Farwell Gridders Gear Up For Opening Game Of Year

"We are going to play our games as if each team we meet is the toughest team on our schedule and we will play one game at a time," comments Farwell's new athletic director and head football coach, Eugene Jennings, as he looked ahead at Farwell's upcoming grid schedule.

Farwell's opening game will be played against Friona here on Sept. 6 at 8 p.m. The

Friona Chieftians have met a total of 37 times dating back to 1931 with an 18-18-1 series. "There is no doubt in my mind," Jennings states, "that when we play our first game against Friona, they will know we are here to play football."

Jennings and his players will be striving to offset last year's record of 1-9. "It all depends on the attitude of the players, the student body and the com-

munity, whether they want to bring the program back," he says.

"If the community and the players want this and are willing to strive and sacrifice, then the coaches will work hard to aid that cause. The school system, the superintendent, principal and school board have been great in the time I've been here," Jennings stated. "They've bent over backwards to help us and I'm

very appreciative of that."

Through spring graduation, Farwell lost several quality players; however, 11 returning lettermen should add considerable strength to the Steers team. They are Lesley Curtis, Gene Christian, Kent Gast, Barry Goldsmith, Gary Green, Charlie Hargrove, Mark Hase-loff, Thad Phillips, Larry Sutton, Mike Woods and Clint Robertson.

(Continued On Page 3)

FARWELL FOOTBALL COACHES - Deep in concentration on strategy planning of prospective plays for the Farwell Steers are members of the coaching staff who will guide the Farwell team throughout the football season. They are left to right, front row; Eugene Jennings, head coach and athletic director; and Vernon Scott, line coach; back row: Don Alana, backfield coach; Jerry Owen, line coach; and Larry McDorman, wide receiver coach. The Steers will open their season Sept. 6 by hosting Friona here at 8 p.m.

Ordinance To Be Discussed At Meet

Members of the Texico City Commission will meet at 6:30 p.m. MDT Tuesday, Aug. 27, at City Hall.

Main item of discussion on the agenda will be Ordinance 185, which restricts mobile homes in Texico to certain designated areas.

FIRST BUS RIDE - Making their first bus ride of the school year for the opening of Texico schools were, left to right, Teresa Turner, eighth grade, daughter of Mr. and Mrs. David Turner; Christi Harrington, ninth grade, daughter of Mr. and Mrs. Eddie Harrington; Becky Potts, 10th grade, daughter of Mr. and Mrs. Walter Potts; and Deaune Lofton, second grade, daughter of Mr. and Mrs. Jerry Lofton. Classes in Texico schools began Monday.

Monday - -

Texico Enrollment Reaches 431

Doors of the Texico Public Schools opened for the first day of the 1974-75 school term Monday with an enrollment figure marking a drop of 24 students from last year.

It was reported that 248 students had registered in the upper six grades by the close of first day activities. Last year, 240 students had been registered by the end of the first day for the six grades. Of the 248, 157 students have enrolled as freshmen, sopho-

mores, juniors and seniors with a breakdown showing 44 freshmen, 42 sophomores, 35 juniors and 36 seniors. A breakdown of enrollment figures for grades seven and eight reveal 44 seventh graders and 47 eighth graders registered.

Enrollment figures for the lower six grades are 32 short of the first day's enrollment for 1973-74 with 183 enrolled. Enrollment by classes includes 18 primary I, 20 primary II and

20 primary III. Twenty students have registered in elementary I, 14 in elementary II and 18 in elementary III. Phase I has registered 21 students, phase II, 21, phase III, 20 and special education, 11.

"We are still expecting late enrollments in elementary," stated a spokesman for Jim Pierce, high school principal. "Our estimate of high school enrollment was reached but we are short of the anticipated enrollment for the lower grades."

\$150,000 - -

Texico To Vote On Bond Election

The Texico Board of Education will present to qualified registered voters of the Texico Municipal School District a bond issue on Sept. 3 in the amount of \$150,000 for the construction of a new junior high school, which will include six classrooms, restrooms and a music room.

Poling place will be the Texico City Hall and the hours of voting will be from 8 a.m. to 7 p.m. Quinn and Company of Albuquerque have been retain-

ed as financial consultants and Randall Kilmer of Clovis will be the architect for the project.

"The district has been allotted \$125,000 from the Capital Outlay Fund that does not have to be refunded, according to Texico School Superintendent, A.D. McDonald. Therefore, the district, in effect, if the bond issue passes, will have available \$275,000 to build the building, but will only have bonded indebtedness increased by

\$150,000.

"The district really needs a music room since the building where it is now housed is inadequate for the total music program, especially since our band is growing in numbers and quality," stated Superintendent McDonald.

In addition, the district needs six classrooms to facilitate the removal of the seventh and eighth graders from the high school building and the sixth graders from the elementary

school. The high school has approximately 50 students more than the building can comfortably accommodate, according to McDonald. He also stated that the seventh and eighth graders are too young to be housed with the high school.

Commenting on the upcoming bond election, McDonald stated, "It is the opinion of the Board of Education and the Administration that the passage of the bond issue would take care of the growth of the Texico School District for a period of eight to 10 years. Therefore, the support of the community and the passage of the bond is most important."

Gridiron Guessers, Prepare To Begin !!

With the dilemmas of the NFL, AFL and WFL, various proposed changes in rules and regulations, re-positioning of players and many other problems facing coaches, football prognosticators planning to enter the 16th Annual Area Merchants Football Contest have only one thing to do, prepare for the first week of guessing scheduled to begin with the September 6 issue of the Tribune.

The annual football contest in Parmer County is a Tribune

feature which gives grid iron guessers and pigskin prognosticators a chance to display their football aptitude of offering them a list of opponents with the choice of a winner in each clash.

Contest format used for the past several years will be followed and the contest will run for 12 weeks with the final bid for top honors to be Friday, Nov. 22. High point individual at the end of the contest will receive two tickets to the Cotton Bowl game to be played New Year's Day, 1975, plus \$50 expense money. Runner-up will receive \$25 expense money to be accompanied by two tickets to the Sun Bowl game.

Contest entry blanks will appear in the Tribune each week and will have 10 games listed with a tiebreaker game heading the list. All that is necessary is to circle the name of the team you believe will be victorious in that particular conflict. Only one score is re-

quired, that of the tiebreaker game. A score must be entered for each of the two teams listed each week on the spotlight game. This game does not count in the weekly won-lost standings but is used to decide winners in case of tie scores and at the end of the season.

Contestants last year numbered 400 with two females outfoxing their counterparts by topping the season's winning list and walking away with first and second places. Becky Taylor topped Elaine Wardlaw for tickets to the Cotton Bowl while Mrs. Wardlaw settled for Sun Bowl tickets for the second year in a row losing the previous year to Willie Roberts. Others winning include Mrs. Roy Everett in 1968, Greg Hargrove in 1969, T.J. Kittrell in 1970 and Terry Craft in 1971.

Season football kick off on the local level will begin Sept. 6 when the Farwell Steers host the Friona Chieftains in an effort to break an 18-18-1 record which began in 1931. The Wolverines of Texico will travel to Hagerman to face the Bobcats with action set for Sept. 6.

All local Steer and Wolverine fans are urged to give their teams full support during the 1974-75 season and everyone is invited to enter the 1974 edition of the Area Merchants Football Contest. The contest is sponsored each year by area merchants and a list of this year's backers will be published in following issues of the Tribune.

Men's Club Golf Championship Set

Farwell Country Club will host the Men's Club Championship for club members on Saturday and Sunday. Tee off time for both days is 1 p.m.

Club members desiring to enter may contact Joe Lamberson, golf professional at the club. Prizes will be gift certificates, redeemable at the club, according to Lamberson.

At Texico - -

Wolverines Set To Tackle First Opponents Hagerman

The Texico Wolverines will be playing football this year in a new class and will face "one of the toughest schedules in the

state for a school of its size," according to Ray Manly, new head football coach for Texico. Competing in Class 2A,

Texico will face two very tough teams, Jal and Eunice in district play, states Manly. Other district games with

Dexter and Ft. Sumner "should also be tough," commented the coach. Moriarty and Roy were dropped from the Texico schedule this year. Other Wolverine opponents will be Hagerman, Lazbuddie, Vaughn, Melrose and Tatum.

Manly stated that he expected his team to be going for the state championship. "We can win if we stay healthy and if the breaks go our way early in the ballgames."

Texico's season last year finished 4-4. "We are looking for a better season this year."

(Continued on Page 3)

Farwell School Board Plans Bond Issue For Improvements

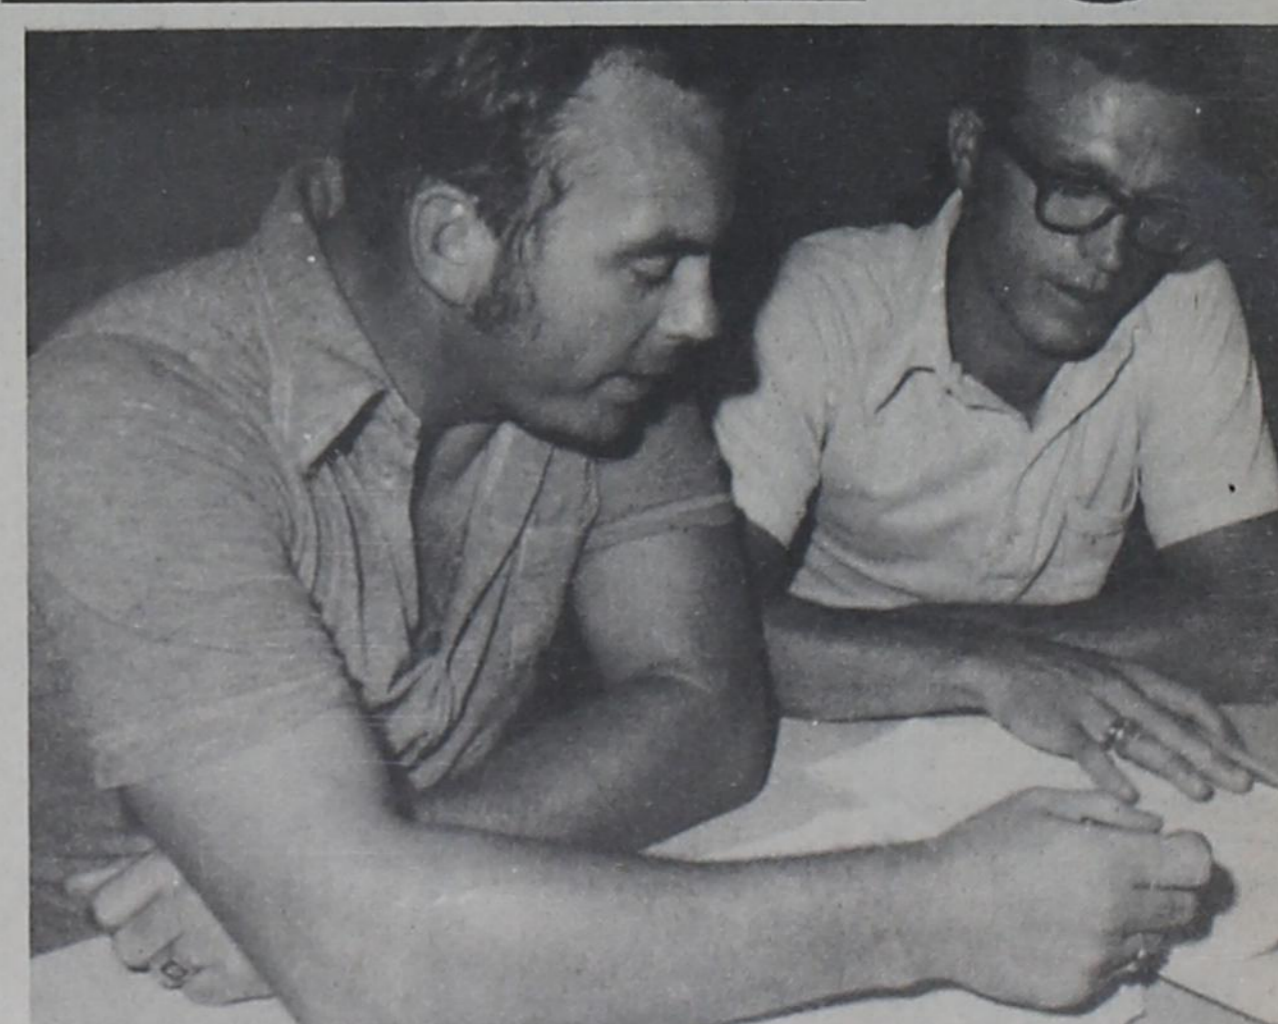

The School Board of the Farwell Independent School District will call for a bond issue for school improvements at the Board's regular meeting on Sept. 9 at 8 p.m. in Superintendent W.M. Roberts' office.

The bond issue, in the amount of \$260,000 will be held on Sept. 24. Registered voters in the Farwell school district will be eligible to vote at the polling place, the Parmer County Court Room, between the hours of 8 a.m. and 7 p.m. Absentee voting will be conducted in the office of school tax assessor-collector Dorothy Eason.

Two ballot boxes will be maintained during the election - one for tax-paying property owners and one for non-property owners, according to Superintendent Roberts.

Included in the \$260,000 package will be a new band hall, improvements to the junior high gymnasium and improvements to the wood shop located in the gymnasium, improvements to the lighting at the football field, moving the bleachers to a new location at the track, air conditioning of the dining area of the cafeteria, repairing of parking lots and bus loading area and possibly a new concession stand at the football field, according to Roberts.

At the school board's meet-

FOOTBALL STRATEGY - Mapping out football strategy for the Texico Wolverines are Ray Manly, left, head football coach, and Kenneth Shaw, assistant football coach. The Wolverine's season opens Friday, Sept. 6 at 7:30 p.m. MDT as Texico hosts Hagerman at Wolverine Stadium.

PURELY
PERSONAL
by John

In a more nostalgic yesterday, early signs of fall were apparent to the more observant student of nature. The first almost imperceptible turning of the leaves as they lost their verdant green and began to take on a duller and dryer look; the industry of the wildlife as they answered nature's whispered warnings; or the barely perceptible tang of the morn's air. An awareness of these annual activities was a warning of the season's inexorable march.

Today, what do we have as a tipoff on fall's imminence? For most people it surely is the biting commentary of Howard Cosell as he brings us Monday Night football. Even the poorest observer of nature must be aware of the annual fall madness as the boob tube begins its almost uninterrupted exposure of man's inhumanity to man.

Yes, 'tis sad to say, Fall is soon upon us. Those not susceptible to pigskinitis had best renew their membership in the book of the month club. The next five months will not be to your liking.

Well, political sniping seems not to have abated with the advent of the new "Ford" administration. We see where one of the more widely known liberal senators takes President Ford to task for not having any "feeling" for the "little fellow." Seems he thinks the new president might cut off some of the vast flood of social programs inundating the country. Yet we have heard no left field comment regarding Senator Bentsen's desire to restrict credit to the "little fellow." Probably Bentsen does not need to go to his friendly loan shark to raise a few dollars to buy clothes to send the family tads to school.

If credit is to be restricted to fight inflation let us start by cutting off Uncle Sam's credit. He is the most insolvent person in the world. At last accounting, good ole Same was almost \$500,000,000,000.00 in debt and losing ground at the rate of 30 to 40 billions devalued bucks a year. We doubt if many commercial money lenders would view this as an outstanding track record in fiscal responsibility.

Bentsen, ole boy, do a better job of keeping the government spending policies in check before you come around whacking this perpetually-in-debt citizen off at the ankles. What we send off each year to pay for Sam's profligate ways would darn sure have kept us out of the red to these many years.

Oops, almost forgot - Gene Hardage announces that he will win the Merchants Football Contest hands down. Are you listening Elaine??

Magness Services

Conducted Thursday

Clyde Magness, 63, 903 4th St., Farwell, died early Wednesday morning at Memorial Hospital in Clovis.

He was born Oct. 21, 1910 in Vernon, Tex., and came with his family to Parmer County when he was six years old. The family homesteaded and farmed in the Oklahoma Lane community.

Mr. Magness was a retired farmer and had been in the real estate business.

Funeral services were conducted at 3 p.m. CDT Thursday at the First Baptist Church in Farwell, with Rev. J.L. Bass and Dr. Cliff Ennen officiating. Burial followed in Sunset Terrace Memorial Garden in Farwell.

Survivors include his wife, Dickie; a son, Cary Magness of

Canyon; a daughter, Mrs. Duane Hennington of Plano; and three grandchildren.

Steed-Todd Funeral Home was in charge of the arrangements.

FIRST DAY OF SCHOOL - Students in the Texico Independent School District reported to classes Monday for the opening of school. Among those students reporting to the elementary school were, left to right, Buddy Adkins, third grade, son of Mr. and Mrs. Bill Crouthers; Tonia Beavers, fifth grade, daughter of Mr. and Mrs. Orville Beavers; Mimi Quintana, third grade, daughter of Mr. and Mrs. Adam Quintana; and Ronnie Gene Galvan, third grade, son of Mr. and Mrs. Frank Galvan.

Commissioners Meet Monday

Farwell City Commissioners will meet Monday, Aug. 26, at 5 p.m. at City Hall for their regular monthly meeting.

Football Contest Begins Sept. 6

Second-class postage paid at Farwell, Texas 79325. Published every Friday.

SUBSCRIPTION RATES -- Farmer and adjoining counties, \$5.50 per year; elsewhere, \$7.00 per year. Payable in advance.

Texico Plans Bond Issue For Wastewater, Paving Projects

The City of Texico will present to qualified registered voters of the city a bond issue on Saturday, Aug. 31, for the improvement of the sewage disposal facility and for repair of the municipal street system.

Issuance of bonds in an aggregate amount of \$36,000 will be submitted to voters in separately stated proposals, and each proposal will be voted on separately.

issuance of General Obligation bonds. The paving project, which will be a tax transaction, will be charged to property owners who actually get the paving. Property owners will either pay for their portion of the project, or have a tax lien placed against their property.

The resurfacing and wastewater projects will call for an

Estimate of the paving project is \$300,000. Estimated cost of the resurfacing is \$22,500 and the city's portion of improvements to the wastewater plant is approximately \$12,500.

If residents of Texico approve the city's portion for improvements to the wastewater plant, the Federal government will make up the difference between \$12,500 and the total cost of the project which is \$89,977.50. If the measure does not pass, the city must provide the total amount of funds.

According to Texico city attorney Dan Buzzard, who commented on the bond issue at the Aug. 13 meeting of the Texico City Commissioners, "All registered voters residing within the municipality are eligible to vote on the issue."

Polling place will be the Texico City Hall and the polls will be open from 8 a.m. to 7 p.m. MDT.

What's Cooking Farwell School

MONDAY - Porkchops with potatoes and gravy, buttered whole corn, coleslaw with shredded carrots, iced chocolate cake, bread, milk.

TUESDAY - Pinto beans, tamales, buttered spinach, pickles and onions, plain gelatin, cornbread, butter, milk.

WEDNESDAY - Hamburgers, lettuce, tomatoes, pickles, onions, potato chips, sliced cheese, buttered hominy, apple cobbler, milk.

THURSDAY - Chicken croquets, whole buttered potatoes, tossed salad, blackeyed peas, 1/2 pear, milk.

FRIDAY - Baked ham, candied yams, green beans, sliced cucumbers, hot rolls, butter, applesauce, milk.

Fire Calls

Both the Texico and Farwell Fire Departments report no fire calls during the past week.

The Texico ambulance made an emergency call on August 16 to transport Mrs. Rosa Williams to Clovis Memorial Hospital.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: W. L. Williams, W. B. Farmer, G.A.F. Parker, Thomas Mooney, Joseph Lawry, and International Land Company, a defunct corporation whose offices and place of business, stockholders, directors and officers are all unknown, and if any of said parties are married, then their unknown wife or wives and unknown husband or husbands, and if any of said parties are deceased, then their unknown heirs, assigns and legal representatives, all of whom are unknown, all unknown claimants and all unknown parties asserting or claiming any title or interest in the hereinafter described lands, all of whom are unknown, Defendants, greeting;

You and each of you are hereby commanded to appear by filing a written answer to the Plaintiffs' Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 23rd day of September, A.D. 1974, at or before ten o'clock A.M. before the Honorable 154th District Court of Farmer County Texas, at the Court House of said County in Farwell, Texas.

Said Plaintiffs' Petition was filed in said court on the 12th day of April, A.D. 1974, in this cause, numbered 3620 on the docket of said court, and styled, GENEVRA KRUSE, ET AL, Plaintiffs, vs. MARJORY TROXEL, ET AL, Defendants.

The names of the parties to the cause are as follows: Genevra Kruse, Margaret Wamburg, and Katherine Lepp are Plaintiffs, and Marjory Troxel, W.L. Williams, W.B. Farmer, G.A.F. Parker, Thomas Mooney, Joseph Lawry, and the International Land Company, a defunct corporation, whose offices and place of business, stockholders, directors and officers are all unknown, and if any of said parties are married, then their unknown wife or wives and unknown husband or husbands, and if any of said parties are deceased, then their unknown heirs, assigns and legal representatives, all of whom are unknown, all unknown claimants and all unknown parties

asserting or claiming any title or interest in the hereinafter described lands, and the United States of America, are Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

This is a suit in the nature of trespass to try title, the herein named Plaintiffs seeking to recover title to and possession of all the following described tract of land, to-wit:

All of the North half (N1/2) of Section 16, Harrah Subdivision in Farmer County, Texas, containing 160 acres of land;

asserting that the same is owned by Plaintiffs and one Defendant, Marjory Troxel, claiming that they hold title to the same as tenants in common in fee simple, and Plaintiffs further seeking to recover damages because of the remaining Defendants unlawfully holding possession of said property, and further seeking to recover title on the rounds of possession and the 5-year and 10-year statutes of limitation of the State of Texas, and Plaintiffs further seek a partition and division of said lands as between themselves and Defendant Marjory Troxel, all as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this 6th day of August, A.D. 1974.

This is a suit in the nature of trespass to try title, the herein named Plaintiffs seeking to recover title to and possession of all the following described tract of land, to-wit:

All of the North half (N1/2) of Section 16, Harrah Subdivision in Farmer County, Texas, containing 160 acres of land;

asserting that the same is owned by Plaintiffs and one Defendant, Marjory Troxel, claiming that they hold title to the same as tenants in common in fee simple, and Plaintiffs further seeking to recover damages because of the remaining Defendants unlawfully holding possession of said property, and further seeking to recover title on the rounds of possession and the 5-year and 10-year statutes of limitation of the State of Texas, and Plaintiffs further seek a partition and division of said lands as between themselves and Defendant Marjory Troxel, all as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this 6th day of August, A.D. 1974.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: James Q. Burton, Ammie D. Burton, J. Q. Burton, S. H. Withers, John B. Wallace, A. L. Newton, Mrs. Viola Bevel, Mrs. Nellie Tyler, Chas T. Dycus, Mrs. E. J. Dial, D. D. Dial, B. F. Fears, G. E. Campbell, E. J. Campbell, Nellie Taylor, C. B. Henze, Charles B. Henze, Pauline Henze, Mrs. A. A. Stiles, W. T. Bevel, all of whose places of residence are unknown, and if any of said parties are married, then his or her unknown husband or wife, and if any of said parties are deceased, then their unknown heirs, assigns, devisees and legal representatives, all of whom are unknown, and all of whose places of residence are unknown, and American Union Petroleum Corporation, a corporation, whose place of business and address is unknown, its unknown officers and stockholders, successors and assigns, all of whom are unknown and all of whose places of residence are unknown; and all unknown claimants, whose names and places of residence are unknown, Defendants, greeting;

You are hereby commanded to appear by filing a written answer to the Plaintiffs' Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 23rd day of September, A.D. 1974, at or before ten o'clock A.M. before the Honorable 154th District Court of Farmer County Texas, at the Court House of said County in Farwell, Texas.

Said Plaintiffs' Petition was filed in said court on the 12th day of April, A.D. 1974, in this cause, numbered 3620 on the docket of said court, and styled, GENEVRA KRUSE, ET AL, Plaintiffs, vs. MARJORY TROXEL, ET AL, Defendants.

The names of the parties to the cause are as follows: Genevra Kruse, Margaret Wamburg, and Katherine Lepp are Plaintiffs, and Marjory Troxel, W.L. Williams, W.B. Farmer, G.A.F. Parker, Thomas Mooney, Joseph Lawry, and the International Land Company, a defunct corporation, whose offices and place of business, stockholders, directors and officers are all unknown, and if any of said parties are married, then their unknown wife or wives and unknown husband or husbands, and if any of said parties are deceased, then their unknown heirs, assigns and legal representatives, all of whom are unknown, all unknown claimants and all unknown parties

asserting or claiming any title or interest in the hereinafter described lands, and the United States of America, are Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

This is a suit in the nature of trespass to try title, the herein named Plaintiffs seeking to recover title to and possession of all the following described tract of land, to-wit:

All of the North half (N1/2) of Section 16, Harrah Subdivision in Farmer County, Texas, containing 160 acres of land;

asserting that the same is owned by Plaintiffs and one Defendant, Marjory Troxel, claiming that they hold title to the same as tenants in common in fee simple, and Plaintiffs further seeking to recover damages because of the remaining Defendants unlawfully holding possession of said property, and further seeking to recover title on the rounds of possession and the 5-year and 10-year statutes of limitation of the State of Texas, and Plaintiffs further seek a partition and division of said lands as between themselves and Defendant Marjory Troxel, all as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Farwell, Texas, this 6th day of August, A.D. 1974.

Farwell Gridders . . . (Continued from Page 1)

Jennings stated that the players will be moved around, seeking the best man for the position and that the team won't be set until after several games. He points out that the team's strong points are "atti-

tude, enthusiasm and active participation in workouts." Regarding problems of the team, Jennings says, "We have no real serious problems. Our only problems are that we're not very big and we

don't have too much experience. By the time we get into district play, we should be strong."

Jennings continues, "We plan to play as many players as are willing to pay the price. We will play those who really want to play and it is up to the individual as to whether he wants to play or not. The players have been very receptive to our wishbone formation. But the main thing is that we'll be moving the players around trying to find the right place for them to play."

Farwell began working out in pads on Friday, Aug. 16. The team's first scrimmage is scheduled for this evening (Friday) at 7 p.m. at White Deer. Freshmen and sophomores will play first, with the Varsity winding up the evening.

The last scrimmage prior to the opening game Sept. 6, will be played Aug. 30 at Morton. The Varsity will kick off action at 7:30 p.m. with the "B" team following.

Tentative lineup for the Steers is as follows:

Lesley Curtis, quarterback; Kent Gast, defensive end and tight end; Gary Green, starting at tight end; Barry Goldsmith, starting at tight end guard; Charlie Hargrove, center; Mark Haseloff, strong side tackle on offense; and Larry Sutton, strong side guard; backfield.

At defense will be Gene Christian, starting as right linebacker and backing up Phillips as fullback; George Garza, free safety; Barry Goldsmith, linebacker behind Gene Christian; Gary Green, playing right corner back behind Travis Bibbs; Charlie Hargrove, playing nose guard behind Limey Riley, who will be a guard; Mark Haseloff, starting at tackle and left tackle; Thad Phillips, strong side safety, backing up Gerald Hardage; Larry Sutton, strong

side end behind Kent Gast; Mike Woods, free safety behind George Garza; Clint Robertson, a junior with senior eligibility, strong side tackle and right tackle or defense.

Juniors - Jay Alana, left line backer, either running back or fullback on offense; Charles Christian, center in secondary; David Cantu, right side tackle offense, backing up Jay Alana; Jack Foster, running back, left corner back on defense; Gerald Hardage, halfback, strong side safety; Brad Jones, split end and strong side safety; Robert Johnson, strong side tackle and defensive right tackle; David Snider, tough side guard and right tackle.

Sophomores - Travis Bibbs, starting at right corner back and alternating at split end with Brad Jones; Chip Craft, tough side guard behind Barry Goldsmith and playing weak side; Mike Goettsch, alternating with Lesley Curtis at quarterback; Keith Goldsmith, alternating at strong side tackle and playing weak side defensive end.

"Sutton, Woods and Haseloff

Mrs. Barlow Buried At Oklahoma Lane

Mrs. Rosa Barlow, formerly of Farwell, died Aug. 17 in the Golden Age Nursing Home in Amarillo. Mrs. Barlow, 99, had lived in the nursing home for the past four years.

Graveside services were conducted at 2 p.m. Tuesday, Aug. 20, at the Oklahoma Lane Cemetery with Boyd Lowery, of Earth Jehovah's Witness Church, officiating.

Mrs. Barlow was preceded in death by her husband. She was a member of the Jehovah's Witness Church, and was a native of Oklahoma.

Survivors include a nephew, Bobby Barlow, Santa Ana, Calif., and one niece, Mrs. Mary Payne, Oraville, Calif.

Wolverines . . . (Continued from Page 1)

Manly commented, "We are fairly fast, big and strong and the players are working hard. They are taking a lot of pride in excelling."

Pointing out that it is a little too early for any real assessment of players, Manly said the team's main weakness is getting used to a new offense and defense, as the whole program is new. "The players are having a little trouble adjusting, but they seem to be coming along fine," Manly stated.

Both Manly and Kenneth Shaw, assistant football coach, are pleased with the progress of players' performances in practice so far. Both were quick to comment that they are "expecting a lot more from the players as the weeks progress."

"All players are working hard for position, nearly all are looking good and just about have equal talent," Manly said. "We are making great progress every day and the players are beginning to take pride in what they do. The practices are getting better and we are making fewer and fewer mistakes."

All players on the Wolverine team are able to play two positions and some can play more, according to the coach. Each player will specialize in whichever position he excels, and will serve as back-up for the other position.

Coach Shaw extended a special invitation to parents and fans to attend the Wolverine games, pointing out that the Texico stadium will feature new bleachers and grandstands.

The team's only scrimmage will be an inter-squad scrimmage on Friday, Aug. 30 at 2:30 p.m. in Wolverine Stadium. Donations of a bar of soap or a towel will be accepted at the gate. Following the game, Texico cheerleaders will honor the football players and coaches with a watermelon party.

Texico's first opponent for the season will be Hagerman on Sept. 6 at Wolverine Stadium. The game will begin at 7:30 p.m. MDT. Looking at his team's opposition, Manly said, "Hagerman has a couple of fast ball players. They like to go outside a lot and have a good quarterback. They like to run up the middle, are tough and have a good coach."

To beat Hagerman, Manly says, "We will have to stop their outside game and stop the quarterback. If we do this, we have a good chance to beat them."

Texico's Wolverine players include: Seniors - Steve Harrington, end and quarterback, 5'10", 145 lbs.; Roger Pace, tackle, 6'1", 195 lbs.; Sammy West, fullback, 5'10", 165 lbs.; Jimmy Ortiz, halfback, 6'2", 180 lbs.; James Stewart, halfback, 5'7", 135 lbs.; Ernest Woods, guard and center, 5'10", 145 lbs.; Terry Reid, guard, 5'10", 150 lbs.; Albert Galvan, defensive back, 5'5", 130 lbs.; Kevin

Stanley, halfback, 5'10", 155 lbs.; Max Winkles, end, 5'8", 135 lbs.; and Larry Allbright, defensive specialist, 5'10", 150 lbs.

All the seniors are returning lettermen with the exception of Terry Reid and Max Winkles.

Juniors - Spencer Turner, end, 5'11", 145 lbs.; Tony Summers, tackle, 6', 190 lbs.; Robbie Bradley, center, 5'11", 185 lbs.; Ronnie Ruiz, guard, 5'6", 155 lbs.; Ted Richardson, tackle, 5'10", 165 lbs.; Tommy Galvan, quarterback, 5'7", 145 lbs.; Barry Lindley, end, 6'1", 150 lbs.; and Eddie Taylor, tackle, 5'10", 165 lbs.

Sophomores - Richard Hadley, tackle, 6', 195 lbs.; Larry Rolan, tackle, 5'10", 160 lbs.; Steve Christian, end, 6'1", 150 lbs.; Chris Eshleman, guard, 5'9", 140 lbs.; Scott Creech, guard, 5'9", 145 lbs.; Stevie Askew, end, 5'4", 150 lbs.; Mark Howard, end and back, 5'11", 155 lbs.; Joey West, fullback, 5'6", 150 lbs.; Jackie Reid, halfback, 5'5", 125 lbs.; Willie Ronquillo, back, 5'10", 145 lbs.; Arthur Salguero, quarterback, 5'10", 145 lbs.; and Joe Goforth, tackle, 6'2", 185 lbs.

The Wolverine schedule is as follows:

Sept. 6, Hagerman, here, 7:30 p.m.; Sept. 13, Lazbuddie, there, 7 p.m.; Sept. 20, Vaughn, here, 7:30 p.m.; Sept. 27, Melrose, there, 7:30 p.m.; Oct. 4, Ft. Sumner, there, 7:30 p.m.; Oct. 18, Jal, here, 7:30 p.m.; Oct. 25, Tatum, here, 7:30 p.m.; Nov. 1, Eunice, there, 7:30 p.m.; and Nov. 8, Dexter, there, 7:30 p.m. All games are MDT.

According to Kenneth Shaw, junior high coach, the junior high team has 45 players - 20 freshmen, 15 eighth graders and 10 seventh graders. Coach Randy Lyons will assist with junior high football.

Coaches for the Texico Wolverines are Ray Manly, head football coach; Kenneth Shaw, assistant football coach; and James Pierce, athletic director.

DOES YOUR FERTILIZER CONTAIN SULPHUR?

Smith Douglass Pelleform does!

You used to take sulfur for granted. You can't afford to anymore. Environmental controls have reduced the amount of sulfur in the air. You don't get carry-over you once did from sulfur dust insecticides and fungicides. How can you economically furnish sulfur to your crop? Use Smith-Douglass Pelleform.® It gives you not only nitrogen, phosphorus and potash but sulfur...plus Trel.® Smith-Douglass' exclusive formula of trace elements. And it's all combined in every clean, green pellet. Pelleform's easy handling, even spreading. Rely on Pelleform Bermuda Booster® to produce high-yielding pasture. The sulfur in Ber-

muda Booster is important to cattle. The Texas Plant Food Institute Newsletter reports that sulfur helps control nitrate accumulation to minimize losses from grass tetany and nitrate poisoning. Pelleform comes in a special analysis for peanuts. Extra amounts of calcium and potash help produce good yields of firm, heavy, high-quality nuts. You'll like Pelleform. It's the kind of complete and balanced fertilizer you need to make money from farming today. Talk to your Smith-Douglass man! **Smith-Douglass makes the growing greater!**

YOUR SMITH-DOUGLASS MAN IS READY TO HELP YOU.

PRPC To Assist With Comprehensive Plan

Farwell Planning and Zoning Commission met Monday evening at City Hall with Bennie Lawrence of Amarillo, representative of the Panhandle Regional Planning Commission, to discuss a comprehensive zoning plan for the City of Farwell.

Lawrence said the PRPC will assist in writing a zoning proposal which will be presented to the Farwell Planning and Zoning Commission and in turn that group will present it to the Farwell City Commissioners.

In the comprehensive plan,

suggestions will be made that certain areas of the city be zoned for residential, commercial, industrial etc. The plan will also have a sub-division ordinance whereby land that will be annexed to the city in the future will have to conform to existing regulations regarding size, street grading, land usage, etc.

Terry Parr is chairman of the Farwell Planning and Zoning Commission. Attending the meeting Monday evening were Parr, Charles Hargrove, Gil Patschke, Charles Aycock, Janie Bowery and Harlin Obenshain.

Ray Manly Is Selected Texico Football Coach

Ray Manly is beginning his first year at Texico schools as head football and head track coach and assistant basketball coach.

From Cap Rock, N.M., Manly is a graduate of Tatum High school where he played full back and defensive lineman for three years. He played defensive lineman at Eastern New Mexico University for three years and received his Bachelor of Science in Physical Education from that university.

Previously, Manly has taught in Alamogordo at Holloman Air Force Base Junior High where he served as assistant football, basketball and head track coach. He has also taught in Ganado, Ariz., where he was assistant varsity coach and head basketball coach.

Manly will teach social studies and physical education

in Texico. He resides at 415 Kathrine.

Legal Notice

NOTICE OF HEARING TO CONSIDER THE DISSOLUTION OF PANHANDLE WATER CONSERVATION AUTHORITY OF THE STATE OF TEXAS

Notice is hereby given that a hearing will be held by the Texas Water Rights Commission, pursuant to Section 50.251 et seq., Texas Water Code, to dissolve Panhandle Water Conservation Authority, which is located in Armstrong, Bailey, Briscoe, Carson, Castro, Childress, Collingsworth, Cottle, Dallam, Deaf Smith, Donley, Floyd, Gray, Hale, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lamb, Lipscomb, More,

Motley, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher, Wheeler, Cochran, Hockley, Lubbock, Crosby, Lynn, Dawson, Terry and Garza Counties, Texas, and which was created by special act of the Texas Legislature in 1937. The Commission anticipates dissolving the District for reasons of inactivity and failure to perform any of the functions for which created during five consecutive years and having no outstanding bonded indebtedness.

The hearing on this matter will be held by the Texas Water Rights Commission in the Stephen F. Austin State Office Building at Austin, Texas, on October 2, 1974 at 10 o'clock a.m. All persons interested in the dissolution or continuation of the above named District are requested to appear and present evidence for or against the dissolution of the District.

Burke Holman, Acting Chairman TEXAS WATER RIGHTS COMMISSION

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BERLEAM BIBLE SOCIETY CHICAGO, ILLINOIS 60633

A TALE OF THREE CITIES

In Thessalonica, Paul reasoned out of the Scriptures for three sabbath days with men who were unwilling to be convinced (Acts 17:1-9). The bigotry of these Thessalonians not only kept them in spiritual darkness, but it moved them to bitter opposition to the truth, so that they persecuted Paul and Silas and even followed them to Berea, stirring people up against them.

Bigotry has the same effect today. Let us never close our minds so as to keep error out, for in doing so we will only shut new light out and close old errors in. Moreover, it is but a small step from shutting out new light from God's Word to engaging in bitter opposition to it.

The Athenians went to the other extreme. They lost interest in what was old and clamoured only to hear new things (Acts 17:21). Yet when Paul came to them with the good news of the gospel of grace, some "mocked" while others, more polite, said: "We will hear thee again of this matter," and turned away (Verse 32).

The Athenian spirit too is still rife today. Many are constantly giving up the old and looking for something new, sure that the latest fashions, the latest statistics and the latest advice must be best.

Significantly, the story of the noble Bereans falls between that of the Thessalonians and that of the Athenians in our Bibles. These Bereans possessed the true spiritual greatness to give man's word respectful consideration, whether old or new, and then to subject it to careful examination in the light of the Word of God. They received Paul's word, we read, with open minds, and then "searched the Scriptures daily, whether those things were so" (Verse 11). For this God called them "noble" - the spiritual aristocracy of their day.

May God help us to be neither "Thessalonians" nor "Athenians," but true Bereans. If we follow men we drift on a sea of human speculation, for men disagree on the most vital issues. Only as we stand on the infallible, unchangeable Word of God can we be sure.

Teresa Quickel Accepts Job, Departs For Germany

Teresa Quickel, daughter of Mr. and Mrs. I.W. Quickel of Farwell, has embarked on a two-year adventure which will afford her the opportunity of living in a foreign country, observing customs different from those in the United States, teaching in a new setting and traveling throughout Europe.

She has accepted a teaching position with the Department of Defense and will teach American military dependents at Baumholder, Germany. Teresa will instruct second graders.

Teresa's contract calls for a two-year teaching tour of duty. The American military school where she will be teaching observes the standard school year as in the United States -

nine months of school and three months vacation.

During her three-month vacation next summer, Teresa plans to travel to different European countries and do a lot of sightseeing. She will live in a private apartment on the American military base.

Many preparations had to be made and numerous forms had to be completed before Teresa could exit the United States for two years. She had to obtain a passport, go to Colorado for a physical examination, and return to Colorado on Aug. 15 to get the necessary completed paper work.

Teresa became interested in the teaching abroad program several months ago and submitted an application to the Department of Defense around the first part of this year. She was called for a personal interview in El Paso in March, and learned that she had the job the last of May.

Although Teresa received no indoctrination in the German language, she was sent literature to read about the life style of Germans and other pertinent information.

"I am very excited about having the opportunity to travel and see many different

things," commented Teresa about her impending adventure. She departed from Lubbock on Tuesday and flew to Charleston, S.C. The next leg of the flight took her to Germany.

Teresa shipped most of the things she will be needing to Germany, including clothing for both summer and winter.

She is a 1966 graduate of Farwell High School and received a bachelor's degree in elementary education from McMurray College in Abilene. She has taught second grade in Midland for the past four years.

FOR ALL Your Transportation Needs . . .

HAGELGANTZ VOLKSWAGON
Mabry Dr. - Clovis

TO GERMANY - Teresa Quickel has departed from Farwell for a four-year teaching assignment at the American military dependents school in Baumholder, Germany. Teresa is quite careful in packing her suitcases, as she is taking enough clothing and other items to last her for two years. She is the daughter of Mr. and Mrs. I.W. Quickel.

Clovis Campus To Conduct Texico Classes

Several classes at the Texico High School have been scheduled by Eastern New Mexico University - Clovis Branch (High Plains Area Vocational - Technical School) for the fall semester.

For classes conducted at Texico, registration will be held on Wednesday, Aug. 28, from 6 to 8 p.m. at Texico High School.

Classes to be offered include Drawing, Principles of Typing, Business Machines, Freshman English, the Old Testament and welding. Classes begin Thursday, Aug. 29, and will be conducted from 6:45 to 9:15 p.m. MDT.

Texico 4-H Conducts Achievement Day

The Texico 4-H Club conducted its Achievement Day on August 17 at the Texico schools, with Farwell agriculture teacher James Mast serving as judge for the events.

Hogs and sheep were shown. Placing in the sheep category were:

Suffolk - Terry Curry, first and second; Britt Crooks, third; Monty Leavell, fourth; Freda Leavell, fifth; Gail Doris, sixth; and Lisa Crooks, seventh.

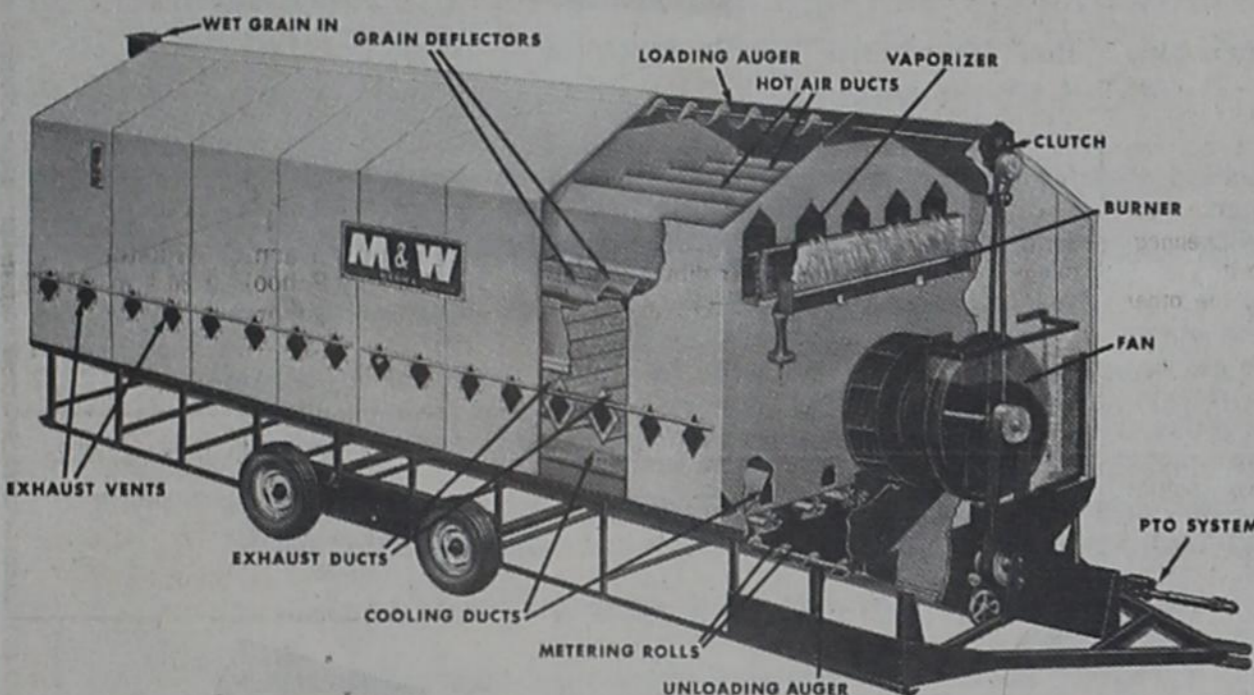

Hampshire - Dal Moss, first;

Elizabeth Pierce, second; Freda Leavell, third; Elizabeth Pierce and Jeff Sharp, fourth and fifth, tied; Cheri Sharp and Alan Moss, sixth and seventh, tied; Carla Moss, eighth; and Dianne Rierson, ninth.

Placing in hogs were: Heavy Weight - Monty Leavell, first; Richard Hadley, second; Clint Stone, third; and Richard Hadley, fourth.

Light Weight - Richard Hadley, first and second; Terry Curry, third; Monty Leavell, fourth; and Terry Curry, fifth.

M & W Perfect Kern'l GRAIN DRYER

650 & 450 BUSHELS PER HOUR CAPACITY

REVOLUTIONARY NEW, PATENTED PROCESS

M & W Dryers are different from all others because they operate on the exclusive, patented Con-Current Flow Process. Heated air and grain move down while cooling air comes up from below. A constantly renewed supply of cool, wet grain is continually being fed between the drying heat and the grain already started drying - the heat is tempered and grain temperatures held at safe levels all the time.

UNMATCHED GRAIN QUALITY

Controlled, uniform drying goes on all through the thirty inch deep grain bed. Every kernel gets the same treatment. There's no over-heating, no over-drying, no pockets of wet grain to start spoilage. Moisture extraction is continuous, controlled, gradual and uniform all through the drying and cooling cycle. That's why laboratory tests show grain food values unchanged after drying in M & W Perfect Kern'l Dryers.

GRADUAL COOLING IMPROVES QUALITY

In ordinary dryers, the hottest corn is hit by the coolest air. The side of the grain column closest to the drying air gets hotter and hotter - then it's suddenly hit by a blast of cold, outside air. The result is cracking and shattering! In the M & W, the cool air comes up from below. Cooling is gradual and controlled. Stress cracking by cooling can be avoided. As many county agents can tell you - one of the best ways to retard spoilage is by keeping the seed coat intact - and an M & W does a better job of this.

BUILT IN SAFETY FEATURES

M & W controls are heavy duty industrial types. Safety precautions and cutoffs are built into the dryer to protect against damage from failure of any sort. If the tractor runs out of fuel or stops for any other reason, the automatic gas control shuts off the burner flame. Rising exhaust temperatures will also shut down the dryer before dangerous limits can be reached.

SELF CONTAINED MOBILITY

M & W's are really portable - not just movable. About 2/3 of farmers use theirs that way. 50% moved them three or more times. It's lots more economical to take the dryer to the grain than the other way around. They can be ordered complete with built-in wet loading systems. To set up in a new location you don't have to move a whole system of augers and holding units - just the M & W. But if you've already got your own loading equipment - your dryer can be ordered without it.

Double Ring Vows Unite Miss Lee, Doug Harriman

Vickie Ellen Lee became the bride of Doug Harriman in an afternoon ceremony performed August 4 at the Southside Church of Christ in Electra, Tex.

Parents of the bride are Mr. and Mrs. John Lee of Electra. The bridegroom is the son of Mrs. Clarence Harriman of Farwell and the late Mr. Harriman.

The musical program included "One Hand, One Heart", "Sunrise, Sunset" and "The Wedding Song" presented by soloists James Hobbs, Mary Degge, Donna Barnes and Larry Russell. Chorus members included Rick Russ-worm, David Rix, Evelyn Jones and Jerre Corne.

The double ring vows were read by Doug Perrin of Lubbock. Decorations at the church included aisle candelabra with hurricane lamps ac-cented with red bows, leather

leaf and baby's breath. Spiral Swedish steel candelabra with votive candles and arrange-ments of red and pink minia-ture carnations, baby's breath and garlands of simlax com-pleted the nuptial setting.

Given in marriage by her father, the bride was attired in a gown fashioned of bridal taffeta and chantilly lace re-embroidered on net featur-ing a fitted bodice and elbow length sleeves of the chosen lace. Her scalloped sabrina neckline and front of the bodice were enhanced by re-embroidered motifs of seed pearls. She carried a nosegay of pink, red and white sweet-worm, white daisies and baby's breath.

Following tradition, the bride wore a sixpence she obtained while in London for something old; something new was a ring of rubies and a diamond given to her by the bridegroom;

something borrowed was the Bible belonging to the bride's social club, Kappa Phi Kappa; and something blue was a garter worn by the bride's two sisters at their respective wed-dings.

Mrs. Randy Bracken of Lubbock served her sister as mat-ron of honor. Bridesmaids were Lyra Bell, Carol Morin and Janice Elrod, all of Lub-bock, and Machel Trower of Carlsbad, N.M.

All bridal attendants wore red and white dotted voile dresses with high ruffled neck-lines and fitted empire waists. Their full skirts were accented with floor length ruffles with the waistlines being enhanced by white ribbons. They carried pink roses, red miniature car-nations and baby's breath.

Best man was Greg Meeks of Lubbock. Serving as groomsmen were J.R. Sewell of Far-well, Eddie Fitzgerald of El Paso, and Rocky Harrell and Phil Warren, both of Lubbock. Ushers were Kirt Martin of Farwell, Dave Yirak of Almira, Wash., and Mike Lee of Electra, brother of the bride.

For her daughter's wedding, Mrs. Lee selected a dusty pink floor length dress with elbow length sleeves and a gathered yoke at the neckline. She wore a corsage of white sweetheart roses.

Mrs. Harriman was attired in a baby blue floor length dress with short sleeves and lace accenting the bodice. Her corsage was of white sweet-heart roses.

A reception at the church immediately followed the ceremony. The bride's table was covered with a white floor length cloth of tulle and satin. One side of the table was accented by a tall three-tiered wedding cake with an arrange-ment of pink roses, pink and red miniature carnations, baby's breath and simlax. The centerpiece was an arrange-ment of pink roses, pink and red miniature carnations and baby's breath in Epergne with hurricane lamps. Mrs. Pat Hunter and Mrs. Ralph Carter served at the bride's table. Assisting were Mmes. Bill Mumford, Mrs. Audrey Dye, Jesse Strange, Edgar Eakin and Jean Mingwasser.

The bridegroom's table, which held a German choco-late cake, was covered with a pink cloth and white net skirt. A hurricane lamp decorated with a ring of daisies centered the table. Serving at the bride-groom's table were Mrs. Doyle Ford, sister of the bridegroom; Mrs. James Harriman, sister-in-law of the bridegroom; and the bridegroom's nieces, Syd-ney Ford and Katrina Harri-man. Another niece, Anisha Harriman, passed out rice bags. Mrs. Sue Barker, sister of the bride, registered guests.

For a honeymoon trip to Dallas the bride chose a purple and white cotton print dress with fitted waist and a scooped neckline trimmed with white eyelets.

The bride is a 1970 graduate of Electra High School and she received her B.S. in education in 1974 from Lubbock Christian College. She was named to "Who's Who", selected as Miss LCC, is president of Kappa Phi Kappa and served on the Senior Class Board.

The bridegroom, a 1970 graduate of Farwell High School, received his B.S. in education in 1974 from LCC. His college honors include "Who's Who in American Col-leges", junior class favorite, dorm council and vice-president of the Student Senate. He is currently employed as a coach at Crane, Tex.

The couple is now at home at 1009 South McElroy in Crane.

MRS. RONALD SICKLER

Arnold Family Hosts Gathering Of Relatives

Mr. and Mrs. Ernest Arnold and family of Texico were hosts Sunday, Aug. 18, for a large gathering of relatives in the Arnold home.

Visiting were Mrs. Arnold's sister and brother-in-law Mr. and Mrs. Buck McBroom of Aspermont; her aunt and uncle, Mr. and Mrs. Ed Rielbold of Lamesa; and her brother and sister-in-law, Mr. and Mrs. G.M. Farner of Lubbock.

Also attending the family gathering were the Arnolds daughters and sons-in-law, Mr. and Mrs. Billy Dwight Dudley and son Joseph of Clovis, and Sgt. and Mrs. Vernon High and son Rodney of Cannon Air Force Base. Another son, James Arnold, came from Las Cruces for the event.

Sunday evening, Mrs. Arnold's brother, Virgil Farmer of Andrews, visited with the family via telephone.

First Child Is Born To Michael Haseloffs

Mr. and Mrs. Michael Haseloff of Farwell are parents of their first child, a son born Aug. 17 at 3:42 a.m. at the Parmer County Community Hospital in Friona.

The baby was named Michael Ray and weighed eight pounds, eight and one-half ounces. He was 19½ inches long.

Paternal grandparents are Mr. and Mrs. Adolph Haseloff and maternal grandparents are Mr. and Mrs. Richard Deel. Great-grandparents are Mr. and Mrs. Eldon Davidson, Mr. and Mrs. G.A. Deel, all of Quanah, and Mrs. Madge Peiman of Farwell.

Luncheon Fetes Leslie Norton

A luncheon was held Tues-day, Aug. 20, for Leslie Norton, bride-elect of Micky Lunsford, at the Colonial Club in Clovis. Hostesses were Mrs. Tommie Snodgrass and Mrs. Donna Jordan.

Tables were decorated with fresh flowers in the bride's chosen colors of pink, blue, yellow and green. A cup o'soup, Turkey Chestnut over noodles, tossed salad, hot rolls, iced tea and coffee, and Tahitian Sundaes were served to 37 guests. Plate favors were French flower carts.

Hostess gifts were a book of wedding poetry and a Dish Garden in a brass pot.

The couple will be married in a garden ceremony Aug. 25.

The baby also has three great - great - grandmothers, Mrs. Rose Pirtle, Mrs. Lucy Davidson and Mrs. Elizabeth Daulton, all of Quanah.

Wedding Reminders

The wedding of Pamela Rose Sudderth and Dennis Gaylon Chapman will be solemnized Friday (tonight) at 8 p.m. at the United Pentecostal Church of Friona. The bride-elect is the daughter of Mr. and Mrs. Don Sudderth of Bovina. Parents of the prospective bride-groom are Rev. and Mrs. T.H. Chapman of Amarillo. Friends and relatives of the couple are invited to the ceremony and reception.

Leslie Fern Norton, daughter of Mr. and Mrs. Darrell F. Norton, and Micky L. Lunsford, son of Mr. and Mrs. B.L. Lunsford, will exchange marriage vows in a garden wedding on Sunday at 4:30 p.m. in the home of Mr. and Mrs. Lee A. Jones, Route 1, Farwell. Friends and relatives of the couple are invited to attend the ceremony and reception, which will follow in the Jones home.

Vanessa Kay Villard Is Bride Of Ronald Sickler

Vanessa Kay Villard became the bride of Ronald Sickler Saturday, Aug. 17, at 7 p.m. in the Central Christian Church of Clovis. Rev. Richard Sutherland officiated at the double-ring rites.

The bride is the daughter of Mr. and Mrs. John Spearman of Route 1, Texico. Mrs. Betty L. Sickler of Albuquerque is the mother of the bridegroom.

Altar decorations included a 17-branch, heart-shaped candelabra, surrounded by an emerald green palm, with a large apricot and white bouquet behind the candelabra. Seven-branch candelabra were at either sides of the heart-shaped candelabra. Completing the decorations was a brass kneeling bench. White pew candles marked the mothers' pews and apricot satin bows marked the guest pews.

Cathy Schiery presented the wedding selections "What Are You Doing the Rest of Your Life" and "The Lord's Prayer." Organ accompaniment was provided by Barbara Roberts.

Given in marriage by her father, the bride wore a Victorian wedding gown of candlelight ivory silk with a molded bodice featuring a large bib of Venice lace enriched with seed pearls. The long tapered sleeves were also of Venice lace graced with seed pearls. The slight A-line dress was emphasized with panels of Venice lace and pearls, falling into a soft bustle in the back and sweeping into a cathedral train. The hem was encircled in a Venice lace ruffle.

Carrying out tradition, the bride wore a necklace belonging to her great-grandmother as something old, her dress was something new, pearl earrings were something borrowed and the bridal garter was something new. A Juliet cap held her fingertip veil which fell in three tiers and was edged in Venice lace. The bride's bouquet was white roses and baby's breath.

Lisa Villard served her sister as maid of honor. Attendants were Mrs. Steve Harrington of Laguna, N.M., sister of the bridegroom, and Karen Bailey of Clovis.

The attendants wore identical Victorian style apricot silk shantung formals featuring white lace insets at the necklines and short puff sleeves. The modified A-line

dresses were accented with cummerbunds edged in white lace. Their headpieces were rolled white bows with streamers and they carried nosegays of summer flowers featuring apricot carnations.

Buz Sickler was his brother's best man. Groomsmen included Steve Harrington of Laguna, N.M., brother-in-law of the bridegroom, and Lee Villard, brother of the bride. Ushering were Rich Sickler, brother of the bridegroom, and Lee Villard.

Following the wedding ceremony, a reception was held at the Holiday Inn. Registering the guests was Ann Lockneane. Hostesses were Mrs. Jack Chambliss, Mrs. Roy Whitmore, Mrs. Wendell McCormick and Mrs. Earrol Baum-bart.

The bride's table featured her chosen colors of apricot and white with a silver candelabra. Centering the table was a four-tiered white wedding cake with white roses and baby's breath. Topping the cake was a floral bouquet in pale apricot roses. The bride's bouquet completed the decorations.

Following a wedding trip to northern New Mexico, the couple will be at home in Las Cruces, N.M.

The bride is a graduate of Clovis High School and attended New Mexico State University. The bridegroom graduated from Highland High School

in Albuquerque and has served a four-year tour of duty in the United States Navy. He is presently a student at New Mexico State University.

The mother of the bride-groom was hostess for the rehearsal dinner in the Holiday Inn in Clovis. Another pre-nuptial courtesy was miscellaneous shower in the home of Mrs. Gloria White. Hostesses were Mrs. White, Mrs. Jack Chambliss, Mrs. Bob Bailey, Miss Caren Bailey, Mrs. Roy Whitmore and Mrs. Lu Sims.

Hospital Notes

Marjorie Meeks was dismissed from Clovis Memorial Hospital the evening of Friday, Aug. 16, following hospitalization since Monday, Aug. 12. Mrs. Meeks says she is "doing pretty good" and is allowed to have visitors in her home.

On The Farm In Palmer County

By R. MACK HEALD
County Agent

If you read my column in last week's paper, you probably became confused as to what was going on. The article was about corn tasseling earlier than usual, etc. Now, as everyone from 5-90 years old knows, most of the corn has tasseled and is going into the hard dent stage.

This column had already appeared in the paper in early July, when the problem actually existed. Supposedly, it was not to be used again for any reason! But, mistakes do happen and last week the Tribune showed the County Agent talking about a subject that was over five weeks old.

I have been assured that this will not happen again. I realize

the Tribune's predicament, in that news doesn't happen as quickly as in New York or Houston. However, there is enough news material floating around so that five week old happenings don't have to be inserted into the paper in order to fill up space! Hopefully, the contents of the column in the future will contain information that will be meaningful and accurate.

The District I Extension Office in Amarillo will have a new Agricultural District Agent on Sept. 1. W.W. Grisham, Jr., the present District Agent, will be transferring to Texas A&M University to become a state specialist for the Ex-

tension Service. This man is my supervisor, and I'm proud to say one of the best District Agents in Texas. He has served this District for the past 15 years, and has gained the respect of all the Agents working under him.

His replacement is Paul Gross, County Extension Agent in Lubbock County. Mr. Gross has been in the Extension Service for the past 22 years. He started out as an assistant in Gaines County, from which he went to Howard and Lubbock Counties as the County Agent. Paul has an excellent understanding of all phases of the Extension Service and a strong background in Panhandle agriculture.

The 65th Annual field day of the Texas Agricultural Experiment Station at Lubbock is scheduled for Tuesday Sept. 10, from 1:30-3:30 p.m. The station is located 7 1/2 miles north of Lubbock on highway 87. Some of the major research plots to be covered include soil water research, soil fertility, short season narrow row cotton, weed control research and sorghum insect pest management.

Farwell Booster Club Elects New Officers

The Farwell Booster Club met Monday evening at Clara's restaurant to elect officers and map out plans for the coming year.

Joe Jones was elected president of the club, Troy Christian

will serve as vice president, and Irene Woods has accepted the position of secretary-treasurer.

The group set a goal of 75 members of this year with a membership fee of \$10 per person.

Coach Eugene Jennings, Farwell athletic director, spoke to the Booster club and said the success of the football program depended upon the support of the community. He stated he would make every effort to cooperate and hoped that the public would attend Farwell's games and the Booster Club meetings.

The club will gather Monday

8:30 p.m. at the Farwell Field House to meet with coach Jennings and his staff. The coaching staff will have a display of football equipment including protection gear. A scrimmage film will also be shown and punch and cookies will be served.

The public, particularly mothers of athletes, is urged to attend the meeting. Purpose of the club is to support the Farwell schools athletic program. In addition to supporting football, the club also supports activities of basketball boys and girls.

Some people believe that eating eels will cure toothache.

Schools Adopt Free Meals Policy

Texico Municipal Schools and the Farwell Independent School District have announced policies for children unable to pay the full price of meals and milk served under the National School Lunch, Breakfast and Special Milk Programs.

School officials from both districts have adopted a family size and income schedule, to be found elsewhere in this edition of the Tribune to assist them in determining eligibility.

Families falling within these scales or those suffering from unusual circumstances or

hardships are urged to apply for free lunches for their children. They may do so by filling in application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school.

Under the provisions of the policy the principal of each school will review the applications and determine eligibility. If a parent is dissatisfied with the ruling of the local school official he may make a request for a hearing to appeal the decision.

W. E. Roberts, superintendent of Farwell schools, Box F, Farwell, and A. D. McDonald, superintendent of Texico schools, Box 237, Texico, have been designated as the hearing officials.

A complete copy of the policy is on file in each school and in the office of the superintendents where it may be reviewed by any interested person. In the operation of child feeding programs, no child will be discriminated against because of race, sex, color or national origin.

Farwell First Baptist Church To Conduct Survey On Sunday

The First Baptist Church of Farwell will conduct a religious survey of the community starting at 2:30 p.m. Sunday. Approximately 50 to 60 workers from the church will be calling on residents; seeking information about where people attend church, if they go to church and possible prospects.

Persons who will be unavailable or who will not be at home at 2:30 p.m. Sunday are encouraged to complete the "First Baptist Church of Farwell People Search Family

Card" to be found elsewhere in this edition of the Tribune and put on the front door to be collected by members of the church.

Information obtained will be available to other churches in the community.

100 years of wheat Santa Fe all the way

Back in the 1870's when the Mennonites began their migration from Europe to America—Santa Fe was there! A representative of the railroad traveled abroad in those early days to influence homeseekers to settle along the pioneer rail routes being built westward across Kansas. The Mennonites were seeking freedoms of a new country and liked what they learned about America.

Santa Fe helped with their transportation, even chartering a special ship for the Atlantic crossing.

Santa Fe built special housing facilities in the settlement areas of Kansas and sold land, much below actual values, to the new homeseekers.

Santa Fe moved supplies for the home builders at reduced prices, sometimes for free.

Developing this new land back in the 1870's was not without hardships for the early Mennonites or for Santa Fe's pioneer rail builders. At that time, hardly anyone realized that their efforts would be rewarded through a few sacks of wheat seed which thrived in Kansas and spread to help make mid-America the breadbasket of the World.

100 years of moving wheat

Wheat is usually moved in a short period of time to meet harvest deadlines, export schedules and marketing requirements. These conditions make great demands on the railroads and it takes Santa Fe's modern facilities, an up-to-date car fleet and skillful employees to get the wheat job done year after year.

During the past century many things have been done to move wheat efficiently. Two examples stand out in Santa Fe's history:

(1) The giant 100-ton covered hopper car first introduced for moving wheat in 1963. Today, Santa Fe has 12,000 of these cars in service, the largest fleet in the rail industry, and 1,000 additional are now on order. Altogether these 13,000 hoppers have a capacity equivalent to approximately 21,000 conventional box cars.

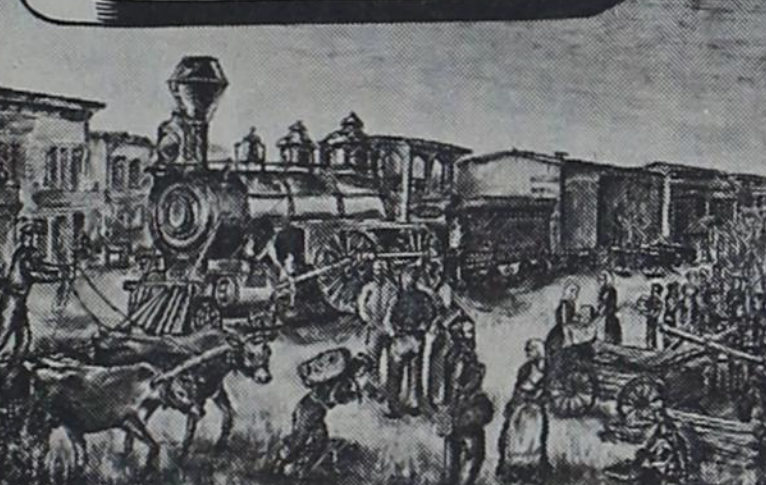

(2) One of Santa Fe's greatest achievements in handling grain was completed earlier this year when we moved a record-breaking billion bushels, a total of 350,000 carloads, in just twenty months.

Those few sacks of seed of Turkey Red hard winter wheat carried to America by early Mennonite homeseekers started one of the greatest agricultural developments in the nation. It's a history the Santa Fe has been proud to be a part of the past 100 years—all the way!

THE ATCHISON, TOPEKA AND
SANTA FE RAILWAY

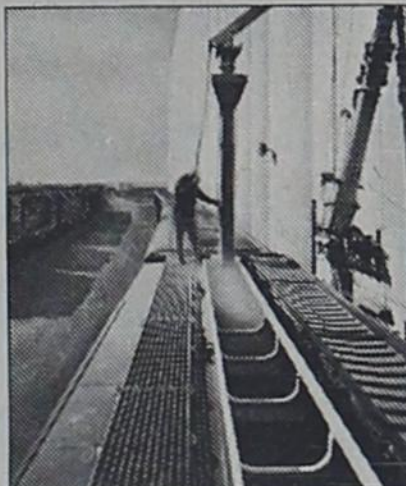

A SANTA FE INDUSTRIES COMPANY
