a margin of 9 to 1 while Tide slipped by Worley Grain 6-5.

Preceding Monday's game, Tide slammed Kelly Green 13-2 and Aldridge pulled past Worley Grain 10-6 during games Thursday, June 6.

In make-up games Saturday evening, Tide tromped Kelly Green by a 21 point margin, 30-9, while Aldridge edged Worley Grain 7-6.

The Texico-Farwell Little League will host the Area Little League Tournament July 11, 12 and 13 with play scheduled for Texico-Farwell, Clovis Southern, Clovis Eve-

ning Lions, Bovina and Friona.

That same weekend another area tourney will be played in Tucumcari when Clovis American League, Cannon Air Force Base, Tucumcari and Clovis National League will be vying for the honor of competing in the District Tournament against the winner of the local area tournament.

District Tournament play is slated July 20 at the local ball park with the first place winners of the two area tournaments pitted for the District Championship. Walker reported that the two second place teams in the area tourneys will be competing for third place in district play.

Sugar Beet Industry Assesses Future Without 1937 Sugar Act

Colorado Springs -- Leaders of the nation's beet sugar processing industry June 6 assessed the future in light of action by the U. S. House of Representatives which June 5 failed to renew the Sugar Act under which the American sugar industry has operated since 1937.

The industry's general reaction was voiced by Holly Sugar Corporation President John B. Bunker who declared that the beet sugar industry had "consistently supported a federal sugar program over the years and did, indeed, support the extension of such a program as proposed by the legislation which was defeated June 5."

Bunker said that there is a strong belief that for the short term, the industry will operate at capacity irrespective of whether or not there is a Sugar Act. The present act expires December 31, 1974.

According to Bunker, the beet crop currently in the ground will make growers eligible for conditional payments and growers will be subject to other provisions of the act through the harvest of their 1974 crop.

Bunker said, however, that it is in the long term interest of consumers to have some system of supply management for sugar. "Before we had a federal sugar program, supply and price were up and down like a yo yo," he said.

Bunker pointed out that since the difference between over-supply and under-supply in the

world is so thin, sugar is an extremely volatile commodity.

"The price can double or triple in a relatively short time span and then just as suddenly drop like a rock," he said.

He pointed out that history has shown that as soon as supply catches up with demand around the world, the price of sugar drops dramatically.

"A supply management program insulates consumers from such volatility," the sugar executive said. He further stated that sugar is now in tight supply around the world. He also said that 80-90 percent of the world's sugar is under management programs.

The domestic beet sugar industry's capacity at today's consumption levels can take care of approximately 30 to 35 percent of this country's total consumption.

"American farmers will be quick to recognize the need and opportunity for increased American production with all of the restrictions and other impingements of the sugar program now removed," he declared.

"However, companies might be hesitant to commit heavy capital for expansion without some assurance that added production would not find itself competing with sugar produced in foreign areas where wages are below those received by sugar workers in this country," Bunker said.

13 Participate In Annual Queen Clinic

Thirteen girls participated in the Fourth Annual Queen Clinic, sponsored by the New Mexico State Fair Queen Alumnae, on Monday and Tuesday at the Curry County Fairgrounds.

The clinic was open to any girl between the ages of 10 and 21, who is interested in competing in rodeo, 4-H or Fair Queen contests and was designed to help prepare the girls for competition.

Monday morning's orientation was followed by personality sessions, instructions in public speaking, conversation improvement, western hair styles, make-up and skin care and western wear. The banquet in the evening was followed by a discussion of clothes and how to dress for a contest.

Tuesday's session, conducted from 9 a.m. until 3 p.m., included horsemanship sessions, instructions in mounting saddling, correct seat and riding posture, patterns and contest horsemanship.

Working with the girls in the two-day sessions were Wilma Vaughn Fulham, 1950 New Mexico State Fair Queen; Lynette Crenshaw Davis, 1961 New Mexico State Fair Queen; Linda Hammond Turner, 1963 New Mexico State Fair Queen; Le Ann Kelso Monroe, 1973 Curry County Fair Queen and Carola Moore, 1968 Curry County Fair Queen.

Girls participating in the clinic from the Texico-Farwell

area were Brenda Jones, daughter of Mr. and Mrs. Orrie Jones; LeeAnn Williams, daughter of Mr. and Mrs. Bert Williams; Lori Norton, daughter of Mr. and Mrs. Darrell Norton; and Vicki Snodgrass, daughter of Mr. and Mrs. Roy Snodgrass.

Other participants included Tana Davis, daughter of Mr. and Mrs. Ashley Davis of Lubbock; LaWanna Crenshaw, daughter of Margaret Crenshaw, Melrose; Fran Wheelis, daughter of Mr. and Mrs. Buddy Wheelis, Goliad; Jackie Bob Riggs, daughter of Mr. and Mrs. Jack Riggs, Sanderson; and Mary Geers, daughter of Mr. and Mrs. George Bicknell, Odessa.

From the Clovis area were Teri Bradley, daughter of Mr. and Mrs. Bob Bradley; Lesli

Kelso, daughter of Mr. and Mrs. Max Kelso; Diane Downey, daughter of Mr. and Mrs. Russell Downey; Cheryl Bennett, daughter of Mr. and Mrs. Gary Bennett; Tana Johnson, daughter of Mr. and Mrs. Bob Johnson; and Janette Ward, daughter of Mr. and Mrs. J. A. Ward.

At Home In Parmer County

By Jana Pronger
County HD Agent

Spring and summer fashion fabrics will feature a kaleidoscope of patterns, dots, stripes, florals, geometrics and motifs.

Designs range from objects found in nature to the abstract creations of a designer's imagination.

Design sizes, on the other hand, run rampant from miniature to "slipcover" sizes.

In general, patterned garments add excitement to a wardrobe -- and often express the wearer's personality and temperament.

On a more practical note, they make versatile wardrobe additions. Patterns also show less soil and fewer wrinkles than plainer fabrics.

When selecting a fabric or garment, consider overall effect created by a particular pattern.

Pattern type and size influence a person's apparent size.

Extreme color contrasts -- and very lightly or brightly colored patterns -- tend to

make a person appear larger. Large, widely spaced patterns also do this.

To diminish apparent size, choose patterns with compact spacing and close color relationships. Also, darker or subtle colors and blurred or overall designs.

Most people find medium-size designs -- in similar colors -- becoming.

Patterns also express moods. For example, some patterns are dainty and demure. Others may be bold and exotic -- or dignified and conservative.

Speaking of fashion fabrics I now have the instructions for the fabric flowers and gift ideas which Marilyn O'Dowd of Amarillo showed in her demonstrations Friday May 10th at the Christmas Bazaar in Friona. Those of you who would like a copy may obtain them by writing or calling my office (Box 683, Farwell, 79325 - 481-3619).

Mrs. Glasscock Is Great Aunt

Mrs. Nina Glasscock of Farwell reports that she is as near a "great-grandmother" as she'll ever be. Actually she is now a great aunt, but her brother James was like a son to her and her husband as he lived in their home.

Mr. and Mrs. Danny Bruce of Perryton are the parents of the new baby girl, Amber Lynn, born Sunday, June 9. The baby's grandparents are Nina's brother and sister-in-law, Mr. and Mrs. James Bruce of Fountain, Colo.

Children Visit Rev. Hudnall

Rev. Harvey Hudnall, who underwent open heart surgery May 27 in a Lubbock hospital, returned home Friday, June 7. While confined to the hospital he was visited by his son, Wayne Hudnall, from Honolulu, Hawaii, who flew in to be near his father and mother during the surgery.

Also traveling to Lubbock while their father was confined were Rev. Hudnall's daughters and sons-in-law, Mr. and Mrs. Jimmy Jordan of Farmington, N.M., Mr. and Mrs. Robert Harmon of Portales and Mr. and Mrs. Johnny Warrick, also of Portales.

A Common Cancer

Colon-rectum cancer affects both men and women, and, at this point, it's the second deadliest cancer in terms of number of lives lost each year. But, the outlook would be better, the American Cancer Society reports, if everyone over 40 had a "procto" as part of a periodic health checkup.

Jacquelyn Langford Receives 4-H Honor

Jacquelyn Langford of Farwell was 1st runner up in the 1974 State 4-H Food Show in College Station, June 4th. She received a blue ribbon in the Snack and Beverage Division with "Mother's Avocado Salad."

Miss Langford, daughter of Leon Langford, is a junior at Farwell High School and is a member of the Farwell 4-H Club.

State 4-H Food Show, held in conjunction with the annual State 4-H Roundup, is sponsored by the Texas Agricultural Extension Service, the Texas A&M University System, and ConAgra of Dallas, makers of Gladiola Flour.

Miss Langford won first place in the Parmer County

Food Show and in district competition before entering the state contest.

Other Parmer County 4-H Club members competing at State 4-H Roundup June 4th-6th were: Cheryl Gohlke, Farwell and Susan Mims, Lazbuddie, Landscape Horticulture Demonstration; and Donnie Gustin, Rhea Community, Mike Blackburn, Friona, Rocky Bartlett and Haden Walling both of Bovina, all members of the Dairy Cattle Judging team.

Lions Attend State Meeting

Local Lions Club members and their wives, who attended the state convention in Deming, N.M., June 7-8-9, were Mr. and Mrs. James Craig, Mr. and Mrs. Johnny Curtis and Mr. and Mrs. John Getz. Also attending were Hal Helton and Lee Hutchins.

This meeting was the largest state convention in recent years with over 500 Lions and their wives in attendance.

Craig was elected District Governor of 40-X, which encompasses the eastern portion of New Mexico. He will serve as District Governor for one year and will visit the 32 Lions Clubs in his district. Craig ap-

pointed Lee Hutchins as his cabinet secretary for the year.

Highlight of the convention was the District Governor's banquet and ball. International director, Herbert Diggs of Tennessee, was the featured speaker for the evening.

Next year's state convention will be held in Gallup, N.M.

A Personal Safeguard

A monthly breast self-examination is a woman's personal safeguard against breast cancer. Our local American Cancer Society unit has simple instructions on how to do the exam, along with a reminder to do it regularly.

Mr. and Mrs. Howard Graham, Pampa, Mr. and Mrs. William Thornton, Dimmitt, and Mr. and Mrs. Raymond Ross, Morton, have been visiting in the home of Mrs. B. N. Graham this weekend. Other recent visitors in her home were Mrs. Pauline Graham and Janice, Mr. and Mrs. Bob Repragle and Tracey, all of Cypress, Calif.

Lisa Anne Breining, Tucson, has been visiting in the home of her grandparents, Mr. and Mrs. Sam Aldridge, this week.

Clay Williams went home with his aunt, Mrs. Rex Carpenter, when she returned to Sierra Blanca, Tex., and will stay for a short visit.

Visiting various relatives in Farwell this week is Mrs. J. B. Huckabay, Midland. Mrs. Huckabay is Dick and Fred Gercy's sister.

Kim Snider, Sharon Williams, and Mrs. Robert Mayes, all of Lubbock, were in Farwell this weekend visiting their families. Mr. and Mrs. Mayes have recently moved to Lubbock. Their baby daughter, Margaret, has been staying with her grandparents, Mr. and Mrs. Woodrow Lovelace, and she returned to Lubbock with the group Sunday.

David Snider left Wednesday, May 12, to tour Europe with the Classroom Teacher's Association Study Tour. Sponsors of the group are Mrs. Wilbur Johnson and Mrs. Philip Lyons, Clovis. David will leave the group in Brussels on June 13 and go to Duisburg, Germany, to visit with the Kuhn family, close friends of the Sniders. He will rejoin the tour on the 16th at Cologne. The group will be gone for 21 days, and will visit West Germany, Austria, Italy, Switzerland, France, and Belgium.

Connie and Gary Crenshaw and John Colwell are visiting in the home of their grandparents, Rev. and Mrs. W. T. Perry, this week. They are attending Vacation Church School at Hamlin Memorial United Methodist Church.

Greg and Brett Hargrove, who are attending Texas Tech University this summer, were home this weekend for a visit with their parents, Mr. and Mrs. Elmer Hargrove. A friend, Bobby Heard, Bowie, came with them. The boys participated in the golf tournament while they were here.

Mr. and Mrs. Cotton Robertson will go to Arlington Sunday, June 15, to attend the wedding of their son, Randy Scott Robertson. The bride will be Jeanne Smith, daughter of Dr. and Mrs. Bobby G. Smith, Arlington.

Rev. and Mrs. Cliff Ennen,

Mr. and Mrs. Walter Kaltwasser and Mrs. Sterlyn Billington left Monday to attend the Southern Baptist Convention in Dallas this week.

The E. A. Walkers have had lots of company lately. Mr. and Mrs. M. C. Womack, Mathis, were here for several days, then after they left some old Army friends, Mr. and Mrs. Milo Becker, Wooster, Ohio, came. Mr. and Mrs. Jack Walker and girls from Vega visited with the Walkers, and also with the Smokey Gasts, over the weekend.

The E. A. Walkers' son, Randy, is to be married Saturday night, June 15, in Artesia, and of course they plan to go to the wedding. The bride will be Beverly Hamilton, daughter of Mr. and Mrs. Rogie McCullar, Artesia. Jim and Joe Walker will also go from Farwell, and the groom's twin brother, Cpl. Ronnie Walker, El Toro, Calif., also plans to be there.

Mr. and Mrs. Bruce Wilber, Jacksonville, Fla., visited in the home of Mrs. Nina Glasscock this weekend. They were on their way home from Cortez, Colo., where they were called upon the death of his mother, Mrs. Inez Wilber. Mrs. Wilber was the aunt of Mrs. Glasscock and of James Bruce, Fountain, Colo.

Visitors in the Bob Anderson home this weekend were Mrs. Anderson's parents, Mr. and Mrs. Scott Levins, and her sister and family, Mr. and Mrs. Sid Miller, Susan Carrie and Sidney Bill, all of Ruidoso. Her son and family, Mr. and Mrs. Bob Scott Martin and Scott, Waynesville, Mo., will be here all week.

Other recent visitors in Farwell were Mr. and Mrs. Jerry Irby, Jerilyn and Jennifer, Carrollton, Tex., Mrs. Billie Phillips, Lubbock, Mrs. Joe Fiola and Jori, Canyon, and Al Phillips, Canyon.

Marilyn and Terri Edwards are going to Europe, too! Only they will tour the Scandinavian countries. They'll see Sweden, Finland, Denmark and Russia. They also left Wednesday, June 12, but from Lubbock instead of Albuquerque. They were to meet with the tour group in Dallas, and go from there to Stockholm. They will be gone for two weeks. The tour is sponsored by the Texas Bankers Association.

Mrs. Onie Bradshaw went to Lubbock recently and brought back her little granddaughters for a three-day visit in her home. The girls are Karen and Kathy Williams, and they are daughter of Mrs. Jane Ann Williams.

Also, Mrs. Bradshaw and Mrs. Tom Paul McCuan went to Hereford Sunday on business.

Mrs. Duke Baker, Big Spring, will be in town this weekend visiting relatives. She is the daughter of Rufus Carter, and will be staying in his home while she is here.

Mrs. Mildred Erwin and Mrs. Carrie Christian went to Albuquerque this weekend. Carrie visited with her daughter, Mrs. Van Crume and family, and Mildred visited with the Frank Goff family. Little Michael Goff came back with her for a visit.

Greg and Doug Chandler, sons of Mr. and Mrs. Nolan Chandler, Amarillo, are visiting in Farwell this week in the Martin Chandler home.

Mr. and Mrs. Claude Coffey and Mrs. Jimmy Peoples were in Amherst on Monday, June 10, to attend the funeral of Mr. Coffey's brother, Strother Coffey, who passed away on June 7.

Mr. and Mrs. H.D. Ellison have recently returned from a week-long trip. They went to Brownwood to attend the "Indian Creek Reunion", which is a reunion of Mrs. Ellison's side of the family. They stayed with Mr. Ellison's brother and his wife, Mr. and Mrs. H.A. Ellison, who have a lovely home on Lake Brownwood. After the reunion they went to Brenham, Tex., to visit with a nephew and his family, Mr. and Mrs. J.R. Ellison.

Well, I guess that's all for this week [and next week, and the next!] We Parris are going on vacation, so while we're gone just call the newspaper office with your news. Along about the first of the month you can call me at home again, 'cause I'll be back at the old typewriter by then.

Baby Shower Honors Mrs. Lingnau

A surprise stork shower was given for Mrs. Melvin Lingnau of Farwell on Thursday, June 6, at 8 p.m. in the home of Mrs. Otto Lingnau of Oklahoma Lane.

Hostesses for the event were Mesdames Edwin Lingnau, Delbert Lingnau, Eileen Dannheim, Carrie Anderson, Jerri Meeks, Blanche Matthews, Gloria Mahaney, Dickie Chandler and Mary Kalbas.

The hostesses' gifts to Mrs. Lingnau were a car seat and a walker.

TRI DELTA CRAFT ITEMS - Members of Delta Delta Delta Alumnae, High Plains Alumnae Chapter, met recently to make craft items for the Delta Shop which will be featured at the 1974 convention on June 16-21 at Tan-Tar-A Resort, Osage Beach, Mo. Front row, left to right are Mmes. Harvey J. Stewart, Hal Helton and Sarah Lynk; back row, left, Mrs. Donald J. McKinney and Mrs. Sherman Williams.

Delta Delta Delta Alumnae To Attend Convention

Two members of the High Plains Alumnae Chapter of Delta Delta Delta are planning to attend the 1974 convention June 16-21 at Tan-Tar-A Resort in Osage Beach, Mo. They are Mrs. Hal Helton, president of High Plains Alumnae Chapter, and Mrs. Sarah Lynk, vice-president.

Members of the chapter recently met to make craft items

Visit Relatives In Albuquerque

Mrs. Mildred Erwin and Mrs. Carrie Christian returned Sunday evening from a trip to Albuquerque where they visited with relatives and attended a baby shower.

Mrs. Erwin visited her daughters and families, Mr. and Mrs. Bruce Burton and Mr. and Mrs. Frank Goff. Mrs. Christian visited her daughter, Mrs. Van Crume and children. During their visit Mrs. Erwin and Mrs. Christian attended a baby shower given for Mrs. Burton.

Accompanying the pair back to Farwell for a two week visit was Mike Goff, eight, grandson of Mrs. Erwin.

Mrs. Erwin's son Gary left from Dallas Sunday for Marine boot camp in Virginia. He will be there for 10 weeks. Upon Gary's return to Hardin-Simmons, he will begin his senior year.

for the Delta Shop which will be featured at the convention. Proceeds from the Delta Shop will go to the Delta Century Fund, which makes awards available for library purposes on campuses where Tri Delta has a chapter and to the Crescent Fund, which gives assistance to needy Tri Delta alumnae.

The High Plains Alumnae Chapter joins over 300 alumnae chapters across the United States and Canada with a membership of more than 100,000. There are 13 members from Clovis, Portales, Farwell and Texico in the local alum-

nae chapter; and four collegiate members in the area, two from Clovis and two from Muleshoe. Since Delta Delta Delta is essentially a collegiate organization, it is fitting that its primary philanthropy should be scholarship grants to aid college students. These scholarships are gifts to women undergraduates, usually juniors or seniors. Awards are made on the basis of need and scholastic achievement. Members of the alumnae chapter are planning a garage sale and a party as two of their summertime activities.

APPROACHING MARRIAGE -- Mr. and Mrs. John Lee announce the engagement and approaching marriage of their daughter, Vickie Ellen, to Douglas Lee Harriman, son of Mrs. Freddie Harriman and the late Mr. Clarence Harriman of Farwell. The wedding will take place Aug. 4 at the Southside Church of Christ in Electra, Tex. Miss Lee is a 1970 graduate of Electra High School and Harriman is a 1970 graduate of Farwell High School. Both recently received bachelors degrees in education from Lubbock Christian College.

JULY WEDDING PLANNED -- Mr. and Mrs. Lewis Foster announce the engagement and approaching marriage of their daughter, Karen Sue, to Airman First Class Larry D. Jones, son of Mr. and Mrs. Tyree Jones of Springfield, Mass. The bride-elect is a 1974 graduate of Farwell High School. The prospective bridegroom is a 1972 graduate of the High School of Commerce in Springfield and attended North Texas State University in Denton where he was a member of Alpha Phi Alpha Fraternity. He is presently stationed at Cannon Air Force Base. The wedding will take place at the home of the bride-elect's parents in an outdoor setting on July 27 at 4 p.m.

PLANNING WEDDING -- Tanya Kay McGough, daughter of Mr. and Mrs. Robert C. McGough of Clovis, and Randy Buell Skaggs, son of Mr. and Mrs. Paul Skaggs of Texico, will be united in marriage on July 20 at 7 p.m. MDT in Advent Christian Church, Clovis. All friends and relatives are invited to attend the ceremony and reception. The prospective bride is a 1974 graduate of Clovis High School and Skaggs is a 1972 graduate of Texico High School. He is also a graduate of High Plains Vocational School in Clovis. Following their marriage, the couple will be at home in Texico where Skaggs is employed at Winkles and Son Blacksmith.

TO BE WED -- Dr. and Mrs. Maurice Newton Waters of Clovis announce the engagement of their daughter, Sally Lutrick, to Darrel Edward Nance, son of Mr. and Mrs. G. E. (Bill) Nance of Clovis. The wedding will take place August 10 at the First Presbyterian Church in Clovis. Miss Waters is a junior at Eastern New Mexico University, and Nance is a 1974 graduate of ENMU with a B.B.A. degree in Finance.

**Methodist Bible School
To Conclude With Supper**

A covered dish supper and open house Sunday at 7 p.m. CDT will terminate activities for children attending Vacation Bible School at Hamlin Memorial United Methodist Church.

The event, to be held in the church's Fellowship Hall, will feature a program by the children, singing and discussion of lessons conducted during the Bible School, as well as a display of crafts made by the children. Theme of the program will be "He's Got the Whole World in His Hands."

**Wedding
Reminder**

Mr. and Mrs. Leamon Stancell wish to remind relatives and friends of the marriage of their daughter, Debi Gay, to George Hensley, son of Mr. and Mrs. Ernest Hensley of Levelland.

Friends and relatives of the children participating in the Bible School are invited to attend the program and to bring a covered dish.

Mrs. Ted Horner has served as the director of the Vacation Bible School, which began on June 10.

Thank You Dr. Pap!

Dr. George Papanicolaou was a Greek-American medical scientist who discovered a fast, painless test that can find cervical cancer early when it is most curable—the famous Pap test. The American Cancer Society reminds women to have a Pap test regularly.

Jean Kirk, Greg Meeks Exchange Vows

Jean Kirk, daughter of Mr. and Mrs. A.D. Kirk of Muleshoe, and Greg Meeks, son of Mr. and Mrs. Billy Meeks of Farwell, exchanged marriage vows in a double ring ceremony on May 17 at 7 p.m. in the First United Methodist Church of Farwell, with Rev. W.T. Perry officiating.

Given in marriage by her father, the bride wore a formal gown of white organza with Venetian lace trimming the front scooped neckline. The fitted waistline held a full skirt which fell into a full cathedral train with deep ruffles. Her veil was fingertip illusion falling from a cap of Venetian lace. The bride carried a cascade bouquet of white orchids, baby's breath and red and blue silk flowers with red, white and blue streamers atop a white Bible.

In keeping with tradition, the gown and veil were the bride's something new; something old was her Bible; something borrowed was her mother's diamond earrings; and something blue was a garter given to her by her sister and matron of honor. She also had pennies minted in the year of the bride's and bridegroom's birthdays.

The church altar was decorated with two seven-branch candelabra with white candles and floral trim of greenery and red, white and blue flowers and streamers at the base of the candles. Family pews were marked with red, white and blue streamers.

J.R. Sewell sang the "Wedding Song," accompanied by Mrs. Donald Christian.

Donna Doshier of Farwell, sister of the bride, was matron of honor and the bridesmaid was Gail Meeks of Farwell, sister of the bridegroom. Lori Castillo of Lubbock, niece of the bridegroom, was flower girl.

The attendants wore identical dresses of red, white and blue plaid and carried clutch bouquets of red, white and blue flowers. The flower girl was also dressed in red, white and blue plaid and carried a small basket of red, white and blue flowers.

Serving as candlelighters were Joe Kirk of Muleshoe, brother of the bride, and Robbie Mahaney of Farwell. Presiding at the bride's book was Joi Meeks of Farwell, sister of the bridegroom.

Bill Meeks served his son as best man, and groomsmen were Doug Harriman of Farwell. Ushering were Joe Kirk, Ron Porter of Lubbock and Robbie Mahaney.

The mother of the bride wore a floor-length navy blue and white gown with white accessories, and a red cymbidium corsage. The bridegroom's mother wore a floor-length green gown with gold accessories and a red cymbidium corsage.

Following the ceremony, a reception was held in the church Fellowship Hall. Hostesses were Mrs. Elizabeth Phillips, Mrs. Hazel Gilbreath, Katie Busbice and Mrs. Ann Lovelace.

Serving at the bride's table were Debbie Sewell, Donna Haseloff and Trumi Christian. The table was covered with a white handmade cloth and had a gold candelabrum as the centerpiece. The wedding cake featured a small arrangement in the colors of red, white and

St. John's LWML Conducts Meet

St. John's Lutheran Women's Missionary League met at the church Parish Hall on Thursday, June 6. Mrs. Wilbert Kalbas, assisted by Pastor Martin Platzer, gave the program entitled "Telespots."

Newly-elected president, Mrs. Ernest Ramm, conducted the business meeting. All committees reported and new appointments were made during

the business session. It was reported that Vacation Bible School Closing will be at 3:30 p.m. June 16 with games after the service and a barbecue has been scheduled for 7 that evening.

Lunch was served to LWML members attending by Mrs. Otto Lingnau and Mrs. Delbert Lingnau.

Legal Notice

No. 1254
IN RE: THE ESTATE OF A. J. JARRELL, DECEASED
IN THE COUNTY COURT OF PARMER COUNTY, TEXAS
SITTING IN MATTERS PROBATE
NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST

Notice is hereby given that original letters testamentary as Independent Executrix of the Estate of A. J. Jarrell, deceased, were issued to the undersigned on the 3rd day of June, 1974, in the proceeding indicated below the signature hereto, which is still pending, and that the undersigned now holds such letters. All persons having claims against said estate, which is being administered in Parmer County, Texas, are hereby required to

present the same to the undersigned at the address given below before such estate is closed, and within the time prescribed by law. The mailing address of the Independent Executrix is Route 2, Texico, New Mexico 88135.

Edna Jarrell, Independent Executrix of the Estate of A. J. Jarrell, deceased, No. 1254, in the County Court of Parmer County, Texas

Pub. in State Line Tribune June 14, 1974

Sheriff's Report

Parmer County Sheriff Charles Lovelace this week reported that deputies checked Monday on road sign vandalism in the Rhea community in north-west Parmer County. No damage estimate was given, but the road signs had been uprooted from the ground.

Items taken during the burglary and arson at Agriculture Chemical Farm Service, six miles south of Friona on Highway 214, on May 26 were recovered Tuesday morning three miles northwest of Friona in a wheatfield on Roy Miller's farm. Items recovered included a mandolin, guitar, ball point pens and a desk calculator.

Fire Calls

Farwell Fire Department reported one fire call for the week. Members were called to Tide Products, Inc. Thursday morning, June 6, to extinguish a tire fire on a truck tank. Four tires were lost and damages amounted to approximately \$400.

Texico Fire Department reported two calls this past week, both on Tuesday morning. The first call was to a fire in a duplex located at 301-305 Garwood. Owner Kenneth White could give no estimate of damages. The fire was contained in a bedroom.

Just before noon the fire department was called to the Texico dumpground to extinguish a debris and grass fire. No damages were incurred.

THE RIGHTNESS OF GOD

There are many theological words which most people—even most Christian people—do not understand. Among these is the Bible word "righteousness." Actually, though, this word is very simple and we ought to understand about God's righteousness even before we learn of His love.

Righteousness is simply an old word for RIGHTNESS. When we say that God is righteous we simply mean that what He does is always RIGHT, that He will not and cannot do anything that is not RIGHT. This is why Paul declares in Rom. 1:16, 17:

"I am not ashamed of the gospel of Christ, for it is the power of God unto salvation to every one that believeth... FOR THEREIN IS THE RIGHTNESS (THE RIGHTNESS) OF GOD REVEALED..."

We are proud to proclaim the gospel of the grace of God because it emphasizes God's RIGHTNESS. The gospel does not tell us that God will overlook our sins or wink at them and smuggle us into heaven. It doesn't tell us that He will forgive us if we are sorry enough or do enough good deeds to counterbalance our sins. By no means.

The "gospel of the grace of God" is based on His RIGHTNESS. It is the wonderful message that "Christ died for our sins," that He paid for them Himself so that He might justly offer us forgiveness and declare us righteous.

Rom. 3:26 puts it beautifully. There the apostle declares that since our sins were paid for by Christ at Calvary God can now "be just—and the Justifier of him who believes in Jesus."

For centuries religious people have said to each other: "We must be truly sorry for our sins and do all the good we can and surely God will forgive and accept us." But this is not the gospel. The gospel gives us more solid ground to plant our feet upon. It says to every man, woman and child: "Your sins were PAID FOR by Christ at Calvary. Trust in Him and you will be saved." This is gospel (good news) indeed, for it is based on the just payment of the penalty for sin.

Motocycle Race --

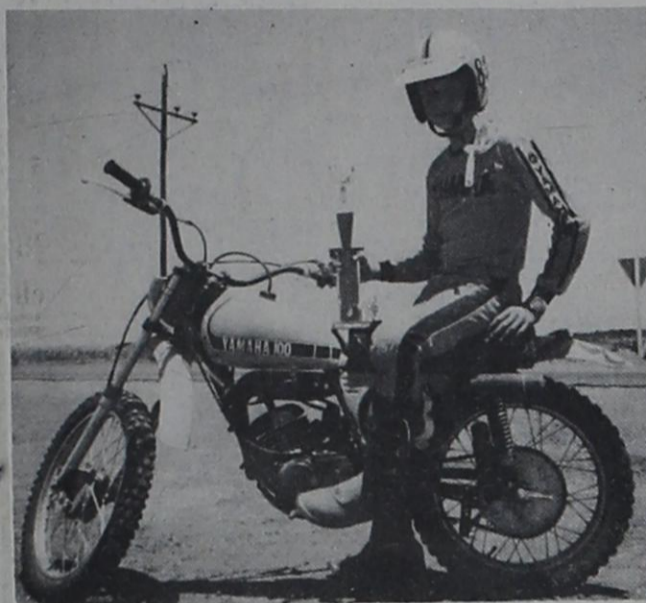

Vick Christian Wins First Place Trophy

Vick Christian, son of Mr. and Mrs. Troy Christian of Farwell, won first place in the Mini-Man Class in the Motor Cross motorcycle races at Bovina Sunday, June 2. The Mini-Man Class is for boys 14 and under. It is not run on a circular track, but over a hilly terrain. Vick has only been racing for about six months, and already has quite a collection of trophies. He has entered seven races, and has won six trophies. This is his first "First

Place" trophy. He reports that each race has three heats. Boys get points for each heat, and the one with the lowest number of points wins. There were nine cyclists competing in the Mini-Man class. First place winners in the other classes were: Steve Hughes, Clovis, Micro-Mini class; Donnie Westfall, Amarillo, 100 class; Glen Atkins, Friona, 125 class; Arlen Mitchell, Clovis, 250 class; and Gary Bailey, Clovis, Open class.

TEXICO FIRE -- Texico firemen answered a fire call Tuesday morning at a duplex located at 301-303-305 Garwood. Owner of the property, Kenneth White, reported no estimate of damage; however, Lewis Cooper of the Texico Fire Department reported smoke damage to the bedroom. The fire, which was confined to a bedroom, apparently started from a smoldering mattress, pictured in the background. Bill Thigpen, fire chief, said it appeared that someone apparently had been smoking in bed. White stated that the occupant of the duplex, Frank Garcia, had left the dwelling approximately 10 minutes before the fire was reported by Melvin Jennings, who occupies the other side of the duplex. Other burned debris from the bed, pillows and coverings, are in the foreground.

MINI-MAN RACER -- Vick Christian proudly displays his first place trophy which he won in the Mini-Man Class, Motor Cross motorcycle races, June 2 in Bovina. He is the son of Mr. and Mrs. Troy Christian.

Attend Funeral

Mrs. Susie Jesko of Clovis, former resident, and her sister, Mrs. Katherine Priboth of Littlefield, attended funeral services for their sister, Marie Turner, 81, in Wichita, Kans., on Thursday, June 6. Mrs. Priboth's son, Kenneth, accompanied the women to Wichita. Mrs. Turner died June 3 following a lengthy illness. She had been confined to a rest home for some time. She lived in Lazbuddie on the Kaiser home place for many years in her early life. Other survivors are two brothers, Fred Kaiser of Terrace Park, Ohio, and Theodore Kaiser of Kansas City, Mo. Another sister and her husband preceded her in death.

In Greece and Rome, it was believed that unless basil plants were cursed when sown, they would not grow.

Eager Gardeners Can Overdo It

Be sure to make safety part of your spring gardening plan, says the Texas Safety Association. Don't overexert yourself, cautions the safety group. Take it easy the first few days to let winter softened muscles tone up. Wearing gloves will prevent blisters and splinters. If your plot has not been gardened before, rake it before spading to remove debris that might be dangerous to an unprotected foot. Try to keep rakes and hoes propped up and out of the path of traffic. If they must be left on the ground, turn the pointed or sharp edge down. Keep cutting tools sharp, and store them out of the reach of children. Fix loose handles on rakes, hoes, shovels and other tools. Use electrical tools only when the grass or foliage is dry.

Treat pesticides like poison. This means keeping them in their original containers away from children and pets. Follow the manufacturer's instructions when using chemicals. Choose a calm day to dust or spray plants and work with the breeze so that the chemicals won't blow back into your face.

SOONER or LATER you'll buy a New or Used Car from O.B. GULLEY

Former Resident Buried

Funeral services for John M. Holland, 73, a former resident of Farwell and Littlefield, were held Wednesday, June 5, in the Granbury Church of Christ, with Lloyd Frederick, minister, officiating. Burial was in Holly Hills Memorial Park in Granbury.

Holland, a native of Hodd County, died June 3 in Granbury, where he had returned eight months ago after living in Littlefield for two years. He had lived in Farwell for 25 years before moving to Granbury 12 years ago. Survivors include two sons, five sisters, a brother, eight grandchildren and one great-grandchild.

Tips On Economics

"Home" comes from the Old English word "ham," which means village. It referred only to the locality one came from--and didn't suggest comfort, privacy or family, says Jane Fleisher, family life education specialist, Texas Agricultural Extension Service, The Texas A&M University System.

Warning Signal

The American Cancer Society wants women to understand that a breast lump may not mean cancer but should be brought to the attention of a doctor right away. The key to cure is early detection.
